### Chapter 4741

Xuanxuexin looked at him with great interest and said, "how? Mr. Ye, are you nervous

Ye Chen sprinkles ran a smile way: "unapt."

Soon, ye Chen and xuanxuexin entered an elegant hall.

A maid came up and said, "yes, Miss seven."

Xuanxue heart light way: "go to tell the master and wife, say I come back."

"Yes

The maid left in a hurry. After a while, there was a burst of hearty laughter outside the door.

Voice comes before man arrives!

Ye Chen's eyes flashed, and he saw two figures outside the door.

A man in a red robe looks handsome in his thirties, but his eyes are quite vicissitudes. He is similar to a beautiful young woman in her twenties, who looks like a beautiful young woman in her twenties.

Ye Chen pupil slightly contract, the breath of these two people is extremely surging, than the Xuanxue heart is even more powerful!

The two were Xuan Luyuan, the head of Cangxuan's family, and Xuan Qingqing, his wife.

Xuan Luyuan laughed with joy: "Blood heart, you are back at last, for father and your mother, but miss you for a long time!"

Xuanqingqing is some can't wait to step forward, carefully looking at the Xuanxuexin, beautiful eyes, full of the color of love, she some complained: "Blood heart, you should go home more."

Xuanxuexin's attitude towards the two people is quite insipid.

At this time, Xuanluyuan noticed the existence of Ye Chen, and frowned slightly: "Blood heart, is this?"

Xuanxue heart way: "His name is Ye Chen."

Ye Chen also stood up at the moment and saluted Xuanluyuan and his wife: "Younger Ye Chen, I have seen Cangxuan's master, madam."

Xuanqingqing is nothing. Her daughter brings her friend back for the first time. She looks at Ye Chen kindly and nods with a smile.

However, Xuanlu was cold and indifferent, and had no response to Ye Chen's greeting.

There was even a faint look of contempt in his eyes.

In his twenties, the existence of the three layers of heaven and earth may be good in other places, but in Xuanluyuan's opinion, he is not qualified to climb the relationship with Cangxuan family!

What's more, Ye Chen's blood seems to be somewhat complicated. Such a boy has no qualification to let him pay attention to in his identity!

Ye Chen sees the shape, pour is not satisfied, sat back to the position again.

Xuan Luyuan frowned slightly, and ye Chen's casual attitude made him more dissatisfied.

Waste, should have the appearance of waste, ye Chen saw his attitude, even as if nothing happened to sit down?

At this time, shouldn't we find a reason to leave?

He looked at xuanxuexin and said, "Xuexin, what are you bringing this person to do at home? If you let master Xuan qincang of lingxuan's family know about this, you may have some misunderstanding! "

Ye Chen's eyes flashed slightly. He heard xuanxuexin say that xuanqincang was one of the talents of the Saint TIANYAO clan, and his family background was even more extraordinary. The lingxuan family where he was located was the seventh one among the saint heaven demon families, which was more powerful than Cang Xuan family!

And this person, it is Xuan Lu Yuan arranged for her fiance!

However, xuanxuexin is not interested in xuanqincang, on the contrary, he has some antipathy towards him!

Hearing this, xuanxuexin's mouth appeared a sneer and said, "Dad, I'm bringing Ye Chen back this time to tell you that ye Chen is my man, and I have decided to marry Ye Chen tomorrow!"

The whole hall seemed to be frozen by the cold!

Xuanluyuan's expression is stiff in an instant, even the smile on xuanqingqing's original face is suddenly solidified!

This kind of words is not a joke. You can't talk nonsense!

Xuanluyuan and xuanqingqing did not think that their favorite daughter would say such a thing!

For a moment, the brain is in chaos!

Marry with the existence of the three layers of heaven and earth?

If spread out, the whole cangxuan family will become a laughing stock!

Xuanqingqing quickly took xuanxuexin's hand and advised him: "Xuexin, you are still young. You don't understand this kind of thing. Don't be impulsive. Listen to your parents, OK?"

Xuanxuexin, however, threw Xuan Qingqing's hand away and said: "Niang, I have made up my mind. Tomorrow, no matter whether you agree or not, I will marry Ye Chen. If you want to force me, what will be the consequences, you should be very clear."

Xuanqingqing's beautiful eyes trembled. Last time, xuanxuexin refused to marry xuanqincang. Xuanluyuan couldn't bear to restrain xuanxuexin and planned to send it to the wedding!

However, Xuanxue heart and body is one of the ultimate demons in the saint heaven demon family. Although its strength is not as strong as Xuan Luyuan, the power of blood is more terrifying than xuanluyuan!

The demon clan pays more attention to blood. Xuanxuexin's blood is so strong that it dissolves xuanluyuan's prohibition of staying in the body. Immediately, he will force himself to explode! Although, in the end, he was stopped, but after that, Cang Xuan's family did not dare to force xuanxuexin to do anything again!

At the moment, xuanluyuan was full of fury. His eyes were full of anger. He glared at Xuan Xuexin and roared: "blood heart, even if you want to be angry with your father, why do you have to make fun of your own life and life! How can such a waste be worthy of my xuanluyuan's daughter! "

It's a shame for Xuan Luyuan that ye Chen stepped into cangxuan's house. What's more, he should marry his daughter!

Xuanluyuan, who always pays attention to face, can never accept this kind of thing!

Xuanxue heart heard the words, but said with a cold smile: "are you kidding?"

The next moment, she suddenly sat in the arms of Ye Chen, extremely intimate behavior, two people's bodies almost no gap!

Xuanxuexin looked at xuanluyuan and said, "now, do you still think I'm joking?"

"You Xuanluyuan is going crazy with anger!

If xuanqin Cang knew about this matter, I'm afraid that the relationship between cangxuan family and lingxuan family will deteriorate!

For a moment, xuanluyuan's eyes were bloodshot and his face was ferocious. Suddenly, he turned his eyes to Ye Chen!

What kind of infatuation soup did this damned boy give his daughter? Why would the incomparably excellent Xuanxue heart take a fancy to this kind of rubbish?

With a roar, an extremely terrible pressure broke out from xuanluyuan and rolled towards Ye Chen!

Ye Chen saw the shape, his eyes narrowed, but there was no special reaction.

Xuanluyuan is indeed very strong. Today, he is far from his opponent, but is he oppressed?

It's just pressure, but there's no threat to Ye Chen.

With his physique, if you want to frighten him just by coercion, at least we should really surpass the existence of the real world!

Although the highest level of power is still in the land, the one who can judge the highest level is probably not in the land, but there is no one who can really reach the top level.

Chapter 4742

Therefore, xuanluyuan's prestige was nothing to him.

When Xuanxue's beautiful eyes sank, the Demon power in his body was running at a high speed. A very strong pressure broke out at the same time. Although it was not comparable to Xuan Luyuan, it was not difficult to block the opponent's pressure for ye Chen!

Seeing this, xuanlu was even more annoyed, staring at Ye Chen and saying, "boy, which family are you from? I advise you not to have any indisputable thought, the blood heart is not you worthy of the person, understand?"

If you really get married with blood heart, then, no matter lingxuan family or I cangxuan family will never let you go! The family behind you is also going to suffer the disaster because of you!

Now, I give you a chance to go away and promise that I will never meet with Xuexin again in this life. In this way, I can spare your life!

Otherwise, you will die! "

When ye Chen heard this, he was still very indifferent, as if he didn't understand the threat of xuanluyuan at all. He said faintly: "family? I'm not a member of the trolls. "

When xuanluyuan and xuanqingqing heard the words, their faces became stiff and ugly!

Not even the God demon family!?

Shengtian demon family has always been proud of their blood. Therefore, throughout the history, there are almost no examples of marriage between Saint TIANYAO and other ethnic groups!

For the non - Saint - TIANYAO clan, and even the general Xuanyao people, although they can't say it on their mouths, they look down on them in their hearts!

In their opinion, the Xuanyao people, except the Saint TIANYAO clan, are just low-level people. Now, their daughter, the pride of Cangxuan family, is going to marry such a rubbish in the garbage!?

At the moment, even Xuan Qingqing, who had just looked hesitant, shook his head.

If Ye Chen is a saint, she might accept it even if she was born a little bit worse. After all, Ye Chen has already existed in the three layers of heaven and earth at a young age, and there is still some potential. It may be a creative material to cultivate Ye Chen well

But not even the God demon family?

Then, Ye Chen from the blood has no possibility of success!

Xuanluyuan's look was completely gloomy. If it wasn't for Xuanxuexin's character, he would have killed Ye Chen directly now!

In the atmosphere, when some swords and crossbows were drawn, a middle-aged woman came in from the door and said to Xuan Luyuan, "master, please don't be angry."

Xuanluyuan and Xuanqingqing see that the woman's eyes are bright. Her name is Xuanbi. She has been a servant of Cangxuan's family for generations. At the same time, she is also Xuanxuexin's nurse and the servant who takes care of her growth. The whole Cangxuan family trusts Xuanbi.

Even Xuan Xue Xin, who always disobeys discipline, would listen to a few words if Xuanbi opened his mouth!

Xuan Lu Yuan's face was happy and said, "aunt Bi, please persuade the girl Xuexin! She's going to piss me off

Xuanbi said: "master, madam, please leave first. The maid will have a good talk with the young lady."

Xuanluyuan and xuanqingqing looked at each other. Finally, they nodded and said, "OK, aunt Bi, I'll give it to you."

In any case, with xuanxuexin's character, they can't stay here.

Soon, only Xuanbi, xuanxuexin, and ye Chen were left in the hall.

Xuanbi closed the door and gave a wry smile to Xuan Xuexin and said, "Miss Qi, you are really in trouble with me. If you discuss with the maid, I'm afraid you will be punished."

Ye Chen looks moving, this woman unexpectedly is Xuan blood heart peaceful platoon?

Xuanxuexin said with a smile: "aunt Bi, how do you see it?"

Xuanbi pondered for a moment and then said, "now, the master and his wife will certainly not agree with this, and the news will soon spread to Ling Xuan's family. Tomorrow, Xuan qincang will come to his house to make trouble for Mr. Ye..."

Her eyes flashed slightly: "if Mr. Ye can show enough potential in the face of Xuan Qin Cang, it may not be without any hope."

Xuanxuexin frowned and said, "but Xuan qincang's strength is even better than me..."

Ye Chen's face moved. It seems that Xuan qincang is also a talent and strength, which belongs to terror among young people.

Xuanbi said with a smile: "although Xuan qincang is strong, his age is close to 1000 years old. If you start with Mr. Ye, it is not in line with his identity. Therefore, Xuan qincang will not do it in person..."

With that, she looked at Ye Chen with twinkling eyes and said, "if you really have such a talent for martial arts, you may not have no hope tomorrow."

Xuanxuexin heard the words and said with a smile: "aunt Bi, go tell my parents that ye Chen's strength is not weaker than that of any real world. Ye Chen's potential is invincible. It's far more than any genius of the divine demon family. If ye Chen can prove his talent, let them allow this marriage!"

In aunt Bi's beautiful eyes, she flashed a touch of shock. She looked at Ye Chen in disbelief. At the beginning of heaven and earth, did she have the strength to overcome the existence of the early reality?

This kind of talent, enough to step on the feet of a group of Holy Spirit clan genius!Ye Chen is speechless when he hears the speech. Xuanxuexin wants him to cash in all the cattle he blows out now. However, with his current strength, he is not afraid of it.

.....

Xuanluyuan and xuanqingqing are sitting in the room. In front of them, a middle-aged woman is saying something.

Hearing this, xuanluyuan burst out laughing and said, "this is not even a waste boy of the Holy Spirit clan. Can you be invincible in the early stage of Zhenjing?"

Well, very well, if he can do it, I will agree to the marriage! "

There was a look of sarcasm on his face and said: "it seems that Xuexin is really blinded by this boy. However, tomorrow, in front of Mr. Qin Cang, I don't know if he can still pretend to go on? Ha ha, damn waste, coveting the Pearl of my cangxuan family, but it will cost you! "

.....

At night, ye Chen sat at the table with a strange complexion. At this moment, a soft female voice rang out: "husband, why don't you have a rest? Are you going to leave me alone in the empty bed

At the moment, looking at the big smile on the bed, is a very beautiful woman.

This woman is the mysterious blood heart!

What's more, xuanxuexin has already taken off his coat, and a white fragrant shoulder is exposed under the brocade quilt. It looks very attractive!

Ye Chen said with a bitter smile: "blood heart fairy, are you sure you want to rest with me in a room?"

Xuanxuexin said with a smile: "if you want to sleep in another room, it's OK. However, if my father finds out that you and I are just cooperating, I'm afraid we will kill you immediately."

Ye Chen shakes his head, in the face of Xuanxue heart, he always has a feeling of losing to this woman.

However, since it is a fake marriage, more like a transaction, he can not make any extraordinary behavior.

Chapter 4743

Xuanxuexin looks at ye chenduan sitting at the table, motionless. Although she has a smile on her face, there is a faint disappointment in her beautiful eyes, and she scolds "wood."

.....

In the morning of the next day, a sound of Feng Ming was heard in the sky of cangxuan mansion. At the moment of the sound, Xuan Luyuan, Xuan Qingqing and some elders of cangxuan's family all flashed in front of the courtyard and looked into the sky.

I saw a head of gold red, bearing incomparably dignified, all over the flame flowing Fire Phoenix, fell from the sky, fell in the courtyard.

From Huofeng's back came a young man with black hair and blue eyes. His face was as handsome as a sword, but his eyes were extremely cold and proud.

The young man's breath was so vast and extraordinary that his actions and actions gave out the power of a king!

Xuanluyuan saw such a man, immediately, was full of smile to welcome, said: "qincang childe, long time no see."

This man is Xuan Qin Cang of Ling Xuan's family!

Xuan Qingqing also said with a smile, "Qin Cang, I haven't seen you for a period of time. Your breath is strong again."

Xuan Qin Cang smiles at them and salutes: "Qin Cang has met uncle Lu Yuan and aunt Qing."

Then, his eyes suddenly flashed a touch of cold, said: "Uncle Lu Yuan, I heard that the blood heart has come back, but also brought back a man?"

Seeing this wisp of cold light, Cang Xuan's family was filled with awe. Xuan Luyuan even said, "this Xuexin, a child who is not deep in the world, has been cheated by villains and is confused for a moment. I hope that childe Qin Cang can forgive her... "

Hearing this, Xuan Qin Cang's face became colder and colder!

In fact, with his talent and lingxuan family background, he can find a woman with better background to be his own woman. However, he has been extremely obsessed with xuanxuexin from a long time ago!

Even if xuanxuexin has been indifferent to him for so many years, he has never changed his mind. In order to please him, I don't know how much work he has done!

It's not as good as a bloody boy to go home?

He Xuan Qin Cang, is the genius of the saint heaven demon family, the pride of Ling Xuan family, is not as good as a heaven and earth realm, or even is not the waste of the saint heaven demon family?

How can he bear it?

Xuan Qin Cang secretly clenched his fists and said in a cold voice, "Uncle Lu Yuan, it's not her fault that the blood heart was deceived. Where is the boy now? I want to see who is better than me

When xuanluyuan and xuanqingqing heard the words and looked at each other, they saw the joy in each other's eyes. What they were most afraid of was Xuan Qin Cangqian's anger at Xuanxue heart!

Now it seems that Xuan qincang's infatuation with xuanxuexin is still ahead of their expectation!

Just then, creak, a door opened

People subconsciously look at the room

At this moment, all the people's brains are booming, as if a volcano erupted!

Their pupils trembled, their bodies were stiff, and their hearts seemed to stop!

At the moment, from the room out of a man and a woman, it is xuanxuexin and ye Chen!

All the people in cangxuan's family are going to fall to the ground

They were in the same room last night!

The most important thing is, this scene was also seen by xuanqin Cang!!!

There's a big bang!

Almost at the moment when they walked out, a terrible evil spirit broke out in xuanqincang's body. He bit his teeth and looked at Xuan Xuexin and ye Chen with bloodshot eyes. His eyes seemed to be on fire!

My own woman spent the night in the room with other men!?

Although he can see that xuanxuexin should still be a virgin, even so, for any man, it is still an unacceptable thing!

What's more, let alone overnight, Xuan qincang has not even stayed in the same room with Xuan Xuexin!

He had a distinguished life experience and a bad aptitude. He had been a favored son of heaven since he was young. From small to large, he had everything he wanted. Almost no one dared to say no to him!

Originally, he thought that xuanxuexin didn't accept himself because of his cold temper, which he could accept. He believed that no matter how hard the ice was, there would be a day when it would melt

Can now, Xuan blood heart unexpectedly and a man, a in his eyes and mole ant no difference of the man spent the night!?

Any man who sees this scene, I'm afraid, will want to vomit blood!

Even ye Chen looks at Xuan Qin Cang's eyes with pity

Xuan qincang shivered all over his body and almost couldn't help it. He ran over Ye Chen and killed him directly. However, he had only a trace of reason, which made him restrain

The saint God demon clan pays great attention to reputation, especially the evil spirits like him who are concerned by people. There is no need to damage their reputation for a waste!

Can he let Ye Chen go like this?

How can he be reconciled!

Xuan Qin Cang stares at Ye Chen, and his eyes are full of killing intention. He must die!!!Xuanluyuan was also full of anger and cried: "blood heart! You are! How can you share a room with this boy

Xuanxuexin said with a smile: "today, ye Chen and I are going to get married. How can we not live together in one room? After marriage, I still intend to have a lot of babies for my husband. "

When xuanqin Cang heard the words, the bones of his hands crackled, and the bones of his hands would be crushed by him!

A woman who can't ask for her own will call someone else's husband in front of her and say she will give birth to another man?

With his pride, it is a miracle that he can bear it up to now!

Ye Chen is a little helpless. If this mysterious blood heart wanders in the earth performing arts circle, he must be the Best Actress Oscar.

A fake wedding is the same as the real one

Xuanqincang pressed down his anger and asked xuanxuexin, "Xuexin, I don't understand. Where is my xuanqincang worse than this boy?"

Xuanxue said coldly: "what's the difference? Xuan qincang, you have only practiced for a few years, and you deserve to be compared with my husband? I tell you, if my husband is a dragon in the sky, you are the loach in the ditch at most. What kind of genius of the divine demon family can only kneel in front of my husband! "

Hearing this humiliation, Xuan qincang was so angry that his face would be deformed. He was very angry and said with a smile: "loach? Just kneeling? A waste of heaven and earth, as long as I want, a breath can let him die! Blood heart, don't be stubborn. I don't know what he said to you, but I can guarantee that this boy is a liar, he is just a trash

Even the cangxuan family couldn't listen to it anymore

Xuanxuexin, is this crazy?

A good girl, how did she suddenly become like this?

A heaven and earth realm, or the garbage of the three layers of heaven and earth, can be more evil than xuanqin Cang?

There is no reason at all!

People can not help but persuade: "blood heart, although your talent is outstanding, but, after all, not deep into the world, this world, there are a lot of cheaters."

Chapter 4744

"Yes, blood heart, don't be used by villains!"

"This boy, return the dragon? He's a dragon, a sow can go to heaven! "

"Damn boy, you'll die miserably if you cheat my cangxuan family

Hearing what they said, Xuan Qin Cang's face softened. He looked at Ye Chen sarcastically, ha ha. What if he cheated Xuan Xuexin?

In other people's eyes, you are still a clown!

Then, he said to xuanxuexin: "Xuexin, you heard me. I don't think so. Be sober."

However, Xuanxue heart was just indifferent: "summer insects can't talk about ice."

The faces of the people were ugly

Although the boy's strength is not so good, it seems that it is not simple to cheat women!

Unexpectedly, will a good peerless demon brainwashed into an idiot?

At this time, xuanxuexin suddenly said: "Dad, if ye Chen can prove his potential, can you agree with this marriage?"

"Proving the potential?"

Xuanqin Cang looked at Xuan Luyuan and said, "what do you mean?"

On hearing this, xuanluyuan said with a sneer: "Mr. Qin Cang, this boy is said to have the potential to be invincible in the early days of the Huanzhen environment. That is to say, he is not afraid of the three layers of heaven in the Huanzhen environment. Hehe, I have lived for so many years, but I have never seen such an evil spirit. Is it really an eye opener?"

When xuanqin Cang heard the speech, his eyes brightened, and a cruel smile appeared in his mouth. He was worried that there was no reason to start with Ye Chen!

Now, you like to pretend, don't you?

Ha ha, then let you install enough!

Immediately, Xuan Qin Cang also disdained a smile and said: "I don't know if it's a monster, but what I know is that the evil spirit is not blown out!"

"Well said!"

Xuanluyuan stroked and said with a smile, "I'm very curious about the boy surnamed Ye. How do you want to prove your potential? If you really can be invincible in the early stage of the return to reality, then I can agree with your marriage with Xuexin. "

Xuanxuexin smiles, looks at Xuan qincang and says, "xuanqincang, what about you?"

"Me?" Xuan Qin Cang's eyes narrowed slightly, "what do you mean?"

Xuanxuexin pondered: "if ye Chen proves his potential, what do you do?"

"What should I do?" said Xuan Qin Cang

Xuanxuexin gazed at Xuan qincang and said: "if ye Chen proves his potential, I hope that there will be no more disputes between you and me in the future..."

This is also one of the purposes of xuanxuexin's fake marriage.

Xuan Qin Cang said faintly: "if, he failed?"

Xuanxue heart said: "then, I will agree to marry you!"

As soon as this speech was said, all the people present had a bright look in their eyes!

Originally, there are still some cold and arrogant anger of Xuan Qin Cang is also an instant into the color of ecstasy!

In his opinion, xuanxuexin doesn't mean anything to Ye Chen. He just looks forward to the strong!

The reason why he is so close to Ye Chen now is that he is cheated by this boy by trickery!

As long as he can expose the disguise of waste, why does xuanxuexin not choose himself?

Good!

Great!

It seems that he would like to thank the clown, so that he has a chance to fulfill his wish!

Xuanluyuan and cangxuan family all smile and nod to Xuan qincang, as if they have treated Xuan qincang as a family!

No one thinks Ye Chen really has the possibility to prove himself!

At this time, xuanluyuan secretly said to Xuan qincang: "childe Qin Cang, I will give you the story of exposing this boy. What do you think? In this way, you can also leave a good impression in the heart of blood!"

Xuan Qin Cang nodded his head with a smile: "thank you very much, uncle Lu Yuan."

Think about it, when he trampled on the waste of deceiving xuanxuexin and proved who was the real dragon, xuanxuexin's view on him would be completely changed, right?

The next moment, he looked at Ye Chen and said, "boy, you say that you are invincible in the early stage of Zhenjing? Really? "

Ye Chen light way: "you, can try."

When xuanqin Cang heard the words, his smile became colder and grimmer!

What the hell?

I'd like to see when you can install it!

Let Ye Chen die like this. It seems a little too cheap for him

Not only let Ye Chen die, but also let him die with great humiliation!

Xuan Qin Cang eyes a turn, suddenly, the heart of a plan!

He suddenly turned his head and said in a loud voice to the servant who was still on Huofeng's body behind him: "somebody, go to lingxuan's house and bring Xiaojin here!"

The servant on that fire phoenix body hears speech a Leng, immediately, the face appears extremely amusing smile, nod a way: "yes!"

Immediately, he drove the fire phoenix toward lingxuan's home!

But there were some doubts in the audience

Kim?

What is it? After a while, the fire phoenix came again, and at the moment of the fire phoenix's arrival, a very loud barking suddenly rang through the whole Cangxuan mansion!

See, a shadow instantly from the fire phoenix back, fell on the side of Xuan Qin Cang!

People looked at the shadow, the pupil was tiny, and the shadow was tall, with golden hair, long ears and sharp tusks. It was like the existence of a giant wolf!

Xuanluyuan's eyes brightened, and he remembered. It is said that Xuan qincang has a hobby, that is, he likes to keep dogs!

Therefore, he collected a lot of powerful dogs as pets!

And this golden wolfhound is one of the most famous!

Although the wolf breed under the environment, it's not as bad as the dog's blood!

Why did Xuan Qin Cang bring this golden wolf dog?

Xuanqin Cang touched the dog's back, looked at Ye Chen ironically and said with a smile: "Mr. Ye, you say you are invincible in the real world? I don't know, is it you or I have a dog?"

Can you ask Mr. Ye to teach the dog a lesson for me? Well, if Mr. Ye succeeds, I will give up my heart. "

When they heard the speech, they all burst into laughter!

Xuan qincang, this is a wonderful hand!

This golden wolfhound is by no means a heaven and earth situation that can be defeated!

Leapfrog?

How many steps does it take?

Almost two big realms!

It can be said that ye Chen is doomed to be beaten in the face!

The most important thing is that a dragon, known as invincible at the beginning of the return to reality, was run over by a dog?

That kind of funny, that kind of funny, can't describe!

Even if ye Chen survived, he could only be a clown all his life, right?

This is much more ridiculous than Xuan qincang's own hand to defeat Ye Chen!

Wonderful!

Wonderful!

Wonderful!

All people, are looking at Ye Chen in general, looking forward to his reply!

At this time, ye Chen actually shook his head and said, "no way."

The whole square is quiet!

Chapter 4745

The disdain in people's eyes is more intense, did not expect, ye Chen unexpectedly is to want to do not want to directly refuse?

This trash, didn't you just calm down?

Are you confident?

And said you could try it?

Now, why are you afraid of a dog?

Even xuanxuexin frowned slightly. She knew that ye Chen's strength could not be measured by realm, so she asked Ye Chen's current strength level before, and ye Chen answered truthfully.

Although xuanxuexin exaggerated some, but, also not too much!

At least, enough to crush this golden retriever!

Did ye Chen lie to her?

Is it true that he has no such strength at all?

For a moment, a touch of disappointment and anger flashed through the beautiful eyes of Xuanxue heart

If ye Chen is really a libertine, then, this time, he may not be able to withdraw from the whole body!

Even if she wants to protect Ye Chen now, she can't do it!

Moreover, even she has to sacrifice her life-long happiness because of Ye Chen's costume

Although, xuanxuexin is very rebellious, but, with her own principles, what she said will do!

Hearing this, Xuan Qin Cang became more and more proud and said with a smile: "Mr. Ye, are you invincible in the early stage of the real world? Why don't you dare to beat a dog? Is this dog so terrible?"

All the cangxuan family ridiculed: "for Mr. Qin Cang, it's a dog, but for some people, it's a god like existence."

"Ha ha, the dog depends on the owner. Mr. Qin Cang's dog is much more terrible than some so-called dragon!"

"You said that the scene of the dragon being eaten by a dog must be spectacular?"

Xuan Luyuan also sneered: "Ye Chen, can you tell us why you don't want to fight this dog?"

Ye Chen's face remained calm all the time, but when he heard the speech, he said in a serious way: "the dog is innocent. If I lay a heavy hand on it and kill it, would it not be pitiful? What's more, if Mr. Qin Cang asked me to pay for it, I couldn't afford it? "

When people heard this, they laughed again!

The boy has many excuses. He is a waste of heaven and earth. What can he say to kill him?

That's a blood vessel against the sky, comparable to the super monster of three layers of heaven!

Ye Chen is simply sensationalism!

Xuanqin Cang was also cold and impatient: "I don't need you to compensate, OK? Innocent? Ha ha... "

His eyes suddenly flashed a hint of evil intention: "I tell you a secret, Xiaojin's favorite food is human flesh. If it wants to eat you, it's not innocent."

The next moment, Xuan Qin Cang suddenly snapped: "give me this boy, swallow up!"

He has been waiting a little impatient, can't wait to see ye Chen was bitten alive, crying for mercy that scene!

The golden wolfhound got the master's order, and his eyes were filled with bloodthirsty light. He was a beast. He roared and rushed toward Ye Chen!

His whole body is full of evil spirit. As soon as he pounces on it, he brings up a blast of extremely cold wind and evil spirit. For a time, the whole world seems to be immersed in a scene of ghost crying and howling. It can be imagined that there are not a few living creatures under the kiss of the golden wolf dog!

The power of the golden rule surged wildly, and the whole world turned pale. It seemed that at this moment, the golden wolf dog was the supreme monster in the world, and any dragon and tiger could only fall under its attack!

Although monsters do not have intelligence, they can drive the law of heaven and earth by instinct!

This golden wolfhound is a dog, but its blood is also very strong!

People see this scene, are slightly shocked, the strength of the golden wolfhound is still above their expectations!

At the same time, the corners of the mouth have raised a cruel smile, as if you have seen Ye Chen's body, torn by the dog's teeth and claws!

A garbage that likes to be loaded. Finally, it is bitten to death by a dog. It's a good way to die, isn't it?

Ye Chen is facing the golden wolfhound, but he looks light. He seems to raise his hand at will, facing the golden wolfhound with a fist.

Such a monster can't even compare with some of the real warriors he faces.

People see, the color of disdain in the eyes is more intense, this?

The mantis arm is just blocking the car. How can this ordinary fist stop the powerful attack of the golden wolf dog?

Ridiculous!

It's estimated that blood will be splashed right away?

In the blink of an eye, the fist and the golden wolfhound's dog's paw had a collision!

As expected, the blood splashed

A shower of blood poured down and almost dyed the whole cangxuan house red!

When they saw this, they all laughed, and there was a strong irony in their eyes

But, at this time, their smile is suddenly, solidified Soon, the irony in his eyes turned into shock and disbelief!

What did they see?

In the rain of blood, a indifferent young man stood quietly and slowly took back his fist. The fist was bright red, but it was not hurt or bleeding

The blood did come out

Can, that is not ye Chen's blood!!!

The blood came from the golden wolfhound. What made everyone's scalp explode was that the golden wolfhound didn't even scream, so ye Chen's seemingly random fist directly blew into a shower of blood!?

For a moment, their eyes trembled!

Shaking like crazy!

Although, the strength of some people on the scene are above the golden wolfhound, but looking at the bloody youth, people can not help but feel a burst of cold from the bottom of their hearts!

Why?

Because, it is a kind of primitive fear, the fear of the unknown!

The youth in front of me is really too fantastic!

What is beyond common sense?

This is called beyond common sense!

There are three layers of heaven and earth in heaven and earth. One blow directly kills the monster in the real world!?

For a moment, the whole Cangxuan mansion seemed to be trapped in the depth of the black hole!

People are going to stop their consciousness!

Even Xuanxue's heart is full of surprise. She expected Ye Chen to defeat the golden wolf dog, but she didn't expect that Ye Chen would win so easily!

In fact, even Ye Chen couldn't help blinking. In fact, he just integrated his harvest in Shengxuandao palace, but the effect was beyond his expectation!

He took a look at Xuan Qin Cang. He saw that he was still a ferocious and sarcastic one just now. At the moment, he was as dull as a wooden man. He seemed unable to accept what he had just seen!

Ye Chen said with a smile: "You are right, this dog is not innocent indeed."

The voice rings out, as if just pull the public consciousness back from the black hole!

Cangxuan family people, looking at Ye Chen's eyes, instantly lit up!

They didn't dream that what Xuanxuexin said was true!!!

Chapter 4746

In my twenties, I have the strength to be invincible in the early stage of the real world. What's the concept?

Is it ten times more rebellious than the most rebellious one in history?

For a moment, even Xuan Qin Cang was a little pale in front of Ye Chen!

Now, you still feel that I'm a waste man

Xuan qincang may be excellent in the saint heaven demon clan, but when he meets Ye Chen, the abnormal one, he can only be said to be very poor.

When xuanqin Cang heard the speech, his eyes were filled with blood and he was going to lose his mind. He roared: "no, it's impossible! This is a scam! I'm xuanqin Cang. How can I be inferior to a foreigner

With a roar, a strong evil spirit, which was rolling and oppressive, turned into a hurricane. It gushed out of Xuan Qin Cang's body, and even the space showed signs of fragmentation. At the moment, Xuan qincang did not even care about his reputation. The only thought in his mind was to kill Ye Chen!

Let this trash who robbed his woman and dishonored him disappear from the world!

For a moment, dark blood heart pretty face is full of dignified color!

If Xuan Qin Cang really desperate to hand, even she may not be sure to protect Ye Chen!

However, at this time, a figure suddenly appeared in front of him. The moment the figure appeared, the prestige of Xuan qincang broke out was instantly eliminated!

Xuan Qin Cang was slightly stunned and looked at the person in front of him. He saw a handsome man in red robe standing in front of him. It was Xuan Luyuan!

Did Xuan Luyuan stop himself?

Although his strength is not weak, he still has a huge gap compared with xuanluyuan, the leader of the ninth big family of the Holy Spirit clan.

"Uncle Lu Yuan, you are..."

Xuan Luyuan said with a smile, "my dear nephew, you should be a little tired today? Why don't you go back to lingxuan's house to have a rest, and come back to my cangxuan mansion another day

When xuanqin Cang heard the speech, his face changed slightly. Xuan Luyuan made a direct order to leave!

For a moment, Xuan Qin Cang laughed, and he laughed grimly!

This damned old thing, to see that boy showed a little potential, turn his face and refuse to recognize people!?

Xuan Qin Cang looked at the people who were there fiercely: "OK, Cang Xuan family, ye Chen, I will remember you, today's matter, I Xuan Qin Cang sooner or later will get back!"

After that, he moved his body and went to the Phoenix. With a long cry, the Phoenix spread its wings and left!

Xuanluyuan's eyes flashed slightly and sighed. It seemed that he was going to have a relationship with lingxuan's family. He had some regrets. If he had believed in xuanxuexin at the beginning, he might not have developed to this stage

Xuanluyuan turned his head and looked at Ye Chen and Xuan Xuexin. His eyes were somewhat complicated. However, he told an elder: "spread the news, Xuan Xuexin, the seventh miss of cangxuan's family, is about to get married. Invite all your relatives and friends to the wedding banquet!"

.....

In a wing room, at the moment, a helpless Ye Chen has changed into a suit of joy. The eyes of several maids twinkle with light and a look of flower mania.

Ye Chen looks at the handsome man in the mirror, but his complexion is somewhat complicated. Although the wedding is just a casual scene, ye Chen has a strange feeling.

He had a lot of women, but he didn't have a wedding. His first marriage was actually with a woman who was almost strange?

In fact, he didn't know xuanxuexin for a long time, and he didn't see it several times

It has to be said that nature plays tricks on people.

At this time, another maid came in and said, "uncle, the good time has come."

Ye Chen nodded and walked toward the hall under the guidance of the maid.

On the other hand, xuanxuexin is dressed in the maid's clothes. She is already beautiful. With her delicate make-up, she becomes more and more worldly. Any man will suffocate instantly when he sees this face!

Even those maids looking at the moment of Xuanxue heart are some dazzled, immersed in this unparalleled beauty.

Xuanxuexin's breath suddenly became a little short, and she was nervous.

Not only nervous, even, some uneasy up, the original white face red.

I don't know why, xuanxuexin always thinks of things after entering the bridal chamber with Ye Chen

At this time, a maid put the red cap on xuanxuexin's head and whispered, "Miss, the good time has come."

With that, he led Xuanxue heart to the auditorium.

In the auditorium, already full of guests, soon, two figures appeared outside the door, it is Ye Chen and Xuan Xuexin!

Ye Chen glanced at the dark blood heart beside him, and his eyes flashed. He saw that the woman who was extremely casual in weekdays, at the moment, his shoulder was slightly trembling.

He suddenly grasped xuanxuexin's jade hand. Xuanxuexin's delicate body trembled for a while, but soon the shoulder trembled, and then calmed down.

I don't know why, ye Chen's hand makes her feel very at ease. The guests found that ye Chen had only three levels of heaven and earth. When he was practicing, he showed a strange look on his face, but he didn't say anything.

They are very clear that xuanxuexin and xuanqincang originally made an engagement, but today, they don't see Xuan qincang coming!

A young man who can make Xuan qincang retreat is not as simple as it seems!

At this time, aunt Bi, with a smile on her face, said in a loud voice, "I worship heaven and earth!"

Ye Chen and xuanxuexin worship heaven and earth outside the auditorium.

"Two obeisances to the high hall!"

Xuanluyuan and xuanqingqing sat on the main seat and looked at the new couple. Their eyes were gradually softened. In the beautiful eyes of xuanqingqing, the water mist was dense.

Any parents, seeing their children get married, are both gratified and somewhat sad.

"Husband and wife worship each other!"

Ye Chen took a deep breath and looked at the woman in front of her. Her heart beat a little bit faster and slowly bowed down.

The relationship between him and xuanxuexin can't be said to be so close, but after this worship, there seems to be an indescribable and unclear connection between them.

At the end of the worship, the hall was also filled with celebrations, and ye Chen and Xuan Xuexin also entered the bridal chamber under the cluster of maids.

With a click, the door closed, and the originally noisy cangxuan mansion seemed to be quiet for an instant. They seemed to come to a different world where only they existed.

Ye Chen looks at sitting on the bed, today appears particularly quiet Xuanxue heart, actually felt a burst of embarrassment.

He couldn't help asking xuanhanyu, "xuanxianzi, what should I do now?"

Xuanhanyu some speechless way: "boy, you marry, ask me what to do!"

Said, actually is no longer pay attention to Ye Chen.

Ye Chen scratched his head, gently coughed and said: "bloody girl, take off the cover, there is no one here."

"We're almost done with the deal. There's no need to keep pretending

Chapter 4747

But at this time, xuanxuexin said: "Ye Chen, although it's just a play, it's a fake, but for me, this is the only wedding in my life. I hope you can lift the lid for me... "

Ye Chen smell speech, can't help but a little silly, the heart rate also gradually accelerated, he slowly walked to the bedside, gently raised the cover on Xuanxue heart.

An indescribable face leaped into my eyes. Even ye Chen, who was surrounded by beautiful women, could not help but be astonished. Even, the heart stopped for a moment!

Xuanxue heart pretty face spread a burst of red, slightly low head way: "good-looking?"

Ye Chen is a little dull ground head way: "good looking..."

In the beautiful eyes of Xuanxue heart, a touch of joy flashed, and a smile rose from the corner of her mouth. She raised her head slightly, and her eyes twinkled at Ye Chen. The atmosphere between them gradually became ambiguous

Ye Chen's eyes became more and more fiery. He took a deep breath, and suddenly stood up and said, "just like last night, bloody heart girl, you sleep on the bed, I will practice by myself."

With that, he would walk to the corner far away from the big bed.

Can, in Ye Chen is about to step the moment, a warm hand is suddenly holding his clothes.

Behind him, there was a beautiful female voice like a faint mosquito singing: "you Did you forget that there is one more step to complete the wedding... "

Ye Chen smell speech whole body a shock, suddenly turned around, eyes incomparably hot staring at the Xuan blood heart sitting beside the bed: "what do you say?"

Xuanxuexin blushed and shook his head: "nothing, just like yesterday..."

The candle fire in the room shook violently, and the red wax oil slipped from the candle body. Under the background of the fire, it became more and more beautiful and beautiful

The next morning, ye Chen led by xuanxuexin to a palace with solemn weather.

Here, it is called Shengtian mansion. It is in charge of the affairs in the city. If you want to join the clan, ye Chen needs to go through the formalities here.

With the relationship of cangxuan family, it is not difficult to obtain the identity of the saint heaven demon family. Soon Ye Chen successfully joined the saint heaven demon family.

However, at the same time, the fact that the seventh miss of cangxuan's family married a foreign ethnic group also spread all over the streets!

For a time, almost all the people in the holy city are talking about the origin of Ye Chen!

But soon, a more powerful news ignited the whole holy city!

A young man in white walked quickly into a restaurant and opened his mouth to several friends on the table with an excited look: "have you heard about ye Chen?"

A young man in green, who was drinking, said with a smile, "your news is too backward. Isn't it the heaven and earth situation that married Xuanxue heart?"

We have discussed Ye Chen several times. I suspect that ye Chen is probably the illegitimate son of Tianxuan family! "

Tianxuan family is the family in charge of the holy Tianfu. At the same time, it is also the first family in the holy city!

The young man in white flashed his eyes and said, "no, it's not about it! I just got the news that tomorrow, ye Chen will take part in the selection and examination of the demon heaven ceremony

"What?" Several people smell speech is the facial expression of shock!

Is Ye Chen crazy?

Do you want to take part in the selection and examination?

Even if it passes through successfully, it will be a dead end to enter the ancient battlefield!

However, the whole holy city people are still full of expectations for ye Chen's performance in the assessment tomorrow!

I don't know if this extremely mysterious existence can bring them more surprise?

.....

At the moment, in a palace where the atmosphere was a little bleak, there was a handsome young man walking towards the main hall with a stiff face.

This young man is the Xuan Qin Cang!

His face is not good-looking, ye Chen and xuanxuexin married after the news spread, he xuanqincang has become a laughing stock!

However, as he walked along, a faint smile appeared on his mouth and said, "ha ha, boy, you think you have some talent, so you can do whatever you want? A foreign trash, also want to touch the demon day ceremony? Since you killed yourself, you can't blame me... "

Soon, Xuan Qin Cang came to the main hall, and there was a figure sitting on the main seat.

Although the shadow of Qin is very strong, it is very strong!

However, it is strange that Xuan qincang, who is extremely proud, is extremely respectful in the face of his own existence!

He came to the seat. Facing the figure on the main seat, he gave a deep salute and said, "Xuan qincang of lingxuan's family has met the master son."

The figure on the main seat said, "Xuan qincang, what can I do for you?"

His voice was rather childish!

Xuanqin Cang said: "report to the son of God. The reason why I dare to come here to disturb the practice of the son is because I have received the news that someone wants to defile the demon heaven ceremony!" "What?"

That slightly childish voice, suddenly cold and sharp down the way: "demon heaven ceremony is related to the lifeblood of my family, who is so bold?"

Xuanqin Cang raised a smile and said, "a boy from the heaven and earth of a foreign nationality has made great efforts to marry the seventh miss of cangxuan group. Tomorrow, he will attend the examination ceremony of the demon heaven ceremony! If this person can participate in the demon ceremony, it's a shame to our family! "

After a moment's silence, the voice said again, "what about the heaven and earth? As long as he can pass the examination, he is qualified to participate in the ceremony. What kind of shame is it?"

On hearing the speech, Xuan Qin Cang raised his head slowly, and a strange smile appeared on his face and said, "but, master son, if I say that this person has human blood?"

The whole hall fell into a dead silence in an instant!

Xuanqin Cang's pupils shrank. He was shocked to see the figure on the main seat. At the moment, he felt a chill in his soul!

Although, the son's strength is not as good as him, but he has been able to feel the breath of danger!

He knows that this feeling comes from the oppression of blood!

Xuanqincang is one of the top demons of the saint heaven demon family, and his blood power is extremely strong!

Can, still be suppressed by the strength of their own existence, visible, this son of heaven demon blood terror to what level!

The childish voice sounded again, but this time, it was emitting endless dignity: "this is true?"

Xuanqin cangning said in a voice, "it's true!"

The shadow trembled, and the figure on the throne came out of the darkness and said in a cold voice: "in those days, our ancestors died because of those despicable human beings. Now, this ancient battlefield is the holy land for the sages to rest. How can we let those with dirty blood stain the land where the sages sleep?"

Chapter 4748

At this moment, in front of the main seat, actually is a black hair, black eyes, incomparably handsome, but also appears to be extremely strange youth.

The most special thing is that there is a mark on the middle of the boy's eyebrows. If ye Chen was here, he would be very shocked

This mark is quite similar to that of the demon!

Hearing the speech, Xuan Qin Cang said with joy: "master son, what you said is very true."

After being forced back by xuanluyuan in cangxuan's family, he began to investigate Ye Chen's details. Soon, he found out all kinds of deeds of Ye Chen in the holy city outside!

Now ye Chen's TIANYAO blood has been extremely strong, deliberately urged, its evil spirit is enough to cover up the human flavor!

Others at most think that his blood is a little complex, but they will not find Ye Chen has a human breath.

Can, that day, ye chenchu into the outside world of the holy city can not be so strong blood ah!

At that time, many Xuanyao people could feel that ye Chen had a similar breath with human beings!

Originally, this discovery did not have much value, but, at this time, ye Chen actually wanted to participate in the examination of the demon heaven ceremony?

The place where the fiendish ceremony is going on is the battlefield between ancient Terrans and demon clans!

After knowing this, the first person that Xuan qincang thought of was the son of the Saint TIANYAO clan!

What is the son of God?

It is said that when the power of blood of Xuanyao clan reaches a certain level, it will have a mark belonging to the ancestor of that demon clan when it is born!

And the existence with this mark is called the son of the Holy Spirit family!

The identity of the son is extremely lofty among the saint heaven demon clan!

It is precisely because of this, even if the son has not really grown up, but Xuan qincang dare not have the slightest disrespect to him!

No matter how he was born, he was raised by the saint Tianfu since he was a child. His education naturally takes the blood of the heavenly demon as his respect and the demon clan as his respect!

Naturally, he could not tolerate any behavior that offended the ancestors of the demon clan!

Xuan Qin Cang coldly smiles, he knows, ye Chen is finished!

Ye Chen's talent is really terrible, but even if he goes against the sky, he can't be the opponent of the son of Saint TIANYAO clan!

The son said lightly: "this matter, I know, quit, tomorrow, I will personally handle this matter!"

Xuanqin Cang said with great joy: "yes!"

His purpose has been achieved!

.....

The next day, a very open square, around the establishment of countless seats, and at this moment, the seats are already overcrowded!

Here, is the place where the Holy Spirit clan conducts blood test.

Similarly, it is also the place for the examination of the demon ceremony!

Today, almost all the citizens of the holy city are gathered in this place for the simple reason.

Because today, the legendary Ye Chen is going to have the examination of the demon heaven ceremony!

On the square is a huge round crystal.

Crystal extremely transparent, transparent state, no trace of impurities!

The rule of assessment is very simple. Drop a drop of blood essence into the crystal. The more powerful the blood is, the more part of the crystal will be dyed bright red!

On top of the crystal, from the bottom to the third, there are 13 runes, representing 13 levels!

The red color over which Rune represents the level of the blood strength of the clansman!

Ordinary Xuanyao people, blood concentration, generally in the first to third order, some outstanding existence, may reach the fourth to the sixth level, very few adverse weather existence, there is the possibility of reaching the seventh level!

And the saint heaven demon clan, can be said to be gifted, even the most common people, blood concentration is also from the third level!

The evil spirit of the saint heaven demon clan, blood concentration, at least also in the seventh level above!

And want to participate in the demon day ceremony conditions are even more adverse!

Only when the blood concentration reaches level 9, can you have the qualification to participate in the demon heaven ceremony!

At the moment, there are three old people sitting in front of the crystal. The breath of these three old men is deep like the sea. They are not bad at all compared with xuanluyuan. The white browed old man on the main seat in the middle is even more powerful than xuanluyuan's!

This old man is likely to be beyond the reality!

All three are strong men from the holy heaven mansion, and are responsible for hosting this assessment!

Not long ago, a young man in a black robe with a cool look walked slowly into the entrance. When people saw the young man, their eyes brightened and their faces showed a look of great curiosity!

This is Ye Chen, who has been in the holy city recently!

Ye Chen came to the crystal before, to those old people, line a salute way: "younger Ye Chen, have seen several predecessors."

The white browed old man sitting on the main seat frowned slightly when he saw that ye Chen's accomplishments were really the three levels of heaven and earth. However, he still asked, "are you ready to accept the examination?"

Ye Chen nodded his head and said, "you are ready, please let me go!"The three old men looked at each other. At the next moment, their bodies moved and appeared beside Ye Chen. At the same time, ye Chen's elixir field and ye Chen's eyebrows were at the same time. Two extremely surging demonic forces poured into Ye Chen's body in an instant!

Ye Chen's pupil shrinks, only feels the blood in the body, faintly wants to boil for it, the Demon power in the elixir field is also crazy and restless!

, however, he did not resist. He knew it was a means to stimulate the blood essence of his blood.

Soon, the Demon power in his body seems to be restless to the extreme!

At this time, standing in front of Ye Chen, the old man with white eyebrows, who was motionless, flashed in his eyes and suddenly made a move!

I saw that he had a very long silver needle in his hand!

He took the silver needle between his two fingers and aimed at Ye Chen's heart!

Ye Chen's heart suddenly a pain, see, a drop of hot red blood along the silver needle, white eyebrow old man see, took out a jade bottle, the drop of blood sealed into the jade bottle!

The other two elders also let go of Ye Chen.

Ye Chen took a breath and looked at the old man with white eyebrows. He held the jade bottle and worshipped the huge crystal. Then he held the jade bottle and walked towards the crystal!

The crowd gazed at the old man with white eyebrows. His heart beat faster and faster. There was a strong look of expectation in his eyes. I don't know what kind of achievements Ye Chen will get!

Even the dark blood heart in the audience flashed a touch of tension on her pretty face!

The old man with white eyebrow looked very solemn and poured his jade bottle towards the crystal. A drop of bright red blood dropped on the crystal.

The light in people's eyes is more and more bright, and all people's eyes are locked on the crystal!

For a moment, the whole square was quiet, even the breath could not be heard!

But, soon, people's face will appear on a very surprised look, they are all incredible looking at the scene in front of them!

Don't say it's them. Even the white browed old man and even ye Chen's face changed slightly, and his eyes flashed with disbelief

Chapter 4749

What happened?

To make people react like this?

In fact, nothing happened

And nothing happened, but the most bizarre scene!

At the moment, that crystal ball to Ye Chen's heart blood, unexpectedly did not have any reaction?

How could that be possible?

This kind of situation unless is Ye Chen does not have any day demon blood can appear?

For a moment, people's eyes toward Ye Chen have some changes

They are the saint heaven demon clan. If it is said that a Xuan demon clan joins the saint heaven demon family, although the people may have some disdain in their hearts, they are still acceptable

However, if you change to a person who does not have the blood of the demon, the nature will be completely changed!

The divine demon clan will never accept a real alien!

But if you want to enter the holy city, you can't do it without Xuanyao blood?

How did ye Chen get in?

The whole square was noisy for a moment, and many people said with a bad face: "this boy is not a spy sent by human beings, is he?"

"I thought his breath was wrong for a long time. Was it disguised?"

"How can such people set foot in the holy city? It's an insult to my heavenly demon family

"In my opinion, shengtianfu should take this man down and interrogate him well!"

Sitting in the audience, Xuan qincang was full of schadenfreude. The development of things was much better than he expected!

If it goes on like this, ye Chen will be doomed!

Ha ha, the damned boy robbed my Xuan Qin Cang's woman. I didn't expect that the report would come soon!

The old man with white eyebrows also looked gloomy. As soon as he turned around and looked at Ye Chen, his eyes flickered. He seemed to be hesitating whether he wanted to make a move

Dark blood heart pretty face is full of tension color!

Ye Chen's eyes are also dignified, now he is not the opponent of these top strong

Even, there may not be a chance to escape

And at the bottom of his heart, he was extremely puzzled

He not only has the blood of the heavenly demon, but also the blood essence of the mysterious demon!

Even if you can't light up 13 runes, the crystal ball will not be unresponsive?

What's going on here?

Ye Chen can't help but ask xuanhanyu and Shuo Lao: "is it that the crystal ball has been replaced by others?"

Old Shuo said: "it's impossible to switch. Let alone, the crystal ball is the most precious treasure of the saint heaven demon family. Don't look at it on this square. In fact, there are strong people paying attention to it. Even if it is really replaced, the old man with white eyebrows can't find any abnormality."

Suddenly, xuanhanyu's voice rang out in Ye Chen's mind: "boy, I think of a possibility..."

Can, her voice did not fall, the scene is a sudden change!

No one expected that the crystal ball, which had no reaction at all, suddenly burst out into a dazzling red light, and all the thirteen runes on the sphere were lit up in an instant!

That dazzling red light, even let people's eyes feel a burst of pain!

However, even so, everyone is still very shocked to see this scene!

The brain is melting!

They couldn't believe what they saw!

Thirteen runes, all lit?

Such a situation, it seems, only exists in the legend

Even today the son of God has only lit up 12 runes

What does that mean?

Is it that ye Chen's heavenly demon blood is more powerful than today's son?

It's incredible!

Just now, it was regarded as a kind of alien, which defiled the existence of the holy city, and instantly became the pride of Xuanyao people with the highest blood, comparable to the legend!

Even those powerful people of the holy heaven mansion are excited!

They were so adored that they almost knelt down to the crystal ball!

This scene is no different from a miracle to them!

The ups and downs are maddening!

Even ye Chen was a little sluggish. He took a breath and didn't know why

At this time, xuanhanyu said: "the crystal ball, at the beginning, did not respond. It should be that your blood force is too strong, and it contains multiple blood vessels, which makes the crystal ball unable to recognize for a time

You can understand it as too much information. "

Ye Chen's face showed a sudden color and nodded. It's easy to understand that blood is also a kind of information. The more powerful the blood vessels contain the power of laws and genetic information, the more complex it is, let alone the multiple blood vessels Ye Chen has!

For example, if you let a computer process several super large files, if the configuration of this computer is not enough, it may crash!

Just now, the crystal ball should be in a state of deadlock, and then, finally, the strength of Ye chentian demon's blood vein was analyzed, and then, burst out in an instant! People thought that the scene they saw was a rare miracle, but they didn't think it was over!

See, a crack quickly appeared on the crystal ball, the red light more dazzling up!

The old man with white eyebrows and others are all crazy about their faces, and their whole body is full of spiritual power. It seems that they are going to do something

But it's a little late!

At the next moment, there was a huge bang, and countless crystal dust exploded

This is the most precious treasure of the divine demon family, which is so exploded in front of the public!?

For a moment, it seems that there is an absolute zero degree cold wave, freezing everyone into ice sculptures!

Why does this crystal ball explode?

Is it because the thirteen runes can't show the power of Ye Chen's blood, so the crystal ball can't bear it?

People's eyes, are some trembling ah, both excited, there is a trace of fear!

At present, what kind of monster was this Xuanyao people, who they thought belonged to the lower class people, and ye Chen was a bit silly. It can be said that even he did not think of the result

And those who are strong in the holy heaven mansion are the color of flesh pain, but in their eyes, more is joy!

It is a great joy that the Holy Spirit clan has given a blood force, which is likely to be above the limit of evil spirits!

As for the crystal ball, although it was cracked, it was not completely smashed. It was just a pothole on the surface of the crystal ball. It was seriously damaged, but it could be repaired.

And Xuan Qin Cang is now dead to bite teeth, face incomparably ferocious!

How could this happen?

This outsider boy is not only against the heaven in strength, but also in his blood?

It's not going to be a fuckin 'way to live?

This is not what Xuan qincang wants to see!

A faint man's voice suddenly rings out, bringing people's thoughts back to reality.

Ye Chen light way: "I this is to pass the examination?"

The strong men of the holy heaven mansion quickly and constantly nodded. The old man with white eyebrows, who had looked a little cold, was now flushed. He looked at Ye Chen as if he were looking at some treasure. He laughed and said: "if this is not passed, then no one can pass it! Ye Chen, prepare well for the demon day ceremony after that

## Chapter 4750

The white browed old man has a very high status in the holy heaven mansion. Now, what he regrets is that in order to avoid power struggle, there can only be one son in the saint heaven demon family every 10000 years. Now the son has a candidate. Otherwise, ye Chen is the best candidate to become the Saint son!

Ye Chen nodded and turned away.

And a crowd of audience look excited, ye Chen's performance is greatly beyond their expectations, this time the ceremony did not come in vain!

Just when everyone felt that the assessment was over, and all the dust was settled and waiting to see what ye Chen would do on the demon ceremony, a voice suddenly rang out in the field!

"You, stay."

This man's voice is a little childish, but it is extremely overbearing. He speaks in a commanding tone!

Ye Chen smell speech slightly frown, a turn toward the direction that voice spreads to see.

I saw, a black hair, black eyes, face strange, eyebrows have a mark of the youth from the sky, fell in front of their own body not far away.

The moment Ye Chen sees this youth, it is pupil shrinks!

Because, the mark of the young eyebrow heart is extremely similar to that of the sky demon!

When the white browed old man and others saw the young man's appearance, they all changed their faces slightly and saluted them slightly.

The white browed old man's eyes twinkled and said, "son, how did you come?"

Their strength is above the youth. However, the son of God has a special identity and has the supreme status among the Xuanyao clan. Therefore, in the face of the son, they should also abide by the etiquette!

The black haired boy gazed at Ye Chen and said faintly, "I came for him."

For a time, the three old people are in a dark heart, they do not want to see the son and ye Chen conflict!

The old man with white eyebrows gazed at the son and said, "for ye Chen? Why is that? "

A wisp of cold light appeared in the eyes of the saint: "he is not qualified to participate in the demon heaven ceremony!"

When this was said, all the people present were shocked

What does that mean, son?

Ye Chen's blood concentration can almost be called the first in history, not qualified to participate in the demon heaven ceremony?

For a moment, people can't help but think, is the son jealous of Ye Chen?

So, deliberately come out at this time to suppress?

The old man with white eyebrows frowned and said, "son of God, how can you say that? Ye Chen's blood concentration has reached the standard

He has already said very tactfully, ye Chen is not only to meet the standard?

It's making history!

The son's face gradually became cold and said: "I admit that his blood is very strong and stronger than me, but even so, he is not qualified to enter the ancient battlefield, because..."

His voice suddenly sank: "this human body has the human blood! To let him enter the battlefield is an insult to the sages

The whole square was in a state of uproar!

Everyone is incredible to look at Ye Chen, the clan and the demon family's enmity, the saint day demon clan is more clear than other Xuan demon clansmen!

See, ye Chen looks light, it seems that there is no retort meaning at all!

For a time, people's looks are also a little complicated. On the one hand, they want to support Ye Chen because of Ye Chen's terrifying blood. On the other hand, they feel a trace of rejection because of Ye Chen's human blood!

Even the old man with white eyebrows was full of surprise and asked Ye Chen, "Ye Chen, what the son said is true?"

Ye Chen nodded his head and said, "not bad."

He doesn't deny his race because of his interests.

Although Ye Chen's blood is special, in fact, it can't be said that he is a human being. However, ye Chen grew up and lived among the human race since childhood. In his bones, he regarded himself as a human being!

For a moment, the whole square was a little silent

Even the old man with white eyebrows and others are in a bit of a dilemma. What should I do?

If it's ordinary people, it's ok if ye Chen's TIANYAO blood is so strong, it's really a material to be made. The old man with white eyebrow and others don't want such a good seedling to miss the opportunity of the demon heaven ceremony

Looking at the appearance of the old man with white eyebrows, it seems that he is not surprised. The Xuan demon family worships the blood, and those with strong blood will naturally be favored by the high-level of the saint heavenly demon family!

Even he himself is the beneficiary!

The old man with white eyebrows looked at the son and said, "son, although Ye Chen has the blood of human race, how can the blood of human beings compare with the blood of heavenly demon of our family? Under the pressure of my heavenly demon blood, even if ye Chen still has human blood, there should be very little left... "

All eyes are bright?

You know, the higher blood to a certain extent, will weaken other lower blood, which is why, sometimes there will be atavism!

Ye Chen's sky demon blood is so strong, even if there are human blood in the body is also very small?

Xuanqin Cang looks a little changed when he hears the speech. If he goes on like this, he won't really be able to participate in the demon ceremony, will he?At this time, the son was silent for a moment, and said again, "it's not impossible for him to participate in the demon heaven ceremony..."

White eyebrow old man, look a joy, but the son is looking at Ye Chen, suddenly a cold smile: "however, I have a condition."

"What conditions?" In the heart of the old man with white eyebrows, there is a trace of bad premonition.

The son laughed at will and said, "since Lei Laolao thinks that this boy's TIANYAO blood is strong enough, then I will try him. If he can accept my three moves, I will no longer hinder him from participating in the demon heaven ceremony. What do you think?"

The old man with white eyebrows is called xuanlei, and the son of heaven calls him Lei Lao.

Once this was said, there was an uproar on the square again!

Shengzi, whose real name is xuanjiuji, is very young. Now he is only in his early 100's. However, his power is really terrifying!

Xuanjiuji has a very strong blood of the heavenly demon, and, since childhood, under the careful cultivation of the saint Tianfu, he is only a hundred years old, and his cultivation and strength are unfathomable!

Nobody knows, but it's not just the beginning of the real world!

Even, if it is not to consolidate the foundation, xuanjiuji already has the possibility of breakthrough!

What about ye Chen?

Now it is just a heaven and earth three layers of existence!

Even if its strength is beyond the realm and the blood is strong, it is impossible to accept the attack of xuanjiuji?

What's more, three moves?

This xuanjiuji didn't intend to let Ye Chen participate in the demon ceremony at all!

Even, perhaps, he would like to directly take this opportunity to kill Ye Chen!

This is not to say that ye Chen's talent is worse than Xuanjiu

After all, although xuanjiuji looks like a teenager, in fact, he is nearly 80 years older than ye Chen!

Eighty years, it may not be much to the general Saint heaven demon clan, but it is totally different for ye Chen or Xuan Jiuji!
