

Physician 4911

Chapter 4911

With the appearance of the flame, the cold breath disappeared!

Shiye originally looked at Ye Chen as a celestial master, and his whole body's strength seemed to be avoiding, and he was shocked!

Now I see that gradually spreading silver flame on Ye Chen's body surface, and my pupil shrinks. I have a bad premonition!

Evil sword appeared in Ye Chen's hand, his eyes burst out a Jingguang, whispered: "burning blood Jue."

At the next moment, the infinite firepower rushes in the body, and draws the power in the blood completely. A huge force is suddenly erupted in Ye Chen's body like magma!

In a flash, a sword from the Heavenly Master!

Chaos flame, destruction of black sun and so on all display!

This is the most powerful sword Ye Chen can cut without the help of Shuo Lao, Xuanhan jade and Xuanling power!

Dazzling starlight, instant and that dark green sword Sha had a collision!

A strange scene, appeared!

All people's brain nerves seem to fuse in an instant, unable to think!

What happened?

I saw that the Jiansha, which seems to be able to cut the whole Yanzhen area into two sections, is actually in the sword light of Ye Chen, vanishing rapidly!

The roar of a huge sound, violent waves surging, overturned countless warriors to the ground, and shiye cut out of the dark green sword evil is actually gone!

It's completely broken by Ye Chen!

At the moment, however, the invincible stone is in the eyes of all!

But it's not over yet!

Ye Chen raised a sneer at the corner of his mouth. With a movement of his body, he appeared in front of shiye's body, and cut down the evil sword in his hand!

Shiye's face changed. At the moment, his sword arm trembled slightly. Just now ye Chen incarnated as the Heavenly Master. The great power in that sword was beyond his endurance! His strength is drawing back! His blood is afraid!

Even the realm that just broke through is falling!

He wants to step back and adjust his state, but ye Chen doesn't give him this chance at all, forcing him to make a move!

In the face of Ye Chen's attack, shiye has to raise his sword to meet the enemy!

Boom is another big bang!

This time, ISHINO's arm can no longer support, completely broken, and the whole person is shot down from the air like a meteor, which smashes the earth into a huge hole!

All of us are looking at this scene directly. There will be smoke on the forehead

Is Ye Chen really suppressing shiye?

Even, it can be said to be rolling!?!?

Ye Chen, not even the spirit of wild hunting are afraid of waste?

What's going on here?

And at the moment, shiye's face finally turned into panic!

He regretted it!

Originally, after swallowing the spirit of wild hunting, his harvest has been extremely great, almost 100% of which can pass the examination of the temple of heaven!

It can even devour the spirits of most warriors and go further

Yes!

He must have provoked Ye Chen!

Shiye's face was distorted. Looking at the young man who looked like the God of war, his brain would solidify. He never dreamed that a young man in heaven and earth could incarnate his fearsome Heavenly Master! It's crushing yourself!

Isn't this a goddamn joke?

With Ye Chen's existence, the martial arts of other people look like jokes!

He thought that he had devoured the spirit of wild hunting and broke through two realms one after another, which was the first adverse day in history. But compared with Ye Chen, his breakthrough seemed nothing!

This moment, shiye panic!

However, as a ghost demon, he is not an ordinary person. Seeing that he is not ye Chen's opponent, shiye immediately gives up the idea of fighting. His whole body is full of ghost gas, and he murmurs: "the great escape of Ming Luo!"

Everybody hears speech, all is pupil one shrinks!

Shiye is known as the ghost king of Ming and Luo, and the most famous one is the way to escape!

It can be said that the whole heaven and man world is one of the most powerful Dun skills!

Once it is used, it can make the body of the warrior instantly empty, and enter a state of invisibility and immateriality. A flash is thousands of miles away. There is no way to capture it. It is almost impossible to pursue shiye!

Shiye, who was originally a little frightened, relaxed after performing the great Dun of mingluo. He was confident that ye Chen couldn't catch up with him by this escape technique!

The extremely strong Yin Qi surged around him. At the next moment, shiye's figure disappeared in an instant. People only felt that they could not catch any trace at all!

Even ye Chen's eyes are also showing the color of surprise!

This shiye's escape speed is really terrible. Even he can only see a trace of shadow. It is almost impossible to catch up with him!

However, he does not need to chase.

At this time, a figure suddenly appeared in the distance, its face still with a leisurely smile, it is shiye! When people see shiye show up, they can't help being stunned. How can the stone field come back?

Shiye also responded quickly. His pupils trembled and looked down at a red chain on his waist!

Sky demon God rope!

Ye Chen said with a smile: "your escape speed is really good. However, it seems that my sky demon God rope is also OK. Now, can you escape?"

Shiye's face changed wildly, and he continued to use the Ming Luo Da Dun, but!

The result is the same, oneself unexpectedly cannot leave from ye Chen's side!

Ye Chen's eyes, killing gradually Sheng, he said with a cold smile: "since, you can't walk away, then let me send you on the road."

As soon as the voice falls, one sword will be cut off!

The sharp light of the sword instantly engulfs shiye. Shiye struggles with great fear and wants to resist it. However, now that he has broken his arm, how can he resist Ye Chen's all-out sword?

A scream rang out, just like the strong devil, so he died under the sword of Ye Chen!

Everyone, looking at Ye Chen at the moment, seems to be facing a reincarnated demon. They dare not breathe. They bow their heads one by one. Even those who have just spoken out to ridicule Ye Chen have been scared to death. The heart of Tao has completely collapsed. I'm afraid that martial arts and Taoism can't make any progress in the future!

And Ju canal Dan apricot is also completely silly, she knows Ye Chen is very strong, but did not expect, ye Chen unexpectedly strong to this degree! It seems that the technique of incarnating the Heavenly Master just now is one of the thirty-six ways of the Supreme Master!

Ye Chen looked light and said to Zhu Yuan, "let's go."

Zhu Yuan is also excited at the moment, childe is more powerful than he imagined!

Even, in his opinion, ye Chen's adversity has completely surpassed the foreign level!

Seeing ye Chen leave, Ju Qu Dan Xing quickly stood up and said, "Ye Chen, wait..."

"What happened?"

Juqu Danxing pretty face slightly red, silent for a moment, or plucked up courage: "I Can I follow you? "

It has to be said that sometimes some conventional ways are also the most effective way to impress women. Originally, Juqu Danxing was just curious about ye Chen, but when he maintained himself at the critical moment, his curiosity began to change a little. Although he didn't like it, at least he had a good feeling

Moreover, in her want to come, since Ye Chen has defended himself, should also have a good impression on himself?

But who thought, ye Chen is not hesitant to refuse: "can not."

Chapter 4912

"Ah?" Ju canal Dan apricot some aggrieved, "why?"

She wanted to follow others for the first time, but she was turned down mercilessly

Ye Chen casually replied, "you don't have the ancient armor. It's in the way."

For a while, the whole person of Danxing in Juqu was like being chopped by thunder and stood in situ. This sentence was too hard to beat

Anyway, she is also the goddess of Tianzhan. She has her own pride. However, in Ye Chen's eyes, it is a hindrance

Besides, she can't refute at all!

Ye Chen's strength is stronger than her!

For a moment, Juqu Danxing's eyes turned red and said, "but My ancient armor is broken. If I meet someone like shiye again... "

Ye Chen smell speech, stop the pace, slightly frown.

Originally, he didn't want to be in charge of it, but his eyes flashed when he was ridiculed by everyone, even though he stood up alone to speak for him.

Although this woman is a bit capricious, she is not bad in nature. Moreover, in the final analysis, the armor was broken by him. If Juqu Danxing was really defeated by others, she had to be wronged to marry someone she didn't like. It seemed that she would feel a bit sorry

If you think of Dan, you must turn around and look at me. Otherwise, you must turn around and look at me

Ju canal Dan apricot smell speech, pretty face above, appeared the color of great joy, heavy place head way: "I listen to you!"

Mingruoxi, Guquan and others are all envious when they look at the Juqu Danxing who leaves with Ye Chen

At that time, they also resented people's behavior, but in the end, only Ju Qu Dan Xing stood up

The distance of the relationship is reflected.

.....

Now, heaven and man.

In a palace built on the cloud and sky, there are several graceful figures sitting in front of a pool.

In this pool, the scene of Yan Zhen domain is reflected!

Beside the pool, there are three figures, two men and one woman!

A middle-aged man with a jade face and lacquer eyes, a thin old man with red hair and crutches, and a young woman with white hair like snow, but with a grey face.

Here is the emperor's temple!

And that handsome middle-aged man is the Supreme Master of the emperor's temple, known as the emperor of the East!

The other two are the elders of the Eastern Emperor's heavenly hall, the red haired dragon wanwuguang and the goddess of luochagui Xu Yanling.

At the moment, three people are staring at that pool water, a look indifferent youth, look at the appearance, it is Ye Chen!

A satisfied smile appeared on the Eastern Emperor's forgetting the opportunity and said: "in his twenties, the cultivation of heaven and earth, the God of heaven and earth, and the Supreme Master of heaven and earth. The more two realms we fight, the stronger the flesh and blood, the future of this son is limitless."

Luo Cha ghost mother Xu Yanling hears the words, but in her eyes there is a flash of cold meaning: "I see, this boy defeated shiye may not rely on his own strength!"

Her face is filled with anger. Shiye is her favorite examiner, because shiye's Ming Luo ghost body is very consistent with its martial arts and is most suitable to be her own disciple. Even Xu Yanling had contact with shiye and was extremely satisfied with him before he took part in the examination!

Originally, Xu Yanling could directly take shiye into the emperor's tiandian. The reason why he wanted him to take part in the examination was that he had the chance to hunt wildly!

The ghost mother of LuoCha tried her best for this disciple, but she was killed by Ye Chen?

If it wasn't for the presence of the emperor forgetting the opportunity and wanwuguang, she would have been ready to come down and help in person

Of course, the most important reason is that luochagui mother thought that although shiye was not as good as ye Chen, she could at least escape with the help of Ming Luo Da dun. But who would have thought that ye Chen still had such a strange magic power as TIANYAO Shensuo!

This time, ye Chen can be said to have completely offended LuoCha ghost mother, at the moment, naturally will not have any good words to him.

Wan Wuguang also nodded: "I agree with the view of the ghost mother. Anyway, this boy's strength is a little too exaggerated! In my opinion, the most important thing we should pay attention to is not ye Chen, but Li qianjue

The emperor forgot the opportunity to hear the speech, and was surprised and said, "Li qianjue? Is it the descendant of Taigu Li family? Did he come to the examination? "

Wan Wuguang nodded his head and said: "yes, and Li qianjue is also in the Yanzhen domain examination room!"

Although the Eastern Emperor forgot the opportunity, he soon calmed down and said, "this Taigu Li family was really in its prime at that time, and no one can rival it. There is a trend that the Li family is on equal footing with the five heavenly halls in the heaven and man region. Now, although the Li family is still powerful, it is no longer the archaic Li family, and the blood and inheritance of the Taigu family have been completely declined."

At this time, wanwuguang is smiling and saying: "the emperor's words are wrong."The emperor forgets the opportunity and Xu Yanling are both slightly surprised to see wanwuguang.

"A while ago, I got the news that Taigu's blood revived in Li qianjue's body."

"What?"

For a moment, the two people can't help but exclaim, their faces are full of surprise!

Only those who have really experienced that era will understand how terrible the so-called Taikoo blood is!

At that time, Taigu Li family, like the sun in the sky, once used to resist the five heavenly halls with the strength of one family!

Moreover, those with Taikoo's blood can quickly improve their accomplishments without Daojing!

Simply, it is beyond the common sense of existence!

However, the Li family in Taigu is too powerful and thinks too much of themselves. They actually move their mind and try to get a big secret about wanxu in the world!

Therefore, after being punished, almost all the elite members of the clan disappeared outside the territory, and the powerful and incomparable Taigu family was cut off. From then on, the Taigu Li family was in a state of depression!

Today, Taigu Li family is still one of the several big families under the powerful family, even, compared with the powerful family, it has not let much, but has already lost the glory of that year!

However, once the blood vessels of Taikoo are revived, the situation will be totally different!

Taigu Li family is likely to be because of a Li qianjue, and reappear the glory of that year!

For a while, even the Eastern Emperor forgot the opportunity and turned his attention to Li qianjue. After all, in their eyes, ye Chen could not resist the Taikoo blood line again!

At this time, with the ideas of several people, the pool water fluctuated. A handsome young man with pale golden luster in his eyes appeared in the vision of the emperor forgetting the opportunity and others. Now, this young man is in the southern end of the burning land!

.....

Ye Chen and Zhu Yuan, Ju Qu Dan apricot fast forward, suddenly, a very hot air wave paved the way!

The three of them had a meal, and their eyes widened when they looked at the scene in front of them!

I saw, in front of them, there is a huge underground fire pit covering an area of more than 100000 square meters!

Chapter 4913

Underground fire pit, is incomparably pure, red fire!

For a moment, ye Chen's three faces all appear a touch of strange color

It seems that they think too much about it. There is no need to seize the fire pit for assessment

Such a large fire pit, and the endless fire rising from the bottom of the ground, are enough for all examiners to use together?

It can't be said that it's a fire pit. It's just the fire pulse of the earth's heart with the burning real area!

If we say, the only exception is Ye Chen.

His eyes twinkled with extremely excited light. If the fire in the fire pit could be completely engulfed and captured, the dark flame would not only be advanced, but also degenerate?

, however, he was not in a hurry. How much of the real fire was absorbed by other examiners, which did not have much influence on him. After all, the ordinary fire of Yan Xuan is not strong enough for the real fire. If ye Chen wants to absorb it, he must absorb the essence of the real fire.

Soon, the three people came to the fire pit of the local vein. At this time, some examiners gathered nearby, but no one entered the fire pit because they were waiting.

At this time, the sky suddenly dropped a red light, these red light fell on Ye Chen and other people's bodies, and there was a red symbol on their heads.

The symbols of Juqu Danxing and Zhuyuan are the same, but ye Chen's is not the same.

Ye Chen asked Zhu Yuan strangely, "what is this?"

Zhu Yuan looked at the symbol on the top of Ye Chen's head, and said with surprise: "childe, this is the firepower value."

"Firepower value?"

Zhu Yuan said: "the firepower value is used to measure how much fire the examiners have absorbed. Neither Juqu Danxing nor I have ever swallowed the miscellaneous fire pits, so, up to now, it is still zero, and the firepower value of young master is Thirteen thousand six hundred fifty-two... "

This value, frightening!

It is said that in the past, there have been some examinations in Yanzhen area. Although they are not included in the examination of tiandian, they are also large-scale examinations organized by the emperor's tiandian. Among these examinations, the best score is said to be 45000 firepower value!

What about ye Chen?

The pure fire absorbed by the fire pit has reached more than 13000 firepower value!

Not to mention that the difficulty of swallowing the miscellaneous fire pit is far more than that of the underground fire pit. With the fire value of more than 10000, ye Chen may be in the top ten of this assessment and join the emperor's temple of heaven!

All around people looking at Ye Chen at the moment can't help but exclaim, looking at the monster like eyes.

At this time, more and more examiners arrived at the southern end of Yanzhen area and gathered near the fire pit of the earth vein.

Finally, some examiners began to enter the fire pit, trying to swallow the fire!

The red Rune on its head is constantly changing. With its absorption of burning fire, its firepower value is constantly increasing!

However, most of the people who tried to assess were the warriors in the early stage of Huanzhen. Their scores generally reached the level of 5000 and 6000 firepower, so they couldn't hold on to it. They retreated from the fire pit full of pain.

At this time, a figure suddenly flashed and fell into the fire pit of the earth's veins. At the moment of entering the fire pit, the rolling fire was like a moth flying to the fire, and its firepower value was rising rapidly faster than the others!

A lot of examiners see, is a change of face, look at this person.

In the fire pit, is a young man, looks arrogant, is the ancient spring!

Although Guquan has only five layers of heaven, its real strength and transcendence are outstanding in this assessment!

Zhu Yuan, Ju Qu, Dan Xing and others were all moved.

Even ye Chen is interested in seeing Guquan enter the fire pit. He is curious about what achievements Guquan can achieve.

A large number of yanzhenhuo poured into Guquan's body, making its body surface turn red, and sweat gushed out from the body. However, the speed of yanzhenhuo entering the body did not drop at all, and the firepower value broke through the 10000 mark all the way!

Many people, are sent out exclamation, 10000 firepower value is the best result at present!

What's more, Guquan is still breaking through!

In a flash, 10000 firepower!

However, when the firepower value reached 12000, the speed at which Yan zhenhuo entered his body was greatly reduced. His face was extremely painful, and his whole body trembled slightly. The smell of barbecue was emitted from his body, and his skin was burnt. Obviously, he was holding up

Finally, after breaking through to the value of 13 firepower, Gu Quan moved quickly from the fire pit of the earth's veins and fell outside the pit, gasping heavily!

Guquan's performance is not bad. It's worth thirteen firepower. It's expected to rank in the top ten!

At the same time, although it is extremely embarrassed at the moment, the breath is weak, but on its face, there is a strong joy. Obviously, absorption of this fire has the effect of refining the body, so that its harvest is not small! People look at Guquan are envious look, thirteen firepower value, hope to enter the top ten!

However, at the moment, people look at Ye Chen's eyes more strange

Gu Quan's qualification is extremely difficult in the fire pit of the earth's veins, and only then has it absorbed the value of thirteen firepower

What about ye Chen?

The same result was achieved in the mixed fire pit!

You know, it's ten times more difficult to absorb the fire of the miscellaneous fire pit than the fire pit of the earth?

Later, Zhou's brothers and sisters, Qin Xiuyue and others also tried. Zhou liebai, more than 9000 firepower, Zhou qiongyan's 10000 firepower, Qin Xiuyue, more than 8000 firepower

So far, Guquan is far ahead!

At this time, Juqu Danxing, Zhu Yuan and others, after seeing the performance of Guquan, also some eager to try!

Ye Chen says with a smile: "you also try."

Ju canal Dan apricot immediately body shape move way: "I come first!"

At the next moment, her delicate body has already fallen into the fire pit of the earth. Her white skin, against the red flame, exudes a different style of amorous feelings!

For a moment, all the men present were drunk!

Juqu Danxing sits on his knees with his hands printed. In an instant, the golden light on his body surface is surging wildly. In the golden light, countless burning real fires are turned into Dao Dao Dao fire flow, which instantly infuses into his delicate body!

People can't help but take a breath of cool air. This speed is two or three times faster than the ancient spring!

In the twinkling of an eye, Juqu Dan Apricot's firepower value has broken through the 10000 mark!

At the moment, his pretty face is calm, as if he is not in a sea of fire, but a hot spring, with no forced color at all!

Even ye Chen couldn't help blinking. In his opinion, Juqu Danxing's fighting talent was far inferior to Zhu Yuan's, but, to be honest, his martial arts talent was still good, otherwise, he would not have entered the list of gods at this age!

Chapter 4914

Put aside the ancient armor, Juqu Dan apricot is also eligible to enter the God Cang list!

In the eyes of the public, in a flash, its firepower value has exceeded 20000!

Until this time, Ju canal Dan apricot absorption inflammation of fire speed is still not a bit slow down!

It's worthy of being the top 200 talents on the list of gods. It's too scary!

With a roar, a fire wave suddenly slapped on the delicate body of Ju Qu Dan Xing, and at the moment, her firepower value has reached 30000!

At this time, Juqu Danxing finally frowned slightly. He had a fire equivalent to 30000 firepower in his body. The pressure was too great. Not everyone could absorb energy as limitlessly as ye Chen. Even, except for some unique fire cultivation, most martial artists could only absorb a certain amount of fire in a lifetime!

It is just because of this that we can pass this assessment to reflect the qualification of each warrior!

Although there is still a long way to go from the highest record, we should know that the highest record was created by the disciples of the emperor's temple!

Moreover, it can be said that it is the elite achievement in the temple of heaven!

Juqu Danxing's achievements at this time, can be said to have surpassed the ordinary tiandian disciples!

However, she is obviously not willing to stop here, even if the white skin has turned red, and even appeared burns, Ju Qu Dan Xing still insists!

Unfortunately, soon, it reached the limit and had to fly from the fire pit of the earth's veins

The firepower value of its head is fixed at 35000!

This result is too bad, almost certainly, selected in the top ten!

At this time, Zhu Yuan also entered the fire pit, and people's eyes brightened again. They were also full of expectations for the examination results of the natural martial arts son!

And Zhu Yuan did not let them down, its speed of swallowing the flame, even faster than Ju Qu Dan Xing!

In a twinkling of an eye, it also broke through the 30000 fire value barrier!

And until now, Zhu Yuan's look, seems to be still keeping cool!

Exclamations come and go!

Even ye Chen, there is a touch of appreciation in his eyes!

Ju canal Dan apricot see form, can't help but hum a way: "I just, the state is not good."

She seems a little unconvinced.

Ye Chen smiles and says nothing more.

However, when Zhu Yuan's firepower value exceeded 35000, his face became grim, his breathing quickened a lot, and his body surface began to burn. However, he was still biting his teeth and had no intention of giving up!

This fire pit is a rare chance. It may only be swallowed once in a lifetime. Zhu Yuan wants to make the best of it!

Finally, with a bang, the rune on the top of his head suddenly changed and broke through to 40000 firepower value!

At the moment, not to mention the assessors present, even the emperor forgetting the opportunity and others in the emperor's heaven hall are all showing amazing color!

However, in the end, Zhu Yuan's firepower value still stagnated at 42000. Even if he insisted, he could not bring a trace of fire into his body. He had to sigh and return to Ye Chen.

He didn't break the record of the emperor's temple, which made him feel a little disgraced to Ye Chen

Ye Chen smiles and pats Zhu Yuan's shoulder way: "good result."

It's true that Zhu Yuan's greatest talent lies in the spirit and the heart of Tao. It's good enough that his martial arts qualification can reach this level.

At this time, ye Chen's eyes flashed, the corner of his mouth raised a smile: "I also go to try it."

Just as ye Chen was ready to leave, suddenly, a figure beside him flashed. A young man with golden eyes appeared beside him, looked at him and said with a smile: "Mr. Ye, are you ready to start the examination?"

Ye Chen glanced at the youth lightly and said, "how?"

Now, the scene has not been assessed many, and the man seems to have paid attention to Ye Chen from the beginning, obviously prepared.

This young man with golden eyes is Li qianjue of Taigu Li family!

Li qianjue smell speech, slightly frown, ye Chen's attitude towards him makes him a little uncomfortable.

He comes from the Li family of Taigu. A few days ago, by chance, he awakened the blood of Taigu family in the place of family inheritance. His pride can be imagined. Let alone, even before he awakened, Li qianjue had already ranked 185th in the list of gods. He was even ahead of Juqu Danxing, who had ancient battle armor!

And Li qianjue's cultivation is the highest in the realm of inflammation and truth. At this time, his breath is extremely calm and he obviously comes from his own cultivation.

However, soon, Li qianjue regained his composure and said with a smile: "I heard that Mr. Ye has recently created many miracles in Yanzhen area. Why don't you and I go into the fire pit of the earth's veins and have a try?

But Guangbi is boring. How about a bet? "

Then he looked at Zhu Yuan behind Ye Chen and said, "for example, do you bet with your subordinates? As for my loss, I will certainly pay the price of satisfying Mr. Ye. "People can't help but feel moved when they hear the speech. They are looking forward to this gambling fight!

However, at the next moment, ye Chen did not hesitate to open his mouth: "no interest, when you enter the earth's fire pit is your business."

With that, he ignored Li qianjue and went into the fire pit.

Li Qianye refused so decisively!

For a moment, he looked a little gloomy!

The reason why he hid his awakening of Taikoo's blood was to make a great success in the examination of tiandian!

Can, these days, it is Ye Chen completely robbed the limelight!

Originally, he wanted to take advantage of this opportunity to suppress Ye Chen and seize Zhu Yuan, the natural martial son

Unfortunately, ye Chen didn't fall for it.

Immediately, he also no longer said anything, a cold hum, then entered the earth's fire pit.

They sat down in the fire pit at the same time, and the people around were full of curiosity about what achievements they could achieve!

Li qianjue is the real evil spirit of heaven and man, and ye Chen is a black horse who doesn't know where he comes from!

Li qianjue's aura surged all over his body. In an instant, an amazing scene appeared!

A whirlpool of fire suddenly appeared all over Li qianjue and whirled around it. The elements of fire between heaven and earth, like moths to the fire, rushed towards Li qianjue!

For a moment, Li qianjue in the fire pit of the earth's veins looks like the reincarnation of the God of fire!

At the same time, ye Chen is preparing to start swallowing Yan zhenhuo, but sudden change!

As soon as he entered the fire pit, his body surface was already red and looked as if he had reached the limit!

For a moment, people looked at Ye Chen, and their looks were strange. Many people couldn't help laughing and said, "what is this boy doing? As soon as you enter the fire pit, you reach the limit? "

"In this way, it can also devour miscellaneous fire pits?"

Chapter 4915

"No, what kind of exotic treasure was used to swallow the miscellaneous fire pit at the beginning, did you cheat?"

"No wonder, I dare not accept Mr. Li's gambling. It turns out to be a parallel product."

For a moment, people's ridicule to Ye Chen one after another!

Li qianjue smell speech, look at Ye Chen with a smile, the color of contempt in the eyes is not hidden!

Zhu Yuan smell speech, look a sink, however, his eyes to Ye Chen is also full of doubts!

He knew that ye Chen didn't use any treasure when he devoured the miscellaneous fire pit. Moreover, he looked extremely relaxed!

As a matter of fact, when it comes to the fire pit of the earth's veins, it should be more smoothly devouring the burning fire

But now, why is the childe in this state?

In the hall of the Eastern Emperor, the emperor forgets the opportunity to look at Ye Chen and frowns slightly. He knows that ye Chen seems to be really reaching the limit, not pretending.

On the other side, Xu Yanling sneered: "sure enough, this boy doesn't seem to have real talent. It's far worse than Li Qian!"

Wan Wuguang also said with a smile: "the blood of Taigu family is not unusual? I think Li qianjue will set a record this time! "

After forgetting the opportunity and pondering for a moment, the emperor still shook his head and said, "take a look, there is no need to draw a conclusion so early."

.....

At this time, ye Chen has no mind to take into account people's ridicule, now his knowledge of the sea, and even in the channels are burning a big fire!

However, ye Chen not only did not worry about it, on the contrary, extremely excited!

Staring at the sea of knowledge, he saw a red gold flame, and his eyes were full of light. He said, "I can't imagine that as soon as you enter the fire pit of the earth, you will meet the fire spirit of the burning real fire!"

Xuanhanyu said: "what's more, it's not a general fire spirit. I'm afraid that even in the fire spirit, it's the highest existence!

In fact, it's very difficult for Yan Zhen to be born. It's only in this kind of large fire pit, accumulated for thousands of years, that you have a chance to appear. Boy, your luck is against the sky! Worthy of being the master of reincarnation!!

If I guess correctly, as long as you swallow up the fire spirit, your dark flame will be transformed!

However, fortunately, I met you. Even if you almost reached the limit with your physical strength, I'm afraid that another warrior would be burned to ashes by the fire spirit even if he was really at the top of the mountain! "

Ye Chen looks at the flashing red gold flame, the God in his eyes is more and more powerful, he can't wait to reach out a move, a silver flame in an instant towards the flame real fire spirit suppression and go!

A big bang broke out in Ye Chen's body. The silver flame and the red gold flame were interwoven in one place instantly!

It seems that the fire is really fire spirit, it seems to have been stimulated in general, burning up, for a time is actually the dark flame suppressed down, and even a faint tendency to swallow it up!

Ye Chen has a dignified look in his eyes. He murmurs, and his spiritual power roars out of his body. It turns into a chain, which is wrapped around Yanzhen huohuoling. With the help of Ye Chen, Xuanyan recovers the fire and nibbles at the red gold flame!

Yan Zhen Huo Ling seems to be extremely impatient and crazy, both of them, for a moment, stand still!

Time, minutes and seconds passed, and a cry of exclamation suddenly rang out beside the fire pit. In the fire pit, the number of Li qianjue's head had exceeded 43000, almost equal to the best record!

On the other hand, ye Chen is in sharp contrast to Li qianjue. After so long, his body is getting more and more red, and the number on his head has never changed!

People are now too lazy to ridicule Ye Chen. Even, they are too lazy to look at it. They are all paying attention to Li qianjue!

Li qianjue is also jumping all over the body, and it seems that he is about to reach the limit

However, at this time, Li qianjue's eyes suddenly burst out a very dazzling golden light, two runes appeared in the depth of his pupil, at the same time, a kind of extremely powerful breath, surging out of his body!

People looked at Li qianjue at the moment, his spirit was shaking, and they had a feeling that they wanted to worship him. It was as if Li qianjue was a saint in the world, supreme existence!

In the hall of the Eastern Emperor, the emperor forgets the opportunity and others are also surprised, and there is a faint color of joy on the surface!

Wan Wuguang directly laughed and said, "ha ha ha, the news is really right. This boy really wakes up the blood of Taigu family, that of Taigu Li family! After joining the emperor's Hall of heaven, he must be well trained! "

Xu Yanling nodded: "this is nature."

At the same time, she looked at Ye Chen in the corner of the picture with great disdain and said: "as for such a bluff waste, it can only be the lowest level of existence if it is added to my Eastern Emperor's heaven hall!"

The fire pit of the earth's veins, under the gaze of people's horror, the firepower value of Li qianjue's head is actually soaring at the speed of rocket!

In a twinkling of an eye, it broke through 45000, and soon reached 50000!

But, this is not the end at all, soon, 60000, 70000, 80000!!!Everyone is suffocating!

Is Li qianjue a God?

It's already 80000, but still breaking through?

Moreover, the speed is extremely fast, as if this fire can't cause burden to it at all!

In a flash, 90000!

After 90000, the growth rate of firepower value finally slowed down. Even though Li qianjue had a strong breath and was full of golden light at the moment, there was a trace of reluctance on his face.

At the same time, ye Chen is in the sea of knowledge, extremely excited to look at the scene in front of him!

Now, the flame is dying, but the flame is dying!

Under this ebb and flow, it is impossible to resist the phagocytosis of Xuanyan!

Silver fire flash, the last ray of red gold flame also absorbed into it!

Ye Chen's eyes, suddenly a bright, successful!

Xuan Yan finally completely devoured the fire spirit of Yan Zhen!

His eyes are full of expectation. I don't know what changes will happen to Xuanyan next?

At this time, a burst of dazzling light broke out on the Xuanyan, a mysterious wave rippling in Ye Chen's sea of knowledge

Xuanhanyu and Shuo Lao at the same time exclaimed: "this is it!"

I saw that the dark flame flashed and turned into a young girl with red flame Phoenix wings and silver hair and golden eyes!

Ye Chen looked at this scene a bit dull, the girl's flesh and blood look a little unreal, flashing a little light, seems to be completely formed by the flame, fantastic to the extreme!

For the first time, he knew that the flame could change shape?

Ye Chen can't help but ask xuanhanyu: "xuanxianzi, what is this situation?"

Chapter 4916

Xuanhanyu seemed to be a little excited and said in surprise: "boy, your luck is too good. The fire spirit that can transform into shape is the most advanced existence among all the heaven and the world. Although the Xuan flame is still very young now, its power and potential are far superior to the so-called divine fire!

Among them, there is no end to its magical effects. It can even be said that if you cultivate this spirit of transforming form and fire to the peak, you can burn down the heaven and man realm in a moment

For a moment, even ye Chen was a little creepy!

Between a thought, burn up heaven and man?

This, I'm afraid, can't even those extreme fire practices do it?

At this time, the fire spirit rubbed the big eyes of red gold, looked at Ye Chen, and cried out with some milk: "master."

Ye Chen looks at the mysterious fireworks spirit, and his eyes are bright. The mysterious fireworks spirit can not only transform into forms, but also seems to be extremely intelligent, which is not under human beings at all!

Immediately, ye Chen said with a smile, "now that you have opened your mind, you can't call you Xuanyan Since you look like a girl, I'll name you Yan xuan'er. On weekdays, I call you xuan'er. What do you think? "

Hearing this, the girl's long eyelashes trembled and murmured, "Xuan er Yan xuan'er... "

Then, a very bright smile appeared on his small face and said, "master, xuan'er likes it!"

"Just like it." Ye Chen gently coughed and said: "and, later, call me childe..."

It's a little strange for such a little girl to call her master all the time

"Yes, sir!"

Xuanyan's intelligence and successful transformation make ye Chen in a good mood. In fact, her strength can be described as a further improvement. Moreover, today's Yan xuan'er is not as simple as burning blood formula. Ye Chen can feel that xuan'er's firepower contains some extreme fire charm, even some strong ones will be threatened!

All of a sudden, ye Chen finds that Yan xuan'er's small face appears hesitant. He seems to be trying to stop talking. He can't help asking, "xuan'er, what's the matter?"

Yan xuan'er whispered: "childe, I Can I devour all the flames in this fire pit? "

She has just advanced the shape, consumed too much energy, at this time is in need of replenishment!

Ye Chen heard the speech, his eyes suddenly opened, some incredible way: "you say, swallow all? The whole fire pit? "

Immediately, his face appeared extremely surprised and said, "xuan'er, can you do it? How long will it take? "

You know, if ye Chen himself wants to swallow up the whole fire pit, it is not impossible, but it will take a lot of effort, time, may not be in time!

At this time, Yan xuan'er replied very seriously: "childe, I only need one breath to swallow all the flames in the fire pit of the earth vein. It will not take too long. Even, in my perception, I can swallow the core of the real fire in the deep part of the earth vein!"

When ye Chen hears the speech, he can't help but swallow his mouth

Well, even he was shocked

Then, he couldn't help laughing and said, "good, good! Xuan'er, don't worry. The fire of the whole fire pit is yours! "

Yan xuan'er smiles and starts to swallow it. However, ye Chen stops him from saying, "xuan'er, wait and eat again."

With that, he slowly opened his eyes and stood up from the fire pit of the earth's veins. He moved and left the fire pit.

Ye Chen's mouth with a faint smile, now, there are some examiners did not carry out the assessment, if you let xuan'er swallow up all the fire pits on the ground, would these people not have lost an opportunity to assess?

Ye Chen won't be so cruel. Anyway, the flame absorbed by these examiners has been completely ignored by Ye Chen.

If you have hundreds of billions of assets, will you care about being taken away by others?

When they saw Ye Chen leave the fire pit, the irony in their eyes almost turned into substance!

At the moment, the firepower value on his head does not change at all, that is to say, after ye Chen enters the fire pit of the earth vein, a trace of fire has not been absorbed successfully!

In other words, thirteen is the limit of Ye Chen!

What about Li qianjue?

Its firepower value has already advanced to 100000!

A hundred thousand!

A record of the past and the present!

Even if you join the emperor's Hall of heaven, are you a genius among the geniuses?

It's hard to imagine. It's a human achievement!

For a moment, ye Chen became the clown who set off Li qianjue in everyone's eyes!

Even in the Eastern Emperor's heavenly hall, the emperor, who has always been optimistic about ye Chen, shakes his head in great disappointment at the moment

From the moment Ye Chen left the fire pit of the earth's veins, it has been proved that he can't continue to absorb the burning fire

There will be no more variables

The score of thirteen thousand is not bad, but it is not good. Moreover, there may be moisture in it!

And Xu Yanling is a smile, cold smile, her eyes twinkle, such waste even beat shiye? Xu Yanling secretly decided to find a chance to revenge Ye Chen!

At the moment, the entire land fire pit has been immersed in boiling, all people are shouting the name of Li qianjue!

After breaking through 100000 yuan, Li qianjue seems to have reached the extreme. His whole body is covered with golden light, and his body shape flashes. He leaves the fire pit of the earth.

Li qianjue with a smile, for the cheers of the crowd, seems to enjoy it!

At this time, he looked at Ye Chen. When he noticed the firepower value of Ye Chen's head, his smile became more brilliant.

Li qianjue walked slowly to Ye Chen and said, "Mr. Ye, is this your achievement?"

As soon as this speech was said, the surrounding of the fire pit of the earth vein was instantly quiet down.

All people are looking at Ye Chen with interest. They know that ye Chen is going to have bad luck.

Zhu Yuan's face sank, holding the dagger in his hand, but he was stopped by Ye Chen.

Ye Chen looked at Li qianjue with a smile: "yes, why?"

Hearing this, Li qianjue pretended to exaggerate: "no, right? Thirteen thousand? I remember correctly, Mr. Ye, before he entered the fire pit, was it thirteen thousand fire power? Why come out now, or thirteen thousand? Is it the Rune of firepower? What's wrong

Ye Chen's eyes flashed. In fact, if you want to say that it's a rune, it can be said, because this Rune can only record the fire value of general fire, but it doesn't respond to it. Otherwise, the fire power value of Yan Zhen fire spirit absorbed by Ye Chen will be converted into millions of fire power value at least

However, ye Chen did not explain, just a light way: "I don't have to worry about your business."

People look at Ye Chen, they are a little upset

It's just a piece of trash that has been exposed. How about being a genius?

What's the attitude towards Li qianjue, a real genius?

Li qianjue's expression was also cold and said: "Oh, that childe ye, take care of yourself. Hehe, it seems that childe Ye doesn't gamble with me. Is it really foresight? Perhaps, all this is under the control of Mr. Ye? "

Chapter 4917

This sentence, for a while, made the examiners around him laugh and said: "what a good one is under control, Mr. Li, good point!"

"There is foresight indeed. I'm afraid no one knows better than himself. Is his true level?"

"Hehe, if you've been torn down, you'll have to pretend that it's not made of iron, is it?"

Ye Chen is self-contained, but Zhu Yuan's face is more and more ugly!

He couldn't help but shout, "you're enough! What do you know? Why do you say that, young master? "

The examiners who were originally ridiculing Ye Chen suddenly calmed down. Although Ye Chen was a waste, he was born a martial artist and was still a formidable genius

However, at this time, a cold voice rang out: "when is it your turn to speak?"

People were a little surprised, did not expect that someone would dare to talk to Zhu Yuan like this. They looked in the direction of the voice, and the speaker was Li qianjue!

For a moment, people's looks were excited!

Li qianjue is going to fight Zhu Yuan!

I don't know, this created the acme of history. How about the monster compared with the natural warrior?

In Zhu Yuan's eyes, the cold light flashed, and the dagger in his hand hummed in an instant. The sword was surging out, and he was about to make a move. However, one hand stopped Zhu Yuan's body.

Ye Chen's hand.

Zhu Yuan slightly a Leng way: "childe..."

But when he looked at Ye Chen, he couldn't help shaking his eyes!

I saw, originally also full of indifferent Ye Chen, at this moment, the look is completely cold down, even if Zhu Yuan saw, have a feeling of palpitation!

He knows, childe is angry!

Ye Chen looks at Li qianjue without expression. The reason why he stops Zhu Yuan is simple.

He knew that Zhu Yuan was not Li qianjue's opponent for the time being.

However, this does not mean that ye Chen is going to forget it!

Zhu Yuan is his subordinate, but he does not allow anyone to call Zhu Yuan in front of himself!

Ye Chen raised a sinister smile and said, "your name is Li qianjue? Is the bet you just said count? "

Everyone, including Zhu Yuan, Ju Qu, Dan Xing, and so on, was stunned and looked at Ye Chen in disbelief

Even the high-rise buildings of the emperor's temple are all showing a strange look at the moment

They don't understand. What is Ye Chen going to do?

Li qianjue's eyes narrowed slightly and said, "naturally count, Mr. Ye, what do you want?"

Ye Chen said faintly: "I can bet with you, but I don't need you to take out any treasure. If I win, you just need to do one thing..."

His eyes suddenly like black ice general, fell below the freezing point: "to Zhu Yuan, kneel down to apologize!"

Everyone hears speech, is the complexion a change, ye Chen is mad?

Let a son of heaven who has just set a new record and has broken through 100000 firepower value and is likely to have a promising future in the Eastern Emperor's temple in the future, kneel down to apologize to his servants?

What's more, the most important thing is that ye Chen has no chance to win at all?

Just now, he was in the fire pit of the earth, and his score was zero

What about Li qianjue?

100000!

Even if ye Chen now uses what secret arts, improves the potential, and then absorbs some burning true fire, it is absolutely impossible to make up for the gap between Ye Chen and Li qianjue?

Don't say it's them. Even the emperor forgets the opportunity and others are shocked

Xu Yanling said with a sneer: "I don't know the height of the earth, the boy who doesn't have the ability to return crazy is going to die."

Li qianjue's blue veins on his forehead suddenly jumped, and a strong killing opportunity appeared in his eyes!

However, soon, he was calm, and looked at Ye Chen with a smile, just like watching a clown.

He said faintly: "OK, I'll promise Mr. Ye. However, my conditions also need to be changed..."

He gazed at Ye Chen and said, "if ye Gongzi loses, you should kneel down and apologize to me."

Zhu Yuan heard the speech and said anxiously, "childe, no way!"

Ye Chen showed a smile to him: "how, don't believe me?"

Zhu Yuan was stunned and shook his head: "no, just..."

"All right." Ye Chen stopped Zhu Yuan and nodded to Li qianjue, "it's settled."

For a moment, Zhu Yuan looked at Ye Chen's eyes, flashing up, he was born Wuzi, only care about martial arts, but, not to say, Zhu Yuan has no feelings!

At the moment, he has been completely moved by Ye Chen's behavior!

Ye Chen did not treat himself as a servant at all, but regarded him as a friend, brother!

He pressed his lips tightly, angry at his incompetence!

If he is able to defeat Li qianjue, why do you need the young master to take the lead for himself?

He secretly vowed that he would improve his strength crazily in the future, and never disgrace him. Only in this way can he be able to repay his kindness! Li qianjue laughed and looked at Ye Chen. His eyes were

full of sarcasm and disdain. He said faintly, "Mr. Ye, please, I'd like to have a look. What can you do to improve your achievements?"

In his opinion, ye Chen is for a servant, lost his mind, and wanted to pretend.

But what's the use of strong installation?

Well, now it looks really unexpected. It can even be said that people are looking forward to it. But what happens after entering the fire pit?

Ha ha, only in exchange for greater ridicule and disappointment

Otherwise, why did ye Chen leave the fire pit just now?

If you can continue to absorb burning fire, how can you not absorb it once, instead, you should come out to be ridiculed?

Therefore, he judged that ye Chen lost his mind and was in a state of high spirits.

For a servant, he abandoned his face completely. He felt that ye Chen was stupid.

Among the crowd, most of them have the same idea as Li qianjue. They look at Ye Chen with schadenfreude. Some of them can't wait to see ye Chen kneeling down to Li qianjue. When the time comes, they will spare no effort to ridicule, so that the so-called black horse, evil spirit, this generation can no longer raise their heads!

Ye Chen glanced at the fire pit. At this time, no one has entered the fire pit to challenge. All the examiners who are still alive have completed the assessment.

At that moment, he moved slowly towards the fire pit.

Zhu Yuan, Juqu, Danxing, mingruoxi, Guquan and others are all nervous!

They believe in Ye Chen from the bottom of their heart!

However, it seems impossible to surpass Li qianjue's achievements

Soon, ye Chen has been standing in the center of the fire pit, the whole body, covered by the flames!

All eyes are focused on the firepower value of Ye Chen's head

Can, at this moment, ye Chen seems to have not begun to absorb the meaning of fire, fire value is no change!

Li qianjue, smile, the crowd around, also smile.

Well, waste, in the end, is waste. It can't become a dragon.

Just when they are ready to make a sarcasm and ask Ye Chen how long he will stay in the fire pit of the earth's veins, the spirits of the people suddenly tremble. They look at Ye Chen in the fire pit a little dull

Chapter 4918

I don't know why, at the moment, ye Chen seems to have a kind of breath, a breath that makes them extremely afraid!

In Ye Chen's eyes, a gold and a silver, two flames, he said to Yan xuan'er without expression: "xuan'er, do it."

Time, seems to have a moment of stillness

After a moment, all the people present, including the high-level of the emperor's temple, opened their eyes wildly

In front of them, there appeared a scene that they would never forget and branded in the deepest part of the spirit!

What is that?

It was a storm of fire

The flame storm that swept through the whole Yanzhen area!

In the fire pit, which covers an area of more than 100000 square meters, all the flames revolve around Ye Chen, turning into a huge flame storm that stirs up the fire elements of the whole boundary!

Compared with the flame storm, Li qianjue's flame whirlpool is like

The difference between earthworm and Dragon

Not at the same level at all!!!

This rolling flame storm, with a speed of nearly horror, quickly melted into Ye Chen's body, and the firepower value of Ye Chen's head also soared at an incredible speed. Then, it was not rocket riding, it was simply beyond the speed of light!

In the blink of an eye, it has broken through the million mark!

People's thinking will be broken, the spirit will smoke, blood will flow back!

Even, some people almost fainted!

The scene, shocking beyond description!

But this extremely shocking scene did not last for a long time. It was like the most brilliant fireworks. With a short breath, the flame storm had already disappeared. Everything was like an illusion.

People like statues, standing in the same place, breathing has long forgotten, just staring at the empty, dark fire pit in front of them, only the rolling smoke from the fire pit proves that everything just happened is true!

At this moment, ye Chen slowly turned around with a funny smile on his face. Until then, all the people came back to their senses. They looked at the rune on the top of Ye Chen's head. The number was so exaggerated that they could not feel shocked

There is only one kind of absurdity

3.96 million

Ye Chen's firepower value is fixed at 3.96 million!

How many times that of Li qianjue? Nearly, forty times?

How about a million fire in front of you?

Ye Chen is the ultimate!

Even several high-rise buildings in the emperor's palace have been completely petrified

Thinking can not work, they never thought that one day, someone will be able to burn the fire in the fire pit, swallow up.

In fact, Yan zhenhuo can be regarded as a treasure in heaven and man. It is a flame higher than divine fire. If it can be condensed and even evolved into a fire spirit, its value is immeasurable!

But why hasn't the emperor's Hall of heaven started on the fire pit of this place for so many years?

Because, you can't.

Even the existence of the emperor forgetting the opportunity could not swallow or collect the fire of the whole fire pit, but ye Chen did it!

Xu Yanling, the ghost mother of Luochoa, immediately yelled: "this boy, cheat! It must be cheating! This is not his real achievement at all. No one can swallow up the whole fire pit of the earth

The emperor forgets the opportunity and looks at Wan Wuguang with a slight frown. Sometimes it's not a good thing to exaggerate the achievements, because it's beyond the scope of common sense. Now, even they can't judge ye Chen's qualification

And Luochoa ghost mother's eyes even some hot!

Even the fire of the whole earth vein fire pit can be absorbed. Ye Chen must have a treasure!

It's true that she thinks so. Now Xuanyan, which can be transformed into form, belongs to the existence of the most precious things. However, for ye Chen, even if he has the wisdom, he is similar to a part of his body. It is his own spiritual fire, not an external force, and other people can't take it away.

.....

It's a fire pit.

Li qianjue looks at the scene in front of him like an ice sculpture. He seems to have not accepted the reality. He looks pale to the extreme and murmurs: "impossible It can't be... "

After ye Chen absorbed the fire pit of the whole earth vein, he Li qianjue has changed from the original brilliant extreme demon to a clown!

All this, blame Ye Chen!

This son of a bitch!

Obviously, the one who has Taikoo's blood should be the one that everyone will never forget!

Li qianjue's eyes, instantly red, fury, almost into substance, staring at Ye Chen like a beast forced into despair!

Look at Li Qian Wei's face and say, "what's the meaning of Li Qianwei? Can't afford to lose? Now, you should kneel down and apologize to Zhu Yuan. ""Shua" sound, all people's eyes are focused on Li qianjue.

That invisible vision, but brought great pressure to Li qianjue, the cold sweat came down in an instant!

His pupils trembled wildly and gnawed his teeth. He had never been humiliated like this!

Li Qian jueqiang suppressed his anger and said with a smile: "Mr. Ye, we were just joking. How can you take it seriously? You see, how about I use this treasure to compensate Mr. Zhu? "

Said, its wrist a turn, the hands of a more emitting a colorful, crystal clear, beautiful beads.

Seeing this bead, many people exclaimed: "chengdao Zhu! This is Cheng dao Zhu

In the eyes of those examiners, there is a look of incomparable desire and admiration!

Li qianjue, what a big pen!

Chengdao can assist the existence above the middle stage of Huanzhen state, absorb Daojing and speed up the cultivation speed. Moreover, it has no side effects. It can be said that it is quite useful even for the later stage and even the peak of Huanzhen state!

Li qianjue, take it out!

In Li qianjue's eyes, there is still a bead of Chengdao in his hand, which will not affect his cultivation. However, this kind of treasure can even be exchanged with many Daojing, so it's cheap for these two damned guys

However, it is better than kneeling. Li Qian is the heir of Taigu family. How can he kneel down to others?

Moreover, in front of so many people, if so, he may not be able to lift his head in his life.

Zhu Yuan is so expressionless that he seems not interested in it at all. He is in charge of everything by Ye Chen.

However, all the examiners looked disappointed. To tell the truth, they still want to see ye Chen and Li Qian absolutely go up. Unfortunately, Li Qian is too good at being human. As long as ye Chen is not a fool, he will give each other a step down.

Chapter 4919

Although therefore, may have offended Li qianjue, but, for ye Chen, picking up a pearl for nothing is definitely a gain!

However, at this time, a very disdainful laugh was ringing in the ears of all.

"Are you kidding? Who's kidding you? If I lose, do you think I'm kidding you? "

This said, the original temperature of thousands of degrees of fire, as if an instant into a cold hell!

Everyone looked at Ye Chen in disbelief

Ye Chen, this is not even a little face for Li Qian Jue!

For a moment, people look at Ye Chen as if they are looking at a madman

Some of them could not imagine that the indifferent youth in front of them was extremely ruthless and forced Li qianjue to kneel down!

Li qianjue seems to be a little confused, but soon, a smile appeared on his face

The smile made everyone tremble!

The horror is at its best!

At this moment, Li qianjue finally can't bear any more, regardless of his demeanor and image. He looks ferocious and stares at Ye Chen and yells: "are you kidding? Ha ha, well, I'm going back on my word now. What are you going to do? "

"Repentance?" Ye Chen smelled speech, but he said with a smile, "no one can repent in front of me."

But at the moment, Li qianjue is ready to start!

His eyes are full of murder. This damned boy, do you want to drink or not?

Ha ha, in this case, then go to die, as long as you kill Ye Chen, everything can be regarded as not happened, and he is still the best one among the examiners!

With a roar, an air current suddenly burst out of Li qianjue's body. The golden awn in his eyes is in full swing. The breath that makes people feel adored again surges on Li qianjue!

Even ye Chen looks at Li qianjue with a twinkle in his eyes. At the moment, Li qianjue gives him a very old feeling, not that he is old, but a temperament

Intuition told him that Li qianjue was very dangerous!

Although, it is only six layers of heaven, but ye Chen can be sure that the force is still on the stone field!

Even more than shiye!

Even xuanhanyu said: "Ye Chen, be careful. This guy has Taigu blood, which is not easy to deal with!"

Ye Chen is a little surprised, even Xuan Hanyu said so?

You know, Xuan Hanyu's vision is very high!

He couldn't help asking, "what is the Taikoo blood?"

Xuanhanyu said with some solemnity: "a long time ago, in an era even older than the ancient times, the territory was actually a desolate land, full of terror and danger. At that time, several powerful Terrans rose and swept Liuhe, and the foreign continent became the land now, and laid the foundation for the future prosperity of the human race!

However, for some reason, most of the Taikoo clan disappeared in a certain period, and only a few families survived. The Taigu Li family is one of them. What Li qianjue inherited is the Taikoo blood line owned by the Li family! "

When ye Chen hears the speech, he sees a touch of war in his eyes. His wrist turns over and a dark sword falls into his hand.

Looking at Ye Chen holding the sword, Li qianjue saw a trace of sarcasm and smile at the corner of his mouth. He said, "Ye Chen, do you think that you will be invincible if you defeat the wastes who rely on external forces to break through? Ha ha, soon, I will let you realize what despair is

In a flash, the golden light in Li qianjue's eyes flashed, and a golden figure appeared behind him. The moment the figure appeared, the breath of Li qianjue was climbing wildly!

Everyone around me is in a coma!

Li qianjue is too rebellious!

For a moment, they look at Ye Chen, their eyes are full of pity

Although Ye Chen is also a demon, his potential may still be above Li qianjue, but in terms of strength, I'm afraid there is still a big gap compared with Li qianjue

Most importantly, ye Chen is too crazy!

If just now, accept Cheng dao Zhu and give Li qianjue a step down, things will not develop to this point!

A lot of people are showing the color of sarcasm and schadenfreude. In their opinion, ye Chen is probably about to cry with regret?

At this time, Li Qian stopped moving. His body flashed and disappeared from the original place. He appeared in front of Ye Chen. He held a red sword in his hand. The sword was covered with a bloody and strange smell!

Li qianjue, with a ferocious smile, snapped: "archaic blood wheel sword!"

In a flash, in the sky, the power of the law was roaring, and a bloody sun appeared in front of everyone. The surging blood light covered the whole burning real area in an instant. The strong breath of blood filled the air!

As soon as this sword comes out, the whole Yan Zhen area seems to turn into a bloody world!

And what is more terrifying than this blood light is the endless sword meaning sent out in the red sun! Even Zhu Yuan, who has always been expressionless, has bright eyes at the moment!

Even he had to admit that Li qianjue's sword was very strong. The martial arts of Li qianjue were extremely ancient and abstruse, which was full of infinite attraction to him!

All of a sudden, the eyes were filled with blood!

They all exist in the real world, but even if the sword sends out a wisp of sword spirit, they have been hurt!

Many people who have faced shiye are even more shocked. Originally, they thought that shiye's Tongtian sword evil spirit was extremely strong

But now, compared with Li qianjue's bloody sword, it's nothing at all!

Shiye doesn't deserve to lift his shoes to Li Qian. Is the Archean blood wheel sword more powerful than shiye's Tongtian sword?

Chen Ding Ye is dead!

After Li qianjue played this sword, his face was completely relaxed. He looked at Ye Chen, and his eyes were full of sarcasm!

He not only awakened the blood of Taigu, but also got the inheritance of Taigu's martial arts!

This Archean blood wheel sword is one of them!

Although he has just begun to cultivate his martial arts skills, it is enough to crush the scum of heaven and earth!

In his pupil, the opportunity to kill a Sheng, that powerful blood color of the sun instantly with infinite sword, toward Ye Chen, suppression and down!

Ye Chen gazed at the scorching sun, and a dignified color appeared in his eyes!

To tell you the truth, if before facing the state of shiye, he is likely not Li qianjue's opponent!

Fortunately, now, his strength has been greatly improved!

A touch of eager color flashed on Ye Chen's face and said:

"Xuanxian, Shuo Lao, borrow my strength!"

"Xuan'er, burning blood formula!"

In the sea of knowledge, a girl with Phoenix wings of flame said seriously: "yes, childe!"

The next moment, a gold and silver flame, suddenly in Ye Chen body surface, burning!

Ye Chen's pupil suddenly shrinks, and the color of ecstasy emerges on his face. At the moment, under the stimulation of burning blood formula, a tremendous force breaks out in his body!

At the same time, the red sun has reached Ye Chen's eyes!

Chapter 4920

"Star soul chop!"

Ye Chen murmured, the transformation of soul and body, the body of celestial demon, the chaos and flame, and the destruction of black shadow. He did his best except without the help of Xuanling power and Hongmeng big star sky!

An extremely dazzling star river, burst out in an instant, and the bloody sun hit a place!

This sword seems to be very strong, but all the examiners who are watching shake their heads. In their opinion, ye Chen is no match for Li qianjue!

Today, a generation of demons will fall here. However, they do not love ye Chen at all. In their opinion, ye Chen is responsible for all this!

At this time, there was a big bang, and the red sun and the bright star river collided violently!

A terrible energy wave radiates around, and the dust is flying. A giant mushroom cloud covering the whole Yanzhen region rises rapidly!

Countless examiners, all in this impact, fly upside down!

However, at the moment, they have even forgotten to scream, just staring at the scene in front of them!

Ye Chen actually is to be able to destroy the world's bloody sun, a sword chopped to pieces!?

The examiners, one by one, seem to be petrified, the brain nerve is completely broken

When ye Chen defeated shiye ye, they thought it was a miracle, but miracles can't happen every day, right?

Now, they suddenly found that miracles can really happen every day, as long as it is on Ye Chen

Ye Chen is slightly frowning. Although he has chopped the bloody sun, the power of the star soul is also exhausted

That is to say, the blow is actually equal

Li qianjue looks at Ye Chen, first is a daze, then more and more furious up!

This is the martial arts inherited by the Taikoo clan. Only those who have the blood of Taikoo can practice. In the eyes of Li qianjue, they are supreme

Can, just be broken by Ye Chen's sword?

He made up his mind to kill Ye Chen at all costs in order to wash away his disgrace!

The next moment, Li qianjue shot again, another round of red sun, like a meteor, smashed down!

Can, let everybody's horror is, this blood color scorching sun unexpectedly is again by Ye Chen to cut to pieces!

In other words, ye Chen's strength is comparable to Li qianjue!

Heaven and earth have five layers of heaven, with the strength of six layers of heaven?

It's not too much exaggeration to fight beyond the level, can't it?

It is true that the more behind the realm, a gap is the most terrible ah!

For a moment, ye Chen and Li qianjue shuttled in the void and attacked each other crazily. The ferocious wounds appeared on their bodies. The battle was extremely tragic!

It has to be said that Taigu's blood is really very strong, and even its vitality is far beyond that of ordinary people. If you were a general warrior and fought Ye Chen to this point, you would have lost your fighting power!

Can, Li qianjue's vitality is stronger than ye Chen?

See, Li qianjue's face more and more ugly up, eyes deep, even emerged a touch of horror taste!

Now he feels that he is not fighting with human beings, but an immortal monster!

No matter how much hurt Ye Chen seems to be able to recover at a very fast speed!

How do you do that?

All of a sudden, ye Chen, full of blood, grinned at Li qianjue. The smile was very sunny, but it made Li qianjue's spirit feel a chill!

At this time, ye Chen secretly said to Yan xuan'er, "xuan'er, try your new abilities. The battle is over."

Dark flame into shape, ye Chen's strength soared, just take this opportunity to adapt to the strength of the body.

But just when the battle is still stalemate, xuan'er tells Ye Chen that she seems to be able to control the burning blood formula now!

What do you mean?

Now, ye Chen's burning blood formula is to increase the whole body. But what if the power of the blood burning formula can be controlled?

Then, when you need to improve your speed, you can do your best to improve your speed. When you need to improve your strength, you can do your best to improve your strength!

However, under normal circumstances, this is absolutely impossible, only like Ye Chen to get the fire spirit with wisdom is possible!

In this way, ye Chen's strength can be improved!

But xuan'er can't do what she wants. She can only do it once in a while!

Ye Chen's eyes flashed and said in his heart, "xuan'er, speed."

"Yes

In a flash, behind Ye Chen, a pair of flame wings appeared faintly, and the figure disappeared from the original place instantly!

Li qianjue's face changed slightly and exclaimed, "how fast!"

Indeed very soon, with his eyesight can only see the shadow of the fast!

However, the most shocking thing for him is that ye Chen's speed has been greatly improved!

Ye Chen suddenly appeared behind Li qianjue, looking slightly cold and secretly saying, "xuan'er, strength." "Yes

Ye Chen's right arm with the sword suddenly burst out green smoke. The whole arm was red, emitting an extremely hot breath!

His eyes, instant bright, a little excited!

This is the first time that he concentrated all the power brought by the blood burning formula on his arm!

That kind of power is so powerful that even ye Chen himself has some degree of fear!

There was almost no time for Li qianjue to react. This heavy and indescribable sword had already been cut in front of him!

Perfect switch between speed and strength!

Li qianjue's face changed. He seemed to feel the danger and roared wildly: "archaic blood wheel sword!"

His whole body golden light, gradually rich up, Taigu blood, display to the extreme, that blood color sword meaning faintly strong a point!

Li qianjue's eyes appear a touch of joy, in this crisis, he has a subtle breakthrough!

At this time, the bloody sun and the sword light of Ye Chen collided!

In the glare of light, all the pupils of the people were instantly contracted. A scream sounded, and a figure flew backward at a very fast speed, like a meteorite, smashed to the ground and smashed the earth out of a deep pit!

The examiners turned their necks rigidly and looked into the pit

In the cave, there was a young man with a very pale face, blood stained all over, broken bones and pale golden eyes

It's Li qianjue!

In the dust and smoke, a figure slowly emerged. Ye Chen stepped into the pit and stood in front of Li qianjue. He looked down upon Li qianjue, who was full of panic, and said, "I said, no one can repent in front of me."

A group of examiners took a breath in succession

Ye Chen has really defeated Li qianjue, who has six layers of natural strength!

Is this reality?

If they had not seen it with their own eyes, they would not believe that a heaven and earth existence could do such a thing!

Li qianjue looked very ugly and trembled all over. However, he was a descendant of Taigu family, but he was also somewhat proud. He looked at Ye Chen and saw a trace of ruthlessness in his eyes and said, "Ye Chen, what do you want? Do you really want me to kneel? Do you know, I come from Taigu Li family, Taigu Li family, you can't afford to offend me! "
