

## Physician 5351

### Chapter 5351

"Xuanyimen rarely come out, but every time it comes out, it's almost earth shaking. Moreover, there are many strong people in this xuanyimen. If you go there alone, you will be in great danger!"

"As the master of Xiao Huang, I must guard it without fear or reason at this time!"

Ye Chen said firmly, looking at Taoist Xiangyang Xi's eyes more powerful, Xiao Huang is not only his strange beast, but also his partner.

"Good! Since you say so, I will give you a magic weapon. "

Taoist Yang Xi took out a small seal from his arms, bit his finger and dropped a drop of blood into it.

"Xiaoyin will guide you to xuanyimen."

Ye Chen nodded: "thank you very much!"

"Master, be careful in everything!" Taoist Yangxi warned that this trip to Xuanyi must be in great danger.

.....

At the same time, deep in the Xuanyi mountains, in a broken waterfall.

"Master..."

Xiao Huang, who is still in a coma, calls Ye Chen's name once in a while.

"It's really a double pupil nightmare!"

That Xuanyi old ancestor exclaimed, this trip is really quite profitable!

You know, this ancient double pupil nightmare, every breakthrough in practice, it is to attract all kinds of strong people to scramble, before in the hands of reincarnation, but brilliant!

I didn't expect that this time, the harvest was so easy.

Xuanyilaozu's palm was out of place with his age. At this time, he exuded white Qi Ze and directly buckled on Xiaohuang's face.

"It's a pity that this two pupil nightmare has recognized the master!"

Xuanyi's eyebrows are a little disappointed. If they don't recognize the master, it will be the best time for them to become Xuanyi. They have a nightmare with two pupils in ancient times. If they have enough resources, they will grow into the final form. In the whole heaven and human world, they will be the Xuanyi's generals.

"Now that you have recognized the Lord, you can only say that you have no chance with us

The white palm, which used to be fluorescent, is now covered with a touch of purple, and the flickering strange light once again covers the whole body of Xiao Huang.

Xiao Huang's originally closed eyes seem to be under great pressure at this time. Her eyes are flowing in them, and her red and blue luster suddenly pours out, crushing all the purple Qi.

"Well, still want to fight?"

Xuanyi's eyes and brows wrinkled. When he was sick, he wanted to die. At this time, he didn't swallow his two pupils' nightmare. When he woke up, he had no chance!

The deeper purple luster is condensed again, just like a sharp blade, which directly pierces the red and blue luster and extends to Xiaohuang.

.....

Half a day later.

Xuanyi mountain range is hidden between the cracks of heaven and man. If there is no guidance from Taoist Yang Xi, ye Chen will take time and effort to find it.

At this time, the whole Xuanyi mountain, shrouded in a galaxy of stars, exudes a situation of self-confidence.

The hidden and deep atmosphere of the deep jungle, a Wangqing river is actually winding out, the location of the Qinghe River is exactly the same as the trend of the mountain foundation, which echoes the five elements and eight trigrams, and the Xuanyi dragon vein.

Ye Chen flew all the way to the deepest part of the mountain range, but was blocked by a waterfall hanging from one side.

A huge stone tablet stands in front of the waterfall.

"Those who step into xuanhu lake without permission will die!"

The leaf Chen mouth corner lifts up a smile, this Xuan a door, return really is good big tone.

It's so naive that just a waterfall wants to stop him.

Ye Chen's two palms flow out a Holy Buddha's brilliance, which is the eight Fu Tu Qi. The Holy Buddha's light is like water waves, rippling on the xuanhu lake.

"Bang!"

A huge sound suddenly burst out when ye Chen's palms were attached to the waterfall.

There is a Dharma protection array!

Ye Chen's heart is startled. It's not as simple as you think. The gate of Xuanyi mountain is very close to hiding. Unexpectedly, the power of the Dharma protection array is infinite.

A strange grain on Ye Chen's body gradually spreads over his body, and the mysterious body turns into a magical power!

But soon, he stopped, if forced to break, it is bound to attract the attention of the other strong, then it will be more difficult to find the whereabouts of Xiao Huang.

The expression of anxiety shows on the face of leaf Chen, turbulent current lets him more agitated uneasiness.

Waterfall! Water! God of the sea of stars!

Thoughts flow, ye Chen thought of what, divine consciousness has entered the reincarnation cemetery.

At this time, reincarnation cemetery seems to have been due to the existence of luotaixu, a clear Xinghai river is winding, adding a touch of flexibility to the original barren reincarnation cemetery.

"Master Xinghai! Please help me

Ye Chen stands in front of the tombstone of Xinghai, his face is burning.

"Boy, what's the matter!"

The virtual shadow of luotaixu slowly emerges. On the throne of water system, he sits aloof and excels."Master, Xiaohuang is trapped in xuanyimen. I don't want to expose my magic power, let the xuanyimen know, and then hurt Xiaohuang! Please help me to enter xuanhu

Ye Chen explains the whole story in a concise way.

Luo Taixu nodded slightly and said with disdain, "this is a small matter. I need to do it myself."

Ye Chen knows that Luo is too modest and arrogant. He doesn't say a word. He just waits for Luo to reply.

"This is still water spirit. After you carry it, wrap it around the body, and it will turn into the breath of xuanhu water, and you can enter quietly."

A round water bead appeared in luotaixu's hand and slowly fell to yechen.

Ye Chen quickly took over, heart under great joy, silent can enter the xuanhu water.

Driven by Ye Chen, the water drops turned into a water like light garment and wrapped Ye Chen from the beginning to the end.

Then, ye Chen flew into the waterfall and poured into it like a drop of river water without causing any fluctuation.

Ye Chen is very happy. The God of the sea of stars is really the supreme in the water. Where there is water, he is the king.

.....

In xuanming cave.

Xiao Huang is still sleeping.

At the moment, Xuanyi was staring at his palm in a daze. There were still some hair trees in his palm. The power of that blow was so great that he almost doubted whether the other party had really not awakened.

"It's really a double pupil nightmare!"

"Even in a coma, there are powers that can frighten me."

Xuanyi's grandfather sighed with lingering fear, and then a jade slip flew out. The jade slip flew out of the sky and went straight to Xuanyi's palace.

"Laozu..."

After receiving the jade slips, leader Xuanyi came to the xuanming cave in a flash.

"I asked you to come here to tell you something about this treasure." Xuanyi Laozu said lightly.

Xuanyi headmaster a joy, arched his hand: "please say."

He had already known that the old ancestor had brought back the treasure which had produced the vision. Although he was impatient, he could not disturb him. He could only wait for the news in the Xuanyi palace.

Chapter 5352

"It's not a magic weapon of elixir, but a spirit beast."

Xuanyi's father showed an enigmatic expression, as if waiting for Xuanyi's leader's question.

"Spirit beast?" At this time, leader Xuanyi was puzzled about what kind of spirit beast could make Laozu show such an air.

"Can you hear that monstrous beast, Shuangtong mengyan, who was beside the reincarnation Lord in those years?"

In a flash, the head of Xuanyi's eyes were wide open. He didn't expect that the ancient spirit beast was still alive, and now it was in his Xuanyi mountain range.

"It's a pity that this ancient spirit beast has recognized its master. Otherwise, it will be the treasure of our Xuanyi sect!"

Xuanyi Laozu said with some disappointment, with a trace of ruthlessness in his expression.

"You mean..."

Xuanyi leader made a horizontal gesture in his hand, and his voice unconsciously lowered, as if he would wake up Xiaohuang at any time.

Master Xuanyi nodded: "but this beast is not useless. If I swallow it, I should be able to master part of his blood and power! This time, I will try my best to devour him. You will help me protect the Dharma! "

Their eyes fell on Xiao Huang, who was in a coma. Their eyes showed the light of greed. This is the great cause and effect of Xuanyi!

Mori Bai's light scattered from the palm of Xuanyi's hand and made the whole xuanming cave shine brightly.

Circle by circle of light wave patterns in this light, slowly generated, from top to bottom actually formed a white gourd.

The light curtain around the gourd seems to record the magic power of palm. No matter what angle you look at it, it is actually a huge palm, sometimes clenching, sometimes pushing and sometimes moving.

"Absorbed by me!"

The white jade gourd, at the command of Xuanyi, fell down, and its mouth was facing Xiaohuang.

A bunch of white jade Xuan light from the mouth of the gourd, is shrouded in Xiaohuang.

The leader of Xuanyi put his hands together and kept chanting mantras to protect his ancestors.

And in the light of this luster, Xiao Huang's body began to twist.

From slow to fast, gradually shudder up, eyebrows are tightly wrinkled together, seems to be very painful.

When Lao Zu saw this, he was very happy. It seems that his magic weapon can accept the ancient beast.

The smell of red and blue comes from Xiaohuang's body.

Directly with the white jade Xuanguang form the opposite situation, interweave collision, form the fire light.

"Put it down!"

At this time, the spirit of the whole Xuanyi mountain range flowed to Laozu one after another, and the roaring sound made the whole Xuanyi mountain range vibrate a little.

The white jade palm gathers this horrible aura and pours it into the white jade gourd again.

The dark light of white jade gourd is more mellow in a moment, and it's hard to overwhelm the red and blue double pupil breath.

At this time, the sudden change of prominence, yellow eyes suddenly opened.

Red and blue eyes suddenly look at Xuanyi ancestor, like a thorn in general, straight into the sea of Xuanyi ancestor knowledge.

It's a spirit attack!

It's too late for Xuanyi to take back the white jade gourd!

The power of double pupil nightmare has been exerted.

Boom!

In a flash, the white jade gourd broke!

And Xuanyi mountains on the sky is a startling vision!

It's like the collision of two waves in the sky!

Endless tear and burst in this moment to the extreme!

.....

In xuanhu lake.

Ye Chen naturally noticed the vision above the sky!

It's Xiao Huang!

Ye Chen's heart is startled. At the moment of entering the xuanhu lake, he has sensed the fluctuation of Xiao Huang.

And just now, the breath of Xiao Huang was very strong and burst out!

Is it in danger!

At present, his speed in the xuanhu lake is more rapid, and his direction of swimming has gone towards the Xuanyi inner lake.

When ye Chen raised his head again, he was surrounded by trees and had already swam out of the turbulent waterfall.

Ye Chen's spirit is extremely powerful. He suddenly finds that there are people in the lake!

Is it the elder or disciple of xuanyimen?

Damn it!

Ye Chen quietly out of the water, hiding in the trees, the divine consciousness has seen some xuanyimen's clothes not far away.

He took out something! In an instant, his face was covered with a layer of gauze. This gauze is one of the artifact of law from the Xuantian stele. It is called yihuabao gauze. One of its functions is to change his appearance!

Not only appearance, even bone age can be changed!

But this Xuan a person, each waist has a sign, if ye Chen fair and clear and go, will be found.

Ye Chen fingers a turn, still water bead appears again in his hand, and then turn over again into the water. As the water of the lake goes deeper and deeper, the temperature rises gradually.

Layer upon layer of fog shrouded in the water, even in the still water bead package, ye Chen's line of sight is also floating, can't see the scenery in front.

At this moment, on the Bank of the xuanhu lake, a slender figure is taking off the last layer of clothes, and the whole person is slowly sliding into the xuanhu lake.

Waist length hair, scattered in the water, forming a dark shadow.

Between the flow of light waves, in the layers of mist, Yingying jade hands, slender fingers fell on the neck.

What a beautiful bathing picture!

Ye Chen Mou son one coagulates, obviously this person is the existence that oneself perceive!

Although he wants to subconsciously avoid, but it's too late to see thoroughly!

Just for a moment, under the protection of the static water bead, ye Chen was very close to the girl's body, but somehow, the static water bead was burst by pressure, causing water splashing!

The four eyes are opposite, the girl's eyes are wide open, she looks at Ye Chen in horror, and then the flush rises directly from her neck to her cheek.

She never thought that someone would show up here!

"Bold!"

The next second, the girl's palm had pushed Ye Chen away, and a huge xuanhu water column rose up in front of the girl. The girl's jade foot gently touched the water, and she had already reached the shore, and put on her outer garment in an instant.

The girl's eyes were burning, and her anger was burning. She said every word: "how come I have never seen you, who are you! Why are you here? How dare you peep at Miss Ben's bath! I really don't want to live! "

The girl was full of shame at this time. She was so big that she was humiliated for the first time. This man, she must kill him to relieve her resentment!

Ye Chen dodges again and again, but the picture of candid meeting emerges in his subconscious mind.

But then again, the girl was not very old, but her figure was very well developed. She was even more proud than shuijinghua.

The young girl sees the expression that ye Chen reveals at this time, under the heart know, this smelly man must be in Daydream again, in the chest is enraged, under the hand attack more incisively!

Chapter 5353

The xuanhu water is just like the girl's weapon. With the different seal of the girl's fingers, it changes different attack forms.

At the beginning, ye Chen just didn't want to expose his power, but chose to avoid it again and again.

But at this time, he suddenly found out that there were some skills to suppress the outside world in the Xuanyi sect. Many skills were limited and could not be fully used.

Ye Chen's face at this time also from the initial ponder, slowly become dignified seriously, if the cultivation can't display, in front of this murderous girl, what should he do?

Xuanyi sect was once a powerful sect in the whole heaven and human world. At first, it was relying on Xuanyi's great chance to get a superior.

Only half of Xuantian Heart Sutra.

It is said that the supernatural power of ancient times was once used by the queen of heaven in the upper world. Among them, the special and mysterious internal breathing operation method has made Xuanyi a powerful person in the human realm of this day in only a hundred years.

And this Xuantian Heart Sutra, under the deep study of Xuanyi, formed Xuantian five elements cultivation method and a set of killing Xuantian jade palm!

"Hiding? Hum! I'll see how long you can hide! Let's see how powerful I am

Xuanyun xijiaorong is angry at this time. What she practices is the water in the five elements of Xuantian, and her cultivation is in the eighth heaven of the true realm! In this Xuan lake, she is just like the spirit in the water. How can she tolerate Ye Chen to dodge all the time.

Ye Chen is also suffering at this time. On the one hand, his cultivation and skills are limited. On the other hand, he can't force his hand to avoid exposing his identity in advance and putting Xiao Huang in danger.

In xuanyunxi's eyes, ye Chen is just like a xuanyimen. His strength is mediocre, but he has an evil heart.

"Xuantian water ice sting!"

Originally there was still some hot water in xuanhu lake. At this time, the temperature dropped sharply.

The original flowing water of the lake has become ice in almost an instant, and even the trees around are covered with frost.

"Thorn!"

On the frozen lake, pieces of crystal clear ice cut the sky and flew towards Ye Chen.

Ye Chen quickly adjusts his figure and dodges among the ice spikes. For a moment, he is in a hurry.

The evil spirit sword almost all wants to explode the body but, was stiffly restrained by the leaf Chen.

And that ice cream, is sweeping, as if indefatigable general, wipe leaf Chen body and pass.

A slight bloodstain is formed on Ye Chen's skin.

Xuanyunxi just now showed a smile of satisfaction, as long as you kill this person here, then what happened today, there will be no third person to know.

But soon, her face changed!

This boy's wound, unexpectedly in a twinkling of an eye, recover as before!

What a terrible vitality!

The cold color in her eyes is getting stronger and more murderous. There is a trace of dark sky light in her palm. The dark sky air of the whole xuanhu Lake flows to her palm one after another.

Even a little bit of water law!

The original slender palm, like the Buddha, has a pure halo.

"Xuantian jade palm!"

Xuanyunxi actually directly sacrificed Xuantian jade palm, the biggest killing move of Xuanyi.

The jade palm gradually enlarged in the void, and then bombarded Ye Chen on the xuanhu lake.

This is the only way to kill Ye Chen on the spot!

WOW!

The huge palm slapped on the water surface, forming a huge wave, surging up, almost touching the dome.

Xuanyunxi looked down at the place where ye Chen stood before, and a slight smile appeared at the corner of his mouth: "no matter who you are, this is your end!"

Just when ye Chen was ready to sacrifice the evil sword and use the mysterious body to transform the spirit, the voice of the God of Xinghai came again!

"Boy, I'll do it! How dare this girl defile the martial arts

Ye Chen heart a joy, the next second, his eyes changed!

That's the breath of the star sea god!

It's the breath of the master of water!

Xuanyunxi, who originally thought she was successful, obviously found something. Her beautiful eyes opened again, because under such a blow, ye Chen still stood in the same place.

Missed? It's impossible!

Xuanyunxi can't believe her eyes. In the whole Xuanyi sect, her accomplishments are superior. With the help of the power of xuanhu lake, she can go beyond the level to fight!

At this time, the mole ant in her mouth escaped her killing move.

At this time of Ye Chen, eyes a coagulation, towering breath burst out! Like a body in the water!

The mighty power of the sea of stars has been tilted out of his fingers.

That originally was very obedient xuanhu, at this time in the role of the sea of stars, directly out of the control of xuanyunxi.

The water of xuanhu lake, stirred by the power of Xinghai, formed a spear and fell directly on xuanyunxi's neck! Only a little bit, xuanyunxi will die!

At the moment, xuanyunxi's face was frightened, and he looked at the technique in front of him.

She seems to have seen the complete water system rules that can only be mastered by taizhenjing!

How could that be!

No one has ever been able to take this xuanhu water out of his control, even his grandfather can't do it. This is due to her unique blood and unique conditions for water system practice.

At this time, the water flowing spear is extremely accurate suspended on his neck.

Just one move?

What a tough skill!

"Who are you?"

Xuanyunxi is full of miracles that ye Chen shows at this time, and doesn't care about his situation at all.

"Who are you?"

Ye Chen asks a way in return, looking, the identity of this young girl is not simple.

"You don't know who I am. My grandfather is the ancestor of xuanyimen."

Ye Chen thinks, don't come out oneself expect, this young girl's identity is really not simple, just how can see Xiao Huang through her?

"No!"

Ye Chen instantly found that countless footsteps came together, obviously attracted by the movement caused by him and xuanyunxi.

This is not a good time to show up.

Ye Chen doesn't care about xuanyunxi. The water drops reappear in his hands, and the whole person has turned into the water again.

"Elder martial sister!"

Countless xuanyiqiang didn't get close by force. They already knew xuanyunxi's bathing habits.

If you step in rashly, Laozu will not let them go!

However, with such a strong fighting atmosphere, they were really worried about xuanyunxi's danger.

"Back off! I'm just practicing

Beyond the expectation of underwater Ye Chen, Xuan Yunxi just straightens his hair and shouts with a gloomy face.

Chapter 5354

"Little elder martial sister, but we just found that the array has changed, and there is still a strong sense of fighting. I don't know about you..."

"It's because I have some insights and have done some exercises." Xuanyunxi at will prevaricate, and even intentionally or unintentionally looked at the bottom of the Ye Chen.

"Little elder martial sister If it's convenient for you, we'll explore it for you... "

However, the words have not finished, the next second, xuanhu water surging!

Xuanyunxi's cold voice resounded:

"do you mean someone can cross the law enforcement hall and come to me?"

"I dare not!"

"That's not going back!"

Hearing the anger in xuanyunxi's words, many strong men and disciples of xuanyimen could only disperse slowly like the tide.

Ye Chen felt that after the strong left, he returned to the shore.

Xuanyunxi had already taken advantage of this opportunity to dress neatly. At this time, he could not see any water stains except for his hair.

At the moment, xuanyunxi is looking forward to Ye Chen, as if the absurd scene had never happened before.

Ye Chen is also suspicious to see to Xuan Yun Xi, a time also don't know this girl gourd in sell of what medicine.

He didn't think that if he had seen the other side naked, he would have to rely on himself.

Xuanyunxi's talent and status are destined to be extremely high!

At this time, xuanyunxi sees Ye Chen come over, shows a smile, and suddenly says:

"who are you? What is the water system skill you just performed? "

"Well?"

Ye Chen was asked by her for a moment. Then she realized that the girl was a Wu Chi like Zhu Yuan!

Just now, the star sea god broke her biggest killing move, which obviously hit her hard.

Seeing that Ye Chen didn't speak, Xuanyunxi approached Ye Chen and said excitedly: "just now, I felt that the water of Xuanhu Lake contained a more pure power of water system. Can you tell me what that is? "

Xuanyunxi had been completely immersed in the attack of the water battle spear just now.

Fingers turn, Xuanhu water has again formed a just fall too virtual cohesion spear appearance.

It is only similar in shape but not in spirit.

"Do you specialize in martial arts?"

Ye Chen looks at her this interest high appearance, can't help but ask a way, although already had an answer in his heart.

"Yes, my blood is special. My grandfather said that I am a spirit of barren water. I can only practice water system in my life." Xuanyunxi's eyes were sincere, simple and straightforward.

Ye Chen's heart moves. The granddaughter of the Xuanyizu is such a simple practitioner.

It seems that the Xuanyi sect is closed to the world, which makes the disciples more simple.

Ye Chen thought one coagulates, tiny thinking, how can ability inquire Xiao Huang's whereabouts to her.

Seeing the tangled and contradictory color on Ye Chen's face, Xuan Yunxi thinks that this is the secret of the sect and can't be exposed. He quickly adds: "if you are willing to teach me such martial arts, I'm willing to worship you as my teacher."

Ye Chen can't believe his ears. There are too many insidious and cunning people in the world. He hasn't seen such a simple person for a long time.

What's more, once you accept this cheap apprentice, isn't it a step closer to finding Xiao Huang?

Although Ye Chen's heart is joyful, his face is still indifferent, as if he doesn't care at all. He says faintly: "as a young master of Xuanyi, do you want to worship me as a teacher?"

"Naturally, I want to be a teacher. My grandfather studies Xuantian Heart Sutra and forms Xuantian five elements cultivation method, but he really has no energy in the study of Wudao

Xuanyunxi explained, as if for fear that ye Chen didn't believe it, he added quickly.

"If you are willing to accept me as an apprentice and teach me this more powerful skill, I will not disclose to xuanyimen about your whereabouts. I can make a vow of heaven!"

Ye Chen showed a smile: "well, since you are so persistent, then I will accept you as an apprentice."

With this cheap apprentice to protect himself, ye Chen feels that he has at least a pass to enter and leave Xuanyi gate freely.

"Master, can you tell me what the power contained in the spear before?"

Xuanyunxi immediately smiles and chases after ye Chen and asks,

"the power of the sea of stars."

Ye Chen showed an enigmatic smile: "you should think about the martial arts charm of your teacher just now, and see if you have any harvest."

Xuanyunxi nodded again and again, knowing the sea, just a scene has been repeated again.

The spear full of the power of the sea of stars came out of her opponent's hands again and again, and touched her neck.

The power of the sea of stars? The power of Xinghai!

Ye Chen looks at xuanyunxi's serious and addicted appearance. He can't help feeling that the beautiful girl who doesn't lose any women is actually a Wu Chi like Zhu Yuan.

"Master, I know! The power of Xinghai is the power of starlight, the power of thunder, and when it is used, it condenses the inner power of xuanhu! "Xuanyunxi happily looking at Ye Chen, just for a moment, she has understood so deeply.

"She's very good. She's very talented in water martial arts. Unfortunately, she doesn't have a good master."

"If I had not been trapped, I would have taken her as an apprentice."

Fall too empty words, but directly fall in Ye Chen's ear, this young girl to water really has a unique talent.

Ye Chen knows that Luo Taixu is always arrogant and frivolous. At this time, it's very good for xuanyunxi to get such an evaluation from him.

"Well, not bad."

Ye Chen put on a look of an expert: "you can deal with the mysterious power alone, feel the sea of stars rule I used, and savor the connection of the water system."

Xuanyunxi nodded and her face was full of joy. If her expression fell into the eyes of xuanyiren, she would be surprised that the iceberg beauty, who was addicted to martial arts, would have such a brilliant smile.

"Master, it's late. I'll take you back to the palace to have a rest."

Xuanyunxi said humbly at this time, taking Ye Chen to his xuanxi hall.

Ye Chen all the way carefully looked at the environment, the winding path all in mind.

However, he did not notice at all, at this time a touch of body shape in the dark, is far behind Ye Chen and Xuan Yunxi.

.....

Xuanxi hall.

"Master, sit down first. I'll tell someone to make tea for you."

Ye Chen is not care about the hand, Xiao Huang whereabouts unknown, at this time he has what mood tea.

All of a sudden, a sudden change! There's news from outside!

"This is xuanxi hall. How dare you break into it?"

There was a noise outside the palace.

Xuanyunxi frowned, today is really not smooth, at this time, who dares to act in their own territory.

"Your law enforcement hall is really a big face. How dare you break into the palace of the young Lord?"

"The purpose of our law enforcement hall is to protect the security of xuanyimen. When we receive a secret report, someone sneaks into xuanyimen. We must thoroughly investigate."

"Do you mean the young master intended to hide it?"

"My subordinates dare not. The law enforcement hall is also to protect the safety of the young Lord!"

Xuanyunxi's maid and law enforcement hall disciples are quarreling incessantly.

Xuanyunxi some embarrassed to see to Ye Chen, just she return to Ye Chen said she is the most noble person of the whole Xuan, at this time this law enforcement hall put clear want to hit her face.

Her face was sulky and she stormed to the door.

"Law enforcement hall wants to break into xuanxi hall?"

The voice is not angry and powerful, with the unique feminine gentleness.

The disciple of law enforcement hall quickly bowed his head and did not dare to be disrespectful.

"I want to see who is going to enter xuanxi hall today!"

Although xuanyunxi said it was light, the faint light of Xuantian light source had been flowing between the palms, and the power of the law was lingering in it! Breath brewing to the extreme!

At the moment, Yingying luster is slowly spreading on the disciples of the law enforcement hall.

Threat!

Naked threat!.

Chapter 5355

Feeling xuanyunxi's power, everyone's face changed a little.

"Little elder martial sister, let's leave at once!"

The law enforcement hall disciples are also very good at seeing the wind. When they see xuanyunxi, they want to kill him, and they leave in a hurry.

Not only did they dare not offend xuanyunxi, but they also did not dare to offend xuanyizu behind xuanyunxi!

If Laozu's anger, they can't live out of Xuanyi!

At the moment, the figure that had been sneaking behind Ye Chen and Xuan Yunxi had already appeared in the palace of Xuantian headmaster, with a low brow.

He hesitated for a few seconds and said, "my father, that man is by no means a disciple of our Xuanyi school. He is with Yunxi, and he is also a warrior who controls the water system skills. He probably wants to deprive Yunxi of his blood."

"Oh? Yunzhan, are you sure? There is nothing unusual about the gatekeeper of the law enforcement hall. "

The leader of Xuanyi has just returned to the palace. Not long ago, he protected the Dharma for Xuanyi. Unexpectedly, he lost a white jade gourd. At this time, he was in a bad mood.

"Father, I'm sure Yunxi has a noble status. He's not only the little master of Xuanyi, but also the little elder martial sister in the eyes of many disciples. He must not be coveted by outsiders."

Xuanyunzhan's eyes are full of jealousy. He is the son of the leader, but the position of the young leader of xuanyimen falls on xuanyunxi's head. All this depends on her grandfather being xuanyilaozu.

When did he lose his talent and martial arts to xuanyunxi?

This time, xuanyunxi secretly let outsiders into daomen, even if can't take her little master's position, also want to let her off a layer of skin!

Naked jealousy almost makes xuanyunzhan lose his mind. Over the years, xuanyunxi's aura is too strong for him to breathe day and night.

"In that case, I'll go and have a look!"

"Xuanyimen has been in seclusion for many years. No unclean outsiders are allowed to enter!"

"If it's true, it's a stain on xuanyimen!"

The head of Xuanyi left with his fingers pinched. He had already asked the elder of the law enforcement hall to go with him.

.....

Between a few breath, a few figures appear in the palace of xuanyunxi!

And xuanyunxi obviously also felt something, eyebrows slightly wrinkled, the next second, no nonsense, toward a direction!

"Uncle leader! Why did you come all of a sudden? "

Xuanyunxi walks out of the palace quickly. She looks a little flustered. After all, she doesn't know exactly what ye Chen's identity is, but maintaining Ye Chen is what she has to do at this time.

The leader of Xuanyi looked at xuanyunxi in front of him and said with a smile, "Yunxi, have you made any progress in this period of time?"

He pretended to ask, but the pace at his feet was faster and faster, and the elder of the law enforcement hall around him was also following.

Xuanyunxi stretched out his hand to stop him, but he was gently blocked by the leader of Xuanyi, and his body had already entered the palace.

And at the moment of Ye Chen, was obviously found by everyone!

You know, few men can enter xuanyunxi's palace!

More importantly, ye Chen's body does not have the breath of a Xuan door!

It must be an outsider!

"How can there be heaven and earth in xuanyimen? Boy, who are you? "

The elder of the law enforcement hall was alerted that he had never seen the young man in front of him.

Ye Chen instead is to show a touch of light smile, calm said, "I'm Yunxi's friend."

The leader of Xuanyi directly passes over Ye Chen, sits on the throne, and looks at Ye Chen from top to bottom. He looks at the indifferent man and says curiously:

"how did you get in?"

Ye Chen looked at Xuan a headmaster, his body has a trace of yellow breath, look dignified.

Does it mean that Xiao Huang was with him before, but now, after Xiao Huang's strongest strike, what's the matter now?

"Me? I'm from xuanhu. "

Ye Chen hesitated a few seconds, still opening a way. He didn't want to explain the purpose of his coming in to the other party, so he could only wink at xuanyunxi.

Xuanyunxi at this time also some anxious, she does not know who ye Chen is, from where to where, even ye Chen's name she does not know.

After a long time, xuanyunxi finally came up with a countermeasure, red lips micro Zhang: "master, he is I bring into Xuanyi."

Next second, the atmosphere is dignified!

"Yunxi, don't be such a fool!"

Xuanyi headmaster's face is very blue, and she looks at xuanyunxi. This girl hasn't left Xuanyi mountain range for a long time.

I'm really delayed by my practice. I can't even lie!

The elder of the law enforcement hall stepped out step by step. For him, if an outsider breaks into Xuanyi, he should bear the primary responsibility!

"Boy, who are you? What do you want to do when you sneak into xuanyimen? Or do you have any plans for me

Law enforcement hall elder righteousness finish saying, that see to Ye Chen of Mou Guang seem to want to kill him general.Ye Chen doesn't want to conflict with Xuan Yimen, so he can only answer: "me? I'm

also practicing water system skills. I have a blood line similar to that of Yunxi. I met Yunxi many years ago, but I just want to explore new water system skills with her. "

"That's bullshit!"

The leader of Xuanyi glared at him angrily: "I'm a transcendent Taoist, and I still need to learn your unconventional skills?"

The elder of the law enforcement hall also said: "you must be greedy for my little Lord's blood, so you sneak in."

Xuanyunxi heard that the two were greedy and scheming. He couldn't help thinking of the scene in the water before, and the scarlet color instantly covered his whole face.

"Master! This boy refuses to explain. Please kill him to keep our xuanyimen safe. "

The elder of the law enforcement hall knows that xuanyunxi is defending yechen, but he has formed an alliance with xuanyunzhan and doesn't intend to leave a way for yechen.

"Master Shibo, absolutely not. He really discussed martial arts with me on this trip. With his help, I will certainly go to a higher level."

Xuanyunxi nervous said, unless the ancestor is present, otherwise, she completely helpless Xuanyi leader.

"Headmaster, this son must have mastered the method of freely entering and leaving our xuanyimen. He must not be allowed to harm xuanyimen! Otherwise, something will happen to xuanyimen sooner or later! "

In a twinkling, a long sword appeared in leader Xuanyi's hand, which was a magic weapon of law! The whole body is twining with the golden light of red flame!

As a leader, outsiders step in rashly. Naturally, he will set an example!

Ye Chen will surely die!

Moreover, leader Xuanyi's practice is the law of fire, which is incompatible with water and fire. In his long practice, xuanyunxi's skill of ice and water is as childish as a child.

"Master, stop it!" Xuanyunxi cried out, but it couldn't affect that golden black red sword.

Jinwu's roaring voice resounds through the void, and the huge sword has gone towards Ye Chen, surrounded by the law of terror!

Chapter 5356

But the leader of Xuanyi didn't pay attention to Ye Chen. This move didn't use all his strength. Instead, it gave Ye Chen a chance.

Ye Chen no longer hesitates, the mysterious body turns the supernatural power to display!

As soon as the whole figure turns around, people have disappeared in the same place. When they appear again, they have already gone around to the back of leader Xuanyi! Look light!

"Well? How could it be

A blow to fail, even let Ye Chen swim to his back, Xuan a headmaster originally overcast and rainy face, all is anger.

The meaning of palm rule is full in an instant, and the whole palace is like a sea of fire at this time.

The hot breath came from the foot, and the flame almost touched Ye Chen's cheek.

The super power of taizhenjing also comes to Ye Chen!

Ye Chen look no longer indifferent, but dignified! If he can't avoid the first World War, he would rather be injured than find Xiao Huang's whereabouts!

However, at this critical moment, an old voice sounded, countless water lilies in full bloom, the boundless sea of fire, instant annihilation.

"Why so angry..."

The void trembles, and the figure of an old man looms.

When people see this figure, their expression changes instantly!

Many disciples knelt down together!

"Lao Zu, why are you here?"

When the leader of Xuanyi saw his father appear, he had already broken his own form of fire.

At the moment, some of them looked at the old man in front of them, and secretly gave a look to the elder of the law enforcement hall.

The elder of the law enforcement hall immediately understood, knelt down and arched his hand and said: "Laozu, this boy broke through the great battle of protecting the sect of Xuanyi sect and sneaked into the hall of the little Lord. Moreover, he is also practicing water system skills. We are worried that he wants to devour the blood of the little Lord. In order to protect the safety of the whole Xuanyi sect and prevent others from going in and out of the sect, I suggest killing him!"

Lao Zu takes a look at xuanyunxi. His eyes are a little complicated. Just now, xuanyunxi sends a letter to him, but the version she reports is quite different from the version the law enforcement hall reports to him.

This girl is making trouble again!

But at the moment, xuanyunxi is a face magnanimous look to xuanyilaozu.

Just now, she can only turn to her grandfather for help, hoping that he can save Ye Chen for her sake.

The son and daughter of Xuanyi's first ancestor are shallow, and they love this granddaughter who is left alone.

When he received the letter, he immediately placed Xiao Huang. He didn't care to check his own backfire, so he came directly from the air.

"Well, I know all that." Xuanyi elder snorted coldly and looked at the elder of the law enforcement hall with a trace of arrogance.

"Recently, this law enforcement hall really needs to be rectified. Otherwise, all kinds of dogs and cats can come to my granddaughter's palace to bully."

"I dare not!"

The elder's expression changed instantly, and he knocked his head on the ground without hesitation!

He knew that Lao Zu was very fond of xuanyunxi, but he didn't expect that when it came to the safety of xuanyimen, it would be the same!

Xuanyilaozu obviously saw through what people thought. With a wave of his sleeve, the indifferent and ancient voice sounded again!

"To tell you the truth, I brought this boy back. I've been studying for so many years, and no one can teach Yunxi real skills, so I found him. And not long ago, I gave it to Yunxi. If your law enforcement hall has doubts, it's better to enforce the law with me. "

Xuanyi's words didn't explain, but Xuanyi's leader understood, and his face was clear.

Although the headmaster still has doubts in his heart, Lao Zu said so. What else can he say!

"You two, come with me."

Xuanyi didn't want to stay here for a long time, so he stepped out!

Ye Chen and xuanyunxi look at each other, and they can only go back to xuanming cave with Xuanyi.

.....

When ye Chen steps into xuanming cave, ye Chen's face changes dramatically!

Xiao Huang's breath is very strong here!

Ye Chen is very happy. It seems that this is the place where Xuanyi's ancestor hid Xiaohuang.

However, back to xuanming cave of the ancestors, at this time face iron green, a face not good look to xuanyunxi.

"Yunxi, tell your grandfather the truth. Who is the boy in heaven and earth?"

Xuanyunxi looks at yechen and at Laozu. She's in a tangled mood. If she's honest, her grandfather won't allow her to be an outsider.

If you don't tell the truth, grandfather is almost powerful in this Xuanyi sect. If something goes wrong, ye Chen can't get away with it just by practicing the skills.

"Yunxi, if you dare to cheat me, maybe it's just like the elder of the law enforcement Hall said. Then the boy will be destroyed directly! "

Xuanyi's ruthless attitude is obvious, completely without the former kindness to xuanyunxi.

Xuanyunxi see this, heart under a horizontal, eyes in the mist sprouting, unexpectedly is a pair of Juran want to cry appearance."Grandfather, you know my temperament. I will never do anything harmful to Xuanyi. In recent years, the elder of the law enforcement hall has become more and more arrogant and domineering. He has not paid attention to his granddaughter many times."

Xuanyi's face softened a little when he saw her like this, but he still looked at Ye Chen and asked:

"what's the matter with him?"

Xuanyunxi instantly thought of the picture of xuanhu two people's candid meeting. Her face was a bit shy and she bit her teeth. She looked at Xuanyi's grandfather with some embarrassment, "grandfather, I don't want to hide it anymore. He is actually my favorite."

This word, the whole world suddenly quiet down!

Even, Xuanyi was stunned for a moment, but he knew Yunxi very well!

Yunxi has always been addicted to martial arts, when to hear her talk about love.

How can there be a chance?

He instantly thought that xuanyunxi was still cheating himself!

"Yunxi, don't lie to me."

Lao Zu looks at Ye Chen's eyes, and then they become full of killing intention again. This boy is just in heaven and earth. How can he be worthy of her granddaughter!

"Grandfather, he is really wonderful to his granddaughter. It's also because he hasn't seen her for a long time that he ventured to visit her."

Ye Chen see xuanyunxi so real appearance, some doubt xuanyunxi if put in China, can take the Oscar?

Now that xuanyunxi's words have been mentioned here, he can only show his true feelings.

I'm such a cheap student. I think about myself all the time. I even think about self destruction.

Xuanyi looked at them and hummed: "good! Good! Good! You two lie together! I don't think I can find it! "

"Xuantian Xuanfa, tracing back to the past."

No matter what, Xuanyi is still unwilling to talk to each other! The years of calculation has already made him form the habit of doubt, even his granddaughter can't believe it.

Chapter 5357

Xuanyunxi's heart is cold when he hears the chant. His grandfather will find that he is bold enough to cheat him. When the time comes, what will happen to his new master?

Ye Chen doesn't worry. Now that he has judged Xiao Huang's position clearly, even if he exposes his identity and breaks through the shackles, he will take Xiao Huang out of Xuanyi!

In a twinkling, Xuanyi's ancestor replays the scene of xuanhu Lake by extending and reshaping it.

But the picture has not yet been fully revealed. The first ancestor of Xuanyi discovered that they were bathing in xuanhu lake!

It's more honest!

In an instant, the picture was broken up by the emperor Xuanyi!

He doesn't want to see this picture more!

That's my granddaughter!

Xuanyunxi was forced to recall the scene that she wanted to forget thousands of times. At this time, she was red in the face with shame. She wanted to find a crack in the ground right away.

Ye Chen is magnanimous incomparable sit there, a thing has happened, oneself and Xuan Yun Xi really love expression.

Xuanyi's grandfather wanwan didn't expect that things were beyond his expectation, and the two men had reached such a point.

"Well, if you like, let him stay. On the other side of Xuanyi gate, I'll go and say. "

Xuanyi said helplessly.

Xuanyunxi can't hide the joy in his eyes at this time. As long as he has grandfather's approval, who dares to say no to those law enforcement hall people!

She believes that with her talent, she will be able to master Ye Chen's martial arts and the ethereal power of the sea of stars with the fastest speed!

At this time, a faint sound of spirit beast came from the deep.

"Well? What's the sound? "

Xuanyunxi obviously also heard it, and suddenly said that in the depth of the cave, it seemed that there was a spirit beast whining.

Ye Chen almost the first time has been confirmed, is Xiaohuang.

Xuanyilaozu waved his hand in no hurry: "it's OK. I got a strange beast in henggu not long ago. It's not obedient. I'll go and have a look."

"You two stay here first."

Xuanyunxi looks at her grandfather's back and shows a salivating expression. She doesn't have a spirit beast, and she doesn't know what rank the strange beast she caught this time!

"You want to see it?" Ye Chen seems to see her mind and asks in a low voice.

"Well, I don't have a spirit beast yet. If this one suits me, I will ask him to give it to me."

"Master, shall we go and have a look?" Xuanyunxi asked.

Ye Chen expression strange, curious way: "your grandfather is too true environment strong, he let us two people stay here, how do you see?"

Xuanyunxi shows a strange smile. The next second, an ancient Rune bead appears in her hand. She raises the bead in her hand and says: "this thing was given to me by my grandfather on his birthday. It can cover my body for a period of time, even if it's too real! Master, follow me

Ye Chen

He has seen the pit father, is the first time to see xuanyunxi so Pit Lord! But this matter concerns Xiao Huang, ye Chen nature is impossible to refuse!

The next second, the two figures will disappear in the invisible, if you look carefully, you will find that the two footprints are slowly approaching the depth!

.....

At the same time, deep down.

At the moment, Xiao Huang's breath is weak and curls up on the stone platform. He slightly raises his head, obviously has sensed Ye Chen's breath, and is struggling to make a whimpering sound.

Xuanyi has come to the depth of xuanming cave.

The color of Xiao Huang's nightmare eyes is weak and almost imperceptible.

"Oh I think this is the weakest time for him! "

Xuanyi is very happy. He lost the precious white jade gourd because of the power of Shuangtong's nightmare. He is afraid of Shuangtong's nightmare.

After a blow, Xiaohuang is obviously at the end of the storm, and the power of nightmare in his body can no longer work.

Kill him while he's sick!

The color of the ferocious smile rippled on Xuanyi's face. He couldn't help but imagine that if he swallowed the power of Shuangtong's nightmare, he might even go to a higher level, and even be qualified to step on the legendary world.

"What's that?"

Xuanyunxi carefully compared the spirit beast on the stone platform, it didn't look special.

Ye Chen pretends to shake his head, although he recognizes that it is Xiao Huang.

At this time, Xiao Huang was placed on the stone platform, covered by layers of array. Under the five element array, Xiao Huang's eyes were a little angry and weak, and it seemed that he was depressed by this array.

"Why?"

Xuanyunxi sees that square big formation, quite some unexpected expression, that spirit beast looks not particularly fierce appearance, unexpectedly let grandfather use this kind of strong array magic power.

"What's special about this array?"

Ye Chen sees Xuan Yun Xi's doubts and asks with a gesture!Xuanyunxi is about to answer, but see Xuanyi old ancestor Mou son a coagulation, eyes to their direction shot, quickly pull ye Chenyuan road back.

After they returned to the front of xuanming cave, Xuanyun Xicai explained in a soft voice:

"that array is the highest array of our Xuanyi school, comparable to the mountain protection array. It's the five directions and five elements array. The little spirit beast that was imprisoned has absolutely no way to escape. If outsiders break it by force, the people in the battle will surely disappear before breaking it. "

Xuanyunxi's words, is to prevent the idea of Ye Chen attack. Xiao Huang is too weak to outwit.

"And..."

"And what?"

Ye Chen doesn't see any other clues. At this time, he hears xuanyunxi's words and infers from his heart that the ancestor must have something to prepare for.

"Did you see the stone platform just now?"

Xuanyunxi really deliberately sold a pass.

Ye Chen nods. In his opinion, there is nothing special about that stone platform.

"At that time, my grandfather occasionally got something from the heavenly daughter, Xuantian Heart Sutra. The square stone platform was where the half of Xuantian Heart Sutra was stored."

Shocked, ye Chen never thought that the rugged stone platform was the God of the world.

Xuanyunxi showed a girl's look and said curiously: "I don't know what rank the spirit beast is, but it's so valued by my grandfather!"

Before he finished speaking, Xuanyi went back to them in a hurry and said, "OK, Yunxi, take him back. I'll tell the law enforcement hall the rest. "

Expel Ye Chen and xuanyunxi to leave. Before they can reply, they have turned back to the depth of xuanming cave.

"Yes! Grandfather

Xuanyunxi doesn't talk nonsense. He pulls Ye Chen away and says: "master, after you go back, you can teach me the cultivation method of Xinghai power."

Ye Chen at this time which have what mind to talk about the power of the star sea of things, see that the appearance of the old ancestor, as if is to start to Xiao Huang!

He will never allow anything to happen to Xiao Huang!

Really can't, burn Xuan demon blood, fight once!

Chapter 5358

.....

The picture turns, deep in xuanming cave.

"The heaven has five elements, the earth has five directions, the dark sky is chaotic and all embracing. Hundreds of millions of gods and demons are all branches and leaves, yin and Yang, and Zhou Tian, who are willing to help the world. "

The ancient and vicissitudes of the voice constantly sounded.

The five directions and five elements array is all inclusive, and it is said that the first heaven and the second heaven, the congenital array has its own small world. From Yin and yang to the five elements, everything is in the mind of the main array.

Innumerable stars and divine lights fall in this xuanming cave. All kinds of blessing of Xuanguang rules contain the supreme principle of heaven and earth, and derive infinite killing opportunities.

Xuanyi's palm, under the dark light of this array, stirred the void. The wisps of stars, like meteors, beat on Xiaohuang's body.

Then, the star light incarnated a ray of light luster, drilled in from Xiao Huang's seven orifices.

In the dark light, Xiao Huang's eyes and brows are wrinkled, and his body is like a volcano formed by daohuo. Under the rolling of the five directions and five elements array, his spiritual channels gradually become the phase of evaporation, forming bright red and blue beads, which emerge from Xiao Huang.

Xuanyi was very happy. The red and blue beads were the purest blood of Shuangtong nightmare.

The next second, Xuanyi sat on his knees and opened his mouth, swallowing all the bright red and blue beads into his mouth.

Soon, Xuanyi's hair rose high, and from the end of his hair, it turned red and blue.

Under the five directions and five elements congenital array, the original stars instantly envelop the whole body of Xuanyi ancestor, and the red and blue luster of the nightmare of the two pupils twinkle up.

But at this time, the sudden change!

Xiao Huang's eyes suddenly opened, and an ancient pattern appeared in the center of his eyebrows!

In an instant, its body shape suddenly changes. At this moment, Xiao Huang's eyes seem to be filled with the fury of burning heaven!

Even in the eyes there is no emotion, only that enough to swallow the killing of heaven and earth!

The breath even surpasses the true realm!

Obviously, this is a life saving method of Xiao Huang! It broke out at this moment!

A pair of giant claws suddenly turned to Xuanyi.

The huge head is already high, the mouth is big, and the tongue has swept away towards Xuanyi.

The huge array finally aroused the power in the deep of Xiao Huang's blood!

Shuangtong nightmare is known as the archaic legacy. It has great power. Once it returns to the archaic state of blood, there will be the power to crush mountains and rivers between the claws. Even the Taizhen law can be broken!

At that time, the double pupil nightmare around the reincarnation Lord didn't have such power!

At this time, Xiao Huang has already swept away the previous dispirited attitude.

The teeth, like swords, spears and halberds, gnawed hard at Xuanyi.

Although Xuanyi was afraid of Xiaohuang's sudden outburst, he also knew that there were five sides and five elements array to help him. The other side was limited by the power of the law, and his strength was bound to be suppressed.

And he just swallowed a trace of red and blue source gas, at this time is greedy licking his lips, see through the soft ribs of Xiao Huang, general ferocious smile.

"If your strength is damaged, you can be my ancestor's food."

Xuanyi's eyes were sharp, and his body was full of holy white flames, and endless rules wrapped around his body.

In the rolling flame, his spirit is constantly burning, emitting a majestic momentum.

He even wanted to swallow Xiao Huang by force at all costs.

Xiao Huang stands like a mountain, and his body is full of evil.

"Burn my soul! Bury the dead

Xuanyi made an old voice, pinched the Jue with both hands, and tossed out the holy white seal.

Boom!

The spirit is burning, the flame is burning!

Deep in the whole xuanming cave, a white foggy space erupts. The emperor Xuanyi exudes the ultimate sense of destruction, the sense of breaking evil, and even the breath of catastrophe. It is extremely terrifying and shocking.

At this time, however, with a more fierce attack, Xiao Huang completely ignored the spirit attack of the noumenon and directly bit Xuanyi's neck through the fire attack.

Fast and incomparable smoking!

Xuanyi Laozu snorted coldly, just wanted to move, but his pupil was suddenly full of fear!

Because, he found that his Dantian was strangely sealed at this moment!

He can't even break free now!

I feel my life is passing away!

How could that be!

At this moment, he knew that the legendary double pupil nightmare was far from that simple!

Gradually, the body of the Xuanyi ancestor was withering at the speed visible to the naked eye.

The essence and blood are exhausted, the life is dead!

.....

As night fell, only the disciples of law enforcement hall were left to guard the whole Xuanyi gate.

Xuanxi hall is silent, but a indifferent figure suddenly appears in the night! This figure is Ye Chen!

The still water bead in Ye Chen's hand appears, and turns into the stream of xuanhu again. The target is xuanming cave.

But at the moment, ye Chen obviously didn't know that Xiaohuang's body fainted again under the collision with his own breakthrough power because of his huge power.

At this time, Xuanyi lost all his blood and essence, leaving only a dry skeleton!

A generation of too true environment strong how also can't expect to be like this end!

Ye Chen is cautious all the way. After entering xuanming cave, he vaguely feels that something is wrong.

The original strong ancestral atmosphere disappeared out of thin air.

The five directions and five elements array has been broken, but the acquired array is under the protection of the stone platform, connected with the whole Xuanyi mountain range, combined with the mountains and rivers, resulting in the trapped array at this time.

Ye Chen is under the cover of still water bead, see Xiao Huang still curl up on that square stone platform.

He breathed a long sigh of relief. There is a kind of nightmare with two pupils left behind by the great hall. How could it be that Xuanyi could touch it? Even if the Lord of tiandian came in person, he might not be able to fight Xiaohuang in his heyday.

Soon, ye Chen felt something was wrong!

He is ready to burn the blood essence of Xuanyao at any time! But Xuanyi didn't appear at all!

Suddenly, his pupils dilated! The skeleton is Master Xuanyi!

How could that be!

In a twinkling, ye Chen digested the things in front of him, but he showed a strange smile. The xuanyimen seems to be exhausted, and the ancestors have become Xiao Huang's food!

This is also the horror of Xiao Huang after breaking the shell!

It's just that at this time, Xiao Huang has swallowed the power of the ancestor, and it takes a certain amount of time to digest and absorb it.

Unexpectedly, Xuanyi gave Xiaohuang a wedding dress!

Ye Chengang is going to take away Xiao Huang. The next second, Da Zhen suddenly shakes!

Since Xiao Huang is OK, ye Chen is not in a hurry to help Xiao Huang out of trouble for a moment. In a flash, he disappears in the same place!

Chapter 5359

.....

At this moment, in the xuanyizong hall, the jade plate that had been worshipped for tens of thousands of years lost its luster.

A disciple of xuanyimen, who was cleaning the hall, noticed something strange. When he saw the jade plate, his expression suddenly changed!

The next second, rolling toward a direction.

The card is in the person, the light extinguishes the person to die!

However, that is the ancestor of Xuanyi, who has lived for endless years and reached the middle stage of Taizhen realm!

When leader Xuanyi heard the report from his disciples, he was obviously shocked and went straight to xuanming cave.

I saw the treasure which was regarded as the standard by my ancestors. At this time, the fluff of my mouth was still stained with blood, and I was sleeping soundly in the battle.

Around that pair of skeletons, impressively is Xuanyi ancestor!

"Laozu!"

The voice of grief came from the door of xuanyizhang, and the cry of heartbreaking reverberated in the whole xuanyimen!

"It's not a treasure, it's evil at all! The evil thing that destroys my xuanyimen

"I have been a hermit for so many years, just to wait until one day when the way of heaven fades and rises up!"

"But now, the way of heaven began to fade, but the old ancestor fell! What to do! "

For a while, leader Xuanyi was in a state of chaos.

Without the protection of the ancestors, they are mysterious. After the decline of the way of heaven, they are not allowed to be controlled by other factions in the realm of heaven and man!

He glanced at Xiao Huang with an iron face. With the guard of the five directions and five elements, he couldn't break through for a while. At this time, he had to deal with the things in the sect first!

In an instant, the whole xuanming cave erupted into a bright sky! Night is like day!

After xuanyimen was founded, there were only three such visions!

But every time, it's a big event!

Xuanyunxi is also aware of what, some doubt to see the direction of xuanming cave, is grandfather in danger! Soon, her figure will disappear in place!

Ye Chen leaned on the side of the couch, did not follow xuanyunxi to xuanming cave.

Instead, he got up slowly and went to the direction of leader Xuanyi. He wanted to find out if there was any way to crack the five elements array.

.....

At the same time, the atmosphere above the hall is dignified to the extreme!

"Headmaster, don't worry. You need to be calm at this time!"

The elder of Xuanmen gathered around the leader, with sad faces.

"How can we not be in a hurry! Laozu is like the dinghaishen needle of our xuanyimen. When it falls, how can we avoid the feud of our xuanyimen? "

Xuanyimen relies on xuanyilaozu. Every time they are born, they are earth shaking. I don't know how many years of feuds there are.

"Headmaster, it's OK to have a feud. It hasn't been exposed yet. Besides, my Xuanyi family has been closed for so many years, and they won't get any news for a while. Now the most important thing is how to deal with the evil thing!"

The head of Xuanyi was very angry. He thought it was a big chance, but he didn't expect it was a big disaster!

"It must be destroyed forever!"

"Yes

"You can't keep it to harm us

At the moment, ye Chen is suspended in the sky, eyes closed, soul body transformation!

The power of soul and mind has reached the acme!

Xuanyilaozu fell, xuanyimen's array is a little weaker!

Plus at the moment xuanyimen chaos, ye Chen nature in the extreme state, can feel everything around!

And the sound of the hall reached his ears!

Ye Chen's indifferent face appeared a smile: "you should not, should not, is to Xiaohuang hand."

The leader of Xuanyi in the main hall didn't know that ye Chen was in the sky. At the moment, he was so upset that he walked a few steps, as if he had made up his mind: "use Xuanyi to kill the gods!"

"Ah

"This array..."

The faces of the elders were frightened. It was obvious that the Xuanyi anti God array was extraordinary.

"Headmaster, this array needs disciples to sacrifice. Its power is beyond measure. Please think twice."

The head of Xuanyi has a heavy face, which is related to the survival of the whole Xuanyi sect. If the little beast is not completely destroyed at this time, and when its cultivation is restored, and there is the elder's cultivation blessing, the whole Xuanyi sect is waiting to die here.

"Pass on my headmaster's order!"

A huge jade slip came out of thin air.

"Close the Mountain Gate immediately, and do not enter or leave without permission for a hundred years."

"The ancestor of Xuanyi died, and he was sacrificed and served by a member of the Xuanyi sect."

As the words fell, the jade slips formed big characters, which fell directly into the whole Xuanyi mountain range. Every Xuanyi family member saw the headmaster's order at the same time.

My grandfather died?

When? Why? Who can hurt Laozu!

In the whole Xuanyi gate, people were in a panic at this time. There was tension on each face, as if the next one who died was himself. "Headmaster, it needs a lot of preparation to arrange Xuanyi anti God array. During this period, the evil things should..."

All the elders have seen it in xuanming cave, but no one dares to touch Xiaohuang, who made the ancestors fall.

Even if it is a pair of people and animals harmless sleeping appearance, also let a person extremely fear the aftereffect of its red and blue luster.

"Originally, it was the weakest time when it broke through. At this time, it forcibly engulfed its ancestors. At present, the five directions and five elements array is enough to trap it, but we have to speed up the preparation, and we must not delay it until its strength recovers."

"If you want to bring the Xuanyi immortal array into full play, you must use half of the original Xuantian Heart Sutra preserved by the supreme daughter of heaven, and use the power of the supreme superior to destroy its original spirit."

The leader of Xuanyi nodded. At this time, he had already thought that he could not let it go even if he was wasting the half of Xuantian Heart Sutra.

Supreme daughter?

Is this also the layout of the reincarnation Lord of the last life?

Ye Chen's eyes on the sky coagulate, and he worries vaguely in his heart. If there is the cause and effect of the heavenly daughter, Xiao Huang's situation is not optimistic!

At the moment, xuanyunxi is sitting at the gate of xuanxi hall, his face is lonely and sad.

Her grandfather is her only relative. Although she is strict with her sometimes, she never blames him.

And at the moment, grandfather actually fell.

She had never thought that the person with too much truth would die so suddenly.

Even now she feels like a dream.

Ye Chen obviously noticed xuanyunxi, see her this appearance, although Xuanyi ancestor crime, but his granddaughter is innocent.

No longer hesitated, ye Chen disappeared in the sky, came to xuanyunxi's side.

"I'm sorry for your change."

Ye Chen really can't find any other reason to comfort her. After all, the ancestor died of his greed.

"I thought my grandfather would accompany me for a long time."

"But I didn't expect my grandfather to leave like this."

"An elder told me something. Master, I really want to be the sacrificial man But I dare not... "

"Is it useless for me..."

Xuanyunxi sad said, she was obsessed with cultivation, has never been filial piety in front of grandfather.

Chapter 5360

Ye Chen thought of something and said, "you don't have to be too sad. I'm not a member of your Xuanyi family. It's better for me to make this sacrifice."

"It's the last thing for your grandfather."

Xuanyunxi's eyes filled with mist suddenly look at yechen. She really doesn't understand why the master suddenly sacrificed for his grandfather.

This is going to die!

How long did the key master come to xuanyimen? Why did he have this idea!

She even thought Ye Chen was joking!

However, ye Chen's eyes are extremely dignified!

"You xuanyimen suffered this disaster, and I entered you xuanyimen at this time. I think everything is cause and effect. Besides, I'm the son-in-law of Xuanyi. It's not reasonable for me to come. "

Ye Chen smiles and looks at Xuan Yunxi. At this time, her face is not affected by Ye Chen's jokes. Her eyes are very complicated, which is beyond her age.

"Master, are you sure? You're not being stupid? Or do you think sacrifice is a joke? Do you think you can survive? "

Ye Chen smile: "sacrifice is just a ceremony, in case I can really survive?"

.....

One day later.

Dang! Dang! Dang!

The wailing bell rang through the whole Xuanyi gate.

Xuanyunxi, wearing a plain white robe, stood in front of the Xuanyi Taoist temple.

Ye Chen is standing beside her, just like a pair of Xuan a disciple's dress.

Not far away, xuanyuncha looks at these two people with a look of schadenfreude. For so many years, he has been suppressed by xuanyunxi everywhere, and his father has died. The most important thing in Xuanyi is his father. He wants to see where xuanyunxi is standing under the name of little master and little elder martial sister.

"Salute!"

All the members of Zhongxuan's family are singing the death array.

"Yunxi, you are the only granddaughter of Laozu. It's up to you to choose the person to sacrifice."

Xuanyi headmaster said heavily, his tone was full of reminiscence for his ancestors, and he looked at xuanyunxi with a kind face.

At this moment, it's hard for many disciples to see the extreme! Even want to head down to the ground, for fear of being xuanyunxi selected!

However, ye Chen didn't wait for xuanyunxi to speak. He took the lead in saying, "cause and effect is decided. Since I'm the xuanyimen brought by my ancestors, I'll sacrifice."

After several times of consideration, ye Chen thinks that this is the only chance to meet Xiao Huang. Moreover, by offering sacrifices to him, you can avoid hurting Xiao Huang. This can kill two birds with one stone.

"You want to sacrifice?"

Leader Xuanyi obviously didn't expect that ye Chen would stand up at this time. At this time, he was also extremely shocked. Did the young man, who was brought back from nowhere, have such a deep friendship with him?

"Yes, I do."

Ye Chen nodded, and his indifferent face was full of magnanimous and straightforward words.

Not far away, xuanyuncha is overjoyed to hear this sentence. He was worried that this unknown person was found by Laozu to protect xuanyunxi.

Now, he's going to sacrifice himself. It's really wonderful!

"You

Xuanyunxi some helpless look to Ye Chen, she thought master is joking, just to make her happy. But at this time, in front of so many people, once promised, it can't go back.

"Good! Since you have this filial piety, it's up to you to sacrifice. "

The leader of Xuanyi sighed. When he looked at xuanyunxi, he was already worried: "Yunxi, don't worry, you are still the most noble person in Xuanyi."

Xuanyunxi's mind is simple, and naturally he doesn't find the difference in this sentence.

Ye Chen quietly picks his eyebrows. The leader obviously harbors evil intentions. As soon as Xuanyi's ancestor died, xuanyunxi, the name of Xuanyi's little master, has been removed. It seems that xuanyunxi's position is in danger in the future.

"Thank you, master. Yunxi doesn't feel well. Let's leave first."

Lao Zu's death, ye Chen's active sacrifice, let xuanyunxi really have no mind with them, just want to leave this right and wrong place.

Xuanyun cuts up in front of Xuanyi's headmaster and smiles. Without the shackles of his ancestors, his father becomes the real headmaster. Then, he is not the rightful young master in the future.

"father, a mysterious old ancestor dies, you are the only existence that can be relied on. The next thing is not has the final say."

Xuanyi headmaster's face showed an imperceptible smile, but his mouth scolded: "don't talk nonsense."

At this time, he had already relieved from the fear of his grandfather's death, and gradually realized that this situation was still quite beneficial to him. For so many years, although he was the leader of Xuanyi, everything big and small had to be nodded by Xuanyi. He was just a puppet with a bright appearance!

"Father, you know what I'm saying."

"Well..." The leader pondered, "it's a pity that Lao Zu died too suddenly. As far as I know, Lao Zu has a lot of bad luck to have today, but his magic power is not in xuanming cave." "Is it the ancestor who secretly hid the inheritance?" Xuanyunjian said.

Father's cultivation is also too true. At the moment, he is the first person in the whole Xuanyi sect. However, compared with Xuanyi's ancestors, he is still far behind. If he can get the inheritance of his ancestors, his father will go to a higher level!

Xuanyi headmaster shook his head: "I've explored xuanming cave, but I didn't find any."

"Is that..." Xuanyunjian's eyes fell on xuanyunxi, who had just left. The only relative of his ancestors may have been handed down by his ancestors.

"If the inheritance and treasure are on xuanyunxi, then..."

A sinister smile appeared on Xuanyun's face.

"You should make a secret inquiry." Xuanyi leader made a hand knife gesture, "when necessary, you can take some small moves."

After hearing this, xuanyunjian is very happy. It seems that his father agrees with his idea. Xuanyunxi is obviously arrogant for a long time.

Xuanyun chop suddenly thought of something and said: "father, where is the Xuanyi immortal array arranged? Is it in xuanming cave?"

The leader of Xuanyi shook his head, and his eyes were solemn: "Xuanyi anti God array needs extreme time conditions and preparation. After careful consideration, I decided to arrange the array in the seal underground palace."

Xuanyun cut a Zheng: "seal underground palace?"

Leader Xuanyi didn't want to talk nonsense. He said, "well, you don't need to say much. You just need to do your thing well. I should arrange the array too!"

Later, because Xiao Huang's influence on his ancestors is still there, the elders dare not touch him directly.

Finally, after the consideration of leader Xuanyi, he gathered the strength of many elders to move Xiaohuang out of xuanming cave and confine him to the underground seal of Xuanyi.
