Chapter 4971

Say say, the beautiful Mou of South Xiao glass some pan red, the heart is too aggrieved!

This big liar!

I'm sorry, Xiao Liyin said in his heart, "I'm sorry, Xiao Liyin couldn't move."

Although Ye Chen was able to defeat Bai xuqi because of his soaring strength at the top of heaven, his apology had nothing to do with it.

It's just because he really takes nanxiaoli as a friend.

When Nanxiao glass heard the speech, her heart beat violently. At this time, she just reacted. Her jade hand was still held by Ye Chen. A touch of red clouds floated on her jade neck, and her head was slightly lowered. In a low voice, "not enough..."

"Well?" Ye Chen is a little puzzled: "what?"

Nanxiaoli said in a low voice: "sorry, it's not enough. You have to compensate me, otherwise, I will beat you..."

Ye Chen pondered: "what should I compensate for? I don't have money?"

Hearing Ye Chen's teasing, Nan Xiao Li's pretty face turned red in an instant and angrily looked at him and said, "you!"

Say, the eye is a little red again.

Ye Chen saw this, a helpless color appeared on the surface, and even said, "OK, I'll compensate you. How do you want me to compensate?"

Some of Nanxiao glass didn't dare to look at ye chendi and said, "later Don't call me Xiaoli, Xiaoli. It's called by others. I won't let you call me... "

Ye Chen said, "what do you call that?"

The beautiful eyes of Nanxiao glass twinkled and said, "Li'er..."

"Ah?"

Ye Chen blinked, lil?

Generally speaking, this kind of address is not always

See ye Chen didn't respond, but Nanxiao glass was looking at Ye Chen with some loss: "you don't want to?"

Ye Chen light cough way: "glass son, what do not want?"

Nanxiao glass heard the speech, and a bright smile appeared on her pretty face. She snorted: "for your obedience, I'll let you go this time."

Her heart beat a little faster. Ye Chen is the only man who calls her so in addition to her father. I don't know why. Nanxiao hopes Ye Chen is special to herself and different from others.

In the future, she will not allow anyone other than ye Chen to call her Li Er, um Father, neither.

At the moment, Ning Caixia looks at Ye Chen and Nanxiao glass, but her eyes are a little dim. She looks at Ye Chen and says, "Ye Chen, I'm sorry, I thought you were inferior to Bai xuqi. I underestimated you..."

Just now, she was disappointed with Ye Chen and so on. Now it seems that it is disgraceful

Ye Chen said with a smile: "OK, don't say much."

He knows that Ning Caixia cares about herself.

At this time, Nanxiao glass is a little hostile to look at Ning Caixia, to Ye Chen asked: "Ye Chen, who is she? Why are there so many women around you

She was a little jealous, Ju Qu Dan Xing even, now, just into the top of the sky, how long, and another?

The most important thing is that they are all such beautiful women, and each has its own style!

This guy, women's fate is too good!

Even nanxiaoli felt some insecurity

Ye Chen light cough a way: "her name is Ning Caixia."

Ning Caixia lowered her head and said, "I I won't disturb you and Nanxiao girl... "

With that, Ning Caixia turned around and left.

She looked a little lost, she did not know why she was lost, and even her steps were heavy.

Ye Chen looks at Ning Caixia's back, and his eyes flash slightly, but he doesn't stop it.

But all of a sudden, ye Chen's look is suddenly changed. Looking at Ning Caixia's delicate but extremely exquisite back, she is stunned

One side of the South Xiao glass see the situation more and more unhappy, she severely stepped on Ye Chen's foot, cold hum way: "what is good-looking, all look at stupefied!"

Can be at this time, ye Chen but suddenly pulled Ning Caixia's wrist way: "wait a minute!"

"You, you, you, what are you doing?" Nanxiaoli is like an angry kitten at the moment. This bastard is angry with her!

Ning Caixia also looked at Ye Chen and said, "what's the matter?"

Ye Chen, however, looked at Ning Caixia earnestly and said, "your disease, I can cure it for you!"

As soon as this saying goes out, Ning Caixia and Nanxiao glass are both stunned!

Nanxiao glass did not understand the way: "sick? What disease? "

But Ning Caixia is extremely shocked: "how do you know?"

Can ye Chen see her illness?

This matter, in addition to her relatives, as well as those who have been cured for her, no one knows at all!

It is also because she has been haunted by this strange disease since she was a child. Now she is afraid that her time is running out. Her relatives have done their best to help her. It is precisely because of this

that Ning Caixia does not want to involve others, and does not want others not to cherish their own life. She wants to live, but she has no chance!

But now, Ye Chen said that she could be cured?

Ningcaixia's beautiful eyes are bright, but they are only bright for a moment!

Soon, she shook her head and said, "thank you for your kindness, but I can't be cured..."

Even though Ye Chen is an immortal evil, and her strength is frightening, how can she surpass those doctors in medical ethics?

It's as if a top fighter is also a top biologist, and the probability is unimaginable.

Ye Chen is extremely serious: "others, may not really be able to cure your disease, but I am not the same, even in this world, only I can cure you!"

With that, he released Ning Caixia's wrist and said, "the man who washes marrow and changes blood for you every month can temporarily suppress your illness, but it is already approaching the limit. At most, in another year, the thing in your body will break out completely. At that time, the gods can't save you!

I'm your only chance to survive! "

Ningcaixia's speech, looking at Ye Chen's eyes, some tremble!

Ye Chen, even these can know?

And, I don't know why, although Ye Chen can cure her, it sounds like an Arabian Night, but her heart is willing to believe Ye Chen!

For a time, Ning Caixia looked at Ye Chen excitedly and said, "Ye Chen, are you serious?"

Everyone wants to live, Ning Caixia is no exception! The reason why she came to the top of the day was to take a chance to see if there was a chance to get medical treatment from the inheritance of the king of Wu. Among these kings of Wu, there were also doctors.

Ye Chen nodded his head and said, "of course, I can cure you now, but the person who washed the marrow for you and exchanged blood has planted a very strong prohibition on you. If I break this prohibition by force, it will be very troublesome. Moreover, you will be in danger. It is best to let that person come here and untie the prohibition, and then I will cure you again."

But, at this time, Ning Caixia's look was a little hesitant, got up and said, "untie the prohibition? But... "

Chapter 4972

Ye Chen eyes a flash, light way: "if you don't believe me, then forget it."

He is about to leave here with nanxiaoli. He meets Ning Caixia by chance, which is not too much intersection. The reason why he wants to help is that on the one hand, Ning Caixia's personality makes him appreciate it. On the other hand, he can get benefits for Ning Caixia by dissolving the things in his body.

However, it's not necessary. Ning Caixia doesn't want to, so he doesn't have to ask for it.

Life is in your own hands.

When Ning Caixia heard the speech, she said, "no! For my sister, it's not my sister who planted it She has a strange disposition. If you let her know, you will be very angry if you let me untie the prohibition. I'm afraid you will be in danger... "

Ye Chen smelled the speech and said with a smile, "let your sister come and untie the prohibition for you. You don't have to worry about other things."

Ning Caixia heard the words, and a certain color flashed in her beautiful eyes. "OK, don't worry. No matter what happens, I won't let my sister do it to you!"

Said, she took out a conch that seemed to be made of crystal, and injected her mind into it. A strange wave surged up on the conch instantly!

Seeing the conch, nanxiaoli was surprised and said, "Tianyin Shenluo? It seems that the origin of this woman is not ordinary. Tianyin Shenluo is a treasure. Even if she is in other areas, she can also contact each other. Unfortunately, it is one-off. "

Soon, in the sky sound God snail, then sounded a some low, gloomy woman's voice way: "Caixia, what's the matter?"

Ning Caixia took a deep breath: "sister, I found someone who can cure my disease."

"What?"

"Can you cure your disease?" he said? Are you kidding? You tell me who it is? Who dares to deceive you with such big words, except those old friends who are not born in the world, I must screw his head off

Ning Caixia said, "his name is Ye Chen."

"Ye Chen? Never heard of it! Caixia, the boy named Ye Chen, is a liar!

And cured you?

Hehe, who does he think he is? With my strength, with the emperor's resources do not dare to say such big words, on him?

A boy who has not even heard of his name dare to speak out?

Don't worry. My sister will find a cure for you in a year, no matter what the cost is! "

Ye Chen some speechless, even his people have not seen, so sure he can not do it?

Look down on him?

Ha ha

If it is not for this, Ning Caixia is indeed a good girl, with this so-called "sister" this words, he does not want to cure.

At this time, Ning Caixia was extremely resolute: "sister, I believe him, I am willing to give his life to him, but before he treats me, he needs my sister to lift the ban planted on me."

"What are you talking about?"

This time, in the sky sound God snail, spreads is the roar!

Even if only listen to the voice, people can feel the rolling killing intention!

Who dares to break my sister into pieces! Caixia, wait for me there. I'll come here now! "

The next moment, that conch's aura will dim down.

Nanxiao glass snorted coldly: "what a great manner, hum, when ye Chen will cure you, I want to see what your sister will look like!"

Ning Caixia felt guilty and said, "I'm sorry, my sister is such a character..."

Nanxiaoli also said curiously, "who is your sister? Can take out this sky sound God snail's identity presumably also not common? "

Ning Caixia hesitated for a moment, or opened her mouth: "my sister It's called Ning ChiYin... "

As soon as he said this, ye Chen didn't do much, but people around him changed their faces wildly. Nanxiao glass widened his eyes and exclaimed, "Ning Chi Yin? The Shura jueshaining ChiYin in Beiling temple

Ningcaixia complexion some complex order nodded.

This time, even the color of Nanxiao glass has changed!

Ning ChiYin is the elder of Beiling temple. She is one of the strong voices of heaven and man. Her strength is extremely terrible. However, the most frightening thing is not Ning ChiYin's strength, but her personality!

As a woman, Ning ChiYin was named Shura for no reason

That is Ning ChiYin. Although he is very beautiful, he is very rebellious and irritable, and often kills people!

What's more, she killed people regardless of their status and status. She was just like a madman. You know, when her accomplishments have reached a certain level, they will be paid attention to by the outside Heaven. That's why the strong men of such strength usually don't do it easily.

If such a strong person has caused too many murders, or caused great damage to the order outside the territory, the outside Heaven will punish him or even punish him! However, Ning ChiYin doesn't rely on her status. She doesn't even care about the punishment from the outside world. She kills people if she wants to kill. Moreover, even if she is weak and ant like, she can kill her when she is upset. She doesn't have the so-called strong demeanor at all!

This is the reason why it is called Shura Juesha!

For a moment, the onlookers were scared when they heard the name, and they separated themselves from ye Chen and others. They were afraid that Ning ChiYin would be angry and kill all the people present

Even Nanxiao glass, also pulling Ye Chen, said: "no cure, no cure! Ye Chen, let's go, Ning ChiYin, that woman is crazy, even my father will have a headache

Ye Chen shook his head and said: "her sister is her sister, she is her, since I decided to save her, that will save, who came to all the same."

Nanxiaoli hears the speech, a little anxious. If ye Chen can defeat Bai xuqi as a miracle, then Ning ChiYin is impossible to fight against!

However, this period of time down, she also can calculate to understand Ye Chen's character, decided the matter will not change, can only stand on one side to sulk.

After a while, the space on the top of the sky is suddenly distorted!

In a flash, the sky was opened a big hole, a red streamer, like a meteorite outside the sky, fell down, fell in front of Ning Caixia, a loud noise, the whole top of the sky was severely shaken for a moment!

Red light dispersed, two female figures appeared in place!

One of the two women was dressed in a red palace dress. Her eyebrows went into the temples. There was a little cinnabar mole in the center of her eyebrows. Her eyes were very cold. Her face was beautiful and she was full of heroic spirit. Her accomplishments were unfathomable. No one could see through them!

Even ye Chen feels the breath of this woman, her pupil shrinks and her heart pressure increases!

This woman, no doubt, is that Shura jueshaning ChiYin!

Chapter 4973

Ning ChiYin is more than ten thousand years old. It can be said that he is very young when he is in the temple of heaven. However, he could not get to the top of this day!

Because, was rejected by the will of King Wu, but this woman is to ignore the breath of King Wu, forced to break it, broke in!

It can be seen that the force is really strong!

Beside her stood a very pale woman, wearing a mask, looking cold, like a corpse.

Ning ChiYin casually wiped away the bloodstain on the corner of her mouth. Her eyes swept and instantly locked Ye Chen. She said, "are you ye Chen?"

Ye Chen's pupil shrinks. In a moment, he has a feeling of being watched by a great beast.

But, he still light answer way: "good."

When Ning ChiYin heard the speech, her face suddenly became sharp. A startling momentum burst out of her body. It seemed that the whole top of the sky gave out a cry of sadness. Many martial artists around were unable to take precautions against it. Even if they stood very far away, they were still affected by the power, and almost fell to their knees!

And at the moment, the pressure of instant training into a torrent, toward Ye Chen crazy rush away!

With a loud bang, the ground under Ye Chen's feet collapsed in an instant, and ye Chen's face was coagulated. Even with his current strength, he felt that his body was crushed back and forth by 100000 mountains. However, his physique is still within the scope of bearing!

As for the state of mind, any pressure can not affect his Wuzu Daoxin!

"Well?"

This time, Ning ChiYin was a little surprised. She didn't expect that the boy in front of her was just the heaven and earth, and she really resisted her pressure?

You know, some close to the true state of the seven layers of heaven will be under the threat of instant serious injury, and even the collapse of the heart of the Tao?

Can ye Chen, not only bear, but also, even the signs of injury are not!

Only in this way, it is enough to show how evil Ye Chen is. However, this is just a talent for cultivating martial arts. How about the strong cultivation talent?

As a well-known foreign power, she still can't cure Ning Caixia?

Ning ChiYin looks cold. It seems that he is going to fight ye Chen. But at this moment, a figure suddenly blocks Ye Chen's body. It is Ning Caixia!

Ning ChiYin looked at the original obedient sister in disbelief, but at the moment, she stood in front of Ye Chen. Her eyes were full of firmness!

More is to Ning ChiYin yelled: "sister, stop, if you must to Ye Chen, kill me first!"

After saying that, she was actually directly in Ye Chen's arms!

In this way, two people's bodies coincide, that infinite pressure will fall on Ning Caixia's body!

Ning ChiYin's face changed and exclaimed, "ningcaixia, what are you doing?"

She quickly took back her breath, but even so, Ning Caixia also snorted, the breath quickly weakened, obviously injured!

However, she still stubbornly looked at Ning ChiYin and said: "sister, I said, I don't want you to hurt Ye Chen!"

"You Ning ChiYin is really angry. She stares at Ye Chen and cries, "Caixia, I say one last time, get out of the way, otherwise, don't blame my sister for killing you together!"

Ning Caixia did not speak, but the hand holding Ye Chen was more tight!

Ning ChiYin sees this, and his whole body is full of murderous spirit. He rushes towards Ye Chen a little, and a red light shoots towards Ye Chen in an instant!

Seeing this, the South Xiao glass couldn't help but exclaimed: "Ye Chen!"

But at the moment, she has no way. Ning ChiYin wants to kill people. No one can stop her, let alone her. Even if her father Nanxiao emperor Zun is here, she may not be able to stop her!

It's better to see the death of two people in front of the red clouds!

Ning Caixia subconsciously closed her eyes, but her heart was inexplicably relaxed. For so many years, she has been tortured by this inborn illness. Now, it is a relief for her to die beside Ye Chen.

In fact, for Ning Caixia, she doesn't really think ye Chen can solve her illness, but she can create such a memory before she dies, which is also a kind of harvest for her.

Can, in that red awn distance ningcaixia only an inch less than when, but suddenly dissipated.

Ning ChiYin bit her teeth, as if all of a sudden, she sighed: "Caixia, what kind of infatuated soup has this boy poured on you? Why do you trust him so much? "

Ning Caixia stares at Ning ChiYin and says, "sister, after a year, can you guarantee to find a way to cure me?"

Ning ChiYin smelled the speech, her face changed slightly. After a moment of silence, she said, "Caixia, if even I can't find a way to save you in this year, then no one in the world can do it!"

Ning Caixia said faintly: "sister, I have been entangled with this strange disease since I was born. Since I was young, you have worked hard to save me. Therefore, I have never refused what you asked me to do. This is what I owe you, but..." There was a flash of light in her eyes and said, "my life always belongs to me. Even if I want to die, I hope I can decide my own way of death!

So, sister, please untie the prohibition. I want Ye Chen to have a try. "

Ning ChiYin's majestic aura disappeared at this moment. In the eyes of the people, the top strong man standing at the top of the world, burst into tears like a child.

She cried and asked Ning Caixia: "Caixia, now, your sister has only one family member. Do you really want to give your life to this boy because of his words? If you fail, you will die today!

Do you really have the heart to leave your sister like this?

Caixia, don't say one year. Even if it can make you live one more day, my sister is willing to exchange her life with her own... "

At the moment, even when ye Chen looks at Ning ChiYin who is crying, his eyes flash. Ning ChiYin's attitude at the beginning does make him uncomfortable. However, it seems that although the woman is eccentric and irritable, she is a man of temperament. Moreover, she is really willing to die for Ning Caixia, which makes Ye Chen's impression on Ning ChiYin better.

However, this scene made him a little speechless. He came to save people. How could it be as if he were separated in life and death?

Can't these people trust themselves a little bit?

Ning Caixia looked at her sister's appearance and said: "sister, I believe Ye Chen, not everyone can see my illness at a glance. Although I haven't known him for a long time, I believe that he is not a man who talks casually and takes other people's lives as a joke."

Chapter 4974

Ning ChiYin took a deep breath and calmed her mood. She suddenly looked at Ye Chen and said, "boy, do you know who she is?"

Ning ChiYin said she was the woman with pale skin and a mask.

Ye Chen light way: "who is she and what does it have to do with me?"

Ning ChiYin sneered: "what's the relationship with you? Her surname is fan and her name is XueShao. What do you think it has to do with you? "

Although Ye Chen looks calm, the people around him have changed their faces after hearing the words, even including Nanxiao glass!

Among them, many people exclaimed: "fan XueShao!? This woman is the legendary fan XueShao

"No, I am Did I even see fan XueShao? "

"Can't even fan XueShao cure this woman's disease?"

It seems more incredible than seeing Ning ChiYin!

It can be seen that fan XueShao's reputation in heaven and man is so good!

Originally, Ning ChiYin thought that the name of fan XueShao would surely subdue Ye Chen, but

Who did not expect, at this time, ye Chen is light floating tunnel: "never heard of."

The people around were almost shocked to fall to the ground!

Haven't even heard of fan XueShao?

Nanxiaoli couldn't help saying: "Ye Chen, this fan XueShao is the supreme doctor of heaven and man. It's a legend in the legend. What's more, what he has learned is the ancient medicine which has been lost in foreign countries now!

She has solved countless strange poisons and illnesses. Almost everyone in heaven and man has heard of the name of snow goddess!

The reason why she is called "snow lady miracle doctor" is, firstly, because of her skin color, which is extremely pale; secondly, because of her personality, she is extremely cold and arrogant! "

Ning ChiYin looked at Ye Chen and said, "now, do you know? Even XueShao can't completely cure Caixia, let alone you

Ye Chen hears speech, but does not matter the tunnel: "she can't cure, does not mean I can't cure."

As soon as this speech came out, people around him could not help but take a breath of cold air!

Ye Chen is too arrogant!

Does this not mean that he is more powerful than van XueShao?

Yes, they admit that ye Chen's martial arts talent is extremely against the heaven. But now, ye Chen is actually in the medical way, and doesn't pay attention to the snow goddess doctor fanxueshao?

In fact, ye Chen doesn't think that he is better than van XueShao in medical ethics, but he is sure that he can save Ning Caixia.

As for, why?

The reason is very simple, that is, Xiaohei wakes up!

Not only wake up, but also, Xiaohei woke up this time with wisdom!

According to Xiao Hei's divinity, after this deep sleep, he seemed to have a dream. After waking up, he learned a lot.

At that time, the reason why Ye Chen looked at ningcaixia was that Xiaohei told him that there was a poisonous insect in ningcaixia's body!

However, this insect was not planted by others, but was born with it!

In fact, what Ning Caixia has can be said to be a very special constitution, named Baicai qingsui Gu body!

This constitution is very strong, but, also very deadly!

The owner of Baicai qingsui Gu is born with a Baicai qingsui Gu in his bone marrow. The insect and the host are one. However, they are destined to devour each other. Baicai qingsui Gu plunders the vitality and growth of the host, while the host plunders the blood power of Baicai qingsui Gu, strengthens itself and cultivates itself!

It's just like God is raising poisonous insects!

No external force can prevent both sides from swallowing each other. Even if the baicaiqingsui Gu is killed, Ning Caixia will die with the poisonous insects!

In other words, the owner of this Constitution can only rely on himself to defeat the insects in his body!

But, Ning Caixia obviously failed in this struggle. Now, the baicaiqingsui Gu in her body has occupied the absolute advantage!

However, Ning ChiYin has spent all her heart and means, and can only temporarily delay the growth rate of Baicai qingsui Gu by banning it, washing marrow and changing blood for her every month, so as to prolong her life

However, at most another year, the Baicai qingsui Gu will be fully grown up!

It seems that Ning Caixia has fallen into a dead end, but Xiaohei tells Ye Chen that he can devour the baicaiqingsui Gu, and that he has some desire for the insect!

The most important thing is that Xiaohei can only devour the life source and internal strength of Gu insects, but is not interested in its blood. That is to say, after swallowing the Baicai qingsui Gu, he will not only not kill Ning Caixia, but also help her practice hundreds of colorful green pith poisonous insects!

This sounds simply fantastic, to Ning Chi Yin's strength is impossible to do, but, for Xiaohei, it is easy!

At this time, fan XueShao slowly walked to Ye Chen. With a pair of cold eyes, she looked at Ye Chen through the mask, and said in a very indifferent voice: "do you know, the number of doctors in the whole country who can surpass me in medical practice is no more than five fingers?"

Do you know, among them, there are some old monsters that can't come out of the world?

I, fan XueShao, am among the doctors walking in the world. Even if I dare not be the first, I can definitely be ranked into the top three! Even I can't solve the baicaiqingsui Gu. What qualifications do you have for Caixia

Ye Chen hears the speech, but just looks at fan XueShao, with a faint smile and no words. In his opinion, fan XueShao is ridiculous.

Why can't she solve the problem and others can't solve it?

Her medical practice is just a little achievement in foreign countries, so she really regards herself as the God of medicine?

The reason why Ye Chen doesn't pay attention to it is because of disdain.

He may not be as good as fan XueShao in medical ethics, but he can be sure that his vision is beyond that of fan XueShao.

Fan XueShao's vision is still limited to the foreign level, but his vision has already surpassed the foreign.

No matter it is Xiaohei, Xuanyao's blood, TIANYAO's blood, and even the fire of his Dao and spirit, the destruction of heiyang, and so on, are already unable to be measured by the thinking of martial arts and Taoism.

It's like, can you understand today's technological products from the perspective of science a hundred years ago?

So, there's nothing to say. They're not on the same level at all.

However, fan XueShao did not think so. She felt that ye Chen was frightened, guilty and afraid of being exposed!

So, instead of stopping, her voice became colder and fiercer and said, "why, don't you talk? Maybe you don't even know what the Baicai qingsui Gu is?"

If you know what Baicai qingsui Gu is, I don't think you will say that you want to untie the ban. Baicai qingsui Gu, which was originally about to be an adult, was forced to be suppressed. Even so, we need to wash the marrow of Caixia and exchange blood to prevent it from being exhausted. If you untie the ban, Baicai qingsui Gu will instantly suck Caixia to dry!

I don't know how you made Caixia believe you so much, but if you still have a trace of conscience, I hope you can stop and don't kill the patient who trusts you so much! "

Chapter 4975

Fan XueShao knows that Ning Caixia has been completely brainwashed and can not be convinced. At this time, she can only expect Ye Chen to step back.

For a moment, everyone's eyes are focused on Ye Chen, expecting Ye Chen's answer

In their view, fan XueShao's admonition, even if ye Chen's heart is higher, he should bow his head, right?

It's a bit of a shame to hold on.

However, out of everyone's expectation, ye Chen is laughing.

Incomparably disdain to smile, as if the words of van XueShao just now, to him is to fart the same!

Fan XueShao's eyes sank and was about to yell. But, at this time, ye Chen opened his mouth.

He looked at fan XueShao and said faintly, "have you said enough?"

Silence

The whole top of the sky seemed to be in a dead silence!

Ye Chen is actually to fan XueShao asked this kind of words!?

This is undoubtedly a provocation!

But it's just the beginning to blow their nerves!

Ye Chen hands negative behind him, light way: "let you say two words, you still addicted? I really think I'm a doctor, right? Snow lady doctor? I think you must be beautiful, aren't you? In that case, why don't you take off the mask and show it to everyone? "

When fan XueShao heard the speech, her eyes obviously trembled for a moment. Ye Chen talked about her pain. Her whole body was full of breath, and her eyes were filled with anger. But at this time, ye Chen said again: "why, have you been stimulated? I'm curious. What kind of appearance is the experience of transforming Yin and evil in the legend? "

Ye Chen's words, just like a basin of cold water, instantly splashed on the top of fan XueShao's head. She looked at Ye Chen in disbelief and almost choked and said, "you How do you know that? "

She has the matter of transforming Yin and evil body, and has never told anyone!

Ye Chen sneered: "it's hard to know that you have the evil body of transforming yin?"? I just want to tell you, don't take yourself seriously. You can't recover the influence of the evil body on your appearance. Do you want to give me some advice?

To tell you the truth, I can solve the problem for you and return your original appearance. However, your attitude makes me unhappy. So, I'm sorry, I won't do it for you.

And the snow lady? In my eyes, you really are nothing

Fan XueShao's attitude really made him a villain. He was extremely superior and regarded himself as an adult. He was not willing to pay attention to it. However, fan XueShao still pedaled his nose and face? I can't help it.

As for the constitution of fanxueshao, Xiaohei also told him that Xiaohei could also absorb the extra Yin and evil forces in his body, but he was not too interested. Obviously, the Yin and evil power was not attracted by the life source of Baicai qingsui Gu.

Xiao Hei woke up this time with a lot of knowledge, especially about all kinds of blood vessels and physique, which is much clearer than Shuo Lao and Xuan Hanyu.

Fanxueshao, at this moment, is completely sluggish. The original snow goddess doctor, at this moment, has really become an ice sculpture, standing still in place, unable to speak!

Originally she wanted to teach Ye Chen a lesson, but now she is taught by Ye Chen!

Besides, she has no way to refute!

Even she had to admit that ye Chen saw her crux at a glance, which surprised her!

Now, fan XueShao is not sure whether ye Chen has any real skills

And Ning ChiYin is also shocked, just to see the reaction of fan XueShao, she can guess a possible, look at Ye Chen's eyes, also become suspicious up!

If ye Chen was a liar in her heart, now it is 90%

Don't look down on it. It's ten percent!

This 10% is a chance to save Ning Caixia!

Even she began to hesitate!

At this time, with a puff, Ning Caixia knelt down in front of Ning ChiYin and said: "sister, I have never asked you anything. This time, I beg you to let Ye Chen do it for me!"

Ning ChiYin sees the situation and opens her mouth as if she wants to say something. In the end, it turns into a light sigh. She nods and doesn't speak.

She couldn't refuse

She knows very well how hard Ning Caixia has been living for so many years. She is not only engulfed with vitality all the time, competing with Baicai qingsui Gu, but also enduring various treatments and washing marrow for blood. That kind of pain can not be called torture too much!

But, Ning Caixia, never complained!

However, today, such a girl, her sister knelt down to her and begged her. She couldn't bear to refuse. She really couldn't bear to.

Only promise.

Ning Caixia's pretty face appeared a touch of joy, and looked at Ye Chen very happily. Then she said to Ning ChiYin: "elder sister, it's my own decision to choose treatment. If ye Chen fails, I hope you don't embarrass him."

Ning ChiYin pretty face dim a minute, but, still silent nod. If there is anyone in the world who can make her really bow her head, it is her sister.

Ning Caixia was more happy and said with a smile, "well, sister, untie the prohibition for me."

Ning ChiYin took a deep breath and looked at Ye Chen without expression and said, "you Get ready. "

Ye Chen nodded.

At the next moment, Ning ChiYin's spiritual power turned, and the sky and earth changed. A dazzling aura bloomed between her fingers and palms and turned into a rune. The rune was immediately printed on Ning Caixia's chest!

There is a very complicated array on Ning Caixia's chest. It seems that there are more than a thousand arrays matching!

Under the control of Ning ChiYin, this array is constantly rotating, separating and cracking layer by layer. Each layer has to untie thousands of levels. Even with the strength of Ning ChiYin, there is a very dignified look in his eyes, and there is a fine sweat on his forehead!

Ye Chen's eyes twinkle slightly, which can temporarily stop the growth of green pith bug. It's really extraordinary!

After a while, the last layer of the prohibition finally disappeared into nothingness!

Crack it!

At the same time, Ning Caixia's whole body trembled for a moment, and a blue line spread all over her body. At the same time, her eyes bloomed with incomparable gorgeous light, like a hundred colors gathering!

But the light is fatal!

"Ah, ah, ah, ah, ah!"

Almost in an instant, Ning Caixia gave out an extremely painful scream, and the whole person was constantly twisted up. Blood, infinite blood, gushed out from its body, looked miserable and terrifying!

"Caixia!"

The eyes were broken and they couldn't bear to hear it.

The baicaiqingsui Gu is in attack!

It was so strange when it broke out!

At this time, ye Chen suddenly moved his body and held Ning Caixia in his arms. His eyes flashed wildly, and he secretly drank: "Xiaohei, do it!"

"Yes

In a flash, a burst of ominous black gas suddenly surged on Ye Chen's body surface, and a strange black mark also appeared in his eyebrows, and the black flame instantly turned into a series of tentacles like existence, a twitch, and then drilled into Ning Caixia's delicate body!

At this time, Ning Caixia did not scream, not to say that her pain was relieved, but, can not call out!

Her mouth, at the moment, is being blocked by a thick, chaotic flame!

People are a bit silly to see this scene!

What is Ye Chen doing?

I thought Ye Chen had said so many big words, what kind of universal medical skills would he display, but this is it?

With this tentacle, into the girl's delicate body, is the treatment?

Are you kidding?

Don't talk about the treatment. The picture even looks a little

It's beyond description.

Ning ChiYin sees this scene, is anxious and angry, will go mad!

If not promised Ning Caixia, she can't help but grind Ye Chen directly into powder now!

Ning ChiYin immediately turned his head and looked at fan XueShao and said, "doctor, please help Caixia!"

She could no longer see that her sister was suffering!

The pain of washing marrow and changing blood is more painful than death for ordinary martial arts. However, Ning Caixia did not make a sound, but now it is screaming!

You can imagine how painful she is at this time!

And ye Chen this kind of treatment?

In her eyes, she is just playing with Ning Caixia!

However, fan XueShao sighed and shook his head. His eyes were dim and said: "once the baicaiqingsui Gu is adult, no one can reverse it. Even if the God comes, it can't be done. Now, at most, the Baicai qingsui Gu can only be killed. However, Caixia will die at the same time of killing the green pith BUG by any means."

She is disappointed when she looks at Ye Chen. Originally, ye Chen has told her secret. She still has a little expectation for him. But now it seems that ye Chen has no real talent

Ning ChiYin hears the speech and falls to the ground all of a sudden, even the strength of standing is gone, there is no light in the eyes, only despair is left.

Ye Chen's eyes, at the moment, have turned into a pitch black, looks like there is no eye, and in his body the little black is constantly roaring, seems to be fighting with something fiercely!

All of a sudden, Ning ChiYin stood up. Her wrist turned, and she had a sword in her hand. She looked at Ye Chen and said coldly, "let go of Caixia."

At the moment, ye Chen also tried his best to rush into Xiaohei's body. He turned his head very hard and looked at Ning ChiYin and said, "what do you want to do?"

Ning ChiYin's face appeared a look of incomparable sadness: "let me give Caixia a happy, this is the last I can do for her."

Said, her tone suddenly cold and sharp down the way: "I only say once, let go of the colorful clouds, otherwise, even you and I will kill together!"

Ye Chen smell speech, in the eye is burst out a touch of anger, the blue veins on the forehead are exposed, he roared at Ning ChiYin: "you get out of here!"

People are stunned when they hear the speech. In their opinion, ye Chen failed in the treatment. Rather than let Ning Caixia suffer, it is better to let Ning ChiYin personally finish it.

Moreover, it seems that Ning ChiYin is really not going to investigate Ye Chen. There is no harm to Ye Chen. However, why is Ye Chen so angry? Ye Chen at the moment, even more angry than Ning ChiYin!

Even Ning ChiYin is also a Leng, puzzled, because, she can see, ye Chen is not pretending, is really angry.

Ye Chen stares at her, just like an angry tiger, and says: "do you know, Caixia is still struggling to survive? Even if the pain, did not give up? But what about you? Hehe, even want to end her pain? laugh off my head!

End the pain? Ning ChiYin, no matter how painful your sister is, she won't choose to die. All your words are for your sister's good. But if I'm not wrong, what your sister hates most is the person who gives up her life actively! "

Ning ChiYin hears the speech, as if he was struck by a lightning strike. His eyes are straight and he can't speak. Because what ye Chen said is right. What is he thinking?

Caixia still insists, but she wants to take the chance to fight with her own hands?

Ning ChiYin took a deep breath and took back the long sword in his hand. He looked at Ye Chen and did not say anything. He sat cross legged on the ground.

It seems that he doesn't intend to interfere with Ye Chen.

Even if Ning Caixia really wants to die in agony, she will respect her choice.

Ye Chen bit his teeth, looked at Ning Caixia, and roared: "I promised to save you, I will never let you die!"Originally, Xiaohei subdued the Baicai qingsui Gu, which was quite easy, but there was an accident!

That is, they ignored that the baicaiqingsui Gu was suppressed for too long!

During this period of time, Baicai qingsui Gu was unable to grow, but it was not idle. It was gradually strengthening itself. Now, the Baicai qingsui Gu is far more powerful than the ordinary adult Baicai qingsui gu!

In fact, if ye Chen hadn't done it, another month or even a year would have broken through the ban and killed Ning Caixia!

Ye Chen's fierce color flashed in his eyes, and his whole body was full of spiritual power. Even, he used the power of Xuanling!

With a roar, the black flame all over his body suddenly flourished, and almost all the tentacles turned into substance, and the stirring speed was faster and faster! Each agitation, in fact, is an attack on the Baicai green pith BUG by drilling into ningcaixia's body and following ningcaixia's meridians!

Ye Chen is now frantically attacking the Baicai qingsui Gu, but not its body, but directly attacking its source of life. Only Xiaohei can do this!

Behind Ye Chen, at the moment, there is also a vague shadow of the big devil, which gives people a feeling of extreme terror!

In Ye Chen's desperate, Ning Caixia's struggle, finally weakened, Ning ChiYin see a joy, is Ning Caixia really saved!

At the moment, the black light in Ye Chen's eyes is very big, and she hugs Ning Caixia with all her strength. She is almost going to crush her delicate body!

And its whole body up and down, but also at the same time out of the black flame, into the body of Ning Caixia, crazy impact on the hundred color green pulp gu!

Finally, vaguely, the baicaiqingsui Gu, hidden in ningcaixia's bone marrow, gave out a very unwilling cry. Seeing that, it was about to become the winner, but at this time, it was to be destroyed by Ye Chen!

What's more, at the moment, its source of life, the most fundamental force to maintain its existence, has been almost plundered, but there is still a trace of it!

And its body has not been hurt at all, is still alive, can its present state, let alone swallow Ning Caixia, is likely to be engulfed by ningcaixia instead!

And its body has not been hurt at all, is still alive, can its present state, let alone swallow Ning Caixia, is likely to be engulfed by ningcaixia instead!

Chapter 4977

At this time, a pair of mung bean eyes of the hundred color green pith bug suddenly burst out a gorgeous light. On the green insect body, the green light exploded. Obviously, it also had to fight to death!

In an instant, ye Chen's pupil shrinks abruptly, and then he breathes softly: "successful."

He slowly let go of Ning Caixia in his arms, and those black tentacles also dissipated

Originally, Ning Caixia, who kept screaming, opened her eyes slowly at the moment!

People, one by one, are open mouth, incredible!

Ye Chen actually did it!?

And Ning ChiYin is also slightly a Leng, then is full of ecstatic color to stand up!

Fan XueShao also covered his mouth and didn't let himself cry out!

However, without waiting for people to be happy and cheering, Ning Caixia's face suddenly changed. The rolling blue color surged under her skin. Her breath stopped for a moment, and then she collapsed in Ye Chen's arms!

Scene, a dead silence!

What's going on?

Soon, someone's eyes flashed and said in a low voice, "this woman It seems that there is no breath... "

When they heard the speech, they all looked at Ning Caixia!

Sure enough, Ning Caixia at the moment is like a corpse, no vitality at all!

In the end, Caixia died?

Was it just a reflection?

Originally, Ning ChiYin's smile, which was originally full of ecstasy, instantly solidified, and the brain hummed, feeling that the sky was about to collapse!

Even ye Chen is frowning, looking at Ning Caixia in her arms, her eyes flashed wildly!

How could this happen?

In its perception, Xiaohei Mingming defeated baicaiqingsui Gu?

For a moment, ye Chen's breath was also a little short!

Is it true that even after Xiaohei killed Baicai qingsui Gu, Ning Caixia still has to die?

Or, Baicai qingsui Gu took Ning Caixia's life in the final counterattack?

He didn't understand!

Fan XueShao shook his head. It seemed that there was no miracle.

In the end, ye Chen killed Ning Caixia.

At the moment, ye Chen bites his teeth and breaks his finger. He wants to feed Ning Caixia with blood and try his own blood to save Ning Caixia. At present, he can only place his hope on his own blood!

His blood is amazing!

But, at this time, Ning Caixia's body was jerking for a while, her heart suddenly began to beat up and took a heavy breath!

The next moment, Ning Caixia's eyes open again.

At the same time, Ning Caixia's body broke out a very strong vitality!

The injury on the delicate body is also recovering quickly. It seems that the whole person is completely transformed!

Even ye Chen was stunned when he saw this scene

Ning Caixia blinked her big eyes, and then she asked Ye Chen, "Ye Ye Chen, what are you going to do

At the moment, ye Chen's action is extremely ambiguous. He holds Ning Caixia tightly, and his fingers reach out to her lips, as if to insert into her vermilion lips

But the surrounding people are a burst of silence, motionless staring at Ning Caixia, until after a few breaths, there is no accident, they finally determined that Ning Caixia really survived!

For a moment, those warriors looked at Ye Chen as if they were looking at God!

Not only in martial arts, but also those who can't even save fan XueShao, ye Chen can save them?

It's not a joke, is it?

Is there such a strange existence in the world?

Ye Chen coughed a little awkwardly and let go of Ning Caixia and asked, "Caixia, why did you suddenly seem to be dead just now?"

Ning Caixia pondered for a moment and said, "it should be that my body is absorbing the blood of Baicai qingsui Gu, which is the phenomenon of feigning death when the blood is fused. Now, my physique has completely changed from Baicai qingsui Gu body to Baicai qingsui body!"

With that, a touch of excitement appeared on her pretty face and said: "in my sense, this hundred color blue pulp body is very strong, even, it has surpassed the extreme of foreign blood!"

Ye Chen smiles and nods. According to Xiaohei, this hundred color blue marrow body is really powerful. Although Ning Caixia has suffered a lot, now it is a blessing in disguise.

To tell the truth, Ning Caixia's baicaiqingsui blood has reached the standard that can stimulate his reincarnation. However, ye Chen naturally will not kill Ning Caixia in order to get this blood. He is not that kind of person. However, it can be seen from this that how powerful this constitution is.

At this time, Ning ChiYin also finally recovered from the extreme shock. She rushed to Ning Caixia with ecstasy on her face and asked Ning Caixia, "Caixia, are you really OK?"

Ning Caixia said with a smile: "sister, I'm not only OK, but also, it's a blessing in disguise. I think that before long, maybe I can break through." Ning ChiYin smile, like a child to smile!

Fan XueShao is also sluggish, watching Ye Chen turn into an ice sculpture again. At the moment, her mind is constantly echoing with a sentence, that is:

"to tell you the truth, I can solve the influence of your evil body, and return your original appearance. However, your attitude makes me uncomfortable, so I'm sorry, I won't do it for you"

it's Ye What Chen just said to her!

At the moment, fan XueShao's heart is regret!

In fact, she had stepped into the medical profession, for self-help!

The evil body of transforming Yin can be regarded as powerful, but it is also a kind of constitution that may take the master's life!

However, the Brahman family has been searching for famous doctors for her, but they can't solve it

Therefore, fan XueShao needs self-help

In the end, she succeeded or failed

Because, life saved, but because of the evil body, she lost the original appearance!

It may not be much for men, but it is totally unacceptable for women!

Any woman is beautiful, such as fan XueShao is no exception!

Especially in its original appearance can be called peerless circumstances!

She doesn't want to wear a mask for life!

At this time, the top of the sky suddenly sounded a cry of exclamation!

All people, are eyes crazy shaking, brain boiling to look at the scene in front of you!

I'm afraid they will never forget this scene in their ten lives!

I see, at the moment Ning ChiYin actually is kneeling directly in front of Ye Chen!

Moreover, kneeling incomparably sincere!

Who is Ning ChiYin?

He is a super strong man in the heaven and man realm, who is known as Shura Juesha!

Now, is it for a young man in his twenties, in heaven and earth, to kneel down?

Unimaginable, unimaginable!

Ning ChiYin looked at Ye Chen and said with great regret: "Ye Chen, I'm sorry, if it wasn't for you, Caixia would have died Thank you for saving Caixia's life. Caixia's life is my life. I owe you this life

Chapter 4978

She not only for ye Chen cured Ning Caixia thank Ye Chen, but also because ye Chen just stopped her stupid action!

Otherwise, she killed her sister, the only relative in the world!

Ye Chen's eyes twinkled and said, "get up."

Although Ning ChiYin is crazy and manic, he is really the same as what he says. He is not affectable or hypocritical. This kind of character is appreciated by Ye Chen.

Ning ChiYin stood up and waved, a light fell in the hands of Ye Chen.

Ye Chen's eyes flashed, and the aura was just Tianyin Shenluo!

Ning ChiYin said: "in the future, no matter what the situation, I will do it for you once."

The breath stopped again!

A chance for Ning ChiYin to make a move?

This is more important than any treasure!

Ye Chen's eyes flashed slightly and collected the sky sound God snail.

Ning ChiYin suddenly said: "Ye Chen, you should not have joined the temple of heaven now? Why don't you come to Beiling temple? Although I am not the royal family of the five emperors, I still have some power in the temple of heaven. I can let you join the temple without having to go through a hundred years' examination. "

Her eyes are a little hot!

In her opinion, if ye Chen, an extreme genius, could join Beiling temple, it would be the greatest opportunity in the history of Beiling temple?

Ning ChiYin himself is an extreme evil spirit, 10000 years old can have today's achievements, also called the ancient Jue today, frightening forever!

Therefore, she believes in her own vision. She knows that compared with Ye Chen, her achievements are nothing!

And

Ning ChiYin stealthily glanced at her pretty face, blushed, lowered her head and clenched her hands. A bitter smile appeared in the corner of her mouth. I'm afraid that her sister has been fascinated by Ye Chen?

Even if we don't think about the future of Beiling temple, we should also consider the life-long happiness of her sister. She knows very well that both of them are the kind of characters that can hardly be changed if they fall in love with a man. If Ning Caixia can't be with Ye Chen, they will have to live alone

But at this time, Nanxiao glass was suddenly blocked in front of Ye Chen. Looking at Ning ChiYin, he said, "it's no good. Ye Chen is already a member of Nanxiao temple! I'm not going anywhere! "

She won't let Ye Chen be robbed by others!

Ning ChiYin's eyes flashed: "are you Nanxiao glass? The daughter of Nanxiao Fengqing

Other people do not know Nanxiao glass, with the identity of Ning ChiYin, naturally will not not not know.

Nanxiao glass some arrogant place the head way: "good!"

Ning ChiYin is a little surprised that ye Chen is even attracted to the daughter of the emperor in the South Xiaotian hall?

However, considering her talent and temperament, Ning ChiYin can also understand

Excellent men, everywhere is the focus, especially for those excellent women

At the moment, Ning ChiYin heard the speech but said with a smile: "Nanxiao glass, do you know that what you are talking about is already the person of Nanxiao tiandian, what does it mean?"

Although you are the royal family of the five emperors, you can't let people join the tiandian casually, unless You and ye Chen join hands. Are you ready for this? "

Nanxiaoli heard the speech, and her pretty face turned red like an apple. She opened her mouth, but she could only stammer: "this, this, you..."

Finally, just hold out a sentence: "don't you care! In any case, he is the man of Nanxiao temple! "

This reaction, can't help but make people around laugh, nanxiaoli looks a little cold, in fact, the character makes people feel very cute.

Ningchi Yinmei eyes appear a touch of cunning color: "since you have not been with Ye Chen, then, he is not your Nanxiao Tian Dian people, I still have the opportunity to recruit him!"

Then she looked at Ye Chen and said, "Ye Chen, how do you think about it? Do you want to join Beiling temple? "

For a time, Nanxiao glass and Ning Caixia are very nervous looking at Ye Chen!

Their heart beat fast!

When ye Chen heard the speech, his eyes flashed, but he said with a smile to Ning ChiYin: "thank you very much for your appreciation. However, I decided to join the Nanxiao tiandian with Li'er."

After all, he knew nanxiaoli first. Moreover, his relationship with nanxiaoli is very deep. It's not necessarily the love between men and women. It's just that nanxiaoli has the weight of a friend in his heart. Therefore, he will not leave nanxiaoli at this time.

Nanxiaoli heard the speech, and her pretty face was full of joy. However, she tried to restrain herself and pretended that she had no fluctuation in her heart. Ning Caixia lowered her head and showed obvious loss on her face.

Ning ChiYin sighed a little, but did not force Ye Chen, but some dissatisfied way: "don't call me predecessors, as if I have how old, later, call me ChiYin sister."

Ye Chen smelled speech and said with a smile, "good, sister ChiYin."

At this time, Ning ChiYin looked at fan XueShao and said, "XueShao, do you have anything to say to Mr. Ye?" Since ye Chen saved Ning Caixia, it shows that what he said is not false, and he can restore fan XueShao's appearance. For fan XueShao, Ning ChiYin is still grateful.

If it had not been for fan XueShao, Ning Caixia would not have lived now.

Naturally, I also hope that she can solve the regret in her heart.

fan XueShao's beautiful eyes twinkled and hesitated. Finally, she couldn't help but say, "you Mr. Ye, can you really restore my appearance

Chen, however, she did not have a chance to do it

Fan XueShao hears the speech and lowers her head in a desolate way. She doesn't blame Ye Chen. She thinks highly of himself and despises Ye Chen. Ye Chen can't blame for treating her like this.

However, it can be imagined how unwilling his heart is.

At this time, Ning Caixia hesitated for a moment, or opened his mouth to Ye Chen: "Ye Chen Sister fan is actually very nice, but she is proud to speak. However, most of the time, she is also for the sake of patients, so... "

Ye Chen heard the speech and was silent for a moment. He looked at fan XueShao and said, "if you can give me the price of satisfaction, I can't have a try, but I can't do it now."

Now his spiritual power, especially the power of Xuanling, has almost been consumed. The most important thing is that after getting the origin of Baicai qingsui Gu, Xiaohei seems to be in a deep sleep and can not be contacted. He should concentrate on refining the origin of Baicai qingsui Gu.

Hearing this, fan XueShao nodded his head and said, "this is nature."

In order to restore the appearance, she can accept any price!

Sometimes, for women, appearance is more important than life!

Ning ChiYin smiles, so it's a happy ending. Then, she said to Ning Caixia: "Caixia, although you have integrated the blood of hundred colors and green pith, but your body is still in deficit. Now, I'll take you back to recuperate for a period of time."

Chapter 4979

Ning Caixia nodded. Then, she looked at Ye Chen and said, "Ye Chen, I hope we can meet again. If you join the Nanxiao temple I will often go to discuss martial arts with you. "

Nanxiao glass smell speech, some uncomfortable way: "discuss what martial arts, you Beiling tiandian and Beiling tiandian people to discuss it."

Ningcaixia smell speech, seems to be a little afraid of Nanxiao glass, back half step.

Ye Chen is smiling and nodding, he is still quite fond of Ning Caixia.

See ye Chen nod, Ning Caixia beautiful eyes bright, then stand to Ning ChiYin's side.

Nanxiaoli, however, snorted angrily.

The next moment, Ning ChiYin took Ning Caixia and fanxueshao, and turned into a streamer, and rose to the sky and left the peak of the day.

Ye Chen glanced around, then looked at Nanxiao glass and said, "now, the incarnation of King Wu at the top of the day, all begin to converge on the charm and martial spirit of Taoism. It seems that we are going to fall into a deep sleep again. We stay here, as if there is nothing to do. Prepare for it, and then leave."

But, at this time, Nan Xiao Li shook his head and said, "we don't leave."

"Don't leave?" Ye Chen some don't understand tunnel, "why?"

On Nanxiao glass's pretty face, a mysterious color appeared, and he said with a smile: "because I found something unexpected at the top of this day!

I had a brief communication with the king of Shenyun when I understood the martial arts and Daoyun rhyme. She told me a secret about the top of heaven

Ye Chen hears speech, do not pass facial expression move a way: "what news?"

Nanxiao Li smelled the speech, but pursed and pursed: "if you want me to tell you, you must answer me a question first!"

"Question?"

Ye Chen some strange way: "what problem?"

Nanxiao glass looked at Ye Chen seriously and said, "you say, I and ningcaixia, who is more beautiful?"

When ye Chen hears the speech, he can't help but smile bitterly. It seems that nanxiaoli is jealous

He looked at Nanxiao glass with some interest, pretending to be meditative.

Seeing this, Nanxiao Glass said, "you How can you think so long

Ye Chen said with a smile: "tease you, in fact, I have long thought about it."

Nanxiaoli looked forward to saying, "who is it? Say it

Ye Chen cleared his throat and said, "of course it's Ning..."

"What are you talking about?"

Ye Chen has not finished, the South Xiao glass is like a cat to blow up hair to stare at Ye Chen fiercely.

I have to say, even ye Chen's eyes in the face of Nanxiao glass feel pressure, he even busy way: "of course, you are more beautiful."

He did not lie. To be fair, although Ning Caixia is also a top-level appearance, it is still a little worse than Nanxiao glass.

South Xiao Li smell speech, hum a way: "this is still almost."

Ye Chen asked, "now, can you tell me what the news is?"

"Ye Chen, have you ever heard of the six winged God shark?"

"Six winged shark?"

Ye Chen shook his head and said, "I haven't heard of it."

Nanxiaoli said: "the six winged God shark is a kind of God living in the sky and star sea. It is extremely rare!

The six winged God shark has six wings on its back. It has a fierce temperament. When it comes to adulthood, its strength is extremely strong. However, the most important thing for the warrior is not the strength of the six winged God shark, but the six shark fins of the six winged God shark are the most precious among the treasures for the warrior! "

Ye Chen's eyes lit up and said, "the most precious among the treasures? What do you mean

Nanxiao Glass said, "Ye Chen, do you know what a warrior needs most when he is in the later stage of the Huanzhen realm when he is practicing

Ye Chen pondered for a moment. Xuanhanyu once told him about it. He said, "is it the original law?"

Nan Xiao Li said: "good! It is the original law, and the energy containing the original law is called the original spiritual power. It can also be said that it is the foundation of the birth of all kinds of Tao. There

is a trace of weak original spiritual power in the Taoist crystal, and there are some original spiritual power in the void. However, the ordinary martial arts are too slow to enter the world by these practices!

In the world, you know that the essence of shark's fin is one of the most valuable

Ye Chen smell speech, face appears extremely excited color, ask a way: "you mean, that six winged God shark is in the top of this day?"

South Xiao Li, but shake his head way: "not in."

Ye Chen slightly frowned: "then why should we stay here?"

Nanxiaoli said with a smile: "although not, but you know that the top of this day is wandering in the void. Occasionally, it will intersect with other different spaces. When it comes, it will not only connect with the outside world, sometimes, it will also connect with the intersecting different space!

Now, the top of the day is connected with the alien space where the six winged God shark is kept! "

Ye Chen hears the speech a joy, immediately, is the vision a flash way: "captivity?" "How can this six winged God shark be raised?"

Nanxiaoli said with a funny smile: "it's really a coincidence, ye Chen, this six winged God shark was raised by an old acquaintance of you. Moreover, hundreds of thousands of years have passed since the six winged God shark was captured. Now, it is about to become an adult.

And this acquaintance of yours is the emperor of the heavenly palace of the Eastern Emperor. The emperor has forgotten the opportunity

It was her father who told her that nanxiaoli remembered the six winged shark as soon as he mentioned it.

Ye Chen smell speech, smile, happy smile.

Well, if it's the six winged God shark that other people keep in captivity, he may have to think about it. After all, other people have worked hard to raise a small shark for so many years. When it comes to harvesting shark fin, you will be robbed of it?

This is a bit unreasonable

Yes, the emperor forgot?

Ha ha, that must rob!

This kind of revenge against the emperor's heavenly hall, there is still an opportunity to take advantage of it. Where to find it?

However, ye Chen frowned and said, "since the six winged God shark is so important, does the emperor's temple have no protective measures?"

Nanxiao Glass said: "of course there are! In this strange space, there are not only several barriers to protect, but also many masters of the real world. Under normal circumstances, we have no chance to break into it, but

This time, the connection of the two spaces has created opportunities for us. The space is connected and a channel has been opened. I don't know if this channel has been discovered or for some reason, no one is guarding it. "

Ye Chen was glad to hear the speech. However, Nanxiao glass's expression was gradually dignified and said: "however, I listen to the words of King Wu of Shenyun. It seems that there is a huge danger after the entrance!"

Ye Chen's face was slightly heavy, even King Wu said it was a great danger?

Immediately, he said, "lil, this time, I'll go alone."

He doesn't want to put nanxiaoli in danger!

Nanxiaoli heard the speech, but he shook his head without hesitation: "hum, do you think I am the kind of person who is greedy for life and is afraid of death, and abandons friends when in danger? If you don't take me, I won't show you the way! "

Ye Chen smelled the speech and shook her head with a bitter smile. The girl was too headstrong. However, looking at Nanxiao glass, her eyes became more and more gentle.

Immediately, he said, "in this case, lil, let's go and grab some shark's fin."

Nanxiao glass extremely excited way: "did not expect, came to the top of the sky, can also encounter such interesting things!"

After that, Nanxiao glass's body moved, and he flew away with Ye Chen in a certain direction.

Chapter 4980

.....

Half a day later, ye Chen and nanxiaoli came to the border area of the top of heaven. At this time, there was no one else in the top of the sky. There was no one else except them. The martial spirit of Daoyun in the tomb of King Wu was almost completely restrained.

Nanxiao glass's eyes flashed slightly. According to the instructions of King Shenyun on that day, he quickly found a deep and hidden canyon.

They stepped into the canyon, went deep and came to the end of the canyon.

Originally, here should be a dead end, but at the moment, what appears in front of them is like a mirage, flickering scene!

That mirage like space, looks like a cliff, and in front of the cliff is an extremely huge Rift Valley, in the rift valley, vaguely blowing some strange purple black wind!

There, it must be the strange space of the six winged God shark!

Ye Chen and Nan Xiao glass looked at each other, and with a movement, they entered the mirage like shadow.

A strong wave of space surged up, and the next moment the two figures disappeared from the top of the day.

.....

When ye Chen and Nan Xiao Li reopen their eyes, what appears in front of them is a cliff!

The cliff looks like a grand canyon in the west of China, and there is a canyon in front of them!

A very deep canyon!

However, what attracts Ye Chen and Nanxiao Li's attention is not the canyon, but the purple black wind blowing in the Canyon!

Ye Chen slightly frowns, this purple black gale, he is actually can't see through!

But in the strong wind, he had a very dangerous feeling!

He asked xuanhanyu and Shuo, "Xuanxian, Shuo, do you know what this purple black wind is?"

Beyond Ye Chen's expectation, this time, xuanhanyu and Shuo Lao unexpectedly said at the same time: "I don't know."

These two people have a lot of future, even they don't know?

Xuanhanyu said: "it's very special. I haven't seen it before. Moreover, it's hard for shennian to recognize the attribute of it. However, one thing is for sure, that purple black gale is extremely dangerous!"

Ye Chen! Many people have died in this canyon, and they are all strong people! "

Ye Chen smell speech, look also can't help but dignified up!

Nanxiaoli looked at the purple black wind, inexplicably felt a burst of panic. Her eyes flashed slightly: "is this the legendary purple wind Death Valley?"

Ye Chen looked at the South sky glass and said, "purple wind dead valley? What is it? "

Nanxiaoli said: "it is said that tens of thousands of years ago, a purple black gale appeared in some place in the heaven and man region. No one knows the origin of the strong wind, but it is extremely terrifying. Countless warriors attacked by the wind, no matter how strong or weak, died in it. And the valley where the gale appeared became the so-called purple wind valley of death!"

If this is really the purple wind Death Valley, it can explain why no one is guarding Because, according to the records, no one has ever successfully crossed the purple wind Valley in history! "

Ye Chen looks a move, if it appears tens of thousands of years ago, that Shuo old and Xuan Han jade don't know also normal.

But it's a little difficult

To tell you the truth, even ye Chen is not sure of the success of crossing, the purple wind to his feeling is too strange!

Can he just give up the six winged shark and give up the chance to revenge the emperor's temple?

He didn't want to.

When they were standing on the edge of the cliff, they were at a loss.

In Ye Chen's mind, suddenly came a voice of divine thoughts. The voice sounded strange and seemed to have a gloomy and terrifying atmosphere. However, ye Chen was happy in his heart and said, "Xiaohei, are you awake?"

Xiao Heidao: "yes, master, I have successfully refined the power of life origin from Baicai qingsui Gu. In fact, the origin of Baicai qingsui Gu is quite extraordinary. After my refining, its life origin will become two parts: chaotic aura and Kaitian aura."

"What is this leaf's facial expression?"

Just listening to the name, he knew that these two kinds of energy are absolutely extraordinary!

"Chaos aura is of great use to me. It can accelerate my growth. The stronger I am, the stronger the master's chaotic spirit will be.

And the spirit of opening heaven is prepared for the master. The blood of the master is very suitable for the spirit of opening heaven. "

Ye Chen one joy way: "what effect does this Kaitian aura have specifically?"

Small black road: "can help master, temporarily activate part of reincarnation blood vessel!"

"What?" Ye Chen hears speech incomparably surprised!

His reincarnation blood, if activated, is enough to burst out beyond the true state of power ah!

This Kaitian aura is equivalent to giving him an ultimate card!

Although it is possible for him to burn the mysterious spirit blood, it is extremely dangerous. If it is not good, it will die. Second, it is too wasteful.

He's still looking forward to absorbing it. However, Xiaohei soon said again: "master, Kaitian aura, although it can activate your blood for a short time, it can't be as big as the stimulation of burning Xuanyao's blood essence. I'm afraid it can only enhance your strength to a certain extent. Moreover, the energy of a hundred color qingsui Gu is still too little. My Kaitian aura is not enough to activate the master's blood for the time being.

If there is any advantage, it is that the host's body can bear some extremely terrible forces and attributes. "

Ye Chen smell speech, slightly disappointed, but this is also a great promotion!

Unfortunately, it is not enough.

However, at this time, Xiao Hei's mind broke out in a burst of extremely hot, eager meaning!

And the goal is to let Ye Chen big sense of fear purple black wind!

Ye Chen asked: "Xiao Hei, what's the matter with you?"

Xiao Hei surprised and said: "master, I can absorb the purple black wind. It should be something from the source, a very negative energy. It can restrain the vitality of the warrior. It's very difficult for any living creature to live out of it!

However, this energy, I do not know why, but I am very familiar with it, as if in a long time ago, I grew up with this energy, this energy and my body will not produce restraint and conflict, on the contrary, perfect integration!

If I absorb all the purple and black wind, I will not only be able to upgrade the master's chaotic spirit, but also I will be able to have enough Kaitian aura for the master to activate his blood temporarily! "

Ye Chen smell speech, immediately face is greatly happy color!

At this time, nanxiaoli frowned and said, "Ye Chen, we'd better leave here. If the purple black wind is really the weird wind in the purple wind Valley, it's too dangerous!"

But at the moment, ye Chen was smiling and said: "glass son, you can rest assured that we can pass through the purple wind valley of death!"
