

Physician 5211

Chapter 5211

Ding's a gold iron collision sound reverberates in this bedchamber.

Ye Chen light way: "although can't see you, but again powerful concealed technique, when you hand, will inevitably expose flaw!"

His eyes suddenly burst out with a brilliant light, and he raised his hand to blow towards the hiding man's position!

The concealer's face turns white. At the moment, she has not recovered completely from the damage caused by backfire. In the face of Ye Chen's fist, she doesn't even have the spare power to dodge!

Bang of a dull ring, in that seemingly empty position rings out, very obvious, ye Chen hit the target!

However, he can't help frowning slightly. It seems that his hand is not right?

Well

It's like hitting cotton. It's too soft and elastic?

At the same time, a figure appeared in front of Ye Chen, as if unable to bear the power of the fist, the figure retreated towards the rear!

Every step back will leave a footprint on the solid ground!

Ye Chen looks at the concealer who finally appears. A dull color flashed over his face. He looks at his fist and the woman in front of him. He looks embarrassed.

What appeared in front of me was a woman with long red hair, delicate and beautiful face, and wearing a silver armor!

What's more, this woman is the same as the Dragon Emperor. Although there are a pair of small horns on her forehead, it is the appearance of a human woman!

The armor on her body, cracks, spread from her chest, spread all over the whole armor in an instant

Ye Chen just hit where, self-evident!

He looked at the Dragon burning woman strangely. He didn't know why the Dragon burning woman had a human face and was so beautiful.

At this time, Shuo said: "the pure dragon burning clan is not half human and half dragon at birth, but full dragon shape. Therefore, the human shape is actually the result of their illusions. Since they are illusions, they will have the same human face as the demon clan."

The Dragon burning woman looked at Ye Chen reluctantly with a bloodstain on her mouth. She raised her dagger and seemed to have to fight with Ye Chen. But at this moment, the armor on her body was smashed by Ye Chen's fist!

The action of the Dragon burning woman solidified instantly. She didn't expect that the armor would be broken like this

And at the moment, this woman is also a spring burst, attractive carcass exposed in front of Ye Chen, at a glance!

"Ah

A scream resounded through the whole burning dragon hall. The woman's pretty face was red. She had been seriously injured. Under the stimulation, she fainted directly!

Ye Chen looks at the unsuspecting dragon burning woman lying on the ground. She looks back with difficulty. She waves her hand and puts a robe on the woman's delicate body. Then she turns and walks behind the curtain.

Now, it's not the time to enjoy the beautiful scenery. He has to race against the clock to get the fire before the Dragon burning emperor comes back!

However, when he passed the curtain, he could not help but be stunned

After the curtain, there was a jade bed, on which lay a young girl!

This young girl seems to be sleeping. She also has a human face, but her skin is very pale and her vitality is very weak, just like a sand building that is tottering in the strong wind.

Moreover, this young girl exudes the blood breath similar to the Dragon Emperor, and she also has the blood of the king!

At the same time, an array covers the whole jade bed, and a spark is burning in the array!

This spark contains an extremely pure fire rhyme. The color of the fire is quite similar to that of the Weiling flint. It is obvious that this array imprisons the girl in the array, and the burning light reflects on the girl.

Seeing this spark, ye Chen's mind rang out Yan xuan'er's surprised voice and said, "master, this is the fire!"

Ye Chen looked at the scene in front of him and said: "this is..."

After pondering for a moment, old Shuo said, "is it advanced blood?"

Ye Chen look a way: "blood advanced?"

Shuo Laodao said: "like this kind of dragon descendants who have royal blood, they have a chance to upgrade their blood. After upgrading, their royal blood will become more rich, or produce some unknown variation!

However, no matter what kind of results, will have a great burden on the host's body!

Because, blood advanced, need a huge amount of energy, and energy to match with the blood attribute!

Wang Zhong's blood of the burning dragon clan needs extremely powerful fire energy to maintain the blood level. Otherwise, this chance will completely drag down the master's body!

The girl obviously didn't have enough fire energy in her body, and the Dragon Emperor didn't use fire for himself, but for the girl in front of herYe Chen's eyes twinkle when he hears the words. If he takes away the fire, it means

He looked at the girl on the jade bed, shook his head and asked Yan xuan'er, "xuan'er, can you accept this fire?"

Yan xuan'er said with a smile: "originally, it may be difficult, but with this stone egg, it will be much easier!"

Ye Chen no longer hesitated, nodded: "in that case, do it!"

The next moment, a girl's figure appeared in front of Ye Chen's body. In front of her body, there was a black golden stone egg. She looked at the blue spark, and her big eyes were full of splendor. In a moment, she rushed towards the array!

The golden and silver flame surged out of the girl's body, instantly melted the light curtain of the array into a big hole, and the whole array was completely broken under the flame!

The fire of daohuo regained its freedom. The light of the fire flashed suddenly. It seemed that it was about to leave here. But at this time, a black golden stone egg suddenly flew towards the fire.

There seems to be some induction between the fire and the stone egg, as if they have found a home, and they rush into the stone egg in an instant.

On Yan xuan'er's small face, there was a flash of joy. The golden and silver flames gushed out and wrapped the stone egg. When the fire instinctively sensed something wrong, it was too late!

The only trace of struggle was soon suppressed by the power of the fire of the Taoist spirit!

Ye Chen's heartbeat, faintly accelerated up, this legendary fire, finally fell in his hands!

But ye Chen instantly recovered, his eyes returned to the girl's body again, the wrist turned, the evil sword fell into its hands again.

Chapter 5212

He walked slowly towards the jade bed with a long sword in his hand.

In the bedroom, the Dragon burning woman who was guarding the girl also regained consciousness at the moment. However, the injury was still very serious. She struggled to climb to the Pearl curtain. When she saw the scene in front of her, her vertical pupil shrank and exclaimed: "no!"

.....

In a few minutes.

In the bloody air, a figure is running fast in the wilderness. At this time, a dragon roar resounds through the world!

The figure suddenly, slightly turned back and looked at the main city of burning dragon behind him. A hundred Zhang dragon had already arrived in the main city.

Ye Chen's eyes twinkled, as if thinking about something. After a moment, he started again.

Half an hour later, he came to a rocky cliff.

He stopped and stood before the cliff, as if waiting for something.

After a while, a hoarse voice rang out behind him: "Ye Chen, you are here."

Ye Chen turns around and sees a young man who looks weak in front of him.

It's Quan Zun!

At the moment, Quan Zun's white robe had been dyed red with blood, and he was obviously injured in the battle with the Dragon Emperor.

Ye Chen looked at Quan Zun and said, "master."

Quan Zun said with a smile, "sure enough, you didn't let me down. Did you get the dragon pearl?"

Ye Chen lightly shook to shake head a way: "have no."

"No?"

Hearing this, Quan Zun frowned slightly. His face seemed gloomy. However, immediately, he said with a bitter smile: "it seems that this treasure has no chance with me. What about the fire?"

Ye Chen said, "the fire of Tao is in my hands."

The color of the bitter smile on Quan Zun's face was even stronger, and he said: "congratulations. In this case, let's leave the Dragon burning place, otherwise, the Dragon Emperor will catch up with you again."

Then Quan Zun came to Ye Chen.

But at this time, ye Chen is staring at Quan Zun, light way: "right elder, before this, there is something I want to ask you."

"What's the matter?"

Ye Chen's face was plain and said, "in fact, there is no dragon pearl in the palace, right?"

"Well?"

Right Zun smell speech, some don't understand ground looking at leaf Chen way: "what meaning?"

Ye Chen said: "among the dragon people, there is no tradition of worshipping longyuanzhu at all. You said that you wanted me to get longyuanzhu for you before I entered the Imperial Palace, but you didn't know the exact location of longyuanzhu. The only thing I knew was that longyuanzhu and daohuozhong were in the same palace.

After all, if not, I'm afraid it's not easy for me to get the fire and the dragon pearl at the same time? "

Quan Zun said with a smile: "Ye Chen, you have a rich imagination. Although you didn't find longyuanzhu, I didn't blame you. Don't worry."

"Is it?"

Ye Chen suddenly turned his wrist, a stone egg appeared in his hand, and said: "well, now I devour this fire, which should have no effect on my predecessors?"

When Quan Zun heard the speech, the smile on his face suddenly became stiff for a moment.

Ye Chen said with a cold smile: "this fire is your real purpose."

Quan Zun looked at Ye Chen's eyes, suddenly some pondered, and said: "I'm very curious, since you think so, why do you want to come to the meeting place we agreed in advance?"

Ye Chen said: "even if I didn't come, it's not difficult for you to find me. Otherwise, why leave a mark on me?"

Quan Zun was silent for a moment, but then he sighed with regret and said: "sometimes, people are too smart, and it's not a good thing..."

At this moment, the gentle smile on his face disappeared completely, and his smile became more cruel. "Originally, I was going to let you leave the world without any pain."

.....

Burning dragon hall, a middle-aged man, with anxious color, soon entered a bedroom.

As he passed through the curtain, his face sank and he saw that the fire he had prepared for his daughter had disappeared!

Just as he was about to recover the fire, his eyes flashed and he saw a line of big characters engraved on the wall

The Dragon Emperor, who was originally full of anger, had a violent look!

.....

As soon as Quan Zun's voice fell, his face suddenly fell down. A long transparent sword fell into his hand. Suddenly, he chopped it at Ye Chen!

The sharp sword light poured out, which seemed to drag Ye Chen into a different space completely composed of Kendo rules. The endless sword light enveloped his whole body, and there was no chance to dodge!

But ye Chen, from beginning to end all stands in the same place, motionless, even, does not have the revolt appearance!The next moment, there was a loud bang, and the whole cliff was covered with cracks, as if it was about to collapse, and the dust was flying all over the sky!

Quan Zun's eyes flashed for a moment, slightly frowned, just that sword, it seems that something is wrong.

His eyes through the dust, toward Ye Chen's place to see, but suddenly pupil a shrink, see, there seems to appear two figures!

The powerful breath of Taizhen in Quan Zun's body gushed out in an instant. A gust of wind blew away the smoke and dust all over the sky. When he saw clearly who was standing with Ye Chen, his face became ugly in an instant!

At the moment, standing in front of Ye Chen is a middle-aged man in Red Dragon Robe, burning the Dragon Emperor!

The Dragon Emperor glanced at Ye Chen and said coldly: "boy, do you think you can cure my daughter? You'd better not lie to me, otherwise... "

Ye Chen said with a smile: "please don't worry about the Dragon Emperor. You should be very clear. What is the reason why I can enter the death place of burning the dragon? Now..."

He looked at Quan Zun and said, "let's solve the problem first."

From the beginning, ye Chen discovered Quan Zun's plan, so he engraved a message on the wall in the Dragon burning hall. At the cost of curing the daughter of the Dragon Emperor, he asked the Dragon Emperor to help!

Ye Chen's character has always been to have gratitude and revenge. If someone wants to kill him, he will kill him, even if the other party is too strong, it's the same!

Today, he will never let Quan Zun leave the Dragon burning dead land alive!

What's more, the feud has been settled. He doesn't want to have such a terrible super power calculating his own fate in secret.

Quan Zun looked at Ye Chen with an extremely gloomy face and said: "it's Quan who underestimates you. Ha ha, but do you think you can kill me by pulling up the Dragon burning emperor to do it for you?"

There was a fierce light in his eyes, like a jackal, and he said, "if I can escape from him once, I can escape a second time, and once I leave the Dragon burning death place..."

The corner of Quan Zun's mouth raised a very grim smile and said: "I promise that I will use all my strength to wipe you out of the heaven and man domain. It's not only you, but also Beiling temple that will pay a heavy price!"

Chapter 5213

For the threat of Quan Zun, the Dragon burning emperor set up his pupils and said, "human beings, no matter who you are, I will not allow you to escape from me twice."

As soon as his voice fell, his body turned into a giant dragon, carrying endless dragon power and rushing towards Quan Zun!

Seeing this, Quan Zun's face was frozen. He knew very well that in his heyday, he was wounded in the battle with the Dragon Emperor, and he just managed to escape. Moreover, he was still in the situation that the Dragon Emperor didn't want to entangle with him.

Now in the face of the Dragon Emperor, with conventional means, it is difficult to get rid of him!

The next moment, Quan Zun suddenly raised his long transparent sword to his chest and said in a low voice: "kill Blood Sword, open!"

One by one, the blood runes light up on the sword body. With the light up of the blood rune, the originally transparent sword gradually turns into blood. Every time you light up a rune, Quan Zun's body will shake violently, and his face will grow old!

But at the same time, the long sword and its own breath are also more powerful!

When all the seven runes on the sword were lit up, Quan Zun, who looked young and handsome, had turned into a white haired, wrinkled old man!

It seems to be a little older than the age of heaven!

Ye Chen pupil a shrink, the facial expression is also some Yin and Qing is uncertain, this authority respect pour is also a ruthless person!

He knew that Quan Zun burned the source of life and Shou yuan through the long sword in his hand, and used some secret method to strengthen himself!

This kind of secret method has always been the more expensive, the stronger the effect. Now Quan Zun has paid such a huge price, can the Dragon Emperor kill it in the death place of burning the dragon?

At the moment, Quan Zun's eyes turned to blood color. He looked at the flying dragon burning emperor with a ferocious smile. His blood color and evil spirit rushed out. He raised his hand and chopped at the Dragon Emperor!

A blood evil sword light, which is extremely evil, rises up in the death place of burning dragon!

Quan Zun's original sword move is actually extremely powerful, but now this sword is several times stronger than before!

Even if it was the Dragon burning emperor, his pupils contracted and his eyes became solemn. He was full of dragon power, and a golden fireball was burning in his mouth, just like a shell, bombarding the bloody sword light!

With a loud bang, the golden fireball and the bloody sword light disappeared under the collision!

In the explosion, Quan Zun turned into a blood shadow and flew to the sky. He was about to run away. But at this time, the Dragon burning emperor rushed towards Quan Zun with the power of the explosion. The scales on his body were broken, but he didn't suffer much damage.

At the moment, the Dragon Emperor is surrounded by a layer of golden flame, and every movement exudes the extreme burst of breath. He gives out a dragon roar and makes a fire dragon claw at Quan Zun!

Right respect sees this, low scold a way: "damn!"

However, in the face of the Dragon Emperor's all-out attack, he had to turn back and put out his sword to block this claw again.

for a while, the position of emperor long and Quan Zun seems to have been transferred to the previous stage.

In the face of the crazy, fighting and fearless fighting style of the Dragon Emperor, Quan Zun soon found that if he wanted to leave here, at least he had to seriously hurt the Dragon Emperor!

It's more risky to do so. After all, it's time limited to strengthen yourself by killing blood sword. Moreover, the time is not long at all!

However, if he succeeds, he can directly reverse the whole situation and kill Ye Chen on the spot!

Quan Zun's eyes flashed a touch of decisive color, but he was also a decisive person. He made a quick decision and gave a big drink, so he did not run away, but fought with the Dragon Emperor!

After the bloody sword was used, Quan Zun's strength soared, and even the Dragon Emperor was suppressed in the fierce battle. A large amount of dragon blood was sprinkled on the earth, and fragments of dragon scales fell from the sky!

in less than a breath of incense, the Dragon Emperor was already injured!

However, even so, the Dragon Emperor still did not flinch!

His agreement with Ye Chen is that after killing Quan Zun, ye Chen will rescue his daughter. The fire of Tao Ling is the only hope of the Dragon Emperor now!

Therefore, in this war, even if he died, he would pull Quan Zun into the water together!

Ye Chen's eyes kept flashing. Suddenly, he murmured: "it seems that he is going to use that move..."

As soon as the voice fell, ye Chen walked towards the terrible battlefield. The special spirit of opening the sky flowed in the meridians. Every step forward, the breath would be strong, and the reincarnation Rune in his eyes would twinkle.

At this moment, the Dragon Emperor's eyes flashed. He was carrying a bloody sword and rushed towards Quan Zun. The strong sword tore the scales of the Dragon Emperor and left a huge wound ten meters long on his body. The blood rolled down!

Quan Zun was surprised. What would the Dragon burning emperor do?

At this time, the body of the Dragon Emperor was shrinking rapidly, and in a flash, it turned into a body about the size of human beings. A flash twinkled around Quan Zun's body, and his whole body was full of flames. It seemed that he wanted to burn Quan Zun up! Quan Zun saw this, but there was a look of ecstasy on his face. His whole body was full of blood, fighting against the fire of the Dragon Emperor. At the same time, the blood sword in his hand gave out a cry like hum, and the blood was brilliant!

Quan Zun murmured: "bloody sword array!"

A blood cloud suddenly appeared around him, brewing slowly, and the boundless sword idea diffused from the blood cloud. Even if the Dragon Emperor sensed the horrible sword idea, his eyes could not help shaking!

If you are pierced by the surging sword Qi at such a distance, even with his royal blood, I'm afraid you will be seriously injured in an instant, right?

However, the Dragon Emperor did not loosen the shackles of Quan Zun!

Quan Zun's face became more and more full-bodied. He didn't know what was the madness of the Dragon Emperor. However, this kind of moving target, which could not be dodged, was Jian Xiu's favorite!

Especially the extremely powerful Jian Xiu like him!

Those moves with real destructive power are often difficult to hit opponents at the same level, such as the bloody sword array!

But now, the Dragon burning emperor has brought this great opportunity to himself!

How could he refuse?

Soon, the light of swords bloomed from the blood cloud. The sound of scales breaking, muscles tearing and bones breaking constantly sounded in the wilderness. The blood holes appeared on the Dragon Emperor's body. The sword array had not been fully formed, and it had caused great damage to him!

The Dragon Emperor's eyes are very deep. The reason why he suddenly entangles Quan Zun is because of Ye Chen's explanation!

But now, does he trust this guy too much?

Chapter 5214

Even if this boy defeated Long Fei that wench, showed the extremely strong terror strength, but wants to rely on him to defeat the authority Zun, is also some too incredible?

At the moment, Quan Zun has already laughed, and the victory is in hand. It seems that he has seen the scene of killing the Dragon burning emperor and ye Chen together and winning the fire of Dao fire!

He is confident that at the moment of the formation of the sword array, he can be seriously injured and even kill the Dragon Emperor!

In fact, even if the Dragon burning emperor let go of the shackles now, I'm afraid he can't keep Quan Zun any more because of his injury!

Of course, Quan Zun is close to the end of the oil lamp. If he comes to the top of the real world, he may be defeated!

But now, how can such a person appear!

However, at this time, a low, inexplicable, ancient melody suddenly appeared in this world. When the Dragon Emperor and Quan Zun heard the melody, their eyes flashed. They were subconsciously attracted by the voice and looked in the direction it came from.

I saw a young man walking towards them. It seemed that he was chanting some Scripture. But when the scripture came out, it was just like music and became its own melody!

Ye Chen, who chanted the Scriptures, also exuded a kind of almost sacred and solemn atmosphere!

At the same time, dark lines extend on Ye Chen's left hand, gradually covering half of his arms!

Quan Zun looks at Ye Chen and frowns slightly. He hums coldly: "so mystifying!"

With three more breaths, his sword formation will be completed, and then it will be ye Chen's death!

He knew that ye Chen was against heaven, but he wanted to beat himself in these three breaths?

Ha ha, even the Dragon burning Emperor may not be able to do it now!

Ye Chen thinks that he has some talent, so he is really invincible?

In Quan Zun's opinion, no matter what means Ye Chen plays, everything is doomed!

Ye Chen's steps are faster and faster, and the speed of chanting scriptures is faster and faster. His face is full of dignified color, his forehead has exuded fine beads of sweat, and the black lines on his arm are still climbing

In fact, Quan Zun's judgment is right to some extent.

With the power of Quan Zun, ye Chen can't kill Quan Zun even if he uses the extinction light. So, if you want to kill Quan Zun in such a short time, you have to use a more terrifying power than the extinction light!

And the sword evil spirit in the red cloud is more and more fierce. The body of the Dragon burning emperor has begun to tremble slightly, as if it is about to reach the limit!

Soon, the time for two breaths passed!

Quan Zun's smile blooms completely, but the burning Dragon Emperor's eyes are dim. Is he and ye Chen going to die here today?

Quan Zun will release the power of the bloody sword array when he looks sharp. But at this moment, ye Chen suddenly jumps up from the ground and appears in front of Quan Zun in an instant!

To go up leaf Chen that pair of dark Mou son, right Zun don't know why, the heart unexpectedly abruptly contracted for a while!

At the moment, in those eyes, it seems that the breath of endless solitude!

A very bad feeling surged into my heart. Quan Zun suddenly struggled. Quan Zun, who was still dismissive of Ye Chen, was afraid at this moment!

A cold, indifferent man's voice rang out in his ear: "six ways of reincarnation: exterminating the way."

As soon as the voice falls, ye Chen's hand, which is covered with dark lines, suddenly penetrates Quan Zun's blood evil and presses it on Quan Zun's forehead.

Time, as if static down, the whole burning dragon dead for it.

An indescribable breath of death floats between the heaven and the earth. At this moment, the Dragon burning emperor seems to have a feeling in his heart that even the way of heaven will be broken under Ye Chen's hand, right?

The next moment, when time began to flow again, with a bang, Quan Zun's head exploded directly under Ye Chen's palm, and even the spirit completely turned into nothingness

The headless corpse lost the protection of xuesha and was burned in the flames of the Dragon Emperor

For a moment, the Dragon burning emperor looked at the scene dully. Then, a very frightening look appeared in the eyes of the dragon!

How could Quan Zun die like this?

Even if Quan Zun was restrained by himself, he could not simply die in the hands of a boy in heaven and earth!

He thought about a lot of possibilities after ye Chen's hand, but he didn't expect that ye Chen killed him with one shot!

Don't look down on the protecting blood evil spirit. Burning the Dragon Emperor is the king of the dragon family. The flame is far stronger than the divine fire. But for a moment, ye Chen still can't break through the right blood evil spirit. But ye Chen's hand seems to have magic power to do it easily?

All this is too incredible!

Reincarnation, destroy the word, I'm afraid will be burning Dragon Emperor forever engraved in the bottom of my heart!

This reincarnation destroys the way is exactly Ye Chen in the book of heaven ancient volume, comprehend the supernatural power!At the moment, ye Chen's body is in a flash, and suddenly falls down from the air.

The corner of his mouth spits out blood continuously, the breath is extremely dispirited!

Like a sign of dying!

The burning Dragon Emperor's eyes flashed and turned into human form again. He caught Ye Chen and asked, "boy, are you ok?"

Ye Chen shook his head difficultly, but suddenly he was in pain and pressed his left arm.

The Dragon Emperor's eyes fell on Ye Chen's arm, which was covered with dark lines, but he was surprised. He couldn't help asking: "boy, your hand..."

At the moment, ye Chen's hand seems to have been melted by strong acid. It's smoldering and melting little by little!

Ye Chen can't help smiling bitterly when he hears the words

Reincarnation exterminates the Tao. Only when ye Chen opens reincarnation blood can he use it. Moreover, he will consume a lot of Kaitian aura at one time!

The most important thing is that after using it, ye Chen will fall into weakness for a while. Moreover, the power of reincarnation to destroy Tao is too strong. Even with Ye Chen's present constitution, he can't bear it perfectly. He can only rely on his vitality for a moment, and then his arm will start to break!

Of course, its power is also extremely terrifying. As long as it is touched by his hand, taizhenjing will feel threatened

However, if the face of the peak of power, ye Chen did not have a chance to show!

In a word, reincarnation destroys Tao. Although it is powerful, it has huge side effects and costs. If it is not a last resort, ye Chen will not use it.

Ye Chen recovered a little. After taking away Quan Zun's bloody sword and storage bag, he said to the Dragon burning emperor, "Dragon King, go to the main city. Now the princess has no energy support of fire, and her body can't last long."

Hearing the words, the Dragon Emperor suddenly nodded and flew to the main city with Ye Chen in his hand. Soon, they came to the Dragon burning hall.

At the moment, although Ye Chen's arm has not fully grown out, his body has recovered for a few minutes.

Chapter 5215

He came to the princess's bed and said to Yan xuan'er, "xuan'er, inject your flame into the princess to help her complete the blood advancement."

"Yes

The next moment, a gold and silver flame suddenly poured into the princess's body, burning up madly, burning up the Dragon Princess's delicate body, instantly surging up the flames!

Ye Chen's eyes twinkle. He has provided the girl with the condition of blood advance. As for whether she can advance successfully depends on herself.

The Dragon Emperor and the woman named Long Fei are very nervous looking at the scene in front of them, secretly praying that the little princess will be safe.

An hour later, ye Chen's eyes flashed, suddenly toward the little princess, and a group of gold and silver flames re integrated into his body.

The Dragon Emperor asked anxiously, "what's the matter with Yinger?"

Ye Chen is ready to open his mouth, but at this time, the girl on the jade bed slowly opened her eyes, looked at the Dragon Emperor and said: "father emperor."

When the dragon emperor heard the words, his tall body trembled violently. The dignified man didn't make a sound when he was pierced by the sword light of Quan Zun. At the moment, his eyes were red and his throat was choked.

He took a deep breath, forced to calm down, turned to his beloved daughter and said: "Yinger, how do you feel?"

After hearing this, the Dragon burning warbler sat up in confusion. She moved her body for a while. A touch of surprise appeared on her pretty face and said, "father, I feel that my body is stronger now!"

Long Huang ha ha a smile, he knows, this means that his daughter's blood advanced success!

The potential of the future even far beyond themselves!

And it's all thanks to

The Dragon Emperor looked at Ye Chen and said, "Ye Chen, my name is Huo longkui. This is my daughter, Huo longying..."

Then he pointed to the Dragon woman whom ye Chen had seen out and said, "her name is long Fei. She is my adopted daughter and Yinger's personal guard."

After introducing all the people, the Dragon Emperor burned dragon Kui solemnly said: "this time, thank you very much. You saved my daughter's life, and I owe you my life. In the future, you will be the guest of the Dragon death place, and you can enter the main city at any time!

If you need any help in the future, just ask

Ye Chen hears speech, the vision is a flash, smile way: "I still really have a matter to need long Huang to help."

"Oh?"

Burning dragon Kui a smile way: "say, what matter?"

Ye Chen took out a jade slip, handed it to the Dragon burning Kui and said, "I need this main medicine. It is said that this main medicine only grows in the dead place of dragon burning. Can the Dragon Emperor have it in his hand?"

"Jielonghua?"

The Dragon Emperor glanced at the jade slip, nodded and said with a smile, "no problem!"

Soon, someone sent a jade box. What was in the box was the main medicine that could cure the aging!

Ye Chen smiles a little, after accepting this jade box, then says to the Dragon Emperor: "since this matter, I will leave first."

The Dragon Emperor didn't force Ye Chen to stay. He nodded and said, "take care, remember what I said. If you have anything, come to me."

"Good."

With that, he turned and went outside the Dragon burning hall.

At this time, xuanhanyu said: "Ye boy, you just cured the little princess? Are you not afraid that the Dragon Emperor will turn against you? "

Ye Chen said faintly: "xuan'er planted a fire in the little princess's body. On the one hand, this fire can be used to consolidate her blood after her advancement, on the other hand..."

His eyes flashed and he said: "if there is any change in the Dragon King, the fire will break out directly. Even if the little princess's blood is the Dragon burning King's blood, and her blood gets advanced, she

will still be burned to death by the fire of the Taoist spirit. Even if she survives, she will never be able to practice any more."

At this time, burning dragon Ying looking at Ye Chen's back, some curious way: "father, who is this man?"

The Dragon Emperor's eyes were a little deep and said, "this man, his name is Ye Chen. Remember his name. He is your Savior. At the same time, he will be famous in the near future!"

.....

At the edge of dragon burning death place, several people are mining ore here, and one of them looks towards the entrance of death place from time to time.

The man beside her frowned slightly and said, "nine younger sister, do you still dream that the boy can come out alive? Don't look, so many days have passed, I promise you, he must have died in the death place of dragon burning! "

This woman is the one who dissuades Ye Chen from entering the death place of burning dragon.

When she heard her brother say so, she seemed to want to retort and said, "but..."

However, as soon as the words came out, I didn't know what to say. It's too difficult for heaven and earth to survive in the death place of burning dragons for several days.

At this time, another man is also cold hum a way: "nine younger sister, you don't pity him, this boy don't listen to your dissuasion, suffer, die is also deserved!"

A few people around them all agreed. They were gloating. If it was so easy to enter the Dragon burning dead place, wouldn't they become fools who were mining on the edge? However, at this time, a shadow came slowly from the entrance of the Dragon death place.

All the people looked at the figure with dull looks on their faces.

This came from the dead, is a look a little indifferent youth, still playing with a whole body of red gold ore.

This person is Ye Chen!

The miners, in addition to the woman who is called Jiumei, have an incredible look on their faces. Is this boy really alive?

What's more, there seems to be something to gain?

For a time, their faces are a little gloomy down, psychological imbalance!

Nine younger sister waved to leaf Chen: "meet again!"

Ye Chen saw that woman, slightly a smile, walked to come over a way: "don't come all right."

Nine younger sister's wheat colored face, slightly flushed, said: "it seems that you and I are predestined friends. Let's get to know each other. I was born in September. Everyone calls me nine younger sister. What's your name?"

"Ye Chen."

Hu Yang Ziyu took a look at the ore in Ye Chen's hand and said curiously: "Ye Chen, is this what you dug in the Dragon burning death place? I've been mining for a long time, and I don't think I've seen anything like this. "

Ye Chen casually threw the ore to Hu Yang Ziyu and said, "well, I dig it casually."

On the way to the death place of burning dragon, he saw this ore by accident. The fire spirit power contained in it was quite strong. Although it was not as high as the legendary level of Weiling flint, it was also quite high. Ye Chen dug it down easily.

However, this thing is useless to Ye Chen.

However, when Hu yangziyu took over the ore, a group of miners also focused on the ore, everyone's face could not help changing again!

Chapter 5216

There is a blood red flame burning in the red gold ore, and it flickers regularly like a heart

Hu yangziyu's hand with the ore trembled!

She stammered, "Ye Ye Chen This ore is like heartless flint... "

Heartless flint is one of the most valuable minerals among the top!

All the people present are professional mining warriors. They rely on mining to exchange martial arts resources. However, Hu Yang Ziyu's little heartless flint in his hand. I'm afraid that all the minerals they have mined for ten thousand years can't match the value of this heartless flint?

Looking at this heartless flint, Hu yangziyu is not good. The miners around him have a greedy look in their eyes, and their faces are cold. Looking at Ye Chen is like a hungry wolf looking at his prey!

This boy is just a waste of heaven and earth. How can he qualify for such a good ore?

It seems to be aware of his brother's look, Hu Yang Ziyu some flustered and hurriedly put the heartless flint into Ye Chen's hand, some angry to scold: "you fool! Do you know the value of this flint in your hand? How can you hold it in your hand? Put it away and get out of here

The other people's eyes sank when they heard the speech. The strong man who just called Hu yangziyu Jiumei said, "Jiumei! This young master, when can I get your advice? "

The strong man looked at Ye Chen and said, "I'm Hu Yang Shi. Jiumei has just been rude. Why don't we invite you to have a drink and apologize?"

He doesn't want this fat sheep to run away like this!

Ye Chen didn't pay attention to Hu Yangshi. Although he was scolded by Hu yangziyu, he didn't show his dissatisfaction. Instead, he said with a casual smile to Hu yangziyu: "this flint is useless to me. You like it and give it to you."

Said, again threw that flint to Hu yangziyu.

This time, the people present were completely dull

This is heartless flint!

Just say goodbye?

It's like someone on the earth got 10000 carats of the best diamonds, but gave them to others!

No brain to this extent? How ignorant!

However, the group of men were ecstatic. Although the boy had no brain, he saved his life. They didn't have to fight for it.

However, Hu Yang Ziyu shakes his head and immediately shoves the ore back into Ye Chen's hands. He says anxiously, "Ye Chen! I can't accept such a valuable gift! You will give me this heartless flint so casually just because you don't know its value. I'll tell you now... "

She didn't know. How could this guy be so stupid?

Although, girls are born to like gems, she is no exception, but not all gems can be said to send ah!

This heartless flint is not as simple as a gem, it can easily change the fate of a warrior!

But without waiting for Hu yangziyu to finish, Hu Yangshi's face was already full of anger. He suddenly raised his hand and was about to fan Hu yangziyu's cheek. At the same time, he angrily yelled: "nine younger sister, don't shut up!"

This damned girl, eating inside and outside? Elbow out? So to this kid? Not even my brothers?

For a time, people look at Hu Yang Ziyu, eyes are gloomy down, they don't want Ye Chen back!

Populus euphratica stone is a half step, it really exists, this slap speed is very fast, not Populus euphratica Ziyu can hide!

Just when she was frightened, a figure blocked her body, and the palm of Populus euphratica was fixed in the air, and was firmly grasped by one hand!

Populus euphratica stone complexion a change, he can't believe, ye Chen unexpectedly can keep up with own speed?

What makes him more unbelievable is that he earns hard, but he can't pull out his hand from ye Chen!

For a moment, the way Hu Yangshi looks at Ye Chen is different

Is this guy so strong?

And those miners also gathered Ye Chen in the middle!

Ye Chen glanced at Hu Yang Ziyu and said, "who are they?"

Hu Yang Ziyu looked at his brother with disappointment and said, "my brother, and some friends who grew up together."

These people who are closest to her on weekdays, at the moment, make her feel very strange.

Ye Chen, hearing the speech, let go of Hu Yangshi, and then said with a smile to Hu yangziyu: "nine younger sister, I have a habit that things given to friends will never be taken back. You don't have to worry. I know the value of heartless flint very well, so now I have to do something for you."

Hu Yang Ziyu hears speech, some dull, what does Ye Chen want to do?

Ye Chen's eyes swept over the men who were angry in the presence, and said faintly: "for the sake of nine younger sister, I'll save you one life. However, I gave this flint to nine younger sister. If anyone wants to make an idea of this flint..."Ye Chen glanced at the pile of ore at the feet of the people. This is the harvest of these people today.

A spark flew out of his fingertips and landed on the pyroxene.

The next moment, an incredible scene appeared!

I saw that many fire ores were burning one after another. Moreover, almost instantly, they turned into nothingness in the fire of gold and silver. Even the liquid was not left, and they evaporated completely!

The men who surrounded Ye Chen all stepped back subconsciously!

As fire repair, they know how terrible the fire is!

What ye Chen evaporated just now is not ordinary stone, but fire ore!

Although the rank is relatively low, pyroxene, as a fire property material, naturally has strong heat resistance!

But even so, it's all instantaneous evaporation? Or is it just a Mars the size of sand?

You can imagine how terrible Ye Chen's flame is!

At the moment, people look at Ye Chen's eyes, already with a look of awe!

Ye Chen light way: "understand?"

The men bowed in panic and replied, "I understand!"

Ye Chen to Hu Yang Ziyu, who has fallen into a state of absence, said with a smile: "I'll go first. Later, I'll see you again."

.....

At the same time, the universe is another place.

The vast expanses of silver waves are pounding on the coast, and the roar is constant. It is precisely because of the continuous and thunderous sound of the waves all year round that this place is named Leitao city.

LeiTao City, adjacent to the North Sea, is a prosperous city, and the most powerful force in Leitao city is tongxuanzong!

Chapter 5217

Among the ten thousand heavy green mountains, a grand gate is built by the mountain and the water. Behind the gate are many buildings with exquisite workmanship and elegant shapes.

At the moment, a woman is practicing with her eyes closed. Her temperament is very fresh, clean and beautiful. It is Lin Zhuqing, one of the dark sons of the moon who ye Chen met in the sea of the moon and lived together in a dreamland.

At this time, there was a knock outside the door.

Lin Zhuqing opened his eyes and said faintly, "come in."

The door opened and a lovely girl with some baby fat came in.

Lin Zhuqing takes a look at her. The woman's name is Zhang Han, and she is her younger martial sister.

Zhang Han was a little excited and said: "elder martial sister Lin, I just got the news that you have been selected to participate in the Beiling tiandian recruitment this time!"

"Is it?" Lin Zhuqing hears the words lightly to answer a way, but, although its tone is insipid, but in the beautiful eye is twinkling a burst of fine light!

Not long ago, ye Chen carved a hundred feet above the Xuantian stele, which aroused the conflict between several big tiandian, and became a man of the day in the heaven and man domain. At that time, Lin Zhuqing had decided to join Beiling tiandian!

After that, Beiling Temple began to expand vigorously. During this period of time, it broke the tradition and frequently recruited new people!

Today's Ye Chen seems to have been more and more far away from her. Maybe after joining Beiling temple, the distance between them can be shortened.

Lin Zhuqing secretly convinces himself that all this is just because of Ye Chen's identity, the legendary son of heaven who can lead Shen Yuehai's people to rise again and return to the protoss

So, she should be by his side and help him. It's so simple.

But, I don't know why, now every time I think of Ye Chen, all kinds of things that she had experienced in the dreamland once again appear in her mind. Even her firm and delicate heart is slightly shaken by it. Even, every night, the most intimate and private memories between them always appear, stirring her up.

Maybe these problems can be solved after joining Beiling temple?

At this time, Zhang Han said with an intoxicated smile: "elder martial sister Lin, I envy you so much. With elder martial sister Lin's qualification, I'm sure I can enter Beiling temple. Maybe I can see ye Chen and ye Gongzi in the legend Elder martial sister Lin, do you also want to see Mr. Ye? "

Lin Zhuqing hears speech, beautiful Mou trembles for a while, she did not answer, but on pretty face is emerged a touch of red halo!

Although she was gentle and polite in the past, she was slightly indifferent and cold. She even showed this coquettish expression. Zhang Han opened her mouth and forgot to close it for a moment.

But soon, Zhang Han thought of something and hesitated to say to Lin Zhuqing, "elder martial sister Lin, do you remember Mr. an?"

When Lin Zhuqing heard the speech, his pretty face soon regained its light look and said, "an Shaoyu? What's the matter? "

Zhang Han said: "it's said that in the last recruitment, Mr. an had joined the taijue hall, which is the one where Mr. Ye is, and is now the most powerful one in Beiling tiandian. Mr. an has always admired you very much..."

She scratched her head, and then said: "elder martial sister, otherwise, you don't have to refuse the invitation to practice with Mr. an every time. Now his identity is not what it used to be. If you had him, you would be much easier to join taijue temple!"

Although, in Zhang Han's opinion, Lin Zhuqing can be selected to enter the Beiling temple, whether he can join the taijue temple is not necessarily

Lin Zhuqing heard the words, but said faintly: "I will not accept the experience with an Shaoyu, and I don't need anyone's help."

She has her own pride and disdains to do such things. Moreover, if she really wants to go through the back door, what is an Shaoyu?

As long as she says Ye Chen's name, the high level of Beiling temple will treat her differently, right?

However, Lin Zhuqing will not do so.

Zhang Han was worried and said: "I heard that an Shaoyu is very careful. It doesn't matter that he didn't join Beiling temple before, but now he is a disciple of Beiling temple. If he has a grudge against elder martial sister you for refusing him before..."

Just think about it, Zhang Han is afraid.

Lin Zhuqing hears the speech, but he doesn't respond. Zhang Han is going to continue to say something. At this time, a female voice comes from the door: "elder martial sister Lin, the Lord wants to see you."

In the main hall of tongxuanzong, at the moment, the leader Li Hong was talking with people with a smile on his face. At this time, a woman came into the door of the hall.

The woman saluted Li Hong and said, "disciple Lin Zhuqing, I've met the patriarch."

As soon as Li Hong saw Lin Zhuqing, he said with a smile, "Zhuqing, look who has come to see you."

At this time, the young man sitting in the hall stood up slowly, looked at Lin Zhuqing and said, "Zhuqing, long time no see."

Lin Zhu looked at the man in Qing Dynasty, but he couldn't help frowning slightly. The man looked quite handsome. He was wearing a dark purple coat, and he had a natural and sharp taste. This person is an Shaoyu!

An Shaoyu, a disciple of Tianmen sect, met her by chance. No matter how she refused, an Shaoyu never gave up pursuing her

The last time an Shaoyu joined Beiling tiandian, he didn't appear again. Lin Zhuqing thought that an Shaoyu should find a better woman in Beiling tiandian, and finally gave up. But who would have thought that he came again?

Moreover, the appearance of an Shaoyu this time is very different from that before!

Originally, an Shaoyu's strength was better than her, but there was no huge gap, but now

How could an Shaoyu have broken through so much?

How long did he join tiandian, and his strength had such a huge leap!

Lin Zhuqing has made great progress, but now he is a little lower than an Shaoyu.

Seeing Lin Zhuqing's shocked appearance, an Shaoyu had a look of pride in his eyes.

After he joined the temple of heaven, he didn't appear because he was constantly improving his strength!

Strange to say, after he joined the temple of heaven, he had a series of adventures and breakthroughs. In a short time, he could be said to have emerged in the temple of heaven!

To tell the truth, now Lin Zhuqing, in his opinion, seems to be some not worthy of himself!

However, an Shaoyu has always been a proud man. Previously, he had been rejected by Lin Zhuqing. In his view, it was a blow. He felt that Lin Zhuqing rejected himself because he was not good enough. Now he has proved himself because

An Shaoyu gazed at Lin Zhuqing and said, "do you know, Zhuqing? I've been in the tianbang of Beiling tiandian! "

Chapter 5218

Li Hong's eyes changed when he looked at an Shaoyu!

Beiling tianbang!

Li Hongyi is very clear about what that means

In other words, an Shaoyu can be regarded as a demon even in the temple of heaven. That is, his real potential is endless!

After an Shaoyu finished speaking, he was also full of pride, which was the biggest reliance for him to come to see Lin Zhuqing this time. He believed that this time, he could absolutely win over Lin Zhuqing!

Lin Zhuqing took a look at an Shaoyu and said with a smile, "Congratulations, young master an."

She didn't mean too much, but since she and an Shaoyu were acquaintances, and each other had achieved something, she congratulated them.

But in an Shaoyu's ear, it's totally different!

He smiles and smiles with satisfaction. In his opinion, Lin Zhuqing's congratulation is a kind of compromise. She is telling herself that she's gone.

After all, Lin Zhu was as light and thin as the breeze before. He didn't laugh much. How could he suddenly congratulate him?

Everything is as he expected, Lin Zhuqing was conquered by him after all!

Li Hongyi also nodded and looked at Lin Zhuqing with approval, as if he had the same idea as an Shaoyu.

At this time, an Shaoyu walked up to Lin Zhuqing and gazed at the woman he had never been able to get. His heart was inevitably a little excited. He gently said, "Zhuqing, right now, you are going to take part in the recruitment of the Beiling temple, aren't you?"

After half a step back, Lin Zhu felt uncomfortable about an Shaoyu standing so close. However, he nodded and said, "that's good."

An Shaoyu said with a brilliant smile: "don't worry, with me, you can join the temple of heaven, and join the taijue temple!"

In his view, Lin Zhuqing's retreat is nothing but hard to get and reserved.

Lin Zhuqing frowned and was about to say something, but an Shaoyu walked directly towards the door of the hall and said in a loud voice: "then, on the basis of the ceremony, I will let the whole temple know that you are my woman!"

Now, Zhuqing, I have something else to do. Let's go first! "

"Wait!"

Lin Zhuqing couldn't help shouting. She knew that an Shaoyu had misunderstood and had to explain

However, an Shaoyu said with a smile: "just now, I pretended to be reserved and shy. I didn't dare to get close to me. Now, I'm going to leave, so I can't give up? Zhuqing, I didn't expect that you look pure and you will play this game in front of me. "

He didn't stop and left tongxuanzong in an instant. He knew that it was better not to satisfy women at this time.

At this time, he had been completely sure that Lin Zhuqing accepted himself, and that the cold woman was still conquered by herself, and he was elated.

Li Hongyi also said to Lin Zhuqing with a smile: "Zhuqing, you have Mr. an to help you. Surely you will be able to stand firm in the temple of heaven soon? Originally, I was worried that you would have some childish ideas, but I was worried too much. "

Lin Zhuqing heard the speech, secretly clenched the powder fist, she did not explain anything, she knew that now explained will not be believed.

She said to herself from the bottom of her heart, "it seems that only at the ceremony of recruiting new people can I prove myself. I Don't let that person misunderstand... "

Lin Zhuqing said that person, naturally is not an Shaoyu, but ye Chen!

.....

At the moment, true wood city.

Ye Chen suddenly sneezed. Tian Lao looked at him strangely and said, "who is thinking of you?"

Martial arts practitioners don't sneeze casually.

Ye Chen smiles and shakes his head. He gives a jade box to Tianlao and says, "Tianlao, your main medicine."

Tian Lao Wen Yan's eyes flashed. He took over the jade box and opened it. Then he laughed and said, "I didn't expect that you really got it!"

Ye Chen said: "since I have promised, I will do it naturally. Heaven is old. There is one more thing. I have got the fire. Now it's time for me to return to Beiling temple."

The elder hears speech, but suddenly asks: "ye Xiaozhi, you go back this time, in order to participate in the five parties' chaotic war?"

Ye Chen nodded: "yes."

The old man's eyes twinkled slightly and said, "boy, a few days ago, I received a message. This time you go back, you will bring this message to beilingsheng for me."

"What's the news?"

Ye Chen is also a little curious. You know, heaven has no longer asked about the world. Even he wants Ye Chen to take back the news. It must be not simple!

Tianlao stares at Ye Chen and says, "boy, do you know that there is a place in the heaven and man realm called the end of the world?"

Ye Chen smell speech vision suddenly fluctuated!

On that day, when he accepted Lian Shenfeng, his will came to the end of his life. He met a man and made a promise.

It is precisely because of this man, he can live to now, but did not expect to hear these four words again from the old man's mouth!

Tianlao said: "this news has something to do with the desperate situation of abandonment. This desperate situation is actually a prison, holding some villains who once made the whole country on the verge of extinction in foreign history!And it's the way of heaven that imprisons them!

Do you know why the way of heaven only imprisons them in the desperate situation of abandonment? "

Ye Chen shook his head.

The old man said in a deep voice, "because even the way of heaven can't completely wipe out these villains. We can only lock them up!"

"Besides, these people are also involved in a mysterious force. You may not have heard of it, wanxu."

Hear wanxu two words, ye Chen's expression is extremely strange!

Although he had speculated in his heart, he was still shocked when he got the confirmation from tianlaokou.

It can be said that the way of heaven outside the territory is really the power that dominates everything outside the territory. Generally, the strong people in wanxu do not act too casually, just because they avoid being noticed by the way of heaven. Otherwise, they are easy to be punished. Even some strong people in wanxu can't afford the punishment of the way of heaven!

We can see how powerful the way of heaven is!

Even the way of heaven and wanxu can't be killed. I can imagine how rebellious it is

The old man sighed and said, "according to the news I got, heaven and man are going to change. Maybe one year later, maybe ten years later, maybe tomorrow. This change is about the way of heaven, and also about the end of the world. I can't tell you what it is, but one thing, I'm sure, the storm is coming!

In fact, in the realm of heaven and man, there are many more terrifying forces than the five heavenly halls. The reason why they hide and retreat is related to the way of heaven and wanxu. If the way of heaven changes, these forces will reappear in the world, then the world will be in chaos!

First of all, I'm afraid that the five parties' chaotic war will be postponed. At this juncture, even if there is hatred between the heavenly halls, they will not want internal friction!

After you go back, let beilingsheng be ready! "

Ye Chen also is complexion dignified spot to nod a way: "yes!"

Chapter 5219

After leaving Tianlao's yard, ye Chen's eyes flashed slightly and said to himself, "chaos is coming. Even if there is no five party chaos, it's time to go back and have a look."

The next moment, he will become a shadow, disappeared in the sky.

.....

On this day, Beiling temple was very busy. From time to time, there were flying boats and dragon chariots disappearing behind the sky and entering the temple.

On the square, gathered a large number of young men and women, in addition to their teachers, classmates and so on.

Their faces were full of excitement, tension and awe!

Today is the ceremony of recruiting new people in Beiling temple!

In front of the square, a high platform was built. At this time, seven lights fell from the sky and landed on the high platform. The whole square was quiet!

When they looked at the high platform, they saw seven figures on it.

These seven figures, there are men and women, but what they have in common is that each of them, with a touch of pride, and strength, are extremely terrible!

Those who are qualified to participate in the ceremony are already gifted in heaven and man. However, compared with these seven people, they are nothing!

The martial arts on the stage have no accomplishments under the eight level heaven of the true realm!

It's hard to imagine the details of tiandian!

At this time, one of the young men and women, standing in the middle, stepped forward and said faintly, "we are representatives sent by the seven halls. We are responsible for observing your qualifications, temperament and other aspects in the process of your assessment. After you pass the assessment, we will represent each hall and solicit you."

Hearing the words, people's eyes fell on the young man one after another.

They were very curious. Which hall did the young man come from?

At this time, the young man said with a smile: "I, taijue temple, an Shaoyu!"

After hearing the three words of taijue hall, countless young men and women have bright eyes!

Taijue temple is the target of most people!

When they looked at an Shaoyu, they looked more respectful!

Everyone knows that taijue hall has a special significance in Beiling temple. No one can offend the disciples of taijue hall!

Because, that peerless evil Ye Chen is to come from too absolute temple!

At this moment, an Shaoyu did not step down. Instead, he was staring at a certain place. People could not help but look at him. At the end of his sight, there was a woman with refined temperament and beautiful face. It was Lin Zhuqing!

A grey haired youth standing behind an Shaoyu asked curiously, "brother an, who made you so fascinated?"

Hearing this, an Shaoyu felt as if he had just regained his mind. He said with a smile, "sorry, brother Chu, it's my gaffe..."

However, he didn't look away, but said to Lin Zhuqing with a smile: "Zhuqing, today, you have to work hard."

This simple encouragement suddenly made the whole square boiling up!

As an Shaoyu, how can you encourage this woman?

What is their relationship?

For a time, many women are to Lin Zhuqing cast to envy eyes!

But it's not over yet!

An Shaoyu turned to the grey haired young man and said, "this is Lin Zhuqing from Xuanzong. He is also my Taoist partner. Zhu Qing is very talented, but his temperament is a little light. Please look after her for me during the assessment, so that I won't be bullied when I'm not with her!"

The disciples of the other halls on the stage all showed a smile with understanding. An Shaoyu's words were very clear, that is, don't rob people with him!

As long as Lin Zhuqing passed the examination, he was a member of taijue hall!

For a moment, everyone is issued a envy of praise, Lin Zhuqing found an Shaoyu, luck is too good!

However, at this time, a scene beyond everyone's expectation appeared!

I saw that Lin Zhuqing was expressionless from the beginning to the end, without any fluctuation. Suddenly, she said faintly, "Mr. an, I think you misunderstood me. I'm not your woman, and I don't want to be your woman."

With this remark, the whole square was dead silent in an instant!

What did the woman say?

Don't want to be an Shaoyu's woman?

It's like hitting an Shaoyu's face in public!

And Li Hong and others were scared for a moment, and their faces turned pale!

An Shaoyu's look was also stiff for a moment. He looked at Lin Zhuqing with a dull flame in his eyes. With a strong smile, he said to Lin Zhuqing: "Zhuqing, don't make a joke. You see, everyone is scared..."

But Lin Zhuqing and an Shaoyu looked at each other, but they didn't give in at all. They said faintly, "I'm serious."

At this moment, the crowd didn't dare to do anything. On the high platform, although the other disciples didn't say anything, they looked at an Shaoyu with a touch of fun in their eyes! At the moment, an Shaoyu stares at Lin Zhuqing. His eyes are congested and his face is slightly distorted!

He doesn't understand. What's this damned woman doing?

He's an Shaoyu, but he's a new demon in tianbang!

Now, is Lin Zhuqing slapping face in public?

In the future, he will become a laughing stock in Beiling temple, right?

He's mad with rage!

The next moment, an Shaoyu walked directly down the stage, step by step, toward Lin Zhuqing!

Subconsciously, everyone made way for an Shaoyu. The demons in tiandian dare to despise an Shaoyu. They dare not!

.....

Meanwhile, Beiling is outside the temple of heaven.

A figure appeared in the sky. He took out a token in his hand and made a brilliant show in front of him. The door of space slowly opened. Looking at the beautiful scenery behind the door, ye Chen couldn't help showing a smile of nostalgia.

The next moment, he flashed into the door.

After returning to Beiling temple, ye Chen is going to go to Lingxing pavilion to have a rest and meet his elder martial brother. Suddenly, he looks at the direction of the square and says, "today, is there a ceremony for recruiting new students?"

Originally, he didn't plan to pay attention to, but suddenly in his mind, appeared a familiar breath, ye Chen's eyes slightly trembled a way: "is she?"

The next moment, his figure flashed, and he went to the position of the square.

.....

Soon, an Shaoyu came to Lin Zhuqing. His face was cold. Looking at that beautiful face, his heart was filled with anger and a desire. He wanted to have Lin Zhuqing by force now, torture her and let this damned woman beg for mercy for her fault!

He took a deep breath and said coldly: "Zhuqing, I may make you angry, but you don't have to revenge me in this way, OK? Now, take your words back. If there's any problem, let's talk about it in private. "

For a moment, everyone's eyes are flashing. Is it just Lin Zhuqing's temper?

However, Lin Zhuqing immediately said, "Mr. an, please don't say such misleading words. In fact, we are not familiar with each other."

Chapter 5220

Not familiar?

This time, even a few people on the stage shook their heads. This woman named Lin Zhuqing is too bad to be a human being. She doesn't have any face for an Shaoyu!

Even if she joined tiandian, the future would be miserable.

And Li Hongyi was angry and said: "Zhuqing! What are you talking about! It's your blessing that Mr. an can take a fancy to you. Don't be too ungrateful! "

He was afraid that because of Lin Zhuqing's stupidity, he would be implicated in the whole tongxuanzong. As an Shaoyu, if he was given a charge, it would be enough to destroy tongxuanzong directly?

At the moment, an Shaoyu couldn't bear it. His face was completely destroyed by Lin Zhuqing!

His good intentions did not care about the strength of this bitch garbage, let her do their own woman, this bitch so repay themselves?

An Shaoyu's hatred for Lin Zhuqing has reached an unbearable level!

His face suddenly became ferocious, and his eyes were full of ferocity. With a roar, a strong breath broke out instantly. Many warriors around him were shocked by the breath and stepped back a few steps. Looking at an Shaoyu, their eyes were full of fear, as if the elk had met a tiger!

Lin Zhuqing is under the pressure of an Shaoyu. Although her heart will not be shaken, her body can't resist, and her face is gradually pale. However, she doesn't step back!

An Shaoyu said with a ferocious smile: "you mean woman, today, I'm going to let you know what will happen if you offend tianbang demon in Beiling temple!"

As soon as his voice fell, an Shaoyu raised his hand and slapped him to Lin Zhuqing's fan!

This slap, although he didn't do his best, but, if it's real, Lin Zhuqing will be very miserable!

Anyway, Lin Zhuqing is just a novice disciple, but he is a disciple of taijue hall. Even if he really hurt Lin Zhuqing seriously, he won't be punished, will he?

Lin Zhuqing's face changed slightly. He seemed to want to fight back, but under the pressure of an Shaoyu, he couldn't do it

Seeing that, this slap is going to fan Lin Zhuqing's pretty face, and an Shaoyu also has a happy smile on his face!

Lin Zhuqing subconsciously closed his eyes

But soon, a little puzzled color appeared on her pretty face. Why didn't an Shaoyu slap her?

She slowly opened her eyes and saw a figure blocking her body.

Ye Chen a hand firmly grasps an Shaoyu's wrist, he some helplessly shook his head, recently, he often seems to help others block slap?

But soon, his face was instantly cold!

Just now, when an Shaoyu's slap was about to fall, a shadow suddenly appeared in front of Lin Zhuqing from nowhere, and caught an Shaoyu's wrist with lightning speed!

Countless martial arts people are all looking incredible

An Shaoyu is not an ordinary demon. Even if he slaps him casually, he can't be caught by a young man in heaven and earth?

But the man did it. What's the matter?

An Shaoyu's eyes glared. He was mad!

I've been swept away by this damned woman, but now I don't know where to jump out, and a little trash grabs his hand directly?

God, is to fight him, so that he can no longer raise his head in Beiling temple?

An Shaoyu's eyes were filled with a sense of killing. He looked at the young man in front of him like a hungry wolf and said, "you, let go."

Ye Chen light a smile way: "beat a woman, is not what good habit."

At this moment, an Shaoyu broke out completely. Regardless of his manners and so on, he growled at Ye Chen: "what are you, you dare to control me!?!? I beat my woman, don't you agree? Do you know that Laozi is a demon in tianbang, a disciple of taijue temple? Get out of here if you don't want to die! "

At this time, three extremely powerful breath suddenly appeared in the square above!

At this moment, everyone raised their heads and looked at the sky, even an Shaoyu, who was in a rage.

At the next moment, everyone was in a daze, and then they all looked unbelievable

I can see that there are three unfathomable human figures in the sky.

These three people are the emperor of Beiling, Ren Lao and Ning ChiYin!

Everyone's brain is not enough. Why are these supreme beings here?

At the moment, their eyes are all in the same direction, which is where an Shaoyu and the young man suddenly appear!

At this time, beilingsheng suddenly showed a smile and said: "boy, you finally appear."

This speech, everyone is a Leng, finally appeared?

What does that mean?

All of a sudden, people seem to think of something, "Shua", all eyes are focused on Ye Chen's body. Ye Chen let go of an Shaoyu's hand, he slowly took down a mask from his face, revealing his original face.

In that handsome, with a face of indifference.

That belongs to Ye Chen's face!

For a moment, everyone's heart seemed to stop for a moment!

Ye Chen

It's Ye Chen!!!

At present, this young man is the super monster that countless disciples who join Beiling Temple yearn for, ye Chen!!!

Ye Chen smiles and salutes to beilingsheng and says, "disciple Ye Chen has come back to tiandian. He has seen the emperor and elder sister ChiYin. Let him be an old man."

Then, he looked at an Shaoyu and said with a faint smile, "you just asked me, what am I?"

An Shaoyu almost cried when he heard the speech!

His brain is going to cramp!

With a "puff" sound, an Shaoyu knelt down on the ground without hesitation, trembling and apologizing to Ye Chen: "Ye Elder martial brother ye, I'm sorry... "

Ye Chen looked down at him without expression and said, "there's one more thing. I want to tell you that Zhuqing is not your woman. Do you understand?"

"I see..."

Seeing this, people almost suffocated

Ye Chen even defended Lin Zhuqing. Moreover, from the point of address, the relationship seems to be quite close!

Now they understand why Lin Zhuqing has to deny his relationship with an Shaoyu

They are ye Chen's women. Would they like an Shaoyu?

For a time, everyone shows his disdain for an Shaoyu. Just this virtue, do you want to rob a woman with Ye Chen?

An Shaoyu's face is full of despair. He knows that he's finished. Even if ye Chen doesn't do anything to him, I'm afraid no one in the temple will take care of him any more. His future is ruined

At the moment, Lin Zhuqing's pretty face flushes slightly and lowers her head. There is a feeling of inexplicable joy in her heart. She doesn't like to be protected by others. But, somehow, ye Chen's protection makes her feel different.
