

Physician 4651

Chapter 4651

Such a person can no longer be called a person!

My own?

Ha ha, I'm afraid in Gu Han's eyes, the whole Gu family is equivalent to a spirit stone warehouse?

And they are the spirit stone for Gu Han's cultivation!

His heart is extremely heavy, had to pray: "Ye Chen, you must as soon as possible that mieti Dan successfully refined ah!"

Now, the only hope of the whole family is Ye Chen, who is still in seclusion!

Gu Han looked down at Gu Beixing and said, "Gu Beixing, I promise you that you will regret your decision."

At the next moment, he let out a roar, and the endless pressure burst out of his body. Even though Yu Hongying and others felt Gu Han's fierce pressure, they all turned pale and stiff. In this pressure, they had no resistance at all!

They are afraid. They are really afraid. This is just the power of gods and demons!

In front of this power, even ants are not as good as ants!

If Gu Han wants to kill them now, he just needs to move an idea!

Fortunately, Gu Han is not interested in them, and his whole mind is concentrated on the big array guarding Gu's family!

This array is inherited from ancient times, and is not commonly known as the nine yuan Guiji array!

In an instant, the gray and black evil spirit constantly self-care, gushing out of the cold body, like a vast ocean, pouring down, instantly submerge the nine yuan Guiji array!

Not only the nine yuan return to the extreme array, but also the streets and houses around Gu's family are covered by the evil spirit of gray and black!

After a brief silence, a scream came from the thick fog of evil!

Countless warriors are scrambling to escape from the dark gray fog

However, no one can really escape from the evil fog of hell!

Occasionally, one or two powerful beings burst out of the fog, but within a breath, their bodies tend to melt and fall back into the black fog in the scream

Gu Han laughs wildly, feeling the flesh and blood of those warriors, turning into pure strength in the black fog, and integrating into his own body, showing a look of great enjoyment on his face!

As Gu Beixing expected, in fact, Gu Han has regarded everyone as a source of practice!

In other words, two legged sheep!

Yu Hongying and others are crazy when they watch this scene!

It's so scary!

Wei Ji shivered and said, "Ye Elder ye, isn't he in the care of his family? Why not

When people heard the speech, they all had a look. At present, only Ye Chen, who could stop the demon like youth, could stop him!

However, ye Chen has never appeared!

At this time, a sharp drink sounded behind Gu Han: "Gu Han, what are you doing?"

Gu Han sniffed the speech and frowned slightly. He turned around and looked behind him. He saw a woman standing in front of him, who was in the middle of her face and had a cool temperament.

It's Liang Zibing, governor of Jingzhou!

She was also Gu Han's master!

At the moment, Liang purple ice color iron green, hear that voice scream, eyes more and more cold!

She didn't expect that her former disciples would become such a monster!!!

Gu Han saw Liang Zibing, but he laughed ironically.

With a flash of his figure, he came to Liang Zibing and said with a rather playful smile, "master, long time no see."

Liang Zibing shivered, not fear, but anger!

She almost roared: "Gu Han, don't stop! You have made a big mistake. Now, follow me to the dark house and turn yourself in! "

Gu Han heard the words, but he laughed wildly and said, "Liang Zibing, I call you a master. Are you really pretending? Hehe, it's just a secret mansion in Jingzhou. Is it qualified for me to turn myself in? "

In his eyes, he flashed: "even if the Jingzhou dark house, pour out the nest, can Nai me! Come on, I'll kill one

"You

Liang Zibing was so angry that she couldn't say anything. Now, she only hates that she didn't kill this animal at first?

When Gu Han saw Liang Zibing's disgusted eyes, his face twisted!

He didn't understand why he was so strong, but these people still had to look at themselves in disgust?

Why still refuse to submit?

That look stabbed Gu Han's self-esteem!

A ferocious smile appeared at the corner of his mouth, and he hugged Liang Zibing's delicate body tightly. His face almost stuck to Liang Zibing's face, playing with the flavor: "master, do you know? Although you don't look very beautiful, your superior personality has made me want to conquer you for a long time and watch you beg for mercy under me

Liang Zibing struggled madly, but there was no effect. She roared: "let me go! You beast, let go of me! In Gu Han's eyes, evil will prevail. He hugs Liang Zibing's hands and suddenly exerts force, as if to squeeze Liang Zibing's delicate body into his own body directly!

Liang Zibing's face was stiff, and the sound of clicking was constant, and his bones were almost broken!

Her mouth, spit out a mouthful of blood, spray on Gu Han's face, Gu Han evil smile, put out his tongue, the blood will be licked into the mouth with relish!

An inexplicable force implicates Liang Zibing's body, as if to crush her flesh and blood, even the spirit into powder

That kind of pain, indescribable, every cell in the body, seems to be moaning!

Liang purple ice gave a very shrill cry, and then the whole man was turned into a mummy. The essence of blood was consumed by cold.

Gu Han licked the last trace of blood on his face, released his hands, and the corpse turned into powder.

When Yu Hongying and others saw this scene, their eyes were filled with blood!

Their relationship with Liang Zibing is not so good. However, they are very clear that Liang Zibing treated Gu Han's apprentice with incomparable care! It's like treating Gu Han as a son!

What about Gu Han?

He killed Liang Zibing in such a cruel way!

The world of martial arts is cruel, but there is still a bottom line

Gu Han, this is not even a trace of human nature ah!!!

Even Yu Hongying can't accept it!

A young man with a bronze complexion could not help but roar: "what kind of senior man? I see, that ye Chen is nothing at all! This evil spirit has been so rampant, but what about ye Chen? I'm still hiding in the array of Gu's family. I'm a shrinking turtle! "

Hearing the speech, Yu Hongying opened her mouth and seemed to want to refute it, but she couldn't say anything

A few people were originally to Ye Chen are full of respect, but now, their eyes are full of disappointment!

How strong is CHEN Ye?

Not even the courage to face Gu Han?

Chapter 4652

At the moment, countless martial artists are sitting on the ground, their faces are extremely calm, and they are crazy to pour the spiritual power in their bodies into the array!

However, even so, the light of the nine yuan return to the pole array was rapidly dimmed under the constant impact of the strange and incomparable gray and black evil fog!

Even cracks have appeared on the surface!

An elder of Gu family sighed and said to Gu Beixing: "master, please take the elite of the family and leave first. The nine yuan Guiji array can't stop Gu Han. At most, after three hours, the array will be broken..."

If the Gu family is really going to suffer from this catastrophe, at least, they should also keep the fire

It's impossible for everyone to leave. First, there is not enough time for Gu Han to watch you escape. Second, there is a limit on the number of times to use the transmission array. To send off Gu Beixing and the elite of the clan is the limit.

However, Gu Beixing, however, shook his head firmly and said, "everyone, do your best! I care for my family, to live, to live, to die, to die together! No one is allowed to give up. Hold on for me

When the family members heard the speech, they were all full of blood. In unison, they should say: "yes

Gu Beixing spits out a mouthful of turbid gas and his eyes are flashing. He is gambling!

The future of the whole family is gambling!

Gu Beixing naturally knows that the array will be broken sooner or later. Facing Gu Han, they have no chance to win!

However, what he wants to do is not to defeat Gu Han, but to delay time!

Delay until ye Chen goes out!

He bet that ye Chen can save his family!

At the moment, in the attic, ye Chen's body has almost become a skeleton.

The flesh and blood in the body seems to have been completely destroyed!

Even the skeleton was turned into pure black, with cracks all over the place, as if it would collapse at any time

But at this time, ye Chen suddenly opened his eyes, a very surging vitality, burst out, that broken body, crazy rebirth!

It seems that the original rage to tear up all the body killing pill, but now, it is extremely tame in Ye Chen's body surging!

Every inch of his body has left a mark of destruction!

Ye Chen can clearly feel that, although his current physical state, looks very bad, but even in such a state, his strength is stronger than before!

In order to refine this elixir, ye Chen suffered three days of torture. He almost died several times in hell!

Fortunately, he held on, now, it is broken and then stand, ushered in a new life!

It's time to change!!!

.....

Three hours of time, very short, flash away, now, nine yuan return to the pole on the light screen, has been covered with countless cracks, tottering!

What's more shocking is that at the moment, some of the people who care for their families are dead, most of them have shriveled faces and decayed breath

Why, is it like this?

Those who died, without exception, all died of exhaustion!

Because, in order to defend the big battle, they all fight for the last strength in the body!

But even so, I can't go back to heaven

Gu Han laughs coldly and is ready to have a good meal!

His eyes are locked on Gu Beixing, and his eyes are full of greed!

Well, it's really the second layer of heaven. It must be delicious!

Gu's kindness to Gu Han has changed his fate completely. However, even so, Gu Han only wants to swallow up Gu's family members!

At this time, with a roar, the nine yuan return to the extreme array, after all, was broken!

Gu Beixing looked back, his eyes penetrated through countless buildings and landed on the attic in the secret place. He saw that the gate was still closed

Gu Beixing sighed and his eyes darkened. Maybe he was wrong at the beginning. Maybe, ye Chen has died in the attic

But even so, he didn't regret it!

Gu Beixing slowly stood up, his eyes burning with war!

Care for the family, do not be deserters, do not abandon the same clan!

Die together if you want to die!

Gu Beixing suddenly yelled: "the people who care for the family are obedient, kill me!!! Even if we're going to die, we're going to die! "

At the moment, the whole family, looking at those who died of exhaustion, is also completely inspired by the bloody!

One by one, they looked at Gu Han as if they were forced into a desperate situation. They roared: "war

At home, most of the warriors could not resist the erosion of the black fog. How to fight?

These warriors, one by one, bravely and fearlessly, rushed towards the black fog, toward Gu Han, and then

Boom!

Boom!

Boom!The sound of the explosion is endless. They actually used their own lives for the last chance to attack

Many people who care for their families have chosen to blow themselves up!!!

This scene, too heroic, too sad!

Gu Beixing is biting his teeth. His eyes are red and his heart is bleeding!

He gazed at Gu Han, and his whole body was destroyed. His sword pointed and roared: "Gu Han, I want you to die!"

At the next moment, Gu Beixing's whole body was destroyed, and the power of destruction was like the roar of a dragon. His wrist was turned over and his sword formula was continuously used. The sword light flashed and turned into a black and lacquer sword array, which surrounded the whole body and swept away the sword spirit, turning a large amount of gray and black evil fog into nothingness!

He stares at Gu Han with hatred in his eyes. With a roar of hatred, he cuts out a sword. When the sword formula is agitated, his body and sword are united. With the destruction sword array, he rushes towards Gu Han like black lightning and goes away with great speed!

The power of this sword is extremely frightening. In this desperate situation, Gu Beixing has made a breakthrough. Even though he has not recovered completely, the sword is already terrible!

When those who care for their families feel the destructive power that makes their soul tremble, they all look excited!

Perhaps, the master's sword can reverse everything and kill Gu Han, a traitor and a scum, under the sword!

Revenge for the dead brothers!

Yu Hongying and others are also looking forward to seeing Gu Han die!

And Gu's customers are northbound, but they are the strongest among them. In the whole dark area, they are well-known strong ones!

Although, before has not shot, but, in their view, is now the most hopeful candidate to defeat Gu Han!

Gu Beixing's eyes are fixed on Gu Han. Suddenly, his pupil shrinks

In the face of his extreme sword, Gu Han actually laughed?

Moreover, the smile was full of sarcasm!

With a roar, Gu Han's black and gray evil spirit suddenly turned into a storm. In the storm, Gu Han seemed to raise his fist at will, and said with a cold smile to Gu Beixing, who was chopped by the man's sword in one, with a cold smile: "Wulong evil fist!"

Chapter 4653

The next moment, the extremely surging, condensed evil spirit, as if in a moment, with life, swirling around and gathering, turned into a frightening black dragon. With the movement of Gu Han's right fist, it soared and whirled, ravaging the world. The endless force of law seemed to be transformed into a whirlpool of laws under the dance of the black dragon. The heaven and earth seemed to become Gu Han's heaven and earth!

He is the master of all living beings, the supreme evil god!

All the people who thought Gu Beixing could defeat Gu Han with one sword were stiff and pale!

Gu Han's punch is much stronger than they imagined!

In a flash, with Gu Han's fist falling down, the dark dragon roared out, and his fist power rolled and smashed heaven and earth!

Gu Beixing is also gloomy, but at the moment, his mood is not a bit shaken, still indomitable, as if dead!

He knew that wavering is death!

Soon, the dark sword array like the abyss and the fierce fist dragon were in a violent collision. The terrible aftershock swept everything. Many martial arts practitioners were under the impact of the aftershock, spitting blood and flying upside down, seriously injured!

Some people with weaker strength will die directly!

Originally extremely luxurious, the huge Gu's house was almost destroyed in the impact, only around a pavilion, the brilliance flashed, and there was no damage in the impact!

Yu Hongying and others are nervous to the limit. They are determined to look at the place where the destruction sword array collides with the black dragon. There, the space is frantically broken, as if a black hole appeared in front of everyone!

A ray of light appeared in their eyes, but it soon dissipated

I saw that the destruction sword array collapsed quickly under the impact of the evil dragon fist seal!

A figure, like a shell, flew backward and fell heavily on the ground, leaving a deep hole on the ground!

When they looked into the pit, they saw that it was Gu Beixing who was bombed away!

At the moment, Gu Beixing vomited out a mouthful of blood, all over the body was scarred, several bone fracture, obviously, the injury is not light!

For a time, all people's hearts were cold, sink to the bottom of the valley

Even Gu Beixing is not Gu Han's opponent

Even, it was suppressed by Gu Han!

Gu Han's mouth appeared a touch of sarcasm, once high, just like the God's family master, but it was just so.

Now he is the real strong one!

Although Gu Beixing knew that he was invincible, he still had to fight!

Gu Han's eyes swept over Gu's house. Soon, he fell on the only intact attic. A sneer appeared at the corner of his mouth, and he yelled: "Ye Chen! Aren't you crazy? Now, in front of me, it's a turtle with a shrinking head? I know, you hide in that attic, now, the family will be destroyed, you will not show up? "

Yu Hongying and others smell the speech, look a congealed, also stare at that attic, they shout in the heart, looking forward to Ye Chen, can appear!

But

Even if, Gu Han all said this share, ye Chen unexpectedly still hide!

Seeing this, even Yu Hongying and Wei Ji lowered their heads and were completely disappointed

Perhaps, ye Chen's strength is very strong, but, again strong again what use?

A turtle is always a tortoise and will not become a dragon.

Gu Han's sarcasm is more intense. The more timid Ye Chen is, the more certain he is. Ye Chen's strength is not his opponent!

Well, let him experience death gradually, but let him die first.

Soon, Gu Han's eyes fell on Gu Beixing, and his face was greedy. After fighting for such a long time, he was hungry, and it was time to have a good meal, and Gu Beixing was the big meal!

In fact, Gu Han had some resistance to the massacre of Gu's family. After all, it was the family that changed his fate. Gu's family can say that there is no place to apologize to him!

Moreover, he has a blood relationship with his family.

This is why, even though he had the power of terror, he still hid in the dark and did not return to his home.

but when he felt the surging flesh and blood essence of Gu Bei Xing, this feeling was completely thrown away by him.

Now, he only has food in his mind!

just wants to turn these people's flesh into their own strength.

At the next moment, Gu Han grinned grimly, and then he headed for Gu Bei and rushed away!

At the moment, he can't resist the attack!

Seeing this, Gu Han looks more and more cruel. As soon as he reaches out his hand, he is going to grab Gu Beixing. In his palm, there is an extremely evil gray and black fog. The concentration of the black fog is not comparable to that when the nine yuan GUI Ji array was destroyed!

With Gu Beixing now seriously injured state, if caught, I am afraid it will not be spared! Many people, are unable to bear to lower their heads, do not want to see that let them not accept the scene!

Gu Beixing gritted his teeth and sighed. He was ready for death

But at this time, a dark shadow suddenly appeared in front of Gu Beixing!

The next moment, a scream rang out and spread into the ears of all!

The people's faces moved. The scream was not the voice of Gu Beixing!

As soon as they looked up, they looked in the direction of Gu Beixing

Gu Beixing is standing in the same place, but his face is very angry and sad!

There is no joy in the rest of life!

But in front of him, an old man was Gu Han's hand, straight through the chest, holding the heart!

The old man is the great elder Gu Yan!

Before that, he also took great care of Gu Han!

He is childless and treats Gu Han as if he were his descendants.

Gu Yan grasped Gu Han's hand with great difficulty and gazed at the young man's eyes in front of him and said, "Gu Gu Han, stop it... "

looked cold and expressionless, holding the heart of Gu's heart, and then pressed the heart of Gu's heart directly, and at the same time, the black and Black Mist surged around, killing the flesh and blood of Gu's speech.

Gu Beixing looked at Gu Han with great indignation and said, "Gu Han, I have treated you well, and I think I have nothing to owe you. Elder Gu Yan treats you almost as a grandson You killed him like that

Gu Han said coldly with a smile: "Gu Beixing, don't you speak so well. Don't you just value my qualifications? If I was a waste, would the family do the same to me?

Now, I'll give you one last chance to give up the resistance and let me swallow it up. In this way, I may let go of the rest of my family waste. "

Gu Beixing heard the speech and said with a cold smile, "Gu Han, do you think I will believe the promise of such a shameless person as you? If you want to fight, fight! "

Chapter 4654

With Gu Yan's resistance, Gu Beixing has time to recover a point of strength!

Of course, it's far worse than Gu Han. It's just like a mantis standing in the way of a car

But, can strive for a little time, is a little, even if he died, maybe Ye Chen can save the rest of the family!

Gu Leng hum a way: "then you go to die."

Let's move north again!

But this time, Gu Beixing didn't choose to go out. Instead, he destroyed his whole body. Daoyun stirred up and stepped out of space. His body flashed in the void!

Gu Han frowned. Even if he was facing Gu Beixing, who was trying to dodge by the way of destruction, he couldn't kill it instantly. However, he didn't care much.

Gu Beixing, even if escape, can also live a few more breathing.

Now, in the attic!

Ye Chen's body has almost recovered!

There was a look of great joy in his eyes!

Now his whole body is shrouded in a layer of black light, and the powerful destructive charm emanates from his flesh and blood bones!

He made it!

The medicinal power of mieti pill is perfectly absorbed by its body. Every cell has been quenched, and ye Chen seems to be reborn at this time!

He now, and the God of destruction, can be said to fit countless times!

If we say that for ye Chen, the original destructive power is like the deep sea. Although he can swim in the deep sea with his diving suit, he is absolutely not free!

And now, he has become a fish man!

You can swim all over the sea!

For ye Chen now, the power of destruction is not much different from the air!

Originally, ye Chen did not feel much when he attacked. But now, after being quenched by mieti Dan, he found that his life consumed too much destructive power!

The power of destruction is far more terrible than he imagined!

Even cultivation has entered the realm of heaven and earth!

Step into heaven and earth!

Although the strange is that the thunder robbery did not come, but ye Chen has been used to it!

Maybe thunder robbery will appear later!

Now ye Chen, thoroughly transformed!

In fact, the power is also crazy soaring!

Moreover, he has an unexpected harvest!

After being quenched by mieti Dan, the seal of Daogu in the sea of knowledge is actually integrated into the body!

At the moment, there is also a rune on his spine!

Although this is not the real extermination God body, it also makes Ye Chen's power in the way of destruction greatly improved, and he has a deeper understanding of the way of destruction!

All in all, the benefits are too much!

All of a sudden, ye Chen's expression moved, slightly frowned, and a cold light flashed in his eyes!

Just now, his whole mind and spirit were put on the body, and he had no idea of what was happening outside!

Now, at last, he found something wrong!

Gu's family, death and injury, almost into ruins, and, there is a very evil breath appeared here!

"Is it Gu Han..."

Think of here, ye Chen's eyes kill the opportunity to rush wildly, the body move then toward the attic outside rush out!

After a few short moves, Gu Beihang snorted and fell from the air and fell to the ground. Although he avoided most of Gu Han's attacks, the gap between their strength was too big. Every time Gu Han took a hand, even if he only slightly touched Gu Beixing, it would cause him a lot of damage!

At the moment, he was bleeding all over his body, more seriously injured, and completely lost his combat effectiveness

Gu Beixing gasped heavily and watched the young man with white hair, who was sarcastic, and closed his eyes. He accepted his fate.

Gu Han licked his lips, and the black fog in his hands rose again. He reached out and grabbed Gu Beixing's head!

Gu's children, Yu Hongying and others all closed their eyes. Everything is over

However, after a moment, the sound is not Gu Beixing's scream, but an earth shaking bang!!!

As soon as they opened their eyes, they looked into the field, but their pupils shrank in an instant. They saw that Gu Han didn't know when he was blown backward, flew millions of meters, and smashed countless houses in succession, and then he managed to stop his body!

Even Gu Beixing himself is a fool, an incredible appearance

Just then, just as Gu Han's hand was about to touch him, the door of the attic opened!

The moment the attic opened, a dark shadow rushed to his body at an incredible speed, and then, a blow out, this blow, it was Gu Han directly blasted a million meters!

Yu Hongying and others are also sluggish

Is Ye Chen afraid?

Don't you dare to come out?

But now, it is not ye Chen who appears in front of Gu Beixing! For a moment, the whole family cheered!

Many people don't know ye Chen, but the young man who suddenly appears has the strength of Gu Han!

Although, there is Gu Han careless ingredient, but, also enough frightening!

You know, even Gu Beixing's all-out strike did not cause any damage to Gu Han!

At this time, a roar suddenly broke out, and the evil spirit surged wildly. In the blink of an eye, Gu Han, who was blown away, returned to his original place.

At the moment, there was a trace of blood on the corner of his mouth.

Even Gu Han was shocked, not to mention all the people present!

He looked at Ye Chen in disbelief. He could not even dream that ye Chen, who is just a layer of heaven and earth, has just burst out with the strength that makes him have a trace of palpitation!

Even the evil old man, who was hidden in Gu Han's body, said in a deep voice: "be careful, this boy is so weird that I can't see through it..."

In fact, the evil old man did not belong to foreign countries. His knowledge and vision surpassed most of the foreign martial artists. However, even he was shocked by Ye Chen's blow which contains boundless power and the essence to unbelievable destructive power!

He looked at the indifferent young man in front of him suspiciously. How could he not figure out how ye Chen did it? How did ye Chen have such terrible power in heaven and earth

Gu Han's eyes, emerged a touch of dignified, but, soon, this dignified into greed, incomparable greed!

He was so excited that he couldn't help but say to the evil old way: "evil old, am I right? Why does this kid's flesh and blood essence come to this point? " After training

into evil deeds, Gu Han has been able to feel the strength and strength of the flesh and blood of the warriors.

This time, even the evil old people are suffocating!

There was a burning light in his eyes and said, "this This boy, even crossed the threshold of becoming a saint in flesh!!! Moreover, his blood seems to be very special, and he has several powerful blood vessels! Gu Han, this time, you won the prize, the grand prize of the grand prize!

If you devour this boy, your strength will be greatly improved. Even, it is not impossible to directly surpass the real world!

What's more, swallowing him will do you more than that! Even I can get great benefits! Next, I will do my best to help you! "

Chapter 4655

Gu Han hears the speech, in the heart a burst of ecstasy!

Ye Chen is really his lucky star!

After getting the old evil promise to help him, Gu Han's dignity in his eyes was completely dissipated. He was very clear about how his combat power would be improved after getting the help from the evil old man!

Ye Chen's fist just now, though strong, is by no means his opponent!

Can, Gu Han does not know is, leaf Chen sees his time, the eye is also fiery!

Just now, xuanhanyu's voice rang out in his mind: "Ye Chen! There is an evil spirit in the boy. This evil spirit is an ancient witch clan

"Ancient witch clan?"

Ye Chen's eyes flash slightly, his hundred evil bodies are inherited from the witch clan!

Xuanhanyu's voice was a little hasty: "evil spirits are the result of the death of the great witches in the sorcerer clan. Moreover, the conditions are harsh. Basically, only one of a hundred witches can appear! And the strength of these great witches, the lowest is also above the true state!

Your hundred evil bodies have not been advanced up to now. In fact, the biggest reason is that you have absorbed too little evil! Foreign evil spirits are very rare, but if you devour this evil spirit, your hundred evil bodies may be able to complete directly! "

Ye Chen is also a joy in his heart!

He has been understanding and practicing all the time. He thinks that he has some understanding and promotion, but he still can't advance

Originally, the biggest reason is evil!

The hundred evil bodies in the perfect realm can improve Ye Chen's life!

Gu Han said with a cold smile: "Ye Chen, you didn't expect that I could have today, too? On that day, the humiliation you gave me, today, I will ask for it together! "

When ye Chen heard the speech, a sarcastic color appeared in the corner of his mouth and said, "is it? You seem very confident, but why did I blow you away just now

Gu Han smelled the speech and said, "Ye Chen, you don't think you can win me with that fist? Ha ha, my child is far more terrifying than you imagined. You can realize it immediately

As soon as the voice fell, the evil Qi gushed from his body. At the same time, Gu Han's hand had a very strange weapon!

This weapon looks like a bony hand!

There is an indescribable evil spirit on this bony hand!

Ye Chen's eyes flashed a touch of Shen Ning, got the mieti Dan quenched body, after the fusion of Daogu imprint, its strength has increased a lot!

Gu Han, who once had great power, was extremely powerful!

This war is very dangerous!

The next moment, Gu Han roared: "Wulong evil fist!"

The evil spirit in his body turned into a storm, and the bone of his hand suddenly trembled and attached to Gu Han's arm, forming an exoskeleton like existence!

At the moment when the exoskeleton was formed, Gu Han's ferocious smile, and the surging fists were powerful several times, and an evil dragon appeared again. However, this time, the strength of the evil dragon was obviously much stronger than when he had a fight with Gu Beixing!

When the evil dragon roared, it was rushing towards Ye Chen. Where it passed, the law was broken and the space disappeared. This fist seemed to be able to turn the world into Purgatory!

Ye Chen sees the shape, pupil shrinks, wrist turns over, holds Sha Jian, he takes a deep breath, the spirit in the eye explodes flash!

The two road seals are suspended in front of him, which are the destruction seal and soul swallowing seal!

A faint black light surges up and down Ye Chen's body. All over his body, he exudes pure and incomparable destructive power!

Those who take care of their families, are the face of horror!

Many of Gu family members can understand the destruction Shinto, even if they can't understand it, they are quite familiar with it!

Therefore, they know that any creature who wants to control the destruction Shinto has to pay a price!

But now, ye Chen seems to be able to completely control the destructive power, and the power has no repulsion to his body?

How could that be possible?

It's unbelievable! Is it possible that the extinct deities in the legend can't do it?

And Gu Beixing is excited!

He bet right!

Ye Chen succeeded!

He prayed in his heart, hoping that the power of mieti Dan could save his family once!

Rolling destruction power operation, Hongmeng big star sky, soul body transformation, the body of heaven demon, burning blood formula, hundred evil body, burning heaven and so on, advanced display!

Facing Gu Han, he doesn't plan to keep his hands at all!

In a flash, an incomparably bright star river surged on the edge of the sword. Ye Chen murmured: "star soul chop!"

One sword!

A bright, with a deep dark star river, towards the black dragon shooting away!

In a flash, the Star River collided with the evil dragon!

An extremely strong aftershock swept all around, and all the family members of the family all changed their faces and retreated one after another. Rao is so. There are still many warriors who fall to the ground under the impact of the aftershocks! This wisp of aftershocks, even let the entire Jingzhou are turbulent!

Not only do you care for your family, but also many houses near your home are vanishing in the aftereffect!

But the evil dragon and the Star River are entangled in one place, as if turned into a huge energy ball, in which the laws, Daoyun, spiritual power, soul force, evil force, Hongmeng Qi and other energies are constantly colliding!

After a few breaths, the energy sphere makes a loud noise, and the evil dragon and the Star River disappear at the same time!

Ye Chen and Gu Han are both pupils of a contraction, the two sides of this fight, is actually equal?

Of course, both of them still have cards, not played!

In fact, the first strike, although they all used their full strength, but more still temptation!

At the next moment, Gu Han's evil power was surging all over his body. Black lines appeared on his body surface. In his eyes, blood flashed and his breath rose in an instant!

His mouth appeared a touch of evil smile, looking at Ye Chen's eyes, is ironic, is cruel, as if has won the victory!

But almost at the same time, ye Chen's body also had a real dragon's power, whistling out. His body shape changed into a half man and half dragon's appearance. At the same time, there was a kind of incomparable fierce charm on the Sha Jian!

They all use the power of the strong in their bodies!

At the moment, the breath of two people is not weaker than any one!

Gu Han's smile, instant solidification!

The reason why he is so confident is because of the existence of evil old people!

The evil old man can make his strength rise to a higher level again

I didn't expect it!

Ye Chen even has the similar means with him!

For a moment, Gu Han's face was extremely ugly!

Ye Chen said with a cold smile: "what? Only by the power of the strong? "

When Gu Han heard the speech, his pupils shrank and he yelled: "Ye Chen, the power of evil old is far beyond your imagination. No matter who your strength comes from, you can't be the opponent of evil old! You are still dead! "

Chapter 4656

As soon as the words fell, he would take the infinite evil force and kill Ye Chen. His arms were dancing wildly, and his fists were like thunder. He smashed them down!

Ye Chen is also not willing to show weakness, the sword light surging, toward Gu Han swept away!

Borrowing other people's power, there is usually a time limit. Both of them are pursuing quick combat and quick decision!

For a while, the two figures constantly collide in the ruins of the mansion. Every time they fight, there will be a dead space!

You know, the space in the dark area is more stable than that in the holy city. It is not easy to have a quiet space!

It can be seen that each time the two hands how terrible!

With a blow, an evil dragon suddenly penetrates Ye Chen's body and blows a big hole in his chest!

Heart, it's gone!

Such a serious injury, but for ye Chen, it seems to be just a skin injury!

He didn't care at all and continued to attack!

And the wound on his chest was healing fast!

At the same time, a flash of sword light, Gu Han's arm is also cut by Ye Chen!

However, Gu Han is a grim smile, also did not care!

With the blessing of the evil old power, its vitality has also been greatly improved. The broken arm will grow out soon!

The battle between these two men has completely gone beyond the common sense

It's not like two people attacking each other!

Both of them gave up defense completely and exchanged injuries for injuries!

This way of fighting is crazy!

In a twinkling of an eye, ye Chen and Gu Han have fought each other for tens of thousands of times. It can be said that from the sky to the ground, the ruins of Gu's residence, everywhere, there are thick darkness, as if there are countless black holes, formed here in general

That, is the two people fight, the formation of the silence space!

This battle is really wonderful. All the Gu family and Yu Hongying and others are also in a state of joy. Now it seems that ye Chen really has the hope to defeat Gu Han!

However, gradually, the people's look is dignified up!

Why?

Because, after a series of battles, they found that ye Chen's vitality seems to have declined!

Its complexion also gradually paled up, the wound on the body also recovered more and more slowly!

On the contrary, Gu Han's vitality seems to have no sign of decay under the blessing of the evil old!

In the hearts of all the people, they couldn't help but clapped

Gu Beixing is even more incredible

How strong is Ye Chen's vitality? He knows it best. But now, ye Chen seems to be on top of the most proud vitality and will fall into the downwind!

This, the brain of a person is about to evaporate!

How can someone ride on Ye Chen's vitality?

Can only say, that evil honesty is too strong!

However, Gu Beixing wanted to come, on the one hand, it was also because ye Chen consumed too much when refining the elixir!

Ye Chen's look is also gradually gloomy down, from the original frenzied attack of the combat mode into the defense and attack!

Gu Han saw this and laughed, and he was very excited!

For the first time, he used all the strength of the evil old to fight. This feeling is so wonderful!

Originally, he has always been envious of Ye Chen's vitality. Now, his vitality is superior to Ye Chen!

That's the real immortality!

Unless there is a strong person in the middle or above of the real boundary, it is not easy to kill even if there is a strong person in the same territory who has crossed the level?

He looked at Ye Chen, who gradually opened the distance, and said with a sneer: "Ye Chen, I said that evil is always invincible. Aren't you proud of your vitality? Isn't it nearly immortal? Don't you like crazy fighting and exchanging injuries for injuries? Yeah? Why are you afraid? Yes? Back off? "

Ye Chen looks a little pale and stares at Gu Han. His eyes flicker and doesn't answer.

Seeing this, Gu Han became more and more proud. He gave Ye Chen no chance to breathe and recover. He attacked Ye Chen more wildly!

Ye Chen takes a deep breath, changes the blood god gauze, six exterminates the true formula new words chapter and so on, crazily displays, simultaneously star soul chop also did not display, changed into some defensive sword style!

Originally you come and I go to the scene, the moment was broken!

For a moment, ye Chen was suppressed to death by Gu Han!

On the contrary, ye Chen suffered more injuries. There were blood holes all over his body. It seemed that a river of blood was formed at the feet of all the people!

All people's faces are pale and their eyes are dim!

If it goes on like this, ye Chen will surely lose!

What's more, they lost quickly!

It's estimated that you can't even insist on a hundred moves, right?

It's over, it's over

In the end, they will die in Gu Han's hands. All of them were in despair. They didn't run away because it was useless. Gu Han's strength made them run an hour ahead of time, and they could kill them in a moment.

Therefore, if Ye Chen fails, it means that the Gu family, which has passed on for countless years, will disappear.

Yu Hongying and others are also sluggish.

They guessed correctly. Ye Chen is indeed the most powerful person in the real world. Waving his hand can stir up the existence of the wind and cloud. But who could have thought that the road is one foot high and the devil is ten feet high!

Ye Chen, very terrible, but out of a more terrible evil than him, Gu Han!

With a loud bang, Ye Chen was punched by Gu Han and hit the ground directly. He smashed the ground into a pit of more than 100 meters!

Ye Chen is lying at the bottom of the pit. His bones are smashed and gasping violently. It seems that he can't stand up for a while!

A hundred moves, really a hundred moves.

In this short period of time, Ye Chen and Gu Han fought each other for nearly a hundred moves, and Ye Chen seems to have been unable to support.

Gu Han lightly spit out a breath, having to say, Ye Chen is a difficult opponent, but in the end, win or own!

At this time, Ye Chen suddenly raised his hand and roared: "The beast is destroyed!"

The next moment, a giant bear shadow flashed behind Ye Chen and turned into a beam of light, shooting towards Gu Han!

The power of this day's beast killing is not simple. Ordinary realms exist. It is possible to be seriously injured by this blow?

However, Gu Han just disdained a smile, and with a wave of his hand, he directly lost the light column.

He looked at Ye Chen as if he were looking at a dying wild dog. Ye Chen even displayed this skill. It seems that the oil is exhausted and the lamp is dry?

Good, good!

However, Gu Han was not careless.

He is very clear, ye Chen is not a person easy to die!

At this time, the voice of the evil old man sounded in Gu Han's mind: "Gu Han, my strength is about to fade away. This boy is very special and not so easy to swallow. At least, we should force him into the state of dying to succeed! Hurry up

Chapter 4657

Gu Han heard the speech, more happy, almost, ye Chen can survive ah, it seems that ye Chen's luck is really bad, even the God is on his side!

At this time, ye Chen's body suddenly a flash, actually is directly stepped out of the void, toward the horizon!

Everyone was stunned. Ye Chen ran away

Gu Han saw this and burst out laughing. What kind of monsters, amazing existence?

In front of themselves, can only run away!

In fact, although Ye Chen has been suppressed just now, Gu Han is still wary of Ye Chen. Therefore, from the beginning to the end, he has not completely exhausted the power of the evil old, in order to leave a part of strength to protect his life!

But at the moment, see ye Chen want to escape, his eyes suddenly cold flash, the last trace of doubt also eliminated!

he secretly told the evil old way: "evil old, the next blow, I will use all your strength, will ye Chen that kid thoroughly defeated, even if he died, you also have the way to let me swallow its flesh and blood essence?"

Evil old way: "yes! However, the effect is certainly not as good as swallowing it before he is alive! "

Xie Lao is also excited!

If Gu Han devours Ye Chen, he can get too many benefits!

For a time, he was also a little anxious, even if only a trace of possible, also can't let Ye Chen really escape!

Therefore, although he felt that there was something wrong, the evil old did not stop Gu Han, but poured all the remaining strength into Gu Han's body!

Feeling the power of climbing again, Gu Han is going crazy!

After borrowing all the power of the evil old man, his strength has been terrible to the extreme!

Gu Han's whole body was full of evil spirits. Looking at Ye Chen, who was almost turned into a black shadow, he yelled: "Wulong evil fist, suppress it for me!"

At the next moment, a terrible black dragon with extreme evil will come out with the power of towering fist. At the moment of this blow, the whole world seems to be frozen!

In a twinkling of an eye, the black dragon fist seal has appeared on the top of Ye Chen. Soon, an extremely violent explosion sound rang through the whole dark area!

And in that explosion, at the same time, there is a scream, ye Chen's scream!

Fight to now, ye Chen is still the first time to send out a scream!

It can be seen that he really can not support

Gu Han was so happy when he heard the scream. It was the scream he thought about day and night!

For him, ye Chen's scream is the most beautiful music in the world!

Gu Beixing, Yu Hongying, Wei Ji and other Gu family members are all pale and desperate

That scream is the death knell of the family!

Ye Chen is defeated, and their family will be destroyed!

To tell you the truth, ye Chen has been extremely rebellious. It's unbelievable. Unfortunately, who would have thought that Gu Han was so scared?

Gu Han grinned grimly. At the moment, the power of the evil old man has begun to fade away. His breath keeps falling and he falls into a weak state. However, what about that?

The lean camel is bigger than the horse. Even if he is weak now, none of the people present can threaten him!

And ye Chen that kid, estimated to have been oneself just then that all-out blow, seriously injured to lose combat effectiveness?

Otherwise, how can you scream?

He can't wait to fly to the place where ye Chen fell. When he thought of the harvest after swallowing Ye Chen, he was so excited that he went crazy!

The next moment, Gu Han flashed and appeared on the top of the falling place. At the moment, because of his just hit, here has turned into a dead space!

Gu Han's body moved, and then entered the darkness, God sent out, searching for ye Chen's position.

Soon, he felt a rather weak vitality!

As soon as Gu Han looked happy, he immediately appeared in the place where the vitality came from. In his eyes, the blood was shining. In the darkness, a very weak young man appeared, not ye Chen. Who was it?

At this moment, ye Chen is all over the road fatal injury, dying!

Seeing this scene, the evil old man who had some vigilance was also relaxed. It seems that the strange boy is defeated after all!

For a moment, both of them were ecstatic!

Breath, all agitated!

If the general situation, Gu Han will certainly torture, ridicule Ye Chen, in order to revenge that day, but now, he did not even have this mind!

he just wanted to swallow the essence of Ye Chen's flesh and blood.

The next moment, his hands gray black evil fog, then toward Ye Chen's head, a grasp and go!

The hands, fell on the head of Ye Chen, Gu Han's smile, more and more strong up!

But soon, his smile, is suddenly stiff!

"How could that happen?" His face turned ugly in an instant, and his brows frowned tightly. He looked at the dying Ye Chen in front of him in disbelief. How did it seem that the flesh and blood of this guy was filled with flesh and blood?

"Not good!" Evil old suddenly exclaimed: "Gu Han! It's not ye Chen

Not ye Chen?

In Gu Han's eyes, there is a puzzled color. The breath on this man is the same as ye Chen?

How can it not be ye Chen?

But at this time, the "Ye Chen" in front of Gu Han suddenly dissipated and turned into a green dragon!

Gu Han's pupils shrank and exclaimed, "incarnation outside the body!"

Ye Chen in front of me is actually an incarnation! Although

copied part of Ye Chen's strength, breath and so on, but incarnate, naturally won't own Ye Chen's real flesh essence.

In an instant, his face was ugly, and subconsciously he was about to fly!

He didn't know exactly what happened, but his intuition was crazy warning!

However, it was almost the moment that the incarnation dissipated, and a very frightening breath burst out from behind Gu Han!

At the same time, a indifferent man's voice sounded: "now, you seem to have no strength to borrow?"

Gu Han suddenly turned his head and saw a figure with a destructive atmosphere behind him!

His face became pale in an instant, and the figure was the real Ye Chen!

At the moment, ye Chen seems that although his vitality is a little weak, he has not lost his fighting power at all

On the contrary, his breath at the moment is much more terrible than before!

What the hell is this!?

Eat their own exhausted evil old power hit, ye Chen should at least be seriously injured!

But why does he seem to be more powerful than ever?

Gu Han's eyes trembled wildly. He asked the evil old secretly, "evil old, why didn't I find him just now?"! What's more, why has his strength become so strong? "

Chapter 4658

Xie Lao, the great wizard from the archaic times, is also frightening!

He said with some difficulty: "this boy has absorbed my strength Gu Han, we are completely put together by him This boy has a hundred evil bodies

"Hundred evil bodies?"

Evil old way: "hundred evil body is a kind of physique which is trained by the Sorcerer's secret arts. It can transform vitality into attack power! At the beginning, I didn't notice that it was because the level of the hundred evil bodies of the boy was too low. That's because the cultivation of the hundred evil bodies needed evil Qi

I'm afraid, at the beginning of his weakness, defense, to escape, and so on, are luring you to exert all my strength

Every time he is attacked, some evil spirits will be absorbed by his body, and relying on this evil spirit, his hundred evil bodies will be advanced!

But you have exhausted my strength. Now you are not his opponent at all

Ye Chen holds a long sword, his whole body is destroyed, and his Dao Yun is stirring. His eyes are extremely cold at Gu Han.

As the evil old man said, all this is in his plan!

Even his weak vitality and so on, are active display of a hundred evil body, consumption of vitality, disguised out!

And Gu Han's action, and ye Chen's anticipation, almost exactly the same!

In doing so, he not only induced Gu Han to exhaust the power of evil old people, but also introduced it into this space of extinction!

What is extinction?

That is destruction, that is, everything becomes nothing. The breath in this space is very similar to that of destruction!

Now ye Chen, all over his body, has been tempered by the power of destruction. Therefore, it is extremely difficult to find him hiding in the space of extinction!

In addition, he will also release the avatar, and make it seriously injured, as bait!

Gu Han was really taken in!

Why did ye Chen tempt Gu Han?

The reason is very simple, that is, let Gu Han have no chance to escape completely!

At this moment, the sword light which has been brewing for a long time suddenly burst out from the long sword!

In Ye Chen's eyes, the cold light explodes, and now Shuo Lao's strength is about to fade away, so he has only one chance to make a move!

He knew that there was a great wizard in Gu Han's body, and he must have many means to protect his life!

Although Ye Chen's real strength can defeat Gu Han, but!

It's not easy to kill him. Even, it's hard to do it!

Therefore, he wanted to show weakness, to escape, to lure Gu Han into the space of extinction. On the one hand, in order to exhaust Gu Han's power, and let the hundred evil bodies advance, further strengthen their attack power, on the other hand, to sneak attack!

In this sword, ye Chen didn't leave a hand at all. He used all the power of Xuanling in his body!

At the same time, the advanced hundred evil body, crazy absorption of Ye Chen's vitality, its flesh and blood quickly shriveled, but, the breath is more and more terrible up!

Terror to, let Gu Han shiver for the point of ah!!!

He wanted to hide, but just now his whole mind was put on the incarnation outside. Now, when ye Chen suddenly appeared, the dazzling star river had already appeared in front of him, and there was no chance to avoid at all!

Gu Han had to shout in his heart: "evil old man, save me! Help me

After practicing the evil skill, even without the blessing of the evil old man, his vitality was greatly improved. But in front of Ye Chen's sword, he felt the breath of death!

This sword is too powerful!

It's even more terrifying than the last blow he launched with all the power of the evil old man!

Evil old man is also difficult to see the extreme. To tell the truth, with his own help, Gu Han's strength is not much worse than ye Chen. Even if he is defeated, Gu Han's life can be guaranteed by his presence!

However, in terms of combat talent and scheming, Gu Han is almost exploded by Ye Chen!

This is also the biggest reason why Gu Han fell into such a situation!

Ye Chen is so excellent that every aspect is almost perfect!

At this moment, Gu Han's body has been completely submerged by the sword light!

Roar a earth shaking bang, from the silence of space burst out!

All the people who had already been in despair were slightly stunned and looked at the desolate space with shock on their faces

Their eyes are instantly open, open, and then open!

In front of their eyes, there was a very incredible scene

In the darkness of the dead space, there is a bright star river rising from the sky!

It's very familiar to everyone

That is the sword light of Ye Chen!!!

How could this happen?

Isn't Ye Chen defeated?

In a moment, everyone is excited!!!

Is

At the same time, Gu Han sent out a very sad cry in the dead space. He was unwilling to reach the extreme. One second, he was still immersed in the joy of preparing to swallow Ye Chen. The next, he was about to die! However, no matter how unwilling, it is useless!

His body and even the spirit were instantly lost in the light of the ultimate sword!

After a moment, the sword light dissipated, and everything returned to calm.

Ye Chen gasps violently. After this sword, he really reaches the acme

This war can only be regarded as a narrow victory!

However, even so, Ye Chen's face, or emerged a thick smile, survived, after all, or his Ye Chen!

But at this moment, Shuo Lao and Xuan Hanyu's startled voice suddenly rang out: "boy, be careful!"

Ye Chen smell speech, pupil a shrink, see, a black shadow suddenly toward him, that dark shadow is extremely evil, looks, seems to be an old man!

It is the evil spirit transformed by the great wizard!

At the moment, his body seems to be frantically collapsing!

Evil old and Gu Han can be said to belong to the community of life, Gu Han died, and he also lost the container, soon, will dissipate!

Unless, he can find a new container!

The evil old man looks ferocious, and his eyes are locked on Ye Chen. Although the probability of success is very low, he has to fight. If he can take ye Chen away or establish a symbiotic relationship with Ye Chen, he will have a chance to survive!

Ye Chen's face changed slightly. It's too late to defend. The shadow of the evil old man's transformation suddenly disappeared into his brow and entered the sea of knowledge!

A look of panic flashed in Ye Chen's eyes. He was about to use his soul power. But suddenly, he was slightly stunned and his eyes were strange

The evil old man is completely stupid

At the moment, he seems to be in a cemetery, and the biggest characteristic of the cemetery is to have the breath of reincarnation!

In the eyes of the evil old man, the color of despair gradually appeared

Originally, he wanted to take ye Chen away, but who would have thought that once he entered the sea of knowledge of Ye Chen, he would be imprisoned by a treasure!

Ye Chen said faintly: "it saves me some trouble..."

"It's really amazing and unexpected."

Chapter 4659

It is not possible to devour such evil spirits as Xie Lao for a while. Unexpectedly, they were imprisoned in the samsara tombstone by mistake. The space in the samsara tombstone is completely controlled by Ye Chen. Even if God enters this cemetery, he can only be controlled by Ye Chen.

That is to say, at this moment, silence the space, restore!

As the rolling darkness dispersed, a ray of sunlight poured down after a dark cloud in the sky.

In the sunshine, a cool looking young man stands aloof with his sword!

Seeing this scene, all the Gu family and Yu Hongying and others are in a state of mind!

Ye Chen at this moment is like a king chosen by heaven!

A kind of heart of submission arises spontaneously!

The next moment is cheering!

Cheering like a tsunami!

Ye Chen did it!!!

He defeated Gu Han, the evil devil who can almost make the whole dark area feel terrible!!!

Everyone looks at Ye Chen with awe!

In their hearts, ye Chen is a real hero!!!

At this moment, in the void, there is a woman wearing a white fox mask, and an old man with white hair and some hunchback.

The old man looked at Ye Chen, his eyes glistened slightly, and chuckled to the woman beside him and said, "Miss, it seems that I don't need to wait for my hand. This boy is a little interesting. Do you want to contact him?"

The woman looked at Ye Chen, and her big eyes were also full of curiosity. However, after pondering for a moment, she still did not choose to appear in front of Ye Chen. Instead, she said to the old man, "don't need it for the time being. Since the evil spirit has been solved, let's go back."

He Bo nodded, and their bodies flashed and disappeared in the void.

Until two people completely leave, ye Chen is slowly raised his head, toward just two people's place, looked at, palpitation!

In his induction, just now, two people came there. Even with the power of his spirit, they were very reluctant to realize their existence

However, he can be sure that

The strength of these two people is completely superior to the later stage of Huanzhen state!

Even ye Chen can't see through their strength!

Ye Chen sighs. In the dark area, there are indeed crouching tigers, hidden dragons. Although his strength is still good, it is obvious that he has not reached the peak of the dark area

At this time, a figure came to Ye Chen's side.

Ye Chen looked at him and saw that the man coming was a middle-aged man with many scars, and it was Gu Beixing.

Ye Chen some apologetic way: "Uncle Gu, I'm sorry, I'm too late."

In this way, the family's foundation was destroyed. Moreover, many martial artists, even an elder, were killed. Ye Chen knew that everything was because of himself.

Gu Beixing waved his hand and said, "it's because of you that the family can still exist. I know that you have achieved the ultimate goal."

After that, he suddenly looked at the family members and cried out: "all the people who care for the family are obedient. In the future, ye Chen is equal to me in the position of caring for the family. All of us must treat it as the head of the family!"

If we change to normal, Gu Beixing's order will certainly make everyone stunned and even oppose it.

After all, Gu family is not a small family. How can you let others make decisions at will?

But now, no one has any opinion. Everyone looks at Su, kneeling in the face of Ye Chen: "see ye Gongzi!"

Ye Chen saved the family, this feeling, they will always remember, therefore, willing to submit to the young man in front of them!

Ye Chen is a little stunned, and then he looks with a wry smile

Gu Shuzhen is an old fox

Gu Beixing seems to give ye Chen a lot of power, but in fact, it is to tie Ye Chen and Gu's family together!

With Ye Chen's strength against the sky, even if Gu's family is the four big families in Jingzhou, it's a high climb!

However, ye Chen didn't refuse either. On the one hand, he wanted to repay Gu Beixing for giving him the body killing pill. On the one hand, because of himself, many people died in the Gu family. On the other hand, Gu Xuan

Anyway, Gu Xuan is a family member, and he has nothing to say about taking care of his family.

Gu Beixing saw this, ha ha, and said to Ye Chen, "Ye Chen, you should go to the attic to heal yourself. I should also deal with the aftermath."

That attic is the only good building in Gu's house.

Ye Chen nodded and went into the attic and began to heal.

Gu Beixing took a look at the bloodstains on the ground and the corpse, and his eyes were filled with grief and sorrow. He said, "after burying the dead bodies of relatives, we will start to rebuild the houses."

.....

In the next few days, ye Chen's fight against evil spirits spread all over the dark area!

For a moment, the name of Ye Chen became the pronoun of legend!

However, ye Chen did not care about these, he was in the attic, closed for three days. Three days later, when he opened his eyes again, he was back in full swing!

Just then, outside the door, there was a knock on the door.

Ye Chen's eyes flashed slightly: "please come in."

With a creak, the door opened, and it was Gu Beixing who came in.

Gu Beixing said with a smile, "Ye Chen, what's your plan next?"

Ye Chen heard the speech, pondered for a moment and said: "first of all, I will go to a place called holy city to deal with some things. Then, I will go to an old place to see if I can harvest anything!"

This old place, of course, refers to the stolen tomb.

Now, it's time to deal with the matter of the reincarnation xuanbei.

Gu Beixing nodded and suddenly said, "in this case, I suggest you go to a place called shengxuandao palace in Yangzhen area after finishing your work."

"Shengxuandao palace? Is there anything special about this place Ye Chen smell speech, in the eye flashed a wipe of essence.

Gu Beixing said, "Ye Chen, have you passed the threshold of becoming a saint in flesh?"

Ye Chen some accident, ordered a point way: "yes."

Gu Beixing deserves to be a strong man in the real world. His eyes are hot enough!

Gu Beixing gazed at Ye Chen and said, "therefore, I recommend you to go here, because it is said that the ancestor of the Holy xuandao palace was a king who became holy in flesh! Moreover, this old ancestor left a legacy in the Taoist palace, where you may have the chance you want

Ye Chen hears the speech, in the eye appeared the thick anticipation color!

This information is so attractive to him!

He said gratefully to Gu Bei: "thank you for your advice."

Gu Beixing said with a smile: "don't thank me. I tell you these, just want you to find the xuan'er for me as soon as possible."

Ye Chen nods heavily.

Chapter 4660

An hour later, he ran away from home.

A few days later, a indifferent young man walked on the street of holy city. He came to the door of bloody heart battlefield and walked in.

.....

In the attic above the battlefield, xuanxuexin looked at Ye Chen unexpectedly and said, "I didn't expect that you would come to me so soon..."

All of a sudden, a look of fun appeared on her pretty face and said, "do you miss me? Why don't you stay here tonight? "

Say, still cast a wink to Ye Chen.

Ye Chen heard the speech and shook his head with a smile. Then he said, "I came to borrow the demon pool and cultivate the demon animal eggs."

Xuan blood heart face dew surprised color way: "so fast, find the right monster egg?"

However, she did not ask what, directly with Ye Chen, came to the demon pool.

Xuanxue said: "it's very simple to cultivate the monster's eggs. You can put them directly into the demon pool. I'll help you with the birth and cultivation. It's a year long, and a few days short. You can come back to retrieve the monster. Although it's a newly born monster, with the power of the demon pool, you can probably cultivate it to a state comparable to that of adulthood."

Ye Chen nodded, and he believed it for a short time. The next moment, a dark animal egg appeared in his hands!

Xuanxuexin looked at the egg and was stunned. She didn't feel the breath of chaos. Therefore, she didn't have any special idea about the animal egg. She just felt that the animal egg was very different from other animal eggs!

With a plop, ye Chen left the chaotic animal eggs in the demon pool.

Once he can't recognize the God's egg, it's very difficult for him to recognize the God's egg!

Ye Chen goes quickly in one direction. To his surprise, in the samsara cemetery, Tianyou Zen woman, who has been in Zen for a long time, has even left the pass.

"Well, your accomplishments have broken through, and your breath has changed a lot."

"It seems that I underestimated you."

Tianyou cicada girl is quite surprised.

"Eyes almost died a few times"

"Oh?"

"In this case, reincarnation Lord, I pass you a magic power called Tianyou abyss. You can understand it."

With a wave of her hand, Tianyou Chan woman practiced the pithy formula one by one, which turned into a light of Zen and poured into Ye Chen's mind.

Boom!

The light of Zen explodes in Ye Chen's mind, and all kinds of magical powers and mysteries suddenly roll in.

"Dharma, Dharma, Dharma and Dharma."

Ye Chen's eyes widened, and a startling picture looms in his mind. The gods and Buddhas are standing high in the sky, and Bodhi and Arhats are displayed in array. A great Bodhisattva surrounded by Zen sound and full of Buddhist light. Vajra's palm print cuts out the abyss and buries all kinds of demons. He is extremely overbearing.

This Tianyou abyss technique is a kind of supernatural power at the level of Dayuan skill. It contains the mystery of Buddhism. When it is put into practice, Bodhisattva can eliminate demons, bury demons in the abyss, and have the majesty of Buddhism to kill evil and kill evil spirits and preside over the road.

From the source, Tianyou abyss technique is similar to the taishangtianyuan road of emperor Yuandian. It can open up the abyss and devour the enemy alive.

But in terms of power and change, Tianyou abyss technique is not superior to Tianyuan Dao.

After all, Taishang Tianyuan Dao is the way of the supreme world, which is very mysterious. It can even open up abyss space in the body, hide the soul and avoid the attack of heart demons.

This can't be done by Tianyou abyss.

Generally speaking, this Tianyou abyss technique is a weakened version of taishangtianyuan Dao.

"Open the abyss and bury the demons. Good, good. It's not as good as the real Tianyuan Daofa, but it's also a top-notch magic power."

Ye Chen understands the magic method of Tianyou abyss technique and nods happily.

Ye Chen has seen it with his own eyes, and his diagram of the yellow spring is destroyed by the endless abyss.

The Wanba Tianyuan array in the palace of emperor yuan is even said to be used to fight against the superior. It can be imagined how terrible it is.

Ye Chen is also quite satisfied to understand a weakened version of taishangtian Yuandao.

Tianyou Zen woman said: "my Tianyou abyss technique, in terms of its power, is not comparable to the Tianyuan Daofa in the temple of God's abyss, but it has a special effect that can't be compared with the Tianyuan Daofa."

Ye Chen asked: "what special effect?"

Tianyou Zen woman said: "my skill has the power of Buddha's Vajra. It can easily break other people's self-contained and created world."

Ye Chen eyes a bright: "break open from the sky?"

Tianyou Chan woman said: "later, you will understand it in the battle. It's not too late. Let's go to find the magic stele first."

"But before looking for the magic stele, can you go to the place where my brother used to be? I want to leave a Fuzhao there."

"Magic stele..."Ye Chen's heart shrinks. If he can get the magic tablet, his reincarnation blood will surely be greatly recovered.

The magic stele, as one of the most precious treasures, has a great cause and effect on nature. Ye Chen and Tianyou Zen women, when they talk about it here, may touch the natural mechanism and attract the attention of the enemy.

The Fengxing meteorite, far away from the magic spirit palace, may have caught the murderous spirit, so be prepared in advance.

As for the request of Tianyou cicada girl, ye Chen thinks it's nothing, and naturally agrees.

.....

Ye Chen soon returned to the land of wrath. Tianyou cicada girl looked at everything here and was filled with emotion.

Although the greedy wolf emperor is no longer there, the traces of torture in the past are shocking.

She knew that the greedy wolf emperor was in the wild promotion outside, hoping to save his real body one day.

She stopped feeling and left a Fuzhao shortcut:

"OK, let's go."

Ye Chen is no nonsense, ready to go to the previous mausoleum, trace the trace of cause and effect.

The magic spirit palace is located in the dark land, but ye Chen is not sure where it is.

He needs to trace the cause and effect in order to find the trace of the magic spirit palace.

"Reincarnation Lord, you have come back, this is it time to leave again? "

Just then, a shepherd girl came running from behind. It was su Hua Zheng.

Ye Chen warm smile, way: "Hua Zheng, how do you know I'm back?"

Su Huazheng was panting, with a little blush on her cheek. Without explanation, she took out a Fuzhao from her arms and said, "here's this Fuzhao. You can take it. It's useful to go to the heaven and man region in the future."

"What is this Fuzhao?"

Ye Chen took the Fu Zhao, but saw that there was a layer of star light and dragon pattern around the Fu Zhao, which actually had the cause and effect of the dragon Yuan sky sword.

Su Huazheng said: "this is a Fu Zhao given to me by the sword spirit of Longyuan Tianjian. The Longyuan Heavenly Sword guarded in the tribe is actually just a shadow of a sword, but it has already possessed spirituality."
