

Physician 5141

Chapter 5141

When people look at the hole, their hearts and minds are dying. The ground of tiandian is not an ordinary stone. The whole Beiling tiandian is built with some extremely strong spirit material. It's unimaginable that it can smash the spirit material out of such a deep hole!

No one can survive such an impact!

With trembling eyes, they looked up into the sky and saw

An expressionless middle-aged man in a white shirt is standing in the air

Even if they are ready, at the moment, countless people in Beiling temple are still shocked. A kind of despair is in their eyes. Zhongyuan Tu is the one who survived!

Ning Caixia, Ning ChiYin, Ren Lao, Bei Lingsheng and others all turned pale in an instant

This time, ye Chen didn't seem to be able to create a miracle again

But Xu shaotian, Qu Mingshi, Zhang Zimei and so on are ecstatic, this damned waste finally died!

Hehe, how dare you compete with zhongyuantu?

If you don't die, who will?

It's enough to crush the ants!

But at the moment, Zhongyuan Tu's face was not a bit happy. Instead, he frowned slightly. He looked down at his right hand holding the sword. There was a faint crack in the hukou, and a wisp of blood gushed from it.

The vitality of Taizhen warrior is extremely strong. However, this seemingly insignificant wound, somehow, has not healed for a long time

Although he lowered his level a lot, he could not be hurt by a mole ant!

In his mind, he could not help recalling the inexplicable breath that burst out of Ye Chen's body at that time

In the face of that breath, he felt a trace of the existence of emperor Zhongyuan, one of the top powers in heaven and man

Fear?

Just then, a strange sound suddenly appeared in the Beiling temple, breaking the original silence

At the moment when the strange sound appeared, everyone was looking at it subconsciously

Their eyes fell on the huge, dark, seemingly bottomless pit

People's eyes instantly enlarge, why is there a sound in that pit?

Isn't Ye Chen dead?

A very crazy idea, at the same time, in their mind!

Originally almost desperate beilingsheng, Ning Caixia and others are also in a moment after the dull, face now excited color!

At this time, a hand suddenly swept the eyes of the people, stretched out from the hole, and grasped the edge of the hole!

This is a bloody, white bone like palm, which is extremely terrifying!

But, see the moment of this palm, beilingsheng and others' eyes are completely bright!

The next moment, a red shadow slowly rose in the dark, climbed out of the seemingly bottomless abyss and reappeared in front of the public.

At the moment of seeing this figure, everyone felt a click

It's not so much a human being as a severely damaged corpse

In their opinion, no matter how tough the warrior is, his body is damaged to this extent, and he should have died long ago, right?

But what's weird is that the person who should have died quietly stood in front of them

It seems that the terrible injury has no effect on it at all

The master of this figure is Ye Chen!

However, now ye Chen looks not miserable, but terrible!

His flesh and blood almost seemed to evaporate, only a little remains on the skeleton, and the internal organs are broken, even the skeleton is full of cracks, it seems that it will collapse at any time

But ye Chen's face, relatively speaking, is still intact, and people can still see the indifferent look from his face!

The body is almost smashed, or a piece of indifference?

This scene, unspeakable horror, strange ah!

However, at the moment, for everyone, more is shock!

Unparalleled shock!

Even the horror of this scene is directly ignored

Because ye Chen really survived

He survived in the hands of Zhongyuan Tu, the most powerful man in heaven and man!

Although, it seems that ye Chen is crushed, but, can survive, is already a miracle in the miracle!

Won't Zhongyuan Tu also crush those who are too strong to be re elected?

Originally, those who doubted, ridiculed, and gloated, at this moment, the expression is only panic and weird, especially Xu shaotian and others!

These people's faces have been completely distorted. I wish I could rush up to give ye Chen two swords now!

They can see, although Ye Chen survived, but now the state has been close to the extreme, just a little bit, ye Chen really died! This makes them unwilling to the extreme!

But there's no way

Now it's no different to kill Ye Chen

Don't say it's them, even Zhongyuan Tu has been unable to fight, because in this moment, a group of Beiling tiandian high-level has been blocked in front of Ye Chen!

Ye Chen raised his head and gazed at Zhongyuan Tu in the sky. Although he was seriously injured, there was no fear in his eyes.

Even Zhongyuan Tu couldn't help praising: "you are very good."

This is because one warrior appreciates another

Ye Chen, however, pointed to the scarred Ren with no expression on his face and said, "Zhongyuan Tu, please remember that every scar you left on Ren today, I, ye Chen, will get it back from you in the future.

Blood debt, need blood to pay for it! "

With this remark, the whole Beiling temple will be boiling!

Even those who guard Ye Chen's high-level are all instant eyes bright!

They looked back at the young man who was almost broken, but their eyes did not waver. Their eyes were filled with surprise and excitement!

And those Beiling disciples are more direct!

For a time, bursts of cheers broke out in the Beiling temple, and countless people were drinking Ye Chen's name!

No matter what they thought of Ye Chen before, at this moment, a group of Beiling disciples have been completely convinced by Ye Chen!

Ye Chen is a threat to the supreme emperor of the Yuan Dynasty!

What's more, it's a threat with great weight!

In his twenties, ye Chen will be able to block the attack of the strong in taizhenjing. Who knows what kind of achievements Ye Chen will have in the future?

The most important thing is that ye Chen's threat and announcement is for the elder who was wounded in Beiling temple!

That is to give them Beiling temple in Changlian!

These tiandian disciples are not all good people, but most of them have the bottom line, that is, they are consistent with each other!

You don't bow to anyone!

Seeing Ren Lao injured, countless disciples are angry and want revenge, but they can't do it. They are not qualified to speak!

And ye Chen said what he wanted to say for them!

Chapter 5142

At the moment, Ren Lao's face appeared a helpless smile, but, looking at Ye Chen's eyes is gratified.

The high-level people of Beiling tiandian are also smiling. It seems that the people of Beiling tiandian were injured, but in fact, they won the battle!

And the reason why we can win is because of the proud disciple of tiandian.

The indifferent youth who dare to threaten Zhongyuan Tu and announce that he will pay for his blood!

The peerless evil named Ye Chen!

Zhongyuan Tu is silent for a moment. He looks at Ye Chen, and what is surging in his heart is the murdering opportunity. However, he knows that he can't do it now.

Now the Beiling temple is very powerful because of Ye Chen. If ye Chen is attacked now, those old guys in the Beiling temple will surely come at him more than mad dogs. In this case, even he can't guarantee that he can retreat completely.

He took a deep look at Ye Chen and said, "OK, I'm waiting for you."

Then he flashed back to the eagle's back and waved, "let's go."

With a sharp cry, the eagle flew to the distance, and a group of people from Zhongyuan tiandian broke through the space again.

This time, Zhongyuan tiandian was defeated!

After a short silence, a burst of cheers broke out again in Beiling temple!

Many people look at Ye Chen, eyes are blazing, ye Chen has been completely as an idol ah!

A group of high-level Beiling temple is also happy, with Ye Chen such disciples, why can't Beiling Temple rise?

Ye Chen is now the biggest hope of Beiling temple!

Originally, Ning ChiYin took Ye Chen as an exception, and many senior officials had opinions about ye Chen and Ning ChiYin

But now it has become support and appreciation!

Ning ChiYin, this is a treasure for Beiling tiandian!

But at the moment, the North Ling Sheng and others is the vision tiny flash, the next moment, then took Ye Chen to leave the square in an instant.

Soon, several figures came directly to an attic.

This attic is located on the main peak of Beiling holy mountain, which is called Xuanyi Pavilion!

It's a special healing place for the high-rise of Beiling temple!

As soon as beilingsheng and others take ye Chenfang into Xuanyi Pavilion, ye Chen's face sinks. Wow, he spits out a mouthful of blood, and the whole person's breath withers down!

Ning ChiYin quickly held Ye Chen and asked anxiously, "Ye Chen, how are you?"

She didn't let Ning Caixia follow her. She was worried that she would see this scene

Just now, after Zhongyuan Tu left, these strong people obviously felt that ye Chen's breath began to be unstable

Sure enough, even ye Chen had to bear Zhongyuan Tu's blow.

This blood spit out, it seems to make ye Chen quite painful, he bared his teeth and said: "the attack of taizhenjing strongman is really terrible, the Taoist rhyme that zhongyuantu penetrated into my body is like a conscious general, destroying my body, very difficult to remove..."

When Ren laowen heard this, he frowned and said angrily, "boy! Who told you to stand up all of a sudden? Do you think I'm really inferior to that kid of zhongyuantu? Old man, there's still a backhand that hasn't been used! "

He saw Ye Chen for his injury, is really angry, this kind of anger, from the elder care for the younger generation.

Beilingsheng is also concerned about the tunnel: "Ye Chen, how are you? I've ordered you to take out all the top healing pills in the Xuanyi Pavilion. Don't worry, I'll spare no effort to let you be OK! "

Ye Chen shook his head and said: "emperor, don't be so troublesome. This time, I'm a little hurt. However, give me three days, and I'll be able to recover."

Beilingsheng and others all look strange when they hear it. This guy is too abnormal

It will take months or even years for taizhenjingwu to recover from this kind of injury, right?

There may even be sequelae.

But ye Chen?

Three days to recover?

Even if they know ye Chen has reached the extreme, they still show their suspicious eyes.

Ye Chen helpless a smile way: "what I say, all is true."

He's not exaggerating. This time, he's really hurt badly. If he was, it might take him half a month to a month to recover

However, after he was injured, the benefits of Tianjie's best star pulse were completely reflected!

At the moment, his star pulse is constantly drawing the star spirit power from the void, and this star spirit power is of great help to the healing!

This made his healing much faster.

Moreover, after the breakthrough of Xuangong, ye Chen made great progress in the recovery of the body, and he also had more pure Xuanyao blood blessing. Therefore, it's no exaggeration for him to recover completely in three days.

However, in order to be on the safe side, beilingsheng and others still ignore Ye Chen's refusal and take out several kinds of healing medicine for him to take. Besides, Ning ChiYin pulls Ye Chen and daubs some kind of healing plaster on his whole body. Well, the places that should be touched and the places that shouldn't be touched have been touched. Even ye Chen is blushed by Ning ChiYin's reckless character

However, it's not contradictory. After all, from the aspect of appearance, Ning ChiYin is also good.

With Ye Chen's thrilling vitality and several kinds of healing medicine, ye Chen completely recovered one day later.

Such a result can be said to surprise beilingsheng and others once again

After recovery, ye Chen left Xuanyi Pavilion and returned to taijue hall.

As soon as he came to taijue hall, ye Chen was stunned. At this moment, all the disciples of taijue hall, including Li Wuwang, were waiting in front of the gate of taijue hall to welcome him!

When the disciples of taijue hall saw Ye Chen, they all bowed and saluted one after another and said, "Hello, elder martial brother Ye!"

They saluted so sincerely that their heads almost touched the ground

Li Wuwang also laughed and said, "I, Li Wuwang, have a good disciple!"

Wu Xinshan was very excited and said to Ye Chen: "younger martial brother ye, because of you, our taijue hall has completely turned over. Now, our taijue hall disciples will never be bullied again when they go out!

Because the disciples of the other halls all know that there is a Ye Chen in taijue hall! "

With that, his eyes turned red and he said, "younger martial brother ye, thank you. Thank you. We can finally walk out of the taijue Hall..."

The disciples of taijue hall all had the same expression. Some of them even shed tears. They looked at Ye Chen with incomparable respect!

From today on, ye Chen is their Savior, the God of taijue temple!

Ye Chen looks at the disciples of taijue hall. He has some feelings in his heart and goes out of taijue hall. It's very common for the other disciples. For the disciples of taijue hall, it's always a kind of extravagance

Chapter 5143

Although taijue Temple disciples are more or less involved in the temple of heaven with some elements of luck or relationship, they don't ask much, just like others can walk in the temple of heaven normally. Is that too much?

Fortunately, everything is different now.

Ye Chen's eyes twinkle slightly. Since he has joined taijue hall, he is a member of taijue hall. Then, he has the responsibility to let taijue hall stand up again!

Ye Chen looked at all the disciples and said seriously: "Dear martial brothers, I, ye Chen, promise you that from now on, the disciples of taijue hall will be no worse than those of any other hall! Even, the three words of taijue hall are more glorious and proud than any other hall!

If anyone dares to insult taijue hall and bully my disciples, just call me back!

Anything, I carry it

Li has no hope to smell speech, looking at Ye Chen more satisfied, even moved, perhaps accept Ye Chen as an apprentice is he this life has done, the most correct choice?

And the disciples of taijue hall roared up to the sky, crying and roaring to vent their anger!

Ye Chen nodded. He knew that if taijue hall wanted to really stand up, it was not enough to rely on him alone. All the disciples had to grow up together!

In order to let them grow up, the first step is to help them find their blood!

Belong to the blood of the warrior!

In this world, there is no blood, can only be a lifetime grandson.

.....

Donghuangtiandian, Shenjiu Pavilion.

Bang of a broken ring, a gorgeous wine bottle was smashed into a smash!

The Eastern Emperor forgot the opportunity and looked at a man who came to report to him angrily:
"what do you say? Zhongyuantu, that guy, failed? Didn't you kill Ye Chen? And they didn't get shark wings back? "

The man kneeling on the ground trembled and said, "it's just like this, but ye Chen is seriously injured..."

The Eastern Emperor's face was gloomy and seriously injured?

Seriously injured, it's useless!

That day in Yan true domain, leaf Chen all wound become what appearance?

Isn't it alive now?

If you don't kill the boy completely, it's useless to have multiple injuries!

Originally, the Eastern Emperor had already begun to prepare for the celebration banquet. When he chose good wine here, did he get such a message?

He was so angry!

He was biting his teeth, angry at the same time, vaguely, there was a trace of depression, a trace of horror

Can ye Chen bear the blow of Zhongyuan Tu's suppression power now?

Who knows, in a few months, how far he will grow?

We must kill Ye Chen as soon as possible!

What are you going to do?

The Eastern Emperor forgot the opportunity and was in a hurry!

.....

Three days later.

Ye Chen, who was practicing in Lingxing Pavilion, suddenly opened his eyes. A melodious bell reverberated in the whole Beiling temple.

A touch of curiosity appeared on Ye Chen's face.

He knew that the bell was a signal for all the disciples of the temple to gather in the square.

What's the call for everyone?

The next moment, he left Lingxing Pavilion and headed for tiandian square.

Soon, ye Chen came to tiandian square and stood with a group of disciples of taijue hall.

In a short time, many disciples of the whole temple had already assembled.

A dignified and noble middle-aged man in his thirties came to the front of the square and gazed at a group of disciples. It was Beiling emperor, Beiling Sheng.

Beilingsheng saw the crowd coming together and said slowly, "this time, I'm calling you here to announce a news

Xuantian stele will be opened again soon. "

As soon as this remark came out, the whole square suddenly became restless. Many disciples were surprised and talked about it one after another, with a faint look of excitement.

Ye Chen's vision is a flash, some don't understand, what is this Xuan Tian stele?

As if to explain to him, beilingsheng continued: "this Xuantian stele is a strange thing left behind in ancient times. It seems to be a hundred foot high stele. Most of the time, it looks very ordinary, just a stele without any special place. But once it comes to a certain time, it will open!

When the Xuantian stele is opened, words will appear on the original empty stele

These words are the names of some people!

To be exact, some people's names are engraved on the Xuantian stele!

Moreover, many of these people, you may have heard of them, or even know them. Everyone who can engrave a name on the Xuantian stele can get the qualification to enter the Xuantian stele. It is said that there is a different space in the Xuantian stele, and there are countless treasures in this space!

Every warrior who enters the Xuantian stele can get a heritage or a treasure! All in all, it's a big chance. "Ye Chen smell speech, pour also don't have very big interest! But the next second, his face changed.

Because, the God of Xinghai in the reincarnation cemetery even made a sound on his own initiative!

"Boy, you have to go to this place!"

"Go at all costs!"

Ye Chen is a little surprised. The character of the God of the sea of stars is elegant and aloof, but he loses his temper at the moment!

Is this place related to the God of Xinghai?

Or is there an amazing secret in it?

Ye Chen is interested.

Here, he must go!

But at this time, beilingsheng said again: "but! It's not easy to carve a name on the Xuantian stele. Only those who have enough talent in martial arts can be recognized by the stele spirit. The more the talent goes against the sky, the higher the position of the name on the Xuantian stele will be! After entering the Xuantian stele, the more benefits you get.

However, I would like to remind you that everyone has only one chance to challenge Xuantian stele in his or her life, so you'd better challenge it at the peak

Originally also immersed in the excitement of the crowd, instantly calm down.

They know how hard it is to get the approval of Beiling!

The disciples who can join the temple of heaven are basically geniuses. However, even if these geniuses go to challenge the Xuantian stele, there is a 99% chance that they will not be recognized by the stele spirit!

Even, once Beiling Temple of heaven, there was a demon who went to challenge Xuantian stele, but failed!

It can be said that those who can leave their names on the Xuantian stele are among the demons!

For a moment, no one spoke.

There is only one chance. Naturally, everyone wants to challenge Xuantian stele with stronger strength. It is said that the top demon on the list that day has hope to stay on the Xuantian stele. It's just that he is too impatient to challenge rashly without fully realizing his potential. So, he failed!

Of course, more people don't speak because they know very well that they don't want to leave a name on the Xuantian stele.

Chapter 5144

Beilingsheng sighed: "the name left on the Xuantian stele is not permanent. It will be renewed every million years. Millions of years ago, the evil spirit of beilingtian Temple once engraved the name on the first place on the Xuantian stele. At that time, the whole beilingtian temple was very popular. Countless talents joined beilingtian Temple under the attraction of that name

But now, for thousands of years, the name of my disciple of Beiling Temple no longer appears on the Xuantian stele. Do you know what that means? "

Beilingsheng's eyes were slightly dim and said, "this means that my beilingtian temple has gone to the end. Now, I ask again, who would like to carve a name on the Xuantian stele? Come forward, if you will

A group of tiandian disciples are silent again. Although they don't want to see the decline of Beiling tiandian, no one is willing to gamble with their chance to enter Xuantian stele. They all hope to challenge in their peak state!

At this time, a figure out of the crowd, slowly came to the front of the crowd.

People toward that figure to see, but is tiny a Leng, this person is exactly Ye Chen!

Everyone, even beilingsheng, was surprised!

You know, ye Chen is only in her twenties now. She still has a lot of time to fulfill her potential!

According to the survey, the best age for inscriptions on Xuantian steles is within the range of one thousand years old, and the age plus is not too big.

Although the time interval of each opening of Xuantian stele is not certain, in most cases, it will be opened once every 100 years.

Even if ye Chen wants to carve a name, it's better to wait until the next time the Xuantian stele opens!

Beilingsheng frowned and said, "yechen, are you sure you want to carve the name now?"

Although Ye Chen is against the weather, he has only one chance. Even beilingsheng hopes Ye Chen can carve his name in the best condition.

Ye Chen just lightly replied: "it's my duty to recast Beiling glory.

I will certainly carve my own name in the highest position of Xuantian stele. "

Although its tone is flat, but this sentence, but completely ignited the mood of the people ah!

Even beilingsheng is in the eyes of God flash, faintly have some blood boiling!

The decline of tiandian is not terrible. What's terrible is that no one can stand up!

For a time, Beilingsheng's heart is also surging up a heroic spirit!

He suddenly turned his head and said to an emissary of the Tiandian Temple: "pass on the order and tell the heaven and human domain that Ye Chen of the Beiling Tiandian temple will engrave a Xuantian stele. After a million years, my disciples of the Beiling Tiandian temple will return to the peak and reappear the glory of that year!"

This time, not only the disciples of Tiandian temple, but also those high-level people were surprised!

Emperor, this is to create momentum for Ye Chen!

It's also a shock!

If these words spread out, it means that Beiling temple has already declared its position in front of the whole heaven and human world. Ye Chen is the most valued disciple of Beiling temple. If anyone dares to move Ye Chen, even for the sake of face, Beiling temple will never die!

Otherwise, even one of the most important disciples can't be protected. Who else would like to join Beiling temple?

After all, the people Ye Chen provokes are not ordinary characters!

It can be said that there have been two and a half troubles in the five heaven hall

Of course, there are benefits and risks in doing so!

The advantage is that once Ye Chen really succeeds in carving Xuantian stele, the reputation of Beiling Tiandian will be pushed to the top. Once he accepts new talents, countless talents will probably flock to him!

Very likely, ushered in a stage of explosive development!

However, the risk is that if ye Chen fails, Beiling temple will be disgraced. I'm afraid, it will continue to decline, and may even become a laughing stock.

Visible, North Ling Sheng to Ye Chen how trust!

Ye Chen, is not satisfied, for talent, he is a little confident.

.....

The next morning, a huge flying boat rose in the Beiling Temple of heaven. Many people stood on the boat. They went to watch the tianbang demons engraved with names. There were also many high-rise buildings in the temple of heaven!

Beilingsheng, renlao and ningchiyin are among them.

The reason why so many experts are sent out is to protect Ye Chen!

There are many people who want Ye Chen's life!

The next moment, the boat trembled, then turned into a streamer, instantly disappeared in the void.

.....

Nanxiaotian hall is built in the depth of clouds. At the moment, an ice cloud is covering an attic.

That ice cloud is spinning wildly, sending out the astonishing cold air, this rolling cold air, faintly unexpectedly is to ice up the whole Nanxiao tiandian!

At this time, the cold suddenly a convergence, all disappeared in the attic.

And in front of the building stands a man of extraordinary bearing, it is Nanxiao Fengqing!

At the moment, the corner of Nanxiao Fengqing's mouth is wearing a smile.

With a click, the attic door opened and a young man came out of the attic. The young man was handsome, but his long hair turned into silver white. He didn't have any special look on his face, but somehow he gave people a feeling of extreme cold!

This man is Lu Bing!

Lu Bing, as a whole, has changed a lot now, but the most frightening thing is his breath!

Lu Bing has made a breakthrough, and it's still a real world!

This cultivation may not be his strength, Lu Bing now has a very strong bottom card and leapfrog ability!

At the age of 400, I really live in the eight level heaven. I'm afraid not many people can surpass this talent even in the five heaven hall!

In a short period of time, the promotion of land ice is terrible!

Lu Bing saluted Nanxiao Fengqing in front of the door and said, "master."

Nanxiao Fengqing looked at Lu Bing, his face became more and more full of joy, and said: "well, I didn't expect you to wake up to the legendary ice cloud God body. Even in the ancient times, this God body was also the top physique. Even in the supreme world, it was good!"

The most important thing is that the ice cloud God body is very consistent with the inheritance of an old ancestor in our nanxiaotian hall. Now, you have succeeded in inheriting it. Not only your strength has improved by leaps and bounds, but also your potential has surpassed countless demons! "

Now, after the awakening of Lu Bing's divine body, it has been passed on. It seems that her heart and soul have become as strong as ice. At this moment, facing the praise of Nanxiao Fengqing, Lu Bing just said faintly: "thank you, master and disciple. I will live up to your expectations."

South Xiao breeze pure smell speech, looking at Lu Bing's eyes more satisfied, smile way: "with me."

The next moment, two people will appear in a palace, the palace is empty, the only eye-catching is in the center of the palace, a sword on the altar!

This sword, as if forged by ice crystal, exudes extreme cold light!

Lu Bing's eyes flashed and said, "master, this is..."

Nanxiao Fengqing said: "this sword, named cold sky, is a magic sword left by the old ancestor. Now, it's yours. Don't insult it. The old ancestor used cold sky sword to deter an era."

Chapter 5145

Even now, Lu Bing's heart is as cold as ice, and his eyes are filled with joy!

This cold sky sword is the real artifact of heaven and man!

This artifact itself has condensed the meaning of law, which is called the artifact of law!

At this moment, there are two mysterious runes of the law, which are whirling around the cold sky sword. The waves sent out by them make Lu Bing feel a bit of horror!

The cold sky sword is a second-class magic weapon!

The higher the level of law, the more terrifying the power of the artifact of law!

One is the lowest, nine is the strongest.

The two-level law artifact is already against heaven. Some people who are too strong in the real world even don't have one-level law artifact!

And some nine rules artifact can be compared with the Heavenly Sword falling from the supreme world!

Nanxiao Fengqing took down the cold sky sword and handed it to Lu Bing. He said faintly, "Lu Bing, during the time when you are closed, the Xuantian stele has been opened."

Lu Bing's eyes flashed and said: "master, with my current strength, I have confidence to carve a name on the Xuantian stele!"

He raised a proud smile at the corner of his mouth. Now, Xuantian stele should be the first evil of Zhongyuan tiandian, wuqingming. In the past, Lu Bing would never have thought of surpassing wuqingming.

But now, Lu Bing has a chance to fight against Wu Qingming!

Nanxiao Fengqing suddenly said with a playful smile: "not only that, ye Chen, this time, he will also carve a name on the Xuantian stele. Moreover, Beiling tiandian has announced to the heaven and human realm that ye Chen will become the first person on the Xuantian stele, and let Beiling tiandian return to its peak!"

Lu Bing was stunned when he heard the words, and then his face was in ecstasy!

Even though his heart is as strong as ice, he can't help laughing!

It's just a chance from God

A beat Ye Chen, let Ye Chen become a joke, let Beiling temple to decline the best opportunity!

As soon as he wakes up and gets the inheritance, the Xuantian stele opens. Moreover, does Ye Chen want to be the first person on the Xuantian stele?

Ha ha, ridiculous!

Lu Bing said to Nanxiao Fengqing, "master, with me, ye Chen can't be the first person on the Xuantian tablet. He can only be a joke. Beiling tiandian will also become a joke because of him!"

If we say that before, he had a little fear of Ye Chen, now, he has infinite confidence!

This damn bastard killed his brother?

Then you will always be teased by the people of heaven and man, and be a clown!

Nanxiao Fengqing nodded with satisfaction, and his eyes were cold and fierce.

On that day, Ning ChiYin taunted and disdained him, but he remembered clearly

But now?

Facts have proved that he is not wrong about Lu Bing!

Now Lu Bing is the devil of heaven and man, right?

Ye Chen?

What is it?

And the opening of Xuantian stele is the best chance to hit face Ning ChiYin!

Nanxiao Fengqing suddenly put away his smile, looked at Lu Bing and said, "Lu Bing, if you succeed in carving the first place of Xuantian stele this time, then I will let Li Er get engaged to you."

This time, Lu Bing is really excited, some can not believe the tunnel: "master, what you say is true?"

"Of course." Nanxiao Fengqing smiles.

Lu Bing's potential is now worthy of his daughter's.

However, Lu Bing frowned slightly and said, "but is Xiao Li willing?"

Since the strange space came back, Nanxiao glass has been searching for ye Chen all day. But Nanxiao Fengqing has no choice but to let him fall into a deep sleep, which is still in deep sleep.

For a monster like nanxiaoli, it's a waste of talent to let him fall asleep, but there's no better way

Nanxiao Fengqing's eyes narrowed slightly and said: "Li'er is cheated by that boy. He thinks that his talent is amazing, so he will like him. If you can prove that you are better than ye Chen, over time, you may not have no chance to make her change her mind!"

Lu Bing's eyes suddenly brightened when he heard the speech!

I'm looking forward to the name of Xuantian tablet!

I will have endless glory after this inscription, and hold the beauty back. What about ye Chen?

Then it will become a joke with nothing, or even be expelled from the gate wall of Beiling temple?

In that way, ye Chen will not be far away from death!

Just think about it, land ice is going to climax!

.....

The moonlight sheds a cold light, illuminating a winding valley. This place, called hanyue Valley, is located in the northwest of heaven and man.

Deep in the valley of the cold moon, there is a desolate stone forest. In the past, the stone forest was rarely visited, but now, it is very busy.

A young man and woman with surging breath gathered in front of a towering stone tablet, which is emitting a faint light and reflecting with the bright moon. The stone tablet is 100 feet high, and the carving is angular and rectangular. On the stone tablet, there are lots of names, but most of them are below 20 feet!

This stone tablet is Xuantian tablet!

At this moment, in front of the Xuantian stele, there are many men and women standing in the same place with dim eyes and dejected heads.

All these people, without exception, failed to carve their names!

Among them, there is no lack of some people who are at the top of the list!

At this moment, before a man walked slowly to the Xuantian stele, all the people around him subconsciously made way for him

The reason is very simple. This man is the third evil named Zhao Xingying in the list of gods!

For a moment, there was a look of expectation in the eyes of the warriors

Zhao Xingying is 980 years old, and his cultivation is about the sixth heaven of the true realm!

Although he has only six layers of heaven, he has killed a lot of strong people in the later period! Super combat capability!!

Tiandian disciples, not into God cangbang, but, Zhao Xingying's talent even in the tiandian, are called genius!

Zhao Xingying stares at the Xuantian stele in front of him. His whole body is full of charm, and his aura is surging. A frightening pressure is rippling in the valley of the cold moon. Many of the warriors' faces change suddenly, and they retreat to the rear one after another

It's hard for them to bear the pressure!

The next moment, Zhao Xingying suddenly hands, a sword light like lightning out, instantly lit up the whole Cold Moon Valley, people see the sword light is trembling!

Just a glance, it let their neck a cool, with a feeling of a strange place!

Zhao Xingying's sword is too strong!

For a moment, many people's eyes are bright up, with Zhao Xingying this blow, should be enough to engrave the name on the Xuantian stele, right?

Zhao Xingying's eyes are full of light, and his sword is carved on the Xuantian stele. The sharp light of the sword brings a series of sparks on the surface of the stele!

Everyone's look, also more and more excited!

But at this moment!

Everyone can't help shrinking their pupils!

Chapter 5146

Zhao Xingying's sword power is almost over, but

There is not even a scratch left on the stone tablet!

For a moment, the whole cold moon valley was silent

Everyone looked at the Xuantian stele with unbelievable colors. How difficult was it to carve a name on it?

Zhao Xingying's face was pale, and the light in his eyes faded rapidly. His pride was broken at this moment

At this time, a faint laugh sounded in the Cold Moon Valley and said: "is this the only way for the so-called God cangbang genius? It's ridiculous. "

All the people were shocked when they heard the words. Who even dared to mock Zhao Xingying?

Zhao Xingying's look is also instantly gloomy down, in the eyes of the murderer, now, his mood is not good!

But when he looked in the direction of the voice, his eyes trembled. He didn't refute. He lowered his head and stood in the same place!

All of a sudden, Zhao Xingying's eyes looked at him. He saw a young man with a little yellow face and ordinary appearance, but he was walking slowly towards the direction of the Xuantian monument. What he was wearing was the clothes of the East emperor's temple!

No wonder even Zhao Xingying can only endure in front of this young man!

However, Zhao Xingying would not be so unbearable if he was an ordinary disciple of the temple of heaven, but this young man's accomplishments were far above him!

This man is a really strong man, and his age is a little younger than Zhao Xingying, only 800 years old!

This talent is really against heaven!

The warriors in the Cold Moon Valley could not help sighing: "the demons in the temple of heaven are really terrible!"

Soon, the young man came to the Xuantian stele. Obviously, he also planned to carve a name on it!

Everyone's eyes were twinkling. I wonder if the genius of the East emperor's temple could carve a name on the Xuantian stele successfully, and what kind of achievements could he make?

The genius seemed to enjoy the attention of the public. With a smile of self-confidence, his wrist trembled, and a short gun appeared in his hand. The short gun exuded the atmosphere of antiquity. Obviously, it was not an ordinary thing!

At the next moment, a terrible pressure swept across the Cold Moon Valley, and a dragon roar suddenly sounded in the valley. A dragon shadow rose from the genius's long gun. At the moment when the Dragon shadow appeared, everyone wanted to submit to it!

This dragon shadow is a real soul of the ancient dragon!

At the moment when everyone's mind was trembling, the Dragon shadow had already collided with the boundless power towards the Xuantian stele!

With a loud bang, the dragon soul gun suddenly collided with the Xuantian stele, and the whole cold moon valley was shaking wildly. Zhao Xingying, who had just been shot, was completely pale. The power of this attack was totally different from that of him!

In an instant, Zhao Xingying's heart sank completely, and a smile of self mockery rose from the corner of his mouth.

Compared with the demons in the temple of heaven, it's not worth mentioning

The giant dragon was whirling around the Xuantian stele, flying wildly. The strong shock wave almost overturned all the people present. Finally, the light was collected, and the soul of the ancient dragon returned to the short gun!

At the moment, a name slowly emerged on the Xuantian stele!

An exclamation sounded in the Cold Moon Valley. On the Xuantian stele, the word "Qin Xun" has been added!

And, these two words, appear in the position of Xuantian stele 17 feet above!

You know, Xuantian stele, a total of 100 feet, most of the names engraved on it, are concentrated under 10 feet, every 10 feet, divided into a grade, can reach 17 feet, has gone against the sky to the extreme!

Everyone's mind will be engulfed by Qin Xun!

They look at Qin Xun's eyes, more worship, respect up!

At this time, someone exclaimed: "he He's Qin Xun. He's on the top of the East emperor's temple, and he's the top three in combat power! "

As soon as the words came out, there was a sound of cool air in the Cold Moon Valley!

It is worthy of being the top three evildoers in the list of heaven, and the top three gods in the list of heaven are not on the same level at all!

No wonder Qin Xun is full of disdain for Zhao Xingying!

For a moment, all the people were flattering and shouting: "master Qin is invincible!"

"Young master Qin suppressed the past!"

"Mr. Qin is one of the top talents in the world

Qin Xun's pride in his eyes became stronger and stronger when he heard the speech. Suddenly, a smile rose from the corner of his mouth and said, "it's only 17 feet. This achievement is only average in my child's opinion, but..."

His eyes suddenly froze a minute, said: "I heard that there is a boy named Ye Chen in the tiandian Hall of Beiling, also want to come to Xuantian inscription name?"

When they heard this, they could not help but calm down. They also heard the news. Many people came here to see what kind of person this evil was. Qin Xun said with disdain: "ha ha, is Beiling temple really declining? Do you have to rely on this gimmick to attract attention? This so-called Ye Chen is just a waste of heaven and earth. He also wants to carve a name on the Xuantian stele?"

What else can make Beiling tiandian reappear the scenery of millions of years ago? It's so funny!

Ladies and gentlemen, I advise you not to look forward to it too much. This boy is just a clown who was sent out by the Beiling temple to perform and win the favor of the public. Even I can only carve my name on 17 feet, let alone a piece of rubbish in heaven and earth?

To put it mildly, my dog may be better than ye Chen, isn't it? "

When they heard the speech, they burst into laughter!

They didn't expect that this so-called genius is nothing but heaven and earth!

Even if ye Chen is really evil, can he fight beyond his level and still be better than Qin Xun?

Not to mention seventeen feet, I'm afraid it's extremely difficult to carve names at one foot?

Want to suppress countless talents, create new records, and let Beiling tiandian return to its peak?

Do you dream?

After today, I'm afraid, this ye Chen will become a real laughing stock, right?

For a moment, ye Chen's name seemed to belong to a clown.

But at this time, a frightening martial arts idea suddenly broke out from the Cold Moon Valley. All the people who were laughing were instantly stiff. They felt that as long as they laughed again, their mind would be crushed by this martial arts idea!

A figure, shrouded in a shabby gray and black robe, appeared in front of everyone's eyes. The figure said coldly: "it's just a 17 foot achievement, so you're complacent? How can a frog in the well see the dragon in the sky? In their opinion, the Dragon above the cloud is just a tiny earthworm, isn't it?

Unfortunately, the dragon will always be the dragon, and the toad will always be the toad. Toad's pride can only be a joke. "

Chapter 5147

Everyone's face changed when they heard the words. Who is this man? Is he crazy?

How dare you ridicule Qin Xun?

Qin Xun's face was cold and overcast in an instant, and his eyes were full of fierce murders. The temperature of the whole Cold Moon Valley seemed to drop to below the freezing point in an instant!

At this time, the figure slowly raised his head, in the moonlight revealed a handsome face, especially a pair of eyes, very clear!

Immediately, someone exclaimed: "born Wuzi, Zhuyuan!"

This person is Zhu Yuan!

Previously, it was said that Zhu Yuan appeared in the desperate situation of King Wu, but since then he has disappeared and disappeared. Many people think that he is dead

But who thought, now, Zhu Yuan appears again!

Zhao Xingying was surprised to see Zhu Yuan, but his eyes were contemptuous.

During this period, Zhu Yuan has risen strongly, directly from about 200 in shencang list to within 100. Although Zhu Yuan has disappeared in recent months, the ranking of shencang list is still stagnant, which can not fully reflect his strength, but in his view, there is still a huge gap between him and himself.

He is in the top three of shencang list. Zhu Yuan, a demon with a lower rank, usually has no qualification to speak to him!

But soon everyone found out that Zhu Yuan's cultivation had broken through a lot!

Compared with the appearance of King Wu's desperate situation, it has been greatly improved.

But even so, what?

The gap with Qin Xun is still huge. I'm afraid Zhu Yuan's fate will not be very good

Sure enough, Qin Xun soon said with a smile: "who do I think it is? It turns out it's a dog raised by Ye Chen. This dog is really loyal. It's here to protect its owner?"

Zhu Yuan's face was expressionless when he heard the speech. When people thought Zhu Yuan was afraid and softened, a terrible sword suddenly came out of Zhu Yuan's body!

The sword is so strong that even Zhao Xingying can't help shivering. His eyes are full of horror!

At the next moment, the light of juejiang sword surged out from the short sword in Zhu Yuan's hand and turned into a brilliant light. With a flash of speed, it fell on the Xuantian stele!

Zhu Yuan, is actually direct to the Xuantian stele shot!?

Everyone can't help shrinking their pupils, and their attention is completely attracted by this sword!

However, most people, such as Zhao Xingying and Qin Xun, are sarcastic. Although Zhu Yuan is known as born Wuzi, his ranking on the list of gods is not too high. Even the top three Zhao Xingying can't be named successfully, let alone Zhu Yuan?

In their eyes, it's just self humiliation.

Qin Xun, however, is ready to ridicule Zhu Yuan.

However, at this time, in the turbulent light of the sword, a name appeared slowly on the Xuantian stele. Every stroke seemed to contain endless martial arts!

The people in the Cold Moon Valley are trembling!

I can't believe my eyes!

Zhu Yuan actually carved his name on the Xuantian stele

And, most importantly

The location of the name!

The light of the sword dissipated. On the Xuantian stele, there were two more words Zhu Yuan.

This name is 63 feet above the Xuantian stele!

The moment I saw the name, everyone was crazy

Sixty three feet

This achievement, too frightening!

The name of the whole Xuantian stele above Zhu Yuan is very few!

Besides, how old is Zhu Yuan today? Only 300 years old

In other words, Zhu Yuan's martial arts talent completely crushed Qin Xun!

At this moment, people looked at Zhu Yuan, just like looking at the God of martial arts!

In a flash, Qin Xun and Zhao Xingying look very ugly, especially Qin Xun!

Just now, he enjoyed the admiration of the people. In less than a minute, he was robbed of all the glory by Zhu Yuan?

However, just crushing Qin Xun with talent seems not enough.

Zhu Yuan said faintly: "my talent is not equal to that of the young master, but it is enough to crush you. If I am the young master's dog, Qin Xun, what do you think you are? Huh? How about pigs and dogs?

I just want to tell you that you don't even have the qualification to question the young master! "

Zhu Yuan pursues martial arts wholeheartedly, and ye Chen is the only one who makes him admire. In his heart, ye Chen is the incarnation of martial arts. He does not allow anyone to insult Ye Chen.

As for Qin Xun, Zhu Yuan had no fear. On that day, in the process of King Wu's desperate pursuit of Huang Jiu, he got the common guidance of three kings. In the past few months, he has been practicing in seclusion. His strength can be said to be advancing by leaps and bounds!

Today, although his cultivation is not inferior to others, his strength is not weaker than most demons!

With a loud bang and a terrible threat rising in the Cold Moon Valley, Qin Xun is now extremely angry. His body is full of spiritual power, his long hair is dancing, and his face is ferocious. He looks like a demon! Seeing this, Zhao Xingying and others immediately sneer. They know that Zhu Yuan is finished.

No matter how talented you are, what will happen?

How dare you pretend to be weak?

Don't you see Zhao Xingying, honest in front of Qin Xun?

Zhu Yuan's face was calm, and his dagger made a faint hum, ready to move.

Just when everyone thought that a great war was about to break out, a figure suddenly appeared in front of Qin Xun.

When Qin Xun saw the figure, his eyes flashed. He took back his breath and saluted: "Mr. Zhang."

When people looked at the old man, they saw that he was described as withered, white haired and bearded, as if he would die at any time

But when the people on the scene saw the old man, they all showed a look of great fear!

The breath of such an old man is as deep as the sea. They can't see through his realm at all!

However, they are sure that the old man's strength is extremely terrible, because as soon as it appears, people's hearts seem to be pressing a mountain!

Zhang Lao glanced at Zhu Yuan and said, "this boy's talent is really terrible. Qin Xun, I'm afraid even you may not be able to beat him."

"What

Qin Xun's face was extremely ugly, but he didn't refute.

Chang Chang was sent by the temple of heaven to protect his strong man. He was a real Taizhen powerful man. Naturally, his vision would not have any problem

He can't beat Zhu Yuan?

Although he knew that what Zhang said must be true, Qin Xun still couldn't accept it, and his eyes were full of unwilling color.

And all the people on the scene are even more incredible. Zhao Xingying is staring at Zhu Yuan

He never thought that the man he looked down upon had grown to the point that he could not reach!

But all of a sudden, Zhang was staring at Zhu Yuan and said again, "but today, I'm going to teach you, what's etiquette? Are you free to laugh at the people of the East emperor's temple?"

Chapter 5148

Zhang Lao's eyes suddenly turned to an empty direction and said, "Zhu Tong, you Zhu's children don't know etiquette. Are you going to let me teach you?"

As soon as the words fell, a figure suddenly appeared in the empty place. People could see that this man was a middle-aged man with a mustache and a brocade shirt. He looked like a good-looking man.

As soon as the middle-aged man appeared, he showed a very flattering and respectful smile to Zhang and said, "Zhu Tong, I've met Zhang! Please don't worry. I'll give you an explanation for you and Mr. Qin!"

Hearing this, Mr. Zhang snorted coldly. The Zhu family is a family located in the east of the heaven and man Kingdom, belonging to the upper middle power under the jurisdiction of the East emperor's heaven hall.

Zhu Tong is the owner of the Zhu family.

At this moment, Zhu Tong turned around and looked at Zhu Yuan. His face was already full of anger!

He was biting his teeth and yelling in his heart, "damned son, just like your aunt, you don't know how to praise me. How dare you offend the demons in the East emperor's temple? If you offend the East emperor's temple, it will affect the Zhu family! "

His eyes are filled with endless hatred. In fact, Zhu Tong has another identity, that is, Zhu Yuan's third uncle. But now, he doesn't look like he is looking at his younger generation, just like he is looking at his enemy!

And Zhu Yuan gazed at Zhu Tong, with the same expressionless face, extremely cold eyes, no emotion!

The next moment, Zhu Tong's figure flashed and appeared in front of Zhu Yuan. After two people looked at each other for a moment, Zhu Tong was direct and slapped!

With a loud bang, the palm hit Zhu Yuan's face hard and made Zhu Yuan's whole body fly. Blood and teeth flew out of his mouth, and half of his face was swollen!

Everyone was shocked

Zhu Tong is too cruel!

Zhu Yuan's face has been broken.

With a roar, Zhu Yuan fell to the ground heavily. He clung to his dagger, but he didn't do it

Zhu Tong is the master of Zhu's family, and his accomplishments and strength are still above Zhu Yuan. However, the reason why Zhu Yuan doesn't fight is not because of Zhu Tong's strength, nor because Zhu Tong is his own elder, but because his sister is still under Zhu Tong's control, so he can't resist

Otherwise, Zhu Tong is likely to vent his anger on his sister!

Zhu Tong looked at Zhu Yuan coldly and said, "kowtow to Mr. Qin and make amends."

When Zhu Yuan heard the speech, he just showed a sneer. This sneer fell into Zhu Tong's eyes, but it was extremely dazzling!

A wave of anger surged into Zhu Tong's heart. He suddenly raised his foot and stepped on Zhu Yuan with all his strength!

This foot, severely stepped on Zhu Yuan's chest, the sound of continuous click, ribs instantly smashed, debris into the lungs, Zhu Yuan face changed, suddenly spit out a big mouthful of blood mixed with visceral debris!

The whole person is weak!

Zhu Tong grabbed Zhu Yuan's hair and lifted it from the ground. He said fiercely, "make amends to Mr. Qin!"

And even if Zhu Yuan is seriously injured at the moment, the sneer on his face is still unchanged!

At this moment, Zhu Tong's eyes almost split. He is the master of Zhu's family, but this damned little bastard doesn't obey him?

This is more angry than Zhu Yuan's offending Qin Xun!

All of a sudden, there was a sharp sword in Zhu Tong's hand. He roared: "Laozi, I want you to apologize to Mr. Qin!"

As soon as the words fell, Zhu Tong was cutting out with a sword towards Zhu Yuan!

With a crash, the blood light suddenly appeared, Zhu Yuan's pupil suddenly shrank, and the next moment, one of his arms slowly fell off his shoulder

The whole Cold Moon Valley quieted down in an instant. Many people could not bear to look at this scene

Zhu Tong actually cut off Zhu Yuan's arm!

What's more, it's Zhu Yuan's arm holding the sword!

Even in this sword, Zhu Tong didn't leave a hand at all. He had a strong Taoist rhyme. This kind of injury is not so easy to recover!

In other words, Zhu Yuan is likely to lose this arm forever!

Seeing this, Qin Xun's face flashed an unexpected color. Then he laughed and said, "well done, Master Zhu."

Hearing the speech, Zhu Tong quickly bowed to Qin Xun and said, "Mr. Qin, I'm flattered. This boy still refuses to apologize. How about killing him and making amends to Mr. Qin?"

The reason why he was so cruel, in addition to disgusting Zhu Yuan, was to satisfy Qin Xun!

As for the fact that Zhu Yuan was Ye Chen's follower, Zhu Tong didn't pay attention at all.

Since ye Chen killed the disciples of the East emperor's temple in the desperate situation of King Wu, the people in the heaven and human domain have already known that ye Chen has a grudge against the East emperor's temple!

What's more, it's not a common hatred!

And the Zhu family is the vassal of the East emperor's temple. Even if ye Chen really gets the upper hand in Beiling temple, if he wants to fight against the Zhu family, he is beating the East emperor's temple in the face! Can the East emperor's temple allow it?

What's more, he was very clear that Qin Xun's position in the East emperor's palace was not low. If he could take this opportunity to hold Qin Xun's thigh, on the contrary, he could turn the bad into the good! From then on, the Zhu family may be on the way to prosperity!

What's the sacrifice of a little bastard?

Qin Xun looked at Zhu Yuan and said with a playful smile, "no, I'm very kind."

Then, step by step, he came to Zhu Yuan's face. Suddenly, his eyes flashed fiercely, and his short gun stabbed at Zhu Yuan!

Poof Yi a, this short gun, directly into Zhu Yuan's elixir, unexpectedly is directly Zhu Yuan's elixir, hit to pieces!

Qin Xun raised a cruel smile and said: "born Wuzi? The 63 foot evil in Xuantian tablet? From today on, it's just a useless person. "

Isn't it too cheap to kill Zhu Yuan like this?

And let a demon, become even ordinary people are inferior to waste, is the real life is not like death?

What's more, he also heard that Zhu Yuan was a Wuchi?

Well, that would be better. In this way, living is a kind of torture to Zhu Yuan.

Everyone can't help but swallow a mouthful of saliva when they see this scene. A promising genius is gone

It's just a taunt of Qin Xun

The world is so cruel that it can't be described.

And Zhu Yuan, his face has been pale, his eyes are full of despair, too sad!

Seeing this, Zhu Tong clapped and said with a smile: "ha ha, Mr. Qin, good means, I can't catch up with you."

Qin Xun was obviously in a good mood. He said with a smile, "Ye Chen's dog has come to this end. His master is probably not much better. Ha ha, I'm really curious. What kind of miracle can he create when he engraves the name of Xuantian tablet?"

Then he left the Cold Moon Valley.

And the warriors in the valley left one after another, leaving Zhu Yuan alone in a pool of blood. Now his elixir field is broken, and he can't work his aura. He has to rely on his constitution to fight hard, and his injuries are getting worse!

Chapter 5149

Zhu Yuan struggled to get up from the ground, but he couldn't do it all the time. On the contrary, more and more blood flowed from the wound, and his eyes became blurred. Finally, he fainted.

A piece of dark cloud floats over the night sky and covers the bright moon. The whole world turns dark in an instant. Zhu Yuan's figure is completely engulfed by the darkness. When the dark cloud floats and the moonlight reappears, a pool of blood is left in the original place, but no one is seen!

At the same time, on a huge flying boat, ye Chen, Bei Lingsheng, Ren Lao, Ning ChiYin and others stood in the bow of the boat and went towards the Cold Moon Valley.

At this time, beilingsheng suddenly looks a move, took out the message jade Fu, and then, his face is suddenly a sink, looking at Ye Chen slightly frown, seems to be thinking about something.

Ye Chen asks: "emperor, what's the matter?"

Beilingsheng sighed and threw the message jade amulet to yechen, saying, "have a look."

Ye Chen's face was puzzled. He took the jade talisman and sank his mind into it. Soon, a picture appeared in front of his eyes, and then a voice sounded

But ye Chen's pupil suddenly shrinks, there is no expression on his face, but there is a very terrible breath from ye Chen's body, diffuse and come out, even beilingsheng these strong men, at the moment, standing beside Ye Chen, there is a faint pressure in his heart!

The next moment, with a click, the jade symbol was crushed by Ye Chen!

.....

Qin Xun raised a sneer in the corner of his mouth, and he had no fear.

Even if it's Beiling temple, what? It's not easy for those high-level officials of Beiling temple to move him, is it?

Chapter 5150

At this time, ye Chen light mouth way: "what's your name?"

Qin Xun smell speech, complexion ponder way: "what's my name? You should ask your dog. He knows it very well

Ye Chen looked at Qin Xun and said, "is that right?"

At the same time, one of his hands was already on Qin Xun's face.

When they see this, they are all in a daze. They don't understand what Ye Chen is going to do

Qin Xun's face is even more angry. He suddenly turns on his aura. He's going to turn his upper body back and pull his face out of Ye Chen's hand. But

Qin Xun's heart suddenly clattered for a while, he opened his eyes, his eyes showed a look of horror, at the moment, he could not pull his face out of Ye Chen's five fingers!

It seems to be gently pressed on the palm of the face door, actually as if it contains tremendous power!

Inexplicable fear poured into Qin Xun's heart!

He was a little alarmed and said: "boy, let me have it..."

However, before he finished his sentence, a suffocating scene appeared!

Only see, Qin Xun's face unexpectedly is a rapid depression to go down!

As if, melt under the finger of leaf Chen general!

At the same time, a violent drink suddenly sounded in the Cold Moon Valley: "little bastard, don't give me stop!"

With the sound of drinking, a frightening to unimaginable pressure, instant outbreak, toward Ye Chen suppression and go!

At this moment, countless warriors in the valley trembled and fell on their knees without any resistance. It was as if the lamb felt the breath of the dragon. There was no room for resistance. All the bones of the lamb were crushed to a click!

And this, it's just a wisp of breath, it's not really aimed at them!

What's more, at the moment, most of the valley is still true!

It is conceivable how powerful the pressure is!

Zhang Lao's hand, too true realm strong person, terror like this!

The warriors kneeling on the ground look at Ye Chen one after another. In their eyes, ye Chen is dead. It's estimated that ye Chen will be crushed into a blood mist by this power in an instant?

But soon the pupils of these people were shrinking!

What they saw on Ye Chen's face was not the expression of fear and panic, but a smile

A smile of disdain!

The next moment, a scream sounded in the Cold Moon Valley!

This scream did not come from ye Chen, but from Qin Xun!

At this moment, his whole face was crushed by Ye Chensheng, blood gushed, Qin Xun's whole person also looked extremely miserable, terrible!

And ye Chen?

Hard against the old chapter of the pressure, mouth out of a trace of blood, but still standing!!!

Chapter old tiny a Leng, immediately, complexion then ugliness get up, he didn't expect, leaf Chen crest own prestige pressure also can hand?

He took a look at those high-rise buildings of Beiling tiandian, as if he thought of something!

Then, there was a wave in the air, and a haggard old man appeared in front of everyone.

Zhang takes a look at Qin Xun with his face covered and screams. His eyes are cold and his aura swings. He looks coldly at Ye Chen and is ready to ask

But this time, ye Chen didn't give Zhang the chance to speak. He asked faintly, "what do you call a little scum when you open your mouth? Old dog, didn't your parents teach you manners? It seems that I have to discipline you for them. "

On his face, the folds like bark trembled, and his eyes were full of anger!

Since he stepped into the realm of Taizhen, Zhang has been in the position of ten thousand people in the realm of heaven and man. Even if the emperor of Heaven Temple saw him, he would not talk to him like this!

Now, a boy in his twenties, in the realm of heaven and earth, even insults him directly and says he wants to discipline him?

Zhang Lao stares at Ye Chen and says with a smile: "I want to see how you discipline me!"

As soon as the voice falls, Zhang Laoyi raises his hand and grabs Ye Chen!

This action seems ordinary, but at the moment of his hand, people have a kind of illusion, as if the whole Cold Moon Valley is shrinking towards Zhang Lao's palm, as if the Cold Moon Valley is about to be swallowed by this catch!

Ye Chen said coldly: "how to discipline? It's easy. Find someone! Red sound elder sister, hand. "

Ye Chen can't be ignorant to resist such a strong man, but he doesn't come alone!!!

In a flash, another strong breath rose up in the Cold Moon Valley. In front of Ye Chen, a beautiful woman suddenly appeared. Although she was beautiful, she had a heroic spirit!

She looked at Zhang Lao, who was holding out her hand. The fierce light flickered on her pretty face and said, "old man, you really owe me discipline."

When Zhang saw the woman, his face suddenly changed, and his hand was frozen in the air!

With some difficulty, he squeezed out a few words from his throat and said, "Shura jueshanning red tone!? Beiling Temple of heaven, do you really want to do this for a boy in heaven and earth? Is beilingsheng crazy? "Zhang is very clear, Ning ChiYin this crazy woman how terrible, the most important thing is, Ning ChiYin's fighting strength is far above him!

In addition to that kind of deadly fighting style, even if such a strong man as he saw it, he could not help but feel scared. He would fight Ning ChiYin. One is not good, but he would die!

She doesn't care who you are

Ning ChiYin said with a sneer: "I'm going to Beiling temple. Can you see that you're an old man who half steps into the coffin? Cut the crap and fight

In a flash, the boundless evil spirit surged around Ning ChiYin. She had a long sword in her hand. The light of the sword was like a bad star. It was both dazzling and freezing!

The next moment, a sword to kill Zhang Lao!

Bright sword light, just like the fall of the evil star, destroy all things!

In the face of this sword, Zhang finally could not keep calm. He had a wooden shield in his hand and let out the rolling blue light, which completely protected his body!

Old Zhang didn't even plan to fight, so he chose complete defense!

In an instant, Jianguang and Mudun collided with each other. Although Zhang Lao took the blow, he did not know!

There is also a crack on the wooden shield!

These two Taizhen strongmen are in the same place in the Cold Moon Valley civil war!

Bursts of strong fluctuations, almost the whole valley into a ruin!

To be honest, ye Chen really wants to beat Zhang Lao by hand, but the current strength is impossible, and Xiao Hei can't do it again in a short time.

But he has something to do, doesn't he?

Step by step, ye Chen came to Qin Xun who had just got up and his whole face had been completely crushed.

Qin Xun seems to feel something, issued a scream, wrist turned, the short gun fell in the hand, instantly shot at Ye Chen, hysterically roared: "give me die! Die for me
