

Physician 5251

Chapter 5251

"Yes

Yan xuan'er calms down in an instant. With a twinkle, she melts into Ye Chen's body.

Only xi lie, with a dull face, stood in the same place.

Ye Chen picked up the water mirror China on the ground, untied the prohibition in his body, and said with a smile: "sorry, it startled you."

Water mirror China instantly hugged Ye Chen, tears rolled down and said: "you can ignore me, why do you want to do this?"

Ye Chen light way: "cooperation, I promised you, protect you."

Water mirror China smell speech, beautiful Mou violently vibrated for a while, subconsciously embrace more tightly a minute.

Feeling the close contact and friction between Huajiao's body and his body, ye Chen's throat dries. He takes a deep breath and forcibly suppresses the giant dragon under the Dantian. However, even with Ye Chen's willpower, it seems that he can't stop the rise of the giant dragon at the moment

A confused color suddenly appeared on shuijinghua's pretty face. At this time, ye Chen's hot breath sprayed on her earlobe and said in a low voice: "water girl, if you don't let me go again, tonight, I can't guarantee the agreement with you before..."

The water mirror China hears speech, the ear root instant seems to burn general, immediately let go of Ye Chen, tiny low head, scolded a: "hooligan....."

However, there is a faint smile on the pretty face.

At this time, xi lie's eyes flashed, his whole body was full of aura, and the red shadow method was used. The whole person seemed to be integrated into his own shadow, and disappeared. A flash appeared outside the temple gate!

Hong Shun Tian's eyes twinkled and said: "the method of red shadow is one of the two unique skills of breaking the island by fire. The speed of escape is also so frightening..."

However, he and ye Chen, on the face at the moment all is not the color of the slightest fluster.

All of a sudden, xi lie's body stagnated in the air, and his waist was suddenly wrapped with a red chain!

Xi strong complexion a change, will to that chain hand, but at the moment, the figure of Ye Chen is already appeared in his behind.

In a flash, xi lie's whole blood seemed to freeze in an instant. It seemed that he was facing a wild beast that was opening its kiss!

Ye Chen said with a smile: "actually, I didn't tell the truth just now

It's really painful to be stabbed so many swords by you. Now, it's my turn, isn't it? "

At the next moment, a golden and silver spark suddenly intruded into xi lie's body. Xi lie's face changed and he uttered a very painful scream. He immediately fell from the air and felt that every cell in his body was burning. The whole person was like an insect, constantly twisting!

Moreover, under xuan'er's control, the power of Xuan Yan just makes xi lie feel extreme pain. For a while, he won't kill him!

In xi lie's eyes, blood and tears surged wildly. The pain was better than everything he had suffered. Xuanyan burned not only his body, but also his soul and the origin of life!

That taste

Even ye Chen has some sympathy for him

Xi lie suddenly took out a dagger, in order to alleviate the pain, he was forced to insert his body, but it didn't help!

He pointed the dagger at his eyebrow, as if he wanted his life, but his hands were crushed by one foot.

Ye Chen looked down at Xi lie and said with a smile, "do you want to die? Are you too naive? From this moment on, death is just a luxury for you

Xi lie's heart was broken in an instant. He would collapse at the thought that he would bear the pain forever!

With a sneer, ye Chen turns xi lie's body over and tears the treasure map from his back. It's full of blood. But now, for xi lie, this kind of pain is not pain, on the contrary, it's a kind of enjoyment!

Looking at this scene, Hong Shun Tian could not help but swallow his saliva and secretly decided that from now on, no matter what happened, he could not be the enemy of Ye Chen!

If xi lie is just a psychopath, ye Chen is psychopath from head to toe

It's terrible!

After a full hour, xi lie's scream no longer sounded.

It's not that ye Chen let him go, it's just that xi lie's body has been burned, but there's still a soul, isn't there?

Ye Chen doesn't intend to destroy xi lie's soul. According to his estimation, it will take more than 10 million years for xi lie's soul to be completely burned under xuan'er's control.

With a smile on his face, ye Chen returns to the broken Temple holding the treasure map of human skin.

He always does things in a way that people don't offend me and I don't commit crimes. If people offend me, they will repay me ten million times.

the world of martial arts is cruel, which is also the law of survival.

.....

In a house, the dim light of the fire in the long-term light flickered slightly, reflecting a indifferent man's face.

In his hands, it is a strange map, which emits a faint smell of blood. The most important thing is that its material seems to be human skin!Ye Chen's eyes moved away from the human skin map and looked at a handsome young man standing in front of him in a red robe.

Seeing this, the young man muttered helplessly: "brother Ye really can't let Miss Shui come?"

Ye Chen light way: "less talk nonsense, quick."

With a sigh, Hong Shuntian slowly untied his red robe like a forced daughter-in-law, revealing his muscular and graceful upper body.

He turned around slowly, and a map tattoo was also engraved on his back!

Ye Chen stares at the two maps, and his powerful mind rushes out, quickly analyzing the information on the map!

Most of the two maps are the same, but there is a difference in one part. The difference lies in Ye Chen's mind. It quickly overlaps and gradually outlines a picture

Ye Chen's eyes flashed wildly and his body moved. He had already appeared in another room. In this room, there was a woman with a beautiful face, green silk and waist. It was shuijinghua!

Water mirror China slightly a Leng, pretty face on the emergence of a nervous color, it seems not ready for psychological!

Ye Chen some anxious way: "water girl, take off clothes quickly!"

"Ah?"

Listen to this ambiguous words, and ye Chen's urgent, hasty eyes, water mirror China's heartbeat instantly accelerated!

Ye Chen looks at the water mirror China to be in a daze of appearance, once the vision sinks, go on like this again, too late!

The next moment, he suddenly appeared in the water mirror Hua's side, low voice: "offended!"

After that, she grabbed shuijinghua's slender shoulder and turned her delicate body over, lying on the bed with her back to herself!

"Ah! Ye Gongzi, you... " Water mirror China exclaimed, this posture seems, seems

Chapter 5252

Her whole body blood crazy acceleration, isn't, ye childe finally can't help but want to oneself hand?

Shuijinghua clenches her lips tightly. To her surprise, although Ye Chen's action is a little rough, her heart seems to have no resistance!

There seems to be some expectation, even excitement!

Ye Chen's eyes flashed. He wrapped the water mirror in the curve under the long skirt similar to the cheongsam. He had a panoramic view of the angry dragon under him. It seemed that he had a tendency to look up again!

He took a deep breath and tore open the long skirt of shuijinghua!

At the moment, shuijinghua doesn't scream, but slowly closes her beautiful eyes, her eyelashes tremble slightly, as if waiting for the moment to come

But

To her surprise, ye Chen didn't take the next step

Shuijinghua opens her eyes suspiciously, and a reassuring look appears on her pretty face. She was really scared to death just now

However, vaguely, there was a faint disappointment in those beautiful eyes.

Shuijinghua can't help but ask: "Mr. Ye?"

At this time, ye Chen's eyes are completely focused on the map behind the water mirror China, there is no response to the sound of the water mirror China, the huge idea is running very fast!

A moment later, he took out a long robe and put it on for shuijinghua, saying, "OK, water girl, get up. I'm sorry, I just surprised you."

Water mirror China smell speech, some hesitant way: "this is over?"? Don't you have to do anything else? "

"Er..."

Ye Chen is tiny a Leng way: "water girl, what do you want to do?"

When shuijinghua heard the words, her pretty face suddenly turned red. She quickly got up, clenched the collar of her robe, lowered her head and said, "no, I mean..."

As if she didn't know how to explain it, she had to change the question and said, "Mr. Ye, what happened just now?"

Ye Chen looked at the human skin map in his hand and said: "you know, there are prohibitions on this map, so it's hard to remember the contents on the map. I forced to remember this map and the information in the map behind Hong Shuntian by my powerful mind, but I can't remember it for long, so I was just in a hurry..."

"It's like this..." In the gorgeous eyes of the water mirror, there was a flash of shame. She even thought it was wrong

Ye Chen's eyes flashed and said: "now, combined with the information on the three maps, I have gained something. Water girl, change your clothes. We will gather in the living room for a while."

After that, ye Chen left the room of shuijinghua.

Now, a day has passed since the killing of xi lie. In this day, they have turned around the Golden City, and no one has found the successor of the tattoo on the map. It seems that the other successors are concentrated on several other islands near the treasure hiding place.

Soon, shuijinghua changed into a long skirt and came to the living room. Ye Chen and Hong Shuntian had been waiting here.

Three people sitting around a round table, ye Chen see people have arrived together, look at Hong Shun heaven, said: "Shun heaven, can you have a map of the sea of heaven buried?"

Hong Shuntian nodded and put a map on the round table.

Ye Chen stares at the map, and a little light falls on it. He says: "according to the information from the three maps, we are going to go here next."

Hong Shuntian and shuijinghua, when they see the location marked on the map, can't help but shrink their pupils, and their faces are dull!

Ye Chen looks at the complexion of two people, some don't understand a way: "you how?"

The three people's eyes focused on the place where the aura was. At the moment, on the map, an area called wuhui island was shining.

.....

At the same time, in an island city called scorching sun city.

In a remote hut, there were bursts of shrill cries.

In the hut, a woman was tied up on a stone platform naked. At the moment, the stone platform has been dyed red with blood!

A man with a soft face, purple hair and a tear mole at the corner of his eye is slowly cutting off a large area of skin behind the woman!

And on that skin, there is a treasure map!

This woman is also one of the successors of tattoo.

At this moment, the woman very reluctantly raised her head, showing a soft, pale face. She pleaded and said: "now, you have got the map, please, let me go..."

After hearing the speech, the feminine man looked at the woman's bloody back, but he licked his lips. Strange excitement and desire appeared in his eyes. He reached out and gently stroked the flesh and blood that had lost the protection of the skin. The woman's pupils shrank and screamed again in the pain.

Yinrou man listened to the scream and looked more and more happy. He bent down and said with a smile in the woman's ear: "let you go? Our game, now, has just begun? "

Women smell speech, that because of pain and constantly pouring out tears in the eyes, emerged a look of despair. After a few hours, the Yin Rou man sat on the bed leisurely, comparing the two maps of human skin in his hand. At the same time, a tattoo on his back glowed slightly, and the tattoo pattern instantly appeared in his mind. Comparing the information on the three maps, a moment later, the man frowned slightly and said: "no return to the island? It's a bit of a problem. "

After that, he got up and walked out of the house. There were only two bodies left in the house, which were so devastated that they lost their human form

.....

The screen turns.

Hong Shun said solemnly: "brother ye, this wuhui island is named wuhui, which means there is no return. It's not difficult to enter this wuhui island."

Ye Chen's vision flashed a way: "this words how say?"

Hong Shun said: "wuhui island itself is very mysterious. In the whole history of Tianhai burial, there are very few people who came out of wuhui Island alive. There are two major reasons!

First, people buried in the sky and sea call it death storm!

Around the wuhui Island, there is a year-round terrible storm, which is enough to smash any ships entering. Even the sea animals in the later stage of the real world dare not enter it without permission. The surging waves are enough to crush their bones into powder, and the continuous thunder can instantly turn them into fly ash! "

Ye Chen's face changed slightly when he heard the words. Such a terrible storm really deserves the name of death!

Hong Shuntian continued: "second, it's called lost strange fog. The sea area outside wuhui island is not only covered with death storm, but also has a strange gray purple fog!

This fog, even if the death storm can't blow it away, and anyone, once in this fog, no matter how powerful his mind is, will lose his way and be very strange! "

After hearing this, ye Chen's face sank down. Just because of the storm of death, he can still try to break through with his physical strength. Although he can't fly in the sky sea, he can still swim across a small sea area with Ye Chen's physical strength.

But, with the fog, even he is helpless!

Chapter 5253

Ye Chen can't help asking: "is there no way to enter it?"

Hong Shuntian shook his head and said: "of course, there is no way, otherwise, no one will know the existence of wuhui island. However, to enter into it, the conditions are extremely harsh!

First of all, we need a treasure named Haiji compass to break through the fog! It's not difficult to refine the sea pole compass. I can easily refine it, but... "

Hong Shuntian's eyes flickered when he said this.

"Just what?" Ye Chen frowns a way.

"It's just that refining Haiji compass requires a special kind of ore called Haiji treasure diamond, which only exists in one place of the sky sea

That's Lion Island, one of the 36 days island!

The most important thing is that it's not a simple thing to exploit the Haiji diamond. Haiji diamond can only be exploited with pure strength! The demand for strength is still very high!

Moreover, the spirit of Haiji diamond can't be preserved for a long time, so it needs to be used as soon as it is mined, so there is almost no stock in stock... "

Hong Shun Tian's mouth suddenly appeared a bitter smile and said: "lion island has strong customs and a large area. Most of the aborigines on the island live by hunting. However, the aborigines on lion island are most famous for their brutality and flesh!

Even if I have Chihuang blood and the physical strength is not weak, I have to admit that those guys on lion island are really advantaged in the physical strength, which is far from me. Therefore, most of the warriors who want to get Haiji diamond have to ask the aborigines of lion island to mine it for them. This is also the reason why lion island is gradually prosperous, but... "

Hong Shuntian had a headache and said, "these guys have very bad personalities. They are not so easy to deal with..."

Ye Chen hears speech, but is the vision a bright, light smile way: "is it"? Well, there's a solution to this fog. Now, let's talk about death storm. "

Can only be mined with physical strength?

Others may need to ask the local strongmen of lion island, but they don't need to.

In terms of physical strength, ye Chen has no less confidence than any so-called "advantaged" race!

Hong Shun's eyes flashed slightly, and he looked at the water mirror and said, "if you want to break through the death storm, you need a treasure named Zhenhai stone!

As far as I know, Shui family in Shuiming Island owns a Zhenhai stone! "

Ye Chen was surprised to hear the words and looked at shuijinghua, who had been silent all the time. Looking at the dim eyes of shuijinghua, he moved and asked Hong Shun Tian: "is it that only the water family has this Zhenhai stone?"

Ye Chen knows very well that shuijinghua left Tianhai because the Shuis forced her to marry Wujue. Naturally, there was a gap between her and Shuis. Ye Chen didn't want to force shuijinghua to ask for Shuis.

At this time, shuijinghua suddenly said: "even if you have zhenhaishi, it's not so easy to enter wuhui island. You have to choose the death storm, which is in a weak period. Now, it's just in the weak period of death storm. The time is only seven days!

If we want to enter wuhui island in the weak period, Shuijia is our only choice... "

Hong Shuntian nodded and said, "yes, other islands with zhenhaishi are not willing to borrow them. Even if they borrow them, it's too late to rush to wuhui island. Only Shuijia is closest to us

However, zhenhaishi is a treasure in any family. If you want to take it out of the family, I'm afraid only the owner can do it! "

When ye Chen hears the words, he frowns. Hong Shuntian means that shuijinghua must inherit the position of master of the water family in order to get Zhenhai stone?

This is obviously not an easy thing, especially when there is a conflict between shuijinghua and Shuijia!

He is about to say something, but shuijinghua smiles at him and says: "Mr. Ye, you don't have to worry about me. It's time for me to go back..."

Said, her beautiful eyes, suddenly broke out a wisp of cold color, way: "some accounts, also to calculate the time!

In fact, I was the successor of the water family. In those years, I was forced to escape from the sea of heaven because my half sister arranged a conspiracy to win the position of the water family leader! "

Ye Chen and Hong Shun Tian look at each other, and there is a flash of surprise in their eyes!

Shuijinghua said coldly: "the reason why I asked Xiaoyi to go back and inform them that I came back was that I intended to take back what belonged to me!

Although the water family is now under the control of that woman, because of Zuxun, unless I die, she will never be the real owner of the water family! "

Ye Chen was silent for a moment and then said, "do you need me to accompany you?"

The "elder sister" in shuijinghua's mouth is so vicious that she will not be spared. How dangerous it is for shuijinghua to return to Shuijia this time can be imagined.

Shuijinghua shook her head and said, "there are some things that need to be done by herself. Moreover, she doesn't dare to do it to me directly. Now, she can't even stop me from succeeding to the position of the head of the family and disobeying the ancestral precepts. It's taboo in Shuijia."When ye Chen heard the words, his eyes twinkled for a moment, and he said: "in this case, we will act separately. Shun Tian and I will go to lion island to get the sea treasure diamond, and then water girl will return to the water

family and inherit the position of the head of the family. When it's finished, we will go to Taiming island to meet!"

Only in this way can they enter wuhui island in seven days!

Immediately, after a while, they left the golden city.

.....

One day later, two young men stood in the bow of a huge ship. One was indifferent and the other was dressed in red robes.

It was Ye Chen and Hong Shuntian.

At the moment, looking at the outline of an island at the end of his sight, Hong Shun Tian said, "brother ye, lion island is coming."

Not long after, the ship stopped in front of the port of lion island. A young, dark and energetic captain yelled, "here comes lion island!"

Immediately, many passengers got off the boat and headed for the wharf. Lion island is rich in various minerals, and many businessmen would go to lion island to do business.

Ye Chen and Hong Shuntian followed the crowd to the interior of lion island.

Ye Chen's eyes flashed slightly. Along the way, he saw a lot of men with brilliant blonde hair, blue eyes, bronze skin, tall, muscular and full of power!

And these men, looking at Ye Chen and others, the corners of their mouths are with a smile of disdain, and their eyes are full of superiority!

Ye Chen slightly frowns, he does not like this kind of look.

Hong Shuntian whispered to Ye Chen: "these people are the aborigines of lion island. They are arrogant and arrogant to the extreme. Businessmen who come to do business have to give in to them. Therefore, these people are more unscrupulous Brother ye, don't look them in the eye so as not to cause trouble..."

"Oh."

Ye Chen lightly should a, some don't think so, like with him proud, with his crazy person, always won't have what good end.

Seeing this, Hong Shuntian could only shake his head helplessly.

Chapter 5254

Soon, they entered a golden field and walked towards a mountain in the field.

There is the largest vein in lion island, which is called lion vein.

In front of the Shiwang mine, there is an extremely luxurious and unrestrained palace. Before the palace, a long line of warriors dressed in brocade robes and merchants, all with a look of uneasiness, keep walking into the palace.

From time to time, merchants came out of the palace, and some of them, with a look of ecstasy, followed a golden lion and said something to the golden lion.

Some left the palace in despair and headed for the dock alone.

Ye Chen's vision tiny Shan way: "what are they doing?"

Hong Shun said: "if you want to enter the vein, you need to get the consent of the manager. Now, these people are the managers who want to enter the palace and meet the vein."

Not long after, ye Chen and his wife also followed a group of businessmen into the palace. Under the leadership of a golden lion, they came to a hall. In front of them was a huge throne. On the throne sat a handsome young man with golden hair and blue eyes, wearing a pair of Golden Snake Earrings and looking extremely arrogant.

There was a huge golden lion lying under the young man's seat. At the moment, the young man was caressing the lion's mane casually and looking at the people in the palace, his face was lonely and proud.

At this time, the Golden Lion soldier, who led the crowd, said coldly, "listen, this is our little chief of the Golden Lion clan and the holy claw tribe, his highness Jinlei mountain. Now salute your highness!"

For a moment, the merchants, with extremely respectful look and flattering smile, said to the Jinlei mountain on the throne: "yes, your highness! Your highness is indeed valiant

"Worthy of being a powerful little chief of the holy claw tribe, he is very powerful."

"It's the golden lion's rebirth, which makes us convinced!"

When Jin Leishan heard the speech, he had a look of enjoyment in his eyes. He liked the feeling of being flattered by the lower class.

However, at this time, his eyes suddenly narrowed slightly and fell into a corner of the crowd.

There, standing a look indifferent youth, this youth, it is Ye Chen!

Although Ye Chen also saluted Jinlei mountain, it was just a very common sentence: "I've seen your highness."

However, what Jin Leishan cares about is not what ye Chen said, but his attitude!

Others, even Hong Shuntian, were respectful and flattering

Only Ye Chen!

From the beginning to the end, it gives him the feeling of being neither humble nor overbearing!

Jinleishan's face was slightly cold. In his opinion, he lacked awe!

Are the lower class worthy of being humble and arrogant to their higher Golden Lions?

Low class should have low class attitude!

Soon, a playful smile appeared on the corner of jinleishan's mouth. Well, he will let this lowlife learn how to face the golden lion.

The next moment, Jin Leishan casually raised his hand.

The servant of the Golden Lion clan said in a loud voice, "now, all of you will present your treasures to show your respect to your highness."

"Yes

The merchants looked nervous and excited. In order, they soon ranked at the front of the line. A little stout businessman came to the servant and offered his storage bag respectfully.

After taking over the storage bag, the servant swept it at will and said to the person in front of him, "what kind of ore do you need to mine?"

The short and fat merchant said eagerly, "Heaven's stone! I'm going to mine tianjinshi! "

After hearing this, his face sank and he said coldly, "don't you know how valuable tianjinshi is to my golden lion family? What's more, tianjinshi is also a kind of ore that can only be mined by pure force. With a thousand huoshenguo, do you want me, the Golden Lion family, to help you? "

His eyes welled up a evil way: "do you look down upon my golden lion clan, and regard us as slaves who can be sent at will?"

On hearing this, the short and fat merchant was about to cry. He knelt down in front of the attendant and said, "please Please calm down. I'm too excited at the bottom. I took the wrong storage bag... "

Then he handed over a storage bag again. After the attendant took it, he raised a sarcastic smile at the corner of his mouth and said coldly, "if you are wrong, I will forgive your rudeness. Don't have another time. Go away."

The merchant was stunned, hesitated and said, "my Lord, what happened to Jinshi that day..."

The servant's face was cold, and a wave of prestige burst out and said: "why, I forgive you, and you still have to bargain with me? Ha ha, if you don't want to go away, just stay. "

The short and fat merchant's fierce eyes on the servant, his urine was about to scare out. Even under the impact of the pressure, his internal organs were shocked. A wisp of blood overflowed from the corner of his mouth. He quickly shook his head and said: "I'll roll, I'll roll..."With that, he walked out of the palace, but the attendant didn't mean to return the storage bag to the fat merchant at all

When people saw this scene, they felt cool and calm, and a touch of anger appeared in many people's eyes.

This golden lion clan is too overbearing and overbearing!

You are not satisfied with the gift you presented. It's OK not to let people enter the mine vein, but you don't give it back to others?

No reason at all?

However, they are very clear that this is the territory of the golden lion, and the golden lion is the truth!

If they want to do business and mine ore here, they have to bear it!

It can be said that some people are happy and some are worried, and few of them can successfully enter the vein.

Most people just lost their gifts for nothing.

The success rate is about one third.

Ye Chen's eyes flashed slightly and said, "Shun Tian, are you sure you can successfully enter the vein?"

Hong Shuntian nodded and said, "I have dealt with the Golden Lion people before. In fact, they have a clear standard for the value of gifts, which can not be easily changed! Otherwise, businessmen are not fools and will not come to give things to the Golden Lions for nothing. In fact, we are just testing the limits of this standard.

I've got a clear idea of this standard. Don't worry. "

In a short time, ye Chen and Hong Shuntian came to the servant.

With a smile on his face, Hong Shuntian handed a storage bag to the attendant. There was a touch of pain on his face. In order to enter the mine, he was bleeding.

The servant took the bag and swept it. Sure enough, a touch of surprise appeared in his eyes. Ye Chen's eyes brightened. It seems that Hong Shuntian succeeded!

The attendant quietly took the storage bag, and then said, "what kind of ore do you want to mine?"

Hong Shun said to heaven, "the most precious diamond in the sea!"

The businessmen on the scene were surprised by the speech!

It turned out to be Haiji diamond?

They are very clear, want to exploit the sea treasure diamond, pay the price is absolutely not small!

For a moment, the whole hall is quiet down, all people are staring at the Golden Lion family attendants, I do not know whether ye Chen two people can succeed?

At the next moment, the attendant said slowly, "your gift is not bad. You are qualified to mine Haiji diamond..."

Chapter 5255

When the merchants heard the words, they all looked at Hong Shun Tian and ye Chen with admiration, the sea treasure diamond! Although it can't be preserved, as long as it is made into a treasure, its value can be increased hundreds of times, right?

If it wasn't for the Golden Lion people who didn't know anything about refining utensils and their qualifications were extremely poor, I'm afraid they wouldn't have stayed

Ye Chen two people are also tiny a joy!

But, at this time, the attendant suddenly looked at Ye Chen with great interest. A smile appeared in the corner of his mouth and said, "however, our golden lion clan is short of manpower recently, so you need to mine this sea treasure diamond by yourself."

The most important reason why he can become his Highness's servant is that he is good at observing words and colors!

Just now, your highness obviously showed his dissatisfaction with this boy!

In this case, how can he let these two low-ranking people get what they want?

For a moment, the whole hall fell into a dead silence!

Let people into the vein, but do not send the Jinshi people to help mining?

What's the difference between entering the vein and not entering the vein?

Even if Hong Shuntian seems to be very powerful, his physical strength is not enough to exploit Haiji diamond, right?

This move is too cruel!

However, most people see this scene are showing a look of schadenfreude!

Hong Shun Tian's eyes sank in an instant!

At this time, Jin Leishan, who had never opened his mouth, suddenly said with a cold smile: "boy, don't you like to be neither humble nor arrogant? Huh? Don't know when you can't do anything about haijibao diamond, can you still keep your dignity? "

His eyes suddenly a cold way: "the weak, there should be a weak posture, in front of our golden lion, you can only bow, now, understand?"

For a moment, everyone followed the line of sight of Jinleishan and looked at Ye Chen. Their looks moved. Many people remembered that when Ye Chen saluted Jinleishan, he didn't show any flattering and respectful look!

Ye Chen's gesture is more like an equal greeting!

The merchants in the hall showed a look of great disdain, looking at Ye Chen as if they were looking at a fool!

Most of these businessmen have a common understanding, that is, they have an unreasonable worship of the Golden Lion people!

As if, the farts of the Golden Lion clan are fragrant!

Want to be equal with the golden lion?

Does an ordinary race match?

I don't know. Are Golden Lions born noble?

The golden hair and the physique are the symbol of strength!

Don't you see that all of them are low-profile and want to be a dog of the golden lion?

Are you here alone? Playing national glory here?

At the moment, Ye Chen is shaking his head, he is very clear, in this world, some people like to practice themselves.

Because, they abandoned dignity, want to find a reason for themselves, how to find?

It is only reasonable to admit that the other party is more noble than yourself and that you are obedient to the other party.

Ye Chen has always looked down upon such people.

That gold Thunder Mountain sees Ye Chen to shake head, complexion a sink way: "kid, you shake what head?" I don't know how to answer when I speak to you? "

There was a touch of anger in his blue eyes. The mean boy still looks like a light hearted man. He doesn't know how to be afraid or ask for mercy?

It upset him.

Ye Chen hears speech, the facial expression calmly looks toward the gold Thunder Mountain, his corner of the mouth suddenly flashed an indescribable smile way: "are you a little self righteous?" It seems that we have never said that we need the help of the golden lion

All the people were stunned and didn't understand

How to exploit Haiji diamond without the help of golden lion?

The next moment, ye Chen's eyes light a grand way: "sea extremely precious diamond, I will mine by myself, now, you understand why I can not humble, why can not bow to you?"?

The Golden Lions have no value to me, you understand? "

All the people in the hall opened their eyes at the moment and looked at Ye Chen inconceivably. Then, the roaring laughter resounded through the sky!

Everyone is surprised to see ye Chen, laughing: "this kid is pretending to be addicted?"

"Do you want to exploit Haiji diamond with such strength?"

"Ha ha, didn't you see that strong man around him didn't dare to talk like that?"

"I'd like to see him stare at Haiji diamond."

However, at this time, a very frightening breath suddenly broke out, and everyone closed their mouths and looked at the golden Thunder Mountain on the throne with fear!

Even Hong Shuntian's complexion sank, and Jin Leishan's strength was stronger than himself!

Jin Leishan's face was full of anger. In his eyes, he looked at Ye Chen and said, "are you challenging our palace?"

Power has always been the pride of the Golden Lion clan. Now, this damned lowlife even thinks that he can exploit the Haiji diamond? You know, even a lot of Golden Lion people are not able to exploit Haiji diamond!

A mole ant in heaven and earth thinks he is superior to them in strength?

This is the biggest humiliation for jinleishan!

"Provocation?"

Ye Chen sneered: "you look up to yourself too much. Do you have the right to challenge me? I'm just stating the facts. "

All the people in the hall are pale looking at Ye Chen. Just now they think ye Chen is just a clown, but now they find that this guy is really a madman!

Just contradicting Jin Leishan and saying that he doesn't deserve it?

If it really annoys Jin Leishan, I'm afraid that even they will be involved

When Jin Leishan heard the fierce light in his eyes, he was very angry and said with a smile: "good, good one to state the facts..."

His blue eyes turned into ice in an instant, and he said: "now, this hall will give you a chance to prove yourself! The lions in our hall haven't eaten people for a long time? "

The next moment, the Golden Lion under the golden Thunder Mountain suddenly opened his eyes, the lion's eyes are also blue!

This lion is the unique blue eyed lion on Lion King Island. It is a kind of special monster famous for its strength and extremely terrifying!

In a flash, a terrible roar of lion reverberated in the hall. All the warriors in the hall were in pain. Blood was gushing from the seven orifices. They covered their ears crazily and retreated!

Many people were injured by the roar of the lion!

It can be seen how terrible the strength of this blue eyed lion is!

It was as if the essence, with the unique hegemony of the king at the top of the food chain, and the fierce eyes of killing intention, fell on Ye Chen. The blue eyed lion's muscles moved, and a burst of explosive force suddenly surged out. In a roar, the blue eyed lion swept towards Ye Chen like a golden hurricane!

At this moment, Hong Shun Tian's face completely changed, extremely gloomy and ugly

Even in the gloom, there is a trace of confusion and tension!

Chapter 5256

Seeing Hong Shun Tian's look, Jin Lei Shan and the attendants of the Golden Lion clan raised a sneer. How can they state the truth?

It seems that in the face of this blue eyed lion, he will die. Don't you see that even Hong Shuntian, a companion, doesn't think much of him, showing such an expression?

The injured businessmen are full of resentment to gaze at Ye Chen, staring at the eyes, eager to see ye Chen died in the blue eyed lion claw scene!

They are injured because jinleishan orders the blue eyed lion to attack Ye Chen. However, they don't hate jinleishan, but they hate Ye Chen!

After all, it was Ye Chen who affected them!

As for jinleishan?

Can noble Golden Lion people be resented by them?

"Damn it Hong Shun Tian scolds a low, the body shape moves to rush to leaf Chen's body front!

But, at the moment, a light man's voice suddenly sounded in his ear: "Shun Tian, don't come here."

The tone of the voice is very calm, but the short words are full of a will that can't be disobeyed!

Hongshun world consciousness then stopped, and this instant of delay, blue eyed lion has appeared in front of Ye Chen, its big open blood basin big mouth, fishy smell gushing, saliva flowing, dripping on the ground, it seems that will be a bite of Ye Chen's upper body, directly bite!

Jinleishan and a group of businessmen are excited!

As if, has seen that blood four splashes scene!

Seeing this, Hong Shun Tian sighed and his face darkened. He knew it was too late

This damned stupid lion is hopeless

Just when the blue eyed lion's sharp teeth like a sword are about to pierce Ye Chen's body, ye Chen finally moves!

He raised his hand casually and punched the blue eyed lion. A burst of gold and silver flames were burning on his fist. Suddenly, the extremely hot breath rose in the hall!

Animals are afraid of fire, so are monsters. They have an instinctive fear of the real powerful fire!

The blue eyes of the blue eyed lion trembled in an instant, and the huge body twisted wildly, as if trying to dodge to one side!

But, ye Chen is a cold smile way: "now want to hide?"? In time? "

In a twinkling, this fist has been in front of the blue eyed lion. Seeing this, the blue eyed lion has to reluctantly raise his front paw and clap it down towards Ye Chen's fist!

The surging power has made countless cracks in the space!

Although they were shocked by Ye Chen's flame, they still showed a cruel smile when they saw the blue eyed lion's hand.

No matter how strong Ye Chen's flame is, you still have to die when you are shot by a blue eyed lion?

This is the horror of pure power!

Flame, may be able to resolve some energy attacks, but for pure physical strength, it can't!

Even if ye Chen, really can rely on this flame to hurt the blue eyed lion, he will die!

But at this time, a scene of blood backflow appeared!

The moment Ye Chen's fist collided with the green eyed lion's paw, a wind pressure suddenly pounded all around, and the ground, stone pillars and walls of the hall broke at the same time!

However, as everyone expected, the scene that ye Chen was filmed as a blood mist did not appear. Instead

The claws of the blue eyed lion burst instantly!

Everyone, including jinleishan, looks unbelievable. It's like a dog's bite on his head. He's completely confused

Blue eyed lion lost in power?

Without waiting for them to wake up, the gold and silver flame was still burning along the wound of the blue eyed lion. In the roar of the beast, the blue eyed lion was burned to coke.

At this moment, there was no silence in front of the hall. The air seemed to solidify. All the people were like ice sculptures. They looked pale at the young man standing in the center of the hall, undamaged, and the body of the giant beast turned into coke

That blue eyed lion can easily devour even the middle stage of the normal reality?

Can, but under a move then died in the hand of leaf Chen?

It's scary!

In front of the youth, strange to the point of fear!

Jinleishan's face is hard to see. The whole face will be distorted. The blue eyed lion is his favorite pet!

In order to accept it, but spent a lot of effort, so ye Chen killed?

He knows that some people can cross the ranks and fight, but they are not so outrageous, are they?

What makes him more puzzled is that since Ye Chen's strength is so terrible, why did Hong Shun Tian show that expression?

Hong Shuntian shook his head helplessly. He didn't look good before. It was because he knew that ye Chen was going to get into trouble again!

Hong Shuntian is very clear about ye Chen's strength. He will not worry about ye Chen. What he worries about is the lion! During the war with xi lie, Hong Shuntian has a very deep understanding of Ye Chen's madness. He is a madman who dares to fight with all his strength even when he is surrounded by firecrackers and the other party has hostages. He doesn't know what convergence is

This time, jinleishan made a mistake

However, ye Chen's fist will also bring them great trouble!

Sure enough, at this moment, there was a loud bang from the throne. People's faces changed. Looking at the throne, they saw that the Throne made of some solid ore was crushed by Jinlei mountain!

His face is full of angry color, slowly stood up, staring at Ye Chen: "boy, do you know what you just did?"

"What did you do?"

Ye Chen both hands bear behind, light way: "isn't you want to give me a chance to prove?"? Now, I've proved it. Are you upset again? Or do you say that only your lions can eat me, but I can't kill your lions? What do you think of yourself as? "

Ye Chen's unbridled ridicule is like a heavy hammer, which hits Jin Leishan's heart hard. He has been used to the feeling of being sought after by the low class in his eyes. At the moment, his anger is almost boiling his blood!

The next moment, jinleishan roared: "tianleili!"

In a burst of thunder, golden lightning appeared on his body surface. At the same time, his hands also grew sharp claws, which turned into lion claws. His eyes were covered with blood, which made him crazy!

At the moment, only in his mind will ye Chen severely torture to death, this idea!

In a terrible pressure, the thrilling smell surged out. The muscles on the surface of Jinlei mountain slowly wriggled. Every time they moved, there would be a twist in the surrounding space. It can be seen that what terrible power is contained in the muscles!

Especially the golden lightning, its power is still rising!

Even the attendants of the Golden Lion clan on one side are all frightened. You know, Tianlei power is the most powerful secret skill of the holy claw clan. Generally, it won't be used unless it's in a critical moment of life and death

Young chief, did you even use this secret skill?

It can be seen that he was so angry that he almost lost his mind!

Chapter 5257

Ye Chen stares at the golden Thunder Mountain, and a touch of war appears in his eyes. His wrist turns over, and the evil sword appears in his hand. The blood burning formula, the body of the demon, the transformation of the soul body, the Hongmeng ancient method, and so on, are opened one after another!

Don't the Golden Lions take pride in their strength?

He would like to try how strong these golden barbarians are!

At this moment, even Hong Shun Tian's face is dignified, Jinlei mountain, very strong!

He is very clear that the strength of jinleishan, above himself, whether ye Chen can defeat jinleishan, even he is not sure!

Moreover, even if ye Chen defeats Jinlei mountain, it seems impossible for them to enter the vein

The merchants stared at Ye Chen with a distorted look, and a penetrating smile appeared in the corner of their mouth

Ye Chen's unyielding, proud and powerful all deeply stimulated them

Ye Chen is like a mirror, reflecting their ugliest and most disgusting side!

And ye Chen a contrast, they are a group of shameless to the extreme villains!

These businessmen are not interested in looking in the mirror, so they hope Ye Chen will die!

In their opinion, no matter how weird Ye Chen is, he can't be Jinleishan's opponent, can he?

"Roar!"

There was a roar like a lion's roar in the pass of Jinlei mountain. He rushed towards Ye Chen and turned into feet like a lion's claw. In an instant, he stepped on the ground and made a deep crack. The whole person appeared in front of Ye Chen just like a blink!

He flashed his claws like lightning, which surrounded the golden thunder and lightning. The cold light flashed on his claws and grabbed Ye Chen hard!

Jinlei mountain comes from the holy claw tribe. Claws are his best weapon. The Golden Lion of the holy claw tribe began to refine their claws as soon as they were born. They have been honed to the present state of Jinlei mountain. The power of his claws is no less than a law artifact!

Moreover, with the perfect fit of Jin Leishan himself, he can give full play to the power of this claw!

Even, a kind of inexplicable rhyme around the claw, the surrounding space seems to have changed under this rhyme!

See this scene, even ye Chen can't help but pupil a shrink, this gold Thunder Mountain unexpectedly is the same master half step rule!

In the hall, there was a cry of surprise. The power of that claw alone had made most of the merchants paralyzed. In their minds, they were full of scenes of their bodies being torn up and shaking all over

This claw is too strong to describe!

I'm afraid that even if you use all your strength, you may not be able to take over safely, right?

Hong Shuntian was also all red, and said anxiously, "brother Ye!"

At the moment, Jin Leishan seems to notice the subtle changes of Ye Chen's expression, and says with a grim smile: "boy, now, can you still be proud? Do you think you can be arrogant if you beat a little pet in our hall? Tremble before the power of my golden lion

Ye Chen smell speech, cold smile, the next moment, a sword out!

No martial arts, no aura, a sword with pure power!

Everyone was surprised to see this!

Ye Chen wants to compete with Jin Leishan with pure strength?

Do you really think of yourself as a God?

The anger in Jin Leishan's eyes is more intense. Ye Chen's action is to despise and insult himself in his eyes!

His smile was even more cruel. He swore that soon, the lowlife would regret it

Even Hong Shuntian's eyes sank. In his opinion, ye Chen was too big!

To compete with the golden lion in pure power is to seek death!

In the hall, no one thinks that ye Chen can have any good results!

Finally, the lacquer black shag sword collided with the golden Thunder Mountain's claws!

It's like the ultimate collision of two worlds!

An earth shaking explosion swept across the lion island!

Lion island, in this explosion, was shaking wildly, as if there had been a 100 magnitude earthquake. A strong shock wave rushed out of the palace before the Golden Lion vein. The palace was full of cracks and almost collapsed into ruins!

Bursts of dust, all over the sky!

In the strong fluctuation, all the merchants were frightened and retreated to the rear crazily!

However, even so, many people were seriously injured in the impact!

Even Hong Shuntian frowned slightly and retreated a distance towards the rear.

This afterwave made many people injured, but at the moment, no one cared about their injury, and their eyes were focused on the center of the dust!

The fury of the afterwave, and finally gradually subsided, the afterwave of dust began to dissipate.

That magnificent palace has now been completely turned into a ruin!

And in that piece of debris, soon, there are two figures! When people saw this, they all looked like ghosts

Two figures?

In other words, ye Chen is still alive?

That only afterwave, enough to let them hurt a blow, ye Chen unexpectedly really carry down?

Or pure power?

They don't think they have enough brains!

But soon, people found that it was not so simple!

Dust, completely dispersed, appeared in front of their eyes, it is Ye Chen and Jinleishan!

However, what they didn't expect was that at the moment, there was blood dripping on the lion's paw of Jinlei mountain, two deep gullies under their feet, and a dull look on their face!

And ye Chen?

Intact!

When the merchants saw this scene, they all swallowed a mouthful of saliva

Ye Chen is more than alive

Even, in this fight, I have the upper hand!

Just now, ye Chen said that he didn't need the help of the Golden Lion tribe. When he started mining by himself, everyone turned their noses at him, but now

My face is swollen!

Ye Chen has proved that his power is superior to that of Jinlei mountain!

At this moment, Jinleishan finally came back to his senses, and a look of incomparable reluctance and anger appeared in his eyes!

Jinleishan stares at Ye Chen and yells: "boy, what are you doing?"

Strength is the pride of the golden lion, and he is the little chief of the holy claw tribe. The elite of the Golden Lion will not accept that he is defeated by a low class in strength!

Ye Chen hears speech, but is some disdain ground a smile way: "you also deserve to let me play means?"

Arrogant!

Too arrogant!

Totally ruthless!

Ye Chen this is to step on the face of Jin Lei Shan directly in the dust!

But at this moment, no one dares to ridicule Ye Chen any more

Because ye Chen has this arrogant capital!

Hong Shuntian also had some helplessness and said with a smile: "no wonder brother Ye was so calm when I said Haiji diamond had to be mined by pure force. It turns out that It's not only the vitality, the fire of Tao and spirit, but also the physical strength of brother Ye. "

Originally, he thought he was evil, but it seemed that he was a little far behind Ye Chen

And Jin Leishan's eyes are ready to crack, and his killing intention enters his brain. He roars: "boy, I want you to die!"

As soon as the voice falls, it will rush towards Ye Chen again!

Ye Chen eyes cold a flash, others want him to die, he has never been merciful.

But at this time, a woman's voice suddenly sounded in the sky of two people!

"Jinleishan, you really let me down."

.....

The earth, the North Pole.

It's snowy.

The meaning of endless ice and cold is like a giant beast, which is daunting.

In front of a gate stood two figures covered with ice and snow.

This is the figure of Jin Leng Yan and ye Lingtian.

They didn't know how long they had been waiting here, and they were even buried by the wind and snow.

Had it not been for the strong vitality and drought resistance of the warriors, they would have been the skeletons in the snow.

They are waiting for the door to open.

Behind the door are ye Chen's parents, ye Tianzheng and Jiang Peirong.

Ye Lingtian and Jin Lengyan dare not disturb them. They can feel the breath of breakthrough.

They are waiting.

I've been waiting.

At this time, two pillars of light suddenly appeared! Extremely terrible breakthrough breath came, and even scattered the snow on Jin Leng Yan and ye Lingtian!

Ye Lingtian opened his eyes, gazed at the two pillars of light in front of him, and breathed out a breath. Then he looked at the golden goose and said faintly, "it seems that we don't have to wait any longer."

After ten breath, the dusty door opened.

A woman with lingering charm appeared outside the door. The light in the room penetrated the woman's body, making her figure particularly dazzling.

Like the virgin.

Ye Lingtian and Jin Lengyan, kneeling on one knee, just wanted to speak, a faint voice came slowly:

"come in, I have something to tell you."

Chapter 5258

Ye Lingtian and Jin Lengyan came inside.

They thought it was just a simple space, but when they entered it, they found it was a small world!

At the north pole of the earth, someone built a small world here!

Ye Lingtian has been following Ye Chen for so long, so naturally he has some understanding of the difficulty of building a small world!

Ye Tianzheng and Jiang Peirong are both second to none in terms of talent in China, but they can never have the ability to build this place!

Moreover, ye Lingtian also found that the aura here is different from the outside world!

Where is the source of aura!

Just when ye Lingtian and Jin Lengyan were shocked, Jiang Peirong had come to a pavilion and said, "Lingtian, is Chen Er OK?"

When ye Lingtian heard the name of the temple master, he immediately withdrew his doubts and said: "everything is well, the strength is amazing

Jiang Peirong showed a mother's only smile, but soon the smile disappeared, helpless way: "amazing forever how, as a mother, I just hope he is safe."

"However, all this is his layout, how can I stop it?"

"Ling Tian, I know you have doubts in your heart."

"This small world, and why we suddenly came to the north pole, all because of one person..."

Ye Lingtian's eyes coagulated and guessed: "is it the arrangement of the temple master?"

Jiang Peirong shook her head: "it's not Chen Er, it's his grandfather."

"It seems that Huaxia and yechen are far away from each other, but they are bound together. This place is just a battlefield for the supreme."

"It's a key battlefield that can't be ignored even though it's small."

Ye Lingtian didn't know what he wanted to say, but Jiang Peirong went in one direction and said, "the change of Chinese aura is not so simple. Come with me. I'll show you a place, and you can understand."

.....

The picture is in the main hall.

Originally, Jin Leishan, who was still in a rage, heard the woman's voice, but it was as if he had been thrown a basin of cold water on his head. His body suddenly stiffened, and the anger in his eyes quickly dissipated. What was left was fear!

Even ye Chen's eyes flashed. He was surprised at the change of jinleishan. Who could make him so afraid?

At this time, a girl with a touch of heroism in a long golden dress, wheat complexion and delicate facial features suddenly fell from the sky.

The girl, like jinleishan, is also blonde and blue eyed, and obviously comes from the Golden Lion family.

Ye Chen's eyes sank slightly. In front of her, the girl was smiling with a cheerful smile. She looked like a girl next door who was about 17 years old. However, her breath was very surging!

This girl, is a half step really strong!

And, extremely young!

Age, no more than 500 years old!

Five hundred year old half step Taijin strongman?

Even if ye Chen knows that the great power of burying Tianhai is very powerful, even if it's not under the temple of heaven, it's still a little scary

When Jin Leishan saw the girl, he saluted the girl respectfully as a mouse saw a cat and said, "I've seen Miss Shanshan..."

Ye Chen takes a look at jinleishan by accident. The Golden Lion family is similar to the lions. The man's status is very high. But now, jinleishan is respectful to the girl?

It's not just about strength.

Presumably, the girl's identity in the Golden Lion clan should also be very special.

The girl took a look at the ruins of the hall, and hummed: "let you manage the vein, you manage it like this?"

There was a little cold sweat on jinleishan's forehead and said, "Miss Shanshan, this It's all because this guy... "

Jin Leishan feels a burst of grievance in his heart. He is ridiculed by Ye Chen and defeated by the other side in strength. Now he is still scolded by the girl?

When was he treated like this?

However, Jin Leishan did not dare to refute. The girl's identity in the Golden Lion clan is a real princess, which is not comparable to that of a little chief.

The girl said coldly, "do you mean that I have wronged you?"

Hearing this, Jin Leishan said in a hurry: "I dare not. I made a mistake..."

The girl snorted coldly. Instead of paying attention to Jin Leishan, she turned her head and stared at Ye Chen with a look of interest in her big eyes. She was surprised and said, "it's the first time I've seen such a strong human. Besides, you are just the cultivation of heaven and earth. Can you suppress Jin Leishan in strength?"

My name is Jin Shanshan. What's your name? "

After a moment's silence, ye Chen said, "Ye Chen."

Jin Shanshan stares at Ye Chen. In her beautiful eyes, she suddenly flashes a fine light. She says with a smile, "Ye Chen, you are very interesting. I want to invite you to your house for a drink. What do you think?"

For a moment, the merchants stare at Ye Chen, so jealous that their eyes will turn blood red. They are not fools. Naturally, we can see that Jin Shanshan's identity is extremely unusual! If you can get involved with Jin Shanshan, you can say it's really unimpeded in lion island!

That means endless benefits!

Jin Leishan also changed his face and said, "Miss Shanshan, please think twice. This boy is just a lowlife. How can he be qualified to talk with you..."

Today, he must take revenge for the humiliation Ye Chen brings him. But if ye Chen is related to Jin Shanshan, then he dare not act rashly

Jinshanshan smell speech, complexion a cold, scold a way: "shut up, who let you talk?"

Jin Leishan was shocked, but he still lowered his head in silence.

Hong Shuntian is also happy, did not expect, this time is a blessing in disguise!

But, who knows, at the moment Ye Chen is light way: "have no interest."

Then he looked at Hong Shuntian and said, "Shun Tian, let's go. It's time to mine."

He's really not interested. He's just here for haijibao. What he needs is the qualification to enter the vein. Now that he's got it, he doesn't need to have a good relationship with anyone.

Besides, time is pressing.

The whole ruins suddenly quieted down, and even Jin Shanshan was stunned

It's the first time she's been rejected.

Jinleishan, on the other hand, looks ecstatic. The damned waste is still pretending to be proud. Miss Shanshan doesn't like being rejected!

This boy is going to be miserable!

Businessmen also can't help shaking their heads. They admit that ye Chen is very strong, but there is something wrong with his brain. This kind of person can't live long.

Hong Shuntian also had a headache.

However, to everyone's surprise, Jin Shanshan was rejected in public, but she didn't seem to be angry. Instead, she said with a faint smile, "I invited you because I wanted to tell you something about Haiji diamond. Are you sure you want to reject me?"

Ye Chen smell speech, eyebrow a wrinkly, but, still didn't stop pace, toward that mineral vein forward.

At this time, Jin Shanshan's beautiful eyes flashed and said again, "if I say that you are not allowed to mine haijibao diamond now?"

This time, ye Chen finally turned around and looked at Jin Shanshan coldly and said, "what do you mean?"

There was a successful smile on Jin Shanshan's pretty face. She said with a smile, "if you want to know, come with me."

The next moment, he turned around and left somewhere.

Ye Chen and Hong Shuntian look at each other. While they are hesitating whether they want to keep up, a golden lion warrior, who is riding a golden lion with wings on his back, appears in front of the mine and says to Jinlei mountain: "Jinlei mountain takes orders! Lion King has life. From today on, we will suspend all mining activities of the vein! Everyone, no access to the vein! "

Ye Chen two people, smell speech a surprised!

No access to veins?

What's going on?

However, in any case, the girl obviously knew the news ahead of time!

Hong Shuntian asked, "brother ye, what should I do?"

Ye Chen pondered for a moment and said, "although I don't know what the girl's purpose is, if we want to get Haiji diamond, it seems that we have to find a way from her..."

The next moment, the two figures move, then disappear from the original place, towards the direction of Jin Shanshan left, chasing away.

Soon, Ye Chen and Hong Shuntian came to a very beautiful attic. At this moment, a maid of the Golden Lion clan had already stood at the door, smiling at them and said, "two young masters, please come inside. My young lady has been waiting for a long time."

Ye Chen two people vision tiny flash, the body shape move then entered the attic in.

However, when they saw the scene in front of them, they couldn't help but look surprised.

Chapter 5259

It seems that Jin Shanshan, a girl with a very noble status, is eating meat and drinking wine with a leg in her hand

Seeing them, Jin Shanshan said with a smile, "what are you doing? Let's eat together!"

After Ye Chen sat down, there was no nonsense. He asked directly, "Miss Jin, what's the matter with the prohibition of mining?"

Jin Shanshan put down the leg of the beast, but did not hide the meaning, directly said: "because, Lion Island is about to hold a three beast battle."

"The battle of the three beasts?"

Hong Shun Tian's eyes flashed when he heard the speech. He seemed to think of something.

Jin Shanshan said: "among the thirty-six days Island, there are three islands known as the island of three beasts, namely Lion King Island, snake King Island and wolf King Island!"

The people on these three animal islands all have some extremely powerful alien animal blood, so their physical strength is amazing!

Since ancient times, we and the three animal islands have not dealt with each other. We all think that we are the real king of all animals, which leads to constant contradictions. Later, in order to avoid turning the contradiction into war, the strong of the three animal islands held the three animal struggle!

In Jin Shanshan's beautiful eyes, the essence flashed and said: "the battle of the three beasts will be held once every ten thousand years on the three beast islands in turn. Each time, the three tribes will send the demons under 300 years old to participate in the contest, and the winner will win the title of king of beasts!

This is a great honor for the people of the island of three beasts. At the same time, it is also related to the allocation of resources and so on. "

Ye Chen hears speech, frown a way: "be, this session of three beasts fight, hold on Lion King Island?"

Jin Shanshan said with a smile, "it's not bad. What's more, what's more..."

"This year's project is just to exploit haijibao diamond! Therefore, the lion king ordered that no one be allowed to enter the mine, so as not to affect the progress of the three animals' struggle. "

Ye Chen's eyes sank slightly and said, "when will the struggle between the three beasts last?"

They only have seven days!

Jin Shanshan said: "after the battle of the three beasts, the ore veins will not be opened for the time being. In order to prevent people from cheating in the battle of the three beasts, the three clans will jointly send inspectors to examine the ore veins once a week."

For a time, ye Chen and Hong Shuntian frowned tightly. They couldn't wait for a week!

At this moment, Jin Shanshan suddenly showed a sly smile and said, "young master ye, I'm afraid you can't wait that long? After all, the weak period of death storm is about to pass

When ye Chen and Hong Shun Tian heard the words, they both narrowed their pupils and looked at Jin Shan.

Jin Shanshan said with a smile: "you two, don't be so nervous. Except for businessmen, most of the warriors who come to exploit the sea treasure diamond are for entering wuhui island. However, I don't know what you want to do when you go to wuhui Island, and I don't want to know."

Ye Chen asks a way: "gold girl, you tell us these, after all want to do what?"

He doesn't think Kim Shan is here to chat with them.

Hearing the speech, Jin Shanshan's eyes darkened slightly and said: "this time, the contestants of Lion King Island are not bad, but compared with snake King Island and wolf King Island, they lack an absolute leader! In this way, it is impossible to win in the battle of the three beasts! "

She gazed at Ye Chen and said: "we lion island have been fighting for three beasts for many times in a row, and we have not won the championship. This time, we must win! Otherwise, if wolf King Island and snake King Island think Lion King Island has begun to weaken, they may even launch an attack on Lion King Island!

So

I'd like to invite Mr. Ye to take part in the battle of three beasts for lion island! "

This time, the project of the three animals competition is to exploit the sea pole diamond, and the competition is pure physical strength!

Ye Chen's physical strength can even crush Jinlei mountain!

Moreover, less than 100 years old, even the leaders of the other two beast islands can't be compared with Ye Chen!

The reason why Jin Shanshan wants to tell Ye Chen these is to let Ye Chen help her win the battle of the three beasts!

"What?" Ye Chen hears speech one Leng, immediately with a wry smile says: "I am not of the golden lion clan again, how to participate in these three beasts fight?"

When Jin Shanshan heard the words, there was a flicker of hesitation in her beautiful eyes. But, soon, she gritted her teeth, flipped her wrist, and a jade bottle appeared in her hand.

She handed the jade bottle to Ye Chen and said, "young master ye, please have a look..."

Ye Chen curiously took over the jade bottle and opened it. In an instant, a powerful and powerful atmosphere filled the attic. Even Hong Shun Tian, who had red phoenix blood, had a slight change in his face and felt a trace of oppression on his blood!

Ye Chen's pupils shrank, toward that jade bottle in see, see, bottle bottom quietly lie a drop of gold blood!

At the moment, Shuo Lao's voice rang out in Ye Chen's mind: "boy, this is a good thing!"

"What is this blood?" Ye Chen asked.

Shuo Lao's voice was slightly excited and said: "this is a drop of Tianshi's blood essence. Tianshi's blood is a higher level than that of the little tiger you know. Now, the spirit of Kaitian in your body has been exhausted. However, if you burn this Tianshi's blood essence, it can make him stimulate reincarnation blood temporarily, and the effect is better!" Ye Chen smells speech, in the eyes flash a glimmer of joy, with this drop of Tianshi blood essence, he has a life saving means, the most important thing is that although Tianshi blood essence is strong, but it is not as exaggerated as Xuanyao blood essence, burning up does not have to risk life!

This is almost equivalent to let Ye Chen have one more life!

Jin Shanning said in a voice: "we are all descendants of Tianshi. Young master Ye refined the essence and blood of Tianshi. Then, there should be no flaw in the breath. As for the identity and the qualification to participate in the battle of the three beasts, just give it to me!"

With that, her eyes flickered slightly and she said, "also, this is the only chance you can get Haiji diamond in seven days."

After ye Chen was silent for a moment, he nodded and said: "in that case, I will agree to this matter."

Hearing the words, Jin Shanshan had a look of great joy on her pretty face and said, "these two days, please master Ye refine the blood essence of Tianshi in this attic. The battle of the three beasts will be held in two days. During this period, I will prepare my identity for you!"

Ye Chen nodded. Immediately, Jin Shanshan left the attic with the maid at the door in a hurry.

The maid of the Golden Lion clan asked Jin Shanshan, "Miss, did you really give him that drop of blood essence of the lion? Isn't it a little bit less worth it? "

Hearing the words, Jin Shanshan flashed a decisive look on her pretty face and said: "Xiaoman, this battle of the three beasts is very important to our golden lion race, and every contestant needs a royal guarantee. I recommend it!

My father has promised that if the evil spirit recommended by him can help lion island win the battle of the three beasts, he will be the successor of the next king!

I'm just the illegitimate daughter of my father. If I want to succeed to the throne, this is my only chance!
"

Chapter 5260

Xiaoman was shocked when he heard the words. Compared with the throne, a drop of blood essence of Tianshi seems to be worth it

But

This is only in the case of winning the battle of the three beasts!

She looked back anxiously and looked at the attic behind her. In the past, she absolutely believed in her own young lady's eyes. But this time, she put her treasure on an alien?

To tell you the truth, Xiaoman doesn't believe that ye Chen can have any brilliant performance in the battle of the three beasts!

.....

Two days later.

Hong Shun looked at a young man with blonde hair and blue eyes in front of him. He was tall and strong. He could not believe his eyes

This youth looks, obviously from the Golden Lion clan, but his face is exactly the same as ye Chen!

Hong Shuntian murmured: "brother ye, your breath is no different from that of the Golden Lion clan. If I didn't know you, I would definitely recognize you as a member of the Golden Lion clan."

Ye Chen smiles and is satisfied with the result of refining the blood essence of Tianshi.

The next moment, ye Chen heart read a move, bone a burst of crackle, then put away the Tianshi blood essence breath, the whole person also restored to the original state.

At this time, a burst of applause, a young girl with wheat skin color entered the pavilion and said: "it seems that young master Ye has successfully refined the essence and blood of Tianshi. Now, let's go to the venue where the three animals fight."

Soon, under the leadership of Jin Shanshan, they came to the location of the Golden Lion vein that day.

Ye Chen and Hong Shuntian see the scene in front of them, and they can't help but flash a trace of shock!

We can see that there are several huge shadow crystals suspended above the whole ore vein, and countless stands have been built around the ore vein. At the moment, the stands are already full of people!

Not only the Golden Lion people, but also many jade snake people and silver wolf people who specially came to lion island to watch the three animals fight!

The scene is particularly spectacular!

Just looking at this sea of people, people have a feeling of blood boiling!

At this time, Hong Shun said, "brother ye, Miss Jin, I'll find a seat first."

After that, he went to the grandstand.

Jin Shanshan said, "come with me, young master Ye. I'll show you my father."

"Father?" Ye Chen's eyes flashed a color of surprise.

Jin Shanshan said with a smile, "I'm the daughter of the lion king of the Golden Lion clan. Otherwise, do you think anyone can let you easily participate in such an important competition?"

Soon they arrived at a heavily guarded area at the entrance of the vein, where a palace was built.

Under the leadership of Jin Shanshan, the soldiers of the guard didn't mean to stop them at all. Ye Chen and his wife entered the palace very smoothly.

As soon as ye Chenfang stepped into the palace, he felt several fierce eyes and shot at himself!

He fixed his eyes and saw that there were three people in the palace, two men and one woman.

Ye Chen's eyes twinkle slightly. These two men and one woman are very young. They are both over 200 years old, and their strength is extremely outstanding!

Two hundred years old to have this level of strength, enough thriller!

It can be said that it is in the forefront of evils to be buried outside the sky and sea.

At this time, the three men looked at Jin Shanshan at the same time, saluted and said, "I've seen Miss Shanshan."

And when their vision, fall on the leaf Chen body, all was to emerge a to put on to don't understand of color.

Jinshanshan nodded, didn't say anything more, then took Ye Chen to sit down together in the hall.

At this moment, a very harsh voice sounded from the door: "Oh, isn't this sister Shanshan? I heard you brought a contestant? Brother, I'm very curious about what kind of talents you have found. "

Accompanied by the words, a figure appeared in front of the hall door. This man, with blond hair and blue eyes, dressed in black robes, had a strong breath. He was not under Jin Shanshan at all. Behind him was a young man who looked very quiet and had short golden hair.

Hearing the words, Jin Shanshan looked at the man in black robe. There was a look of disgust in her beautiful eyes, and she said, "brother Erhuang."

This man, named Jinjue, is the second son of the lion king. He is also a half step Taizhen strongman. However, his age is much older than that of Jin Shanshan. He is more than 7000 years old.

At this time, Jin Jue's eyes swept over the crowd. Suddenly, his pupils shrank and his eyes fell on Ye Chen. He frowned and said, "a miscellaneous man appears here. What are you doing?"

The other contestants in the hall are also looking at Ye Chen with some doubts. They don't understand what Jin Shanshan is doing to bring this person in?

Hearing the speech, Jin Shanshan's face sank. She looked at Jin Jue and said, "brother Erhuang, he is not a handyman, but a contestant I brought with him!"

This speech a, the person on the spot is eyebrow a wrinkly, full face shocked of color ground saw to leaf Chen.

If it wasn't for Jin Shanshan who said this, they would have had to sneerBring a boy from heaven and earth to join the battle of the three beasts?

Are you kidding?

These people are the pride of the Golden Lion clan. In their opinion, it's a shame to participate in the battle of the three beasts with Ye Chen in front of so many people!

Jin Jue was stunned, and then he burst out laughing, but his eyes became colder and colder. He said, "Jin Shanshan, do you want this boy to disgrace the whole golden lion clan and make lion island a laughing stock?"

In the beautiful eyes of Jin Shanshan, a flash of anger flashed and said: "brother Erhuang, I can guarantee the strength of Jin Chen! Besides, my father has agreed to let him take part in the battle of the three beasts. Do you mean that my father also wants to make the Golden Lions lose face? "

Jinchen is jinshanshan's fake name for ye Chen to avoid some trouble.

Jin Jue said with a playful look: "Jin Shanshan, don't think you can do whatever you want with your father's favor. The father is just accommodating you. Well, after all, the father owes your mother something, isn't he?"

Jin Jue has always been unhappy with the existence of Jin Shanshan. She is just an illegitimate daughter. Why is she most liked by her father?

What makes Jin Jue even more unacceptable is that Jin Shanshan seems to want to compete with them for the throne?

This is more intolerable for Jinjue!

He raised a sneer at the corner of his mouth. Now, he has finally grasped Jin Shanshan's handle. We must take advantage of this opportunity to crack down on this "sister"!

Jin Shanshan tightly clenched her fist. She knew that her ability was the reason why she was valued by her father. However, in other people's eyes, it all became the debt of her father to her mother!

For a moment, Jin Shanshan's whole breath was restless!

She wants to tell Jin Jue that ye Chen has defeated Jin Leishan, and her strength is so amazing that she can't do it!

Otherwise, Jin Jue knows Ye Chen's identity as a foreigner, and will not let him participate in the battle of the three beasts!
