

## Physician 5391

### Chapter 5391

Ji Lin doesn't like a boring life.

But after leaving kunlunxu, she understood more and more the importance of strength to herself.

She didn't want to be sheltered all the time.

She has her own ideas.

She wants to be strong.

Even if it's not for himself, it's also for ye biwang and his sister.

After this experience again and again, even though she occasionally has a girl's little temper, she already knows how to endure and know that her current behavior is the most correct.

Ji Lin's eyes were flowing with Ancient Runes, and he said with a smile: "ye biwang, wait for me!"

.....

The screen turns.

Over the gate of taixuan array, a thick blood gas surrounded it.

And these blood gas, more uncanny toward Ye Chen's body flow but go!

Qi swallow mountains and rivers, shake the sun and the moon.

The breath on Ye Chen's body rises abruptly. At the moment of this great anger, all the power of the whole taixuan array gate is involved in Ye Chen's body.

Boom!

At this moment, ye Chen's body is full of the breath of destruction, and the Golden Buddha's way, and has the power to pierce the void!

Ye Chen slightly surprised, because he found himself to break through?

Breakthrough of killing intention?

However, since he was buried in Tianhai, his chance and foundation are really enough to break through!

Just don't know this time will break through to what realm!

Wei Ying naturally started the black dragon seven night array mainly through the scales of ten thousand dragons. If it wasn't for this alchemy, my father would never have taken it out easily.

But now, it can be used to control the Dragon God's decision to break the sky!

Ye Luo Er coldly looks at Yu Wen Ji and wants her to marry this beast. Dream!

"Hahaha, three days later, when we get married, as long as you really teach me the nine heavenly magic skills, I can also consider asking my father to let you go. After all, it's good to warm the bed, you face! "

"Go away!" Yeluoer snorted angrily. Turn around and never look at Yuwen machine again.

Yu text machine also don't want to ask for no fun, at this time see ye Luo son this facial expression, immediately softly snort a, also turn to leave.

Chapter 5392

.....

Soon, yuwenji came to a secret place of the hell dragon temple.

The outside world knows nothing about this place, but in the dark dragon temple, it has a very loud name!

It's the dark dragon!

At this moment, Yu Wentai is infiltrating the Dark Dragon into the tan. In the tan, the water drops are thick and dark, and you can't see what is flowing down.

"My father, my son's minister has brought ye Luo'er back, and it is said that the dark dragon temple will arrange for her to get married in three days."

"Well..."

Yuwentai's voice poured down from above, and the sound of morning bell and evening drum made him not as close as before.

Yuwenji knows that this is his father's intentional estrangement, so that he will not be dazzled by the joy of the moment.

"Father, this is the scale of Wanlong. Yeluo'er has been captured. This divine thing should be returned to Zhao."

Yuwentai's huge dragon head just moved over at this time. He took a look at yuwenji and said faintly: "you are my most proud son, and you are also the little Lord of my dark dragon temple. You will be in charge of the scales of ten thousand dragons in the future."

Hearing this, yuwenji was very happy. Sure enough, his father recognized him!

"Father, don't worry. This time, I won't let you down. When I practice the Dragon God's decision to break through heaven, I will lead us to the hell Dragon Temple, break through the heaven and man, and fly to the ten thousand ruins!"

Although he knew that this was just a beautiful fantasy, yuwentai still showed a satisfied smile, so did the reincarnation Lord. No one could stop them if they wanted to break through the hell Dragon Temple!

"Child, do you know what this Dragon God's decision means to us?"

Yu Wentai pondered for a moment, but added.

"With the same family and the same origin, I originally wanted to get this inheritance in a gentle way, but if you find that there is a mistake in it, no matter what the cost, you must take back the nine heavenly magic arts!"

Yuwenji nods. Of course, he understands his father's meaning. Getting married with yeluoer is the simplest form, and it's also the best way to explain to others.

But if the reincarnation lord or other people dare to do it again! Then even if it is to devour yelol on the spot, it will not hesitate!

.....

At the same time, in a void.

Endless laws and killing will surge.

The figure of a woman emerges in the endless law.

The woman was wearing a bright yellow yarn woven skirt, with an oval face and a silver iron umbrella in her hand. She was walking slowly on the endless desert.

There was no hesitation or fear in her eyes, and she just aimed at her goal.

It was a giant beast more than ten times her height, with scarlet eyes and a red black shell! Even the whole body surging the meaning of this law!

Can let fierce animal whole body surge rule, visible this animal's terror!

The fierce beast didn't pay any attention to the girl in front of him. He was slowly climbing towards the sand dune.

Do it!

The yellow sand all over the sky suddenly rolled up, and each grain was stained with the luster of destruction. The blazing breath, like a gauze net, went towards the fierce beast.

With a sharp turn, the beast's tail smashed the whole gravel, and the gravel came out in all directions. The girl had already come whistling with an iron umbrella.

Top! Shoot! Knock! Fight!

All the attacks in one go are accurate on the fierce beast's forehead.

Each blow is extremely simple, but full of martial arts charm and destruction breath!

A crisp sound fell.

The hardest skull of the fierce beast had been broken, revealing a brain nucleus.

"Yellow again!"

The girl frowned, looked at the color of the brain nucleus, turned to leave, and even abandoned it.

During this period, she could not count how many giant beasts she had killed, but she never got the golden brain nucleus, which was known as the king of fierce beasts.

All of a sudden, the woman seems to feel something. Her brow is slightly wrinkled and her expression is a little strange.

"Well? Is it the mother

The loud sound of Fengming came from the sky. The girl looked up in doubt. She had been practicing for a long time, and her mother never took the initiative to look for her.

At this time, I do not know whether it is the supreme world, what happened.

"Bluebird!"

The girl's fingers, the side of the letter, at this time also quietly shape, red gold font appears!

"What? Is Bingming jade in the world

The girl's eyebrows were full of joy. For her, her mother spent a lot of effort to make this ancient jade. At this time, it's really a good thing that she can get it back.

"How dare the Lian Protoss fight against their mother?"

The girl frowned. The ancestor of the alchemy was also respectful to her mother. Where did the alchemy come from and dare to disobey her mother?

Through her hard practice, she purposely went against the way, just to break through the feeling on the way of ice extinction! If she had the help of Bingming ancient jade, she would have gone to a higher level.

After reading the letter, the girl's face was even more gloomy. What she never thought was that there was someone in heaven and man who could defeat her mother's mind. No wonder her mother was so angry.

In that case, she will go to heaven and man to get back what belongs to her!

The ice rain fell all over the sky. The girl opened her iron umbrella and walked into it. Then she disappeared in the vast desert.

No one knows where the girl will go.

But where the girl's steps are, there must be countless dead bones piled up!

.....

Heaven and man, the land of star lake.

The buildings and array have all disappeared, but on the calm surface of Xinghu Lake, a lone boat floats and stays there.

Guqi didn't leave the place of Xinghu as he said.

He was very clear that the cause and effect of this life had already been predestined, and he could not avoid it.

At that time, he was forced or willing to leave the Taishang world. After so many years, he already knew that it was impossible for him to go back.

What magic weapon treasure? What Heavenly Sword power?

As far as he is concerned, it's just a passing cloud!

He just wants to keep this lake of stars, because this lake of stars is the composition of his Tao heart.

At this time, the sky suddenly began to dense light rain, rain into a line, strands of falling down.

A girl, holding a seemingly heavy iron umbrella, came slowly.

Strangely, the girl was floating on the water like this!

Even the tip of the foot touches the water, without a ripple or ripple!

"You are Gu Qi?"

The girl's lips were slightly open, her voice was calm, and she had no emotion.

"Sure enough, I did."

Gu Qi said hello warmly, as if he had guessed such a moment.

"If I'm not wrong, that little girl has become a powerful presence of Tu Tianyin."

The girl shook her head and simply said, "I'm far worse than my mother."

It's not modest, and she really thinks that she is far inferior to her mother in her exploration on the road.

Chapter 5393

"I don't care who you are, but you can call me Shentu Wan'er. Now, tell me the location of Bingming ancient jade. I won't kill you for the sake of refining the face of the Protoss."

threat!

Naked threat!

But Shen Tu Wan'er believes that she has absolute strength!

Hearing this sentence, Gu Qi looked at her with a smile, but simply shook his head: "I'm just a half foot into the Loess! I have no regrets in this life. As for what you said, I don't know where I am

"Shen Tu Wan'er, I hope you don't get involved in this cause and effect. Because it's not a good thing for you. "

Shen Tu Wan'er's face was gradually cold, and she stepped out: "this umbrella of mine is also from the refined Protoss. There are 81 umbrellas with barbs in every inch. If it goes into the human body, the same skin will taste 81 kinds of pain in a short time."

"And there are many rules on it, which will only be a nightmare for the warrior."

Shen Tu Wan'er said, her eyes are still cold, her voice is naturally without temperature, she has no emotion, no warmth, from small to large, she is an extremely cold person.

From the root, it is extremely suitable for the cultivation of ice cold and other skills.

"Do you think I'm afraid?" Guqi smiles at this moment.

Smile very calm.

"You will not." Shen Tu Wan'er shakes her head. She is just used to explaining the move she will use to her opponent.

But for Gu Qi, who is obviously waiting for her, she knows that the other party has no desire to survive.

"If you are willing to tell me the whereabouts of Bingming ancient jade, if you have any wishes, I can see and help you realize them."

Gu Qi's expression is indifferent: "you are very different from your mother."

"No, we are the same. If you don't say it, you will die. " Shen Tu Wan'er replied.

Gu Qi nodded, did not speak, but calmly closed his eyes.

Shen Tu Wan'er looks at Gu Qi with complicated eyes and says, "I can explore the cause and effect and find her."

In the sharing of her mother's divine consciousness, Shen Tu Wan'er has already seen the two men's looks. At this time, she just wants to spend less effort.

Gu Qi didn't speak. He had been prepared for the expected result.

Once he falls, his dark hammer will consume the divine source and send the news to Ye Chen directly.

As long as ye Chen is careful enough, he can take Wei Ying one step ahead of time and leave Shen Tu Wan'er's pursuit.

But he will no longer be a witness to all this, but he is ready to say goodbye to the world.

"There is no cause and effect."

Gu Qi said that he had dissipated all the traces of cause and effect these days.

"Why? With your status as a Protoss, you are willing to die for two mole ants outside the territory? "

This time, Gu Qi shook his head: "you don't understand, they are not mole ants, they are the people chosen by fate."

Shen Tu Wan'er shook her head with a smile. "I don't believe in fate. Only this umbrella will be loyal to me."

Gu Qi nodded, but he didn't speak any more.

Rain drops fell on the boat, and the flash of the umbrella made a deep mark on Guqi's neck.

Blood spatter, a generation of heaven and man domain alchemy Guqi, died.

This is the cruelty of the martial arts world.

There is no right or wrong, only strength is king.

After all this, Shen Tu Wan'er seriously searched the whole place of Xinghu, but all the traces of cause and effect, just as Gu Qi said, were erased by Gu Qi.

"It doesn't matter. Even if there are only two faces, I'll find you."

Shen Tu Wan'er said that she was still firm and her heart of Tao remained unchanged. She was still Shen Tu Wan'er who dominated all fields.

At the same time.

Ye Chen, who was on the way, suddenly stopped and suspended in the air.

Look dignified to the extreme!

Just now! He lost the connection of one's life!

That's senior Guqi!

In other words, the ancient seven predecessors fell! It's completely gone!

"Senior Guqi!"

After ye Chen receives the message from Gu Qi, Gu Qi has been killed by Shen Tu Wan'er.

However, ye Chen not only saw clearly the person's appearance, but also saw clearly the other person's moves through the perspective of the Xuan hammer.

There are no tricks, only the decisive umbrella.

Ye Chen is deeply regretted by Gu Qi. He vows in his heart that he will kill the person who starts the operation under the Sha sword to avenge Gu Qi!

However, it's not the time to take revenge for Gu Qi.

The most important thing is to go to the hell Dragon Temple and rescue ye luo'er!

In front is the dark dragon temple. Under the cover of still water beads and many treasures, ye Chen quietly evades the guards and sneaks into the dark dragon temple. In the Golden Dragon Temple, there is a light column, which is very conspicuous. You can see the extraordinary things at a glance.

Even a trace of the cause and effect of the nine gods.

It should be there!

Yeluo'er has mastered the magic of the nine heavens at this time. If she can trap her, it will not be easy.

Thinking of this, ye Chen speeds up his pace and walks towards the palace wrapped by the array layers.

.....

"You said the young master was really in a good mood. He came to see this dragon every day!"

Two dark dragon palace concubines are looking at the palace in anger.

They were originally concubines of Yu Wenji, and they were sent here to serve ye Luoer, naturally full of resentment!

"Yes! The young Lord wants us to call her his wife! "

"I don't know what to think! If it wasn't for her, how could the little Lord have been punished by the temple master before? "

"No! It must be the ugly people who make trouble. "

"But this bitch should not live for a few days. After using it, I'll find a chance to torture this bitch to death!"

The Dragon horns on the heads of the two concubines are shining with a dark luster, and what they talk about behind them is ye luo'er.

When ye Chen hears that they dare to treat ye luo'er like this, his anger rises again, his soul body transforms, and his endless soul skills surge, directly putting the two little concubines into a coma, and even the spirits are shaking.

"Lo! Lo!

Ye Chen's voice tries to penetrate the layers of light array, but is turned away from the door. He can only look at ye luo'er from a distance. He sits on the ground sadly, his hair is scattered, and his eyes are absent.

At this moment, the surrounding void fluctuated, and a trembling voice came from the outside:

"see you

Ye Chen's heart jumps. Hearing this, he quickly hides his body. Yu Wenji's cultivation is advanced. Even with the protection of still water beads and many techniques, he also needs to retreat.

"She won't eat yet?"

Yu Wen Ji sneered at the people in the light array, and the little servant shook his head with a plate full of precious food in his hand.

"No, not at all!"

Chapter 5394

Brush sleeve into the light array, yuwenji's face did not get better, in his opinion, ye Luoer's move, is really a little shameless.

His eyes a coagulate, angry voice way: "what chastity heroine do you pretend here in me?"

Yuwenji face let him several times at a loss of the yeluoer, no good face, very gloomy looking at yeluoer.

"Do you know why I wanted to promote the marriage between the hell Dragon Temple and the ancestral dragon temple? Do you think you can make me bear to be here with you, Zhou Xuan? "

"As the little Lord of the dark dragon temple, I can tolerate you because of your identity. I want to maintain the authority of my dark dragon temple!"

Yuwen machine hands behind, indifferent said, he has always been willful, but in this regard, he has been cautious.

"Ye Luo Er, this is predestined cause and effect, even if you don't want to! I can't get away with it

"If you don't comply, you will only harm the people around you! Even your brother Ye

Hear ye big brother these a few words, ye Luo Er's facial expression instantly showed a trace of sadness.

It's really because of her memory loss for no reason, and even hostile to brother ye for such a long time. Then, it's also because of her that ye Chen is forced into a desperate situation again and again.

"The cause and effect of the past, the disturbance of the present, yeluoer, have you not realized it yet?"

Yuwenji's voice is tough and sharp, and he knocks on yeluoer's heart.

"Jiutian Shenshu is not what you should have!"

"If you are still so stubborn! That boy will be the next target of our dark dragon

"Will you see him die with your own eyes?"

In the dark, ye Chen clenched his fists tightly, and the endless evil spirit burst faintly, even the palm of his hand exuded a trace of blood.

If it wasn't for some really strong people in the hell Dragon Temple, he would have done it directly!

But now reason tells Ye Chen that he must be calm.

Ye lu'o'er was originally worried about the previous amnesia. At this time, Yu Wenji took it as a weakness and threatened her with words. It's really mean!

Ye Chen can feel that ye lu'o'er is shaken!

"Am I the source of everything?"

It took a long time for yeluoer's voice to ring.

"Yes

Yuwenji's arrogant look at yeluoer is like looking at a mole ant. Why should we see blood when we kill? He can also learn from yuwenji.

"Good I promise you

"But you must swear by your heart that you will never attack brother ye again from now on!"

Ye Luo'er looks sad. If she can, she can also exchange herself for ye Chen's peace.

As long as ye Chen can not take risks, she is willing to end all causes and effects here.

Yuwen machine showed a smile, hands behind left the palace, in his view, this is a silly woman!

As long as we wait until the wedding night, he gets the inheritance of the nine heaven magic, yeluoer, there are thousands of ways to die!

Ye Chen looks at Ye Luo son, know this stupid wench, must be for oneself just compromise!

But he has come! Yuwenji wants to succeed! No way!

At this time see ye Luo son no danger, heart also settle down a lot.

Since the dark dragon temple has almost destroyed the gate of taixuan array, he Ye Chen will turn the dark dragon temple upside down!

But now is not the best time to start!

Ye Chen is very clear that the Sha sword may not be able to break the array that trapped ye Luo'er, and it may be noticed by those too real super strong men whose divine consciousness covers here!

By then, both will be in danger!

He has to wait and see what happens! Wait for the moment!

At this time, a burst of singing attracted Ye Chen's attention. He turned his head and looked at the virtual palace, the main hall of the dark dragon temple, which should be Yuwentai's residence.

Singing and dancing in the main hall of the dark dragon, it's time for laughter, and there's no doubt about the appearance of the evil dragon.

Ye Chen quietly hidden in the dark, observing the surrounding situation.

What's that?

Ye Chen suddenly noticed a hidden door, and there was a slight gasping sound in it. It was very weak, as if it would die at any time.

Click.

The hall door is pushed open by Ye Chen gently.

A dragon, which had not yet fully formed, was crouching on the ground. It had a very beautiful face, white skin, ice blue hair on its shawl, and a bright bead of light on its temples.

"Help me..."

She shouts to the direction of Ye Chen, clearly she can't see Ye Chen at all.

However, her strong desire for survival made her feel the sense of salvation.

That's where ye Chen is.

Ye Chen did not speak, but carefully looked around the environment. Obviously, this is the palace of the Dragon maiden. The whole hall is full of ice blue curtains and maiden breath objects.

"Help me..."

The sweat of the Dragon Girl's forehead is flowing, and the pain has made her irresistible.

Ye Chen didn't want to do it, but he just opened his mouth to xuanhanyu!

If you want to save ye lu'er, you must have the help of the people in the hell Dragon Temple!

And this girl, may be ye Chen's only chance!

Ye Chen doesn't hesitate any more. His body shows itself. He forces out a drop of blood in his hand. As soon as the eight trigrams Dan stove comes out, he condenses a pill. The pill is condensed with the original Qi, which is the best medicine to consolidate the essence of Peiyuan.

At the moment when she came into contact with the Dragon Girl, the pill had turned into ice blue water and flowed into her mouth.

The medicine is distributed in the Dragon Girl's four limbs.

Her breathing gradually stabilized, and gradually became peaceful.

The next moment, her eyes are open!

"Who are you?"

The girl of the Dragon nationality looks at Ye Chen doubtfully, and then thinks of something. Her eyes are as beautiful as silk, and her eyes are full of charm.

Ye Chen doesn't move her eyebrows to the girl of the Dragon nationality who deliberately shows the meaning of teasing. She still looks at her with an indifferent expression and doesn't speak.

The Dragon Girl obviously found something and said, "are you not from the hell dragon temple?"

Ye Chen still did not speak.

The girl of the Dragon nationality was slightly stunned. Was she from another nationality?

But on second thought, outsiders naturally dare not step into the dark dragon temple at will.

Over the years, the hell dragon temple has received many strange people from the outside world. Is this young man one of them?

The Dragon girl thought about everything, then said: "this time you saved me, even if I owe you a great favor."

Between the words, her eyes flow, a pair of desire to say still rest look.

Ye Chen Mou son tiny a coagulate, the adult feeling of the dark dragon temple?

He doesn't care!

The Dragon girl saw that ye Chen was still looking at her indifferently. There was a trace of interest. The mysterious youth didn't seem to have any change because of her language.

Chapter 5395

After the flash of the ice blue light, the Dragon girl suddenly changed into a human form.

The jade like neck, white as a swan, showed an extremely exaggerated charm.

In order to confirm Ye Chen's identity, she said again: "who are you? Why are you here? "

Although the girl of the Dragon nationality is a posture of pressing questions, her tone is very tactful.

"Miss, your iced jade tea is ready."

A dark dragon temple attendant holding a small ice blue pot, slowly came in.

Ye Chen naturally didn't want to explode, and his figure disappeared in the same place.

"Put it here."

The Dragon girl looks at Ye Chen's action, and knows that ye Chen is obviously sneaking into the dark dragon temple, but she doesn't make a sound. She just looks at Ye Chen.

After the servant left, the red lips of the Dragon Girl slightly opened: "you don't have to hide like this. Here, no one can enter without my order."

The elegant long skirt of the Dragon Girl, in the process of walking, you can see her slender thighs, which is very imaginative.

Ye Chen is not ambiguous, directly revealed the figure.

"I can help you get into the hell dragon temple. Who do you want?"

The Dragon Girl's face showed a touch of provocation: "you You want the magic power of the hell dragon temple? You seem to have a touch of dragon spirit? "

"Or Do you want to get married? "

Hearing this sentence, ye Chen's indifferent expression is no longer, obviously some accidents.

This dragon girl is more unfathomable than she guessed, and it seems that her identity is not simple.

At first, ye Chen thought that she was just yuwentai's greenhouse in the side hall. At this time, it seems that this woman may have a bright future.

"Whatever you want, I can help you."

The Dragon Girl's eyes are like silk, and even tries to seduce Ye Chen to get closer to her.

"Who are you?"

Ye Chen finally simple mouth, still calm.

"Me? You can call me Xiao Nuan. "

Seeing ye Chen's look, the Dragon Girl continued, "if you really want to rob me, I'm the only one who can help you."

Ye Chen is suspicious. This is yuwenji's marriage, and it's a marriage with ZuLong temple. Since this woman is from the hell Dragon Temple, there's no reason why she doesn't know this. She dare to say that she can help Ye Chen.

"It seems that you are very important in this dark dragon temple."

Ye Chen did not follow her topic, but stretched out his hand and explored her pulse.

"The blood riots are over. It seems that you often do."

The Dragon girl named Xiao Nuan, obviously a little uncomfortable, quickly took back her arm, blushed and said, "it's none of your business!"

"Oh?" Ye Chen Mou son one coagulates, light way, "I just but saved your life!"

Xiao Nuan also knows that she has such an abnormal reaction. She wants to make it clear. She adjusts her sitting posture and puts on a flattering smile again.

"Little doctor, do you have a way to save me?"

Ye Chen can't deny nodding. He has the power of eight trigrams Dan stove and Xiao Hei. He is just a girl of the Dragon nationality who secretly studies forbidden books.

Small warm facial expression appeared a glimmer of surprise instantly, excited way: "need how long?"

Ye Chen stretched out three fingers. Ye Luo'er married Yu Wenji three days later, so he only needed to stay for three days.

"Good!"

After that, Xiao Nuan got up and went to her dressing place. She seemed to be looking for something. While looking for it, she said, "I've been different from ordinary people since I was a child. Any stealth can't escape me."

After a search, Xiao Nuan seems to find something and turns around: "this is the dragon ball. If you swallow it, you can produce the spirit of the dragon, and temporarily incarnate in the shape of the dragon."

A dark bead was pulled out of the dressing box by xiaonuan.

"Although your hiding method is mysterious, I can see through it at a glance. You can try this. I'm sure no one will see through your identity in the whole hell Dragon Temple, even yuwenji!"

Ye Chen is not polite. He takes the dark dragon ball and swallows it.

Small warm obviously also prepared a speech, at this time see ye Chen so straightforward, for a moment, also don't know what to say.

"Tomorrow is still the time. I will come to treat you."

Ye Chen was shocked to feel that his blood was drowned by the vast spirit of the dark dragon in the bead. In silence, he could become a member of the dark dragon temple.

The key is why the girl in the hell Dragon Temple wants to help herself?

All this seems a little strange!

But at present, ye Chen has no other way! After all, now he can't fight against those too real realms in the dark dragon temple!

Seeing that ye Chen seemed to have plans to leave, the girl stepped out and stood up for the proud beginning: "I advise you to stay with me. You won't have the patrol code of the hell dragon temple. Just go out like this and you will be found at any time." "Moreover, because yuwenji's day of great joy is coming, the hell dragon temple has sent many strong people from taizhenjing to sit down."

"If anyone dares to make trouble, there is only one way out!"

Ye Chen pondered for a moment, and finally turned to look at her, showing an unfathomable smile and disappearing again in an instant.

Ye Chen left, small warm gently stroked his cheek, this person in the end who, unexpectedly to himself so cold, from small to big, few men can treat himself so calm.

Shouldn't all men in this world be the same?

Soon, ye Chen came to the kitchen of the dark dragon temple.

He simply dealt with a dark dragon, and then changed his appearance into the other side!

If before, easy appearance is useless obviously!

But at present, after taking that bead, ye Chen's whole body is surging with the extremely strong spirit of the dark dragon!

Even yuwentai can't detect it!

Now the only thing ye Chen has to do is wait!

Waiting for the arrival of yeluoer's wedding day!

This time, no matter what, he can't let yuwenji succeed!

.....

Two days later.

Dark Dragon Temple, the place of kitchen.

The atmosphere is dignified to the extreme.

"Temple lottery, the guests will come soon, is that how you prepare?"

Yuwenji's tyrannical voice rings out!

This can't help but make many people tremble. The wedding of the young Lord is very hasty. The whole hall has been busy for a long time, and it's not satisfactory everywhere.

Yuwenji stood in the palace with his hands behind his back. This time, although there was a form, it was just to maintain the majesty of the dark dragon temple and regain the face of the last time.

However, since he is involved in Yuwen machine, we can not casually!

But it is cheap Ye Luo Er, these two days she has accepted life like alive, this let yuwenji rest assured a lot.

After all, he can't always suppress her with the black dragon seven night array. Her appearance is not bad if she can really be a bed warming girl.

Chapter 5396

"Little master, the top-grade snow mountain drink of Xiangming is specially sent to you by the temple master."

An ordinary looking attendant came in holding a teacup.

"Keep it."

Yuwenji nodded coldly. It seems that his father is no longer angry.

"Yes, young master."

The valet nodded, and was ready to step down.

"Wait a minute."

Suddenly, Yu Wen Ji looked at the back of the attendant: "I never seem to have seen you."

The hands of the attendant rubbed gently in the broad robe.

"I've just been transferred to serve the Lord of the temple. But when I was on patrol, I saw him and admired him for your bravery."

"Go down."

Yuwenji heard that the servant was flattering calmly, and that little doubt disappeared immediately. This is an ordinary disciple of the dark dragon hall.

I am too sensitive.

Out of Yuwenji Hall of the attendant, passing a corner, has changed a look.

It's Ye Chen!

At this time, he can't help but sigh that the dark dragon ball given by Xiao Nuan is really good. As expected, even Yu Wenji can't see the slightest problem.

Although the other side has some doubts about his forged face, ten million disciples of the hell Dragon Temple, Rao Shi Yu Wen Ji, can't remember them all.

.....

The dark dragon temple is in a temple with fragrance.

A man and a woman keep approaching.

"Tomorrow for the last time, you can cure it."

Ye Chen put away eight trigrams Dan stove, there is a small warm cover breath, his magic power and no obstacles.

Although Xiaonuan didn't explain the reason why she practiced forbidden arts, she was also very grateful to Ye Chen.

After all, she often met with the crisis that she almost died before.

"Tomorrow is Yuwenji's wedding."

Xiaonuan deliberately provokes this topic. In the past two days, she tries to find the trace of the little miracle doctor, but fails. At this time, she just wonders what the little miracle doctor wants to do.

Do you really want to get married?

Yuwenji is the evil genius of heaven and man! In addition, the hell Dragon Temple is extremely noble in the whole heaven and man domain!

Are you crazy?

What qualification does he have to get married?

Ye Chen smile, still indifferent, body instantly disappeared in the temple, leaving only small warm Lengshen in situ.

For a long time, Xiao Nuan showed a strange smile, and said word by word: "in this case, tomorrow will wait and see!"

■ ■ ■ ■ ■

As time goes by, this day, the happy day of yuwenji, the little master of the hell Dragon Temple, finally comes!

The song of praise for the Ming dragon, like the song of Jiaoren, is passed from all directions. Its graceful and melodious tone is slowly rippling in the whole Ming dragon palace.

[illegible]

And among the pillars of light, yeluoer had already put on a red suit, which was extremely beautiful.

"It's beautiful!"

All the maids were around her, and her mouth was full of praise.

However, although yeluoer was wearing a red robe of joy, she had no love in her face and let the servants toss on her face.

"This is the tradition of our dark dragon temple. You are going to marry our little Lord of dark dragon, and you will become the most noble woman in our dark dragon temple." A maid said excitedly.

Yeluoer looks at the ancient lines on her cheek, which makes her feel a little bored.

Brother ye, does he know that he will be forced to marry?

In her heart, she hoped that elder brother ye would not know, lest he fall into danger again.

Yeluoer's mood became unstable. Although she had made a decision, it really happened at the moment. Her heart was also as painful as suffocation.

At this time, the Dragon seven night array has shrunk into a small mesh, emitting a golden luster, dotted on the red robe.

At this time, the ladies were quiet, and behind them came a sound of footsteps!

It's yuwenji in red!

Yu Wenji's hands are behind him, and his body is noble and arrogant. He stares at Ye Luoer, who is sitting upright, and says: "Ye Luoer, don't think about running away. As soon as you go, the black dragon seven night array will penetrate your flesh and blood for the first time."

Yuwen machine ferocious smile, head gently close to yeluoer's neck.

"To tell you the truth, I won't let that boy go as long as he dares to come!"

Ye Luoer's heart jumps, and his eyes become cold: "if there's anything wrong with elder brother ye, I'll kill all of you in the hell Dragon Temple even if I die!" Yuwen machine raised his head, cold hum: "Ye Luoer, we'll wait and see! I wish you could come, brother Ye

.....

At the same time, the dark dragon temple is in a side hall.

The fragrance is overflowing.

"Little doctor, don't you go yet? The ceremony is about to begin

Xiao Nuan looks at Ye Chen who is still drinking tea in her palace with some doubts.

Ye Chen a pair of not in a hurry appearance, let her heart very curious, is oneself guess wrong?

Xiaonuan's dress at this time is quite different from that in the past, and looks very elegant.

Although Ye Chen has doubts about Xiao Nuan's identity, these days she gets along with her. In Ye Chen's mind, she is just a young dragon who likes to attract people with beautiful colors. However, her identity is obviously superior, and she is extremely extraordinary in the hell dragon temple.

"When are you going?"

Ye Chen suddenly asks a way, seem already very affirmation, small warm certainly will attend this grand wedding ceremony.

"Me? Do you know who I am so soon? "

Ye Chen very frank shook his head, "I did not speculate your identity, but I know you will go to this wedding."

"Well Just keep it a secret. "

Xiao Nuan shows a mischievous smile. Even if she knows in her heart that everything will be revealed by the time of the wedding, she will never be able to hide her identity.

Ye Chen doesn't care: "my name is Ye Chen. I'm really here to get married. You say, how many means did Yu Wenji prepare to deal with me today?"

Although Xiao Nuan guessed a few points, she was still slightly surprised. No wonder that the main layout of the hall was to deal with the man in front of her.

He is the Ye Chen that lets Yu Wen machine eat shrivel innumerable times.

Ye Chen, who makes ye Luo'er repent of marriage.

That past life is the existence of the Lord of reincarnation!

"Ye Chen, this time, Yu Wen Ji is going to let you never come back!"

"You can give up now."

"I don't seem to be worse than that yelol."

Small warm smile dimple such as flower of say, seem to have no worry for the recent situation of leaf Chen.

Ye Chen just raised his brow slightly when he heard her saying this. In recent days, he also explored the layout of the dark dragon temple and cleaned up some. But at this final wedding, he didn't know who was the mantis and who was the cicada.

Chapter 5397

Xiao Nuan has already worn all the accessories. Originally, her face is pale, and it has become ruddy under the cure of Ye Chen.

Under the jeweled accessories, xiaonuan's charming face shows a trace of grace.

After drinking the last cup of tea, ye Chen turns around and disappears in the palace.

It's time for the storm.

"I'm leaving now?"

Xiao Nuan looks at the place where ye Chen sat with regret. She is very interested in Ye Chen, not just curious.

But for this time ye Chen in the place of the dark dragon temple, she doesn't think ye Chen can survive.

There are many array arrangements in the dark dragon temple. It's no doubt that you will die if you want to get married in the true realm!

What's more, an existence that has not entered the original realm!

She even wondered if all the legends in heaven and man were fake?

.....

Half an hour later!

The ceremony begins!

Dong Dong!

Above the sky, a dragon's tail struck the big drum, making a deafening sound.

"Welcome the young princess!"

Ye Luo'er is coaxed to the palace of Yu Wen Ji by the stars. The maid who should have accompanied him is also replaced by two attendants by Yu Wen Ji.

Along the way, Ye Luo'er, behind each pillar, stood several strong men of the dark dragon temple. They were all chess pieces of Yuwenji. At this time, they were eagerly looking forward to the arrival of Ye Chen.

Lay a net, just to catch turtles in a jar!

And that turtle is the master of reincarnation in the past!

"Brother Ye, you must not come."

Ye Luo'er, dressed in red, meditates in his heart.

Yuwenji stands at the front with a high spirit at this time. As long as tonight, he will get the nine heaven magic, and become an unshakable existence in the real universe.

"Dragon ceremony, start!"

Words just fell, a indifferent voice suddenly sounded!

"Yuwenji, are you in a hurry?"

On the crossbeam, the sound is so light that it floats to everyone's ears.

Ye Luo'er's delicate body trembles, and her eyes are tinged with a layer of look. It's complicated and dignified. Brother ye still comes.

Yuwen machine see is half lying on the beam of Ye Chen, the corner of the mouth but showed a faint smile.

"It's a good time for you to come, or my trap will be in vain."

People who know yuwenji all know that he is in a good mood at this time. Subconsciously, he always thinks that ye Chen will come.

Compared with the nine gods, yuwenji wants to erase the former reincarnation of the Lord!

Ye Chen's body moves, the figure already one step strides to Ye Luo son in front.

"Are the people in the hell dragon temple so shameless? Lol is my man

Finish saying, stretch out a hand, pulled Ye Luo Er's hand, a word a way: "Luo Er, I come to pick you up to go back."

With these words, the endless anger of the strong men of the dark dragon surged from their chest. It was their little Lord's wedding, and they even dared to be robbed.

The key is still a half step from the beginning!

"Who is it! Don't be ashamed

"How dare you insult me so much

"I didn't even enter the original state! Today, I'll show you the power of the hell Dragon Temple! "

In an instant, people will start!

Ye Chen's corner of the mouth, appeared a sneer, in the hand Sha sword above, sword light ripple!

That infinite soul power, poured into the long sword, the moon soul cut, burst out!

After a sword was cut out, the evil sword infiltrated the power of Xu tuyuan Fu and turned into a huge sword, which crossed the whole hall.

Bang Dang!

Straight into the ground of the dark dragon hall.

The powerful evil spirit and soul power swept out of it, which made those dark dragon strongmen subconsciously step back. Some dark dragon strongmen even spilled a little blood from the corners of their mouths!

Stepping into the half step, ye Chen's strength is even more terrifying!

Seeing this scene, yuwenji didn't pay any attention to Ye Chen. There was a smile on the corner of his mouth, and a hand turned into a dragon claw, which virtually grasped Ye Luoer's white neck!

This dragon claw even has innumerable rules and strange runes!

In a flash, ye Luo'er's expression becomes extremely pale. She looks at Ye Chen and says with difficulty: "brother ye, don't mind me. I have nine gods on me. He doesn't dare to move me."

Ye Luo son subconsciously says to Ye Chen: "you go quickly, he ambushed a lot of masters."

However, ye Chen didn't move from beginning to end. In the eyes of the public, he seemed to be scared.

"Yuwenji, am I really so terrible? You have no confidence, and you still send so many strong men? "

Ye Chen light smile, this smile is more people feel strange, as if here is his home in general. Yu Wen machine hears Ye Chen's words, don't put out to laugh: "you really don't know what place is your foot stepping on?"? This is the hell Dragon Temple

"If you step into it today, it's like going to hell!"

Ye Chen calmly sweeps around, looks at Yu Wenji with arrogant eyes, holds the Sha sword, and destroys the Dao seal. He steps out: "take out all your small means that can't be on the table."

Today, he's going to be a nightmare of the hell Dragon Temple!

"The quickness of the tongue!"

Yuwen machine is obviously Ye Chen this domineering appearance, provoked full of anger.

"I'll let you taste the power of the hell Dragon Temple!"

Order, dragon fight!

On the original bustling palace, all the strong men of the dark dragon almost jumped up, with endless killing intention surging, and they surrounded Ye Chen.

The simple and deep atmosphere of the hell Dragon Temple is the origin of all the strong men's cultivation. This is their blessed place, and naturally it is also their source.

At this time, ambush Ye Chen here, occupying the best time, place and people.

Besides Ye Chen's body, there is a huge picture of the yellow spring, which is wrapped up by the extremely rich holy water of the yellow spring.

WOW!

The surging holy water of the yellow spring, with a strong breath of reincarnation and a sharp air of purification, rolls over all the strong people close to the dark dragon temple.

"Heaven and Earth Dragon, blow through the void!"

Words fall, Dark Dragon strong people dragon claw heavy clap on the ground, hard a hammer.

Boom!

A burst of thunder burst out under the dragon's claw, and the hammer fell and thundered, like the thunder god of nine days bombarding the earth.

Click!

The floor of the palace burst in an instant.

Strands of silver snake like lightning, crazy beat, and eventually evolved into a huge array.

Drop the claws into an array!

Pa pa pa

The space around the array is crushed by the force of the giant claw. Countless space rules are smashed to pieces. They fall to the ground like grains of sand, and then the original aura dissipates.

Buzz, buzz!

Ye Chen no longer hesitates. He uses the formula of burning blood, the body of heaven demon, the body of hundred evils and so on to the extreme. The seal of destruction of the five heavens is suspended in front of him, and the law of destruction is rippling. The whole person is just like a demon God of extermination, and welcomes him without fear!

Chapter 5398

Since this time, ye Chen enters the hell Dragon Temple alone!

Even more, the enmity with the hell Dragon Temple broke out ahead of time!

He has no choice!

The resplendent source symbol and the seal of destruction continue to release the vast light of destruction, which is buzzing, interwoven with Fu, Wen, Xianxia, Shenxi, such as the ups and downs of the road.

Ye Chensha's sword was raised high and cut to the big formation of the powerful Ming dragon!

Endless thunder shining, a huge dark dragon, suddenly emerged.

This dark dragon is huge, and the whole dragon is endless. It's hidden in the clouds. It can't see the whole picture at all. Its two huge eyes are like the sun, the moon and the stars, and the blood is bright. Layers of blood crystal like scales, as if cast with steel, cover its body, and flow into a circle of runes. The red light is bright and shocking.

"The guardian dragon of the hell dragon temple?"

Ye Luo Er's eyes flashed, suddenly thought of something, and cried out: "brother ye, this is the guardian dragon god, be careful!"

The guardian dragon is in the sky, staring at Ye Chen. He has captured the breath of the holy water of the yellow spring.

The holy water of the yellow spring can purify all the marks of sin, but it does not include the cause and effect of the superior.

"Dare to be wild in my hell Dragon Temple, give me death!"

The guardian dragon god grinned and showed two rows of halberd like teeth with a very ferocious expression.

As he spoke, the thunder was raging around him, and all the deep-sea water was crackling in the electric shock. At this time, the strongmen of the hell Dragon Temple had retreated, leaving the battlefield to Ye Chen and the guardian dragon god.

"Make your own decisions. I can leave you a whole corpse."

The guardian dragon god licked his lips and looked very ferocious.

"Moon soul chop!"

Ye Chen clenched his teeth, waved the Sha sword, and cut it out with one sword.

Whoa!

The dark sword slashes at the guardian dragon god.

"It's interesting to be a mole ant who doesn't know how to live or die." Guardian dragon god light smile, not dodge not avoid, hard by Ye Chen sword.

Ding!

Ye Chen's sword was cut on his scales like blood crystals of steel. He couldn't even break the scales, leaving only a white mark. It seemed that ye Chen's blow couldn't hurt him at all.

"What a terrible defense!"

Ye Chen heart a tight, is own strength not enough? Then add more!

This trip is to stay with the hell dragon temple. He has nothing to be afraid of, and his heart is boiling.

"The transformation of soul and body, today I will see what will happen to the blood moon butchering heaven chop of the elder after stepping into the half step of the origin!"

Ye Chen does not intend to give up, immediately seize the opportunity, a Ling drink, fall dust Dragon Sword appears in Ye Chen's hands.

He faintly felt the power of the hell dragon temple to guard the Dragon God and fear the blood moon!

This is intuition!

Whoa!

The light of blood floats and the sword bursts.

The falling dust and dragon sword is firmly held in the hand. With a wave, the sky is dim and the earth is dark. A round of blood moon appears in the sky, casting a piece of red moonlight.

Looking at several rounds of blood moon in the sky, the guardian dragon god also felt palpitation at this time. It seemed that he was carrying a sword on his neck, and his head was in danger of being cut off at any time.

Because at the end of the years, there was a man named Ren Fanfan who cut him with the falling dust dragon sword!

This also led to the fall of dust dragon sword and blood month, become a long time in its heart can not dispel the magic barrier!

He thought he would never see this sword again, but now it appears again!

This boy is so young. Why does he have this sword?

Is it Ren Fanfan's Apprentice?

At this moment, in the face of Ye Chen's blood moon slaughter, the guardian dragon god also feels extremely difficult. In a hurry, he can't dismantle it, so he can only swing his tail to force Ye Chen to return to the sword and defend himself.

Such a powerful and cold dragon's tail is thrown, but ye Chen doesn't dodge and resists the blow.

Puff!

Ye Chen's sword Qi comes first and cuts hard on the body of the guardian dragon god.

With the help of the power of destroying Daoyin and Yuanfu, this sword is very powerful.

The body of the guardian dragon god was cut out with a ferocious wound. The bone was visible and the blood was pouring down into a waterfall.

There are also pieces of scales, flying all over the sky, a mess.

Ye Chen this sword, unexpectedly let the guardian dragon god directly hurt!

"Guard the Dragon God? Is that all? "

"Or are you afraid of the falling dust and dragon sword?"

Ye Chen's look is still indifferent, seems to be saying: you also just so.

However, he also vaguely guessed that there was a trace of causal contamination between the Dragon God and Ren Feifan, the guardian of the dark dragon temple.

Not far away Yuwen machine see, heart surging anger, ye Chen even more powerful than before.

Why is Dragon God afraid of this sword?

This sword is powerful, but the guardian dragon god should be suppressed?What's going on in this?

No longer think, yuwenji waved: "everyone, do it!"

He doesn't want to give ye Chen any chance!

This boy is too evil!

"Put it down!"

Countless dragon claws are holding huge halberds, and each halberd is inlaid with ruby.

Among the gems, the power of thunder flashes occasionally.

In the shape of a dragon, the long halberd was held high to stab Ye Chen.

In all directions, endless rules are surging. Even under Ye Chen, there are the long halberds of the strong Ming dragon who are not afraid of death.

"Eight Bu Fu Tu! Put it down! "

The light of the Buddha is dazzling. Ye Chen's whole body is covered with a layer of golden light. All Buddhists and Taoists are covered with golden light.

the eight pagodas on each floor can see the vivid Buddha statues.

The breath of justice! The vitality of Buddhism!

In this dark palace, there is an extremely bright light.

The red light from the red gem on the halberd collides with the divine light of the pagoda.

Boom!

The aperture of the explosion, all the dark dragon strongmen are hard to beat out.

These strong, is the Yu text machine hard to choose the strong, but at this time, in the face of Ye Chen, they are still so powerless.

Frustration is the voice of everyone who is in direct contact with Ye Chen.

"Yuwenji! Do you want to hide behind them? Be a coward of the hell dragon temple? "

Ye Chensha pointed to Yu Wenji and said: "it's your turn!" Although

Owen is somewhat angry, these strong men do not suck up. At this point, they can not help but want to destroy the arrogance of their own leaves.

"Since you can't wait to die!"

Yuwenji didn't even finish what he said. He had already incarnated into a dark dragon, and his whole body was full of darkness.

He roared up to the sky and sent out the sound wave that shook the sky and the earth. The sharp dragon claws ran through the void and hit Ye Chen.

"Master Luo Taixu, please help me!"

Words just fall, in a twinkling of an eye, ye Chen's whole body is surging with endless sea of stars water!

And leaf Chen in the brain is to emerge a voice.

"I will not control your body, but I have an arrow, named Xinghai arrow, to help you today!"

Chapter 5399

"The arrow of the sea of stars, penetrating!"

Ye Chen sensed what, also don't talk nonsense, immediately the whole body is surging the extremely strong star sea power.

Strands of sea of stars rune, wrapped in the bow body, blooming a bright golden light.

Endless sea of stars essence, condensed into a sea of stars arrow.

This arrow, which is placed on the bowstring, has a highly solidified breath. It is no longer illusory, but becomes a solid substance, as if it is really made of metal and steel.

Boom!

Ye Chen fingers a loose, Xinghai arrow burst out, strong atmospheric current through the void, golden light, actually gathered into a torrent. A small arrow, completely turned into a torrent of golden light, such as the river across the starry sky, rolling forward roaring, the target is yuwenji!

"Interesting! But it's not enough! "

Yuwen machine almost did not dodge, but in Ye Chen's arrow shot over, the dragon claw suddenly appeared a piece of brilliant dragon scale.

Dragon scales! you 're right! It is one of the toughest and strongest things between heaven and earth outside the country. It is so light that it can resist the arrows of Xinghai.

But vaguely, a small crack appeared on the scale of Wanlong!

Yuwen machine naturally found this problem, expression dignified a few minutes, but instantly changed into a smile.

Because in his opinion, ye Chen is still dead!

"It's my turn!"

Yuwenji no longer hesitated, forming a huge wind barrier between his two claws.

Tornadoes with the law of dragon sense of terror roared in the sky.

Countless grains of sand and gravel have been swept up, and the smoke is rolling.

The violent wind disaster, like a nightmare, attacks and kills Ye Chen.

Boom!

Before the storm stopped, thunder raged in the sky. Thunder and lightning were like boa constrictors, pounding down wildly, causing the earth to crack and flying sand and rocks.

Those condensation of wind and rain lightning, tearing like toward Ye Chen gushing.

Ye Chen's face suddenly changes, only feel the power of the law around, strong a lot.

Is this the empowerment of the dark dragon temple?

Or did Yu Wenji use the power of heaven and earth?

He didn't know that at this time, he could only extricate himself from the overwhelming storm.

However, this storm is extremely strange! Even ye Chen has a faint limit! Ye Chen has exerted countless magical powers, and even the Hongmeng starry sky can't be broken!

It's like an array of captivity formed by the power of heaven and earth! But it's not an array!

"Do you want to use the power of Xuanxian and Xuanyao's blood essence?"

Just as ye Chen was thinking, a strange and familiar voice suddenly rang out!

"Ye Bawang! The super invincible universe collapses! Here comes my coolest Ji Lin

Ye Chen

In the void, suddenly broken open, a graceful figure, breaking out of the void, is Ji Lin's pretty face.

Ji Lin is the only one who can have such a grandiose line.

Ye Chen is very happy to see Ji Lin and the greedy wolf emperor standing behind her. It seems that today, the God of fate is on his side.

"Boy, long time no see! Your accomplishments are growing so fast Greedy wolf emperor hearty laughter, it seems that this period of time, not only they have a good chance, ye Chen harvest is not small.

"You want to bully Ye Bawang?"

Ji Lin snorted, palm gray fog condensation, strict God watch Yuwen machine.

Yuwen machine looking at this pink jade carving, pretty and smart girl doll, for a time, some Lengshen.

The key is that he hasn't understood what the little girl said.

Super invincible? The collapse of the universe? I'm the coolest? These words don't look like they can jump out of a master's mouth!

But Ji Lin does give Yu Wenji a sense of strangeness and crisis.

"Ye Chen, you will always hide behind a woman."

Yuwenji even deliberately takes a look at Ye Luoer. Why do they all want to protect Ye Chen.

"When did the people in the hell Dragon Temple dare to be so arrogant in front of the great emperor?"

The evil spirit lingering in the palm of the greedy wolf emperor is actually one of the thirty-six ways of the Supreme God.

There are thirty-six ways in Taishang, each of which is comparable to the supreme source technique. Its lethality is very terrible.

At this time, the evil spirit of the greedy wolf emperor has far exceeded the power he showed in front of Ye Chen.

After all, there are few people in the whole heaven and earth who have the chance to experience in the void.

"Greedy wolf

Suddenly, a deep and gloomy voice sounded, and a virtual shadow appeared slowly.

After the virtual shadow, an old figure has appeared in front of Yu Wenji, who is Yu Wentai, the master of the dark dragon temple.

"Why do you do that in front of the younger generation? At that time, you failed to challenge the way of heaven, and all your accomplishments and legs were discarded. These years of silence, did you only bully the younger generation? "Yuwentai has been paying attention to the situation of greedy wolf emperor in recent years.

"Ha ha ha, I didn't expect you to look up to me all the time." The voice of the greedy wolf emperor also sounded.

In this void experience, it is not only Ji Lin who gains, but also the greedy wolf emperor who rebukes Fang Qiu before he gets back.

"Your opponent is me!"

Yuwentai shows dragon shape, sharp claws, a trace of emperor light constantly burst, constantly blooming, the prestige of taizhenjing constantly surging.

Nine days sky, there are a dragon shadow, roaring down.

When ten thousand dragons come, their power is like a prison, and the Dragon shadows roar towards the greedy wolf emperor. Among the huge dragon heads, they tear and chew, as if they want to devour the greedy wolf emperor.

This is Ye Chen's first time to see Yu Wentai. Unexpectedly, he is so powerful. Compared with Chen cangsheng, who was born in wanxu, he is also better.

Even he guessed that the strength of the other side was not weak in the main hall of several days!

At this moment, Yu Wentai's whole body was interwoven with thunder and lightning, and he actually evolved a suit of thunder and lightning robe. Between breathing, the thunder sounds like thunder god from nine days.

The dazzling Lei mang shines on the whole audience.

The greedy wolf emperor was not afraid, but suddenly appeared a shining sword in his hand, which soared to the sky. The sky was actually penetrated by layers, and the weather of the universe appeared in the sky.

Boom!

The sword Qi surges. There are stars in the sky. They are shocked down by the sword Qi and turn into meteors. They become meteor shower all over the sky and bomb the hell dragon hall.

The terrible power of this sword is as powerful as the presence of the supreme gods.

Yuwentai and greedy wolf emperor instantly fight into a group, between the lightning and flint, flying out a huge spark.

At this time, Yu Wenji is not idle. He takes the lead in pushing Ye Luoer to the nearest elder of the dark dragon temple, and then jumps to stop Ye Chen again.

"Ye Chen! You can't escape today

Chapter 5400

Yuwenji flashed a sneer at the bottom of his eyes. At this time, no one knew better than him that his father was not the last card he gave yechen.

Ye Chen, you will be more surprised by today's layout later. No matter who it is, it can't protect you.

Ye Chen doesn't know anything about Yu Wenji's mind, but Ji Lin and greedy wolf emperor arrive in time, which makes him very happy.

"And me!"

Ji Lin laughingly followed up, as if for fear that ye Chen would drop her.

The endless poisonous gas spreads, and ye Chen doesn't leave a hand at all. Lingxiao's martial arts will break through the sky, kill the moon soul, and kill the sky with blood and moon!

Ji Lin's accomplishments are not as good as Yuwen Ji's, but the spread of the poisonous gas keeps suppressing Yuwen Ji!

In this way, how can yuwenji resist?

Soon, one on two, Yuwen machine gradually fell.

He was unwilling to look at his father, Yu Wentai, for help.

Yuwentai's strength is far more than the decadent wolf emperor. It's just because the opponent's aggressive tendency makes him have no time to be distracted.

Ye Chen doesn't plan to leave any more strength. The virtual shadow of the fire of Tao spirit is surging behind him. Then he drinks a low voice and says: "this moon soul chop! How dare you take it

In a flash, a sharp light came out of the sword, which made everyone's spirits tremble slightly!

That sword light touches the moment of yuwenji's attack, an earth shaking sound bursts out!

Yuwenji's huge dragon head, slightly shaken, was stirred by this breath, and the sea of knowledge was tossed.

"Ye Bawang! do well! Originally, I intended to win you the title of forced king. Now think about it, I'll leave it to you. "

Ye Chen

Ji Lin said with a smile. A small pair of thorns on his hand had turned into two cloud swallows, flapping wings and flying towards Yu Wentai.

At this time, the two little Yunyan have been climbing on the arms of Yuwen machine, Ji Lin is still smiling to control them, on the meridians of Yuwen machine, bite hard.

Yuwentai long sleeve wave, two cloud swallow on the cuff, strong shock fly.

But there are old green lines on his palm.

At the same time, the greedy wolf emperor and Yu Wentai stand in the air, and there is a space of silence around them.

"Greedy wolf emperor, today, your opponent! It's not me

"Do you want to see your old friend?"

Yu Wentai looked into the void as if he were waiting for someone.

Boom!

At this time, a great power came down from the sky.

The sky at the moment is suddenly emerged a piece of red lotus industry fire, endless mighty emperor power, constantly rolling.

Above the sky, the figure of a man with white hair suddenly appeared!

It's emperor Shitian!

The emperor Shitian stepped on the red lotus, and his whole body burst with light. Behind his back, the supreme saber appeared. He was so domineering that he came down from the sky and sat on the highest throne.

"Elder martial brother, long time no see."

The greedy wolf emperor was stunned, and his eyes narrowed slightly. Looking at his former younger martial brother, the emperor Shitian completely inherited the heart demon sword of the former heart demon master.

A thick black air, with the breath of the law of the devil, slowly came to the emperor Shitian.

It's a feeling of deja vu, just like the master in those days.

"Elder martial brother, do you really care nothing about traitors?"

The greedy wolf emperor shakes his head, pursues different things, stands different, betrays and so on. It's just that emperor Shitian wants to use his chips to restrain him. At this time, he just wants to send out strong revenge to the master and avenge him.

"I didn't expect that after the Tusheng meeting, the breath of emperor Shitian had been restored."

Ye Chen looks at the figure of emperor Shitian and doubts. He thought that xuanjiyue would be the last card in the hell dragon temple. Unexpectedly, it was Emperor Shitian.

Yu Wentai looks at the greedy wolf emperor and shows a playful smile. Let the two brothers delay each other.

Yuwenji didn't know when he had come back to yuwentai and said, "father, I didn't expect you to contact emperor Shitian."

An enemy of an enemy is a friend.

"Ye Chen, this game has come to this stage. Do you think you can avoid it?"

Ye Chen showed the same meaningful smile and put his hands behind him: "is that all? You may not know who defeated him last time. "

Xuanjiyue really made a great contribution to the emperor Shitian through the power of returning light and worshipping the common people.

But he, ye Chen, was never absent from the meeting.

"Emperor Shitian, don't be stubborn any more."

When the greedy wolf emperor looked at the emperor Shitian, his face was very different from before, and the cold breath of the master of the heart demon was obvious. After the slaughtering meeting, his perception of the heart demon was also very different from before."Elder martial brother, do you mean to be against me?"

"I've become someone else's master. I'm not only with my master, but also with my apprentice. This time, I'll be with her side by side!"

Once the battle has been missed, at this time of the battle, he hopes to be able to work with Ji Lin.

In the eyes of the emperor Shi Tian, he flashed the murderous spirit and showed the supreme way. A ray of emperor's power was condensed in his fingers. He was ready to point out and kill Ji Lin directly.

"I'll see if you really care so much about your little apprentice."

Greedy emperor was calm. He had already known his younger martial brother's behavior, and he was just witnessing it.

"You'll always be like this. You have only yourself in your eyes."

The way of heaven evil! The strong lustre of evil spirit was brewing in the palm of the greedy wolf emperor's hand. With a vertical stir, the golden light of the emperor's power had turned into powder.

Emperor Shitian knows his elder martial brother's cultivation ability very well. Naturally, he won't leave his hand at this time. A fierce and fierce sword is cut out of emperor Shitian's hand and directly cuts into the body of the greedy wolf emperor.

The strength of this move was so strong that Ji Lin, who was hiding behind the greedy wolf emperor, was in a cold sweat.

"Master..."

Greedy wolf emperor heard Ji Lin's voice, quickly pushed her to Ye Chen's side, light way: "boy, take good care of my apprentice."

Ye Chen nodded repeatedly. At this time, the greedy wolf emperor faced the emperor Shitian. He had reduced a lot of pressure.

"Ye Bawang!"

Ji Lin is suddenly pushed by the greedy wolf emperor and rushes towards Ye Chen with distorted face.

Emperor Shitian looked up at the sky and drank: "supreme sword, kill me!"

Hum!

The greedy wolf emperor held up the greedy wolf sword and stood in front of him.

The emperor Shitian's supreme sword was cut down, and the greedy wolf emperor was immediately shocked. Then the greedy wolf sword resisted, and with one breath, he stabilized himself in the void.

Boom!

The vicissitudes of life, the sound of thunder turbulence.

When the sky cracked, I saw a step from the sky, tearing open the endless evil spirit, slowly coming.
