

## Physician 5601

### Chapter 5601

Just as Xie Lao said, ye Chen has absorbed his evil spirit. Even if he doesn't let him go now, he will let Xie Lao go soon.

That's what he promised.

Although the evil old and the barren old are not reliable, the principle is the principle after all.

Why not get a supernatural power before you let the evil old man go?

At this time, xuanhanyu said: "boy, if you want to fight against the Eastern Emperor's forgetting, you can only rely on the power of Shuo Lao and me except burning Xuanyao's blood essence. Otherwise, you will lose

Ye Chen was stunned. He never thought that xuanhanyu would have such a high evaluation of the emperor's forgetting!

However, from the previous situation, the East emperor forgets the opportunity is really strong!

Xuanhanyu was very serious and continued: "boy, compared with the Confucianists and even wanxu, the Eastern Emperor's forgetting the opportunity is just a piece of cake!"

"So this battle, you have to win!"

"Now, I will give you all the strength I have accumulated during this period of time! May you kill the emperor

Shuo also said seriously: "boy, I am the same! Don't lose my face

The next moment, has not yet waited for the leaf Chen to reply, a mysterious strength and startles the sky dragon gas then converges the leaf Chen whole body!

Ye Chen feels his whole body full of violent power!

In the face of the East emperor forgetting the opportunity, he seems to have absolute confidence!

At the same time, the sword of the Eastern Emperor is here!

Beilingsheng and other beilingtiandian strongmen, the face is a deep color of horror!

This sword, let them feel infinite danger!

The next moment, Beiling Shanda said: "everyone, do your best!"

At the same time, he had a broken sword in his hand, a broken sword with the breath of desolation!

Ning ChiYin, who is healing, can't help but shrink his pupils when he sees the broken sword and exclaims: "this is the North Ling chop!"

Beiling chop is one of the most precious treasures of Beiling temple. Even if it has been broken, it is also a supreme artifact that can shake several big halls!

The sword of the Eastern Emperor's forgetting the opportunity was forced out even by Beiling chop!

Beilingsheng's face was calm, and his whole body was full of spiritual power. He poured it into beilingcha, and the beilingcha gave out a buzzing sound, an ancient and majestic aura.

On his face, appeared a color of hard work, reluctantly raised his hand, a sword horizontal out!

And the elders also took action one after another!

Countless Guanghua surging, along with the transparent sword Qi cut by Beiling, towards the soft sword cut by the Eastern Emperor!

The next moment, a loud bang!

The whole capital of lingo is shaking violently!

The intense pressure of spirit swept around and crushed countless houses!

Shock wave, continue to spread, as if to step down all the general terror cavalry!

Just the afterwave has such power, how fierce the attack of both sides is, you can imagine!

In the loud noise, the sword Qi and brilliance all over the sky dissipated at the same time. The soft sword of the Eastern Emperor also turned and fell in front of him.

It seems that this fight is equal

Yes!

At this time, all the people in Beiling tiandian spit out a big mouthful of blood!

The breath is weakening!

Even if the use of the North Ling cut North Ling Sheng, it is the same!

His face was pale, and his aura was in disorder!

The sword of the Eastern Emperor is too strong!

Even if they join hands to barely take over, but, or injured!

For a moment, the onlookers looked more and more adored at the emperor's forgetting the opportunity!

East emperor forgets the opportunity, this is the real one person to a temple!

What's more, they have the upper hand in the fight?

It's like a legend, isn't it?

The Eastern Emperor forgot the opportunity and said with a smile: "Beiling temple is really a group of waste!"

The elders of the East emperor's temple who were ready to help also laughed sarcastically at the moment.

It seems that there is no need to fight. The emperor alone can sweep everything!

Beilingsheng and others look very ugly, but they can't refute it!

It's too strong for Donghuang to forget the opportunity!

This strength even surpasses the general existence of the temple Lord?

At this moment, the Eastern Emperor forgot the opportunity and looked cold. His sword Qi roared again and said, "I want to see how many swords you can block me with Beiling chop!"

All of a sudden, the soft sword in the hands of the Eastern Emperor was like a magic dragon, dancing wildly. The boundless sword cut countless cracks in the space of lingdu city. A strong space storm blew out from the cracks, and the whole lingdu city was dark!

The power of this sword is even more powerful!

Beilingsheng and others, face a change, once again resist!

This time, all the people in Beiling temple were cut back by the Eastern Emperor, and the void under their feet was crushed. At the same time, their mouth was full of blood, and their breath was withered again! Although they once again blocked the strike of the Eastern Emperor, anyone could see that it was extremely difficult to resist!

At the moment, beilingsheng and others gasped heavily, and their bodies were covered with bloodstains. There was some extremely strange power in the sword spirit of the Eastern Emperor, which invaded their bodies, as if eating away their vitality, and made their strength further decline!

Seeing the Eastern Emperor's forgetful soft sword cut again, beilingsheng and others showed a smile of despair

Maybe Beiling temple can only walk here

I'm afraid they can't take this sword, and once they die under the sword of the Eastern Emperor, the whole temple will fall down!

Just when beilingsheng and others were in despair and almost gave up their resistance, a shadow suddenly flashed in front of them!

Seeing this, beilingsheng changed his face and said, "boy, get out of the way, you can't take this sword!"

In front of Beilingsheng and others, it's not others, it's Ye Chen!

At the moment, Ye Chen didn't seem to hear Beilingsheng's words. He stood calmly with a long sword in his hand. He looked at the soft sword approaching quickly. A strange grain gradually spread on his body, and the mysterious body turned into a magical power!

First, the spiritual power is transformed into power, and then the soul body is transformed!

Turn strength into soul power!

For a moment, the power of Ye Chen's spirit reached a level of incomparable terror. In an instant, he fully understood the weakness of the sword!

A sneer appeared in the corner of his mouth, and the light of the sword was rippling in his hand!

The infinite soul power poured into the sword, and the moon soul chopped out!

Moon soul chopping is a skill of soul martial arts. It combines the skill of soul power and transforms the original soul power that can only cause damage to the spirit into an anti heaven skill that can cause damage to the entity!

And at the moment, the moon soul chop that Ye Chen's surging soul power exerts is enough to make the world turn pale!

Many of them covered their heads one after another. Their faces were extremely painful, and blood gushed out of their seven orifices!

Even if the moon soul cut, the release of a wisp of aftereffect is to let their spirits feel unbearable!

Chapter 5602

In a flash, the moon soul cut like water sword light, and the East emperor forget the soft sword collided in a place!

Time, seems to be static for a moment, the entire capital of lingo are fixed for it!

The next moment, freeze frame broken!

At the same time, broken, and the capital of lingo!

The light of the fortress protection array is diffuse in the city, but it still can't resist the terrible aftereffect!

In the whole city of lingdu, the light disappeared, the screams continued, and countless houses collapsed instantly!

There is a vortex of energy in the sky, tearing the space to pieces!

Soon, the whirlpool disappeared and two figures appeared in the original place.

It is Ye Chen and the Eastern Emperor who forget the opportunity!

Everyone is silly to watch this scene, thinking, stagnation

Ye Chen actually did it?

Even the strong men in Beiling temple were extremely hard to block the blow. Even Beiling chop was used to do it

Ye Chen is so easy to finish!?

For a moment, even the Eastern Emperor's face was ugly.

He stares at Ye Chen, the eye is an accident, is to be afraid of, can't believe!

Originally, he thought that he could crush the damned boy very easily, but what happened?

Equal share!

The true equinox, leaf Chen at the moment don't say is injured, even wheeze all have no!

How could that be?

He forgot the opportunity, but he absorbed the blood of the ancestral witches, and he still couldn't trample on the ants in the original place?

And after beilingsheng and others are dull for a moment, they are excited!

Extremely excited!

They did not expect that ye Chen had grown to such a state!

At the beginning, ye Chen tried his best to block Zhongyuan Tu's sword. Only when he was injured could he succeed

And, obviously, some kind of backhand was used!

And now?

I'll stop the East emperor's attack!

This kind of promotion is beyond the so-called limit!

But ye Chen did it!

They thought that Beiling temple would be supported by them, but now Beiling Sheng and others suddenly feel that the burden on their shoulders can be relieved

Because there is a young man who has the ability to stand in front of them!

"Elder Xu, it seems that you are still dead in your hands." The Eastern Emperor forgot the opportunity, and the hatred in his eyes became more intense.

However, strange is, that sword is easily blocked by Ye Chen, but he is not anxious.

"But..." The Eastern Emperor forgot the opportunity and showed a slight contemptuous smile at the corner of his mouth. "Boy, do you think you have won?"

All of a sudden, the breath of the Eastern Emperor's forgetting the opportunity suddenly changed, giving people a feeling of extreme evil!

He showed his white teeth and said with a smile: "ha ha, it's a pity that the emperor has not shown his real strength yet!"

For a moment, the emperor forgot his opportunity to return to his youth, his skin withered rapidly, wrinkles appeared on his face, and his hair turned white!

But, strangely, it is clear that the emperor forgot the opportunity, the whole person is old, but the breath is more powerful!

Ye Chen's eyes flashed, and it was clear that the Eastern Emperor forgot the opportunity. This was the magic power of the sorcery clan to enhance its strength at the cost of vitality!

It is similar to the Baixie body he once practiced.

However, Ye Chen's vitality is too strong to be as old as that of the Eastern Emperor. On the other hand, the magic power of the Eastern Emperor seems to absorb not only vitality, but also Shouyuan!

In order to kill Ye Chen, the Eastern Emperor is desperate to forget the opportunity!

In a flash, the strength of the Eastern Emperor's opportunity is a grim smile, toward Ye Chen, soft sword in hand, around the body dancing wildly, Dao Dao sword roaring out, vaguely, into a sword array, toward Ye Chen suppression and down!

Ye Chen hummed coldly, and the blood burning formula, the body of the demon, the body of the evil spirits and so on reached the extreme. The six heaven's destruction seal was suspended in front of him, and the law of destruction was rippling. The whole person was just like a demon, and welcomed him without fear!

Two figures collide in the air, the surging power continues to explode!

All the onlookers had retreated to a distant position, and Beilingsheng and others took advantage of this time to save Ren and heal him.

The Eastern Emperor forgot the opportunity but didn't stop him. His biggest goal is Ye Chen. Now, the goal has been achieved, and Ren Lao has no value.

With his current strength, if he wants to step down the Beiling temple, he can do it at a certain price, and let them live for a longer time, what?

The key is Ye Chen!

The fight between the two sides is so dark that the capital of Lingdu has been completely destroyed!

In the twinkling of an eye, Ye Chen and the Eastern Emperor forget the opportunity to have been fighting for thousands of times, but still did not win or lose! The strength of the two sides seems to be in between!

Ye Chen chest of a blood hole rapid healing, he a sword force back East emperor forget machine, eyebrow has slightly wrinkled.

He has already used the power of Shuo Lao and Xuan Hanyu, which is why he can easily block the attack of the Eastern Emperor.

But even so, he still can't defeat the Eastern Emperor. It's not good for him to go on fighting like this!

If Shuo Lao and Xuan Hanyu's power recedes, Ye Chen may not be the opponent of the Eastern Emperor's forgetting

Must be in the Shuo old they can maintain the strength of the case, the outcome!

But what can we do to defeat the emperor?

At this time, the evil old man said: "boy, if you can trust me, I can help you defeat this guy."

"Oh?" Ye Chen's vision a Shan way, "really?"

Evil old light way: "don't forget, at the beginning, why did I help you to kill the guy who took away? I'm trapped in this place. No one can let me out except you. I don't want you to die like this. "

"Good!" Ye Chen immediately had a decision way, "how to do?"

"It's easy." The evil old man said with a cold smile, "this guy thinks that he has absorbed the essence and blood of the ancestral witches. With a little blood memory, he can perform the magic power of the witches at will?"

There are many ways to deal with this kind of people.

Ha ha, boy, I'll pass you a secret method, which can make it instantly be attacked by the ancestral witchcraft! "

With that, he murmured: "in fact, if it wasn't for your strong blood, at the beginning, I could have used this method to let Gu Han beat you..."

Ye Chen smile speech a smile way: "good, start!"

Evil old way: "however, during the time when I teach you the secret method, it's better not to fight with it, so as not to be affected. It will slow down the speed of mastering the secret method. You don't have much time, do you?"

Ye Chen's eyes flashed slightly when he heard the words. After he once again blocked the strike of the emperor, he could not help shivering slightly. On his arm, he was also cut by the sword Qi, and the blood was flowing!

Chapter 5603

Beilingsheng and others are worried when they see this scene!

After the Eastern Emperor forgets the opportunity to perform that evil magic power, they fight each other, and ye Chen suffers more injuries than the Eastern Emperor forgets the opportunity!

If ye Chen's vitality had not gone against the sky, I'm afraid he would have been unable to carry it!

It seems that they share equally. In fact, it is the Eastern Emperor who has the upper hand!

It is not easy for ye Chen to defeat the emperor!

At this time, ye Chen seems to be aware of this, his face is heavy, suddenly his body is a flash, flying towards the rear!

People see a Leng, ye Chen unexpectedly escaped?

Ningchi Yinmei's eyes flickered for a moment, and there was a trace of disappointment in his eyes.

Ye Chen is right and wise. However, ye Chen's escape means giving up Beiling temple in a sense!

Moreover, it also means that he is afraid of the Eastern Emperor and forgets the opportunity

.....

At this time, the Eastern Emperor forgot the opportunity and laughed. He pointed to beilingsheng and other humanitarians: "Ye Chen, don't you save people? Huh? Just run away? I will kill all your teachers one by one. "

Hearing this, everyone turned pale

But, ye Chen didn't seem to hear the general, blink of an eye already appeared in the horizon!

Seeing this scene, all the elders in Beiling temple were a little cold

Ye Chen is really excellent, but he seems to be a white eyed wolf!

When things go wrong, you just abandon your school without hesitation?

Maybe this kind of person can be a strong one, but it's not the strong one these elders want!

Beilingsheng and Ren are open-minded.

They look indifferent, completely not against Ye Chen's practice.

Beilingsheng said lightly: "you don't have to. I believe Ye Chen.

What's more, if you keep green hills, you won't be afraid of no firewood. Ye Chen really escaped today. He gave up waiting for us. He will certainly take revenge for us and revive the Beiling temple in the future. "

Hearing this, an elder shook his head, looked at Mr. Ren and said, "Mr. Ren, is it worth it for him?"

In Ren's one eye, he was more or less disappointed, but he said with a smile: "I should have died long ago. Ye Chen, even if it's not the character we imagined, is undoubtedly the most outstanding genius in Beiling temple. I'm willing to die for him."

He even said happily: "originally, I thought this boy would not bow his head. It's too reckless. Now it seems that he has grown up. His present personality is better for his future, isn't it?"

Those elders all sighed. They felt that the emperor and Ren Lao had blind trust in Ye Chen. A man who gave up on them when things went wrong now, who knows if he will give up Beiling temple in the future?

But now it's too late to say anything!

The Eastern Emperor forgot the opportunity to see this, and hummed coldly: "it seems that you are not as proud as the rumor, so affectionate and righteous?"

He didn't really fight beilingsheng and others, but chased Ye Chen.

This kind of once in a blue moon good opportunity, he can't pass, really by Ye Chen escaped, want to force him to appear again, I'm afraid it's impossible!

Ye Chen's eyes twinkle slightly. He knows very well that the way to protect the emperor and others is to show determination!

Only when their lives are of no value to them, the emperor will choose to ignore them!

They ran after each other and soon disappeared into the sky.

At this time, the North Ling Sheng stood up and said: "we chase!"

"What An elder looked at Beiling miraculously and said, "emperor, why do we have to chase him?"

North Ling Sheng lightly looked at him one eye way: "perhaps, can help up leaf Chen's favour."

For a moment, the elders were silent, frowned and dissatisfied.

Ye Chen betrayed them, and they risked their lives to help Ye Chen?

An elder said in a deep voice: "emperor, please think twice! Ye Chen may not be worthy of our efforts to such an extent! "

Other people smell speech, also is to say: "a white eyed wolf, the most important thing is always their own interests."

"He will betray once, and he will betray countless times. One day, he will treat us as stepping stones for the sake of being superior."

"Well, to die for a white eyed wolf? My life is not so worthless! "

Beilingsheng was silent for a moment, and then, looking at all the people with no expression: "I said, I believe Ye Chen. Now, you either follow me to catch up or quit beilingtiandian!"

For a moment, all the elders were shocked!

Does beilingsheng really want to give up these old people for this white eyed wolf?

They don't know where this kind of groundless trust comes from. Beilingsheng is confused!

Just when they look at Ren and are ready to let Ren persuade beilingsheng. Ren Lao is light way: "I, go with the emperor."

Those elders are completely confused!

They thought that Ren Lao was the one who hated Ye Chen the most. After all, Ren Lao suffered a lot for ye Chen, but ye Chen didn't fight to the last moment and ran away directly. Is Ren Lao the one who hurt the most?

But does Ren still believe him?

An elder's face twisted for a moment and then said, "in that case, I'll quit Beiling temple!"

The others looked at each other, struggled for a moment, and then said, "I, quit."

"I quit too..."

For a time, the whole high-rise building of Beiling tiandian almost announced its exit!

The rest are Beilingsheng, Ren Lao, Ning ChiYin and an elder surnamed Huang.

Beilingsheng didn't say anything, but with the rest of the people, toward the direction of Ye Chen and the East emperor forget to leave.

Seeing this, those high-level officials saw a touch of anger and sarcasm in their eyes, and sneered: "ha ha, Beiling temple is really over, but I don't want to be buried with you."

"A few of them, their brains are not clear, let them die?"

"If I had known that Beilingsheng was such a stupid person, I would not have joined Beilingtiandian."

At this time, one of them said, "why don't we catch up and have a look?"

At that time, if you have the chance to kill them, maybe you will win the favor of the emperor and join the emperor's temple! "

Those people smell speech, all eyes a bright!

Anyway, Beiling temple is doomed. Why don't you take this opportunity to join Donghuang temple with Beiling Sheng as a springboard?

Immediately, these people are to rise one after another, also is to the direction that leaves leaf Chen etc., fly to escape and go.

.....

In a barren mountain, Ye Chen's eyes are empty, and his whole mind is immersed in the understanding of the Sorcerer's secret!

At this time, a towering mountain appeared in front of his eyes, and on the flight route of Ye Chen, there was a huge stone, across there!

Chapter 5604

A loud bang!

Ye Chen, who is learning the secret, forgets everything. To his carelessness, he bumps into the huge stone!

At this time, the Eastern Emperor forgot to catch up and said with a sneer: "Ye Chen, didn't you say that today is the day of the destruction of the Eastern Emperor's temple? How did you escape? What's more, I'm so nervous that I hit a stone? "

In his opinion, the reason why Ye Chen will hit the stone is because he is too afraid and scared silly!

Ye Chen crawled out of the stones, and seemed to be a little dull standing in the same place.

"Well?" The East emperor forgets the opportunity to see this, eyebrows a wrinkly, leaf Chen how a pair of lost soul appearance, really scared silly?

However, soon, there was a flash of fierce light on his face. He would not miss such a good opportunity!

In a flash, the soft sword flew out like a dragon and strangled Ye Chen's neck!

The East emperor forgets the machine, the twinkle in the eyes is incomparably joyful look, as if already saw the leaf Chen head to roll down, the blood splashes on the spot scene!

But, at this time, ye Chen's eyes suddenly twinkled. The long sword in his hand suddenly rose to block the soft sword cut by the Eastern Emperor. A sound of metal cross sound sounded. A strong shock wave swept around and crushed the stone mountain!

In the dust and smoke, a figure flies upside down and falls heavily on the ground. It's Ye Chen!

Although he reluctantly shot at the last moment, there was a ferocious wound on his neck, and the blood gushed out like a fountain!

Ye Chen frowns slightly. At the moment, he is only a little short of realizing the secret skill of the sorcerer family. But at this time, he is overtaken by the Eastern Emperor?

The East emperor forgot the opportunity and hummed coldly. He was dissatisfied. The next moment, he was attacking with a sharp sword like a chain. He didn't give ye Chen a chance to breathe!

Ye Chen holds up his sword to resist. Now the Eastern Emperor forgets the opportunity and has experience. Every time he makes a move, he blocks Ye Chen's escape path. For a moment, he traps Ye Chen in the same place!

Ye Chen's look is more and more sinking, if it goes on like this, the power of shuolao and xuanhanyu will fade away!

He doesn't have time to fight with the emperor!

Of course, he also has a big card, burning the blood of the dark goblin, but ye Chen still remembers the consequences of doing so

Even for him, it's a dangerous move that can't be more dangerous!

With the decline of strength, ye Chen was suppressed more seriously in the battle!

Almost every time the Eastern Emperor forgets the opportunity, he will leave a ferocious wound on Ye Chen!

In the twinkling of an eye, the leaf Chen already whole body dye blood, complexion all some pale!

Just after they fought for a long time, suddenly, several miraculous lights flashed behind them!

It was Beilingsheng and others who came!

The Eastern Emperor forgot the opportunity and said with a cold smile, "Oh? You're going to die on your own? It's all right. It'll save the emperor a lot of trouble! "

Ye Chen was also surprised when he saw this. A touch of moving color appeared in the deep of his pupils

At the same time, the elders who quit Beiling temple also appeared.

When they saw that Ye Chen was covered with blood and a very sad scene, they could not help showing a trace of sarcasm. As they expected, Ye Chen was not the opponent of the Eastern Emperor's forgetting the opportunity at all. His previous escape was just fear of death!

At this time, several elders of the East emperor's temple also arrived.

Beilingsheng's eyes flashed for a moment, and suddenly said: "let's fight together and block the opportunity for Ye Chen!"

Ning ChiYin and others all nodded their heads when they heard the words. Although they were likely to die, they were ready to die now that they followed Beilingsheng!

Ye Chen, as a disciple of Beiling temple, can fight for Ren Lao and defend the East emperor. They can also die to protect Ye Chen!

Many people only see Ye Chen's escape, but forget that if Ye Chen is ungrateful, why should he stand up and do more?

So, they believe Ye Chen!

Ye Chen's escape is not a betrayal, but a reason!

All in silence!

At the next moment, four figures were standing between Ye Chen and Donghuang. Beilingsheng's breath was boiling, restless, and their faces were as bloody as blood. It was obvious that they used some means to stimulate their potential!

In the face of these four Taizhen strongmen, even if they are as strong as Donghuang, they can't help but shrink their eyes. For the moment, they turn their attention to beilingsheng and others. With a turn of the chain like sword, they attack beilingsheng and others!

Ye Chen sees this, the vision is a flash!

That's all he needs!

Immediately, his mind was running at full speed, and he was crazy to comprehend the secret arts of the witch family!

At this moment, the soft sword flashed and cut off one arm of beilingsheng. His face turned white and his whole body trembled. He fell to the ground from the air!

As soon as Ning ChiYin and others' faces changed, they all exclaimed: "emperor!"

The next second, Ren Lao's abdomen was also pierced by a sword, seriously injured and fell to the ground!

Then, it was elder Huang, who had a huge crack on his chest. He wanted to go through his body and cut his whole body in two! Finally, it was Ning ChiYin. Although she managed to block the Eastern Emperor's forgetful sword, her powerful force also shocked her into an internal injury, spitting blood at her mouth and half kneeling on the ground

In just a few breaths, the four Taizhen strongmen of Beiling tiandian were defeated miserably!

At this time, the Eastern Emperor forgot the opportunity to look at the several long old people who withdrew from Beiling temple and said, "don't you do it yet?"

The elders, trembling all over, immediately bowed to the emperor and said, "emperor, beilingsheng is stubborn. We have left beilingtian temple. Now, we are going to worship the emperor!"

The Eastern Emperor forgot to listen to the speech and said with a smile, "good! He who knows current affairs is a hero! When I get the result, I'll take the wind and wash the dust for you

The elders, happy to hear the words, all looked at beilingsheng and others happily.

What's the use of these idiots in risking their lives?

It's just a few breaths.

Even if ye Chen is not a white eyed wolf, what can these breathing do?

Damn it, or die!

In general, beilingsheng is stupid!

At the moment, ye Chen stood quietly in the same place, as if he had given up even escaping. He was totally desperate

And the elders of the East emperor's temple also stand in a good position, surrounded in all directions, let Ye Chen even a chance to escape!

At this moment, the Eastern Emperor forgets the opportunity and grins grimly. All the soft swords revolving around his body emit a bloodthirsty and excited buzz!

He sneered: "work together, kill this boy!"

He doesn't plan to give ye Chen the slightest chance!

In a flash, the presence of a group of too true realm exist, in addition to North Ling Sheng four people, have to Ye Chen hand!

Those elders who betrayed Beiling temple are more ferocious and cruel!

If you want to win the trust of the emperor, you have to work hard!

In a flash, ye Chen was attacked by countless people and drowned together!

Chapter 5605

You know, it's all the attack of taizhenjing warrior. The terror of its power can be imagined!

Beilingsheng and others have a very nervous look in their eyes!

Even ye Chen, it's not so easy to bear so many attacks, is it?

The next moment, the power of annihilation spread, a space completely into nothingness!

A figure, but also be hard blow fly, hit on the earth, leaving a huge hole!

The figure was stained with blood, and the body was covered with ferocious scars. The bones, muscles and internal organs were all broken!

This person is Ye Chen!

All the people in the East emperor's temple laughed when they saw this scene. The victory was in their hands!

Beilingsheng and others sighed and looked desperate

Sure enough, even ye Chen, who suffered so many attacks, was seriously injured, and his recovery speed could not keep up!

The most important thing is that ye Chen is in a state of no resistance at the moment!

It looks like giving up

They fight for time for ye Chen, but ye Chen gives up?

This is more disappointing than ye Chen's escape!

At the moment, the emperor forgot the opportunity, with a happy smile on his lips.

For such a long time, ye Chen has been making him uneasy. Today, it's finally over!

His body's spirit power gushes wildly, soft sword in hand, send out a buzz, want to hand, thoroughly solve Ye Chen!

And a group of taizhenjing warriors are also ready to attack!

But, at this time, ye Chen, who seemed to give up and be absent-minded, suddenly raised his head. The strange light in his eyes twinkled, staring at the emperor and forgetting the opportunity!

By Ye Chen's gaze, the Eastern Emperor suddenly has a very bad feeling, as if he is facing a terrible beast!

His face sank and he roared: "hands on, send this boy to hell thoroughly!"

"Yes

Those who are strong in taizhenjing immediately attack after hearing the speech!

But, this time, ye Chen obviously didn't plan to wait to die!

The sword light in his hand instantly counteracted most of the attacks. Although the rest of the attacks fell on him, he resisted them with his strong vitality!

Then, a flash of his figure appeared in front of the emperor!

The Eastern Emperor forgot the opportunity to see this, not surprised but happy: "boy, you finally come to die!"

Why didn't the emperor forget the opportunity?

Because, he is accumulating strength!

Wait, is Ye Chen rushed up this moment!

He's right!

With Ye Chen's present state, he is confident that with this blow, ye Chen has no room to turn over!

Those betrayal elders see this, more and more happy up, beilingsheng and others are bowed their heads, the outcome seems to have been doomed!

But, at this time, the corner of Ye Chen's mouth is raised to put on a sneer way: "the Eastern Emperor forgets the opportunity, do you really think, you win?"

The Eastern Emperor forgets to hear the words and his pupils shrink. He doesn't understand why Ye Chen can keep calm until this moment?

Didn't he know his death was coming?

But suddenly, the Eastern Emperor, who was preparing to take action, forgot the opportunity, but his face was twisted. He couldn't help but utter a shrill cry of pain, and his whole body began to tremble. Daodao Qingqi came out from his body surface and turned into a blue skull shape behind him!

The faces of the people in the East emperor's temple with the smile of the winner and the traitors in the North Ling's temple solidified instantly!

What's going on?

Isn't it just one stroke short of ending Ye Chen?

Why did the emperor forget the opportunity?

See, at the moment leaf Chen's eyes, burst out a burst of blue light, his mouth recites words, behind him, vaguely, seem to open a door!

In this gate, evil is surging, and the skeleton behind the emperor seems to be about to be inhaled by the gate!

"No way!"

At this moment, where does the East emperor forget to have the slightest smile on his face?

He looked at Ye Chen in horror and roared: "how can you break the magic power of the witch family?"

At the moment, his magic power was broken, and the witch power in his body began to bite himself, which led to the crazy decline of his strength!

Ye Chen light way: "life, don't happy too early, especially in the face of me, otherwise, you, will be very miserable."

As soon as the words fall, ye Chen will cut out with a sword!

At the moment, the Eastern Emperor forgets the opportunity, and his strength has dropped to the early stage of Taizhen realm. How can he stop Ye Chen's sword!

He reluctantly drove the soft sword to meet Ye Chen, but he was hit by the light of the sword. The sharp light was about to fall on the body of the Eastern Emperor!

However, at this time, the emperor forgot the opportunity, but roared: "I haven't lost yet!" A sound of the road, suddenly from the body rippling out, a time unexpectedly blocked Ye Chen's sword!

In his eyes, a touch of crazy color appeared. With a little finger, a simple and incomparable small clock appeared in front of Ye Chen!

It's the treasure of Beiling temple, the East emperor's bell!

The Eastern Emperor who has gained the power of the ancestral witch's blood has the ability to use the Eastern Emperor's bell at will. However, it will cost him some money to use this treasure. For example, it will make him weak for a long time!

But now, the emperor has forgotten so much!

The power of the East emperor's bell, surging wildly, finally blocked Ye Chen's sword!

The whole body Sheng Chen once again a tiny frown breath!

Can, at the moment, that many too true realm martial arts also launched an attack toward Ye Chen!

Seeing this, ye Chen's face sank, and he could not help turning the sword light to the elders of the Eastern Emperor's temple and the traitors.

His current physical condition is not very good, and he can no longer resist the attack of too real level!

The emperor forgot the opportunity and looked happy. This moment was enough for him to use a secret method!

His face is ferocious. He suddenly inserts a dagger into his chest. He reaches out his hand and pours his blood on the East emperor's bell!

Donghuang, who was already very old, forgets the opportunity. At this moment, he is even more old and decayed. It seems that the lamp has dried up!

However, the Donghuang bell was buzzing and shining!

The next moment, this east emperor bell, a flash, unexpectedly appeared in the top of the head of Ye Chen!

Ye Chen sees shape, pupil one shrinks, complexion incomparable sink coagulate!

At the moment, he was locked by the Eastern Emperor clock, but he couldn't move for a moment!?

Although, he will soon be able to break away from this lock, but, this moment, it is enough to change the whole war!

The Eastern Emperor forgot the opportunity and laughed wildly: "boy, do you remember what you said? Don't be happy too soon? Don't you mean to make me miserable? Now, it's like you are miserable! "

Chapter 5606

As soon as his voice fell, the bell rose against the wind and fell towards Ye Chen!

With a loud bang, the East emperor bell directly suppressed Ye Chen on the earth!

The scene was dead!

Ning ChiYin looks at the East emperor's bell, and a touch of anxiety appears on her pretty face. She asks beilingsheng: "emperor, can ye Chen come out of the East emperor's bell?"

Originally, beilingsheng, who is full of confidence in yechen, is in despair at the moment!

Numb, he mechanically shook his head and said, "it's impossible. This Donghuang bell is a strange treasure more terrifying than Beiling chop. The most famous magic power of this strange treasure is zhenzhushen!

Now, what the Eastern Emperor forgets the opportunity to display is the gods of this town! "

Hearing this, elder Huang trembled and said, "it's said that the emperor of the East emperor's temple, who had been practicing in the early days of taizhenjing, killed a terrible existence who had participated in the battle of the gods by virtue of the gods!

Even if the terror existed, there was no way to escape from the East emperor's bell. He could only be tempered by the power of the East emperor's bell... "

Ren felt very guilty and said: "it's all because of me, otherwise, ye would not..."

Obviously, even those of them who believe in Ye Chen must have to admit that ye Chen's defeat seems doomed

In ancient times, those who participated in the battle of the gods were trapped in it, so the gods were invincible

At this moment, the Eastern Emperor forgot the opportunity and said, "pour the spirit power into me. I want to refine this damned boy!"

All of a sudden, that group of people who were too strong in the real world appeared beside the emperor and poured the spiritual power into his body!

For a moment, the East emperor's bell gave out a buzz, and the sound of innumerable avenues inside it surged!

Ye Chen in the East emperor's bell was enveloped by the sound of this great road, and his whole body was shaking. He could not help spitting out a mouthful of blood!

That is to say, his constitution is against the sky, otherwise, I'm afraid he will be directly shocked into a blood fog

Ye Chen's face is very ugly. He sweeps the East emperor's bell with a sword and cuts it with all his strength!

Terrible sword light, swept out, hit the wall of the clock with runes!

But, to Ye Chen's surprise, this extreme sword didn't even leave a crack on the surface of the bell!

In addition to the East emperor's bell, the East emperor seemed to feel Ye Chen's attack and said with a sneer: "don't waste your efforts, boy. No one in the world can break the gods of this town! Be refined

Ye Chen is under the attack of sound wave, and at the same time, he shows his magic power. A black light comes out of his fingertips!

It's the extinction light!

Powerful extinction God light, hit on the East emperor clock!

Ye Chen's eyes, also then bright up!

However, in the past, the extinction of God's light, this time, is also like a bull into the sea in general, no effect!

Ye Chen's complexion is completely ugly!

He bit his teeth and said, "do I really have to explain here? How on earth will the bell be broken? "

At this time, Shuo said: "boy, in fact, it's hard to break this kind of treasure. It's really hard. It's also very simple to say it's simple!"

"Oh? What do you mean A glimmer of joy flashed in Ye Chen's eyes!

Shuo said: "the only reason why you can't break the East emperor's bell is that your Sha sword is not up to the rank!

The best way to break a sword treasure is to attack with a higher treasure! "

"But I don't seem to have..." Ye Chen frowned and said, suddenly, his face moved, as if he thought of something Wild devil sky sword!

However, Shuo still interrupted: "the wild devil Sky Sword is not the peak state at all. It's not a complete growth. If it's a few years later, by your chance, the wild devil Sky Sword may be able to do it. But now, no way. "

"The seal can do it, but the seal on your body has no energy at all..."

"Right now, there's only one thing."

Ye Chen Mou son one coagulates, curious way: "what?"

But Shuo said faintly, "xuanlingzhu! And you have to completely subdue xuanlingzhu! Not borrowing! "

Ye Chen was stunned. Although he could use xuanlingzhu reluctantly, he also used it many times, but he could not subdue xuanlingzhu!

At this time, the attack of Avenue sound wave is more and more intense, and ye Chen's injury is more and more serious. His whole body is full of blood, and he will become a bloody man!

The body is about to be shaken apart, bursts of pain gushing from the body!

If it goes on like this, ye Chen's body will be broken and he will die without doubt!

The light in Ye Chen's eyes flashed and said: "it seems that now I can only give it a go!"

These are the 30 breaths that determine life and death!

He took a deep breath, and the mysterious body turned into spirit!

In a flash, power, soul power, have become spiritual power! And it's also the most pure Taiyi spirit power!

This spirit power surges in its elixir field and infuses into a black bead, which is the Xuanling bead!

Ye Chen's wrist turned, and the evil sword disappeared in his palm. Instead, it was xuanlingzhu!

That Xuan work properly bead madly revolves, black light big put, seem not to accept Ye Chen's control!

Ye Chen stares at the xuanlingzhu, biting his teeth, shaking his palm, trying to suppress the xuanlingzhu in his hand!

If there is any treasure that can break the bell of the Eastern Emperor, I'm afraid there is only xuanlingzhu!

Thirty breaths!

Within 30 breaths, if ye Chen can't subdue xuanlingzhu, he will die!

Ye Chen grabs the ball in his hand. His skin is ground to pieces, and he doesn't care. His bones are broken, and he doesn't care!

What he cares about is the spiritual power poured into the xuanlingzhu!

Ye Chen's mind is more acute than ever. He is controlling his own spiritual power, fighting with xuanlingzhu's own power, fighting for the control of xuanlingzhu!

He was very clear that as long as he had a little negligence, the power in xuanlingzhu would not be suppressed and explode again!

In that case, he will really die

In this desperate situation of life and death, ye Chen seems to have a breakthrough in his mind!

At the moment, there is some power surging in his blood, so that he can still keep focused and calm in this situation!

Soon, twenty breaths passed!

There are only ten breaths left for ye Chen!

Can, that Xuan work properly bead is in the palm of leaf Chen, but it is more and more violent earthquake quiver up, energy also gradually violent!

Countdown, start!

9、 Eight, seven

5、 Four, three, two

Outside the East emperor's bell, the East emperor forgets the opportunity and so on all showed the joyful incomparable smile!

They are the last to laugh!

Another breath, this strange little bastard will die completely!

Also at this time, originally restless xuanlingzhu, but suddenly quiet down!

However, the rotation speed is faster and faster!

## Chapter 5607

Ye Chen's eyes flashed wildly. When he moved, he hit the wall of the East emperor's bell like a black spiral!

Just when the East emperor forgets the opportunity and others, the smile blooms to the extreme, the East emperor bell suddenly comes out with a loud bang!

Then, on the body of the Donghuang bell, a big hole broke out in an instant!

Strong shock wave, sweeping all around!

The existence of a group of Taizhen realms is that they vomit blood one after another, step back a few steps, and are attacked by the enemy!

But, at the moment, all people did not pay attention to the injury, but was completely attracted by the scene in front of them!

They are dull, shocked, unable to think!!!

Donghuang bell, is it broken?

How is that possible!?

Why is the Donghuang bell, which can't be broken even in the battle of gods, broken?

And in that broken place, a figure appeared, a figure stained with blood all over!

It's Ye Chen!

At the moment, ye Chen seems to be on the edge of life and death. His body is almost going to fall apart. It's only the last blow that can completely solve Ye Chen!

But he held on!

Soon, people's eyes fell on Ye Chen's hands, a rotating black spiral. They all felt a very frightening breath from the black spiral!

For a moment, an incredible idea appeared in their brain

Is this black spiral beyond the treasure of Donghuang bell?

Only this treasure can break the East emperor's bell, right?

At this time, ye Chen grinned and said: "am I right? Don't be happy too soon. "

The next moment, his body movement, is like a burst of bloody wind general, whistling out!

Although he didn't die, he won't be able to last long under the current physical condition. Besides, the strength of Shuo Lao and Xuan Xian Zi is finally reaching the limit

What's more, the most important thing is that even if it can be driven, the consumption of aura is beyond imagination!

At present, the East emperor forgets the opportunity and others have been attacked by the East emperor clock. Their breath is disordered and their strength has declined for the time being. It's the best time for him to make a move!

Ye Chen's first target is the emperor's forgetting!

The next moment, ye Chen will appear in front of the East emperor forget the fuselage, the hands of the black spiral, toward him hard hit!

The Eastern Emperor forgot the opportunity and his face changed wildly. The shadow of death has completely shrouded him!

As he retreated and cut the soft sword, he also inspired several body protection magic weapons!

The black spiral collided with the soft sword of the Eastern Emperor

This soft sword is not easy, but an artifact of law. Although it is not of high quality, its hardness is absolutely extraordinary!

But at the moment, the soft sword was broken in full view of the public

Yes, it's broken!

Broken without resistance!

Even ye Chen was a little silly when he saw this scene

At the moment, the power of xuanlingzhu is too terrible, isn't it?

The Eastern Emperor's face was pale and almost scared to death!

At this time, xuanlingzhu came into contact with the light curtain formed by the body protection weapon

In a moment, there is only one moment!

Those light curtains are all broken!

Ye Chen's eyes are a little straight!

This is a simplified version of reincarnation!

The Eastern Emperor forgot to look at the fast approaching black whirlpool. His soul was about to smoke, and his face was completely twisted. In the last second, heaven, this second, hell!

Finally, the black whirlpool fell on the emperor.

Time, still for a moment, and then

With a bang, the East emperor forgot his plane, and the Lord of the East emperor's Heaven Temple burst

It turns into a blood mist and spreads

I didn't even say my last words. I was killed by the second!

Then Chen stretched out his hand to inhale a bottle of jade of blood completely.

It can contain the blood of ancestral witches!

The group of Taizhen could not accept this scene. Looking at Ye Chen, they felt dizzy, as if they were dreaming

Suddenly, ye Chen turns his head, and Sen Han's eyes are on these people!

Those who were too strong to say anything, turned around and ran away!

But, can ye Chen let them go so easily?

"Soul devouring the sky!"

Ye Chen received the xuanlingzhu and drank it violently. After the surging soul power turned around, it burst out and enveloped the whole audience!

Those Taizhen realms exist. At present, the real state is only half a step away from Taizhen and Taizhen. One after another, they scream and their orifices bleed. Most of them fall to the ground from the air!

Ye Chen face with a smile, just like a tiger into a sheep in general, toward the existence of a few! The sword light in his hand is turbulent, and no one is his enemy!

Where the sword passes, blood splashes, and an elder exists and falls under his sword!

Those elders who betrayed Beiling temple are confused at the moment

Ye Chen killed the elder of tiandian, just like killing a dog!

At the moment, their hearts are incomparable regret!

After this war, the status of Beiling temple will rise in the realm of heaven and man, right?

And it's none of their business!

Because, they chose to betray!

At this moment, a sword light came, and the three reluctantly resisted, but

In the blink of an eye, three heads fell to the ground

Soon, ye Chen killed the elders of the East emperor's temple and the traitors!

There was only one person who escaped from here

Ye Chen wanted to catch up with him, but suddenly, he was half kneeling on the ground, and the power of Xuan fairy and Shuo Lao was finally exhausted

Ye Chen, who is weak, can no longer escape!

At this time, Ning ChiYin and others are full of ecstatic color, rushed up, held Ye Chen and said: "Ye Chen, are you ok?"

Ye Chen is about to say something when he hears the words, but suddenly his brain is dizzy and unconscious

When ye Chen wakes up again, he has returned to a familiar Pavilion, which is Lingxing Pavilion.

Ye Chen has a bitter smile on his face. Although xuanlingzhu is powerful, his side effects are not small. Even he can't bear the heavy load and faints

His eyes flashed. Fortunately, he did what he had to do.

The East emperor's temple is destroyed!

The oath he left on that day to level the East emperor's temple has finally come true!

Today, the East emperor's temple can still rely on the mountain protection array for a period of time, but it has lost almost all of the strong people in Taizhen realm at one time, and it will be doomed sooner or later!

This maintained the balance of countless years, was completely broken by Ye Chen!

Immediately, he moved and walked out of Lingxing Pavilion towards the main hall of Beiling temple.

Soon, ye Chen came to the hall, North Ling Sheng, Ren and others have been waiting here.

Several people are also healing.

When ye Chen came to the palace, beilingsheng and others all looked happy and said: "Ye boy, you wake up!"

Chapter 5608

Ye Chen looked at several people's injuries, his eyes dimmed, and said: "emperor, Ren Lao, sister ChiYin, you are injured..."

With that, he distributed some blood colored pills to the public. These pills contained his blood. After taking them, even beilingsheng and others were seriously injured, they could still recover as before!

Even a broken arm can grow back! Of course, the existence of the level of the Confucian master except!

I don't know what happened to the God of blood.

After taking the pill, feeling the powerful efficacy, beilingsheng and others can't help looking happy!

Then, Beilingsheng looks at Ye Chen and asks curiously, "Ye Chen, where have you been during this period of time? Why has your strength improved so rapidly?"

After that, Ye Chen told the public about the burial of Tianhai, blood god, meteorite God Island and the Confucian ancestor.

Finally, his eyes flashed slightly and he said: "emperor, if you can, during this period of time, we will devote all our resources to cultivate a genius. Soon, a secret place will be opened, and many talents outside the territory will be invited. Is there any chance in this secret place?"

Beilingsheng and others looked at each other and nodded solemnly!

Now, in addition to Ye Chen, the most outstanding disciple in the whole Beiling temple is Ning Caixia, who has a hundred colorful green marrow Gu body!

Now, after awakening, Ning Caixia's strength is advancing by leaps and bounds!

Even Ning ChiYin felt a little pressure.

.....

Three days later, in the Lingxing Pavilion, Ye Chen suddenly opened his eyes. In his eyes, a burst of green light flashed!

All over the body exudes a frightening evil, behind, looming countless figures, as well as a forest gate!

Ye Chen's face appeared a color of great joy, this is the real hundred evil body?

Really powerful!

With the help of his blood, he became the real master of the three evils!

In fact, the power has been greatly improved!

Today's Ye Chen, if he tries his best to break out, without the help of Shuo Lao and Xuan Hanyu, he will be able to fight against those who are strong in Taizhen!

If you use the power of Zhuozhuo and xuanlingzhu again, you can even burst out the terror force temporarily!

At this time, his mind moved, and a dim ghost appeared in front of him.

It's the evil old man.

He looked at the evil old way: "according to the agreement, you are free."

Ye Chen is a man who does what he says.

The evil old man heard that Yan Yixi didn't say much. He just took a deep look at Ye Chen and said, "boy, I hope you and I can meet again in the supreme world in the future..."

After that, he disappeared in a flash.

At the same time when the evil old man disappeared, a light suddenly fell from the sky, covering the whole Beiling temple!

In Guanghua, an old man's voice that ye Chen was familiar with said: "I'm the master of Shenyuan. Now, the secret place of Longmen is about to open. I want to invite talents from all over the world to explore the secret place and compete for opportunities!"

All forces shrouded by the light curtain will get a place to enter the secret world!

It's not long before the secret land is opened. At that time, please go to Longmen island! "

The same scene is constantly unfolding all over the country!

Donghuangtian hall.

Over the past few days, the whole East emperor's temple has been immersed in a gloomy situation

The disciples of tiandian are all very clear that they are just hiding in the tiandian battle array and surviving. It is estimated that in a short time, the Donghuang tiandian will completely disappear, right?

Now, there is only one taizhenjing elder left in the whole temple!

Other high-level officials, including the Eastern Emperor, all died in the hands of Ye Chen and Beiling temple!

However, today, the atmosphere of the East emperor's temple is somewhat different, a little more lively than in the past.

Today is the day when the new emperor ascended the throne.

According to convention, the throne will be inherited by the descendants of the Eastern imperial family!

At this time, all the disciples of the East emperor's temple gathered on the square. The only Taizhen elder walked up to the crowd and was ready to speak.

But, all of a sudden, the whole East emperor's temple is shaking!

A very dazzling golden light, from somewhere to the sky!

Everyone was in a daze, some didn't understand what happened

At this time, one of the disciples suddenly shook his eyes and exclaimed, "if I remember correctly, isn't that the entrance to the ancient road to heaven? Difficult Is elder martial brother Li back? "

Around the disciples smell speech, is a look move, eyes looming a touch of joy!

Who is elder martial brother Li?

It was on that day that Li qianjue, a descendant of the Taigu family, was defeated by Ye Chen in yanzhenyu!

After Li qianjue joined the East emperor's temple, he didn't disappoint the East emperor and rose up all the way. However, under the great pressure brought by Ye Chen, the East emperor put all his eggs in one basket and let Li qianjue challenge the ancient road to heaven!The ancient road to heaven is so mysterious that no one even knows where it leads!

However, what they know is that this ancient road is extremely dangerous. Up to now, only one person has successfully returned from the Tongtian ancient road in the history of donghuangtian temple!

This man is the most successful emperor in the history of the East emperor temple, the East emperor saint!

At that time, after donghuangsheng returned to tiandian from the ancient Tongtian Road, his strength was improved by leaps and bounds, almost sweeping the whole extraterritorial mainland!

At this moment, on the top of a mountain, the golden light splashes, and in the golden light, out comes a young man.

The young man was handsome, but he looked aloof and indifferent.

Something special is that his eyes are pale gold.

This person is Li qianjue!

Li qianjue took a deep breath and said to himself, "I've come back at last. This trip to the ancient road is a near death, but the harvest is also enormous..."

The corner of his mouth raised a cold smile. In his golden eyes, the murderer flashed wildly: "Ye Chen, the humiliation you left me that day, now, I will give it back to you thousands of times!"

All of a sudden, he looked and said, "hmm? How come there is only one left in the temple of heaven? "

Li qianjue's body moved and came to the square.

When they saw Li qianjue, all the disciples cheered with great joy: "brother Li, it's really you!"

After Li qianjue joined the East emperor's gate of forgetting opportunity, he made great progress all the way, which is the belief of many disciples!

Li qianjue smile, and then, looking at the name too really long old way: "elder Cang, what's the matter?"

Elder Cang was looking at Li qianjue with some doubts at the moment. The young man in front of him gave him a feeling that he couldn't see through!

Even elder Cang can't see Li qianjue's specific accomplishments!

However, he told Li qianjue what happened a few days ago.

Chapter 5609

Li qianjue's eyes twinkled for a moment, and then said, "elder Cang, I have a proposal. What do you think?"

"Oh?" Old Cang said, "what is it?"

Li qianjue said faintly: "since the master is dead, the East emperor's temple is in imminent danger. As the only disciple under the master's seat, I am duty bound to save the temple from danger

His voice, eyes slightly narrowed, a mighty domineering suddenly surge out of himself and said: "from now on, I will inherit the throne of the East emperor's temple."

All the people were stunned, and their faces changed slightly!

Even elder Cang looked at Li qianjue in disbelief.

Li qianjue, this is to usurp the throne!?

At this time, a young man looked at Li qianjue coldly and said, "Li qianjue, what are you talking about?"

This person, half step Taizhen realm, is the person who should inherit the throne!

Li qianjue glanced at the man faintly, and the golden light in his eyes was flourishing. The next moment, an incredible scene appeared!

The young man of the eastern royal family, who was in the middle of Taizhen Kingdom, was twisted by Li qianjue's eyes. At last, with a roar, he burst into a cloud of blood!

Elder Cang saw this, his eyes trembled and said: "Li qianjue, what have you done!?! That's the heir to the throne

Is Li qianjue not afraid of the Revenge of the eastern royal family?

For so many years, it is not without reason that the eastern royal family has been able to take the throne!

Those super powers who can't escape from the world will not allow usurpers to appear!

Their existence, such as the supreme elder of the East emperor's temple!

It seems that elder Li is about to turn his hand!

If this kind of thing is allowed, even he will bear the anger of the supreme elder!

Li qianjue said faintly, "now that he is dead, can I inherit the throne?"

With that, he looked at elder Cang.

Elder Cang, who was just about to start, felt that his breathing was stagnant and his spiritual power could not work. His body was out of control!

And all this is because Li qianjue's eyes are full of power!

There was a look of panic on Cang Chang's face. After a moment's silence, he gritted his teeth and said, "yes You are the emperor's disciple. You should inherit the throne... "

Li qianjue smiles, then looks at the people in the square: "do you hear that?"

To Li qianjue's eyes, all the disciples of the Eastern Emperor were awed in their hearts. They had a feeling that if Li qianjue wanted to, one look would kill them!

Immediately, everyone was shouting: "see you, Emperor!"

Li qianjue laughs. Just then, a pillar of light falls in the sky, and the voice of the Lord of Shenyuan resounds through the East emperor's temple

Li qianjue's eyes brightened and said with a cold smile: "Longmen secret place? Hehe, the guy named ye will also participate in it? I will give him a good experience, what is despair

.....

On a snowy mountain, a figure can be seen, appearing in the endless snow.

Here, called bingshen mountain, is extremely cold and inaccessible.

The figure raised his head and looked into the sky. The falling light column seemed to have a feeling in his mind. He said faintly: "now, I have got the heart of ice God. This Longmen secret place is just suitable for me to participate in."

Said, his face, flashed a touch of cold smile, said: "Ye Chen, I hope you are still alive, but I miss you very much."

This man, with narrow eyes and pale face, is Lu Bing!

As soon as he moved, he went to the foot of bingshen mountain. Where he had just stood, there were countless corpses!

These corpses look like beautiful women with white hair!

It seems that they are the snow girls in the legend of heaven and man!

There was a huge cavity in the chest of these corpses, as if they had been dug out of their hearts by life

.....

At the same time.

Heaven and man, the highest point of the sky.

Above a piece of auspicious cloud, there is an ancient tree like a hill.

Above the ancient trees, two figures stand aloof.

One is the pupil circulation of blood month, momentum such as the sky man!

One is an old man with a slightly bent figure. The old man squints. It looks very ordinary, but his eyes seem to be immersed in a world.

"Mr. Ye, there is not much time left for ye Chen. The entrance of the dragon's gate, which is buried in the sky sea, is about to be opened, which is three years earlier than we expected. I have already informed those people around Ye Chen not to let them participate in it. " Ren extraordinary light mouth way.

Although the tone is flat, if you listen carefully, you will find that there is a trace of worry in Ren Fanfan's voice.

Old Ye touched his beard, looked in the direction of the heaven hall of Beiling, pondered for a moment, and then said:"You are right. If they're invited in, it's going to make things more complicated. "

"We can't divine forever. Yechen's variables have broken many layouts."

"The Confucians, xuanjiyue, the empress of heaven, and the blood God and those guys all complicate this game."

"In fact, now you and I can't see what this chess game will be like in the future."

Ren extraordinary nodded, did not continue to speak.

Old Ye sighed and continued: "although many things are advanced, ye Chen shouldn't touch that door at this time.

But this may be a good thing. After all, ye Chen's growth has exceeded our expectations. "

"In addition, the layout of China has already begun. As far as I know, ye Lingtian is unable to convey information to Ye Chen, and has already set out in person."

"I'm afraid that soon, ye Xiaozi will be in charge of the Chinese chess game. The most mysterious existence in the ten reincarnation steles should also be won by him."

"If you take this fast xuanbei and wake up the reincarnation pulse, it is estimated that ye Xiaozi's breakthrough will be faster and faster."

"It's time to start fighting against wanxu."

Ren extraordinary still did not speak, he looked at the direction of the North Ling Temple some sorrow.

Such a big burden, pressure on Ye Chen, really won't Ye Chen down?

"Mr. Ye, sometimes I really want to break everything." Ren Feifan said suddenly.

Ye was stunned and immediately said with a smile, "don't forget the promise you made with the reincarnation Lord."

"Well." Ren Feifan nodded, his eyes complicated.

And the ancient trees in the auspicious clouds drifted farther and farther, and finally dissipated in the sky.

As if it never existed.

.....

An escape light, from the Beiling Temple of heaven, soared to the sky and flew towards the direction where the sea of heaven was buried.

There is still some time left to open the secret place of the dragon's gate. During this time, ye Chen plans to continue to practice in the Shenyuan!

Although Ye Chen won the battle with the help of the evil old man, he didn't think it would be so simple in the face of the Confucianists.

The blood god does not know how to recover his strength now.

A hundred day agreement is fleeting.

He and blood god are friends, naturally will not see blood god to die.

He has to be stronger!

Chapter 5610

.....

Time goes by, and not long after that, in the abyss.

A breath, the sky, the God of all people in the abyss is surprised!

This breath seems to be just a breakthrough, but somehow, it gives them a very depressing feeling!

It's even more terrifying than the breath of some warriors when they break through the Taizhen realm!

A moment later, the breath subsided.

At the moment, sitting in an attic, ye Chen has a faint smile on his face. The reason why he wants to return to Shenyuan is to make use of this short time to break through a few points and make his strength further!

And in Shenyuan, the aura is very strong, just can do it!

After entering the five layers of heaven, ye Chen's connection with Daoyun, rules and so on is more intense, and his spiritual power has increased a lot!

Overall, it has increased the strength by about 10%!

Don't underestimate this achievement. With Ye Chen's current strength, it can be regarded as a big improvement.

But after all, it's still the original state, and the improvement between small states is not great.

The small realm between Taizhen realm is a big difference.

At this time, he looks a move, body a flash, then appeared in front of the attic.

At the moment, there is a young man standing there.

This young man, it is Shenyuan too empty!

Ye Chen looked at Shenyuan Taixu and his eyes flashed slightly. Now Shenyuan Taixu's cultivation is more terrible, and it is obviously a breakthrough!

Moreover, the strength is far beyond the realm!

Shenyuan too empty light way: "Longmen secret place, is about to open, it's time to go to Longmen island."

Ye Chen nodded, this time, he and Shenyuan Taixu will enter the dragon's gate secret place together, is a teammate.

Soon, in a huge whirlpool, a big ship suddenly appeared. The ship turned against the whirlpool and sailed to the sea, heading for Longmen island.

.....

A huge palace has been built on Longmen Island, and a wharf has been built on the coast. At the moment, there are many ships berthing on the wharf.

Many of these ships are of uniform shape, black and white, all of which belong to Shenyuan.

In order to make all parties proud and enter the inland sea smoothly, Shenyuan sent many ships.

After all, without the help of Shenyuan, it's troublesome for outsiders to enter the inland sea. Moreover, now shachi is broken because of Ye Chen's war with Xu Yanling and wanwuguang. It's more difficult to have that special evil spirit.

At this moment, several figures appeared on the dock and walked towards the palace in the center of the island.

These people are Beilingsheng, Ren and others!

Now, with the help of Ye Chen's pills, Beilingsheng and other people's injuries that seem difficult to recover have completely recovered.

After Beilingsheng and others, there is a young girl. On the girl's delicate body, there is a hundred colors of aura. It is Ning Caixia!

In the period of Beiling tiandian, Ning Caixia has spared no efforts to cultivate, but also lived up to the expectations of the public, breaking through to the half step Taizhen realm!

But now, when people come to Longmen Island, they can't help looking dignified!

On the road alone, they have seen many young people whose accomplishments have broken through to the half step Taizhen realm, even Taizhen realm!

This may be the result of the decline of the way of heaven, or it may be the result of Zongmen's use of all resources.

In a short time, everyone entered the main hall on Longmen island. At this moment, many people had come to the hall. Beilingsheng and others swept the audience's eyes and couldn't help but shrink their pupils. In this hall, the strong are like clouds!

Many demons of the hidden forces in heaven and man have appeared, and there are many demons in taizhenjing!

Ye Chen's battle with the East emperor's temple in the capital of Lingdu almost wiped out the high-rise of the East emperor's temple. Therefore, the reputation of Beiling's temple is as high as the sun in the realm of heaven and man!

Originally, Beilingsheng and others are very proud. It won't be long before Beilingtiandian becomes the most powerful tiandian!

But now see a scene in the hall, Beilingsheng and others only feel a basin of cold water poured on their heads!

They forget that the temple of heaven is just the strongest force in the face

The power of those hidden forces has always been far beyond their imagination!

In the eyes of ordinary martial arts, Dao Jing, who is extremely precious, is just like this in front of those hidden forces!

Because they probably have similar resources in their own hands!

Most martial arts people think that Daojing is the only one, just because of the limitation of vision.

At this moment, a sudden evil spirit came from outside the hall!

Many people subconsciously look out the door.

I saw a young man in a black robe, with a gloomy face, a habitual sneer at the corner of his mouth, and a pair of gray eyes full of evil spirit, come to the front of the crowd.

This young man came here alone. However, many of the strong men who were present could not help changing their face when they saw this young man and said, "this breath is from the fierce island of heaven and man?" "It's said that the top ten villains trapped on the evil Island picked up a child from the sea many years ago. This child became the apprentice of the top ten villains and mastered all the skills of the top ten villains!"

"Not only that! This child grew up on the fierce island. His blood is changed. He can absorb the special evil spirit of the fierce island. The power of this evil spirit can't be underestimated when it is used! "

"This child seems to be called Lin Xiong. Is it him?"

The young man in black robe glanced at all the people present. Suddenly, he stepped in front of a round faced man in a brocade robe and said with a smile, "brother, what's your name? I'm in Xialin

The round faced young man was stunned and immediately replied, "hermit family, Chen family, Chen Feishu."

When people saw this, they were all puzzled. Chen Fei's book was just the cultivation of the true realm. He was not a strong man in the hall. What did Lin Xiong know him for?

You know, this Lin Xiong is a very real person!

And, less than a thousand years old!

It can be said to be the genius among the geniuses!

What's more, he got the true biography of the top ten villains, and his strength should be far beyond the realm.

such a lucky man, normally, should not be able to reason with Chen Feishu such a woodlouse is ah?

At this moment, Lin said with a smile, "brother Chen, I know very few people. It's as good as you at first sight. How about you and I form a team?"

Chen Feishu was flattered and said, "really? I can't wait for it

After hearing the speech, people were even more puzzled

What does Lin Xing want to do?

At this moment, Lin Ying smiles and sits down at random. Then he says to Chen Fei, "brother Chen, are you thirsty?"

Chen Feishu was stunned and said, "I'm not thirsty. What's the matter?"

Lin said with a smile: "I'm thirsty. Can you make a pot of tea for me?"
