

Physician 531

Chapter 531

Master Jiang did not know when, a sword appeared in his hand, his cold voice resounded like rolling thunder!

"First, Peirong is my daughter and ye Chen is my grandson. As an elder, I am bound to protect my life! I've been confused for 20 years, and I don't want to continue to be confused! If you want to take ye Chen away, first ask me whether I agree with the sword in my hand! "

"Second, Kunlun Xu people want you to take ye Chen! My Chinese martial arts and Taoism circles are all of iron and steel clank generation. Why are we so afraid of Kunlun Xu people? A word is enough to make the whole Chinese martial arts circle a tool of Kunlun virtual killing? Can't we fight against Kunlun Xu people together? "

Elder Dugu shook his head and said: "although Kunlun Xu is in China, there is a big gap between the spirit and resources there. How can we resist? Chinese martial arts world can only obey! If they want Ye Chen, we can only hand over Ye Chen! What's more, ye Chen has broken too many rules along the way. If he doesn't die, it's a nightmare of Chinese martial arts and Taoism. "

"If you stop Jiang family, you will be destroyed! If you want to resist the attack of hundreds of our strong men! "

Elder Dugu said, "brush!" All of them have weapons in their hands!

Cold killing spread!

At this time, the nine figures seem to come from the sky!

Standing in front of those powerful Chinese martial arts and Taoism.

Seeing a few people in front of them, those Chinese martial arts people seem to have taken some reassurance!

Guardian of China!

The guardian is finally willing to come out!

They can't see it anymore!

Pan Guohua went to Bao Peimin, who was the leader. He bowed his hand and said seriously, "it's very kind of you to come, master Bao."

"Ye Chen has infuriated the forces of Kunlun Xu. If we don't hand over Ye Chen, the Chinese martial arts world will be destroyed!"

"Please protect the adults, take ye Chen, save China in the fire."

The rest of those who are strong in the martial arts world also speak!

The guardian of China is almost the sky of China! They are powerful! There are so many people coming this time!

Enough to crush Ye Chen!

The most important thing is that ye Chen killed a guardian of China with secret arts!

This is death feud!

The guardian of China is also a human being, and will inevitably have the heart of revenge for private and public!

Elder Dugu naturally knew these guardians of China, but he didn't know why he didn't see sun Lao, but it was no longer important.

He came to Bao Peimin's side and said, "Lao Bao, we should not have interfered in the affairs of the younger generation, but ye Chen is really too much. We can't stay any way! If you do, I will do the same. Today, ye Chen is bound to be suppressed, otherwise we will be hard to be peaceful! "

"With Ye Chen's head, we'll go to see those Kunlun Xu people tonight. Maybe those adults will give us some opportunities when they are happy! This is a great opportunity

Bao Peimin took a look at elder Dugu and all the others with a cool expression.

This is the root of human nature!

This group of people seems to be for the survival of the Chinese martial arts world, but actually for themselves!

They just want to exchange Ye Chen's life for a chance!

Ridiculous!

Elder Dugu and pan Guohua obviously didn't expect Bao Peimin's attitude. As soon as they wanted to say something, Bao Peimin took the rest of them to Ye Chen!

When he came to Ye Chen, everyone bowed down and said respectfully, "Mr. Ye!"

What!

This is like a bolt from the blue!

The voice is not big, but it is enough to let the words clearly into everyone's ears.

What's more surprising is that at this moment, Bao Peimin and the remaining guardians of China are wearing a flattering smile, as if they are courting Ye Chen.

Instead, the eyes of these people looking at them were cold.

Boom

These three words, such as thunder, exploded in the field, can not help but let many people subconsciously back a few steps.

The elder Dugu, standing behind Bao Peimin, was even more worried.

What are these Chinese guardians doing!

Mr. Ye?

Are these people here to protect Ye Chen?

As for it!

Elder Dugu can clearly hear all the people behind him take a breath.

Madman!

He couldn't help it any longer. He stood up, pointed at Bao Peimin and said, "what do you mean, Bao Peimin! Remember your identity, you are the guardian of China! You must stand on the side of thousands of Chinese people without hesitation! "

Bao Peimin snorted coldly. He came here with the guardian of China!

Is to guard Ye Chen!

Ye Chen's life and death concerns the whole of China!

Even those Kunlun Xu strong and calculate what!

The power behind Ye Chen is immortal! One hand can suppress the existence of a clan!How many powerful people are there in Kunlun?

That day's picture, already became these Guardian memory indelible existence!

"Elder Dugu, you have no right to interfere in the affairs of the guardian of China. If you want to move Mr. Ye today, you should step on our bodies first!"

As soon as he said this, elder Dugu was a little overwhelmed.

If the appearance of Jiang family is just a ripple, then these guardians of China are huge waves!

Completely upset the whole bureau!

"Hum! Although I don't know why you want to protect Ye Chen, since you are such an attitude, I can't stand it! "

As he spoke, elder Dugu did not hesitate any longer, and his powerful momentum spread over Bao Peimin.

Now that this is the case, there is no need to be polite.

Now that they are here, we all know what they want to do.

With this momentum shrouded, and then came a few terrible breath.

Wind swept, leaves flying, between heaven and earth, full of the spirit of killing.

Pa Pa Pa Pa Pa

In the middle of the gale, Bao Peimin's robes danced and his white hair fluttered, but his figure did not move.

Bao Peimin sneered: "are you so anxious to tear your face? Elder Dugu, it seems that I have overestimated you. Let's go together. "

Bao Peimin looked at the rest of the crowd.

Elder Dugu's eyes were cold: "Bao Peimin, if sun Lao comes, I may give some face, but you are not qualified at all! When I was practicing in Kunlun, you didn't know where I was still! "

"Ha ha ha In this case, there is no need to say anything more. We all know the purpose of your coming today. Why do you look like a gentleman! If you want to do something, do it! Now that I'm here, can I ask you back? Why should I let you go back? "

Bao Peimin's expression suddenly became gloomy.

A stronger momentum broke out of him.

At this moment, Bao Peimin's words suddenly burst into a breath, making the whole space-time seem to freeze down.

Chapter 532

Boom

Above the sky, Xuan Lei explodes, the wind and rain is coming!

Boom!

The thunder in the sky broke through the sky. Bao Peimin's words, under the thunder, rushed into everyone's brain, which made everyone's face suddenly changed.

What did Bao Peimin say?

He doesn't want people to leave today?

Don't know who, Leng for a while, ruthlessly pour a breath of cold air.

"Ha ha ha What a big voice, Bao Peimin. Do you think you are really invincible? "

"Arrogant!"

"Well, Bao Peimin, today we have to see how you can keep all of us!"

"Bao Peimin, you really want to be the enemy of the whole Chinese martial arts world!"

After that, the anger rose for a moment.

Bao Peimin's words really angered everyone present.

I dare not say that everyone is the top strongman in the martial arts circle of China, but the strong people here are absolutely enough to frighten everything.

There are even several forces in the dark.

Under such circumstances, Bao Peimin gambled on the whole guardian of China, and spoke out of wild words. What is it?

"Bao Peimin? Your strength is very strong. At the beginning, some of our forces gave you face. Do you think we are afraid of you? "

He asked with a gloomy face.

"Nonsense! You and those people in the dark come here just to please some people. Don't pretend to be lofty in front of me! If you want to take the chance of Kunlun Xu, you should also have the life to take it! "

Bao Peimin ridiculed him mercilessly.

"How arrogant

"Bao Peimin, I didn't expect that birds of a feather flock together. You are so arrogant! In this case, let me see what kind of arrogance you have! Huh, want to keep all of us here? You have to be able to do that, too

After being ridiculed and ridiculed one after another, elder Dugu could not help it.

"Dugu Duanyue Dao!"

Now that the face has been completely torn, there is no chance of turning around.

If you want to kill Ye Chen? Today is also the best opportunity.

Thinking of this, where would elder Dugu miss such an opportunity?

Among the long whistles, elder Dugu took the lead in killing Bao Peimin.

Wow

With that roar, the terrible knife light tears the air.

In the gale, the light blooms, and the sabre Qi falls like the Milky way in the sky.

"Old Bao, be careful!"

Looking at such a scene, behind Bao Peimin, those guardians of China could not help but change their looks and said subconsciously!

But Bao Peimin held the sword tightly and said seriously: "you don't have to fight. Keep Ye's house. Anyone who dares to do it will be unforgivable to kill."

No matter what, he will resist the knife!

The terrible blade even made everyone feel as if their bodies were frozen. This knife is really overbearing.

What's more, Bao Peimin didn't respond to the bullying, which made people's heart hang up subconsciously.

At this moment, not far from Ye Chen subconsciously squinted.

Half step real Yuanjing!

However, he did not expect that the strength of the elder Dugu had reached this level.

In terms of strength, Bao Peimin seems to be no match.

What's more, Bao Lao's injury has not been completely cured. It's impossible to resist it!

"Bao Lao, I'll do it." Ye Chen's voice rang out.

Bao Peimin was stunned and ignored elder Dugu. He looked at Ye Chen and said, "Mr. Ye, I can do it."

"I started this business and ended it with me. You just need to protect my family. I'll take good care of you."

"Now, back off!"

Ye Chen's voice is full of no doubt.

Bao Peimin hesitated for a few seconds, but he retreated quietly to the back.

"Yes, Mr. Ye!"

Everyone did not expect that the guardian of China would listen to a young man like this!

The key is this attitude. It shouldn't be!

Elder Dugu saw that they were constantly pushing back, as if they looked down on him. He snorted coldly: "let's bear my knife first!"

There was silence, only the sound of the blade could be heard, and what could be seen was like the light of a knife splitting the sky and the earth, and then the terrible momentum.

But ye Chen is to walk out, leisurely walk.

I didn't even plan to fight.

Many strong men standing behind Dugu elder are smiling at this scene.

The first person in Chinese martial arts?

If it is the guardian of China, it may be able to resist some points.

But change to Ye Chen, maybe turn into blood fog on the spot!act recklessly and blindly!

Many people wait quietly, waiting for the scene of the blood flowing.

No one noticed that, at the moment, the corner of Ye Chen's mouth raised that touch of smile.

"Half step true Yuanjing? Yeah! It's very strong. "

In that terrible momentum, in the eyes of that road of ridicule, ye Chen is gently said.

The voice is not light or heavy enough for elder Dugu to hear.

"But you will die after all! I don't want to kill you. Why do you come here to die? "

Not waiting for that elder Dugu to react, ye Chen sighed and said to himself.

"Since you want to die, I will send you to die first!"

Then, suddenly, ye Chen raised his voice.

Brush

No one can see clearly what ye Chen has done.

I saw in the shrill sound, in the moment that the knife light fell, ye Chen disappeared in place.

This scene makes the venue suddenly quiet. I don't know how many people's pupils suddenly contract, and even more, they don't know how many people stop their heartbeat subconsciously.

Hum

When people come back to their senses, they don't hear the terrible roar in their imagination, nor see the picture of blood flowing, but hear a sharp piercing sound.

The picture seems to freeze.

After a brief disappearance, ye Chen appeared.

Along with him, there was also elder Dugu, who was just so powerful.

Just the picture at the moment

Hiss

I don't know how many people, subconsciously took a breath of cold air!

"How could it be!"

That bursts of shouting, from the hearts of countless people, but can not make a sound.

Under the silent silence, I saw in the air, the picture is strange!

Where does elder Dugu still have the momentum of being extremely overbearing? Where does that long knife have the momentum of splitting the sky and the earth?

The knife is fixed in mid air! The old man was pale.

What about ye Chen?

He had already stood in front of elder Dugu, and one of his hands, seemingly casual, was to hold the fallen long sword.

The flame above the long knife is completely converged.

Relying on one hand, you will catch the knife of that bully Jue! Yes, ye Chen did it! This scene is breathtaking.

Elder Dugu's pale face is so dazzling.

"Speed, too slow!"

Chapter 533

In such a dead silence, people finally heard Ye Chen's voice. This seems to be a terrible evaluation of the elder!

"Break!"

A light hum, ye Chen arm slightly force.

Ding

In the clear sound, the cold sword was broken into countless pieces and splashed around.

"Go back

Ye Chen's deep voice came.

Bang

Cut the knife with one hand and shoot it with one hand.

The whirlwind rolled up, and the palm fell directly towards elder Dugu's chest!

Cut the knife with one hand and shoot it with one hand.

The applause roared and the wind in the palm was towering.

Ye Chen's cold hum, that moment of hand, such as lightning, across the sky.

At this moment, the dust was completely torn apart, and the whole world seemed to be fragmented.

"No..."

Countless people are still trapped in the previous shock, they have not yet come back to God, but a burst of despairing roar has come.

Bang

There was an unimpeded dull crash.

Click, click

The sound of bone fracture is transmitted to everyone's ears in an instant.

In front of all the people, the blood is blooming.

Everyone clearly saw a figure, in this blow, like a broken kite, toward the distance exploded out. Even, some people have clearly seen that, not long ago, the elder Dugu, who was still powerful enough to make people suffocate and excited, now his chest has been bloody!

Boom

Until that hundred jin body smashed down on the open space more than ten meters away, the world was quiet.

Quiet!

For a moment, the field fell into a dead silence.

Hiss

I don't know how much time this silence lasted, and the sound of air-conditioning was finally heard.

Ye Chen's strength can defeat elder Dugu!

This is rolling!

Just for a moment, the cry of surprise came and went.

Do not know how many people, eyes at the moment is a thick fear and fear!

This is the elder Dugu whom countless people admire! Even better than the guardian of China!

However, such a strong man standing on the top of the mountain and considered invincible was killed by seconds?

This overturns the perception of too many people, which makes too many people finally unable to calm down.

Looking at the cold wind, proud of the position of Ye Chen, do not know how many people, eyes revealed a deep fear.

This is the first person in China? Is this the demon Ye Chen?

"True Yuanjing! Ye Chen, I didn't expect that you should be the real Yuanjing

The elder Dugu in the blood hole in his chest tried to hold back the blood, staring at Ye Chen and spitting out this sentence.

His life is running wild!

In practice, the realm of separation and separation is the realm of true yuan.

But in China, there are too few people who can step into this realm.

Even he, who has spent many years, has not stepped into the real world!

Who could have thought that ye Chen had stepped into this situation?

How old is he!

How could it be!

"True Yuanjing?"

"Ye Chen unexpectedly..."

With this conjecture, a group of strong people, is looking at each other, look horrified.

Among the practitioners, those who are strong in the real Yuan state move mountains and fill the sea, with extraordinary strength and extraordinary means.

Many people look at Ye Chen's eyes changed.

More than a trace of fear, more than endless fear and fear.

Zhenyuanjing, such a strong person, is already unimaginable.

And have the true yuan realm? What does this mean? Too many people know it!

The Ye family has the real yuan territory strong person to sit in the town, then has the foundation which is called the top force! There is an endless deterrent power.

Now, who dares to look down on the Ye family?

The atmosphere in the field changed abruptly.

Faint, you can hear bursts of rapid breathing sound.

Faintly, you can see that the strong men in the martial arts world who crusade against Ye Chen become ugly.

"Ha ha It seems that you are really surprised? "

It seems to be aware of the change of people's looks, looking at the change of those people's looks, ye Chen is showing a trace of sneer.

"What? No more? In that case, don't blame me for not giving you a chance! As I said, since you are here today, you don't have to go. Stay now

Suddenly, the cold light in Ye Chen's eyes soared.

Brush

A cold hum, ye chenru streamer out, kill the machine, also in an instant, reached the extreme! Five fingers, a few strong people in the dark were directly caught by Ye Chen!

Even more mercilessly on the ground!

Among them, a few people who resisted were directly killed by Ye Chen!

At this moment, ye Chen is indifferent to the extreme!

In his eyes, the Party of Ye's family will not be held tomorrow!

Just right!

Everything is better than that party!

The purpose of the banquet itself is to tell the Chinese martial arts circle that his Ye family was born!

And now, violence and killing are undoubtedly the most effective!

Looking at a corpse appeared, those strong men in the martial arts world felt cold all over!

It was as if death were watching.

They even thought, why do they want to listen to a few words to attack the Ye family!

Behind Ye's family, there are Jiang's and Chinese guardians!

The most important thing is the evil spirit Ye Chen!

Ye Chen solved the threat of several people in the dark, ferocious expression.

At the same time, dark hall strong Qi arrived, all people surrounded.

Ye Lingtian stepped out and came to Ye Chen: "master of the temple, how do these people deal with it?"

Ye Chen Mou son tiny MI, looked at Pan Guohua, also looked at all present, indifferent words slowly fall down: "one does not stay."

As soon as this word came out, it really scared everyone on the spot!

Ye Chen is crazy!

Not one!

He wants to kill all the people in the martial arts world of China?

Who could have thought that those Kunlun virtual strong people had not started yet, and ye Chen was the first to destroy the whole Chinese martial arts circle?

Madman!

Pan Guohua's expression also changed. He stepped out one step and said to Ye Chen, "Ye Chen, don't be stubborn. The identities of these people are not low in China. If you start, have you ever thought about how to explain to China?"

Pan Guohua words have not finished, ye Chen palm gently move!

An invisible virtual palm blows out directly!

"Pa!"

A slap directly hit pan Guohua in the face.

"Noisy!"

Pan Guohua only felt the invisible force in his face, his whole person on the spot flew!

"How dare you hit me

"I dare to kill you, do you believe it?"

Ye Chen's cold eyes shot out directly!

It's frightening!

Pan Guohua completely dare not speak. In his eyes, this boy can do anything.

"Squeak!" The sound of!

A Land Rover rushed in.

Stop on the side of the Land Rover.

When he saw this, his eyes were very serious.

When pan Guohua saw bailixiong, he seemed to see a savior. He even said, "Bai Li Xiong, ye Chen..."

"Get out of here

Chapter 534

Bai Li Xiong roared, pan Guohua was stunned at the spot.

Then, in the sight of all people's doubts, bailixiong comes to Ye Chen in a hurry.

Is the hand of the mobile phone to Ye Chen: "that of."

Ye Chen wanted to refuse, but still took the phone.

"If I guess right, you let me let go."

There was a short pause on the other end of the phone, and the old voice still rang out: "you guessed wrong this time. I don't want to be in charge of the affairs of Chinese martial arts circle, but there is one thing I have to take care of."

Ye Chen frowned: "what?"

"You should know that there are dozens of strong people in Kunlun."

"Yes."

"Just now, another group of Kunlun virtual strong people appeared in Kunlun Mountain, and even more came to the capital city. They called for you by name. It seems that you killed some elders of their clan. "

"These people have been stopped by me. If Kunlun virtual strong people really arrive in the capital, you can think about the consequences. No matter how the victory or defeat, it will inevitably affect the innocent people in the capital, even your Ye family, your mother and friends."

"What's more, you should understand the importance of the capital. There must be no accident. I have a heartless request, these Kunlun virtual strong people, no matter what conflicts you have with them, you can handle them by yourself. "

"As a condition, from now on, Huaxia will not hesitate to protect your Ye family."

"Well, I've finished what I have to say. You can decide for yourself. I won't embarrass you."

The old voice is full of tiredness.

Ye Chen takes a look at Ye's mother and Xia Ruoxue in the courtyard.

He will go to Kunlun after all.

After he left, what did these people do? What about the Ye family?

Although the array is powerful, it is only an array after all.

Encounter some powerful spirit things will break, then their safety will be in trouble.

The protection of Chinese guardians is not bad, but there is still a gap between them and the power of the elderly.

The most important thing is that he still has to face these Kunlun Xu people.

If we don't get rid of the roots, the next thing will be very troublesome.

Two forces, if he's right.

One should be blood alliance, and the other should be luojian sect.

Exactly, the whereabouts of my father should be known by the blood League people.

No matter what, he has to face it.

Thinking clearly about everything, ye Chen said, "where are these people now?"

The old man on the other end of the phone was stunned and immediately said, "Kunlun Mountain Scenic Area, the top of the mountain. The scenic area has been closed down, and those powerful people in Kunlun Xu have given me an ultimatum. They must see you before tomorrow, otherwise they will set foot on the capital city, and the consequences will be unimaginable.

No matter what your decision is, give me an accurate answer, and I can lay out the layout. "

Ye Chen Mou son has unprecedented solemnity, finally, he opened a way: "I promised, don't forget your condition, ye family henceforth, receive Chinese protection!"

"Good."

The phone hung up, ye Chen returned the mobile phone to Bai Li Xiong.

After that, ye Chen turned around and explained a few words to the people in the array and directly got on the Land Rover off-road vehicle.

"Bailixiong, take me to the airport. I'm going to Kunlun mountain."

Bai Lixiong was stunned and wanted to say something, but he swallowed it back to his mouth: "OK."

Although the dialogue between Ye Chen and bailixiong is not heavy, it falls into the ears of those people.

To Kunlun mountain?

At this time, he suppressed the Chinese martial arts circle. Shouldn't we hide as far as possible?

Even Kunlun?

Is it hard to die?

Kunlun Mountain is dozens of Kunlun virtual strong!

These people are not only separated and separated from the realm and the true yuan realm so simple ah!

Maybe one of them is enough to kill Ye Chen!

What is Ye Chen doing!

Although all the people present wanted Ye Chen to go to Kunlun Mountain, ye Chen actually went to Kunlun Mountain in person, which made them confused!

Ye Chen gets on the Land Rover and goes away.

As for the rest of the Chinese martial arts world, ye Chen doesn't care at all.

The lives of these people are too worthless in his eyes.

The most important thing is, there is a sentence from the old man. From then on, this group of people will never dare to move the Ye family again.

Once the moving leaf family, is looking for death.

At the moment, pan Guohua can still feel the burning pain on his cheek. He thinks of something and dials a phone: "arrange a plane for me to go directly to Kunlun mountain. I know the peak of scenic spot. You just need to book a plane for me. The sooner the better."

Not only pan Guohua, but everyone took out their mobile phones and mobilized private planes through their own forces.

They do it for one purpose!

Look how ye Chen died miserably! Since ancient times, the strong in Chinese martial arts and Taoism can only submit to the virtual strong in Kunlun!

This is also why the talented people in China have to enter Kunlun empty after breaking their heads!

Where is the real martial arts and strength peak!

.....

An hour later, Kunlun Mountain airport.

A small private plane slowly landed, ye Chen got off the plane and took a look at the direction of Kunlun mountain. His eyes were meaningful.

Now he is only a few thousand meters away from kunlunxu.

After dealing with the affairs of Xuemeng and luojianzong, it's time to go to Kunlun.

I don't know what happened to the old man, Ji Siqing, Ji Lin and those friends.

Most importantly, I don't know if my father suffered in the blood League.

Fortunately, as long as the father does not tell the secret for a day, he will be safe, and there will be no accident.

Bai Lixiong also got off the plane. After hesitating for a few seconds, he said, "Mr. Ye, standing in the position of Huaxia, I hope you will go, but as a friend, I don't want you to go up."

"Kunlun's strong men are not the same as those in the martial arts and Taoism circles of China. How can you face them alone?"

"You can go abroad. Those who are weak in Kunlun can't catch up with them."

Ye Chen smile: "you know me for so long, think retreat is my character?"

"Although they have many people and strong strength, it does not mean that there is no one behind me. I have a sense of propriety."

Ye Chen finished, and then went to the mountain.

Bai Li Xiong took a look at Ye Chen's far away direction and sighed: "this war, Mr. Ye is afraid to be more or less ominous."

"Although I want to help, I have more heart than strength."

"It would be nice if my wife was with me. Maybe with her ability, she should be able to stop these people."

"No matter what, when the Chinese affairs come to an end, I will try to find a way to get into Kunlun void. Why not? At least ask her to explain why she left without saying goodbye."

At this time, Bai Lixiong saw several private planes landing at Kunlun Mountain airport nearby.

He shook his head helplessly: "this group of people really hope Ye Chen has an accident?"

"When ye Chen dies, who will guard China? A bunch of people who are blinded by interests. "

Chapter 535

Kunlun Mountain, the top of the mountain.

The clouds were enveloped.

The top of the mountain is covered with snow and the temperature is extremely low.

The central mountains are snow capped mountains, stretching for thousands of miles.

If jiangdaoshan is the holy mountain of Xiangjiang.

Kunlun Mountain is the mountain of thousands of ancestors in China.

This is also one of the reasons why Kunlun Xu is a mysterious place.

The trend of aura here is extremely strange, as if the aura of the whole China is going in one direction.

The direction of the flow of aura is the deepest in the north of Kunlun Mountain, Kunlun Xu.

Ye Chen's destination this time, of course, is not Kunlun Xu. Under his feet, Canglong phantom body will surge and quickly plunder toward the top of the mountain.

At the same time, he could feel the shadow coming from behind.

It was pan Guohua and some of the strong men in the Chinese martial arts circle.

Not only that, but also Bai Lixiong finally followed.

There was also an iron and blood camp with dozens of people behind him.

"It seems that Bai Lixiong is also worried about me."

Ye Chen helplessly shakes his head, consciousness drills into the reincarnation graveyard.

Chen Tianli's figure of wandaojianzun is very weak.

"Disciple, I have taught you some sword skills that I can teach you. Some sword skills are too advanced for you to absorb now."

"Right now, I don't have much energy. The jade pendant I gave you should always be carried with me. If you have any problems, go to a sect called wanjianzong. They will understand what the jade pendant means when they see it."

"What's more, my energy can probably support a move. I can only break out one move when facing the strong one of Kunlun Xu in the future

"After a move, if you can't fight, remember to run away."

"It's not too late for a gentleman to take revenge."

Ye Chen heard the instruction in his ear and nodded: "master, I always have a problem. After you dissipate, how should I see you?"

"Is it hard for me to bear the pain of leaving a hundred masters?"

Chen Tianli smiles, and the sword box behind him shakes slightly: "disciple, when you are strong enough, you will naturally understand the meaning of the reincarnation cemetery. To some extent, we are trapped in 100 people, and you are the key to solve this dilemma. As the owner of the samsara cemetery, you are the only one who has turned over. "

"As long as you remember to practice well, when it comes to the right time, we will naturally see it, but we don't know what the form is."

Ye Chen nodded and felt the remaining tombstone of the reincarnation cemetery.

This time, the three tombstones have already started to move.

The energy on the zhenhun broken Yang stone is constantly gathering in the three tombstones.

It is estimated that the three tombstones will be activated when the energy on the broken Yang stone of zhenhun is absorbed.

I just don't know what kind of existence these three powers are.

What's more, why should every great power emphasize that he or she is their turn over?

What happened to this group of people before the samsara cemetery?

Ye Chen has no time to think about it, because there are still about 100 meters away from the top of the mountain.

He had already felt the top of the mountain, dozens of terrible sensations coming to him.

It's a cold kill.

This is a killing opportunity he has never felt in China.

The blood dragon in his body seems to be rushing out of his body.

The soul sword is shaking in the samsara cemetery, as if waiting for killing.

.....

At this moment, on the top of Kunlun mountain.

Dozens of people gathered.

They were the strong men sent by Xuemeng and Luo Jianzong.

Luo Jianzong was led by an elder named Su Mingwu.

Luo Jianzong sent six people in total.

The blood alliance was led by an elder named Li Xuanjun.

Although more than 20 people were sent out this time, they were not the elite of the blood League.

Ren Qiyun's accident is very serious for the blood League, but the blood League will not send the strongest kind of people to China to solve the problem.

In their view, China's aura is thin, even if there is a strong one, it can not be stronger.

In addition to Li Xuanjun, ten of them were above the realm of Zhenyuan.

Su Mingwu of Luo Jianzong naturally noticed the existence of blood alliance.

However, the false reputation of Xuemeng in Kunlun was not good, and he didn't pay much attention to it.

As long as the group doesn't come for them, that's OK.

A middle-aged man beside Li Xuanjun took a look at Su Mingwu and said to Li Xuanjun, "elder Li, if ye Chen appears later, shall we take the first step?"

Li Xuanjun sneered: "what's the hurry? What's the reason for us to do it? Luo Jianzong doesn't know Ren Qiyun's real identity. If Luo Jianzong knows Ren Qiyun's identity, we can only kill people. Now, what we have to do is sit on the mountain and watch the tiger fight. "

"Don't mention it. I really want to see what way ye Chen is. A Chinese person is qualified to kill the strong one of Kunlun Xu. This kind of person can be helped by high-ranking people. If there is any, there is a secret method!" "By the way, isn't this son's father in our blood alliance? Although the investigation has not made any progress, but if ye Chen goes against the sky, does not it prove in disguise that this son's father has a great secret?"

I heard that elder Zheng suspected that there was some connection between the Ye family and the Ye family in ancient times. Of course, all this is just a wrong guess and has not been confirmed yet. "

Hearing the words of Ye family in ancient times, those strong men of blood League all took a breath of cool air!

This is a legendary existence.

If so, there must be a big chance behind Ye's family.

At the time when the blood League was shocked, a young man in casual clothes appeared in everyone's sight.

It's Ye Chen!

Ye Chen's appearance, innumerable way eyes instantaneous lock!

Angry!

Kill!

Surprise!

No one thought that ye Chen would come alone!

Is it hard for this boy to be sure that he has a way to live?

Li Xuanjun frowned. Although he was puzzled, he didn't say anything.

He took a look at the direction of luojianzong. Su Mingwu and other luojianzong disciples all stood up and went towards Ye Chen.

Soon, Su Mingwu blocked Ye Chen's body, looked cold, and said, "are you ye Chen?"

"I only ask you one question. Did you kill Ren Qiyun and other elders?"

Su Mingwu's voice is cold, between the words is to release the pressure!

At least in Ye Chen's opinion, Su Mingwu's accomplishments are at least above the third level of Zhenyuan realm!

It could even be stronger.

Ye Chen also glanced at Li Xuanjun, who did not have any movement in the distance. The tattoo of the blood red door on his neck was extremely clear.

He knew very well that these people were members of the blood League.

The blood League sent so many strong men this time, it seems that they really intend to take him.

This time, he had to deal with not only luojianzong, but also blood alliance.

Blood alliance is the most dangerous place.

"Boy, don't you understand me?" Su Mingwu of luojianzong doesn't respond to Ye Chen at all. His expression is ferocious and loud.

Chapter 536

Ye Chen calmed down and said, "one thing, you should not know. Ren Qiyun has another identity, that is, the elder of blood League. I killed him. To some extent, I helped you to fall sword sect. Thank you so much."

When a disciple of luojianzong heard Ye Chen slander elder Ren, his face was full of anger!

"How dare you insult us as the elder! Elder Ren's life is open and aboveboard. How can he be related to the influence of the blood league who practices heresy! What nonsense

Yuluo, the disciple of luojianzong drew out the cold sword and plundered it to Ye Chen directly.

The cold light flickers, as if sweeping the gale, takes the leaf Chen vital point directly.

Su Mingwu didn't rush to do it. He was very curious about how a Chinese cultivator killed Ren Qiyun!

Seeing the sword will fall, ye Chen shook his head helplessly, and his lips moved: "yunsha palm!"

A light hum, see ye Chen double palms superposition, suddenly burst out!

Pa Pa Pa Pa Pa

Bursts of applause, such as thunder burst, set off a huge wave.

"No..."

Locked by Ye Chen, the eye of the luojianzong disciple shrinks and his face is shocked.

"Ye Chen, don't think about it!"

Frightened face, unwilling roar.

Seeing the palm shadow sweeping across the sky, the long sword of luojianzong's disciple resisted and left.

Boom

Long sword breath, red light burst out.

The first level of zhenyuanjing!

The strength of luojianzong's disciples can not be underestimated.

At least in the realm and ye Chen equal!

Under the sword, if the fire erupts, burns the world! That red light, lit up the whole Kunlun mountain!

"The mantis arm is the chariot!"

Facing the resistance of luojianzong's disciples, ye Chen is full of disdain.

If in a few days ago, ye Chen will be defeated, but in today's Ye Chen's view, obviously not enough!

Bang

Between the electric light and flint, ye Chen's strength and the strong sword intention of luojianzong's disciples are in a fierce confrontation.

The deep roar exploded, and the terrible wind swept all directions in an instant.

Hua Hua Hua

The strong fight, earth shaking, win or lose only in a flash.

Between the confrontation, the terrible momentum that broke out swept out towards all sides, as if the waves were pounding on the shore.

Ah ah

Under this terrible storm, with Ye Chen and the disciples of luojianzong as the center, some powerful Chinese martial arts experts who had just arrived at the top of the mountain to watch ye Chen's tragic death were immediately shaken out by the screams.

How can ordinary people resist the confrontation between the two strong men, even if it is a wave of air that overflows everywhere?

For a moment, the scene was chaotic and people were tumbling.

"Hum! shape without soul! Break it for me

Ye Chen didn't even take a look at the people who were shaken out.

He burst out with a sneer at the corner of his mouth.

Click!

Ye Chen's voice dropped, only to hear a burst of crisp voice, that luojianzong disciple's face distorted instantly!

"Ah, ah..."

When the scream came, the arms of the disciples of luojianzong were horribly twisted.

Blood mist, flesh and blood! In that scream, the white bones of the forest were exposed between heaven and earth.

And with the scream, the white bones, even turned into endless pieces, flew out.

With only one move, ye Chen abandoned the arms of luojianzong's disciples.

It's not his cruelty.

But the disciple of luojianzong killed every move at the moment when he took out the sword. He didn't need to pity.

Kindness to the enemy is cruelty to yourself.

Wow

In the middle of the sword, the one who was twisted was almost shocked by his face.

The scene in front of him completely changed Su Mingwu's expression.

Who could have thought that ye Chen was not only arrogant, but also so cruel!

He confirmed Ye Chen's purpose of killing the elder of luojianzong!

This kid is a bloodthirsty maniac!

Su Mingwu could not sit still. He took a look at the remaining disciples and said in a cold voice, "gather the sword array. Take this son, I want to live."

"Yes, Mr. Su!"

The remaining disciples of luojianzong stepped on three steps in a flash. The ground vibrated between the three steps!

The sword in everyone's hands is shaking!

"Whoosh!" With a sound, Qi Qi broke free and flew out!

"Broken Ning Sha array!"

With the roar of one of them, the sword that flies out flickers a red streamer, just like a blood wolf, toward Ye Chen's crazy biting away!

Dan Tian dare not block the sword directly, but the dragon will not move. Red streamer was torn on the spot!

There are many cracks on the surface of the long sword with handle.

It could collapse at any time!

How could it be!

No one thought that ye Chen broke this array so fast!

Even more relaxed!

It's only a few seconds!

Is Ye Chen still a master of array!

Looking at Ye Chen in front of him in a twinkling of an eye, all the disciples of luojianzong have left is a face of panic. For example, in the mire, at this moment, under the lock of Ye Chen's majestic breath, luojianzong's disciples even have no way to retreat.

Is this guy really from China?

Didn't you grow up in Kunlun?

When did China have such a strong man?

Boom

Looking at Ye Chen's unreasonable and powerful sword, the disciples of luojianzong are pale and frightened.

"Ah..."

Under the endless fear, these luojianzong disciples roared.

There is no choice but to resist.

Touch

In a flash, there was another roar.

There was no time for the screams.

"Click!"

There are also bursts of crisp breaking sound, and the naked eye can see that the chest of those luojianzong disciples collapses in terror!

Endless blood, such as the fountain gushing out, their bodies are suddenly flying upside down, mercilessly smashing into the chaotic crowd.

Just arrived at the top of the mountain, pan Guohua saw several bodies full of blood in front of him, and his expression changed completely!

Kunlun xuluojianzong's disciple has accepted the best resource cultivation since childhood. Now he can't rival a young man growing up in China!

Ye Chen can't be so evil even if he is cultivating himself in the womb.

"Mr. Su, help us!"

The seriously injured luojianzong disciple asked for help.

They can clearly feel the blood flowing all over their bodies.

Pain and suffering!

Su Mingwu no longer hesitated. He grasped it with five fingers and rushed out of his waist!

I was firmly in his hand.

"Stinky boy, how dare you hurt my luojianzong disciple? I want to die! Don't get down on your knees

At this moment, Su Mingwu was completely angry!

The momentum on the body seems to be burning!

"It seems that you really have the strength to kill elder luojianzong! I will avenge Ren Qiyun today

Brush brush

The cold light twinkles, the momentum soars to the sky!

In a twinkling of an eye, Su Mingwu's momentum soared to the sky, and his sword light cut through everything.

The horror of the killing machine, as if to let the world are frozen down.

Chapter 537

"How powerful

Feeling that swept by the breath, ye Chen's pupil suddenly contracted.

He found that he still underestimated each other!

"Break it for me

The cold light flashed and the sword came.

Ye Chen in the hands of the Dragon Sword crazy collision and go!

The two sword mats rolled up extremely violent waves!

"Bang!"

And then suddenly separated!

At this moment, ye Chen even felt his arm numb!

The real strength of Su Mingwu is in the fourth layer of Zhenyuan realm!

He underestimated it!

At least that's the power of exposure!

The violent shock still let Ye Chen's blood gas surge up.

"Stinky boy, if I were you, I would kneel down without hesitation! Dare to hurt my disciples and elders of luojianzong, you are the first one! It's going to be the last one! "

"Today I will let you understand that the firelight can never compete with the sun and the moon!"

"Falling Yin chop!"

Su Mingwu's eyes are full of madness. He doesn't dare to take it lightly!

With a sword, the sound of falling song breaks out.

Fall Yin chop!

This is Su Mingwu's famous sword meaning.

Before he set foot on Kunlun Mountain, he had been feeling the heaven and earth, comprehending the majestic atmosphere pervading between heaven and earth, and understanding the mystery of heaven and earth.

Fall Yin behead, when the move, the momentum is majestic, all living beings submit!

Ye Chen wants to stop without this qualification!

Hum

With the sound of falling song, the sword body vibrates, and layers of waves spread out like the essence.

Su Mingwu's whole body's true Qi erupts at this moment.

Boom

Just listen to a burst of roar, the fall Yin sword wave, as if into essence, hard to tear Ye Chen!

Crazy!

Li Xuanjun, a distant blood alliance, leaned against a huge tree and shook his head: "the gap between the two is too big. Although they are both the real yuan realm, after the real yuan realm, a small realm is the difference between heaven and earth."

"It seems that ye Chen is dead."

"Well, no matter who kills, it's the same."

"I don't know whether to die or not. I want to see how you can carry it!"

Pan Guohua and the rest of the rest of the Chinese martial arts circle, a grim and sympathetic smile.

In their eyes, the Kunlun virtual strong one sword, enough to break everything!

It is impossible to stop!

And at this moment, ye Chen subconsciously uses the sword to block!

But I didn't expect that the dragon sword was forced to fly out!

And ye Chen is also back a few steps, the corner of the mouth spilled a trace of blood!

Su Mingwu enjoyed the moment very much. He stepped out and said seriously: "Ye Chen, you are not my opponent. If you want to live, you should abandon your cultivation and kneel in front of me, and then go to luojianzong to make amends in person with me."

"Or you will die in agony

Ye Chen ignored and wiped the blood stains on the corner of his mouth with his hand.

At this moment, under the blood, the blood in Ye Chen's body began to boil.

Boom

A burst of roar, ye Chen is directly sacrifice the soul of the sword.

"It's just right. Try my master's sword skill!"

Soul out of the scabbard, as if stepping on the wind and waves!

Push the pedal

In a few steps, ye Chen's momentum soared to the peak.

Brush

With a sword, the sky is full of arrows.

It's blue and cold.

Nowadays, with Ye Chen's strength and strong fighting capacity, most of the warriors in the Zhenyuan area have to give up.

The swords are shot down, and finally merge into one. Ye Chen goes straight to Su Mingwu.

Come on, come on!

Under the extreme speed, the edge of this sword shows to the extreme.

Ding

There was only a slight noise, followed by a dull penetrating sound.

Cold light flashed, life withered.

Under this sword, Su Mingwu widened his eyes and looked at the sword inserted into his clothes in disbelief.

If he didn't dodge just now, this sword is enough to pierce his heart!

Ye Chen's sword is amazing enough and shocking enough.

"Ye Chen, what sect are you behind and where do you get this sword technique? Say it! Or die

Su Mingwu shook his wrist, turned his sword body, and flashed cold light, shooting at Ye Chen.

And ye Chen's zhenhunjian is not polite at all!

His whole body exudes blood red killing spirit. These days Chen Tianli taught him to use all his sword ideas!

Night, has been dyed red with blood.

Serenity under the night? It has already disappeared. At this moment, this open space is like the battle field of Shura.

Death's sickle is dancing. It's the soul sword in Ye Chen's hand!

Blood, has gradually dyed the land red.

The disgusting smell of blood permeates between heaven and earth, becoming more and more intense!

The sword and sword are shining, and the opportunity to kill is soaring to the sky.

In the face of Ye Chen's powerful strength, countless people can't help but suck a cold air.

Gradually, fear began to spread.

The existence of Ye Chen has made the situation uncontrollable.

What is more unexpected is that Su Mingwu, the powerful and boundless Luo Jian clan, can't help Ye Chen.

Su Mingwu is more and more frightened, his body is full of wounds!

Blood has dyed the clothes red!

The sword skill of Ye Chen is unheard of!

Not even a flaw!

How could it be!

Luo Jianzong is a school of sword cultivation. Su Mingwu's understanding of sword is more profound than any other young man!

But what's the matter now!

He is passive everywhere on the sword skill!

When he was flustered, Su Mingwu clearly saw that the sword in Ye Chen's hand seemed to turn into a dragon and devour it towards himself.

What is this move!

Sword wave terror, the essence of sword spirit, but now it is so domineering?

At this moment, what made Su Mingwu even more frightened was that his blood seemed to solidify in the concussion sound of his sword, which made him unable to move!

He could only watch the sword devour.

"Who the hell are you?"

Su Mingwu couldn't help it any longer and exclaimed.

Ye Chen sneered, did not answer, the town soul sword with cold killing, crazy and go!

Kunlun Xu's rules are so cruel. No matter the reason, if he didn't practice Chen Tianli's Kendo, he might be injured today!

He will not sympathize with anyone!

Su Mingwu realized that the situation was not right. He decided not to hesitate any more and took out a piece of sapphire directly!

Force out a drop of blood essence!

Blood essence collides with sapphire, and a terrible breath suddenly forms!

This is the magic weapon of Luo Jianzong! Is also Su Mingwu's biggest dependence!

He wanted to use it to deal with the strong man in the wonderland, but now it seems that he has to take it out!

Even if the tyranny of nature!

Ye Chen is a madman!

As soon as the jade comes out, the blood flows thousands of miles!

Puff!

Rao is at the moment, Su Mingwu did not make a move, just a momentum, he let the world change color, but also let Ye Chen's whole body Qi and blood roll, can not help but spew out a mouthful of blood.

In the gale, ye Chen's body, like a kite with a broken string, is lifted out directly.

That kind of substantive killing machine, like the vast ocean, let Ye Chen sink into it, and his whole body seems stiff!

Facing the power of sapphire, ye Chen feels small.

Ye Chen at this moment is like a grain of dust in the sky, like a lonely boat in the vast ocean!

Ye Chen stepped on a giant tree, just barely stable body.

At this time, Chen Tianli's voice resounded: "disciple, there is a strong man's power remaining in the blue jade. Once it breaks out, it is enough to kill others! Can I help you? "

Ye Chen took a look at the blood alliance people who had not yet started. His eyes flashed a little crazy and said, "master, you don't need to do it yet."

Chapter 538

"The stronger the opponent is, the more motivated I am in killing."

Between words, Ye Chen's eyebrow heart actually overflowed a ray of thunder and lightning.

Thunder and lightning are gradually spreading.

These thunder and lightning were absorbed by Ye Chen's life talisman that day!

Ye Chen knows very well that although the strong man of Luo Jian sect is difficult, he can't be afraid of the power of sapphire.

The real fear is those who have not started the blood alliance.

Chen Tianli's current strength can only support one move.

This move is his biggest card at present, and it can't be used easily.

What's more, his way of killing is most suitable for the present situation.

Su Mingwu in the distance glanced at Ye Chen indifferently. The jade was floating around him, and his breath was misty.

"Ye Chen, if you can let me sacrifice this kind of treasure, you have proved your value. At present, your only choice is to drop your weapon and come back to the sword clan with me. Maybe the Lord will be merciful and give you a complete body!"

"As a person of China, it's amazing that you can achieve this cultivation. But in front of my baby, the next second, you may only turn into a blood mist!"

Threat!

A naked threat!

In Su Mingwu's opinion, if he holds sapphire in his hand, he has this qualification!

At most, ye Chen's strength is Zhenyuan border. It is impossible to cross the border to kill people.

He ate Ye Chen!

Pan Guohua in the distance and all the onlookers also saw this scene.

"I said that it is absolutely impossible for ye Chen to fight against the virtual strong of Kunlun."

"There are people outside of people and people outside of heaven. Why doesn't he understand such a simple truth?"

"It's a pity that I finally became the first person in China. It's a pity to die so young."

"After tomorrow, it is estimated that the Chinese Ye family will also be banned. It is estimated that some Chinese martial arts families have already spied on such a good place."

"In fact, I'm also interested in that piece of land. Before ye Chen dies, I'll find a way to let the Feng family take it?"

An old man in white sportswear opened his mouth, his eyes were crazy and excited.

As soon as the words fell, a big hand suddenly appeared behind him, and it was even harder to pat him on the shoulder.

Great momentum!

That sportswear old man's face changed in an instant. The strength was just terrible.

He turned his head fiercely. When he saw the man who started to fight, he stammered completely:
"hundred li General I, I, I..."

Bai Lixiong snorted coldly: "that piece of land belongs to the Ye family now, and it will be the same in the future. If you dare to make the Ye family and the land again, I promise that after tomorrow, there will be no Feng family in Huaxia."

The sportswear old man nodded: "yes, yes, what you taught me is that I'm joking. Please don't take it seriously..."

Bai Li Xiong snorted coldly, did not speak, but looked at Ye Chen with burning eyes.

At this moment, ye Chen seems to be in the biggest crisis in history.

There are wolves before and tigers after. Kunlun people are not so active.

He wanted to help, but he couldn't.

For thousands of years, the people in the martial arts and Taoism circles of China had to obey the strong of Kunlun.

And ye Chen is the first to jump out to fight.

In the eyes of the outsider, it may be unconscious, but in the eyes of bailixiong, it has broken some kind of confinement of Chinese martial arts and Taoism.

Even death is the most valuable death.

Su Mingwu, holding sapphire in his hand, stepped out one step: "Ye Chen, how are you thinking? I'll give you three seconds to think about it. If you don't open your mouth again, I'll forcibly suppress it. Three, two..."

Su Mingwu's number is not finished, ye Chen's head is raised, cold eyes with a strong chill.

"No more."

"I'll give you one last chance to leave Kunlun Mountain and return to your Kunlun void. From then on, luojianzong and I have no more enmity."

Ye Chen's voice is very light, as if to say a common thing.

His body bursts of dragon chant has sounded, as if to devour something madly.

Su Mingwu was stunned and immediately his face turned ugly!

Obviously, it was this son who fell into the situation of death, but this son said in a high sounding voice that he would give luojianzong a chance?

Ridiculous!

Does luojianzong need an ant to give him a chance!

Su Mingwu's Sapphire broke out in a terrible light, and even blocked the sky and the sun!

"Little beast, I don't need you to give us a chance! Since you choose a dead end today, I will help you! Don't worry, we luojianzong pays attention to everything. After you die, all the people related to you will disappear unconsciously! "

Hearing this sentence, ye Chen's eyes are suffused with a trace of blood red, and the corner of his mouth is a cold smile.

"Looking for death!"With a long cry, ye Chen's body suddenly disappeared in place.

Boom

The powerful air waves rolled.

Nine days inside the body xuanyang Jue operation, Dan field energy such as volcanic eruption, ye Chen instant, momentum soared to a shocking point.

Black dragon phantom body decided to step out, ye Chen potential like lightning.

"How quick! How can it be! "

Finally, in the face of such Ye Chen, Su Mingwu widened his eyes.

How can this kid break out with such a heavy injury?

This speed of improvement It's shocking.

Rao is Su Mingwu, but he can't help but take a breath of cold air.

At this moment, ye Chen's momentum, good domineering, his speed, so fast!

"Hum! Ye Chen, it seems that you can not stay today, even if the speed is faster? If I'm right, you're just using some kind of trick. You think you can fight me?

You and I, like the moon and the sand, can not be mentioned! Today, I will let you know how big the gap is between you and me

After the heart is shocked, looking at Ye Chen who kills in front of him in a twinkling of an eye, Su Mingwu roars fiercely.

"Get the hell out of here!"

As soon as ye Chen Zhen's soul sword was swept down, Su Mingwu's wrist trembled, and the jade became a green sword!

Sword to the sky!

Hum

A flash of blue light burst into the sky.

This is the advanced sword skill of luojianzong!

Ding

Before ye Chen's zhenhun sword falls, Su Mingwu's sword edge Shengsheng carries Ye Chen's swift and violent blow!

Boom

The impact was deafening.

A real wave of air swept out in all directions.

In the heart of Ye Chen and Su Mingwu, within ten meters, the mountains and rivers are changing color, the vegetation is flying, and the sword spirit is vertical and horizontal!

"Little beast, get out of here

The two swords froze for a moment, and Su Mingwu suddenly yelled!

There's another burst of energy in the body.

Push the pedal

Under this energy shock, Ye Chen and Su Mingwu retreat backward at the same time.

Fully withdraw six or seven steps, stabilize the body shape, Ye Chen pupil faint contraction.

Only this move, you can see that Su Mingwu's jade is extraordinary.

Chapter 539

"Su Mingwu, you think you are very powerful. You want to kill me? Not enough! Between you and me, the gap is like bright moon and yellow sand? I'd like to see how wide that natural moat is! Today, I will step over that natural moat and cut you down to earth! "

Take a deep breath, Ye Chen looks serious.

The cold light in his eyes twinkled, and he cried out, "blood dragon, come out to me!"

The next second, a blood dragon directly rushed out of Ye Chen's body!

Dragon chanting!

In an instant into the sky above, and then suddenly fall!

Blood dragon virtual shadow as if overlooking mortals from a commanding position, once started, it is to destroy everything!

Seeing the blood dragon coming out of Ye Chen's body, Su Mingwu and the blood alliance's people's expressions completely solidified.

There are a lot of people who can become the virtual shadow of the supernatural beast in Kunlun.

But it's the first time they've seen it!

This also indirectly explains Ye Chen's natural talent against heaven!

"What is the origin of this boy?"

Su Mingwu set off a storm in his heart!

He hasn't responded from the dragon blood!

"Ten thousand flying swords!"

A long cry, ye Chen wrist a shake, streamer swept out!

This is a move Chen Tianli taught him. There is no need to hide it.

In the face of a strong enemy, ye Chen should be quick to fight and make a quick decision. At this moment, he will be full of combat power!

Whew

The streamer shoots out, and the sword spirit soars to the sky!

Among the sharp sounds of breaking the sky, there was a roar from hell.

The cold light, as if from hell, represents the scythe of death.

The blood dragon roared and got into the sword directly!

Dragon, sword, at this moment, one!

Towering momentum seems to condense everything!

"What a powerful sword skill!"

Ten thousand flying swords, the sword takes a hundred steps, within a hundred steps, all things submit!

Ye Chen's ten thousand flying swords, though only a small success, but its power is absolutely amazing.

What's more, under the support of the blood dragon's virtual shadow, the momentum of this sword burst out, which makes people feel cold.

Rao is the elder of luojianzong. Su Mingwu can't help but shrink his pupils!

"No way!"

Feeling the cold killing opportunity, Su Mingwu roared loudly.

Compare sword technique? There are many schools in Kunlun that can compete with Luo Jian sect!

But it can't come from China!

It can even be said that all the Chinese swords come from Luo Jianzong!

"Break the sky!"

At the moment when Wan Dao's flying sword reaches his body, Su Mingwu's green sword, which is made of sapphire on his wrist, shakes and shoots out the sword spirit.

A flying sword can cut off the air waves in front of you, and fight against Ye Chen with the sky as the potential!

Boom

The two swords collide with each other and burst out with dazzling brilliance! A strong momentum, such as a volcanic eruption, soared into the sky.

Although Wandao flying sword is powerful, it is still resisted.

"Not good!"

However, Su's face suddenly changed.

At the same time, Ye Chen has been killed.

Carrying the potential of thunder!

At this moment, this life Rune's Tiandao thunder robbery is released crazily!

And ye Chen is no longer full of red light! It's the crazy lightning!

Lightning around the whole body, now ye Chen seems to be the real king of thunder road!

Control everything!

That violent blow, such as Xuan thunder, makes people shudder.

"Damn it! How can this boy have such a powerful skill! "

Su Mingwu's eyes turned red.

He did not expect that ye Chen's attack was so fierce.

Boom

Under barely resisting, Su Mingwu uttered a muffled hum and sprayed a bloodstain in his mouth, and the whole person flew backward.

Ye Chen with the potential of thunder, severely hit, speed than before fierce more than a little bit!

Tyranny is boundless! Su Mingwu's power to resist the shock of thunder and blood.

"Luojianzong's sword technique? But so it is

Ye Chen sneered.

"Come again!"

The zhenhun sword in Ye Chen's hand has been changed by him.

Thunder and lightning rolling, evil spirit surging, ice covered, wind dancing!

The five elements of heaven and earth are all within this set of swordsmanship.

Apart from practicing in the samsara cemetery, he never took out ten thousand swords to respect Chen Tianli's sword skills!

And now, Su Mingwu is his best companion!

Born in killing and withering in death!

In the face of such an offensive, Su Mingwu, who fell into the downwind, was forced to retreat by Ye Chen. For a moment, there was no chance to breathe! If it wasn't for Luo Jianzong's sword technique, how could Su Mingwu hold on to this moment?

"Boom..."

Finally, with a burst of roar, Ye Chen's zhenhun sword chopped off Su Mingwu's sword.

The sword turned into a piece of sapphire again.

But there is a crack in the jade!

"If you want to destroy the Ye family, I'm afraid you will never have a chance again!"

Ye Chen's cold words resound through!

As the elder of Luo Jian clan, the long sword in his hand has been cut off. What's the threat?

The corner of Ye Chen's mouth leaks out a trace of scorn.

Looking at Su Mingwu, who was shocked to fly out and spurt blood, his eyes flashed with cold light, and a talisman with violent thunder and lightning was sacrificed directly!

Kill the move, heaven and earth change!

Animals come, mountains and rivers move!

The aura is full of terror. At this moment, all kinds of animals are collapsing and mountains are coming!

"No..."

When he smashed it to the ground, he spat out a mouthful of blood, and his internal organs seemed to be broken. Looking at the talisman from suppression, Su Mingwu's eyes flashed a trace of panic.

Despair, fear This moment permeated Su Mingwu's heart.

This is Ye Chen's strength?

Is he really just a real Yuanjing?

Why is the combat power so powerful!

Even if you are at the top, can you really fight with Ye Chen?

At least, you can't crush Ye Chen.

Only when he really fights with Ye Chen can su Mingwu feel his strength.

Such as the tide of cold killing intention, the ever-changing sword technique, the swift and violent flying sword, as well as the thunder like talisman!

Su Mingwu finally knew what kind of enemy he had offended! He finally knew how ignorant and naive he was to kill Ye Chen and ask for credit!

"No Ye Chen, you can't kill me... "

Boom

With a roar, his hands clenched the sapphire, and forced to bear the sweeping of beasts and the suppression of aura. Su Mingwu's canthus was about to crack.

It's like he's going to blow his eyes.

The threat of death? How many years has Su Mingwu never felt this?

He's scared!

He doesn't want to die!

"I am a member of luojianzong. I am an elder of luojianzong's war hall! If you kill me, I will not let you go! The Lord will certainly tear you to pieces

"If you kill the rest of the people, I can plead for you. There is still room for maneuver. But if you kill me, things are really out of control."

The spirit Rune above the top and down carries the power of beasts, like the vast sky! How can su Mingwu's broken sapphire be easily blocked?

The body is shaking, the flesh and blood are collapsing.

The blood in the mouth overflows unceasingly, Su Mingwu's waist, was bent, his leg, was pressed kneeling!

At this time, Su Mingwu, such as mole ants, struggled for survival.

He's scared! He hoped Ye Chen would let him go.

Chapter 540

"Lord of luojian sect? What if he came! I said, you are the beginning! Luojianzong wants revenge? Just come here! "

Ye Chen has a sneer in his mouth.

From the beginning to the end of the battle, there are not many moves to fight! Ye Chen formed rolling.

Chen Tianli gave him the sword skill, too strong! Even let the other party have no breathing opportunity!

And then they will completely suppress each other with a magic charm.

Feel the powerful heart of wanzhang!

This is the fighting power of oneself now!

Although this kind of strength still has many in the Kunlun void!

At least after today, he will step into Kunlun again, and he will not be as embarrassed as he was five years ago!

In those five years, no one knew how frustrated he was in Kunlun!

Revenge! He suffered a lot!

The rejection and disdain of all the patriarchs were vividly visible in his mind!

People with common roots are not worthy of cultivation?

He wants everyone to see how the mortals counter attack!

As for luojianzong?

Ye Chen is fearless!

If he let Su Mingwu go, would luojianzong let him go?

No!

Since both sides have been unable to resolve the enmity, why lower the head of pride!

Luojianzong will come as soon as he wants! Ye Chen is waiting!

"Kill me!"

Think of this side, ye Chen eyes more and more prosperous.

Boom

Under Ye Chen's full urging, the aura makes a crazy roar.

That touch of blue light, straight to the sky, carrying the power of heaven and earth, rolling down.

Pooh hee

In a scream, Su Mingwu's arms were shocked!

"Ah, ah..."

Blood and flesh flying, forest of white bone, inch inch fracture, Su Mingwu's scream, tearing heart and lung.

Boom

It's not over.

Along Su Mingwu's burst arms, the talisman is irresistible.

"Ah, ah No Let me go Ye Chen, please forgive me... "

In Su Mingwu's screams and howls, his body, burst, his legs burst.

Finally, with his body completely turned into blood mist, the green light of the aura covered the whole Kunlun mountain!

The screams stopped abruptly.

Whoosh, whoosh

On the top of Kunlun Mountain, the only thing left is the roaring wind and the blood mist that permeates between heaven and earth.

"Take it

Until now, ye Chen shook his wrist and took back the talisman. Looking at Su Mingwu, who was turned into a piece of meat and mud, a sneer of disdain flashed across the corner of his mouth.

"Su Mingwu is dead! Next, it's you. "

Exhale a breath, calming the turbulent Qi and blood in the body, ye Chen's eyes shoot toward the direction of blood alliance.

Su Mingwu is just the beginning.

Today is the beginning of his road of killing Kunlun!

Since luojianzong and Xuemeng want to play? He will accompany him to the end!

Holding the samsara cemetery in hand, what is Ye Chen afraid of?

Who is the hunter and who is the prey?

Only at the last minute.

At this moment, ye Chen's eyes seemed to freeze.

The whole top of Kunlun Mountain fell into a dead silence.

Pan Guohua's schadenfreude changed completely.

Who could have thought that ye Chen could still survive in the face of Kunlun's virtual strong.

Not only survived, but even crushed each other!

How could it be!

Even if ye Chen is against the weather, it can't be like this!

At this moment, pan Guohua put aside the heart of contempt, he even some regret.

Why should I offend Ye Chen?

If ye Chen really survived today, who can resist this boy?

He even had the intention of apologizing in his heart. On that day in the great hall, he forced Ye Chen to take away his military rank and the commander-in-chief of dragon spirit!

If ye Chen wants to kill him today, he has no qualification to stop him!

Bai Lixiong and all the people were still, just like a sculpture.

They held their breath completely.

Even some people even rubbed their eyes, and their astonishment was hard to hide!

Just as the onlookers were distracted, a clear applause resounded.

Not far away, Li Xuanjun of the blood League clapped his hands.

"Pa Pa Pa Pa Pa!" The sound was extremely clear.

"Ye Chen, ye Chen, you are really unpredictable. You can kill people by leaps and bounds, and even gather the blood dragon's virtual shadow. I have to say that you are one of the few talents I have ever seen. Even in Kunlun, you have no reputation."

Li Xuanjun has come to Ye Chen not far away, applause stopped.

"Ye Chen, would you like to join my blood League! Although the reputation of our blood League in Kunlun is not so good, what is luojianzong! Your strength, join us, I promise you, give you the best training resources! Even the blood alliance will spare no effort to cultivate you" As long as you nod your head, you can become the elder of the blood League within three years! Under one person, above ten thousand people! You can control the power of countless blood alliance, pills, beauties, opportunities, you all have

As soon as this word comes out, those who are strong in blood alliance and those who are watching take a breath of cool air one after another!

This is the olive branch of Kunlun xuxue League!

Envy others!

Key Li Xuanjun also promised Ye Chen to become an elder in three years!

How many people can't get this honor!

How can ye Chen get these things without any reason!

Innumerable double envious eyes shoot toward Ye Chen together!

In their opinion, it is almost impossible to refuse!

"I hate killing. I advocate solving things peacefully, ye Chen. This is the best result for us. I can feel that the true Qi in your body has been used a lot, even with some injuries. What do you mean by more than twenty swords? It's very clear to us what the sword represents

Li Xuanjun seems to think it is not enough. He has a colorful jade in his hand. He throws it gently and goes towards Ye Chen.

"this jade is a seven spirit sword heart jade, which is also an invaluable treasure in Kunlun Xu. It should be a meeting gift of my blood alliance."

Ye Chen holds seven spirit sword heart jade in hand, Mou son has a trace of deep excitement.

This seven spirit sword heart jade ability is very useful for the samsara cemetery!

Seeing ye Chen's greedy eyes, Li Xuanjun seems to have settled everything.

It's much cheaper to buy a man than to kill him.

What's more, although the seven spirit sword heart jade is precious, it can't compare with Ye Chen's rebellious sword skill and secret!

When ye Chen becomes a member of the blood alliance, he naturally has a way to get these secrets.

At the time when all people are sure that this matter will end peacefully, ye Chen smiles.

The power of his five fingers exploded, and the seven spirit sword heart jade instantly turned into a colorful powder.

Innumerable aura and ability overflow, the whole Kunlun Mountain, the storm surged!

"You Li Xuanjun looks ugly!

He just wanted to speak, ye Chen has already opened his mouth: "blood alliance this kind of rubbish force, I can't look up to! As for the elder of blood League, what's the matter? In my eyes, garbage also defiles this word

As soon as he said this, Li Xuanjun and those powerful members of the blood League looked ferocious!
