

## Physician 481

### Chapter 481

Will you get hurt?

And it looks like you're in trouble?

But what about this smile?

Ye Chen knows himself better than anyone else. This smile is that he is bloodthirsty and controls all smiles.

"Mr. Ye, this is the reason why you will set foot on jiangdaoshan tomorrow."

"I have studied this mural for a long time. At first, I thought that the youth in the painting were defeated or doomed. But if you look carefully, you will find something. Come on, Mr. Ye, look at this mural."

Li Jiacheng took a few more steps to the side.

Ye Chen's line of sight is also shooting in another direction.

This time, ye Chen is suspended in front of a sword!

Two ancient characters are engraved on the body of the sword.

The soul.

"Mr. Ye, this sword is one of the two swords in jiangdao mountain, zhenhun sword! It is said that the array of jiangdaoshan or the aura of Xiangjiang are closely related to the two swords. "

"How can Mr. Ye get the sword if he is in trouble with those people? Therefore, I am sure that Mr. Ye will not only not die, but also get a great chance in the future

"Zhenhun sword is chance!"

Ye Chen did not speak, and his sight swept the rest of the pictures, trying to see his future through the murals.

Unfortunately, the rest of the picture, he did not understand, even his own shadow.

The other side of the huge mural is a blank, as if someone deliberately blocked the content behind.

Don't let the cat out of the bag.

Ye Chen took back his eyes and thought of something. He said, "today I have been to jiangdaoshan, where there is an ancient array. With my current strength, it can't be broken at all!"

"I can't step in, and how ever did I see the scene in the mural?"

This is Ye Chen's biggest confusion at present.

Li Jiacheng laughed and took out a jade card from his pocket: "Mr. Ye, this jade card is the key to enter jiangdaoshan. It happens that my Li family also has two keys. These two keys have been handed down for thousands of years and are extremely valuable to my Li family. I would like to give one of these keys to Mr. Ye, but... "

Ye Chen knows that the next words are the Li family's purpose of getting close to himself.

As the first family of Xiangjiang, the Li family, as the first family in Xiangjiang, naturally takes interests as the first family.

"Well, if it's too much, I don't want the key to jiangdaoshan." Ye Chen light way, tone with a trace of cold.

Li Jiacheng put the jade card on Ye Chen's hand, pondered for several seconds, and then said, "Mr. Ye, kill a Chinese Guardian named yuan Biran for me!"

"I use my Li family's secret and this key to exchange for the death of one person!"

Ye Chen Mou son tiny MI, simply did not expect Li Jiacheng to make such a move, actually let him kill a Chinese Guardian!

This is a big thing for China and even for the martial arts world!

"Why did you kill this man? Give me a reason Ye Chen asked.

Li Jiacheng clenched his fist, and the murder broke out!

Eyes full of blood!

Obviously, the rage is at its peak!

"Mr. Ye has no idea! Yuan Biran's martial art is powerful and powerful. Before he became the guardian of China, he did something that he didn't know how many days to complain about! My father was killed by Yuan Bilan many years ago! Just for a treasure! This person is in front of me alive will father torture Death! All along, this is my nightmare! This is the resentment in my heart! The Revenge of killing my father!

I have endured for many years and even sent my eldest son to Kunlun Xu at all costs, just to avenge it! "

"After my eldest son entered Kunlun Xu, he lost the news! I don't know when to return! I don't even know his life or death! Don't put all his hopes on me!

I'm in my twilight years. If I don't see the death of this man, I can't die in peace! "

The next second, without waiting for ye Chen to react, the powerful old man kneels down directly in front of Ye Chen!

"Mr. Ye, please."

"This secret is unknown to all the Li family! Everyone thinks that my interest in jiangdaoshan is just for the treasure, but only I know that everything is fog. What really hides in my heart is the killing opportunity buried in my heart! "

Ye Chen is lost in thought, and he wanted to refuse.

But I see my own shadow in each other.

His father was trapped by Fang Zhenye!

Even life or death is unknown!

Some Chinese guardians wear gorgeous clothes, but behind their backs, they don't know how dirty their hearts are!

Anyway, Jiang daoshan must go!

Not only for life experience and samsara cemetery, but also for father!

Fang Zhenye will die, those Chinese guardians will still kill!

Don't think much, ye Chen also knows that Yuan Bilan and Fang Zhenye belong to the same camp!"Well, I promise you!"

Ye Chen did not hesitate.

Li Jiacheng's eyes were filled with ecstasy. Then he stood up and said seriously: "Mr. Ye, no matter what the result is, from today on, you are the most important benefactor of our Li family!"

.....

At the same time.

Jiangdaoshan is a magnificent temple with a quiet and airtight stone chamber deep in the temple.

There are nine old men in the stone chamber.

Although these nine people covered the breath, they felt a trace of deep fear.

The middle of the old man is Fang Zhenye!

At the moment, Fang Zhenye is holding a long sword of aura!

On one side of the sword, ancient characters are engraved!

It's the soul sword!

A purple robed old man on the right side frowned and said, "Lao Fang, will that boy come to jiangdaoshan tomorrow?"

Fang Zhenye nodded: "he will certainly come, the father of this son is in my hand, so a good opportunity, he will not let go."

"Besides, this son just appeared under jiangdaoshan."

Yuan Bilan, not far away, glanced at the sword in Fang Zhenye's hand and said curiously, "Lao Fang, this zhenhun sword is our treasure. If you take it out and wipe it today, are you going to deal with Ye Chen? It's too much of a talent. "

"Yes, that boy is just a place of separation and separation. Any one of us can kill him. What's to fear?"

Everyone at the scene knows that zhenhun sword is far more powerful than ordinary people can imagine!

A sword can be used to cross the border! It's even more aerodynamic!

Fang Zhenye looked at the sword in his hand and sneered: "that boy is not so simple. If anything happens tomorrow, I will use this sword to kill him!"

"In any case, this son must not be kept! Even if he stands behind his back

Chapter 482

For Fang Zhenye, the existence of Ye Chen is a time bomb.

The time bomb is enough to threaten his life and death.

He was afraid of the strong behind Ye Chen or zongmen, but in understanding some things ye Chen did in Xiangjiang, he had to consider moving his dead hand.

He even comforts himself. From the track of yechen, he has always been a person. He never found that he used the power of others, or had great power behind him.

Even if this son comes from Kunlun virtual, waiting for the person behind to find, already too late!

The trial of the round table of the guardian of China was conducted together. Ye Chen provoked public anger. Even if the person behind Ye Chen wanted to settle the account after autumn, he was not qualified!

The town soul sword in his hand was slightly shaking, flashing dazzling light, as if he would be free at any time.

Fang Zhenye held the sword tightly and managed to control it.

Although the soul sword in this town is strong, the biggest problem is that it can not be controlled.

Even if he wants to exert his strength, he must gather all the true spirit on the sword.

"Old Fang, you can't suppress this sword for so long? Refining or blood dripping does not help recognizing the Lord? "

Yuan Bi ran looked at Fang Zhenye's slightly shaking arm, surprised way.

Fang Zhenye nodded and put the soul sword into the sheath of ancient copper, and the sense of vibration disappeared completely.

He had sweat on his forehead and gasped slightly: "this thing is arrogant. I have used many techniques without any effect. The same is true of pure strength suppression. So far, his mother is a non master. At present, I can only use it reluctantly and can not play its maximum value."

Yuan Bi ran came a little interested: "may as well give me a try!"

"Take it!"

The words fall, the town soul sword appears in his hand, the heavy meaning almost let yuan Bi ran a staggering.

He held his body and pulled the soul sword out for a while, but the next second, the town soul sword turned over and broke yuan picran's shackles directly! More with scabbard rushed out, inserted on the wall!

The whole chamber shook violently.

Town soul sword inserted place, is appeared a spider web like crack!

You know this stone is a stone of inflammation!

Hard enough to be appalling!

"Huh!"

Yuan felt the blood rising, a strong wave of wind swept from the soul sword of town, and he retreated seven steps to stabilize his body.

Old face is white, then a red!

As one of the guardians of China, he was teased by a sword!

Shame!

Other Chinese guardians laughed and joked.

"Old yuan, you can't."

"If someone knows that the warlords are not better than a sword, they will laugh."

Fang Zhenye also touched his beard and said, "old yuan, I said you still don't believe it. The sword is evil. I studied it for half a year to control it. How can you master it in a few seconds?"

Yuan Bi ran had some anger on his face, just wanted to speak, and the door of the stone chamber was knocked.

"Come in." Fang Zhenye looked at the gate and opened the road.

Not long ago, a man in his thirties came in and knelt in front of Fang Zhenye.

He is just a disciple of Fang Zhenye, Han Guang.

In recent days, Hanguang has been responsible for investigating all information about ye Chen.

"Han Guang, that boy has news again?" Fang Zhenye said curiously.

Han Guang nodded and said, "Ye Chen and Li Yuancheng of the Li family of Xiangjiang left together. According to the news, ye Chen should be in Li's house at this time."

Hearing Li family, Yuan Bi Ran's eyes were shrinking, and he thought of the things of that year.

At that time, he killed many people in Li family, but only let Li Jiacheng go. In his eyes, some people were ants, and he didn't even kill impulse.

Even if he was given a hundred years of time, even now Li family became the first family of Xiangjiang, the result is the same.

He's going to erase it, anytime!

As long as he wants!

Now, it seems that the mole ant is standing with the leaf Chen.

Must we be ready to do it on your own?

Arrogance! Foolishness!

Fang Zhenye frowned for a long time, and suddenly said, "the development of Li family in Xiangjiang has been a little odd in recent decades. One of them is selected by Kunlun virtual sect. Not only that, many people of Li family have broken through the speed. Now, this Li family and ye Chen are standing together, which inevitably makes people suspicious."

"Since Li family doesn't know each other, Han Guang, you can take 20 people to wipe them away."

Fang Zhenye said.

At this time, Yuan Bi ran said: "old side, wait a minute! No need for the twenty people. This Li family gave it to me. I killed all the Li family in that year, but I didn't kill them clean. Let the wild fire and spring breeze blow again. Now that's the case, I will wipe it out directly today! "

Fang Zhenye hesitated for a few seconds, and nodded: "OK, but old yuan, you will start later, waiting for ye Chen to leave Li's house." Yuan Bi ran snorted coldly and waved his sleeve: "Lao Fang, don't you think this son has the ability to kill me? Ridiculous! Maybe, that ye Chen met me and didn't even have the chance to set foot on jiangdaoshan tomorrow! If this son does not leave the Li family, I will be his nightmare! "

Language down, Yuan Bi ran disappeared in the stone chamber.

Fang Zhenye wanted to say something, but the words turned into a sigh.

I hope he thinks too much.

.....

Xiangjiang Li family.

Li Jiacheng took Ye Chen to see the whole underground ancient city.

The ancient city has not been thoroughly excavated, and workers are still working in the deep.

Because this matter involves secret, the manpower that uses is Li family core person.

Some natural inefficiencies.

In addition to the mural, ye Chen did not find any relationship with himself.

The whole underground ancient city is somewhat like some kind of religious ceremony square, many places are engraved with Sanskrit, the text is too old to understand.

However, ye Chen found that some characters were similar to the Runes of lingfu.

"as like as two peas, Mr. Murray, I had a portrait of a fellow, who was remembered to take it away." Li Jiacheng said.

He could see that ye Chen was only interested in frescoes, and he was not interested in anything else in the ancient city.

"Good." Chen, accept Ye naturally.

He can't understand many pictures of murals now, which doesn't mean that he can't understand them in the future. If the murals can really predict part of the future, it's not good for him!

"In that case, Mr. Ye, let's go up. I asked the chef to cook some dishes with Jiangnan flavor. I hope Mr. Ye can..."

Before Li Jiacheng finished speaking, the whole underground ancient city flashed a red light!

The light is extremely dazzling, which makes people palpitate!

Li Jiacheng's face changed greatly and exclaimed, "no! Someone broke into Li's house by force! "

"Where is Wei Ying now?" Ye Chen's eyes show a trace of seriousness.

The first thing he worried about was Wei Ying!

Li's family has nothing to do with him!

But Wei Ying can't!

"Mr. Ye, follow me!"

Two people quickly toward the elevator!

Chapter 483

At the same time, the Li family villa above is also a sudden red light flashing, the sound of alarm constantly sounded.

Wei Ying is sitting in the living room, and a special person massages her and relieves her fatigue.

"Miss Wei, come with me!" Li Yuancheng was busy.

He had a tablet in his hand and his face was full of anxiety.

All the monitoring information on the tablet disappeared. I didn't know what happened outside.

But since the whole villa has been alerted, it is definitely a big event!

He thinks Wei Ying is Ye Chen's woman, and she can't let Wei Ying do something, otherwise he can't afford it!

Wei Ying reacts and takes a look at Li Yuancheng. She doesn't talk nonsense and follows him directly.

Just as they were about to cross the corridor, the two bodies were thrown directly in front of them.

Not only that, but also an invisible pressure!

Their legs seem to have lost consciousness and can't move at all!

Then there was a sound of footsteps.

After a while, an old man appeared in front of them, sitting on the sofa.

It was yuan Biran.

What about Li Jiacheng Yuan Biran's fingers were beating on the sandalwood furniture, which was quite melodious.

Li Yuancheng's face changed slightly, but still forced to calm down: "my father is not in."

Yuan Bi Ran's finger stopped and then sneered, "I'll change the question. Can ye Chen be in Li's house?"

"I don't understand what you're talking about!" Li Yuancheng insisted.

"I don't know how to live or die!" Yuan Biran snorted coldly, bent his fingers, and suddenly formed an invisible wave!

"Bang!"

Qilang did not hesitate to hit Li Yuancheng's body!

Li Yuancheng spits out a mouthful of blood, but his body is inexplicably twisted!

"Click, click, click!"

The sound of bone fracture goes on and on!

Blood is constantly seeping out, shocking!

Wei Ying saw this picture, Mou Zi was afraid to the extreme. Although she stepped into the way of cultivation, it was impossible to face such a master.

She thought of something and said to herself, "evil blood cold body, can you come out? I need you now

But the answer to her was silence.

That day the evil blood cold body did not move at all.

Damn it! What's wrong?

She took a look at Li Yuancheng beside her. She was obviously tortured to the extreme, without a trace of blood, and her body twisted to the extreme!

There was only a faint gasp and a groan of pain.

"Li Yuancheng, in those days, your father wanted to kneel down in front of me and beg for help. You might as well kneel down and beg me. Maybe if I am in a good mood, I will give you a way to live."

Yuan Bi ran light way, his tone is condescending, as if in charge of everything.

In his eyes, anyone is a mole ant!

"Pooh!"

Li Yuancheng spits out a mouthful of blood. Even though his body is twisted, he has no intention of kneeling!

Yuan Bi ran saw this and laughed. His old finger waved in the air!

"Click!"

Li Yuancheng's body is out of control at all! Kneel directly on the ground!

What's more, there are two deep holes!

His legs were almost bloody!

Wei Ying couldn't see it anymore, and even said, "why do you treat others like this? If you go on like this, you will die! Is cultivation what makes you torture others? You will be punished sooner or later for this!"

Yuan Biran then focused on Wei Ying. His eyes were indifferent: "retribution? The whole Xiangjiang River, and even the whole China, who dares to let me retribution

"I hate women's nonsense. In that case, I'll send you on the road!"

Yuan Biran grabs a fruit fork nearby and shoots directly at Wei Ying!

The air wave swept, the fruit fork around a red color, cut through the air, even with bursts of Mars!

In a twinkling of an eye, she came to Wei Ying!

Yuan Bi Ran's expression was indifferent. It was too easy for him to kill a woman.

Although there are some fluctuations in this woman's true spirit, it is too weak!

"Ding!"

Suddenly, the fruit fork is about to pierce Wei Ying's heart. There are ice crystals all over Wei Ying's body!

Ice crystals cover, as if forming an ice sheet!

The power of the ice sheet diffuses and the fruit fork twists directly!

It landed on the ground.

Yuan Bilan saw the scene in front of him, his eyes suddenly shrunk, and exclaimed: "hmm? How could she be so cold? Is it blood? "

The next second, he moved, five fingers into a fist, directly toward Wei Ying!

"No matter what kind of blood you are, what I like most is killing genius! Die

Language down, Yuan Bi ran hit the ice sheet!

The ice sheet is splitting! Wei Ying also stepped back a few steps, spit out a mouthful of blood!

Yuan Bi Ran's fist didn't stop! After passing through the ice shield, she went to Wei Ying's neck!

Wei Ying closed her eyes in fear. At this critical moment, a dark shadow passed by and directly hugged Wei Ying and went to one side.

It was Ye Chen.

Ye Chen put Wei Ying on one side, took out a pill and fed it directly to Wei Ying: "how do you feel?"

Wei Ying's eyelashes trembled and opened her eyes. When she saw Ye Chen, she breathed out: "Ye Chen, I have nothing to do, that guy..."

Ye Chen Mou son is suffused with bloodthirsty and cold: "that guy, I will let him stay forever!"

Finish saying, then turn to look at Yuan Bi ran, stare at death! An invisible anger burns in the eyes.

A few seconds later, Li Jiacheng also arrived. When he saw Li Yuancheng lying on the ground and spitting out blood, he quickly helped Li Yuancheng to the corner. Then, his sight fell on Yuan Biran!

When seeing each other's face, Li Jiacheng was scared to the extreme!

Soon, the panic showed anger! He roared angrily, "Yuan Bilan! You beast

Unable to take care of everything, Li Jiacheng rushed out, but had not stepped out a few steps, he was stopped by Ye Chen.

"If you go, you will die. You help me to guard Wei Ying. Since I promise you to kill this man, I will do it for me." Ye Chen Dao.

Li Jiacheng was stunned, looked at Ye Chen, nodded his head, and said word by word: "Mr. Ye, this man's strength is so strong that we can't underestimate it. Our Master Li family didn't show up. He should have been killed by him. Be careful!"

Ye Chen nodded, and then the sword of cutting dragon appeared in his hand. He walked towards yuan Bilan step by step.

Yuan Biran looked at Ye Chen with interest and said with a sneer, "since you are both here, it's better that you can't do it. Lao Fang is afraid of you, but I yuan Bilan is not afraid! I'd like to see what kind of talent you have in the sun! "

Ye Chen's eyes did not have the slightest temperature: "have you finished your nonsense? Originally I wanted to kill you for the Li family. Now you move my friend, I don't like it, even if you are the guardian of China! Damn it

Hearing Ye Chen's words, Yuan Bi ran appeared in Ye Chen's five meter land.

Silent, as if no dust has been lifted.

"Ye Chen, I will give you a chance to abolish my cultivation and kneel down in front of me. I will give you a complete corpse."

Chapter 484

Yuan Bilan's voice, gloomy and hoarse, dropped slowly.

An invisible pressure pervaded between heaven and earth, like a mountain, pressing Ye Chen hard to breathe.

This strength far surpasses the Chinese Guardian he killed on wudaotai that day!

Ye Chen stepped out a step, the blood dragon surging, momentum climbing: "sorry, I will not give you a complete body! Because you are not worthy of it

"Death! Remember my name, Yuan Biran! Today, you will die under my hand

Boom

Hearing a cold hum, Yuan Bilan's momentum exploded.

And the general momentum is sweeping in all directions.

Under the terrible waves, within tens of meters, in a twinkling of an eye, sandalwood furniture turned into a piece of ruins, dust flying, stones everywhere: "I don't know how to live or die! Since the toast does not eat, eat and drink. Then don't blame me for being rude

In the eye cold light twinkles, coldly looks at Ye Chen, Yuan Bi ran whole body kills the machine big work.

Under the strong killing opportunity, the whole Li family villa seems to solidify and freeze!

The power of the strong!

Momentum alone blocks everything.

Ye Chen Mou son a congeals, dare not fall lightly, any battle, master initiative is to win!

That is, between the critical moment, ye Chen moved.

A cold hum, like thunder on the ground!

The powerful air waves burst open, only to see ye Chen has disappeared in place.

Black dragon phantom body definitely surging, ye Chen holds the dragon sword in hand, a sword towards yuan Bi ran bombard and go!

Shua!

There was a roar of substance. However, he saw that the dragon sword in Ye Chen's hand was smashed on the black stick that Yuan Bi ran drew out!

Ding!

The huge trembling idea strikes, ye Chen retreats three steps, and Yuan Bilan is also not good!

He thought that ye Chen's separation and separation situation could not hurt him at all!

But I didn't expect that the power of this boy is far more than that of the people in the same place!

Lost in the moment, ye Chen knee burst, the whole person shot out, cut dragon sword to break everything!

Come to the limit!

Kill! At this moment, only killing accompanied Ye Chen.

The first sword of breaking Heaven Sword will be offered directly!

Bang

Then, he saw Ye Chen with a strong sword light, and rushed out directly.

The wind is blowing, the wind is strong, and the sand is flying all over the sky.

At this moment, ye Chen descended to the world like the God of war!

Yuan Bilan realized something was wrong, and he suddenly retreated. He could feel the horror of the sword!

"Damn it!"

He found that the sword completely wrapped him!

An invisible sense of crisis hit!

He had very little of that feeling.

"It seems that I underestimated you."

Yuan Bi ran a cold hum, the weapon in his hand suddenly rotated!

"Although your sword skill is very strong, it can double your strength! But no matter how strong the sword skill is, it is also based on cultivation!! There is a big gap between you and me, broken

Sobbing

Black stick with Yuan Biran's real gas injection, in an instant, the whole Li family villa vibrated.

Between the heaven and the earth, it is the black fog that covers the sky and blocks out the sun!

It's like the whole world, falling into a daze.

Bursts of sharp, harsh sound, also at this moment.

Everywhere, the stick's shadow twinkles.

The shadow of the stick turned into arrows and burst out of the sky!

Endless! Like thousands of troops, rushing forward, the whole world, into a battlefield.

A suffocating cold, that kind of cold into the bone marrow, let Ye Chen can't help but turn pale and stiff.

"Tear

Breaking the sky sword means the first sword. The Qianlong cuts the sky and is directly broken by the power!

Seeing such a scene, ye Chen took a breath of cold air.

This is the first time that Qianlong has been smashed by a powerful force! We can see how terrible the guardian of China is!

It's not that ye Chen's martial arts are not strong enough, but his cultivation!

Hard injury!

Even though he was gifted and opportunistic, he only practiced for five years!

But yuan Biran has been practicing for a hundred years!

The sword idea is broken, and the dense arrows fall down to block out the sky and the sun. Ye Chen has no place to escape!

Yuan Biran looked at Ye Chen's slightly changed face and sneered: "boy, if you give it to you for a few years, maybe you can really kill me! But now, I won't give it to you! Hand over the sword skill you just used!

Otherwise, you will die miserably

Ye Chen's eyes pan cold, looking at the dense sea of arrows, the indifferent voice slowly falls down: "you want sword skills, also want to have the life to take!"

"Blood dragon, come out!"

Under a roar, ye Chen's body flushes out an extremely bright blood light!Blood light condensation, dragon chant!

Blood dragon directly out of the body!

The top of the whole Li family villa breaks through in an instant! The ceiling falls directly!

"Not enough! Come out

This life talisman directly sacrifices!

Ye Chen forces out a drop of blood essence and shoots it on the talisman!

Rune light works! It's very beautiful!

Ye Chen stands at the foot of the place even to split in all directions!

The whole villa road winds up, the furniture around Ye Chen and even the walls are torn hard!

We can see its power!

Li Jiacheng looked at the scene in front of him and held his breath!

He knew Ye Chen was very strong, but he didn't expect to be so strong!

What is the origin of Ye Chen?

Even the Chinese Jiang family could not have born such a demon talent!

The smile on Yuan Biran's face was almost stiff!

His clothes were torn open by an invisible wave.

He had no idea that a blood dragon had burst out of the boy's body!

Now, the blood dragon is staring down at him!

Is there anyone in China who can tame dragons?

Even if it is Kunlun Xu, there is no such existence!

Not only that, he even saw Ye Chen offering an ancient thing!

He didn't understand it, but at the moment of sacrifice, the weapon in his hand obviously trembled!

This is the fear of a spirit tool!

Yuan Biran put away his crushing heart and rushed out like an arrow from the string!

The black stick in the hand tears the air, hits Ye Chen directly!

Black stick out through the sea of arrows, you will touch Ye Chen!

At this time, ye Chen raised his head and outlined a cruel smile at the corner of his mouth!

"The blood dragon enters the sword, the spirit Rune opens the road, breaks the sky sword meaning the second move, falls the star! Cut it for me

Ye Chen roared, and the blood dragon fell directly from the sky and poured into his dragon sword. The sword seemed to burn!

But the original life talisman is turned into a beam of light, towards the arrow sea and Yuan Bi ran!

Three cards of the joint strike, enough to kill everything!

The wind is blowing and the dust is all over the sky.

Ye Chen's momentum is relaxed, and his powerful Qi is surging all over his body. The dragon sword in his hand is crisscrossed, disordered and complicated. It is like spider webs, scattered everywhere, and slowly spreading outward.

The sword of chopping dragon soars into the sky like killing gods. It spreads the killing intention of spinning on the body of the sword and breaks out completely!

Before the edge of the sword comes, the cold comes first, and the murderous spirit is fully displayed. At this moment, the sword seems to be infinitely elongated, bringing out countless virtual shadows, covering the sky and the earth, as if to destroy the whole land, with momentum like a rainbow.

The sword is like a star!

Chapter 485

This is Ye Chen does not use the power of reincarnation cemetery, the only way to fight against Yuan Bilan.

The guardian of China is almost the most excellent existence of the whole Chinese strength!

It's an old monster who has practiced for a hundred years!

If you don't use such cards, you won't be killed!

The falling stars are crashing towards the sea of arrows!

"Boom The sound of!

Just break everything!

The sea of arrows was mercilessly torn! Even more towards yuan Bi ran!

Yuan Biran's face changed greatly!

If ye Chen's sword just now meant to pass in his eyes, it would almost shake the world!

For a moment, he felt powerless in his heart!

This is not from ye Chen's counter Heaven Sword Skill, but the real strength!

The key point is that he did not think that this power broke out in the hands of a boy in the clutch state!

At this moment, he did not have the slightest intention of blocking, even turned around, quickly retreated, and went towards the door!

As the guardian of China, he even wanted to run for the first time!

Yuan Biran even shot out his weapon before he left!

To stop the madness of falling stars!

"Stab!"

The black stick breaks directly! Tear!

The power to cut off the spirit weapon shows the terror!

At the moment, Yuan Bilan's speed is getting faster and faster. He is about to leave the Li family. But he suddenly discovers something. Mou Zi is scared to the extreme!

The fierce sword idea was carried by a blood dragon!

I'm not going to let him go at all!

Seeing that he was about to touch his back, he was not qualified to run away. In a hurry, he forced a drop of blood essence to shoot at the falling stars!

One punch at the same time!

"Click!"

Yuan Biran only felt a burst of tearing pain, his arm bone issued a burst of bone breaking sound!

Hum!

The red light flickered suddenly, sparks splashed everywhere, and lamented incessantly.

His strength, in front of the falling stars, is in vain!

A bunch of flames, directly wrapped him!

"How could..."

"Puff!"

That huge force poured into his arm, and finally into his body, which penetrated his internal organs! Under the impact of such force, the whole body Qi and blood rolling, he can no longer help, a mouthful of blood spurted out, the whole person immediately flew out.

Full fly out of seven or eight meters, Yuan Bi ran hard hit on a wall. In an instant, the walls fell apart.

There was a great wave in his heart!

Do not care about everything, wipe off the bloodstain hanging around the corner of his mouth, ready to get up to leave, his body came to the bursts of heart rending pain, let his eyes angry!

He's holding back!

He's angry!

But what can happen!

One move confrontation, as a guardian, he was completely suppressed in the downwind.

Ye Chen naturally is not good, his Dantian real Qi is not at all!

The joint efforts of these three forces are far from what he can master now!

He quickly took out the pills and swallowed them all at once!

Then he grasped the dragon sword and rushed out again!

In any case, Yuan Bilan must not stay!

Canglong phantom body definitely surging, ye Chen has appeared in front of Yuan Biran's body!

Without hesitation, a blow directly hit out!

Like a roller, he wanted to crush yuan Bilan to death.

Although yuan Biran was seriously injured, the camel died!

"Bang!"

Ye Chen was shaken back a few steps, the corner of the mouth spilled a trace of blood!

And Yuan Bi Ran is also not good, ye Chen that fist hit him on the chest!

If it was not for his strong cultivation, a blood hole would be smashed out of his chest!

He spat out a mouthful of blood again and gasped violently.

Then, he stares at Ye Chen, when he discovers Ye Chen's miserable appearance! "Ye Chen, if I didn't guess wrong, this blow should be your most powerful one. Now you don't have any real Qi in your body, and you don't have the ability to fight. It's impossible to kill me!"

"It seems that all our Chinese guardians despise you if you can beat me seriously. Today you will not die, and tomorrow jiangdaoshan may have an accident."

"But this time you're going to die. You don't have the ability to fight back, but I still have it!"

Yuan Bi ran roared, then violently pulled out a purple dagger!

The dagger is surrounded by Ziqi, with ancient Sanskrit carved on it!

As soon as the dagger comes out, the atmosphere of the whole hall seems to solidify!

And ye Chen sees this thing, facial expression changes suddenly!

On that purple dagger is a sword formula condensed by the strong! Although the power is not as powerful as the power of ten thousand swords, it is easy to kill yourself at this moment!

"Ye Chen, it's a pity to kill you as a genius! Go

The purple dagger flies out directly, the speed is extremely fast!

Don't give ye Chen a chance to react.

Ye Chen's breath seems to be stagnant!

Seeing that the dagger was about to collide with his body, suddenly, a beautiful shadow fell down!

The temperature of the whole Li's villa is below zero!

Even under the ground there was a chill.

A white hand outstretched, slender fingers open!

It's Wei Ying!

Ye Chen didn't expect Wei Ying to rush out at this time!

The key is that her strength can't stop it!

Not only is Ye Chen surprised, but even Yuan Biran sneers.

A woman who has no chance to practice is still trying to stop herself?

Don't talk about the woman in front of you. Even if it's the leader of the Li family, you don't have to!

"Click

All of a sudden, Wei Ying's palm condenses an ice sword, her eyes are cold, as if everything can't get into her eyes.

"I didn't want to do it, but the owner of this body is very emotional. You may die."

Wei Ying's indifference to the extreme is like this!

Then, the ice sword shot out!

White and purple light collide with each other instantly!

"Bang!"

The terror of the air burst, Wei Ying at this moment, as if from jiuxiao.

The two powers are like ghosts and gods.

The whirlpool of the storm.

Stab!

The white light flickers and devours everything.

Hum!

A light chant, the Tathagata from the nine you, let the heaven and earth are instantly cold down.

Ding Ding Ding!

In the sound of a clear battle, the fire burst out.

Gas swallow thousands of miles, sweep across the eight wasteland!

The purple dagger broke directly, not only that, but also Wei Ying's ice sword!

But the broken ice crystal, mercilessly drilled into yuan Biran's body!

His body turned into a blood hole on the spot!

"Evil blood cold..."

He was staring at the pressure, and before spitting out the last word, he fell down and fell into a pool of blood!

He never thought that killing him was the woman he ignored from the beginning!

The key to this cold and sudden strength, there is only one possibility!

Evil blood cold body!

Wei Ying saw the other side fall down, exhaled a breath, and her eyes returned to nature.

She turned to look at Ye Chen, just want to say what, a strong sense of exhaustion hit!

Wei Ying can't bear the blow of the body's evil blood and cold body!

Her face turned pale in an instant, and then, towards Ye Chen, she poured away!

Chapter 486

Watching Wei Ying fall down, ye Chen quickly reaches out his hand to hold Wei Ying, and then holds Princess Wei Ying up directly.

He knew that the blow just now was the evil blood and cold body in Wei Ying's body.

At the moment, the mysterious stone on Wei Ying's neck has been broken.

"Give me a quiet room!"

Ye Chen said to Li Jiacheng.

Li Jiacheng responded to this and quickly walked in one direction: "Mr. Ye, please follow me."

After a while, Li Jiacheng and ye Chen came to a Li family's training room.

The environment is quiet, the key Li's villa is so shaken that it is not affected at all.

"Mr. Ye, do you want me to send for the best doctor?"

Ye Chen shakes his head: "no need."

Then the door of the training room was closed directly.

He put Wei Ying on the bed, looking at the pale face of Wei Ying, some heartache in his heart.

Although yuan Biran's blow may not kill him, Wei Ying has solved many unnecessary problems.

This is the third time Wei Ying has helped herself.

One was Yunhe Lake in Beijing Normal University, the other was the Lin family in Beijing. This time, however, the cost was even greater.

Evil blood cold body forcibly occupies Wei Ying's body, which is simply an extreme!

What a silly girl?

Ye Chen no longer hesitated, directly from the samsara cemetery to take some herbs, Dan Tian's true Qi eased a bit, he threw the grass leaves slightly, wrapped in the true Qi, the herbs shrank instantly, twinkled with light, and a few drops of cyan liquid were suspended in his palm.

Ye Chen guides the fluid into Wei Ying's lips.

After a few seconds, Wei Ying's face softened a little.

But there is still no sign of recovery.

Ye Chen takes out a few silver needles, the real Qi turns on the silver needles, and then shoots out suddenly!

Wei Ying's body is about to be touched. Her whole body is chilly, as if wrapped by ice crystals!

Silver needle can't be used at all!

"It seems that this evil blood cold body instinct has resisted all dangers for Wei Ying."

Ye Chen murmured, and then the blood dragon of the body gushed out and coiled around Wei Ying's body.

Since it is evil blood, only with the same evil blood to suppress!

Wei Ying's icy air disappeared in a twinkling of an eye!

Seeing this scene, ye Chen has several silver needles in his hand. The silver needles shoot out together and fall on Wei Ying's body.

The silver needle is shaking and making a crisp sound!

Not only that, ye Chen also points to Wei Ying's eyebrows, and the true Qi of the resuscitation part of her body is continuously gathering in Wei Ying's body.

"Well."

After a while, Wei Ying suddenly groaned and opened her eyes.

Clear big eyes looking at Ye Chen, surprised: "Ye Chen, how can I be here, just that guy..."

"The guy is dead. We have nothing to do, but you are injured. You need to rest for a few days. Next, I will send you to a place in Xiangjiang. When everything is settled, I will come to pick you up."

According to Wei Ying's reaction, she should have no memory of the event of killing blood and cold body just now.

In this way, ye Chen plans to take her to the dark hall of Xiangjiang. He can only go to jiangdaoshan tomorrow.

Wei Ying was stunned. Although she wanted to help Ye Chen, her own strength could only help. However, she could only nod her head: "OK, but within two days, you must come down from jiangdaoshan, or I will find a way to find you."

"Good."

An hour later, ye Chen contacted the people in the dark hall of Xiangjiang and gave Wei Ying temporary care to this group of people.

He went back to the hotel, closed his eyes and began to practice.

This war, he understood a little bit, which was of great benefit to his cultivation.

His whole body is surrounded by countless red lights, the red light is extremely dazzling, and the Dragon chants in his body.

"Now!"

The momentum of the whole body is climbing, and ye Chen is excited in his heart.

With the healthy qi of heaven and earth, purify the soul, and strengthen ourselves with the spirit of heaven and earth!

Hua Hua Hua

Within the Dantian, the true Qi is rolling!

A stream of energy, like a mountain torrent, turns into thousands of troops, circulates every corner of the body, expels impurities in the body, and strengthens the muscles and veins of the whole body.

Whoosh, whoosh

The cold wind howled.

Inside the hotel, I don't know when there was a strong wind.

The spirit of heaven and earth outside all penetrate the glass and come towards Ye Chen!

Not only that, but also the spirit of dragon veins in the black stone on the top of the head is also flowing!

As the strong and incomparable aura and the Dragon Qi condense and melt into Ye Chen's body, ye Chen's momentum soars again.

Crazy cultivation, crazy absorption.

At this moment, if someone is present, you can even see that a strong aura seems to turn into substance and be brought into the body by Ye Chen. He wants to condense the highest state and set foot on jiangdaoshan!

.....

At the same time, jiangdaoshan is in the magnificent palace.

The night was deep.

Fang Zhenye led the guardian camp, eight people frown, each face is full of different emotions!

Terrified!

Surprise!

Crazy!

Because just a few hours ago, Yuan Bilan, who left jiangdaoshan, died!

The jade brand of life is broken and turned into a pile of powder! That's death!

No one expected yuan Bilan to have an accident!

The key is still this kind of thing!

With the strength of the Li family, Yuan Biran can not be stopped at all!

"Lao Fang, is it possible that the Li family of Xiangjiang has a powerful master in charge of his death?"

An old man couldn't help being so angry any more.

All eyes are on Fang Zhenye.

For the unknown, they only fear.

After a short silence, Fang Zhenye said: "if it's the other masters of Xiangjiang, it's the best. I'm afraid that the boy who killed Lao yuan is the one..."

"No way, that boy is just a place of separation and separation. Besides, we know well about wudaotai in the capital city. The reason why the boy can kill a guardian of China depends entirely on the sword formula left by a great power to him!"

"This kind of sword formula is extremely rare. I guess this kid has only one."

A Chinese Guardian retorted.

Fang Zhenye was lost in thought: "no matter what, we can't take it lightly tomorrow. We have eight people now, and the ten old guys in the other camp are not easy to provoke. Although I bribed several people with Lingbao, I'm afraid that these guys will change their minds."

"What's more, according to the situation in front of us, the boy will surely set foot on jiangdaoshan tomorrow. Today, eight of us will set up a battle all night!"

Fang Zhenye stood up, cautious to the extreme.

"Lao Fang, did I hear you correctly? So many of us even wanted to set up a battle to play Yin against that boy? You think too highly of that boy There's something wrong with an old man's expression.

They are all highly respected people, so bullying a young man, they feel shameless ah!

"I can't care so much now. I have divined a few divinations these days. I don't know the signs of divination. I don't know the auspiciousness. I'd better be careful! Also, if this son is really met by us, no matter what reason, directly start to kill! If you delay, you will change! "

Chapter 487

When the other seven heard Fang Zhenye's words like this, they couldn't help taking a breath!

Eight top Chinese giants should be so afraid of a 20-year-old young man?

What the hell is this!

Even though they have some opinions in mind, they dare not say anything more.

.....

China capital, one o'clock in the morning.

Silence.

A few drunk men who had just finished their supper were swaggering past Qiushui street in Beijing.

"I think I can still drink some, I'm not drunk Give me the wine, and I'll have ten bottles... "

A drunkard, who was held by two people, reached out and muttered.

"Lao Jiang, you have vomited three times, and you are not drunk? Take a walk, I'll take you back to your bedroom. If you're lovelorn, you'll drink less. If you don't go to the old one, the new one won't come A young man with glasses and a reddish face advised.

"I'm not drunk. I can count the stars in the sky. I don't believe it. I'm..."

The drunkard raised his head and just wanted to talk. The next second, his body was stiff and staring at the sky!

Then his body trembled, his back was completely wet, and his eyes widened to the extreme!

Because there is a figure in white above the sky!

A man's hands behind him, white robe floating, just like immortal!

There is a huge sword box behind him!

And he stepped on a huge flying sword!

"Sleeping trough, damn immortal! I see the gods

Exclaimed the drunkard, pointing to the sky!

The rest of the companions did not pay attention to it at all, and laughed and said, "I haven't drunk too much. I have hallucinations. Don't do this next time."

"You see, what a goddamn immortal! That man is still flying with the sword and lying in the trough!"

The drunk was so scared that he knelt on the ground.

The others felt something was wrong and raised their heads one after another. Vaguely, they saw a white figure flash by, very fast.

"This This is a plane... "

See this strange scene, all the people's feet a soft, together kneel down!

A few minutes later, the figure of flying sword appeared on the roof of the teachers' apartment of Beijing Normal University.

It's the wandaojian Zun Chen Tianli who came back from Kunlun Xu!

Because when he came out, he happened to open a secret place in Kunlun, so he went there and brought back some things for ye Chen.

At the moment, he closed his eyes, and his spirit spread far and wide.

After a few seconds, his eyes opened and murmured, "hmm? The boy is not in the capital. According to the direction of the breath, he should go to the southeast coast. "

"It seems that I have to make another trip. According to the divinatory symbols, this boy seems to have a bad and auspicious divination on the southeast coast. I must hurry up. My Chen Tianli's disciples can't be bullied by others. Even if the heaven wants to move, don't think about it!"

Words fall, Chen Tianli fingers pinch, the body burst out a strong breath, directly toward the southeast of China!

.....

A few hours later.

Ye Chen wakes up from the hotel practice, and the virtual shadow of the blood dragon on his head has penetrated into his body.

He stood up and moved his body. He noticed that Li Jiacheng was waiting outside the door.

Xiangjiang's richest man so carefully waiting for a man, also let many people curious.

Ye Chen opened the door of the room, Li Jiacheng's turbid eyes twinkled with a ray of light, and hurriedly respectfully said, "Mr. Ye, you are finally awake."

"Have you been waiting a long time? Yuan Bilan is dead. Do you want to go to jiangdaoshan with me? "

Ye Chen Dao.

After all, killing yuan Bilan is the ultimate goal of Li Jiacheng.

Li Jiacheng shook his head: "I went to jiangdaoshan, which was aimed at that guy. Now that guy is dead, the resentment in my heart is naturally broken. It's ok if Jiang daoshan doesn't go. Besides, even if I go, I don't have any right to block the Chinese guardian."

"I'm here today to send something specially for Mr. Ye. I think Mr. ye should need it."

Ye Chen came, curious: "what thing?"

Li Jiacheng pointed to the house, and ye Chen immediately understood: "you come with me."

After entering the room, Li Jiacheng took out an antique box and carefully handed it to Ye Chen: "Mr. Ye, I haven't told you about this. In fact, it's selfish. It was dug out of the underground ancient city. You helped me to avenge my father's death. This thing is to thank Mr. Ye."

"I don't know the origin of this thing, but I can feel that it contains great value!"

Ye Chen takes the simple box and opens it directly. A crystal clear jade emerges in front of you.

The jade is in the shape of a key, and aura flows out of the key.

Not only that, ye Chen can even feel the life talisman in his body trembles slightly.

It is obvious that there is a talisman in it!

And the grade is not low!"Mr. Ye, I asked a specially assigned person to investigate the patterns and words on it, but there was no result. There was no news about this in the martial arts circles of China. But the only thing that can be confirmed is that this object is closely related to the mural. The mural of the underground ancient city was originally just a blank wall, but when the key came out, there appeared a vision on the wall and the pictures appeared I reserved it yesterday. Please forgive me, Mr. Ye. "

Ye Chen could not see the specific origin of the jade key, so he threw the jade key into the reincarnation cemetery.

"Everyone has their own secrets, I understand."

Li Jiacheng breathed out his breath and then said, "Mr. Ye, I asked the hotel to prepare some breakfast. After that, I'll send someone to drive you to jiangdaoshan."

"No problem."

.....

An hour later.

Jiangdaoshan.

When ye Chen comes to the foot of jiangdao mountain, he can clearly feel that the ancient spirit protecting array is more powerful today.

In the spirit protecting array, there are cold killing intentions!

Once hard to break through, in the blink of an eye, it becomes a blood mist.

No matter what the strength of the strong!

Ye Chen offered Li Jiacheng the jade card he had given him. Almost instantly, a ray of light wrapped it, and ye Chen stepped in.

The powerful aura of jiangdaoshan is coming.

At the same time, ye Chen can clearly feel a force from the blood, as if restless.

He looked at the top of the mountain, and his eyes narrowed slightly: "it seems that my grandfather really brought me here. It is estimated that it has something to do with my blood."

"Why does grandfather keep hiding from his parents? What is he guarding? What is the relationship between the Ye family and the samsara cemetery? "

Why did he choose such a thing against heaven?

The owner of the samsara cemetery controls almost 100 ancient powers. Anyone who gets it can dominate everything.

It is because of the reincarnation cemetery that he became the first person on the list of Chinese masters in half a year!

And the direction of the top of the mountain seems to indicate that the fog will eventually dissipate!

No longer think about it, ye Chen offers a sword to cut the dragon in his hand. His whole body is wrapped with aura, and he flies towards the top of the mountain!

Not long after ye Chen disappeared, an old man with a wine pot in his hand came out of the dark.

He took a sip of wine, looked at Ye Chen's direction, and laughed: "the old guy's grandson is afraid to disturb the game of Chinese chess today. It's interesting, really interesting."

"It's just that some things are not so simple. One person's power can shake the eternal situation. It's afraid it's more or less ominous."

Language down, the old figure completely disappeared, as if never appeared!

Chapter 488

Jiangdaoshan, on the top of the mountain.

It's a huge flat land, which stretches for hundreds of meters.

In the center, there is a pavilion with a strange shape.

There is a huge round table in the pavilion, on which are carved ancient Sanskrit.

There are twenty stone chairs around the round table!

This is the place for the round table meeting of the twenty guardians of China.

One after another, some people walked towards the pavilion. These people exuded an extremely strong breath, with their hands behind them.

One of them is Bao Peimin.

When Bao Peimin took his seat, he took a look at the direction of the entrance.

His face was a little worried, and he always felt that something bad was going to happen.

That boy should not be able to break the ancient spirit protecting array. If he really goes up the mountain today, it may be gone forever.

The only thing he could do was give the boy a chance to survive.

Wan Lao, who was beside Bao Peimin, noticed something and said with a sneer: "Lao Bao, you don't think that boy will come up. What do you think? I admit that the boy is gifted, but this is Jiang daoshan. The array has been completely started. If anyone tries to break in today, he will surely die!"

"If you don't, I'm sure."

Bao Peimin nodded. Then an old man with a white beard and a blue robe sat down.

Twenty stone chairs, two of which are specially colored.

Those who belong to the two camps.

One is Fang Zhenye, and the other is sun Miao, the strongest man in Bao Peimin's camp.

If you really want to rank in the martial arts circle, regardless of the strength in the dark or in the light, sun Miao is definitely qualified to become one of the top forces in China!

"Old sun."

Bao Peimin, Wan Lao and the others bowed their hands to greet each other with a trace of respect.

Sun Miao nodded and opened the document on the table.

The document has a picture of Ye Chen and all the details.

With a glance at his eyes, Cang Long's eyes narrowed slightly: "is that the boy that Fang Zhenye said is this man? It's interesting. It's a pity that China hasn't had amazing talent for so many years. If it's really killed, it would be a pity. "

As soon as Bao Peimin heard this, his eyes were happy. He contacted many guardians of China during this period of time, and he wanted to win over each other!

As long as these people are against Fang Zhenye's proposal, the results of the round table will naturally not threaten Ye Chen!

But at present many people hold a wait-and-see state, only a small number of people who have a good relationship with him are willing to oppose!

If sun Miao is on the side of opposition to Fang Zhenye, it is a great blessing for ye Chen!

"Mr. Sun, I have been in contact with this son. He is not only a talented person, but also a good person. Fang Zhenye is totally out of nothing."

Bao Peimin said seriously.

"Oh?" Sun Miao took a look at Bao Peimin and said, "something out of nothing? Do you think this son has talent? Or can this son become the person who carries the tripod in China

After a few seconds of hesitation, Bao Peimin said in his righteous words: "old sun, we are all old. After all, the martial arts circle in China will still be dominated by young people. This young man, I don't dare to promise that he will become the leader of China! But if he can't become one, there is no young person in the whole China who has this qualification! "

In any case, he will persuade the old man in front of him before the meeting starts! The old man's opinion is crucial!

Just then, not far from Bao Peimin's back, a cold hum resounded!

"Bao Peimin, as the guardian of China, are you sitting here with such subjective emotions?"

Hear this voice, all people subconsciously look behind!

See Fang Zhenye with seven Chinese guardians to this side!

But Fang Zhenye's face is full of anger at the moment.

Eight people took the seat, and Fang Zhenye sat beside Sun Miao.

All 18 seats are available.

The two positions are empty and particularly eye-catching.

Fang Zhenye looked at Sun Miao beside him and said, "Lao Fang, what is this son like? Most of you know clearly. How many people have killed and how many families have he killed since he came to China? This son is extremely murderous and arrogant. If this kind of boy is not killed, the consequences will be unimaginable! "

As he said this, he looked at Sun Miao and wanted to know what he thought, but there was no emotion on the other side's face.

He can only continue: "this boy even doesn't pay attention to the guardian of China. If this kind of person doesn't kill, people all over the world will see our guardian's joke!"

"If you let this son grow up again, the consequences will be unimaginable! It's even dangerous for us. I'm not talking about it as a matter of fact! "

"Bao Peimin, don't think I don't know. You and Ye Chen have some friendship. A few days ago, we met privately in a tea house in Xiangjiang. Who knows if you have benefited from each other? I have heard that there are many treasures in this son. "

As soon as Fang Zhenye came, he threw out these words and immediately let the Chinese guardian's face fuse. Bao Peimin snorted coldly and clapped his hand on the stone table!

"Fang Zhenye, what do you mean! I'm just standing in my angle! It's not like you turn right and wrong upside down! What is your intention to use the round table meeting of the guardian of China for your own selfish desire? "

Just as Fang Zhenye was about to say something more, sun Miao held out his hand and sat down a quiet sign.

Then, looking at Fang Zhenye, sun Miao murmured: "I know that one of the guardians of China has been killed. Now that the time is almost up, why are there only eighteen? What about yuan Bilan? If we don't come again, we're going to start. "

After hearing this, Fang Zhenye said coldly: "yesterday, Yuan Bilan went to Xiangjiang and was killed by accident! According to my investigation, Yuan Bilan is likely to be killed by Ye Chen by some means! "

"In a short month, both the guardians of China were killed. Without this son, all 18 of us are in danger."

"There are only 18 of us in this round table! Let's see what we can do! If you don't get rid of this son, you will grow up and be lawless! Who can stop this boy in China

As soon as this was said, the whole world was quiet.

Everyone didn't expect yuan Bilan to die. How long has it been? The key to killing two guardians of China is that Yuan Biran's strength is far from that of the former one!

Everyone didn't believe it for the first time, but Fang Zhenye couldn't make fun of the life of a guardian of China!

Bao Peimin's expression is also fusion. He knows Ye Chen, and he knows Ye Chen's strength. He killed yuan Bilan?

How could that be possible!

He directly stood up: "Fang Zhenye, you used the word" may ", that is, you are not sure, you impose the crime on one person, is it too much?"

Fang Zhenye took out a document and then threw it to Bao Peimin: "these are some photos of the Li family in Xiangjiang. From the photos, only four people were present at the time of Yuan Bilan's accident. We all know the strength of the Li family. We know that it is impossible to kill yuan Biran. The only possibility is this ye Chen!"

Chapter 489

"Bao Peimin, how many times do you want to struggle? You protect Ye Chen everywhere. I'm really curious. What position do you stand for? "

"Is it possible that ye Chen is still your illegitimate son outside?"

When Bao Peimin heard this, he was so angry that he hit the table!

"Pa!"

"Fang Zhenye, what are you talking about! I'm not helping Ye Chen. I just can't stand your methods! "

"The guardian of Huaxia is to protect Huaxia, not a tool for you to kill! Also, you obviously have the strength to kill Ye Chen. Why don't you take the initiative to kill Ye Chen? With this round table, do you want to drag all of us into the water? "

"Ye Chen's strength is so rebellious that I don't believe there is no powerful clan behind him. On the surface of all kinds of signs, are you afraid of the sect gate behind Ye Chen?"

Bao Peimin is determined to protect Ye Chen!

He doesn't care about breaking up with Fang Zhenye.

People live, trees fight for a skin!

All of a sudden, the whole round table exploded.

Everyone watched the dispute between Fang Zhenye and Bao Peimin. They didn't pay much attention to Ye Chen. Now it seems that ye Chen is not as simple as expected.

Fang Zhenye just wanted to stand up and say something. Sun Miao, who has been quiet all the time, opened his mouth: "I believe all of you here have already understood this matter, and the documents on the table have also explained the specific process."

"Ye Chen's killing of the two guardians of China should be based on solid evidence. The only problem is motivation. People have the heart to protect themselves, and ye Chen is no exception. If he killed the guardians of China for the sake of protecting himself, everything would be said in the past."

"Whether it's right or wrong, we must have the answer in our hearts."

"There's no need to argue about anything, Fang Zhenye and Bao Peimin. Let's have a final word, and then vote directly. If we continue to fight like this, we don't know when it will be over."

Sun Miao's words made everyone quiet.

Bao Peimin glanced at Fang Zhenye and said in a cold voice: "first, it was the guardian of China who broke the rules in the first battle of Wudao Bureau in the capital city! irrefutable evidence! It's time to kill! Second, there are many doubts about yuan Biran's death. At this time point, only Fang Zhenye knows why he left jiangdaoshan! I don't think there is any problem with Ye Chen's handling! Give ye Chen a few years of growth time, he is fully qualified to sit in our present position! I'm done! "

Bao Peimin sat down directly. He saw that several of his companions were already nodding and exhaling.

As long as nine people agree, Fang Zhenye has no chance!

Fang Zhenye's fingers gently tapped on the table top and outlined a confident smile on his mouth: "I have nothing to say. I have only one request. Not only that ye Chen is going to die, but the people around him can't stay, including his parents, friends and his influence."

"If these people don't kill them, they may soon have another Ye Chen Cut the grass and remove the roots! "

Fang Zhenye's mouth appeared cruel smile.

Sun Miao saw the two men finish, and said, "let's vote. The old rule is that those who support killing Ye Chen press the red button, and those who oppose it press the green button in front of them."

At the same time, sixteen green lights flash!

Except for sun Miao and Bao Peimin who didn't press the button, almost everyone supported killing Ye Chen!

Bao Peimin is confused. He finds that all the people who have promised to support Ye Chen with him these days have changed their faces!

He may be able to understand those people's changing faces, but wan Lao beside him even supports killing Ye Chen?

Wan Lao is a close friend of Bao Peimin!

Now it's the other way round!

Wan Lao naturally noticed Bao Peimin's eyes and said, "I'm sorry, this time, I'm standing in Fang Zhenye. Ye Chen is full of uncertainty. Even though this son may achieve extraordinary things in the future, there is a big gap between his achievements and his harms."

"If you don't kill Ye Chen, the guardians of China will not be peaceful. I am also for you."

It's not good to cultivate people's morale!

He never thought that someone would betray him!

He wanted to help Ye Chen save everything, but now it seems impossible!

Even if he and sun Miao voted against it, what's the use!

Fang Zhenye laughed. He had a winning smile on his face: "Bao Peimin, the round table meeting is over. You can't stop it."

"Ye Chen should have been damned. This is everyone's opinion. You have nothing to say."

"In this case, we split action, I take people to kill Ye Chen, the rest of the people erase this ye Chen side!"

"As far as I know, there is a woman named Wei Ying in Xiangjiang, who is closely related to this son. There are also several women in the capital, including her mother, Jiang Peirong, who killed them all! Not one. "

"We must make a quick decision. We must not delay it!"

The cold words resound, and Fang Zhenye seems to be in charge at the moment.

Sun Miao frowned. He felt that Fang Zhenye's way of dealing with things had gone too far, but some things had become a foregone conclusion, and it was impossible for him to stop it. Ye Chen's life and

death have nothing to do with him. There are a lot of Chinese talents, but those who do not know how to restrain their sharp points. Even if they don't die today, they will die in the future. Fang Zhenye just brought Ye Chen's death forward.

He doesn't need any pity.

Just as all the guardians of China stood up and were ready to leave, a young man full of blood rushed up!

"No! Someone Someone's coming up! "

Fang Zhenye's eyes suddenly shrunk. His five fingers gathered strength and directly grasped the young man in the palm of his hand. He even asked, "what do you say? Who killed it? "

"Ye..." The young man's words have not finished, a cold sword directly cut through the sky, with a strong air wave impact on his body.

Straight through!

Fang Zhenye's face changed greatly!

This young man is his subordinate. Who could have thought that someone would dare to kill him in front of him in jiangdaoshan!

Not only did Fang Zhenye change his face, but everyone's expression was wrong.

Just then, the sound of footsteps came slowly from the distance.

Step sound closer and closer!

Gradually, a cold and proud figure appeared in front of all Chinese guardians!

The young man held a long sword covered with blood, and his whole body was filled with bloody evil spirits, and his eyes were extremely cold.

It's Ye Chen!

Seeing ye Chen appear in jiangdaoshan, Bao Peimin's expression changed!

He did not expect Ye Chen would really kill the door!

Isn't this death?

These people are going to find him!

Sun Miao's eyes narrowed slightly and his mouth was filled with surprise. He could feel the evil spirit of Ye Chen.

How many people did this son kill to have this kind of evil spirit?

Is it the way he killed?

If this is the case, it will not be unjust to kill it.

After all, the existence of such a way of killing has rarely made great contributions to China.

Some extreme people have become demons.

Chapter 490

Ye Chen finally stopped and looked at Fang Zhenye in the distance coldly and said, "this is the gratitude and resentment between you and me, why even innocent people are not let go."

He just heard Fang Zhenye's words not far away!

I also know the outcome of the so-called round table conference!

A group of high-ranking beings can dominate other people's lives at any meeting?

Are these people really guardians of China?

All the fuckin 'protecting their own interests!

Ye Chen is really angry! He knew that this was a bad time, but in any case, the war could not be avoided!

His condition has been adjusted to the peak! The blood dragon in the body seems to be about to rush out of the body!

Not only that, but also the third sword. He tested it in the samsara cemetery last night.

When the life talisman and blood dragon are opened at the same time, he swallows a lot of pills. The third sword is enough for him to bear!

This is not his biggest card. His biggest card is to find that the reincarnation graveyard is constantly shaking. He can feel that Chen Tianli is getting closer and closer to him!

There's no power behind him?

Wan Dao Jian Zun is enough to crush everything!

Looking at Ye Chen, Fang Zhenye is happy.

It's no trouble to find a place to get it!

"Boy, I didn't expect that you would really set foot on jiangdaoshan, OK! very nice! This also saves me to go to you in person! After today, this is your burial place! "

Ye Chen's eyes were cold, and his sword was still dripping with blood. His whole body was full of evil spirit. He even said, "where are they, Lin Jue long! And where is my father? "

Fang Zhen's amateur light took a look at the other guardians of China behind him and naturally would not admit it.

"I don't understand you!"

Ye Chen knows it will be this answer. No matter what, some answers are just smashed out with fists!

He didn't want to talk nonsense any more and rushed out to Fang Zhenye directly!

The whole body of the wind swept, killing the sky!

Seeing is about to touch Fang Zhenye, a figure has been blocked in front of Ye Chen.

It was Bao Peimin.

Ye Chen naturally recognized Bao Peimin and said in a cold voice, "do you even want to stop me?"

Bao Peiming shook his head and said to Ye Chen, "Ye Chen, I didn't help you in this matter. Now the only thing I can do is to help you hold down Fang Zhenye and other people. You are not their opponent. You really shouldn't step on the jiangdaoshan mountain."

"Now you leave, I can't last long."

As the words fell, Bao Peimin drew out a cold sword and released his momentum. The sword pointed directly at Fang Zhenye: "Fang Zhenye, even if everyone is on your side, my decision will not change."

Fang Zhenye gave a cold smile: "Bao Peimin, I have seen that you have a problem. Now it seems that you even dare to disobey the results of the round table conference. You are looking for death! I really think that as the guardian of China, we dare not move you! "

Bao Peimin's eyes are firm! He is optimistic about ye Chen, but now his behavior is just for his own heart!

It is the salvation of the guardian of China!

The guardian of China was not a thousand years ago or a hundred years ago!

Full of holes!

If he goes against his heart again, there is no need for the guardian of China to exist.

Sun Miao in the distance looks at the scene in front of him and doesn't speak. Although Bao Peimin belongs to his camp, Bao Peimin has made a taboo!

No guardian of China can stop the decision of the round table.

Violators will be expelled from the Chinese Guardian echelon!

The point is, he really can't think of it. Why did Bao Peimin do this for a boy who is still in his infancy?

Fang Zhenye also had a long knife in his hand. He looked at the two guardians around him and said, "take ye Chen, I'll solve Bao Peimin!"

"Good!"

The eyes of the two guardians of China show a trace of killing intention, and then turn into shadows and quickly go towards Ye Chen!

At the same time, Fang Zhenye, with a knife in his hand and a deep cold in his eyes, went to Bao Peimin: "Bao Peimin, you have violated the round table conference. I will kill you, and no one will have an opinion!"

"It's just that I can learn your swordsmanship!"

Bao Peimin took a look at the three people who rushed to him. He shrunk his eyes and said to Ye Chen, "boy, you go first! Today is the guardian of China. I can fight for three minutes for you! Go down the mountain in three minutes! Try to get out of Huaxia

Finish saying, he will no longer tube YE Chen, first toward that rush to two Chinese guardians and go!

Fortunately, the only one left is not fighting!

Against three people, he can barely hold on!

"Stop it for me!"

Bao Peimin stepped out of the roar.

Boom

One palm blows out, the palm wind bursts out, and a substantial palm print condenses out, like the scorching sun, rolling toward the two people. He didn't want to move his sword until he had to!

Because once the sword is moved, it will go to the extreme direction!

Looking at the pressure of the palm print, the two Chinese guardians who are ready to deal with Ye Chen show a bloodthirsty sneer.

"You are wrong in this move!"

Those two people hit two punches directly!

Boom

The shadow flashed by, and a burst of fists exploded.

As the stars come down, the moment before the palm print blows on them, the fists rush to!

In the strong breath, the fist shadow and the palm print collide fiercely together.

It's like a mountain falling apart.

In the fierce roar, the endless wind swept in all directions.

The whole earth vibrated faintly.

This is the real power of the strong!

There are cracks on the top of Jiangdaoshan mountain, and several giant trees around collapse!

Strong momentum swept through!

Bao Peimin stepped back two steps and his blood was surging up!

And the other two people also stepped back a few steps, and were even more wide eyed. They had no idea that this Bao Peimin had such strength!

At the moment, they clearly feel the paralysis of their fists, and feel the domineering atmosphere that rushes into their bodies. They look at Bao Peimin who appears in front of them with the momentum of thunder and blocks their own attack. They are all shocked!

This bag Peimin has made a breakthrough!

Bao Peimin stepped out and said to the two humanitarians, "I don't want to fight again. After all, we are guardians of China."

The two men hesitated. If Bao Peimin broke through that realm, they did not mean to stop them!

At this time, Fang Zhenye, holding a broadsword, went directly to Bao Peimin!

The sword danced and the momentum exploded.

Just in this moment, Fang Zhenye's murderous opportunity erupted in his eyes and his momentum erupted.

He, finally to his own strength, no more concealment!

The cold light twinkles, a knife skill has already been displayed!

That cold light, fast to the extreme, cut through the sky, as if from hell, with the call of death!

"Even if you break through! If you stop me, ask my Dao Tong whether you agree with me first

Fang Zhenye's roaring sound resounds through the world!
