

Physician 541

Chapter 541

If you dare to insult Xuemeng, you will die!

And his identity as Li Xuanjun happens to be an elder!

Although the blood alliance elder has many levels, but ye Chen obviously is all scolded!

Li Xuanjun shook his head and said, "I gave you a chance. Since you don't cherish it, I'm sorry. It happens that your father is also in the blood League. It's time for your father and son to reunite!

Do it! Take this one

Language down, a blood color soared to the sky.

Blood alliance more than a dozen figures toward Ye Chen!

Very fast!

In just one second, ye Chen was surrounded!

These people with cold killing intention, the head is condensed out of a bloody door virtual shadow!

Far more than luojianzong's disciples!

The key is everyone's array trend!

"Ye Chen, I will give you another chance. Would you like to join the blood League and work for the blood League?"

Li Xuanjun's cold voice dropped slowly.

Ye Chen glanced at a dozen people surrounded by him and snorted coldly: "Kunlun Xu, any martial arts school, is not qualified!"

Arrogant!

"Hum, elder Li, talk nonsense with this boy. He doesn't look up to the blood gate, which can only show that he has high vision and low skill. He doesn't know the real strong man at all!"

One of them roared, and the sword was shining with cold blood, and went directly to Ye Chen!

The rest of the people see this, naturally also start!

They don't have any strength, ye Chen's powerful, but they have felt it!

"Boom

The air waves burst out in an instant, as if to overturn the whole top of Chaosheng mountain.

In the air, there is a cold breath, deep into the bone marrow.

Looking at more than ten figures from more than ten directions straight to their own, ye Chen pupil suddenly contraction!

Such a dozen people, any one of them, if placed in China, are top-notch. Even in Kunlun, we can't despise it.

Ordinary practitioners, facing the joint efforts of more than ten people at the moment, are afraid that they are at a loss and their hearts are full of despair.

But ye Chen is different!

In the sky of the killing machine, ye Chen mouth corner is showing a trace of sneer!

He had long been at odds with the blood League. Now he wanted to find out the whereabouts of his father, only by killing these people!

A living mouth is enough!

In that dozens of figures to kill the moment in front of the body, ye Chen eyes light burst.

Now that the killing has begun, why do you mind killing more?

If you want to fight, fight happily.

The blood dragon and the talisman are sacrificed together!

More crazy in the field of elixir!

Ye Chen's eyes twinkle with murder.

"Killing talisman!"

Hands superimposed, hands quickly pinch out a rune, ye Chen's momentum rising!

Boom!

The wave of terror soared.

Just in a very short period of time, the air waves around Ye Chen are raging and the whirlwind is sweeping.

His whole body's true Qi, if the torrent erupts, the whole body kills the gas, crazy gushes out.

Heaven and earth, gather spirit!

One killing talisman, two killing talismans

In a twinkling of an eye, ye Chen held out five killing talismans in his hand!

"Chop!"

In a dozen cold light to attack, straight to Ye Chen's vital moment, ye Chen suddenly drank.

Hum!

The seal in the hand is condensed, and the fierce thunder and lightning in the aura are displayed instantly.

At the same time, ye Chen inserts the soul sword into the ground, forcing out a drop of blood essence!

Blood essence and soul sword collide with each other instantly!

Wow

In the middle of the gale, a boundary like substance was born out of thin air.

Puff, puff

At the same time as the boundary rises, more than a dozen dull crashing sounds come in succession.

It's amazing that there are more than a dozen blood alliance strongmen who are attacking. Their weapons have entered into the killing talisman!

The whole border trembled violently.

After the crazy vibration, the wave light flows over the border and gradually calms down.

The swords of those strong blood alliance are all cut off madly!

Into pieces!

"How could..."

The blood alliance strong man's face full of Yin ducks showed a look of horror.

"No way!"

Li Xuanjun also widened his eyes.

How could this happen?

The scene in front of them made them feel suffocated.

They know the strength of more than a dozen of them. More than a dozen people joined hands to strike, and any practitioner in the later stage of Shenyou state should retreat from more than ten houses. Now, however

A 20-year-old nobody even sealed the joint attack of more than a dozen people with a talisman?At the moment, these ten people only feel their own moves, as if trapped in the mire, as if sinking into the vast ocean.

No matter how terrible the air waves they burst out, they could not smash the barrier in front of them.

Even if you want to stop, you've been limited.

"Back

Seeing such a scene, the middle-aged man headed by more than ten people is pupil contraction, shouting.

The situation is not good!

"Back!"

When the voice dropped and the wrist trembled, it was to see that these blood alliance strongmen were ready to withdraw their weapons.

"Back? Now that you're here, you don't have to go back! "

Back? Joke!

Ye Chen is planning to go all out and take down more than ten people! How can he let these ten people retreat easily!

The blood alliance imprisons the parents, but also takes away the father!

Even the father may suffer in the blood alliance of Kunlun Xu!

Blood League dare to move a hair of his father, he will sacrifice with the blood of all people!

If you let these people escape, what's the point of using the killing talisman?

Since these ten people have come, let's all stay!

"Kill rune, kill!"

At the same time that more than a dozen people forcibly draw out their weapons and want to retreat, ye Chen's hand seal is transformed.

Boom

Under this seal, the original boundary of wave light flow suddenly trembles violently.

In a burst of roar, all of a sudden ten thousand rays of light came out.

Every ray of light, like thunder and lightning, is extremely fast! Every ray of light, like a sharp blade, roars with momentum.

Brush brush

Go to the crossroads of light.

Within the scope of the original boundary, this moment seems to turn into a hell on earth, killing everywhere!

The killing machine interweaved out a vast net, and blocked the more than ten powerful blood alliance strongmen who wanted to withdraw.

At this moment, the center of the light crisscross, ye Chen's face is indifferent, the cold light in the eyes is Zhan Zhan!

He seems to be the master and judge of this world!

Under the dense net, those more than ten blood alliance strongmen who are shrouded?

Such as for the prey in the hell on earth!

Only slaughter is waiting for them!

"No No... "

"Ah, ah Don't... "

The screams went on and on.

The roar was deafening.

Blood spray, blood splash.

That hand of light intertwined in the net, at the moment, more than a dozen blood League strongmen fell into the nine hell!

The flesh and blood were separated, and the white bones were exposed.

The bones were crushed, turned into dust and dissipated in the cold wind.

"Kill!"

Finally, at the moment when more than ten people completely lost their resistance, ye Chen's body shape swept out and fell into the tangled net.

Puff, puff

The soul of the sword gushes out, the sword spirit is vertical and horizontal!

The sword techniques taught by Chen Tianli come out together!

Chapter 542

Although Ye Chen's accomplishments are invincible! But it has blood dragon and spirit rune, plus the anti Heaven Sword Skill of Wandao sword Zun!

In that side of heaven and earth, ye Chen is irresistible.

This is the most powerful tomb owner of the samsara cemetery!

Until ye Chen went through the chaotic world, the light and shadow behind him gradually dispersed.

Boom!

More than a dozen dull bangs came.

The zhenhun sword in Ye Chen's hand, a trace of blood, is dripping down the long sword.

There was a strong sense of killing in him.

Like the God of death crawling out of hell!

With a dozen enemies, ye Chen crush!

"Gudu..."

Until a cold wind blows, there is a faint voice of swallowing.

The rest of the strong blood League were completely scared!

Just now I saw Ye Chen kill luojianzong. Although it's shocking, it's not so weird!

The strength of one person, but also the real strength of China's yuan, even crush more than a dozen strong blood alliance!

Although these people are not the top strong members of the blood League, they are not as defeated as killing chickens!

All were pale.

"No way! They're all dead. They're all dead! "

One of the strong blood alliance, pointing to Ye Chen, the corners of his mouth trembled!

At this moment, in his eyes, ye Chen, holding the soul sword, seemed to be an emissary coming from hell. It was extremely terrifying!

Those pan Guohua, bailixiong, or other powerful Chinese martial arts experts!

Absolutely shocked!

It's like a killing feast in front of them!

Key Ye Chen killed people are not ordinary people!

Sleeping trough!

Their eyes shrink to the extreme, in addition to shock, or shock!

"Ye Chen! I admit that I underestimated you, but you killed so many of my disciples in front of me. Do you know what the price will be paid? "

Li Xuanjun has already sacrificed a long sword!

As soon as the sword comes out, the aura of the whole Kunlun mountain seems to gather and go!

Ye Chen has no expression.

His bloody eyes, staring at Li Xuanjun, word by word: "where is my father ye Tianzheng?"

"Tell me, I'll give you a way to live. Otherwise, since you have come out of Kunlun, you will stay in Kunlun Mountain forever."

Ye Chen's reply made Li Xuanjun look more and more ugly.

"The dozen people you killed are just ordinary disciples of the blood League, but now, what you have to face is the outrage of the blood League!"

"For the last time, where is my father?" The zhenhun sword in Ye Chen's hands is full of blood!

"Ye Chen, you still care about your father! Since you want to know, I will tell you that your father has been chopped and fed by our blood League for a long time. How about it! You are satisfied with this answer! "

"My father, you have no right to insult! Die

Ye Chen shouts in a deep voice.

The voice fell, feet on the ground, the whole person like a giant beast swept out.

"Looking for death!"

Li Xuanjun mobilized his whole body's breath and said to the remaining elite members of the blood League: "take this son's head! As long as the body, not alive! "

"Yes, elder!"

Almost instantly, a cold light toward Ye Chen swept away.

The town soul sword in Ye Chen's hand fights away.

I thought it would be easy to kill, but I didn't expect that these people were all on the fifth layer of Zhenyuan realm!

Terrible!

Even ye Chen can't move forward easily in the fierce sword sense!

Pooh hee

Blood spray.

Ye Chen can only barely kill a few people!

A sword fell and blood mist filled the sky.

Full ten seconds of time, ye Chen body has appeared several scars!

The power of blood dragon and talisman is rapidly disappearing!

Not only that, but the true Qi of Dantian is also losing madly!

At the same time, ye Chen also found that Li Xuanjun had disappeared!

"Damn it!"

Li Xuanjun seems to disappear without any trace!

This makes Ye Chen's heart sink.

"Ten thousand swordsmanship! Broken

Ye Chen's wrist trembles and blood flashes.

Hum

Under the infusion of genuine Qi, the zhenhun sword shines with dazzling brilliance.

It's cold and the sword is overflowing.

Boom

The sword light, like thunder and lightning, cuts through the sky, turns into a blood dragon and devours the earth.

But the sword skill without strong Qi is a little weak now!

The sword idea was torn by those strong men in an instant!

Even ye Chen has felt a sense of exhaustion coming! There were more wounds on him.

Chen Tianli of the samsara cemetery naturally noticed this scene.

"Apprentice, any one of these ten men's strength is not under you. Li Xuanjun is hiding in the dark. If you have an opportunity, it will break out. It's very difficult for you to fight against them now. These despicable people want to use the wheel battle to consume your sincerity and strength."

"Now, you use your talisman to leave here! When you restore the elixir field, you can find this group of people to settle accounts, not too late! "

Chen Tianli gave the best plan.

Although he can use his last strength to help Ye Chen solve the problems in front of him, once he is used, he will disappear in the world.

He still has one move the most important sword formula not to teach Ye Chen.

He doesn't want to disappear like this!

He has not received any apprentices since the ancient battle.

I didn't really enjoy the relationship between master and apprentice.

And now, ye Chen's existence gave him hope!

He didn't want to leave with regret!

That sword formula must be taught to Ye Chen!

Ye Chen at this moment naturally understands Chen Tianli's meaning, this group of blood alliance people can ignore fairness!

Otherwise, it would not be so bad in Kunlun.

He no longer hesitated, body swept back, at the same time, fingers pinch, a thousand mile talisman directly sacrifice!

Hum

I saw that the talisman was crushed. In an instant, light and shadow crisscrossed, and the breath of space filled out. A huge force of involvement seemed to drag Ye Chen out of the sea.

"You want to go? Dream

However, in the face of Ye Chen who has displayed his thousand Li Fu, Li Xuanjun, the blood League, suddenly appears!

"Come back to me!"

At the moment when ye Chen's figure was about to disappear, Li Xuanjun shook his wrist and cried in a deep voice.

Brush

Between that wave, as if covering everything!

The aura of the package is expelled and the distorted space is frozen.

Click!

Vaguely, I heard a sound like substance. The suction force made by the thousand Li Fu was crushed by pinching!

Touch!

Ye Chen's figure was thrown down from the air and hit a giant tree.

"Puff

Originally still forced to endure that a mouthful of blood, can no longer restrain the spray and out, ye Chen's face color instantly pale up.

In front of Li Xuanjun, Li Xuanjun, who was in the peak state, was just a small skill, not a means to protect his life!

Ye Chen's face is pale to the extreme.

The crisis of death, this moment is finally sweeping towards Ye Chen.

"Hum! In front of me, you still want to escape? Good! Since you don't know what's going on, I'll take your head off first

Chapter 543

Interrupted Ye Chen's escape Road, looking at Ye Chen gasping, Li Xuanjun's mouth showed a trace of ironic smile.

Brush, brush!

In the moment that the voice of this word fell, Li Xuanjun's body disappeared in place at the same time.

"Not good!"

A strong killing opportunity, such as a huge wave swept by, ye Chen's heart, sank to the bottom of the valley.

If there is an invisible hand, pinching his throat, ye Chen only feels a burst of suffocation.

"No way!"

Seeing that a virtual shadow appeared in front of him, under the crisis, a blood light directly rushed out and went to the crossrail.

Let Ye Chen's surprise is, this time burst out unexpectedly is chopping dragon sword!

Spirit sword protector!

What happened in the legend happened at this moment!

The sword of chopping dragon was made by Ye Chen himself in Zhujia, Jiangnan province. Its level is incomparable with zhenhun sword!

But with Ye Chen moving heartstrings!

And, along the way, he was accompanied by the sword of cutting dragon!

I don't know how many people killed with Ye Chen!

When people are there, the sword will be there!

If people die, the sword will disappear!

Ding

There was a crisp crash, and it exploded in the next moment.

Click!

Blood flashing, that accompanied Ye Chen through countless life and death crisis of the sword cut off!

Maybe this sword is a rare weapon in China. However, for Kunlun Xu, after all, it's just a mortal thing. How to resist such a strong man's all-out attack?

Touch

At the same time the sword broke, a dull crash came.

Li Xuanjun that palm of Yu Wei, mercilessly hit Ye Chen's body.

Click! CLICK!

Clearly audible, ye Chen heard bursts of bone fracture sound.

In the mouth the blood spurts wildly, ye Chen's face is pale as paper, again has no blood color.

The blood mist in the night sky turned into the most gorgeous picture.

Touch

It seems that all the internal organs and six Fu organs have been broken, and the whole skeleton seems to be broken.

"Ah..."

Can't help it any longer, ye Chen sent out a burst of heartrending scream.

Death, this moment is so close to Ye Chen.

Once again, ye Chen felt deep powerlessness.

Not reconciled!

Over the past year, how much did you pay and how much did you bear?

Ye Chen is too clear!

Now, I'm going to die in this place?

"No!"

Eyes red, ye Chen as desperate beast, crazy roar!

Facing Li Xuanjun, who is walking towards him step by step and overlooking himself, ye Chen looks ferocious.

Li Xuanjun looked at Ye Chen indifferently: "boy, although the blood alliance is suspected of taking advantage of others' danger, the cultivation world is so cruel that no one will sympathize with you!"

"It's like, if I kill you now, who would like to help you?"

"I even forget that you are only in your twenties. In kunlunxu, at your age and with such strength, every clan is expected to fight for it. "

"It's a pity that you offended the blood League and even met me Li Xuanjun."

"my favorite thing is to kill such a genius as you! Ha ha

At this moment, Li Xuanjun was ferocious to the extreme!

Ye Chen stares at the broken dragon sword, his eyes are full of blood!

He picked up the sword, held it in the palm of his hand, and then stood up forcefully.

"This sword, fought with me for a long time. It's part of my body, but you've destroyed it."

"In my eyes, your life and the lives of all the people in your blood league are not comparable to my dragon sword!"

Seeing that ye Chen could still stand up, Li Xuanjun even said some inexplicable words and said, "it's just a broken sword. What kind of thing is it? The sword in my hand is the most powerful sword."

"Now, cut off your head with my sword."

The next second, Li Xuanjun burst out of a very strong force, the spirit sword seems to cut through the air, tearing everything!

The cold killing machine completely envelops Ye Chen!

At this moment, ye Chen did not move, holding the sword of cutting dragon, but showed a smile.

There was a word in his ear: "disciple, stand up after breaking. Although the sword of cutting dragon is broken, it means new life. After this war, if I still exist, I will teach you a way to raise the sword. If the guardian of the sword absorbs the attributes of other spirit swords, it will be powerful! What's more, the sword spirit of cutting dragon sword is a great opportunity for you

"Now, all these things are handed over to my teacher. Li Xuanjun is crushed by you with his accomplishments. Today I will show him what a towering sword is!"

"Borrow your body."

……At the moment, Li Xuanjun's sword meaning with killing and ruthlessness, has fallen madly!

Between the heaven and the earth, all the energy gather one move!

Momentum like a rainbow!

Ye Chen's life and death is only in a thought.

He naturally saw Ye Chen's smile. In his opinion, it was Ye Chen's act of giving up.

The power of the sword is already in the realm!

A boy of zhenyuanjing is seriously injured again. Dantian's true Qi is exhausted. What can I do to resist this sword!

The joy of the winner has been revealed in the corners of his mouth.

At the moment when the cold light eye was about to shoot to Ye Chen's neck, ye Chen raised his head, and the whole body's breath became ethereal.

"Definitely!"

A light hum, ye Chen step out, seems to meet the dazzling sword light, index finger and middle finger at the same time.

Ding

The sound of impact burst out like substance, clear and incomparable.

Li Xuanjun's move, which inspired endless power, unexpectedly, was suddenly frozen in Ye Chen's cold hum!

That spirit overflowing high-level spirit sword, at this moment, is so simply sandwiched in Ye Chen's two fingers!

At this moment, the whole world is silent.

For a moment, the whole world stops!

Time seems to stop!

The dark clouds have dispersed, a ray of light permeated and turned into bright brilliance.

Li Xuanjun's killing intention in his hands has been completely restrained. At this moment, ye Chen's two fingers are just like the world's magic soldiers coming!

As if it can block the whole world!

Who could have thought that Li Xuanjun, who had gathered all his strength, was so born that ye Chen stopped by the force of two fingers!

How astonished was Li Xuanjun?

No way!

The power of that sword, not to mention the embarrassed Ye Chen, can't be so relaxed even in the peak period of Shenyou!

What the hell is this!

His sword is as good as mud!

Blood lightsaber!

Kunlun Xu Li family ancestral things!

With this sword, he did not know how many top strongmen he killed!

But now what the hell is going on, two fingers! This is flesh and blood!

Those who are strong in blood alliance, and even bailixiong, hold their breath.

Some even rubbed their eyes, as if to hell!

When all people could not understand, ye Chen opened his mouth: "a waste, a broken sword, just want to move the people of my ten thousand swords, ridiculous."

Waste?

But elder Li Xuanjun!

If he is rubbish, all the people in the world are rubbish!

The blood lightsaber in his hand is the best spirit sword! A thousand years of ancestry!

Who dares to break the sword!

"Go away!"

A cold hum, see ye Chen two fingers a shake, a huge force suddenly burst out.

Boom

Like thunder.

The precious and incomparable blood lightsaber is in full view of the public, all over the cracks!

"Click, click, click!"

And then! All broken!

To powder!

Dissipate between heaven and earth!

"This How can it be! "

Li Xuanjun's eyes will burst out!

It's made by blood light stone from abroad! Shenyong state and even the supernatural state can not let it break!

Now, it's just like powder!

What kind of power does this need!

Li Xuanjun just wanted to say something, the air suddenly rolled!

His heart is going to burst! Fierce spurt a mouthful of blood, the whole person was blown out.

This time, Li Xuanjun flew a full dozens of meters away!

A dozen giant trees have been broken by powerful forces!

Finally, he fell to the ground.

Dust rolling! Amazing momentum!

The blood in Li Xuanjun's mouth kept spitting out, and his face was pale to the extreme.

The back is bloody!

Gasping, more air in and less air out.

Who could have thought that ye Chen, who was originally a strong crossbow bow, forced Li Xuanjun to the brink of death with just two fingers.

The world is crazy!

Is it possible that the immortal is possessed!

Sleeping trough!

Chapter 544

Now.

Kunlun mountain peak, quiet to the extreme.

Everyone stares at Li Xuanjun who spits blood in his mouth.

This scene, too fast!

It's too fast for everyone to react.

The rest of the strong members of the blood League were almost ferocious, and even the hands holding the sword were shaking wildly.

An invisible fear swept through the whole body!

They are really afraid!

Even elder Li can't defeat this boy. How can they stop him!

This moment of Ye Chen, in their eyes is the immortal coming, invincible.

Pan Guohua, who was watching from afar, as well as many powerful figures in the martial arts and Taoism circles of China, woke up from the shock.

Although they don't know why Ye Chen broke out in the situation of death!

But it doesn't matter.

Kunlun Mountain battle, Kunlun virtual strong defeated!

Ye Chen must be the first Chinese strong man to challenge Kunlun Xu!

As long as ye Chen doesn't die, the Chinese Ye family will be the top family in China!

No one!

At the moment, all people feel regret.

Regret not to please Ye Chen and ye family at the beginning!

Bailixiong's eyes twinkled with a trace of complex emotions, and his heart was completely shocked.

He knew Ye Chen was strong and rebellious, but he didn't know that this guy was still so domineering in the face of dozens of powerful people in Kunlun!

He secretly congratulated that the Baili family had made friends with Ye Chen from the beginning, and his daughter bailibeng had a good relationship with Ye Chen.

Otherwise, the consequence is unimaginable!

After today, any forces and families that offend the Ye family will disappear completely in China.

Don't use Ye Chen's hand, there will be powerful forces to please Ye Chen and suppress them personally!

This is Ye Chen's influence now!

At the moment, ye Chen coldly glanced at Li Xuanjun and walked towards each other step by step.

His whole body exudes the breath of antiquity, ethereal.

A look, as if can suppress a square world.

Li Xuanjun's mouth constantly spit out blood, and tries to endure the pain of his body. He stares at Ye Chen!

"Who are you? You You are not ye Chen

Li Xuanjun naturally found Ye Chen's eyes strange!

What's more, he understands the power of Ye Chen. It is impossible for a real Yuan state to break out such a terrifying force in a short time.

No pill can do it!

"Who am I?" With a cold smile and a soft grip of five fingers, Li Xuanjun seemed to be dragged up by an invisible air current!

What a pain!

Even breathing has become a luxury!

"I am the king of thousands of swords!"

Cold words fall, Li Xuanjun's body came crackling sound!

Countless blood spills!

How the man crushed his disciples, he fought back!

This is the principle!

Li Xuanjun groaned in pain all over Kunlun mountain!

"The blood alliance obeys the order, condenses the essence blood, quickly abolishes this son!"

Li Xuanjun saw that the rest of the blood League strongmen did not start, but also angrily denounced the way!

Those blood alliance strong person this just reacts to come over, together forces out a drop of blood essence!

The momentum suddenly increased!

The whole Kunlun Mountain is full of wind, which makes people feel palpable!

Countless blood mist surging!

Vaguely between, the ground actually appeared a blood red gate, the gate is extremely simple!

It is the symbol of blood alliance!

As soon as the bloody gate comes out, the cold killing machine is completely released!

The rest of the blood alliance strong Qi sacrifice long sword, straight take ye Chen key!

Innumerable sword meaning, actually in this moment converged into a big sword!

The sword seems to dominate everything and cut through the sky!

In that terrible sound of breaking through the air, a cold breath suddenly diffused and opened.

The silver light flashed, the cold came, and all the faces changed abruptly.

"Burning blood essence and cultivation, everyone's most powerful sword skills gather a strike!"

There was a sudden panic.

This kind of means only appears in the legend, but did not expect this moment actually is thoroughly exposed.

Ye Chen is in danger!

Looking at such a scene, Li Xuanjun laughed coldly, regardless of the injury: "Ye Chen, you don't know that I still have a hand. Although the cost is very high this time, it is enough to kill you! I don't care what you are, Wandao sword Zun or Qiandao jianzun. If you offend Xuemeng, there is only one way to die. "

And at the moment, ye Chen's eyes do not have the slightest waves.

Even when the sword was about to fall, there was no reaction.

"Humble people, they are still trying to shake the mountains? Playing sword in front of me? Ridiculous

Ye Chen opened his mouth!

In a simple word, sound waves bloom!The big sword with more than a dozen swords is directly broken!

The rest of the blood alliance disciples felt that their swords were out of control!

The air waves, like substance, exploded together.

A roar, such as thunder, shook the world!

"Click!"

The next second, sudden change!

All weapons on the top of Kunlun Mountain are broken!

Not only attack Ye Chen's blood alliance strongmen, but also those around the Chinese martial arts world strong!

No weapon can be spared!

Such divine power, let everybody petrified completely!

In a word, it will destroy everyone's weapons!

What kind of power is this!

Is there such a means in the world?

Poop

The terrible air waves broke out, and those with strong blood alliance were swaying and spitting blood. Some people who were close to them directly turned into blood fog and burst out.

Even in the air, I don't know when there are countless sword shadows!

As if out of the void!

Qi Qi shoots at those who are strong in blood alliance!

At this moment, the peak of Kunlun Mountain is the purgatory of the world!

Blood spray!

More than a dozen complete bodies are directly fragmented!

A river of flesh and blood!

The top of Kunlun Mountain is dead!

Li Xuanjun's smile was stiff when he saw this scene!

He stares at Ye Chen!

There is only one word in my heart - what kind of devil is this!

So many blood alliance strongmen's blood essence power can be easily broken, even if the blood alliance leader is impossible!

He subconsciously wanted to escape, but found an invisible barrier blocking everything.

He was completely trapped.

Ye Chen walked towards Li Xuanjun step by step.

Now that he can control the situation, he takes back the control of his body.

Chen Tianli is so weak that he will soon disappear.

He has to be quick.

He looked down at Li Xuanjun and said, "I only ask you a question. Where is the blood League? Where is my father?"

Li Xuanjun's eyes are full of panic. The blood League has regulations, and any secrets about the blood league can't be told!

Otherwise, he will be inexhaustible pursuit of blood alliance in this life!

Li Xuanjun is extremely loyal to the blood League!

He glared at Ye Chen: "as I said before, your father has been chopped into meat sauce and fed to the dog! No matter how you ask me, I'm the answer! "

"What if you kill me! In this life, you don't want to see ye Tianzheng again! "

"What's more, if you offend the blood League, you will suffer a lot! Huaxia can't keep you! No one in the world can protect you! Ha ha ha

Li Xuanjun's ferocious smile rang through.

Chapter 545

Ye Chen looked at the scene in front of him, but shook his head and pointed out directly.

Chen Tianli's power is still there. At the moment, his accomplishments are far higher than Li Xuanjun's. naturally, he can seize the memory.

When the finger touched Li Xuanjun's eyebrow, a purple airflow was directly absorbed by Ye Chen!

In the mind is countless pictures flash!

However, Li Xuanjun was in agony. This feeling seemed to suffocate!

It's like pulling away his soul and memory!

He found a blank in his mind!

His eyes are full of blood red, the world should have such a means!

Who is this Chinese boy!

"You..."

Li Xuanjun just wanted to say something, ye Chen loosened his fingers, eyes blooming with dazzling cold light.

Then five fingers were directly buckled on Li Xuanjun's head!

Only a clear "click!" was heard , Li Xuanjun's head was directly removed!

Ye Chen is also left in the corner.

All this, for ye Chen, seems to be a trivial matter.

At this time, his eyes shot at the direction of Kunlun Xu.

Because he has a memory in his mind! This memory is about father ye Tianzheng!

It's a huge, misty peak.

There is a blood red Sanskrit gate in the great peak, and inside the door is a magnificent temple.

And the dungeon deep in the temple is dark and closed.

Damp, as if abandoned by the world corner.

A middle-aged man with some vicissitudes was covered with scars and his shirt had been cracked for a few minutes.

Sit cross legged, no fear!

The middle-aged man opened his eyes and said, "no matter what means you use, my Ye Tianzheng's answer is still those three words - I don't know!"

At this moment, ye Chen's eyes seemed to have an invisible anger.

Anger is released from the eyes, covering the whole body!

Just because this man is his father ye Tianzheng!

Trapped in the blood League dungeon!

And in the picture, there is an old man!

The old man's breath is terrible!

A purple robe!

From Li Xuanjun's memory, this purple robed old man is the noble elder Zheng of blood League!

Blood alliance elder has six levels! Among them, the golden robe is the most noble! Next is the purple robe elder!

Any purple robe elder's suggestion has a profound impact on the blood alliance!

Their status in the blood League is just like that of bailixiong in China!

It's enough to weigh you! Indispensable!

From the memory of the sky.

"It's time to go to Kunlun. If the blood alliance is heaven, then ye Chen will cut this day!"

Although his strength is not enough, but holding the samsara cemetery, what is his fear?

When the energy of zhenhun Poyang stone is absorbed by the remaining three tombstones, it should be able to open.

At that time, he will have a few more cards.

And at this moment, ye Chen's body gushes out a white light, it is Chen Tianli.

Chen Tianli was almost transparent. He looked at Ye Chen and said, "that's all I can do for you. You need to go your own way in the next step. What's more, don't forget the things you told me before. You must be very curious about where the essence of the teacher went."

"I can tell you that when I went to Kunlun, I made a plan for you. One of them was related to that jade pendant. As for the rest, you will know when you go inside."

"The three tombstones of kunlunxu should be able to guide you soon, and then those three people should transform you completely."

"As a master of ten thousand swords, I have a successor. Although I can't teach you all of them, you should master almost all the important ones. The stronger you are, the more you will feel the mystery of the sword techniques I teach you."

"Originally, I wanted to teach you the last sword formula. You can't use this sword formula at present, but when you further improve your strength, you should be able to exert part of it."

"Now I can't teach you by myself. I can only import some of the key points of the sword formula into your knowledge of the sea. You can understand it slowly."

With that, Chen Tianli stepped out and came to Ye Chen's face, then pointed at Ye Chen's forehead.

The light came in.

Ye Chen felt a powerful information flow sweeping.

A few words appeared in my mind!

Ten thousand swords belong to the clan!

Not only these four words, but also a picture appeared in his mind.

Chen Tianli's sharp sword strength was born from his body. Chen Tianli's body shape became invisible, and his strength was diffused everywhere. Countless swords are flying in the sky like a storm. The sword is like a net. Its power is invincible. It is enough to destroy mountains and rivers.

"Disciple, when you enter the third or fourth level of Zhenyuan realm, you should be able to understand it."

"Now, it's time for me to leave. I'll see you again because of you." Chen Tianli's voice is getting lighter and lighter.

"By the way, when you leave, please call me a master again. It will be your farewell."

Ye Chen was moved: "master."

Chen Tianli even said three good things: "good, good! I, Chen Tianli, have lived up to my life! "

"I have a sword to crush the world!

I have a sword, blood wash earthly reincarnation!

I have a sword to fight the hypocritical gods!

I have a sword, cold light against the devil!

I have a sword, subvert all!

The sword of the old days is not defeated!

Never shrink back from the enemy, even if it means the sword I love!

The drums and gongs resound, the yellow sand is long, and a sword startles the sky and cuts off the world of mortals! "

Chen Tianli finally seems to be singing something, the virtual shadow completely dissipates, is turned into a star awn into Ye Chen's eyebrows.

Ye Chen is stunned. He doesn't understand what Chen Tianli's last poem means.

But can feel Chen Tianli's free and easy and arrogant!

This may be the highest level of sword!

At the same time, the tomb stone of Chen Tianli in the samsara cemetery was also completely broken and dissipated from the world.

I don't know when to meet next time.

At this time, ye Chen found a strong breath from the field of elixir!

It's a breakthrough!

He felt that the power of Chen Tianli before he disappeared unexpectedly poured into his elixir field crazily, even more integrated into his four limbs and hundreds of skeletons!

This feeling of comfort almost made him groan!

There was even a "crackling" sound coming from his body. He could clearly feel that every muscle in his body was shaking.

"Boom!"

His body is like a big wave surging, a strong breath, like breaking through all the shackles!

This is a sign of breakthrough!

Every one can leave, he will have the ability to merge into his body, let him become more powerful!

This time is no exception.

Ye Chen no longer hesitates, and regardless of the corpses and blood around him, sits cross legged directly. The aura of Kunlun Mountain is continuously converging towards Ye Chen!

"Master, you taught me to master ten thousand swords. Today I will break through the realm and master this sword formula!"

Ye Chen's body is a blood dragon gushing out! It's a terrible idea!

Chapter 546

Those who watched from afar naturally felt that ye Chen was about to break through.

Shaking their heads.

They knew Ye Chen was against the sky, but they didn't expect that a battle would let this boy break through again!

Can't this boy save some face for them!

Hundred Li male Mou son a congealing, step out, to behind dozens of iron and blood camp strong person way: "iron blood camp, can be in?"

"Yes

A roar rang through the sky!

Bai Lixiong took a step again and said, "today, we will protect the Dharma for Mr. Ye! Anyone who comes near will be killed! "

"Yes, general!"

Language down, the dozens of figures have come to Ye Chen 100 meters of land, as if to form a big circle, dead to protect Ye Chen!

However, Bai Li Xiong came to Ye Chen's side, and a long sword appeared in his hand, which directly stabbed the land in front of him.

The eyes of war are staring at the people.

As long as someone dares to disturb Ye Chen's breakthrough, there is no reason to kill him directly!

This is his power to control the Chinese iron and blood camp!

.....

At the same time, in the palace of blood alliance.

An old man in purple opened his eyes.

It is the General Commander in charge of investigating and catching Ye Chen, elder Zheng!

Not far away from him, there is a row of life jade cards, and at the moment, the life jade cards are all broken!

Completely dark!

This picture, never had!

Elder Zheng stood up and came to the row of life jade cards, his face was completely black!

Those who sent out to kill Ye Chen are all dead!

Not only that, but even Li Xuanjun did not survive!

What strength Li Xuanjun has, he knows better than anyone else!

Those who are strong in Shenyong can't embarrass him!

Now, it's dead!

Dozens of people were sent out, but none survived!

His expression is hard to see the extreme!

"Bang!"

Elder Zheng was so angry that he clapped his hands on the stone pillars of the room!

"Boom!"

The stone pillar was broken on the spot!

There's smoke and dust!

"Who is it! Who dares to kill dozens of blood League strongmen! Is that ye Chen? "

"No way! Even if ye Chen has a talent against heaven, he is only in his twenties. How can he kill so many strong men with his own strength! "

"It is impossible for a strong man to have such strength in China's martial arts circle!"

"Shali, come out?"

A middle-aged man's strange words appeared at Zheng's side.

"Elder!"

Elder Zheng's eyes congealed and said in a cold voice, "your realm is on the sixth floor of Shenyou state. Even if you are in Kunlun void, you should not be underestimated. Now I order you to go to Kunlun Mountain in China at the fastest speed! Li Xuanjun and dozens of blood League strongmen were killed! There is something wrong with this matter. We will investigate it at all costs! "

"If you know who moved the hand, bring it to me immediately! Of course, if the other party resists, you can also kill directly! "

The middle-aged man called Sha Li did not have any nonsense, as if into a breeze, completely disappeared in the blood League!

Elder Zheng stares at Sha Li's far away direction. His eyes cover him coldly: "I didn't want to use Sha Li's card, but now it seems that Huaxia is not that Huaxia."

"Even so, no one is qualified to move me! Those who stand opposite to me are dead

.....

At the moment, ye Chen at the top of Kunlun Mountain is surrounded by blood dragon!

The killing machine is constantly released.

The aura of ten li is continuously gathering in Ye Chen's body.

Even if there is no iron and blood camp strong, no one dares to step closer.

This is the power of the strong.

At the moment, ye Chen seems to be in the body, a flame starts to burn.

All of a sudden, Chen Tianli's energy just now seemed to feel something and became crazy.

Energy burst, just a moment, ye Chen's face began to flush.

"Ah..."

A light roar, ye Chen's face showed a look of pain.

This force almost burst his muscles and veins, tearing his elixir field.

What terrible energy!

More powerful than Luo Yuntian, the first great power summoned at the beginning!

That energy seems to turn into an ancient beast, which starts to rage and roar in Ye Chen's veins.

"Refine it for me!"

Dare not have the slightest carelessness, ye Chen hurriedly runs nine days Xuan Yang Jue, suppresses this energy.

Time passes by. I don't know how long it took. Finally, when the energy gradually converges, and ye Chen can no longer hold on to it, with a long roar, ye Chen leads the energy in his body towards the second layer of shackles of the true yuan realm. Wow

Such as the surging waves on the shore, the roar does not feel.

Ye Chen only felt the Qi and blood rolling in his body, and he almost fainted.

The violent impact shakes Ye Chen's internal organs and spirits.

But fortunately, the second layer of Zhenyuan realm is broken directly!

No hindrance!

"Is it difficult to break through two realms again this time?"

Ye Chen is ecstatic in the heart! No more hesitation, towards the third level of the true world!

"Break it for me!"

Another quarter of an hour later, ye Chen's breath became stronger and stronger.

Gradually, the energy in Ye Chen's body becomes extremely irritable and crazy!

Under the impact, the barrier of the third layer of zhenyuanjing finally began to loosen and crack gradually.

However, this is not enough!

Roar

In an instant, ye Chen's body, came a long roar, such as the great beast awakened.

That energy can no longer be controlled, such as a volcanic eruption, toward obstacles, impact away.

Success or failure, at one stroke!

At this time, a terrible breath came towards the top of Kunlun mountain.

Ye Chen Mou son a congealing, natural discovery, but at present already did not care!

If the breakthrough fails, the consequences will be unimaginable!

All he can do is rush! Strive for the fastest breakthrough!

Bailixiong was naturally aware of something wrong. He took a look at the people in the iron and blood camp and said in a cold voice, "all of us are in the array!"

"Yes

Dozens of people's feet are strange in an instant, which forms a big iron and blood array!

Endless blood gas condenses in the sky!

A few seconds later!

A dark shadow appeared on the top of the mountain!

It's a middle-aged man!

It's just the old school of Zheng Chang who is the most powerful!

Sha Li Shenyou level 6, if combined with blood League martial arts, strength can break out stronger!

If Li Xuanjun is the earth, the evil spirit is heaven!

The strength gap between the two is too much!

Sha Li has been playing the unique role of scavenger around elder Zheng.

Once there is something that can't be solved, Sha Li will show up.

He seldom makes moves, but every time he does, he will not let elder Zheng down!

At the moment, Sha Li looked at Ye Chen, and then noticed the blood and corpse on the ground.

Everything is clear.

It seems that the culprit is Ye Chen.

He sneered and went towards Ye Chen!

He's dying for this life!

"Who? Mr. Ye, break through, no one is allowed to disturb! Those who violate it will be killed at all! "

Bai Lixiong's cold voice rang through!

Chapter 547

He can't feel the strength of the other side, but can be so fast, absolutely strong!

He has no choice!

Only for ye Chen to fight for time!

Sha Li sneered: "a group of rubbish, dare to block me, get out!"

Language down, Sha Li toward hundred Li Xiong away!

Bai Li Xiong Mou son is serious, hastily to iron blood camp way: "all people make a seal, at all costs, stop this person!"

"Yes

Language down, wearing combat uniform iron and blood camp strong all seal!

Blood gas burst!

Bailixiong is forcing a drop of blood essence to drive these runes!

This was taught by his mysterious missing wife.

From Kunlun Xu.

It is also a card of iron and blood camp!

In front of the strength of the strong, there is no doubt that he and the iron camp have no choice!

"Go!"

Finally, one by one, with the gold seal condensation success, a dazzling light shining out!

Faintly, that ray of light blooms and turns into a sword in a twinkling of an eye!

The sword body vibrates and swallows thousands of Li like a tiger.

Brush

Driven by bailixiong, the sword light, like the stars, went directly towards the evil away.

The whole earth seemed to start to collapse.

There was a constant roar.

Whoosh, whoosh

The wind howled, and the golden sword light swept across the world.

Pooh hee

A mouthful of blood spurted out, the exertion of the talisman, and the load brought by it made bailixiong suffer heavy damage first.

Qi and blood in the body roll, and the whole body seems to collapse under that load.

"With me, I can protect the mountains and rivers of China! I can still take care of Mr. Ye! "

His eyes were covered with red blood. Facing the load brought by the sword seal, Bai Li Xiong roared loudly.

He wants to tear the shadow, he wants to destroy the enemy on the other side.

Ye Chen gives him life in the land of dragon veins, and he also wants to resist everything for ye Chen!

He is a soldier!

The soldier takes the country first, then righteousness!

If he does not die, the seal will not die!

Boom

With the urge to go beyond the limit, the seal broke out completely.

Boom

Suddenly shock, Sha from the body suddenly a shudder, freeze frame.

"It's interesting. This thing should come from Kunlun xuba. It's actually mastered by Chinese martial artists. However, what you master is only skin and hair! A bunch of trash, trying to kill me? That's not enough! "

In the face of the powerful momentum and the destructive power of terror, Sha Li's face became extremely gloomy.

"Blood gate suppression!"

Hum

In an instant, a burst of agitation spread all over the sky!

Blood gate reappearance!

The red light surged again.

The gap is too obvious!

Boom

Blood gate carrying the power of Kunlun Xu, and the iron and blood camp's seal to compete.

Red light and gold light crisscross, weave a pair of shock incomparable picture.

As time goes by, the struggle between these two energies seems to be eternal. In the long river of years, it is a monumental monument.

"Do you want to insist? You have no idea how terrible Kunlun is! Out

Sha Li Leng hum, a big hand, directly split the strongest blow of bailixiong and iron blood camp!

Easy!

Bai Lixiong has reached the limit. He is on the verge of collapse.

Such a powerful move is a double-edged sword.

Obviously, in the case of bailixiong not strong enough, this double-edged sword, now begins to kill the Lord!

"Break it for me!"

Finally, after the blood gate gained the upper hand, when Bai Li Xiong's momentum declined and there was a faint sign of collapse, a burst of howling, Sha Li left without reservation!

Boom

A powerful wave of air exploded.

The blood gate is irresistible.

Hum

The golden light breaks and the seal vibrates.

Under the pressure of the blood gate, the light of Baizhang gradually shrinks.

Pooh hee

In the end, a burst of shrill wail was heard, and the seal was broken.

Ding

In that crisp crack sound, the golden light splashes everywhere!

Every inch of it cracked.

"No..."

Bai Lixiong roared in despair.

He couldn't believe what he saw.

His card, unexpectedly so easy to be smashed.

Is this the strong one of Kunlun Xu?

Puff, puff

The blood gushed in his mouth. Bai Li Xiong struggled to support him and insisted on gritting his teeth.

In the shrill scream, he was swept out by the wind. Those who are strong in the iron and blood camp are all bombed!

Some died on the spot! Some serious injuries!

Boom

At the same time, the blood gate is finally completely crushed down.

The mountains and rivers vibrate and the world changes color.

The whole earth in the blood gate bombardment, as if occupied.

Bang

Such as the broken line of the kite, bailixiong can no longer support, enough to fly out of more than ten meters, hit in the distance among the ruins.

His face was bloodless and his mouth was overflowing with blood.

He supported his body to stand up, but found it impossible!

After all, his strength can't be compared with Kunlun Xu's strong one. The gap is too big!

Even if there is a strong card, it is not enough!

The seal was broken. In this battle, Bai Lixiong was completely defeated. In the power of the blood gate, under the counter attack of the cards, he has suffered an unimaginable heavy blow.

In the gale, bailixiong opened his mouth. He was like a dying man, with determination and hard breathing.

Even if he died in the war, he also died for China!

Until the fuzzy vision to see Sha Li through the wind, slowly toward their own.

There was a lot of sneer.

"I can't believe that there are such interesting things in Huaxia."

"You can't even protect yourself. You want to protect that boy, ridiculous!"

From a commanding position, Shali looks down on the iron and blood camp controller with a winning posture.

Bai Lixiong smiles.

Smile incomparably ferocious!

His remaining light saw those who were dead or seriously injured!

He is in pain! He's angry!

He can't guard these people!

There was despair and reluctance in his heart, but there was also a trace of relief and happiness.

Perhaps in the land of the dragon, he was already dead.

The appearance of Ye Chen is just an extension of time.

"Well, I don't want to talk to you any more. Since I dare to block the way of my blood alliance, I will die!"

Bai Lixiong raised his head difficultly, looked at Sha Li, and said word by word:

"although I am dead, I am still a general of China!"

He is not afraid of death!

From the beginning of serving China, he was ready to die for his country!

Death is the end result!

But as long as there is value in death!

He has no regrets!

Sha Li sneered, no longer hesitated. He offered a throwing knife in his hand and shot directly at the iron bone clang hundred Li Xiong!

"The gap between you and me is like a natural moat. I didn't want to kill you, but you got in my way!"

Flying knife tears the air, penetrates everything, with the light of death!

As if the next second, Bai Li Xiong will fall!

At this time, ye Chen can't help it any more!

Force to open the third layer of Zhenyuan realm!

"Poof!"

Because forced to open, his mouth is spit out a mouthful of blood!

Even a little weak!

He can't care so much!

He didn't want Bai Lixiong to die because of him!

I don't want to be Chinese!

This guard and gratitude, he Ye Chen wrote down!

Chapter 548

He could even feel the sudden danger of this middle-aged man!

Chen Tianli has disappeared, he was injured again, and now he is not qualified to fight!

Only leave temporarily!

Just wait two days!

In two days, the three tombstones can completely absorb the energy of zhenhun Poyang stone!

So, two days later, he can challenge everything!

These iron and blood camp people, can't die in vain!

He wants blood from the blood alliance!

Ye chenmeng gets up, Canglong phantom body definitely surging, even forced out a drop of blood essence, will speed up to the extreme!

He came to Bai Lixiong in a moment!

Zhenhun sword is directly sacrificed, and a very strong sword skill is cut off!

Sha Li's throwing knife is directly broken!

The air is rolling in the air!

Finish all this, ye Chen five fingers buckle Bai Li Xiong's shoulder!

"Go

After saying that, regardless of Bai Li Xiong's reaction, with Bai Li Xiong, he ran to the distance.

He glanced at Sha Li and remembered the other side's appearance.

He doesn't know this person, but he must have something to do with the blood alliance at this time!

Do not dare to have hesitation, with hundred Li Xiong, ye Chen is exhausted, Canglong phantom body determined to promote to the extreme.

"Ye Chen, where to go?"

However, ye Chen rushed out not long ago, a burst of roar is like thunder burst.

Brush

A virtual shadow forced to speed up, the white light flashed, the figure with a very fast speed, toward Ye Chen near the past.

Even if ye Chen displays Cang Long's magic body, he shows no sign of getting rid of each other.

"Go!"

Suddenly, a cold hum came.

Seeing that he couldn't stop Ye Chen's way for a short time, the figure chasing Ye Chen's eyes flashed with cold light.

Brush

The piercing sound of the air was piercing.

A touch of cold light tore this piece of heaven and earth.

The flying sword, like the scythe of the God of death, fell towards Ye Chen.

"Damn it!! Can't members of the blood League be open and aboveboard? "

Behind him, the sword comes, and a suffocating cold diffuses. Ye Chen only feels that the whole person has fallen into the ice and snow.

Such a powerful sword spirit Such a terrible killing!

"Get out of here

Do not dare to have hesitation, in that a flying sword shot to his back moment, ye Chen forced to sacrifice his life talisman.

Hum

The whole body energy erupts, and the aura of heaven and earth comes.

As the seal is pinched out, endless thunder and lightning gush out, and the thunder and lightning form a lightning border.

Boom

There was a violent roar, which exploded in the next moment.

Pooh hee

Ye Chen's heart vibrates and his mouth spits blood.

Wow

The lightning barrier, in this impact, actually directly collapsed.

Ding

Finally, Yu Wei, the carrier of the flying sword, thundered fiercely on Ye Chen, who was rolling with Qi and blood.

Thunder light flickers, ye Chen only feels, the body seems to have been torn in general.

"Go

Even if a penetrating pain instantly diffuse, then what?

Live!

This is what ye Chen needs to do now.

He has to fight for two days!

After two days, pay back ten million times!

This flying sword is like breaking through heaven and earth! With Ye Chen's strength, how powerful is the lightning border? Even if the strong in the middle of Shenyou state, I'm afraid it's hard to tear it so simply. But the pursuers behind It's broken!

Explain that the other side's realm is at least six levels above Shenyou state!

Thunder and lightning bound, under the pursuer's flying sword, there is no resistance.

If it was not for the blood dragon, ye Chen could be sure that what had just been sent out would not have been a crisp crash. The flying sword with Yu Wei must have been in his back and took his own life!

It can be said that ye Chen wandered around the ghost gate!

With only this flying sword, ye Chen can determine what accomplishments the man who pursues himself after him!

Ye Chen is in a mess.

If he ran away alone, the other party would never hurt himself, he could leave more easily.

But now with a hundred Li Xiong, he has to bear all the damage.

He and Bai Lixiong must live.

As long as there is one breath in, ye Chen can't stop his steps!

Forced to promote blood essence, ye Chen desperate to improve their own speed.

Then this violent impact force, ye Chen speed is also an instant surge, even opened up and behind the pace of Sha Li. Whoosh, whoosh

The wind whistling in the ear, the scenery around him quickly retrogress, ye Chen looks pale and gasps.

He has shown the speed to the extreme, but the killing intention behind him is catching up again!

This is to let Ye Chen's heart sink to the bottom of the valley.

"What a blood League! Damn it Ye Chen angry voice way.

Bailixiong naturally realized something. He didn't want to drag Ye Chen down. He said:

"Mr. Ye, you put me down. I was going to die! My life is not worth mentioning

As he spoke, he gazed at the man behind him, the middle-aged man with a dark face and red eyes, like a reaper out of hell, pursuing them.

"No nonsense! Today, neither you nor I can die

"We just need two days!"

Ye Chen said coldly!

"But the strong man of Kunlun is..."

"Listen to me!"

A hundred Li Xiong's voice came from the ear, and ye Chen frowned and said angrily.

He calmed down to think that he could not leave behind the pursuers in such a escape.

At that time, when their own speed began to slow down, is their own death.

All of a sudden, behind a killing machine swept!

I saw a red sword with a raging momentum, impact!

Ye Chen no longer hesitates, the blood dragon and the life talisman are sacrificed at the same time!

Once again, condense the spirit Rune way!

"Thunder and fire seal!"

Boom, boom

As one by one, the seal was pinched out, and suddenly a loud sound came.

The blue light flickers, the electric current meets, and the fire burns.

Under the application of thunder and fire seal, hundreds of thunder and fire balls appeared all over the world. They shot out and swept away towards the rear.

These fireballs are very powerful. When they encounter the flying sword, they are smashed by the explosion.

However, the thunder and fireball all over the world, after all, has a great influence on the pace of Sha Li's pursuit.

Boom

I saw a fireball head-on to fall on the Sha Li body, instantly exploded.

The electric current confluence, the flame erupts. Sha Li's hair exploded in an instant, and his face was black. Look at the appearance, don't mention how embarrassed it is.

Chapter 549

"Bang..."

And do not wait for hundred Li Xiong to slow down God, ye Chen body shape is also suddenly staggering.

The thunder and lightning border that was sacrificed again was broken by the flying sword again.

If it wasn't for their quick evasion this time, the remaining power of the flying sword would be to plunge into their bodies again!

Rao is so, ye Chen can only rely on the blood dragon once again reluctantly resist the remaining power of the flying sword, and the whole person is rolled out again.

However, with a strong breath, with the help of this impact and the pace of the old man behind him, ye Chen again opened the distance between the two sides.

The overwhelming thunder and fire seems to turn into a gorgeous fireworks, the pursuit of the evil away from the road, covering the airtight, amazing momentum.

Whoa

The Qi and blood in the body is rolling more and more fierce, and a trace of blood overflows from the mouth again.

Listening to the explosion behind him, ye chendark exhaled a breath, forced a breath, and urged Cang Long to make a magic body and plunder in a direction.

But soon, he and Bai Lixiong's faces changed.

There is no way to retreat from the top of Kunlun mountain.

It's a cliff.

Thousand feet cliff!

If you fall, you'll die.

They hesitated.

And not far behind, at the moment, the thunder and flame all over the sky seem to deduce a magnificent doomsday!

Boom

All of a sudden, with a burst of roar, thunder and fire all over the sky, in an instant, toward the surrounding collapse and disappear in the cold wind.

A figure, out of the splash of light!

In a mess!

Perhaps only this word can describe this figure.

One end of the black, now burst, smoking. The face full of traces of years is blackened by thunder and flame. Vaguely, you can see that the eyebrows have been burned out.

That pair of eyes, full of red blood, like wild animals.

Looking at the two figures not far away, the figure finally couldn't help roaring: "Ye Chen, I want to break you into pieces!"

The roar, like thunder, spread all over the Kunlun Mountains.

The anger is clearly displayed.

Sha Li has been in the blood League for so many years. How could he be so embarrassed!

As a noble, well-known and highly respected Shali, who has ever suffered such humiliation?

If elder Zheng knew, how disappointed he would be!

No matter what, ye Chen must die!

And he tortured him to death!

Red eyes, flashing the eyes of Yin Zhuo, Sha Li sends out a chilling opportunity to kill.

Step by step, he went to Ye Chen and Bai Li Xiong.

He knew there was no retreat for the two men.

It's going to be over.

Both of them are seriously injured, and even haven't reached the state of mind wandering. What can I do to stop him?

"Ye Chen, you should keep running. If I were you, you might as well jump down. When the time comes, don't say it's you. Even I can't survive!"

"The aura around Kunlun Mountain has been absorbed by Kunlun Xu, and there is no aura under the cliff. Even if the strong man in the ninth layer of Shenyou state jumps down, he will surely die."

"Of course, there is an advantage to this method of death, which is simple and crude."

"However, as long as you come back to the blood alliance with me, you may still have a chance to live. After all, you and your father have a big secret. Why not exchange this big secret for a way to live?"

Take a deep breath, until the thunder light completely dissipates, the cold wind blows, Sha Li forcefully suppresses the full cavity anger, ruthlessly said.

Ye Chen turns round, Mou son is cold: "what name is your name?"

Sha Li smiles. A word from the Qing Dynasty! Remember, I killed you ye Chen

The language falls, the evil spirit moves!

When the wrist shakes, the virtual shadow of the blood gate is suspended on the top of the head, and a drop of seminal blood is emitted at the same time.

The next second, a sword light burst out of the blood gate virtual shadow!

The light is wanton, and the sword Qi is flashing.

The sharp sound of breaking the sky came, and the sword shot out of the evil spirit made the heaven and earth completely dark.

This blow is far beyond the eighth level of Shenyou!

So terrible!

It's not that ye Chen and Bai Li Xiong, who are injured, can stop it!

Ye Chenmeng's sacrifice of zhenhun sword, the blood dragon and the life talisman gush out at the same time!

Empty all the remaining genuine Qi in Dantian!

At this moment, he held the thunder and lightning and the blood dragon in his hand, and cut it out directly!

"Bang!"

Two forces suddenly collide!

Although the short-term suppression, it will be flat!

Momentum rolling, ye Chen and Bai Li Xiong were dragged to the edge of the cliff!

"Ye Chen, give up! When I am weak to you with my peak strength, you can't have a chance to live! If you resist and fall straight off the cliff, it will turn into a blood mist!" Ye Chen Mou son pan cold, looked at a hundred Li Xiong, way: "you can be willing to believe me!"

Bailixiong thought of what, word by word: "bailixiong believe in Mr. Ye!"

"Good! We fall into the cliff together, today I Ye Chen come to Nirvana rebirth! Two days later, I want this man to torture to death! "

Ye Chen takes back the soul sword, and the strong wind sweeps it!

Almost instantaneously, bailixiong and ye Chen were shocked to fly down!

Under the cliff, there are only two black spots left!

The onlookers, seeing this scene, were completely frightened!

In a short period of time, both of them disappeared.

Falling down from the Kunlun Mountain, no matter how strong the people will die!

Pan Guohua's expression was dull and could not say a word.

Today's scenes shocked all he saw and heard!

Ye Chen, the God of war, on the top of Kunlun Mountain, killed dozens of Kunlun virtual strong men, seriously injured, and the chariot battle could not shake the posture of the strong!

China can't stop it, nor can Kunlun's virtual strong!

Only when ye Chen is injured and weakest, can the top Kunlun virtual strong take advantage of the void to suppress it!

How mean!

But let Ye Chen's image be bigger!

In Pan Guohua's mind, the figure of that cold and arrogant youth appeared, and he sighed.

"Unfortunately, from now on, China's Tianjiao has fallen, and there will be no invincible God of war in the world."

"The myth of Ye Chen has come to an end. Today's battle of Kunlun Mountain is enough to be recorded in Chinese history!"

.....

A few hours later, a news spread all over China, and even Kunlun Xu was shocked. Countless powerful people were shocked.

Ye Chen, the Chinese invincible myth, died in Kunlun mountain!

Chinese War general Bai Lixiong, die together!

There is no hunter in the world!

The nightmares of countless Chinese families have disappeared!

Chapter 550

.....

China's capital, a courtyard.

The courtyard is heavily guarded.

An old man in a Zhongshan suit is checking some documents.

The people standing beside him were all famous Chinese powers.

Just as the old man was concentrating on the documents, a middle-aged man rushed in!

It's the guard next to the old man.

After twenty years with the old man, the old man had never seen him so flustered.

The old man frowned and said, "Xiao He, what happened? How many times have I told you that we should pursue stability in everything. If we are not stable, why should we guard China? "

The old man's reproachful words, if in the usual, must let the guard admit the mistake.

But at the moment, the guard came directly to the old man with red eyes! Body shaking!

"Chief, something has happened! Big deal! Huaxia is really going to change this time! "

The old man put down his pen and thought of something. He said, "Xiaohe, if I guess correctly, this matter should be about Kunlun mountain."

The middle-aged guard nodded fiercely. He just wanted to say something. The old man continued: "did ye Chen kill those people? It's not a big surprise. I had expected that those Kunlun virtual strong people would not be able to take down the boy. He is very clever

Then the old man laughed.

The guard couldn't help it any more, and said: "chief, wrong, this time, the immortal myth Ye Chen is defeated! Not only was he defeated, but he and general Baili also fell down on the Kunlun Mountain, which is bound to die! "

Hearing this, the old man raised his head fiercely, and there was a panic on his face!

"What do you say, say it again! What happened to Ye Chen? What's more, what's wrong with bailixiong

The guards no longer hesitated and told everything that happened in Kunlun mountain.

The old man's face was doubted at first, then gradually turned into panic, and finally it was pale!

He was sitting on a stool.

"No way How could that boy and Bai Lixiong have an accident? "

He knows the seriousness of the matter better than anyone else.

Bailixiong's iron and blood camp is of great importance to China. If something goes wrong, it will be troublesome!

And ye Chen's value, to China, is priceless!

This is the reason why he protected Ye Chen many times!

To some extent, there is Ye Chen in China, and all enemies are afraid!

But now, what happened in Kunlun Mountain is beyond his imagination.

Ye Chen has already been a myth to suppress dozens of Kunlun virtual strong men by his own efforts!

But no matter how mythical the people are, they can't compete with the wheel battle!

The key opponent actually shot at the critical moment of Ye Chen's breakthrough!

Mean! Shameless!

At this moment, the old man was extremely angry!

Even a slap on the table!

"Xiaohe, where is the virtual strong man of Kunlun?"

The old man's tone is chilly.

Xiaohe had never seen such an attitude of the old man. He was a little stunned and then said, "look at the route he left, it seems that he has gone back to Kunlun."

The old man nodded and his eyes were very serious: "immediately use all the forces around Kunlun mountain to search Ye Chen and bailixiong at the foot of Kunlun mountain! Live to see people, death to see the body! This is my order. Anyone must carry out it unconditionally. "

"Yes

Xiao He hurried back out.

At the same time, the old man took a look at one of the people standing: "Fushui, you go to the Huaxia Ye family and the Baili family. It is estimated that this matter will soon be completely spread out. We must pacify the family members."

"Yes

After everyone left, the old man fell into deep meditation!

Clench your fist!

The violent breath burst out!

The walls of the whole room are cracked in all directions!

Anger of the strong!

"For so many years, Huaxia has been in the middle of the rules. Why should Kunlun Xu be so aggressive! That boy is only in his twenties! He has a bright future. Why destroy it mercilessly! I really think we are afraid of you

"What's more, Bai Lixiong has nothing to do with this matter. Why don't you let him go?"

The old man's evil spirit is extremely strong, and his eyes are emitting cold light.

Not long, he thought of something, came to a wall, in the wall of a tile corner knocked a few times.

In an instant, the wall opens.

It's so dark inside.

Deep down there is an old telephone.

Be quiet.

Mystery.

The old man hesitated for a long time, or dial the phone: "this time, there is something wrong with Huaxia, please do it again."

There was a lump in the old man's voice. There was a pause on the other side of the phone for a few seconds, and the last old voice sounded.

"Well, in six hours, I'll come to the capital, and you'll send someone to pick me up."

"Well."

The phone hung up and everything went back to silence.

Half an hour later, Huaxia Ye's family.

Jiang Peirong, Xia Ruoxue, Sun Yi and even Zhu ya all sit on the sofa watching the time.

At this moment, the speed of the passage of time for them is very slow.

Ye Chen has promised them that after the end, they will call the first time.

But the cell phone in the living room never rang.

The only time it rings is a wrong call.

Their mood is like a roller coaster.

Xia Ruoxue made a cup of tea for Jiang Peirong: "Auntie, have a sip of tea. Ye Chen has never had an accident since I knew him. You can rest assured."

Jiang Peirong took over the tea cup, took a look at Xia Ruoxue and nodded: "I know."

Sun Yi also comforted: "xiaochenzi's skill is superb, let alone those people of Kunlun Xu. Even God can't take him down. He also said that he would take us to Kunlun Xu to have a look. The result is not so fast. Let's be patient and so on."

All the people only feel the eyelid jump is fierce, although very worried, but still comfort each other.

Juya takes a look at Ye's gate, and there is no movement.

She was just about to say something when her cell phone in her pocket rang.

A text message.

This message was sent by an organization in the Chinese martial arts circle.

Any Chinese family can get it.

She opened the text message. When she saw the content, the whole person was stunned.

This is not what she wanted!

"Ye Chen, defeated How can it be! "
