

Physician 5311

Chapter 5311

But, at this time, a golden light is an instant flash, the sword light that seems to be extremely sharp twisted into pieces.

Lou Yuxiao was stunned and looked at the woman with golden eyes in the sky. He frowned and said, "master, this is..."

Golden eyes woman light way: "anyone must not interfere with other people ascend dragon platform."

Building rain Xiao smell speech, brain buzz of a, complexion suddenly pale!

She remembered Ling Ziyan's father's instructions before she died

For lingfu, Lou Yuxiao always feels guilty. If lingziyan dies like this, how can she be worthy of lingfu's help?

Lou Yuxiao's pupils trembled and some hysterically roared: "Damn, ye Chen, stop!"

"Are you crazy? You will die

"Stop it for me, or I will make your life worse than death when Longmen grand meeting is over!"

But, no matter what she said, ye Chen was not moved at all!

Even the speed of walking didn't change!

Lou Yuxiao, I'm going to cry!

The next moment, she took a deep breath, opened her mouth again, and yelled to Ye Chen: "Ye Chen! I'm wrong. I believe in your strength. Please don't go any further. Don't worry. I swear with my heart that you will stop now. I promise I won't retaliate against you... "

She was biting her lips, humiliating in her beautiful eyes!

This is the first time in her life to ask for help!

Ye Chen, win!

In order to make ye Chen stop, she did everything

All the people look at Ye Chen with disgust on their faces!

At the moment, they also understand that this mean person is taking the child's life to threaten the building goddess!

It's worse than pigs and dogs!

They are all ready. Even if ye Chen doesn't die after his failure, they will kill the boy for the goddess of building!

Only Ling Ziyao hugs Ye Chen tightly. From beginning to end, there is no fear in her big eyes.

To Ye Chen, she is absolute trust.

Suddenly, ye Chen raised his head and looked at Lou Yuxiao on the Shenglong platform. He said faintly, "Lou Yuxiao, do you think I can't get on the Shenglong platform?"

How does the frog at the bottom of the well know how the giant dragon above the nine days soars?

I want to tell you that you overestimate yourself and underestimate me too much. In my eyes, it's just a child's game. What's the need for aura!

Now, open your eyes and give me a good look. What is Tianjiao? "

Also at this time, ye Chen a foot, stepped on the ladder that ascends the Dragon platform!

But Lou Yuxiao's beautiful eyes are full of despair, and Ling Ziyan is hopeless

She is wrong. Ye Chen is not a liar

It's a paranoid psycho!

Even without aura, what kind of pride do you think you are?

But, at this time, an incredible scene appeared!

See, leaf Chen's step is gentle, unexpectedly is a step by step to ascend the Dragon platform to walk!

Speed is not fast, not slow, just like leisurely general!

Ling Ziyan opened her big eyes in Ye Chen's arms and looked around curiously. How could she feel any discomfort?

Everyone saw this scene with eyes wide open. They were so surprised that they couldn't close their mouths and their brains would burst!

Ye Chen actually passed through several gates?

How is that possible?

It seems that there is only one reasonable explanation that you can cross the dragon's gate without aura

That is, ye Chenguang's physical strength has exceeded the limit!

Is it true that none of the mythical beasts in the legend has such a terrible body?

Even not yet on the stage of Shen Yuan is too empty, looking at Ye Chen is the vision slightly twinkled up!

And wait for public reaction come over of time, ye Chen already completely ascended to ascend Long Tai!

Successful

A person without aura has successfully boarded the Shenglong platform!

The martial arts on the scene were almost shocked to death

Lou Yuxiao is completely stupid now. On the one hand, she is happy that Ling Ziyan is still alive. On the other hand, she is angry for ye Chen's scolding and sarcasm!

But, just as it happens, she can't refute Ye Chen completely!

For a time, Lou Yuxiao clenched his fists, and his heart was wronged!

Ye Chen is to hit her face!

It's her, frog in the well!

But there's no need to go so far, right?

Who would have thought that there is such a perversion in the world?

At the same time, ye Chen's face moved and looked behind him. He saw a young man in a white robe coming from behind him.

All of them were surprised again. The man was too empty!

The mysterious son of Shenyuan did not know when he came to the stage directly?

They didn't even see it! At this time, the woman with golden eyes saw that no one continued to step on the stage, and immediately said: "well, this is the end of stepping on the stage. All of you who ascended the dragon's platform have officially participated in the dragon's gate grand meeting. Now, you can start the fish and dragon fight.

You can challenge anyone on the Dragon platform. "

There are not many demons on the Dragon platform. Today, there are more than ten people.

After ye Chen boarded the Dragon platform, he suddenly had a look of joy

At the foot of the Dragon platform, contains a very strong dragon spirit, the most important thing is that the Dragon Spirit and the keel in his body are very compatible!

That is to say, he can absorb the Dragon Qi in Shenglong platform!

If he absorbed all the Dragon Qi, even if he didn't have the Dragon Spirit fruit, he might recover part of his injury!

Surprise!

At that moment, ye Chen directly sat on the Dragon platform and began to practice!

The warriors under the stage, seeing this scene, are stupid again

Ye Chen is not unexpected will die?

Every time, do this kind of incomprehensible thing?

For a time, the Tianjiao on the stage are all frowning slightly. Ye Chen is disrespectful to the dragon's gate grand meeting.

They're all here to compete. Are you the only one?

Look down on them?

However, these people don't mean to challenge Ye Chen for the time being. Even if ye Chen passes the dragon's gate, in their opinion, it is also the existence of the bottom strength on the Dragon platform.

To challenge him is to surrender.

At this time, a young man in a silver shining armor suddenly stood up, looked coldly at liehailong and said, "liehailong, I want to challenge you!"

The fierce sea dragon face has no facial expression, walked slowly to ascend the Dragon terrace center.

The fierce light in the young man's eyes flashed and said: "just now, it was my brother who was injured by you. I want you to pay back his pain ten times and a hundred times!"

Strong sea dragon smell speech, just some impatient tunnel: "you, too much nonsense."

Hearing the speech, the young man of silver armor appeared a ferocious color on his face. With a low drink, his whole body was covered with silver armor and silver electricity. At the same time, he also had a silver spear in his hand. With a clear sound of the spear, he killed the fierce sea dragon!

On the tip of the gun, there is some kind of power, heaven and earth, as if all changed in this gun!

This young man has understood the law!

Chapter 5312

People can't help but feel excited. Maybe there will be a big war between the young man and lie Hailong!

But, the next moment, fierce sea longan in a flash, unexpectedly is a hand, directly grasp the gun in the hand!

Immediately, his body was in a flash, then appeared in the young man's body, a blow out!

As soon as the young man's face changed, the lightning on the silver armor became brighter and turned into a thunder net!

But

The fierce sea dragon's fist is unexpectedly as if the insulator is general, directly ignored that thunder net to smash fiercely on the armor!

With a click, the armor was cracked by this blow!

With a puff, the young man's blood gushed out of his mouth, and his whole body flew upside down and fell directly under the Dragon platform!

Scene, a dead silence!

One move, second defeat!

Although they are in the same realm, the strength of lie Hailong and the youth are obviously not on the same level!

Someone sighed: "there is also a gap between demons and demons. It is not unreasonable that heaven level forces can become heaven level forces."

Ling Ziyang is in a daze at the moment. She can't understand lie Hailong's fist, but the rhythm gives her some insight

At the moment, her big eyes flickered when she heard someone talking under the stage.

The forces in the inland sea are divided into four levels: Heaven and earth, xuanhuang, and Tianji. Tianji is the group of forces at the top of the pyramid in the inland sea.

However, it does not mean that heaven level forces are invincible!

On top of the heaven level forces, there are people in the inland sea who are called Siyin!

What is "four hidden"?

Four hidden forces are the four hidden forces!

These four hidden forces are the real giants in charge of the internal sea. However, the four hidden forces have one common feature: they do not interfere in the disputes in the internal sea or even the whole sea area.

The four strong men who presided over the grand meeting of Longmen came from the four hidden forces.

They are Shenyuan, Xugong, luochahai and tianlongdian.

These are what Lou Yuxiao told her on the way.

Ling Ziyuan looks at lie Hailong. This is the evil of heaven level forces. How many moves does Master need to defeat him?

Next, there are always Tianjiao challenging each other. Basically, all the people on Shenglong platform have fought with others, and each has its own victory or defeat.

Generally speaking, the strength of the people on the platform can be divided into three levels.

Four hidden Tianjiao, for the first file, qintian, long Shaoyou, yushula, Shenyuan Taixu, no failure.

The heaven level evil is the second level,

the fight between the dragon and the fish does not mean that the battle is defeated and you have to leave. As long as you are not shot down by shenglongtai, you are qualified to continue to fight for the name of the dragon!

This challenge can be regarded as the elimination of the arrogance who is a little inferior to the silver armored man!

Soon, there were only ten people left on the stage, including Ling Ziyan!

But only two people, until now has not shot!

That is, ye Chen and Shenyuan are too empty!

Shenyuan is too empty to fight. It's understandable that he is the king without a crown. In fact, this time the dragon is in his pocket. Even Tianjiao, who also came from Siyin, doesn't want to fight Shenyuan now.

Even if you really want to fight, it's only after you lose all the people on the Dragon platform and use this proud victory to stabilize your mind, then you can move!

Otherwise, before the war, they will be suppressed by the invisible power of Shenyuan Taixu!

But ye Chen is still like a dead snake. He doesn't move on the stage. Does he really regard this place as a treasure land for cultivation?

This makes many people can't see it!

Even Shenyuan Taixu frowned slightly!

At this moment, lie Hailong suddenly appears in front of Ye Chen, looks down at Ye Chen coldly and says: "boy, this is Shenglong platform, the place where martial arts exchange. Do you take this place as your home? Still here? Your meridians and elixir fields have been destroyed. How can you practice? No matter how to practice, it's a waste!

I'll give you three breaths, either fight me or get out of the stage by yourself

In his opinion, ye Chen is obviously pretending!

Ye Chen's meridians are broken and his elixir field is destroyed. Is cultivation useful?

But I'm afraid. Let's avoid the war!

Lie Hailong is a Wuchi. In his mind, this shenglongtai is sacred. Ye Chen, such a coward, is insulting these strong men to stay here!

In the final analysis, he still looks down on Ye Chen!

Even if ye Chen passed the dragon's gate!

But at the moment, ye Chen's whole mind is immersed in the absorption of dragon Qi. Where can he take care of the fierce sea dragon?

Although the Dragon Spirit in Shenglong terrace is rich, it is hidden in obscurity. If ye Chen didn't have the keel, he might not be able to find it!

Therefore, for most people, ye Chen is no different from sitting in a daze! In the fierce sea longan, the killing machine is flourishing, he looks bleak and says: "boy, the time for three breaths has come, is it you? Or shall I take you down? "

However, to everyone's surprise, ye Chen didn't say a word until now, as if he was really practicing!

When liehailong saw this, he was angry, and his face was completely frozen.

He is full of aura and runs very fast. The whole person is like a tiger ready to go, exuding a very dangerous atmosphere!

Just when lie Hailong is about to make a move, Ling Ziyan suddenly blocks Ye Chen's body and stares at lie Hailong firmly: "my master is practicing. Don't disturb him!"

Lie Hailong glanced at Ling Ziyang lightly, but at the moment, he didn't mean to stop. He breathed and breathed. There was a kind of overbearing charm all over his body. It seemed that he wanted to sweep away everything in front of him!

Lou Yuxiao saw this, his face changed, and suddenly a sword came out. The mysterious sword rhyme, like the wind, swept away towards the fierce sea dragon!

The fierce sea dragon that is preparing to shoot to Ye Chen sees this, the facial expression a change, fiercely shout a way: "tiger shape overlord boxing!"

A tiger roar resounded from Longmen island. A bone fist appeared on liehailong's fist. With a strong fist, he flew towards Lou Yuxiao's sword Qi. A lifelike tiger shaped fist seal, he made a fierce attack towards the fierce wind of sword Qi!

With a loud bang, the attacks of both sides disappeared. It looked like an equal share, but!

All of a sudden, there was a crash on liehailong's arm, a lot of blood gushed out, and a sword wound with deep visible bone appeared!

Looking at the sword wound on his arm, lie Hailong looked ugly and said, "Lou Yuxiao, do you want to block me?"

Lou Yuxiao looked at lie Hailong coldly and said, "you can kill the girl named ye, but if you touch her hair, I want you to die."

The fierce sea dragon's vision, instantly insidious, in the atmosphere between the two sides, almost a little bit about to detonate, a faint man's voice, sounded on the Dragon platform!

"It's you who want to hurt my apprentice?"

Chapter 5313

The audience was shocked when they heard the speech. They were very familiar with the voice!

See only, originally all the time "close one's eyes to nourish one's spirit" leaf Chen, at the moment already opened two eyes, slowly stood up a body.

Seeing this, Lou Yuxiao said anxiously, "you What are you doing up now? "

Although she said it was for Ling Ziyan's sake, in fact, she also intended to help Ye Chen. After all, she just slandered Ye Chen, which is a little compensation for her

But this guy just got up at this time?

The warriors under the stage also shook their heads and looked at Ye Chen's speechless face.

This boy is a madman. Don't you see Lou Yuxiao protecting him?

You don't know how to praise me, you jump out by yourself?

Do you think you will be invincible after passing the dragon's gate?

Lie Hailong looks at Ye Chen and says sarcastically: "why, have you gained anything after practicing for so long?"

"Harvest? That's true. "

As soon as ye Chen's voice fell, the bones in his body suddenly crackled, and a very powerful dragon Qi rose from his whole body!

Associated with, leaf Chen whole person all some dragon, a piece of dragon scale, from his body surface born!

Seeing this, long Shaoyou in Tianlong hall was a little surprised and said: "what a strong dragon spirit What's this, keel? He has a keel? "

At the same time when ye Chen turned into a dragon, the aura of the whole Longmen island and even the whole sea area was inspired by it!

In an instant, a huge five color vortex appeared on the top of Ye Chen's head, turned into a funnel-shaped aura cloud, and quickly poured into Ye Chen's body!

Originally, ye Chen had no aura, but now his breath was climbing wildly!

In the blink of an eye, it is back to the beginning of heaven and earth!

However, just after breaking through the realm of heaven and earth, the five color spirit cloud dissipated.

It's not lack of aura, it's just that his body is full

Although this dragon Qi has restored many meridians and even elixir fields for ye Chen, it is not enough to restore him to his heyday. Now, ye Chen can only restore part of his accomplishments temporarily

His eyes flashed slightly. At the moment, his fighting strength probably returned to the level of the seventh heaven in the real world. With the help of Shuo Lao and Xuan Hanyu, he could reach the level of the eighth heaven!

It seems that it has basically recovered. In fact, it is not at all!

For ye Chen, it will take some time to recover to the peak!

The gap between realm and combat strength is huge. It is not so easy to make up for it.

And now people are looking at stupid ah!!!

They have seen the breakthrough after cultivation, and have not seen the breakthrough directly from the lack of cultivation to the realm of heaven and earth!

Ye Chen completely broke their thinking of martial arts, which was beyond all common sense!

Even the four hidden forces sent to the strong, are slightly surprised at Ye Chen.

Seeing this, lie Hailong was stunned, and then roared, "heaven and earth? Ha ha, what's the use of recovering this cultivation? You are still a coward, don't you dare to accept the challenge? "

Hearing the words, people's eyes flashed slightly. They really went straight to heaven and earth. They seemed to be against heaven. In fact, in front of a group of real demons, they didn't see enough.

Ye Chen's face looks at him without facial expression, suddenly peeped out a put on sneer way: "dare not? You deserve it, too?

Even if you kneel down and beg me now, I won't let you go. Don't you dare? Give you a face? "

For a moment, the whole Longmen island was dead

All the warriors under the stage are looking at monsters. Looking at Ye Chen, they are fierce sea dragons!

It's really a strong sea dragon to kill with one hit!

Ye Chen should be so provocative to him?

Lou Yuxiao is frowning now. She can't help Ye Chen

Ye Chen's attitude now, in the eyes of the four hosts, undoubtedly accepted the challenge of lie Hailong.

Then, no one else can step in!

She couldn't help but scold in secret: "this guy is too arrogant, too. Can he die?"

But now it's too late to say anything.

The rest of the people on the Dragon stage are also looking at Ye Chen with a playful look on their faces. Well, they are waiting to see a joke.

No one thinks Ye Chen will be a rival of lie Hailong.

Only one person is the exception, Shenyuan is too empty!

At the moment, his eyes twinkled and he didn't know what he was thinking.

And lie Hailong, ridiculed by Ye Chen, can't bear it at last!

He was a man who would kill people if he didn't agree with his words. He was not a good tempered man!

Fierce sea dragon whole body appeared numerous ferocious green veins, roared a way: "Dragon Tiger add body!"

At the next moment, a dragon shaped virtual shadow and a tiger shaped virtual shadow will float around liehai dragon. When these two virtual shadows appear, their breath will soar again, and they have

broken through their limits! Lou Yuxiao's face changed slightly. This fierce sea dragon can block his sword just as he was. Unexpectedly, he has a backhand!?

Now the state of the breakthrough lie Hailong, if you fight with her again, I'm afraid, even she may not be able to defeat each other!

Ling Yusheng's eyes narrowed slightly, gently shook the folding fan and said: "brother lie, it seems that he has been really stimulated. The secret of not spreading on the island of Haihuang has been displayed. It's said that the dragon tiger body is the supreme secret skill handed down from the time of flood and famine. It's extremely difficult to practice it, but once it's completed, it's boundless power. You can borrow the power of the dragon and sky tiger!"

As he said this, he took a playful look at long Shaoyou and said, "it's said that to cultivate this secret skill, you need the spirits of tens of millions of dragons and tigers. Ha ha, I don't know if there are any disciples in the Tianlong hall?"

Sure enough, at the moment, long Shaoyou's face is already gloomy!

Before liehailong, the reason why he didn't use the dragon and tiger's body was that he was afraid to travel to the dragon. But now, he's desperate. He only has the idea of crushing Ye Chen in his mind!

The next moment, fierce sea dragon face show ferocious smile, body shape a flash, then with the power of dragon and tiger, appeared in front of Ye Chen!

Fierce sea dragon suddenly drinks a way: "Dragon Tiger double form, God King destroys boxing!"

The virtual shadow of dragon and tiger, which gathered the spirits of thousands of dragon and tiger, burst out in an instant, and all the warriors under the Dragon platform could not help retreating a few steps!

Their eyes were full of horror. At the moment of fierce dragon's fist, there seemed to be countless angry and crazy dragon and tiger rushing towards them!

Lou Yuxiao's sword spirit is also subconsciously sent out. The fist of lie Hailong makes her feel a threat of life and death!

But, at the moment, ye Chen is still keeping cool color!

In a flash, the Dragon Tiger fist seal has arrived in front of Ye Chen!

In front of everyone's eyes, it seems that ye Chen has turned into powder under this anti heaven fist!

However, at the moment, ye Chen is boring to shake his head: "this is your base gas? How ridiculous

Chapter 5314

At the next moment, three soul seals flash in Ye Chen's eyes, and the soul body transforms and displays. At the same time, the blood burning formula, the body of the demon and so on all explode!

Feeling the power of surging out of the body again, ye Chen's mouth can't help floating a satisfied smile!

He gazed at the shadow of the dragon and tiger, and said with a shrill voice, "soul devouring and heaven penetrating!"

A giant virtual shadow with a long sword and a flame appears in front of Ye Chen's body in a moment. He cuts out the dragon and tiger fist seal that looks so frightening!

From the appearance of virtual shadow to the attack, it is almost in an instant, even without time interval. It is fast to the extreme!

At this moment, time seems to be in stagnation!

The Dragon Tiger fist was stiff in the air for a moment, but it began to twist like a phantom, and then burst into pieces with a roar!

It seems that the seal of dragon tiger fist is torn to pieces by Ye Chen's simple idea!

Fierce sea dragon complexion crazy change, its eyes crazy tremble, see to Ye Chen ask a way: "how do you do after all!"

The secret of Haihuang island is how strong he is. In order to cultivate him, the island leader has hunted and killed tens of millions of dragons and tigers for him in the past 100 years, and has used cruel means to help him to practice this magic skill. Even in the face of a little higher than himself, lie Hailong is confident that he has the power of World War I!

Is the boxing power refined from thousands of spirits a child's play?

But, in front of Ye Chen, it seems that it is really a child's play!

Ye Chen said faintly: "it's not bad to turn soul power into fist power. It's just that, after all, it's the wrong way. External power comes fast and goes fast!"

When liehailong hears the words, his pupils shrink. This is really the loophole of dragon and tiger's unique skill. It's not that he can easily destroy it if he sees this point!

Unless, this person is highly accomplished in the conversion of soul and martial arts, and has the soul power to defend the world!

Even the island owner may not be able to do it. How can this boy succeed?

He roared hysterically: "boy, I don't care what you do, you still have to die. Even if you don't rely on the power of the dragon and tiger, I can still crush you to death!"

As soon as the voice fell, lie Hailong called again. This palm contained all kinds of changes. He claimed that the formation was magnificent!

Although it's not as powerful as the Shenwang miequan that the dragon and tiger played after they were added, it's also the strength of lie Hailong to the full!

Ye Chen's face was expressionless, his wrist turned, and a dark sword appeared in his palm. He said faintly: "let's see before you die, what is the real skill of soul martial arts!"

In a flash, his powerful body turned into soul power, poured into the evil sword in his hand, and stirred up a moonlight like sword!

Ye Chen didn't hesitate at all. He cut out the sword with one sword and fell down with his hand!

The sharp sword light collides with the seal of liehailong's hand, and its formation is full of changes. Under this sword, it turns into nothingness

At the same time, there is liehailong who turns into nothingness

His body was swept by the light of the sword, which divided the whole person into two parts from the middle of his body. In the next second, he could not bear the power and burst into a blood mist. Even his spirit disappeared, which became the nutrient of the Sha sword.

Until his death, he still had a fierce and proud look of winning

Only eyes, with a faint but indelible fear.

At this moment, the scene is still. Even Tianjiao, who was born in Siyin, looks a little ugly at the indifferent youth in front of him, except Shenyuan Taixu.

They don't know, changed for them, can block leaf Chen this sword?

All the warriors under the stage were silent

At the moment, their brain is blank, only the words that ye Chen said before he passed the dragon's gate reverberate around their ears

Open your eyes, give me a good look, what is Tianjiao!

Kill liehailong with one second!

Siyin Tianjiao, is that all?

Lou Yuxiao also has a dull face. She is the most outstanding disciple of lintianzong under the age of 100. You can imagine her pride. Even if ye Chen just passed Longmen, she didn't really recognize Ye Chen when she went upstairs

But now, a smile of self mockery appeared in the corner of her mouth

It turns out that, as ye Chen said, it's her who looks at the sky from a well

What she thinks is impossible, just her impossibility, doesn't mean that ye Chen can't do it!

But Ling Ziyan is full of pride, the master shows the divine power, she also has the honor!

Ye Chen looked around the people on the Dragon platform and said faintly, "is there anyone else who wants to challenge me?"

The demons of the Tianji forces are all blinking and silent, while the geniuses of the Siyin forces are showing a sense of war!

But, at this time, has not spoken, quiet incomparable Shenyuan too empty, but suddenly body shape a flash, appeared in front of Ye Chen.

Everyone present was shocked to see this scene! Is it true that the legendary son of Shenyuan finally wants to fight?

Some people are showing a look of schadenfreude.

Ye Chen really enough adverse days, have proud capital, unfortunately, too crazy.

Crazy, it will make people uncomfortable, especially for Shenyuan Taixu such demons.

What ye Chen doesn't know is that there are people outside the people, and there is a day outside the world. What if he defeated lie Hailong?

He can never be the opponent of Shenyuan Taixu!

Ye Chen and Shenyuan Taixu look at each other, and his eyes are shining. He knows that he is not the opponent of Shenyuan Taixu before his injury has completely recovered. But at the moment, ye Chen is not the slightest nervous when facing Shenyuan Taixu!

The reason is simple.

He is the same kind of person as Shenyuan Taixu.

They like to challenge the strong rather than take advantage of the danger.

At this time, Shenyuan was too empty and said, "your name is Ye Chen? Are you interested in joining Shenyuan

Join Shenyuan!?

Everyone can't help but open their mouths and look shocked!

Shenyuan is too empty. Instead of challenging Ye Chen, he invites Ye Chen to join Shenyuan?

In other words, even Shenyuan Taixu recognized Ye Chen's potential?

You know, Shenyuan is a mysterious and powerful existence even among the four hidden forces!

People don't know much about Shenyuan. The only thing we can be sure is that those who can walk out of Shenyuan are the strong among the strong!

This is a chance to ascend to heaven step by step!

Lou Yuxiao, Ling Yusheng and others are looking at Ye Chen with admiration at the moment. This kind of opportunity can be met but not sought. Moreover, Shenyuan is different from the general clan, and it doesn't need to retreat and appear in the subordinate forces to join.

When everyone thought that ye Chen would agree, ye Chen shook his head and said, "I'm not interested."

No!

Refuse directly!

Chapter 5315

What's more, it's a refusal not to give Shenyuan too much face!

Everyone, looking at Ye Chen, his eyes are a little congested

Even they feel pity and heartache!

The golden pupil woman also slightly shook her head, ye Chen's talent, even she has a heart of love, unfortunately, ye Chen is too proud!

This kind of arrogance sometimes makes people miss a lot of opportunities in vain.

Shenyuan is too empty and his brow is wrinkled. He is not used to being rejected.

People are also some pity to look at Ye Chen, in front of so many people refused Shenyuan too empty?

Ye Chen this is to face don't want a face, so, not only benefit didn't have, I'm afraid also want to bear God yuan too empty anger?

Most of them are not very good tempered.

Shenyuan Taixu stares at Ye Chen and says, "if I have to let you join Shenyuan?"

He always does what he wants to do.

Ye Chen's corner of his mouth appeared a smile and said: "let me convince you."

"To me?"

Shen Yuan's eyes flashed: "what do you mean?"

Ye Chen said, "it's very simple. Beat me."

Shenyuan Taixu was stunned and then said with a smile, "is that what you want? Want to fight me? Do you think you can beat me? "

Lou Yuxiao is also relieved

It seems that ye Chen is not crazy enough to refuse Shenyuan Taixu. He is playing hard to get, deliberately hanging the taste of Shenyuan Taixu and making himself heavier in Shenyuan Taixu's heart. Moreover, ye Chen obviously grasps Shenyuan Taixu's character

All along, there has been a rumor that Shen Yuan is too empty. On the surface, he is indifferent and quiet, but actually he is a militant man!

But, at the moment, ye Chen's eyes are suddenly God awn a grand way: "if I say, I really feel that I can defeat you?"

In a flash, as if there was a gust of wind, the people's souls rolled on the cloud in general!

All of them are stiff and look at Ye Chen on Shenglong platform with frozen expression

This guy, even Shenyuan Taixu dare to challenge!?

The smile on Shenyuan Taixu's face disappeared instantly, and the atmosphere on Shenglong platform also dropped to the freezing point!

At the moment, those too real strong men shook their heads at the same time. Originally, they were quite optimistic about ye Chen, and even had the idea of bringing Ye Chen into the four hidden forces. But now, the eyes of these strong men were disappointed.

Martial arts practitioners should not only have talent, but also have self-knowledge. Otherwise, no matter how good the talent is, they will not live long!

In this world, living is always the most important!

Ye Chen, although he shows his talent against heaven, his age is not 100 years old. With his character, it is a question whether he can live to 100 years old!

At this time, ye Chen continued to say: "Shenyuan is too empty. I'm injured now, and my strength has not reached the peak. If you really want me to convince you, you can beat me with one move. How?

If I get in your way, then I will win you.

If I lose, I'll take care of it. How about that? "

At this time, Ling Yusheng sneered and said: "beyond our capacity."

Those four hidden Tianjiao are also ironic, even if it is a move, they are not optimistic about ye Chen!

They are very clear about the gap between Ye Chen and Shenyuan Taixu. What's more, as far as they know, the strength of Shenyuan Taixu is not even under the half step Taizhen realm!

The warrior under the stage also laughs and laughs playfully. Ye Chen originally had a good chance to join Shenyuan, but instead provokes Shenyuan Taixu and takes Shenyuan Taixu?

Hehe, it's estimated that he will die directly on Shenglong stage, right?

A good hand, be thoroughly broken!

Shenyuan Taixu said with no expression: "I don't have the habit of keeping my hands."

Ye Chen smell speech, in the eyes of war a Sheng, the corner of the mouth raised a smile way: "want a move to kill me? Shenyuan is too empty. You can't do it yet. "

In the eyes of Shenyuan Taixu, an extremely dazzling fine awn burst out in an instant, and said in a deep voice: "Ye Chen, I'm very curious, what's your base spirit?"

However, I hope your strength can be worthy of your arrogance, otherwise, you will die.

Now, I'm going to tell you that you have some talent, but you are far from the enemy of my Shenyuan Taixu move! "

With a loud bang, the whole Shenglong platform trembled fiercely. The light white light curled around the surface of Shenyuan Taixu's body, and a surging breath rose up into the sky!

At this moment, looking at the breath of Shenyuan Taixu, countless martial arts people's eyes tremble. At this moment, Shenyuan Taixu's momentum is not under the real Taizhen martial arts people. Moreover, there is an inexplicable power of law flowing in the white light, which makes Shenyuan Taixu. Now it looks like a great God and makes people worship!

Even some of the taizhenjing strongmen of the Siyin forces all shrunk their pupils and said in secret, "this son of Shenyuan really deserves his reputation!" Even they all felt a slight fear of the breath of Shenyuan Taixu!

You know, they're not ordinary warriors. They can kill Taizhen immediately. There's a strong one in heaven!

Looking beyond the whole territory, there are not many things that can make them feel scared!

We can see how extraordinary Shenyuan is!

I'm afraid that some of those who just stepped into Taizhen are not their opponents!

That gold Mou woman, the corner of the mouth appeared a to take proud smile, at the same time, some regretfully looking at Ye Chen.

She knew that ye Chen really infuriated Shenyuan, so there was no doubt that he would die!

Ye Chen put forward a move to limit, have a chance to win over Shenyuan too empty?

So naive

As a person of Shenyuan, she is very clear that Shenyuan is too empty. She has such terrible power with a full blow!

And even if is to leaf Chen incomparably believe of Ling Ziyang, this moment, also can't help wrinkling small face, full face nervous color!

Shenyuan Taixu had a long sword with white flame in his hand. On the sword, the light of law was shining. It was a magic weapon of law!

At the same time, a halo appeared on the top of his head, and behind it, a pair of wings composed of a white light curtain.

Ye Chen looked at the Shenyuan at the moment, some surprised, this image seems to be similar to the legendary gods.

Shenyuan is too empty, just like the God who judges all living beings. He stands in the air and looks down at Ye Chen. There are two groups of white flames burning in his eyes. He doesn't talk nonsense. In a moment, he cuts it out with a sword!

The power of endless laws is surging, and bright white light fills the sky and the earth. Every ray of white light seems to contain extremely sharp sword Qi. The whole Longmen Island turns into a sword world in an instant!

Under the platform of dragon rising, the martial arts of the audience, whose accomplishments have not reached the Ninth level of heaven, puff out a mouthful of blood one after another. Their faces change wildly and cover their hearts. The white light contains the meaning of supreme sword. A ray of light makes them feel that they are pierced by ten thousand swords!

Sword, to this realm of cultivation, it can be called the ultimate!

Chapter 5316

Qin Tian and others, their eyes filled with shock, said: "that's Kendo seal six heaven

In front of Shenyuan Taixu's body, there is a rune floating in front of him, which is full of light!

The endless brilliance, with the Shenyuan Taixu sword cut down, instantly closed, into a startling sword shadow, towards Ye Chen, falling in the sky!

At the moment, ye Chen is also full of dignified color. He takes a deep breath, burns blood Jue, TIANYAO's body, Baixie's body and so on. At the same time, he raises his hand to the sword light, and a golden and silver flame sweeps out in an instant!

"Xuanji juehuo!"

The pure energy in the xuanlingzhu is infused into the fire of Daoling. At this moment, Yan xuan'er tries her best. The gold and silver flame turns into a phoenix flying in the sea of fire. In an instant, it seems to light the whole Longmen island!

That fire phoenix a flash, then encircle with the towering flame, bumped into the Shenyuan too empty sword light!

This is Ye Chen's first means!

Shenyuan Taixu is very strong. Ye Chen knows this very well. If he wants to take his move, he must give full play to his own strength!

With a loud bang, the flames burst away!

The ultimate fire of Tao and spirit in the fire is still scattered by the sword of Shenyuan Taixu!

That gold and silver flame, instant into a little spark, as if, under a fire rain in general!

The wisps of flame re integrated into Ye Chen's body, and a very weak voice rang out in his sea of knowledge, saying: "I'm sorry, sir, his sword light is too strong..."

Just now, Yan xuan'er has exhausted her strength and can't do it again in a short time

Although the fire of Daoling is powerful, Yan xuan'er is still in the stage of kindling after all!

Ye Chen stares at the sword shadow in front of him and says, "Xuan Er, you have done a good job."

Although Yan xuan'er didn't block the sword shadow, it made it dim!

In a flash, ye Chen's whole body is full of tremendous power, and his soul body is transformed, and a sword is blown out!

"Moon soul chop!"

The ultimate sword light, splashed out!

This is Ye Chen's second means!

The moonlight seems to bring Longmen island into the boundless moonlight, quiet and beautiful!

However, in the beauty, there are endless opportunities to kill!

Even Shenyuan was too empty, and there was a flash of appreciation in his eyes. Ye Chen's sword now is much stronger than that when he killed liehai dragon!

There was another loud noise. After a moment, ye Chen's sword light was broken!

Fast to pieces!

The shadow of the sword seems to be able to cut off everything in the world. It's overwhelming!

Shenyuan too empty light way: "your strength, really beyond my expectations, unfortunately, want to take my Kaitian sword, is not enough, I said, you are not my enemy."

Ye Chen looks at that sword shadow, seem to give up resistance, light way: "is it?"

Next moment, ye Chen's body is completely submerged by the sword light!

This sword really seems to have the power to open the sky!

In Ling Ziyan's big eyes, tears had already welled up. She exclaimed: "master!"

Will rush toward Ye Chen, but be pulled by Lou Yu Xiao dead.

Lou Yuxiao is also full of pity. She has seen that ye Chen's strength seems to be far beyond herself. She is more suitable to be Ling Ziyan's master. But now it's too late to say anything.

Ye Chen died of pride.

Shenyuan Taixu's sword bombarded Shenglong platform, and the whole Shenglong platform seemed to collapse. Thin cracks spread on Shenglong platform.

See this scene, Lou Yu Xiaoqiao face again pale a point, the last trace of fluke psychology also did not.

Sheng Long Tai, what is it?

This is a divine object made of ancient dragon bones. Even the Dragon platform has been cut into cracks. The power of this sword can be imagined. No matter how strong Ye Chen is, he is also flesh and blood. How can he bear the most powerful sword?

Soon, the light gradually converged, and the Shenyuan Taixu in the sky slowly closed the sword, with no special look.

In his view, the end is doomed.

The warriors under the stage looked different. Some were pitiful, some were gloating, and some were happy. But, without exception, everyone thought that ye Chen was dead.

However, at this moment, a light and indifferent voice suddenly sounded on the Dragon platform: "it seems that your move is not as terrible as you imagined.

At least, it's a long way from killing me.

Shenyuan is too empty. You are defeated. "

"What

It seems that there is no emotion fluctuation in Shenyuan all the time. At this moment, I can't help exclaiming!

All of a sudden, everyone was stunned, then, fixed on the center of the light!

The last white light, scattered, and standing in place of a young man. The young man, looking rather miserable, was covered with blood, and his hands were completely broken!

However, the corner of his mouth, but now with a smile as if nothing!

This youth is Ye Chen naturally!

All of us are wide eyed. The scene in front of us is just like a dream!

Ye Chen didn't die?

What makes them even more terrifying is that even the broken hands are recovering at an incredible speed!

In a flash, it grew out again!

On Longmen Island, even the sound of breathing disappeared

Enough to kill the evil existence of a blow, not only did not kill Ye Chen, and even the damage are recovering?

Is this still human?

Ye Chen looked at some dull Shenyuan too empty, some pondered the way: "Shenyuan too empty, I should not let you down?"

What is Ye Chen's greatest dependence?

Is it the fire of Daoling?

Is it the skill of soul martial arts?

None of them.

Ye Chen, can go to today, the biggest rely on, always, is his vitality!

He is no stranger to the power of law.

Even at the moment, his strength has declined because of his injury, but ye Chen still has red stele, red dust God pulse, source symbol and Hongmeng big star sky! After ye Chen's all-out weakening, Shenyuan Taixu's blow is not enough to threaten him!

Shenyuan Taixu was silent for a moment, and said again: "I didn't expect that you really took my Kaitian sword. Shenyuan Taixu has never been defeated in his life, but he is not a man who can't afford to lose..."

The God awn in his eyes flashed a way: "Ye Chen, this time fish dragon fight, is I lost."

For a moment, the whole audience was in an uproar!

Shenyuan is too empty. That mythical genius in the inland sea really gave up

Shua, all eyes are focused on Ye Chen's body, people seem to see a new star in the sky sea, rising slowly!

Ye Chen's vision, swept the rest of the people on the Dragon platform, light way: "who else, want to challenge me?"

Chapter 5317

In this question, the whole Shenglong platform fell into silence.

Even if Qin Tian, long Shaoyou and Yu Xiuluo all look at Ye Chen and say nothing.

The three of them are very clear that they want to take the sword of Shenyuan Taixu. Maybe they can do it, but they must pay a great price!

It will never be as easy as ye Chen

In other words, their strength is not as good as ye Chen!

For everyone's silence, ye Chen is not surprised, in his eyes, his opponent always only Shenyuan Taixu one!

At this time, the golden eyed woman, who had just come back, frowned slightly, looked at the crowd, and said: "since no one continues to challenge, then, I announce that ye Chen is the one who won the name of dragon at this dragon gate grand meeting!"

Although, ye Chen only shot once, but perfectly proved his strength!

The whole Longmen Island, instant boiling, everyone is cheering, cheering, cheering again!

Ye Chen's rebellious performance completely convinced them!

It's almost legendary to kill liehai dragon with one sword and open heaven with one sword without a trace of aura!

And Ling Ziyang also cheered up!

She knew that Shifu was the best!

At this time, the golden eye woman threw a golden fruit to Ye Chen and said, "this dragon Yuanhua spirit fruit is yours. This dragon gate grand meeting is over!"

Ye Chen took the dragon Yuan spirit fruit, said: "thank you."

The next moment, unexpectedly is direct, swallowed this to turn to work properly the fruit in the mouth!

Seeing this scene, everyone was stunned again

However, ye Chen has brought them too much shock, and now they are numb

Ye Chen's whole body is glittering with golden radiance. The sound of the dragon's chant comes from his body. His face is happy. His injury is recovering at a very fast speed!

But, at this time, sudden change!

In the crowd, suddenly, a dark shadow flew out and rushed towards Ye Chen at the speed of lightning!

A breath of the top of the real world burst out in an instant!

I saw a middle-aged man in a black robe staring at Ye Chen, full of murders, towards Ye Chen, a sword cut out, Li said: "damn bastard, dare to kill my son, I want you, blood

The man obviously used some secret method to improve his speed and strength to the extreme!

And people, are immersed in the lingering charm of the end of the Longmen grand meeting, are recalling all kinds of things that happened today, and no one reacted for a moment!

Including Ye Chen!

Although this sword is not as amazing as the Kaitian sword of Shenyuan Taixu, it also contains infinite power, and even its destructive power is still above the Kaitian sword!

The reason is very simple, the sword also burned blood essence, regardless of the cost to enhance the strength!

An uproar, the blood light blooms, a long sword encircles the towering power, directly stabs into Ye Chen's body!

Even, pierced Ye Chen's body, directly from behind!

Dead silence

Real silence!

No one expected this scene!

The body is pierced, this kind of fatal wound, ye Chen's vitality again strong also can't live?

Sure enough, the vitality in Ye Chen's eyes dissipated at this moment

Shuo Lao and Xuan Hanyu are also anxious, shouting: "ye Xiaozi, wake up!"

"Ye Chen, run vitality!"

Their hearts sank too!

Ye Chen has not recovered from his injury. In fact, his vitality has been greatly reduced. Maybe he can resist the sword of Shenyuan Taixu with all his means

But, in unprepared circumstances, hard to eat such a blow?

What's more, the hit is still the key position?

That, it is really possible to cause fatal injury to Ye Chen!

Is Ye Chen really going to die here?

Or are you swallowing the fruit of the spirit, when you are about to recover?

The middle-aged man's face appeared a fierce smile, looking at the light that ye Chen's eyes gradually disappeared, he was comfortable and happy!

Ha ha, he finally avenged his son!

God, your spirit in heaven can rest in peace!

This man is the master of Taoism, chunfei!

After chunyangtian's death, he has been tracking down clues. Finally, he found that chunyangtian died in the hands of Ye Chen!

At that time, ye Chen had left Ling's home, and he followed Ye Chen to Longmen island!

Lurking in the crowd in the name of escorting disciples to the dragon's gate grand meeting!

That gold Mou woman, at the moment, the whole body prestige blooms, full face anger ground to that Chun Fei Li to shout a way: "how big courage, unexpectedly start in front of me!"

"Poof!" Under the pressure of the woman, chunfei spat out a big mouthful of blood, and his breath was a little depressed. He stepped back with a look of panic, but he immediately explained: "My friend, please calm down! I don't have any provocation against Shenyuan or disrespect for Longmen grand meeting. If I heard you right, you just announced the end of the grand meeting, didn't you? "

Golden eyes woman, at the moment is preparing to kill, smell speech, can't help slightly frown.

Just at this time, a grand and boundless breath suddenly rose. A white haired old man with blue light like the waves behind him stepped in the air and landed in front of chunfei. He took a light look at the woman with golden eyes and said, "yes, I heard you, too."

The golden eyes woman's face sank, and the person in front of her was the owner of Haihuang Island, haizun!

Haizun's strength is unfathomable. Even this golden eyed woman is not her opponent!

At the moment, haizun appeared, no doubt because ye Chen killed lie Hailong!

Golden eyes woman's eyes flickered for a moment, finally, or will be ready to raise the hand, put down.

Everyone is a little silly. It's really a big up and down!

One moment ago, ye Chen or let Shenyuan too empty admit defeat genius, the next moment, directly tragic death?

From heaven to hell, that's all!

Ling Ziyuan looks at this scene and stands in the same place. Her eyes are full of despair. Looking at chunfei's face similar to chunyangtian's, she instantly understands

Master, did you die because of yourself?

Ling Ziyang's heart seems to be cut by a sword. It's very painful!

She looked at Chunfei with red eyes and cried out with great grief: "old thief, I'll kill you!"

Say, will toward Chun fly to rush to, but, it is by the building rain Xiao directly dizzy.

This Chun Fei moves so ruthlessly, not like any person who depends on her identity. Ling Ziyang is likely to die in the past!

Chunfei looks at Ling Ziyang with a sneer. There is a color of greed in his eyes. As a Taoist priest, he naturally can see Ling Ziyang's constitution.

Chun Fei randomly pulled out the sword that pierced Ye Chen and began to figure out how to get the best cauldron.

Chapter 5318

Everything seems to have settled down. Just as everyone is ready to leave, Chunfei is about to leave Shenglongtai, but a hand is quietly pressed on his shoulder.

Chun Fei's brows wrinkled. There are many young people on the Dragon stage. Who dares to pat him on the shoulder?

He is about to turn back, but when his eyes sweep to the horror of the people under the stage, he can't help but have a bad premonition in his heart, and his aura is working extremely quickly!

But it's still a little late!

At this moment, he finally turned his head. Standing behind him was a face that he hated very much. The face was full of blood, and the fatal wound on his body was healing slowly at the moment

Chunfei's pupil shrinks and he looks like a ghost

This person is Ye Chen!

In a flash, he was about to hand, but a fist appeared quickly in front of him and smashed on his face!

With a bang, this fist directly smashed chunfei out of the room!

His face collapsed and his body fell to the ground after breaking several towering trees

But at this moment, no one went to see chunfei, and their eyes focused on the man who made the fist!

Ye Chen!?

Can't you die even if you've been pierced?

Is this guy really immortal?

Ye Chen's vision flickers, in the heart secret way fluke!

In fact, the situation just now is extremely dangerous!

Fortunately, the effect of longyuanhua lingguo was far beyond Ye Chen's expectation. The powerful medicine instantly activated Ye Chen's vitality, and healed his fatal wound while completely recovering his injury!

At the moment, his whole body exudes a surge of momentum, the whole body broken meridians, broken Dantian are completely restored!

The aura on Longmen Island rushes towards Ye Chen crazily. Its breath keeps climbing. In a twinkling of an eye, it returns to its peak!

Ye Chen's whole body injury is recovered, and he returns to the peak again!

He clenched his fist suddenly, and his whole body was crackling. It seemed that his strength had a little improvement!

After breaking, he recovered from this serious injury, which improved his physique slightly, and the holy body Xuangong and the heavenly body also had a new understanding

Like, broken bones, grow better, will be harder!

He looked at Chunfei in the distance, his eyes flashed!

Killers, people always kill!

Chun Fei wants to take his life, but also a pair of want to Ling Ziyan adverse appearance?

Hehe, he can't let him go!

Now, with the help of Shuo Lao and Xuan Hanyu, he has confidence to crush Chunfei!

Although his cultivation is not weak, he is definitely weak before he meets some strong people who are at the top of the real world!

After all, the foundation of cultivating with the skill of mending is unstable after all!

What's more, Chunfei was hurt by his heavy blow!

Ye Chen's wrist turns over and holds a long black sword. His body is about to rush towards Chunfei!

At this time, Lou Yuxiao's face changed and exclaimed, "Ye Chen, what are you doing? You're not in good shape yet

Ye Chen doesn't still want to fight Chunfei, does he?

"It's a real peak, so what? I should have told you that I also killed Taizhenjing. " Ye Chen complexion indifference way: "don't say is he, even if is some too true strong person, offended me, according to kill not mistake!"

An incomparably ruthless, fierce breath, turbulent, at the moment of Ye Chen as if is to kill a God to come to the world in general!

Whoever dares to stop him will die!

The power of Shuo Lao and Xuan Hanyu filled the whole body in an instant, and the sharp breath of Sha Jian was also enhanced countless times!

That extremely happy road Lord is also dazzled by such a smash, what is more harmful to him than this fist is why Ye Chen is still alive?

As if, in answer to his question, Ye Chen cut out a sword, and an earth shaking sword ran towards Chun Fei and rolled away!

Shenyuan Taixu looked at the sword, his pupils trembled!

Unexpectedly, what Ye Chen said is true

This is his real strength!

It's no wonder that he can block his own attack

Although he just admitted defeat, but his heart has not lost!

He thinks, even if ye Chen restores peak, also can't surpass oneself!

But now it seems that I am wrong

He now, again to the leaf Chen, already did not have the assurance that must win!

At the moment, chunfei has stood up, his face completely broken, looks very ugly!

Not everyone has Ye Chen's recovery ability!

Even if chunfei's accomplishments are much higher than ye Chen's, it will take time for him to recover!

At this time, the sword came!

Chunfei's pupil trembles and feels a faint threat from the light of the sword. The next moment, a sword is shot! The sword that pierces Ye Chen's body surges again and collides with the sword light that ye Chen cuts!

With a loud bang, the powerful aftershocks swept all over the place. In the strong wind, the two lights disappeared at the same time!

The attack power of both sides is equal!

People's looks are more and more shocked, at the moment, using the power of Shuo Lao and xuanhanyu, ye Chen is really so terrible!

Ye Chen raised a smile at the corner of his mouth, and his face became more and more ferocious. A flash of his body appeared in front of Chun Fei's body!

His evil sword dances wildly in his hand and bombards chunfei continuously!

Chunfei is also a sword light, repeatedly out of the sword, but under the attack of Ye Chen, it is forced to retreat, eyes are dignified, scared up!

People looking at both sides of the battle, also can't help but swallow a mouthful of saliva, ye Chen's fighting way is too fierce!

It's a pure attack, regardless of the defense, not fatal way of playing!

But chunfei doesn't dare to exchange injuries with ye Chen!

The terror vitality that can recover even the fatal wound, change the wound?

Hurt, only will be oneself!

Therefore, at the moment, chunfei was suppressed by Ye Chen!

Chunfei's eyes are very gloomy. Suddenly, a strange hum comes from the sword in chunfei's hand!

With chunfei's sword, it is buzzing!

And this hum is, faintly connected into a burst of sweet music!

After listening to the music, everyone was dazzled

Faintly, the power of a kind of law has been diffused in the voice. At the moment, many martial arts people have fallen into the blissful dreamland!

Life and death, completely under the control of chunfei!

Chunfei dark son a joy, in his view, ye Chen fall into the dreamland is sooner or later!

But at the moment, ye Chen was indifferent and said: "hide the spirit and sound wave attack in the sword move. Every time you put out the sword, the sword will emit a different hum, which makes people unconsciously fall into an illusion. It's a good idea. Unfortunately, it's useless to me!"

What chunfei shows is the unique skill that Chunyang Angel used on that day!

Chapter 5319

However, chunfei's realm is obviously several levels higher than Chunyang's!

The power of this secret skill is more perfectly displayed!

Unfortunately, with the strength of Ye Chen's spirit, this kind of attack has almost no effect on him!

This time, the color of fear in chunfei's eyes became more and more intense!

Even the sword moves in the hand are in a mess!

Ye chenmu in fine awn a flash, take advantage of Chun Fei mind unsteady, low drink a way: "give me break!"

The soul body transforms and displays, swallows the soul to the sky, stirs up fiercely!

The strong impact of the spirit will break chunfei's magic power in an instant!

Chunfei uttered a scream, blood gushed from the seven orifices, and the blissful fantasy killed tianyinmie. Although it was powerful and strange, it was not without shortcomings!

One of them is that after being cracked, the spirit will be backfired!

Chunfei's spirit was powerful, and he didn't get hurt because of backfire. However, his eyes were very confused!

Under the concussion of the spirit, his moves have been completely disordered!

In front of his eyes, the long black sword, which was like a black dragon, broke through his defense in the blink of an eye and cut chunfei's shoulder with one sword!

The light of several defense weapons is on, and a loud bang resounds all over the world!

The light of the magic weapon was broken quickly, and the blood of the sword was shining. The sword cut off chunfei's arm!

Chunfei's broken face was even more distorted. He gave a painful cry and roared: "blissful blood escape method!"

The arm that ye Chen cut off suddenly burst open, turned into a blood mist, wrapped chunfei, and then shot out towards the coast of Longmen island at a very fast speed!

Chunfei is also a overlord. At the moment, he is killed by Ye Chen and runs away!

Ye Chen in the peak state is so terrible!

Not only the crowd was shocked, but also the spirit of war in the eyes of Shenyuan Taixu!

Ye Chen's eyes lock on Chun Fei, who is running away, and the sword light is cold on the evil sword!

Seeing this, the warrior on Longmen island can't help shaking his head. Ye Chen's sword is very strong, but it seems that he can't catch up with chunfei!

The method of blood escaping is very fast!

Just when everyone thought chunfei was about to escape, a red chain suddenly appeared on chunfei!

Sky demon God rope!

Ye Chen coldly smile, fight with him, want to escape?

No way!

At the same time, the sword in his hand is also a flash out!

Completely drown the blood mist of the pattern!

Extremely shrill screams echoed on Longmen island!

But soon, the scream stopped.

Chunfei in the blood fog was completely cut off by Ye Chen's sword, and the spirit was crushed into nothingness!

I'm very happy to be the Taoist master, and it's gone!

Died in the hands of a young man in his twenties!

Seeing this, haizun looked totally ugly!

Ye Chen turns back slowly, looks at Hai Zun, and says with a smile: "do you really want me to die? Let you down. "

With that, his face suddenly became very overcast and said: "if you want to revenge me, you'd better kill me now. Otherwise, I, ye Chen, swear that as long as I don't die, I will destroy Haihuang island!

Haizun is also one of the top strong men in the inland sea. Now, he is threatened by a young man in his twenties!

Moreover, haizun can't completely ignore this threat!

Ye Chen's potential is too terrible, give him time, haizun also can't estimate, his future will reach what level!

He looks at Ye Chen, the murderer surging in his eyes, as if he really wants to kill Ye Chen here regardless of everything!

The true strong of the four hidden forces all frowned slightly, a little uncomfortable.

This is too much.

After all, ye Chen is the dragon of the dragon's gate Festival. Although the dragon's gate Festival is over, ye Chen's gratitude and resentment have nothing to do with them, but now they haven't left Longmen Island, so haizun is going to kill the dragon in front of them?

Is this not taking the authority of the four hidden forces seriously?

However, it is not easy to stop haizun!

Haizun is not an ordinary taizhenjing!

Even if the four of them join hands, they are not rivals of haizun

At this time, a shadow is blocked in front of the sea, light all: "sea master, you can't to him."

This person, is the God yuan is too empty!

Shenyuan is too empty to speak for ye Chen!

Ye Chen faint smile, and he expected the same.

The reason why he dared to challenge haizun was that he knew Shenyuan Taixu's character very well!

Shenyuan is too empty, now he has been regarded as an opponent, right?

Since so, nature won't let Ye Chen die so easily in the hands of others!

Instead of leaving Longmen island and being missed by a supreme power, it's better to take advantage of lashen yuantaixu to carry the pot for him! Haizun frowned and said, "Oh? Why? "

Shenyuan is too empty and indifferent. He doesn't have the slightest ups and downs. He says, "because I've protected you."

He seemed to be talking about an ordinary little thing.

But haizun's face changed!

I'm afraid that the younger generation who can be in front of him is too empty!

He just can't ignore it!

After all, the identity of Shenyuan Taixu is very special. He is the son of Shenyuan!

To some extent, it represents Shenyuan!

Seeing that Taixu of Shenyuan opened his mouth, the four Taizhen strongmen looked at each other and stood behind Taixu of Shenyuan and said, "please stop your anger, master of the island!"

Haizun's face became more and more ugly. A moment later, he gave a cold hum and a flash of body shape, and left from here.

At this time, Ling Ziyan also woke up, she looked at the walking Ye Chen, slightly a Leng, then forced to endure tears rushed to Ye Chen's arms, said: "master!"

Ye Chen touched her small head and said with a smile: "Ziyan, being a teacher is not so easy to die."

Ling Ziyan nodded heavily.

At this time, ye Chen raised his head and looked at Lou Yuxiao and said, "thank you."

Had it not been for Lou Yuxiao, Ling Ziyan might have been seriously injured or even dead.

Lou Yu Xiaowei lowered her head and said in a low voice, "it's my responsibility to take care of Ziyan."

Now she's a little embarrassed to talk to Ye Chen

After all, Ye Chen's strength is so unfavourable. At the beginning, she had that kind of attitude towards Ye Chen

Now, it can be said that he was severely beaten in the face.

At this time, Shenyuan Taixu suddenly came to Ye Chen.

Ye Chen looked at him, shrugged, some helpless way: "if you want to fight, now is not a good time."

Shuo Lao and Xuan Hanyu's strength had receded, and he also felt weak for a while.

Moreover, he has just recovered from his injury and needs to be consolidated to avoid any sequelae.

But, to Ye Chen's surprise, Shenyuan Taixu shook his head and said, "do you think that I speak for you because of my war to you?"

Although, I really want to fight with you, but I don't have any interest in being a gunner. "

"Oh?"

Ye Chen some surprised looking at Shenyuan Taixu empty way: "that, is why?"

Chapter 5320

Shenyuan Taixu empty light way: "the Lord of Shenyuan, please go to Shenyuan for a while!"

Ye Chen's facial expression moves, tiny frown.

But he nodded and said, "OK."

He knows that in the face of such existence, he has no right to refuse.

Moreover, at least the Lord of Shenyuan helped him.

Immediately, ye Chen looked at Ling Ziyang and said, "Ziyang, I'm going to see someone. I can't take you with me. For the time being, you will go back to Lintianzong with elder sister Lou. When I finish my work, I'll see you."

The idea of Shenyuan is that he doesn't know what his intention is. It's better to leave Ling Ziyang in Lintianzong for the time being.

Ling Ziyang is somewhat reluctant to look at Ye Chen, but it is sensible to nod, toward the building and Xiao go.

She doesn't want to be a burden to the master.

Ye Chen looked at Lou Yu and said, "Miss Lou, please."

Lou Yu Xiaodao: "rest assured, I will take good care of Ziyang."

Ye Chen looked at Shenyuan Taixu and said, "let's go."

Immediately, ye Chen followed Shenyuan Taixu and the golden eyed woman to the coast of Longmen island.

The woman with golden eyes said, "my name is Jiang Xin. On the way to Shenyuan, you should be under my management for the time being."

Soon, three people boarded a black and white ship, this is Shenyuan's ship!

Ye Chen looked at the ship curiously. At this moment, the whole ship flashed and appeared at the end of the sea level!

This speed is several times faster than the golden lion!

.....

Ye Chen looked at the scene in front of him and said in surprise: "here is the entrance of Shenyuan?"

I saw a huge whirlpool before the ship!

A whirlpool that seems to involve everything in it!

The next moment, the ship is into the whirlpool, after a whirlwind, when ye Chen opened his eyes again, has come to a strange place.

He looked up and saw a deep darkness in front of him.

Ye Chen's eyes twinkle. Is this the Shenyuan?

They have come to the bottom of the abyss?

At this time, Shenyuan Taixu and Jiangxin came over. Shenyuan Taixu said, "follow me."

It seems that the place where they are located is a palace built at the bottom of Shenyuan, deep in the sea. The gravity here is several times higher than that on the ground. However, ye Chen does not show any discomfort in this palace. This gravity is nothing to him.

Under the guidance of Shenyuan Taixu, ye Chen soon came to a hall.

Shenyuan Taixu said: "go in, the Lord of Shenyuan is in it."

Ye Chen's eyes flashed and his figure flashed, then he stepped into the hall.

Soon, a figure appeared in front of Ye Chen.

Together, it looks a little thin and old.

But, ye Chen sees the instant of this figure, the whole person is a shock suddenly!

He had a long mouth and looked at the old man with his back to him strangely

At this moment, he could not see through the old man's cultivation?

Among the people he met, I'm afraid only Ren and wanxu have this feeling!

It seems that his cultivation has gone beyond the true!

This Shenyuan, indeed, is an unfathomable place!

In front of the old man's body is a huge crystal screen, on which countless areas are divided, and a picture is displayed in each area.

Ye Chen came to the old man's back and made a salute and said, "I've seen you, ye Chen."

The master of Shenyuan turned around slowly, looked at yechen and said with a smile, "yechen? We finally meet. "

Although the Lord of Shenyuan has white hair and looks rather old from his back, his face is not like this. On the contrary, he is young and has a feeling of youth.

Ye Chen asks a way: "don't know elder to come to me, so-called what matter?"

The Lord of Shenyuan looked at the crystal screen behind him and said, "you enter the sky sea to find Zhu Yuan and Gu Xuan, right?"

Ye Chen hears speech, complexion a change, breathing some hasty to get up a way: "the elder generation knows their whereabouts?"

The master of Shenyuan said with a smile: "naturally, they are in this Shenyuan!"

Ye Chen hears speech a Leng, suddenly, he a head to look toward that huge crystal stone screen!

Soon, his eyes flashed and he found two familiar figures on the screen!

Looking at these two figures, even with Ye Chen's heart, they are all a little excited!

In the picture, it is Zhu Yuan and Gu Xuan!

They seem to be practicing at the moment, and their bodies look intact!

Ye Chen takes back his eyes and looks at the Lord of Shenyuan. He frowns and says, "master, did you save them?"

The Lord of Shenyuan nodded and said, "it's a pity that these talented young people just died like this." Ye Chen hears speech, brow wrinkly more tightly a cent way: "elder, what purpose do you have after all?"

He didn't think that the Lord of Shenyuan saved Zhu Yuan and Gu Xuan simply because of his good intentions.

The Lord of Shenyuan, hearing the words, gazed at Ye Chen and said, "the reason why I saved Zhu Yuan and Gu Xuan is you!"

"Me?" Ye Chen some don't understand.

The master of Shenyuan said: "Ye Chen, in fact, we started to pay attention to you from the very beginning when you entered foreign countries. You have created countless miracles along the way, and I have seen you grow up to the present situation!"

Ye Chen's eyes flashed: "master, why do you pay so much attention to me? My strength is nothing in the eyes of my predecessors, isn't it? "

The Lord of Shenyuan shook his head and said: "Ye Chen, what we Shenyuan value is not your strength, but your potential!

In foreign countries, Every warrior with great potential will receive our attention. The reason is very simple

One of the purposes of Shenyuan's existence is to cultivate and assist these talents! "

He gazed at Ye Chen, his eyes suddenly brightened up and said: "Ye Chen, do you know the origin of this Shenyuan?"

Ye Chen said, "I'd like to hear it in detail."

The master of Shenyuan said: "in ancient times, there was a great disaster related to ten thousand ruins outside the territory. Countless creatures outside the territory were devastated!

Even countless races, once on the verge of extinction!

Among them, there are Terrans!

The remaining human beings gathered the most talented children at that time and sent them to the depths of the sea of heaven to escape the disaster!

The first Shenyuan was born.

There are countless martial arts resources in Shenyuan. These children are cultivating and accumulating their strength in order to help the human race through this disaster! "

The Lord of Shenyuan sighed: "they succeeded. These peerless demons finally ended the disaster. At the same time, Shenyuan also remained. In order to prevent the disaster from coming again, for a long time, the human race would send the best children into Shenyuan for training, which became a tradition."
