Chapter 551

After a while, the mobile phone on the living room table also rang.

Jiang Peirong rushed over for the first time. When she saw the content on her mobile phone, the whole person was disappointed and thought, and her mouth was saying: "it's impossible No way

Xia ruoshue and Sun Yi are also the first time to see the content of the mobile phone, the beautiful expression appeared a trace of dim and incredible.

They even covered their mouths for fear that they would cry out and touch the defense lines of everyone.

A minute later, Jiang Peirong snorted coldly and directly deleted the message on her mobile phone. Her eyes became firm!

Chinese martial arts circles think her child is dead!

She doesn't think so!

Blood is thicker than water! Chen'er is the meat from her body! If something goes wrong, she must have intuition!

Looking at Xia Ruoxue, Sun Yi and others, she said very seriously: "everyone need not be pessimistic. I bet that chen'er can't have an accident! No one can let him have an accident!

We all know his strength well. Now we can't mess around. What we have to do is guard the Ye family and wait for chen'er to come back. "

Summer if snow light head, that water like eyes are full of different things.

"Auntie, I believe Ye Chen. The only thing I can do now is wait for ye Chen to come back. I am willing to wait for him all the time. Now, I want to start practicing."

Sun Yi also said: "I also want to continue to practice, only powerful, can help Ye Chen."

"And me." Juya also came forward.

At this moment, the four women of Ye family are incomparably firm!

They know ye Chen better than anyone else. Ye Chen can't have an accident.

.....

Kunlun deficiency, blood alliance.

Shali has come to elder Zheng.

Elder Zheng is now wiping a cold sword.

"Elder, I've finished what you asked me to do." Sha Li Dao.

Elder Zheng's expression coagulated and raised his head: "Oh? That ye Chen is dead? "

Shali nodded and explained: "this son is really strong, but when I went, he was breaking through. He had to break through the barrier by force and was seriously injured. Then I killed him myself! However, his body fell at the foot of Kunlun mountain because of his power. "

In his words, he has been greatly exaggerated.

Naturally, he would not tell his own embarrassing experience. In his opinion, as long as the result is the same, nothing matters.

The process is naturally described for your own benefit.

Elder Zheng's eyes shrunk and said curiously, "are you sure? If you want to see people alive, you need to see corpses when you die. If Kunlun Mountain falls, will you survive by accident

Sha Li chuckled: "how can it be? Elder Zheng, don't worry, that boy is not only impossible to survive, but also impossible to have a corpse. Because of the influence of Kunlun emptiness, the aura of Kunlun Mountain in China is strange. I went to see it under the cliff, and the aura could not be used at all. Let alone that boy, I may not be able to survive even at the peak."

When elder Zheng heard that Sha Li was so determined, he didn't have any doubts.

"I've always been at ease with your work. I wanted to get some secrets out of that boy, but since the secret has disappeared forever, that's OK."

"Blood alliance has Ye Tianzheng one person is enough, by the way, although Ye Chen is dead, but this time, also exposed a malpractice."

"What's the problem?" It's a wonderful way.

Elder Zheng stood up and his eyes were deep: "Huaxia has nurtured talents for many times, and even gave birth to such evil spirits as ye Chen. It seems that our blood alliance has always underestimated Huaxia. Sha Li, I give you a task, you go to China again, use all means to control China

"The best way to control China is to control the first family of China!"

"Just in time, I heard that the Chinese Ye family behind Ye Chen has become the first family. What you have to do is kill all the Ye family members, and then use force to suppress everything!"

"From now on, we must control the resource of China! We can't let it give birth to the next ye Chen! "

Sha Li immediately understood the meaning of elder Zheng, and his eyes brightened: "elder Zheng is really preparing for a rainy day. I'm afraid that Zhuge Liang can't compare with elder Zheng's talent."

Elder Zheng sneered: "what is Zhuge Liang? In the eyes of my blood League, it's vulnerable."

"The ambition of the blood League is not only to control China, but also to control the whole Kunlun void. Now we have finished half of it. When the remaining half is successful, everything you want will be easy to get!"

Hearing this, Shali quickly knelt down: "elder Zheng, please rest assured that any obstruction in front of you will be cleared without hesitation! Hua Xia Ye's family, I will take it in two days! "

.....

This day is destined to be a sleepless day.

Numerous official forces in China rushed to Kunlun Mountain overnight and even used a satellite to search for ye Chen and bailixiong!

Even if we use any satellites, it doesn't work.

Kunlun Mountain, as the holy mountain of China, is covered by array. It is very difficult to find two people. Not only the local police, but search teams are looking for it.

The soldiers of the iron and blood camp and the strong one of the Dragon spirits. All of them put down their tasks and things and spontaneously searched for ye Chen and bailixiong.

I don't even care about eating!

For them, the existence of bailixiong and ye Chen is stronger than their life!

They don't think that the two strong men of China will have an accident!

Yingqing is crazy to find!

His hands are full of blood!

Try your best to break every stone! Don't miss any chance!

There is also a woman who is crazy.

A woman with a good face and figure.

In a few months, it has become the most beautiful flower of the dragon soul.

That's the golden goose.

Jin Lengyan enters the dragon soul under the recommendation of Ye Chen.

After a long period of investigation, I became a member of the Dragon Spirit just a few days ago.

She's excited!

She thanks Mr. Ye!

But unexpectedly, this joy has not been shared with Mr. Ye.

Mr. Ye had an accident.

She doesn't believe it!

Mr. Ye is so powerful, how could something happen!

She will look for Mr. Ye at all costs.

After disappointment, she didn't give up.

Her whole body was wet, and her combat uniform was wet.

Some comrades advised her, she did not listen, even if the night came, she still took a flashlight crazy search.

No one knows her insistence.

Chapter 552

Her heart has long been occupied by a young man in Jiangcheng.

She knew that she was not worthy of that young man, so she could only hide her feelings in her heart.

She often thinks of her first meeting at Jiangcheng auction.

She even thought that if she had taken the initiative at the beginning, she would have had a different ending.

The tears in her eyes came down.

Now it just feels like the dream is broken.

The disappearance of Ye Chen and Bai Li Xiong shakes the whole world of Chinese martial arts.

At the foot of the mountain, nothing happened.

All but a few people thought the two were dead.

Completely disappeared in the Chinese martial arts world.

Fall.

At the same time.

Kunlun mountain cliff, 100 meters away from the foot of a cave.

Extremely hidden.

There are branches growing out of the mountain, covering everything.

It's a natural underground cave that can hold two adults.

In the dim light, ye Chen sits cross legged and sits on the ground, running nine days xuanyang Jue.

Bailixiong gasped violently, took a few pills, and began to drum up the mobile phone.

Unfortunately, there is no signal on the phone.

He looked at Ye Chen who closed his eyes and didn't know what to say.

He didn't expect to survive.

At the moment of falling, the blood dragon of Ye Chen's body actually gushed out directly, which turned into substance in a short time.

It's just two seconds. It's breathtaking.

Under the leadership of the blood dragon, they came to the cave.

"It should be safe! Unfortunately, we can't get outside. "

Through the small hole, bailixiong looked out, carefully felt the surrounding movement, and after a long time, he breathed out a breath.

This cave is still in the middle of Kunlun Mountain, but it is very hidden.

Most people can't find it.

He even saw countless airplanes and wanted to call for help, but he found that he didn't know whether it was because of the formation and everything was covered.

Even if you don't use genuine Qi.

He's got his breath back. The pursuer wants to find himself? It's not that easy.

Of course, what's more, the pursuer never expected that he and ye Chen would hide in this cave.

"I don't know what happened to the soldiers in the iron camp."

To be sure of safety, Bai Li Xiong's tight body was finally relaxed and murmured.

He has always wanted to say something to Ye Chen, but since he fell down, he has closed his eyes and sat cross legged.

It's like something is brewing.

He even found that ye Chen's breath was getting stronger and stronger.

The disappearing blood dragon came out.

He knows that ye Chen has a fire in his heart!

Invisible anger!

Once it breaks out, everyone can't bear it!

At the moment, ye Chen's consciousness is reincarnated in the cemetery!

He was really burning with anger!

His eyes are on the top of Kunlun mountain!

Even Shili's appearance is dead in his mind!

If it wasn't for Chen Tianli who just left, if it wasn't for him to break through by force, he would have been seriously injured!

He would never be in such a mess!

Some things, he must take back!

He and the blood League have already been irreconcilable!

Either the blood alliance dies, or he Ye Chen dies!

There is no other choice!

What he has to do now is to raise his strength to the peak!

Then wait for the three tombstones to open!

This is his biggest card!

Reincarnation cemetery bleak meaning to cover, ye Chen dead staring at the three tombstones.

The ability of soul breaking Yang stone is about to be completely absorbed!

Three lights flash at the same time!

How dazzling the light is!

I don't know the origin of the remaining three.

Is it possible that there are more demons than Wandao sword Zun.

What does Ye Chen think of? His current cultivation is the third level of Zhenyuan realm. He should be able to barely practice the most powerful sword formula left by Chen Tianli!

Ten thousand swords belong to the clan!

Originally, he wanted to master it when he broke through the Kunlun mountain top, but who knew that Hengkong killed a Sha Li.

He was upset.

Now the reincarnation graveyard is the best learning opportunity.

Ye Chen closed his eyes and felt the flow of information in his mind.

I don't know how long, he seems to grasp something, in the mind of constant practice.

Even not far from the tomb of samsara, there appeared a ghost image.

That ferocious face, as if in charge of everything.

Sha Li's phantom gazed at Ye Chen with interest and said with a sneer: "a waste of real Yuan state, you want to cross the realm and hurt me! You are not qualified! I'm on the sixth floor! You have enough right to speak in the hidden gate. What kind of thing are you? "Suddenly, ye Chen's eyes open!

Let's go!

"Ten thousand swords belong to the clan!"

Boom

With Ye Chen's roar, the nine days in his body suddenly burst open. Ye Chen only feels that the whole body's true Qi is no longer under control, like a runaway wild horse galloping out.

"Ah..."

The majestic energy from the deepest part of Dantian seems to tear Ye Chen's whole body and destroy his veins.

That stabbing pain, let Ye Chen can't help but scream out.

His face was ferocious, and his eyes were covered with red blood.

Just for a moment, ye Chen seems to turn into a devil.

The essence blood and true Qi in the body seem to be consumed.

However, in exchange for the price, it is the burst of Ye Chen's energy, which makes him feel unprecedented strength!

Powerful!

That's the feeling of power.

At this moment, ye Chen seems invincible! He felt that he could destroy heaven and earth.

"Die for me!"

In the face of Sha Li, ye Chen roared loudly!

Like the roar of wild animals in despair, like the wild animals surging wildly.

The wind swept, black casual clothes seemed to burst.

Boom

At the moment of Sha Li's killing, ye Chen cuts out with a sword!

The explosive energy, gathering the aura of heaven and earth, assisted by the reincarnation graveyard and the gushing of blood dragon, is definitely the most powerful move.

The air waves rolled, the roar exploded, and the fire swept the whole world in an instant.

Wow

In the heat wave tumbling, under the roar, that kills to the leaf Chen before the Sha Li body shape suddenly one meal.

Among the sword spirit and the fire, it seemed that the evil spirit was invincible before, and finally it sent out a burst of screams.

Boom

In the air wave, Sha Li's phantom was lifted by Ye Chen.

Chapter 553

"Die!"

Blow fly Sha Li phantom, ye Chen clenched his teeth, face ferocious roar.

Kick

Step out, the fury.

The necropolis of samsara was shaken.

The whole body momentum erupts, the air wave billows, the light blooms.

At the moment, as if the whole sky can be crossed.

Wow

The scenery around me quickly retrogressed, and the reincarnation cemetery in front of me seemed to shrink in an instant.

This step, almost let Ye Chen directly step out of the kilometer!

All the power of wanjian Guizong is released!

Turn it into a sword formula!

This is Ye Chen's last hope.

The return of ten thousand swords is enough to compare with the full blow of a strong man in the beautiful land.

"Go!"

The only trace left in the body is pushed out to activate the sword formula.

Brush

The wrist shakes, that sword Jue directly toward the Sha Li that gallops to come to shoot.

White light flashed by.

Boom

The next moment, in the sword Jue hit the Sha Li moment, suddenly exploded.

Boom

Heaven and earth change color, mountains and rivers crack.

The fierce wind and waves caused by the explosion of this sword formula almost destroyed the entire reincarnation cemetery.

The whole earth twisted as if it had collapsed.

"Roar..."

In the roar, in the extreme light, came the scream.

The powerful ghost from the phantom, swept by thunder, by the heaven and earth.

Boom

Indistinctly, ye Chen saw the evil spirit when he was flying out by the air wave. In the Jian Jue, he was torn apart.

The sudden attack, the unprepared evil separation, can not fight after all.

Even ye Chen can't help gaping at the power of sword formula!

He finally understood why Chen Tianli wanted to teach him the final blow!

At all costs!

"It's done!"

Bang

Full by the air wave volume fly out 100 meters, hit the ground, ye Chen face flashed a trace of joy.

Although in the samsara cemetery, this move will be strengthened several times, but even if it is reduced several times in the outside world, no one else can carry it!

Ye Chen gets up and just wants to leave the samsara cemetery!

At this time, the three tombstones in the cemetery were shining with light!

That is to say, these three buildings can be activated!

At this moment, ye Chen is short of breath.

He could feel a force that seemed to lead him.

Ye Chen walked towards the three tombstones step by step.

All of a sudden, there was a thunderclap over the samsara cemetery.

The next second, the first tombstone directly broke open!

The whole samsara cemetery shook violently.

An ancient voice suddenly rang through!

"I want to break through the nine samsara and swear to compare with heaven. Life and death are up to me, life and death are my destiny. I can travel in all the world. Control the thunder and lightning and transform the supernatural beast. A thousand robberies are hard for a hundred generations. They are in a hurry all the time. The body of thunder can't extinguish the soul. They can shake the past and shine the present. Only I can shake Duan leiren, the emperor of thunder! "

When the sound from far away falls.

A figure appears directly in front of Ye Chen!

The whole body is covered by thunder and lightning, and the breath is strong. A single look makes Ye Chen feel afraid.

Earthquake Lei Zong Duan Lei Ren!

The thunder and lightning on Lei Ren's body seems to have shaken Ye Chen's life rune.

It's shaking at the moment.

It's like this life Rune wants to absorb thunder and lightning from Duan leiren!

Duan leiren felt something, and his eyes fell on Ye Chen's body: "are you the tomb owner of the samsara cemetery? The third layer of Zhenyuan realm? It's too weak. "

His eyes are a little disdainful, but soon, he seems to find something, a five finger.

The next second, ye Chen's body that is full of the power of innumerable sky thunder's life talisman directly exposed!

Duan leiren saw the life talisman, and his eyes had this deep accident.

"It's interesting. I underestimated you. If you were in that era, you could become a disciple of Lei Zong with your own life talisman! And I'm still an inner disciple

"It seems that there is no wrong person selected for the samsara cemetery."

Duan leiren came to a trace of interest and looked at Ye Chen with appreciation. Then he said, "would you like to accept my supreme inheritance for my apprentice?"

"I will."

"Good!"

Duan leiren is in a good mood. The next second, his hands are full of lightning runes!

At the same time, Duan Lei's strength is concentrated in the rune.

"If you are a teacher for the first time, I will give you a gift."

"It's nine days of thunder! With one of my energy, the thunder of nine days can explode in a short time. The stronger your cultivation is, the stronger his explosive power will be. With you at the third level of Zhenyuan state, this Rune can kill at least one top strongman of Shenyuan state! Even the supernatural can be devastated!" Ye Chen received the talisman, and her eyes were deeply excited.

It's just a timely help!

He now has ten thousand swords to respect the sword formula left by Chen Tianli, plus the thunder nine days sent by Duan leiren!

What kind of thing is that Shali!

What are the strong members of the blood League!

As long as you dare to step into China, he will let everyone have no return!

As for the remaining two tombstones, he does not need to be moved at present!

Enough!

It's been almost two days now. Anyway, mother and people who care about him should be worried about themselves.

It's time to leave.

"Disciple, let me ask you, samsara cemetery..."

Duanlei Rengang wants to say something, but he finds that ye Chen has disappeared!

This?

Son of a bitch! Is it so impatient!

Duan leiren is so angry that he almost wants to curse people!

Ye Chen doesn't have so much time to study the samsara cemetery.

Going out is the king.

Ye Chen in the cave opened his eyes, a flash of light.

Bailixiong saw Ye Chen finally wake up, and even said, "Mr. Ye, you finally wake up. What should we do next?"

Ye Chen stood up, serious, came to the edge of the cave, looking at the cliff, sneered: "nature is to revenge."

"Mr. Ye, but the Kunlun Mountain array is covered, and the aura seems to be out of use. How can we get down?"

Ye Chen Mou son a congealing, light way: "here cannot trap my leaf Chen."

Language down, ye Chen hand appeared in the town soul sword!

"Mr. Ye, what are you doing?"

Bai Lixiong said curiously.

"Jump down." Ye Chen's words are amazing.

What!

Before Bai Li Xiong reacts, ye Chen moves!

Fingers pinch, a ray of light in the palm flashing!

The next second, the light directly into the soul of the sword!

Zhenhun sword seems to have been guided by some kind of guidance, shaking wildly!

Chapter 554

Ye Chen grabs Bai Li Xiong's clothes and jumps down directly.

The wind is howling!

Bai Lixiong has no fear. He believes in Ye Chen.

Ye Chen, holding the soul sword in his hand, fell into the wall of Kunlun mountain.

Then!

Zhenhun sword bears the weight of two people and keeps falling!

A huge gully suddenly formed!

Bai Li Xiong knows Ye Chen is crazy!

But I didn't expect to be so crazy!

Take the sword as a hindrance!

This means is unheard of!

He looked at the wall of Kunlun mountain. A hundred meter sword mark was formed directly!

Shocking!

At the same time, because it was just light, there were not many people searching below.

Only a few people insist.

After all, there is still rest.

But the soldiers of dragon soul and iron blood camp did not rest at all and were still searching.

The fierce sound of Zizi resounds through the whole Kunlun mountain!

Those dragon spirits and soldiers of iron and blood camp naturally heard that.

It's getting louder and louder.

They thought it was the sound of the plane, but later found out something was wrong, all of them raised their heads violently!

The next second, eyes full of surprise!

Some even cheered!

Because they see bailixiong and ye Chen are rapidly sliding down!

The general is not dead!

The chief instructor of China is not dead!

The invincible myth is not broken!

Ye Chen is back!

"Drillmaster!"

"General!"

The crowd cheered to the limit.

They are full of tears!

Yingqing and jinlengyan's hand, which is full of blood and mud, tightly clenched!

Eyes bloom with blazing light!

At the moment, ye Chen and Bai Li Xiong opera are more than ten meters away from the ground!

Ye Chen no longer hesitated, fiercely pulled out the soul sword!

At the same time, the sword that was used in the cave was released directly, and the zhenhun sword penetrated into Ye Chen's feet.

He seems to be with a hundred Li Xiong foot flying sword, steady down!

At this moment, he Ye Chen is a foreign immortal.

Ye Chen can't be as leisurely as Chen Tianli's flying sword, but the height of more than ten meters is still OK.

When he and Bai Lixiong landed steadily, the group of dragon soul soldiers were half kneeling!

"Drillmaster!"

The sound is so loud!

This is their highest respect for ye Chen!

This picture is unforgettable!

And those soldiers in the iron and blood camp have a standard military salute!

"General!"

Bai Li Xiong and ye Chen light their heads.

What did Bai Lixiong think of, he stepped out and asked the strong men of the iron and blood camp: "how about the dozens of soldiers of iron and blood camp on the top of the mountain?"

"Report, only a dozen people survived! The rest All sacrifice

A soldier of iron and blood camp stood up, his voice excited and angry.

Ye Chen heard this sentence, anger more uncontrollable.

Suddenly, he asked the crowd, "where is the Kunlun virtual strong man who will appear in the future? Do you know? "

"Report, two days ago, he entered kunlunxu, but just a few hours ago, there was a change at the entrance of kunlunxu. It seems that the man has come back again. This time, he seems to have gone to Kunlun Mountain International Airport. The exact whereabouts have not yet been determined. "

Hearing this, ye Chen frowned.

It's too sensitive to come back at this time.

It's not good for him.

At this time, ye Chen's mind came a vibration!

The vibration is getting stronger and stronger!

His eyes shrink!

This shock is the array he set up at Ye's house in Beijing!

The strong will break the array!

Shali is going to make trouble for the Ye family!

Fuck!

At this moment, the evil spirit on Ye Chen seems to burst out. His eyes look at bailixiong: "immediately arrange the fastest plane to Beijing for me!"

"Yes, Mr. Ye!"

.....

Huaxia Jiangjia.

Sha Li looked at the array in front of him with interest, and the corners of his mouth rose.

"It's interesting that there are such powerful arrays in China. It seems that the dead boy is full of secrets."

"If you change to other Kunlun Xu people, you may not be able to break the array, but for me, it's just a little more complicated."

The language falls, the evil spirit breaks out! The sword danced, and the sword idea rushed out directly!

"Break it for me!"

The meaning of sword is like burning and turning into a sea of fire.

Whoa

In the cold wind, for a moment, the fire covers the sky and the earth boils.

BoomBursts of roar followed.

Sword light with flame, like a dragon!

Go straight to the array.

The crash sound, the roar, Liancheng a, Ye's home boiling.

Roar

For the first time, the array didn't respond at all.

Sha Li's expression is not quite right!

But soon, Sha Li used the second move again!

However, this time, the array is no longer invincible, no longer overwhelming!

In the roar, Sha Li broke the array and scattered the flames all over the sky!

Cracks appeared.

"But so it is."

Sha Li sneered.

But soon, the broken array was extremely cold!

A killing will come out directly!

This is not only a guard array, but also a killing array!

A long cry, white light out of the body.

Out of the array! The blade swept.

Brush

The dazzling sword light, carrying thousands of sword Qi, swept towards Sha Li.

Boom

The thunder roared and the earth shook.

Under the sudden attack of the array, it seems that the Sha Li is locked.

Roar

There was a roar.

Sha Li can only stop and go!

"Ding..."

Under the huge anti shock force, Shali's sword made a groan, and the sword light was dim. In the impact of the huge force, he left his body for a meal and retreated to the rear.

"The killing array formed by condensation has at least five levels of strength of Shenyong state! Which master's masterpiece is this? "

Sha Li naturally doesn't think it's Ye Chen!

Enough to withdraw eight or nine steps, stabilize the body shape of the Sha Li, this moment, eyebrows locked.

His face was ugly as he suppressed the rolling Qi and blood in his body.

"Hum! But there is only one force

Sha Li gives a cold hum and blows out again. The array is broken on the spot!

Everything about Ye's family is exposed!

At the moment, only Xia Ruoxue and the strong man of the dark hall rushed out.

The others are breaking through!

And it's a critical time!

"Miss Xia, give it to us. Just go in."

Dark hall strong cold voice.

Because most of the people in the dark hall went to Kunlun mountain to look for the master of the hall.

There are only a few elite left.

Even ye Lingtian and Lu Lingfeng are on their way to Kunlun mountain.

After all, the accident of the temple master had a great impact on them.

Summer if snow eyes cold, dead staring at the man not far away, beautiful face like frost.

"I'm also a member of the Ye family. Anyway, I have to do something for the Ye family."

"But Miss Xia..."

At this time, Shali was walking step by step.

With a sneer in his mouth, he said, "interesting, how many wastes are there in the first Chinese family?"

A strong man in the dark hall stood up directly and said in a cold voice, "who are you! This is the Ye family

Sha Li laughed and put away the sword in his hand. He said faintly: "what is Ye family? Ye Chen was killed by me. How much do you think it can be blocked? I am here to replace you today

Chapter 555

Dark hall strong and Xia Ruoxue heard this sentence, completely scared.

The master of the temple was the one who did it!

Then they felt wrong and said to Xia Ruoxue, "Miss Xia, you and other people leave quickly. I'll hold this person down! Come on

Finish saying, those dark hall strong person then rushed out!

Knowing that we are invincible!

But there is no choice!

This is their mission to protect the Ye family.

Sha Li shook his head helplessly: "a group of waste, really think you can control what things? In my eyes, it's just ants! I can step on you with one foot

Words fall, the breath of Sha Li breaks out!

Take it in one hand!

Huge palm print directly formed!

How can the strong men in the dark hall resist! Dead on the spot!

Only Xia Ruoxue is left in Ye's courtyard.

Summer like snow want to leave, but found it impossible, an invisible force wrapped her.

"You are that boy's woman, but I'm not interested in women."

Sha Li has come to Xia Ruoxue!

He snorted coldly. Charosherton felt as if he had no right to breathe!

The face of Sha Li is ferocious!

"Die!"

He doesn't procrastinate, he does it directly!

The spirit sword in the hand directly cuts towards Xia Ruoxue's head!

Killing and ruthless!

Summer if snow eyes open, a trace of tears fall!

She doesn't regret it!

This life can know ye Chen, enough!

"Ye Chen, I hope I can be your woman in the next life!"

In this critical moment, a red figure directly rushed over! ~

"the woman who dares to move my Ye Chen! Who gives you the qualification! "

Cold words ring through!

Above the sky is a long sword falling!

Very fast!

Like a meteorite falling!

Release!

"Bang!"

The long sword directly hit the sword of Sha Li!

Hit and fly!

Xia Ruoxue's bondage also completely disappeared.

The sound!

Summer if snow beautiful eyes full of surprise!

Because this is Ye Chen's voice!

Ye Chen is not dead!

Look at the fast-moving figure! Summer if snow Jiao body tremble!

She knew!

Sha Li nature also recognized Ye Chen's figure, his expression some ugly.

Who could have thought that a man who must die would be resurrected like this!

He failed!

If elder Zheng knew, the consequence would be unimaginable!

He snorted coldly, with a cold intention to kill, directly toward Ye Chen!

"I didn't expect that your boy's life is really hard, but even if you come back, the result is the same, just take your head to elder Zheng!"

Ye Chen stares at Sha Li!

Blood in your eyes!

All his anger is released at this moment!

"Sword

"Ten thousand swords belong to the clan! Get down

With a long roar, ye Chen's zhenhun sword flies into his hand. At the same time, the sword's spirit soars. In the sharp whistling sound, the white lightsaber blooms with bright light, like the scorching sun in the sky, and goes towards Sha Li's suppression.

Ye Chen doesn't want to have any nonsense, kill directly!

In the face of such a strong man, he dare not have any slack!

"No..."

Face Ye Chen burst out of the sword momentum and spirit, Sha Li's smile has long disappeared.

There was a look of panic in his eyes.

How could this happen?

It's only two days!

The boy's strength has reached this level!

At this moment, his heart was filled with fear!

In Sha Li's opinion, Ye Chen is no more powerful than his talent.

Now, however, Shali finds himself wrong.

He was so wrong!

The huge crisis swept across the whole body as if falling into the ice cellar, the cold air pierced into the heart, so that the heart of Sha Li stopped!

Under the crisis, Shali began to fear!

The world in front of me seems to be getting slow.

The sword edge suppressed by Ye Chen is like a star falling.

"No..."

Sha Li roared wildly, and he resisted with all his strength.

Now Sha Li, where there is a little bit of killing heart?

He did not dare to think about how he killed Ye Chen. Sha Li just want to, how to resist the next leaf Chen this move!

As long as you can block the move of Ye Chen, there is still a chance.

As long as you block this move, you can fight with Ye Chen. Even, the blood alliance has a back hand!

As long as there is a chance to push the hair, ye Chen will still die!

However, all that is built on the premise that they can block Ye Chen's kill move!

Come on!

It's too fast!

The blade of Ye Chen is like a bamboo, and can not resist.

Clearly saw the sword front track fall, and it seems to burst away from the eyes.

Ding

A melodious voice came.

Wow

The sword is full of light and the sword is full of Qi.

Poop

A burst of penetrating sound came, and the blood rain flew.

"Ah ah..."

The cry of the split heart and lung of Sha Li.

Even if he tried to resist with all his strength? It can't resist after all.

Ye Chen's sword is too fast and fast. Fast to give too much time to think.

This sword is too fierce and fierce!

It is not a real force that can burst out!

Two days ago, he rolled the leaves Chen!

But two days later, how did ye Chen roll him!

It's a strange thing!

Even if the adventure can not be so exaggerated!

The strength of Ye Chen burst out, already is not inferior to the color God tour realm!

Even this sword rhyme and all the sword tricks he has seen, it is quite different!

Under the sword confrontation, the sword, which was separated from his hand, was shocked and flew.

His hand and mouth were shattered, blood and flesh were blurred, and the white bone was exposed.

The blade of Ye Chen is like a bamboo, carrying Yu Wei and continues to sweep down, the sword Qi is horizontal and horizontal, and the flesh and blood are thrown away. So between the lightning and flint, why can the evil spirit bear dozens of scars?

Poof

Finally, a dull voice came, time, suddenly fixed.

Ye Chen's sword front, through the arm of the separation, his arms are divided into two.

The scream stopped suddenly, the blood slowly dropped, the whole dim space, fell into the dead general silence.

Time, the time is at the moment.

"How could it be!"

Sha Li looks at his broken arm, that blood is like a fountain!

He can't believe it!

His arm was cut off with a sword!

What a fucking madman this is!

Isn't this boy hurt!

Isn't this kid really the third floor of Yuanjing!

Who the hell can explain this!

"I said, I will pay back 100 times, now it is just beginning! Don't be surprised, because there will be something else to surprise you in the future. "

How long does this silence last? It's a century? Or that moment?

Until the voice of Ye Chen came, it broke such a stillness!

Ye Chen hands sword out, with a blood to shoot.

The body of the brake is directly shaken.

This sword, not only through the key of the evil, cut off the arm!

The key is just a move!

From the beginning to the end, there is only one move to fight.

Ye Chen almost opened the war, and he was away from his eyes, is mole ants!

This is the strength of the return of ten thousand swords to the clan!

Of course, the true Qi in Ye Chen goes crazy! Even the blood essence is burning!

So what about it! worth!

The Revenge of the killing is just beginning!

Now, the death is here!

Chapter 556

Sha Li's body smashed on a wall of Ye's house and exploded into pieces on the spot.

At present, Sha Li has been unable to take care of the broken arm, forced to support himself to stand up.

His proud eyes, now only frightening!

Is staring at Ye Chen.

At this moment, for the first time, he felt the fear of the unknown.

"Ah Ye Chen, I'm not finished with you! If I don't tear you into pieces, I will never give up! "

Eyes covered with red blood, staring at Ye Chen, Sha Li, like a wounded beast, roared loudly.

He underestimated Ye Chen, he underestimated Ye Chen, which is the result now.

This is not acceptable to Shali!

Ye Chen, die anyway!

"Ye Chen, your strength is beyond my imagination! So what? This is where you are buried! Do you think you can kill me by breaking my hand? impossible! Ha ha ha I want you dead! I want you to bury my hand with me

Looking at Ye Chen, Sha Li looks ferocious.

"The bloody evil spirit leaves the sky array, up!"

Crazy laughter, Sha Li spits out a mouthful of blood, one hand pinches, loudly shouts.

Hum

As the blood spurts out, the whole Ye family faintly shakes.

Whoosh, whoosh

All of a sudden, the wind blows and the sword blows!

"Formation?"

Ye Chen's face is more dignified.

Blood evil spirit from heaven array?

He never heard of it.

However, at the moment, it is not small!

I didn't expect that the evil spirit was so careful that he prepared a killing array in the Ye family.

"If you break a hand, do you dare to play array in Ye's house? Are you sure? "

Ye Chen snorted coldly, his heart flashed, and his blood seemed to start boiling!

Fingers pinch, a stone directly shot out!

Light flow!

A sword array left by Chen Tianli will be sacrificed directly!

This sword array is called dao zun broken phase array!

It was Chen Tianli who realized by accident when he was 40 years old. It was not a top-level array!

But it has the effect of fighting against each other!

"Sword

Ye Chen shakes his wrist and offers a sword to the soul.

"Take the zhenhun sword as the core, release dao zun to break the array!"

The spirit of heaven and earth is changing. Zhenhun sword, with the power of dao zun's breaking phase array, shoots out directly!

Towards the bloody evil spirit from the sky array!

This is a battle of formation!

The air is filled with the atmosphere of simple years, now is full of fierce killing.

Sword array, sword Qi overflowing!

Just a blow, as well as the blood sparkling arm, let Sha Li have a new understanding of Ye Chen, but also because of this, hate to the bone!

His face is ferocious. Without the help of external forces, he drives the array he has been planning to use with his own strength!

Elder Zheng let him control Huaxia!

In order to prevent some strong people of Kunlun void from having opinions, he naturally wants to leave behind for himself!

And the bloody evil spirit from the sky array is his backhand!

In the sky, Sha Li's eyes are full of red blood.

"Ye Chen, you die for me!"

The crazy roar of Shali.

The fracture of the arm, which makes Sha Li lose his sense.

With the madness of Shali, between heaven and earth, the wind swept countless sword Qi, like a rainstorm, swept toward Ye Chen.

"Daozun broke the array! Cut

Looking at the sword spirit sweeping across the sky, ye Chen's eyes twinkle with cold light.

Facing the crazy evil spirit, ye Chen dare not take it lightly!

This man is a madman now!

"Brush..."

Zhenhun sword broke out suddenly with a terrible evil spirit, and there was no reservation.

The red light flashed across the world.

In the blink of an eye, it seems that zhenhun sword turns into two, and then suddenly spreads!

To the end!

There are nine zhenhun swords in the sky of Ye family!

The nine swords were shot from ye Chen's hand.

Daozun broke the phase array to sacrifice.

Sha Li's blood, Sha Li Tian array? So what!

Ye Chen wants to see how his daozun broken phase array is compared with it.

The aura of this life comes out directly, and the meaning of thunder and lightning is sent to the limit.

"Daozun broke the array and changed!"

The moment of red light, ye Chen hands continue to pinch.

The nine red lights suddenly turned into eighteen sword lights.

"Dao Zun broke the phase array, double heaven!"

In a flash, the eighteen sword lights turned into thirty-six sword lights.

The spirit of heaven and earth is moving towards the sword array. Thirty six sword lights, thirty six days of gang power!

Boom

The red light is like death's suppression.

The continuous red light, where it passed, the sword burst and the wind broke.

With the help of daoyan, ye Chen's sword array can be said to be a bias, straight to the blood evil spirit away from the weakness of the sky array.

The bloody evil spirit from the sky array seems to be very powerful. However, in fact, it is strong outside but weak in the middle.

As ye Chen expected, Shali forced his sword array, which he could not, to pay a price, which must be full of flaws.

How to compare with the dao zun broken phase array controlled by Ye Chen?

Kunlun void has powerful array, but any array is a piece of dog excrement in front of a strong player like Chen Tianli!

At this moment, the blood evil spirit leaving the sky array is vulnerable in front of dao zun's broken phase array!

Thirty six red lights, where the earth and the sky change color, unstoppable!

Sha Li watched his array destroyed. He couldn't accept it!

Who the hell is this kid!

Why just two days, can grow to this point!

Or are you just taking advantage of the injury two days ago?

Is that the real strength of the other side?

No way!

Ye Chen is only in his early twenties. Even in Kunlun Xu, his age is nothing!

"Damn it!"

At this moment, Sha li felt fear.

He has no choice!

He quickly took out a jade pendant from his waist!

On the jade pendant is a blood gate!

At the same time, he forced out a drop of his life essence blood. The moment the blood essence fell on the jade pendant, the jade pendant broke!

Then, his breath began to climb!

This is the secret of blood alliance!

Only those who have a certain position in the blood league can master it!

"Ye Chen, no matter what origin you are or what cultivation you are! Even if I die today, you don't want to live! The whole Ye family will be buried with him! "

Words fall, Sha Li's array seems to explode suddenly!

The whole ground of Ye's house seems to have ushered in an earthquake.

Not far away, Xia Ruoxue's body swayed and his face turned pale.

Ye Chen can feel the danger of Sha Li at the moment, and he won't let Xia Ruxue fall into a dangerous situation.

At present, the true Qi of Dantian is less and less.

The array won't last long.

What did ye Chen think of!

There is a rune in your hand!

It was Duan leiren who left him!

But ye Chen did not release all the power!

It's about pulling out a part of the power of nine days of thunder!

Fuwen dark hall a little bit! At the same time, ye Chen holds lightning in his hand!

It's like the real king of thunder and lightning on the sky!

"Nine days of thunder!"

The thunder and lightning broke out.

Sword array, thunder and lightning!

Chapter 557

With the improvement of strength, the strength of the breath, and the more understanding and familiarity with thunder and lightning, ye Chen's control of lightning is not what it used to be.

Since the power of thunder and lightning can be integrated into the sword moves, why can't they be integrated into the sword array?

As ye Chen does now!

With the thunder and lightning, the whole area of Ye's family becomes dry and violent.

Thunder and lightning are trampled on like beasts.

This is the amazing daozun broken phase array, in this moment, it is more powerful!

Boom

Thunder and lightning destroy the whole world.

How to fight against the bloody evil spirit from the sky array?

With a burst of roar, the sky shakes and the earth moves, and the bloody evil spirit breaks down completely from the sky array!

Puff, puff

When the sword array was broken, it was forced to support the evil spirit of the sword array and suffered a huge blow.

The blood gushed in his mouth, and his whole body staggered back and forth.

His face was pale and bloodless.

"No How is that possible? Ye Chen, how did you do it. Your formation! Where did it come from! You've only been here for a few minutes, and you don't have the chance to arrange the sword array. How can you urge such a sword array temporarily with your own strength... "

Looking at the distant flash of thunder and lightning, looking at the expressionless Ye Chen, one after another spewed out a few mouthfuls of blood, Sha Li roared with horror.

He doesn't believe it!

His array, his last backhand is so easy to crack by Ye Chen?

Ye Chen, how did he do it?

Is Ye Chen really just the true yuan realm?

What he saw in front of him overturned the cognition of Shali and made him fall into madness.

"Array? No need to arrange! It's just a low-grade formation. My killing array is caused by my heart, and it will be done

Looking at a face of ferocious evil spirit, ye Chen sneers.

That's right!

This is dao zun breaking phase array!

This is also the most powerful place of dao zun's breaking phase array.

If you want to use an ordinary array, you need to prepare it in advance. Unless the strength reaches the peak, it can be a creature out of thin air. Maybe it can gather sword array temporarily.

It's a pity that it's not something that can be done by strong people in the real world.

And dao zun broke the array?

No need!

Where ye Chen is, is the eye of array.

The nine flying swords are the sword guides!

There are not so many shackles at all!

"The sword array has been broken. Now you can die too!"

Then in the eyes of a flash of cold light, ye Chen face expressionless opening way.

Like death, he made the final judgment.

Blood evil away from the sky array is broken, Sha Li's last means are no longer available.

What's more, he is seriously injured now!

How to compete with Ye Chen?

Late will change, ye Chen does not want to have any accident.

"Kill!"

Thinking of this, the seal in his hand condenses, and ye Chen urges dao zun to break the phase array again.

Boom

The thunder and lightning roared, the sword was raging, and the sword light soared to the sky.

Daozun's broken phase array converges in one place, which is like a sword like beast. It plunges down, with the light of hell, towards the evil spirit.

"No Ye Chen, don't think about it... "

The horror of the opportunity to kill swept, Sha Li the whole person seems to fall into the nine hell.

The cold of death, deep in the bone marrow.

Pupil suddenly enlarges, Sha Li despairingly roars.

He made every effort to sacrifice the magic weapon in his hand and waved his sword to stop the strangulation of the array.

Ding Ding Ding

The sound of crashing came.

The fire broke out with shouts.

Blood is flying and blood is flowing.

Among the thunder and lightning, the white bone is quickly reduced to ashes!

The evil spirit, who was seriously injured, did not even stand firm. How could he compete with Ye Chen?

Death is his only end!

Until the last scream fell, until the vertical and horizontal sword Qi gradually dissipated, the zhenhun sword returned to Ye Chen's hand, until the thunder and lightning gradually faded away, the heaven and earth became deep and dark again, and the Ye family fell into a dead silence again.

A cold wind is still whistling, and there is a kind of cold silence of death!

Shali?

He didn't even leave a piece of flesh and blood.

In the thunder and lightning, Sha Li completely turns into ashes!

Ye Chen completely crushed Sha Li.

A monk in a state of ecstasy? So what?

Now in front of Ye Chen, it's just a mole ant!

The key is that he holds ten thousand swords and respects Chen Tianli's most powerful sword formula!

Not only that, he also has the power to shock Lei Zong Duan Lei Ren!

Only these two powerful things, enough to make him unstoppable! This is Ye Chen's greatest confidence.

Looking at the blood mist, ye Chen quickly took out a few Qi gathering pills. The pills made his elixir's real Qi a few more.

Ten thousand swords and thunder are good for nine days. The only drawback is that it consumes Qi too much.

Although his elixir field has expanded a few points in the realm of Zhenyuan, it is still not enough.

After all, the ancient powerful things, even the low ones, were the supreme existence of the Chinese and even the Kunlun void.

Ye Chen looked at Xia Ruoxue and hurriedly walked over, caring: "did that guy hurt you just now?"

"Sorry, I'm late."

Xia Ruoxue's eyes are red, and the crystal clear tears fall down. They are happy tears.

Even the pain was nothing.

As long as ye Chen comes back safely enough.

These days, the whole of China is telling the story of Ye Chen's death in battle.

They even sing about the bad Ye family.

After all, without Ye Chen, the Ye family is nothing.

Fortunately, the old man in China used his strength to protect the Ye family.

Otherwise, the Ye family would have fallen apart.

Xia Ruoxue hugs Ye Chen tightly and wants to take everything from him.

There's not even a plan to let go.

At this time, Xia Ruoxue found something, staring at the direction of Sha Li's death, where it actually slowly condensed into a black fog.

"Ye Chen, look..."

Ye Chen heard the voice, along the direction of Xia Ruoxue glanced, the next second, the expression completely changed.

A part of the spirit of Sha Li has not been destroyed?

Once the black fog is allowed to leave, the consequences will be unimaginable!

He has to erase everything!

No more hesitation, ye Chen towards the black fog!

The black fog has condensed into a shadow. When he saw Ye Chen coming, he gave a strange smile, and then went straight into the ground.

"Ye Chen, although I am dead, you have completely offended elder Zheng. After today, elder Zheng will come out of the mountain in person! At that time, no matter what means you use, it will be a result, that is death

Chapter 558

Shali is very clear that he must pass on the information at all costs, otherwise the consequences of Ye Chen's growth will be unimaginable!

Seeing that he was about to disappear in the ground, all of a sudden, a pair of big hands carrying this rolling momentum, directly impact down!

"Bang!"

Ye Chen directly hit the ground with a fist!

In an instant, the rocks are flying!

A full two meters deep pit directly condensed into!

The shadow is completely revealed!

"Well, you want to escape! Have I given you a chance? "

Ye Chen condenses a drop of blood, at the same time, the life talisman is sacrificed!

Countless thunder and lightning condense on the palm of the hand!

Five fingers straight through the black fog!

"You can't catch me! Ha ha Evil from the ferocious smile.

But he did not notice that ye Chen's expression was full of confidence.

"Sorry, you're wrong. My thunder and lightning is not ordinary thunder and lightning, but sky thunder!
Enough to shatter the spirit

Language down, ye Chen five fingers suddenly closed.

The arm's thunder force, as if turned into countless blades, crazy tearing air!

The black fog was cut into countless pieces on the spot!

The voice of ferocity and pain resounded!

Sha Li did not expect Ye Chen to have such a move!

But now he has no chance.

Everything is gone!

After all this, ye Chen took back his hand and looked at the direction of Kunlun Xu. His eyes were sorrowful.

"Blood alliance, revenge has just begun! also! Elder Zheng? It seems that you are the man behind the scenes. My father should be trapped by you. In this case, you are the next one

Ye Chen's smile is extremely cold, cold bone marrow.

.....

At the same time, Kunlun is the place of blood alliance.

A house full of aura.

Elder Zheng is playing chess with another old man of blood League.

They had been playing for two hours.

"Lao Zheng, it's time for you to settle down."

The old man warned.

Elder Zheng nodded, two fingers clamped a hundred children, just want to fall, his expression completely changed.

Sha Li is the most valued person around him, so he left a connection in his mind.

This connection can perceive all the states of Sha Li from thousands of miles away!

At first, he felt the connection was weak and didn't care much.

But when the connection completely dissipated, he felt something wrong!

Sha Li is dead!

Even the spirit is not there!

Who is it!

Who has the means!

The mission of Shali this time is to go to China!

His realm is six levels of mind wandering!

Who can stop Huaxia from death?

Even if ye Chen is still alive, no one can shake it!

What happened in Huaxia!

An invisible anger erupted. No one understood the anger in Zheng Changlao's heart at the moment!

As the elder of blood League purple robe, he is of noble status. He has never been so oppressed!

Beating a dog depends on its owner!

He was sure that Shali had said his identity before he died! But the killer did not give up, even the spirit of the evil spirit also destroyed!

This is a declaration of war on him!

Declare war on the whole Kunlun xuxue League!

"Click!"

The white particles between the two fingers are directly powdered.

Not only that, but the whole board was broken in two.

The old chess player raised his head, his eyes congealed and asked, "elder Zheng, what happened? Why are you so angry? "

Elder Zheng did not speak. He stood up and walked quickly toward the dungeon.

.....

Blood League dungeon.

Elder Zheng met Ye Tianzheng.

At the moment, ye Tianzheng is sitting cross legged. Although he is not practicing, he is calm as water.

Even the appearance of elder Zheng did not open his eyes.

Elder Zheng clasped Ye Tianzheng's neck and lifted the other party up fiercely. Then he thought of something and threw Ye Tianzheng on the stone bed.

"Ye Tianzheng, I ask you, in addition to Ye Chen, what strong man will protect you?"

In the eyes of elder Zheng, there must be someone secretly!

And the power is extremely terrible!

Ye Tianzheng opened his eyes, glanced at elder Zheng, and sneered: "there are only a few people in my Ye family. Who will help us? It seems that you are so angry. It should be my son's hand. Ha ha, I have reminded you many times that anyone can be provoked, but not chen'er. "

Elder Zheng's whole body breath burst out, killing the sky, and an invisible breath suddenly rushed towards Ye Tianzheng!The anger of the strong is not something that ordinary people can bear!

This evil spirit is like a sword, mercilessly stabbing at Ye Tianzheng!

However, before penetrating Ye Tianzheng's body, a burst of yellow light burst out in Ye Tianzheng's body!

Block all light, form a barrier.

The evil spirit dissipated completely.

Elder Zheng was stunned, which forced him to suppress his anger.

This kind of barrier has appeared many times. It seems that there is a force in Ye Tianzheng's body to protect Ye Tianzheng.

Even he can't break the key force.

It's extremely weird.

He is sure that ye Tianzheng is fan gen, without any blood.

But why does this kind of thing appear in such an ordinary person.

Elder Zheng felt some headache. During this period of time, the boy's appearance completely disrupted his whole battle.

Now that kid's dead, it's still the same.

Elder Zheng looked at Ye Tianzheng and said coldly, "one thing may disappoint you. Your son Ye Chen has been suppressed to death by the strong men of my blood League, and even has no body."

"No way! Chen'er has the strength to connect with the sky, so it's impossible to have an accident! "

Ye Tianzheng roared.

"Believe it or not, I don't have to lie to you about this kind of thing! Now, I'll give you a chance to live. Who else is there in your Ye family besides the three of you? In other words, who will help you at this time? "

Ye Tianzheng turned his head: "I don't know! No matter how many questions you ask, I still have the answer. "

"If it wasn't for your valuable sake, I would have done it for a long time! I'll give you an hour to think about it. If you don't say it, I'll make you pay a painful price

With that, elder Zheng waved his sleeve and went directly to the outside.

Sha Li's accident made him have to go to China in person.

China, which he has always looked down upon, seems to be experiencing some great changes.

Even, it may threaten the development of the blood League.

.....

Hua Xia Ye's family.

After solving the evil separation, ye Chen condensed a new array for ye family.

Now he has stepped into the third level of Zhenyuan realm, and has got many guidance from Chen Tianli. Naturally, the cohesive array is much better than before.

This time, if it was not for the formation to buy time for him, the consequences would be unimaginable.

Xia Ruoxue silently on the side of Ye Chen, ye Chen asked her to help, she did.

"By the way, what about my mother and the others?"

Ye Chen asked.

"Since the news of your accident came, everyone didn't believe it. They decided to go to the training room to break through. Now they should be at the critical point of breakthrough and haven't come out yet."

Chapter 559

"If my aunt, Sun Yi and Zhu ya know you are OK, they will be very happy."

Xia Ruoxue grabs Ye Chen's hand and explains.

Ye Chen glanced at the training room and naturally felt the breakthrough breath of different sizes.

The room in the middle is full of breath. If you're right, it should be mother.

Unknowingly, my mother has reached the peak of her aerodynamic state.

There is no reincarnation graveyard, which is against the heaven. Relying on his talent and the pills he gave, he can break through so quickly. Even if his mother is put in Kunlun Xu, he is also a gifted person.

Ye Chen and Xia Ruoxue wait outside the training room for a long time, and find that there is no sign of the end of the breakthrough.

"If it's snowy, why don't you take a rest first? You shouldn't sleep well these days."

Summer if snow shakes his head, although there is a sense of sleepiness, but still silently guard in Ye Chen's side: "I am not sleepy, if you are sleepy, I am willing to accompany you to sleep for a while."

Ye Chen laughed and said, "OK, I'm sleepy. Let's go to have a rest. They should not have succeeded so quickly."

"Well."

Xia Ruoxue and ye Chen come directly to the room on the third floor.

Embrace on the bed, not long, Xia Ruoxue closed his eyes and fell asleep.

Looking at a girl who is so beautiful lying beside her, ye Chen smiles at the corner of her mouth.

It should be his most relaxed state these days.

But there are too many hidden dangers in this state.

The blood alliance will not die for a day, but will be in endless trouble.

There is also the luojian sect. It is estimated that the disciples of the luojian sect have already had an accident. According to the characteristics of this major sect, he will never let go of himself.

It is estimated that before long, the stronger presence of elder Zheng and luojianzong of Xuemeng will sweep through the storm.

The only way to have real peace is to destroy these two clans.

He's certainly not strong enough at the moment, but someone can.

Ye Chen takes out the small black stone, Mou son a congeals, then comes to the reincarnation graveyard again.

The samsara cemetery is very quiet.

A figure full of thunder and lightning, so back to Ye Chen.

"You finally think of me? It's done? How powerful is my nine day thunder? "

Duan leiren turns around and looks at Ye Chen with interest.

Ye Chen nodded, he only used part of the force of thunder nine days, so terrible.

If all the forces are released, it will be enough to suppress the strong on one side.

"Master, nine days of thunder is far beyond my imagination."

Duan leiren was satisfied with this answer, and his face softened a little bit: "you have that talisman on you. It's relatively easy to learn my skills. The most important thing is that you can absorb the thunder."

"The sky thunder is the most powerful lightning element in China or Kunlun. It's very difficult for ordinary people to bear it. But here you are, the sky thunder has become the nourishment of your own life talisman. You can learn my things much faster than ordinary people."

"Are you ready now?"

He thought Ye Chen would agree immediately, but he didn't expect that ye Chen refused.

"Master, I have something to deal with right now. I'll learn later."

Duan leiren didn't grudgingly nod: "it's OK."

At this time, he noticed that ye Chen was walking towards the direction of the samsara cemetery. He quickly stopped and picked up two broken swords.

Cut dragon sword.

At the top of Kunlun Mountain, the dragon sword has been completely broken in order to protect its master.

Even the sword spirit is extremely weak.

The damage was serious.

At that time, ye Chen exchanged the broken dragon sword from Lu Hanshuang's hand, and rebuilt it in Zhu's family.

But I didn't expect that the Dragon Sword didn't last for half a year.

In the past six months, without the protection of the dragon sword, he could not have been so smooth.

Ye Chen and the dragon sword have long had feelings.

Chen Tianli said it was the chance to cut the dragon sword, but at present, ye Chen did not know how to repair it.

The spirit of the dragon sword is going crazy. It is estimated that it will become a pile of scrap iron before long.

Duan leiren was naturally aware of Ye Chen's worries and laughed: "boy, you really care about this sword, but it's very difficult to use it again, unless..."

Hear unless two words, ye Chen eyes a bright, excited way: "master, can you have a way to repair?"

Duan leiren shook his head: "it's impossible to repair, but you can give the meaning of this sword's existence again."

"What do you mean?" Ye Chen has a wonderful way.

Duan leiren grasped it with five fingers. The two broken swords were surrounded by thunder and lightning, and they were suspended above the sky.

"Although the materials and elements for making this sword are good, there is a big gap with some top materials of kunlunxu."

"His current state, even if it is repaired, doesn't make much sense, but you can make it Nirvana and rebirth." "The sword spirit of this sword is stabilized by the spirit of thunder. This sword spirit is the most important existence for you. The sword spirit is the same as the soul of human beings. If you cast the sword again and put it in it, it does not mean that it will be reborn from Nirvana?"

"It's only good for you or the sword, but not bad."

Ye Chen nods, but it is impossible for him to make a powerful sword.

Although he knows something, he is not so professional.

If you make a common sword and put the spirit of the sword into it, it will only be wasted.

He thought of something, looked at Duan leiren, arched his hand and said, "master, please show me a famous way."

Duan leiren nodded, stretched out his finger, pointed to the remaining two tombstones that could be moved. He said faintly: "I don't know much about casting swords, but I know that there is a person in the reincarnation cemetery who understands it. If he helps, all problems will become extremely simple!"

Ye Chen's eyes fall on one of the tombstones.

The tombstone seemed to be burned by fire and turned red all over.

"Is this a master swordsman?"

"He is not a master of sword casting, but an existence respected by countless sword casting masters."

Ye Chen just want to try to arouse, the outside world suddenly came a vibration meaning, helpless, he can only leave the samsara cemetery.

The cell phone in the pocket rings.

It's a strange number.

Ye Chen pressed the answer key.

"Ye Chen, I have to say that many things about you from Xiangjiang to the capital city are far beyond my expectation. But this time you are lucky to live. Those clans of Kunlun will never let you go."

"As far as I know, the luojian sect has come out of the void of Kunlun. This time, it is not a small person. Among them, there is the leader of the luojian sect, and there is even a more dignified existence."

"If I were you, I would choose to leave China."

"It's your only choice."

The voice of the old man.

Ye Chen frowned and felt familiar, but couldn't say: "who are you?"

"For your grandfather's sake, I'd like to take you to a place away from disputes. Your grandfather's layout at the cost of his life does not want you to die early, nor do I. What you do is out of control. If you don't leave, the consequences will be very serious. "

Chapter 560

What did ye Chen guess.

Is this old man the friend of my grandfather?

"Are you the friend of my grandfather Xiangjiang?"

Ye Chen asked.

There was no answer on the other end of the phone.

Silent for a long time, he said: "I just got the news that luojianzong has stepped into the capital and is coming towards the Ye family."

"I don't have much time to explain. If you allow me to take you, I'll get to Ye's house in a minute."

Ye Chen frowned and said, "what about my mother and the rest of the people?"

The old voice sounded again: "their lives are not valuable, your lives are valuable. I can only take you alone

Ye Chen heard such baffling words, sneered: "that doesn't need to, my affairs, I can solve by myself."

Then the phone hung up directly.

At the same time, on the top floor of MaoYuan building in Beijing, an old man holding a bottle of gourd wine shakes his head helplessly and turns his mobile phone into powder.

He picked up the wine pot, took a sip, looked at the direction of Ye's family in the capital city, and murmured: "old man, I've given your grandson a chance. He doesn't cherish it. He has no sense of crisis at all."

"Your plan will come to an end sooner or later. That's life."

The old man took another sip of wine, and then jumped down from the roof and dissipated in the air.

After ye Chen hung up the phone, he took a look at the sleeping summer like snow, pinched his fingers and formed a shielding array.

It's time to come.

I didn't expect that fast.

Then the next thing, let him finish.

Luojianzong?

It's interesting. It's really interesting!

There's another noble man?

Even if you are more noble, how about coming!

He now has Duan leiren and two other tombstones that can be moved.

What is he to be afraid of?

It's just that luojianzong is always a threat. Since it's coming, wipe it out directly!

When the matter of luojianzong is finished, he goes to Kunlun Xu in person to look for blood alliance!

Ye Chen came to the training room and set up a large shielding array.

He didn't want to make his mother and others break through the practice.

Then he moved a chair and sat in the middle of Ye's door.

He even lit a cigarette, leaned against it and puffed.

It seems to be very leisurely.

Ten minutes later.

Ye Chen's feet more than a few cigarette butts, and the distant footstep sound finally spreads.

Luojianzong, coming!

In two days, luojianzong was shaking up and down!

Because all the elders and disciples who went to China died!

This is a big event for luojianzong.

Originally, the patriarch should not have asked in person, but these two days, a noble elder of wanjianzong happened to be in luojianzong!

The elder of wanjianzong once said that if those people were unfair, he would go to China and help luojianzong to settle the matter!

How could the Lord of luojian sect let such a noble person solve such a trivial matter!

So I can only accompany myself!

Let's take this noble person to visit China!

After a while, they came to the door of Ye's house.

When a man in casual clothes was sitting at the gate of Ye's house and smoking, everyone frowned.

They naturally know that this son is Ye Chen!

Ye Chen, whose hands are stained with the blood of luojianzong elders and disciples!

The Lord of luojian clan is very angry!

This kind of murderous devil is still in the mood to smoke here!

Shen Shixi, the elder of wanjianzong, glanced at Ye Chen who was smoking. His expression showed a trace of interest: "Master Sun, it seems that the boy knows we are coming and is waiting for us. It's interesting. It's the first time I've seen such a fearless existence. "

Shen Shixi doesn't have much hatred for ye Chen. The main purpose of his coming to China this time is not ye Chen, but to look for the master of wandaojian.

Through some means, wanjianzong finally traced to Huaxia.

As for where the most powerful elder is in China, they don't know.

The only clue is a jade pendant.

Anyway, if you come to China, you can only take a chance.

If luojianzong can't solve the boy, he will give a hand and sell a favor.

When sun Zongzhu heard Shen Shixi's words, he couldn't hold his face. He said to one of his disciples: "Xuanyi, go and try that boy's depth. I'm curious. This boy is just the cultivation of zhenyuanjing. How can I kill so many strong people of luojian sect?"

"Yes

A young man with cold eyes stood out!

The youth is called Xuanyi!One of the genius of luojianzong!

At the age of 35, he stepped into the first level of Shenyou!

In everyone's opinion, enough to crush!

"Lord, I come to kill this little trash to avenge the dead people of Luo Jian clan!"

Ye Chen can't be arrogant. Otherwise, how can Luo Jianzong have the face to stand on the virtual earth of Kunlun?

Thinking of this, Xuan burst out.

"Ye Chen, the murderer, today, take your life!"

One, Zhou Xuanchang's whole body is full of vitality.

Brush!

In the long whistling sound, he saw that Xuan Yi's body shape turned into a streamer, which was like a sharp sword shooting out.

Whoa!

A gust of wind swept through!

The fist style exploded, and the falling sword Zongxuan's fists burst out of thin air, shaking the world.

Seeing Xuan's hand, all the corners of his mouth showed a trace of fun.

They can see the gap between Ye Chen and Xuanyi.

It's almost a crush.

The results are clear.

Ye Chen naturally noticed the other side's killing intention and put out the smoke in his hands.

"Look down on me so much?"

"You think you can fight me? A little fly shakes the tree and seeks his own way to death

Xuanyi kill the opportunity to show, ye Chen naturally no longer polite.

Looking at Xuan Yi, ye Chen's eyes are cold!

Xuanyi's momentum is quite strong, but compared with Sha Li, it is much worse!

So powerful, want to kill yourself?

The Luo Jian clan underestimated himself.

In this case, he will pay the price!

"I'll start with you!"

Think of this, a burst of roar, ye Chen breath soared!

Push! Push!

Long wind and waves step out, ye Chen straight hanging sea!

Facing Xuanyi, ye Chen doesn't mean to flinch. The actual combat power of a person who has entered the realm of spiritual excursion with pills is only Zhenyuan realm!

Want to be wild in front of Ye Chen? I don't know what to do.

There is no gimmick to speak of, facing each other's double fists, ye Chen is a Sha fist blow out.

Boom!

The roar broke out like thunder and set off a storm.

"No, Xuanyi, go back!"

Looking at the momentum of Ye Chen's fist, the pupil of the Lord of luojian clan could not help shrinking, and his face changed greatly.

Before that, all the elder disciples who were sent out died. In his opinion, it should be ye Chen who used some small means.

Or, there are experts!

Now, as soon as ye Chen makes a move, it is to make the Lord of luojian clan feel uneasy.

It's not fear, but it's not the power of the three layers of zhenyuanjing!

What a powerful fist, what a fierce fist style!
