Chapter 5261

Just at this time, Jin Jue suddenly flashed in his eyes and said, "Jin Shanshan, you can guarantee the strength of this boy? So, is it OK to try him for my brother? After all, there's nothing to say, is there? "

Jinshanshan smell speech, slightly frown way: "how do you plan to try?"

At this time, Jin Jue smiles, looks at the quiet young man beside him, and says, "this is the contestant I recommend. His name is Jinyang. Since he is the same contestant, let Jinyang compete with this little brother Jinchen. What do you think?"

For a moment, everyone on the scene couldn't help smiling

Jinyang is a famous evil among the Golden Lions!

Only 200 years old, the strength has broken through to the real realm of eight days!

More importantly, Jinyang's Tianshi blood is extremely rich!

The strength of the younger generation can be called invincible!

And Jinchen?

Never heard of

Let an unknown boy compete with a remarkable talent?

Ha ha, it seems that there is only one result

Moreover, Jinyang also has a characteristic, that is, ruthless!

No matter what the battle is, it's extremely fierce. It never stays!

For a moment, those contestants all felt pity for ye Chen

At this time, Jinyang walked slowly in front of yechen, with a smile on his face and said: "brother, please teach me."

Jin Shanshan's beautiful eyes are bright. This is a good chance to show Ye Chen's strength!

With a sneer on her face, she picked up the tea on the table, waiting to see the stunned appearance of Jin Jue.

But, at this time, ye Chen is light way: "nothing good to teach, I, admit defeat."

He never likes trouble, and he doesn't like to get involved in other people's fights. Moreover, Jinyang doesn't deserve to let him do it.

Then give up.

People smell speech is a Leng, although, they already know ye Chen is not Jinyang's opponent, but, how also did not expect, ye Chen even directly admit defeat!

For a moment, people look at Ye Chen's eyes more disdain, contempt up, although, ye Chen's choice is very correct, very rational, but also let people look down upon!

You don't even have the courage to fight?

The golden lion!

And Jin Jue and Jin Yang, complexion more and more strange up, in their view, ye Chen is really a waste, now counsels, is the best evidence!

Jinyang also lost interest and turned to Jinjue.

"Poof", Jin Shanshan suddenly spurted out all the tea in her mouth. At this moment, she was almost furious with Jin Jue's sarcastic eyes!

Jin Shanshan looked at Ye Chen angrily and said, "Jin Chen, you Why do you want to give up! "

Others think ye Chen counsels, but she knows Ye Chen's strength very well!

Ye Chen glanced at Jin Shanshan, only faintly spit out two words.

"Trouble."

Originally, Jinyang, who had already turned around and left, stopped for a moment. He slowly turned around and looked at Ye Chen and said, "brother, did you just say 'trouble' "

His eyes suddenly cold down, said: "that is to say, the reason why you admit defeat, not afraid, just feel trouble?"

All around them showed a good look.

This boy got a bargain, but he still sold himself?

Jinyang is ready to let him go. Does he have to pretend in front of jinshanshan?

Obviously, I'm afraid, and it seems that I'm too lazy to do it?

Now, what happened?

In the face of Jinyang's anger, ye Chen just calmly drinks tea, as if he didn't hear Jinyang speak at all.

There was a fierce look in Jinyang's eyes, and he said: "brother, since you are afraid of trouble, I will do it first. What do you think? If you don't speak, I'll take it as your default.

Don't worry. I know what it's called "point to end."

People smell speech, smile, Jinyang this is force Ye Chen to start!

However, all these, all is Ye Chen to blame!

See ye Chen still no reaction, Jinyang cold hum, the next moment, still really realm breath surge out, a king like breath around the whole body, he stares at Ye Chen, with no match power, instantly rushed to Ye Chen's body, a fist towards Ye Chen's face!

Seeing this, people's faces changed slightly. It seems that Jinyang is really angry. What's the point? It's clearly a dead hand!

In a flash, the fist with a huge force was about to contact Ye Chen's face. But at this time, the fist was inexplicably solidified in front of Ye Chen

As if time is still at this moment

All of them are puzzled. Does Jinyang just want to scare the boy?

But soon they found that it was not the case. At the moment, Jinyang's face turned pale quickly!

And his wrist is being held by one hand at will.

That hand looks like it doesn't use much power, but no matter how Jinyang struggles, he can't break free from that hand!

That hand belongs to Ye Chen!

Several contestants in the hall took a breath of cool air!

They can see that Ye Chen didn't use any spiritual power. Relying on power alone, he grasped Jinyang's wrist!

It's incredible!

Ye Chen, a boy in heaven and earth, won the golden lion's golden sun in pure strength?

Is this a joke?

Jinyang's face is twisted, strength has always been his pride, but now, pride is broken!

The indifferent look on Ye Chen's face stabbed Jinyang's eyes. This indifference is the biggest insult to him!

At this time, Jin Shanshan looked at Jin Jue with pride and said, "brother Erhuang, do you still think that Jinchen will disgrace our golden lion family?"

Jin Jue's face was very gloomy. He didn't speak, and his anxiety was surging in his heart!

He secretly scolded: "I don't know where this woman came from to find such a boy whose physical strength is abnormal to the extreme. Why don't I have such luck?"

Jin Jue's eyes are dim. He can't let Ye Chen achieve too dazzling results in the battle of the three beasts. In that case, the throne may be robbed by this humble illegitimate daughter!

Just then, a loud cry came from outside the palace: "here comes the lion king!"

Several figures appeared at the door of the hall and walked towards the hall. Ye Chen's eyes flashed. He saw a middle-aged man with golden hair and blue eyes, dressed in a golden robe and incomparably dignified face walking in front of him!

This person, between all his actions, has a sense of being superior. Obviously, it's the lion king of the Golden Lion clan!

Behind him were several men and women whose faces were somewhat similar to the middle-aged man. These people should be the children of the lion king and the brothers and sisters of Jin Shanshan.

Chapter 5262

Ye Chen stares at the lion king, and his heart is slightly shocked. The strength of the lion king is extremely terrifying. Compared with the Dragon Emperor who burned the dragon to death, he does not show off much. He is a real strong man!

The lion king looked at the scene of Ye Chen holding Jinyang's wrist in the hall. His eyes flashed slightly, and then he said with a smile: "you guys, the battle of the three beasts is about to begin. What are you doing?"

The Jinyang said in a hurry: "Your Majesty, I We're just fighting each other... "

He stares at Ye Chen, and his heart has cut Ye Chen to pieces. The reason why he takes part in the battle of the three beasts is to get the favor of the second prince and the lion king!

But now, because of Ye Chen, his impression in the heart of the second prince and the lion king may have plummeted!

The most important thing is that this guy doesn't let go of the lion king?

Ye Chen said with a smile: "brother Jinyang, just now you came to me to compete with me. You said you should fight first. Now you have already done it. Should it be my turn?"

Everyone hears speech, it is pupil one shrinks!

Is Ye Chen going to fight against others in front of the lion king?

Even Jin Shanshan's pretty face was worried. She whispered to Ye Chen: "what are you doing In front of my father, hold back

What a lunatic this guy is!

But ye Chen didn't seem to hear it. He grabbed Jinyang's wrist and waved it suddenly. An unimaginable force rushed out like a flood!

Jin Yang's eyes trembled for a moment. He crazily controlled the muscles of his body and wanted to compete with this power. But at the moment, he felt like a boat in the storm. He had no resistance at all and was submerged by the surging waves!

There was a great sensation, and the whole hall trembled!

People, open eyes, see, ye Chen is actually directly will Jinyang fiercely swung on the ground!

He smashed a big hole in the floor of the hall. Jin Yang lay in it, covered with blood, and his bones were broken

All people are some dull ground looking at Ye Chen, who also didn't think, ye Chen unexpectedly really bold to such a degree!

Ye Chen is light, he has always been the character of revenge on the spot, will not consider what occasion, timing and so on, scruple this, scruple that, how to go with one's heart? How do you know? How can you make it to the sky?

Jinyang that punch, at least also want to hurt his idea, so, he naturally won't let Jinyang go, everyone is the same.

The golden Baron looked at the golden sun lying on the ground, like a dead fish, and the green veins in his forehead beat fiercely!

How can you take part in the battle of the three beasts?

Jinyang is his hope to inherit the throne!

Is it destroyed by Ye Chen?

For a moment, Jin Jue was so angry that he was almost possessed. He was full of evil spirit and yelled at Ye Chen: "it's just a duel. How dare you lay such a heavy hand on this vicious thing?"

"Heavy hands?"

Ye Chen said with a cold smile: "if I remember correctly, it should be called the point to the end, isn't it?"

Jin Jue's eyes were ferocious in an instant. As a royal family, how could anyone contradict him?

With a bang, the power of the half step Taizhen realm burst out from its body, and it seemed that it was going to attack Ye Chen!

And Jin Shanshan is also pretty face a sink, block in front of the body of Ye Chen.

At this time, a calm but strong voice rang out: "all give this king stop."

When Jin Shanshan and Jin Jue heard the words, they were all shocked. They bowed their heads and said, "yes, father."

The Lion King took a look at the golden sun on the ground. His face didn't change. He said faintly, "young man, do you know that the one you were seriously injured just now is one of the most outstanding demons in our golden lion clan? It is also the existence of the high hopes placed by the king in the struggle of the three beasts.

Are you not afraid that the king will be angry with you? "

Ye Chen hears speech, a tiny smile way: "not afraid."

"Oh?"

The Lion King's blue eyes twinkled: "I want to know why?"

Ye Chen and the lion king looked at each other and said, "because the lion king is very clear that the life and death of a demon is far less than the safety of the whole golden lion clan!"

The lion king heard the words and said quietly, "what do you mean?"

Ye Chen said faintly: "this time, the Golden Lion clan has to win the battle of the three beasts. Otherwise, the whole lion island may face a huge threat. Compared with it, is Jinyang dead or alive

In his eyes, suddenly burst out a dazzling look, said: "and I, can win the name of the king of beasts for the Golden Lion clan!"

All the people in the hall seem to be shocked by Ye Chen's momentum at the moment. When they hear that they have won the name of the king of beasts, all the people of the Golden Lion clan have a feeling of boiling blood!

They haven't been named king of beasts for many years!

This is a torture for the proud lion!

If ye Chen had said this before, people would only scoff, but now it's different! Ye Chen at least in pure strength, completely crushed Jinyang!

Well, he is definitely the golden lion's best hope to win the title of king of beasts in this competition!

Hearing this, the Lion King laughed and said, "good, good, Shanshan, the boy you brought back is very satisfied with the father. This time, the leader of the Golden Lion clan is him!"

Then he looked at the other Golden Lion geniuses and said, "after you enter the mine vein and start the competition, you should obey this boy completely. Seeing him is like seeing the king!"

The geniuses were awed in their hearts and immediately said, "yes, sir."

The Lion King nodded and was about to leave the palace. But at this moment, ye Chen said again, "Lion King, please stay."

"Young man, what else can I do for you?"

Ye Chen's eyes flashed slightly and said, "if I succeed in leading the Golden Lion clan to regain the name of the king of beasts, I hope the lion king can do me a little favor."

After hearing the words, they became petrified again

Ye Chen, this is this a deal with the lion king?

When the lion king heard the speech, he could not help but smile bitterly. For many years, no one dared to ask him. It seems that he should take it for granted to ask anyone to do anything.

However, he knew that the young man in front of him was qualified to make an exception.

The Lion King nodded and said, "I need a drink before I go to meet those two damned guys. Young man, come with me."

Ye Chen nodded, when even with the lion king out of the hall, toward the palace in an attic.

People stare at this scene, and it's a success?

In their impression, the lion king is definitely not a good tempered and talkative person!

Jin Jue could not help frowning and looking at Jin Shanshan, he said, "is that boy also the illegitimate son of his father?"

Chapter 5263

Jin Shanshan is also a little dull. Originally, she planned to use Ye Chen to help her get the throne. Now it seems that she was used by Ye Chen?

She looks at Jinyang on the ground with her beautiful eyes flashing. She knows that maybe Ye Chen is seriously injured in front of her father. Jinyang has been premeditated for a long time

The reason why he did this is to show his strength in front of his father. His strength is the bargaining chip with him!

.....

In the attic, the lion king looked at Ye Chen with great interest and said, "what do you want?"

Ye Chen said, "boat!"

If they want to go to wuhui Island, they need a boat besides zhenhaishi and Haiji compass!

The Lion King frowned and said, "do you know the value of a ship buried in the sky and sea?"

Ye Chen said: "I believe that the value of a ship is far less than the future of lion island. What I want is not an ordinary ship, but a clipper!"

The Lion King's eyes sank slightly and said: "young man, it's already a kind of tolerance for you that I ask you to talk about terms with me. I hope you don't advance an inch.

The Golden Lion people don't like the lion's big mouth when someone is in front of us

Even if it's an ordinary boat, what about a fast boat?

A clipper is sometimes the lifeblood of an island's development. Can ye Chen think of it in a word?

But at the moment, ye Chen was looking directly into the Lion King's eyes and said: "this clipper is very important to me. If the lion king doesn't allow me, I will withdraw from the three beasts fight!"

The Lion King's face became gloomy and said, "are you threatening me? Do you know what will happen if you threaten someone who is too strong? "

In a flash, the air in the attic was thick, and at the same time, it gave off a smell of blood!

Ye Chen, at the moment as if in a sea of blood in general!

His eyes flashed. The murderous spirit of the lion king was too strong!

However, with his Wuzu's heart, how could this murderous spirit affect him?

Ye Chen light way: "this is not a threat, but a trade, the Lion King naturally has the right to refuse, I'm not the lion big mouth, but, I also have their own reasons, must this clipper!"

The Lion King stares at Ye Chen, and his killing intention becomes stronger and stronger

But, in front of this strong person's terror, ye Chen's complexion is not the slightest shake.

In the eyes of the lion king, there was a flash of color. Even if the general Taizhen state existed at the beginning, in his murderous spirit, his state of mind would be in danger of collapse, right?

Can, to leaf Chen seem to have no influence at all?

Even the lion king, who has experienced countless storms and rich experiences, can't understand the indifferent youth in front of him

This guy is a little bit out of the ordinary, isn't he?

Looking at Ye Chen's calm eyes, the lion's face is a little ugly. If Jinyang is still there, he may have a choice, but now, Jinyang is seriously injured and can't participate in the battle of the three beasts. That is to say, if ye Chen withdraws, the Golden Lion clan will be defeated!

He secretly scolded a way: "dammit, all this is this kid calculate good?"

He doesn't like being calculated!

After a while, the Lion King sighed and said, "you win, I promise you..."

Although the heart of the grievance, but in the heart of the lion, the most important or the whole golden lion!

Ye Chen smell speech, in the eyes flashed a touch of joy.

"But..."

The Lion King's eyes, suddenly a cold way: "young man, now you have no way out, can only win the three beasts, otherwise, the king, can't allow a disobey the will of the king, safely leave the lion island!"

Ye Chen's eyes flashed slightly and said with a smile, "please rest assured the lion king."

At this time, a loud and clear horn sound suddenly reverberated on lion island.

The lion king looked and said, "well, the battle of the three beasts is about to begin. Let's go to the competition."

The next moment, two people figure move, then disappear from this attic, walk toward that vein.

On the way, Xuan Hanyu asked Ye Chen, "Ye Chen, why do you have to take a fast boat? An ordinary boat should be enough to enter wuhui island in seven days?"

She is very clear that the confrontation between Ye Chen and the lion king just now seems to be mild, but in fact it is extremely dangerous!

There is no difference between negotiating with such a powerful king of taizhenjing and seeking skin with a tiger!

Ye Chen also deliberately asked for the clipper?

This undoubtedly greatly increases the risk!

If the lion king is not happy, it is likely that he will directly fight ye Chen!

Ye Chen's eyes twinkle slightly. Although, now he activates reincarnation blood, even if he doesn't fight against the lion king, he is confident that he can escape from him.

However, in this way, there is no hope for Haiji diamond.

That is to say, their secret plunder about Huaxia and wanxu is completely over. Ye Chen was silent for a moment, did not answer directly, but light way: "some things, more important than treasure."

Xuanhanyu is puzzled. Does the boy learn to play riddles now?

Soon, under the leadership of the lion king, ye Chen joined Jin Shanshan and several other contestants.

Then, with a flash of his body, the Lion King appeared above the mine. At the same time, two figures appeared beside him!

A middle-aged man in a green robe, with cold face, green hair and long chin, and a young man with silver hair, blood eyes, handsome face and fierce eyes.

These two people are the snake king of snake King Island and the wolf king of wolf King Island!

Ye Chen's pupil shrinks, these two kings are also not simple too true state!!

Seeing the three kings appear, the audience of the three ethnic groups immediately cheered!

With a smile on his face, the lion said in a high voice, "ladies and gentlemen, I won't say more nonsense. Now, please let the three races enter the field!"

At the moment, on the open space in the vein, there are three platforms. On the platform, there are statues of lions, snakes and wolves, corresponding to the three races!

Immediately, the three demons have boarded the platform, appeared in front of everyone!

On the stand, there was another burst of cheering!

At the moment, ye Chen looks at the other two platforms. There are five people standing on each platform. His eyes pass the people's faces and quickly lock the two figures!

A jade snake family has curly green hair like a green snake, a young man with a fierce smile at the corner of his mouth, and a beautiful woman with silver hair and waist!

These two people, can be said to be two races of contestants, stand out from the rest!

The youth and the woman are still in the real world! And it's not an ordinary eight story day!

It's a bit stronger than Jinyang's breath. Obviously, this is what Jin Shanshan said about the leader!

At this time, the stands suddenly quiet down, all eyes Shua focused on the platform of the Golden Lion clan.

Chapter 5264

There are two reasons. First, there are only four contestants of Golden Lion race!

2、 One of them is the cultivation of heaven and earth?

In addition to Ye Chen, the rest of the Golden Lion contestants look a little ugly.

Jinyang is seriously injured by Ye Chen. They can't find another substitute

At this time, a burst of laughter suddenly rang out from the stands and said in a sarcastic voice: "is there no one in the Golden Lion clan who can be sent to compete? Why are there only four people? "

"Maybe, it's true. Don't you see that even the people in heaven and earth have climbed up to make up the number?"

"Ha ha, the more the Golden Lion people mix, the more they go back. It seems that the winner of this battle is born in the jade snake family and the silver wolf family."

"Is the boy from heaven and earth to be funny?"

The contestants of jade snake race and silver wolf race sneer one after another, but they don't even look at the Golden Lion race. In their eyes, the Golden Lion race, who has been at the bottom of the three animal battles, is not their opponent at all!

It seems more appropriate to change the name of the battle of three beasts to that of two beasts!

The lion's face was not good-looking. He coughed softly and let out a trace of prestige. The scene was quiet for a moment!

The lion king said, "please introduce yourself to the leaders of the three ethnic groups."

Generally speaking, in the battle of the three beasts, the three tribes will send an amazing monster as the leader, and the audience is naturally quite curious about these demons.

So, according to the Convention, these leaders will introduce themselves.

At this time, the young man of the jade snake clan stepped forward slowly and said with a smile: "I am the leader of the jade snake clan. My name is she Han. In the last battle of the three beasts, the jade snake clan won the name of the king of beasts. This time, I will continue the glory of the jade snake clan!"

As soon as the voice fell, the jade snake people in the stands were excited and yelled her Han's name. Obviously, she was very popular among the jade snake people!

At this time, the silver haired woman came forward and said, "I, Yin Qiong, the silver wolf clan, will take back what the jade snake clan stole from us this time."

For a time, the audience of the silver wolf clan was also enthusiastic!

The jade snake clan and the silver wolf clan are full of gunpowder as soon as they come up!

Soon, people will focus on the platform of the Golden Lion clan, which is fun.

They want to see what the leader of the Golden Lion clan can say?

On the one hand, the highest accomplishments of the Golden Lion clan are only seven levels of heaven. They are quite different from Yin Qiong and she Han!

But, beyond everyone's expectation, a scene appeared!

Ye Chen, who is regarded as a joke, is the least favored by the public. At the moment, he slowly comes forward to the sight of the public and says faintly: "the Golden Lion family, Jinchen."

There are no heroic words, just five simple words

But it caused a sensation in the whole competition!

Even the snake king and the wolf king are strange.

Looking at the lion king, the snake king sneered and said, "old lion, even if you golden lions don't have a chance to win, don't abandon yourself? You know, the struggle between the three beasts is a tradition since ancient times and needs to be respected. "

Wolf king also disdained to say: "do you want to find a clown to perform? It seems that the Golden Lion clan is really declining. "

Lion King at the moment, but is calm, in the face of two people's sarcasm casual way: "maybe, Jinchen can bring you some surprise, maybe?"

The other two kings frowned, but they didn't care too much. What storm can a boy in heaven and earth set off?

Just then, a loud bell rang!

The Lion King's eyes flashed and said in a loud voice: "the battle of the three beasts, now begin!"

In a flash, the demons of all ethnic groups were moving, shooting towards the deep of the vein. On the giant Shadow crystal above the vein, people's figures appeared!

At this time, among the Golden Lion contestants, the only woman, with a flash of body, appeared in Ye Chen's body and said: "leader, what should we do now?"

Ye Chen said: "they are looking for Haiji diamond separately."

Those golden lion race contestants, some excited place head way: "yes!"

Although Ye Chen showed great strength, they thought they knew this vein very well. Naturally, they didn't want to be constrained by Ye Chen. It's best to move freely!

At the moment, the names of the three ethnic groups are shown on the three huge transmission crystals. Under the names of the three ethnic groups, there are several small names representing the contestants of each ethnic group. At the same time, there is a number under the names of the three ethnic groups and the contestants.

This number represents the Haiji diamond mined by all ethnic groups and competitors!

Soon, the number below Yin Qiong's name was beating!

On the screen, a young girl with silver hair pours a blow at a mountain wall. Behind the mountain wall, a piece of crystal like ore emerges. In the crystal, there seems to be a very beautiful diamond with seven colors!It's Haiji diamond!

The young girl with silver hair gave a low drink, and a violent force broke out in her delicate body. A pick shaped magic weapon came out of her hand, and she bombarded the crystal!

Don't underestimate the crystal wall. Its hardness is quite high. The most important thing is that you can't use any spiritual power, Demon power and other energy in the process of destroying the crystal wall. Otherwise, the Haiji diamond will be damaged!

The roaring sound is ceaseless, the hard crystal wall is frantically broken under Yin Qiong's huge force, and the whole vein seems to be in the constant bombardment, shaking in general!

People have opened their eyes, some can't believe, it seems that some weak body, actually contains such a terrible power!

Soon, the sea pole diamond appeared in front of the silver haired girl!

Yin Qiong, won the first Haiji diamond!

The number under its name has also become one!

At the same time, ye Chen's body is flashing in the vein, and his huge mind is surging out, with a smile on the corner of his mouth.

The reason why Ye Chen is so confident in winning the battle among the three beasts is that in addition to his strength, his greatest reliance is his divine idea!

There is a weakness of the demon clan, that is, the power of God is weak!

And the three orcs inherited the blood of the powerful demon clan, and they inherited this defect at the same time!

That is, the power of the three orcs is not powerful!

At least, compared with Ye Chen!

In an instant, ye Chen's powerful idea is to invade the hard rock wall, instantly grasp all the information in the rock wall around him, whether he has Haiji precious diamond, and the number of Haiji precious diamond, all of which are known by Ye Chen one by one!

This is absolutely impossible for the three orcs!

Ye Chen's eyes are more and more bright, but he never stops to mine!

Seems to be looking for something

Soon, half an hour passed!

Under the names of the three groups of contestants, there are different numbers, more or less, there are gains!

Among them, Yin Qiong and she Han are far ahead in the number of Haiji precious diamonds!

While others are still hovering in single digits, Yin Qiong and she Han's haijibao diamonds have exceeded 30!

Chapter 5265

For a time, everyone was thrilled by the talent of the two evildoers!

But there is one exception

At the moment, the number under Ye Chen's name has not changed since the beginning of the competition, and it is still zero!

As a team leader, even the other competitors in the Golden Lion race are far inferior!

For a moment, not to mention the jade snake clan and silver wolf clan, even the audience of the Golden Lion clan, looking at the indifferent young man who is still running on the screen, has a look of disgust and anger on his face!

Is this guy here to go shopping?

No action yet?

Even the lion king, at the moment, can't help frowning slightly, don't understand what ye Chen is doing!

You know, the competition time of the three beasts is only three hours!

Even if ye Chen is far more powerful than Yin Qiong and she Han, half an hour behind, it's hard to say whether he can win in the end!

The wolf king and the snake king both laughed and said, "brother lion, you are right. This boy really gave us a surprise!"

"Lao Shi, are you sure that this boy doesn't have the blood of our jade snake clan? How do I feel that he deliberately helped our jade snake clan win?"

The Lion King's face was a little gloomy when he heard the speech, but now he could not refute it at all!

Ye Chen in the vein, suddenly, his face moved, and a little surprise appeared at the bottom of his eyes, looking towards a cave!

The next moment, he flashed into the cave!

The audience of the Golden Lion clan looked ugly

This cave is quite famous among the Golden Lion people. It is called the unbreakable cave!

Why is it called the cave of no breaking?

That's because the rocks in the cave are extremely strong, and the spiritual power can hardly destroy them. Even the Golden Lion people can hardly break the rocks in the cave by pure power alone!

As a result, it has won the name of unbreakable!

What do you want to do when you come to this unbreakable cave?

Under the gaze of the public, ye Chen shocked the audience again!

He stopped at the center of the cave and gazed at the rock under his feet. The next moment, he took out his pick without hesitation and smashed it on the ground!

For a moment, the audience of the Golden Lion clan couldn't watch it any more. They couldn't help but scold: "boy, are you playing the game of the three beasts?"

"Get out of the game, don't disgrace us Golden Lions!"

"Boy, are you a spy sent by the other two races?"

Ye Chen shopping for a long time, the result chose not to break the cave mining?

Does this have a brain?

If nothing else, with his strength in heaven and earth, there is no possibility of breaking the rock in the cave that can't be broken, right?

At this time, ye Chen's pick came into contact with the ground of the unbreakable cave!

The next moment, a huge sound suddenly burst out from the never broken cave!

At this moment, Tianjiao felt a violent shock in the whole mountain range. Even she Han and Yin Qiong were shocked and looked in the direction of the unbreakable cave!

And the whole auditorium was silent for a moment

In the picture, the dust is all over the sky, and under Ye Chen's pick, the rock on the ground, which is known as the impregnable unbreakable cave, is blown out of a deep pit!

Everyone, can't help but take a breath of cool air, words can't speak out!

Those golden lion clansmen, more like looking at monsters in general, looking at Ye Chen, all ridicule and so on all swallow to the stomach, completely scared silly!

They can't believe their eyes!

Because these people are very clear about the terrible power contained in this pickaxe!

It's impossible. It's what a universe can have!

For a moment, they understood why Ye Chen was chosen as the leader

At the moment, the snake king and the wolf king are stunned. Even they are shocked by this pickaxe

In terms of power, ye Chen has far surpassed she Han and Yin Qiong, right?

However, the snake king soon regained his peace and said with a cold smile, "it seems that there are demons in the Golden Lion clan that are beyond imagination, but it's a pity that you can't win the battle of the three beasts without strength and brain..."

Wolf king also said: "that cave is the famous unbroken cave on lion island, isn't it? Originally, relying on his strength advantage, he may be able to save half an hour wasted. Ha ha, unfortunately, he chose to enter the unbreakable cave. Even if he can break the rocks in the cave, the mining efficiency is extremely low. Therefore, there is no turning over chance for the Golden Lion people! "

In the eyes of the lion king, there was a touch of anger!

Is this kid playing with himself on purpose?

He is very clear about ye Chen's background. He is not a member of the Golden Lion people, but he can feel it just by his divine thoughts. Is the rock in the unbroken cave extremely hard? Or does Ye Chen want to prove his strength and deliberately choose to hit the audience in the face with high difficulty?

Ye Chen did, but he had to pay the price of victory!

At this moment, the audience of jade snake and silver wolf exclaimed: "what a terrible power!"

"Heaven and earth? Does this inherit the whole blood of Tians? "

"I'm afraid that even the real Tianshi has no such power in heaven and earth?"

However, they are talking and laughing, because although Ye Chen's strength is frightening, he still won't shake the victory of silver wolf and jade snake because he made the wrong choice and had no brain!

And the people of the Golden Lion clan are even more angry now!

Different from the anger that I looked down upon just now, this time it was a kind of anger towards Ye Chen!

Clearly has the strength, does not display intentionally?

First you go shopping for half an hour, then you mine in the cave of unbroken?

Ye Chen this is to retaliate for their just ridicule?

However, even if we retaliate, we should not retaliate with the honor of the whole race!

Those golden lion audience yelled: "boy, we are wrong. We are willing to bear how you want to beat and scold us later. Now, let's have a good game!"

"Boy, we already know your strength. You don't have to prove anything. Now it's time to start serious mining!"

"Don't be impulsive. The glory of my golden lion clan is more important!"

At the moment, Jin Shanshan looks at Ye Chen and is also full of disappointment!

She knows Ye Chen is very proud, very crazy, and can't be insulted!

However, ye Chenming promised to take back the name of the king of beasts for the golden lion!

Now, after being ridiculed by those ignorant audiences, they have to break their promise and retaliate with the honor and future of the whole golden lion clan?

If you don't like to talk, it doesn't count?

She didn't expect that ye Chen was such a miserable person!

Chapter 5266

Moreover, most of the Jinshi people are innocent. Up to now, they still don't abuse Ye Chen and support Ye Chen without saying a word!

However, no matter how the Golden Lion audience apologized, even begged and knelt down, ye Chen was not moved at all and devoted himself to bombarding the ground of the unbreakable cave!

In the twinkling of an eye, two hours passed!

At the moment, the Han and Yin Qiong's numbers have exceeded 100!

The jade snake clan and the silver wolf clan have opened a huge gap with the Golden Lion clan!

And the number under Ye Chen's name is still zero until now!

For a moment, the audience of the Golden Lion clan were in despair. They bowed their heads one by one, and even shed tears

If ye Chen wants to punish them, then they admit that ye Chen is very successful

Now, these people are regret to the extreme!

Even the Lion King's face is slightly distorted, his pupils are trembling wildly with endless anger, almost melting his brain!

He even began to doubt whether ye Chen was really bribed by the snake king and wolf king

And the wolf king and the snake king look at the Lion King's look, is full of smile, only one hour left, the Golden Lion family defeat has been decided!

Now, even if ye Chen is willing to leave the unbroken cave and return to the vein, it's too late for mining!

The whole golden lion clan has countless eyes staring at the Shadow crystal. The indifferent youth has endless anger in their eyes!

Time, a minute and a second to pass, very soon, from the end of the three animals fight, only a incense time!

At the moment, the achievements of the three clans are: Jade snake clan: 267 Haiji precious diamonds, among which she Han excavated 132

Silver wolf clan: 271 Haiji precious diamonds, among which Yin Qiong excavated 135

Golden Lion clan: 804 Haiji precious diamonds, among which ye Chen excavated

Zero!

Nothing!

The audience of the silver wolf clan are ready to celebrate, and their victory seems to be doomed!

And the audience of the jade snake clan is nervous. Now, it's not that they don't have a chance to turn the table over!

Only the Golden Lion people are desperate. They are completely desperate. They even have no interest in watching chuanyingjing any more

No one noticed that ye Chen, who was sweating like rain and pounding the ground hard in the cave of unbroken cave, raised a faint smile at the corner of his mouth. In his eyes, he was full of strength and burst out in a frenzy. He went all out to the ground under his feet!

At the same time, he whispered: "it's deeper than I thought, but everything is in the calculation."

The next moment, a more huge roar than before, burst out in an instant, rolling earth and rock, in the surging power, scattered splash, at this moment, the audience who are paying attention to the jade snake clan and silver wolf clan transmission crystal suddenly face the color of pain, a very dazzling light, burst out suddenly, stabbing their eyes in the moment!

Everyone looked at the light source, but saw that it was the transmission crystal of the Golden Lion clan that gave out the strong light!

To be exact, it is the transmission crystal that shows the image of the unbreakable cave!

At the moment, the unbroken cave was enveloped in a flash of seven colors!

All the audience's eyes were instantly attracted by the vision, and they looked at the Shadow crystal in bewilderment

What happened in the cave of immortality?

Soon, the light converged, and the picture in the unbroken cave reappeared in front of the public

In a flash, everyone's eyes could not help shaking!

I saw a indifferent young man standing above a crystal wall

And under the crystal wall, there are streams of seven colors

The whole mountain was silent, and the sound of breathing disappeared

All the audience, especially the audience of the Golden Lion clan, are all with their mouths wide open, their chin is about to fall to the ground, and their eyes are very excited!

Even the lion king, the wolf king and the snake king were all shocked. The wolf king opened his eyes and couldn't help shouting: "impossible! How could that be

Seeing the victory in front of the silver wolf, ah, who would have thought that such an incredible thing would happen at the last moment!

The stream, which is shining with seven colors, is the vein that contains many sea gems!

The snake king looked ugly and said, "did this boy find this vein at the beginning?"

The wolf king's face sank and said, "I found it in the beginning? This vein is hidden in the depths of the earth. Even if you and I can't find it, how can this boy do it? "

The next moment, he flashed a fierce light on his face, looked at the lion king, sneered: "Lion King, you can't cheat, right? In order to win the battle of the three beasts, he found the position of the ore vein ahead of time, and then told him

The snake king heard the words, and his face was gloomy. He stared at the lion king. The lion king looked at them coldly and said: "you should be very clear that we all swear by the heart of Tao that we should not cheat in the battle of the three beasts. Besides, you also said that with our mind, we may not be able to find this vein. Then, even if I know that there is a vein in the unbroken cave, I can't be sure that it is haijibao diamond!

The most important thing is... "

The lion king said with a disdainful smile: "this boy, the normal competition is enough to crush you two? Why should I let him win in such a risky way? "

For a moment, the snake king and the wolf king looked a little ugly

What the lion king said is reasonable

In other words, this vein was really discovered by Ye Chen himself?

Even the two kings of taizhenjing were scared

The boy is not a hundred years old!!

Not only has the most powerful physical power, even the mind is so against heaven?

If you want to cultivate such a genius, you must need a huge amount of information to do it?

Originally, they all thought that the Golden Lion clan was declining, and even had the idea of attacking Lion King Island, but now

The wolf king and the snake king can't help shaking

Even if the Golden Lion clan with such a deep foundation has declined on the surface, can they chew this hard bone?

At this time, the wolf king took a deep breath and hummed coldly: "the result is not certain. This crystal wall is so thick that it's not easy to break it in a stick of incense!"

Snake king also nodded heavily!

At this time, ye Chen's eyes flashed, and the pick in his hand slammed down the crystal wall. With the deafening sound of the collision, the audience of the Golden Lion clan became more and more excited. I don't know who suddenly called out: "Jinchen!"

This cry, as if completely detonated the mood of the people!

Countless Golden Lion people yelled: "Jinchen! Jinchen! Jinchen

When the audience of the other two groups saw this, their faces changed. At the moment, the golden lion's momentum was like a rainbow, which gave them a feeling of unstoppable pressure!

The time of burning incense is about to pass. Finally, the last thin crystal wall is broken under the bombardment of the pickaxe, and countless sea gems are exposed in front of everyone!

The next moment, ye Chen waved his hand, and countless precious diamonds entered his storage bag one after another.

At the same time, a bell rang from the Lion King Island, and the Lion King yelled, "time is up! The contest of the three beasts is over

Just now, the roaring stadium was quiet. Every audience was watching the golden lion's scoreboard nervously!

All eyes fall under Jincheng's name

At this time, the original display of zero position, a flash of light

The next moment, it turns into a frightening number

Ye Chen's achievement is 13820!

Chapter 5267

At the moment, the achievements of the jade snake clan and the silver wolf clan have not changed before yijixiang!

These two clans, add together, even leaf Chen's odd, all less than!

This battle of the three beasts can be said to be a great victory for the Golden Lion clan!

All golden lion audience, this moment is to use their best to send out a cheer!

Many people even have tears on their faces!

How many years?

Hundreds of thousands of years?

The Golden Lion clan has been trampled by the other two orcs, and suffered from humiliation and ridicule

The proud lion, however, lost the glory of the king of beasts and had to lie down under the snake wolf

This is a great torture for countless Golden Lion people!

But now, the sleeping lion finally wakes up and rises strongly. They have won the title of king of beasts again!

Ye Chen is the hero of the whole golden lion clan!

At the moment, the contestants of silver wolf and jade snake don't seem to know all this. They wonder why the audience of golden lion is so excited?

Soon, a group of competitors returned to the platform at the entrance of the vein

When they saw the score on the scoreboard, these contestants suddenly seemed to have a hundred thousand thunderbolts hit their heads at the same time. The pride of the orcs instantly petrified!

13820?

Is this not a display error?

In particular, Yin Qiong and she Han are totally unwilling to accept it!

However, at this moment, the Lion King's announcement suddenly rang out: "the winner of this three animal battle, the golden lion!

Today, the Golden Lions have regained the name of the king of beasts! "

.....

At the dock of lion island, three figures appear here, and in front of the three people, a golden ship with a lion's head carved on it is parked!

These three men, two young men and a middle-aged man, are ye Chen, Hong Shuntian and the lion king.

The lion king looked at the boat in front of him and said, "this golden lion is the fastest boat among the clippers, and it's also the most favorite boat of the king. Its speed is the best in the whole sky and sea. Now, according to the agreement, this boat is yours."

Ye Chen hears speech a smile way: "thank lion king."

The lion king also said with a smile: "no, boy, it should be the king. Thank you. What you bring to the Golden Lion clan is just a speedboat, which is far beyond comparison."

Ye Chen light way: "accept a person's trust, the matter of loyal person just."

At this time, the lion king said curiously: "boy, I have a question. Even if you don't take the risk of mining the haijibao diamond vein, you can easily win the battle of the three beasts. Why did you choose that vein in the end?"

Ye Chen didn't succeed in mining the vein until the last moment, and he obviously took the risk.

Ye Chen flashed his eyes and said: "because, in my opinion, the reason why the name of the king of beasts is so important to the Golden Lions is that on the one hand, it is to frighten the other two big beasts, on the other hand, it is to raise the prestige of the Golden Lions, inspire people, and let the Golden Lions regain their self-confidence

In any way, it's not enough to simply win, even if we surpass in numbers, so

Not only to win, but also to win! And, to win wonderful, to win exciting!

Therefore, the vein is the best choice. "

Lion king heard the words, eyes wide open, some Lengshen looking at Ye Chen, as ye Chen said, only in this way, can really bring the hope of the rise of the golden lion!

A moment later, he said with a bitter smile, "you even think of that? It seems that you are not only extraordinary in strength and mood, but also outstanding in intelligence. Now, it's a pity that you are not a real golden lion. "

After that, the lion king turned away and said, "boy, remember my name. My name is Jin Xiaoye. Both the Golden Lion clan and I owe you a favor. I won't forget it!"

After the Lion King left, ye Chen gave the sea pole diamond to Hong Shuntian and said, "Shun Tian, how long does it take to refine the sea pole compass?"

Hong Shuntian pondered for a moment and said, "three days! These three days, I need to concentrate on refining without any distraction! "

Ye Chen nodded and said, "OK, get on the boat."

With a flash of body shape, they boarded the Golden Lion and entered the power room at the same time!

With Ye Chen's power, relying on one's own strength will be enough to drive this ship!

With a low drink, he poured out a huge force in his body and poured it onto the oars!

At the next moment, countless runes suddenly appeared on the golden lion's hull, just like a golden lightning!

Two people's eyes, are emerging with a touch of joy!

The speed of the golden ship is beyond expectation!

With this big ship, their journey will be much smoother!

But at this time, sensing Ye Chen's direction, Hong Shun said: "brother ye, this direction is not the sea road to Taiming island..."Ye Chen said faintly: "I want to go to Shuiming Island first. With this ship, even if I go to Shuiming island now, I can enter wuhui island in seven days."

Hong Shuntian smiles. It turns out that the reason why Ye Chen asked for the clipper is to prepare for this

He nodded and said nothing more. He sat on the futon and had a big tripod in front of him. Hong Shuntian put the sea diamond and several kinds of spiritual materials into the tripod. Then, an extremely blazing breath surged up in the power room. Hong Shuntian had already stimulated the blood of Chihuang!

He pointed a little, a red spark fell in the big Ding, the next moment, those seemingly solid spirit material, instantly began to melt!

.....

The biggest force on Shuiming island is Shuijia, which controls the affairs of the whole island.

In the center of the island, there is a huge mansion, which is Shuifu!

At the moment, a woman with a beautiful face appeared outside the gate of Shuifu.

The woman went straight to the mansion. A middle-aged servant at the gate of the guard yelled, "stop! Who are you? How dare you break into the water house

However, when the man saw the woman's face clearly, his face suddenly appeared unbelievable and stagnated in the same place

And a young servant standing beside him, with a heavy look, whispered, "what do you want to know? Deaf? Don't know the answer? "

As soon as his voice fell, he would take a hand at shuijinghua and stop it!

Although shuijinghua is a real warrior, and his strength is far beyond him, he is a servant of the water family!

On Shuiming Island, who dares to attack the people of Shuijia?

Therefore, this domestic servant has no fear!

But at this time, the middle-aged servant suddenly raised his foot and kicked the young servant out!

The young servant fell a dog to eat excrement, looked at the middle-aged servant with a puzzled face and said: "Uncle yuan, why kick me?"

Chapter 5268

Shui yuan looked at the young man and said, "kick you? It's light to kick you! Do you know who this is? This girl is the second lady of my water family"

With that, Shuiyuan saluted shuijinghua respectfully and said, "miss two, you are finally back."

The young servant's face changed when he heard that he had just joined the water family recently. Before that, shuijinghua had been buried in the sky for many years!

Unexpectedly, now he saw it with his own eyes!

Immediately, the young servant was full of nervous color to say: "two young lady, just now, I have eyes..."

Looking at the huge mansion in front of her, a complex color appeared in her beautiful eyes. She said faintly, "go tell my sister that I'm back."

Having said that, she flashed, and then walked toward a courtyard in Shuifu.

In the water mansion, a man and a woman are sitting in a huge living room.

The woman's face was beautiful. Although she was not so gorgeous, she was also very outstanding. Moreover, her appearance was somewhat similar to that of shuijinghua.

This woman named shuiqianqian is shuijinghua's half sister. At the moment, shuiqianqian's face is gloomy. Obviously, she is not in a good mood!

Sitting next to her was a rather handsome young man with a dark complexion, enjoying his tea leisurely.

This man is named Zhong Lang, who looks young. In fact, he is more than 10000 years old. Moreover, Zhong Lang's breath is extremely surging and threatening!

At this time, several figures appeared at the door of the living room and walked towards the hall.

These people, with strong breath, are the elders of the water family.

These water family elders salute to water Qianqian and say, "miss."

Water Qian Qian deep voice way: "several elders, presumably you should also know, water mirror China, now has come back."

Those elder smell speech, the vision is all tiny twinkle.

Water Qian Qian way: "that year forced marriage, several can't get rid of the relationship, if this wench really inherited the position of the head of the family, you will be what end, should not need me to say more?"

One of the elders frowned and said, "what does Miss mean?"

Water Qian Qian eyes faint way: "water mirror China this time back, must be for the position of the master!

And if she wants to succeed as the master of the family, according to the tradition, she has to pass the secret test of the water family!

I want to know, in the eyes of several elders, whether the strength of shuijinghua can pass the test of this secret place? "

The elders hesitated for a moment and then said, "with the strength of the second lady, there is a great chance to pass the test..."

Water Qianqian smell speech, look more ugly up, Lihe way: "I don't allow her to participate in the trial! She escaped from the sea of heaven when she was buried, and now she has no right to inherit the position of the head of the family! "

In the living room, it was quiet for a moment. After a moment, an elder sighed and said, "Miss, the head of the family has passed the throne to the second young lady. She is the only one who is qualified to participate in the secret land test of the water family. According to the instructions of our ancestors, we can't stop her!

At that time, she was not strong enough to pass the test, so she escaped from the sea of burial. Now, I'm afraid there is no way to prevent the second young lady from becoming the owner of the water family... "

There was a look of bitterness in shuiqianqian's beautiful eyes. In her opinion, the position of the master should be her thing!

But the father just passed it to the damned girl!

At that time, she tried her best to force shuijinghua to death. Finally, she forced shuijinghua out of the sky and became the person in charge of the water family!

As long as shuijinghua is missing for a hundred years, according to Zuxun, shuiqianqian will become the successor of the family leader!

One hundred years is coming. Shuiqianqian dreams about her future as the owner of her family. But just at this time, shuijinghua is back!

Water Qian Qian teeth, already used to the power of her hand, now how would be willing to put it down?

She smashed the teacup on the table to pieces and said angrily, "get out! Get out of here

The elders looked at each other and walked out of the hall.

In the living room, only Shui Qianqian and Zhong Lang are left again.

At this time, Zhong Lang slowly put down his cup and said, "Qianqian, this time you came to me specially for this matter?"

Water Qian Qian beautiful Mou a bright ground saw to Zhong Lang way: "Zhong childe, can have what method to prevent her to participate in the trial?"

Zhong Lang is the owner of an island with great strength and outstanding ability. He admires Shui Qianqian. Although Shui Qianqian has not officially married Zhong Lang, he has already relied on him.

Zhong Lang heard the speech, shook his head and said: "No."

Water Qianqian smell speech, face dew is extremely unwilling color!

Does she really want to give up the water family?

But at this time, Zhong Lang is a little smile, this smile looks mild, but it is inexplicable horror!

He said again, "but I have a way to let her die!" Shuiqianqian's face slightly changed and said, "master Zhong, you can't do it to her. Otherwise, it's against the ancestral precepts. Even if she dies, I can't be the owner of the water family..."

Zhong Lang said, "if I say that I have a way to kill her without violating the water family's precepts?"

Water Qianqian smell speech, eyes a bright.

Zhong Lang waves his hand and suddenly a light blue water ball appears in front of him.

Seeing the water ball, shuiqianqian breathed out: "tianqinglingshui!"

The water family has a special system, which can devour all kinds of spiritual water to improve their strength. Tianqing spiritual water is a kind of top-quality spiritual water, which is a treasure to the water family!

Water Qian Qian eyes, can not help but emerge a trace of greed!

However, at this time, Zhong Lang's hands are shining again and there is one more thing.

See, appear in the hand of Zhong Lang, impressively is a whole body black flower.

Water Qian Qian some doubt way: "this is?"

Zhong Lang light way: "eclipse blood flower."

"It's blood eating!"

The water Qian Qian looks at that black flower, the face shows a trace of fear!

Blood corroding flower is an extremely rare spirit flower and one of the most terrifying poisons buried in the sky and sea!

It has no toxicity, colorless and tasteless, but once it is combined with spirit water, it can turn into highly toxic!

The higher the level of Lingshui, the stronger the toxicity of blood corroding flower!

Especially for the water family!

Shuiqianqian looked at tianqinglingshui and erosive blood flower, and frowned slightly: "what does Mr. Zhong mean to poison Jinghua?"

Zhong Lang's eyes narrowed and said, "poison? What we have to do is just to put the Tianqing spirit water with blood corroding flower in a secret place. If shuijinghua absorbs the Tianqing spirit water, it's her own choice. In this way, won't it violate the water family's ancestral precepts? "

Water Qianqian smell speech, a flash of joy on pretty face!

It seems that there is a loophole in Zuxun!

Chapter 5269

She is very clear that no water family can resist the temptation of Tianqing Lingshui, even shuijinghua!

In this way, there is no doubt that shuijinghua will die in a secret place!

However, there is also a big risk in doing so. If it comes out, I'm afraid the water family elders won't sit back and ignore it!

For a time, water Qian Qian some hesitated.

Zhong Lang's eyes flashed slightly and said: "Qianqian, if you want to be once and for all, you need to take some risks. However, with me, what can even those elders do to you?"

The most important thing is that if shuijinghua becomes a dead person, it won't do any good to do it for her! "

This world, is such a reality!

Water Qian Qian smell speech, in the eyes flash decisive light, clench one's teeth way: "good, young master Zhong, now follow me, enter the secret place!"

Today, she is the proxy owner of the water family. She has the token to open the secret place. However, she is not the real successor and can't accept the test of the secret place.

.....

At the same time, in a simple and elegant room, shuijinghua slowly opened her eyes, and now she has adjusted to the peak state.

The next moment, she moved, then walked out of the house, and soon came to a living room.

On the main seat of the hall, there are two people sitting. They are Shui Qianqian and Zhong Lang.

At the bottom, there are several water elders sitting.

Looking at her half sister, shuijinghua said coldly, "sister, why did I return to Shuijia? You should know very well that I won't leave without inheriting the position of master.

Yesterday, you can't find the secret token, don't let me try, today, what excuse do you have?

If you stop me from entering the secret place again, it's against the instructions of my ancestors. "

Water Qian Qian smell speech, but is a face smile way: "sister this is what words?"? Sister, how dare I stop you? "

Then she stood up and said, "follow me."

The water mirror flashed a different color in her gorgeous eyes. The accommodation of water Qian Qian made her a little surprised.

Soon, they followed shuiqianqian to Shuifu, in front of a towering ancient tree.

Shuijinghua stares at the ancient tree, and the magic light looms in his eyes. The ancient tree is the entrance to the secret place!

The next moment, water Qian Qian took out a simple token, the body of a smart power, the token will play a light on the ancient tree!

A strong spatial fluctuation surged out from the ancient trees, and the green light on the trunk flashed wildly, gradually twisted into a set of channels blurred by the green light.

Shuiqianqian looked at shuijinghua playfully and said, "sister, please, I wish you can pass the test and become the master of my water family."

Water mirror China swept water Qian Qian one eye, ignore, body shape a flash, then entered that cyan channel.

After a whirl, the water mirror came to another space.

In front of her, there is a stone tablet, which is engraved with dense words. What is engraved on the stone tablet is the water family Zuxun!

This stone tablet is a treasure with a certain spirit. If it violates the ancestral precepts, the stone tablet will react and punish!

That's why the Shuis attach so much importance to Zuxun.

At this time, a golden Rune appeared in the palm of shuijinghua's hand, which is exactly the same as the one printed on the emblem of Shuijia.

The next moment, shuijinghua pressed his palm on the stone tablet and said, "shuijinghua, the descendants of the Shuijia family, wants to challenge the test and inherit the position of the master of the family."

In an instant, the golden light on the stele flashed wildly, and some changes took place in the whole space!

An old voice sounded from the stone tablet: "the trial begins!"

As soon as shuijinghua's body moves, it shoots out towards the front, and countless golden lights suddenly come down from the sky, shooting towards her.

With a flash of gorgeous eyes and a twist of body shape, he continued to swim between the gaps of the golden rain by body method.

At the moment, a huge shadow crystal is placed in a luxurious big room, and the picture in the secret place is displayed on the Shadow crystal.

Before chuanyingjing, there was a man and a woman standing. It was shuiqianqian and Zhonglang!

Looking at shuijinghua breaking through the secret place, shuiqianqian can't help humming. Her eyes are full of jealousy. Even she has to admit that shuijinghua's martial arts talent is far above her!

But soon, shuiqianqian sneered: "no matter how good the talent of cultivating martial arts is? Hehe, are you going to die in my hands? "

Zhong Lang is also cruel. At the beginning, what he liked was shuijinghua. At that time, his strength was far beyond shuijinghua. However, after he confessed to shuijinghua, shuijinghua refused him mercilessly!

Since then, Zhong Lang has always harbored a grudge!

He secretly sneered: "water mirror China, this is the end of disrespect!"

.....

With the strength of shuijinghua, she can be described as cutting through the thorns and cutting through the thorns in this trial. Her mouth is also full of a smile. If she continues to shine like this, she will be able to win the position of home owner through the trial! At this moment, shuijinghua's eyes suddenly flashed and looked at a pond in the secret place. In the pond, the blue light flashed, and there was a blue water ball swimming in it!

Looking at the blue water ball, shuijinghua was stunned at first, and then he was ecstatic. His beautiful eyes exclaimed: "Tianqing Lingshui!"

Seeing this scene, Shui Qianqian and Zhong Lang look at each other with a mysterious smile.

The attraction of Tianqing Lingshui to the people of the water family is really enormous. In shuijinghua's view, Tianqing Lingshui should be left by the ancestors, but it hasn't been formed before, and now it's just happened to be bumped into by itself!

If she had absorbed this heavenly green spirit water, could her realm be directly broken through?

She hardly hesitated. As soon as her figure flashed, she came to the pond and sat down. She stretched out her hand to qinglingshui that day. The next moment, the Lingshui slowly flew towards the water mirror and gradually integrated into her body!

Looking at Tianqing Lingshui slowly disappear in the body of shuijinghua, the smile of shuiqianqian and Zhonglang becomes more and more cruel!

Feeling the pure energy brought by the refining of Tianqing spirit water in the body, the joy on the water mirror becomes more and more intense, but suddenly, her delicate body vibrates violently!

Water mirror China's face instantly solidified, and then, a strong color of panic surged up in the beautiful eyes!

At the moment, a very terrible toxin is spreading in her body with the pure energy of Tianqing Lingshui, destroying her body madly!

"Poof!"

Water mirror China suddenly vomited a big mouthful of blood, pretty face instantly pale up, she extremely anxious way: "how can this be?"

Shuijinghua's mind turns wildly, her eyes flash, thinking of the sudden change of shuiqianqian's attitude!

"Shuiqianqian, it's you!"

Chapter 5270

She was biting her teeth, and in her beautiful eyes was the ultimate anger and hatred!

Originally, the last trace of family affection has disappeared!

Shuijinghua took a deep breath. Her hands trembled and she took out a pill with white light. There were five patterns of pills on it. The rich fragrance filled the whole secret place instantly!

This pill is an antidote she got by chance!

Her eyes flashed. The next moment, she put the pill into her mouth!

At the same time, the full operation of the spirit, refining the pill in the power!

The surging power of the medicine filled the four limbs of shuijinghua in an instant, its complexion slightly eased a point, and the disordered breath gradually stabilized a point. Under the effect of this antidote, the toxin of blood corroding flower was temporarily suppressed!

Seeing this, shuiqianqian's face sank and said anxiously, "Mr. Zhong, the poison that erodes blood will not be solved by her?"

When Zhong Lang saw shuijinghua take out the top grade pills with five patterns, he was also surprised. However, he soon calmed down and said: "although this pill is of high quality and has amazing efficacy, it can only temporarily suppress the toxin that corrodes blood flower."

He raised a fierce smile at the corner of his mouth and said: "don't worry, I like to do things without leaving a way back. This blood corroding flower with Tianqing Lingshui has even surpassed the top strange poison ranking first in the list of exotic poisons!

I can affirm that there is no way to untie this poison outside the whole territory. There is no doubt that shuijinghua will die. She is just fighting in the corner! "

Sure enough, as soon as Zhong Lang's voice fell, a touch of pain appeared on shuijinghua's pretty face. The poison that had been suppressed began to fight back. The medicine and poison attacked each other in her body. The corner of her mouth spilled blood again, and the injury gradually aggravated!

At the moment, Shuiqian couldn't help laughing and said: "let her die, it's cheap for her. Just before she died, let the dead girl struggle hard and suffer more."

She turned her wrist and suddenly took out a crystal stone with a strange rune.

Zhong Lang looked at the crystal stone, his eyes flashed, and said, "sound transmitting stone?"

This kind of sound transmission stone is a pair, as long as one of them is placed in advance, even in different spaces, it can also transmit sound to each other!

Shuiqianqian poured the spirit power into the stone and said with a smile: "good sister, why don't you continue the trial? Is something wrong? My sister is very worried about you. The end is just around the corner. I'm going to pass the test. How can you stop? "

Schadenfreude!

Water Qian Qian unexpectedly is at this time also want to gloat!

At the moment, shuijinghua is suffering from unimaginable pain, grievance, unwilling and so on, and the culprit is shuiqianqian!

At this time, just hearing the voice of shuiqianqian is enough to make people want to kill, not to mention her sarcasm?

That kind of feeling, how unbearable, you can imagine!

Shuijinghua's state of mind is in disorder, and a mouthful of blood gushes out!

Water Qian Qian see this, again issued a laugh!

At the same time, on the sea near Shuiming Island, a golden ship is breaking the waves at a very fast speed!

Ye Chen slightly frowns, in the heart faint have a bad premonition, the strength on his hand subconsciously increase a point, the speed of that ship increases again!

.....

Looking at shuijinghua, shuiqianqian vomites blood in anger, but she has no choice. Her pretty face turns red, and her eyes are full of excitement. It seems that she has reached a climax and is satisfied to the extreme!

She continued: "sister, you know that you can't get the green water and blood erosion by your sister. Do you know who helped your sister?"

She raised a sneer and said: "ha ha, it's Zhong Lang, Mr. Zhong, who was rejected by you at the beginning. Now, he's my sister's man, you must regret it?"

No matter how talented and beautiful you are, what's the use? Women, after all, have to rely on men. Sister, you are such a pure goddess that you don't even like Mr. Zhong. Surely, your man must be better than Mr. Zhong?

Now, where is he? Why don't you come to your rescue? "

Shuijinghua clenches her fist. She is extremely unwilling and aggrieved. Why should she fall into such a situation?

What on earth did she do wrong?

After she was forced to escape from the sea of burial, for so many years, she came by herself. Only she knew how much she had suffered, but her efforts were not rewarded!

Shuijinghua suddenly feels tired. Maybe it's a good thing to have a man she can rely on

Inexplicably, an indifferent man's face appeared in her mind

At this time of life and death, a strong idea suddenly appeared in her heart. She wanted to see ye Chen again before she died?

Water mirror China secretly wry smile, she naturally knows this is impossible, how can ye Chen appear in the water bright island?.....

At the moment, many people at the wharf of Shuiming Island were shocked to see the scene in front of them. A golden light came from the sea towards the wharf at the speed of lightning!

They have never seen such a fast boat!

In the blink of an eye, the ship had already arrived at the wharf. With a loud bang, it suddenly stopped moving forward. Under the action of inertia, it stirred up a huge wave and hit the wharf!

The next moment, a indifferent man, with a flash of his body, appeared on the dock. His eyes flashed. He suddenly came to a young man, threw a grain of sand and asked, "where is the water house?"

When the young man took over the sand, he was stunned at first. Then he looked ecstatic. He pointed in a certain direction and said, "go that way, the biggest mansion is!"

As soon as ye Chen's mind swept away, his steps suddenly stepped on and there was a loud bang. The whole Shuiming island seemed to shake. In the blink of an eye, ye Chen's figure disappeared from the original place

All the people on the dock were stunned

They couldn't help swallowing a mouthful of saliva and said to themselves in disbelief: "the man just now Is it true that heaven and earth exist... "

Before the water mansion, the two servants of the doorman were suddenly stunned and blinked. At the moment, a man with a indifferent look appeared in front of them. But the key is that they didn't find out how the man appeared?

Ye Chen took a look at the plaque of Shuifu, and his mind gushed out in an instant. Soon, his brow was wrinkled. In Shuifu, there was no smell of water mirror?

Immediately, he walked towards Shuifu.
