

## Physician 5301

### Chapter 5301

Three days later, in a mansion in the mountains.

In a wing room, a young woman is smashing some medicine on yechen's scarred body.

She looks at Ye Chen, the color of worry is twinkling in her eyes. These days, she has bought a lot of healing medicine, but ye Chen has never opened her eyes.

At this time, outside the wing room, there was a cold hum of discontent: "birds of a feather flock together, and people flock together. What waste has been picked up is also waste!

Ling Ziyan, what's the status of my Ling family now, don't you know?

It's not enough to support you as a waste. You have to bring back a half dead disabled person. Do you want to bring my Ling family down completely? "

Soon, a young man with a mean face and narrow eyes appeared in the wing room!

The girl named Ling Ziyan trembled when she heard the words. There was a touch of anger and pain in her big eyes. However, she just bowed her head to the young man and said: "brother..."

Ling Ziyan is 12 years old after her birthday. Generally speaking, children of this age, even if they start late, have already started martial arts!

But what about Ling Ziyan?

Up to now, there is still no cultivation!

Ling Ziyang doesn't seem to have anything special except that her physical body is more powerful than ordinary children

Besides, they can't practice.

In the martial arts world, it's worse to be unable to practice than to be born with no hands or feet!

Therefore, Ling Ziyang was also thoroughly branded as a waste.

If she had not been the blood of the master of the Ling family, she would have been expelled from the Ling family.

Ling Ziyang's father dotes on her. He doesn't neglect her because she can't practice. On the contrary, he protects her more for this reason!

So, when her father was still in the Ling family, people were polite to Ling Ziyang on the surface.

However, since Ling Ziyang's father once went out to sea without any news, Ling Ziyang's fate has completely changed

Originally, it should be Miss Ling, but she lived like a servant.

The young man who appeared in front of Ling Ziyang was called Ling Qingshu. His age was as old as 1000 years old, and his cultivation had entered the early stage of returning to reality.

In this inland sea, it's not outstanding, but it's absolutely not bad.

Ling Qingshu is the actual leader of the Ling family after the disappearance of the owner of the Ling family. All matters are decided by Ling Qingshu.

Meanwhile, Ling Qingshu is also Ling Ziyan's half brother.

But, at the moment, Ling Qingshu overlooks this young sister, but his eyes are cold!

There is no family relationship at all!

From the moment Ling Ziyan was born, Ling Qingshu hated her!

She is regarded as a hybrid born by her father and a humble maid, and Ling Ziyan's mother left Ling's home after giving birth to her.

In other words, now, in the Ling family, Ling Ziyan has no one to rely on.

Ling Qingshu glances at Ye Chen, and the look of disdain in his eyes almost turns into substance. He says in a cold voice: "this boy can't feel any aura on him. He looks like a waste that can't practice just like you. Ha ha, it seems that waste will really attract each other

This kind of waste, even if you really save it, what's the use?

Now, I order you to throw this boy out of the Ling family! "

Ling Ziyan's big eyes trembled when she heard the speech. After a moment's silence, she said in a low voice: "brother Please let him stay at Ling's home. If he wakes up, he can collect jinluobei's with me, which can be regarded as bringing some help to Ling's home... "

Hearing this, Ling Qingshu said sarcastically: "collect jinluobei? Ling Ziyan, do you really think that the little jinluobei you collected is helpful to the Ling family? Hehe, you are just a waste that can't be cultivated. Even if it's the simplest thing, do you think you can do better than the martial arts?

Any servant of our Ling family can collect jinluobei thousands of times faster than you. Do you want to help our Ling family?

Don't be ashamed

Ling Ziyang's pretty face suddenly pale up, unable to practice is her eternal pain, but, Ling Qingshu every time is mercilessly tore open her scar!

Ling Qingshu looks at Ling Ziyang's look, and there is a light of excitement in his eyes. Every time he torments his sister, he can get a kind of satisfaction in his heart!

Ling Qingshu suddenly said with a playful smile: "Ling Ziyang, do you defend this boy so much because he is also a waste?"

Is it time to waste?"

Or do you like this guy?"

Hearing this, Ling Ziyang shook her head and said, "brother, how can I..."

Ling Qingshu immediately interrupted her and said with a contemptuous smile: "how can it be? I think it's a lot like what you're going to do, right? Who's going to marry you? Only trash is willing to marry trash, right?"

Hehe, you are a perfect match for this half dead guy. No wonder you are so excited that you can't bear to throw him out! Ling Ziyang, in your heart, it's as rough as your mother. "

At this moment, Ling Ziyang finally can't bear to go on, Ling Qingshu how to insult her can, but she doesn't allow Ling Qingshu insult her mother!

Ling Ziyang's face turned red and she looked at Ling Qingshu angrily and said, "brother!"

However, without waiting for her to finish, there was a hum behind her.

Ling Ziyang and Ling Qingshu are all in a daze, and then look at Ye Chen on the bed.

There was a flash of surprise in their eyes.

See only, all the time have no any reaction of leaf Chen, but is tiny to wrinkle eyebrow at the moment.

The next moment, his eyes slowly opened.

Ye Chen's brain is still a little dull, however, a touch of joy appears on his face!

He knew he was alive!

Over the past few days, he has been hovering on the edge of death. To survive is just luck!

However, very soon, ye Chen's vision is a sink, although, he successfully escaped the gate of death, but obviously also paid no small price!

Now, the meridians and Dantian in his body are completely broken!

Only a little aura remains in the blood

This is why in the eyes of Ling Qingshu, he is a useless person without cultivation.

The most important thing is that these injuries, with his vitality, seem to be unable to recover for the time being

At this time, a young girl's voice sounded in his ear and said, "this Young master, are you feeling better?"

Ye Chen turns his head to see, what appears in front of him is a very delicate little face.

Ling Ziyan's small face is full of joy, obviously to Ye Chen can wake up, very happy!

Ye Chen looks at Ling Ziyan, the vision is also slightly soft down.

Chapter 5302

Even if he is in a coma, he still has a faint sense of everything around him. He knows that Ling Ziyan saved herself from the sea.

Ye Chen will keep in mind what this kind girl has done.

Ye Chen looked at Ling Ziyan and said with a smile, "thank you for saving me. My name is Ye Chen, little girl. What's your name?"

"Ling Ziyan." Ling Ziyan smile, this moment as if to forget the trouble.

I don't know why, she has an inexplicable closeness to Ye Chen. Maybe it's because ye Chen, like her, can't cultivate.

Ling Qingshu hummed coldly at the moment: "boy, it's my Ling family that saved your life. From now on, your life will be my Ling family's things. You'd better prove that you are of some use. Otherwise, I don't mind and take back what belongs to you."

After that, he turned around and walked towards the door.

Ye Chen coldly glances at Ling Qingshu's back. If he can't feel it, Ling Ziyan doesn't mind crushing the innocent guy for the so-called brother and the Ling family.

Although he can't use his spiritual power, many means can't be used, and his physical body has suffered a lot of damage, he also has the strength comparable to that of a strong man in the middle of the real world by virtue of the terrible physical power and the fire of the Tao and spirit!

At this time, Ling Ziyang apologized and said: "Mr. Ye, brother, he looks very cold, but in fact, he is not a bad person. When you are well, I will take you to the shore to look for golden seashells. As long as we work hard, the Ling family will give you a shelter!"

Ye Chen's vision twinkled for a while, the corner of the mouth raised a smile of some helplessness.

This girl is too kind, but in this world, too kind is not necessarily a good thing.

Immediately, Ye Chen then says: "Ziyang, call me elder brother Ye. Do you think I look like a child?"

Lingziyang smell speech, poof Yi a smile out, leaf Chen now all over ragged, really don't look like what have identity person.

She laughed for a while, then nodded: "brother ye, you have a good rest, tomorrow morning, I'll see you again."

"Good."

Said, Ling Ziyang then left the wing room.

At this time, Ye Chen's mind rang out a cold female voice: "boy, this time, you are too dangerous..."

Shuo Lao also said: "even I thought you couldn't survive several times."

Ye Chen says with a smile: "sorry, let two worry."

He asked: "Shuo Lao, Xuan Xian Zi, you should also know that there are some problems in my body. How can I recover?"

Xuanhanyuleng snorted: "Ye Chen, your blood is very rebellious, but after all, you can't really wake up because you haven't collected the xuanbei of reincarnation. Now you're not really immortal. If you're seriously injured to a certain extent, it's hard to recover. If you rely on your body to recover, I'm afraid it will take at least some time to recover..."

"Some time..." Ye Chen laughs bitterly. It seems that he will stay in the Ling family for the time being. Crouching tiger, hidden dragon in the inland sea. If he doesn't return to the peak state, it's not a wise choice to wander around in the inland sea to find Gu Xuan and Zhu Yuan.

He lay on the bed, running blood secretly, nourishing the damaged body with the vitality in the blood, so as to speed up the recovery of the body.

At the same time, Hongmeng big star sky is running, and a faint star light is fused in the blood.

To Ye Chen's surprise, the taixuan Taoist began to release a special aura to moisten his body.

In this way, the recovery speed is faster than expected.

.....

The next morning.

Outside the wing room, there was a knock.

Ye Chen says with a smile: "come in."

When the door opened, a girl came in with a food plate. Besides some simple food, there was a bowl of black soup with faint aura on the plate.

Ling Ziyang said with a smile: "brother ye, after dinner, there is also this bowl of soup. Although it's very bitter, you have to finish it. It's good for your injury."

Ye Chen looked at the bowl of soup, nodded and said: "I will finish it."

This decoction is the lowest effective medicine, which has no effect on Ye Chen's injury.

But, ye Chen knows, with Ling Ziyang's status in Ling's family, it's estimated that it will cost a lot of savings just to get this kind of elixir?

Naturally, he couldn't bear to disappoint the little girl's kindness.

When ye Chen had dinner, Ling Ziyang sat by the bed, swinging a pair of long legs, curiously looking at Ye Chen, said: "brother ye, why do you come from the sea?"

It's very dangerous in the inland sea. People like Ye Chen and her who can't cultivate themselves, let alone drifting on the sea, can kill them

But ye Chen survived!

Ye Chen's eyes narrowed slightly and said, "when I was fighting with my enemy, I was seriously injured and fell into the sea." Ling Ziyang's speech, small face appeared the look of doubt.

In her opinion, ye Chen is just like herself. How to fight with others?

At this time, ye Chen stares at Ling Ziyang and says: "Ziyang, if you want to..."

But before he finished, there was a loud shout outside the door: "Ling Ziyang, what are you still doing here? If we don't collect jinluobei now, can we wait until jinluobei is collected by others?"

Outside the door came a pockmarked young man in grey, who looked like a servant of the Ling family.

Ling Ziyang heard speech, smile to Ye Chen said: "elder brother ye, I want to collect gold Luo Bei, wait for me to come back, continue to chat again."

Ye Chen slightly frowned, but still nodded: "go."

He looked at Ling Ziyang's back and said to her in secret, "Xuanxian, Shuo Lao, I don't think I'm wrong about Ziyang's constitution, do I?"

Just now ye Chen is going to tell Ling Ziyang that if she wants to, she can let her have the opportunity to practice!

Xuanhanyu said: "yes, this girl has the legendary Tianding spirit body. Tianding spirit body is one of the rare top spirit bodies in ancient times. The cultivation speed of Tianding spirit body is far faster than that of ordinary martial arts, and the spirit power is also more pure. This girl's martial arts quality is very good. She can be called a peerless genius in this foreign continent!

And I vaguely feel that her spirit has something to do with your previous life.

It's just

Ye Chen's eyes flashed slightly and said: "but the reason why Tianding spirit body is called Tianding spirit body is that all the warriors who have this spirit body are excellent cauldrons!

That's why Ziyang's father wants to seal her Dantian and let her be an ordinary person. "

The little Ling family can't protect a girl with Tianding spirit body.

But now it's different.

Now, Ling Ziyang's side has him in, so, he won't let Ling Ziyang suffer any harm!

## Chapter 5303

.....

In the town of Jinluo Island, a girl with delicate face, like a doll, walks towards the drugstore with a fresh smile on her face.

Ling Ziyan looks at the bamboo basket at her waist, which is full of golden robes.

Today's harvest is pretty good. In addition to the part that needs to be handed over to the Ling family, the remaining jinluobei can also be used to buy some medicinal materials for brother Ye.

At this moment, two men in black came out of the drugstore.

The two men, one looks more than 20 years old, looks pretty, medium build, looks pale.

The other was a middle-aged man with an ordinary face and a sword scar from the corner of his eyes to his forehead.

He followed the young man with a respectful manner and should be his servant.

The young man came out of the drugstore with a slightly gloomy look, and apparently did not find what he was satisfied with.

All of a sudden, his eyes flashed and he looked at Ling Ziyan, who was walking towards the drugstore. At first, there was a color of doubt in his eyes. Then, the doubt gradually turned into ecstasy, and finally there was only greed!

Looking at the change of the young man's look, the middle-aged man couldn't help asking: "little Lord, what's the matter with you?"

The young man showed a fiery smile and said, "Uncle Yi, there's no need to find the medicine for my injury."

"Don't look for it?"

Uncle Kai was a little surprised and said, "why is this?"

The young man's eyes narrowed slightly, looked at Ling Ziyuan, licked her lips and said: "because, I have found it. Ha ha, with this top-grade cauldron, I can not only heal my injury, but also break through my accomplishments!"

Uncle Yi smelled the words and looked unbelievable. He followed the young man's eyes and fell on Ling Ziyuan. He was surprised and said: "young master, this little girl is..."

"Not bad!"

The young man said with a sneer: "I think that if I don't practice martial arts, I can't see it? Ha ha, others may not see that I chunyangtian, as the son of the Taoist master, can't hide this trick from my eyes! "

Uncle Kai nodded without any doubt.

Although his strength is higher than that of the young men, it is out of the reach of Caibu!

Chunyangtian is a well deserved evil in Caibu!

It is also because of his outstanding talent in Caibu. He has taken too many women to Caibu, which leads to some hidden dangers. There are hidden diseases in his body. This trip is to see if he can find a cure for this hidden disease on various islands!

Uncle Kai said in a low voice: "little Lord, do you want me to arrest this woman now and take her back to us for a long time?"

Chunyang's eyes twinkled slightly and shook his head. A killing machine appeared on his face and said: "someone sealed this woman's elixir field. It seems that she has the spirit of Tianding. She must be a member of her family!"

This kind of top-quality cauldron may not be able to survive with the power of my great joy. Therefore, I don't want any information to leak. Uncle Kai, what do you want to do? "

Hearing the speech, uncle Yi showed a simple and honest smile and said, "young master, it's easy to do. Let's follow this girl to her home first, and then..."

In his eyes, he said sternly: "let them shut up. Well, dead people can't speak."

Chunyang day cold smile, at this time, Ling Ziyan finished buying medicine, she walked out of the medicine shop, then walked briskly toward the mountain, but I don't know, followed by two light shadows!

Bring the shadow of death!

.....

Now, outside the gate of Ling's house.

A group of servants are standing in front of a young man, blocking the door of the Ling family. They look at the young man in front of them, and their eyes are full of smiles.

At this time, Ling Qingshu threw a package in front of Ye Chen and said faintly: "sure enough, I still don't think you can bring any help to my Ling family. Take this package and go away."

Ye Chen swept the ground of that include, the corner of the mouth looks calm.

See ye Chen didn't respond, Ling Qingshu is a face sink, low shout a way: "boy, don't give face don't want to face, I let you live to leave, already is your lucky, how, you still want to rely on don't go?"

The servants also scolded: "do you want to come to Ling's house for free food? Ling family, no waste! "

"Ha ha, I can't see Shangling Ziyan, can't I give up?"

"You're not going? I don't mind. After breaking your leg, I sent you away

At this time, a exclamation came from afar: "what are you doing?"

Ling Ziyan trots all the way to Ye Chen. Looking at the battle in front of her, her pretty face turns white and says, "you Are you going to drive brother ye away? "

At the thought of Ye Chen's leaving, Ling Ziyan's nose is a little sour. After all, she is only a 12-year-old child. Ye Chen is the only one who can talk and get along with her normally for so many years, and will not look down on her. Although they have not known each other for a long time, Ling Ziyan's immature heart has become dependent on Ye Chen. She looked at Ling Qing's book and said, "brother, didn't you ask brother ye to help our Ling family? I promise elder brother ye will collect a lot of jinluobei for the Ling family. Can you not drive him away? "

When Ling Qingshu heard the words, a twisted sense of killing sprang up in his eyes. He almost roared and said, "brother ye? You call him brother ye? Hehe, Ling Ziyan, you call me brother, and you call me brother Ye. Do you regard my Ling Qingshu as the same level of waste? "

Ling Ziyan's address to Ye Chen makes him unhappy!

A bastard should suffer, be lonely, and be accompanied? You deserve to laugh?

Ling Ziyan was stunned when she heard the words. She looked at Ling Qingshu and said, "brother, what are you talking about? Is that why you want to drive brother ye away? "

Ling Qingshu took a cold look at Ye Chen and said in a deep voice: "Ling Ziyan, now you have two choices. Either, let the waste roll, and you will come back to Ling's house, or, roll with the waste!"

Ling Ziyan smell speech, delicate body tremble, stand in place, her eyes red, don't understand why Ling Qingshu must treat yourself like this?

Is it true that he can only be satisfied with his own suffering?

At this time, a pondering voice suddenly rang out: "maybe, it doesn't need so much trouble."

In addition to Ye Chen's all, smell speech is a Leng, they didn't see nearby someone?

Where does the sound come from?

Ling Qingshu frowned and yelled: "where mouse generation, dare to peep at my Ling family, get out of here for me!"

"Rat generation?"

The voice seemed more playful and happy.

At the next moment, in front of the crowd, the two figures appeared out of thin air.

Chapter 5304

Among them, the pale young man looked at Ling Qingshu and said with a smile, "you just said that I was a rat?"

Looking at the sudden appearance of chunyangtian and kaishu, they were stunned at first, and then all of them had a look of great fear on their faces, and the cold sweat swarmed out of their pores in an instant!

Even Ling Qingshu felt his legs softened, his eyes trembled and said: "two Two of you are Is it true that the middle stage of the realm exists? "

Ye Chen looks at chunyangtian, but his face doesn't change at all. These two young people, five hundred years old, still live in the five level heaven. However, most of their strength and accomplishments come from the cultivation, and their foundation is not stable. In the existence of the five level heaven, they can only be regarded as the weak.

And another middle-aged man, it is true that the existence of six days, and, the breath is stable.

For ye Chen, these two people are nothing, but for the Ling family, they are totally different!

In the eyes of the Ling family, Chun Yangtian and his wife are gods, and they can't be provoked at all!

Ling Qingshu's bones began to tremble at the moment. He saluted chunyangtian respectfully and said, "I'm sorry, young master, I'm blind now. Please don't remember the villains..."

That Chunyang day hears speech, casually put to wave a hand way: "this young master, how can because of this kind of small matter, and you care?"

Ling Qingshu and all the servants of the Ling family are very happy. It seems that they are lucky. The young master has a good temper!

Ling Qingshu respectfully asked: "you two, please enter the mansion and have a cup of coarse tea. Let me apologize."

Chunyangtian said casually, "tea is not necessary. We're here mainly to do business. If you want to apologize, just cooperate with us and do it well."

Ling Qingshu hears speech, some curiously ask a way: "two people come to this mountain what matter?"

He couldn't figure out what attracted such strong people to this mountain forest?

Chunyangtian looked at lingqingshu, the irony in his eyes became more and more strong, and said: "what you just made a lot of noise is for the sake of the little girl's going and staying?"

Ling Qingshu said awkwardly: "let me laugh."

Chunyangtian said with a smile, "I said just now, you don't have to be so troublesome. This little girl, I want you."

Everyone in the Ling family was shocked when they heard the speech!

What does such a strong man want to do with this waste?

Ling Qingshu felt a twitch in the corner of his mouth when he heard the speech, but he was embarrassed and said: "this Well, young master Can we talk it over? "

"Oh?"

Chun Yangtian looked at Ling Qingshu unexpectedly and said, "are you unwilling? Do you want to disobey me

Ling Qingshu said in a hurry: "no, absolutely not. It's just..."

But without waiting for Ling Qingshu to finish, Chun Yangtian continued to say, "however, it doesn't have much to do with me, because I have a second thing to do when I come here."

Ling Qingshu had a bad feeling in his heart. He stepped back and asked, "what's the matter?"

Chunyangtian showed his white teeth to him and said with a brilliant smile, "kill, I will kill all the people of Ling family, no one will stay!"

As soon as I said this, I fell into a dead silence here!

All the people were shocked to look at chunyangtian. They were so scared!

They don't understand how they provoked the most powerful man!

Ling Qingshu said with a forced smile: "young master, are you joking?"

Chunyangtian kept smiling and said, "I never joke."

Ling Qingshu was about to cry when he heard that he was about to cry. Suddenly, his knees softened and he knelt down in front of Chun Yangtian with a plop. He begged: "young master, I Before I accidentally offended you, I never meant to. Please give me a chance! Ling Ziyang, that That waste, if you want to take it away, my Ling family will never stop you! "

Ling Ziyang, with a pretty face, said: "brother You really want to give me to him... "

She always thought that although Ling Qingshu spoke ill of her on the surface, she still had family affection in her heart

But now, Ling Qingshu is to live, directly sold her!

Ling Qingshu smell speech, look ferocious to see to Ling Ziyang way: "you shut up! It's your fortune to follow this young master!

Besides, my Ling family has raised you for so many years. Don't you need to repay me? Are you a white eyed wolf? Don't plead with the young master for the Ling family! "

Ling Ziyang lowers her head and is in complete despair. She has a self-mocking smile on her lips. It turns out that the so-called family love is just her fantasy.

From the beginning to the end, no one in the Ling family regarded her as a real relative except her father.

Chunyangtian heard the speech, laughed and said: "well said!"

Ling Qingshu gets Chunyangtian's exaggeration and can't help looking happy. But at the next moment, Chunyangtian was helpless and said, "no matter how well you say it, you still have to die..."

As soon as the voice fell, a terrible pressure that only existed in the middle of the real world was roaring out of Chunyangtian's celestial body. All the Lings in the room were crazy. There was a feeling that the pressure alone was enough to crush themselves!

In the face of this is really strong, they have completely lost the will to resist!

Ling Ziyang's eyes are dim and her face is in despair. Everything seems to be doomed.

But at this time, an indifferent man's voice rang out: "if you are willing to kowtow and apologize to Ziyang, I can save your life."

When they heard the speech, they were all stunned, and then they looked in the direction of the sound.

At this moment, even Chunyangtian was a little dull.

It's Ye Chen who speaks, not others!

The servants of the Ling family all looked at Ye Chen angrily and said, "boy, do you think we didn't die fast enough?"

"Do you mean to deliberately provoke the supremacy and take revenge on us?"

"Save our lives? What do you count? Is it enough for you to die a hundred thousand times? "

These servants of Ling family are going to be mad by Ye Chen!

A cripple who can't cultivate, still save them?

With him?

Don't say it's really strong. Any one of the servants can step on Ye Chen, right?

What's the qualification of a bottom trash?

In the eyes of the servants, ye Chen is deliberately stimulating the strong, pulling hatred, let the strong torture all of them!

Don't even die to make them happy?

They hate Ye Chen now!

Ye Chen shakes his head. Some people are used to it. They can't change it. They just beg for mercy. If they want to save them, they don't appreciate it, they don't support it, and they lick their enemies' feet just to die easily?

Chapter 5305

Such people, to be honest, deserve to die.

But, they died, Ling family is gone, Ling Ziyan presumably do not want to see his father's foundation destroyed.

At this time, chunyangtian looked at yechen and couldn't help laughing!

He is very curious about how ye Chen has the courage to say this

Funny to the extreme

However, after laughing, chunyangtian's eyes were only cold!

He wants to kill people. How dare a waste person who has no accomplishments say that he wants to save people in front of him?

Look down on him?

Well, go to hell.

Chunyangtian didn't even say anything. He just clapped his hand at yechen!

The surging aura swept out and turned into a huge palm seal in the sky. The martial spirit ran through it. The palm seal seemed to contain the great power to suppress the whole earth, and it was pressed down on Ye Chen!

Ling family all see this scene, a cold smile, this is Ye Chen should end.

Ling Ziyan exclaimed: "brother Ye!"

Her pretty face is full of worry, but in the fluctuation of the palmprint, Ling Ziyan can't even connect with Jin yechen!

After taking this palm, chunyangtian also turns his attention to the Ling family. In his opinion, ye Chen is dead.

In the face of this terrible palmprint, ye Chen is always indifferent, even if the palmprint has reached the top of the head, just lazily hit a punch!

The next moment, a loud bang!

The whole mountain is shaking up, and Ling Ziyan falls to the ground in this shaking. Tears flow from her big black and white eyes. It seems that there is nothing left for her in this world

Under this palm, the mountains where Ling's family is located are covered with numerous cracks, and the earth and rock disintegrate. The power can be imagined. In her opinion, ye Chen can survive under this palm unless there is a miracle

But, when everyone thought Ye Chen was dead, the indifferent man's voice rang out again: "well, now you can kneel for Ziyan? My patience is limited. "

The tone of the voice is gentle, but it is like thunder in the ears of all people!

What's going on?

Ye Chen is not dead!?

Chunyangtian's pupil shrinks and stares at the place covered by dust!

See, a youth intact out of the dust, came to lingziyan in front, slowly lingziyan from the ground to help up, smile: "Ziyan, you still remember, before you and I did not finish the words?"

Ling Ziyan was a little stunned, but she didn't know what happened. She said: "brother ye, you Are you ok? What I said before... "

Now, this little girl's brain, only left a chaos, did not faint, has been good.

Ye Chen's eyes soft way: "Ziyan, if you want, I can take you to the top of martial arts, promise you a glorious life, you are willing to enter my Ye Chen door?"

Ling Ziyan said vaguely: "I do."

The whole world seems to be quiet down, no one thought, ye Chen was at this time to accept Ling Ziyan as an apprentice!

Chunyangtian's face was distorted, and he didn't kill the waste who didn't even have aura. This humiliation made him unbearable!

The next moment, he roared: "take in the apprentice? I'll send you to Yama to take in the apprentices! "

With a roar, the spiritual power in his body instantly reached the extreme. A pleasant, cheerful and fascinating sound of Qin and Se reverberated in the mountains!

Chunyangtian has an extra Guqin in his hand. His eyes are shining. His fingers move on the Guqin one after another, and he says in a low voice, "the music of heaven is destroyed

At the moment, a kind of crazy look appeared on everyone's face, and they danced as if they were in the state of bliss, but there was a murder hidden in the melody!

Rolling sound wave, not only will the other party's internal organs, bones and so on, all broken, and even, even the spirit will disappear in that rhyme!

Even uncle Kai's face was startled. He knew the power of this blissful fantasy killing. This was one of the unique skills of town teaching of Jihuan Taoism!

It seems that the young master is really angry, even this stunt has been displayed.

But, at the moment, he looks toward Ye Chen, but can't help but the pupil shrinks!

Ye Chen, who was enveloped by the sound wave, not only had his eyes very clear, as if he had not been affected at all, but also had a smile of disdain at the corner of his mouth.

How could that be?

Can a common man who has no spiritual power bear the blissful fantasy?

It's like an ant is crushed by 100000 tons of force, but nothing happens

And many years of combat experience, let him have a very bad premonition!

At this time, ye Chen light mouth way: "like, play magic, spirit?"? In front of me, you are not qualified enough, give me a breakAll of a sudden, a strong surging to the incredible power of the spirit broke out in an instant, tearing all the illusions to pieces, and the Ling family all woke up in an instant!

And Chunyang day is a very sad scream, seven orifices bleeding, even back a few steps, the breath is dispirited!

Uncle Yi held Chunyang in a hurry and said, "young master, are you ok?"

Chunyangtian's eyes are bloodshot and angry. He stares at Ye Chen in disbelief. He wants to break his head and can't understand why a garbage without spiritual power and cultivation has such terrible strength?

Do you crush yourself as a little master of Jihuan Taoism?

Ye Chen's that isn't qualified a few words, continuously reverberate in his ear, simply want to drive him completely crazy, the way heart all want to collapse!

Chunyangtian's face was twisted, but suddenly it calmed down. His eyes brightened and he sneered at ye Chen: "I admit that I'm wrong. You are really a strong man, but you think you will be invincible if you defeat me? Even if you win?"

You bastards are going to die after all

He suddenly turned his head, looked at Uncle Yi and said, "Uncle Yi, take your hand and kill them!"

No matter how strong the boy is, can he defeat uncle Kai?

Hearing the words, he nodded and said, "yes!"

His breath suddenly became overcast, and his eyes seemed to contain bloodbath!

The next moment, like a bomb detonated in general, storm like pressure instantly covered the mountain.

Not to mention the lings, the monsters in the mountains, all have a feeling that their lives are completely in the control of some existence!

It's as if you can take the lives of all the creatures in the mountain with a single thought!

That's the truth!

Ye Chen is the face does not change color, pull Ling Ziyan to his behind, way: "stand behind me, don't be afraid."

Chapter 5306

Ling Ziyang nods and nestles behind Ye Chen. It's the first time that she has someone to rely on since her father disappeared

Uncle Kai's eyes narrowed and his hands flashed. He put out a pair of fists, and a surge of power came out of his body!

This uncle Kai is actually a sports practitioner!

He suddenly stepped on the ground, and the whole Jinluo island seemed to vibrate. His body disappeared from the original place and appeared in front of Ye Chen. His eyes were full of fierce light. Without any nonsense, he punched Ye Chen's head directly!

Ye Chen's eyes flashed, and a little bit of admiration appeared in his eyes. This man's fighting style is not sloppy, there is no nonsense and so on. It's quite in line with his aesthetics, but it's a pity

Life and death is a very cruel thing!

At the moment, Ye Chen can't use the blood burning formula, the body of the demon and other supernatural powers. His power has dropped a lot, but even so, his physical power is still at a height that many people can't catch up with!

The next moment, the muscle on Ye Chen's arm, a burst of agitation, just like a dragon around the bone, threatening the power of the sky, towards Uncle Kai hard hit!

Two people's fists, just like two universes, collide in an instant!

Endless stars are in the great force, crushed into powder!

With a loud bang, the sky and the earth vibrated, and the space was torn apart. Uncle Kan's eyes also widened rapidly. He watched his fist reach his arm like a balloon, which turned into a blood mist. Then, there was a bang in his ear, a burst of darkness came, and his consciousness was completely dissipated.

Everyone's spirit, at this moment, seems to evaporate in general!

My brain is boiling!

Brain, overload operation, also can't understand all this!

Ye Chen is actually a fist direct will at will a foot can make Jinluo Island vibration absolute strong body repair to blow into blood fog?

Is this still a disability that they can't understand?

If it's all disabled, what are they?

And chunyangtian, at this moment, is also completely out of his mind, his face is at a loss, he suddenly began to regret

What kind of Tianding spirit body are you aiming at?

Look for the elixir, OK?

Unfortunately, there is no regret medicine in the world.

At the moment, ye Chen's indifferent eyes swept over Ling Qingshu and all the people in Ling's family, and only spewed out a word peacefully.

"Kneel down."

With this simple pronunciation, many servants of the Ling family were scared to pee!

All these people are rude to Ye Chen before!

How do they know that this seemingly useless guy is actually the reincarnation of the magic dragon, which is immeasurably powerful!

Plop, plop, all the servants of Ling family knelt down one after another, kowtowed to Ling Ziyang and said, "Miss Ziyang, we are wrong. Please let us go!"

Ling Qingshu was trembling all over. He was so scared that he was about to foam. He begged repeatedly: "Ziyang, I was confused for a moment. In fact, in my brother's heart, you have always been my sister..."

At this time, Ye Chen's figure flashed and came to Chunyangtian. He looked down at him coldly and said, "It seems that you like Ding stove very much? I've come up with a way to die that suits you. As soon as

's voice dropped, Ye Chen moved a bit of Reiki from the blood, opened the storage bag, and a big tripod appeared in front of Chun Yang Tian.

Seeing this, Chun Yangtian screamed, "I'm the little master of the way. Kill me. My father won't let you go!"

"Oh."

The leaf Chen is full of don't care to should a, then the Chun Yang day directly grasped, threw into that Ding stove.

With a flick of his fingers, a little spark fell on it, and the whole cauldron ignited instantly. A very sad scream came out of the cauldron. With the body of Chunyang heaven, it was instantly turned into ashes by the fire of Taoism.

In this life, the man who has been relying on others for his self-cultivation has finally become a furnace of ashes, which can be regarded as the cycle of cause and effect, and the retribution is not good.

.....

One day later.

Ye Chen's fingers gently pressed on Ling Ziyan's smooth abdomen, his mind gushed out, and the wisps of chaos and the light of the big starry sky turned into tiny tentacles. Ling Ziyan couldn't help whining for the pain and itching.

Although Ye Chen has lost his spiritual power now, he can still easily crack the seal left by Ling Ziyan's father relying on Xiao Hei's chaotic arrogance.

Soon, the prohibition in the elixir field was broken by Ye Chen.

But at the moment, Ling Ziyan's eyes suddenly brighten, the whole world is different in its eyes, become colorful and bright up!

She recalled that she had learned some methods of refining Qi. When she ran a little, the aura of the whole world rushed to her body quickly!

For a moment, Ling Ziyan's eyes were red, and she threw herself into Ye Chen's arms and cried: "master, Ziyan is not a waste, no longer a waste..."

Ye Chen gently stroked Ling Ziyan's small head and said gently: "Ziyan, since you have come under my door, you will not only be a waste, but also become the peak of this extraterritorial continent in the future. I promise you." Ye Chen doesn't speak freely. Ling Ziyan's Tianding spirit body is a kind of talent that goes against heaven. Especially in the speed of cultivation, she really has the potential to become the most powerful.

Moreover, Ye Chen is very clear that what Ling Ziyan needs most now is confidence.

Immediately, Ling Ziyang raised her small face, nodded her head seriously and said: "master, I will work hard!"

At the same time, Ling Ziyang is also curious: "master, your strength is so powerful, why don't you have any aura?"

Ye Chen said with a bitter smile: "I told you before that I would fight with the enemy. This is the price I paid in that war."

Ling Ziyang's beautiful eyes flashed and asked: "master, you have all kinds of means. Even if you are injured, you are really strong. You are like a mole ant in front of you. I don't know how powerful the enemy is, so you are forced into such a situation."

She secretly decided that she must practice hard. If the master's injury is not good, she must protect him in the future!

Ye Chen seemed to see through Ling Ziyang's mind and said with a smile: "this injury is nothing. If it takes time, it will recover, and the two enemies have died in my hands. As for strength

These two men are the elders of the East emperor's temple, and they are the strong men of Taizhen realm! "

Ling Ziyang hears speech, surprised small mouth all cannot close!

Although the martial arts of burying heaven and sea is more powerful than that of burying heaven and sea, it is absolutely a giant to enter the realm of Taizhen!

For Ling Ziyang, who was born on Jinluo Island, a relatively remote and small island, that is the existence that God needs to look up to!

What's more, it's not the general Taizhen realm, and it's still two against one!

Even so, master can win!

This kind of power is fascinating!

Chapter 5307

For a time, Ling Ziyan big eyes have been full of small stars, ye Chen as his idol.

But just then, a cold female voice rang out from outside the lingfu and said, "I'm so ashamed. How can you dare to be a teacher like you? Isn't it a mistake for your children?"

In a flash, a figure appeared in front of Ye Chen and Ling Ziyan.

The visitor is a gorgeous woman. She looks like she is in her twenties. She has a sword eyebrow on her temples and a cinnabar mole on the corner of her eye. Although she is a woman, her hands are full of sourness. She is dressed in a simple white skirt and holds a simple sword in her hand.

Even ye Chen was surprised to see this woman's eyes, not because of her appearance, but because of her age!

This woman is not even 100 years old, but her cultivation is still seven levels of heaven!

Ye Chen secretly way: "this kind of aptitude, in this bury the sky sea, inland sea also can be called the day proud?"

But Ling Ziyan looked at the woman unhappily and said, "who are you? Just enter lingfu at will. Why do you slander my master

Her nature is good, originally won't be so aggressive, but, once the matter involves Ye Chen, Ling Ziyang as if changed a personal general.

That woman hears speech, slightly a frown, frown to see Ye Chen one eye way: "Purple Yan, I am Lin Tian Zong Lou Yu Xiao, the reason why come here, is because..."

Speaking of this, her voice stopped for a moment, her eyes dimmed and said: "your father has fallen. We have encountered a shipwreck, but he is my life-saving benefactor. Before he died, I promised him to take care of the Ling family and you

I'm here to take you to practice in Lintianzong. "

Ling Ziyang's body trembles suddenly when she hears the words. She bites her lips to the death and tries not to let the tears fall down

When her father was still alive, he told her to be strong in life, so she didn't cry.

After a moment of silence, she breathed a sigh, shook her head to Lou Yuxiao and said, "thank you, sister Lou, but I already have a master."

Say, she and left Chen closer a minute.

Lou Yuxiao frowns more tightly when she hears the speech. She is a person with a clear sense of gratitude and resentment. Ling's father saved her life. Then, Ling's family and Ling Ziyang are her responsibility!

Even if this is Ling Ziyang's own decision, Lou Yuxiao can't see her confused by villains!

She gazed at Ye Chen's indifferent eyes and said coldly: "Ziyang, you just asked me why I slandered this person?"

Now, I tell you, I didn't slander him

Lou Yuxiao's eyes gradually sharpened, and said: "first of all, he is indeed injured, leading to the loss of spiritual power, but this injury is not something that can be recovered in time!

The elixir field is damaged and the meridians are cut off. I'm afraid there's no hope of practicing martial arts in my life? "

Ling Ziyang's speech surprised her, but she saw Ye Chen look indifferent and have no reaction.

Lou Yuxiao continued: "then, as he said, the elder of the East emperor's temple, the East emperor's temple is far away from the sea, how can he enter into the sea where I buried my body at will?

Even if it does come, how can a young man in his twenties beat two super true realms?

All this is absurd, isn't it shameful?

How can such a person be a good teacher? "

When Ling Ziyang heard this, she said angrily, "hum, my master is able to recover. The elder of the East emperor's temple wants to deal with him. He can defeat taizhenjing!"

Ye Chen hears speech to smile, eh, return really so, seem unreasonable, don't represent impossibility, have no what good explanation.

Building rain Xiao slightly a Leng, eyes more dignified a point.

It seems that Ling Ziyang has been completely confused by this guy. It's not easy to change her mind

Even if he beat the boy with his own hand, it is estimated that he will use the injury as an excuse.

Suddenly, the building rain Xiao beautiful Mou a bright, to the leaf Chen mouth way: "just now have more disrespectful, haven't asked childe's name?"

Ye Chen light way: "Ye Chen."

Lou Yuxiao said: "young master ye, in the near future, a grand event will be held on Longmen Island, which is called Longmen grand meeting. All the demons under 100 years old in the inland sea will be invited to attend. How about going to the grand meeting with me instead of young master Ye's strength?"

After all, he doesn't like to make trouble for himself. The most important thing now is to recover his strength and then look for Gu Xuan and Zhu Yuan.

However, at this time, Lou Yuxiao said: "there is an ancient relic on Longmen island. This relic is left by a very powerful Dragon King in the inland sea. There are all kinds of treasures in this relic, one of which is the spirit fruit of dragon Yuanhua.

At this dragon's gate grand meeting, the pride of all parties will gather together to have a fish and dragon fight and compete with each other.

And those who stand out in the fish dragon fight will get the legendary Dragon Spirit fruit! "At this time, Shuo said: "boy, this dragon spirit fruit is a good thing, especially for you now. If you get this dragon spirit fruit and take it, your injury will recover immediately!"

"And maybe the person you're looking for will also show up here."

Ye Chen eyes a bright, looking at the building rain Xiao, nodded, light way: "well, in this case, I will go to see, this inland sea Tianjiao exactly how elegant."

Lou Yu Xiao a smile, look to Ling Ziyan way: "Ziyan, you also with us to have a look."

Ling Ziyan smell speech, a glimmer of joy flashed on her small face, but she did not answer, but looked at Ye Chen.

Ye Chen said with a smile: "go and have a look."

Lou Yuxiao hears the words, her eyes flicker, and her mouth is smiling. The reason why she wants to take ye Chen and Ling Ziyan to the Longmen grand meeting is to let Ling Ziyan see clearly the gap between Ye Chen and the real evil!

Only when Ling Ziyan realizes this problem, can she see ye Chen clearly.

.....

The next morning, ye Chen, Ling Ziyan and Lou Yuxiao set out on the road together and headed for the location of Longmen island.

It seems that lintianzong is also a giant in the inland sea, and Lou Yuxiao's position in lintianzong is obviously not low. He took a big boat out with him and watched the rank of the ship, which is higher than what ye Chen got in lion island.

In addition, there were dozens of lintianzong disciples on board who were specially responsible for rowing.

And these disciples, seeing Lou Yuxiao, all looked respectful.

.....

One day later, an island appeared in front of the public. The sea dragon was surrounded by clouds, and the rolling clouds turned into the virtual shadow of the dragon, dancing on the island!

This is where Longmen island is!

Chapter 5308

At this time, ten large and small ships have been berthed on the coast of Longmen Island, and it is obvious that many people have come.

Lou Yuxiao, ye Chen and Ling Ziyan stand on the deck, looking at the Longmen Island, their eyes twinkle.

In a short time, people went to the island one after another.

Lou Yuxiao said: "this dragon's gate grand meeting is held in the heart of the island. Let's wait for it. There is not much time left for the grand meeting to begin."

Ye Chen nodded, but his face moved as he walked. There were not only young people under 100 years old on the island, but also some old people who were too strong to be true!

It seems that various forces have attached great importance to this grand event.

Soon, ye Chen and others came out of the jungle to the heart of the island.

To here, ye Chen is Mou Guang Yi Shan, the face dew one silk surprised color.

In the center of the island, there is a high platform. The platform is very broad, with the top area of tens of thousands of square meters. What's more important is that the whole platform is as white as jade, and it emits a very surging dragon spirit. Surprisingly, it is built with a very powerful Dragon keel!

There is only one ladder leading to the top of the whole high platform. Above the ladder, there is an arch at a certain distance. The arch is also made of keel. Moreover, on the arch, there are countless runes engraved, giving off a solemn atmosphere.

Ye Chen's eyes narrowed slightly: "this is the so-called Longmen?"

Just then, in the heart of the island, there was a loud bang. A young man was blown away by the force. His bones broke and he fell to the ground dying.

Ye Chen looks at this man. He is about 90 years old, but his strength has reached five levels, which is outstanding. But at this time, he is seriously injured, just like rotten meat, paralyzed to the ground.

His eyes were full of bitterness, looking at a figure not far away from him.

People follow his vision to see, but can't help but look a Lin!

In front of the crowd, there appeared a young man in a blue shirt, tall, muscular, with a strong face, long eyebrows, and bronze complexion.

At the moment, the young man is slowly withdrawing his fist.

Someone exclaimed in a low voice: "this man, is he the sea dragon of Haihuang island?"

"It's said that Haihuang island is the best way to train people's body in the world. When I saw it today, it really deserves its reputation. With one punch, I crushed these talents..."

"It's said that this fierce dragon is a martial arts genius once seen in ten thousand years on Haihuang island. However, he is too fierce and has to kill people with his hands if he doesn't get along well. The method is even more cruel. It's even rumored that fierce dragon has a hobby, that is, tearing people alive!"

At this time, a white faced young man with a folding fan came up to lie Hailong and said with a smile, "brother lie, this dragon's gate Festival has not started yet. Why are you so excited? When you do it, you will be seriously injured? "

When they looked at Baijing, they said, "is Ling Yusheng from Tianyuan academy here?"

"It's said that Ling Yusheng's magical power is incredible. The most restrained way is his simple physical training. I don't know who will win and who will lose against Lie Hailong?"

"This dragon's gate grand meeting is going to be wonderful. It's worth my trip."

The strong sea dragon coldly glanced at Ling Yusheng one eye way: "this person, to my sea emperor Island disrespect."

Then, ignoring Ling Yusheng, he went to a big tree and took a horse step.

Ling Ziyang looks around curiously, with brilliant eyes. At this time, Lou Yuxiao asks her, "Ziyang, what do you think of these inland talents?"

Ling Ziyang looked at the high spirited young men and women, some excited, said: "very powerful, I also want to one day, can look like them."

The floor rain Xiaowen speech, the face dew a trace of smile.

But, at this time, Ling Ziyang is to open a way again: "just, they are inferior to master fierce."

Just appeared in the building rain Xiao face smile instant solidification, she frowned, it seems, Ling Ziyang is this called Ye Chen guy tea poison is not shallow, brainwash very thoroughly.

At this time, Ling Ziyang suddenly asked curiously, "sister Lou, what are you going to do for the dragon's gate grand meeting?"

Lou Yuxiao pointed to the high platform in front of him and said: "the grand meeting of Longmen will be held on the high platform. The high platform is called Shenglong platform. The arch on the steps is Longmen."

Only those who have passed the dragon's gate and ascended the dragon's platform can truly participate in the dragon's gate grand meeting. Other people just come to watch and see the elegant demeanor of their peers. "

Ling Ziyan is a way again: "up to that ascend Long Tai up, again want to what?"

The building rain Xiao smell speech, beautiful Mou tiny flash way: "fish dragon fight! The demons who ascend the Dragon platform challenge each other and compete with each other. The one who ranks first is called the dragon. After winning the name of the dragon, they will be rewarded at this dragon's gate Festival.

Moreover, if the Dragon King relic on the island is opened in the future, the dragon and those who perform well in the fish dragon duel will be eligible to enter the relic. "Ling Ziyan blinked her eyes and said, "sister Lou, this time, you're out of luck."

"Oh?"

Lou Yuxiao was puzzled and said, "what's bad luck?"

Ling Ziyan pointed to Ye Chen and said, "if you bring my master to the Dragon Gate grand meeting, then the name of dragon must belong to my master. You can't get the Dragon Yuanhua spirit fruit..."

Lou Yuxiao looks at Ye Chen and says with a sneer: "if ye Gongzi is really so outstanding, I want to see him. I'm afraid Ye Gongzi doesn't want to be on the stage."

She said with a helpless smile: "besides, I didn't intend to fight for the Dragon Yuanhua spirit fruit originally. I'm afraid that one will show up at this dragon's gate grand meeting. Although I think highly of myself, I don't want to defeat him

As long as he's there, the name of the dragon can't belong to anyone else. "

Ye Chen smell speech, looked at the building rain Xiao, with a smile: "this person, who is it?"

The person who can make Lou Yuxiao feel inferior to himself is the one who makes Ye Chen interested.

What's more, he is determined to win the lingguo of longyuanhua, but he doesn't want to lose to anyone

Lou Yu's beautiful eyes flashed: "Shenyuan, the son of Shenyuan, is too empty!"

"Shenyuan?"

Lou Yu Xiao glanced at him and frowned, "don't you even know Shenyuan? Shenyuan is one of the most mysterious forces buried in the sky and sea. This Shenyuan refers to an extremely ancient submarine abyss. It is said that people with insufficient qualifications will crush the power of Shenyuan in an instant when they enter the Shenyuan. Just being able to live in it is a kind of proof of themselves!

The Holy Son in Shenyuan is the most rebellious person in Shenyuan, and will be given the surname Shenyuan.

I had the honor to see this Shenyuan Taixu once. It is said that he has some kind of supreme blood, and his temperament is different from ordinary people. Moreover, from the moment of birth, he has some extremely powerful talent, which is far from ordinary

With my strength, let alone fighting with him, I'm afraid it's not certain that I can survive the three moves in his hands. "

Chapter 5309

Ye Chen smell speech, can't help but look a sink, this Shen Yuan too empty unexpectedly so powerful?

With the strength he hasn't recovered yet, he can defeat Lou Yuxiao with the help of Shuo Lao and Xuan Hanyu. If the Shenyuan is too empty, as Lou Yuxiao said, his current state is probably not his opponent

Looking at Ye Chen's dignified look, Lou Yuxiao is a little proud. In her opinion, ye Chen is also shocked by Shenyuan's emptiness. Finally, she knows what kind of place she came to.

Can she dream also can't think of, what ye Chen thinks now is how to defeat a god yuan too empty!

At this time, several figures came out of the jungle one after another, and each of them exuded some kind of unusual power.

In a flash, everyone's eyes were attracted by these people, including lie Hailong, who had been walking under the tree!

For a moment, the heart of the island, with the appearance of these people, instantly quiet down!

Ye Chen looked at these people, and soon, the exclamation of the people sounded in his ears. The heart of the island, which had been quiet, was boiling again!

"That's long Shaoyou, the son of the Lord of Tianlong hall. It's said that his blood concentration is even higher than that of the Lord of Tianlong hall. Maybe it's Wang Zhong!"

"That enchanting woman is so attractive Isn't it the terrible woman who is the close disciple of the ghost master of the luochahai, who has a mysterious identity and is called yushula? "

"This young man feels oppressive. Is he Qin Tian? Is he really a hybrid of man and void

I saw that the visitors were a first born two horned, seemingly with dragon blood, handsome young man.

A woman in a gauze, with wheat skin color, charming appearance and hot figure, is more attractive and charming under the background of the looming gauze.

A gloomy temperament, surrounded by a faint black light, inexplicably frightening youth.

And

The last one, a young man in a black robe, with a pretty face and a look similar to Ye Chen, was extremely indifferent.

The crowd, which had been agitated by the appearance of other people, was silent again. When everyone saw the young man, his breath stopped, as if his blood was no longer flowing.

In the whole world, everything seems to be still. Only this young man walks slowly towards the dragon's gate.

All of a sudden, the young man's eyes twinkled and took a look in the direction of Ye Chen.

Two people's eyes opposite moment, seem to see some common things from each other's eyes.

However, soon, the young man took back his eyes and stood in front of Longmen.

At this time, Lou Yuxiao looked at the young man, his eyes gradually brightened up, and said: "Holy Son of Shenyuan Shenyuan is too empty. I didn't expect to see him for a period of time, and his actual strength has made great progress. Sure enough, our so-called inner sea pride will be eclipsed by him.... "

That and ye Chen in temperament, look have many similarities, let the whole island heart quiet down youth is Shenyuan too empty!

"Shenyuan is too empty..."

Ye Chen murmurs, the facial expression is an instant dignified however.

Just looking at that pair of eyes, ye Chen knows that the other side is very strong!

It is the unique sight of the strong man who comes from countless lives and deaths.

In addition, this Shenyuan is a half step Taizhen state!

Under 100 years old, half step too true!

Even ye Chen knows that he can never defeat Shenyuan Taixu now

"Can we only wait for a period of time before we can fully recover?"

Ye Chen's eyes twinkle slightly, making the worst plan.

However, he still decided to take part in the dragon's gate grand meeting.

Maybe things will change.

At this time, several powerful breath instantly rose from all sides of the island, and everyone was awed by it. It was the existence of Taizhen!

I saw that in the sky, four figures came in the air, and a flash appeared above the Shenglong platform.

Ye Chen looks at this to appear suddenly of a few people, can't help pupil tiny contraction!

Even he, when facing these people, felt a burst of depression. The strength of these four people was not under the lion king of the Golden Lion clan!

The lion king is a overlord in the open sea, but in the inland sea, he just presided over a gathering of the younger generation and sent four strong men of this level!

Ye Chen's eyes are quiet. The inner sea is more unfathomable than he imagined!

At this time, one of the four, with a pair of golden eyes, concave and convex body, delicate appearance and extremely charming, said faintly: "this dragon's gate grand meeting is held by all forces in the inland sea. It aims to make the best of the young generation win the name of dragon son according to the Convention, There will be a reward. This time, that's the reward. "

As soon as her voice fell and her wrist turned, a golden fruit had appeared in her hand!The fruit looks similar to mango, but the whole body is like Golden Jade, transparent and shining with a touch of gold. The strangest thing is that there is a red gold dragon pattern on the surface of the fruit, which is constantly swaying, as if there is life in general!

Ye Chen sees that fruit, complexion a joy, this is long Yuan Hua spirit fruit!

Longyuanhua lingguo can improve the physique, enhance the vitality, and even make the sleeping blood wake up!

Although these effects are of little use to Ye Chen in general, his constitution has been metamorphosed to an extraordinary level, and longyuanhua lingguo can't improve it, and his blood can't wake up so simply

However, this spirit fruit also has a unique function, that is to repair the meridians and Dantian!

At that time, if Xiao shuihan took this fruit, it would not be so complicated.

Ordinary people, the meridians and Dantian are completely destroyed. I'm afraid they can't completely recover after taking this Hualing fruit, but ye Chen is different!

He could have recovered, but it took time. With the promotion of this spirit transforming fruit, he could have saved a lot of trouble.

Seeing that many people were staring at hualingguo, many Tianjiao's eyes were already full of fighting spirit. Jinmou woman said again: "now, Longmen grand meeting officially begins, you can rise to Longtai!"

This words a, when even if have a few figures can't wait to rush toward that rise dragon terrace!

However, when they crossed the dragon's gate, their faces suddenly changed!

Two of them almost stopped in an instant, and their whole body was shaking slightly, as if they were bearing an unimaginable force!

Only one person, crossed several steps, entered the next dragon's gate, but this time, this person was suddenly pressed on the ground, his face was white, his mouth spit out a mouthful of blood, his back was sunken, a claw mark appeared, it looked like he was pressed on the ground by a dragon's claw!

The next moment, these three people are a shock, was ejected from the ladder of the Dragon platform!

Chapter 5310

Originally also eager to try Tianjiao people, instant is a change in complexion, was splashed with a basin of cold water!

This dragon's gate is not so easy to break through

Among the three, the most powerful one is a real five story Tianjiao, but he just stepped on the second dragon's gate

Just when people are hesitant, a figure appears in front of Longmen!

It's the dark boy who is said to have the blood of the void monster!

Qin Tian!

Qin Tian hardly hesitated. He stepped on the white jade steps. His figure was flashing on the steps. He stepped over several dragon gates one after another. In less than three breaths, he had arrived at the top of the platform!

At this time, his body surface black light, suddenly a Sheng, a fierce breath from his body, the next moment, Qin Tian has fallen on the Dragon platform!

Everyone, seeing this scene has been stunned!

For the existence of the five level heaven in the true realm, even the second dragon's gate can't pass, but what about the Qin heaven?

It's like going into a world without people!

As expected, the evil spirits in these rumors are not in vain!

But Qin Tian's coming to the stage is just the beginning!

In a flash, a dragon roar sounded, and then, rolling evil spirit enveloped the whole island heart area, dragon Shaoyou, yushula also moved in an instant!

Long Shaoyou's whole body is full of dragon spirit. He hums coldly. A huge dragon's shadow instantly suppresses the pressure of the dragon's gate. Long Shaoyou directly crosses the dragon's gate and rushes to the top of the high platform!

And the beautiful yushura suddenly became cold, and the endless evil spirit surged out. His body was like a twinkle, and appeared at the top like a little dragon!

Then, one after another, some people boarded the Shenglong platform, but there were only a few, including Ling Yusheng and lie Hailong.

Successful boarder of the dragon's gate, the lowest strength, also has the real realm of more than five days of strength! Of course, most of these people can't predict strength with realm! They all have the ability to fight beyond their ranks!

At this time, Lou Yu's beautiful eyes suddenly sharpened, and his body was full of some mysterious sword. His body was like a long sword out of the body, tearing everything apart. In an instant, he pierced the suppression of the dragon's gate and appeared on the Shenglong platform!

People can't help but look at this!
