### Chapter 4901

For a moment, the crowd was boiling!

Originally, the genius who didn't challenge the idea on the stage at all had some hot blooded impulses!

Martial arts practitioners to this realm, in fact, women have seen very light, but Ju Qu Dan Xing is an exception!

This is a real existence of dumping all living beings. As long as they can get Ju Qu Dan Xing, they can even die!

Juqu Danxing looked down at the excited people and said with a smile: "you talented men, are you willing to fight with Danxing?"

At this time, a man's shout, suddenly rang out: "I come!"

Then, a figure flashed and appeared on the Tianjing platform!

He was tall, with a red face and a little gasping. Looking at Juqu Danxing, he seemed to have a flame in his eyes. He thought that if he could win over Juqu Danxing, he could hold such a beauty in his arms, and his body would burn in general!

You don't have to look at it. It's the hot blood punch!

When people saw this man, their eyes flashed, but his strength was not weak!

If ye Chen was here, he would surely recognize this man. The person on the stage happened to be Wu Shaokang who knelt down for him!

Wu Shaokang took a deep breath and tried to be polite. He arched his hand at Danxing in Juqu and said, "I've met Wu Shaokang in the lower Wu family."

Can, wait for him to finish saying, Ju canal Dan apricot actually already toward him!

There was a sense of war in her eyes, and she had no interest in anything other than fighting!

However, Wu Shaokang, who was still full of red face, shivered suddenly for a moment!

He looked at the woman in front of him, and there was a flash of horror in his pupil. Until now, he felt the tremendous pressure and the roaring martial instinct. Then he woke up

What I'm facing is a god fighting goddess. I'm one of the 198 super strong men in the God Cang list!

Juqu Danxing's wrist turned, and a battle axe appeared in his hand, which was extremely gorgeous, sharp, and full of surging evil spirit. He chopped it hard at Wu Shaokang!

Wu Shaokang's face changed, and he was forced to retreat by the power of the Tomahawk. However, he was also proud of himself. Naturally, he would not really wait to die!

With a roar, the spirit power in his body suddenly erupted. In his hand, there was a long green ruler with countless inscriptions in his hand. The mark of refining path appeared, and the power of rolling law poured into the ruler!

A blue light suddenly burst out from the long ruler and turned into a flying rainbow. Later, it arrived first, and completely submerged the figure of Juqu Danxing!

When they saw this scene, they were all slightly surprised. At the same time, they felt the wave of terror law breaking out of the green ruler. They were shocked. Wu Shaokang's strength was still above their expectation!

Does Wu Shaokang really have a chance to defeat Juqu Danxing?

Wu Shaokang was overjoyed when he saw the appearance. This long ruler is the treasure of the Wu family's family. It was handed down by the Empress Wu himself before the examination of tiandian hall. This is the first time that Wu Shaokang used it!

Unexpectedly, the power of this long ruler is far beyond its imagination!

His eyes flashed a decisive color, his whole body essence burning, crazy into the hands of the long ruler, that long rainbow, more concise!

But at this time, the smile on Wu Shaokang's face suddenly solidified!

In the green rainbow, a golden light flashed. Then, it looked like a paper paste. It broke into bits of green light and disappeared. A golden awn was cut in front of Wu Shaokang!

Feeling the sharp and incomparable breath of gold, Wu Shaokang's face turned pale in an instant. At the moment, he had to raise his ruler to block the golden light!

At the next moment, there was a loud bang, and Wu Shaokang uttered a scream. The bones on his chest were broken, showing a bloody wound. The whole man was also blasted off the Tianjing battle platform and fell heavily on the ground.

And Juqu Dan apricot, look indifferent to stand in place, as if to cut the terror of Changhong without effort.

For a moment, all the people under the Tianjing battle platform were instantly quiet.

Looking at the proud woman on the stage, at the moment, they understand why Juqu Danxing is called the goddess of war in heaven!

In a flash, some of the original hot headed people instantly calmed down.

No one dares to challenge again. Wu Shaokang is a lesson for them!

Juqu Danxing glanced at the crowd, and it seemed a little boring. Just as he was about to take over the Tianjing battle platform and leave, a young man came from the crowd.

The young man dressed casually, and even looked a little sloppy, but his eyes were crystal clear.

Ju Qu Dan apricot, who is preparing to turn around, suddenly feels a burst of pressure, born from the bottom of my heart!

She suddenly turned around and looked at the young man who was coming in disbelief.

This person, of course, is Zhu Yuan!

Juqu Danxing was moved. She was very young, nearly 400 years old, but what about Zhu Yuan? Younger than she is!

But she's been able to feel a little bit of a threat?

It's unbelievable!

Zhu Yuan's body moved and fell on the Tianjing battle platform. He looked at Ju Qu Danxing lightly and said, "you and I, I will fight."

At this time, a man under the stage scornfully said: "a boy in the early stage of his real life is also worthy of challenge? Just insult yourself? "

But at this time, not far from his side, a young man with a folding fan in his hand said with a sneer:  
"insult yourself? Do you know who he is? "

The man who spoke earlier frowned and said, "who is it? How can I know a boy in the early days of his real life? "

The young folding fan's eyes flashed slightly: "he's not ordinary, he's a natural warrior!"

As soon as this statement was made, there was an uproar under the battle platform!

The four words "born Wuzi" are so famous in Tianren domain!

In fact, Zhu Yuan has created many miracles!

However, few people have actually seen him!

For a moment, everyone was a little excited!

Who can be better at the battle between the two top demons on the list of gods and gods?

The expression of Juqu Danxing also became dignified in an instant. At the next moment, a golden light covered his whole body, rolling and almost boiling, and the breath of his whole body gradually rose. Then, Juqu Danxing uttered a tender drink, holding a Tomahawk, and chopped at Zhu Yuan again and again!

Rolling golden awn, instantly connected into a golden sea of air, almost half of the sky will be covered, roaring down toward Zhu Yuan!

Zhu Yuan looked at the golden sea of air, but there was no fluctuation in his eyes. Instead, he was a little boring.

What he valued was the defensive skills of the Ju Qu family. As for the attack means of Ju Qu Dan Xing, it was not worth mentioning in his eyes.

The next moment, Zhu Yuan moved!

In his hand, he had a three foot short sword, pointing at the golden air sea, and he said softly, "the ancient sword is broken!"

Chapter 4902

Time, like a moment of stagnation!

People just feel that a flower in front of them makes a hole suddenly appear in the center of the golden air sea

To be exact, it's a dark green sword mark!

The sword marks spread rapidly above the sea of air. In a flash, the whole sea of air turned into nothingness!

Everyone's breathing stopped, their mouths were wide open, and their chin would fall to the ground!

Want to know, just Ju canal Dan apricot immediately defeated a Tianjiao!

But now, obviously, it is a big move to cut out with all one's strength, but it is broken by Zhu Yuan's sword?

How powerful is Kendo!?

Even Ju Qu Dan apricot is a pretty face, she and that from the sky to look at each other, I do not know why, that crystal clear eyes actually make her heart suddenly cool!

That is to say, in this moment, infinite sword will burst out in an instant!

Zhu Yuan's eyes burned with two blue flames. Countless martial arts understandings flashed through his mind and were integrated into the short sword in his hand!

"Tianqing meteorite sting!"

"Ancient times break the chaos of heaven and earth!"

"Thousands of miles fly and blood turns into a magic sword!"

"Return to the soul to chop!"

Zhu Yuan danced wildly with his sword like a madman. All kinds of nerve breaking sword moves and powerful and incomparable law waves broke out on Zhu Yuan's short sword. They were constantly brewing and turned into a sword storm!

The audience felt the huge sword, martial arts and Daoyun, and their eyes were shaking wildly and sweating. It seemed that Daoxin was going to crack in this unparalleled attack!

They can't imagine how one can master so many extreme martial arts?

Moreover, there is no conflict between each other, on the contrary, perfect integration and mutual improvement, more powerful than the original!

This is beyond the scope of talent, isn't it?

In front of me, the young swordsman is a real monster!

A dark green sword into the storm of the moment fell on the Tianjing battle platform, toward the Ju channel Dan apricot rolling away!

In the face of this huge storm, Ju Qu Dan Apricot's pretty face is also some pale!

She felt the danger!

At this time, a golden light suddenly appeared on the body surface of Juqu Danxing, and instantly turned into a golden armor!

The armor is engraved with blood lines. It seems that it has experienced the baptism of countless blood. It is full of ancient meaning and solemn evil spirit!

This is the ancient armor that made Juqu Danxing sweep his peers!

The armor instantly covered the whole body of Juqu Danxing, and all her beautiful eyes were immediately calmed down. A kind of extremely steady Daoyun spread from the whole body of Juqu Danxing. She drank softly and said, "emperor protects God armor!"

She made the seal with one hand. In an instant, it seemed that the spirit and body were perfectly integrated with the ancient armor!

At this time, the sword storm came!

There was a big bang, and the whole sky crystal battle platform was in contact with the storm, and all the cracks appeared. We can see how powerful this attack is!

However, what is more frightening is that at the moment, Juqu Danxing, who is in the center of the storm, is surrounded by golden light, standing still, as if not moving the Ming king!

The terrible storm that seems to be able to wipe out the heaven and earth, and the moment of collision with the armor, are actually eliminated one after another!

This defensive combat skill combined with ancient armor is the biggest dependence for Juqu Danxing to become one of the top 200 God Cang lists!

It's a pity that she can't attack and can only defend passively.

Zhu Yuan saw this, but there was a touch of excitement in his eyes. He laughed wildly, and he continued to show his martial arts to the full!

A series of frightening sword light fell on the armor of Danxing in Juqu, but it could not be broken, and Zhu Yuan's face became more and more pale. Obviously, even such a strong attack could not last long!

What's more, its martial arts will be used to the limit!

At this time, Zhu Yuan suddenly took a deep breath, and a very strange wave rose from his body. His eyes were dim and said: "the soul and the martial arts are united..."

Soul and martial arts are united!

This is what ye Chen taught Zhu Yuan!

It has to be said that Zhu Yuan's martial arts talent is indeed excellent, and the combination of soul and martial arts is also a perfect match with his qualifications. Even if he has just been taught, at this moment, Zhu Yuan has really exerted his ancient and brilliant martial arts!

It is estimated that in addition to Ye Chen, he is the only one who can exert his soul and martial arts in the whole foreign continent!

At the next moment, a nearly transparent sword light lights up on the short sword. It seems that Zhu Yuan's whole body is integrated with the short sword, and his body and sword are integrated into one, and he cuts away towards Juqu Danxing!

In a flash, the sword point, stabbed the armor!

Click

A light sound rings in the ears of all

All of them were staring at the golden armor with incomparable fright. There was a crack on the armor! Is it that the invincible armor, which is claimed to be able to resist all attacks under the five turns of the training Road, will be broken today?

However, at the moment when people had such an idea, Zhu Yuan was in a flash and stepped back several steps. Obviously, his strength had been exhausted

And the cracks on the armor began to heal.

Zhu Yuan gasped heavily, looking extremely weak. He shook his head and said in secret: "although he has successfully used his soul and martial arts, his own realm is different from that of Mr. Ye. Otherwise, there may be a silk thread that may break this armor..."

At the next moment, he turned his wrist, put the dagger away, and said faintly, "I was defeated."

Then he turned around and went down to the stage.

He has exerted his martial arts to the extreme, but he can't break the ancient armor. It's meaningless to continue fighting.

Wearing armor, Juqu Danxing looks at Zhu Yuan's back, but her beautiful eyes are flickering!

And the people under the stage, the brain has been completely confused

What kind of monsters are there in the Yanzhen area?

Whether it's the natural Wuzi or the Tianzhan goddess, they are all the demons among the demons. They can't compare with each other

After Zhu Yuan left, everyone left one after another, and no one came to the stage to challenge.

And Ju canal Dan apricot also received armor, ready to leave.

At this time, a figure suddenly appeared in front of Juqu Danxing, chuckling: "sister apricot, long time no see."

Ju Qu Dan apricot slightly a Leng, looking at a young man with a soft face in front of him, he could not help being surprised and said, "Xi'er, are you coming to this real area of inflammation?"

The two obviously knew each other.

Moreover, you can see that Juqu Danxing knows the real gender of Mingxi!

Mingxi looked at Danxing in Juqu and said, "sister Xing, the rule you set down, sister, I'm really worried that you'll be lonely all your life and waste this beautiful appearance. Therefore, I came to participate in the tiandian examination specially, in order to find the young talents who are worthy of you!"

Juqu Danxing seems to be used to the poor mouth of Mingxi and says with a smile, "did you find it?"

Mingxi seriously said: "I really found it, and this person is in this movie city!"

On hearing the speech, Juqu Danxing thought that Mingxi was talking about Zhu Yuan. He shook his head and said, "it's very good to have Wuzi born that day, but it's not enough to break my defense!"

Mingxi's eyes narrowed slightly and said, "sister Xing, I'm not talking about him, but it has something to do with him..."

"Does it matter?" Ju Qu Dan apricot blinked her beautiful eyes, and seemed to be curious.

"The man, whose name is Ye Chen, is the master of Zhu Yuan, a natural martial arts son," said Mingxi

Chapter 4903

In fact, Mingxi, originally known as Ruoxi, is the daughter of the president of Minghe chamber of Commerce!

Ming Ruoxi is rebellious. This time, he secretly took part in the examination of tiandian without telling his family, so as to see the so-called demons!

This is why mingruoxi can easily obtain Ye Chen's whereabouts and identity information. As long as ye Chen spends money in the industry of Minghe chamber of Commerce and lodgings, it is easy for mingruoxi to obtain such information.

"What?" This, Ju canal Dan apricot also can't help but exclaim a voice.

Although she did not think that Zhu Yuan could defeat herself, it was undeniable that Zhu Yuan was absolutely the most powerful evil spirit in heaven and man!

To tell you the truth, she is not Zhu Yuan's opponent if she doesn't have this precious ancient armor on her body!

Such an evil spirit is willing to submit to others?

What kind of person can win him over?

Think of here, Ju canal Dan Apricot's beautiful eyes are surging up a strong sense of war!

There is such a person, she naturally does not want to let go!

But soon Juqu Danxing looked at mingruoxi and said, "Xi'er, you came to tell me these things. It seems that you are also interested in Ye Chen. Do you want your sister to try him for you?"

In case, my sister is really defeated by him, but I have to make a promise by myself. Would you be reluctant to give up? "

Mingruoxi heard the speech, and her cheek was slightly flushed and said, "sister apricot, I'm totally for your happiness. Don't make me wrong!"

Said, hastily switch off the topic way: "well, let's go to that boy's hotel now, lest he run away!"

In mingruoxi's eyes, there appeared a light of pleasure as if he had succeeded in a prank. He secretly said: "hum, ye Chen, let you ignore me. The more you are not interested in fighting with sister Xing, the more I want to give you some trouble, so as to see what your role is!"

At the moment, Zhu Yuan has returned to the hotel and said to Ye Chen, "childe, I'm back."

Ye Chen opened his eyes and asked, "what's the result?"

Zhu Yuan shook his head and said, "with my strength, I can't defeat her. It seems that the rumor is true. If you want to break the battle armor, you should need extremely terrible power. However, I have gained some achievements in this war, which should be helpful for cultivating the unity of soul and martial arts."

Ye Chen said with a smile, "that's good."

He didn't talk to Zhu Yuan much, and soon he was immersed in practice again.

Downstairs, Juqu Danxing and mingruoxi also came to the hotel.

Two people sit drinking, but it attracted a lot of people's attention.

Juqu Danxing asked mingruoxi: "which room is Ye Chen in? I'll go to find him!"

However, mingruoxi shook his head and said, "sister Xing, this is the industry of Minghe chamber of Commerce. I can't allow you to attack him in the hotel, which will damage the reputation of our chamber of Commerce.

However, since he is here to take part in the assessment, we should continue to move towards the south end early tomorrow morning. While we are drinking, we are waiting for him to come out. It is not too late to challenge him. "

When they talked, they didn't deliberately cover up. For a while, a news spread!

It's a challenge for a young man!

For a moment, everyone began to wonder, who is Ye Chen?

Soon, the story that Wu Shaokang offended Master Zhu Yuan, the natural martial arts son, in Minghe restaurant gradually spread

And in that legend, the master of Wuzi seems to be ye Chen!

Ye Chen's mystery obviously makes the people in jueying city full of expectation for this war!

Even after the news spread, the next morning, even some talented people from nearby temporary cities came to Jue studio to see the battle between the goddess of war and the mysterious youth!

Early in the morning, outside the hotel is already a sea of people, gathered thousands of martial arts, all are to watch!

Can, let everybody disappointed is, ye Chen but tardy did not appear!

What's going on?

It is reasonable to say that the night has passed and the cold wind has disappeared. There is no need to stay in the hotel?

Time, minute by second, in a twinkling of an eye, a day passed, night fell again, but ye Chen still stayed in the room, and never went downstairs!

At this time, people finally can't help it!

Many people began to argue: "this boy named Ye Chen is not a counsellor?"

"Well, if not, why don't you come out?"

"What kind of master is born with martial arts? I think he is a turtle with shrinking head!"

"I guess it just caught Zhu Yuan's hand? In itself, it's just that! "

Juqu Danxing and mingruoxi are also Xiumei micro Cu.

Ju Qu Dan apricot beautiful eyes, with a disappointed color way: "river son, this boy will not hide for a lifetime? It seems that this kind of person is not qualified to fight with me. "

Ming Ruoxi is also puzzled. She always looks at people accurately. Has she lost sight this time? Ye Chen before that kind of mystery, that kind of let her all faint fear of temperament are pretended out?

In fact, I don't have any skills at all?

"She shakes her head for a few days, but it's OK for him to shake her head for a few days."

With the spread of the news, more and more martial artists came to Jue Ying City, waiting for ye Chen to appear.

But on the third day, ye Chen still disappeared!

At the moment, Guquan and Zhou's brothers and sisters, even Qin Xiuyue and Li Zhenwu are in the crowd!

Gu Quan scratched his head and said, "what's the matter with Mr. Ye? Why not go downstairs? "

In his opinion, ye Chen is a real strong man. Even if he can not defeat Ju Qu Dan Xing, he will not be afraid of her?

After all, in terms of attack power, although Juqu Danxing is stronger than Guquan, it definitely does not reach the gap between him and ye Chen! Juqu Danxing terror and God cangbang ranking, a large part of the defense armor! No doubt it's plug-in!

When Zhou liebai heard the speech, his eyes twinkled and said, "maybe, this ye Chen is not as terrible as we imagined it to be!"

Gu Quan looked at him and said, "but master Ye really beat me instantly that day."

Zhou liebai said: "since this young master ye can take Zhu Yuan under his command, he is likely to come from some great power. It is normal for such a person to have several hidden treasures. Perhaps, he did not rely on his own strength to defeat him!"

Zhou qiongyan was also beautiful eyes a bright way: "so, he is really afraid now, because those treasures are likely to be Juqu Danxing ancient armor restraint!"

Although Guquan is still a little unbelievable, at the moment, he can't help shaking up and saying, "is this childe Ye really not as strong as I imagined?"

There are more and more voices around the hotel to question Ye Chen, even to insult and ridicule!

Chapter 4904

Li Zhenwu is one of the most vicious people!

After he was seriously injured by Ye Chen, although Gu Quan and others didn't let him be a servant again, he was just the bottom of the bottom in the Yanzhen area. Soon, he was regarded as a servant by another group of people. These days, he has suffered a lot of humiliation!

At the moment, he would like to see ye Chen trampled under the feet of Ju Qu Dan Xing!

Until now, Li Zhenwu is still unwilling to accept the fact that ye Chen is a strong man!

He hoped that ye Chen was a waste. He could defeat himself only by his treasure!

Many people, in fact, have similar psychology with him!

After all, it is not only Ye Chen who is the master of Zhu Yuan, but also ye Chen's cultivation!

Too many people can't accept an evil spirit which is superior to the real world!

Sometimes, if excellence exceeds a limit, it will be hated!

For a moment, the shouting outside the hotel was like a tsunami!

At the same time, in a room of the hotel, a young man with a cool look slowly opened his eyes. In his eyes, there was a touch of joy in his eyes, and he said to himself, "at last, we have a good understanding."

Why does Ye Chen stay in the room for so many days?

The reason is very simple, that is, in order to integrate the chaotic flame!

Although Ye Chen can display chaos, it can only be attached to the simplest attacks, such as fist.

But after entering Jueying City, Ye Chen was unexpectedly aware of the use of chaos when he was practicing!

In order to successfully integrate the chaos and flame, do not miss this opportunity, therefore, regardless of the road, days of hard work in the house, now is finally a success!

In fact, the power has made great progress. If the chaotic flame is integrated into the star soul chop, the attack power can be stronger!

All of a sudden, his eyes flashed slightly, and he had already grasped the situation outside the hotel.

However, Ye Chen's look is not changed, incomparably calm out of the room.

Outside, Zhu Yuan has been waiting for a long time.

At the moment, Zhu Yuan's look is a little gloomy. The sarcasm of those warriors outside the hotel to Ye Chen is particularly harsh to him. Now ye Chen is his master. Ye Chen's honor is even more important than his own!

If ye Chen had not ordered him, and if he had not given his permission, he would have fought against these people.

Looking at Ye Chen going out, Zhu Yuan's eyes showed a happy look: "childe!"

In fact, even he wondered why the young master had been shut up for so many days and never showed up?

However, Zhu Yuan never thought about ye Chen's fear of Juqu Danxing. In his opinion, Juqu Danxing has no possibility of defeating Ye Chen. The only difference is how long it takes for ye Chen to defeat her.

Ye Chen nodded to Zhu Yuan and said, "let's go down."

"But..." Zhu Yuan frowned slightly and said, "downstairs..."

Ye Chen waved his hand at will and said, "it doesn't matter, some clowns just jump on the beam. You don't have to do it for a while."

"Yes

While they were talking, they were walking downstairs.

Dada, a moment of footstep sound, the original noisy Hotel instantly quiet down!

Everyone is staring at the stairs, you know, still living upstairs, I am afraid only Ye Chen and Zhu Yuan ah!

Can't Ye Chen finally hide?

Soon, two figures appeared in front of everyone, it is Zhu Yuan and ye Chen!

Ming Ruoxi and Juqu Dan apricot, the United States is the emergence of a touch of excited color!

Ye Chen finally appeared!

And just now the people who are still shouting and scolding have no voice at the moment. However, most people still have a look of ridicule and disdain in their eyes.

Ye Chen's accomplishments are too low.

Where can we cross the boundary of heaven and earth?

No one thought that he would be the opponent of Ju Qu Dan Xing.

At this time, Ju canal Dan apricot moved.

She slowly walked to Ye Chen, blocking Ye Chen's body, staring at his eyes and saying, "are you ye Chen?"

Ye Chen glanced at her at random, her eyes flashed slightly, and said faintly, "not bad."

Juqu Dan apricot beauty eyes in the moment rose a touch of War: "I ju channel Dan apricot, want to fight with you!"

For a moment, all the people present were looking forward to it. They didn't know what ye Chen, who had conquered his natural martial arts, would answer!

However, to everyone's surprise, ye Chen just lightly replied: "no time, and I have no interest in marrying you, so I advise you not to get in the way."

Said, then directly from Ju canal Dan apricot side, a flash.

To tell you the truth, Juqu Danxing's appearance is indeed the top, even ye Chen is a little bit surprised, but that's all. He has seen too many beauties and has long been immune. As soon as ye Chen's voice fell, the hotel seemed to have entered the cold winter directly!

People did not expect that ye Chen would refuse without hesitation!

Even Ju canal Dan Xing, are stunned!

Her pretty face appeared a touch of anger, ye Chen's last sentence do not block the way to stimulate her!

From childhood to adulthood, she was the Pearl in the eyes of Juqu family. In order to fight with Ye Chen, she had to wait for two days without complaining about ye Chen. However, ye Chen said, "don't get in the way."?

With Ju canal Dan apricot pride simply can not accept!

At the same time, the crowd of martial artists who looked at Ye Chen at the moment were completely ironic and said, "ha ha, is this the so-called mysterious genius? As timid as a mouse

"Not even the courage of the first World War?"

"Only can hide, when can you hide?"

"I thought it was the tortoise who stretched out his head. It was to run away!"

Gu Quan and others also shook their heads. At the moment, they were almost certain that ye Chen had no strength. It was estimated that he had borrowed some external force to defeat Guquan.

Even Zhu Yuan was a little shocked. I don't know why you want to avoid the war? His eyes are full of doubts. To tell the truth, Zhu Yuan also wants to see ye Chen.

However, for ye Chen, he has no interest in Juqu Danxing. According to Zhu Yuan, the ancient armor of Juqu Danxing can resist the attack of the later period of huanzhenjing.

In principle, you may not be able to break it.

But don't forget, ye Chen has the emperor of taixuan array!

The way of array, if combined with its own martial arts charm, can't defeat the later existence of Huanzhen, but there is still a chance to break a armor.

What's more, the ancient armor also contains a powerful array, which is nothing to taixuan array emperor!

Juqu Danxing's armor and defense are no longer a challenge for him. What is the necessity of World War I?

It's just a waste of time.

What's more, he likes fighting, not competition.

As for proving yourself in front of these people?

Ye Chen doesn't have that interest.

Chapter 4905

His body moved, he took Zhu Yuan directly out of the hotel gate, but just as he walked out of the door, an extremely surging breath surged behind him!

I saw that Juqu Dan apricot on the body, the flash of gold, pretty face a piece of frost, refining road marks surging, holding a gold axe on the plain hand, the infinite power of law, around its body, as if in an instant, it has become the center of heaven and earth in general!

She gazed at Ye Chen's back and said coldly, "today, you have to fight, you have to fight if you don't fight!"

As soon as the voice fell, his hands waved, and the golden light gathered on the Tomahawk, turning into a golden lightning, roaring down towards Ye Chen!

Everyone outside the hotel was very happy, especially Li Zhenwu!

He's going crazy with joy!

This damned rubbish, like to pretend, will finally be exposed in so many people!

He is very eager to see ye Chen die in Juqu Danxing's hands!

Unfortunately, Ju canal Dan apricot although angry at the moment, but did not die, this blow did not aim at the heart of Ye Chen!

Ye Chen feels the golden thunder coming from behind. His face sinks, and a touch of impatience appears in his eyes.

"Do you think your ancient armor is useful to me?"

"Put aside the ancient armor, are you still qualified to stay in the list of gods?"

"Master taixuan, tell me the weakness of this armor array later!"

At the next moment, all the people felt was a flower in front of them. Ye Chen turned to Juqu Danxing strangely. His wrist turned and a dark sword fell into his hand.

All of a sudden, there was a very strange, frightening, black flame of vanishing and fluctuating, which was the chaotic flame!

In Ye Chen's eyes, a flash of cold light, a sword cut out in an instant!

A dark shadow of Yang deficiency flashed by, and the bright star light broke out from the sword. It turned into a star river and swept away towards Juqu Danxing. It was the star soul that chopped!

However, at the moment, the star soul chopper integrates the chaotic flame and the power to destroy the black sun, which is far more powerful than before!

In a flash, the Star River collided with the golden thunder!

At this moment, the sarcastic smile on all people's faces was frozen!

In the imagination, the Star River disappears, and ye Chen is seriously injured by the golden thunder does not appear

On the contrary, it's the opposite!!!

I saw that Juqu Danxing, the most powerful blow in the God cangbang, had no resistance in front of Ye Chen's sword. Almost at the moment of collision, it turned into a little light and dust!

Broken!

Golden thunder, smash completely!

All people only feel a dizzy brain, the spirit is going to spontaneous combustion!

What's going on?

Is this an illusion or a reality?

No one can believe that the existence of heaven and earth is actually a direct crush on the real world!

The world outlook of martial arts is going to burst completely!

However, this is only a beginning, far from the end!

The star river seems to have turned into an ancient angry dragon, and is still moving forward, roaring towards Ju Qu Dan Xing!

Ming Ruoxi saw this and couldn't help exclaiming, "sister apricot, worry!"

She can feel the power of terror in the stars!

However, at this moment, no one knows the horror of this attack better than Juqu Danxing!

Her pretty face has completely lost its blood color, and even her delicate body can't help shaking. She has the top defense skills and the ancient armor. Basically, she has never faced a real threat, but now Juqu Danxing feels the fear of death before this star river!!!

Ye Chen did not move to kill her, but Rao is so, the star soul cut to her pressure has almost broken her nerves!

Almost subconsciously, the fingers pinched Jue, and a burst of golden light surged up on the delicate body of Juqu Danxing, and turned into the armor with endless ancient atmosphere, protecting the whole person under it!

It has become her habit to use this defensive skill in case of danger. Even other reactions, such as dodging and counterattack, have been unconsciously ignored!

Seeing this scene, ye Chenwei shook his head and then turned around.

He knew that the result was doomed.

this star soul chopped into the essence of Tai Xuan Zhen Huang. Almost towards the weakness of ancient armor!

Other people can't break, does not mean he can't break Ye Chen!

With a loud bang, the light of the star river was pounded on the armor of Ju Qu Dan apricot!

The armor, which had never been broken, trembled wildly in the starlight. Under the incredible gaze of the people, a crack spread rapidly on the armor, just like a spider's web, all over the whole armor in an instant!

The world seems to stop turning at this moment

All people's eyes are rapidly open, eyes almost to stare out of the eye socket!

The ancient armor that made Juqu Danxing invincible to his peers and swept away a lot of demons was actually broken in front of the public Boom!

The whole Jue Ying City was trembling. A trace of blood was spilled from the corner of Juqu Danxing's mouth, and he stepped back several steps. On his delicate body, there was a crack, and the pieces of ancient armor fell down quickly!

She stood in the same place, looking at the back of Ye Chen's departure, a little confused for a time

People outside the hotel are suffocating

The complete suffocation!

Ye Chen really broke the ancient armor with a sword?

However, it has to be said that this armor is also a treasure. Although Ye Chen breaks it, the power of cutting the star soul is exhausted, and Juqu Danxing is not hurt much.

With a click, Li Zhenwu collapsed on the ground, shaking all over, and could not stand up any more. Daoxin completely collapsed

At the thought that he had been faced with such a terrible existence as ye Chen, he was almost scared to death!

What kind of rubbish is this?

This is the real monster!

Gu Quan and others are also smiling with self mockery. They are frogs at the bottom of the well

Ye Chen just showed a silk of strength, let them guess is not to use what external force?

In fact, ye Chen's strength is far beyond their imagination!

At the same time, a few people are also fortunate that ye Chen did not make the wrong choice, otherwise, he is already a dead man.

And Zhu Yuan is also extremely excited!

The young master broke the ancient armor that he couldn't break with one blow!

At this moment, he was completely convinced by Ye Chen. If he had become a subordinate of Ye Chen just because of his martial arts and the agreement with Ye Chen, now, it can be said that he wants to follow Ye Chen from the heart!

Even, will become Ye Chen's subordinates as a kind of glory!

Ye Chen has such a strong attraction that he even bows to the natural Wuzi who pursues martial arts!

Of course, Zhu Yuan didn't know the existence of the samsara cemetery at all, let alone that ye Chen did it because of the help of a top-level figure like taixuan Zhenhuang.

Chapter 4906

Mingruoxi is also extremely shocked. She did not expect such a result. Looking at the pieces of armor in that place, her eyes also showed a look of guilt.

Generally speaking, Juqu Danxing will challenge Ye Chen because she

But now, it leads to the destruction of this treasure

She couldn't help but face the stagnant Ju Qu Dan Xing and said, "sister Dan Xing, are you ok?"

At this time, Juqu Danxing seems to have just reacted to come over, and suddenly chased out of the hotel, shouting to Ye Chen: "wait a minute!"

Ye Chen slightly frowned, looked back at her and said, "what do you want to do?"

A flurry of panic appeared on Ju Qu's pretty face and said, "I have lost my ancient Armor now. If a warrior who is no more than 100 years old challenges me, I am not sure that I will be invincible. You You have to protect me

Everyone was moved when they heard the words. You know, Ju Qu Dan Xing made a pledge to defeat her by a warrior who was no more than 100 years old. She wanted to make a promise to each other!

In the past, she was almost invincible with the ancient armor, but now, the ancient armor was damaged by Ye Chen!

Although, there is still the possibility of repair, but there is no chance in the real area of inflammation!

If, now has the God Cang list the top rank evil spirit challenge her, how to do?

For a time, Juqu Danxing was a little flustered!

She is very clear, her ranking has moisture!

Without the armor, she's nothing!

Ye Chen is some speechless to sweep her one eye way: "with me what to do?"

He has already warned Ju Qu Dan Xing, the woman herself did not listen to, blame who?

Ju Qu Danxing was even more anxious. Looking at Ye Chen's appearance of leaving, he suddenly found that he had a lot of words to say: "you If you defeat me, you will marry me

Once this was said, the scene was again in uproar. Almost all the men showed an envious look to Ye Chen. If such beautiful women as Ju Qu Dan Xing could say such a thing, would they all wake up laughing in their dreams?

But who knows Ye Chen is still not hesitant to turn around and say: "I have already said, I have no interest in you."

After that, his figure flashed and he left Jue studio directly, leaving only a wide eyed onlooker

Ju Qu Dan apricot beauty eyes emerged a touch of grievance color, she said on this, the damned man even refused to help her!

But I don't know why, the more Ye Chen is like this, the more she wants to follow Ye Chen.

.....

One day later, in a desert, ye Chen stopped again and punched out a big hole on the ground. Under the big hole, various kinds of flames interweaved, and a rather huge miscellaneous fire pit appeared in front of him!

Ye Chen looked at the miscellaneous fire pit, and a touch of joy appeared in his eyes. If the miscellaneous fire pit was completely swallowed up, Xuanyan should be able to advance again, comparable to the real top-level divine fire!

He looked at Zhu Yuan and said, "I've devoured this fire pit."

Zhu Yuan respectfully said: "yes!"

He turned his wrist and held the three foot sword, guarding the fire pit.

Ye Chen body shape move, then entered the pit, began to swallow!

It's quite a second, even if it's a huge time, it's not going to take a minute

At this time, Zhu Yuan's eyes suddenly flashed, looked up at the sky, his eyes appeared a touch of horror!

I saw that the original orange red sky was rapidly darkening down, fainting into the green color, and the original thousands of degrees of high temperature is also rapidly cooling down!

He frowned, wondering what the vision meant?

However, as long as ye Chen is still devouring the fire pit, no matter what happens, he will not leave here.

With the passage of time, Zhu Yuan's face has become more and more dignified. Now, it has been an hour since the blue light appeared in the sky. At this moment, the sky and the earth are actually howling a blue storm, and the temperature has dropped sharply, which has already been below absolute zero!

Zhu Yuan's eyes flashed wildly, and his heart became more and more suspicious. The blue and cold wind clearly appeared at night. But now the night has not yet arrived, why has the storm swept the whole world?

It is obvious that some kind of change has taken place in this area of inflammation!

At this time, several figures suddenly appeared in the storm, flying towards Zhu Yuan's place!

Zhu Yuan's eyes narrowed, and he saw four people, three men and one woman. Their accomplishments were all above the four levels of heaven in Huanzhen realm. Among them, the highest man reached the sixth heaven of Huanzhen realm!

Those people seemed a little surprised that someone would appear here. However, they looked at each other and soon surrounded Zhu Yuan in the middle.

One of them was a short fat man with a cold look and said, "boy, you don't want to die? You're still in this kind of place

Zhu Yuan glanced at the short fat man and asked, "the disaster of wild hunting?"The short and fat man did not answer, but said impatiently: "well, now, our examinees have formed an alliance in the nearby Leiyun city to jointly resist the wild hunting disaster. This time, we are going out to look for the lonely warriors and inform them to join the coalition army!

You don't have to talk nonsense. Let's go. It's your only hope to survive! "

Zhu Yuan gazed at the stout man and asked again, "what is the disaster of wild hunting?"

That short fat man hears speech, the eye is angry together, this boy can't understand human words?

He secretly looked at the other people and winked at them. In addition to the leading youth, the rest of them were all spiritual forces in their bodies. They were about to attack Zhu Yuan!

But at this time, the young man with black robe and short hair, who had never spoken, said: "the so-called wild hunting disaster is a kind of natural disaster after the disaster in the Yanzhen area. Its characteristic is that there will be cold wind in the daytime. However, this is not the most dangerous place for wild hunting disaster."

A few people around were slightly surprised. You know, this short haired young man is not a patient person, but he explains this boy in the early stage of his real life?

For a moment, they could not help but quiet down.

Zhu Yuan asked, "what is the most dangerous?"

The young man with short hair went on: "this is a legend about yanzhenyu When the cold wind appears in the day, and the ice and snow cover the earth and the earth, the spirit of wild hunting from the nether world will appear in the wind and snow. They will kill and hunt all living creatures in the sky and earth as their prey, so as to vent their resentment

Now, the cold wind has appeared. We speculate that the spirit of wild hunting is coming. It seems that the examiners in Yanzhen area are not lucky this time. This disaster has made us meet

Well, I've finished my words. Now, follow us to Leiyun city and join our coalition forces! "

Chapter 4907

The short haired youth's eyes flashed slightly. The reason why he said so much to Zhu Yuan was not because of any good intentions, but for some unknown reason, the young man in front of him gave him an invisible pressure!

But Zhu Yuan shook his head and said, "I don't want to go."

For a time, the short hair youth and others, eyes are fierce up!

They have enough to give Zhu Yuan a face, but Zhu Yuan is not willing to listen?

You know how many people can be recruited to join the coalition, but it is related to their status in the face of the spirit of wild hunting!

If the number of people recruited is too small, it is likely to become cannon fodder!

Therefore, even if it is forced, they also want Zhu Yuan to join the United Army with himself and others!

The four men and women looked at each other, the spiritual power in their bodies was surging wildly, and the traces of refining path were also faintly visible all over the body!

Zhu Yuan looks light way: "I advise you not to start."

On hearing this, the short fat man raised a grim smile. In his opinion, Zhu Yuan was afraid!

At the next moment, he yelled, and he hit Zhu Yuan. He just wanted to teach this boy a good lesson. Now he can finally achieve his wish!

Several other people saw this, and they also shot at the same time. In an instant, four bombardments covered Zhu Yuan!

Zhu Yuan's eyes flashed with cold light. He didn't even use his short sword in his hand. He just hit four fists

It seems that among the four ordinary fists, there is surging Daoyun!

The four young men and women all changed their faces. At the moment, in the face of Zhu Yuan's fist, they only felt that there was a huge wave in front of them. They wanted to completely submerge their body and mind and completely suffocate!

The next moment, four screams sounded, and the four men and women vomited blood and flew backward. At the moment, their eyes at Zhu Yuan had completely changed, full of fear!

Zhu Yuan light way: "roll."

The four men did not dare to stay any longer and fled immediately.

After the four left, Zhu Yuan's eyes became more and more dignified. If the spirit of wild hunting appeared, the young master was still practicing, and he didn't know whether he could resist it

.....

Lei Yuncheng.

Thousands of warriors gathered in the city, staring at the green storm outside the city, their eyes couldn't help shaking!

Many people are extremely ugly. I have to say that the examiners in this area are so unlucky that they happen to encounter the rare disaster of wild hunting!

And Juqu Danxing, mingruoxi, Guquan and others are also in the city!

On the top of the city stood a majestic young man in purple robe. His eyes were open and closed, and there was a glimmer of lightning!

This man, named Lei Ziyin, ranked 243 on the list of gods!

Lei Ziyin was the strongest in Leiyun City, and naturally became the leader of the coalition forces in Leiyun city!

Although Juqu Danxing ranked above Lei Ziyin in the list of deities, he lost his ancient armor, but in fact, his strength was greatly reduced, which was not as good as Lei Ziyin.

Lei Ziyin stares at the sky and suddenly his pupils shrink!

I saw that there was a shadow at the end of the sky

At the next moment, the shadow flashed towards Leiyun City, rushing wildly!

Bursts of frightful cold came in an instant. Even in the temporary city, some weak warriors still couldn't help shivering!

People look at the overwhelming shadow, but they can't help but show their horror

I can see that the so-called shadow is a very pale, strange, just like the body of the figure, these corpses mouth, hanging sad, seeping smile, like smile, like cry not cry, very sad scream, from their mouth!

They don't have eyes. There's dead darkness in their sockets!

When people's eyes were on the darkness, they could not help but feel a chill in their hearts!

This is the spirit of wild hunting!

The spirit of wild hunting, dressed in armor, is attacking Leiyun city in the cold wind!

Lei Ziyin felt the terror of the spirit of hunting. He could not help but sink his face and cried out: "do it!"

The big drink brought back all the people's thinking. At the next moment, the examiners in the city roared and attacked the spirit of wild hunting!

The sword Qi and sword light were chopped into the spirit of wild hunting, and their pale limbs were flying!

When they saw this, they all looked happy. Their attack worked!

The spirit of wild hunting looks strange, but it is not as terrible as imagined!

But soon all the joy on the faces of the people was gone!

Those injuries, which are fatal to ordinary people, do not seem to exist to these wild hunting spirits!

One by one they were totally regardless of the injury, and in a flash they poured into the city of thunder cloud!

A pale ghost, toward a young man who was slightly stiff by the cold wind. The young man saw this, his face suddenly changed, and he was crazy dancing his weapons to attack the ghost! The spirit of wild hunting gave out a terrible laugh. His hand was like a sword made of ice crystal, and the young man's movement stopped abruptly

Blue ice, fast in his body over the spread, his eyes appeared a touch of disbelief, and extremely unwilling look, and then, the whole person will turn into a blue ice sculpture, the next moment a bang to pieces!

Lei Ziyin looked gloomy, and kept playing a series of thunder lights, which destroyed the spirit of wild hunting all over the body into nothingness. He looked around, but the situation on the battlefield was very bad!

The United forces were completely suppressed by the spirit of wild hunting!

The strength of the examiners and the spirit of wild hunting is actually not so great!

The main reason for this situation is that the spirit of wild hunting exists to kill and is fearless of death!

What about the examiners?

What they want is not to kill the enemy, not to win, but how to save their lives!

If the spirit of wild hunting is an army, the United Army of examiners is a loose sand!

How do you do this?

In just half an hour, the examiners' coalition had already failed!

More and more examiners died in the hands of the spirit of wild hunting!

At this time, the spirit of wild hunting, which was originally crazy to kill, suddenly stopped moving!

In the sky, another figure appeared, which was quite similar to the general spirit of wild hunting, but its breath was more powerful several times. At the same time, it was riding a skeleton chariot with feet on the wind and snow, which looked like a dark skeleton!

People look at this figure, their faces are distorted

I don't know who, with a trembling voice, whispered: "king of wild hunting..."

The existence of riding a skeleton horse is the king of wild hunting in the legend of Yanzhen region!

In fact, the force is several times more powerful than the general wild hunting spirit!

For a moment, Lei Ziyin's face turned pale. His eyes flashed and he suddenly drank a voice: "retreat!"

Chapter 4908

As soon as the voice fell, it was a surge of thunder all over the body, killing the spirit of wild hunting all over the body, and fled to the distance!

As the leader of the United Army, Lei Ziyin ran away without hesitation when he saw the queen of wild hunting!

All of them were slightly stunned. Then, a scream of panic rang out. Countless examiners in Leiyun city followed Lei Ziyin and fled!

After all, they are not real soldiers. It's very important to protect their lives at present!

The strongest Lei Ziyin has escaped. What are they staying for?

Ju Qu, Dan Xing, Ming Ruoxi and others were all ugly. However, they had no choice but to run away with most of the people. In this escape, the United Army had no resistance in front of the wild hunting spirit!

The king of wild hunting screamed, and led countless spirits of wild hunting to the United Army and went after them!

.....

Zhu Yuan guarded by the fire pit and watched several young people flying past in panic. He could not help but tightly grasped the dagger in his hand

Many people have escaped from it. Is it possible that the spirit of wild hunting is coming?

At this time, a dark cloud like shadow appeared in Zhu Yuan's vision!

When Zhu Yuanning looked at the shadow, he was slightly surprised. The shadow was not the spirit of wild hunting, but composed of countless examiners!

It is the assessor coalition that escaped from Leiyun city!

And behind them was a blue storm. In the storm, a strange shadow flashed. The wild hunting army was chasing after them!

At the moment, those examiners were pale, and they were about to be overtaken by the wild hunting army!

Suddenly, someone noticed Ye Chen in the miscellaneous fire pit, and suddenly exclaimed, "you see it's Ye Chen!"

When Zhu Yuan heard the speech, his face changed. As expected, many examiners noticed the existence of Ye Chen!

Those examiners were silent for a moment. In their eyes, there appeared a strange look and looked at Ye Chen

At the next moment, countless people yelled at the same time: "Mr. Ye! Help us

"Mr. Ye, the spirit of wild hunting is coming. Please do it!"

"Mr. Ye, only you can defeat the king of wild hunting!"

Say, it is to change direction one after another, fly toward Ye Chen place!

Zhu Yuan could not help but flash a anger in his eyes!

These people are bringing disaster to the East!

Turn the attention of these wild hunting spirits to Ye Chen!

Ye Chen smashed the ancient armor of Juqu Dan apricot with one blow, which is likely to have a very strong strength!

Such strength is qualified to fight the army of wild hunting!

What will happen to Ye Chen after the wild hunting army has noticed Ye Chen?

What's all this about them?

They only need Ye Chen to block the wild hunting army and give them a chance to escape!

Even better, ye Chen and the wild hunting army die together!

Among the Allied forces, Ju Qu Dan Xing, Ming Ruoxi, Gu Quan and others all frowned and looked disgusted and disdainful!

How disgusting these people are!

Ye Chen didn't provoke them. He was just practicing. Originally, the wild hunting army would not even notice Ye Chen. But what about these people?

In order to survive, he brought the disaster to Ye Chen and shifted the attention of the wild hunting army to Ye Chen!

This humanity makes them sick!

However, at the moment, they can only follow the current and fly to Ye Chen. Otherwise, if they leave the team, they will be hanged immediately by the wild hunting army!

Zhu Yuan yelled at the crowd: "don't come here! The young master is practicing now. He can't do it! "

But where would these people listen?

They don't care about ye Chen's life or death. They don't care whether he is practicing or not, and whether he will let Ye Chen go into the devil and so on

Soon, the soldiers hid behind the fire pit, and the hunting army fell down in front of it.

The king of wild hunting, with empty eyes, seemed to be slightly stunned when he swept to Ye Chen. For a moment, he stood still, as if something incredible had happened. Those spirits of wild hunting also looked at Ye Chen with their heads askew.

But that group of examiners is a little anxious

Because, until now, ye Chen is still sitting in the miscellaneous fire pit, just like a dead man, without any reaction!

If it goes on like this, the king of wild hunting will attack at some time!

Now, what else is there to cultivate? Don't you hurry up?

Among the crowd, gradually came the voice of drinking and swearing: "Ye Chen, don't wake up! Are you still practicing

"Mr. Ye, it's not the time to practice. The king of wild hunting is coming!"

"Childe ye, you can defeat the king of wild hunting first, and then you can cultivate in peace of mind!"

They said very loud, the purpose is to make ye Chen noisy, so that ye Chen can not calm down!

Zhu Yuan's face became more and more ugly and said, "shut up! Don't disturb young master! However, ye Chen in the miscellaneous fire pit seems not to be moved, and there is no response.

Actually, ye Chen is sneering in the heart at the moment!

The fire in the miscellaneous fire pit has been swallowed up. Now, it is just consolidating the harvest and refining the mysterious flame. In fact, ye Chen knows all these people's actions!

Even who was the one who started the disaster, took the lead to fly towards him, and who showed contempt when the people caused the disaster, and so on, did not escape his mind!

Now, after swallowing the miscellaneous fire pit, ye Chen's strength has risen to a higher level. These wild hunting spirits are indeed powerful! But he mastered the Heavenly Master's way and the great starry sky of Hongmeng. If he added the supernatural devil's body, he would be the enemy of these evil things! It's not a threat to him, but

Ye Chen has no intention to move!

These people, want him dead, he wants to save them?

Ye Chen is not so nosy.

At most, he saved Ju Qu Dan Xing and others.

At this time, the king of wild hunting issued a scream, led the army, and rushed to the people!

All of them were pale and frightened in their eyes!

"Ye Chen, what are you still doing?"

"Ye Chen, are you stupid in practice? Come on

"Ye Chen, you rubbish, are you afraid! Do you think you can hide in a fire for a lifetime

"When we die, it's your turn!"

What a mistake they made!

I thought Ye Chen would do it, but who would have thought that ye Chen was still practicing like wood?

Now there's no chance of escaping!

Ju canal Dan Xing at this moment finally can't help, she drank a voice: "stop! Why do you say ye Chen so? He owes you nothing

When they heard someone speak for ye Chen, they all looked at Ju Qu Dan Xing with a sneer and said, "ha ha, I fell in love with others after being defeated once?"

"You are so noble, how can you hide here?"

"Don't let Ye Chen do it. If you have the ability, go and fight the king of wild hunting?"

"When you're dying, do you want to talk to your lover?"

But soon, the crowd shut up

Because I can't go on, the wild hunting army has come to everyone's eyes!

Chapter 4909

See, a massacre is coming!

But at this time, the sky, but suddenly fell a white light!

In the white light, a skinny young man was revealed. The young man was full of ghost. Facing the wild hunting army, he was not afraid at all. On the contrary, he showed a evil smile!

Seeing this, the king of wild hunting let out a scream, raised his ice sword and attacked the youth.

When they saw this, they were stunned, but soon they shook their heads. They knew that the young man was dead.

Although his strength is not weak, how can he compete with the whole army of wild hunting?

At this time, however, someone pointed to the young man and exclaimed, "this man This person seems to be the ghost King shiye

"What?"

People heard the speech, a little surprised, this Ming Luo ghost King stone field, in the heaven and man domain is also quite famous!

Shiye, the monster ranking 325 on the God Cang list, is not too high, but its most famous is not strength, but ghost!

Shiye was born with the ghost body of the Ming Luo, which was advantaged in the practice of the ghost road. Moreover, it was the killer of many ghosts. Even if his strength was far beyond his ghost, he would only be swallowed up when he met shiye!

At this time, shiye faced the king of wild hunting with a cold smile. At the next moment, a strange scene appeared!

I saw a green ghost gas gushing from shiye's fingertips, instantly drowning the king of wild hunting. Then, the king of wild hunting was wrapped and sucked back into shiye's body!

Shiye's eyes appear a touch of joy, after the return of the ghost, its breath is actually visible to the naked eye!

People are totally stupid

This is extremely frightening. The king of wild hunting, chasing thousands of examiners, has been swallowed up like this?

Isn't it a little too absurd?

However, if you think about it carefully, it seems that the spirit of wild hunting also belongs to a kind of ghosts. It is reasonable to be restrained by the ghost body of shiye mingluo!

Ming Luo ghost body, facing the ghost is invincible!

For a moment, the spirits of wild hunting seemed to feel the threat of shiye, and they started to flee with a scream.

But, finally had the opportunity to devour these powerful ghosts, how can ISHINO let go?

It's hard to find such ghosts in heaven and man!

Shiye eyes burst out a green light, his body gushed out of endless ghost gas, instantly those crazy hunting spirit submerged!

A scream sounded, and in a flash, the spirits of the wild hunting, which had made everyone chase and kill in a mess, fell under the ghost body of mingluo in shiye one after another!

The most terrifying thing is that after shiye swallowed up the spirits of these wild hunting, his strength was actually soaring wildly!

In a twinkling of an eye, it has broken through, and is still climbing up!

Feeling the terrible breath of shiye, everyone was shaking!

How terrible!

Soon, the spirit of the wild hunting was little left, and was swallowed up by the stone field!

At this time, with a roar, the endless law surged around shiye, and his cultivation broke through another layer of heaven!

At the scene, there was no spirit of wild hunting any more, and the blue cold wind also dissipated.

People have emerged on the face of the survivors of the joy, did not expect, the disaster so inexplicably resolved!

The stone field sends out a smooth smile, ghost gas one receives, revealed the body shape.

At this time, a figure toward the stone out, it is Lei Ziyin!

With a smile on his face, he saluted shiye and said, "congratulations to shigongzi."

Those examiners also said excitedly, "congratulations to Mr. Shi!"

At the same time, these people look at Ye Chen's look more and more disdainful.

Thanks to shiye this time, otherwise, they will give ye Chen this waste pit to die!

But almost at the same time, ye Chen slowly opened his eyes, moved his body, and walked out of the miscellaneous fire pit.

When they saw this, they all scoffed and said, "master Shi killed the army of wild hunting, and you will wake up?"

"Mr. Ye, can you really pick the right time?"

"Hehe, are you not afraid now? Do you dare to end the practice? "

For these people's ridicule, ye Chen sneered coldly, did not pay any attention to.

At this time, leiziyin saw that shiye didn't seem to have any response to him, and frowned slightly. You know, he had seen shiye before, and shiye was very polite to him at that time.

However, at present, shiye's strength is extremely terrible, and Lei Ziyin doesn't say much. He will leave with a flash of his body.

And the other examiners on the scene also planned the same thing. Since the crisis has been solved, there is no need to stay here.

But, at this time, a scream is suddenly sounded!

Everyone was stunned and looked towards the direction of the scream. Lei Ziyin looked at his chest in disbelief. There, there was a blood hole!And shiye, holding a beating heart with a smile, said, "did I let you go?"

People smell speech, heart suddenly a cold, look at the stone field eyes are shaking up!

At the moment, they have a kind of feeling, just out of the wolf's den, and into the tiger's mouth!

All of a sudden, a stream of ghost gas wrapped Lei Ziyin's body, involving his spirit into the body of shiye.

A young man summoned up his courage to ask shiye, "shigongzi, what do you mean? But Lei Ziyin has offended you? "

Everyone hopes that shiye kills Lei Ziyin out of personal gratitude and resentment!

However, shiye was looking at a group of examiners and said: "do you know? Although my ghost can't devour the living, I can devour your spirits after you die. Do you think I should let you go

This time, people's hearts sank completely. In front of them, the existence who had just broken through two layers of heaven seemed to be more terrible than the spirit of wild hunting!

Many people kneel down to shiye directly and say, "shigongzi, please let me go..."

"Mr. Shi, I don't want to die. I'm willing to surrender..."

"Mr. Shi, as long as you let me go, my family can give you the price of satisfaction..."

Shiye looked at these people, his eyes appeared a touch of sarcasm, the next moment, ghost gas gushed out, instantly wrapped these people, a scream, came from the ghost gas!

In an instant, the scene was silent!

This group of examiners, in the face of shiye, dare not even breathe in the atmosphere!

Ye Chen sees this, but in his eyes there is a touch of sarcasm. If these people join hands, they may not have the strength to fight with shiye, but?

They are afraid!

I'm afraid that I'll be caught by shiye, but if I don't, maybe I'll be lucky. Will shiye let them go?

There is still a fluke!

But at this time, it is a few people suddenly shot!

Ye Chen looks at these people, in the eye appeared a touch of appreciation color.

Zhu Yuan, Ju Qu, Dan Xing, Ming Ruoxi, Gu Quan, Zhou's brothers and sisters, and individual examiners!

These people's eyes are the color of fighting for life, all out to hand!

Chapter 4910

Several dazzling rays of light will instantly submerge the place where shiye is, and the incomparably powerful law wave sweeps the world!

With a huge bang, the whole Yanzhen area seems to have a great shock. Several strong men joined hands, and their prestige was extremely amazing. In an instant, standing in the stone field, a dead space exploded out!

For a moment, people look at the dead space, and their eyes are full of expectation

As for the rest of you, Mr. Chai is not afraid to follow him, but he is not afraid to follow him 。 ”

Zhu Yuan and others couldn't help but change their faces. So many people tried their best to hurt shiye?

In fact, how much more than the people?

All of a sudden, shiye noticed Juqu Danxing. In his eyes, he flashed a look of greed. He walked toward Ju Qu Dan Xing and said with a smile, "Juqu fairy, Shi has always been interested in you. I heard that you have a rule. If you beat you, you will agree with me."

Chuqu Danxing heard the words, her pretty face lost her blood color instantly, shiye swallowed up too many wild hunting spirits, and the whole person looked extremely pale and ghostly, which was even more terrible than the spirit of wild hunting. And shiye's words obviously moved her!

Juqu Danxing clenched his teeth and suddenly grasped the golden Tomahawk. He was preparing to fight to death. But at this time, a figure was standing in front of Danxing in Juqu.

What do you do, frown

Appear in Ju canal Dan apricot body in front of, is a look indifferent youth, impressively is Ye Chen!

He looked at shiye lightly: "you want to kill other people, it's your business, but there are a few people you can't move."

Shiye looked at the young man in the heaven and earth realm, but he laughed playfully. He said to Ye Chen, "can't you move? Why? "

Ye Chen stares at shiye Road: "because, I, do not allow."

Once this was said, the whole desert was silent for a moment!

Everyone looks at Ye Chen like a madman!

What's wrong with this guy?

Now you want to enrage Shino?

You're not allowed to?

Shiye is very popular now!

Who is he going to kill? You have to get your permission?

What are you?

Just now, facing the wild hunting army, I was still immersed in training like a dead dog. Now, facing the shiye, which is more terrible than the wild hunting army, it is pretending instead?

Some people did not let go of this opportunity to please shiye, and said to Ye Chen: "waste, what are you talking about here?"

"Do you want heroes to save beauty? It's a blessing that Juqu Danxing is taken in by shigongzi! "

"Do you really think that if you break an ancient armor, you will be invincible?"

Shiye laughed and laughed, as if he had heard the funniest joke in the world!

But, suddenly, shiye's laughter is gone, replaced by a very gloomy breath!

This breath covers the whole desert in an instant!

Shiye a pair of lifeless eyes, staring at Ye Chen, without expression, just like the devil in hell, said: "you are not allowed? Then die. "

As soon as the voice fell, shiye suddenly appeared in the sky. His whole body was full of ghost Qi, and the ghost body of Ming Luo was used to the extreme. A shadow of the underworld appeared all over the body. In the shadow, trillions of souls were faintly visible, whining and wandering!

When his wrist turned over, he had a mourning sword in his hand. The rolling green ghost spirit poured into the mourning sword, and instantly condensed into a Heavenly Sword!

The sword evil spirit is connected to the sky, and its body is full of green like ink. The endless law surrounds it. Under the suppression of this sword evil spirit, the whole Yanzhen area is cold and overcast. It looks like a ghost in the nether world!

The countless examiners just took a look at the sword, and they had the illusion that the spirit was frozen and fell into the infernal hell!

At the moment, shiye has obviously made full efforts, and its power is indescribable. It is far from the ghost gas that killed the beggars just now!

Under this sword, I'm afraid thousands of warriors will be killed and wounded?

All of them look at Ye Chen with great resentment. In their eyes, it is because ye Chen angered shiye that they all want to bury the damned boy with him!

Ye Chen's eyes are slightly narrowed. Shiye's sword is quite good. It integrates guidao and kendo together. It can be seen that it is really an extremely frightening monster on the ghost road!

A ferocious smile appeared at the corner of shiye's mouth. He just swallowed the spirit of wild hunting, and his strength soared. This was the first time he tried his best. At the moment, he felt that a sword could destroy the heaven and the earth!

Shiye looks at Ye Chen, in the eye kills the opportunity one Sheng, Li drinks a way: "give me to die

At the next moment, the evil spirit of the Tongtian sword immediately cuts down at Ye Chen. Juqu Danxing's pupil shrinks and hums. She retreats several steps and spits blood. This sword is not aimed at her, but because she stands closer to Ye Chen, she is shocked by the residual power of the sword evil spirit! And, at the moment, her blood was cold and her limbs were freezing!

How powerful this sword is!

She couldn't help but cry to Ye Chen: "Ye Chen! Don't fight hard. Hide

Zhu Yuan is also nervous. Although he has great trust in Ye Chen's strength, shiye's sword is too terrible!

He can't help but say: "childe, be careful!"

However, ye Chen did not seem to hear it. He stood still and watched the sword cut down

Although shiye advanced by swallowing the spirit of wild hunting, after all, it was with the help of external forces that his foundation was unstable and he was just advanced.

The Supreme Master should be able to suppress each other!

What's more, after ye Chen devoured the last miscellaneous fire pit, Xuanyan has advanced again!

Ye Chen's strength has made great progress!

"The Supreme Master's way, the heavenly demon holy body, the supreme heavenly devil body, open!"

Gazing at the stone field, ye Chen bursts out a drink, and the purple ribbon thousand machine seals appear, and a continuous stream of immortal Qi rushes on him, evolving into a Taoist robe of the dragon and tiger Heavenly Master.

At this moment, ye Chen directly opened the way of the Supreme Master of heaven, incarnated as the master of dragon and tiger, and his eyes were also full of evil Qi. Layers of magic lines appeared on his skin, which actually opened the body of the Supreme God at the same time.

One immortal and one demon, two breath, in Ye Chen's body gallop flow, mutual fusion, not a bit of exclusion, but like Yin and Yang eight trigrams, perfect fusion to the extreme.

This is just the beginning!

All of a sudden, a silver flame appeared in the people's eyes

At the moment of the flame emerging, the fire elements of the whole Yanzhen area seemed to be agitated in an instant!

As if the minister met the king!
