

Physician 491

Chapter 491

The rest of the guardians of China were stunned. It never occurred to him that Fang Zhenye had killed Bao Peimin!

Bao Peimin did not hesitate. He glanced at Ye Chen behind him. Seeing that the other side had not made any noise, he said angrily, "why don't you go! It won't last long

In fact, ye Chen is grateful for Bao Peimin's help, but he won't leave.

The purpose of his coming here is Fang Zhenye. He has no choice.

"Master Bao, it's up to me to finish it. You don't have to do this for me."

Bao Peimin can't care about anything, because Fang Zhenye's sword has fallen. He has a sword in his hand and his knees are bent. His body soars five meters high!

Then, the true Qi condenses in the long sword!

The sword light is flashing, and the whole body is full of Qi.

"Thousand thunder sword!"

This is Bao Peimin's famous sword idea. Although it is not the top sword skill, it is enough to strengthen his strength!

Fang Zhenye's hand, he did not dare to take it lightly!

The essence of sword Qi condenses and forms into sword rain all over the sky. In an instant, such as the storm swept towards Fang Zhenye.

Ding Ding Ding

Bursts of crisp crash sound, the next moment burst.

The sky is full of sword Qi, the sword light is flashing, the cold wind is sweeping, the vegetation is broken!

His body twinkles, with the sword Qi as the center. At this moment, the battle area of Bao Peimin and Fang Zhenye was turned into ruins.

Obviously, the strength gap between the two is not big!

"Bao Peimin, it seems that I underestimated you! It's a pity that you don't know one thing. You are not the only one who has broken through! "

Fang Zhenye's voice suddenly resounded! Next second, the whole body momentum is released! Cut it off with one knife!

That wipe of light, as if the world is divided into two!

The sharp sword Qi makes a sharp sound, like the call of death.

The wind blows up and the clouds change color!

See this scene, those Chinese guardians face slightly changed!

Who could have thought that Fang Zhenye also broke through! Previously, it has been hiding strength!

If this is the case, Bao Peimin does not have the strength of an enemy at all!

Roar

As if between, in the wind of the sword, the knife fell like a giant beast, carrying the thunder, containing a strong blow from Fang Zhenye!

Not only that, but the other two guardians of China also responded and went to Bao Peimin!

Powerful air waves rolling!

Under the terrible intention of killing, Bao Peimin's clothes were broken.

Under the endless sword spirit, I don't know how many wounds have been scratched.

Red blood, in the shadow of the sword, is particularly strange.

The great crisis finally came. The breath of death, diffuse.

"Bang!"

Bao Peimin has no chance of winning against the three men!

Get blown out! Hit the place 10 meters away!

Mouth is spit out bright red blood!

Shocking!

"How dare you compete with the sun and the moon? It's beyond our means

Fang Zhenye completely killed Ye Chen. He didn't want to kill Ye Chen. He didn't get used to this bag of Peimin. He killed it and killed it!

"Kill Fang Zhenye first, then ye Chen."

The cold voice fell, and the sword light in the hands of the two Chinese guardians tore the air, and went towards Bao Peimin.

Bao Peimin swallowed a pill and stood up, but the two guardians of China had already appeared.

The sword will fall mercilessly!

Bao Peimin just want to fight back, a figure has appeared in front of him, it is Ye Chen!

"It seems that the guardian of China really likes to bully the less with more. In this case, count me in!"

Ye Chen's indifferent voice resounds, and then it is full of blood. The sword directly sweeps away!

"Ye Chen, you..." What Bao Peimin just wanted to say, ye Chen has already rushed towards them!

There was a thump in his heart!

Although the two guardians of China are not strong, they can not be resisted by his realm!

He just wanted to make a move, but the sword light flashed through Ye Chen's palm!

Tear this piece of sky!

The terrible momentum burst out, and the cold light covered the earth!

This sword seems to let innumerable auras converge towards the sword in his hand!

Not only that, ye Chen's body seems to disappear between heaven and earth. This sword has been used to the extreme by Ye Chen.

The two guardians of China were obviously confused.

They have never seen such a strange sword skill!

The point is, how did this kid suddenly disappear? It's like being silent in the sword!

Not only that, but the momentum is not a place of separation and separation!

"How could this be..."

As ye Chen's sword light burst out, his face was originally the two guardians of China, and his pupils shrank in an instant, showing a look of horror.unbelievable!

What a powerful momentum, good terrible speed, good sharp blade!

The long sword has not arrived, but the sword light that penetrates the space makes people feel creepy.

What kind of sword move is this!

How could Huaxia still have this sword skill?

Even if there is, it should not be a 20-year-old separation and separation environment!

At this moment, the two Chinese guardians standing there trembled inexplicably in their hearts!

It's a fear of the unknown!

He smelled the smell of death, he felt the call of death.

Suddenly, a cold voice rang through their ears: "since I have killed two guardians of China, I don't mind killing two more!"

Words fall, sword meaning rises!

The fierce and cold power is coming through!

Only then did they realize that they underestimated the enemy. Their blood essence urged them to enhance their strength. At this moment, their swords seemed to bloom with endless light, and then they cut off towards the source of the sound just now.

"Ding!"

The sound of clear and crisp resounded, and their swords broke into pieces directly!

Not only that, but also a powerful force!

Their clothes were torn to pieces!

I stepped back six steps!

Blood is rising!

One of them couldn't bear to spit out a mouthful of blood on the spot!

Damn it!

Later, they found that ye Chen had been steadily standing in front of them, eyes indifferent, slightly panting.

There is a strong killing spirit on him!

Under a sword, ye Chen forced them back!

This scene, shaking everyone!

Sun Miao and those watchers of China are shocked!

A few people are more open mouth, eyes are full of fear!

"It's not Huaxia! Even in Kunlun Xu, such sword skills can be said to be the top level! "

Sun Miao's eyes were full of curiosity.

Anyone who cultivates sword, who doesn't want to control this powerful sword skill!

This thing in Ye Chen's body is just a violent thing!

At the moment, ye Chen took a pill and rushed out again!

He is like a wolf who has been hungry for three days, and his eyes are scarlet! As if to bite everything!

His strength continues to climb, last night he specially refined a batch of Ning Yi Dan, a short time can strengthen their own strength!

Chapter 492

To face this group of old monsters, his current strength is not enough!

Must always adjust their own state to the peak!

He bent his knees, his feet on the ground appeared a huge depression, then suddenly released, again toward the two men!

No stopping and breathing!

Ding

With a cold hum, ye Chen's momentum burst to the limit.

Sound down, sword to!

The world is still when the sword light passes.

Those two people completely put away the heart of contempt, Dantian real gas burst, five fingers a grip, and a sword flew to their hands.

After that, the sword turns and takes the key of Ye Chen directly!

If you don't kill this son, the guardian of China will definitely have an accident! There is no guarantee of their lives!

"Bang!"

That clear sound of collision, such as the sound of the Hong Zhong, spread all over the ten miles!

Boom

In the sharp sound, the world seemed to freeze for a short time, and then burst out suddenly.

At this moment, it seems that the sword will explode.

Poop

Those two people from fright to solidification and then to distortion!

They found that ye Chen's strength is getting stronger and stronger!

How could it be!

A mouthful of blood spray, two people in the roar, like a huge stone, was blown out.

Hum

Faintly, you can hear a burst of wail, the sword in their hands is full of light, it seems that you can see the dense cracks all over it!

This terrible confrontation almost destroyed the weapon again!

At the moment of two people's flying, ye Chen Canglong's magic body formula surges, and takes the key of two people directly!

He's killing himself!

Come to Xiangjiang, has been dormant for too long anger. Today's outbreak, let Ye Chen feel unprecedented.

The all-out fight seems to have inspired the way of killing hidden in the deepest part of the body. Ye Chen's sleeves are dancing wildly! Killing the sky!

Don't give each other a chance to breathe, ye Chen displays the first sword of breaking Heaven Sword!

"Boom!"

The aura of Dantian completely exploded at this moment, a burst of light chanting, the sword light soared to the sky in an instant!

This sword swept out, fast to the extreme, like thunder across the sky!

The blood in Ye Chen's body is boiling!

Body dragon chanting, all the strength of the blood dragon towards the sword!

In a flash, the sky was full of sword Qi, and the cold was pressing!

The whirling wind, like the howling of evil spirits, takes people's heart and soul!

"Bang!"

A sword fell. The roar came suddenly.

The essence of the sword Qi penetrates the body, and ye Chen's momentum seems to rise to a higher level.

Brush brush

When the sword is wielded, one is divided into two and two is divided into four. Finally, it turns into ten million sword light!

The essence of sword light is like ten thousand swords coming to the court, like a storm sweeping down.

Killing the sky!

This is Ye Chen's way!

The way to kill!

"No..."

The two guardians of China looked at everything in front of them and roared in horror.

Separation and reunion?

What the hell is this place!

It's completely above the real yuan realm!

The key is to give it back to such a young boy!

No way!

This is where the old monster, must be extremely powerful generation, with unique means to deceive their own judgment! Otherwise, how could the ordinary Li He frontier warriors break out such an offensive?

Pupil extreme contraction, two people's eyes left only endless despair!

In the roar, all he could do was try his best to resist it.

Boom

Thunder blast!

In the twinkling of light, the sword light thundered on them!

Just for a moment, in the roar, the sword broke and turned into endless pieces!

Puff!

There was also a low penetrating sound.

Like the slightest horn blowing, in that piercing sound, the whole world seems to have stopped.

A touch of blood, such as fireworks bloom, highlights the gorgeous end of the world!

"How could your sword be so powerful..."

Gan Xia's eyes ran out of energy, as if they were exhausted.

Die in peace!

Ye Chen's eyes are cold, and he gasps violently. At the same time, he swallows the next pill again!

"You make the rules, high up, since the rules don't suit me, I'll break them myself!"

The words fell, the two people no longer have the slightest strength, directly fell in the pool of blood.

Quiet!

Silence to the extreme! The death of the two Chinese guardians directly left all the people's brains blank!

In more than ten days, four Chinese guardians fell down!

At the moment, they saw Ye Chen kill two of them!

Even Fang Zhenye and Bao Peimin also stopped, and they set off a storm in their hearts!

No one would have thought that would be the result!

Even if the strength of the two guardians of China is not the strongest, they will not be defeated by a stinky boy!

Sleeping trough!

Fang Zhenye's face was completely black. He reacted and yelled to the remaining five: "kill him! Do it together

Sun Miao didn't want to see the danger again! Never stay! "

He thought sun Miao would do it, but he was surprised. Sun Miao pretended not to hear it and didn't intend to do it at all!

Is this man going to watch the tiger fight on the mountain!

Fang Zhenye's face cooled down, forced out a drop of blood essence, finger pinched: "coagulation array!"

Ground shaking!

The leaves are blowing!

Bao Peimin felt something wrong in an instant and said to Ye Chen, "Ye Chen, this array is a six kill array! The strength of the six, double the strength in this battle, these despicable people

Before he finished speaking, sun Miao moved. In a flash, he appeared behind Bao Peimin and pointed out!

Bao Peiming had no idea that sun Miao would do something to himself. He felt that his whole body was controlled by a force.

If he had not been injured, he might have broken sun Miao's technique, but now, it is obviously impossible.

Sun Miao helped Bao Peimin to walk toward the pavilion: "don't be stubborn. We have lost too many guardians of China. Now is not the time to fight internally. Please forgive me!"

In sun Miao's eyes, the overall situation is the most important thing. If he doesn't bring Bao Peimin out, Bao Peimin will die!

There must be no less people in his camp!

And ye Chen has too much uncontrollable force, this son left too much danger!

Chopping is not the best way to deal with it!

Bao Peimin wanted to struggle, but wan Lao and several others held him down.

Wan Lao also said: "Lao Bao, stop it. It's not worth offending others for the sake of a person who must die!"

Just as Bao Peimin was about to speak, sun Miao said again, "I can assure you that we will stand on the neutral side and will not help anyone. As for life and death, it depends on the boy's nature."

His eyes look at Ye Chen surrounded by six people, life and death seem to be between a thought!

Don't talk about ye Chen. Even sun Miao can't survive in this battle!

Ye Chen's existence has touched the interests of some people. More importantly, ye Chen has great opportunities and secrets.

Chapter 493

In the end, the secret will only fall into his sun Miao's hands.

At the moment, looking at the six people around, ye Chen looks cold.

This is destined to be a killing feast!

Fang Zhenye and the other five were filled with strong anger! Their eyes are full of blood!

"Ye Chen, you have killed me again and again. Today, I see how you can survive the six killing formations!"

"Also, after you die, your little girlfriend of Xiangjiang and the mother of Beijing will all die!"

"By the way, and your father. Don't you want to know your father's whereabouts? I'm sorry, I've sent him down in advance."

Fang Zhenye sneers repeatedly, what he wants to do is to stimulate Ye Chen's anger!

Angry people will not be rational!

Of course, he did try to kill Ye Tianzheng, but somehow, an invisible force seemed to block something!

Don't kill him!

"Death! I don't care what array you have, just break it

Ye Chen burst out all over the body. In the field of elixir, the whirlpool is surging and endless Qi is like thousands of troops pouring into the green chopping dragon sword.

He is old and illusory God Jue surging towards six people!

Six people's faces hung a smile: "do not know whether to die or not!"

Roaring down, six people burst out of a strong breath.

The air waves are surging and the earth is shaking! The whole top of the mountain seemed to collapse.

Then the six swords came through quickly!

These six swords have different attributes. They are the wind and cloud of the cave. They turn into beasts and roar! There's a kind of collapse.

They are very clear in their hearts, the strength of the six in addition to the array, want to completely avoid this attack? It's obviously impossible!

Feeling the sharp sword wind whistling, facing the cold danger, ye Chen could not help but be dignified.

Any one of the six is far more powerful than the two just now!

He no longer hesitated to swallow the next pill again!

"Don't give him pills!"

Fang Zhenye yelled, a dart broke through the air, and directly penetrated the pill in his hand!

At the same time, the six swords converged, which seemed to be a hundred Zhang sword, coming towards Ye Chen!

Ye Chen has no time to take pills again, and the sword of cutting dragon resists in front of him!

"Bang!"

The sword falls!

A strong vibration came from the dragon sword, and ye Chen's feet sank one meter under this blow!

At the same time, spit out a mouthful of blood!

"Let's do it together!"

Six people come directly to Ye Chen!

Ye Chen did not dare to be careless, and cut the dragon sword to resist it!

Sword shadow all over the sky!

He changed from initiative to passivity!

After all, the other party is six people!

Any one is a very strong existence! How to fight!

"Bang!"

In the twinkling of an eye, several gorgeous streamers crossed, and the sword was intended to collide in the air.

As stars collide, as thousands of troops fight!

The roar, like a volcanic eruption, triggered a strong wind, roll the wind and cloud!

Click! CLICK!

The power of terror counteracts, and the force of terror counteracts. With a move of confrontation, ye Chen only feels that his arm seems to be broken by the anti shock force of the dragon sword!

The blood in his body was rolling, almost a mouthful of blood sprayed out.

The body is constantly retreating!

What a mess!

"Ye Chen, what else do you want to say?"

"It's just a mole ant, but if you can let the six of US attack you at the same time, you'll be worthy of your death!"

Fang Zhenye roars, six people again toward Ye Chen!

This time, six swords are more powerful! The array is to let their strength greatly sublimate!

Sun Miao and the rest of the people looked at the scene in front of them and shook their heads helplessly. When did the guardian of China degenerate into the need to cheat more than less?

The point is, this guy is so rebellious!

The clothes on Ye Chen's body have been broken, and even a few bloodstains appear!

He gasped violently, and there was not much left in Dantian.

It is impossible to condense the third sword of breaking Heaven Sword. Now he can display the second sword in front of him!

"Spell it

Look at the six swords intended to kill Ye Chen!

"Blood dragon, come out!"

A blood dragon directly rushed out of Ye Chen's body! This time, it is towards the six Chinese headed by Fang Zhenye!

Those six people can't think of it at all. Ye Chen still has this thing in his body!

The powerful blood dragon breath breaks through everything and goes on a rampage!

Six swords are swept away directly!

Some are more direct fracture!

"Blood dragon, come back!"

Ye Chen's angry voice falls, and the blood dragon rushes into the dragon sword. At the same time, ye Chen breaks the sky sword and the second sword falls directly!"Falling stars!"

Before the sword was put into effect, Fang Zhenye reacted and even said, "everyone forces blood essence, condense blood essence. Don't let this boy use this sword!"

"Good!"

In an instant, six blood essence burst out!

There was a thunderbolt on the sky!

At the same time, a big black sword appeared in Fang Zhenye's hand!

As soon as the sword comes out, all weapons will vibrate!

The vision breaks out!

Even the dragon sword!

A rolling force covers it!

Ye Chen Mou son shrinks, exclaimed: "Zhen soul sword!"

"Bang!"

The next second, the dragon sword in his hand flew out directly!

It's completely influenced by the powerful spirit sword!

As soon as the most powerful spirit sword comes out, ten thousand swordsmen will serve!

Without a sword, how could he use the idea of breaking the sky sword!

A smile appeared on Fang Zhenye's face!

The fingers pinched and six blood essence smashed on the soul sword.

The breath of death swept Ye Chen in an instant! He was like a man in hell.

This is a crisis Ye Chen has never encountered!

Before the zhenhun sword broke out, the powerful air wave seemed to tear Ye Chen apart, bringing bursts of stabbing pain.

He had no idea that the sword was so terrible!

"Boy, if you can let me sacrifice this sword, you will be worthy of death! Suppress the dead under the soul sword! Ha ha

"Go!"

Zhenhun sword rushes out towards Ye Chen in an instant, and a huge gully appears in the place it passes by!

"Go away!"

Looking at the scene in front of me, a roar, eyes red.

Ye Chen is not reconciled!

Along the way, how much pain and sweat did you have to achieve today?

Ye Chen doesn't want to die.

Boom

No longer care about everything, nine days xuanyang decided to run, blood dragon rushed out to protect!

"Hum! It's beyond your power to shake a tree! "

Seeing ye Chen unexpectedly want to resist, Fang Zhenye mouth showed a trace of disdain sneer.

Boom

Zhenhun sword has appeared in front of Ye Chen!

The moment is like a mountain breaking ground!

The wind and cloud change, the powerful air wave erupts!

In everyone's eyes, ye Chen can't have hope to live!

This is the most powerful sword of jiangdaoshan!

No one will break it!

In their eyes, the next second result must be blood spray, ye Chen may even be visible to the naked eye speed, began to collapse.

Blood mist instantly dyed the whole world red.

Seeing the zhenhun sword breaking Ye Chen's body!

Just then!

A sudden change!

Zhenhun sword stays in Ye Chen's one inch land!

No progress! No blood!

So quietly suspended!

It even seems that zhenhun sword is looking at the young man in front of him curiously!

Chapter 494

Now.

Nobody thought that zhenhun sword stopped!

Don't you think you should kill this stinky kid on the spot!

Fang Zhenye frowned. He killed many strong men with his soul suppressing sword. Almost every time, he broke the body of the other party and turned into blood mist!

No obstruction!

Otherwise, this sword can not be used as a treasure of Zhenshan!

But what's going on now?

It doesn't work for this kid?

Is it difficult to guide one's true Qi and blood essence?

Fang Zhenye no longer hesitates, but forces a drop of blood essence to shoot on the zhenhun sword again!

"Zhenhun sword, I'll kill this son with blood essence as the guide!"

The cold voice of the world!

There is a buzzing sound on the body of zhenhun sword!

Blood gas burst!

The ground in front of Ye Chen is split in all directions!

But!

Zhenhun sword still doesn't kill Ye Chen!

At this moment, Fang Zhenye's face was completely black!

What the hell is the broken sword that fails at the critical moment?

Sun Miao and Bao Peimin's expressions are also bright and dim. They know the power of zhenhun sword!

At the beginning, some powerful people in the border of China made trouble, and many guardians of China were helpless, but they used the soul sword and technique!

Cut six practitioners of Zhenyuan state in succession!

Even this powerful existence does not even have the qualification to resist!

But why doesn't zhenhun sword kill Ye Chen?

In all people's hearts only doubts and trembles! More than a dozen eyes at Ye Chen!

And ye Chen at the moment is the heart set off a myriad of waves!

He could feel that the soul sword was looking at himself, and even had a strong pressure to cover it!

Not only that, the blood in his body seemed to boil.

It was as if the sword had something to do with him.

"Zhenhun sword, the voice of reincarnation cemetery seems to have been mentioned once. In addition, my grandfather once took him to Xiangjiang River and daoshan mountain. Did this sword discover my blood?"

Ye Chen murmured.

This may be the only explanation at present. No longer hesitating, when he reached out and wanted to touch zhenhun sword, Fang Zhenye and the other five people had already reacted and rushed to Ye Chen!

"Ye Chen, since the town soul sword doesn't kill you, I'll do it myself!"

In the roar, Fang Zhenye has come to Ye Chen's face by the short-term crazy outbreak of true Qi in his body.

Without hesitation, take a shot!

This palm, the air seems to be torn by his palm!

Ye Chen can only shoot with Luo Sha palm!

All of a sudden, the crashing sound is very clear, and the sound wave spreads out like substance!

Boom

Then, a more violent air wave surged, such as thousands of troops swept by.

The terrible air wave engulfs everything, turns into a monster, and sweeps directly towards Ye Chen.

It is obvious that ye Chen is no match at all under one hand!

In the face of absolute strength crushing, in front of these old monsters who have practiced for a hundred years, powerful skills are not very useful!

Puff!

Caught off guard, in the impact of the wave, ye Chen body shape, look suddenly pale.

"Do it together, chop! Since zhenhun sword doesn't kill you, I will bring it to kill you myself

Fang Zhenye's five fingers grasp the soul sword suspended in the air.

Power explodes!

Zhenhun sword is directly clenched by him!

When the guardian is angry, the blood flows thousands of miles!

As the strongest existence in China, guardians will bring about what consequences under their anger.

Fang Zhenye's murderous spirit soared all over his body, his white hair moved without wind, and his long clothes crackled!

He knew Ye Chen could not stay!

The more you drag it down, the more dangerous it will be!

He must kill Ye Chen with the fastest speed!

Hum!

A body of genuine Qi Qi, no longer reserved, full strength burst out.

The zhenhun sword in the hand makes a sharp sound of light chanting, and the instant red light is like volcanic eruption, which forcibly suppresses everything!

Push! Push!

Wind under your feet, three steps in a row!

"Ye Chen, we Zhenye killed you with zhenhun sword. Even if you get to the underground, you can boast! If there is an afterlife, I hope you can be a real animal! "

"Kill!"

After that, Fang Zhenye went straight to Ye Chen, who was locked by him, with the power of thunder.

The edge will show, the opportunity to kill will show!

At this moment, Fang Zhenye's momentum is like a rainbow, like the top of Mount Tai, which makes people suffocate!

The soul sword in his hand is emitting endless black and red gas, devouring all life!

Don't hesitate for a moment! He swallowed several pills fiercely, and his whole body momentum was released!

Break the sky sword again!

Towards Fang Zhenye!

Even if he is injured, he will pull Fang Zhenye into the water!

Fang Zhenye saw Ye Chen was still resisting, and sneered: "how dare you make a fool of yourself in front of zhenhun sword! Broken

He does not care at all, cut directly toward Ye Chen's body!

But soon, zhenhun sword has not been cut off, he found that his hands seem to have endless help.

A momentum erupted from the soul sword, which changed the color of the heaven and earth. It also made the old man's whole body blood rolling, and could not help but spit out a mouthful of blood.

Zhenhun sword not only did not kill Ye Chen, but also made him bite back!

In the gale, Fang Zhenye's body, like a kite with a broken string, was lifted out directly.

"Bang!"

Fang Zhenye's body smashed on the ground, dust flying, a huge pit suddenly formed!

Nobody thought it would be this result!

Fang Zhenye was defeated by his own sword?

Why does zhenhun sword seem to help Ye Chen?

Fang Zhenye's internal organs were shocked!

He stood up, his eyes full of blood, staring at the ghost sword still suspended in the air!

Chapter 495

"What the hell are you doing? Who gives you aura and who gives you resources! If you don't accept me, you dare to hurt me

Fang Zhenye is really angry!

Not only did not kill Ye Chen, but also was played by his own sword! What the hell is going on here!

Suddenly, a red light is released from the suspended zhenhun sword, and the next second of killing will break out!

Turn the sword and point to Fang Zhenye!

Fang Zhenye was shocked.

That kind of substantive killing opportunity, like the vast ocean, let Fang Zhenye sink into it, as if rigid!

This town soul sword You want to kill him?

How could it be!

Death?

At this moment, the breath of death shrouded him. Fang Zhenye only felt that he fell into the middle of the ice cellar. His whole body was cold and painful!

If his body was not stronger than ordinary people, if not at the most critical moment just now, the whole body released a burst of energy to protect himself, I am afraid that even if he is not dead, he has already fallen into a coma.

"Whoosh!" With a sound, the zhenhun sword flies out directly and takes the key of Fang Zhenye directly!

Sleeping trough!

Spirit sword kills the Lord!

This is very rare in martial arts and even in Kunlun!

It really happened!

Fang Zhenye knows the power of zhenhun sword, so he doesn't hesitate. He pinches his finger and a jade card appears in front of him!

In the blink of an eye, the jade card becomes big, as if it becomes a huge wall, blocking in front of him!

"Click!"

The wall is broken!

Soul sword straight through!

The next second, the blood gradually dyed!

Although Fang Zhenye tried his best to dodge, he was still cut off an arm!

"Ah

The roaring sound resounded!

No one thought that things would turn this way!

Is Fang Zhenye hurt by his sword?

Before everyone's reaction, zhenhun sword turns and goes towards Ye Chen!

But this time, not to kill Ye Chen, but quietly in front of Ye Chen horizontal suspension!

Even the handle of the sword trembles slightly!

As if expressing some kind of emotion.

Does zhenhun sword recognize the Lord!

At this moment, the remaining guardians of China, even sun Miao and Bao Peimin, are all wrong!

Zhenhunjian has been staying with Fang Zhenye for several years. Fang Zhenye even feeds his blood essence and endless Aura!

According to reason, we should cultivate our feelings!

There is spirit in the soul. It is impossible for a spirit sword to kill the Lord!

But it happened completely.

Not only that, zhenhunjian also recognizes a stinky boy in Lihe state!

Who the hell can explain this!

The whole top of the mountain, at this moment, is as quiet as a graveyard in the middle of the night, and there is no breath. All guardians stare big eyes, just like sculpture, stupidly standing in place!

"Hiss --"

the five people behind Fang Zhenye can't care to deal with Ye Chen for a moment, and their bodies are stiff.

Ye Chen also understood the meaning of zhenhun sword and held out his hand directly!

The next second, zhenhun sword overflows a sword spirit and stabs Ye Chen's finger!

A drop of blood spilled from the handle to the body of the sword!

"Boom!"

The shadow of the blood dragon in Ye Chen's body rushes straight into the sky, and the dragon's chant blows like thunder in the whole sky!

Strike at the hearts of all!

In the body of the sword, there is a red light all over the sky, wrapping Ye Chen!

Ye Chen's momentum suddenly released!

The rolling Qi of Dantian flows all over the zhenhun sword!

At this moment, ye Chen seems to have a hundred feet shadow all over his body!

It's like a God coming down to earth with a sword in hand! In charge of everything!

See this scene, broken arm square Zhenye Mou son is full of endless anger!

Zhenhun sword has recognized the Lord!

This is the vision of the Lord!

He has kept it for many years, but zhenhunjian still refuses to recognize the Lord, but now he is just a stinky boy in the separation and separation environment!

On cultivation, ye Chen can't compare with himself!

In terms of strength, what is Ye Chen!

On swordsmanship, ye Chen didn't know where he was when he was practicing sword!

"By what!"

Fang Zhenye's white hair fluttered in the wind, just like a madman. He vomited a mouthful of blood, which was not hurt by external force, but by his mother's anger!

"Ye Chen, you kill my friend! Take my sword! Cut me off! I want you dead! Even if I die with you

Between heaven and earth, there is only Fang Zhenye's roar.

But at the moment Ye Chen, did not hear at all, his sight is falling on the sword of cutting dragon.

Zenhun sword is three feet two in length and one finger wide. On the body of the sword, there are clear black and red lines. Lines for the Dragon nine head, each is lifelike, with vibration ferocity, people have fear, from the heart of fear!

On the top of the sword is inlaid with two simple and obscure characters, zenhun!

At the moment, ye Chen seems to feel that there is a sword shadow in his knowledge of the sea!

It's the soul sword!

How powerful the sword is! Far beyond the dragon sword!

If the sword of chopping the dragon is the ground, then the sword of soul of the town will be a high heaven!

But the zhenhun sword absorbed his true Qi endlessly.

Is your true Qi the nourishment of this sword?

However, after absorbing his true Qi, zhenhun sword can clearly feel that this sword contains a powerful blow!

This blow, far more than his strength!

"Ye Chen, kneel down and hand over my soul sword!"

Fang Zhenye and five other people have arrived at Ye Chen's three meter place.

Fang Zhenye, who has broken his hand, is like a madman!

Ye Chen sneered: "you say this sword is your, you call a try, if he goes back with you, I have nothing to say!"

"You! Look for death

Fang Zhenye looked at the zhenhun sword in Ye Chen's hand with fear. Then he said to sun Miao and others nearby: "Mr. Sun, do you really want to watch all the time? Although this sword is controlled by me, it is the common property of the guardians. Once this sword leaves jiangdaoshan, everything in jiangdaoshan will be weak!"

"When are you going to sit back and ignore it! The danger of this son, if you add the soul sword, you should know what it means

"At that time, this boy must be the only one who threatens our guardian of China!"

"Such people should not appear at all."

Now ye Chen, Fang Zhenye has no confidence to kill!

The only possibility is to use the power of all guardians!

Sun Miao's strength is stronger than him. If you add some people over there, don't say to kill Ye Chen, you can kill ten ye Chen!

Unfortunately, sun Miao's eyes were closed at the moment, as if he could not hear.

Fang Zhenye secretly scolded: "Sun Miao's damn old tortoise, I think he wants to sit on the mountain to watch the tiger fight!"

He didn't want to rely on Sun Miao any more. He took out six pills.

"I have just six of these pills, which can strengthen our strength for five minutes. Now we have no choice but to take them all, and then burst out with the strongest attack. In any case, ye Chen must die!"

The other five guardians of China did not hesitate at all!

Take it directly!

Chapter 496

In an instant, their bodies crackled!

The momentum is magnificent!

Fang Zhenye is the same! His whole body was filled with blood mist!

"Ye Chen, how about zhenhun sword recognizing the Lord, as long as you die! I am still the master of zhenhun sword! ~"

Fang Zhenye yelled with a crazy look in his eyes.

Six top strong people take pills. Can't they kill Ye Chen?

Rolling yechen is as simple as stepping on a mole ant.

"Die!"

Between the eyes of six people, the opportunity of killing is fierce.

The ground trembles, the endless force explodes!

This time, six forces in all directions take ye Chen's key!

Boom!

The sword is like falling from the nine days, with incomparable momentum, with thousands of sword Qi, like a storm, to swallow Ye Chen, submerge!

The most important thing is that these six moves are fatal and crazy!

The whole body momentum is extremely fierce, like a whirlwind sweeping, destroying the sky and the earth.

This momentum alone is frightening.

As if at this moment, these six people are not human beings, but beasts, crazy beasts!

Facing the overwhelming sword and cold light, ye Chen narrowed his eyes.

He looked at the zhenhun sword, the real Qi of Dantian completely disappeared, and he had no choice!

"Will you fight for me? The soul

Zhenhun sword shakes violently!

At the moment when the six violent forces rush to Ye Chen, ye Chen holds the zhenhun sword tightly!
The blood dragon in the body also surges to the zhenhun sword!

The momentum of Ye Chen turns, this moment of Ye Chen, like a mountain to come, such as wind and rain sweeping!

"A sword of soul! Fall

Sharp eyes, a long cry, sword move! The soul sword in his hand turns into a red light, which seems to pass through the sky and set off waves. It is like a dragon coming down and swallowing away at the six forces.

"Bang!"

Zhenhun sword mercilessly impacts on the six forces, which can be described as crazy!

The sword front passes like thunder!

The sword spirit is sweeping over the sky like a rainstorm, covering the world with the power of destroying the withered and decaying.

Ding Ding Ding!

The spirit of soul and sword is impenetrable!

As if the door of death had been completely opened, the strength of the six men had disappeared!

Not only that, but the circular sword will break everything, tear everything and cut off everything!

"Puff, puff, puff, puff, puff, puff, puff!"

Those five guardians were shocked to fly directly!

Blood spray!

What's more, it's bloody!

Ye Chen has resisted so many powerful people's violent attack with one sword!

Who could have thought of it!

And Fang Zhenye is even worse!

He was in the mind of zhenhun sword. He was frightened when he faced the cold and murderous intention.

The weapon in the hand is losing, and his breath is covered.

At this moment, Fang Zhenye felt that he was facing the vast starry sky and the surging sea! But oneself, is only a dust in the starry sky and the sea.

Ye Chen, it is so powerful!

Is this the real power of zhenhun sword?

The power he once exploded was a drop in the ocean!

How could it be!

Fang Zhenye can't accept it at all!

"Crash!" With a sound, his weapon is completely broken!

Not only that, his only arm was also destroyed by the storm, blinking into a blood mist!

Then came bursts of penetrating sound.

On the town, the spirit of the sword falls like a thousand!

Heartrending sound resounds from the top of jiangdao mountain.

It's bloody. It's terrible.

This moment's Fang Zhenye, the pain to the extreme, this moment's Fang Zhenye, the complexion is extremely white.

Every piece of flesh and blood of the body seems to be broken into pieces. The white bones have been exposed, and the body shape is blown upside down.

It's bloody all over the sky, how dazzling.

Fang Zhenye is defeated!

Even life and death do not know!

Even if alive, this life can only lie on the bed!

As for the cultivation and the guardian of China? Now he is not qualified!

It's the dead or the disabled!

At this point, the ten top Chinese guardians of Fang Zhenye's camp were all killed by Ye Chen!

"Puff!"

And ye Chen is also uncomfortable. At the moment when the zhenhun sword broke out, he felt that his whole body was hollowed out.

I had been hurt a little, but the price paid by the most powerful sword was too big!

His body swayed, so weak!

The zhenhun sword has flown back. He can only rely on it to support himself.

Anyone can see that ye Chen is now the bow of a strong crossbow. He breathed violently, and the blood on the ground seemed to be the most perfect masterpiece.

The remaining ten people standing in the distance were stupefied.

Bao Peimin never dreamed of such an end.

Looking at those bloody bodies, his heart seemed to be broken!

Even breathing is extravagant!

"Ye Chen Such a disadvantage and a fatal game have won. "

His heart can't be calm for a long time, although a large part of it depends on the soul sword!

After all, he has never seen such a powerful sword!

But the town soul sword recognized the Lord, which is a part of Ye Chen's strength!

"Unexpectedly, I bet right. If ye Chen can take zhenhun sword out of jiangdaoshan, who can tie this boy? It's impossible for the remaining ten of us. "

"Who would have thought that such a talented person would be born in China? It's a great blessing for Bao Peimin to witness and follow in his lifetime."

At this moment, Bao Peimin was even excited.

He wanted to break the shackles, but found it still impossible.

At present, ye Chen is too weak. If someone does it secretly, it will be troublesome!

Looking at Sun Miao beside him, he even said, "as soon as sun Lao, Fang Zhenye and the other nine people die, the Chinese guardians will unify the camp. This is a good thing! What's more, you can see ye Chen's strength. If we pull together, it will be a great good thing for both China and our guardians of China! "

"We haven't done anything. I even helped Ye Chen. I believe Ye Chen is willing to be a guardian."

"Mr. Sun, you must untie my bondage as soon as possible."

But the answer to him was silence.

Bao Peimin's expression changed slightly and he was staring at Sun Miao.

He had an ominous premonition.

At the moment, sun Miao's eyes are slightly narrowed. Instead of the strong posture in his eyes, there is a trace of madness and desire!

Did sun Miao really sit on the mountain to watch the tiger fight?

Chapter 497

Although Bao Peimin respected sun Miao, he had only interests in front of any practitioner!

If there are enough things to attract, no matter how lofty the strong will become a real villain.

Suddenly, sun Miao smiles, his smile has a trace of cold.

"Bao Peimin, what you think is too simple. This son is so murderous and arrogant. Can you guarantee that he will really listen to us?"

"Is he willing to be a guardian of China? No way. "

"However, this son may be able to do something for the guardian of China, such as zhenhun sword, and his anti Heaven Sword Skill. This son is so young, and after several years of practice, he has achieved this achievement. He definitely has a big chance! What a secret

"Bao Peimin, do you think that if our guardians of China master this secret, will our strength go up to a higher level, and will we be more able to do something for China at that time?"

Hearing the gloomy words, Bao Peiming's face changed completely: "old sun, what's the difference between you and Fang Zhenye! You are falling into a hole and killing a stone! "

"Falling into the well and killing the stone?" Sun Miao smiles and doesn't speak any more. Instead, he walks towards Ye Chen step by step.

And he is also accompanied by several Guardian breath of terror.

Soon, sun Miao comes to Ye Chen. He takes a look at Ye Chen and finds that ye Chen is holding his sword. He is breathing violently. His sweat has been completely covered and his whole body is wet.

Not only that, but also the true spirit of Dantian.

To be honest, I'm really curious about how you have disappeared from ordinary people for a few years

Ye Chen raised his head, staring at Sun Miao, and said in a cold voice, "it's none of your business."

Sun Miao carried his hands behind him and continued: "I'm not as aggressive as Fang Zhenye. I'll give you an almost perfect choice."

"First, hand over the zhenhun sword. It belongs to jiangdaoshan. You can't take it away. Of course, I also want your blood. It's very important that your blood can make zhenhun sword recognize the Lord. "

"Second, hand over your sword skills and all your secrets."

"Third, abolish all your accomplishments. You can't practice from now on. I'll send someone to send you down the mountain. It depends on Bao Peiming's face."

Greed!

Sun Miao is so greedy now!

Ye Chen's secret is so attractive to him that he even disobeys his own morality!

"Pooh!"

Ye Chen vomited out a mouthful of blood: "dream!"

The mantis catches the cicada, and the Yellow finch is behind, and sun Miao is the Yellow finch!

He has been holding back, and even Fang Zhenye's invitation to join hands to kill Ye Chen has not been accepted.

He has been waiting for this moment!

He is the biggest winner regardless of the outcome.

Sun Miao was surrounded by a barrier of genuine Qi, which blocked everything.

"Young man, even if you hold the soul sword in your hand, your injury is worrying. Do you think you can break out the strength just now? Don't say it's me. Even an ordinary person can kill you at will. "

"I'm so surprised at you. In the history, you are the Lv Bu who killed ten guardians of China. I don't want to kill such a genius."

"I'll give you ten seconds to think about it. Even if you don't say it, I'll try to get it, but it's more complicated. 10、 Nine, eight... "

Sun Miao counts down. He is determined to eat ye Chen!

What power does the crossbow have to struggle with!

Ye Chen bit his teeth dead and made his body stand up, a proud bone!

He gazed at Sun Miao with cold eyes and said, "you are such a good looking animal, you are not qualified!"

Hearing this, sun Miao frowned, and then he burst out with his palm!

Ye Chen wants to stop, but finds it impossible! His hands are filled with lead!

The battle of the peak exhausted his true spirit and strength.

If he returns to the normal level, he even dares to kill sun Miao!

But who would have thought that the guardian was so dirty and disgusting!

"Bang!"

Sun Miao's palm directly hits Ye Chen's zhenhun sword!

Although the zhenhun sword resisted for a few minutes, ye Chen's elixir field did not have aura after all.

The next second, ye Chen's figure, from the middle of the sky was thrown down, hit the thick ground.

"Puff

Originally still forced to endure that a mouthful of blood, can no longer restrain the spray and out, ye Chen's face color instantly pale up.

Although there are several reincarnation graveyards close to being moved, they are still a step away!

If you can break through immediately, there is a chance of life!

But how could sun Miao give him a chance to break through!

The crisis of death, this moment is finally sweeping towards Ye Chen. "Hum! In front of me, you still want to be arrogant? Do you really think you have a choice? If you don't know what's going on, I'll take your head off first! "

Looking at Ye Chen gasping, sun Miao's mouth shows a trace of ironic smile.

In the face of absolute strength, all means are futile! A mole ant wants to escape in front of the giant? Absolutely no such possibility!

"Not good!"

A strong killing opportunity, such as a huge wave swept by, ye Chen's heart, sank to the bottom of the valley.

If there is an invisible hand, pinching his throat, ye Chen only feels a burst of suffocation.

Bao Peimin in the distance is struggling with his shackles! Even burning a part of their own cultivation!

His whole body seems to be wrapped in a flame!

"Click!" His bondage is gone!

Bao Peimin is reckless, holding five fingers, a sword appears in his palm!

Then, directly blocked in front of Ye Chen!

His eyes are full of anger, he is not ashamed of the guardian of China!

"Sun Miao, once I respected you! Why are you so hard on a younger generation now? "

"When the other party is weak, threaten others and deprive them of secrets. Do you have the burden and responsibility to stand up? You know, you are the guardian of China

"If you really want to deal with Ye Chen, you should step on my body first!"

At this moment, Bao Peimin was determined to the extreme!

Different ways, no collusion!

He Baojia a thousand years ago, once born a peerless strong, to the right for the way! upright and outspoken!

When you see this ancestor, you should avoid thousands of kilometers!

Righteousness is the weapon of this ancestor!

It's also the training of Bao family!

This ancestor is named Bao Xiren!

This name is rarely heard, but another name is widely spread!

Kaifeng Prefecture! Bao Zheng!

Bao Peimin, as one of the guardians of China, wants to inherit the wishes of his ancestors and protect China!

Now this group of respectable villains, he really can't sit still!

Looking at Bao Peimin, Sun Miao sneered a few times: "Bao Peimin, it's not clear what kind of injury you have suffered, do you really think you can resist me? I'm going to kill you. It's easy. "

Chapter 498

As soon as he said this, Wan Lao stood up and advised Bao Peimin: "Lao Bao, what are you stupid about? Zhenhun sword is the property of Jiangdaoshan, and this son is not qualified to take it away. What's more, what's wrong with taking something back from him after he killed so many people? Don't be stubborn

Bao Peimin snorted coldly and pointed his sword at Sun Miao: "I have decided."

Sun Miao shook his head helplessly: "I didn't want to fight you, but you are stubborn, that is to seek death."

"Now the gap between you and me is too big. What qualifications do you have to stop it?"

"In that case, I'll take you on the road."

"Broken!"

Then, a cold sword appeared in sun Miao's hand and went directly to Bao Peimin!

When the light of the sword broke out, Bao Peimin quickly resisted the sword.

Ding

All of a sudden, the crashing sound is so clear and crisp that the sound wave spreads out like substance!

Boom

Then, a more violent air wave surged, such as thousands of troops swept by.

The terrifying air wave devoured the fallen sword light, turned into a great beast and swept directly towards Bao Peimin.

"Puff

Bao Peimin thought that he could withstand some time, but he was caught off guard. In the impact of the storm, his body suddenly turned pale.

Then a mouthful of blood spurted out, that is to see his whole person like a boulder, directly shaken out.

He smashed a huge tree.

Not only that, sun miaojian did not stop at all, but took Bao Peimin's life!

In sun Miao's eyes, Bao Peimin's stubborn existence will inevitably touch his interests in the future.

This kind of guardian should not be left!

Chinese guardian, nine people are enough.

Seeing sun Miao's sword stabbing Bao Peimin, ye Chen shoots a dart from his hand!

The dart breaks through the air and takes sun Miao's head!

Sun Miao naturally found something. His eyes shrunk and stopped killing Bao Peimin. His arm shook, and the dart fell to the ground. Then he snorted, "this kind of rubbish is trying to hurt me. I can't help it!"

Then, he will be in the hands of the dart toward Ye Chen shoot!

Powerful streamer wrapped darts, but also with a cold killing machine!

Ye Chen's face slightly changed, just want to block, but found that a figure directly block in front of his body!

Hard to carry the body with the dart!

"Poof!"

The dart penetrated the shoulder of the figure!

Ye Chen is stunned. Bao Peimin is in front of him.

But he couldn't figure out why Bao Peimin wanted to do this?

Would you rather offend everyone than stand in front of him?

For faith?

For baoxinhe?

Or gamble all his life on himself?

"Master Bao, you really don't need to be like this. This matter has nothing to do with you." Ye Chen advised.

Bao Peimin turned his head and laughed. The corners of his mouth were still spitting blood.

"Ye Chen, I am the guardian of China, but I can't guard China. This is my shame. I'm just saving now."

"The guardian of China has failed you, but I want you to know that someone is really guarding China. I hope you will not be disappointed with the Chinese people."

Before he finished speaking, sun Miao snorted coldly and slapped Bao Peimin with one hand!

Bao Peimin was suddenly lifted off!

Fall in Ye Chen not far away, breath weak!

Sun Miao snorted coldly: "from now on, Bao Peimin will be expelled from the guardian of China! Do you have any objection! "

"No!" Eight people said at the same time.

They were tactful, and though they were not used to sun Miao's behavior, they could not stop it.

Otherwise, Bao Peimin will be their end.

Wan Lao clenched his fist. He wanted to help Bao Peimin, but he still didn't say anything.

The significance of the guardian of China has long changed.

Only Bao Peimin is still struggling.

Perhaps from now on, there is no need for guardians to exist.

Seeing that Bao Peimin was so hurt for himself, ye Chen was really touched.

His eyes twinkled with endless anger! Staring at Sun Miao!

The body's blood dragon also rushed out!

Around him!

But ye Chen is weak, and Xuelong is weak too!

Of course, one person, one dragon also gives people a great shock!

A strong explosion of killing opportunities!

If they didn't know ye Chen was the bow of a strong crossbow, they might have been afraid.

Sun Miao snorted coldly: "are you still going to resist? If you don't hand over what I want, I'll break your head first. ""Three!"

"Two!"

At this time, ye Chen laughed!

Because he felt the crazy vibration of the samsara cemetery!

What does that mean!

Chen Tianli is back at last!

Sun Miao sees Ye Chen this time unexpectedly still smile, expression is colder: "you laugh what."

Ye Chen step out, that look like a hungry wolf!

Cold to hell's death!

The whole body is cold!

What does the blood dragon feel? The ground vibrates!

"Don't you want to know my secret? I will satisfy you. " Ye Chen sneered.

Sun Miao feels something wrong. Ye Chen is too calm at the moment!

Doubting it, he said, "what?"

Ye Chen takes another step, but this step has a certain sense of oppression!

This is a strong self-confidence and murderous!

Sun Miao unexpectedly subconsciously took a small step back.

"My secret is the person behind me. Have you heard of Wan Dao Jian Zun? He is one of my masters. "

Wan Dao Jian Zun?

And a master?

Sun Miao's expression is bright and dim. He has never heard of this name!

Even if Kunlun is empty!

Of course, the name has a strong momentum, but at the moment, the boy wants to frighten himself with the help of others.

He snorted coldly: "what's wandaojianzun? Do you want to scare me? Hum! It's three seconds. I'll take you on the road myself

Sun Miao held the cold sword in his hand. At the next moment, his whole body momentum soared and his sword spirit was released. The momentum burst out in an instant, which made people feel palpable!

Then, a sword directly towards Ye Chen!

The sword Qi in the sky turns into a boundless rainstorm and sweeps towards Ye Chen.

Ye Chen did not move, but his hands were behind him and his body was straight!

At the moment, he is invincible!

Sun Miao's face was already ferocious as the sword was about to fall!

"Ye Chen is going to die..." Bao Peimin, who was weak, held up his body and clenched his fist.

When the sword falls, it is infinitely close to Ye Chen, and it will penetrate Ye Chen's chest in the next second.

No one thinks Ye Chen has a chance! In everyone's eyes, ye Chen is already a corpse.

"My disciple of Chen Tianli, who dares to move! Get out of here

And in this case, in the case of all people have concluded that ye Chen must die.

A roar, like startling the sky, came at this time.

From the sky!

Chapter 499

Whoosh, whoosh

Then there was only a violent wind.

Sun Miao and the other guardians of China smile solidified!

The power of this voice makes their blood flow!

It's like being slapped in the chest!

Everyone raised their heads and looked in one direction!

Next second, almost petrified!

I saw a fairy in white stepping on a flying sword, coming from the sky, roaring like thunder, momentum like a rainbow!

The robes were dancing in the wind.

The wind blows and the fairy's clothes flutter.

"This How could that be possible! "

Sun Miao stepped back several steps!

It's amazing that someone can resist the sword flying immortal!

Is it impossible for the gods!

Even if it is Kunlun Xu, few people can do it!

And the other side is so relaxed!

Even when the other party appeared, sun Miao and many guardians had only a little meaning in their hearts!

They were afraid, because the man who came from the sky was so powerful!

As if a look can make them into a blood mist!

In a twinkling of an eye, this figure then rushed to Ye Chen's front!

It's Chen Tianli!

"Plop!"

Sun Miao and the other eight guardians of China knelt down together!

"See you, I don't know why you came to jiangdaoshan..."

Words have not finished, a roar, earth shaking, domineering!

"My apprentice, can you hurt me?"

Sun Miao breathed heavily.

Is this immortal the immortal in Ye Chen's mouth?

Ye Chen has an immortal master?

Can't help but think, Chen Tianli steps!

In an instant, on Sunday, a bloody and raging dragon roared. A red sword, like blood, rose from the sky and flew towards Chen Tianli. In an instant, the wind and cloud changed and the world lost its color.

This violent force suddenly burst out, with incomparable tyranny and tyranny, all of us were shocked!

Sun Miao's eyes were even more startled. He quickly drew out his sword to resist it.

Boom

There was a loud noise.

Sun Miao was bombed directly!

The sword in his hand was suddenly broken into pieces and flew out.

Vaguely, people seem to hear a sharp crack.

At the moment, sun Miao feels that he is facing a huge mountain!

It's an unstoppable mountain!

His body was struck by an invisible force!

The sword arm turned into a blood mist on the spot!

Big mouth spit out blood!

Hit the ground heavily!

Who could have thought that this white robed man did not have the slightest hand, only a step on the foot can produce such pressure!

Is this still human?

Chen Tianli looked down at Sun Miao and said in a cold voice, "you haven't answered me, but my disciple was injured by you?"

"If you hurt me, I'll kill you."

"If you didn't hurt me, I'll cut your head off!"

The most overbearing!

Seeing this scene, everyone took a breath of cold air.

This white robed man is too damn strong!

Is Ye Chen still alive now?

Even a short two sentences, directly determine the outcome of sun Miao!

Who on earth is this swordsman?

When did Huaxia and kunlunxu have such characters?

This is the doubt in everyone's mind.

"Master..." Ye Chen goes to Chen Tianli.

It's as if you've exhausted both words.

What he needs now is time. As long as he is given enough time and the guidance of these 100 great powers, his achievements are far beyond the imagination of the world.

Chen Tianli nodded, took out a pill from the palm of his hand and handed it to Ye Chen: "this pill was obtained by killing a clan of Kunlun Xu. It's good for you. Take it quickly."

With a casual word, let everyone's heart stop beating!

For a pill, the man with white robe killed a clan!

Sleeping trough! What the hell is this!

Ye Chen took the pills, and his breath was steady for a few minutes.

The level of this pill is far higher than he thought. Now it is difficult for him to refine it.

Chen Tianli's eyes fell on Sun Miao again: "I'll ask again for the last time. Are you moving my apprentice Ye Chen?"

"This adult, the matter is actually a little complicated, there are misunderstandings in it..."

A Chinese Guardian quickly stood up and said with a smile.

"I'm Chen Tianli. What qualifications do you have to interrupt! Die

In a flash, Chen Tianli's words, which are not emotional and extremely cold, resound through. That thunderous roar shocked the whole field, and everyone's eardrums hurt, as if to be torn in general.

Then, the two fingers directly pointed at the guardian of China, and the man turned into a blood mist on the spot!

After all this, Chen Tianli stared at Sun Miao and said in a cold voice, "I know what you choose."

Chen Tianli's body is filled with a breath of violence, as if to crush everything.

Puffing

In this violent atmosphere, sun Miao's face turned pale and blood was raging!

At this moment, he felt as if his throat had been pinched by someone, and it was hard to breathe! A breath of death covers it!

"Chop!"

Words fall, a flying sword flies out directly!

Sun Miao's head was cut off on the spot!

No hesitation!

Dragon's scale, touch it must kill!

And ye Chen is Chen Tianli's scale!

If ye Chen had an accident, their fate would be over!

Ye Chen is their turning man!

Everyone on the scene was completely shocked!

A top Chinese power was killed casually!

This is sun Miao, the strongest among them!

All the rest of you kneel down!

They are in the same camp as sun Miao!

If sun Miao is dead, they will not survive!

Who knows that ye Chen has such a top-level strong man behind him!

"Please help us. We haven't dealt with Mr. Ye from the beginning to the end."

"Heaven and earth can learn from each other."

Wan Lao also knelt down. He didn't speak. His eyes were very complicated.

He glanced at Bao Peimin in the distance.

He always wondered why Bao Peimin wanted to protect the boy. Now it seems that Bao Peimin is right.

Once you take ye Chen's line, he can soar to the sky!

Over the years, he has been disdainful of Bao Peimin. Now it seems that he is wrong.

This may be life.

He's got to die.

Bao Peimin is the life of Fuyao!

Tie Ye Chen and soar up! On the top of the mountain!

Chapter 500

Chen Tianli glanced at those kneeling people indifferently and snorted coldly.

Although these people are top-notch Chinese, they are like ants in his eyes.

He had no intention of doing it.

It's totally disdainful to do it!

He looked at Ye Chen, concerned: "how is the recovery? How do you deal with this group of people? Kill or stay?"

Danchen almost nodded: "thank you for your recovery."

"As for these people -"

Ye Chen stopped.

The rest of the Chinese guardians changed their faces and knelt down in front of Ye Chen: "Mr. Ye, we are totally oppressed by sun Miao. We have not started from the beginning to the end. Please learn from each other!"

They know that ye Chen is in charge of their life and death!

If you want to live, the only way is to ask this young man!

Ye Chen has not yet made a statement. Bao Peimin walks over with his body propped up.

His breath was weak.

"Mr. Ye."

Ye Chen a Zheng, quickly took out a pill to Bao Peimin: "baolao, thank you for your help just now."

If Bao Peimin had not delayed for him, the consequences would have been unimaginable.

Bao Peimin shook his head: "Mr. Ye doesn't need to thank me. What I have done is just worthy of my heart."

"But for the moment, I have a bad request."

Ye Chen eyebrows a pick, curiously way: "what matter? But it doesn't matter. "

Bao Peimin took a look at the guardians of China, sighed deeply, and said to Ye Chen, "Mr. Ye, please let these seven people live."

"I know these people. Sun Miao's existence makes them have no choice."

"If he disobeys sun Miao's will, he will die."

"What's more, I'm the only guardian in China, which is extremely worrying for China."

This is the voice of Bao Peimin.

The existence of Chinese guardians can suppress foreign enemies, which is one of the important reasons for China's peaceful state for so many years.

Of the 20 guardians of China, there are only eight left. If something happens to these seven, he will be the only one to protect China.

If there is no accident in Huaxia, it is nothing. If something happens, the consequences will be unimaginable.

It would be even more difficult for him to make peace with China.

Ye Chen Mou son tiny MI, looked at a few Chinese guardians.

The latter kowtowed one after another: "Mr. Ye, I promise you that we will take protecting China as our duty in the future! We are even willing to listen to you and Bao Peimin. You let me go east, I will never go west. "

"Yes, yes, Mr. Ye, we really have to. Please be merciful."

Ye Chen took back his eyes and said faintly, "if I don't want to kill you, but if I know what you've done against morality and morality again, I swear, I'll let your spirits die!"

"What's more, now that sun Miao and Fang Zhenye are dead, do you have any opinion that Bao Peimin should be respected by the seven of you in the future?"

"No! Everything depends on Mr. Ye. "

Those guardians kneeling on the ground dare not breathe a breath, but can only respond.

They even glanced at Chen Tianli and found that the other party had no intention to look at them.

This let them confirm the idea that ye Chen's master is xianzun.

It is estimated that this kind of existence is great power in Kunlun.

Why does this kind of ability become the master of Ye Chen?

Is it for ye Chen?

All of a sudden, ye Chen thought of the most important thing and asked the people: "do you know where Fang Zhenye hid my father and Lin Juelong?"

People shook their heads: "this matter, should only Fang Zhenye clear."

Ye Chen's eyes fell on a lifeless, bloody body.

It's Fang Zhenye!

But there is no difference between Fang Zhenye and death at the moment.

Ye Chen looked down at Fang Zhenye: "you want to die, not so easy."

The next second, a few silver needles appeared in the hand, all shot out!

Not only that, ye Chen pinches the finger, condenses a return light symbol to shoot into Fang Zhenye's body!

All of a sudden, the bloody Fang Zhenye is full of red light.

All the dead air around me is gone!

Seeing this scene, Chen Tianli also came over, closed his eyes, felt for a while, and said, "disciple, my spiritual knowledge has spread for thousands of miles. It seems that I haven't found the person you are looking for in jiangdaoshan."

Ye Chen's eyes are cold, staring at Fang Zhenye, pointing out, and then roaring: "Fang Zhenye, give me a start!"

Language down, originally almost dead Fang Zhenye opened his eyes, blood covered his face, some ferocious!

When he saw Ye Chen, his eyes instantly produced a trace of anger. Want to do it, but find it impossible!

His whole body cultivation was lost, even his body control ability was lost!

He's no different from a corpse! It's just a brief awareness.

"Hum! Ye Chen! I don't need your pity! "

Fang Zhenye said coldly.

Ye Chen held a silver needle in his hand and said, "where is my father! And where is the injured Lin Juelong

Hearing this, Fang Zhenye suddenly burst into laughter!

"Ye Chen, if you want to kill or cut, you want to know the whereabouts of your father. Dream! You'll never find them in your life

"I want you to be miserable. I want your family not to be reunited for life."

"Besides, I'm the elder of the blood League. If you kill so many people of the blood League, the blood League will find you! When it comes, all of you will die! Ha ha ha

Ferocious smile, resounding!

Ye Chen stepped on Fang Zhenye's chest!

The blood poured out like a fountain.

Fang Zhenye's face is ferocious, but he is still biting his teeth!

"I'll give you one last chance."

In the hands of the cold, a silver needle shoots out.

He seems to have thousands of ants biting him, so that he is in agony!

"Ah

Even if Fang Zhenye is a practitioner, he can't help it!

"Even if I die, you don't want to know!"

Fang Zhenye is still laughing wildly! He will watch ye Chen eat shriveled!

Even if it is so painful now!

Looking at Fang Zhenye so stubborn, ye Chen is a little angry!

At this time, Chen Tianli stepped out and said faintly, "disciple, if you want to know something, it's no use tormenting people."

"The real strong can deprive some ants of their memories."

Hearing this sentence, Fang Zhenye's eyes suddenly shrunk, and then he looked at Chen Tianli!

Is this white robed man the great power behind Ye Chen?

With a single glance, he felt as small as dust!

He has been to Kunlun Xu. The strength of the strong man in front of him absolutely exceeds those of the top-notch ones he has seen!

At this moment, he knew that he was wrong!

What a mistake!
