

## Physician 4951

### Chapter 4951

He heard the speech and said, "I believe, Mr. Ye, I give up! I give up. I dare not challenge Juqu Danxing any more. Please let me go... "

Looking at Lu Changfeng, all the warriors were somewhat pitied and disappointed. It seems that the evil spirits of this generation were scared to be silly by Ye Chen. Did that blow completely break Lu Changfeng's heart?

Lu Changfeng, can you be as evil as before?

No one knows

At the moment, Lu Bing's teeth are going to be broken!

Ye Chen, damn it! It's a thousand cuts!

He lost Nanxiao glass, Lu Changfeng lost Juqu Danxing, and now, Lu Changfeng may lose the future?

This guy is definitely the enemy of Lu family!

Ye Chen looks at Lu Changfeng's timid appearance and doesn't continue to move, because it is no longer interesting to make another move. As soon as he turns around, he walks toward Juqu Danxing.

At the moment, juquyang has become a statue, motionless

In his heart, only regret

Ye Chen shows the potential that is far superior to Lu Changfeng. It is almost certain that ye Chen will become the disciple of the heaven palace. After a hundred years, as long as ye Chen passes the inspection period, he will rise up crazily!

Compared with Ye Chen, what Lu Changfeng and Lu Bing are bullshit!

But he didn't believe Ju Qu Dan Xing, which is likely to make them Ju Qu family, and ye Chen have a rift!

Originally, a big chance, now, may become a disaster!

Ju Quyang was so sorry that he would vomit blood!

If time could go back, he would even kneel for ye Chen!

But it was late.

And Nanxiao glass is after the shock, the beautiful eyes are full of excitement and excitement!

Yunlao said well, ye Chen completely beyond her expectation!

Yunlao is also smiling, his eyes are not wrong.

Ju Qu Dan Xing, the color of pride appeared on her small face, she just announced that she is Ye Chen's person, although Ye Chen has not really agreed, but she also has honor Yan.

But at this time, Ju canal Dan apricot is suddenly complexion a change way: "Ye Chen, be careful!"

When they heard the words, they were all surprised. At the moment, Lu Changfeng held the sword in his hand with another uninjured hand and inserted it into the scabbard. However, the animal skin scabbard began to melt into a kind of smelly black liquid and was integrated into the long sword!

In a flash, a very fierce, dead breath burst out from the sword!

Lu Changfeng gazed at Ye Chen's back. With a fierce smile on his face, Lu Changfeng yelled: "kill the dead beast, kill me!"

When Lu Bing heard the words, he was surprised at first, and then the color of ecstasy appeared in his eyes!

In fact, Lu Changfeng's scabbard is not simple. It is made of the skin of a dead animal.

This dead animal is a rare monster in the flood and famine period. There are not many dead animal skins stored in Lujia!

Most of them are used to nourish swords. They can be used to strengthen the power of death and evil spirits in swords, so as to improve their power!

However, dead animal skin, in fact, has a very adverse use!

That is to use the unique skill inherited by Lu family, that is, killing dead animals evil!

This martial art is a great burden on the body. More importantly, it needs to consume the materials on the dead animals. Therefore, even the Lu family seldom use them!

However, relative, its power is incomparable against the sky!

It is no exaggeration to say that Lu Changfeng's attack has already qualified to threaten him!

Even, it is true that the seven layers of heaven exist, in the case of carelessness, it is possible to fall under this blow!

Even Lu Bing didn't expect that Lu Changfeng would kill the dead animals!

Visible, its hate Ye Chen to what extent!

The most important thing is that Lu Changfeng begged for mercy and surrendered, so that everyone thought he had given up, so he relaxed his vigilance, and then made a violent attack!

At the moment, ye Chen wants to avoid, has been almost impossible to do ah!

Nanxiao glass's face changed abruptly and scolded: "despicable!"

Lu Changfeng is really mean!

First, he admitted defeat and begged for mercy. Ye Chen let him go and didn't take his life. What about him?

On the contrary, revenge the hand, attack and plot secretly!

This kind of behavior, Nanxiao glass despised to the extreme!

She immediately thought and said, "yunlao, save people!"

This blow is very terrible, even if she faces this blow, she will be in danger. Although Ye Chen is very surprising to her, she doesn't think ye Chen can resist this attack!

If it is normal, ye Chen still has the possibility to avoid, but now there is no chance!

However, Mr. Yun also sighed and said, "it's too late Even I was careless. I just had a little slack. Now, it's too late to make a move... "

"This

Nanxiaoli was a little flustered!

How could this happen?Does Ye Chen really want to fall in such shameless hands?

And all the people present felt that there was the ultimate power in the evil killing of the dead animal, and the spirits were shaking

Their most direct feeling is that no one can survive from this move, if there is, it can only be the later existence of the real world!

This scene is really turning around!

Originally, ye Chen showed incredible strength, defeated Lu Changfeng, but now, Lu Changfeng has to rely on a card to reverse the situation!

Lu Changfeng's level of evil, the heart of martial arts, is really extremely tough ah, it is impossible to admit defeat so easily, surrender, just the cowardly are disguised, to wait for the opportunity to hand!

Although, the means are somewhat inferior, but this is a world where the winner is the king!

Ye Chen is noble, so what?

No one will remember him after he died!

Such a terrifying ultimate demon, so dead in their own carelessness, can only be said to be a pity.

Ye Chen looks at the gray animal shadow hanging towards him at the speed of lightning, which is also the pupil contraction. In an instant, the blood burning formula, the body of the heavenly demon, the great starry sky, and so on, are running wildly. At the same time, he melts the blood god yarn, and the new words of the six exterminations formula, etc., to the extreme!

After blinking an eye, that animal shadow completely submerges Ye Chen's body!

Seeing this scene, Nanxiao glass and Juqu Danxing are all in the same place. Their pretty faces are white and white. I can't believe it. Their beautiful eyes are already dim

Lu Changfeng was laughing wildly. He looked at the area covered by gray air and said with a smile: "waste is waste. How much strength do you think it is invincible? Ha ha, it's a pity that you have the talent to cultivate martial arts, but you don't have a good brain. In the end, it's still Lao Tzu who survives? "

Although, let him use a scabbard made of dead animal skin, but it seems that Lu Changfeng is worth it!

Ye Chen let him suffer humiliation today, he must give out this evil spirit, at the same time, tell everyone, he is still the original most evil spirit!

Chapter 4952

Of course, ye Chen is amazing, but it's just a flash in the pan!

Lu Bing stood up, smiling and ready to meet his cousin. He was very satisfied with Lu Changfeng's performance. Although the dead animal skin is precious, the Lu family still has stock. You can make a scabbard for Lu Changfeng and kill Ye Chen. It's worth it. Otherwise, ye Chen, the boy, will become the devil of their brothers!

The beautiful eyes of Nanxiao glass are full of anger, and they are about to make a move. However, a vague figure blocks her in front of her, which is yunlao!

See cloud old stop oneself, South Xiao glass is more angry, she snapped: "cloud old, kill him!"

She has lost her mind now!

However, Mr. Yun is silent. Lu Changfeng wants to join the nanxiaotian temple. Moreover, he is Lu Bing's cousin. From his perspective, he can't kill him. At least, he and nanxiaoli can't fight

Nanxiaoli is aware of the meaning of yunlao. Her eyes are full of chills. When she is about to give her hand, yunlao, however, gives a light sigh, some incredible way: "he is still alive!"

"What?"

Nanxiao glass stopped the action and asked, "who is still alive? Ye Chen

Not waiting for the beginning of the old man, a faint man's voice came out of the gray stillness: "are you laughing a little too early?"

This voice, instantly make the whole Juqu martial arts field, fell into a dead silence, all people instantly thinking stop!

At the same time, a figure slowly walked out of the gray dead air. At the moment, ye Chen was covered with blood, and a big hole was blown out of his chest. However, strangely, under such a fatal injury, ye Chen seemed as if nothing had happened and walked around on the golden platform!

For a time, people are a little confused, ye Chen is a person, or a ghost!

Soon, even more bizarre scene, appeared, ye Chen chest, that almost pierced the whole chest of the blood hole formed, actually began to heal quickly!

Lu Bing, Lu Changfeng and Lu Changfeng are all about to fall to the ground. They know more about the horror of the dead beast than others!

Why is it called a dead animal?

Because, in the flood and famine era, the spirit of death evil spirit is a kind of evil thing that can be touched and died!

Can, ye Chen by death evil spirit erosion, how can restore?

This is not the vitality that human beings should have!

Ye Chen every step, the wound will heal a minute, after a few breaths, has completely healed!

Ye Chen is most afraid of this kind of explosive backhand!

The strength of his body has already surpassed that of the warrior of Huanzhen realm. Even his physical body, even the later existence of Huanzhen realm, has surpassed it!

Want to kill Ye Chen with one stroke? Almost a dream!

Therefore, this kind of explosive backhand, even for ye Chen, even if it is strong, unless it can reach the point where ye Chen will be completely wiped out by one blow, there will be no big threat!

At this moment, Lu Changfeng is really scared. He doesn't have a second dead animal skin scabbard!

At this time, ye Chen flashed and appeared in front of Lu Changfeng. Lu Changfeng's face changed. He resisted and exclaimed: "brother Bing, help me!"

At present, the only thing he can rely on is Lu Bing. What fair fight can he consider between life and death?

And, in fact, he lost a long time ago

Lu Bing's face changed wildly. He and Lu Changfeng had deep feelings. They were more intimate than their brothers. They had to immediately rescue Lu Changfeng!

However, the corner of Ye Chen's mouth raised a sneer and looked at Lu Bing in the audience: "I want to kill people. Do you think you really will have a chance to shoot?"

His eyes flashed wildly. This time, he had no intention to keep his hands. He hit Lu Bing's head with a fist!

"Long wind!" Lu Bing exclaimed and wanted to make a move, but it was already a little late. Just now, the scene that ye Chen walked out of the stillness was so shocking that he was a little distracted. In addition, ye Chen looked seriously injured. Lu Bing didn't expect that he could still produce such terrible strength!

But now it's too late to rescue Lu Changfeng!

If ye Chen doesn't move, it will be already, and if it moves, it will be full of thunder!

It's too fast!

Don't say it's Lu Bing. Even Lu Changfeng himself can't help but raise his sword in a hurry!

Although Lu Changfeng is despicable, his martial arts talent can't be said. He belongs to the ranks of demons. In such a hurry, he still put out the evil heaven Jue die sword!

Infinite death filled the air. The sword was shining on the evil sword. The evil dragon roared and ran into Ye Chen's fist!

However, this time, under Ye Chen's fist, the evil dragon did not even support one tenth of ten thousand breaths, and then it dissipated directly. However, ye Chen's fist was not obstructed at all, and hit Lu Changfeng's head with a roar!

Lu Changfeng didn't even have time to scream!

On top of a headless corpse, blood gushed, shook, and fell to the ground! Even the spirit has been completely destroyed!

In this way, this generation should fall!

Ye Chen looks light, a turn will leave, but at this time, a tearing heart crack lung roar but in his back ring.

I saw a figure flash at an incredible speed, then came to the battle platform, holding the corpse of Lu Changfeng. His eyes were full of pain, and his face was distorted!

This man is Lu Bing!

Ye Chen slowly turns around and sees Lu Bing staring at himself. His eyes are extremely cold. Everyone can't help but feel cold when he sees it!

However, ye Chen's face is light. He is full of special spiritual power. He is ready to use the power of Shuo Lao and xuanhanyu. Of course, when necessary, Xuanling's power will also be used.

Lu Bing is an opponent worthy of his best efforts.

With a roar, Lu Bing's whole body, and the seven layers of heaven's terror and pressure broke out. All the warriors suddenly felt the great pressure, as if there were 100000 mountains pressing on their heads!

How strong!

Lu Bing is stronger than Lu Changfeng!

Lu Bing's blood was almost ignited by hatred. Lu Changfeng and his feelings were very deep, so he died in the hands of Ye Chen!

He wants revenge!

No matter what price you pay, you should take revenge!!!

When Lu Bing is ready to fight, and ye Chen is also ready to fight, a figure appears in the middle of the two men.

Nanxiaoli!

Nanxiao glass looked at Lu Bing coldly and said, "Lu Bing, what do you want to do? Lu Changfeng's death is entirely self inflicted. Ye Chen has already let him go, but he has to attack secretly. He is extremely mean and deserves to die! "

Lu Bing became more and more furious when he heard the speech. He seemed to take a murderous look in his breath. His eyes at nanxiaoli also became more and more fierce. However, at this time, he caught a glimpse of a vague figure of an old man, which made his boiling blood cold in an instant

Chapter 4953

He knew that if he did something to nanxiaoli, the old man would do it

But now, in front of the old man, even ants are not as good as

Lu Bing was silent for a moment, and finally took a deep look at Ye Chen and Nanxiao glass, and then he took Lu Changfeng's body and disappeared in his place.

Ye Chen's eyes squint, and Lu Bing's last look makes him care. It seems that he should kill Lu Bing as soon as possible and never suffer from it.

At this moment, this unexpected competition has come to an end.

Ju Qu Yang, with a smile of flattery on his face, came up and saluted Ye Chen and said, "Mr. Ye Before, I had some misunderstandings about you. Please forgive me... "

He is the master of Juqu family, and ye Chen apologized!

However, no one is surprised that Ju Quyang is strong, but how long does it take to surpass him with Ye Chen's qualifications?

And ye Chen's future achievements are unmatched by juquyang.

However, the most important reason for his attitude is still nanxiaoli!

Nanxiaoli has just had a dialogue with Lu Bing. He surmises that nanxiaoli must be a member of tiandian. Moreover, he has a high status. Otherwise, how dare he directly block Lu Bing?

And Lu Bing recognized it directly?

Therefore, in his opinion, ye Chen has been seen by the temple of heaven!

In the heaven and man domain, what big family and so on, is nothing in front of the temple of heaven!

An ordinary tiandian disciple needs them to treat seriously, not to mention Ye Chen, such a potential demon!

It has to be said that Juquyang, as the head of his family, is very smart, but Ye Chen doesn't like this kind of character.

He swept Ju Canal Yang one eye, casually should a, then toward Ju Canal Dan apricot walk.

If it wasn't for Juqu Yang, who was Juqu Danxing's father, he would not even pay attention to it.

Juqu Danxing looks at Ye Chen, full of joy on her pretty face, and there is a trace of complexity

After a short time, Ye Chen has become so powerful that she has to be completely shaken off by Ye Chen

However, more is proud and moved!

She never dreamed that Ye Chen would appear in her most needed moment, and cross pressure everything!

If we say that before Ju Qu Dan Xing is still uncertain about his feelings, now, it has been completely occupied!

Her cheek is a little red, and she dare not show it in front of Ye Chen, because Ye Chen never has a clear attitude towards her, and she is afraid of being rejected

Ye Chen looked at Ju Canal Dan Xing and said with a smile, "what do you want?"

"Ah?"

Facing Ye Chen, Juqu Danxing felt a little nervous and said, "no Nothing, Ye Chen, how did you come to heaven and man

Ye Chen is preparing to open his mouth, when Nanxiao glass comes up.

Juqu Danxing and Nanxiao glass looked at each other. Ye Chen was slightly stunned. I don't know why, he seemed to feel a string of sparks in the air.

All of a sudden, Juqu Danxing hugged Ye Chen's arm and said: "Ye Chen, this girl is so beautiful. Who is she?"

Nanxiao glass frowned a little. He did not know how to think of it. He also held Ye Chen's arm, looked at Juqu Danxing and said with a smile: "Ye Chen, how do you and Juqu girl know each other? I don't know yet? "

Ye Chen looks a little embarrassed, light cough, briefly introduced two people.

Immediately, he asked Ju Qu Dan Xing, "Dan Xing, do you have news from Zhu Yuan?"

Hearing the speech, Ju Qu Danxing shook his head and said, "I don't know. Since the end of the tiandian examination, I haven't seen Zhu Yuan again. However, I can help you to check it out. Maybe, I can get some useful information. What's worse, during this period, what do you do when you live in Juqu's house

Ye Chen nodded his head and said, "it's OK."

Now, Qin Ziwei seems to be deliberately hiding from him, temporarily unable to contact, but the Juqu family is a big family of heaven and man, so it is not too difficult to find Zhu Yuan's news.

For Zhu Yuan, ye Chen is still very concerned, that day, Zhu Yuan but for his hand to Xu Yanling.

Ju Qu Dan Xing said with a smile, "then I'll take you to choose a room first."

South Xiao Li smell speech, slightly pursed pursed mouth way: "I also want to live in Ju channel home."

Juqu Dan apricot beautiful eyes, flashed a different color way: "Nanxiao girl, with your identity, I'm afraid that living in my Juqu home will not be used to it? Or... "

"You can't give up Ye Chen?" she joked

She doesn't want nanxiaoli to stay with Ye Chen. She is much worse than nanxiaoli in terms of martial arts qualification and identity background. With such an opponent from the five emperors' royal family, Juqu Danxing feels that if she wants to win, she has to spend more time with Ye Chen.

Originally, Juqu Danxing thought that nanxiaoli would retreat in order to avoid suspicion. However, nanxiaoli's face turned red and looked a little panicked: "I I didn't! I just Just want to play with Kim! "Juqu Danxing is surprised to see nanxiaoli. He has said so. Nanxiaoli still lives in Juqu's house?

Is it true that such a proud woman is also attracted to Ye Chen?

For a moment, Juqu Danxing's mood was a little complicated. She felt that she was not worthy of Ye Chen

Ye Chen looked at her, shook his head and said with a smile, "don't think about it."

Juqu Danxing returns to her senses after hearing the speech. She secretly vows that she must practice hard and become strong. At least, she will not be pulled apart by other women around Ye Chen!

Later, she took two people to live in the house of Juqu family.

The next time, ye Chen was used to refine Daojing, and the number of twenty Daojing given by Nanxiao glass decreased rapidly.

Three days later, on this day, ye Chen was practicing. Suddenly, he opened his eyes, and there was a rush of footsteps outside the door.

Soon, Juqu Danxing and nanxiaoli were pushing the door at the same time. Juqu Danxing said, "Ye Chen, I found out about Zhu Yuan, but the situation is not good!"

Ye Chen facial expression moves a way: "how?"

Ju canal Dan apricot way: "Ye Chen, have you heard of a place called the top of heaven?"

"The top of the sky?"

Nanxiaoli said: "there are seven places of death, four places of blessing, thirteen hopeless places, eight caves, and those secret places. The top of the day is one of the thirteen desperate situations.

These places have one characteristic, that is, they are unpredictable, can be regarded as a kind of random open secret place, and it can be regarded as a kind of different space, but it is not fixed, but constantly drifting in the void, and I don't know when it will appear.

Although it is not as dangerous as the seven places of death, it is also a terrible place!

However, this kind of dangerous place is often accompanied by chance. There is also a name on the top of the sky, which is King Wu's hopelessness! "

Chapter 4954

Ye Chen's eyes flashed: "why is it called King Wu's hopelessness?"

The name, it doesn't sound simple.

Nanxiaoli said: "King Wu was a man who had reached the ultimate level of martial arts and Taoism in ancient times. What was the ultimate state?

In fact, I am not very clear, but, the so-called transformation, one of the conditions is to step into Daoyun jiuchongtian! Even, only in this way can we be regarded as qualified to impact the extreme situation!

Therefore, these people are super strong people who can crush the whole heaven and man, and many ancient King Wu are all buried in the top of this day!

It can be imagined that if we can get the inheritance of King Wu, the harvest will be absolutely tremendous! "

Ye Chen nodded his head and said, "but what does this have to do with Zhu Yuan?"

Ju Qu Dan Xing said: "the news from the Lingshan mountain in the north of Han Dynasty indicates that there are signs on the Lingshan mountain. It is likely that the peak of that day will be opened in the Lingshan mountain of Hanbei. It is said that Zhu Yuan has already gone to the Lingshan mountain of Hanbei!"

"With Zhu Yuan's character, we can't miss the cold Beiling mountain."

Zhu Yuan has a bright martial spirit. It can be said that he is no different from Wu Chi. This kind of opportunity to get in touch with the supreme martial arts doctrine can be dangerous, and he will go.

Chuqu Danxing's expression suddenly became dignified and said: "but this time, not only he will go, but also the East emperor's tiandian. Bai xuqi, Zhang Xun and Wu Sanguang will also go to the top of the day. Moreover, these three people threaten that Zhu Yuan is disrespectful to the elders in the examination of the tiandian hall and will take Zhu Yuan back to the emperor's tiandian to be punished!"

Nanxiaoli frowned and said, "these three are the best among the young disciples of the Eastern Emperor's tiandian. Bai xuqi's strength is even more comparable to Lu Bing's. The strength of the other two is also about six or seven layers of heaven, which is not easy to deal with!"

Juqu Danxing some anxious way: "Ye Chen, this is obviously aimed at you, the reason why they release news, I'm afraid is to force you to show up!"

Ye Chen hears the speech and laughs coldly. The emperor's tiandian is threatened by the three heavenly demons. He has already completely counselled him and dare not send out the real strong ones. Even the older disciples dare not!

Only, send the younger generation of evil!

It seems that the Eastern Emperor's tiandian is to discover the changes in the Yan Zhen domain, and guess that he has left the Yan Zhen domain. Should we start to deal with him?

However, ye Chen was not afraid at all. He stood up and said, "how long does it take to go here to the cold Beiling mountain?"

Ju canal Dan Xing Road: "a few days time."

Ye Chen secretly calculated the time to go to the gate of taixuan array. It should be enough. Then he said with a look: "I want to go to the cold Beiling mountain!"

Two women for ye Chen's answer, it is not unexpected.

"I'll go with you!" they said at the same time

Ye Chen is shaking his head: "no need, this matter I solve by myself."

Ju Qu Dan apricot heard the words, and a touch of loss appeared on her pretty face. She knew that her own strength could only delay Ye Chen

As for the inheritance of the top of heaven?

She did not dare to think about it. In fact, the only one who can really gain benefits from the top of heaven is the Wu Chi who is addicted to martial arts!

Even many of the best in tiandian will not go to the top of heaven because of this reason!

Xiang Wu's heart is not pure enough, but there is only danger in it!

However, nanxiaoli was different. She was a little coquettish and said, "I'm very interested in the summit of this day. Even if you don't take me, I'll go by myself!"

Ye Chen face with helpless smile, Nanxiao Glass said on this, what can he say?

However, he said, "at the top of the sky, everything is up to me."

Nanxiao glass heard the speech and said without hesitation: "OK, I'll listen to you!"

Almost immediately, they were ready to travel and left the Juqu home.

Juqu Danxing stood outside the door, looking at the two fleeting figures, biting his lips, he said, "Ye Chen, I will become stronger quickly, and then I will go anywhere with you!"

She won't!

Extremely unwilling!

After ye Chen left, Ju Qu Dan Xing immediately turned back to the room and began to practice madly!

.....

Cold north Lingshan, in the north of the heaven and man region, the reason for adding a cold word is because it is very cold here!

The snow is flying all the year round. Moreover, the cold air here is quite special. It is not ordinary!

If you stay here for a long time, you may be in danger!

Due to the cold weather, the snow on the cold Beiling mountain remains unchanged all the year round. The cold Beiling mountain is a big snow mountain towering into the clouds!

At the moment, there is a flowing seven color light over the cold Beiling mountain. It looks like the aurora. There are countless martial arts and Daoyun in the light. This is a sign of the coming of the top of heaven!

Many warriors have gathered in the snow mountain. All of them are sitting on the top of the mountain, waiting for the arrival of the top of the sky!

These warriors, one by one, looked at the aurora, and their eyes were full of longing! Obviously, they are all people who only have martial arts in their minds!

At this time, a kind of purple fur made of cold clothing, wrapped himself in a figure, out of the wind and snow, the same, came to the top of the mountain.

People looked at the man one after another, he only showed a pair of eyes, a pair of clear eyes.

The owner of this eye is Zhu Yuan!

Zhu Yuan's progress is amazing. Now, he has made a breakthrough. Although it is only a small realm, it is really four layers of heaven, but its breath is deep like the sea. The whole person exudes a certain inexplicable breath, and his strength has obviously improved a lot!

Zhu Yuan found a corner to sit down. However, he looked dignified. He knew he was in trouble. Although his strength has improved, he still has a gap with Bai xuqi and Zhang Xun.

And the gap is not small!

However, the top of the day is really too tempting. When is the next appearance? Even if the risk is great, Zhu Yuan still comes!

After Zhu Yuan sat down for half a day, all of a sudden, all the warriors at the top of the snow mountain changed their looks!

At this moment, it seems that even the eternal, whistling snow has stopped!

I saw a figure of a man coming from the endless wind and snow. The man looked very young, not too old, not more than 800 years old, but with white hair, wearing a long shirt more white than white hair, holding a knife in his hand, a black scabbard, as if it was out of tune with his playing.

This young man, whose cultivation has reached the seven levels of the true state!

This man is Bai xuqi!

The moment the man appeared, the people present held their breath one after another!

And Zhu Yuan is pupil constriction, the breath converges to the extreme secretly!

Behind the youth, there are several figures. The breath of the two people who walk in the front is also very strong. They can be as old as 1000 years old. Their accomplishments are all six layers of heaven in the true state! It's only one step away from breaking through seven layers!

Chapter 4955

Among them, Wu Sanguang is the one with broad shoulders, while Zhang Xun has a red mole at the corner of his eye.

Their faces were full of pride!

After the two men, there are also some martial arts men who really live in the five or six levels of heaven. They are Bai Jue Zong Lin Chen Xin, West Island Huang family Huang Jiuping, Tianlin Fu Zhou Shuo Xing, etc.

These people are not the people of the emperor's palace of heaven, but they are also young talents among the vassal forces of the emperor's heavenly palace. They are all around 1000 years old!

In addition to one person, a young man, 6000 years old, looks quite ordinary, and his cultivation is also in the middle and upper class. He is named Chen qusu.

There are so many strong men, which undoubtedly form a huge force. The soldiers present show a faint fear when they look at these people

Bai xuqi glanced at them faintly, and his eyes fell on a figure in the corner.

Zhu Yuan's expression coagulates, instantaneous, felt the incomparable huge pressure!

He clenched his teeth secretly, and his spiritual power began to work. Although he knew that he was not Bai xuqi's opponent, he did not want to wait for death!

But at this time, the sky, seven colors of light suddenly bright, that endless aurora is emerging in the shadow of a small mountain, a mountain covered by rolling martial arts Daoyun!

The top of the sky!

The top of heaven, also known as King Wu, appeared!

Those warriors are a little excited!

However, the summit of the day has not yet fully materialized, and it is dangerous to enter it now.

Although the beautiful aurora is actually twisted by the force of infinite space, even most of the warriors who pass through the aurora may be directly crushed by the force of space!

Just wait a moment, and the aurora will dissipate completely!

At that time, is the best time to enter the top of heaven!

Bai xuqi turned his attention to the shadow of the mountain.

In fact, he had no interest in Zhu Yuan at all. The action of tiandian was just a passing scene for him. His biggest goal was to reach the top of the day!

Bai xuqi is also a martial arts maniac!

The next moment, in the incredible eyes of all, Bai xuqi actually moved and went straight to the imaginary shadow of the mountain in the sky!

But it's very brave!

When people thought that Bai xuqi would be hurt by the aurora and returned to the snow mountain, Bai xuqi suddenly pulled out the long knife in his waist!

In the dark scabbard, there is a long white sword as white as jade. The light of the sword is like moonlight. It is cold and restrained!

His eyes burst out a divine awn, the long knife in his hand towards the dazzling aurora, a cut and down!

An incredible scene appeared!

People's thinking, as if with the wind and snow, together stagnation!

I saw a knife light as clear as the moonlight, surging out. The light of the knife did not seem too powerful

However, in a flash, the endless Aurora was split into two under this seemingly ordinary knife, and was cut open a channel to the top of the sky!

Bai xuqi's figure flashed, and then he passed through the aurora and disappeared in the top of the sky.

All of them took a breath of cool air, and the seemingly ordinary sword could even cut off the twisted force of space?

What power is this? What a powerful sword?

What a white xuqi, the strength is too frightening!

Zhang Xun and Wu Sanguang are both contemptuous and smile when they are shocked.

These ants have too little knowledge.

Bai xuqi can be regarded as a genius in the emperor's temple, but he is not a real evil spirit. This time, the emperor sent Bai xuqi to the emperor because of his age!

The most evil disciples of the Great Hall of heaven are over 1000 years old. For this kind of evil spirit, in order to accumulate and accumulate thin hair, before 1000 years old, most of them were laying foundation and suppressing cultivation!

The emperor's heavenly hall was afraid that these disciples would be watched by Zhiqiang, the guardian of Ye Chen. Therefore, he did not dare to send them out for a while, but asked them to come and test.

Zhang Xun looked at all the martial artists and said, "everyone, show your face."

For a while, the warriors, you look at me, I look at you, finally, they take off the cold clothes to protect their head and face, revealing faces one by one.

Although Bai xuqi left, Zhang Xun and others still couldn't be provoked.

Zhang Xun held a portrait in his hand. It was Zhu Yuan who was painted on it. His eyes swept through the faces of these people, but he frowned slightly. He did not find a person similar to the one on the portrait.

Is it that the so-called natural martial arts, after all, afraid to come?

However, at this time, Wu Sanguang's eyes flashed slightly, reaching out to a certain humanity in the crowd: "you come out."

The man lowered his head slightly, his face was ordinary, and he looked completely different from the portrait. He was silent for a moment and was about to walk to Wu Sanguang. In Wu Sanguang's eyes, there was a flicker of runes in his eyes. He raised a sneer and said, "are you wearing a mask?"

"But he shook his head for a moment, but he didn't look for me

This person's strength is really level five, which is also good in the crowd. Moreover, it is not at the same level as the realm described in Zhu Yuan's materials. Even if Zhu Yuan's talent is strong, he can't break through to five levels in such a short time, right?

However, Wu Sanguang was laughing more and more yin Han way: "I ask you is, you wear a mask?"

The man clenched his fist secretly. Although he didn't join the temple of heaven, he was also regarded as a demon. He was treated with such attitude by Wu Sanguang?

And, for some reason, he was reluctant to take off the mask.

However, forced by Wu Sanguang's pressure, he still nodded: "yes, just..."

Before he finished, Wu Sanguang said coldly, "take it off."

It, did not mean to discuss with this man at all, is the tone of command!

"You

The man's eyes appeared a touch of anger, seems to want to say something, but, before he opened, Shua, a cold light suddenly lit up!

Wu Sanguang took out his sword and pulled out his sword. This sword is very strange. It looks like a lightning bolt. It is said to be a sword, but it looks like a halberd!

People, are shocked!

The man of the Eastern Emperor's temple is so overbearing!

If you don't agree with me, you can do it directly!

Obviously, the man didn't expect that, facing this sword, his face turned pale, and his cold sweat rolled down. With a roar, he had an iron stick in his hand, and his whole body was spirited. The iron stick in his hand turned into thousands of dragon shadows and swept away towards the sword light!

This stick is very strong, everyone eyes a bright, on the strength of men see a point!

Perhaps, this man has a chance to block Wu Sanguang's sword!

Chapter 4956

However, the next moment, the shadow of the thousand dragons disappeared as quickly as the fog. With a crash, the blood was splashing, and a corpse slowly fell to the ground

The man's head was directly cut off by this sword and thrown into the air!

His face was still unbelievable!

Wu Sanguang took over his head and uncovered the mask on his face, revealing a rather handsome face, but totally unlike Zhu Yuan.

As usual, he threw the head down at will.

When people saw this scene, they were all cold hearted. A real state, five layers of heaven, fell like this?

The strength of the warrior in the emperor's temple is obviously much higher than that of the ordinary people of the same rank!

Just now, the warrior can resist for a moment in the face of those who have just broken through the six levels of tianwu? Even a chance to escape!

But in front of Wu Sanguang, it was a second kill!

At this time, Wu Sanguang looked at the crowd again. He quickly locked a figure and said, "come out, take off the mask."

This man, sitting in the corner, is not too high, but he really has four levels of heaven.

At first, the man was sitting in a remote place. Wu Sanguang didn't see him. He just took a glance at the unfortunate man.

The figure rose slowly and came to Wu Sanguang. People looked at the young man with a moving look. The young man was plain in appearance, but his eyes were the biggest feature!

A pair of extremely clear eyes, which can not be covered by any mask

But the man came to Wu Sanguang's face, but there was no action. Wu Sanguang's eyes narrowed slightly and said, "I told you to take off your mask, didn't you hear me?"

But the young man said slowly, "no need."

"No need?"

Zhang Xun sneered: "do you know what will happen if you refuse?"

When they heard this, they could not help looking at the headless corpse

At the moment, the young man, however, said faintly, "I am Zhu Yuan."

As soon as the words fell, Zhu Yuan had a three foot short sword in his hand, and his look suddenly became fierce. Wu Sanguang was completely covered by a huge sword idea, and then he was cut out with a sword!

At this moment, the bright spirit of the sword and the spirit of the sword almost matched perfectly. The light of the sword became more and more bright, emitting a kind of unspeakable horror!

It is Ye Chen's way of combining soul and martial arts!

I haven't seen you for a while. Zhu Yuan is more and more pure on this road!

Although, now he is only really four layers of heaven cultivation, but the power of this sword has been a faint threat to the strong nearby.

People are a little creepy!

He was born to be a martial artist. He really deserves his reputation!

But

Wu Sanguang was disdainful on his face. Before they came, the elders had studied Zhu Yuan's martial arts and knew his weakness!

Even if Zhu Yuan can jump the level?

In front of them, or die!

At the same time, Zhu Yuan's face changed, and his sword power changed continuously. After losing his sword spirit, he was still rushing towards him!

The roar of the sound, hard to block the sword light, but Zhu Yuan is also a stuffy hum, spit blood, fell heavily on the ground!

Zhu Yuan is a little surprised. The sword intention of the other side seems to restrain him everywhere!

Why is this?

However, to everyone's surprise, Wu Sanguang did not kill Zhu Yuan.

In fact, they did not intend to kill Zhu Yuan. It is said that Zhu Yuan had a little relationship with the emperor of the East. Moreover, their real target was Ye Chen. Zhu Yuan was just a bait.

The reason why he killed the warrior just now was that Wu Sanguang decided that he was not Zhu Yuan, and that he was just trying to build up his prestige.

With a wave of his hand, Zhang Xun wound a chain around Zhu Yuan's body, and his whole body's spiritual power was instantly imprisoned.

He came to Zhu Yuan and said coldly, "boy, tell me where ye Chen is?"

Zhu Yuan looked at him without expression and said, "I don't know."

Zhang Xun's eyes narrowed, the chain in his hand was tightened, and bursts of pain poured into Zhu Yuan's body!

But he remained silent.

Zhang Xun snorted coldly: "I ask again, where is Ye Chen? Aren't you ye Chen's dog? Where is the master

Zhu Yuan sneered: "ha ha, you should be glad I don't know, otherwise, you this kind of waste in front of the child, only, was trampled to pieces!"

Zhang Xun's anger flashed in his eyes!

A place where garbage still tramples them?

When he was about to increase the strength of the chain, Wu Sanguang said: "don't pass it. This boy is a bait."

But, Zhang Xun hears speech is some disdain ground says: "this Zhu Yuan fell on our hand, but that boy named Ye Chen really can appear? I think it's strange that he dares to come to the top of this day

Wu Sanguang said, "I think he will come.""Will you come?"

Zhang Xun raised a sarcastic smile and said: "a mole ant in heaven and earth, I'm afraid its strength is not as good as Zhu Yuan? How dare you come?"

If he comes, he will die. Unless he has a brain problem and likes to seek death, he will come. "

However, Wu Sanguang said: "it's said that this man's strength is far beyond the realm. It's better to be careful. Now we've caught Zhu Yuan. As long as we release the news, ye Chen should appear. We'd better inform elder martial brother Bai to come back first."

Zhang Xun smell speech, looking at Wu Sanguang is a little contemptuous, this boy is really scared silly by rumors?

He said faintly: "for such a waste, why? Are you and I not enough? If it appears in front of us, don't say it's you, me and elder martial brother Bai. It's just relying on Huang Jiuping that they can handle this boy easily?"

You know the character of elder martial brother Bai. He is a martial arts maniac. If he interferes with his exploration of the top of heaven, he will not have a good face. "

As a disciple of tiandian, Zhang Xun is naturally very proud. The news about ye Chen in tiandian is extremely divine. He is a little disdainful!

It's a rumor, but how can it be that the universe is powerful?

Even, some people said that the boy was injured by the East emperor Zun, elder Wan and elder Xu?

It's ridiculous. Can you believe such a lie?

Huang Jiuping and others also echoed: "yes, Mr. Wu, just a little waste. At most, there are some backhand, just to bluff people."

"That's it. We're enough."

"I think I can crush it myself!"

They don't want to make Bai xuqi angry

Wu Sanguang frowned slightly and wanted to say something, but at this time, a figure suddenly appeared from the wind and snow and appeared in front of Zhu Yuan.

People, looking at this figure, he is not wearing cold clothes, look light, the most striking is his cultivation!

Heaven and earth!

Zhang Xun and others are pupil a contraction way: "Ye Chen?"

Zhu Yuan is also a Leng, immediately, incomparably joyful way: "childe!"

This period of time, Zhu Yuan has been worried about ye Chen. Now he is very happy to see ye Chen safe.

Ye Chen said with a smile: "Zhu Yuan, long time no see."

Chapter 4957

At this time, another figure came from the wind and snow, appeared beside Ye Chen. This is a woman, a beautiful woman.

She glanced at Zhang Xun and others and said, "how do these people do?"

Bai xuqi is not here, and these people are not at all nanxiaoli.

Ye Chen said faintly: "give it to me."

Nanxiao glass some surprised way: "Ye Chen, are you sure?"

Ye Chen, even plan to face two powerful tiandian alone?

You know, the strength of tiandian martial arts is far beyond the same level!

He knows Ye Chen is very strong, can he be the opponent of these two people?

Nanxiaoli is a little worried.

Ye Chen is laughing: "these two people, not for fear."

Zhang Xun and Wu Sanguang both looked heavy when they heard the speech!

Especially, Zhang Xun was almost furious!

Although he couldn't see through the accomplishments of the woman behind Ye Chen, she was also extremely young. She was more than 100 years old. She would not be any better. However, he sang with Ye Chen and looked down on them?

He is a disciple of tiandian!

For a time, Zhang Xun's face was red with anger, staring at Ye Chen, and yelling: "little scum, are you still bluffing there?"

As soon as the voice fell, he turned into a shadow and rushed towards Ye Chen. The breath of the middle period of the true state completely broke out. All the martial artists on the scene were shocked!

All over the sky, flying snow, all in this violent breath, fixed in the space, a kind of invisible pressure enveloped the whole cold Beiling mountain, as if to crush the universe!

Zhang Xun looks ferocious, this blow he wants to give all one's strength to tear Ye Chen into pieces completely!

There was a pair of long claws on his hands, which were full of blood. I don't know how many people's blood has been swallowed up!

His whole body spirit power infuses into the double claw, low drinks a way: "bloodthirsty attacks the sky!"

It seems that even the whole cold Beiling mountain can be smashed in one blow, and the long claws in his hand are integrated with the power of this attack. It can be said that the one-off power has reached the realm of human and claw integration, which perfectly integrates the power of one attack into this martial art called bloodthirsty attacking the sky.

On the long claws in his hands, the red light is more and more intense, and the smell of blood is overwhelming!

Generally speaking, Zhang Xun's attack is very powerful!

Worthy of being a disciple of tiandian, with outstanding strength!

However, Wu Sanguang's expression is a congealed way: "Zhang Xun, wait!"

Zhang Xun's hand is too sudden, and he can't keep up with him. In his ideal state, it is two people who attack Ye Chen together!

When Zhang Xun heard the speech, he was full of disdain.

naturally, he knew what Wu Sanguang meant. However, Wu Sanguang was not saying that Zhang Xun might not be the opponent of this trash?

Ha ha, Wu Sanguang, strength is good, but, people are as timid as a mouse, what great achievements can be made?

Zhang Xun is disdainful, do not accept, is to prove that he can crush the small pieces blown out at will!

Ye Chen's wrist turned, a long sword appeared in his hand. With a roar, a flame spread out behind it, surrounded by gold and silver flames. At the same time, the rolling evil spirit erupted madly!

In the face of Zhang Xun, ye Chen did not have the intention of big.

In recent days, he has devoured several Daojing, and his strength has been improved. However, without the help of Shuo Lao and xuanhanyu, his strength is still seven layers away from the real world.

In the face of such strong people as Zhang Xun who are close to this situation, we still have to do our best.

Zhang Xun looked at Ye Chen, who sent out the surging momentum, but said sarcastically: "ha ha, you can bluff others, can you bluff me? Now, I'll let everyone know what kind of rubbish you are

All the warriors shook their heads. There was a big gap between them. Ye Chen had no possibility of turning the table. In their opinion, ye Chen was dead.

And Nanxiao glass is also secretly running spiritual power, ready to help people at any time!

A flash of cold light in Ye Chen's eyes, a strong black flame suddenly emerged on his sword in his hand!

"Star soul chop!"

The next moment, a bright star light, is surging out, and that person's claw coincides, turns into a bloody awn, attacking Zhang Xun bumps into a place!

There's a big bang!

The whole cold Beiling mountain was shaking violently, and then, a scream rang out!

Everyone's pupil suddenly shrinks, on the surface has emerged the inconceivable color!

How could that be possible!

I saw a bloody figure fly out of the sky in an instant. It hit a rock hard and smashed it to pieces. This person is the most ferocious Zhang Xun before!

Zhang Xun was hurt by Ye Chen's sword!?

That is to say, ye Chen's strength has exceeded the level of six layers of heaven in Huanzhen?

How many realms has this crossed?

It's so hairy!

Zhang Xun's face was pale, and his breath was about to stop. His sword just now made him feel the breath of death. If he had not changed his attack to defense at the last moment, he would have lost his fighting power even if he didn't die! However, clearly Ye Chen's strength is unexpected, and Zhang Xun is also injured, but his mouth is inexplicable, emerged a strange smile!

At the same time, Nanxiao glass exclaimed: "Ye Chen, be careful!"

She's going to do it!

It's slow

At this moment, Ye Chen's back waves together, and a figure appears in a strange way. His sword in his hand is cut to Ye Chen's neck. It seems that it is a very ordinary sword. If there is any characteristic

That is, fast!

Fast, fast!

At this moment, Wu Sanguang is full of three colors of light, which contains explosive power. His whole body is covered with purple and black blue veins. Obviously, the burden of using the three colors of light on his body is extremely huge, which is a means to stimulate his potential!

In order to keep up with Zhang Xun, he even used the biggest card!

Zhang Xun originally despised Wu Sanguang's caution, but now, from the bottom of my heart!

He was extremely grateful for Wu Sanguang's caution, which turned the original crisis into an opportunity!

Zhang Xun is very clear that Wu Sanguang's outbreak can only last for a moment, but for this moment, Wu Sanguang can have the strength comparable to that of the seven layers of the real world!

And, most important of all, he's going to be so fast!

Ye Chen, the boy, is very rebellious and unexpected, but he still has to die!

Zhang Xun is overjoyed!

In a flash, time seems to have slowed down. Only Wu Sanguang's sword is still fast. He looks calm and does not relax at all. Finally, the sword cuts Ye Chen's neck and cuts into it. Blood splashes!

Even if Wu Sanguang is cautious, this moment is also smiling, excited!

He knows Ye Chen's vitality is very strong, but if his head is cut off, can't he still live?

At this moment, it can be said that ye Chen is a dead man. Wu Sanguang will cut off his good head!

Chapter 4958

And Zhu Yuan and Nanxiao glass eyes are the emergence of a very anxious look, how to do?

Does Ye Chen really want to fall under Wu Sanguang's sword?

Seeing that, the sword cut off Ye Chen's neck at a high speed, and the blood turned into a bloody rain all over the sky, which almost dyed the top of the cold Beiling mountain into blood!

Ye Chen's death seems to have been doomed!!!

However, at this moment, a fantastic scene appeared, Wu Sanguang was suddenly changed!

His sword felt great resistance!

All of a sudden, Wu Sanguang's brain exploded!

He knows how sharp his sword is, but why is there such resistance?

As if, what he cut is not a person's neck, but an indestructible top-level material such as tianwai meteorite gold!

Wu Sanguang's martial instincts burst out at this moment and felt the indescribable danger!

He made a quick decision and made an unexpected move. He didn't want to continue to cut off Ye Chen's neck, but to withdraw his sword!

People are stupid to see this scene!

What does Wu Sanguang want to do?

Ye Chen's head should be cut off completely. Now withdraw?

Funny?

This is a chance to kill, but to give up?

In any case, do you want to cut it?

Zhang Xun wants to scold his mother. Which nerve is Wu Sanguang wrong?

However, Wu Sanguang is very clear that his sword has already cut off half of Ye Chen's neck. If not all of them are cut off, it will be enough to seriously hurt Ye Chen?

Next, wait for Zhang Xun to come over slowly, two people join hands to have very big assurance to take down Ye Chen!

He doesn't want to give ye Chen a chance to turn the tables at the last moment!

However, just at the moment when he was about to leave, Wu Sanguang's face was suddenly stiff, and his cold sweat instantly soaked his back!

He looked at the back of the youth in front of him, and his eyes were full of horror!

Why?

His sword can't be pulled out!

At the moment, his sword seems to be firmly fixed on Ye Chen's neck!

But in the front of Ye Chen, Zhang Xun's eyes trembled. He saw a scene that he would never forget!

Anyone who saw a man covered with blood, but also smile out of the picture, I am afraid, will not forget it?

However, ye Chen is not only laughing!

At the moment, his hand actually firmly grasped the tip of Wu Sanguang's long sword!

What kind of fighting is this!?

Monsters don't fight like this, do they?

Too terrible, too shocking, too frightening!

Everyone is stupid!

At this time, ye Chen's voice was introduced into Wu Sanguang's ear and said: "intuition is good, but the speed is still a minute slow..."

There seemed to be a smile in his voice. It was not like the way of a man who had been cut off his neck: "I've got you..."

Yes, ye Chen just caught Wu Sanguang. To be exact, it was his sword

In fact, even if ye Chen grabs the sword, it seems that ye Chen is still seriously injured. Wu Sanguang has the absolute advantage, but I don't know why everyone has a feeling that Wu Sanguang is in a desperate situation!

It's a terrible feeling

And Wu Sanguang himself, the same feeling!

He was about to let go of his sword

Unfortunately, the delay is enough

"Eat the soul to the sky."

When the transformation of soul and body is launched, ye Chen's surging physical strength instantly turns into endless soul power. In a blink of an eye, he turns into a giant's shadow and cuts down at Wu Sanguang with a sword!

That terrible soul power immediately submerged Wu Sanguang's consciousness sea!

"Ah, ah, ah

Wu Sanguang uttered a scream. Blood flowed through his seven orifices, and his mind was shaken violently. At the same time, Ye Chen pulled out the long sword in his neck. Then, he suddenly turned around and chopped down Wu Sanguang with a sword!

The people are dull. They don't know why a person can continue to fight even though he is so injured?

What's more, it seems that the combat power has not declined at all?

Facing this sword, Wu Sanguang almost suffocated!

He quickly gave up the long sword in his hand and held his hands high in front of him. At the same time, several body protecting magic weapons flew out and surrounded him!

The next moment, there's a big bang!

Another scream!

In this sword, the infinite power burst out, instantly tearing the defense under the cloth of several body protecting magic weapons. After all, Wu Sanguang's defense under the cloth was too hasty!

It's even more extreme than Zhang Xun's turning from attack to defense!

Under the fierce sword, Wu Sanguang's hands burst into pieces in an instant, and the earth under his feet was also broken in an instant. With a loud bang, the whole person was smashed into a deep pit! They all looked like stone statues, and their muscles were stiff. They mechanically turned their eyes and looked at the figure in the cave. They saw that a man's hands had disappeared, his whole body was covered with blood, and he was lying there dying.

No one thought that Wu Sanguang, who had the advantage and almost looked like he was going to kill Ye Chen thoroughly, would end up like this in the blink of an eye!

What's more, the scene that scared them and their spirits away appeared

See, ye Chen neck that incomparably ferocious fatal wound, unexpectedly is in full view of the public under the rapid healing, blink of an eye, recovery as before!

For a moment, people have a kind of fear from the heart for ye Chen

Ye Chen is not a man at all in their eyes, but a monster among monsters!

Strong resilience, limb regeneration, and even, remodeling the body, and so on, they are not new to see, but that is also the case

Generally, only lower level warriors can do it in combat.

Why?

Because, once the cultivation is promoted to the level above the middle level of the true state, the attack almost surpasses the law of heaven!

Do you want to fix yourself on top of this attack?

Ha ha, that needs the vitality is geometric times of ascension!

Almost impossible!

But ye Chen did

In other words, its vitality is so strong that it is totally beyond the common sense!

Ye Chen looks as usual. Just now Wu Sanguang beheads himself with a sword. It's just a visual horror. In fact, the danger is far less than Lu Changfeng's sneak attack!

And even Lu Changfeng's sneak attack, ye Chen can resist, let alone Wu Sanguang's sword?

Even, it is difficult to cut off his head for the sword's deliberate defense!

However, even if really cut down, will ye Chen really die?

Of course not. It's not nice to say. If the power of the seven levels of the true state can't be continuously erupted, it will not threaten him for a moment. Even if his head is cut off, he can instantly meet his original body.

Ye Chen's body is against the sky to such a degree!

Chapter 4959

And the whole process, which seems very complicated, actually happened in a flash.

At the moment, Zhang Xun, Huang Jiuping and others are completely scared to be silly. Just then, the frightening scene lingers in their minds!

Zhang Xun's heart is incomparable regret!

How much he despised Ye Chen at the beginning, how scared he is now!

Although, it seems that both of them are defeated by Ye Chen, he is very clear that, in fact, the gap between them and ye Chen is not too big to make up for!

However, if Bai xuqi had just been informed to come back, as long as he could support Bai xuqi's arrival, he would probably kill Ye Chen thoroughly!

But now, regret is useless!

Ye Chen finished Wu Sanguang with a sword and walked towards Zhang Xun.

However, Zhang Xun sent a spiritual message to Bai xuqi

However, let his heart sink to the bottom of the valley, Bai xuqi did not know why there was no response!

What happened?

A figure appeared in front of him. Zhang Xun raised his head and looked at the indifferent youth in front of him. His face had been completely distorted by fear!

Zhang Xun yelled at Ye Chen: "Ye Chen! Don't think you can kill me to be safe! Damned bastard, elder martial brother Bai, is countless times stronger than you. Now, he may have had an adventure in the top of the sky. In fact, his strength will soar wildly. At that time, you will die! Ha ha ha ha, you will be buried with me! "

"Is it?"

Ye Chen has no look on his face, and then a sword will completely kill Zhang Xun who has not recovered from the injury.

Then, he looked at Huang Jiuping and others.

Huang Jiuping, a few people, have been completely scared to move!

Except for one person, Chen qusu!

The six thousand year old man, like a robot, is extremely indifferent and does not have the slightest emotion toward Ye Chen!

His strength is completely to die, but he has no intention of retreat!

Ye Chen looks at this man, his eyes flash slightly. He knows that this man is a kind of death warrior who has been specially trained since childhood. Although he still maintains his personality, he only obeys orders.

However, Chen qusu's strength naturally could not pose any threat to it, and he killed it with one sword.

Huang Jiuping and others trembled even more. They knew that Chen qusu was a dead man. However, they did not know why the emperor's tiandian arranged such a weak dead man. What's the purpose of following them?

If you want to deal with Ye Chen with a dead man, you can get a strong one!

What's the use of looking for this kind of garbage?

How about Huang Xuchen

Huang Jiuping shivered and said, "young master Bai, enter I'm at the top of the sky. I can't contact you..."

After Zhang Xun's death, the chain was naturally untied. Zhu Yuan stood up and said solemnly: "be careful, young master. This Bai xuqi can't be contacted. It's possible that as Zhang Xun said, he can get an adventure in the top of heaven.

Bai xuqi is powerful and crazy about martial arts. He is very suitable for the top of heaven, which is known as King Wu's desperate situation..."

Nanxiaoli also frowned and said: "it would be bad if Bai xuqi got the inheritance of King Wu. It is said that the inheritance of King Wu can greatly enhance the strength of the warrior to a frightening level in an instant! In that case, we will be in danger after Bai xuqi succeeds in inheriting it! "

Ye Chen's eyes flashed slightly: "we are now entering the desperate situation of King Wu."

At this time, the aurora around the top of the sky exploded, but the scattered Aurora was shrouded around the snow mountain!

At this moment, it is a good time to enter the desperate situation of King Wu. However, no one dares to move, and no one dares to enter the top of this day before ye Chen!

Zhu Yuan also asked, "childe, what should these people do?"

Ye Chen looked at Huang Jiuping and others, and said faintly, "kill it."

Although Huang Jiuping and others didn't make a move, just when Zhang Xun and Wu Sanguang started, they all had the intention to kill him, so they would die.

Zhu Yuan's eyes flashed: "young master, can you give me this matter?"

Ye Chen glances at Zhu Yuan unexpectedly. Zhu Yuan's attack power is unfathomable, but it can be high or low. If he is single, he can easily crush these people, but these people are likely to know Zhu Yuan's weakness. And if these people group together, they are not ordinary existence. Each is a strong one in the same rank, and together it is even more terrifying.

Zhu Yuan tried to deal with them with some reluctance.

However, this is also a good opportunity to experience.

If jade is not polished, it will not become an article.

Ye Chen nodded: "good."

He moved slightly, as if he was about to go to the top of that day. But at this moment, he suddenly turned back to Zhu Yuan and said, "Zhu Yuan, if you enter the top of heaven and have the inheritance of King Wu, you'd better not directly absorb it, but observe and understand, it's enough."

Zhu Yuan was stunned at the speech. Most people are eager for the inheritance of the king of Wu and will never give up the opportunity to absorb the inheritance. However, ye Chen seems not to think so. It was strange, but Zhu Yuan believed ye Chen unconditionally. He said without hesitation: "yes, child."

Then he nodded with the sky glass.

After ye Chen left, Zhu Yuan took a look at Huang Jiuping and others, and said faintly, "go in."

He wants to fight with these people in the desperate situation of King Wu. The more dangerous the battle is, the greater his promotion will be!

Lin Chenxin's face was extremely ugly. He secretly said to Huang Jiuping, "Mr. Huang, what should I do? Why don't we join hands and fight with this guy

At the moment, they have only one idea in their hearts, that is to escape from here and never appear in front of Ye Chen again!

But now the whole snow mountain is covered by the aurora. Their strength can't break through the aurora!

Hearing the speech, Huang Jiuping shook his head and said, "we enter the top of the sky! Even if we kill Zhu Yuan and can't leave the snow mountain, ye Chen will come out and we will die!

Now, the only way out is to inherit it at the top of the sky and its strength will soar, or we will find Mr. Bai and go with him. Then we will be safe! "

When people heard the speech, their eyes lit up. It seems that they may not die yet!

Immediately, several people looked at Zhu Yuan fiercely and then entered the top of heaven.

And Zhu Yuan's figure flashed and disappeared in the illusory mountain.

After that, some warriors continued to enter the top of the day.

.....

After a while, ye Chen and Nanxiao glass opened their eyes again. There was a barren mountain in the eye. There were bluestones on the ground of the barren mountain, but there were tombs on the Qingshi mountain which looked so flat!

There is no name on the tomb, which is dilapidated and simple. It is hard to imagine that this is the place where the powerful kings of Wu fell.

However, although the Castle Peak is not impressive, ye Chen and Nanxiao glass are extremely shocked after entering the top of the day!

Chapter 4960

Why?

Because, the Taoist rhyme and martial spirit here are too strong!

It seems that even the air is formed by Dao Yun and Wu Yi!

In the beautiful eyes of Nanxiao glass, a touch of lost color was revealed: "what a powerful Taoist rhyme and martial spirit. If you can get the inheritance of a random king of Wu, you must be able to soar to the sky? It's a pity that my martial arts talent is OK, but I'm not a Wuchi.

It is said that the most important thing in the inheritance of King Wu is not qualification, but Daoxin!

Without the pure and incomparable heart of Tao, I'm afraid these elders will not like me. "

Then she suddenly looked at Ye Chen and said, "Ye Chen, do you want to try to communicate with these Wu King Tombs? Maybe you can get the inheritance of King Wu? "

She vaguely felt that ye Chen's Daoxin was very special and powerful!

Ye Chen is a smile: "I do not intend to absorb this inheritance."

"No plan!" Nanxiaoli was surprised.

This heritage is something that countless people long for!

Looking at the tombstones, why didn't he absorb them?

Because xuanhanyu just told him a message.

This inheritance of King Wu is different from that of other great powers. Although it has great benefits, it can even directly let your strength soar!

However, if you absorb the inheritance of King Wu, your martial spirit will be transformed into that of King Wu!

But these kings of Wu have already reached the extreme in their respective martial arts and Taoist rhymes. If they turn their own martial arts into their own, their future achievements will be very difficult to surpass them.

It's not that it's impossible, but at that time, the martial intention of King Wu will become a kind of restraint!

Of course, it can reach the realm of King Wu, not to mention the extraterritorial. I'm afraid it's not weak when we arrive at the supreme world. However, ye Chen's goal is not as simple as that of the supreme world!

His goal is to fight against wanxu temple! Even crush them!

Therefore, he will not absorb the inheritance of King Wu.

However, in this way, is the inheritance of King Wu useless to him?

Of course not!

Thinking of this, ye Chen can't help but smile. He has other ways to use the inheritance of King Wu. Moreover, if he succeeds, his harvest will definitely be much greater than that of absorbing the inheritance of King Wu!

Immediately, he said to nanxiaoli: "Xiaoli, you can find a tomb with the same rhyme and martial spirit as your Dao. Even if you can't get the inheritance of King Wu, you should also have a lot of harvest with your qualifications.

I have something to do. "

Nanxiao glass nodded his head and said, "OK, you should be more careful."

Later, nanxiaoli found a tomb nearby and sat down with his knees crossed. Ye Chen began to move in the desperate situation of King Wu.

Before he came to the grave, he did not carry out enlightenment.

Ye Chen first paid a respectful salute to the tomb. Then, in his eyes, the light flashed and he said in a deep voice: "younger Ye Chen, I've met you, please give me a try of martial arts!"

If at this time, Nanxiao glass in Ye Chen's side, it will be shocked to lose consciousness!

What is a trial of martial arts?

That's the meaning of fighting with the king of Wu!

The top of the sky is called Wuwang's hopelessness, not only because it is the burial place of the kings of Wu, but also because they have left a trace of residual will here!

If we want to inherit the martial spirit, we must pass the residual will, which is why the strength of the warrior can soar after the inheritance of King Wu.

Because, that is equal to the fusion of the remaining will, can use its part of the strength.

The remaining will, even if only one tenth of the power of King Wu of that year, is enough to kill most of the real situation!

Why is King Wu's hopelessness called hopelessness, so dangerous?

Because, the temper of these King Wu's will is not so good. Sometimes, you don't know how to offend King Wu. Even if you are a strong person in the later stage of the real world, I'm afraid, you can only end up with a fall!

But what about ye Chen?

Active challenge?

It's not crazy. What is it?

However, the tomb of King Wu did not respond at the moment.

This is normal. How does King Wu exist?

Do you want to try martial arts, just try martial arts?

Ye Chen saw this, his eyes narrowed slightly, but he didn't give up. He said three times: "please try martial arts with me, master!"

"Please try martial arts with me

"Please try martial arts with me

The third time the voice dropped, the grave finally had a response!

Suddenly, several runes appeared on the tombstone without words. Then, a seemingly, vague and illusory figure appeared in front of Ye Chen!

This is similar to the power of samsara cemetery!

In a flash, ye Chen is a mind shaking! This figure looks like a middle-aged man. At the moment of his appearance, he exudes the rolling martial spirit and momentum. Even ye Chen, who has the Taoist heart of Wuzu, can't help shaking!

I'm afraid that in front of this momentum, ordinary martial arts can no longer maintain, so we should worship them!

But, worship, how to try martial arts?

Looking at Ye Chen, the middle-aged man didn't get angry. Instead, he laughed. He seemed to appreciate Ye Chen. He said, "it seems that you don't talk about it. You really want to fight with me."

Ye Chen took a deep breath and said, "please enlighten me

Although polite words, but the eyes are full of war!

The man's empty shadow heard the words and appreciated Ye Chen more and more. In fact, those who worshipped the tomb of King Wu and wanted to accept the inheritance had already fallen into a bad situation at the beginning!

Most of the king of Wu don't like it!

Why?

Martial arts is the way to fight. War is the best way to practice martial arts!

Only Ye Chen, a warrior who has the heart to fight no matter what kind of existence he faces, is the most optimistic of the king of Wu!

But

It's not always a good thing to be optimistic sometimes

The man said, "boy, you're good, but do you know what the consequences are if you try martial arts with us?"

His words were sharp, and ye Chen's heart beat wildly with the man's words!

At this moment, ye Chen feels the extreme danger!

Can words shake his mind?

This is simply fantastic. You know, what ye Chen has is the most powerful Wuzu Daoxin!

It can be seen that how terrifying this king of Wu is!

However, ye Chen in the eyes of the war, but on the contrary more intense!

He stressed the key points and said: "master, I am very clear about the consequences. I still choose to fight!"

"Good!"

In a flash, the man's eyes then burst out a cold light!

The extremely terrifying martial spirit and Taoist rhyme are all around it, forming a terrifying wind, which will turn this heaven and earth into a terrifying alien world!
