Chapter 4601

Xuanzhu laughed wildly and said, "ha ha ha ha, damn boy, aren't you crazy? Isn't it disappointment? Now, satisfied? Well, why don't you talk? Answer

Xuanyuan's face was very ugly. The ups and downs of Xuanyuan's face would grind his heart into pieces!

Sure enough, luck can't happen twice!

The rest of the crowd sighed

Ye Chen's talent, aptitude, strength and other aspects are all frightening to the extreme. Even xuanqu is far behind him?

Can, but because of their own silly, arrogant, play themselves to death

This is the most unjustly dead monster in the world, right?

But at this time, a voice, but suddenly sounded in the dark, a, indifferent man's voice.

"Have you said enough?"

Silence!

Complete silence!

This voice, clearly, is the voice of Ye Chen!

I saw a young man out of the dark again, although the whole body of the young man was full of scars, but it was a lively appearance in front of the public!

And, that ferocious wound is healing rapidly!

Xuanzhu was totally stupid. His head was empty, and he was about to faint

What's going on?

Can't you even kill Ye Chen?

Xuanqu childe clearly said that even if the beast meteorite is really a layer of heaven, it must die?

But why is Ye Chen still alive?

He doesn't understand, he can't think!

Ye Chen said with a smile: "it seems that you said enough, but I'm still not satisfied. Do you have a stronger move?"

Xuanzhu is already pale!

Stronger moves?

Yanghuo Tianjiao is dead. There is no stronger move!

He knew that this time, the son of xuanqu was not Xuanyao people, but a demon!

A devil who makes people feel cold from the heart!

The vitality of Xuanyao clan can be regarded as strong in heaven and man, but he has never seen such an immortal existence as ye Chen!

Originally, xuanzhu was nearly exhausted when using the meteor of ten thousand beasts. Under this mental attack, he vomited out a mouthful of blood and passed out completely.

Xuanyuan looks silly at the moment. He suddenly feels that his worry, his anger and his disappointment with Ye Chen are very funny

It's like a snake worrying about whether a dragon will drown in a flood

They are not on the same level at all

With a wry smile on his face, he can only be glad that ye Chen is not his enemy

Xuanyuan followed Ye Chen and said, "now, how do you want to do it?"

Ye Chen casually said, "I said that we should make xuanqu unable to do business."

With that, he glanced at all the people in the shop. Those clerks, shopkeepers, maids and so on were shaking and scared to be silly.

At this time, a young man crossed the crowd and came to the shop. Seeing the scene, he couldn't help being slightly stunned.

Ye Chen turned his head and looked at the young man and said, "who are you?"

"I'm here to do business with Mr. xuanqu. I have a lot of goods to sell to Mr. xuanqu."

"Is it?"

Ye Chen looks pale and points to Xuan Yuan and says, "after all business, do with him, he will give you a higher price."

Xuanyuan was stunned when he heard the speech, and then his face was full of joy!

Ye Chen, this is not only to let xuanqu have no business to do, this is direct, he robbed himself of the business!

As for the higher price, it doesn't matter, anyway, it's earned!

"This..."

But the young man hesitated

Business is about credit and relationship. How can we change trading partners at will?

What's more, what he traded with was not ordinary people, but xuanqu!

The xuanqu of SHENGRI City, Xuanyao clan, xuanqu of the first demon!

He can't be provoked!

Ye Chen seemed to see his hesitation and said, "he is the Xuanyuan of the holy moon city. You should have heard that he can't move you with his protection and xuanqu. Of course, you still have a second choice."

After that, ye Chen took a look at the people in the shop: "you, leave."

Those shopkeepers, maids and so on heard the words, as if they had grasped the straw, and ran away from here crazily.

People see this, some doubt, ye Chen to do what?

At this time, the leaf Chen facial color light ground swept that shop one eye, and then, with a fist bombard and come out!

The transformation of soul and body is displayed, and great force is roaring in this fist!

With a loud bang, ye Chen's fist smashed on the wall of the shop, and the light of the defensive array flashed wildly. However, under the erosion of the huge force, it was quickly broken, and the whole shop turned into ruins in an instant!Everybody's pupil shrinks!

Ye Chen, it's really cruel enough to smash the shops in xuanqu with one fist!

At the same time, they are also a thrill. How powerful is this?

You know, all the materials used to build this shop are of high quality!

Just smashed to pieces with such a blow?

Ye Chen looked at the young man and said, "well, do you want me to tell you what the second choice is?"

The young man swallowed his saliva and shook his head crazily: "no, no, I'm willing to choose to trade with Mr. Xuanyuan."

.....

Xuanqu's residence, the middle-aged man with a mustache, was walking back and forth uneasily.

Xuantu has received news that the three shops with big business in the black market have been destroyed in Ye Chen's hands, and even Xuanyuan has taken all the business away!

And this matter, in the holy city is also spread all over the city, but, at the critical moment, he was unable to contact xuanqu!

These days, xuanqu has not come out, and ye Chen has shown a strong against the sky!

People in the holy city began to discuss whether xuanqu was afraid of Ye Chen!

Wutou is not only called as "Wutou", but also will not do business!

If this goes on, the existence of the first demon of Xuanyao clan will become a laughing stock!

"Damn it, young master, what's wrong with him..."

On the other side, ye Chen looked at Xuan Jue and asked, "what's the trend of xuanqu these days? What's more, have you found the location of xuanya? "

When he destroyed xuanqu's black market business, he did not let xuanjue idle. Instead, he asked him to pay attention to xuanqu's movement and investigate xuanya's position.

In order to prove his sincerity, xuanqu held a ceremony to worship his ancestors in the most traditional way, and then married xuanya. Before the ceremony, they were not allowed to have any contact, or even stayed in different places. Therefore, xuanya was definitely not in xuanqu's residence.

Xuanjue said: "these days, xuanqu is in the closed door, not a step out, even if the city has already passed it down as a turtle, he still did not show up, as for xuanya girl's position, I also found out."

Then he took out a jade slip, handed it to Ye Chen and said, "here is the place where xuanya girl is under house arrest. There is a strong man guarding the real world."

Chapter 4602

Ye Chen's eyes brightened. It seems that xuanjue's help is the right choice. His ability to collect intelligence in the holy city can be said to be top-notch!

He took the jade slips, his eyes flashed: "inform Xuanyuan, we go to save people!"

In fact, the main purpose of Ye Chen's doing so much is to distract xuanqu's attention and weaken his strength, so as to strive for time to find out where xuanya is, and then rescue him!

It has to be said that ye Chen succeeded.

Although xuanqu didn't show up, it strengthened the guard force around his residence!

Almost will bring the holy day city of worship, all arranged in their own side, is to guard against Ye Chen and Xuanyuan launched a surprise attack!

After all, ye Chen's fighting power has made xuanqu feel threatened!

If Xuanyuan and ye Chen really come to the door, he can only rely on a more solid force than the sacred moon city to resist, rather than go out and fight ye Chen himself!

The one who was responsible for guarding xuanya also returned to the mansion!

This, let Ye Chen organic take advantage of!

That night, ye Chen and Xuanyuan came to a suburban mountain!

The reason why they bring Xuanyuan is to prevent accidents, such as the sudden appearance of holy day worship.

Although Ye Chen has some confidence in his current strength, he can't be the opponent of the strong in the middle and later period of the hidden true environment.

Therefore, we need Xuanyuan to restrict it.

Xuanyuan also has a sacred moon city to protect, the strength of this sacrifice is extremely terrible!

However, he would not take the initiative to avoid provoking the war between holy day city and holy moon city.

Therefore, this war, basically can only rely on Ye Chen himself!

Although, if ye Chen borrows xuanhanyu and Shuo Lao's power, he can barely resist those who are strong in the real world.

However, ye Chen does not intend to do so.

Now, his own strength has been looming close to the real level, even if there is a gap, it is not too big to make up for.

But Xuan Hanyu, Shuo Lao and the great power of the reincarnation graveyard can't be used unless absolutely necessary. This is his card.

Soon, a manor appeared in front of Ye Chen. At the gate of the manor, there were two Xuanyao people's hands. However, their strength was not too strong, but the peak of Shiyuan existed.

Ye Chen lets Xuanyuan stay outside the manor, but he uses the method of concealment and sneaks into the manor.

With the transformation of soul and body, the powerful power of divinity gushed out in an instant. Soon, ye Chen found the place of xuanya!

At that moment, his body moved, and he would go to the mysterious and elegant room. But at this moment, a loud drink suddenly rang out: "who dares to enter here without permission?"

Ye Chen smell speech, look light ground stands in the eye ground, did not show what surprised color.

It's hard to get close to his manor, but it's hard to get close to the whole hall if you want to.

Moreover, it is almost impossible to take xuanya away without being discovered.

Soon, a tall, full of golden hair, eyes upward, extremely fierce middle-aged man, then appeared in front of Ye Chen.

This Xuanyao clan, named XuanZhen, is the strongman who guards this place!

The moment that the person sees Ye Chen, it is pupil shrinks, deep voice way: "are you ye Chen?"

These days, ye Chen is famous in the holy city. It's hard to know him.

Ye Chen face color light way: "I give you an opportunity to leave, had better not obstruct me."

If it is normal, ye Chen may choose to fight directly, but now it is mainly to save people.

The man with the canthus of his eyes heard the speech and said with a smile: "boy, do you think you have some talent and are really invincible? Ha ha, your arrival has long been expected by master xuanqu. Otherwise, you think your people can find out the existence of this place so easily? "

Ye Chen hears the speech, the vision is slightly heavy.

XuanZhen saw this, but his face became more and more proud. He said, "you give me a chance to leave. I don't intend to give it to you

He murmured, and at the next moment, a burst of light burst out at the foot of Ye Chen, which shrouded the moment under a large array!

In this big array, everywhere is filled with golden mist, and the breath of danger is faintly rippling!

And XuanZhen's figure has disappeared!

He was hiding in the dark, with a pair of hanging eyes staring at Ye Chen. Originally, he thought that ye Chen would be in a panic when he was trapped by this big array, but he was wrong

At the moment, ye Chen is still calm.

XuanZhen frowned slightly. He knew the power of this array. The array, called the demon Yang golden light array, was inherited from archaic times.

In this array, he almost controls everything, as if in the sky, but why is Ye Chen so indifferent?

All of a sudden, ye Chen turned his head and looked at the direction of XuanZhen and said faintly: "is this the backhand of xuanqu's preparation? Unfortunately, it doesn't seem to have much effect on me. "XuanZhen see the situation, mind a swing!

What's going on?

Why can ye Chen find his own place?

Is it true?

At the next moment, XuanZhen's body moved, and instantly changed his position. At the same time, he urged the big array. The powerful golden light of Taoist power appeared in the big array and shot towards Ye Chen!

This is not over. XuanZhen has a golden sledgehammer in his hand. On the sledgehammer, the golden light surges wildly. It's really a layer of weather. It's crazy to break the whole body of the hammer into pieces!

In a flash, with the sharp golden light, XuanZhen was also a very terrible hammer!

In this heavy attack around, ye Chen almost no room to dodge!

However, at this time, ye Chen's eyes flashed a burst of red light, and then, with a flash of body shape, with an interval of no hair distance, escaped the gold light's accumulation shooting!

XuanZhen pupil shrinks, the face appears shock color, how is this possible?

The speed of the golden light, he is very clear, and, almost in the body side of Ye Chen burst!

It is impossible to avoid the golden light at the moment it appears!

But why did ye Chen avoid it?

For a time, his brain was in chaos, but, soon, all the thoughts in the brain were cleared, and his eyes were dead locked in the back of Ye Chen's brain!

In fact, the golden light is a cover. Although the power of golden light is powerful, he knows that ye Chen's vitality is also terror!

Why, XuanZhen has the confidence to kill Ye Chen with this big array?

One is that the demon Yang golden light array can constantly consume opponents by the fierce golden light, and the other is able to cover up their own existence and attack fluctuation, etc!

This is the real dependence of XuanZhen!

XuanZhen in the holy city, known as the earth shaking hammer, has a crazy body!

Its hammer magic power and its constitution are extremely consistent, which contains the ultimate shock of destructive power!

However, XuanZhen has a biggest weakness, that is, his hand is too slow!

Although the power of this hammer method is against the sky, it is extremely difficult to hit the opponent of the same rank!

Therefore, under normal circumstances, XuanZhen will not use this set of powerful hammer method to attack in battle, and the result can only be avoided by the opponent.

However, with this set of demon Yang golden light array, the situation is completely different!

With the cooperation of the array, the enemy in the array can't detect XuanZhen's move. His whole body of terror and destruction can play to the utmost!

This is why, he has confidence, rely on this array, kill Ye Chen thoroughly!

Chapter 4603

The power contained in this hammer is incomparably surging, and the invisible force is almost to be transformed into substance. It is indistinct that around the golden hammer, the rhyme of Tao flows, and the power of laws flows ceaselessly. Moreover, it is extremely concise!

The whole world seems to be broken around this hammer!

XuanZhen's face is ferocious. Even if ye Chen evades the golden awn, it is useless. If this hammer hits, ye Chen's vitality can only be destroyed for it!

Seeing, this gold light hammer is about to hit the back of Ye Chen's brain!

But at this time, a strange scene appeared!

I saw that ye Chen's body shape turned out to be a strange twist, suddenly disappeared in the vision of XuanZhen!

Boom a earth shaking bang, this hammer bombardment in the space!

The whole demon Yang golden light array, all above the power of this hammer, is crazy and turbulent, tends to be broken!

"How could it be!"

XuanZhen exclaimed, and his face was full of incredible color. Why did ye Chen avoid it!?

At this time, a light voice sounded behind him and said, "I said, this array is useless to me."

XuanZhen suddenly turned around and saw that ye Chen did not know when, but appeared behind his own back, and he, on a pair of red eyes flashing!

That pair of eyes seems to have a kind of magic to see through everything, firmly locked themselves!

In front of Ye Chen, the demon Yang golden light array is in vain. It can't hide his existence!

The reason why Ye Chen was able to avoid the golden laser at the beginning was not a fluke. Instead, he sensed the attack of the array in advance and predicted it!

And why can he sense the attack wave of the demon Yang golden light array?

Demon Yang golden light array, the biggest characteristic, is to cover the breath, the fluctuation and so on, this is not everyone can sense.

Ye Chen can do this for two reasons.

- 1、 The power of his mind is extremely powerful.

- 2、 He has the stele of the universe!

In particular, the second point is that the stele of tongtianming can even help Ye Chen find the flaws in the rules of attack. Naturally, it is also effective for arrays!

Therefore, this demon Yang golden light array does not have any effect on Ye Chen!

Along with Ye Chen's voice, and at the same time, ye Chen's sword!

At the moment, it's a fight, it's life and death. Ye Chen doesn't have any words to finish. I'll give you the plan of reaction time!

At the moment of his speech, he had already made a move. Even, he spoke in order to distract XuanZhen's spirit and let his attention fall on the words, not on the attack!

A very cold star river suddenly broke out in front of XuanZhen. Under such a close distance, there is no way to avoid it!

XuanZhen's eyes faintly appeared the color of horror, the power contained in the starlight actually made him have a very dangerous feeling!

At the next moment, he did not hesitate to lift the huge hammer and stood in front of him. His whole body was infused with Demon power. The golden light of the huge hammer was in full swing. It seemed that the golden light hammer had turned into a big shield!

At the same time, the demon Yang golden light array is also a golden flash, forming a protective light curtain around XuanZhen!

There was another roar, but this time, the sword light of Ye Chen didn't fall into the sky!

The hammer shook and the light broke. Even the defense of the demon Yang golden light array collapsed at the same time. XuanZhen's body instantly spewed blood and flew out!

XuanZhen's strength is not weak. Under normal circumstances, although Ye Chen's star soul chopping and dominating sword techniques are strong, it is extremely difficult for him to break through his defense or even fly the opponent with one strike. But now, XuanZhen rashly uses his strongest attack because of the demon Yang golden light array. After this attack fails, he can only defend in a hurry!

The temporary defense, even with the blessing of golden light array, can not completely block the star soul chop!

Originally, the demon Yang golden light array was XuanZhen's advantage, but now, it led to his injury!

XuanZhen's body rotated in the air and fell to the ground. There were several ferocious sword marks on his chest, abdomen, arms and thighs. That is to say, XuanZhen's body was super strong. Otherwise, XuanZhen would lose his fighting power under this sword!

As soon as he landed, ye Chen's next sword arrived!

No respite, no chance to reply!

After the strength advanced, ye Chen has been able to continuously display the star soul chop!

XuanZhen a bite teeth, combat experience, extremely rich he knows his situation at this time, very bad!

The rhythm of the battle is completely mastered by Ye Chen!

At the same time, he can't help but sigh in his heart that the youth in front of him is really the ultimate evil spirit rarely seen in the ages. He is impeccable in terms of qualification and combat talent!

XuanZhen's eyes flashed a decisive color, he knew that if you want to restructure the situation, get rid of Ye Chen's suppression, you can only fight!

He hit the sledgehammer in his hand and set up a defense again. However, it was obvious that XuanZhen's body burst out of blood fog again and flew backward. It was a miracle that XuanZhen could live! If it goes on like this, XuanZhen will surely be defeated without ten moves!

Even ye Chen felt that the war was too relaxed.

However, just when he was ready to make another move, it was a sudden change!

Originally, the surrounding calm golden mist was suddenly boiling up. A very restless and unstable atmosphere stirred in the array. Ye Chen's eyes flashed. The next moment, the whole demon Yang golden light array was filled with a burst of violent energy!

The XuanZhen detonated the whole array directly!

Today's XuanZhen, already injured, is flying upside down. If he bears the explosive force of this array, his injury will be aggravated!

Although he has an array disk to protect himself and control the detonating effect within a certain range, it is still extremely dangerous!

Even, it could be directly killed!

The impact of detonating the big array on Ye Chen is absolutely not as great as his own!

However, XuanZhen knows that this is his only way to break the game now!

The demon Yang golden light array is a great array in ancient times, and its explosion power is amazing!

Even ye Chen had to stop the sword for a while.

A golden column of light rose from the sky and cut through the sky. Even if it was in the suburbs, it still shone the whole holy city. Xuanyuan saw that the color of the golden light column changed slightly, and the terror energy contained in it made him dare not get close to it!

After a short time, the light column dissipated, and the whole manor was in a mess and turned into ruins. Only one house barely collapsed. A nearly broken purple light shield protected it. Obviously, the house had array protection.

That room was, of course, the place of the mystery.

Among the ruins, standing two figures are ye Chen and XuanZhen!

At the moment, XuanZhen was covered with blood. After the explosion, his whole body was wounded by a sword, and his breath became unstable. However, he had a fierce smile on his face!

Detonate the demon Yang golden light array, although crazy, but he successfully blocked Ye Chen's attack!

Ye Chen is also covered with scars, but his state is obviously better than XuanZhen. He stares at XuanZhen, and his eyes show a touch of appreciation.

They looked at each other, speechless, and moved at the same time!

Chapter 4604

With a roar, the dark sword collided with the golden hammer. This time, ye Chen and XuanZhen retreated at the same time!

Ye Chen has a dignified look in his eyes. Even if he doesn't use the destructive hammering method, XuanZhen's strength is not vulgar. Even if he is not in good condition now, he doesn't get any advantage from this blow. It can only be said that he is equal!

However, his face is still calm, because, even has declared the end of the battle!

Not everyone, like Ye Chen, has the constitution against the sky. In XuanZhen's current state, he can't persist in the battle for long!

Soon, the sword light rises again. What ye Chen has to do now is to push XuanZhen to the limit as soon as possible!

XuanZhen was biting his teeth and looking for opportunities in the battle. To his despair, ye Chen's every shot was almost perfect!

Xuanzhan had experienced countless battles in his life, and there was no lack of extremely dangerous situations of life and death. However, he felt from the bottom of his heart that Ye Chen was the most difficult opponent he had ever met!

I'm afraid that even if he is in full swing and can temporarily suppress Ye Chen, as long as he can't really defeat him, he will be attacked by Ye Chen sooner or later?

Ye Chen is just like a fighting machine!

Usually, Ye Chen's opponents often fail in one or two moves. They are just thrilled and shocked by Ye Chen's strength. However, only after a long battle with Ye Chen can they feel the horror of this young man in battle!

In the face of Ye Chen, even if the strength is equal to it, you can't make any mistakes. You must concentrate every time and try to be perfect. Otherwise, you will die!

This kind of pressure, even for those who have experienced the battlefield, may not be able to bear it all the time!

In particular, XuanZhen knew that his injury would be more and more serious with the battle!

He has been cornered!

After thousands of crazy fights, XuanZhen made a mistake under double pressure

A very small mistake, his mood has a trace of anxiety, leading to its control of the golden hammer, slightly unstable!

For ordinary martial arts, they may ignore it, but Ye Chen is like a snake waiting for an opportunity to move. He perfectly grasped the opponent's mistakes!

A strong sword light suddenly broke out. This time, the sword awn finally tore up the golden light on the sledgehammer and chopped into XuanZhen's body!

"Poof!"

XuanZhen spits out a mouthful of blood, the whole person flies upside down, smashes to the ground, smashes a deep pit on the ground.

It lay down in the pit, dying.

This war, he was defeated after all!

In ye chenmu, the divine awn flickers and ponders, and fights with strong men like XuanZhen, which gives him a lot of insights and makes a slight breakthrough in his strength!

After a long time, he glanced at XuanZhen in the deep pit. Without any killer, he went directly to the house where xuanya was.

The protective array, under the explosion of the demon Yang golden light array, was already crumbling. Ye Chen wiped it out with a sword and pushed in the door.

As soon as he entered the door, his pupils shrank, and a cold light shot towards his brow!

Can, this cold light in the distance Ye Chen eyebrow heart, still have half an inch when suddenly stopped.

A woman's voice full of incredible taste sounded in the room: "Ye Chen? You How could it be here? "

Xuanya looks at Ye Chen, and her beautiful eyes are full of incredible color.

Ye Chen pointed to the wound on the body and pretended to be serious and said: "I am injured. I need you to apply medicine for me."

When xuanya heard the words, her pretty face turned red, and she said, "you You're not in a coma. Why should I help you... "

However, although she said so, her eyes were full of water mist, full of moving color.

She had thought of death, but she was not willing to die like this!

Therefore, she decided that when xuanqu appeared, she would fight for her life. If she failed, she would commit suicide again!

Although xuanya was born in the Red Star holy land, her blood and qualifications are excellent. It can even be said that she is still above xuanqu. The reason why her strength is not as good as xuanqu and Xuanyuan is just because of the difference in martial arts cultivation environment!

Therefore, she wants to die, burning blood directly, not to mention xuanqu, that is, xuankun and other powerful people may not be able to stop it!

But she never dreamed that ye Chen would come to save herself!

Ye Chen looked at xuanya's expression and said with a smile: "what are you thinking of? Do you want a man? Forget it, and get out of here first. "

"You

Xuanya is also a burst of anger, but still obediently follow Ye Chen, out of the house, and Xuanyuan together toward the holy city.

At the same time, the holy city, a mansion, broke out a very surging breath!

The martial arts men with real strength all looked at the direction of the breath

That mansion is the place where xuanqu lives! In the secret room, xuanqu suddenly opened his eyes, and his eyes were filled with a wild beast!

As well as, extremely strong evil spirit!

Xuanqu stood up slowly, and a big smile appeared in the corner of his mouth. He said, "this incarnation of supernatural power has finally brought me to the third level, where animal blood is in harmony."

As soon as the voice fell, his body was twisted, and then, a fiery Yang fire Tianjiao emerged from his body!

Xuanqu gazed at the head of Yanghuo Tianjiao. The smile on his face became more and more intense!

This head of Yanghuo Tianjiao is a super monster in the real world!

In fact, xuanqu got four Yanghuo Tianjiao eggs by chance. He had been refining them with blood since he was a child. He was able to control these monsters. However, he always claimed that he had only three Yanghuo Tianjiao!

After hatching, one of the four eggs is a different species!

This kind of blood is extremely powerful. Whether it is demon blood or dragon blood, it is higher than the other three, a grade!

The reason why xuanqu wanted to hide it was that he wanted to take this alien dragon as his biggest backhand!

In fact, there is a condition for the magic power of transforming animals. That is, it is impossible to train a monster stronger than himself into his body, unless he is his own monster!

And if you want to have this life monster, you must cultivate the third level of animal blood!

The reason why xuanqu has been closed is to break through this realm!

And he did it!

Today, he has been able to train this alien Dragon into his body. Moreover, with his own monster, he can not only use the blood power of the monster, but also use the means of attack to improve his vitality and strength!

Now, the strength of xuanqu has soared several times!

Chapter 4605

The xuantu in the living room, suddenly his face moved. A young man with golden hair appeared in front of him. It was xuanqu!

He was a little excited and said, "young master, you are finally out of the pass!"

Xuanqu calmly sat down and said, "tell me what happened when I closed up."

Xuantu will ye Chen do things, report one by one.

At the end, he said with a sad face Now, xuanya has been taken away by Ye Chen, and even XuanZhen is defeated in his hands. "

"Oh?" Xuanqu eyes a flash way, "XuanZhen now how?"

"Seriously injured, but conscious."

Xuan channel: "ask him to come to see me, I want to ask about the battle process."

.....

Soon, xuantu will be a bruised, extremely weak middle-aged man brought in, it is XuanZhen.

Xuanqu looked at his wounds, his eyes narrowed slightly, and began to ask about the details of the battle.

Soon, a cold smile appeared on the corner of his mouth and said, "it took a thousand moves to defeat the injured you? It seems that ye Chen's strength, at most, is really a layer of heaven! "

He stood up slowly and said to himself, "Ye Chen, you robbed my woman, cut off my wealth, ruined my reputation, and even turned into a laughing stock from a peerless monster. Now, I will let you pay the price and recover everything that belongs to me with your blood!"

The next moment, its body flash will disappear in place!

.....

In the mansion where Xuanyuan is located, two figures are suspended in the sky. They are Xuanyuan and ye Chen.

They all felt that powerful breath just now.

Not only the two of them, but also many Xuanyao people gathered around Xuanyuan mansion, because they knew that xuanqu was coming!

Sure enough, not long after, a golden escape light, like lightning, came.

A cold and proud young man appeared in front of everyone!

It's xuanqu!

Xuanqu finally appeared!

Originally, people thought xuanqu didn't show up because he was afraid of Ye Chen. However, after feeling the breath, they knew they were wrong!

Xuanqu is not afraid of Ye Chen, but is closing down!

Today's xuanqu, strength is bound to progress!

They are all excited, this battle between genius, can be said to be the attention of all!

Xuanqu looked at Ye Chen coldly and said, "you killed Xuanping?"

Ye Chen light way: "yes."

Xuanqu eyes more yin cold way: "Xuanping did not tell you, he is my people?"

Ye Chen said, "yes."

"In this case, you dare to kill him?"

"And the owner said," I don't want to see the dog

His mouth showed a smile: "you are not qualified to let me have scruples."

Xuanqu heard the speech and was silent. After a moment, he said again, "you are more crazy than I imagined."

Xuanyuan on one side, his eyes flash slightly, and xuanqu is very clever.

His words are not nonsense. The reason why xuanqu said so much is very simple.

Lead the contradiction to Xuanping!

It's not about ye Chen ruining his business!

It's like, because xuanqu is closed, I don't know what ye Chen has done!

This is really a way to save face!

All of a sudden, xuanqu put his eyes on Xuanyuan and said, "Xuanyuan, I heard that you have made an alliance with this boy?"

Xuanyuan's expressionless face said: "xuanqu, why do you know why?"

Xuanqu looked at him and said in a deep voice: "Xuanyuan, listen to me. I only say it once. Now, don't support him any more. I'm willing to pay 10 million goblin crystal, and promise to you that I won't attack the people of Shengyue city in the future."

For a moment, everyone was shocked!

What did xuanqu say?

That's ten million goblin crystal!

Think about it, red star holy land out of thousands of goblin crystal are some reluctant, 10 million what concept?

This number, even the holy moon city can not be ignored!

It can be seen how much xuanqu hates Ye Chen. In order to let Ye Chen die, he did not hesitate to pay for it!

Everyone looked at Xuanyuan. In their opinion, Xuanyuan had no reason to refuse!

In fact, Xuanyuan's goal has been achieved now. He made xuanqu suffer a great loss, and his former revenge is revenge.

If, now can harvest 10 million goblin crystal, that is the true consummation!

The most important thing is that the smell of the outbreak of xuanqu is very strong. Now, ye Chen may not be the opponent of xuanqu!

This time and ye Chen draw a clear line, in fact, is the best choice!

Under everyone's gaze, Xuanyuan said with a smile: "xuanqu, very good condition!"

When they heard the words, their eyes flashed. Xuanyuan agreed! Without the support of holy moon city, ye Chen will surely die no matter how powerful he is!

Even ye Chen is also slightly frowned, some dignified eyes.

However, the next moment, Xuanyuan sneered: "unfortunately, I want to refuse, you just lost three shops, income should be greatly reduced? At this time, would it be worse to take your money? I'm not that cruel. "

As soon as this speech came out, people around him couldn't help laughing in a low voice!

This is to uncover the scar of xuanqu!

When xuanqu heard the speech, he looked cold and said in a cold voice, "Xuanyuan, remember what you said. Soon, you will regret it."

Originally, he didn't want to do it by himself, let those horrible offerings come out, and ye Chen would die! Now he can't keep hiding his cards.

Ye Chen, you must die!

All of a sudden, an extremely pure, surging, like a storm of evil spirit, rushed out of the xuanqu body. Under the impact of this evil spirit, all the people around changed their faces, and their eyes toward xuanqu became more and more awed!

In his eyes, a half dragon roared madly!

In a flash, the strength of xuanqu is to break through to the real situation!

Incomparably surging pressure has covered the whole world!

At the moment, xuanqu looks like a dragon emperor, like a demon God, very close to tyranny!

Everyone can't believe it!

Has xuanqu broken through again?

The first monster deserves its name!

The gap is too big to imagine. If we break through the real situation, our strength will change qualitatively!

Now xuanqu is invincible among the younger generation!

Originally, the people who are optimistic about ye Chen also shook their heads. It is too difficult for ye Chen to defeat xuanqu!

Xuanqu looked down at Ye Chen and said coldly: "Ye Chen, in the next life, remember to look at the master when beating a dog. Otherwise, he may die miserably."

Voice a fall, his hands will be more than a long sword, to Ye Chen mercilessly cut down!

A golden sword light with endless demonic breath suddenly appeared. The moment the sword appeared, the power of law in the whole holy city began to break and collapse, as if only the sword in xuanqu's hands could dominate everything!

Any law must give way to it!

Chapter 4606

On the attic of the bloody heart battlefield, a slight shock appeared in the beautiful eyes of that beautiful woman. Even with her eyes, she felt that this sword was quite outstanding!

It seems that xuanqu may win the battle!

In the face of this sword, ye Chen's pupil shrinks, holding the evil sword in an instant and chopping it out!

The bright star river and the golden sword light suddenly collide!

The Star River sword light flickered violently for a moment, then it began to collapse!

People's eyes, at the same time emerged a touch of shock color, ye Chen's star soul chop was finally suppressed!

The star light disappears, and the golden sword light falls on Ye Chen's body in an instant!

With a big bang, ye Chen's body was shot down from the air and hit the earth severely. The whole holy city seemed to tremble for a moment! Endless dust rises!

Scene, a dead silence

Xuanqu is too powerful!

And Xuanyuan's face was completely pale. He looked down at the rolling dust, and his eyes trembled. He was going crazy!

Xuanyuan knew that xuanqu had made a breakthrough, but he didn't expect the breakthrough to be so amazing!

At this time, xuanqu's sarcastic voice rang out: "I said, you will regret it, Xuanyuan, your strength is not as good as me, and you can't even look at it? Ha ha, from today on, you and ye Chen have done to me, I will double back! "

Xuanyuan shoulders a shake, he felt that he was wrong

All of a sudden, the rolling dust seemed to be swept by the gale and dissipated. People looked at the ground and saw a huge blood hole in Ye Chen's chest!

His body is completely penetrated by the sword of xuanqu!

It seems that he was seriously injured. Although Ye Chen was not killed by xuanqu's sword, he could also see the gap between them!

Xuanqu saw the situation and grinned ferociously. He knew that he would win!

Can, strange is, even so, ye Chen's face is still incomparably indifferent, unexpectedly is not the slightest fluctuation!

He raised his head, gazed at the xuanqu in the sky and said, "xuanqu, do you remember what I said to you at the beginning?"

"Well?"

Xuanqu frowned. What did this boy do?

He had thought that even if ye Chen was crazy again, he should start to be afraid, admit the counsellor and apologize to himself.

But?

Ye Chen is inexplicably asked such a sentence?

People are also a Leng, do not understand what ye Chen means?

The corner of Ye Chen's mouth raised a smile and said: "I said, if you let xuanya go and apologize to the Red Star holy land, I can let you go. I will ask you again. Are you willing?"

When this was said, everyone held their breath!

They stare at Ye Chen in disbelief

Madman!

This is a complete madman!

Under the circumstances of being crushed by a blow, ye Chen even dare to speak out wildly?

It's a long life!

When xuanqu heard the speech, he laughed and laughed angrily!

On his forehead, blue veins burst out, and the killing intention in his eyes almost turned into substance!

When was his xuanqu humiliated again and again?

Xuanqu said, "good! Good! You're dying. You want to play with me? Bluff with me? Ye Chen, I heard that you were not satisfied when you were hit by xuanzhu's tianwumie? This time, I will help you

Originally, xuanqu did not intend to use this move, after all, it will consume his own monster!

But now he can't bear it. He wants to kill the boy who is arrogant to break through the sky!

A roar of a dragon suddenly rings behind the xuanqu, and a red gold dragon's virtual shadow appears in an instant!

After owning the monster of his own life, xuanqu put out the beast killing on that day. He didn't need to prepare for it. He had to do it almost at once!

A breath of silence, burst, ferocity and blazing came in an instant, covering the whole holy city. Countless Xuanyao people felt the momentum of xuanqu at the moment. All of them were trembling!

The shadow of the dragon is just like the totem of the supreme demon God in ancient times. It has the supreme divine power!

This blow is more powerful than xuanzhu!

In the blink of an eye, that dragon virtual shadow, then already flew out, toward Ye Chen fiercely pounced!

Ye Chen's eyes appear very dignified color, secretly roared: "Shuo old, Xuan fairy, borrow my strength!"

At the same time, on the top of the Sha sword, the blood light explodes and flashes, and the sword spirit soars to the sky!

The reason why Ye Chen deliberately angered xuanqu is to force him to use the beast to destroy the day!

Using the power of Shuo Lao and Xuan Hanyu, we should not fight for a long time. We must make a quick decision. The best choice is to force xuanqu to use big moves!

And, most importantly, he can also benefit from this big move!

In a flash, ye Chen's body was completely submerged by the red gold light. The earth was shaking wildly. Many houses in the holy city collapsed, as if the earthquake of magnitude 10000 had arrived, Wind howling, lightning and thunder, a scene of doomsday!

Xuanqu was panting violently, his face was pale, but his eyes were full of pleasure!

He knows Ye Chen is finished!

Ye Chen was pierced through his chest with his sword. Then, under the extermination of the beast on that day, the whole body would evaporate in an instant, right?

No matter how strong the vitality is, the body is gone. How to recover it?

He raised his head high, and his eyes swept around. When the Xuanyao people touched xuanqu, they all lowered their heads. No one dared to look at them!

A blow!

With just one blow, xuanqu succeeded in rectifying his name!

No one dares to say that he is a shrinking turtle!

No one dares to be disrespectful to him again!

Ye Chen, what if you are evil and shocked again?

Isn't it a stepping stone for me?

From now on, our xuanqu will be the first demon of Xuanyao family!

A proud smile appeared on his face!

On the ground that rich to almost the essence of the red gold light, finally dissipated, leaving a deep to the extreme of darkness.

People look at the dark, eyes are slightly cold.

This darkness is the void space, everything has been annihilated to the extreme state, the void space can send out the breath of annihilation.

And the empty space in front of me is more powerful than the breath of silence caused by xuanzhu?

Such a terrifying space of extinction itself represents death, not to mention the extinction of the celestial beast that bears the xuanqu. Most of the Xuanyao people present will die even if they are close to the space. They can't survive in this darkness!

Xuanyuan had a glimmer of hope in his heart, but when he saw the desolate space, all his illusions disappeared

Even he didn't dare to get close to the darkness, because he would die!

The power of xuanqu's attack, I'm afraid, even if the strong man in the real world is hit, he can only fall?

Chapter 4607

Although, ye Chen is extremely frightening, but this period of time follows Ye Chen's side, Xuan Yuan also probably found out Ye Chen's strength.

Ye Chen's limit, should be in half step return true and return true one layer day or so!

This is terrible, but it is far from enough to live under the attack of xuanqu!

The darkness, slowly dissipated, the dead space, under the power of heaven, began to recover, but the present people have begun to leave.

The results are doomed. What's the point of whether the darkness dissipates?

At the moment, in the attic above the bloody heart battlefield, the beautiful woman looked at the screen, gently shook her head, and said, "come back, jade noodles. I didn't expect that xuanqu has become the third level of the magic power of animal transformation, and the blood of animals is in harmony."

Even she didn't think ye Chen could survive.

At this time, a woman, a beautiful woman, suddenly appeared in front of xuanqu. Her eyes were red, her face was full of grief and anger, staring at xuanqu, and her pupil was filled with hatred!

Even xuanqu's eyes on this woman are cold in the heart!

This woman is just xuanya!

She let out a sharp drink, the light of the spear flashed, and a shot was shot at xuanqu!

This is her ultimate shot!

Xuanya's Demon power and blood seemed to be boiling in this gun!

However, a sneer flashed in xuanqu's eyes. With a wave of his hand, a huge force poured out, and the power of this gun was completely destroyed. Even the long gun was swept away and flew out!

Xuanya was biting her teeth. She hated her weakness!

Hate oneself can't revenge for ye Chen!

Xuanqu gazed at Xuanyuan, and a hot color appeared on his face. The more xuanya resisted and hated him, the more he aroused xuanqu's desire to conquer!

He licked his lips and said, "xuanya, don't do this. Otherwise, I can't guarantee that I can control myself? Maybe, tonight, I will break my oath and take you

I will not spit at you

Xuanqu laughed, excited smile, he could not help it!

He stretched out his tongue and licked xuanya's saliva on his face, as if he were tasting something delicious. He showed a look of great enjoyment and said with a sneer: "do you think that in front of me now, you are still qualified to commit suicide?"

Xuanqu is not a gentleman. He just worried about xuanya's suicide, so he can't insist on it.

But now, with his life monster, the power of his blood has been greatly increased, even if it is the family worship, the power of blood can not be compared with his own!

In a flash, a strong blood pressure fell on xuanya Jiao's body. Xuanya's face turned white and her eyes flashed with panic. She tried her best to burn her blood. However, under the suppression of xuanqu, she couldn't do it!

Looking at xuanya's struggling appearance, xuanqu can't control his animal nature completely!

He let out a roar, and he was going to pounce on xuanya!

But at this time, a cold, indifferent man's voice, but suddenly rang out: "if you move her a hair, I promise, you will die."

Time, as if still!

Xuanqu's face, instantly solidified, ignited brain is also instantly cooled down!

Originally, the people who were ready to leave were frozen in place

Is this sound hallucination?

All of us, at the same time, look at the dead space at the same time

I saw that the dead darkness slowly dispersed, and a young man with blood all over his body appeared in the public's sight.

At the moment, although Ye Chen looks, the injury is quite serious, but it really appears in front of their eyes!

Ye Chen didn't die?

This is incredible!

Can it be called a monster?

Even the beautiful woman in the attic of blood heart battlefield was surprised and murmured to herself: "how can it be? Why has its vitality soared so much in such a short period of time? "

Through the last fight between Ye Chen and xuanzhu, and even XuanZhen, this woman has probably mastered the strength of Ye Chen's body, but now, ye Chen has subverted her cognition again!

In fact, the reason why Ye Chen was able to withstand the blow of xuanqu was because of the blessing of Shuo Lao!

Ye Chen seldom uses the ancient method of Hongmeng here, because this is the world of demon clan. The ancient method of Hongmeng belongs to human warrior after all, and Shuo Lao's power just adapts to this place!!!

Its surging dragon power is integrated into the keel, which makes Ye Chen's physique greatly improved!

Even so, in the face of xuanqu's Tianmu Mie, ye Chen also took a lot of risks, but the benefits are not small!

The dragon blood of the alien dragon in xuanqu is very strong. Just by absorbing the power of the blood in this attack, ye Chen's physique has been improved a little! He gazed at the xuanqu River, and there was a look of fanaticism in his eyes. If the power of that alien dragon was completely drained, could it actually move forward a step?

Xuanya saw this, and her beautiful eyes were full of joy. When she moved, she would fly towards Ye Chen. But at the moment, xuanqu's eyes were cold, and the Demon power in her body was surging. It seemed that she was going to do something to xuanya!

Just at this time, a bright sword light like a star river was beheading towards xuanqu!

"Hum!"

Xuanqu snorted coldly: "even if you can bear the extermination of heaven and beast, what? Your attack is too weak for me"

As soon as the words fell, xuanqu immediately took his hand and swung a sword at the star river. The dazzling Golden Rainbow leaped from the edge of the sword and shot towards the light of the Star River sword!

People see this, almost have seen that the Star River vanishes, ye Chen is once again injured by xuanqu sword.

However, when the two lights collided, an amazing scene appeared!

I saw that the golden rainbow was inch by inch cracked and quickly defeated!

All of us blinked and thought they were dazzled!

For a moment, the field was silent, and even the sound of breathing disappeared!

What's going on?

Originally, the scene that should appear above the Star River sword light happened on the golden rainbow!

What is broken is the sword rainbow of xuanqu!

Xuanqu's pupil shrinks wildly, and his eyes show a terrible look. Ye Chen's sword light is too introverted. Until this moment, he can feel the power of this sword far beyond the previous terror!

"No way!"

Xuanqu exclaimed: "how can someone, in such a short period of time, improve their vitality and attack power so much at the same time?"

It's not uncommon to improve your ability temporarily. However, you can either improve your destructive power or your vitality. It's rare that you can greatly improve both abilities like Ye Chen!

Xuanqu never dreamed that the broken would be his sword!

Chapter 4608

As soon as he bit his teeth, he hurriedly squeezed out an animal bone bracelet. He wanted to resist. The light of the bracelet just bloomed, and the Star River had already fallen on his body!

There was a big bang, and a chilling wave spread around. A dark shadow in the sky flew backwards, smashing several high-rise buildings into pieces before falling to the ground.

All of us looked at the xuanqu dully. At the moment, the xuanqu was almost cut open at the waist. The blood flowed across and the internal organs were about to fall out!

Stupid

Totally stupid

Ye Chen, who had just been completely suppressed by xuanqu, suddenly reversed the situation?

If it wasn't for the beast Bone Bracelet, it would have been killed by Ye Chen?

At this time, xuanya also came back to Ye Chen's side. Her beautiful eyes were full of shock. However, it was more of a kind of heartache and a kind of worry. She looked at the scars on Ye Chen's body and said, "Ye Chen, your injury..."

"I'm fine." Ye Chen said with a smile, "stay away from me."

"But..."

Ye Chen turned his head and said, "believe me."

After only saying these three words, he walked towards xuanqu, and his terrible wound healed rapidly with his steps.

Looking at Ye Chen's back, there is a light shining in xuanya's beautiful eyes. Immediately, he retreats towards the rear.

"Damn it! damn! damn! It shouldn't be like this, it shouldn't be

At the moment, xuanqu looks like a madman, roaring, his eyes full of unwilling, doubt, anger, fear and so on!

He is a generation of Tianjiao. At a young age, he has cultivated the magic power of animal transformation to the third level and has a bright future. This time, it is an excellent opportunity for him to wash away his reputation and establish his own position!

He clearly calculated everything, including Ye Chen's combat power, his own promotion and so on. It can be said that he has done the best. However, ye Chen is beyond his expectation again!

Mendianjing has the strength to surpass the real level of the sky. It is already incomparable against the sky. Anyone can't believe that ye Chen can still improve!

Now if you want to beat Ye Chen, only

Xuanqu's eyes suddenly appeared a fierce color, just like a snake hissing: "Ye Chen, this is what you forced me to..."

Ye Chen's face color light way: "how, ready to display ten thousand beast meteorite? Do you all come from the monster? It's not easy to cultivate such a powerful monster. Are you willing? "

When xuanqu heard the words, his eyes were filled with blood and tears!

In this war, he didn't want to sacrifice his own monster, which is not a consumable. If the alien dragon died, it would bring great damage to xuanqu!

Knowing that he had to go to this stage to defeat Ye Chen, xuanqu even chose to admit it directly!

But now he's in a tight spot!

Ye Chen obviously doesn't mean to stop. If he wants to defeat himself completely, he will not be able to turn over in his whole life even if he can survive. He can only become a laughing stock among the people

Even if he is brilliant in the future, no one will obey him. Even if he inherits the qualification of the Lord of holy day city, he will be deprived!

This is absolutely unacceptable to xuanqu, so he can only defeat Ye Chen at all costs!

"Ye Chen, I'd like to see if you can take my beast meteor!"

The breath of xuanqu suddenly boils up, and a powerful force that seems to burn the sky breaks out. All the onlookers are afraid and retreat!

The xuanqu at the moment is too terrible!

His whole body was red with blood, his eyes were filled with extreme resentment, and his breath soared again. The cry of the Dragon echoed in the holy city. A lifelike image of the Dragon appeared behind the xuanqu River, carrying the light of fire. It contained a huge force that distorted the laws of heaven!

The whole holy city seemed to tremble under the pressure of the dragon!

Even when ye Chen gazed at the dragon, his face was still calm. However, what people couldn't believe was that ye Chen still didn't have the slightest intention of dodging and retreating. Even though he didn't plan to defend himself, he wanted to connect xuanqu with xuanqu, which seemed to destroy the heaven and earth!

This is a kind of arrogance!

The next moment, the Dragon rushed towards Ye Chen!

There was a big bang, and the whole city was shaking. A dazzling light like the explosion of a star appeared in people's view!

Rolling energy waves swept the whole world like a tsunami!

All people are dull, frightening, the soul, will melt!

It seems that the meteorite will surpass everything

This time, even those who have been shocked by Ye Chen many times and greatly improved their estimation of Ye Chen's strength, it is hard to believe that ye Chen can survive this attack

Many sighed.

Ye Chen is indeed a generation of arrogant, but, should not be so arrogant Now I'll play myself to death.

Just now, he had a chance to take advantage of xuanqu's injury and continue to attack. He didn't give xuanqu any breathing opportunity to defeat him completely. But what about ye Chen?

Is it really a chance for xuanqu to show off its beasts?

At the moment, xuanqu's face was pale, and his breath was decayed to the extreme. He could not even stand still. The whole person was half kneeling on the ground. However, when he looked at the area covered by light, his face was full of ecstasy!

The power of ten thousand beast meteorite is still above its expectation. There is no existence under the real environment. It can survive in this attack!

Soon, the light began to dissipate, and the dead space reappeared in front of everyone.

A figure suddenly flashed and fell behind xuanqu. He was a bald old man, dressed in a red robe with a deep breath.

It is the worship of the Lord's house of holy day city, named xuanchi.

Xuanqu looked at him, nodded his head and said, "red old man."

The offering sent a pill into the entrance of xuanqu and said, "young master is injured too much. Now, let's go back to holy day city for healing."

Xuanqu heard the speech, took a look at the dead space and nodded.

Anyway, ye Chen must be dead. It's important to heal now.

Xuanchi held up xuanqu, and when the space around him fluctuated, he had to take xuanqu to leave directly. But at this time, in the silence space, there was a roar!

A very proud roar!

In this roar, all the blood was coagulated, staring at the dead space.

I saw, a figure, broken, terrible, almost, will lose the figure of human form, out of the darkness

That figure, although looks, incomparably miserable, but, in that pair of eyes, is bright extremely, makes the palpitation!

This scene is deeply imprinted in everyone's heart!

Ye Chen unexpectedly Still alive!?

in fact, although Ye Chen absorbed the essence of the blood of the exotic dragon, it was hard to resist all the animals of the Xuan canal, but it was not unprepared.

Chapter 4609

1、 With the help of Shuo Lao, he can help him to swallow the dragon blood among the beasts and reduce the damage to his body.

2、 Ye Chen, who has suffered from the meteor of ten thousand beasts once, has some knowledge of the power of its law and the way of destruction. He can also erase part of his power by using the new words of "six exterminations"!

However, even so, ye Chen is walking on the edge of life and death under this blow!

This decision is very risky, but

The benefits are also huge!

, the dragon's blood essence of the exotic dragon is very strong and pure. After swallowing it, ye Chen's body has made a small step forward.

Xuanqu looked at the figure that looked like a hell devil. His face was completely bloodless. His eyes were shaking wildly, his breath was high and low, and his mood was about to collapse!!!

Sacrificing his life monster, sacrificing his brilliant future, he still can't kill Ye Chen?

A mouthful of blood gushed up his throat and spat out, and the whole man was almost on the verge of death!

Xuan's naked eyes were heavy, and another pill was sent into the mouth of xuanqu. He glanced at Ye Chen. There was a faint flash of cold in his eyes, as if he wanted to make a move!

The strength of his hand is dead!

But at this time, xuanchi's side suddenly appeared a figure.

It was an old man in a white robe. He said faintly, "brother Chi, what do you want to do?"

This man, who was worshipped by the Lord of the holy moon city, was named Xuanqing.

Xuanchi's pupil shrank and hesitated again and again, but he retreated from xuanqu.

Xuanqu was scared to death!

He grabs xuanchi's sleeve crazily and almost cries out: "old red, don't leave! I I will be killed by this boy
Don't give up on me... "

With a sigh and a wave of his hand, he shook the xuanqu away and said, "young master, the master has told us that no matter what, it is not allowed to fight with the holy moon city."

After that, the figure flashed and disappeared.

When xuanqu heard the words, despair finally appeared in his eyes.

But at the moment, the footstep sound near, he suddenly turned back, saw, ye Chen already stood in front of his body!

Xuanqu mind a shock, unexpectedly is subconsciously, directly kneel down in front of Ye Chen!

And the people who are still in shock wake up when they see this scene!

Xuanqu, the so-called first demon of Xuanyao clan, kneels down after all!

Xuanqu bit his teeth and was deeply humiliated. However, he didn't have any resentment

He knew that he had not been wronged!

Xuanqu has been completely beaten by Ye Chen!

In fact, ye Chen and xuanqu are in bad condition now. If xuanqu is willing to fight, it's hard to say whether they will win or lose!

But

He has been afraid, really afraid, in this life, I'm afraid he dare not fight ye Chen again

Under Ye Chen's cold eyes, xuanqu said in a low voice: "Mr. Ye, I'm wrong. I'd like to kneel down to apologize to xuanya, to you, and to all the Red Star holy land, and ask for your forgiveness..."

His eyes fluctuated for a moment, and then went on: "I xuanqu swear in the name of demon God. If you let me go this time, holy day city will never retaliate against him!"

As soon as this statement was made, all the people present changed their faces!

To the demon God oath, this oath in the Xuanyao clan is not to be violated, otherwise it will be regarded as disrespect to the demon God!

At that time, no matter who you are, you will be attacked by Xuanyao people!

Even ye Chen's eyes flashed, and the xuanqu was bold enough.

In fact, if xuanqu is a human being, ye Chen will kill it anyway, because the oath of human beings is not credible.

However, xuanqu is a clan of Xuanyao.

Xuanyao clan, although fierce, but more credit than human beings, more value oath!

But is that enough?

Of course not!

Ye Chen light way: "you want to say this?"

The killing opportunity in his eyes was powerful.

If xuanqu could have apologized to him at the beginning, ye Chen might have let him go. Now, after the death war, he couldn't fight. He was afraid. If he wanted to get away, it would not be so easy!

Xuanqu's heart is cold, trembling to take down the storage bag, give ye Chen way: "Ye Mr. Ye, there are 15 million goblin crystals in this storage bag, as well as many precious materials and tools of Xuanyao people. I would like to give them to you as compensation... "

When people heard the speech, their eyes were about to stare out!

Fifteen million goblin crystal, I'm afraid it's all xuanqu's savings? For holy day city, it's a bit of a bruise!

Not to mention the valuable materials, demons and so on

This condition is very good!

Can, ye Chen is light way: "did not have?"People are a little silly. Isn't that satisfactory?

Is Ye Chen's appetite too big?

You know, there is holy day city behind xuanqu. If ye Chen really killed xuanqu, SHENGRI city would never let him go!

As for holy moon city?

Hehe, no one will be stupid enough to think that after destroying xuanqu, Shengyue city will continue to fight for ye Chen and SHENGRI City, right?

Therefore, ye Chen is gambling!

Really forced xuanqu urgent, that is to die together!

Have to say, ye Chen's courage is too big!

However, this time, it is obvious that ye Chen is right!

Xuanqu's face changed several times. He took a deep breath and took out an ancient book from his arms and gave it to Ye Chen. He said, "Mr. Ye, this is the original code of transforming animals and supernatural powers inherited from holy day city. If you let me go, I would like to give it to you. Moreover, all my business in the black market of holy city will be owned by master Ye ever since!"

As soon as xuanqu said this, xuanchi, who had disappeared, appeared again. His eyes were full of anger and roared: "young master! What are you doing

After all, the business in xuanqu's hands is not the whole or even a large part of holy day city

The original Scripture that can transform the beast's supernatural power is unique. If the Lord of holy day city had not reached the bottleneck of cultivation and xuanqu's talent was really good, the city Lord would not have given the original Scripture to him to practice!

There are some manuscripts in the city Lord's mansion. However, for this level of skills, the original Scripture itself is a treasure. It is difficult to compare with the original script. Even if you want to cultivate to a higher level, you must use the original script!

Can xuanqu, unexpectedly want to hand over this original code!?

Xuanqu looked at xuanchi and said without expression: "old red, since holy day city is ready to give up me, I have to save myself."

He did so partly because of his resentment against holy day city and his father!

"You

Red old face is ferocious, even wish to kill xuanqu himself!

Even when Xuanyuan looked at the ancient book, his heart beat faster than ever before!

If you get this beast magic power, plus the sky axe of the holy moon city, then the holy moon city will rise strongly and become the first of the nine holy places!

Chapter 4610

Ye Chen's eyes also burst out a strong divine light!

To tell you the truth, he is also very interested in this magical power, especially the original monster!

If we can win over a powerful and potential monster, his strength will be greatly improved!

Even if the supernatural power is improved, will he and the blood dragon break out like the power of sacrificing the source vessel on that day?

Ye Chen is about to reach out and take over the original code of the magic power of Hua beast, but at this time, xuanchi is shouting: "boy! No answer! If you take away the original Scripture, I will hunt you down to the ends of the earth

"Is it?"

The corner of Ye Chen's mouth spread a sneer, he this person eats soft not to eat hard.

Immediately, he directly took over the magic power of transforming animals and said to the mysterious channel, "you can go."

When xuanqu heard the speech, his face did not fluctuate much. He nodded and left alone. His back was extremely bleak. It was hard to imagine that he was the first demon of Xuanyao family who was still in the ascendant not long ago.

Xuanchi's eyes are congested, and even can't help it!

But, I don't know why, Xuan Qing is in front of Ye Chen!

Xuanyuan's eyes flashed, as if thinking about something.

Ye Chen seemed to see Xuanyuan's idea and said faintly, "brother yuan, how about a deal?"

Xuanyuan's face was beaming with joy and said, "master ye, please speak."

Ye Chen said, "I can give you this beast transforming magic power, but it's not now, but ten years later. In this ten years, Shengyue city wants to resist holy day city for me. What do you think?"

He didn't know how difficult it was to transform the beast, but ye Chen was confident. Given him ten years' time, he would be able to practice all kinds of divine level skills!

Xuanyuan frowned a little. To tell the truth, he wanted to get this beast turning magic power immediately, but when he touched Ye Chen's eyes, he couldn't help but feel awe

He took a deep breath: "OK! In the name of the demon God, I will abide by the agreement with Mr. Ye! "

In front of the Lord's house of the holy moon city, ye Chen is definitely not an opponent. As long as he orders, he can win this beast magic

However, in this way, it is inevitable that ye Chen will have a great hatred of life and death!

So he didn't dare to bet

Who can guarantee that ye Chen has no means to protect his life?

In case Ye Chen survives and lurks

Then, he can be sure that the city waiting for the holy moon will be a disaster!

On the other hand, it was also because Xuanyuan admired the young man from his heart!

If he could, he didn't want to be the enemy of Ye Chen.

As soon as Xuanyuan said this, xuanchi's eyes darkened completely, and he had to leave with a cold hum.

Ye Chen looks pale. In fact, he traded with Xuanyuan for not himself, but the holy land of red star.

Basically, Xuanyao clan will not leave the ten holy places. As long as he returns to the outside, the holy day city may have no way to deal with him, but the Red Star holy land is different.

After all, if holy day city wants revenge, the first one is to revenge the Red Star holy land.

At this time, Xuanyuan said with a smile: "Congratulations, Mr. Ye, this battle is a complete victory. Why not go to my home to celebrate?"

Ye Chen is ready to open his mouth, but at this time, a woman in a black robe and a mask comes up.

This woman's breath is extremely ethereal and weird, giving people a sense of horror. She glanced at Xuanyuan and said to Ye Chen, "Mr. Ye, my master, would like to invite Mr. Ye to go to talk about it."

"Your master?"

Ye Chen picked her eyebrows.

Xuanyuan smell speech, some displeasure, he invited Ye Chen, who is so bold to come to sweep his face?

Jade face light way: "my home master, is saint day demon clan, blood heart battlefield owner, Xuan blood heart!"

As soon as this was said, there was silence in the field!

God demon family?

In the legend, the saint heaven demon clan should also appear for ye Chen!?

What's more, he is the owner of the mysterious blood heart battlefield!

When Xuanyuan heard the speech, he also changed his face and immediately said, "Mr. Ye, we'd better get together again next time..."

Holy Spirit clan, can't be provoked!

Ye Chen is also interested in the expression, he can cultivate bleeding heart worm, or very curious, and he seems to have no right to refuse.

Immediately nodded his head and said, "good."

Xuanya see form, face is worried color, and ye Chen smile to her: "don't worry, I'll come back soon."

Then, under the guidance of jade noodles, they gradually disappeared in the public view.

.....

In an attic above the bloody heart battlefield, a beautiful woman is drinking, her pretty face is slightly red, and seems to be excited.

At this time, there was a knock at the door, and a woman said, "master, I have brought the man." "Come in."

Xuanxuexin slightly sat upright and looked at the door.

Soon, a handsome and indifferent young man pushed the door in.

When ye Chen sees xuanxuexin, he is also stunned

Too beautiful

Even if is used to seeing beautiful women, the eye is extremely fastidious Ye Chen, is also for its amazing.

Appearance, temperament and figure are the top of the top.

However, what makes Ye Chen more frightened is the age and strength of Xuanxue heart!

Xuanxuexin, young, really young

But her strength seems to be

It's already over the middle of the real world!

How much concrete, even ye Chen can not see through!

Also, the blood power of Xuanxue heart!

At the moment, looking at Xuanxue heart, ye Chen is actually vaguely have a feeling of facing the demon at the beginning!

This blood is more powerful than the general Xuanyao people!

However, soon, ye Chen recovered calm and gave a courtesy: "in the next leaf Chen, have seen the blood heart fairy."

A trace of appreciation flashed in the beautiful eyes of Xuanxue heart. In front of her, there were few people who were neither humble nor arrogant.

Xuanxue heart with a smile, pointed to a seat beside him and said, "Mr. Ye, come here to sit."

Ye Chen's eyes flashed for a moment, did not refuse, sat in that position.

At the moment, the arms of the two men are almost close to each other without any gap. Ye Chen can clearly feel the delicate, tender and white arms of Xuanxue heart, and a strange fragrance lingers on the tip of his nose

This kind of fragrance, not only is the fragrance, moreover, any man will have a kind of blood vessels Zhang feeling!

It can be said that Full of women's breath!

Even if ye Chen faces this kind of situation, also some embarrassment rises, the cheek is slightly flushed.

Looking at Ye Chen's appearance, xuanxuexin seems to feel very interesting. Her beautiful eyes are bright and she is staring at Ye Chen with a mischievous smile on her mouth.

She suddenly reached out and picked up the wine bottle on the table and said, "Mr. Ye, I'll pour you wine."

Say, lean to Ye Chen body, that soft, tender and delicate body, almost all will fall in Ye Chen's bosom, do not know whether intentionally or unintentionally, two people's body up and down, many positions have had intimate contact!
