

Physician 511

Chapter 511

They know Jiang Peirong better than anyone else! Once she decides something, nobody can shake it!

Ye Chen's character is inherited from Jiang Peirong!

Ren Qiyun said again: "I will not kill you if I take the things that ask the sky, but I can still deprive you of your spiritual roots! It will make you worse than death! You asked for everything! No matter in China or Kunlun, you should not have temper without absolute strength! A strong man destroys you like an ant

Words fall, the pressure suddenly expands!

Jiang Peirong's face is full of pain and suffering! Even the corners of the mouth continue to spill blood!

Jiang Jianfeng couldn't help it. He rushed out directly and left Ren Qiyun with one hand!

Now he can't care so much. No matter what, he must save Jiang Peirong!

Ren Qiyun coldly glanced at Jiang Jianfeng and waved his big hand. His genuine Qi seemed to condense into a sword and broke it directly!

Jiang Jianfeng's strength in China is certainly good, but in front of the Kunlun Xu Chang's face, it's really like an apple shaking a tree!

His body flew out on the spot, and his blood gushed up. He couldn't help but spit out a mouthful of bright red blood!

"You don't know what to do. Do you want to stop me? Ridiculous

At this moment, in everyone's opinion, no one can save Jiang Peirong!

No one dares!

This is undoubtedly an act of seeking death!

Kunlun virtual strong, who dare to offend!

Jiang Wentian wants to ask for love, but another elder next to Ren Qiyun pinches his finger. Jiang Wentian has an air wall on his body!

Jiang Wentian seems to be bound, no matter how struggling it is impossible!

"Ask God, this matter has nothing to do with you, so don't touch the brow of Ren elder. After all, you will live in the gate in a few days. If you don't look up, you will not see it. This is not good for you.

After all, Huaxia is a humble existence. What you want to pursue is the end of the road of martial arts. Don't ruin your future because of some ants. " An elder reminded.

At this moment, there is only helplessness and pain in Jiang Wentian's heart!

He even had a great attitude towards the elder!

But he is also very clear in his heart, this world is the strong for respect, no strength, everything is bullshit!

He wants to be strong! Otherwise, I can only watch my brother and sister insulted by the patriarch!

Ren Qiyun took a look at Jiang Peirong, who was struggling hard, and said with a sneer: "I really can't think of anything that can be solved by kneeling down and apologizing. Why should it be so troublesome? A mole ant is a mole ant!"

Language down, Ren Qiyun fingers pinch, a ray of light cover open!

Jiang Peirong only felt that something in her body was being pulled away!

Just then, an arrow came straight through the air!

Powerful momentum swept!

Stab Ren Qiyun directly!

"Oh, there are helpers out there?"

He sneered, the arrow of this kind of speed he doesn't look up to at all, he then shoots out a wind blade!
Hit the arrow directly!

The arrow is broken!

But at the same time, a billowing white fog erupted!

The whole Jiang family seems to be in a fog, and can't see anything at all!

At the same time, several figures rushed out from the outside!

It is ye Lingtian, the leader of the dark hall!

When they noticed something wrong, they would not let Jiang Peirong get hurt. Otherwise, they would not be able to bear the blame of the hall leader!

Even if they die, the temple master's mother can not be hurt!

"Madame, I'll take you."

Ye Lingtian leaves with Jiang Peirong in the fog!

The rest of the people are dead to see the direction of Ren Qiyun! Their eyes are full of determination!

It's like a valet!

Ren Qiyun's eyes were cold, and he said angrily, "you dare to take away my Ren Qiyun's people and seek death!"

Language down, he five fingers a grasp, directly toward Jiang Peirong and ye Lingtian!

The strong man in the dark hall did not hesitate at all. The cold sword in his hand went directly to Ren Qiyun!

"A bunch of rubbish, trying to stop me!"

Ren Qiyun rushes into the fog, and at the same time, he condenses his palm print all over the sky, and then he pats it!

Where the palmprint reaches, those who are strong in the dark hall turn into blood mist on the spot!

Their existence is just to stop Ren Qiyun's pace!

Ren Qiyun's speed is getting faster and faster. It seems that he is going to hunt down Jiang Peirong and ye Lingtian. An old voice rushes into the fog and goes towards Ren Qiyun!

"Elder Ren, I'll help you!"

It's Mr. Jiang who is talking, but Mr. Jiang is not helping! Obviously, he intends to obstruct Ren Qiyun!

"Get out of here

Ren Qiyun silk mercilessly, a virtual palm suddenly formed, the virtual palm momentum like a rainbow, directly hit the face of the river on the chest!

Although the old man Jiang stopped, it still didn't work. The blood spurted wildly and the breath was weak! But in the moment of flying out, his eyes have no regrets!

Instead, she stares at the direction of Jiang Peirong's disappearance! It's as if salvation has been completed!

"Pei Rong, this is the only thing that a father can do for you. I hope you don't blame your father for the past..."

The old figure fell slowly, and the old man Jiang hit the ground. A deep pit was formed directly!

His back is blurred and he is in a coma!

"Dad

Jiang Jianfeng rushed to protect him.

Jiang Wentian is also desperate to break through the obstacles, rushed to Mr. Jiang in front of him, took out a pill from his waist, and fed it directly!

"Dad, don't scare me. Take this pill, quick!"

At the moment, Jiang Wentian and Jiang Jianfeng's eyes are not only worried, but also full of anger!

If Jiang Peirong's behavior can only be considered inappropriate, then the old man's behavior is completely what a father should do!

The key is why Ren Qiyun is mad at the Jiang family?

Is it just because Jiang Peirong proposed a blood League?

Really!

And now, the fog is completely gone.

Jiang Peirong and ye Lingtian have disappeared in Jiangjia, and it is impossible to find them again.

Ren Qiyun stood in the middle of the courtyard of the Jiangjia family, with a trace of seriousness in his eyes.

His face was livid!

Who could have thought that someone in Huaxia would dare to rob people from him! The key is really taken away!

The arrow did not intend to move him from the beginning, but made the fog!

A mole ant without knowing what to do!

Ren Qiyun no longer thought about it. He was staring at master Jiang and all the people. Just as he was about to speak, an elder couldn't look down. He said to him, "elder Ren, it's almost OK. Don't forget the main purpose of the Lord's sending us out. There's no way to communicate with each other. It's us who's in trouble. Besides, the girl of Jiang's family didn't mean to be rescued. "

Ren Qiyun hesitated for a few seconds and snorted: "this matter is not so simple. Just now that the arrow tried to shoot me, this kind of person can't stay. Since those people saved the woman, they must know each other!"

Then, he looked at Jiang and asked the heaven: "ask heaven, I don't care who your sister was rescued. If I can't see your sister before sunset, you Jiang family will pay for her behavior!"

Chapter 512

"Let's go!"

With that, Ren Qiyun waved his sleeve and left directly!

Anyway, someone has to bear his anger!

It's a cheap woman who doesn't know how to live or die, or the Jiang family!

Otherwise, those people of Kunlun Xu may not know how to laugh at him!

The other elders took a look at Ren Qiyun and shook their heads helplessly.

This time, Ren Qiyun was the leader of the team, and in the clan, their discourse power was not as powerful as Ren Qiyun. Naturally, he could not refute it.

The Jiang family is dead.

.....

River in the middle of the river.

The breath on Ye Chen's body is already the ninth layer of Lihe realm!

It's only one step away from Zhenyuan realm!

He failed again and again, breaking through again and again!

The power of snake gall is completely integrated into his blood!

He's scarred!

The 30th impact started, a burst of roar, the world is colorless.

Pooh hee

Finally, a mouthful of blood can not help but spray out, ye Chen's face pale a minute!

"Not enough!"

The barrier of Zhenyuan kingdom is like a giant peak, which has been repeatedly shocked by terror, and is still standing still?

This makes Ye Chen look ferocious.

Bearing unimaginable pain and unimaginable danger, how can ye Chen stop here?

Boom

Ye Chen madly carries on the impact again and again.

Bursts of roar like substance burst from ye Chen's body.

The corner of the mouth continuously overflows a silk of blood, ye Chen looks pale as paper!

Failed! Failed! Failed!

All failed, even unable to shake the obstacles.

"Damn it! Is this great realm so difficult to break through? I don't know how long I've been in the mountains! "

Feel their own physical conditions, feel the true Qi is a little bit down, ye Chen secretly roared up.

Failure after failure, not even a glimmer of success!

Ye Chen really has a crazy feeling.

The obsession in his heart burst out!

Pain, killing, madness, giving up, all kinds of emotions are full of!

Fortunately, zhenhun Poyang stone makes him calm and relieve pain, so that ye Chen will not be possessed by the devil and do crazy things.

Even some things released by the ability of breaking Yang stone instinctively protect Ye Chen's whole body.

Otherwise, ye Chen is only afraid that under the impact of such madness, the elixir field has already cracked, the viscera and viscera are smashed, the muscles and veins are broken, and then he will die!

Naturally, Chen Tianli in the sky is aware of Ye Chen's condition and wants to remind him of something, but he still doesn't say it.

Some things need Ye Chen to understand.

He is just a guide, if you blindly interfere with Ye Chen's fate, it is extremely unfavorable for the reincarnation cemetery!

"Come on

A roar, ye Chen waved between, directly took out all the remaining snake gall swallow entrance.

Hua Hua Hua

Before swallowing a third of snake gall, ye Chen felt the endless benefits. At the moment, all the rest will be swallowed up. In Ye Chen's body, a heat flow erupts, just like a volcanic eruption.

The energy is climbing and seems to break through Ye Chen's muscles and veins.

"Not enough! Go on

However, ye Chen did not stop his madness.

Snake gall? Not enough!

Ye Chen doesn't want to drag on.

All the refined pills are swallowed!

Not only that, but also the expanding blood dragon directly from the sky!

Crazy rush into Ye Chen's body!

At the moment Ye Chen is covered by fire! Like a god of fire falling on the earth!

The whole body energy is surging, just like the surging waves, sweeping everything!

The energy emission of snake gall makes Ye Chen's body rise to an unimaginable height like a volcanic eruption. The losses caused by successive failures in the past have been made up!

At this moment Ye Chen has reached the limit. And now is swallowing so many pills, ye Chen's body seems to burst in general.

Pooh hee

This is Ye Chen, who has reached the limit. Under this burst of energy, the consequences can be imagined.

Under the counter current, the blood spurts out directly as if by the blood!

It has to be said that ye Chen at this moment is really crazy. If you are an ordinary person, you are afraid that under the impact of this energy, you can't die any more. But he is still holding on to his strong body!

As if walking in the middle of hell, as if climbing in the fire! The scythe of the God of death is hanging on your head. If you are careless, you will fall off the cliff!

Clenching his teeth, ye Chen makes a low and painful hiss."Break it for me!"

Finally, when this energy is about to run out of control and kill Ye Chen, ye Chen roars wildly.

Boom

With a roar, the mountain fell apart.

Internal energy, such as volcanic eruption, destroys the sky and the earth.

Boom

Thunder burst open, that momentum of energy under the operation of Ye Chen, forced toward that layer of barrier.

Click!

A crisp voice came, as if the world was silent.

Ye Chen can feel that the indestructible barrier, with the impact force as the center, cracks spread in all directions.

Poop

A mouthful of blood spurted out, ye Chen's face was pale, and his body swayed violently.

"Come again!"

Forcibly swallows down a mouth already to see to be about to erupt the blood, the Ye Chen sinks the voice to roar a way.

At this moment, ye Chen has red eyes, regardless of everything!

Hope has seen, how can we shrink from it?

Boom

Another roar!

Ye Chen launches the impact again!

Wow

Finally, under this impact, it was already a crack filled obstruction, broken!

Wow

The energy of the whole body almost ran away, as if to find a brand-new world.

Ye Chen only felt that his own body seemed to open up a new world.

Energy rushes in like a long river.

"Hoo Hoo Hoo..."

And that is to say, at the moment when this layer of obstruction is broken, the whole square is swept by strong wind.

In all directions, aura gathered towards Ye Chen.

The sea contains hundreds of rivers, and there is a big capacity!

This new world is the elixir field and the sea of Qi.

It's a real place!

Chapter 513

When ye Chen was ready to stand up, Chen Tianli yelled: "it's not over! Don't be happy too soon!"

Ye Chen a Zheng, suddenly, rolling thunder ring through!

The whole jiangdaoshan seems to have been shaken!

Thunderbolt!

The key to this thunder robbery, ye Chen can feel crazy and terror!

Ye Chen does not dare to be careless, condenses the true Qi, and directly climbs the momentum of the first layer of the true yuan realm to the extreme!

"Boom!"

A thunderbolt directly penetrates everything and smashes down towards Ye Chen!

Ye Chen can only carry it!

Only the first thunder robbery, almost let him grieve, his clothes were torn apart!

There is a burning smell on the skin.

"Why is the thunder robbery so terrible?"

Then hundreds of thunderbolt raids all blew down, it seems that ye Chensheng was not given the power at all!

Ye Chen looked at the sky so terrible thunder and lightning, a lying trough in his heart, no longer hesitated, the blood dragon virtual shadow in the body directly rushed out!

Around his whole body, it is the protection of death!

A blood dragon collides with man Tian Lei Jie. This scene is shocking!

But the blood dragon has not yet completely grown up, and is more and more weak!

"This life talisman, come out to me!"

Ye Chen pinched his finger, and a seemingly blank talisman rushed directly to the sky!

Countless thunder robbers have penetrated into the life talisman!

Crazy absorption!

"Well? His life talisman can absorb thunder loot. Not only that, he can feel that he seems to control these thunder and lightning! "

Ye Chen is so happy that he blows the Qi of Zhenyuan realm which is newly generated in the elixir field into his life talisman!

In an instant, this life charm is blooming with dazzling light!

One dragon, one rune, one person, crazy move, shake the world!

Chen Tianli had a little worried about ye Chen, but when he saw the picture in front of him, his eyes were surprised and shocked.

"This boy is even more interesting than I thought. This life talisman can integrate all things and resist thunder and lightning. If he really goes to Kunlun Xu, it is estimated that he will carry forward the spirit Rune of that guy."

"And the blood dragon, which has a strong sense of killing, is not afraid of thunder and lightning, and is extremely violent. The road of killing Daojun is extremely suitable for this boy."

"All these are opportunities. With the growth of this boy, the blood dragon and the talisman will become more and more powerful. It is estimated that in the end, the fate of our hundred people will depend on the boy's two mysterious powers."

Then, Chen Tianli looked at the sky. Above the sky, thunder and lightning rolled in, as if covering the whole Xiangjiang River!

His eyes became more and more complicated and frightened, and murmured: "who could have thought that the thunder robbery was caused by a boy who stepped into the real world? I'm afraid those who are strong in mind wandering can't do it. How strange! How strange

At the moment, the remaining guardians of jiangdaoshan are staring at the thunder robbery on the sky one by one.

"I have never seen such a large-scale thunder robbery. Is there a top-level strong man in Xiangjiang?"

A guardian of China.

Wan Lao glanced at the thunder robbery and the direction of falling, and said faintly: "it seems that ye Chen, the evil spirit, has broken through again. After this time, without the great power, the evil spirit can easily kill us."

"It's really irritating to compare people to people. That boy is only in his twenties, so against the weather?"

"The key is how he practices. Even if he has great power behind him, he can't break through so many things in a short time. Besides, it seems that the thunder robbery is not the thunder robbery of Zhenyuan realm."

The turbulent waves in the hearts of all, only fear in the eyes.

At this time, Bao Peimin came out with his hands on his back, took a look at the thunder robbery, and said faintly: "Mr. Ye is not something we can talk about in vain. His talent and strength are the most terrible I have ever seen in my life. Hua Xia is not his stage, Kunlun Xu is. The gap between us and him will be bigger and bigger. At present, everything should be from Mr. Ye's point of view Consider it. "

"It's said that Mr. Ye has set up the Ye family in the capital of China. If we have the chance, we will set up a platform for Mr. Ye."

People heard this sentence, nodded, no more to say, they are still shrouded in the shadow of Ye Chen that day.

In the capital of China, Ren Qiyun and several elders are practicing on the upper part of a high-rise rooftop.

There is a lot of fog and haze in the capital, but the aura is extremely thin. Only in the rooftop can we absorb a trace of aura.

For them, no matter where they go, they can't stop practicing.

As for absorbing the new blood of the clan, they have ordered their disciples to contact with the big families and forces in China.

Those Chinese families will definitely care about this kind of thing.

After all, if a Kunlun virtual strong one was born in the family, it would benefit several generations!

At this time, Ren Qiyun and the rest of the elders seemed to notice something and opened their eyes together!

They were stunned when they saw the thunder cloud on the southern sky!"Is it possible that someone in China has stepped into a state of mind wandering? Is there anyone in Huaxia who can break the mind wandering state? How is that possible? It's impossible to practice for a hundred years in such a thin land! "

Ren Qiyun stood up directly and stepped on the railing of the top floor. He was staring at the crazy thunder robbery in the south. His mind seemed to be shocked!

The thunder robbery was terrible. For a moment at least, he was afraid.

Who is it?

Who is breaking through?

The key to the power of this thunder robbery, it seems that the spirit of the land is not only!

His heart is completely wrapped in fear!

"Elder Zhu, you know about Huaxia. Look, where is the place of thunder robbery? We must find this person. If we take this person back to the clan, the Lord will praise us! Such a thin aura can trigger this kind of thunder robbery. I'm afraid it will be more terrifying to enter Kunlun void! "

"We will fight for this kind of genius at all costs."

Hearing Ren Qiyun's command, an old man in a long robe stood up, took a look at the direction, and then took out a map of China.

After a while, he closed the map of China, and then said seriously, "I report to the Lord, if I guess correctly, the place where the thunder is robbed should be in Guangzhou or Xiangjiang. As for the details, we have to send someone to check it before we can make a decision."

Ren Qiyun's eyes were full of crazy color, and said seriously: "well, I order you to take a plane now. You must investigate all the information of the breakthrough person. If you meet me, fight for it at all costs! Remember, at all costs! What he wants, we will be satisfied unilaterally! "

Elder Zhu nodded: "yes!"

Then, step out, jump directly from the tall building!

Endless free and easy and crazy!

After elder Zhu left, Ren Qiyun said with a confident smile: "it seems that the way of heaven is also on my side. As long as we find this kind of existence, he can be compared with hundreds of talented people!"

.....

Chapter 514

Jiangdaoshan, I don't know how long, thunder robbery gradually disappeared.

Everything returned to calm.

In the ancient square, a black youth opened his eyes, his eyes were extremely cold!

It's far away.

It's Ye Chen!

At the moment, he can clearly feel that his life talisman is full of powerful energy, as if it can break everything!

If such a terrible thunder disaster is to gather combat skills by the way of talisman, the power is amazing!

Even in Kunlun, Xu is a good card!

Ye Chen stands up, regardless of the body of the broken clothes and black body.

Crackling!

With Ye Chen this move between, his whole body muscles and bones spread like firecrackers general crisp crack sound!

It's not fun to talk about reinventing yourself.

Stepping into the realm of Zhenyuan, ye Chen has experienced great changes both in terms of flesh and blood and in terms of his whole body bones.

With the relaxation of muscles and bones, ye Chen feels unprecedented lightness and ease.

"Burning sky palm!"

A cold hum, ye Chen a step across and out.

The flame covers the whole body, and the virtual palm suddenly forms and explodes directly!

Along with this one hand blows out, ye Chen mobilizes the whole body's strength. Between a thought, the energy in the field of elixir is surging!

Endless energy is like a river rushing out, and the whole body's genuine Qi is poured into the right arm!

Boom

Under the support of powerful energy, this palm blows out like a volcanic eruption.

The strong palm wind exploded, shaking the entire square roaring!

Bang

A powerful gas explosion was generated, and the terrible palm wind roared and roared.

Whoosh, whoosh

The wind and fire lasted for a long time before the curtain came to an end.

Until this moment, ye Chen slowly took back his hand.

"Zhenyuanjing is really powerful. If lihejing is a lake, then zhenyuanjing is a big river! The elixir field is not only expanded by more than ten times, but also will not result in the exhaustion of the true Qi of the elixir field when he uses the burning sky palm or breaking the sky sword. What's more, he can feel that his whole body is full of strength. The gap between the present burning sky palm and the burning sky palm used in Lihe environment is not one and a half stars! "

"At present, if we face those guardians of China again, they can't resist a move! Even back to the Kunlun void, the strong in the blood alliance may not be able to move themselves! "

"This breakthrough has really benefited a lot. Who would have thought that it took me less than a month to step into the real yuan realm! If it is spread to the void of Kunlun, the old man or Ji Siqing, or even those powerful people who once looked at themselves coldly, they might be startled by their chin! "

The corner of Ye Chen's mouth showed a glimmer of smile, the essence in his eyes twinkled.

At this moment, ye Chen's heart qi can't help rising. The world in front of him seemed to be bright.

Chen Tianli slowly fell from the sky and nodded with satisfaction: "yes, the power of snake gall and the power of zhenhun's breaking Yang stone are almost absorbed by you. I thought it would take you ten days and a half months to break through the Zhenyuan realm, but now I still underestimate you."

"Now that you have entered the realm of Zhenyuan, I can also teach you some good sword skills."

Chen Tianli finished, with a wave of his big hand, the town soul broken Yang stone disappeared directly!

Obviously has entered the samsara cemetery!

"Master, I have absorbed almost the same ability of breaking Yang stone. Do you still need it?" Ye Chen has a wonderful way.

Chen Tianli nodded and then took a look at the two swords floating above the sky!

Soul sword! Breaking Yang sword!

"Sword

Chen Tianli roared, and the two swords flew directly over, and they were suspended around Chen Tianli!

"When you go up to the sword hall, I'll recognize your sword skills. If you want to master the sword, I'll teach you both skills."

"As for the zhenhun Poyang stone, it can not only carry the two swords, but also benefit the rest of the strong in the reincarnation cemetery."

Before the words were finished, the square vibrated!

The place under Ye Chen's feet is even more fragmented!

"Disciple, we have taken away and destroyed the treasure of jiangdaoshan. The ancient spirit protecting array has disappeared. If you want to start self destruction here, leave as soon as possible. As for sword skills, I will teach you when you return to the capital city! "

"What's more, I can't hold on to my actual state for a long time. I can only go back to the samsara cemetery and call me out when you've dealt with everything. I'll try my best to teach you some supreme sword tricks!"

Language down, Chen Tianli and town soul broken Yang sword into the reincarnation cemetery.

The black stone fell steadily.

Ye Chen directly put the black stone in his pocket and swept it towards the outside!

Faster and faster!

It's just amazing! Not long, ye Chen finally rushed out of jiangdaoshan!

Bao Peimin and several Chinese guardians are anxiously waiting in the distance!

When he saw the black lacquer and black Ye Chen appeared, Qi Qi was stunned. Then he arched his hand and said, "Mr. Ye, are you out of the customs?"

They noticed Ye Chen's breath one after another!

The original separation and reunion state, now ye Chen's realm, they simply can't detect!

Even ye Chen inadvertently reveals the look in the eyes, but is startled to the extreme!

As if a look is enough to determine their lives!

Ye Chen nodded to Bao Peimin, and then ordered, "the river is going to disappear. Let's leave here as soon as possible."

"Yes, Mr. Ye!"

A few figures crazy toward the mountain to steal!

When ye Chen and others arrive at the foot of the mountain, the dust rolls around jiangdaoshan instantly, just like a sandstorm.

Seeing this, Bao Peimin and the other guardians took another look at Ye Chen and swallowed!

Who could have thought that the young man not far away would remove the holy mountain of Xiangjiang directly!

I'm afraid the residents of Xiangjiang will be immersed in a long period of panic.

Even before long, there will be a page about the mysterious disappearance of jiangdaoshan in the unsolved mysteries of major bookstores.

No one in the world knows except a few of them.

.....

Not far away, a Rolls Royce phantom stopped, waiting for the dust to disappear, Li Jiacheng recovered from shock.

When he saw this in the car, his heart almost stopped beating!

Although he did not know what happened in jiangdaoshan, ye Chen's safe downhill was enough to illustrate the problem.

This young man, he Xiangjiang Li family, will do anything to please!

If offended, the consequences will be disastrous.

He even made plans in the car just now. Ye Chen has Tianzheng Group. Tianzheng Group's drugs have not entered the Chinese Xiangjiang and European markets. If Tianzheng Group has any intention, he will use its group to help!

Li Jiacheng got out of the car. The driver wanted to hand out his mask, but he refused. He walked quickly towards Ye Chen.

"Mr. Ye, my car is just over there. There is a hotel near me. Would you like to take Mr. Ye there?"

Chapter 515

After all, ye Chen looks a little embarrassed now, and bathing is naturally the first thing to do.

Ye Chen took a look at the appearance of the body, nodded and got on the car directly.

As for the destruction of jiangdaoshan, it's none of his business where the guardians of China will go. He believes Bao Peimin can handle it well.

To the nearby hotel, ye Chen simply took a bath, and then changed into a custom casual dress that Li Jiacheng asked the housekeeper to prepare.

The Li family planned to hold a banquet for ye Chen, but ye Chen refused. He took out the phone he had turned off. As soon as he turned it on, he found a pile of text messages and missed calls.

He just wanted to turn on one of them, but another phone call turned it on.

Dark hall ye Lingtian.

Ye Chen frowned and just wanted to say something. Ye Lingtian, the other end of the phone, said eagerly: "the master of the hall, your phone is finally through! Hall master, ye Lingtian asks for punishment

"What happened?" Ye Chen's tone shows a trace of seriousness.

"Report to the temple master, your mother has an accident, and the Jiang family in the capital city has an accident..."

Ye Lingtian tells everything, and he has no right to hide it. Although Jiang Peirong repeatedly asks ye Lingtian to hide it, ye Lingtian only listens to the hall leader.

Ye Chen's eyes are cold to the extreme, his body is emitting red light!

Shocking!

All the things in the hotel are wrapped up in evil spirit!

The furniture is broken! There are cracks on the ground!

The phone hung up.

Ye Chen's eyes go in one direction!

That's the direction of the capital!

"No matter who you are, you have no right to move my mother. The only way to insult my mother is to die! I can't help you today, even if it's your back! "

"What about the weak Kunlun people! The value of your existence is my stepping stone for ye Chen

No one can understand Ye Chen's anger!

Just a few days after he left the capital, someone would dare to move his mother!

Die!

When angry, another phone call came.

Wei Ying.

"Ye Chen, several people from dark hall and I are waiting for you at Xiangjiang International Airport. I also know what happened in Beijing. You can come directly and the private plane will take off immediately."

"Good."

Ye Chen hung up the phone and sat on Li Jiacheng's Rolls Royce again.

"Mr. Ye, where are you going

"Xiangjiang International Airport, the fastest speed." Ye Chen's tone has a negative meaning.

Li Jiacheng naturally felt Ye Chen's fury and did not dare to say more.

.....

Capital, sunset, red glow.

There is no artistic conception.

At the moment, Jiang family is quiet to the extreme.

Jiang Wentian and the injured Jiang Jianfeng are sitting on both sides of the living room, and their eyes are full of determination.

There are only two people in the Jiang family. It seems that all the strong people of the Jiang family have left.

At first, their eyes only had endless anger, but the more they went back, the anger became weaker and weaker.

How easy is it to talk about.

For a long time, Jiang Wentian began to speak in a low voice: "Jianfeng, I am a disciple of Luo Jianzong. I have something to do with elder Ren. Even if I don't hand over Peirong, he won't do anything with me. I can handle this matter alone."

Jiang Jianfeng shook his head. Although his face was weak and tired, his eyes were firm and resolute: "elder brother, Ren Qiyun said that he wanted the Jiang family to make amends. I can do it alone. It's not easy for you to mix up in Kunlun. It would be a pity if you were destroyed."

"As Pei Rong's second brother, I should bear my sister's sin!"

Jiang Wentian clapped the table and stood up: "sword edge! Since you know this truth, you should let me alone! I'm big brother. Everything depends on me

"Did you think about dad? Dad is in a coma, his injury is very important, now you need to accompany him! Instead of trying to be brave! The Jiang family still needs a person to carry the flag of the Jiang family! "

Jiang Jianfeng didn't speak. He looked at the red sky.

It's like blood.

It's like the fate of the Jiang family now.

All of a sudden, he thought of the blood dragon. If Ye Chen came back, would he be saved?

Thinking of this, he asked Jiang: "elder brother, do you know that I mentioned a person to you, ye Chen, Peirong's child?"

Jiang Wentian frowned: "what do you ask this person to do? I know this son's talent is not bad, but elder Ren and the others can kill this son with one finger. Peirong's family is too rough. Are you willing to let her children take risks? "

In Jiang Wen Tian Yan, although he has heard of Ye Chen's legend, it is obviously exaggerated.

Even if ye Chen really has the strength to kill the guardian of China, which is incomparable, he is in front of the elder of luojianzong.

Like a giant elephant and an ant, they can't be compared.

When Jiang Jianfeng heard this, he sighed for a long time, and his last hope was gone. When the living room atmosphere is serious, several figures come directly from the outside!

It is Ren Qiyun of luojianzong and other elders!

The spirit of killing suddenly formed!

Ren Qiyun closed his eyes and spread his spiritual knowledge. Naturally, he found these two people in the Jiang family!

His eyes are cold, and his eyes are on the river to ask the sky!

"Jiang Wentian, what do you mean? Not only did you not bring back the person I wanted, but even all the people of Jiang family moved out. Do you really think I dare not kill you? Don't forget, luojianzong elder is qualified to kill luojianzong's disciples! "

The sound is cold, the temperature of the whole Jiangjia courtyard has dropped a few minutes!

Jiang asked the sky, Mou Zi a Ning, opened his mouth: "Ren elder, I'll take all the things on my own. If you want to kill, you can do it!"

Jiang Jianfeng also stood up and said in a cold voice, "elder Ren, I'm the one who can make decisions in the Jiang family. If you want to kill me, kill me. Elder brother has nothing to do with this matter! I'm willing to trade my life for Pei Rong's! "

Ren Qiyun looked at the two brothers coldly and suddenly laughed.

Crazy and ferocious smile!

"Before I left, I made it very clear that between sunset, I would like to see that cheap woman, or the Jiang family would bear all the consequences!"

"This consequence, you should have misunderstood, not whose life can replace, but directly kill the door! Neither of you can afford it. If you can't give up that woman, all the people of Jiang family will die!
"

"Otherwise, what does Huaxia think of our Kunlun xuluojianzong?"

After hearing this, Jiang Jianfeng and Jiang Wentian's faces changed at the same time!

they never expected that Ren Presbyterian would be so heartless!

Just for a word, destroy the Jiang family?

This is too much!

Jiang Wentian stepped out step by step, his eyes were cold, and he said word by word: "elder Ren, you are using your power. I want to go back to Kunlun and ask the patriarch for instructions!"

Ren Qiyun shook his head helplessly: "ask God, I used to think highly of you, but now why are you covered by secular things? Do you think I will let you fall back to the sword school? Since I haven't seen the person I want to see, it's all about you two. "

"Elder Zhu, take these two men down!"

Chapter 516

After hearing Ren Qiyun's command, Zhu Changlao hesitated for a few seconds, but he still made a bold move!

Strong pressure from the cover!

Jiang Wentian and Jiang Jianfeng draw out their swords together and look at each other!

"Blade, you and I have never fought side by side. This time, we will die with glory and fight for the Jiang family!"

At least, we can't breed a coward

Words fall, two people rushed out with swords!

On the top of the sword peak, it seems that the air is divided into two.

Under the strong breath, the two men did not stop their swords, such as a fierce beast attacking elder Zhu.

They have no choice but to do their best!

Anyway, I have already offended you. I just want to be frank!

Elder Zhu also offered a long sword in his hand, sweeping a powerful wave of Qi. In a flash, he collided with their swords.

Boom!

At this moment, all the tables and chairs of the Jiang family were shattered and completely disordered.

Stars collide, but so!

The overflowing sword spirit has made Jiang Wentian and Jiang Jianfeng weak.

But elder Zhu was not well, and he stepped back.

He never thought, these two people really move real!

"There is no turning back."

The weapons collided in the air, making a sharp noise.

The fire flashed like a rainstorm.

Jiang Wentian's face is pale, but Jiang Jianfeng's face is pale! Both of them have already stimulated their strength to the extreme, even beyond the extreme.

But the gap is too big!

One is the elder of the clan, the other is the disciple and the injured. How to fight!

The naked eye can see that during the confrontation, the momentum of Jiang Wentian and Jiang Jianfeng was suppressed and began to recede. Gradually, the light on his sword moves began to dim.

In front of Zhu Changlao's face at the moment, there are mole ants!

"Jiang Wentian, you give up. It's worth a woman's life for your Jiang family."

Zhu Changdao.

"No way!"

Take a deep breath, Jiang asked tiannu and said.

In the long howling sound, Jiang Wentian's whole body Qi rushes forward like a torrent, covering the sword with no stinginess!

Boom!

It's a torrent of domineering energy again!

But it doesn't work!

Elder Zhu's sword spirit is more powerful, as if to break everything!

"No!"

Unwilling to hiss and roar, Jiang Wentian's blood spurts out. His whole body is like a kite with broken line, swept out in the storm!

Hit hard!

The stalemate is over!

Not at all!

Jiang Jianfeng just wanted to make a move. Ren Qiyun, who has been watching the war nearby, has appeared in front of Jiang Jianfeng.

"Just mole ants, still want to resist? Go away

Jiang Jianfeng was also bombarded and sprayed with blood. He was extremely embarrassed!

Ren Qiyun looked down at them and shook his head. There was a sword in his hand.

His eyes were cold and cold.

"Some rules can't be changed. The killing starts with you two."

The sword in Ren Qiyun's hand was just about to fly out, but a cold voice rang through!

"Stop it!"

Everyone was shocked, and a woman came out of the door!

Jiang Peirong!

The injured Jiang Wentian and Jiang Jianfeng shrunk their eyes and roared: "Peirong! What are you doing here! Go away

They are angry! Why did my sister come to die!

Jiang Peirong glanced at the two people and was deeply touched. She clenched her fists and then looked at Ren Qiyun: "this is from me, and it's up to me. I'll bear all the consequences. I'll come here at sunset. Can you let the Jiang family go?"

Ren Qiyun's sneer at the corner of his mouth is gloomy. With a wave of his arm, the gate of the Jiang family is closed directly!

"I'm sorry, I've changed my attention. The Jiangs have disappointed me and there's no need to exist."

"But if you voluntarily kneel down in front of me, I can think about it."

Ren Qiyun's tone is full of fun!

Hearing this, Jiang Peirong shrunk her eyes, bit her teeth, and took a look at her two brothers. She did not hesitate any more and went down on her knees!

"I hope you keep your promise!"

Seeing this scene, Ren Qiyun's expression is very satisfied.

It's like he can control everything!

Looking at the whole China, who dares to block themselves!

Seeing Jiang Peirong kneeling down, "bang!" All of a sudden, a sudden change!

The gate of Jiangjia is directly smashed!

The sound was so loud that almost everyone was scared!

All eyes together toward the gate, only to see a young man in casual clothes standing proud.

Eyes cold, scarlet! Like a wolf with red eyes!

Ye Chen is here!

Jiang Jianfeng and Jiang Peirong's eyes were in the same breath. They didn't expect Ye Chen to appear at this time!

With a monstrous evil intention!

Ye Chen's arm waved, and an invisible air wave surged from the ground, directly lifting Jiang Peirong, who was bending her knee to kneel down!

Then he took a look at Jiang Jianfeng and Jiang Wentian.

He knew they were badly hurt!

He's really angry!

If you want to control the evil spirit, you can't control it. You can't control it!

He walked toward Ren Qiyun, and his cold words were even more resounding: "today, no one can move the Jiang family! No one has the right to make my mother kneel! "

"It's you who really kneel down!"

The eyes from hell shot at the elders of luojianzong together!

Especially Ren Qiyun!

"And who are you?" Elder Zhu frowned and said the doubts in the hearts of several elders.

Ye Chen strolls towards Jiang Peirong in idle court, and is in front of Jiang Peirong.

"Who am I?" Ye Chen pauses, and then says word by word, "I am the son of Jiang Peirong, ye Chen! Is the root of your mouth! How about it? "

Hearing this, elder Zhu laughed. Although he noticed that there was something wrong with Ye Chen's breath, he didn't think much about it. Instead, he said, "a man of common roots will also come to die?"

Ren Qiyun also opened his mouth and said, "little waste, it seems that you are looking for your mother to find a place? What kind of life, what kind of son! Don't you know that arrogance is also based on strength? "

Ye Chen ignored Ren Qiyun, but took a look at Jiang Jianfeng and Jiang Wentian, and then asked, "who injured my two uncles? Stand up, get down on your knees and cut your head! I don't want to do it! "

Language down, the air quiet to the extreme!

Everyone's expression seems to be frozen!

Let an elder of wanjianzong kneel down and cut his head? I'm afraid it's a psychopath!

Although Jiang Wentian hasn't seen Ye Chen, he still takes it!

The boy's temper is even hotter than Pei Rong!

He even busy way: "Ye Chen, you quickly back down, this is the adult matter!"

Ye Chen didn't pay attention to it. He looked at the elders in front of him and said, "I'll say it again for the last time. Who moves his hand, stand up!"

One second.

Two seconds.

When the third second came, elder Zhu stepped out, his eyes were cold: "little waste, how about my hand! In China, you are the first and the last to dare to be arrogant in front of us... "

Words have not finished, ye Chen moved!

Chapter 517

Cut the dragon sword and sacrifice it directly!

The first sword of breaking the sky sword! The Dragon cuts the sky!

This sword is more and more handy! Key leaf Chen can control everything!

Foot on the dragon magic body, ye Chen first hit!

Under the red glow, the sword light burst into the sky, tearing everything apart.

A sharp sword spirit, turned into essence, shot forward!

The world seems to freeze!

Within the field, the real gas is surging, endless force is surging!

The sword Qi seemed to tear the world apart. The world is in the silence of death at this moment!

Even if a few meters apart, renqiyun of the fallen sword sect and other elders, feeling the momentum of Ye Chen at this time, can not help but change their look.

Really Yuan state?

No, no! This sword and breath are far beyond the true yuan realm!

The momentum contained in the sword of Ye Chen That's horrible!

Is this just afraid that the strong man on the fourth floor of the real Yuan state will strike?

How did ye Chen do it?

I don't know how many people have a little doubt.

"Get out of here!"

The cold light flashed, and the gods and ghosts kept away. Facing the fierce sword spirit of Ye Chen, elder Zhu was dignified.

Obviously, ye Chen's strength seems to exceed his imagination.

"Hum..."

Hand long sword, jump up, a touch of purple light in the yard of the river home bloom!

If the dragon is empty, the purple light is devoured by the sword Qi of the leaf Chen.

Ding

A flash of light collision came.

Ye Chen's fierce sword spirit tears Everything, and elder Zhu's sword is broken directly!

Not only that, his body seemed to be stagnant!

No move!

After a few seconds, "put it!" One sound, the head fell down!

Blood gradually dyed, shocking!

At this moment, everyone was stunned, who could think of a 20-year-old youth will be so strong to pull the storm!

Can an elder of the key fallen sword sect be defeated?

A sword to cut the head?

It's too fucking exaggerating.

The sudden blow, like a hammer, cracked their hearts in pieces.

Jiangjianfeng and Jiang asked the sky to be confused!

Jiangpeirong is panicked. Is this his son?

Ren Qiyun was stunned in the place, and died in silence. He stared at Ye Chen so much and stared at it.

He didn't want to believe it, but it happened.

Kill elder Zhu, ye Chen eyes a set, fell on Ren Qiyun, the cold voice resounding!

"Ren Qiyun, give you a chance to kneel down, fan yourself ten palms, and then apologize to my mother!
I'm thinking about putting you a dog's life! "

This leaf Chen, the words at this moment let people feel boundless majesty and tyranny.

Direct bombardment Ren Qiyun! Who dare to think!

Although Ren Qiyun has such a moment of fear, naturally will not compromise! And not be scared by a little fart!

He drew out the cold sword and went straight to the leaf Chen!

"Little waste, dare to insult me! Find death! "

Ren Qiyun directly offered the unique learning of the fallen sword sect, and the sword fell for nine days!

The violent sword will form!

The wind is up!

Ren Qiyun is strong to the extreme!

"What rubbish sword method, just try what the master just taught me, ten thousand ways of killing sword!"

Ye Chen blows out with a sword, and the Qi of the body is like a torrent, gathering and coming out.

This is Chen Tianli on the plane to teach him!

Although only one sword, enough!

Brush

A sword came to the East, rolling the wind, leading to changes in the wind and the wind!

In the sky, deep red clouds, seems to turn into the devil, loud roar!

Boom

That one combines the power of heaven and earth sword light falls, let the people present, all color change!

Let the remaining several elder people fall sword, one after another.

This is a move How powerful!

Wandao extinguishes sword, suppresses opponent with the force of heaven and earth!

Ye Chen can only master the force of fur.

But for this sword drop is the gap between heaven and earth!

For a time, the sword light, like the Milky way in nine days, roared and fell.

"No..."

Ren Qiyun's sword was torn down for nine days. His cloak was distributed and he was suddenly carrying several blood traces, such as the dog who lost his family.

Looking at the sword light under the suppression of Ye Chen, the pupil shrinks rapidly and becomes extremely horrified.

Now he, all he can do is to fight hard!

Stop this move, and you have a chance!

The ghost knows where to jump out a demon talent!

The sword intention and strength of key opponent actually have rolling potential?Fangen?

The son of a bitch is a fan root, the whole world is a fan root!

Boom

He didn't want to urge his real Qi, in a short time, as much as possible to mobilize the energy!

Time is really in a hurry, it can't let him make more choices! He resisted with his sword.

Boom

In a flash, a roar exploded.

The two swords meet.

Boom

The smell of terror seems to have lifted the Jiang family courtyard to the sky.

Gravel flying, dust all over the sky, the sky above a thunder flash!

"Get down on your knees!"

The edge of the sword is blocked, and ye Chen roars.

Boom

Second power, more powerful!

Is there an end to the power of heaven and earth?

Puff, puff

Ren Qiyun's blood spurted wildly, his face suddenly pale!

Click

A crisp sound came, and the sword in his hand seemed to begin to crack.

You know, this sword is a magic weapon. It is invincible! Now it's broken in China!

How could it be!

His body suddenly trembled. Under the explosion of Ye Chen, Ren Qiyun bent his legs and was crushed by Ye Chen and knelt down among the ruins!

"My hand

Death suppresses Ren Qiyun, ye Chen cries out.

Ren Qiyun's cold eyes are full of blood, and he is unyielding.

But what qualifications!

He can't resist the young man in front of him!

"No way!"

Ye Chen's eyes are cold, step out!

Take it with one hand!

"Pa!"

A slap is extremely clear and crisp, and the violent force directly makes Ren Qiyun spit out a mouthful of blood!

To the extreme!

Ren Qiyun reacted and said angrily, "I am the elder of luojianzong. You..."

Words have not finished, ye Chen is a slap fan out!

This slap, Ren Qiyun's teeth all spit out!

Big mouth of blood, ferocious release!

"Don't talk about luojianzong. Even if the master is here and moves my mother, he will die!"

Then, ye Chen slapped out again!

This slap directly deformed Ren Qiyun's cheek!

It's six or seven meters! Hit the wall! The walls fall down!

Ye Chen's anger, who dares to bear!

Three palms, Ren Qiyun is almost between life and death! Even in a coma!

"No use?"

Ye Chen came to Ren Qiyun, his five fingers clasped on his neck, held it high and smashed it violently!

"It's not so easy to die!"

It's a big bang!

Trembling world!

Ren Qiyun is bloody! Groan!

"No No! Ye Chen, I will not let you go... "

Ren Qiyun roared heartrendingly.

Stab

Tear and pull

Soon, his roar turned into a scream.

Bursts of tearing sound in the red clouds spread and open, thrilling!

Boom

Ye Chen kicks out directly, Ren Qiyun's whole body blood, dyed the rosy curtain red!

The world is quiet.

Everyone, looking at this scene, is like a dream!

Ye Chen is too terrible!

And almost killed such a strong man with the momentum of crushing?

Chapter 518

Although Ren Qiyun's strength is not the strongest of luojianzong!

But we can't underestimate it!

But such a powerful existence, so crushed by Ye Chen!

The elders of luojianzong who witnessed everything were confused and even subconsciously stepped back!

Their eyes stare at Ye Chen's figure, want to breathe, but feel an invisible force to hold their throat!

Madman!

A real lunatic!

Ren Qiyun at the moment mouth constantly big mouth spit out blood.

He felt as if his body did not belong to him.

Just as he was about to speak, a big hand swept over him!

The strong wind howled, "pa!" Another slap in his face!

His whole body was lifted up again!

Not only the whole body is blood, but the whole face is distorted!

He ignored everything, took a pill from his arms and took it directly!

After the entrance of pills, the injured body finally felt better.

But ye Chen came to Ren Qiyun again!

At this moment, Ren Qiyun's eyes are full of panic!

He's panicked. He's really flustered!

The key is that he has no power to fight back!

This is in China, not Kunlun Xu. Why is there such a strong man?

Ye Chen did not continue to work, but quietly took out a pocket of cigarettes, pulled out a, in his mouth.

The spark ignited.

The clouds were twining.

"You know what to do next

Ye Chen indifferent voice sounded, no temperature.

It's like the judgment of the gods.

Ren Qiyun's eyes are full of bloodstain. He said word by word: "Ye Chen, do you know what you are doing?"

"Even if you are powerful, you can't be superior to a clan."

"The fall sword sect of Kunlun is a famous protector. You hurt me so much that I can't fulfill the assessment target of my disciples. Can you bear it? The whole capital may have to make amends for you! "

Finish this sentence to Ye Chen, Ren Qiyun's eyes are burning to ask the sky to the river!

Jiang Wentian is the most qualified disciple of Luo Jianzong!

"Jiang Wentian, ye Chen doesn't understand the rules of Kunlun, you should understand it! If the Lord of Luo Jian sect is angry, do you think he can bear it? Or is it that the whole China can bear it? "

Jiang Wentian hesitated for a few seconds. He knew the seriousness of the matter in front of him.

Although he wanted to kill Ren Qiyun, he had no choice.

Ye Chen can crush Ren Qiyun, but can he crush the whole Luo Jianzong?

The hundred strong men of Luo Jian sect, the inner gate and the outer gate, the hall of elders, the patriarch and the ancestor, are not the things ye Chen can fight against.

If for the sake of a moment of refreshing, let the river family sink deeper and deeper, that is really more than the gain.

Now things are out of control. If it goes on like this, great things will happen to both Chinese martial arts and Kunlun void!

Thinking about everything, Jiang Wentian looked at Ye Chen and advised him, "Ye Chen, let's stop this matter. You don't know something about Kunlun Xu. If this matter is known by those big people, the consequences will be unimaginable."

"Ye Chen, listen to my uncle and stop."

But Jiang asked the sky's words, ye Chen did not pay any attention.

Smoke wrapped Ye Chen, can only see a pair of eyes like the devil.

Stop?

How can ye Chen stop!

If he stayed in jiangdaoshan for an extra day, how would things go?

The mother knelt in front of this man and was pulled away from the spirit root!

Once the spirit root is pulled away, it is not as simple as becoming an ordinary person! Maybe even die!

Mother's accident, Jiang family destroyed!

This is his nightmare Ye Chen!

How could he forgive!

What about luojianzong? Don't say that luojian sect is a small sect, even if the top one of Kunlun's virtual schools is coming!

The result is still the same!

He doesn't understand Kunlun Xu?

Ha ha! During his five years in Kunlun Xu, he tasted all kinds of pain and coldness. He knew the operation rules of Kunlun Xu better than anyone else!

Jiang Wentian takes a look at Ye Chen and knows that the other party is not ready to let go, so he looks at Jiang Peirong.

At present, it is necessary to tie the bell.

"Pei Rong, please persuade me. We should consider the overall situation."

"By the way, don't you want to rescue Ye Tianzheng? It's inevitable to step into Kunlun void. If you offend the luojian sect, there will be only disadvantages and no benefits. Although I am also angry, this is the rule of Kunlun Xu..."

Jiang Peirong heard this, her eyes slightly coagulated, hesitated for a few seconds, went to Ye Chen's side and said in a soft voice: "chen'er, let's just let it go. There's nothing wrong with mother and Jiang's family. What's more, you've hurt each other like this. It's almost even." Seeing Jiang Peirong come to persuade him, ye Chen put out the smoke in his hand and relaxed his eyes a little bit: "Mom, how is your injury?"

Later, he took out a bottle of liquid medicine from the samsara cemetery and said to Jiang Peirong, "Mom, you will feel better if you drink this first."

He could feel the pain in his mother's body that he had to endure.

Jiang Peirong took the medicine and tried to say something, but she swallowed it to her mouth.

She knows Ye Chen's temper. Once he decides something, no one can dissuade him.

But he must have his own consideration. She believes in her son!

"Mom, I will handle this matter. My Chinese Ye family is not afraid of any power, even Kunlun Xu."

"Some threats, if not eradicated, will only breed crazily, and then we will be doomed."

With these words, ye walked step by step towards Ren Qiyun!

Ren Qiyun's eyes shrink and want to retreat, but the invisible pressure has been covered.

"Ye Chen, don't make mistakes again and again!"

"If you do this, you will harm the whole Chinese martial arts world!"

Ren Qiyun has retreated to the corner of the wall, his body is still dripping blood!

Ye Chen stopped and said, "there are four slaps, kneel down and apologize! Then I will take away your spiritual roots and talents myself

Eye for eye, tooth for tooth! This is Ye Chen's principle!

Ren Qiyun did not expect that ye Chen would want to take away his spiritual roots and talents. Is this a madman?

Once a cultivator loses this thing, it is no different from a disabled person!

But he forgot that he also treated Jiang Peirong like that!

"Ye Chen, you are digging your own grave! As long as you are willing to let me go, I promise that I will not pursue it from now on! This is a happy situation

Ren Qiyun said excitedly.

"Everybody happy?" Ye Chen light way.

"Yes, yes, yes. I'll let Qiyun count."

When ye Chen heard this, he snorted coldly. Cang Long's phantom body was determined to surge. He was close to Ren Qiyun directly. His whole body was wrapped with strength, and then his five fingers clasped on the other side's neck again!

Right foot suddenly burst out strength!

Extremely strong!

"Click!"

Ren Qiyun's knee is directly crushed by Ye Chen!

Ren Qiyun kneels down on one foot!

"Ah

The voice of terror resounded!

Chapter 519

"I told you to get down on your knees, why don't you listen? You have to force me to do it

Ye Chen is a foot to step out again, "Ka Ka Ka Ka!"

This time, Ren Qiyun's knees were all broken and he knelt down in front of Jiang Peirong!

"There are still four slaps. Do you fan it yourself or do I do it?"

Ren Qiyun tried to hold back the pain. When did he suffer such humiliation!

But now he has no chance to resist!

What did he think of? He looked at the remaining elders and said in a cold voice: "this son has done such a thing that heaven and earth can't do. Don't you do it yet? With your strength, if you set up a falling sword array, you can surely kill this son! "

The elders of luojianzong knew that the situation was out of control!

The only way is to fall sword sect's falling sword array!

A burst of force can destroy everything!

This is the only way to kill the evil spirit in front of you!

Ren Qiyun roared, spitting out a mouthful of blood essence and shooting out: "quick! With my blood essence as the guide, if you don't kill this son, this son can't let you go! "

At the moment of the appearance of blood essence, the eyes of those elders of Luo Jianzong were serious, no longer hesitated, and their fingers pinched!

The sword at the waist and behind it all gushed out! Floating on the Jiangjia courtyard!

Several people together forced out a drop of blood essence, blood essence and Ren Qiyun's blood essence collision!

There is a bloody sword shadow formed between them!

"The shape of the falling sword is for the sky. It's the way to kill thousands of people. The way of the array is open!"

Words fall, the entire Jiangjia courtyard vibrated, as if a vision to come to the world!

Jiang Wentian sees this scene, Mou son seems to stare out, even busy way: "bad! This is one of the top ten killing arrays of Luo Jianzong! Ye Chen, be careful

The power of this array is far beyond Qi Yun!

Key three years ago, Jiang Wentian personally saw several elders use this array to kill a strong man in the Wonderland!

It's so easy!

Now, Ye Chen is in trouble!

No, but he wanted to help!

The falling sword array forms a strong wind, which directly envelops Ye Chen!

A few cold swords in the sky are full of killing intention!

It's like a blood mist, as long as a command!

When Ren Qiyun saw this scene, he did not care about his injuries. He laughed darkly: "Ye Chen, I have to admit that you are very strong, but even if you are a Chinese day, you can only struggle at the bottom of Kunlun void!"

"The strongest thing of Kunlun xuluo sword school is not the sword meaning, but the sword array!"

"Under this array, any strong person in Zhenyuan state will become a ghost! What's more, it also contains my life essence

"You must die now! After you die, your mother and all the people of Jiang family will be buried with you! This is the consequence of you offending my luojianzong! Ha ha ha

Ferocious laughter seemed to ring through the hall of Ye family.

In the eyes of Ren Qiyun and several elders of luojianzong, ye Chen is now in a situation of death!

Unable to return to heaven!

Who can stop the sword array formed by so many powerful people!

But at the moment, ye Chen in the sword array is incomparably calm, looking at the storm around!

One sword after another locked himself!

He was not afraid at all.

Even he took out another cigarette and lit it.

The most leisurely.

He has the inheritance of the talisman and is very familiar with the array in front of him, so he naturally knows the danger!

But how about that? For ordinary people, it may be a fatal situation, but for him, ye Chen, it's a chicken rib array!

"No, it looks like you're ready for it."

In the storm, ye Chen's voice sounded.

Ren Qiyun's face changed and he snorted coldly: "when you die, you dare to talk nonsense, move the array, and kill!"

The countless swords in the storm burst out!

The cold light twinkled and the shadow of the sword was all over the sky.

The sword spirit is awe inspiring, and the sword wind is howling.

At this moment, the Jiangjia courtyard is a sea of fire, and the storm at this moment is the closest place to hell.

Bursts of sharp whistling sound, from time to time, accompanied by one or two clear sword collision sound.

Ren Qiyun and other elders look at Ye Chen and find that the latter is actually closing his eyes at this time!

Give up?

I'm afraid I feel small under this array!

A few people mouth with cold eyes smile, they seem to have seen into the blood mist of Ye Chen!

At the moment when countless swords are going to penetrate Ye Chen's body!

Ye Chen opened his eyes!

"Rubbish array! Give it to me

Ye Chen roars, the blood dragon of body gushes out directly!

The rest of them, as well as some of the gods of Qi Xu, appeared! Dragon broken body?

Is this boy really a rebellious spirit root?

Just as they were in a trance, what did they discover!

With the blood dragon out of the body of the moment, there is a sword!

As soon as the sword came out, the swords above the falling sword array trembled violently!

"This is..." Ren Qiyun's eyes suddenly covered with a layer of deep fear.

Only the high-level spirit sword can arouse the will of the ten thousand swordsmen!

At present, the swords of Kunlun Xu are just like this!

Ye Chen has such a treasure!

He couldn't help thinking. The dragon's chant resounded like thunder, tearing the sky and breaking the dull atmosphere.

That cold light, if startled, lit up the whole world.

At this moment, the world seems to solidify!

Hum!

The silent world seems to be broken by a sound.

Ye Chen stepped out of the dark dragon and held the soul sword in the air. The cold light seemed to control the whole array storm.

Hua Hua Hua

The wind blows and the wind changes.

Within ye Chen's body, with the Dantian as the center, the endless true Qi is drawn out like the surging flood.

Almost all one's strength is concentrated on one move!

Inspired by the powerful genuine Qi, the terrible sword Qi covers all sides in an instant.

As if between, ye Chen's soul sword in his hand was wielded and turned into a dragon and tiger from the sky.

The image of heaven and earth, in this move, are vaguely moved by Ye Chen.

"How could..."

Seeing this sudden scene, Ren Qiyun was shocked.

He widened his eyes and screamed subconsciously.

Ye Chen has been forced into a desperate situation by them. He is clearly the bow of a strong crossbow.

In everyone's view, only failure and death are waiting for ye Chen.

But now, what's going on?

Ye Chen, who was in a desperate situation, had such a terrible momentum.

That breath, as if overturned this piece of heaven and earth.

The cold light seemed to tear the sky.

The image of the dragon and tiger diving down is more like the pressure of heaven and earth, which makes people feel chilly.

This What kind of sword skill is it! So powerful.

The falling sword array seems to be becoming very small at this moment!

This moment, Ren Qiyun was flustered.

Chapter 520

"What is the cultivation of this boy?"

"My God What a powerful momentum

"No, the falling sword array will be torn by force."

Not only Ren Qiyun, but all the people present were shocked to see Ye Chen's move.

What's going on here?

So amazing momentum, even let many people ignore Ye Chen in the fall sword array, surrounded by the thunder arc.

It was in jiangdaoshan that he absorbed the mutation of his life talisman produced by the thunder robbery of heaven!

Unfortunately, at this moment, no one can be quiet to savor the whole process of Ye Chen's moves.

People look at the momentum between Ye Chen's hand, and have already been appalled to the point where there is no more to add.

The dragon and tiger complement each other, as if they were suppressed by the force of heaven and earth. This What kind of move is it? Can Ren Qiyun resist?

Can the top ten killing arrays of luojianzong be blocked?

You're kidding!

"This is not the move that the strong in China should have at all!"

In the distance, Jiang Wentian and Jiang Jianfeng both stare at each other.

Ye Chen gave them too much surprise!

Jiang Jianfeng once thought Ye Chen was very small, but who knows, it's only a few months!

Ye Chen has reached the power to surpass the xuzong sect elder of Kunlun and kill the array!

On a tall building far away from Jiang's home, an old man, sitting on the roof railing and drinking a little wine, leaned forward at this moment, and his eyes burst out with a touch of awe inspiring light!

"I followed him all the way from Xiangjiang to the capital, but I found some amazing things. How could the grandson of the old guy have such strength? Interesting! How interesting

No one noticed that at this moment, the old man who was 100 meters away looked at Ye Chen's eyes, and was not sure.

Hum!

The world changes color, the entire Jiang family courtyard, at the moment, an uproar, almost everyone's eyes, are attracted to Ye Chen's body.

The dragon and tiger in the sky finally burst into the storm of luojianzong.

Stab

Just a burst of crisp tearing sound, originally that seemingly airtight storm was directly torn to pieces.

The cold sword with the handle turned into powder! Dissipate between heaven and earth!

Within this move, the falling sword array looks like a rainbow of sword moves, like a native chicken and a dog, and is vulnerable to a single blow!

Ding

How fast! How fierce! That's horrible!

"The sword array can't kill this son! What is the origin of this son! There is no such evil in China

Seeing the sword break, ye Chen's move is as powerful as a bamboo and continues to fall. Ren Qiyun's pupil shrinks and screams in horror.

"Not good!"

"Bang!"

A great noise!

The bodies of several elders who performed the array were all blasted by an invisible force!

Spit blood!

The power of regurgitation strikes in their internal organs.

Ren Qiyun also spits out a mouthful of blood! It's all wet!

Because the virtual shadow of the blood dragon is winding around his whole body now!

He can't move!

The ferocious longan is staring at him and will devour him at any time.

At this time, ye Chen appeared in front of him again.

Ren Qiyun's last line of defense was completely repulsed, and he slapped himself four times!

The four palms slapped, and his face was bloody!

"Mr. Ye, Ren Qiyun doesn't know Mount Tai. He doesn't dare any more. Please let me have a dog's life!"

As long as you can live, you can make a comeback!

He who knows the current affairs is a hero!

"Let you go?"

"Yes, yes, please forgive me!" Ren Qiyun is like a pug at the moment.

Hearing such words, ye Chen pinched his fingers and pointed at Ren Qiyun's eyebrows!

The next second, a ray of light seems to pull away from Ren Qiyun's body!

Ren Qiyun's eyes widened, and he found that his spiritual roots had been destroyed!

At the moment, he is a useless man!

Destroying Linggen is more painful than killing a person!

At this moment, Ren Qiyun can't help it any more!

"Ye Chen! Don't forget that your father is in the hands of the blood League! If you destroy me, you will completely offend the blood League. Your father is not qualified to live! No one of you is qualified to live! "

Ye Chen Mei Yu one Ning, thought of what: "it seems that you are not only the people of luojian clan, but also the people of blood alliance?"

Ren Qiyun resisted the pain and laughed: "sorry, it's too late for you to wake up!"

With that, he opened his hand, and a rune went straight into the ground and disappeared!

"This Rune will tell the story of today to the strong of blood alliance. You are doomed to be restless in this life!"

A dead fish catches the net! This is Ren Qiyun's final decision. Ye Chen's eyes twinkled with a sense of killing. The sword moved, and the light of the sword flickered. Ren Qiyun's ferocious head rolled directly on the ground.

The blood is getting stained.

Since he is a member of the blood League, ye Chen is more unlikely to stay.

Kill directly!

After finishing all this, ye Chen pinched his fingers, and a spirit Rune suddenly condensed into a rune and went towards the rune that had been drilled into the ground.

"Tear

Ren Qiyun's rune is torn apart!

Half dissipated, half completely disappeared.

Ye Chen's eyes have some serious meaning. Although it destroys the integrity of the information, some things will inevitably spread to the virtual blood League of Kunlun.

"Well, blood alliance, I will kill you. I have already offended me, and I don't care about the incomplete information."

After all this, ye Chen looks at the elders of the fallen sword sect.

That cold eyes, directly let those elders eyes shrink, have to kneel.

"Mr. Ye, this matter has nothing to do with us. We didn't mean to do it just now. Please let us go!"

"We assure you that we will never tell zongmen what happened today."

Of course, there is no change in the killing intention of Ye Chen's eyes.

Although this group of people is not dominant, they can not escape the relationship.

The key is that if these people spread today's events, they will also be a threat to him.

Ye Chen just wanted to start, Jiang Wentian stood out: "Ye Chen, or let these people go, they are not the main people..."

Jiang Wentian words have not finished, the air suddenly shot a few extremely powerful arrows!

The arrow seems to tear the air, with the wind whistling, through the bodies of those fallen sword clan elders!

Those elders of luojianzong who are still begging for mercy don't know how to die. They will die under the arrows behind them!

Fall down!

Jiang Wentian and Jiang Jianfeng changed their faces when they saw this scene!

This is going to the extreme!

When the time comes, luojianzong will blame him. What should I do! Must be the first time to blame Ye Chen and his body!

At the moment, ye Chen didn't pay attention to these dead elders at all. Instead, he looked at a building in the south of the Jiang family!

No longer hesitating, under the feet of the real gas furiously exploded, quickly toward the roof of the building to rush!

When came to the building, ye Chen a balcony step by step, soon came to the roof above!

He faintly saw an old man in white with his back to him!
