Chapter 4891

It was Zhou liebai who was wearing a white robe.

At the moment, he glanced at the three people. When he saw Ye Chen, he was a little surprised. But soon, his face was slightly cold and said: "I didn't expect that as soon as I came in, I met three ants. Then, crush them to death."

When Qin Xiuyue and Li Zhenwu heard the speech, their brain roared, and they were almost incontinent. They even stopped breathing!

This week, liebai heard that he was bloodthirsty. It seems that he is right at all!

However, at this time, the woman holding the pipe, Zhou qiongyan, however, vomited out a mouthful of smoke and said with a smile: "it's just ants. What threat can it pose to us if we keep it? On the contrary, we have to stay in this examination room for a long time. I am not used to the days without servants. Let these people be coolies. "

When coolie is a very humiliating thing, but now for Qin Xiuyue two people is a great good thing!

Qin Xiuyue's heart is still a little unwilling, and Li Zhenwu, if not Qin Xiuyue is still here, it is estimated that she would give a performance of five body throwing to the ground for several people!

In fact, we can't blame him. Although the cultivation of the three people is not much different from them, their cultivation is not equal to their strength!

These three people, even if placed in the heaven and man domain, are also known as Tianjiao!

The ranking of tianrenyu family, to a large extent, depends on the number of children in tiandian, and the Zhou family is a big family.

Even in such a family, Zhou qiongyan and Zhou liebai can be called the pride of the new generation in the family!

But, the most frightening, or that rough youth, Gu Quan!

Zhou's brother and sister are very rebellious, but they have not yet been on the list of gods and Cang, and this ancient spring is a famous strong one on the list of gods!

Most importantly, he is still a double list monster!

What is a double list person?

That is, at the same time, the people in the God Star list and god heaven list!

God Star list, gold content is not high, but if it is on the double list at the same time, the meaning is completely different ah!

Less than a thousand years old, they have the strength to ascend the list of gods, which is worthy of the super demon!

On the whole, Qin Xiuyue could not afford to be a servant. It might be a chance for them to be servants!

But at this time, Gu Quan, who had not spoken, suddenly narrowed his eyes, looked at Qin Xiuyue and said, "are you from Tianxing pavilion?"

Hearing this, Qin Xiuyue felt awed and nodded: "yes, I am Qin Xiuyue from Tianxing Pavilion..."

"Qin Xiuyue? Qin Ziwei's sister? "

Gu Quan's mouth suddenly raised a smile, malicious smile.

Seeing this smile, Qin Xiuyue felt that her whole person would be frozen!

Zhou qiongyan looked at Gu Quan and said, "old master, what's wrong with the star Pavilion this day?"

Gu Quan gazed at Qin Xiuyue and said coldly, "I have a friend who would have participated in the tiandian examination, but his quota was robbed by Qin Ziwei? Hehe, I heard, or for the sake of a boy in Yangzhen area?"

You know, I'm the most loyal person. Naturally, this matter can't be ignored. "

Qin Xiuyue and Li Zhenwu heard the speech, and their heart sank completely. They all looked at Ye Chen in an instant, and their eyes were angry!

They were able to survive, because the damned boy dragged them all down!

Gu Quan noticed their eyes, which was also a flash. He looked at Ye Chen and said, "no, that boy of Yangzhen area is you?"

And ye Chen swept Gu Quan one eye, lazy to speak, he has begun to distinguish the direction, ready to leave.

As for the servant who has nothing to do with him, it must be true that the servant is also a servant of the three ancient springs.

Hearing this, Li Zhenwu said in an instant, "Ye Chen! You'd better get down on your knees and apologize! You're such a trash. You've taken the place of Mr. Gu's friends? What a shame! You are such a low-level person in the real world, you should not have the illusion of joining the temple of heaven

Li Zhenwu is really angry with Ye Chen!

In the face of Guquan, ye Chen is still proud, or ignore, but also install?

Will convergence die?

He longed for ye Chen to kneel down and beg for mercy, for fear that ye Chen's attitude would annoy Guquan and implicate himself!

But who knows, at this time, ye Chen is looking at Gu Quan and saying: "I can't wait to be your servant. Now, we are going to leave. As for the quota, if your friend is not happy, why don't you challenge me?"

Said, then looked to Qin Xiuyue way: "the human sentiment, I already returned, does not walk is your matter."

Said, then ignore, directly in a certain direction to step and go.

For a time, Gu Quan, Zhou qiongyan and Zhou liebai were all stupid and sluggish

They never dreamed that a waste of heaven and earth would talk to himself in front of others?

If they say they don't do it, they don't do it?

Say go, go?

Don't pay attention to them at all?And Qin Xiuyue and Li Zhenwu are paralyzed!

Qin Xiuyue yelled: "Ye Chen! You! It's too presumptuous

This boy is the king of death. He not only killed himself, but also took them to do it together?

Ye Chen's refusal is enough for three people to die thousands of times!

And Gu Quan's three faces are also completely cool down!

However, Li Zhenwu was the first to move!

At the moment, his eyes were bloodshot, and he was about to turn into a mad dog. His body flashed, and he stopped in front of Ye Chen. He gasped heavily and roared wildly: "Ye Chen! Can you refuse the old master and others! You still want to go? I order you to kneel down and apologize to Mr. Gu immediately. Otherwise, don't blame me... "

However, before he finished speaking, ye Chen directly raised a foot and kicked Li Zhenwu.

The public was stunned again!

In the eyes of those present, Li Zhenwu's strength is countdown, but it is not a place where heaven and earth can compete. But ye Chen is directly against Li Zhenwu?

This guy's not mentally abnormal, is he?

Li Zhenwu is also completely ignited, his brain is full of killing intention, full of ferocious color staring at Ye Chen!

You don't kneel?

Hehe, OK, can you stand still if you break your leg?

With all his spirit and strength, he lifted his hand and grabbed Ye Chen's leg. With a grim smile at the corner of his mouth, he seemed to intend to tear off one of Ye Chen's legs directly!

In a flash, ye Chen's leg collided with Li Zhenwu's palm!

As everyone expected, blood splashed and screams broke out, but

At this moment, Qin Xiuyue, Zhou qiongyan and others are all slightly changed. Even Guquan's pupil shrinks and his face looks shocked!

The bleeding and screaming person is not ye Chen!

But Li Zhenwu!

Ye Chen kicked Li Zhenwu's arm to pieces. The whole person flew out of the ground, struggling wildly on the ground. His eyes were full of disbelief and fear!

The air on the scene, instantly solidified!

People's thinking is a little confused

Who did not expect that Li Zhenwu was really defeated, but also defeated so ugly!?

This boy from Yangzhen area is a bit weird!

Chapter 4892

Among them, the most frightening is Qin Xiuyue!

Just now, she wanted to cut Ye Chen's sword into pieces, but now she is stupid

She is not without eyesight. It can be seen that ye Chen's strength seems to be superior to her own

I used to ridicule him and so on. It's just like a joke!

For a time, her heart is a shame, but Qin Xiuyue hates Ye Chen even more!

She wants Ye Chen to die, so that her shame can be washed away!

Ye Chen did not look at Li Zhenwu at all, and continued to walk forward. A clown, he bore several times.

But at this time, it is a human figure, silent appeared in front of Ye Chen.

Qin Xiuyue took a look at the man, and a happy look appeared in her beautiful eyes. This man is a famous ancient spring!

She said in secret: "damn Ye Chen, let you pretend that you are dead now!"

Even if ye Chen is stronger, he can't be Gu Quan's opponent, right?

Gu Quan grinned at Ye Chen with a startling smile, revealing some inhuman teeth and saying, "I let you go?"

His tone of voice was so bland that it was impossible to imagine the number of people who died in Guquan's hands. Otherwise, he would never have carried such a heavy killing opportunity with a word!

I'm afraid that the warriors in the early stage of the real world will have a trace of timidity under the impact of this killing intention!

However, ye Chen's look has no change, if you insist on saying, it is the color of impatience in the eyes is more intense.

Clown, you can't finish it?

He spoke slowly and only one word came out.

"Go away."

I'm too lazy to say that the ancient spring is not worthy.

As soon as you say this, the orange mountain area is going to have an earthquake, and the air will boil!

If ye Chen defeated Li Zhenwu, he was just shocked. At the moment, this rolling word simply made people's brains tremble!

They didn't think that people can really be crazy, can not fear death, to this point?

Can ye Chen not see the strength of Guquan?

And Qin Xiuyue is more excited. Who will die?

Just then, a breath suddenly burst out!

In a flash, the whole world seems to be gloomy down, Guquan looks extremely cold, staring at Ye Chen, like a demon from hell.

Even in the realm of heaven and man, not many people dare to ask him to go away!

On the surface of his body, there are strange lines in the lines, which seem to contain a power that makes the soul tremble!

His wrist turned, and a meteor hammer appeared in his hand. The meteor hammer was obviously extremely heavy. Just holding it in his hand, the whole space seemed to be distorted!

Countless trail marks were printed on the surface of his body!

Qin Xiuyue's beautiful eyes are full of horror. There is no big difference between the ancient spring and her realm, but the strength is very different. Now, the laws of heaven and earth in the burning real region seem to have been imposed on her body. It is no exaggeration to say that Guquan can set off a level 10 hurricane with one breath, and can cause tens of thousands of kilometers of earth's crust collapse with a stamp of feet!

Refining the way is like carving the body, returning from the day after tomorrow, which is more consistent with the road of heaven and earth. However, even if the sword is used, the carving difficulty of each person is different!

Some people are almost works of art when they are still raw stones. In this way, the grinding process is much less than others, and the quality after completion is not of the same grade!

Guquan is obviously this kind of person with unique advantages!

At the next moment, Guquan is ready to reach the peak. His body shape flashes and disappears in front of Ye Chen. His body method is so weird that he can't even capture Qin Xiuyue at the same level!

Even Zhou qiongyan and Zhou liebai had a flash in their eyes. Even they could only see the shadow!

You know, this is a hundred times the gravity of the Yangzhen area, even if it is tens of times the gravity of the heaven and human domain. It is really terrifying to be able to have such a speed in such a place!

And ye Chen, at the moment, is standing in place, motionless, the eyes did not go to capture the meaning of the ancient spring.

Several people laughed at this.

It seems that the boy named Ye Chen is just like this. He can't even see the shadow of Guquan. It's impossible to have any accidents in this battle.

Suddenly, the space seemed to shake slightly. The figure of the ancient spring appeared behind Ye Chen in an instant. The meteor hammer in his hand had been turned into tens of thousands of shadows. The power contained in it seemed to be able to solidify, and not a trace of it had escaped. Even the wind did not lift, and it was completely condensed in the meteor hammer!

And this meteor hammer, in a flash, towards Ye Chen's head!

See this hammer, Zhou qiongyan several people more firm, ye Chen finished.

Gravity is strong. There are good and bad. The advantage is that if you use heavy weapons like Guquan, especially if you can rely on gravity, your attack power will increase!

If this hammer hits the ground, it is estimated that it will hit a kilometer deep pit, right? And now, ye Chen has no chance to dodge, even to make a response in their view is very difficult, even if made a response, that, at most, can only defend this blow!

And Guquan hard defend?

Hehe, it's a joke.

Others don't know. Zhou liebai knows that Guquan has a special spirit body, which is called carrying heaven Dharma body!

What do you mean?

Strength can carry the sky!

Close combat, gravity blessing, can be said to enhance Guquan's combat effectiveness to the extreme!

Can this win?

That ye Chen can be written into the legend!

It was the boy's misfortune that completely angered Guquan.

Guquan hand, has always been do not know how to keep hands, there is no sense of propriety!

Can, no one noticed, at the moment, ye Chen's eyes are slightly flashing a touch of eager color!

"Xuanhanyu, lend me some strength!"

In everyone thought that ye Chen was going to turn into blood mist, but at this moment, heaven and earth seemed to have a moment of stillness!

Why is it still?

Because fast.

What's fast?

Ye Chen's speed, faster!

For a moment, ye Chen showed a fantastic explosive force, he suddenly turned his body to face the ancient spring!

The meteor hammer, which originally fell at a high speed, seems to have started to play in slow motion!

In the whole world, it seems that only Ye Chen can act at normal speed!

With a bang, ye Chen's fist suddenly surged with black flame and magic lines. He hit the meteor hammer with a fist!

With Ye Chen's fist, vaguely, it seems that there is a golden sky, black sun and a magic shadow on his fist!

And that black flame, the moment and the dark sun into one!

The next moment, time recovery, a bang bang suddenly issued!

This burst, deafening, as if the entire Yanzhen area has been affected by the sound wave!

A mushroom cloud rises from the ground, and a strong shock wave sweeps around. Zhou liebai and Zhou qiongyan are reluctant to stand, while Qin Xiuyue is overturned and sits on the ground!

Chapter 4893

Then, let their life unforgettable scene appeared!

I saw a figure with blood all over it. It flew backwards and hit a stone mountain near them. The stone mountain was smashed in an instant. The figure barely stopped and fell on the ground!

When people looked at the figure, their thoughts solidified in an instant

Why?

Because this person is the ancient spring!

The most important thing is that Gu Quan's face is full of incredible expression. His whole body has been dyed red with blood. The hand holding the meteor hammer is twisted to an incredible angle in an extremely horrible posture!

It can be said that it is completely abandoned!

Not only that, rolling blood, gushing from its body, bones do not know how much broken!

What's going on here!?

Zhou qiongyan and others couldn't believe it. Their breath was frozen. To tell the truth, they didn't even see clearly just now. How did ye Chen do it!

How in a twinkling of an eye, Gu Quan was seriously injured?

What's more, it's an ancient spring that carries heaven's Dharma body!

For a time, a kind of inexplicable terror surged from their hearts!

Is it a ghost?

Zhou qiongyan and Zhou liebai entered the fighting state in an instant, and their breath broke out. Zhou qiongyan had a long whip in his hand, while Zhou liebai held a huge sword in both hands!

But at this time, Gu Quan's voice was a little trembling and he murmured: "stop it!"

For a moment, Zhou qiongyan and Zhou liebai were stunned.

They even heard a trace of horror and fear from the voice of bone fist, which had always been afraid of heaven and earth?

Guquan, this Are you afraid?

At this time, the dust and smoke dispersed. A young man frowned slightly and looked at his fist. It seemed that he was not satisfied with the blow.

In fact, it is.

This is Ye Chen's first real battle. However, the effect is not very ideal. Originally, he wanted to smash half of Guquan's body.

After all, there is a trace of Xuanhan Jade's power!

However, he did not control the integration of the two forces.

Ye Chen murmured: "it seems that looking for opportunities, we have to fight with the strong several times."

This kind of thing can only be promoted in actual combat.

And Zhou qiongyan and Zhou liebai can't help shaking

With Gu Quan's hard fight, ye Chen is actually undamaged?

Is this true or false?

What monsters did they encounter?

It's no wonder that the ancient spring will be frightening!

Ye Chen glanced at Zhou qiongyan and Zhou liebai and said, "why, I can't go?"

They looked at each other and shook their heads. At the moment, how could there be the attitude of holding the power of life and death and commanding at the beginning?

I can't be any better.

As soon as ye Chen turns around, he leaves directly in the selected direction.

Qin Xiuyue, sitting on the ground, is completely dull. Like a wooden man, she only feels that something warm is pouring out of her lower body.

After ye Chen left, Zhou qiongyan lifted up Gu Quan and said, "how about old master?"

Gu Quan reluctantly put his hand back. His face was a little gray, and he said in dismay: "even with my Dharma body, this hand can't be recovered in a few years..."

Speaking of this, Gu Quan's eyes showed a trace of fear and said: "his attack is too strange, with the smell of destruction. Somehow, it is more powerful than the destruction rhyme I have been exposed to!

Anyone who gets hurt by that kind of attack will be miserable! "

Zhou qiongyan's face is white, and he carries the Dharma body of heaven. He is not only very powerful, but also has a strong constitution. However, even the ancient spring will take several years to recover?

Zhou liebai was reluctant to say, "don't I have any chance to join hands?"

He still can't accept that the gap between himself and ye Chen is so big!

Gu Quan sighed and said, "it's easy for him to kill us. Don't provoke him. Let's go."

This sentence, let the Zhou family brother and sister thoroughly despair

They want to break the head can not think out, Yang Zhen domain, how can this kind of monster appear?

After that, he took a look at the direction of Ye Chen's departure, and chose a road that deviated from its route.

After all the people left, it took half an hour for Qin Xiuyue to regain her sanity. Looking at the wet pants and the water stains on the ground, she could hardly bear herself. After changing her trousers, she went away in a certain direction.

.....

On the other side, ye Chen is walking fast on the earth. He wants to get close to the south end as soon as possible!

This fire and fire spirit are extremely important to him. Ye Chen doesn't want to be taken advantage of by others!

At the same time, his huge mind was released, looking for the fire pit on the road.

Although most of the fire pits are concentrated in the south end, there are some in other areas. At this time, ye Chen's look moved and he found something!

With a flash of his body, he came to a basin, and with a fist, he knocked out a big hole at the bottom of the basin!

In an instant, the breath of incomparably hot came to his face, and in front of him appeared a huge fire pit with red light!

Looking at the fire pit, ye Chen flashed a different color in his eyes and said, "this is the underground fire pit?"

This fire pit seems to be a little common.

However, when ye Chen felt the terrible firepower contained in the orange red slightly golden flame, he was completely excited!

It's really hot. It really deserves the reputation!

The scale of this fire pit is not large, but if the fire is absorbed completely, can Xuanyan have a small promotion?

Immediately, ye Chen no longer hesitated, and instantly entered the fire pit. The fire of this small fire pit is nothing to his body today.

At the next moment, ye Chen's mouth opened and swallowed the burning fire as if it were a long whale. At the same time, he ran Xuan Yan to refine the fire!

Xuanyan is just like a tiger in a flock. He is extremely excited. Although Yan zhenhuo wants to resist, under the suppression of Ye Chen, all resistance is in vain!

About an hour later, ye Chen finally swallowed up the fire in the fire pit!

When he stretched out his finger, there was a silver flame at his fingertip, but the surface of the silver flame had a touch of orange red light!

Feeling the increasingly burst of fire, ye Chen nodded with satisfaction. At the next moment, he drank a low voice and ran the burning blood formula!

Rolling silver flame covers the whole body, surging to the extreme strength, surging in the body!

Ye Chen at the moment, just like the God of war!

He waved a few punches at will, which was a violent storm!

Moreover, the meaning of boxing has naturally brought a trace of fire rhyme, more burst!

This small pit of fire probably increased Ye Chen's strength by about one thousandth when he used the formula of burning blood.

Don't underestimate this result, it's already very good!

After all, it's just a small fire pit. When it comes to the real large-scale underground fire pit, the number of burning real fire will be 10000 times, or even million times, tens of thousands of times of this small fire pit!

Chapter 4894

Of course, the more to the back, Xuanyan wants to upgrade is also more difficult, after all, to further upgrade must surpass the level of foreign Shenhua.

Ye Chen will flame a collection, is ready to continue on the road, but at this time, he is suddenly a flash of vision, looking in a certain direction.

I saw a figure there!

Almost at the same time, the man also looked at Ye Chen, two people's eyes far apart, had a collision, faint, hit a burst of sparks in the air!

Ye Chen's eyes flashed, but the man's eyes were quite fierce!

However, this is not what Ye Chen cares about most. What Ye Chen cares about is his martial arts!

Not far away is a seemingly 18-year-old boy, dressed very untidy, although the material of the clothes is a good spirit, but somehow, although not dirty, but it was worn out!

And this young man, it seems that they do not care about the general.

At the same time, the cultivation of young people is not so amazing. It is only in the early stage of the real state, which is worse than Li Zhenwu.

Of course, his age is much younger than Li Zhenwu, and even younger than Guquan. His age is only over 300 years old.

However, compared with its appearance, it is a kind of martial arts charm that the whole person sends out!

That is a kind of broad, profound, vaguely pointing to the original meaning of martial arts and Taoism!

This young man, obviously, has high attainments in the aspects of Dao Yun, law, and Yi Yun!

However, what makes Ye Chen a little strange is that although his eyes are sharp, they are a little too clear

It's good to have clear eyes, but it's not normal among martial arts

What's more, the young man's eyes can be said to be clearer than the baby's, which is somewhat bizarre

It is not that such people do not exist, but in the world of warriors, it is almost impossible to survive.

At this time, the young man also showed a look of great curiosity towards Ye Chen, and walked quickly towards Ye Chen.

Almost just a few flashes, then across a thousand miles away, came to Ye Chen in front of.

He gazed at Ye Chen and said, "my name is Zhu Yuan."

"Ye Chen."

Zhu Yuan looked at Ye Chen very seriously and said, "Ye Chen, your martial arts are very good and special. I like it very much. I want to compete with you."

When ye Chen hears the speech, he is stunned. He is a little silly

After two strangers came up and reported their names to each other, their first words were martial arts competition?

This kind of situation is not rare, but generally it has a special purpose.

But ye Chen knows that Zhu Yuan really just wants to compete in martial arts!

It's not impossible to compete in martial arts

However, this person's speech is a little too direct

At this time, xuanhanyu said: "Ye Chen, I'm afraid this boy is a rare sight for thousands of years. He has a brilliant martial spirit."

"Enlightened martial spirit?"

"It can be said that the Tongming martial spirit belongs to the constitution as well as the qualification. It is extremely rare, extremely adverse to the heaven, and has unlimited potential. In terms of Daoxin, it is

almost second only to your Wuzu Daoxin. Moreover, the benefits of knowing the martial spirit are far more than this one!

However, there is a problem with the Tongming martial spirit, that is, the owner's thought is very simple, and he hardly cares about other things except martial arts.

If you can, take this person, he has the qualification to follow you! "

Ye Chen smell speech, eyes bright!

Xuanhanyu's eyes, he is very clear, even she praised so much, this Zhu Yuan how against the sky can imagine!

Ye Chen raised a smile and said, "why should I compare with you?"

Zhu Yuan was stunned and frowned: "the pursuit of martial arts, naturally to compete."

Ye Chen shook his head and said: "you pursue your martial arts, I pursue my martial arts. You need to compete, which doesn't mean I need it."

Zhu Yuan scratched his head.

In fact, he doesn't want to compete with everyone, even few people can let him have the idea of competition!

Because, from the beginning of his birth, he found that he was incompatible with other people, and the martial arts of other people were just like children's play in his eyes!

Let him not mention the slightest interest!

Now, many of them are younger than others!

Originally he thought that ye Chen must have the same idea with him, but who thought he was rejected?

Zhu Yuan's eyes flashed. He was about to force Ye Chen to compete with him. Suddenly, he was stunned

At first, he was attracted by Ye Chen's martial arts, and he didn't even find out that ye Chen was just a heaven and earth realm!

If forced, I'm afraid, will directly kill Ye Chen?

How can we compete in martial arts?

Zhu Yuan couldn't help scratching his head and said, "how can you compete with me?"

Ye Chen said with a smile, "I'm not interested in the contest alone. But if I win you in the contest, you will follow me and be my subordinate. If I obey my orders, I can promise you." When Zhu Yuan heard the speech, his face was beaming with joy, and he said without hesitation: "good!"

It is impossible for ordinary martial artists to agree to such a condition. Who would take such a big risk in order to compete? Even, ye Chen didn't even say how he lost, almost no benefit!

However, as for Zhu Yuan, who has a bright martial spirit, he only values martial arts. As long as he can satisfy his curiosity about ye Chen's Wudao and improve his understanding of Wudao, he can accept any price.

In fact, people like Zhu Yuan are very dangerous. If they are taken advantage of by those who have the intention, the consequences will be unimaginable. If they can be accepted by Ye Chen, it can be said that it is a good thing for the whole world.

Of course, no one can do anything to keep Zhu Yuan at his side. After all, once you have no place to attract Zhu Yuan, he will leave.

Even, in order not to violate the agreement with you, he will kill you.

However, this problem does not exist for ye Chen.

Than talent? Faster than progress?

No matter how terrible the evil spirits are, they are not enough for him!

Ye Chen has such confidence and confidence!

Ye Chen flashed a happy look in his eyes and asked Zhu Yuan, "how do you want to compare it?"

Zhu Yuan seriously said: "you and I do not need spiritual power, only martial arts competition!"

His cultivation is much higher than ye Chen. If he uses spiritual power, it will be unfair to Ye Chen, and his martial arts may not be fully developed. Of course, this is not what Zhu Yuan wants!

Ye Chen smiles. In fact, even if it's a real battle, ye Chen doesn't have any problems. However, he doesn't explain anything. He nods and says, "OK, do it."

As soon as the voice falls, the two hands at the same time!

In an instant, the laws of heaven and earth vibrate faintly!

Although they didn't use their spiritual power, their martial arts were powerful to a certain level, and they could trigger the law if they could!

Ye Chen hits Zhu Yuan with a fist, which looks like a flat one.

However, in the face of this blow, Zhu Yuan's eyes are colorful!

It's like seeing some treasure!

His face appeared to be extremely excited, the same punch!

Compared with Ye Chen, this fist is much more fierce. It is powerful and vigorous. However, it is soft in the middle, and it is very ancient and changeable!

It can be seen that Zhu Yuan has cultivated countless advanced boxing techniques to the point of mastery!

Seeing this fist, ye Chen's eyes are also a touch of amazing color!

The next moment, two fists collide!

Obviously, it was two fists that didn't use spiritual power, but it set off an endless storm and made the space vibrate slightly!

It can be said that the two men are equally matched in this punch!

But this is just the beginning!

Chapter 4895

Ye Chen's hands were moving, his eyes flashed, and he kept hitting. Every blow contained his understanding of martial arts, including destroying Daoyun, Hongmeng ancient method, transformation of soul and body, chaos and flame and original transformation, supreme body Dao, supreme heaven demon body, Lingxiao martial spirit, the fusion of Demon power and spiritual power, etc!

Since he wants to fight, ye Chen has no reservation. Moreover, it is rare to have such a perfect touchstone. Ye Chen also wants to prove his martial arts!

This war, whether win or lose, Zhu Yuan will have a great harvest, but ye Chen's harvest is not small!

In Zhu Yuan's eyes, there was a look of fanaticism!

He let out a wild laugh, this is the first time in his life to meet a person who can let himself exert his martial arts incisively and vividly!

Zhu Yuan's whole body is full of martial arts, and ye Chen is crazy against each blow, and each blow is to the extreme of what he has learned and understood!

In both eyes, the essence flashed wildly!

After half a column of incense, ye Chen reflected his martial arts thoroughly. He took a deep breath, and his body suddenly retreated. Then, after slightly gaining momentum, he raised his hand to blow again!

At the moment of this blow, Zhu Yuan only felt that a black whirlpool appeared in front of him!

A whirlpool that can annihilate everything!

Ye Chen actually integrated his martial arts into such a fist!

Zhu Yuan's eyes suddenly congealed, and the same punch, and this fist is like a round of scorching sun, a round of sun shining on the road!

He also poured his own martial arts into this fist thoroughly!

In a flash, two fists collided!

The heaven and earth in which they lived suddenly trembled, and the law was distorted!

It seems that they are also lamenting the strength of the two young men's martial arts!

This time, is no longer equal, a figure back several steps!

There was a look of shock on his face. His pupils contracted and a fist hovered in front of him.

Ye Chen slowly took back his fist and looked at the astonished young man in front of him and said, "you are defeated."

Zhu Yuan had not been able to relax for a while. He was shocked, not because he had failed, but because the power that ye Chenwu and Daoism had just broken out was too powerful and beyond his expectation!

He never thought that martial arts could have such a change?

It can be said that this war has greatly broadened his horizons, and even for a period of time, his martial arts will certainly be improved!

A moment later, Zhu Yuan came back to God. Looking at Ye Chen in front of him, he worshipped him and said, "my subordinate, Zhu Yuan, have seen you."

Even if ye Chen doesn't ask for it, he is willing to follow Ye Chen's side.

Ye Chen said with a smile, "get up."

Accept such a potential strong evil spirit, ye Chen mood is also good.

For a long time, he mostly fought alone, but after entering such a huge thing as tiandian, even he might need to cultivate his own influence in the heaven and man domain.

As for the taixuan emperor, most of them were proficient in the battle, so the actual combat was not strong.

It is also an attempt to win over Zhu Yuan.

At this time, Zhu Yuan asked, "childe, what do we do now?"

Ye Chen's eyes flashed slightly: "I'm going to move towards the South as soon as possible and seize the large-scale underground fire pit. What's your suggestion?"

Zhu Yuan said: "young master, you may not know that although the day is extremely hot in the Yanzhen region, it is extremely cold at night. The energy of those fire veins will all converge, and a very special cold wind will often set off in the whole Yanzhen region. Even the martial arts in the real world are extremely hard to resist the cold wind and may encounter danger.

In my opinion, a safer way is to get to some temporary cities before dark and stay for a while, and then set out early the next day. "

Although Zhu Yuan is a martial arts maniac, it doesn't mean that he doesn't know how to think. It's just that he doesn't care about a lot of things.

Even, as a demon of heaven and man, he can get much more information than ye Chen and know more about Yan Zhen domain.

Now, he has become a subordinate of Ye Chen, so he will play a good role in his heart and serve ye Chen wholeheartedly.

Ye Chen eyebrow tip a pick, this intelligence he pour is the first time to know, more make him surprised is, this Yan Zhen domain unexpectedly still has temporary city?

"What is this temporary city?" he asked

Zhu Yuan replied: "the temporary cities were originally some ancient towns preserved in the catastrophe. After knowing that this place would be used as the evaluation place for tiandian, some chambers of Commerce in Tianren region negotiated with tiandian and got the qualification to repair and rebuild these ancient towns. Therefore, they started business in these ancient towns. The houses in the ancient towns have the ability to resist the cold wind It works. "

Ye Chen nodded and said, "OK, we will go to these temporary cities for the time being. Do you know the specific location?"

The cold wind may not have an impact on Ye Chen's constitution. However, to be on the safe side, we should first enter the temporary city and observe the situation at night.Zhu Yuan said: "not far ahead, there is a temporary city named Baojin City, where we can settle down."

The next moment, the two people move, is toward the treasure city.

On the way, Zhu Yuan looked at Ye Chen and asked, "young master, can I ask you a question?"

"You ask."

Zhu Yuan's eyes twinkled and said: "young master, do you combine soul and martial arts in your martial arts? How is this done? "

Ye Chen said with a smile: "good, how do you want to learn?"

Some of Zhu said, "would you like to teach me?"

Ye Chen said, "no problem."

Zhu Yuan's face suddenly appeared ecstatic. After all, he was still a martial arts maniac. What he valued most was martial arts!

At the same time, he became more and more respectful to Ye Chen.

Ye Chen does not conflict with the teaching of Zhu Yuan's martial arts. He knows that as long as Zhu Yuan's martial arts are not superior to himself, he will always be loyal. Ye Chen has this confidence, after all, he is the master of reincarnation!!

In this case, the more powerful Zhu Yuan is, the better.

What's more, it's not what Ye Chen is willing to teach, and Zhu Yuan can learn. For example, Zhu Yuan may be able to gain a lot from the combination of soul and martial arts, because he has the ability to understand the martial spirit, and the spirit and spirit originally belong to the unique type. Therefore, the combination of soul and martial arts is quite suitable for Zhu Yuan!

But what about the way of physical cultivation?

In this respect, it is very difficult for Zhu Yuan to learn. Although Zhu Yuan's physical quality is extremely evil among the human race, it is still far from Ye Chen.

Ye Chen suddenly got a little curious and said, "Zhu Yuan, what level of strength do you belong to among the younger generation of heaven and man?"

Zhu Yuan said: "do you know the God cangbang?"

Ye Chen nodded.

Chapter 4896

Zhu Yuan said: "in fact, the list of gods and Cang is ranked in the five heavenly halls, and the top 1000 on the list are all talented people who are optimistic about the temple of heaven. Although I only have the accomplishments in the early stage of the Huanzhen realm, I have killed several of them in the later

stage of the Huanzhen realm. I don't know exactly where my limit is, but I'm ranked 231st on the list of gods and gods."

Ye Chen hears the speech, a little surprised.

According to his judgment, Zhu Yuan's real strength is far beyond the realm. Although he is not as good as himself, he will never be his opponent if he exists in the middle of the general Huanzhen state. Even if he is faced with martial arts in the later stage of Huanzhen state, he is barely able to fight. But even so, more than 200 people are stronger than him?

The martial arts of this day's human domain are really terrible!

However, in this assessment, it is not likely to encounter so many powerful enemies. After all, those really powerful demons have been designated as disciples of other tiandian.

At this moment, the sky gradually darkens, and the power of Yan Zhen's fire pulse begins to converge. The spiritual power of fire element in the air is also rapidly pouring into the ground. The original temperature of thousands of degrees drops rapidly, and in a flash it is already below the so-called absolute zero!

At this time, a city also loomed in front of Ye Chen and Zhu Yuan.

Zhu Yuan pointed to the city and said, "childe, there is Baojin city. It is operated by a force called Minghe chamber of Commerce. The Minghe chamber of commerce is also one of the nine chambers of Commerce in Tianren region, which is attached to the emperor's temple."

Soon, ye Chen and Zhu Yuan entered the treasure city.

Although the Baojin city seems to be a bit dilapidated, after all, it was restored by the ancient town which had experienced a catastrophe. However, at the moment, there are many warriors in the city.

As soon as they entered the city, they became the focus of the crowd!

There are two reasons for this. On the one hand, ye Chen's cultivation is too conspicuous for his wife

It's like, the college entrance examination room suddenly appeared a three or four-year-old child, suction does not attract eyeballs?

Among the examiners with the lowest level of reality, there suddenly appears a heaven and earth situation, which is hard to be noticed.

On the other hand, it is because of Zhu Yuan!

In fact, the top 300 demons in the list of gods and gods are extremely famous in the whole heaven and human realm, especially those with incomparable characteristics like Zhu Yuan!

Zhu Yuan in the heaven and man domain, has a nickname, called born Wuzi!

It means that he has been living for the sake of martial arts since he was born!

For a while, many martial artists are surprised. Isn't it that Wu Zi is the only one who doesn't want to make friends with others?

How can you get mixed up with a kid from heaven and earth?

However, for this reason, those who pay attention to the two men's martial arts are only a few of them. Many people have heard of the name of Tiansheng Wuzi, but few really know Zhu Yuan and his appearance.

Zhu Yuan and ye Chen are indifferent to people's eyes, they have long been used to, also do not care.

Zhu Yuan asked Ye Chen, "young master, are you hungry?"

Ye Chen's eyes flashed slightly. When they reached their level of cultivation, they didn't need to eat. However, the gravity of the Yanzhen area was too strong, so it would inevitably increase the consumption of physical strength. Even the martial artists who returned to the real state would feel hungry.

Ye Chen's body is extremely rebellious. This consumption is not worth mentioning for him. However, I have to say that he also wants to eat something. What's more, even if he doesn't eat, Zhu Yuan still wants to eat.

So, ye Chen nodded his head and said, "go, eat something."

Soon, two people came to a hotel before, plaque, written Ming River Restaurant four big characters.

Zhu Yuan said: "Minghe restaurant is a hotel under the Minghe chamber of Commerce. It is also one of the high-end hotels in Tianren area, and the food is quite good."

Ye Chen heard the fragrance of the hotel and said with a smile, "that's it."

Minghe restaurant is very elegant. Most of the diners sit at a table in groups. When ye Chen and ye Chen enter, many people frown at them.

Ye Chen's accomplishments are too low.

Who is not proud of the genius who can come to participate in the examination of the temple of heaven?

For them, eating in the same place as a heaven and earth situation lowers their identity!

However, this is the territory of the Minghe chamber of Commerce, and no one really broke out.

Soon, ye Chen and Zhu Yuan found a place to sit down. A girl with a good face welcomed her and said with a smile, "two guests, what do you want to eat?"

Immediately, ye Chen two people then ordered a table of wine and vegetables.

After a while, the dishes were ready, with all kinds of colors, flavors and flavors.

Ye Chen is about to drop chopsticks, but suddenly there is a clapping sound on the table. A man says coldly: "waiter, how do you do things? Why do you serve them first and let me wait? Do you despise me in Minghe restaurant

Ye Chen and Zhu Yuan looked in the direction of the sound.

I saw that on the table next to the two, four men, the first one, was tall, majestic in appearance, dressed in white and domineering in eyes! This person's cultivation is not bad. Among the examiners this time, he can also be called an elite.

For a moment, people around him looked at the tall man. In the hotel, there were bursts of discussion.

"He seems to be the eldest young master of the Wu family, Wu Shaokang?"

"Hey hey, I heard that Wu Shaokang is a despotic person, and the Wu family is also a big family. Even if it is less powerful than the Minghe chamber of Commerce, the gap is not too big. I'm afraid the boy in heaven and earth will be in bad luck?"

"Ha ha, in fact, I also see that boy is not happy. It's his bad luck to provoke Wu Shaokang."

The beautiful woman's face changed slightly and said, "this childe, please wait a moment, your dishes will be ready soon..."

Ye Chen and Wu Shaokang and others sat down almost at the same time. If they had to say something, they were a little early.

However, generally speaking, in order to avoid disputes, the hotel will give priority to Wu Shaokang, who is obviously more promising.

However, the girl seems to be not experienced enough, and did not expect that someone would make trouble in Minghe restaurant, so she did not worry about this.

Wu Shaokang did not pay attention to the girl's reply, staring at her, and continued to ask: "I asked, why do you serve them first and let me wait? Am I not as good as a boy in heaven and earth? Is that an insult to me

The girl seemed to be in a bit of a hurry. Seeing the offering in the restaurant and so on, she knew that things were not very good. For a while, her big eyes floated with water mist and stood at the same place at a loss.

Chapter 4897

Zhu Yuan looks cold, coldly glances at Wu Shaokang, and is about to make a move.

Now, ye Chen is his master. Some people are disrespectful to Ye Chen, which is something he can't tolerate!

Although Wu Shaokang's accomplishments are good, in his opinion, they are just rubbish that can be killed at will!

However, ye Chen held down Zhu Yuan's hand, shook his head, and looked at Wu Shaokang with a playful look, drinking and eating, ignoring.

Why delay their dinner for a clown?

Just then, a middle-aged man who seemed to be the shopkeeper came up with a smile on his face and saluted Wu Shaokang slightly: "Mr. Wu."

Wu Shaokang coldly took a look at him and said, "you Ming River Restaurant, is this how you serve?"

At this time, several people sitting next to Wu Shaokang echoed: "Minghe restaurant has become this kind of grade. Even people from heaven and earth can come in to eat? Will stray dogs come in one day?"

"Minghe chamber of Commerce, can you really do business?"

"Hehe, it seems that Minghe restaurant thinks that we can't compare with the kids in the heaven and earth. Even the Wu family behind Mr. Wu, the Minghe chamber of Commerce may not pay attention to it?"

When the shopkeeper heard the words, his smile was a little reluctant. He glanced at Ye Chen, who was still drinking and eating with a light color on his face. He could not help but flash a touch of anger in his eyes!

How could he have thought that such a waste had come to the examination place of the temple!

Moreover, in this case, should not stop chopsticks to apologize to Wu Shaokang, or even go straight away?

But what about this kid?

Unexpectedly, still eat food in peace of mind?

The shopkeeper bowed to Wu Shaokang and said, "please wait for a moment. I will give you a satisfactory reply."

Wu Shaokang and others looked at each other, and a smile appeared in the corners of his mouth, staring at Ye Chen and others with a look of good play.

In fact, they have been staring at Ye Chen from the very beginning, a boy in heaven and earth. What qualifications do they have to eat in the same place with them?

What makes them even more unhappy is that after Wu Shaokang opened his mouth, the boy even pretended not to hear, and continued to eat with peace of mind?

Hehe, now you can eat it or not!

As soon as the shopkeeper raised his hand, several men with gloomy looks appeared beside him!

He looked at Ye Chen, who was still eating and drinking until now, and his face was even colder. He drank in a low voice: "this guest, please go out."

As soon as this statement was made, the diners in the whole Ming River Restaurant showed a look of schadenfreude.

At this time, ye Chen finally put down his chopsticks, glanced at the shopkeeper and said, "go out? I haven't finished my food yet

When the shopkeeper heard the speech, he gave a cold smile and a wave of his hand. After a burst of noise, he overturned the whole food and wine in the tunnel: "now, after eating, can we go out?"

Seeing this, Wu Shaokang and others are more and more proud to smile. The shopkeeper has done a good job!

Ye Chen looked at the wine and vegetables of that place, his eyes narrowed slightly, but at this time, a young man who appeared beside the shopkeeper issued an exclamation: "born Wuzi Zhuyuan

As soon as this remark was made, all the guests of Minghe restaurant changed their faces, including Wu Shaokang!

Born Wuzi, this name is too loud in Tianren domain, is one of the popular candidates who can successfully pass the examination of tiandian!

Don't say it's Wu Shaokang. Even the Wu family may not dare to do anything to him!

Even if the other party is only in the early stage of real life, the ability of this guy to cross the level to kill is extremely terrible!

But the public followed the young man's eyes, but they focused on the young man sitting beside Ye Chen!

For a moment, people recalled some words about Zhu Yuan

For example, beautiful face, juvenile appearance, casual clothes, clear eyes and so on

All this matches the boy!

All of us can't help but look horror!

Who did not expect, and ye Chen sit together unexpectedly is Zhu Yuan!

Among them, the most frightened is the shopkeeper!

What he overturned was not only Ye Chen's food and wine, but also Zhu Yuan's!

At the moment, his whole body has begun to tremble slightly. When he thought of it, if Zhu Yuan joined the emperor's temple and his own fate, he would simply kneel down on the ground!

At this time, Zhu Yuan slowly stood up. Under the gaze of the people, he went to Ye Chen and cleaned up some pieces of dishes and chopsticks in front of him. He asked respectfully, "are you OK, young master?"

The whole Ming River Restaurant, instantly quiet down, everyone is staring at the scene

Originally, they thought that Ye Chen was Zhu Yuan's servant, younger brother and so on

But now, it seems that the opposite is true!

He has always been reluctant to get along with others. He only has martial arts in his heart. He is a natural Wuzi with a cold attitude towards everyone. Now he even calls Ye Chen a child? What's more, what he did was to treat himself as a subordinate of Ye Chen!

What the hell is going on here?

For a while, the boy who had been despised by them and only had the cultivation of heaven and earth became more mysterious and strange in their eyes. On the contrary, people felt a sense of pressure!

Even Wu Shaokang's face is slightly distorted!

At this time, several more people entered the hotel.

People look at those people, pupil is a shrink again!

They are three people, two men and one woman. They are the brothers and sisters of Guquan and Zhou family!

Gu Quan is different from Zhu Yuan, who doesn't like to communicate with others. He is very open-minded and likes to show off. It can be said that few people don't know this face.

At this time, Gu Quan's face suddenly changed, and a bitter smile appeared in the corner of his mouth. He saw Ye Chen

He obviously avoided Ye Chen's route, but he still happened to run into

At present, they had to take Zhou's brother and sister to Ye Chen's side.

Guquan is also very popular in the heaven and man area. At the same time, the ancient family behind it, and the Zhou family behind the brothers and sisters of the Zhou family are real giants!

Wu Shaokang could not help but respectfully saluted Gu Quan and said, "I've met you."

However, Gu Quan paid no attention to Wu Shaokang at all. Instead, he took the Zhou brothers and sisters to Ye Chen's table and bowed down with great sincerity: "thank you for your kindness."

Zhou's brother and sister also said, "thank you very much for your kindness."

This time, the whole Ming River Restaurant is boiling!

Many people are Teng a sound directly from the seat to stand up, looking at Ye Chen, it is like looking at some epic level beast in general!

What's going on?

What is Zhu Yuan's attitude!?

Who are the youth in heaven and earth?

The unknown can bring fear, and at this time, people's hearts have a faint fear of Ye Chen!

And that shopkeeper and Wu Shaokang and other people are a face of eating excrement, they are almost collapsed!

What kind of existence did they provoke?

Chapter 4898

At this time, ye Chen raised his head, looked at the shopkeeper, and said with a smile: "do you usually like to eat on the ground?"

When the shopkeeper heard the speech, his face changed. However, soon, he knelt down in front of Ye Chen and said, "I like to eat on the ground... "

Ye Chen pointed to the wine and vegetables on the ground and said, "since you like to eat them, eat them clean."

At the moment, this shopkeeper, how dare to say a word?

Just like a dog, lying on the ground, picking and pulling the food on the ground with his hands, and sending it to his mouth with a big mouth, how humiliating it is!

Ye Chen still kept smiling and asked the shopkeeper, "is it delicious?"

The shopkeeper at the moment, a pair of expression that is about to cry out, but also had to nod a way: "delicious, really delicious."

The smile on Ye Chen's face suddenly received a way: "since delicious, this life, you can only eat like this, understand? Otherwise, I will settle with you for today's affairs. "

A crowd of diners can't help but feel cold in their hearts!

In a word, decide the life of others! Let others eat like dogs all their lives?

These people simply regard themselves as enemies in general, crazy abuse, to the end, what dirty words, are used!

Ye Chen glanced at them faintly, without interest. He stood up and said to Zhu Yuan, "let's go. Find a place to live."

At this time, the girl before suddenly appeared in front of Ye Chen. She looked at Ye Chen with a trembling look. She held a food box in her hand and handed it to Ye Chen and said, "this This is the compensation for you, young master... "

Ye Chen smell speech, the corner of the mouth raised a smile, took the box way: "what's your name?"

"Linfei."

Ye Chen looked at the shopkeeper on the ground and said, "this woman is good. Let her be a shopkeeper. What do you think?"

When the shopkeeper heard this, he was already in a state of anguish. However, he had to nod his head and say, "yes, it's very good, young master. I'll ask the chamber of Commerce to recommend Miss Lin tomorrow..."

Ye Chen nodded, then with Zhu Yuan left the Ming River Restaurant, from a crowd of diners in front of, disappeared.

Most people are still in a daze, but there is a pair of eyes on Ye Chen, when ye Chen out of Minghe restaurant, a figure also quietly disappeared from the restaurant.

On the way, Zhu Yuan's eyes flickered to Ye Chen and said, "childe, someone is following us."

Ye Chen light way: "I know."

A chill appeared in Zhu Yuan's eyes and said, "do you want me..."

Ye Chen shook his head, the corner of his mouth showed a funny smile, and then, his body shape flashed into a dark lane.

Soon, a figure followed closely into the dark lane.

Can, just into the dark lane, the figure will stop.

I saw, in the dark lane, standing two men, it is Ye Chen and Zhu Yuan!

Ye Chen said with a smile, "what do you want to do with us for so long?"

In front of them, there was a young man in white, who looked a little thin, with red lips and white teeth, and his appearance was extremely delicate, which could even be called feminine.

After he was found tracking Ye Chen, the young man was indifferent. He said with a smile, "I met two young masters in xiamingxi. The reason why he followed them is that he just appreciated them in the restaurant and wanted to invite them to have a drink."

Ye Chen heard the speech, but his eyes became more and more playful: "drink? It's not safe for a woman to buy a man a drink

As soon as he said this, the soft young man's face suddenly changed. His eyes towards Ye Chen were full of shock

Even Zhu Yuan was surprised.

At this moment, Mingxi's heart surged a storm. She was indeed a daughter, but she had been carefully covered up. Her body shape, appearance, voice and so on were transformed by treasures. Generally speaking, even if it is the later existence of Zhenjing, it may not be able to discover its true identity, right?

But the young man in front of him in heaven and earth has done it!

At first, Mingxi was just curious about ye Chen. She wanted to find a chance to test Ye Chen's details and strength. But now, she is really a little creepy

In front of her, the indifferent man gave her a feeling that she couldn't see through!

Ye Chen glances at Mingxi. With the strength of his mind, the transformation of soul and body, as well as the blessing of the soul seal, the body of reading the devil, Hongmeng big star sky, the pupil of extreme evil, and the stele of tongtianming, it is easy to see through this disguise.

However, ye Chen couldn't see through the woman's real appearance. The treasures that covered her true face were obviously several grades higher than the others. Of course, ye Chen was not interested. He had seen too many beautiful women.

He turned slowly and said, "don't follow me. I'm not interested in drinking with you now."

After that, he took Zhu Yuan away again.

Mingxi stands in place, stupefied for a moment, not interested in drinking with her?

Although now, she is a woman disguised as a man and conceals her true face, she is extremely confident in her temperament, behavior and other aspects!

She was so big, she was rejected for the first time!

For a moment, Mingxi looked at Ye Chen's back and felt a little sad

However, soon, there was a sly color in her big eyes, and she said with a gentle smile: "don't let me follow, think I can't find you? As long as you are still in the industry of Minghe chamber of Commerce, it is easy for me to find you! Well, I want to invite someone to drink, but it's not so easy to refuse! "

Then she took out a token and stood there, waiting quietly.

Waiting for what?

Waiting for ye Chen to stay!

Chapter 4899

Ye Chen and Zhu Yuan came to a hotel to stay.

Since he has agreed to explain the two spirits of Fangyuan, he will be able to explain it to the two people in his heart.

Although Zhu Yuan has no soul seal blessing and so on, his understanding of the soul itself is a kind of extremely powerful soul road talent, after ye Chen's guidance, it can be said that he has benefited for a long time!

Not long after, Zhu Yuan made a deep ritual to Ye Chen and then left the room.

At this moment, the night has come completely. Ye Chen stands by the window and looks at the long darkness outside the city of Baojin. He can't help but blink. In the darkness, there are already bursts of light blue cold wind. Under the contact between Ye Chen's mind and the cold wind, he faintly feels that the cold wind is about to invade the sea of knowledge!

A moment later, he regained his mind and sat back on the bed.

Although the cold wind will not cause any substantial damage to Ye Chen, in order to resist the cold wind, its speed may have to be greatly reduced. In addition to other dangers in the dark, lodging is indeed the best choice.

However, ye Chen did not rest, but closed his eyes and began to practice!

He wants to try to transform the harvest in the contest with Zhu Yuan into strength!

In the morning of the next day, ye Chen opened his eyes, and the essence of his eyes flashed wildly. He was quite satisfied with his practice this night.

He pushed the door out, and Zhu Yuan was waiting outside.

They went downstairs and walked outside the hotel, but soon, a familiar figure appeared in front of them!

It's Mingxi!

Ye Chen looks at Mingxi and frowns slightly: "how are you here?"

With a pot of wine in his hand, Mingxi gazed at Ye Chen and said, "young master, it's really a coincidence. Why am I here? Of course, I'm here to stay. Would you like a drink

Ye Chen has a look of doubt in his eyes. He is sure that Mingxi didn't follow them yesterday, but there are many hotels in the golden city. How did Mingxi find them?

However, he didn't care. He didn't pay attention to Mingxi at all. He took Zhu Yuan and left directly.

After leaving Baojin City, ye Chen and ye Chen fled toward the south end all the way. Suddenly, ye Chen's face moved, and he gave a blow to the ground. A fire pit burning a green and red flame appeared in front of them!

Ye Chen's eyes flashed a happy look, it seems that they are not bad luck, and found a fire pit.

Ye Chen said to Zhu Yuan, "Zhu Yuan, you and I have absorbed the fire in the fire pit."

Since he treated Zhu Yuan as his own, he would not treat him badly.

However, Zhu Yuan was strange and said: "young master, do you want to absorb the fire in the fire pit? This is a fire pit... "

"Miscellaneous fire pit?" Ye Chen some don't understand the tunnel, "and the ordinary fire pit, what is the difference?"

Zhu Yuan said: "generally speaking, this kind of small scattered ground fire pit is rarely absorbed. In addition to the lack of fire power of the fire, the most important thing is that the large-scale fire pit has been melted into a whole, and the risk of absorbing it is smaller. Besides, most of these small fire pits are miscellaneous fire pits, which are not only profitable It's not big, and the fire with different attributes is mixed together. The firepower is complex and absorbed by force. On the contrary, it may be eaten back by the fire, and the gain is not worth the loss... "

Ye Chen smell speech, but smile, for ordinary people, it may be a mixed fire pit, but for him, there is no influence, it seems that no one will compete with him on this road!

He looked at Zhu Yuan and said, "this fire pit is harmless to me. I'll absorb it."

When Zhu Yuan heard the speech, he could not help but see a look of surprise in his eyes!

Ye Chen brought him too many accidents!

Originally, he just thought that ye Chen's martial arts were very strong, which made him very interested. But after this period of time, Zhu Yuan also found that ye Chen's strength was far beyond his estimation!

Whether it is the mind or the body and other aspects, it seems that they are above themselves!

He has constantly raised the evaluation of Ye Chen in his heart, but ye Chen can always bring him accidents

Now, he can say for sure that ye Chen is very strong and probably even stronger than himself. However, what makes him curious is what level of strength Ye Chen has reached?

However, at the moment, he still pressed the question in his heart and said respectfully, "please, I'll protect the Dharma."

Ye Chen nodded, and then jumped into the miscellaneous fire pit, a mouth will be rolling flames swallow into the mouth, running Xuan Yan began refining!

This extremely exaggerated refining method made Zhu yuanmu gape!

An hour later, ye Chen opened his eyes, his eyes were shining, and his harvest was obvious.

Soon, they began to move on.

After flying away for a whole day, ye Chen and Zhu Yuan once again entered a temporary city called Jue Ying Cheng.

After having dinner in the city, ye Chen and Zhu Yuan stayed in the hotel in the city. However, just after finishing the formalities at the front desk of the hotel, ye Chen was moved and turned around slowly. A young man was smiling and walked into the hotel and looked at Ye Chen. He pretended that he was surprised and said:

"Oh, two young masters, we are so predestined that we just happened to meet in a hotel? Why don't we sit down and have a drink and have a chat? "

Ye Chen looked at Mingxi, a woman disguised as a man, and asked curiously, "how did you find us?"

He is sure that he has not been followed, but his whereabouts seem to be completely mastered by Mingxi?

"What are you talking about?" Mingxi said

Chen Yuan still shook his head and went up to the building.

Mingxi sees this, seems to be a little angry, slightly stamped foot, the more Ye Chen is like this, the more she is curious about ye Chen!

Just then, there was a sudden noise outside the hotel.

"Have you heard? The one from the Juqu family has also come to participate in the examination of tiandian hall! "

Someone exclaimed: "you are talking about the goddess of Tianzhan Juqu Danxing?"

"Who else is not? This Juqu Danxing has come to Jue Ying City, and openly challenges the demons in the city to participate in the examination. It is estimated that it will be a riot again soon! "

Thinking of Juqu Danxing's terrible war achievements, many people showed a trace of timidity on their faces and said, "I'm afraid this woman can't find a Taoist partner in her whole life..."

However, someone soon said with a trace of excitement: "it is said that the Juqu Danxing is extremely beautiful, and it is well-known in the heaven and man region! Why don't we go and see? "

As soon as this saying came out, people's eyes began to twinkle, and they went to the place where Ju Qu Dan Xing was.

Chapter 4900

When Mingxi, who was in the middle of the hotel, heard this conversation, a ray of divine awn flashed in her big eyes, and said to herself, "sister apricot has even come to this Jue cinema?"

Then, her face flashed a wisp of cunning color and said: "this is a good opportunity, maybe we can let that guy do it..."

The next moment, she moved, then went upstairs, came to a door, gently knocked.

Ye Chen, who is practicing, feels the breath outside the door, frowns slightly, opens his eyes and says, "how do you know my room number?"

Mingxi said with a smile, "Mr. Ye? What a coincidence. I live next to you. I wanted to say hello to my neighbor, but it happened to be you. "

At the moment, Mingxi has changed into a female voice, which sounds extremely graceful and moving. Most men can't help opening the door when they hear the voice.

However, ye Chen is obviously not an ordinary person, he said coldly: "something?"

When Mingxi heard the speech, the dissatisfaction in his eyes became more and more intense. However, he tried to suppress his anger and said with a smile: "Mr. Ye, Mingxi wants to tell you a piece of good news. Do you know that the goddess of Tianzhan, Juqu Danxing, has come to Jue Ying City?"

This Juqu Danxing made a rule in her early years. If someone whose age is no more than 100 years old defeats her, then she will agree with her. Don't you want to go and have a look? This Juqu Danxing is really beautiful

When Mingxi was expecting something, ye Chen just said coldly: "no interest, and don't disturb my cultivation."

Then he closed his eyes again.

For a moment, the whole people of Mingxi are stunned outside the door, some can't stand it!

Is this guy wood?

Don't you have any interest in women?

Mingxi is not satisfied!

"Mr. Ye, the Juqu family is a big family in heaven and man, comparable to the existence of a powerful family..."

"Juqu Danxing is not only a top-notch beauty, but also extremely talented in martial arts and Taoism, ranking 198th on the list of gods and goddesses..."

"The appearance of Juqu Danxing in the whole foreign continent may be the existence of the top ten levels..."

However, no matter what she said outside the door, Ye Chen did not respond at all.

Finally, Mingxi can only face unwillingly underground to go, a person sitting on the seat drinking, sulking.

Mingxi just left, then someone knocked on the door of Ye Chen.

"Come in."

This time, in front of Ye Chen is Zhu Yuan.

He saluted respectfully: "childe, I want to challenge Ju Qu Dan Xing."

Ye Chen is a little surprised when he hears the speech. He can't imagine that Zhu Yuan, who has a bright martial spirit, is also interested in Juqu Danxing?

Ye Chen laughs: "it seems that this woman is really beautiful, even you are moved?"

Zhu Yuan really shook his head and said, "I'm not interested in her, but..."

As he said that, he saw a touch of excitement in his eyes and said: "she has a set of legendary battle armor and a family defense skill. When used with the armor, she has the ability to resist all the attacks in the later stage of Huanzhen!

Maybe I can make some new discoveries in martial arts by fighting against them

Ye Chen hears the speech and smiles. Sure enough, the only thing that makes Wu Chi interested is Wu Dao!

He nodded and said, "go."

At this moment, night has come, and outside Jueying City, the blue and cold wind is howling. Most of the examiners have entered various temporary cities to live temporarily, and Jue Ying City is becoming more and more lively.

Most of the examiners in the city gathered in the center of the city.
