Chapter 4771

Xuanbingbing finally survived, had the opportunity to leave the ancient battlefield, but also for their own risk?

This is not in line with Ye Chen's principle

Xuanbingbing is cold hum a way: "Ye Chen, men don't be indecisive. If you don't allow me to follow you, then I will go to the Wuji tomb Palace by myself, and bring out the inheritance and the body of the demon emperor to you!"

Ye Chen smelled the speech and could not help but smile and said: "you can follow me, but there is a point, you must promise, this trip, all actions, must listen to me, you must not leave my side without authorization."

Let xuanbingbing go to the tomb Palace by himself, that is really looking for death!

Even if she can avoid the bone beast and the ghost demon, what if she meets the Xuanyao people who have been robbed?

Immediately, the two men adjusted themselves to their best condition, then left the cave and headed for the death zone.

.....

In the main battle area, which is like a gray desert, a young man of Xuanyao nationality gave a sneer to a bone beast like a wild boar skeleton.

This young man is one of the demons that ye Chen saw in the valley to participate in the demon ceremony!

At the next moment, his whole body was full of Demon power, and his Tomahawk was slashed wildly. In an instant, the wild boar was chopped to pieces!

Just as he was happy and ready to finish the boar and refine the demon blood, the flame in the boar's eyes flashed suddenly, and a black gas rushed out to attack the unprepared youth!

The young man's face changed. It was too late to resist!

After the black gas entered the body, the man shivered and his eyes darkened. A powerful evil spirit burst out from his body, and after a while, it gradually recovered.

The young man looked at his hands and saw a very happy look in his eyes and said, "after so many years, Laozi has finally come back to life! Ha ha ha

He looked at the direction of the death zone, and said with a cold smile: "the demon emperor Taiyi and Zhou Tianqing have died together, so what? After all, I will do the wedding dress for my father

As soon as his voice dropped, he was standing up and moving towards the area of the battle with great speed. At the same time, his breath gradually grew and broke through in the blink of an eye!

The same scene, in this ancient battlefield, constantly staged!

At this moment, in the death zone, xuanzi dragon looks gloomy and wields a big halberd with dragon stripes. It roars with evil spirits in its body, and its gun intention is turbulent. The marks of refining the path are surging around its body. It blows a bone beast in front of it to smash!

This skull beast has the strength in the middle of the real world!

Just when the bone beast was broken, a black gas shot out and rushed towards the xuanzi dragon!

Seeing this, xuanzilong sneered. The Euphorbia in his hand suddenly uttered a dragon chant. In the Dragon chant, a real dragon soul flew out from the Euphorbia, and it was biting away at the black gas!

Just now, there was a fierce black gas. Seeing the dragon spirit, it seemed that it had met with a nemesis. A Dodge was about to flee towards the distance!

But it's too late!

With a roar of the dragon soul, the soul power fluctuates and stirs. In an instant, the black air is fixed in the air. At the same time, the dragon mouth is opened and it is swallowed into the stomach.

After not killing the demon, xuanzilong frowned slightly and murmured: "there seem to be too many demons on the way. What happened in the battlefield?"

At last, he shook his head. At the moment, the most important thing is that big thing!

Thinking of the Wuji tomb palace, an extremely excited look appeared in the dark purple longan. With a movement of body shape, he walked towards the unknown area and went away quickly!

.....

At the edge of the main battle area, a beautiful woman in a purple dress is walking at a high speed. Her pretty face is pale, and there is a faint look of panic in her beautiful eyes!

And behind him, a very frivolous, evil voice said: "little beauty, you wait for me, why do you run so fast, my brother will not eat you..."

Said, that voice is pondering a smile: "even if the elder brother wants to eat you, also can let you die, enjoy incomparably happy..."

The woman who ran away quickly was xuanlanyin!

Xuanlanyin ignored the man's teasing and ran away. Soon, she came to the junction of the death zone and the main battle zone!

In her beautiful eyes, she flashed a decisive color, suddenly accelerated, and rushed into the death zone!

She looked at her back and saw the figure that had been entangled for a long time. When she finally disappeared, she could not help but breathe a sigh of relief. It seemed that even the other party did not dare to chase into this extremely dangerous area of death

But at this time, his side suddenly sounded a stealth strange voice: "baby, are you looking for me?"

Xuanlanyin's face changed wildly, and she suddenly turned her head. Beside her was a young man of Xuanyao nationality, who had a playful and greedy look!

This young man comes from Qu Xuan's family, the eighth family of Shengtian demon clan. His name is xuanxinyuan. Originally, he was a second level heaven existence in Huanzhen realm. Among the demons who participated in the demon heaven ceremony, he was not the top one. At least, Xuan Lanyin is confident that she has the strength to crush him!

But I don't know why, when she met Xuan Xin Yuan, her strength actually soared!

However, even if the general situation still exists, Xuan Lanyin is confident that she has the power of World War I

However, she is far from the opponent of Xuan Xin Yuan!

On that day, when she was hunting in the main battle area, she happened to meet xuanxinyuan. Originally, she didn't care, but what she didn't expect was that she didn't know what was going wrong with Xuanxin, and that she was plotting against her!

After xuanlanyin's sharp warning, xuanxinyuan still doesn't care. If she wants to continue, xuanlanyin is furious. Even if she wants to do it, she finds that she has been completely crushed by xuanxinyuan!

As a result, Xuan Lanyin had to use all kinds of backhand to escape into the death zone

Can't expect, this Xuan heart far is really crazy, unexpectedly chased in!?

Xuanlanyin's face was extremely ugly. In an instant, she opened a distance from Xuanxin and said: "Xuanxin is far away, you are crazy! Are you sure you want to fight me here? If there are bone beasts or demons in the real world, you and I will die! "

Xuanxin heard the speech, but he said with a smile: "honey, you worry too much. It's not the territory of bone animals, and there are no demons around. You and I can enjoy ourselves. You know, I don't know how many years there has been no woman. Don't refuse me."

The beautiful eyes of xuanlan are full of anger, and at the same time, they are extremely puzzled

This mysterious heart is not only the strength of the soaring, even the temperament is completely changed!

Chapter 4772

You know, the original Xuan Xin Yuan is quite cautious and timid

But, too late to think about it, the dark heart was already burning in his eyes. With a grim smile, he rushed at Xuan Lanyin!

Xuanlan's body trembled, and a soft sword appeared in her hand. When a sword was thrown out, the purple sword light flashed and instantly turned into the rain of thousands of swords. Countless sword lights poured out towards Xuanxin!

However, Xuan Xin Yuan didn't care at all. The evil spirit in his body made him perform a kind of strange skill that xuanlanyin had never heard of. With his hands moving together, he made a formation with palm strength. In that situation, countless sword rain turned into purple light!

Just when xuanxinyuan was about to grasp xuanlanyin's delicate body and her eyes were more evil, a jade pendant on xuanlanyin's chest suddenly burst into a dazzling light!

Xuan heart far face color slightly change, instant retrogression and out! And that ray of light is also chasing towards the mysterious heart!

Xuanlanyin also took advantage of this opportunity to flee to the depth of the death zone. Although she forced Xuan Xinyuan back, her pretty face turned pale. She looked at the jade pendant on her chest, which was gradually broken

This is her last protective weapon!

There was a loud noise in the distance. Xuanxin looked at his arm turning to black. His face became gloomy. He gazed at Xuan Lanyin's escape direction and said, "little bitch, I want to see how long you can escape!"

As soon as the voice fell, his body quickly flashed, and he pursued Xuan Lanyin!

At the same time, ye Chen, who is advancing in the death zone, looks at a certain direction and says to the black ice beside him: "there is movement."

Generally speaking, the geniuses of the divine demon clan will not enter the death zone. What is the sound like?

At this time, ye Chen's eyes twinkled, and a purple light loomed in the horizon

That purple light, with a very fast speed forward, soon, will come to Ye Chen and the side of the ice!

All of a sudden, the purple light stopped in the sky of Ye Chen. It seemed to have hesitated for a while, and finally, it fell in front of Ye Chen.

Light scattered, a beautiful woman, appeared in front of Ye Chen, it is Xuan Lanyin!

Xuanlanyin looked at the woman beside Ye Chen in surprise. She could see that xuanbingbing was Xuanyao people, but she had never seen xuanbingbing in the valley before!

How did she get in?

However, at present, Xuan Lanyin obviously has no time to care about these problems. She looks very anxious and says, "Mr. Ye, help me!"

Ye Chen frowned and said, "miss Lanyin, what's the matter? How did you get into the death zone? "

Was it the bone beast that chased him?

Xuan Lanyin said nervously: "I was chased and killed by a demon who took part in the demon heaven ceremony. I don't know why. His strength has soared. Moreover, his temperament has changed greatly. He seems to be crazy!"

When ye Chen heard the speech, he looked at xuanbing and was about to say something. When he was about to say something, he said in a gloomy voice: "little beauty, what are you talking about? When did I kill you? I just want to have a good time with you. Even if I want to kill you, I have to be happy. "

People looked up and saw a black escape light, like lightning, suddenly appeared in front of Ye Chen and others. It was xuanxinyuan!

Xuanxin looked down at the crowd coldly and said with a sneer: "little beauty, is this the rescuer you are looking for? Is there a heaven and earth

Although he said that, but in xuanxinyuan's eyes, there was a tinge of solemnity in his eyes. Ye Chen gave him a very dangerous feeling.

But when he saw the black ice standing beside Ye Chen, his face changed and said: "cold evil spirit? Why are you here? "

But soon, his pupil is a burst of trembling: "you are not cold evil spirit!"

In a flash, xuanxinyuan's face was extremely vigilant. To be exact, it was the demon who had taken away xuanxinyuan!

This man, named Zhao Pu before his death, became a demon of the underworld, and his strength was better than that of the cold evil spirit, but it was not too much. He could kill the cold evil spirit without harming the host, which would definitely pose a huge threat to him!

He looked awe inspiring at Ye Chen beside xuanbing, and his mind turned wildly. Was it the boy's hand in heaven and earth?

And Xuan Lanyin, at the moment is confused, simply can't understand what Xuanxin is saying.

Ye Chen looks at xuanxinyuan, but his eyes are full of cold light. Originally, he heard xuanlanyin's words and suspected that xuanxinyuan had been taken away. However, he was not sure, but he didn't expect that xuanxinyuan would not attack himself!

Xuanxinyuan's face was gloomy. He murmured, and his palms were surging. At the moment, he was no longer hiding. The evil spirit in the air, like a hurricane, gathered around him. At the same time, the rolling evil spirit also broke out, bringing the power of the demon and Xuanyao people to the utmost!

Xuan Xin Yuan and ye Chen looked at each other, and a ferocious color appeared in his eyes and said: "boy, cold evil spirit, where have you gone?" At this moment, xuanlan Yin has a pale face

Originally, she asked Ye Chen because ye Chen defeated xuanjiuji. In her opinion, the force should be far above the Xuanxin. But at this time, the Xuanxin is far above Xuanji, even above Xuanjiu pole!

Even if ye Chen, I'm afraid, it is not a distant opponent of Xuanxin

She can not imagine how, Xuanxin far away unexpectedly did not give full strength, its real strength is so scary to this point!

When she looked at Ye Chen at a loss, she was shocked

See, even face to the dark heart at this moment far away, ye Chen still maintains a calm look!

Leaf Chen light opening way: "cold evil? It's dead. "

Xuanxin far heard words, pupil a contraction: "dead? Who killed him? "

"I."

This word, Xuan heart far away body obviously shake, his look more violent way: "boy, you deceive me? How can a waste in a world kill cold evil evil by you

Ye Chen sneered: "can you kill him, you try it or not?"

Once the voice fell, ye Chen was walking directly, and went far towards the Xuanxin!

The vision of Xuan heart, in the eyes of a faint appearance of a sense of panic, shouted: "damn things, in front of me? Die for me!!! "

Its two palms are linked, the palm is like a dragon, the long-term power in the body, which has erupted completely. The violent evil spirit and the sea like spirit are integrated into the magnificent palm print. The huge palm print is flying in the air, hidden, and it has formed a magnificent array!

As soon as this array comes out, countless terror forces come between the heaven and earth, and the whole land seems to be being reduced by a point!

Xuanlan Yin couldn't help but exclaimed: "Ye Chen, be careful!"

Chapter 4773

At the moment, xuanlanyin's brain is in a mess. She never thought that, in the face of the breath emanating at the moment, she even faintly has surpassed the xuanxinyuan on the Xuanjiu pole. Ye Chen even dares to take the initiative to pass!

Xuanxinyuan's palm array is terrifying to her. Originally, it was almost invincible at the same level. Now, she is exerting it in such a powerful state. Even if ye Chen claims to be the ultimate demon beyond Xuan Jiuji, she can't resist it?

One side of the black ice is pale, she is very clear about ye Chen's strength.

If you encounter a real terror demon, you may fall into a bitter battle. However, in the eyes, the existence of the mysterious heart is not qualified.

However, xuanlanyin's beautiful eyes soon trembled again!

Ye Chen's face to xuanxinyuan's extreme palm is plain, as if he didn't put this palm in his eyes. He didn't even plan to dodge or defend!

Xuan Lanyin, who has experienced the power of the palm array, is going crazy!

Ye Chen taituoda!

At present, ye Chen is her only hope. She doesn't want Ye Chen to be killed by Xuan Xin Yuan!

And Xuanxin is also the face of ecstasy!

This boy is finished!

This sunken palm array has been handed down from ancient times. It's a terrible palm method. Although the boy is a bit strange, he has poor vision!

I guess you don't know your palm technique at all, do you?

Ha ha, since you are careless, then go to die!

Seeing that the palm array was about to be suppressed on top of Ye Chen's head, Xuan Lanyin was already in complete despair. She even prepared to blow herself up. It was better to die than to be humiliated!

Can be at this time, ye Chen is light and light, open a way: "swallow soul Tongtian."

It's just four words in a flat and light tone.

However, each syllable seems to be the sound of the road, which makes the world change inexplicably!

All people's thinking seems to be solidified by these four characters!

Boom, the wind blows!

Endless soul power, stir the wind and cloud!

A suffocating gust of wind covers the mysterious heart far with ecstasy and smile in an instant!

The smile solidified instantly!

At the same time, behind Xuan Xin Yuan appeared a giant figure like a god!

This giant is holding an ancient sword, wrapped in a dragon, like the king of evil!

In the palm print, only a few inches away from ye Chen, the giant cut out with a sword, carrying the blade of endless soul power, and suddenly fell into Xuanxin yuan's body at the speed of lightning!

Everything is fixed at this moment

"Ah, ah, ah, ah, ah!"

With a roar, the palm array on the top of Ye Chen's head was instantly broken, and xuanxinyuan's ecstatic color was also turned into a thick fear. His whole body was covered with blue smoke, his seven orifices were bleeding, his face was constantly twisted because of pain, and his mouth sent out a very sad howl. He fell from the air and fell heavily on the ground!

At the moment, the mysterious heart is far away, looking at Ye Chen is like watching the devil in hell and shaking constantly!

Xuan Lanyin was totally silly when she saw this scene

The first moment, still in despair, the next moment, came to heaven?

That looks incomparably powerful Xuan Xin Yuan, was defeated lightly by Ye Chen?

Originally, she thought Ye Chen was too big

But what about the facts?

In her opinion, the extremely terrible Xuanxin is far away. For ye Chen, even insects are not counted?

Before, Xuan Lanyin may have only some interest in Ye Chen, but now it is completely transformed into reverence!

After ye Chen's soul power soared, even the ghost demon who took away the body was hard to resist his soul attack.

He walked to xuanxinyuan and stepped on xuanxinyuan, who was struggling to stand up. If he had just wanted to kill the demon, it would have been gone.

The reason why Ye Chen left this demon is very simple, because he has something to ask.

At the moment, Xuanxin was so scared that he was almost unconscious. His heart was filled with regret!

In fact, he didn't have any idea about the endless tomb palace. After all, he knew very well that there were many ghost demons who were stronger than him in the battlefield and had recovered their consciousness before they were alive. They were just looking for death to take advantage of them!

And he has only one purpose, that is to get out of trouble!

Can not easily win the house, had the opportunity to get out of trouble, but because of the color, the result was planted in the hands of such a evil star!

Ye Chen light way: "now, I ask, you answer, understand?"

Xuanxinyuan quickly nodded: "yes, sir, please say, I must know everything!"

In fact, Zhao Pu in xuanxinyuan's body is also somewhat subdued. With his strength before his death, ye Chen is not good enough to see now. He can kill him in a second by blowing his breath. However, the situation is pressing. Now he is fish on the chopping board in front of Ye Chen!

Ye Chen asked, "now, how many demons have recovered their senses in the battlefield?" Xuanxinyuan hesitated and said, "this I'm not sure, but as far as I know, there are at least ten people... "

Ye Chen slightly frowned, this number is more than imagined!

He continued, "how long have you recovered? In the past, did the Xuanyao people who took part in the demon heaven ceremony leave here

Xuanxinyuan replied: "as far as I know, most of the demons have recovered in recent years and started to have their senses. As for whether there are demons who have taken their houses away, it is not clear. In fact, even the demons who have recovered their senses seldom communicate with each other."

Ye Chen asked again: "do you know the strength of the demons who have recovered their senses?"

Xuanxin's eyes flashed slightly: "among the demons who have recovered their senses, there are three giants in total. The strength of these three giants is still in the real state. Moreover, he has a lot of experience in his life. One is Xu Tianming, who was one of the generals of the Terran family when he was fighting in ancient times. However, he seems to have recovered by some secret arts, and the cost is very high, just to maintain his own survival It will cost a lot of blood essence of bone animals and a kind of secret blood crystal

Second, his name is Li Qingxuan. His strength should be in the middle of the real state. However, in those days, he was a favored son of heaven who was far more powerful than his peers. Now, it is more terrifying

The last one is a mysterious existence. Even we demons don't know his identity. We only know that the last one is so strong and intelligent that even Xu Tianming and Li Qingxuan are afraid of him!

The rest of our strength is mostly in the middle of the real state. After all, it is not long for us to recover our senses, and our original strength has not been restored much... "

Ye Chen hears the speech and is silent. Xu Tianming is dead. That is to say, what he needs to worry about is Li Qingxuan and the mysterious existence!

Chapter 4774

Seeing that ye Chen did not speak, Xuan Xin Yuan asked with some trepidation: "childe, I have said everything that should be said. Can you spare my life?"

Ye Chen took a look at him and said faintly, "the last question, is there any way to distinguish those who are taken away by the demons?"

Xuanxin heard the speech far away, his eyes flashed for a moment, and shook his head: "I don't know this kind of means..."

Ye Chen saw this and said with a sneer: "Oh? Then, you'll die. "

Xuan Xin Yuan's face changed and he said in a hurry: "wait a minute, I remember! One of the blood drops is used to smelt the soul of the warrior. It should be used to smelt the soul of the warrior. It should be used for the soul of the warrior!

Even though we are dead, we can be transformed into demons because there is still a trace of blood essence remaining in our body. If we get this blood soul order, we should be able to perceive the soldiers of that year... "

Then he turned his eyes and said, "if you need this blood soul order, I can lead you to look for it..."

Only in this way can he have a chance to escape

Ye Chen smell speech, look move, but soon is a smile, he naturally know Xuan heart far is what abacus, light way: "don't bother."

Voice down, the soul skill display!

Soul swallowing, surging out!

"No Xuanxinyuan screamed, and then completely disappeared under the soul devouring heaven!

And xuanxinyuan's spirit has already been engulfed. After ye Chen killed Zhao Pu, only a corpse was left in place.

Xuan Lanyin at the moment has also probably understood what, her face showed a surprised color: "unexpectedly there is a ghost demon to restore the mind? And there are more than ten. If they all have the strength comparable to this person, then the demon heaven ceremony will be in chaos! "

Ye Chen nodded his head and said, "if these demons want to recover their strength as soon as possible, it is the best way to devour the essence and blood of the living creatures. Therefore, they will definitely pursue the Xuanyao people in the battlefield. There must be many talented people who participate in the ceremony, like you, who will choose to escape to the death zone..."

For a while, Xuan Lanyin's face became pale and said, "so, isn't it that no one can trust?"

Originally, she thought that most of the talents who participated in the ceremony would not enter the death zone. Therefore, those who appeared in the area were probably those who were taken away by the demons, but now it seems that this can not be the basis for judging

Ye Chen's eyes flashed slightly: "however, if this is the case, the peripheral area and the main battle area will be relatively safe. Miss LAN Yin, next, I will go to the unknown area, which is extremely dangerous. If you believe me, you can go to this place, which should be relatively safer. The girl will wait for the arrival of the day of return."

With that, he took out the map and marked a location, which was where Xu Tianming's nest was!

Xuan Lanyin hesitated for a moment, and finally nodded and left.

Although Ye Chen's strength is very strong, but to unknown areas?

You can imagine how dangerous it is!

At that time, even ye Chen may be unable to protect herself, let alone take care of her?

After Xuan Lanyin left, xuanbingbing asked curiously, "Ye Chen, how did you directly kill the ghost demon just now? Don't you want to know the location of the blood soul order?"

Ye Chen said with a smile: "do you think he will really take us to look for the blood soul order?"

"But..."

Ye Chen's eyes flashed: "moreover, the place of this blood soul order, I already know."

After swallowing Xu Tianming, he got part of his memory, and it was Xu Tianming who lost the blood soul order at that time!

In the memory Ye Chen gets, there is the position of the blood soul order. However, he didn't know that the blood soul order is a treasure that integrates the essence of human soldiers!

.....

A day later, ye Chen and Xuan ice came to the top of a valley.

This day, under the guidance of xuanbing ice, they have passed through the area where several terrifying bone beasts are, and come to the border between the death zone and the unknown area, but they stop at the moment.

Xuanbingbing looked at the valley, a tear the earth of the abyss, some surprised way: "this is where the blood soul order is?"

Ye Chen nodded and said, "not bad."

Hearing this, xuanbing could not help but frown and said, "Ye Chen, as far as I know, there is a strong bone beast in the abyss..."

Ye Chen's eyes flashed: "with my current strength, even if I can't defeat the bone beast, escape should not be a problem. You wait for me here, and I'll go into the abyss."

Then he fell into the abyss.

The beautiful eyes of black ice twinkle, and the color of worry looms.

.....

In the darkness, ye Chen looked dignified and walked slowly. His eyes swept around, looking for the place where the blood soul order was. Suddenly, his pupils shrank. Not far from his body, there was a huge animal with dark bones, like a giant bear! The whole body of the bone beast radiated a wave which was not weaker than the existence of the four layers of heaven in Huanzhen!

When ye Chen saw a huge, sharp tusk of the bone beast, he was not only a little stunned, but then, his face showed a strange color

The red tusk is inlaid with red teeth

It's the blood soul order!

Originally, ye Chen planned to obtain the blood soul order without disturbing the bone beast. Now, it seems that it can't be done

The next moment, he took a deep breath, his eyes were sharp, his wrist turned and he grasped a black sword.

The bone beast seems to have sensed something, and suddenly raised his head, looking towards the direction where Ye Chen was, he let out a roar!

Then, he ran towards Ye Chen!

Every time I run, the whole abyss seems to tremble for it!

The beast was full of evil spirit, and the red and gold runes on the bear's paws were full of red and gold runes. It was the mark of refining the path!

Ye Chen stares at the roaring claw and concentrates his whole mind on the control of his body. With a sword, the sword's arm is also covered with the marks of refining and destruction. At the next moment, a bright star river surges out of the long sword and collides with the bear claw!

With a loud bang, Ye Chen's body suddenly flies out and smashes it on the stone wall and blows it out of a big pit!

He vomited out a mouthful of blood, and his bones were broken in many places. Staring at the bear bone beast, his eyes became more and more dignified

For a moment, there were terrible noises in the abyss, and the two sides fought fiercely!

Although Ye Chen was completely suppressed by the bone beast, with the vitality against heaven, the bone beast could not cause fatal damage to it in a short time!

Chapter 4775

In the valley, the black ice listened to the loud noise and became more anxious!

Half an hour later, a light suddenly flew out of the abyss!

A giant bear bone beast with cracks all over his body followed, and did not want to let go of this delicious creature!

The elusive light was on the verge of falling, and flew out towards the distance desperately. He was about to be overtaken by the bone beast behind him!

Black ice see shape, can't help but face color a change, want to jump in the direction of Ye Chen to chase, but at this time, a hand but from the back embrace her!

Xuanbing looks awe inspiring. She has a long Sha Jin gun in her hand. She suddenly turns around and wants to shoot. But when she looks at the person behind her, she can't help but feel a little stunned.

I saw, behind it, stood a young man with blood all over his body and pale face. It was Ye Chen!

Ye Chen didn't say anything more, but pulled the ice way: "go quickly!"

The two people's bodies flash and disappear instantly.

At this time, the giant bear bone beast finally grasped the faltering escape light, but soon, the bone beast, who was ready to have a good meal, let out an angry roar!

In the big mouth of the bear, a tusk has been abruptly broken, and the fracture is extremely smooth. It is obviously cut by something extremely sharp!

As for the Daodao which leads it away, it is actually the incarnation of Ye Chen!

After cutting off the fangs of the beast, he lured the beast with his avatar, hid his tracks and left with ice.

.....

In a gray stone mountain, ye Chen looks at a red token in his hand and can't help but smile bitterly.

This token looks extremely broken. According to Ye Chen's estimation, I'm afraid it can only be used once again!

How can you use the blood soul order only once?

Ye Chen shakes his head, and after putting away the order of blood soul, he sits on the ground and begins to heal. After a while, the two escape lights fly up again and move towards the unknown area.

.....

Half a day later, ye Chen and the ice in front of, faintly appeared a boundary.

A boundary divided by evil spirit!

In front of the land not far away, incomparably rich gray black evil spirit, almost turned into substance!

There, the unknown!

Ye Chen's eyes, faintly emerged a touch of excitement, soon, two people will enter the unknown area, toward the endless tomb palace forward.

With the leading of xuanbingbing, it saves Ye Chen a lot of Kung Fu!

However, shortly after they entered the unknown area, there was an earth shaking explosion in their ears!

Bursts of extremely strong combat waves, from the gray black evil spirit burst out!

Xuanbingbing and ye Chen look at each other with a look of dignity in their eyes. Judging from the intensity of the battle fluctuation, the two warring sides are very strong!

At this time, the battle wave suddenly flourished, and a dazzling light group appeared in the evil spirit. The dust was flying, and even a mushroom cloud was formed. The surging air wave swept over, and even ye Chen felt a faint shock!

The power of this blow from both sides is extremely strong!

After the blow, the wave fell silent.

Is there a winner or loser?

Ye Chen's eyes flashed, his soul and body were transformed, and his mind swept out. Then he could not help but look strange

At the next moment, he came to the place where the battle took place. Two young Xuanyao people appeared in front of him.

These two people are the Holy Son Xuan Jiuji, and the son of Tianxuan family. They are known as xuanzi dragon, the first genius of Saint TIANYAO family!

Are they in the unknown?

Dark purple longan emerged in the thick color of unwilling, he how could not have imagined, Xuan nine pole unexpectedly also appeared here?

And a breakthrough!

Although xuanzilong's real strength is obviously on the top of xuanjiuji, which has just broken through, but under the suppression of that day's demon mark, the actual fight between them is actually between Bozhong!

And Xuan Jiuji is also ugly.

Not long ago, two people met in an unknown area, and soon found that the other side is also for the Wuji tomb palace!

Immediately, both sides want to push back the other side, which is a big fight!

Xuanjiuji didn't expect that even if he broke through the realm, there was still a big gap between his strength and xuanzulong. Even if he exerted the suppression of TIANYAO mark, he still couldn't win?

Xuanzulong and xuanjiuji both looked at each other with gloomy faces. Their bodies were scarred and their breath was high and low. Obviously, they both fought to the extreme!

When ye Chen appears, they are all slightly stunned

Immediately, the complexion is even more ugly!

Now, two people's state is not too good, the strength drops greatly, if at the moment, ye Chen to them, two people may not be rivals!

At the same time, they are also a little curious about why Ye Chen came to this unknown area? For a moment, three people big eyes stare small eyes, the atmosphere is some dignified!

Ye Chen's eyes are slightly narrowed, secretly thinking, are these two people have been taken away by the demon?

Among them, Xuanjiu is particularly suspicious. Why did he break through? So much more powerful!

At this time, Xuan Jiuji said in a deep voice: "Ye Chen, are you also here for the Wuji tomb palace?"

Ye Chen eyebrow tip a pick way: "Oh? Do you know about the Wuji tomb palace? "

"If it wasn't for this Wuji tomb palace, I wouldn't have broken through the repressive state after entering the ancient battlefield..."

After a moment's silence, Xuan Jiuji suddenly said, "xuanzilong, don't fight with me. This unknown area is extremely dangerous. If both sides are hurt, it is likely that nothing will be achieved in the end Ye Chen, I have a proposal. Before entering the Wuji tomb palace, the three of us should join hands for the time being!

As for the final, who can get the inheritance of the demon emperor and his remains? What do you think

Xuanzilong heard the speech, his eyes flashed and he didn't speak.

And ye Chen is a cold smile: "join hands? Would it not be better if I killed you all while you were injured?"

Xuanzi long snorted coldly and said, "boy, are you sure you will kill us if we join hands? Even if you can do it, I promise you will pay the price

At this time, Xuan Jiuji suddenly took out a piece of ancient animal skin scroll and said, "this is a spirit contract at the level of chaotic spirit treasure. Even with our strength, if we violate our promise, we will be greatly attacked. If you agree, write your name on the ancient scroll with blood essence. If not..."

"Then, the three of me are here, and I will die and die!" he said

Ye Chen smell speech, silence for a moment, open a way: "cooperation is OK, but before this, I have a condition."

"What?" he frowned

Ye Chen stares at two humanitarians: "you must bear my soul skill a blow!"

Chapter 4776

"Well?"

Xuanjiuji two people smell speech, are a frown, the face shows a puzzled color.

Xuanzulong said in a deep voice: "a blow from the spirit? What do you want, boy

Ye Chen hears the speech to tell two people such things as the hell demon takes the house.

For a time, xuanzulong and xuanjiuji were both slightly changed!

Ye Chen said: "this demon is extremely sensitive to the spirit attack. If you bear the attack of my spirit, and there is nothing abnormal, then you can prove that you are not taken away by the demon! Otherwise, fight

For a while, xuanzulong and xuanjiuji were uncertain. After a while, they nodded.

The existence of the three layers of the true state is extremely stable. No matter how strong Ye Chen's soul power is, he will not really cause much fatal damage to them.

Of course, the premise is that they are not taken away by the demons.

I'm not polite. I don't want to talk to you.

At the next moment, two shrieks rang out. Xuanjiuji and xuanzulong were holding their heads in their hands. They looked at Ye Chen in disbelief. They could hardly imagine that ye Chen's soul power was so frightening?

Looking at two people have no smoke, such as vision, ye Chen is slightly relieved.

Therefore, the three men left their names on the ancient scroll of animal skin with blood essence, and then stopped to do some trimming.

One day later, after the recovery of xuanzulong and xuanjiuji's injuries, the three men and Xuan Bingbing continued to move towards the Wuji tomb palace.

.....

A shrill roar reverberated on the earth. On the surface of the body, a bone beast with flashing traces of refining tracks fell to the ground and broke into pieces of bone.

At the side of this bone beast, there are four figures: ye Chen, Xuan Zilong, Xuan Jiuji, and Xuan Bingbing!

After jointly killing the skull beast, people look forward to the front, and their faces are faintly excited!

I saw, in the gray and black fog, looming out of the outline of a palace!

They finally arrived at the place where the endless tomb palace was located!

At the same time, the atmosphere between the four people also faintly dignified. Entering the Wuji tomb palace means that the cooperation is over!

Just when the four showed hostility to each other, a sneer suddenly rang out in their ears.

Just listening to the evil spirit, there came a rather ironic voice: "I didn't expect to find a few demon family's little scum here. It's just right that I can fill my stomach before I enter the tomb palace."

They all looked at the direction of the voice, and saw a young figure slowly emerging in front of them.

Xuanzilong frowned and said, "I've been to xuangui for a long time!"

The youth who appeared in front of them was one of the demons who participated in the ceremony.

From the fourth family in holy city, the genius of Suxuan family, named xuangui!

This xuangui is not weak in strength and has three levels of cultivation. However, it is different from the three layers of heaven before xuanjiuji, and there is a big gap between them!

However, at the moment, xuangui's whole body is emitting a breath that makes xuanzilong and others feel extremely depressed. In fact, the force is absolutely not under the four layers of the real world!

Plus his words just now, for a while, several people thought of the ghost demon!

Ye Chen is more eyes flash way: "Li Qingxuan?"

"Well?" Xuangui eyebrow tip a pick, looked to Ye Chen way: "do you know this?"

In a flash, ye Chen's heart is hard to sink, Li Qingxuan in ancient times are able to jump the level and fight the demon ah!

Immediately, ye Chen low drink way: "all out, this demon strength is very strong, only I three people join hands, can have a trace of vitality!"

In an instant, three extremely strong breath burst out in an instant!

Xuanjiuji, xuanzilong and yechen three people faced with the sudden appearance of terror, and at the same time played a powerful blow!

On the body of the three, there are marks of refining path floating, sword light, Star River and halberd shadow, which erupt at the same time and sweep towards xuangui!

In the face of the three people's joint efforts, xuangui, to be exact, is Li Qingxuan, but with a sneer on his face, his eyes appear extremely disdainful.

At the next moment, Li Qingxuan's eyes were full of magic. The evil spirit and evil spirit in his body were surging out of his body. He was shocked by heaven and earth, and instantly turned into a big hand that could cover the sky and block the sun!

In that big hand, there is boundless great power. The three people's extremely fierce attack, under the suppression of this big hand, was actually vulnerable to a blow, and was crushed by the big hand in an instant!

Ye Chen can't help but shake their minds. The breath that Li Qingxuan sends out seems to have only four layers of heaven, but its strength is obviously superior to others by more than one grade!

No wonder, as soon as he appeared, he didn't even have the meaning of disguise, so he directly exposed his identity!

Because, in the eyes of Li Qingxuan, ye Chen and others are not even threats!

"Damn it!" Ye Chen scolded one, the whole body soul strength is surging wildly, the soul body transforms to display, the stern drinks a way: "swallow the soul to connect the sky!"

The next moment, a giant virtual shadow appeared behind Li Qingxuan, the sword swept across!

Li Qingxuan pupil shrinks, low drink way: "Heaven soul treasure imperial!"

I saw that a wave of soul power broke out all over his body. In a moment, it condensed into a wheel, which was suspended behind it. The giant cut out the sword condensed by the soul force, and it hit the wheel!

The powerful soul power waves are pounding each other. Li Qingxuan frowns slightly and seems to be uncomfortable. However, under the attack of Ye Chen's soul power, he is not hurt at all!

Even the smoke did not appear on the body surface!

Seeing this, Ye Chen's face changed slightly, and exclaimed, "defensive soul skill!"

This is the first time he has seen such a powerful defense soul skill!

Li Qingxuan deserves to be the evil spirit of the ancient times. He is really unique!

Seeing this, Li Qingxuan said with a cold smile: "why, is it over? Is that your strength? "

Everyone's heart sank, knowing that it's time to fight!

After hearing this, Xuanzi dragon saw a certain color in his eyes, and roared: "the sky dragon protects the body, the demon God comes again, and the dragon Yuan demon is extremely broken!"

In a flash, an incomparable surge of Demon power, surging out, at the same time, his hand of the dragon pattern Euphorbia, also sounded a very high sounding dragon chant!

Xuanzilong's face is ferocious, with purple and black blood vessels emerging on its body surface. Even its hair turns white and its vitality is waning madly. However, its breath is getting stronger and stronger!

Obviously, it's using some kind of desperate means!

And on that Euphorbia, the same buzzing, its dragon pattern also turned into blood red!

In a flash, the Dragon shadow instantly solidified, with infinite Demon power, turned into a terrifying light, and cut toward Li Qingxuan wildly!

In the past, the space was frantically broken, even the law began to shake!

Chapter 4777

Ye Chen's eyes appear shock color, this black purple dragon full strength outbreak actually is far beyond its expectation strong!

Xuanjiuji's expression was the same as that of xuanjiuji. The TIANYAO mark at the center of his eyebrows was instantly bloody. His eyes were red and his blood essence was pouring into the mark. A strong pressure suddenly fell on Li Qingxuan's body. Even Li Qingxuan could not help but change his face!

Li Qingxuan takes away xuangui's body. Naturally, he will be affected by this pressure!

And at this time, Xuan Zilong's fight has come to Li Qingxuan's face!

Roar a huge bang burst out, endless light flashing, vanishing breath whistling!

Xuanzilong gasped violently, and a ferocious smile appeared in the corner of his mouth!

Ye Chen, Xuan Bing, and Xuan Jiuji are also looking forward to it!

I saw that there was a dark area where Li Qingxuan was located. The powerful blow of xuanzi dragon was actually a space of silence!

Maybe, that terrible halberd combined with xuanjiuji's TIANYAO mark suppression can really defeat this ancient stronghold!

But, the next moment, a figure is slowly out of the darkness, came to the public

All people see that figure of the moment, are can not help but pupil shrinkage!

The irony in Li Qingxuan's eyes became more and more intense. He looked down on the audience coldly, just like a God in the sky!

I see, in the case of xuanzilong and xuanjiuji, playing the strongest blow, unexpectedly, still can't hurt li Qingxuan!

At this moment, even xuanzilong and xuanjiuji, who are extremely evil geniuses of Xuanyao family, can't help but look pale. In their eyes, there is an extremely frightening look

The figure of Li Qingxuan is just like a mountain. It gives them a sense of hopelessness that can't be overstepped!

Are they going to die here?

At this time, a deep cold drink, suddenly sounded in the two people's ears: "you do everything you can to tie this person for a moment!"

In this big drink, there is the power of the spirit. Xuanzilong and xuanjiuji are all shocked by their words!

They subconsciously look at Ye Chen. At the moment, ye Chen's eyes are awe inspiring and full of endless fighting spirit. For a time, the two people who were originally lost in their wits suddenly seem to have found the backbone!

Ye Chen has not given up until now!

Both of them are extremely talented and have their own pride. Seeing ye Chen's attitude, they are inspired to fight!

Xuanzi dragon coagulated his voice and said, "will you tie it for a moment? What can we do? "

Ye Chen stares at Li Qingxuan and says, "I have a way to kill him!"

Xuanziliong and xuanziliong were shocked when they heard the speech!

With the strength shown by Li Qingxuan, ye Chen dare to say such words?

However, these two people are not indecisive. They know that no matter what ye Chen said is true or false, there is no better way to trust ye Chen!

However, Xuan Jiuji frowned again and said, "but just now, I have burst out with the strongest strength. I still can't do anything about this Li Qingxuan. I'm afraid it's hard to tie it down..."

Ye Chen eyes flash way: "you look at his hand carefully."

Xuanjiuji and xuanjiuji looked at Li Qingxuan's hand. All of a sudden, their eyes were bright. Li Qingxuan looked undamaged, but one of his hands was trembling faintly!

Therefore, this Li Qingxuan faces two people's acme, also is not on the surface looks so relaxed!

However, soon, xuanziliong shook his head and said, "even so, if you want to tie him down, it's still far away from me..."

Xuanziliong words did not finish, suddenly, is a pupil contraction, only feel the whole body blood slightly coagulation!

A very strong pressure burst out of Ye Chen's body in an instant. At his chest, the red light flashed and the sky demon's mark seemed to have a life and slowly wriggled!

Xuanjiuji and xuanziliong looked at Ye Chen, and their faces were full of shock!

Xuan Jiuji exclaimed: "the mark of heaven demon!"

At the moment, ye Chen is also releasing the pressure in the mark of the demon!

The dialogue between the three people seems complicated. In fact, it only happened between the electric light and flint. But when Li Qingxuan was about to make a move, his face changed slightly. A force more powerful than the previous explosion of xuanjiuji suddenly fell on his body!

Ye Chen, while exerting his authority, said: "with this pressure, plus the strength of the two of you, it should be enough to hold down the other party for a period of time..."

After that, he would stop speaking, cross his knees and close his eyes. A breath that was very close to vanishing was instantly released from his body!

Ye Chen knows that if he still has hope to defeat Li Qingxuan, he can only rely on the enhanced extinction light!

Although, with his present state of Daoyun, he can't master the light of extinction perfectly, but he has to fight!Xuanjiuji and xuanzilong looked at each other. On the surface, they all flashed the decisive color, and suddenly made a move!

At the same time, there is a blue sword in his hand. The sword dances continuously, and the mark of refining road flashes. In a moment, he cuts out countless swords and goes to kill Li Qingxuan!

Xuanzi dragon is also burning potential again, displaying the dragon Yuan demon extremely broken!

For a moment, Li Qingxuan's face was also gloomy, and two times of pressure added to his body, so that his strength, even three Chengdu can not play out!

Now, the attack of xuanjiuji and xuanzilong is enough to threaten it!

With a low drink, his whole body was full of rhyme, and his fists were moving in tandem. Countless fist seals were flying. It turned out that a big boxing array was formed out of thin air. There was a terrible wave of power in the big array of fist meaning!

At the same time, it condenses a kind of extremely ancient law breath!

The level of this fist array is obviously higher than that of Zhao Pu's palm array!

However, although Li Qingxuan played this set of boxing, his face became more and more ugly. At the moment, he felt as if he was in a swamp. Every blow was extremely hard. Even this fist array was forced to fight!

The power of fist array has been reduced by several levels!

Two days demon mark burst out of the pressure, on his body too much!

At the next moment, there was a huge bang, and the fist array collided with the Dragon shadow and halberd awn, rolling sword Qi in an instant!

Strong aftershocks, sweeping the world, the void is frantically broken, in the wind, the whole area, instantly into a dead space!

At the same time, the fist seal, halberd and sword Qi disappeared at the same time. This time, the attack of both sides was even!

At this moment, the silence of the space slowly dissipated, Li Qingxuan slightly gasped, his fists with a trace of blood, has been injured!

However, Li Qingxuan's mouth is floating a smile!

Chapter 4778

The attack of both sides seems to be evenly divided. In fact, the dominant one is Li Qingxuan!

Xuanzilong and xuanjiuji, at this moment, are burning potential, that is, they can't fight for a long time!

Moreover, as long as he resists the attack of two people and breaks one of them, the balance will be broken instantly!

Even if he has the strength to defeat him, he still has the strength!

His eyes, instant lock Xuan nine pole, body move then fly toward him and go!

Compared with xuanzilong, xuanjiuji's strength is weaker!

As soon as xuanjiuji's face changed, he waved his sword and retreated to the rear. Xuanzilong immediately raised the dragon pattern Euphorbia and attacked again!

Once again, the power of Li Xuan's suppression appears!

In the face of xuanzilong's halberd, Li Qingxuan's eyes were slightly heavy. While punching at the Dragon shadow, Li Qingxuan continued to pursue Xuan Jiuji!

He didn't resist xuanzilong's attack with all his strength!

This may make him injured under the attack of xuanzilong, but it is not fatal!

And xuanjiuji will be killed instantly!

In this way, the balance will be completely broken, and the last one to laugh at is Li Qingxuan!

For a time, Li Qingxuan smile, more and more thick, eyes also more ferocious up!

However, when he easily broke through the sword light of xuanjiuji and appeared in front of him, he was about to show his killing moves, but he was suddenly changed!

I saw, originally a halberd hit xuanzi dragon, in the last moment is suddenly changed!

He said in a low voice: "Heaven dragon demon tie!"

Xuanzilong's body, moving with the halberd in his hand, was instantly integrated into the dragon's shadow, and the human halberd was integrated into a dragon with distinct scales and claws!

Several fist seals collided with the dragon's body, which made its flesh and blood flow. However, in the golden eyes of the dragon, a fierce intention suddenly appeared. It was against the fist seal and flew towards Li Qingxuan!

Li Qingxuan, who is preparing to kill Xuanjiu, has a slight change in his face. He looks at the flying dragon, and his mind is awe inspiring!

He had a very bad premonition!

Immediately, Li Qingxuan is about to retreat temporarily and reorganize the situation!

Xuanzilong saw this, and there was a look of anxiety in his eyes. Just now, Li Qingxuan didn't do his best to kill Xuan Jiuji. Only then could he successfully perform this move. If he was avoided by Li Qingxuan, he would probably never have a chance to get close to each other with this dragon demon!

This is their only chance!

See, Li Qingxuan is about to escape, a blood light suddenly printed on its eyebrows!

At this moment, xuanjiuji's blood vessels are constantly bursting, and the Demon power is overloaded. The TIANYAO mark on the center of his eyebrows actually flies out of his body and is printed on Li Qingxuan's forehead!

"Damn it!" Li Qingxuan's pupils trembled, and a horror appeared on his face. At the moment when he was suppressed by the demon mark, he felt that he could not control his body!

Although Li Qingxuan soon broke free from this kind of imprisonment, but

It was the delay of this moment that made the Dragon come to Li Qingxuan's body!

The giant dragon roared at the moment!

The whole space seems to freeze instantly!

Li Qingxuan let out a roar, and the Demon power and evil spirit in his body ran endlessly. However, what he couldn't accept was that for a time, he was bound to the original place by the giant dragon, and could not get rid of it at all!

He was biting his teeth and struggling wildly. The giant dragon transformed by xuanzi dragon had a look of great difficulty in his eyes. The whole body was also tearing and blood was flowing. Obviously, it was not an easy thing to control Li Qingxuan!

Li Qingxuan heart a joy, so it seems that he will soon be able to get rid of Xuan Zilong control!

After just a few breaths, xuanzilong could hardly restrain Li Qingxuan!

But when Li Qingxuan's eyes were bright, and he was about to break away from the dragon's shackles, a red mark was printed on his eyebrows again!

It is the mark of the heavenly demon that Xuan Jiuji makes a move again!

Li Qingxuan's body was stiff, and it was almost to break free. However, in an instant, he returned to the original, and the dragon was tightly wrapped in his body again!

Li Qingxuan's eyes are bloodshot, and his heart is filled with anger!

He never dreamed that he was really suppressed by these little ants?

However, suppressing each other with TIANYAO's mark obviously costs a lot. At the moment, Xuan Jiuji's face is extremely pale, and xuanzi dragon is also full of blood. Obviously, they are not far away from the limit!

For a moment, they both looked at Ye Chen

If ye Chen can't do it yet, then they will all be finished!

However, when they noticed Ye Chen's look, they couldn't help but sink in their hearts. At the moment, ye Chen brows tight, face incomparably dignified, the condition is not good!

Are they really going to die in the hands of this ancient strongman?

Feeling the binding force of his body, gradually weakened, Li Qingxuan's face appeared bloodthirsty smile, he knew his victory was coming!

Li Qingxuan's whole body muscles are constantly surging, and his hands gradually spread the dragon body on his body!

The flesh and blood of the dragon was tearing, and it seemed that it was about to break under the great force!

His eyes are more cruel, three breaths!

As long as you have three more breaths, you can tear the dragon body completely!

After that, the flesh and blood of these three people will be swallowed up!

In their perception, the blood of xuanzulong is extremely powerful. If they are swallowed up, their power can even be improved by several steps? It's possible to surpass!

Xuanjiuji, xuanzi dragon, seeing this, could not help but dim his eyes and despair

The first breath, the sound of click, the dragon body is actually visible to the naked eye speed, began to break!

Finally, the strength of Zixuan reached the limit, but it's too strong!

The second breath, a red mark appeared on Li Qingxuan's eyebrows again. However, this time, Xuan Jiuji was trembling, half kneeling on the ground, extremely weak, exhausted all the strength in his body!

And this last stamp suppression, but only lasted a short breath time!

Finally, to the third breath!

Li Qingxuan made a roar of laughter, and his whole body was full of Demon power and evil spirit. He was like a tornado roaring out. He wanted to break the shackles completely!

But, all of a sudden, his smile is instantaneous solidification!

A very close to the destruction of the breath, an instant fell between the heaven and earth!

Chapter 4779

Originally, Xuan Jiuji and xuanzulong, who had already fallen into despair, looked at Ye Chen immediately!

I see, at this moment, ye Chen has opened his eyes, there are endless rules flashing in the dark eyes!

That is the law of destruction!

Ye Chen, at the moment, looks like a God and a demon who is exterminating the world and is coming back to the earth!

Even the geniuses such as xuanjiuji and xuanjiuji felt their spirits tremble!

At this moment, a black light shot out of his fingertips!

Seeing this, Li Qingxuan's eyes showed a look of incomparable fear and exclaimed, "the light of extinction!"

His vision instantly recognized Ye Chen's magic power!

In an instant, the cold sweat drenched his whole body, and exterminating the divine light was also a notorious art against heaven in their time!

I don't know how many monsters died in this seemingly inconspicuous dark light!

He struggled frantically, trying to escape, or even escape!

However, the distance to completely break the shackles of xuanzi dragon is just a little short of

As long as he has one hundred thousandth of a breath time, he can be completely free and avoid the black light like death

But one in 100000 breaths, sometimes, is longer than eternity!

In this short time, the light of extinction had come to him!

At the moment before he broke away from the bondage of xuanzi dragon, even Li Qingxuan didn't give him the chance to give up his body to escape. The light of extinction had already disappeared into his brow!

It was at this moment that the body of the giant dragon dissipated in an instant, and xuanzi dragon fell from the air and fell to the ground with numerous scars.

However, Li Qingxuan, who had recovered his freedom, stood in the same place, his eyes darkened in an instant, leaving a blood hole in the center of his brow!

A moment later, a very shrill scream sounded, and a black air flew out of Li Qingxuan's body. His whole body was constantly eroded by the force of destruction, and was rapidly melting. However, the black gas was still strong and flew away towards the distance!

It was Li Qingxuan who turned into a demon!

But, how can ye Chen let him go?

"Eat the soul to the sky."

Deep cold low voice rings out, that giant reappears, ancient sword cuts down!

Now, Li Qingxuan has tried his best to resist the erosion of the destructive power. He can't even use his defensive soul skills. In a flash, he is cut by the ancient sword!

Its scream, instantly into wisps of black smoke dissipated

The most powerful in ancient times, after all, still fell down!

Ye Chen breathed a sigh of relief, even himself, and his face was quite pale. Even with his current strength, the extinction God light is still too difficult to control!

Every time you display the light of extinction, you almost risk your life! And it costs a lot!

Fortunately, it worked!

And xuanjiuji and xuanzilong are also a look of survival after disaster. They are very lucky!

Ye Chen looked at the endless tomb palace and saw that the palace was white, as if carved with top-grade white jade!

However, this Wuji tomb palace is obviously seriously damaged. There are countless cracks on every stone pillar!

Ye Chen's eyes flash, body movement, then with the ice, toward the endless tomb palace, fast line.

At the moment, xuanjiuji and xuanzilong, who are recovering from their wounds, are all slightly changed in complexion. They quickly get up and chase after ye Chen for fear that ye Chen will take the lead!

In a flash, the four men came to the Wuji tomb palace, but when they were about to enter the tomb palace, a white light suddenly appeared in the tomb palace!

For a moment, the four people are feeling a whirl! There is a strong spatial fluctuation all over the body!

When ye Chen opens his eyes again, his pupil shrinks. What appears in front of him is not the interior of the palace, but another world!

Green mountains, floating clouds, everywhere in full bloom, just like fairyland.

Inside the Wuji tomb palace, there is a small world!

However, at the moment, xuanbingbing is not around him.

When we enter the palace, it seems that the road of the different leaves will be transmitted to the space

All of a sudden, ye Chen's eyes were bright. In front of his sight, there was a light column rising into the air. In the light column, a kind of inexplicable breath was emitted, which made the blood of the heavenly demon in his body faintly resonate with it!

His face appeared a touch of joy and said: "there, is the tomb of the demon emperor Taiyi?"

The next moment, he flashed his body, and flew away towards the pillar of light!

.....

The light column is located in a very quiet valley, but at this time, a loud noise broke the peace!

Ye Chen knows that it should be xuanjiuji and xuanzilong!

I saw that two Xuanyao youth were in front of the deep valley, fighting!Xuanzilong looked ugly. He kept parrying and dodging. While retreating, he yelled in great shock: "you are not xuanjiuji! Who are you? "

In the battle with Li Qingxuan, xuanzilong has been seriously injured, and he can't recover. However, Xuan Jiuji also consumes a lot!

But at the moment, in the face of xuanjiuji's attack, the stronger xuanzilog can only resist reluctantly. There is no room to fight back at all. It is completely suppressed!

At the beginning, it was xuanjiuji, which had run out of oil and light, but now somehow it has returned to its peak state. Even, every time it makes a move, it is more fierce than before!

Hearing xuanzilog's question, Xuan Jiuji just sneered. His eyes were cold and agitated. He didn't answer and kept attacking!

At this time, the shadow of two people flashed, and ye Chen also came to the front of the valley.

Xuanjiuji and xuanzilog, looking at Ye Chen at the same time, are all eyes flash!

Black purple dragon face appeared a touch of ruthless color, facing Ye Chen big drink: "Ye Chen! This boy is not Xuan Jiuji. He is possessed by the demon. Now his strength is greatly increased. Unless you and I join hands, otherwise, he is not his opponent at all! "

Ye Chen smell speech, can't help but slightly frown!

At the next moment, xuanzilog suddenly turned into a giant dragon with a roar. Regardless of xuanjiuji's attack, xuanzilog rushed at him crazily,

xuanjiuji's face changed. He couldn't dodge for a moment, and was bound by the dragon!

This means, it is the Dragon demon that trapped Li Qingxuan!

Xuanzi dragon's eyes swept to Ye Chen and said, "show him your magic power to kill Li Qingxuan! Otherwise, we will all die in his hands

Just now, with a sneer on her face and sharp eyes, Xuan Jiuji was in a panic at this moment, and exclaimed at Ye Chen: "stop it! Ye Chen, I'm not a demon. This guy is a demon! Don't believe him! The reason why I was able to recover from the injury in an instant is that I have another backup hand! "

Ye Chen's look gradually dignified down, ignoring xuanjiuji's exclamation, immediately cross his knees to the ground, and his whole body exudes the rolling destruction of Daoyun!

Seeing this, Xuanjiu struggled wildly and roared: "Damn it! damn! Ye Chen, stop it! If you dare to attack me, I will never let you go! "

Chapter 4780

Xuanzilong was happy in his eyes and gave out a roar. He tried his best to restrain xuanjiuji!

This Tianlong demon binding is indeed a top-level magic power. Even though xuanzi dragon was injured, he recovered one point. However, at the moment, he couldn't get rid of xuanjiuji for a while!

After a few breaths, ye Chen suddenly opened his eyes, the whole body destroyed, and a black light appeared on his fingertips!

Xuan Jiuji saw this, and his eyes were shaking wildly. He cried out in great fear: "Ye Chen! Let me go! Let me go!!! I will give you the inheritance and remains of the demon emperor Taiyi. Don't kill me! "

Ye Chen looks indifferent, the black light on his fingertips is like lightning, shooting out fiercely!

A scream suddenly rang through the whole valley!

Xuan Jiuji sends out a cry of sadness, but soon, he is slightly stunned, and a trace of puzzled color appears in his eyes

Why, he didn't die?

Don't say dead, even, there is no injury at all!

At the same time, the binding force of his body instantly dissipated!

Xuan Jiuji looks up, but he can't help but look shocked!

I saw, at this moment, the recovery of the human form of the xuanzilog, eyebrows suddenly appeared a hole, in the hole exuded a chilling wave of destruction!

Ye Chen's strike was aimed at xuanzilog, not xuanjiuji!

Why is this?

Even Xuan Jiuji himself did not think of it!

On xuanzilog's face, there appeared a look of amazement, but it soon recovered to be calm!

A frightening scene appeared!

I saw that the hole in the heart of xuanzi dragon eyebrow was healing at a very fast speed, and the destructive power was also dissipated in an instant!

That second killed Li Qingxuan, this ancient demon's attack, in the face of xuanzilog, was completely invalid!?

At the same time, an extremely surging evil spirit roared out of xuanzi dragon's body!

This originally like fairyland general small world, in this evil spirit erosion, simply, instantly turned into hell!

Ye Chen gazed at xuanzilong. Even if he saw this scene, his face was extremely heavy. At the moment, the man in front of him gave him a feeling that he was totally invincible. It was just like that day in the source, facing the demon, facing the man!

This kind of feeling, too frightening!

And Xuan Jiuji is also completely dull!

Brain, chaos!

Xuanzilong's face was cold and his eyes were like a pool of stagnant water. He gazed at Ye Chen and said faintly, "I'm curious. How did you find it?"

All of a sudden, he looked at Ye Chen's left hand and seemed to hold something in his hand

Xuanzilong said with a sneer at the corner of his mouth: "I didn't expect that you got this thing."

What is Ye Chen's hand?

I saw a red token in his hand, which was the order of blood soul!

At this moment, above the order of blood and soul, it is already dim, covered with countless cracks and damaged!

On the token, however, there are three big characters on it

It's a name

A name that once shocked the whole country in ancient times

That is the name of the supreme emperor who ruled an era and monarch's family!

Zhou Tianqing!

Emperor, Zhou Tianqing!

Xuanzilong, originally possessed by the demon of the underworld, was the Emperor Zhou Tianqing who was once the most brilliant and oppressive emperor!

Presumably, the emperor is the most mysterious existence among the three demon giants!

Ye Chen doesn't know when he was possessed by xuanzi dragon this week. However, he can even regard the extinction of divine light as nothing, not to mention Ye Chen's soul skill?

When ye Chen saw the confrontation between xuanzilong and xuanjiuji, he did not hesitate to use the order of blood soul!

Blood soul order can only be used once, and now is the best time!

And the target he chose is xuanzilong!

Xuanjiuji suddenly broke through. After entering the tomb palace, he inexplicably regained his strength. It seems more suspicious indeed. However, it is precisely for this reason that xuanzilong should be investigated!

Ye Chen has no information to judge xuanzilong's identity, so he can only rely on the order of blood soul!

When the name appears on the order of blood soul, even ye Chen can't help but tremble!

However, let him a little curious is, since Zhou Tianqing's strength is so terrifying, why not kill them directly in the first place?

At this time, a escape light suddenly soared, only to see, xuanjiuji crazy toward the deep valley, fly away!

The next moment, the endless evil spirit was in xuanjiuji's whole body, surging wildly. Xuanjiuji uttered a scream, a roar, and was directly crushed into a cloud of blood mist!

Ye Chen pupil shrinks, this talent and martial arts amazing holy spirit demon clan son, so dead?Is it easier to kill him on Sunday than to crush an ant?

At this time, ye Chen's face changed wildly, and he felt a strong evil spirit burst out all over his body!

Even with his physique, he felt his body, and his whole body bones tended to be broken!

Ye Chen stares at Zhou Tianqing, his eyes twinkle and seems to be thinking about something!

However, Zhou Tianqing didn't kill Ye Chen directly. He said with a playful look on his face: "is there a trace of Xu Tianming's breath in your knowledge sea? It seems that the boy failed to seize you? The reincarnation is really extraordinary. "

Ye Chen hears the speech, pupil suddenly trembles!

If there is any chance for him to turn the tables, it is to lure Zhou Tianqing to seize his property and cooperate with the evil old general to kill him in the sea of knowledge!

But I didn't expect that Zhou Tianqing's eyesight was so fierce that he had already discovered that Xu Tianming had taken over his house!

Zhou Tian tilted a smile and said, "I don't want to risk any more. Just take your flesh and blood."

After that, the evil spirit of his whole body was surging wildly, and he turned into a Taoist tentacle, and he would drill into Ye Chen's body and plunder his flesh and blood!

Even Zhou Tianqing, once the emperor, could not help but feel excited in his eyes. This is the flesh and blood of a reincarnated ethnic group!

Benefits, unimaginable!

Ye Chen's face is hard to see the extreme, under the suppression of this week's tilt, he can't even self explode!

But at this moment, ye Chen suddenly emerged behind a wave of inexplicable fluctuations!

A very terrible Demon power broke out in an instant. Ye Chen only felt that his whole body was loose, and the power poured on his body was dissipated in an instant!

He couldn't help but look back. What appeared behind him was a virtual shadow, which exuded endless evil spirit. It looked like a very handsome young man, but his face was extremely strange!

Zhou Tian tilted his face and changed his face. In his eyes, he showed a look of incomparable resentment, and said: "demon emperor Tai Yi! You really don't have the spirit and body destroyed! "
