

## Physician 521

### Chapter 521

"Who are you and why do you want to do it?"

The old man in white laughed. He didn't expect Ye Chen's speed to be so fast. He still turned his back to Ye Chen and said faintly, "don't worry, I don't have any hostility to you. If I want to kill you, you may have died."

"As for the death of those people, you should not be soft hearted. If you break their array, do you really think they would like to stop the matter? At that time, if they go back to Kunlun, the consequences will be unimaginable. "

"When they die, only a few people can explain everything. At this time, the initiative is in your hands."

"Don't say much. Goodbye. You've succeeded in attracting my attention."

The old man in white took out the gourd in his waist, drank a sip of liquor, stepped on it and fell directly from the sky!

In a twinkling of an eye, but disappeared in the world.

Ye Chen came to the edge of the roof, but found that the old man really disappeared.

"Is there such a strong man in China?"

Ye Chen is sure that the strength of this old man is far superior to those guardians of China.

Why should the key person help himself?

Ye Chen pondered for a few seconds, but couldn't figure out why. He could only shake his head and return to the Jiang family.

Jiang Wentian looks at the corpses and frowns. When he sees Ye Chen coming back, he sighs: "all the elders are dead in China. It is estimated that Luojianzong and Xuemeng will shake."

"If they send someone to look for clues, all the clues will point to you."

"Ye Chen, this is really a disaster, alas!"

Jiang Wentian's tone is desolate.

Ye Chen didn't have any waves. Xuemeng and Luojianzong wanted to come.

He did not make any mistakes in this matter, and what was his fear!

If someone wants to restrain him with his own rules, what he has to do is to break these rules directly!

"Uncle, how are you hurt? Do you need me to heal?" Ye Chen asked.

Jiang Wentian shakes his head. He doesn't know Ye Chen's medical skills. What's more, they can recover from this kind of injury after practicing.

"Ye Chen, we don't have any problems, but the old man is worried. He is still in a coma. In order to help Peirong procrastinate, he forcibly bears Ren Qiyun's power. His meridians are completely broken, and the vital organs and viscera are in disorder. It should not be too late. I must go to Kunlun Xu immediately and ask the miracle doctor for help. Those quacks in China can't do anything about it!"

Hearing this, Ye Chen changed his outlook on Master Jiang.

Jiang Peirong also came over. She knew some of Ye Chen's methods and said, "chen'er, do you have any way?"

Ye Chen nodded: "take me to see him, as long as there is a breath, even in the Guimenguan, I can also save back."

Jiang asked the sky a Zheng, although suspicious, but see Jiang Peirong affirmative eyes, or toward the outside: "in this case, you come with me."

.....

A quiet villa on the Third Ring Road of Beijing.

All the people of the Jiang family have been transferred here, but now the old man Jiang is lying on the bed, the fluctuation of ECG is very weak.

If it wasn't for Mr. Jiang's obsession, I'm afraid he would have gone west.

A blow from a strong man is not what he can bear!

When ye Chen and Jiang Wentian appear, all the people in the Jiang family are filled with a trace of horror.

They thought that Jiang Wentian and Jiang Jianfeng, who stayed in the Jiang family, could not come back alive.

After all, he angered an elder of Kunlun Xu and was not qualified to live at all!

But not only did the two return safely, but even Jiang Peirong and Nasha also came.

Does this evil spirit solve everything?

At the thought of it, all the people in the Jiang family took a breath.

Ye Chen came to the hospital bed, looking at the frail old man Jiang, full of emotion.

The old man is dead.

If you don't save yourself, your last breath will disappear in a day.

Jiang Peirong's eyes turned red when she saw him so weak!

At that moment, she felt that her father still had her in her heart!

In her father's eyes, this is redemption, in her eyes, this is the father's love buried in the bottom of his heart.

"Chen'er, do you have a way? He's your grandfather after all, and it's time to go. "

Jiang Peirong said in a trembling voice.

Ye Chen nodded and dozens of silver needles appeared in the palm of his hand!

The true Qi condenses on the silver needle, and each silver needle seems to twinkle with a faint light at the moment.

"Crash!"

Ye Chen gently tossed, silver needle suspended in the air! Trembling slightly!

Then, he pinched his fingers and his lips moved: "fall!"

Between the words, countless silver needles fell together and inserted on the old man's acupoints in the hospital bed!

Ye Chen also appeared in the hands of some spirit grass, the spirit of grass in the palm of the hand, a pinch, countless green droplets appear.

"Go!" That drop of spirit liquid toward the point where the silver needle fell!

At the same time, ye Chen closed his eyes and pointed to the old man's eyebrows.

The real Qi in his body seems to have some kind of consciousness and penetrates through the body of the old man.

Wherever you go, everything converges.

For ten minutes, a trace of sweat had appeared on Ye Chen's forehead.

This is extremely exhausting energy. If he had not stepped into the first level of Zhenyuan realm, he might have fallen down.

As the true Qi penetrated the whole body of the old man on the hospital bed, his pale face gradually turned red!

To the back, eyelashes are shaking.

Seeing this scene, it was as quiet as the grave in the middle of the night, and there was no breath.

All the people of Jiang family stare big eyes, just like sculpture, stupidly in place!

Jiang Jianfeng and Jiang Wentian set off a storm in the heart of heaven!

Jiang Wentian knows how much the old man's injury is. Even the master of Kunlun Xu's medicine may not be able to rescue him!

But ye Chen did it!

He stares at Ye Chen. Is it possible that he was once regarded as a villain by the Jiang family or a doctor and martial artist?

Powerful martial arts, coupled with the unpredictable medical skills!

He's only in his twenties!

Huaxia is so rare that it can give birth to such evil spirits!

How could it be!

"Well..."

Just then, an old groan came out.

The old man's eyelashes trembled on the hospital bed, and then suddenly opened his eyes.

Master Jiang wakes up!

At this moment, all people's hearts are only frightened and surprised.

A dying man will wake up in ten minutes!

It's not too much to say ye Chen is a great Luo Jinxian.

"Dad! How do you feel? "

Jiang Jianfeng and Jiang Wentian have different voices.

Mr. Jiang didn't answer them, but looked at Ye Chen. His eyes were very complicated.

Naturally he knew who saved him.

In his whole life, he did not regret any decision he made!

It is because of him that the Chinese Jiang family flourished.

But at this moment, he really regretted.

He was wrong more than 20 years ago.

If it is a huge mistake to drive Jiang Peirong away, it is a big mistake to give up Ye Chen.

Chapter 522

His eyes turned into two words: "thank you."

Ye Chen took a look at Jiang Peirong and said to the old man in the hospital bed: "you are my grandfather. There is no need to say thank you."

"As for the past, let's call it a day."

At this moment, Ye Chen's attitude solidified the old man's expression.

He grasped Ye Chen's hand in trembling: "what do you say What did you call me just now

He forced to support himself up, of course, the pain and pain, he has gritted his teeth to insist!

"Grandfather."

Ye Chen repeated.

He thought he would never admit the old man in his life!

But the old man saved his mother with his own life, and the past should be written off.

Besides, he knew it was his mother's wish.

Over the past few decades, although her mother said she didn't care about the Jiang family, she often stood on the balcony and looked to the north, sometimes sighing.

He compromised this time for his mother.

Mr. Jiang was excited to the extreme when he heard these two words, even with tears in his eyes!

Suddenly looked at Jiang Peirong: "Peirong, you have a good son, a good son that our Jiang family is destined to look forward to!"

"Dad, in fact, ye Chen is strong, not because of me, but because of Jiangcheng Ye family, because of Tianzheng."

Jiang Peirong's language is astonishing.

Ren Qiyun said a word before. She remembered that her spiritual roots could not be passed on to the next one. It also said that ye Chen's talent had nothing to do with her.

The only explanation is his husband Ye Tianzheng.

After being rescued by Ye Lingtian, the more she thinks, the more wrong she is.

The mystery of her parents in law has fallen unexpectedly. In addition, the blood alliance has taken Ye Tianzheng away. It seems that everything indicates that ye family, which is considered by all the Chinese families, is not so common.

There's even a big secret.

Jiang Peirong is not stupid. If some things are connected together, you can get a startling secret.

Jiangcheng Ye family cheated the whole China!

If 20 years ago, in the eyes of everyone, ye Tianzheng was not worthy of her Jiang Peirong!

Now, it's her that Jiang Peirong doesn't deserve Ye Tianzheng!

I just don't know. How is Tianzheng now.

Did those people in Kunlun xuxue League deal with Tianzheng?

.....

At the same time, deep in the Kunlun Mountains.

Kunlun Xu, a mountain surrounded by clouds.

The mountains are magnificent and full of aura. There are powerful ancient arrays guarding the mountain.

On the top of the mountain stands a huge stone tablet!

On the stone tablet, there are two inscriptions which look like some blood sparkling!

Blood League!

In the depths of the mountains, there are more magnificent temples.

In the palace, countless strong people cross legged, and their bodies are overflowing with extremely strong breath.

Just then, a ray of light came from the air.

One of the purple robed old man opened his eyes!

Five fingers, the light was directly in his hands.

"Well, how could an elder use his blood essence to release a message? It's just that the information seems to have been destroyed

The purple robed old man waved his hand and the rune bloomed in front of him.

A line of text emerges -- Ren Qiyun! China capital!

"What! Elder Ren of Luojianzong is dead

The purple robed elder's face fused, and then came an intermittent conversation.

Because it's destroyed, it's hard to tell what's inside.

"Who dares to move our blood alliance! What's going on in China

The purple robed elder forced a drop of blood essence to shoot on the light, and a vague figure appeared in an instant.

It's a young man in casual clothes.

Although fuzzy, but vaguely can distinguish some faces.

This kid seems to be Ye Chen who destroyed the ghost prison?

"How dare to move the people of my blood League to die!"

The strong breath of blood alliance elder fiercely stood up, and then angrily said to the air: "elder Liu, elder Chi!"

Between the words, two elders appeared in front of the purple robed elder.

"You take some strong men to the Chinese capital, find a boy named Ye Chen, and do it yourself at all costs!"

The two elders were stunned. They didn't expect that the blood alliance should be so active?

So many people for a kid?

This also too looks up to that Chinese kid.

"Yes, elder Zheng!"

Just as the two elders were about to leave, elder Zheng thought of something and said, "this boy can kill Ren Qiyun. It's a bit tricky. Don't do it first. Put pressure on the martial arts circle of China!" "Since it happened in China, Ren Qiyun's identity is also special. If you put pressure on him by means of means, the martial arts circle of China will certainly not be able to accommodate this boy!"

"I'd like to see the boy's merciless manner!"

"No matter how strong he is, can he resist the whole world of Chinese martial arts?"

Elder Liu and elder Chi both shrunk their eyes together and flattered: "elder Zheng, this move is a sword to kill cattle! What a cow! We only need to sit on the mountain and watch the tiger fight! When the time comes for this boy to make people angry, he will not want to survive in China! Ha ha

Elder Zheng sneered and ignored their compliments. Instead, he walked towards the blood League dungeon.

He thought of a man who had something to do with Ye Chen.

Not long, in the blood League dungeon.

A closed door opened.

Two big men saw elder Zheng's appearance, and quickly arched their hands and said, "elder Zheng, how did you come?"

Elder Zheng nodded and took a look not far away. A middle-aged man with some scars asked two people around him: "is the secret of Ye Tianzheng excavated? Your strength should be enough to rob this person's memory."

Hearing this, the two men were embarrassed.

One of the men said, "elder Zheng It seems that this matter is not so easy. We two try to rob this guy's secret through some secret methods, but at every critical moment, there will be a layer of extremely strong power to obstruct it. No matter how we cultivate, no matter how powerful our skills are, the result will be the same! "

"We've even had a very strong backlash."

"Oh?" Elder Zheng was surprised, and then walked toward Ye Tianzheng, "how can a native Chinese, without any accomplishments and true spirit, have the power to obstruct you?"

When elder Zheng approached, ye Tianzheng opened his eyes and snorted coldly: "don't waste your strength on me, I don't know anything!"

Zheng Changlao had no expression. After a few seconds, he said, "you don't want to know about your child?"

Hearing this, ye Tianzheng's eyes bloom with a ray of light, and then the light disappears in an instant!

"I don't want to know!"

Elder Zheng nodded with interest, and then said, "your good son, but he killed many people in our blood League and killed others. I may not want to investigate. But this time, he killed an elder who is extremely important to our blood League."

Chapter 523

"Do you know what he's going to face next? He has to face the anger of the whole Chinese martial arts circle! How long can he last? How long will your wife last? "

"Don't get excited. In about three days, I'll come to see you with the bodies of your wife and children. Then I'd like to know if you'd like to say it or not."

Hearing this, Ye Tianzheng's eyes are full of bloodstains, and just want to roar, Zheng Changlao points to Ye Tianzheng's eyebrows.

Just want to go deep into Ye Tianzheng's memory, a strong force covers it!

This power seems to break everything!

Elder Zheng's expression is frightening to the extreme!

"How could it be!"

He fiercely took back his hand, but it was too late, the power penetrated his internal organs, the blood gushed up!

A stream of blood almost spilled out!

At this moment, he is no longer calm!

"Who are you! Are you really related to the xuye family in Kunlun? "

Elder Zheng set off a storm in his heart.

Ye Tianzheng snorted coldly and continued to close his eyes, as if he didn't care about anything.

But only he knows that although his surface is light, but his heart is flustered to the extreme.

If China's martial arts and Taoism circles want to target chen'er and Pei Rong, it will undoubtedly be a fatal situation!

But right now, he can't help at all.

The only thing we can do is to protect the secret for chen'er.

Although he didn't know what the stone the father gave him represented, he could never be known by outsiders!

At the same time, luojianzong hall.

The atmosphere was pleasant.

The Lord of luojian sect is carefully serving an elder Shi of wanjianzong.

Although the difference between wanjianzong and luojianzong is only one word, the gap is huge!

In a sense, luojianzong is just a branch of xuwan Jianzong in Kunlun!

The Lord of luojian sect should speak carefully in front of an elder of wanjianzong.

This time, the Lord of luojian sect paid a lot of money to invite the elder.

I hope wanjianzong can support luojianzong a little bit.

Because the annual zongmen rating is about to start!

And wanjianzong has an extremely valuable vote!

Just when the two people were talking happily, the expression of the leader of luojian sect changed completely.

Because just now, the life nameplates of several elders are all broken!

These elders all went out from luojian sect to look for high-quality disciples in China!

One of them is Ren Qiyun!

The elder of zongmen met with an accident in China! It's a big deal for luojianzong!

The noble elder of wanjianzong naturally found the difference between the leader of luojian sect and said curiously, "Master Sun, what's the matter with you?"

Sun Zongzhu reacted and shook his head in a hurry: "my Lord, nothing is wrong. It's just a little thing. I can handle it."

The noble elder frowned and said, "Master Sun, your appearance is not a trivial matter."

"I've taken advantage of you. If I can help, I can also help you."

He thought that there was a contradiction between luojian sect and some clans of Kunlun Xu, otherwise, a patriarch would not be changed so much.

Sun Zongzhu just wanted to refuse, a flustered disciple rushed in: "master, not good! Elder Ren and the rest of the elders who went to China were killed! According to the location, it happened in the capital of China

Hearing this, sun Zongzhu's face was even worse!

"Get out of here! I already know that! "

The disciple heard the patriarch's angry voice and knew that he had done something wrong, so he quickly withdrew.

"Yes, Lord!"

Later, sun Zongzhu said to the old man of wanjianzong: "Sir, I will deal with such minor matters. I will send someone to investigate the matter thoroughly and bring back the person who started it."

Wanjianzong elder's eyes narrowed slightly: "Huaxia's aura is thin. It's not easy that someone can kill the elder of Jianzong. It's just that I'm OK these days. The people above have told me to go to Huaxia before. Otherwise, I'll help you with this matter."

The elder of wanjianzong really plans to go to China. After all, some time ago, the ancestor of wanjianzong came and crushed everyone!

What's more, Wan Dao Jian Zun left a painting of jade pendant.

If you see a jade pendant, you will see a thousand swords!

Although the leader of wanjianzong and the elders did not understand the meaning of this ancestor, there were naturally reasons for their level.

The last movement of the most important Wandao sword Zun shows that he went to Huaxia.

What does Huaxia have?

Is it possible that the youth mentioned by the ancestor is in China?

There are many doubts.

At the moment, if you don't hear from Mr. Sun, you can't even ask me if you don't want to send me back "No problem."

.....

In the world of martial arts and Taoism in China, a bloodbath seems to be gathering.

At the moment, ye Chen did not know, he left the Jiang family, and Jiang Peirong came to bailixiong's land!

In more than a week, the prototype of the Chinese Ye family has been formed!

They even lived in front of Ye family!

There are mountains and water, surrounded by a Chinese villa.

Villa covers a huge area, whether the breath or Feng Shui are excellent!

Ye Chen even felt the aura surrounding the whole Chinese villa!

Not only that, there is a huge stone tablet outside the villa!

On the stone tablet, there are four vigorous and powerful characters!

"Huaxia Ye family!"

The person who inscribed the inscription is the old man in power in China!

This old man has a heart.

Ye Chen suddenly thought of the unhappiness when he left the capital. All the people made things difficult for him to take the military rank and the position of chief instructor.

He once vowed not to care about China. Now it seems that the face of that person still needs to be given some points.

Just hope those people don't piss themselves off.

Otherwise, these people will be the stepping stone of the Chinese Ye family!

"Chen'er, is this our future home?" There was some excitement in Jiang Peirong's words.

When she stepped into practice, she naturally knew the value of this place!

Aura far surpasses Jiang's family!

Air transport will not lose any top family!

The only drawback is that there is no guard array.

Ye Chen nodded and stepped into the Chinese Ye family: "Mom, this is not only our home, but also the first Chinese family in the future."

"Tomorrow, I will let everyone know that the first Chinese family stands here!"

"If anyone dares to move our Ye family, there will be death but no life!"

"As for the position of head of the Ye family, I will keep it for my father."

"I will go to Kunlun Xu and bring my father back in person. Anyone who stops me will die!"

Jiang Peirong was filled with emotion when she heard her son's words.

She knew that Kunlun was dangerous, but the young man in front of her had grown up.

He is not that decadent young man long ago, now he is enough to carry everything.

"Mom, I believe you. I believe you without hesitation."

Chapter 524

Ye Chen takes a look at Jiang Peirong and smiles: "Mom, go in and have a look inside."

"Good."

Ye Chen and Jiang Peirong go to the Chinese villa.

Extremely luxurious.

It is obvious that the dark hall and Tianzheng Group used the best designers and materials.

The central villa has four floors in total, excluding the bottom two.

One of them is a training room, which is made of the best spirit stone that China can find.

Once you practice in it, any movement can be blocked.

When they saw a circle, a dark hall strong man came in a hurry.

"Temple master, there are two people who want to see you. They are waiting downstairs. Do you need to refuse?"

And ye Chen Mou son shrinks, curiously way: "who?"

"Bai Li Xiong and Lei Shuwei."

Ren extraordinary hears these two people's names, pour is some accident, these two people know so quickly oneself come back?

"Invite them to the living room and have a good treat."

"Yes, Lord!"

Ren fan still has some good feelings for these two people.

That day, the two men spoke for their own platform and position, but he kept it in mind.

In a way, it's all our own people.

Ye Chen comes to the living room. Lei Shuwei and Bai Lixiong are sitting and drinking tea.

When they saw Ye Chen, they quickly stood up.

"Mr. Ye."

They have heard about Xiangjiang. Although their intelligence network is not very wide in Xiangjiang, they still know what happened.

Who could have thought that ye Chen came back from Xiangjiang alive!

What's more strange is that jiangdaoshan suddenly disappeared after that day.

Xiangjiang government has already shaken.

Huaxia even sent a special action team to investigate the matter.

All leads to one person!

That is Ye Chen!

Because at that time, in addition to the guardian of China, only Ye Chen went up the mountain!

And they came here, to some extent, was explained by the one above, and investigated some things in their identity.

"You are also the first guest to come to Ye's house in Beijing. Just in time, I want to tell you one thing. If I hold a banquet tomorrow, I will tell all the top forces in China. Remember to come and join us. Do you have time?"

Bai Lixiong and Lei Shuwei looked at each other and nodded: "although this news has not been sent out, but when the land is vacated, everyone has noticed the Ye family."

"It is estimated that tomorrow, the Ye family will surely be full of seats. As for us, the big events will not stop us from coming to the Ye family."

After being polite, Bai Lixiong noticed something and said, "Mr. Ye, I'm going to have a banquet tomorrow. Will you be in a hurry? The Ye family seems to have been built, but there is still one thing missing, which is a must for the top families."

Ye Chen Mou son shrinks, curiously way: "what?"

Bai Li Xiong took a look at the ground and said, "array."

"There is no strong array. If Mr. Ye is not there, what can outsiders do if they want to fight the Ye family?"

"At present, the top families in China have arrays. On the one hand, they can protect the family; on the other hand, they can cover up some things."

Ye Chen hears this sentence, Mou son shrinks!

He always feels what is missing. What he lacks is the array!

Lei Shuwei also stood up and said respectfully: "Mr. Ye, I know several people who set up the array. Although the other side is of average level, they can barely cope with it. Do you need me to call?"

Ye Chen smiles: "do not need."

As he controls the rune, he has a deeper and deeper understanding of the array. Who needs others to set up a array for his Ye family?

"Don't Mr. Ye use the array?" Lei Shuwei was surprised.

With that, he looked at Bai Li Xiong, and the other side was puzzled.

Ye Chen carried his hands behind him and walked outside: "you come with me. As for the Ye family array, I'm enough."

Bai Lixiong and Lei Shuwei are all in a daze. They know that ye Chen's means are connected to the sky, but protecting the clan array is not so simple.

This has nothing to do with the strength of martial arts!

The general powerful people will not be immersed in the array!

Is Mr. Ye an alien.

Ye Chen and two people come to an open space. Ye Chen closes his eyes and feels the array and aura trend of this piece of land.

This time, he did not gather an array casually, but tried his best to set up an array for protecting the clan!

Moreover, this clan protection array must be able to resist the attack of Kunlun virtual strong, not Chinese strong!

If ye family wants to become the first family in China, the array will crush all arrays.

At the moment, ye Chen has the answer in his heart.

Eternal broken God array!

It can not only resist the attack of the strong in Shenyou, but also coagulate the killing array when necessary, killing in the invisible!After he left, this battle is the key to protect the people around him.

Bai Li Xiong and Lei Shuwei in the distance look at Ye Chen motionless and frown tightly.

They don't know what medicine is sold in yechen gourd.

"What is Mr. Ye doing? Is it because of the geomancy here? " Lei Shuwei said curiously.

Bai Li Xiong gazed at Ye Chen and guessed a few points. He was not sure: "is Mr. Ye really ready to set up an array?"

"At present, almost all the protective arrays of the Chinese family are inherited. Few people set up their own arrays. Is Mr. Ye crazy?"

He believed ye Chen, but he doubted it.

Because the way of array is more complicated than martial arts!

Don't talk about Huaxia. Even in Kunlun, there are not many array mages!

When Lei Shuwei and Bai Lixiong can't understand Ye Chen's behavior, ye Chen's eyes suddenly open!

As if shooting out a cold light, the momentum of the whole person has become ethereal.

After that, ye Chen stepped out step by step!

Seven steps in all!

This step is strange and mysterious, and each step seems to shake the Ye family.

When to the seventh step, ye Chen's hands suddenly appeared a few spirit stone with rich Aura!

The spirit stone shoots directly in six directions!

Flash of light, suddenly, the wind!

Ye Chen as the center, as if ushered in a storm!

Some of the greening that ye Jia just planted dissipated on the spot.

"What is Mr. Ye doing?"

Lei Shuwei's words just came out. The next second, he was stunned!

The mouth is wide open, just like hell!

And bailixiong is also uncomfortable, at the moment, he seems to see the most strange picture of this life.

Ye Chen's feet are full of Qi, and the whole body is surrounded by fairy mist and light.

The next second, ye Chen's feet are off the ground!

and higher and higher!

They are very sure that ye Chen does not have any Wei Ya and rope!

Five meters, ten meters, twenty meters!

When ye Chen reached 30 meters, he suddenly stopped.

Floating in the world, just like immortal statue!

Bai Lixiong and Lei Shuwei have seen the world in China and even have good qualities.

But at this moment, they are the two words that burst out with one voice - lying trough!

Chapter 525

Who could have thought that ye Chen still had this hand!

What is the strength of this guy?

Is it really the immortal coming?

This is extremely profound in the eyes of two people, but in Ye Chen's eyes, it is nothing.

He just skillfully used the array and the air flow to do all this.

His eyes are indifferent, commanding, instantly found the whole area of the array eye.

Without hesitation, he offered a dozen spirit stones again and smashed them into the eyes of the array.

An invisible wave of air rippled!

At the same time, ye Chen quickly pinched his fingers and read words in his mouth. The blood dragon gushed directly from his body, and the Dragon chanted through his body!

One person, one dragon, standing in the world, gave everyone a great shock.

"Eternal destruction of God array, open up!"

Ye Chen points out suddenly, a drop of blood essence is forced out.

The essence and blood instantly spread, and the dragon's shadow swooped down from the sky!

Through the ground, a red column of light directly formed!

The column of light is getting bigger and bigger, and finally it seems to form a barrier!

In the barrier is like flowing a shadow!

Sometimes into blood dragon, sometimes into sword shadow!

In just a few minutes, ye Chen's forehead has been covered with sweat, because setting this array is really wasting energy and energy.

Even if ye Chen stepped into the real Yuan state, the pressure is extremely great.

But the greater the pressure, the stronger the array!

At the moment, Bai Lixiong and Lei Shuwei in the distance completely startled their chin.

They have already felt the formation of the array. Although they don't understand the array, the breath of the array is extremely strong!

Even for a moment, they felt the killing intention condensed in the array!

Once they destroy Ye's family, it will turn into dust!

"Mr. Ye, is he still a master of array?"

Lei Shuwei's expression seemed to solidify, shaking his voice.

Not long, ye Chen slowly fell down, his body has been wet.

He not only condensed the essence and blood, but also gathered all the true Qi of the elixir field into the array. At the same time, he attracted part of the power of the life array Rune and the blood dragon virtual shadow.

Looking at the formation of the formation, ye Chen exhaled a satisfied breath.

This eternal broken God array is enough to resist all attacks.

"It's almost time. I won't keep you either. I'll go and have a rest first." Ye Chen Dao.

Bai Lixiong wants to say something, or hold back to go back.

After all, the purpose of his and Lei Shuwei's trip is to deal with Jiang daoshan.

Ye Chen took a few steps and noticed what: "how, there is something else?"

"Nothing. We're leaving."

"Come on, are those people going to embarrass me? I don't care if they want to take the rank and the Dragon Spirit instructor. "

Bai Lixiong shook his head and hesitated for a few seconds. He still said, "Mr. Ye, let me ask you something. Jiang daoshan disappeared..."

Before he finished speaking, ye Chen said, "I destroyed jiangdaoshan, and I killed the ten Chinese guardians headed by Fang Zhenye."

Ye Chen dropped this sentence and left directly.

This is the answer Bai Lixiong wants. He doesn't have to lie.

Bai Lixiong and Lei Shuwei looked at each other and saw the shock of each other's eyes.

The breath seemed to hold.

All the people who have been killed in the mountain, as well as all the people who have been killed in Huaxia, don't even think that all the people who have been killed in Huaxia have disappeared!

One against ten?

Does Huaxia really have such a top-notch player?

.....

Ye Chen comes to the training room.

Close your eyes and the black stone floats out!

The spirit of the whole body is surging.

The samsara cemetery is also shown.

Chen Tianli looked at Ye Chen with interest: "at present, I should also teach you complete sword skills, Wan Dao Jian Zun, take the sword as the way, now you really Yuan state, can master 10%, let you benefit infinitely."

Ye Chen can feel Chen Tianli's body has been weak a few minutes, afraid is not too much time.

He wanted to adjust the breath of the elixir field in his body. He thought about it or not.

The sword skill of Wan Dao Jian Zun is the most important.

Chen Tianli, with his hands behind him, said calmly, "disciple, do you know what Kendo is?"

Ye Chen pondered for a few seconds: "kill?"

Chen Tianli shook his head: "although you have embarked on the road of killing, killing is just a kind of potential, which can strengthen your strength, but it can not be called kendo."

"The real Kendo is nothing."

"The invisible sword is the most lethal. Everything can be a sword."

"The highest level of Kendo is to control everything and integrate everything. At that time, even the air can become your sword."

Ye Chen can't understand such mysterious words. He just wanted to say something. Chen Tianli has already moved. "Apprentice, I will suppress the strength to the same level as you, and then you use the soul sword to shoot me, remember, there can't be any hands left!"

Chen Tianli's voice is resounding!

The next second, Chen Tianli's whole body was covered with murderous opportunities, covering the sky and the ground, which was extremely terrifying.

"Good!"

Feeling the murderous opportunity, facing Chen Tianli standing in front of him, ye Chen narrowed his eyes, held the soul sword in his hand, and drank in a deep voice.

In the same realm, ye Chen has no fear.

"Disciple, I don't even have to use my hand to condense my sword spirit!"

Chen Tianli's eyes congealed and cried out.

Brush!

With a long cry, Chen Tianli suddenly disappeared in place.

A huge crisis spread to Ye Chen in an instant.

All of a sudden, a breath of death came over, and ye Chen's face changed greatly.

"The second move of breaking the sky sword, falling stars!"

He did not dare to be slack!

A sword comes out, the wind blows and the dust fills the sky.

Ye Chen's momentum is relaxed, and his powerful true Qi is surging all over his body. The zhenhun sword in his hand is crisscrossed, disordered and complicated. It is like spider webs, scattered everywhere, and slowly spreading outward.

The zhenhun sword soars into the sky like killing gods. It spreads the killing intention on the body of the sword and breaks out completely!

Before the edge of the sword comes, the cold comes first, and the murderous spirit is fully displayed. At this moment, the sword seems to be infinitely elongated, bringing out countless virtual shadows, covering the sky and the earth, as if to destroy the whole land, with momentum like a rainbow.

The sword is like a star!

Dense, nowhere to hide!

Chen Tianli's figure appears, his eyes closed, and a sharp sword in the air seems to break through the sky, turning into a flying rainbow and shooting at Ye Chen.

Chapter 526

Whew! Whew!

How fast does this sword shoot?

Such as tearing the space, bringing a deep and sharp voice, such as the sickle of death, with the breath of death of judgment.

With this sword shot out, just for a moment, the whole heaven and earth seemed to solidify, and the whole reincarnation cemetery seemed to freeze down.

Ye Chen only feels as if he has fallen into the mire and is hard to extricate himself.

The long sword completely locks his breath, and ye Chen can't avoid it.

A great crisis has come.

How can ye Chen resist Chen Tianli's sword?

There was even fear in his heart.

Chen Tianli suppressed his cultivation, but his sword meaning was far beyond everything!

The key point is that you can't resist the idea of breaking the sky sword!

This is still in the case that Chen Tianli didn't do it!

It's a powerful sword spirit and a very aggressive sword technique.

"Break it for me

Thinking of this, ye Chen roared, and the soul sword in his hand burst out again with dazzling brilliance!

With a long cry, ye Chen's sword in his hand is cut horizontally.

In one reading, the nine days xuanyang decided to move to the extreme, and the true Qi in the elixir field was roaring like a torrent.

Endless genuine Qi is injected into the zhenhun sword. In an instant, the zhenhun sword makes a concussion sound, and bursts out a dazzling light, like the sun and the moon rising into the sky!

Hoo Hoo Hoo Hoo!

The wind blows and the wind changes color.

Ye Chen wants to use this strength to counter Chen Tianli's moves!

Stab!

With that light across the sky, Chen Tianli's sword whirled the wind and cloud, and suddenly fell with the momentum of thunder.

For a time, the light was bright. Under the extreme sword light, ye Chen was forced to step backward and even dare not look directly at him.

Boom!

Suddenly, a burst of roar exploded, and the two swords collided fiercely together.

As mountains collide, stars collide.

This roar made the earth shake and the mountain shake.

The ghost sword in his hand directly broke away from his arm and flew out!

The mouth is spitting out a mouthful of blood.

A stream of extreme sword Qi diffuses around.

All things are smashed by the sword.

Chen Tianli opened his eyes, pointed at Ye Chen's eyebrows, and then said word by word: "this sword skill is a sword that can extinguish all kinds of Tao. At the critical moment, it kills people invisibly, arouses the true Qi in the body, and breaks through everything. How much do you master?"

"one point." Ye Chen said truthfully.

He can't see through any flaw at all. How can he understand it?

Chen Tianli smiles and once again condenses the sword of annihilation: "again, what you have to do today is master this sword skill."

Finish saying he then again toward Ye Chen attack.

Ye Chen also can't care to gasp, and immediately makes the zhenhun sword in the hand resist and go.

The zhenhun sword in his hand was shaken off again and again, and his internal organs were shaking!

Nevertheless, he had some understanding of the sword.

.....

At the same time, China Kunlun mountain.

Dozens of people in odd costumes came out of the depths.

They had a portrait in their hands.

And in the portrait is a young man.

The young man's sword eyebrow has a cold and stern appearance, and there is a mysterious atmosphere on his body.

If ye Chen is here, he will surely find that the youth in the portrait is himself!

And these dozens of figures are the strong members of the blood League!

This time, the blood alliance has only one purpose: to put pressure on the whole Chinese martial arts circle and let them hand over Ye Chen!

Kill with a knife!

Soon, a group of people came to the foot of Kunlun mountain.

At the moment, there are already several top Chinese helmsmen waiting in Kunlun mountain.

The strength of these people is not bad, but they are far from qualified to enter Kunlun!

They know that as long as a strong man in the Kunlun void, it is an opportunity!

However, when we saw so many virtual strong Kunlun, the helmsmen of Chinese martial and Taoist forces were a little flustered.

What's the matter with China?

"Ladies and gentlemen, I am the leader of the Qingcheng sect in China. I have admired you for a long time. I have prepared the delicious food in the hotel. Please..."

The words have not finished, one of the blood alliance strong step out, and then five fingers buckle the other party's head.

"Click!" With a sound, the headmaster's head was directly broken.

This scene directly stunned the group of people in China's martial arts circle?

Kunlun xulai's strong man is so angry?

Kill people all the time?

Although they have the qualification, they are too much.

The rest of the Chinese martial arts and Taoism circles still have some say in the elderly, or even the leader knelt down. "Please don't be angry. I don't know where we offended you. We have to be so cruel We are willing to correct... "

A leader of the Chinese sect said.

His voice was even shaking.

They stay here just for chance. If they take their own lives for no reason, they are really worthless!

One of the strong members of the blood League looked down at the people kneeling, with only cold eyes.

Instead of continuing with his work, he left his portrait on the ground.

"I don't care who you are. In two days, I'm going to see the boy in the picture. The boy killed our people."

"If, two days later, I can't see this boy, the whole Chinese martial arts world will not be peaceful! We'll kill every one we see

Cold words resound.

All the people on their knees were staring at the slowly unfolding portrait on the ground.

When they saw the youth in the picture, they were stunned!

This man, they know!

Is it not that China is at the height of the sun that wudaotai defeated Lin Juelong and killed Ye Chen, a guardian of China!

How did this boy offend the strong man of Kunlun Xu!

Why should the whole Chinese martial arts circle pay for his behavior!

They are very angry in their hearts, but dare not speak.

"Yes, yes, my Lord. We will bring ye Chen to you in two days."

The leader said respectfully.

The strong man of blood alliance glanced at the speaker, drew out a cold sword from his waist and pressed it against his chin. He said faintly, "your performance is pretty good. It only needs one person to convey the will."

"No one left but him

Language down, the leader swept around the gust of strong wind, instant, side scream!

In a few seconds, everyone around me died!

Directly into blood fog!

He lives alone.

He is a top player in China, but at this moment, he is very small!

as like as two peas, he would be the same as those around him.

This is the authority and strength of Kunlun Xu!

The key culprit of all this is that ye Chen!

At the moment, he put all the hatred on Ye Chen's body!

If you can't give these adults a satisfactory answer within two days, ye Chen will be the eternal criminal of Chinese martial arts!

At this time, a strong blood League squatted down, patted his face, sneered: "I don't like to be disappointed, you do it yourself."

"If you don't see this son, the first sword of Chinese martial arts will fall from you!"

Chapter 527

.....

Beijing, a quiet courtyard.

An old man is playing chess with Bai Li Xiong.

The old man frowned and was careful with every step.

Bai Li Xiong got a sunspot and said, "No.1, the matter of jiangdaoshan has already made some people have objection."

"Although those people know that this matter has something to do with Ye Chen, they have no evidence and can't move Ye Chen."

"What's more, I just came back from Ye's home in Huaxia, and saw Ye Chen step into the air. After he came back from Xiangjiang, his strength increased to the point of extreme terror, at least the true Yuan state of cultivation."

"Oh?" The old man's heart seemed to be shaken by a white one.

A piece is even more broken.

"If I remember correctly, more than a week ago, this boy was still in the separation and separation state, so soon he entered the real Yuan state?"

"Ye Chen is the most evil person I have ever seen in my life. The only problem is that this son is too difficult to control."

"There are too many enemies. If it wasn't for his strength, ordinary people would have died thousands of times."

The old man stood up and did not intend to play chess. He carried his hands behind him and carefully watered a flower.

"This matter, we can still press a little bit, those who have dissent can hang it, and tomorrow, Huaxia Ye's party, you send a Lingyu in my name. Ye's family was born in the sky. This Lingyu and my name are enough to keep those who watch at a distance. "

Bai Lixiong stood up and nodded: "Ye Chen's strength is there now. People in the martial arts circle and those families will definitely give face. It is estimated that tomorrow will be a great event in the capital."

The old man did not speak, fiddling with flowers and plants, as if he had something on his mind.

At this time, a middle-aged man in a Zhongshan suit came in.

The man's breath of Zhongshan suit is terrible, but his face is flustered at the moment.

"No, it's a big deal."

The old man frowned, picked up the kettle to continue watering the flowers, and said: "you've been with me for so long. I've taught you how many times. You should be calm when you encounter anything. Tell me what happened."

The man in Zhongshan takes out a tablet from behind and slides it gently, and a video is revealed.

It's what happened in Kunlun mountain!

It's just that the distance is a little far. It should be a high-power camera. It's a little fuzzy.

"No.1, this is a video from Kunlun mountain. Just half an hour ago, a group of people came out of the void of Kunlun. They didn't know their origin, but they didn't come from it. Several powerful Chinese

martial arts experts who were ready to seek opportunities were all killed and only one person was left behind!"

The old man and Bai Li Xiong looked at the video and their faces changed greatly.

Kunlun Xu and Huaxia have always been well water does not violate the river, even if the general out is a few people, but this time it is dozens of people!

The key is that the breath of these people has a trace of evil spirit, and it is killing others.

I'm afraid it's not good to come.

"Where did these people end up?" The old man said in a serious tone.

"This group of people are still in Kunlun Mountain, but the one who survived sent an urgent notice to the martial arts circle of China. One hour later, all the top families and wudaozongmen of China will go to Beihe hotel in the capital city to attend the meeting, saying that it is about the survival of Chinese martial arts world!"

The old man looked a little ugly. He put down the kettle and ordered, "you can go to the meeting in person. If you have any information, please contact me directly.

"With so many strong people coming out of Kunlun, and this emergency meeting, I'm afraid that something will happen to Huaxia!"

"No matter what, it must be kept under control."

Zhongshan man nodded and quickly walked to the outside.

Bailixiong did not hesitate to open his mouth: "No. 1, the iron and blood camp is on standby at any time."

The old man went to the house to take a dress, put it on, and then hurried to a red flag car: "bailixiong, those guys can't be stopped by the iron and blood camp. It depends on the situation. It's really not good. We can only negotiate."

.....

An hour later, Beijing Beihe hotel.

Crowds!

Most of the families and forces in Beijing have been invited!

He family, Zheng family, Liu family and even Baili family were invited.

But bailixiong didn't show up. Bailibeng and several important Baili elders came forward.

At the same time, the dark hall, as one of the Chinese forces, was also invited.

It was Lu Lingfeng who came forward.

Because the Chinese Ye family has not been recognized by the martial arts circle, naturally they have not been invited.

The whole hall was noisy.

Pang Yong and pan Guohua sat in the front seat, their faces were not very good-looking.

They were the people who asked Ye Chen to take away the commander-in-chief of dragon spirit and his military rank in the great hall last time.

That day, Lei Shuwei and Longhun's soldiers stood up to resist, making them shameless.

I wanted to make a fool of Ye Chen, but I never thought it was them! They didn't want to attend the meeting!

But some people say it's about the life and death of Chinese martial arts!

It's hard not to think of such an important matter with the authority and strength of the family behind them.

All kinds of sounds came from my ears.

Key around most people are talking about one thing!

Tomorrow, the banquet of the Chinese Ye family!

"Mr. Zhou, did you hear that Ye Chen came back from Xiangjiang and sent out invitation letters. The Chinese Ye family was really made by that boy."

An old man with white temples.

"The key is that the Chinese Ye family was propped up by the boy himself. Although I don't know what happened on the other side of Jiangdaoshan, I'm afraid that the boy's divinity is fixed. It's the first person in the martial arts circle of China."

"Don't say on the surface, how many people in Huaxia can resist the boy secretly?"

"This boy is a devil! From Jiangcheng to the capital, it's almost a bloody way out. If my younger generation can do this, I'm afraid I'll wake up laughing in my dreams. "

"Well, I heard that Jiangdaoshan disappeared. It was this boy who did it."

"Can the boy move mountains? Is this a God

"This kind of thing has been completely closed, and we can't talk about it. By the way, will we go to Ye's house for a dinner tomorrow?"

"Go on, who dares not give that boy face? Look for death

Pang Yong and Pan Guohua listen to all kinds of praise for Ye Chen! My face is black!

Pan Guohua couldn't help it any longer. He patted the table fiercely: "shut up for me

As soon as the words came out, everyone's expressions almost froze.

They took a look at Pan Guohua and finally chose silence.

Not long ago, on the stage, an old man in cloth appeared.

The old man's name is Wu Fucheng, the leader of the white crane gate in China.

In the Chinese martial arts circle, there is still a bit of face, strength can be ranked in the first echelon.

It was he who called the emergency meeting.

What's more, it's about the life and death of Chinese martial arts.

When Wu Fucheng appeared, some people in the front row stood up and said curiously, "Lao Wu, what happened, so urgent to gather us together?"

Chapter 528

Wu Fucheng has a dignified expression and gives his servant a look.

After a while, several square boxes were lifted up.

The smell of blood is extremely strong.

"Lao Wu, what is this? What kind of medicine are you selling in the gourd? If you don't say it again, I can go. Everyone's time is very precious! "

Wu Fucheng snorted coldly: "if you leave, the next one is the family behind you."

The voice was cold, like thunder.

The man who spoke was obviously frightened by the threat. Just about to speak, Wu Fucheng on the stage was stunned, and a strong air current swept through!

Open the boxes covered with cloth!

The next second, the whole world seems to be quiet down!

Everybody take a breath!

Because the blood sparkling head is in the box!

The key is that the person behind the head, every identity is extremely noble!

Leader of China Qingcheng school!

Chinese Li family master!

Chinese boxing sect leader!

What is Wu Fucheng doing?

Is it possible that he killed all these people!

When everyone was shocked and puzzled, Wu Fucheng stepped out one step, and the cold breath spread out!

"This matter is even more serious than everyone imagined, that is, an hour ago, dozens of Kunlun strong men stepped into Kunlun mountain! Crush the strong

"What does Kunlun void mean? You should all know it well!"

"So high! Kunlun virtual out of any person, strength enough to crush everything! It's not too much to say that we are humble ants! "

The crowd is silent!

They all hold their breath.

In their opinion, if these strong men want to target the Chinese martial arts and Taoism, it will be the end of the day!

Lu Lingfeng in the conference room frowned slightly. Naturally, he knew that Kunlun Xu was only the strong one of Kunlun Xu. What's the meaning of killing people at this critical moment?

The Chinese wudaojie and kunlunxu have always been well water that does not invade the river.

Even ye Lingtian said that recently, Kunlun Xu's strong men have come to look for talent.

It's a pity that some people angered the temple master and killed him.

Does this matter have something to do with the temple master?

His heart thumped. If it was, it would be very bad for the hall master!

There was a strange way under the stage: "headmaster Wu, you're going to finish your words at one time. You're going to be so anxious to death that people in Kunlun can't fight for nothing!"

Wu Fucheng glanced at the crowd, snorted coldly, and pressed the laser pen in his hand directly!

The next second, a picture is completely revealed.

When everyone saw the content of the photo, their expression changed completely!

Isn't this boy Ye Chen in the world of Chinese martial arts!

What is the picture of Ye Chen at this time?

Is Wu Fucheng going to announce the establishment of the Chinese Ye family?

When everyone thought so, Wu Fucheng's cold voice resounded: "this is the son who has angered so many Kunlun virtual strongmen!"

"This son killed many Kunlun virtual strong people. Those people have given an ultimatum. If the Chinese martial arts and Taoism circles do not hand over this son in two days, then Kunlun Xu's anger will be borne by us!"

"This group of Kunlun virtual strong people want to kill all the clans in China!"

"You say, is this a matter of life and death?"

"Either he dies or we are all buried with him!"

Wu Fucheng's words echoed in the whole conference room, and people's expressions changed completely!

A sense of cold climbed up the whole body.

Soon, the fear turned into anger!

Why should ye Chen's affairs be paid by the Chinese martial arts circle!

Bai Li Bing and Lu Lingfeng's expressions are completely frozen.

Who could have thought that this matter is really related to Ye Chen!

They naturally see what this group of Kunlun virtual strong people want to do!

Kill with a knife!

By the Dao of the whole Chinese martial arts world!

In the conference room, the anger was condensed to the extreme!

At this time, pan Guohua stood up, patted the table fiercely and said angrily, "Ye Chen is arrogant and arrogant! Although I don't know how he killed the virtual strong man in Kunlun, he has a heavy heart to kill. Everything is possible! "

"I heard that this son was spying on the treasure of the virtual strong man in Kunlun and killed people by using the next three evil means! This kind of person is the scum of Chinese martial arts and Taoism

"The key, his mistake, why should we all pay for him! Damn it, this guy is really strong, but can he fight against the whole Chinese martial arts world? "

"I propose to take ye Chen and let Ye Chen pay for his life!"

Pan Guohua's words completely ignited everyone!

Who is not afraid of death, ye Chen and Kunlun virtual strong if you must choose!

They will not hesitate to choose Kunlun virtual strong!"Take ye Chen!"

"Take ye Chen!"

.....

The whole conference room is full of people!

This time it's too big!

Involving Kunlun void, but also involving the evil spirit born in the sky!

No matter what, ye Chen can't stay!

Wu Fucheng took a look at Pan Guohua and stepped out: "this son is going to set up the Ye family tomorrow. We can't wait so long! All of us will start at once. Whether it's right or not, we must take the boy! "

"The worst plan is to kill this son! Only in this way can we calm down the anger of the virtual strong in Kunlun! So that we can save ourselves! "

"Good!"

"Now let's go to huaxiaye's house! Take ye Chen at all costs

At this moment, everyone stood up.

Lu Lingfeng's face changed completely. He quickly took out his mobile phone from his pocket and prepared to call ye Chen, but the phone just came out.

A cold light flickers, the mobile phone becomes two parts directly.

At the same time, an old man in a Taoist robe had already stood on the side of Lu Lingfeng and said in a cold voice, "it's not good to report news now. If ye Chen is gone, you don't want to live!"

Lu Lingfeng's expression is extremely serious, cold hum a: "difficult not become I even have no freedom?"

"Yes! Take this man! This person is related to Ye Chen! The dark hall is Ye Chen's power

Language down, countless breath toward Lu Lingfeng.

.....

At the same time, Hua Xia Ye's family.

Xia Yi, sun ruoya and others also came.

There are enough rooms in Ye's house, and ye Chen has transferred the elite of the dark hall.

Enough to deal with some emergencies.

The most important thing is that the Ye family has an array to guard.

Ye Chen and the women talked about some, but not a few words, they heard Chen Tianli's urging.

After Chen Tianli came back from Kunlun Xu, there was not much time left. What ye Chen had to do now was to continuously absorb his Kendo inheritance.

Absorb as much as you can!

Strength is more important than anything.

Ye Chen also knows the seriousness of the matter and explains a few words. He enters the training room again.

Accept Chen Tianli's sword technique!

Sword is the way, ten thousand swords return to one, the sword is respected, kill the world!

Jiang Peirong took several girls around Ye's house. To be honest, she was very satisfied with the girls, regardless of their personality or appearance.

Of course, it depends on Ye Chen's choice.

Shortly after, she received a call.

The phone call is from Jiang Jianfeng.

Chapter 529

"Second brother, what's the matter?"

Jiang Jianfeng's tone was extremely urgent: "Peirong, where are you and Ye Chen now? At Ye's house? "

"Yes, second brother, I just wanted to tell you, tomorrow..."

Before Jiang Peirong finished speaking, Jiang Jianfeng interrupted: "Peirong, where's Ye Chen, let him answer the phone?"

"Chen'er is closed. What happened?" Jiang Peirong is aware of something wrong.

"Stay at Ye's house, don't go anywhere. My elder brother and I will come here immediately, and ask Ye Chen to go out of the pass immediately! It's a big deal

What did Jiang Peirong just want to ask!

The next second, Jiang Peirong and Xia Ruoxue both saw a barrier over Ye's house, and a ripple appeared on the barrier.

Someone is breaking the Ye family's array by force!

Xia Ruoxue feels something wrong, comes to the roof, and instantly sees hundreds of people gathered in ye Jiamen's foreign exchange!

And these people are breaking the Ye family array with their swords!

"This..." Xia Ruoxue came to Jiang Peirong's side. "Auntie, why do these people suddenly target the Ye family?"

Jiang Peirong shook her head and took a look at the direction of the training room: "I received a call just now. Now, no one can leave Ye's house for half a step. Besides, you can call chen'er."

"Good."

Xia Ruoxue nodded, her feet condensed her true Qi, and swept away toward the training room like the wind.

Jiang Peirong thought for a few seconds, but she still walked in the direction of the gate.

Chen'er has said that ye's array is powerful. It is impossible for these people to break the array in a short time.

What's more, the gate of Ye's house is guarding the dark hall. The strong should be able to resist.

At the gate of Ye's house.

When Jiang Peirong appeared, countless eyes came over!

Wu Fucheng snorted coldly. Naturally, he knew the identity of Jiang Peirong and said directly, "Stinky bitch, where's your son Ye Chen?"

Jiang Peirong frowned and said, "who are you and why do you want to make trouble in Ye's house?"

Pan Guohua stood up: "Jiang Peirong, make trouble? Hum! Who's making trouble! Today Ye Chen must come out, otherwise, we will step down the whole Ye family

Words fall, pan Guohua a palm toward the Ye family array and go!

All of a sudden, a powerful wave swept, pan Guohua felt Qi and blood surging up. Even a few steps back!

"What kind of formation is this?"

His face was a little frightened.

"All the people gather strength and blow on this array together!"

Words fall, the strength of a hundred people together broke out!

Suddenly, the wind and cloud swept over Ye's house, and an invisible force was shaking wildly!

All the strength seems to be condensed into a sword, which is heavily smashed on the array.

"Bang!"

Vaguely, there is a crack in the array.

Pan Guohua was overjoyed and even said, "continue! The crack has come out, and the array is going to break. "

But before the words were finished, the cracks that had been condensed into disappeared.

The array has recovered!

"How could it be!"

Everyone's expression is a little ugly.

They don't know the array, but isn't the Ye family just established?

How can there be such a powerful array?

Is it possible that the Ye family also knew master Zhen.

When the crowd was confused, two figures came out from the depths of Ye's house!

It is Ye Chen and Xia Ruoxue.

This array has a drop of blood essence from ye Chen. Naturally, he felt the situation outside for the first time.

Although I do not know why, but since this group of people rushed to the Ye family, it must not be a good thing.

After a while, ye Chen stood in front of all the people with a cold look. His eyes were fixed on Wu Fucheng.

"You should have insulted my mother just now."

His voice was cold to the bone marrow.

Wu Fucheng shivered, stepped back a few steps, and saw hundreds of people behind him.

"Ye Chen, did you kill the man of Kunlun Xu?"

Ye Chen suddenly, smile: "kill again how?"

Wu Fucheng's expression was ferocious: "Ye Chen, you still don't know how to live or die! Still in the mood to laugh! Kunlun Xu has come to visit us. If you refuse, you can't help it. "

"I know you are very strong, but can you kill so many people?"

Wu Fucheng seems to be winning.

Ye Chen knows that Kunlun Xu will come. Is he from luojian sect?

Or blood League?

How fast are these people?

He took a step forward and left the Ye family's array directly. The strong men in the Chinese martial arts circle stepped back one after another.

"I don't care what happened. You insulted my mother just now. Did you do it yourself, or did I?"

Ye Chen's voice is extremely cold.

Wu Fucheng was stunned and said to all the humanity behind him: "surely this son will not go to Kunlun mountain with us. Let's take it together! If you don't believe the strength of the people, you can't take this boy! "Language down, Wu Fucheng and seven strong instant rushed to Ye Chen, the speed is extremely fast!

Everyone's whole body momentum erupts, such as the downhill tiger, the whole body erupts the extreme light.

The wind was howling, and there were a lot of voices around, and countless eyes were gathered.

The grim smile on Wu Fucheng's face is spreading.

Between the use of his skill, Zhou Xiaocheng's skill is like a tiger.

This set of martial arts skills is quite powerful. It has obviously been cultivated by Wu Fucheng to a perfect level!

For a moment, the wind of fists exploded and kept going.

In the thunder like fist style, there are gusts of wind.

The shadow of the fist is all over the sky, and the momentum is like a rainbow.

Looking at the scene in front of him, the corner of Ye Chen's mouth shows a helpless smile.

I don't know what to do!

Under the feet of the Dragon phantom body decided to step out, ye Chen body shape flashing.

Every step seems to step on the node, every step out, ye Chen's body is like a ghost flickering strangely.

At the same time, ye Chen came to a locust tree in front of Ye's house.

Five fingers out, the hand appeared a few leaves!

Boom!

There's a killing shot.

Pooh!

The speed is too fast, fast to Wu Fucheng did not return to God, a burst of piercing sound has burst.

Time frame!

At this moment, the world is silent.

Wu Fucheng's body suddenly trembled. He looked down in disbelief and looked at the leaf that didn't enter his chest.

What's going on? What happened? Why is this so!

Obviously, they have the absolute advantage.

However, now how their own life in the crazy passage.

The strength of his whole body gradually dissipated, and his heart seemed to stop!

Wu Fucheng was powerless to hang down his hands, and his fright could not be concealed.

He died on an ordinary leaf.

How could the situation suddenly turn around.

He's not willing.

"I wanted to screw off your head, but I don't want the Ye family to be stained with blood. I really don't want it."

Ye Chen light way.

The voice dropped, the wrist trembled, and several leaves shot out again.

A ferocious wound appeared on the chest of those who started it!

There was no bleeding, but all fell to the ground!

Pick the leaves and kill the master!

The key is to kill seven top strongmen of Chinese martial arts in a few seconds!

This ye Chen's strength unexpectedly frightens to this degree?

Chapter 530

This scene completely shakes everyone.

All the experts in the martial arts world all know that ye Chen is very strong, otherwise Lin Juelong would not have been defeated in Wudao stage.

The Lin family will not die!

I thought all the people in the martial arts world forced the palace!

Ye Chen must have no choice! But I didn't expect that the boy killed people by picking leaves directly.

This means, I'm afraid that the guardian of China may not be able to do it.

In particular, the most ferocious people mentioned just now seem to be in place. Everyone's looks are extremely ugly, as if eating a fly in general.

Failed? Lost in this humiliating way?

"Who wants to step forward? There are too many leaves in this tree. It's just a little pruned. "

Ye Chen has a few more leaves in his hand.

The color of green at this moment seems to be blood like red!

It's like a dart on TV.

At this time, a middle-aged man stood up and said, "Ye Chen, do you really want to kill the whole Chinese martial arts circle?"

"First, Kunlun Xu's strong man, and now he has killed several sect leaders!"

"Will you destroy the foundation established for thousands of years in China's martial arts circle?"

"Do you want to do whatever you want with your own strength?"

The middle-aged man said almost everyone's voice.

Ye Chen was playing with the leaf in his hand and said faintly: "I'm really sorry. I have strength. I can do whatever I want."

"You are too noisy. My cultivation has been destroyed by you. If you don't leave, everyone will leave their lives."

Threat!

A naked threat!

But ye Chen does have this qualification!

"Ha ha ha..."

Just then, however, a burst of laughter came from the crowd.

Visible to the naked eye, a figure appeared in their sight.

The laughter, the appearance of the figure, so that many people's pupil shrank.

"Elder Dugu!"

Looking at the twinkling of an eye is already appeared in the scene of that figure, everyone quickly salute.

The famous elder Dugu has always been hidden in the world.

It is also one of the few people who have been to Kunlun in China.

No one thought that at this time, the extremely noble Dugu elder association would appear here.

Did he come to kill Ye Chen?

Elder Dugu came to Ye Chen and glanced at Ye Chen with interest. He said, "I have heard that there is a arrogant generation in the martial arts and Taoism circles of China. His strength is determined! I thought it was just a three person tiger, but now it seems that it is true. "

"Ye Chen, do you really think your strength can control everything?"

"Although you are standing at the top of the Chinese martial arts world, you know that the peak is at the bottom of Kunlun void!"

"You are still young and need to be tempered. Arrogance is not good for you."

"I've asked people to tell No. 1 and the guardian of China that your behavior has broken the rules. No matter what, you have to pay for your behavior today."

Ye Chen's eyes were cold and stern, glanced at each other, and coldly hummed: "what are you, I need you to teach here?"

As soon as he said this, everyone's expression seemed to change.

Ye Chen didn't even pay attention to elder Dugu?

I'm afraid it's crazy!

Elder Dugu is even more across the realm of Chinese martial arts and Kunlun void!

The strength is determined. If it wasn't for Huaxia who asked him back in a letter when he was most needed, his position in Kunlun Xu was absolutely brilliant now!

Even No. 1 and Bai Lixiong want to give the old man some face!

Pan Guohua stood out from the crowd: "Ye Chen, tomorrow is your Ye family banquet. Who do you think will attend according to the current situation?"

"Now, you are a sinner in the martial arts circle of China. If you don't take the initiative to admit your mistakes to those weak Kunlun strongmen and then kneel down to apologize, you will face the whole Chinese martial arts world!"

"Do you really want to be the public enemy of Chinese martial arts? Do you want to be a sinner of Chinese martial arts before you die

Such words directly incite the people behind.

All the people speak together, and the true spirit condenses!

"Sinners of all ages!"

Ye Chen at this moment is the target of thousands of people!

Seeing this, Jiang Peirong wanted to leave the boundary of the array and speak for ye Chen, but found that the boundary was blocked.

Obviously, ye Chen needs to solve it alone.

Hearing this, ye Chen noticed pan Guohua.

Eyes have a trace of anger.

That day, let him take off the military rank and the chief drillmaster of dragon soul in front of all the people. That's the man!

But now, this man is to stand up and criticize himself without reservation! Did he really want to disappear in China before he gave up?

Sinners of all ages?

What a big hat!

He Ye Chen will naturally admit what he has done. He dares to face the weak Kunlun people!

But this group of people so behavior, but let him very uncomfortable!

Ye Chen's eyes pan Leng, word by word: "you should not make clear one thing, tomorrow's party, I don't need anyone to come to my Ye's house, as long as I can look up to my Ye Chen, I Ye Chen naturally welcome!"

"Since everyone is here, I just want to say one thing. The Huaxia Ye family doesn't need to establish an alliance with any family! We don't need everyone's support! Is the friend, I guard! It's the enemy. I'll kill it! This is the principle of the Ye family! "

Pan Guohua took a look at elder Dugu and sneered at Ye Chen: "return your friend? Now, who dares to be your Ye Chen's ally in the whole Chinese martial arts circle? "

"Whether you can see the sun tomorrow is a mystery."

Pan Guohua's words, almost everyone's voice!

In their view, the Ye family is certainly powerful, but with Ye Chen's character, only one person can keep silent.

At this time, the three figures rushed quickly!

It's Huaxia Jiangjia!

Mr. Jiang! Jiang asks the sky! And Jiang Jianfeng!

Mr. Jiang came to Pan Guohua. He gave a cold glance and said, "my Jiang family is an ally of the Chinese Ye family! how? Who dares to move Ye's house today? It's unforgivable to kill them! "

When this was said, everyone was stunned!

Most of them know the character of Mr. Jiang!

Stubborn, crazy, extremely disdainful of Jiang Peirong's family!

But what's the situation now? "

Jiang Peirong in the array clenched her fists when she saw this scene!

Father for the Ye family, even regardless of the injury, directly came!

Big brother, the second brother is the same!

Jiang family is willing to fight against the whole Chinese martial arts world with Ye family!

Pan Guohua's expression is some wrong, Jiang's standing in line is no doubt severely hit his face!

He stares at Mr. Jiang, word by word: "Mr. Jiang, do you really want to drag the Jiang family into the water?"

"I tell you, ye Chen offended dozens of Kunlun virtual strongmen this time! If they don't get Ye Chen in two days, they must kill! When the time comes, your Jiang family will die! You are burying everything of the Jiang family
