Chapter 561

"Back? It's late

At the same time, ye Chen's cold laughter has already spread.

If you look down on yourself, you have to pay a price.

He never thought of provoking Luo Jianzong, but he was aggressive again and again!

Today, ye Chen is going to ask for what he owes himself!

Kill!

Think of this side, complexion a congealed, ye Chen cries out.

Boom!

The style of boxing suddenly soared. A fist blows out yellow light all over the sky, like a fire burning the sky, sweeping across the eight wastelands!

Bang!

The next moment came the dull crash.

Click!

At the same time as the sound of impact, it is the sound of bone fracture.

"Ah, ah!"

Before also a face of rampant Xuan, suddenly tear heart crack lung howl up.

Ye Chen's fist, a confrontation with him, broke his fist style and broke his arms!

"Hum! Die to me

People of luojianzong want to kill themselves today? In this case, why should ye Chen keep his hand!

Direct suppression!

Xuanyi wants to kill himself, and ye Chen kills him first!

With a long cry, the power of a punch is not reduced at all.

Boom!

Ye Chen's blow smashes Xuanyi's arms to pieces.

Bang!

After that, Yu Wei of a fist hits Xuanyi's chest directly!

Click!

There was another crack.

Visible to the naked eye, Xuanyi's chest collapsed under the terrible destructive force.

Puff, puff, puff!

Blood gushing, with bits of internal organs.

Xuanyi couldn't even scream at this moment.

He opened his mouth and eyes, and his eyes were bloodshot.

He can't believe looking at everything in front of him, looking at Ye Chen in front of him.

"How could zhenyuanjing be so powerful?"

Xuanyi can't believe it.

Ye Chen, the root bone is only in his twenties. Is he so powerful?

How could this happen?

It is no wonder that all the strong people of luojian sect who entered China died.

I underestimated Ye Chen! Myself, this time, it's over!

his eyes gradually become empty, and Xuanyi's heart has only a thousand regrets!

Bang!

until another huge impact burst, Xuanyi's body, like a kite with broken string, was blown out and fell at the feet of the people of luojianzong, making the world clean.

Full Leng for a moment, looking at the flesh and blood, has no breath Xuanyi, the presence of several luojianzong people are crazy, all crazy!

Everyone can't accept what's going on right now.

How could that be?

A move to fight, ye Chen unexpectedly with the power to destroy the withered and decadent, seconds killed the Xuanyi who stepped into the wonderland?

Although Xuanyi has just stepped into this realm, he is also a strong one in Shenyou state, not in the later period of Zhenyuan state!

How did this kid do it? How strong is he?

"Ye Chen, you dare to kill my disciple Deng Botian! I want your blood to pay for it

Among the grief and indignation, luojianzong is a middle-aged man with a long roar and a body burst out!

He is Xuanyi's master!

Fall sword Zong Deng Botian!

Seeing this burst out of a figure, ye Chen did not respond, but sat back to the position! Another cigarette was lit.

Although seemingly relaxed, but feel Deng Botian momentum, ye Chen pupil can not help but shrink.

"The later stage of Shenyou state?"

Ye Chen was surprised.

As for the specific state, ye Chen can not detect.

"But you want to kill me? It depends on your ability

Although in the heart is surprised, but, ye Chen facial expression actually has not had the slightest change.

A man in the late stage of ecstasy wants to kill himself? We have to see if we can answer.

One Xuanyi is far from enough to make luojianzong pay enough price.

Deng Botian's life, he Ye Chen also wanted.

"Kill!"

Thinking of this, ye Chen is not afraid at all and kills Deng Botian. At the same time, the blood dragon and his life talisman are sacrificed.

Not only that, part of the power of the nine days of thunder is also absorbed!

This is equivalent to his control of Duan leiren's strength!

Enough to match the beauty of the strong!

Since we want to kill, we'll have a good time.

One Xuanyi is not enough to make luojianzong hurt his muscles and bones? What if we add a Deng Botian? What will happen to luojianzong?

The smile on the corner of Ye Chen's mouth is very cold!

"Ye Chen, you have a big voice!"

Ye Chen makes a bad remark, which makes Deng Botian more furious. If ye Chen is not killed today, how can Deng Botian get a foothold here? How did he succeed the elder of luojianzong?

"Chuanyun palm!"

In the roar, I saw Deng Botian's two palms superimposed and burst out.

In the blink of an eye, ye Chen is full of palm shadow.

And a star, like a star.

"Chuanyun palm? Ha ha ha, today I wear your cloud palm! "

This cloud piercing palm has an amazing momentum. Unfortunately, it's not as powerful. It looks like a shadow in the sky, but it is full of flaws. At least, Deng Botian didn't practice at home!

Sha Quan Zong Luo Yuntian taught him the skills of fist and palm. Any one of them is enough to break the Chuanyun palm!

Do you want to block yourself?

Ye Chen sneers!

This Deng Botian is just looking for death! Since he wants to die, ye Chen makes him perfect.

"Break it for me

Body shot out, a roar, ye Chen's fists burst out.

And the crack of the hand.

Boom!

The muffled sound exploded and the wind swept.

The shadow of the palm all over the sky, in this blow, Shengsheng was torn out by Ye Chen.

"Cang Long's magic body is determined!"

Foot Canglong magic body decision, did not pay attention to a face of surprise Deng Botian, ye Chen body shape flashing.

"No, elder Deng, get out of the way!"

The voice of the Lord of luojian sect came again.

Obviously, he sensed something bad.

Unfortunately, far water can't save near fire.

When Deng Botian realizes that something is wrong, is there still time?

Ye Chen's body shape is like a ghost, but it has already appeared in Deng Botian's side.

"Stick to the mountain!"

Walk like the wind, move like a tiger!

One record is close to the mountain and frightens all sides.

Bang!

Twist your waist and work hard!

A dull crash sound such as thunder burst, ye Chen's body and Deng Botian collided together.

For a moment, the sound of bone fracture can be clearly heard.

"Ah

In the scream of heartrending, Deng Botian's whole person is like a sandbag, and is flying out by Ye chenzhen.

The whole back of Deng Botian collapsed.

This hit is close to the mountain, but ye Chen is really on Deng Botian's body.

Can Deng Botian, who was caught off guard, be able to withstand the attack with all his strength?

At the moment, although still hanging a breath, but I'm afraid that his whole body skeleton, has been in the Ye Chen this blow, broken 7788?

Even if he can't be rescued in time, Deng Botian will surely die.

"Do you want to kill me?"

Deng Botian was hit hard by one blow, and ye Chen was as powerful as a rainbow.

Looking at Deng Botian flying backward, he roared and ran after him.

Take advantage of your illness to kill you! Ye Chen at this moment intends to end Deng Botian's life directly.

"Asshole! Ye Chen, don't be presumptuous

"Ye Chen, you don't want to succeed!"

"Ye Chen, stop it!"

Ye Chen's fierce pursuit of this opportunity makes all the people of luojianzong terrified.

Xuanyi is dead. Does Ye Chen really want to kill Deng Botian?

No way!

If Deng Botian died, what kind of blow would it be to luojianzong?

At this moment, luojianzong was in a complete mess!

Chapter 562

At the time when everyone is panic, ye Chen has appeared in front of Deng Botian.

Five fingers tear the air, hard buckle in the neck of the other side.

Even because of the force, Deng Botian's neck has appeared a line of blood.

It's shocking.

Now, those strong people of luojian clan who are ready to start fighting dare not move.

The atmosphere was repressed to the extreme.

An elder of luojian sect, who had a good relationship with Deng Botian, stepped forward and threatened: "Ye Chen, if you dare to kill Deng Botian, the consequences will be very serious!"

"This is a warning to you! If you move him, not only the Ye family will be buried with you today, but the whole China will be buried with you! "

Sun Zongzhu did not continue to speak at the moment. He held a dagger in his hand.

The dagger is full of aura.

In his eyes, ye Chen is strong, but there is no way back.

If he does, the son will die.

It's just that he doesn't want Deng Botian to have an accident.

This boy's life is not worth Deng Botian's life.

Shen Shixi, the elder of wanjianzong, took a look at Sun Zong Zhu and said with interest: "this boy is interesting. He is clearly in the Yuan state, but he can fight against the strong people in the Shenyou area. Kunlun is not short of such leapfrog killing, but this boy is from China.

I'm curious about the rarity of Chinese aura. How did he do it? "

Sun Zongzhu was stunned and took a look at Shen Shixi and said, "my Lord, do you want to protect this son?"

Shen Shixi shook his head: "why protect him? No matter how talented he is, he is nothing to me! Kill and kill. By the way, your people don't seem to be able to do it. Do you need me to suppress it? "

On hearing this sentence, sun Zongzhu shook his head like a rattle drum: "my Lord, you are breaking the evil spirit of me. I can kill this boy. You don't have to worry about it. Those people just tried the depth of the boy just now... "

Shen Shixi's eyes slightly narrowed, hands in front of his chest, without any fluctuations.

"No problem."

In fact, Shen Shixi still has a puzzle in his mind, that is, ye Chen's boxing techniques and methods seem simple, but they are not like the products of Huaxia and Kunlun.

It even means returning to nature.

For a moment, he even felt that every move of Ye Chen came from ancient times.

But soon, he shook his head and denied: "I think too much, but I don't know how this boy's sword technique is."

"If this son has a talent in swordsmanship, wanjianzong can consider taking people from luojianzong."

At the moment, the atmosphere in the arena was extremely strange.

Sun Zongzhu doesn't want to drag on any longer. If luojianzong can't deal with a boy in the real Yuan state of China, what do the elders of wanjianzong think?

Maybe the good impression accumulated in these days will collapse!

Thinking of this, sun Zongzhu's eyes indicated a little bit.

The strong man or elder of luojianzong around him naturally understood something. His figure surged and wrapped Ye Chen in an instant.

Ten people who are in a good mood!

Deal with a real youth!

Enough!

Those strong people of luojianzong even pinched their fingers, and then the long sword danced. Countless sword lights crisscrossed in the sky!

As if formed a big net, covering everything.

Ye Chen, there is no escape.

Sun Zongzhu seemed to eat ye Chen and said, "Ye Chen, you have no way to escape now. If I were you, I would release Deng Botian."

"According to our investigation, your mother should be at Ye's house. Besides, you seem to have several confidants. Even if you don't consider it for you, you should also consider it for your mother."

"Do you want these people to pay for your mistakes?"

"I'll give you a chance to let go of my people of Luo Jianzong. I'll only investigate you for this matter, not anyone!"

With that, Sun Zongzhu's hands were behind him, waiting for Ye Chen's answer.

The ten fallen sword clan's Shenyou strongmen killed and released!

Be ready to do it!

This son can't be left!

Deng Botian saw such a situation, gloomy smile!

Chen, you dare not kill me

"Although Luo Jianzong is not a major sect in Kunlun Mountain, it's not something that a lowly person like you can provoke."

"If you dare to hurt me again, believe it or not, your mother and woman will be fooled by me in the end!"

"Maybe I'll do something interesting with them in front of your body..."

At the time when everyone is determined that ye Chen will choose to let go, ye Chen raises his head, and his cold eyes scan everyone.

Then, the light words sounded: "you are threatening me?"

"One of the things I hate most is that people threaten my family."

"Anyone who threatens me is dead."

Words fall.

It's calm.

Finally, the eyes stay on Deng Botian's face. It was extremely cold.

The dragon will die if it touches the scales.

The next second, in the eyes of all people, ye Chen's five fingers of violent power burst out!

"Bang!"

A big bang!

Deng Botian's head was picked off by Ye Chen!

Blood splashes!

That Deng Botian to death did not expect his own accident!

The boy even killed him in this situation!

Once he's dead, the boy will have nothing to rely on!

How can he bear the anger of luojianzong!

Deng Botian's head was thrown on the ground by Ye Chen and rolled at the feet of sun Zongzhu.

"I killed him, so what?"

Sun Zongzhu has not spoken yet. One of the ten people surrounded by him can't sit still!

Go ahead!

Not even the Lord's orders!

A lowly man kills people in front of so many people in luojianzong. If he doesn't do it, what is luojianzong!

"Boy, since you like to break your head so much, I'll let you taste it today!"

A long cry, regardless of people's eyes, the person's body flash, toward Ye Chen straight away!

I see a straight to kill the opportunity, ye Chen pupil shrink, eyes full of cold light.

How can he let the other side succeed?

"Ten thousand swordsmanship!"

A shake of wrist, soul sword in hand! In the face of Ma daoquan, ye Chen directly swept out with a sword.

Brush, brush!

With the exertion of ten thousand swordsmanship, the sword Qi is sweeping towards the opponent.

This kind of sword Qi made Ma daoquan's body pause for a moment.

"Kill!"

For ye Chen, the Kung Fu between body shape and meal is enough for him to kill each other.

The edge of the sword has turned, and the opportunity to kill shoots in his eyes. Without waiting for the other party's reaction, ye Chen's long sword cuts horizontally.

"No!"

There was a roar of despair.

The man let out a final hiss.

He knows Ye Chen's boxing is very strong, but he doesn't know how terrible his sword is!

Pooh!

Just, at this moment, yelling can stop Ye Chen's killing move?

With the dull sound of penetration, with the burst of blood, as the body of the man was divided into two sections and fell on the ground, the whole field was silent.

Dead silence!

Heaven and earth seem to stop spinning at this moment.

Chapter 563

The cold wind whistling, can clearly hear everyone's breathing sound.

All people's eyes are focused on the blood all over the ground. And ye Chen, who stands up with his sword in the pool of blood, is like a mountain peak.

How long did ye Chen kill so many powerful people in front of so many people!

"This boy is crazy!"

The silence lasted for an unknown period of time. Finally, the fallen sword sect people who came back to God took a cold breath.

"Ye Chen!"

The Lord of luojian clan roared with red eyes.

"Good! Good! You really have a little guts! "

The Lord of Luo Jian sect had no calmness before. He was so angry that he glared at Ye Chen fiercely. His murderous intention on his face was no longer covered up!

"Ye family, don't leave alive!"

"Yes, Lord!"

Nine figures shot out at the same time, facing Ye Chen.

The sword is shining, and the momentum is soaring.

The air was filled with a sense of coolness.

Facing Ye Chen, they are obviously fearless.

With the momentum of the nine people, they try their best to show the strength of Shen Youjing. Compared with the several people killed by Ye Chen, they have to be stronger!

Rao is Ye Chen, aware of the momentum of nine people, can not help but look changed.

It is impossible for him to deal with nine people at present!

"Nine days of thunder!"

Ye Chen can only release that power!

Zhenhun sword is full of thunder and lightning!

There are even thunderclouds over the capital!

It's strange!

The people of luojianzong looked strange when they saw this scene.

No one would have thought that this boy would cause such a vision!

Sun Zongzhu's eyes were gloomy, no longer hesitated, completely disappeared!

At the moment, the expression of Shen Shixi of wanjianzong is somewhat strange.

Just now, when ye Chen was using his sword technique, he saw the shadow of the sword skill of wanjianzong!

Is this a coincidence?

His brows were wrinkled.

At the moment, ye Chen naturally regardless of those people's psychological thinking, deep complexion, a cold hum, to urge the soul of the sword in his hands.

The light of the sword is towering and the spirit of the sword is dense. Ye chenru carries the momentum of storm and covers it away.

"Why is the boy's breath getting stronger and stronger?"

Finally, when ye Chen's momentum shows, the nine people of luojianzong can't help but change their looks.

Zhenyuanjing?

Ye Chen shows the strength is true Yuan state, but, that burst out of the breath, let people fear.

Seeing is believing and hearing is deceiving.

What the eyes see is not necessarily true.

Is this the breath of a true yuan warrior? It's no weaker than some of their martial arts players in the Wonderland!

Especially the long sword in Ye Chen's hand, the thunder arc burst out all over the sky, which was absolutely astonishing.

It's a magic weapon, and it's a powerful magic weapon.

Is this the dependence of Ye Chen?

Nine people's heart, suddenly sink down.

"Do it! If you delay, you will change! "

Although the heart is shocked, but think of their own side, but there are enough nine strong team, their heart, finally is a little better.

A long cry, nine people and ye Chen hard resistance.

Boom!

The wind and rain collide, the light engulfs, the roar explodes.

Countless thunder and lightning seem to burst out!

In an instant, the wind blew into the sky, and the light bloomed like a volcano burst.

Under the huge force collision, swept away the leaf family dozens of meters scope, the vegetation all breaks.

The yard is directly destroyed!

Whoa!

The balance of power makes the space seem to start to twist.

Zizizi!

The friction and collision between weapons made Ye Chen and the nine middle-aged men deadlocked together, making the atmosphere solidified.

"Get out of here!"

A drop of sweat on his forehead slipped and fell. Facing the obstruction of nine middle-aged men, ye Chen drank in a deep voice.

The energy in the body does not want to explode!

Boom!

Thunder nine days by the release of soul sword, this energy reached the limit.

Thunder burst, a few dull hum, ye Chen and nine middle-aged men have toward the rear explosive retreat.

A move to fight, with one enemy nine, win or lose!

Enough to withdraw more than ten steps, ye Chen steady body shape, big mouth gasp.

If there are outsiders to see such a situation at the moment, it will certainly be extremely appalled.

A boy in the real Yuan state, with one enemy nine, was born to fight with nine martial artists in Shenyong?

How could that be possible?

There are different levels of cultivation. Shenyong state, crush the real Yuan state, can be said to be easy.

What's more, they are the strong ones in the nine Wonderland?

How can we not win a man from the real Yuan state?

And now this is really happening.

If someone had told the Luo Jianzong that there would be such a rebellious Zhenyuan environment warrior before this, they would have thought it was a big joke.

However, at the moment, the nine can't laugh at all!

Because ye Chen stood in front of them.

"Hum! A wonderland? But so it is

Looking at the cold day, the nine leaves are not determined.

Although a fight did not occupy the upper hand, but also did not fall behind, right?

The other person may not have tried his best. However, I didn't try my best?

"Ye Chen, don't be arrogant

Hearing Ye Chen's cold hum God full of sarcasm, nine people's faces twisted.

It's a shame.

"Arrogant? Ha ha ha, I am arrogant, so what? You nine, you can't stop me! If I want to go, who can stop me? If you don't believe it, try it. I'll let you bleed a thousand feet! "

As soon as the wrist shakes, the blade of the sword is facing, and ye Chen's murder is revealed.

His face was colder than ever.

He has to kill everyone before the power of thunder is exhausted for nine days!

"Brush!"

When the wrist shakes, the sword moves.

The Qi that has been accumulated in the body is like a torrent.

"Ten thousand ways to burn the sky!"

Even, ye Chen directly displayed ten thousand ways to burn the sky.

This is one of the sword techniques that Chen Tianli taught him.

This set of swordsmanship may not be the most powerful. But the speed is definitely the fastest.

What's more, the ten thousand Burning Sky Sword technique is elegant and changeable, saving Qi. It is the best choice to face such a situation.

Under Ye Chen's urging, a burst of light chanting sound came, and the true Qi and thunder and lightning broke out together, and the zhenhun sword soared to the sky.

Blood dragon comes out!

The thunder of this life talisman explodes!

Chapter 564

Oh!

At this moment, the blood dragon is full of thunder and lightning, unprecedented in history, rushing into the sky and blocking out the sun.

Canglong's illusory body is definitely displayed to the extreme, and ye Chen's figure instantly turns into several virtual shadows, everywhere.

A sword blows out, and the world changes color.

The counterattack that belongs to Ye Chen begins.

Ye Chen wanders around these strong people of Luo Jian sect.

The casual clothes on my body have been broken.

He even had a few sword marks on his body!

How difficult it is to deal with these nine people!

But he also found the disadvantages of these people!

Although they are all in a state of ecstasy, they are not as stable as themselves!

In other words, these people are made of pills.

And he is in the realm of cohesion between life and death again and again!

Although there are many differences in the realm, there is no big gap in terms of real strength!

The sword rises and the sword falls.

Ye Chen seems to bloom in the killing!

At this moment, he understood Chen Tianli more and more!

One down, two down!

At the end of the day, all nine fell down!

There is no power of World War II!

And Ye Chen is also panting, his casual clothes have been dyed red with blood.

His eyes are full of blood, ferocious to the extreme!

It seems to be his limit.

But it's a great feeling!

He even had a sense of breakthrough!

After this time, he will be able to step into the fourth level of Zhenyuan realm!

All of a sudden, a cold feeling came.

Ye Chen's body shrinks, subconsciously dodges.

But it's too late!

A short sword broke through Ye Chen's body!

Fortunately, it's not the point!

Ye Chen looked down at the wound and found a trace of black.

"Poisonous!"

He no longer hesitated, from the samsara cemetery to take a pill, the pill entrance, the black wound stopped spreading.

He swept in the direction of the short sword, and he was the Sun Zong Lord of luojian clan!

At the moment, the whole body of Sun Zong Zhu was killed, covering the ground all over the sky, and the terror was incomparable.

Who could have thought that all the people he brought out would have fallen to the ground when dealing with a suckling boy!

Luojianzong is almost a heavy blow!

The price is too high!

He's angry!

"I underestimated you, but now you must die!"

His pair of eyes, as if to see the dead, looking at Ye Chen.

"Don't talk nonsense. If you want to fight, you can fight."

Ye Chen doesn't want to talk nonsense with the grandmaster.

Although he knew that he was defeated, he still wanted to feel the strength of the leader of the xuzong clan in Kunlun!

He wants to know how much he has left!

Even if he is defeated, he still has the final card!

But this card can only be used at the most critical time!

Ye Chen doesn't want to depend on him!

"Die!"

Sun Zongzhu's eyes congealed and cried out.

Brush!

With a long cry, sun Zongzhu suddenly disappeared in his place.

"How fast

A huge crisis spread to Ye Chen in an instant.

"Bad"

in a flash, a breath of death came over, and ye Chen's face changed greatly.

"Get out of here

Regardless of everything, ye Chen held a long sword on his face and swept toward the front.

Ding!

But in an instant, a crisp crash came.

Boom!

The roar of terror exploded.

Pooh!

A mouthful of blood spurted out, ye Chen's face was pale. His whole body was like a boulder, which was blown out.

On the soul sword, the thunder light scattered, suddenly gloomy.

The power of nine days of thunder has disappeared!

Bang!

Ye Chen smashed and fell on the ground seven or eight meters away, only feeling that his body seemed to be shaken apart in general.

Just a move to fight, even if you have not seen clearly how sun Zongzhu made his move, is it a heavy blow?

Is this the strength of Lord Sun?

In his heart, ye Chen struggles to get up and looks at the Sun Zong Zhu who appears in the place where he stands before. Ye Chen looks suspicious.

"I'm the peak of mind wandering state, even half step extraordinary state, you still want to struggle!"

Sun Zongzhu sneered.

If it was not for the elder of wanjianzong, he didn't want to bully the small, otherwise he would have done it earlier!

Now, he doesn't care so much!

"Down the sword, suppress!"

When the voice dropped, he saw a seal in the hand of sun Zongzhu. His wrist trembled, and a sharp sword seemed to break through the sky, turning into a flying rainbow and shooting at Ye Chen. Whew!

How fast does this sword shoot? Such as tearing the space, bringing a deep and sharp voice, such as the sickle of death, with the breath of death of judgment.

With this sharp sword shot out, it was only for a moment that the whole world seemed to solidify, and the whole time and space seemed to freeze down.

Ye Chen only feels as if he has fallen into the mire and is hard to extricate himself.

The long sword completely locks his breath, and ye Chen can't avoid it.

A great crisis has come.

"What a terrible sword spirit!"

"Is this the strength of a man who is half step ahead of the world? This sword is like a flying sword? "

Rao is Ye Chen. Seeing the light of the sword, he can't help but take a breath of cold air.

Sword killing?

It's true that the grandmaster is half step transcendent. However, not all people who have stepped into the extraordinary world have such means. This requires a deep understanding of kendo, but also a strong strength as a support!

What's more, the gap between this method and Chen Tianli's is too much!

Maybe ordinary people can cheat, but they can't cheat him!

This sword looks like a royal sword to kill people, but there are tricks in it!

Sun Zongzhu has a cold smile on his mouth.

He's in charge.

In fact, he did it on purpose!

He wants to show it to the elder of wanjianzong!

Ye Chen, you can't stop it!

And ye Chen at the moment is Duan leiren, who communicates the samsara cemetery!

"Master, can you give me a strength to deal with the current situation?"

Ye Chen Dao.

Duan leiren stood with a negative hand and nodded: "it's not bad for you to block so many people with Zhenyuan state. Since these people are crushed by the realm, I'll teach you a move to break thunder!"

The next second, the true Qi consumed by Ye Chen's elixir field seems to condense again!

At the same time, a message appeared in my mind!

When he saw the content of the flow, he outlined it.

"Break it for me

Ye Chen roared, and the soul sword burst out again.

"Breaking thunder!"

No more hesitation!

Although sun Zongzhu's move is not a real sword killing skill, its power is also amazing!

Only Duan leiren's thunder breaking chop can be resisted!

"Brush!"

With a long cry, ye Chen's sword in his hand is cut horizontally.

In the meantime, the nine days xuanyang decided to move to the extreme, and the Qi in the body's 36 acupoints and the elixir field was roaring like a torrent.

Endless genuine Qi is injected into the zhenhun sword. In an instant, the zhenhun sword makes a concussion sound, and bursts out a dazzling light, like the sun and the moon rising into the sky!

At the same time, the thunder cloud over Ye's house suddenly broke out!

More than ten thunder and lightning hit the soul sword!

Ye Chen seems to be wrapped by lightning!

Zhenhun sword is even more connected to the sky!

Hoo Hoo Hoo Hoo!

The wind blows and the wind changes color.

Chapter 565

Breaking thunder and chopping, inducing thunder and lightning, integrating the power of heaven and earth!

Ye Chen wants to use the power of thunder and lightning to counter Master Sun's moves!

Stab!

With that yellow light across the sky, breaking thunder, rolling the wind and cloud, with the potential of thunder suddenly fell.

For a time, the thunder was shining brightly, and the sword light that sun Zongzhu shot out competed.

Under the extreme light of the sword, the onlookers are constantly retrogressive and even dare not look directly at them.

Boom!

Suddenly, a burst of roar exploded, and the two swords collided fiercely together.

As mountains collide, stars collide.

This roar made the earth shake and the mountain shake.

The whole periphery of Ye's house is in ruins.

Crash!

A stream of extreme sword Qi diffuses around.

The trees on both sides of the road were smashed.

"Ah

"Back

The onlookers, who had gathered around, looked greatly changed, and Cang Huang retreated to the rear.

Zizizi!

Thunder light and white light stalemate, the collision of two huge forces, issued bursts of sharp sound.

"Ye Chen, I didn't expect your strength was good. Can you resist my sword? But you think you're safe? "

His face was gloomy. Seeing the light of his sword, Shengsheng was blocked by Ye Chen's sword, and he could no longer inch in. Sun Zongzhu was very embarrassed on his cold face.

His half step extraordinary strength has been fully demonstrated.

This sword killing skill has also been used.

It can be said that sun Zongzhu showed his strength to the extreme.

Originally, in his opinion, such a move is as simple as crushing a mole ant. But now it's resisted?

This son can't stay!

Sun Zongzhu's thoughts became more and more firm.

In the real Yuan state, ye Chen is so rebellious. If you let him step into the ranks of the extraordinary, what kind of storm will he set off?

Kunlun Xudu will change the sky!

If you don't kill this son today, in the future, luojianzong will surely fall into the land of eternal disaster!

"I see how you can stop it!"

When he thought of this, he did not dare to hesitate.

A cold hum, the hand is to squeeze out a few runes.

Even forced out a drop of blood essence!

Every seal and blood essence sacrifice, sun Zongzhu's face is pale. He no longer had the calm and calm he had before.

Obviously, what he is doing now, to his level, is extremely reluctant. In order to kill Ye Chen, sun Zongzhu will not hesitate to kill Ye Chen!

Buzz!

As the seal was made, the sword light, which competed with Ye Chen's soul sword, made a sharp roar.

As if between, that sword light once again withstood the infusion of endless energy!

Boom!

At last, after the glory reached its peak, a roar exploded.

The sword light, which was originally in a standoff with Ye Chen's breaking thunder, was like the burning sun flying into the sky, and suddenly cut the broken thunder!

Whoa!

The terror of the air wave opened, with the breaking thunder cut was broken, ye Chen body shape severely shocked.

Pooh!

In the sweeping sword spirit, ye Chen was lifted out.

Stab!

A sharp pain came.

Ye Chen's chest clothes were born to tear a hole.

If ye Chen didn't dodge, he would be killed on the spot!

Breaking thunder chop is just a sword that Duan leiren taught him on the spot, not Duan leiren's great power.

Breaking thunder is powerful, but the gap is too obvious!

At this time, Duan leiren another voice in Ye Chen's mind.

Voice down, ye Chen mouth outline a smile.

Sun Zongzhu did not notice, now his expression ferocious to the extreme, step by step toward Ye Chen!

In his eyes, ye Chen's strength, so far.

"Ha ha! Ye Chen, I see how you can be presumptuous

Although he paid a lot of cost, but under this blow, ye Chen was severely damaged, and sun Zongzhu was able to breathe out a breath.

Slightly gasping, looking at Ye Chen struggling to get up in the distance, sun Zongzhu sneered.

Although this move can not directly take ye Chen's life, so that Sun Zong Zhu is very sorry. But what about that?

Ye Chen is seriously injured.

Next, kill him by himself. It must be as simple as crushing a mole ant.

"You think you won?"

Forced to endure the pain all over the body, ye Chen opened his mouth.

His eyes were sharp and his eyes were cold.

Sun Zongzhu laughed wildly, but ye Chen also laughed.

He looked at sun Zongzhu coldly, wiped away the bloodstain on the edge of his mouth, and showed a wolf like look in his eyes. Lord Sun? He thought he won?

Unfortunately, ye Chen is doomed to let him down.

Since ye Chen is standing here, he naturally has his own means.

"Hum! I dare to be arrogant when I die! "

Hearing Ye Chen's words, sun Zongzhu was disdainful.

In the eyes of sun Zongzhu, ye Chen is just a dying struggle, a dead duck with a stiff mouth.

How can he continue to fight against himself?

"Arrogant?"

Ye Chen burst out laughing. Smile makes countless people do not know why.

In that case, let me show you my arrogant capital

See ye Chen wrist a shake, a Fu is to appear in Ye Chen's hand.

This is from Duan leiren!

With Fu Jue in hand, ye Chen is full of heroic spirit, and his momentum changes dramatically.

"Go!"

Not waiting for sun Zongzhu to return to God, ye Chen suddenly urges Fu Jue.

Hum

with the injection of genuine Qi, fujue immediately makes a sound of agitation, and the whole body is shining.

The black light, strange and incomparable, even in the scorching sun, still gives people a cold and piercing feeling.

Woo Hoo Hoo!

In a flash, dozens of virtual shadows shot out.

Brush, brush!

Between heaven and earth, ghosts cry and howl!

"This is..."

Sun Zongzhu's face changed as he watched the shadow shot out.

"Not good!"

All of a sudden, it seemed to notice something. Sun Zongzhu's body quickly retreated towards the rear.

"Jie Jie Jie Jie!"

At the same time, a burst of cold laughter came.

Brush!

A dark shadow flashed by.

Stab!

A sharp tear came in an instant.

"Ah

Sun Zongzhu sent out a burst of screams and staggered backward.

"This is the puppet symbol of the disappearance of Kunlun! How could you have! Who the hell are you!
Who is behind you

Sun Zongzhu looked at the empty shadow floating in front of him in panic and exclaimed.

Chapter 566

Seeing this puppet symbol, Master Sun can't calm down.

Puppet rune is an extremely rare existence of spirit rune.

Even in Kunlun, Xu had disappeared for many years.

The last time it appeared was at an auction in kunlunxu.

The price is skyrocketing!

Finally, the master of wanjianzong got it!

Shen Shixi around him should be the most clear!

Sun Zongzhu looked at Shen Shixi: "my Lord, is this a puppet symbol?"

Shen Shixi's eyes were extremely complicated and even greedy. He nodded heavily: "it's exactly the same as the puppet Rune of the patriarch, and this boy's puppet Rune seems to be stronger."

"You may not be his opponent. I'll do it."

Sun Zongzhu was stunned and hesitated for a few seconds, but he said: "my Lord, this kind of small person is not worth your hand. Although this son has a puppet rune, it is not so easy to kill me. In this case, I will take the puppet Rune and give it to the LORD by myself!"

Sun Zongzhu had no choice.

Today, the strong men of Luo Jianzong have fallen or injured. If he can't win Ye Chen! That really let Shen Shixi see the joke!

From then on, what will Wan Jianzong think of Luo Jianzong?

In this war, he must bet on his future and the fate of Luo Jianzong!

Without waiting for Shen Shixi to reply, Sun Zongzhu's figure rushed out!

This time, he burned his accomplishments as a price! Suddenly strengthen!

Breath is rising!

Seeing Chairman Sun Zong rolling in, Ye Chen was disdainful.

"Kill!"

Voice down, no longer nonsense, a cold hum, Ye Chen holding Fu Jue, deep voice drink.

"Jie Jie!"

Under the urge of Ye Chen, the shadow sends out a burst of sharp laughter, and the body shape skims out.

For a time, the sky and the earth were dark, the sun and the moon were dark, the wind was howling, and the cold was pressing.

Brush, brush!

The shadows crisscross.

Every time the shadow flashed by, sun Zongzhu was in great distress.

The strong in the early stage of half step transcendence? So what?

This is the Fu Wen refined by Duan leiren himself!

This is quite different from the power of thunder nine days!

What's more, sun Zongzhu's breaking the thunder chopping of Ye Chen, I think, has paid some price.

In this case, in the face of the siege of the shadow, the situation can be imagined.

For a moment, the scene turned around, and sun Zongzhu roared.

No one would have thought it would be such a result.

Ye Chen, who was on the verge of death just now, has turned over again? Sun Zongzhu, who was favored by all people, fell into a desperate situation?

Looking at Ye Chen, those people who are looking around a hundred miles away, have a trace of horror in their eyes and a look of panic.

Those who wish Ye Chen to die, this moment is dripping with cold sweat!

It's hard to imagine what the result would be if they dealt with Ye Chen and ye Chen released such means just now?

They will die in one move!

All the people in China thought that ye Chen and Bai Li Xiong were dead, and ye family was no longer.

But no one would have thought that at this moment, ye Chen came back strong.

Even the sect of Kunlun can't be obstructed!

"Ah

In the dead silence, a sudden burst of heartrending screams came.

In the face of the siege, sun Zongzhu, who was in a hurry, was hit hard again!

With a burst of sharp tearing sound, the spirit of sun Zongzhu was severely torn by the puppet symbol. His mouth vomited blood and his face was pale. Sun Zongzhu looked like a madman.

"Help me, my Lord!"

At this moment, sun Zongzhu could no longer care about his face and asked for help from Shen Shixi!

At present, only Shen Shixi can save him!

"No one can save you! Sword

Ye Chen Mou son one congeals, holds the soul sword in hand, directly toward the injured Sun Zong Zhu and goes!

"Ye Chen, don't be presumptuous

However, just when everyone thought that Sun Zong Zhu would die, he was about to die under Ye Chen's sword, and a burst of anger came.

Boom!

On the street in the distance, an air wave exploded, and a figure came madly empty.

The sword light in the hand soars to the sky, which is incomparable!

Shen Shixi has done it!

"My God, what is this man's cultivation?"

"The momentum of this man is stronger than that of the former patriarch sun!"

Because the movement is too big, there are more and more powerful martial arts circles around Ye family.

Since ye Chen's accident, many families have been paying close attention to the Ye family.

Now I hear some news, and they come out one after another.

However, they only dare to watch in the distance, dare not close a step!

Attracted by the roar in the past, looking at the figure coming from the sky, those people who hold their breath and breath, exclaim. Ye Chen, who also noticed this scene, only felt that his breath was completely locked in, as if he was about to fall into the land of doom.

Super strong?

This is the real super strong!

"Hum! I don't care who you are. Today, no one can save Lord Sun! "

At the same time, ye Chen made a choice between electric light and flint.

A sharp flash in the eyes, ye Chen's whole body killing opportunity is no doubt!

No matter who the strong man is, ye Chen can never let this person succeed!

If you don't kill the grandmaster today, it will not be so easy to kill him in the future.

I don't know how long it will take to wait!

Mother and ruoshue, they must be in danger!

Don't care. Kill Lord Sun first!

In the heart makes up one's mind, ye Chen's eyes are no longer shaken, in the eyes that a bright light crazy incomparable!

"My Lord! Help me

In the face of this moment of crazy Ye Chen, sun Zongzhu is completely flustered!

"Kill!"

A long cry, ye Chen sword light killed.

Pooh!

In sun Zongzhu's frightened eyes, the sword undoubtedly stabbed him in the chest!

At the moment of piercing, Shen Shixi arrived!

But a little late!

Five fingers clasped sun Zongzhu's shoulder and threw it out directly!

Time freeze, space freeze!

The world is quiet.

Sun Zongzhu couldn't believe it.

Ye Chen, a boy of zhenyuanjing, luojianzong didn't crush him to death. Instead, his life was passing and his body was freezing. The world began to become empty and dark. Lord Sun opened his mouth and tried hard to say what he wanted to say, but he could not say it in the end!

Not reconciled!

I tried my best to step into the transcendental realm, but I was not powerful. How could I go to hell?

Ye Chen is a god killer!

If I had known that, sun Zongzhu would not fight with Ye Chen when he died! Not to find Ye Chen's trouble!

Who could have thought that ye Chen's means were endless?

Boom!

He could not make a sound any more. After strenuous efforts, he raised his finger and pointed to Ye Chen. Sun Zongzhu spit blood in his mouth, and his body suddenly fell towards the rear!

At this moment, Shen Shixi's eyes are cold!

Luojian sect is a sect under wanjianzong!

For thousands of years, he has been under the protection of wanjianzong!

Who could have thought that the patriarch was killed like this!

He took a look at Sun Zong Zhu, no longer hesitated. He took a pill from his waist and put it directly into his mouth.

Fortunately, I just pulled sun Zongzhu a little bit and avoided the most important part of his heart, otherwise he would die completely.

Chapter 567

"Take the pills! Qi sink into the elixir field, heal

The cold voice of Shen Shixi rang out.

Sun Zongzhu nodded. The moment the pills were taken, the life passed slowly.

But even if he survived, his accomplishments would fall down!

Luojianzong is no longer.

Thinking of all this, sun Zongzhu's cold eyes shot at Ye Chen!

I would like to swallow Ye Chen's meat piece by piece!

All this is destroyed by Ye Chen!

Why!

"My Lord, I have a request. Please satisfy me!"

Sun Zongzhu's cold voice rang out.

Shen Shixi glanced at each other and said, "say it."

"My Lord, I want this boy's arm to be torn! I want him to be a cripple, his soul burned! The pain is unbearable! I want him to live rather than die! "

Sun Zongzhu gnawed his teeth.

How painful it would be to destroy the effort!

Shen Shixi sighed, looked at Ye Chen, and nodded: "OK, I promise you, one person suffering for so many people's lives, or luojianzong lost."

Shen Shixi's eyes twinkled with cold light.

Brush!

with his voice falling and his body flashing, Shen Shixi killed Ye Chen: "boy, take your life!"

A long cry, a red light passing, covering the sky.

Shen Shixi made a move.

This is definitely not an ordinary person. In between, it is to set off a storm.

Even too late to see what the red light is, ye Chen has been creepy.

"Bang!"

In a hurry, ye Chen can only turn the blade and resist it.

Puppet Rune has only one chance to use!

This time, his dependence is gone.

He just wanted to communicate with the reincarnation cemetery, and the killing opportunity has fallen!

A dull roar exploded, ye Chen's body like a shell was blown out.

Shen Shixi's attack is more than a powerful force?

In Shen Shixi's eyes, ye Chen is extremely weak.

He is like a mountain, crushing ants!

Ye Chen turns over in mid air, barely holding her figure!

His blood was surging up. If he hadn't suppressed him, he would have vomited out a mouthful of blood.

Is this the strong one of Kunlun Xu?

Ye Chen can almost conclude that Shen Shixi is the strong man in the middle of the transcendental realm.

Compared with sun Zongzhu, one day is a land!

Now, in front of Shen Shixi, I'm just a mole ant.

A deep crisis grows from the bottom of Ye Chen's heart.

"Hum! Little mole ants, dare to be presumptuous! You can't touch luojianzong! "

One move flies Ye Chen, Shen Shixi hums coldly.

Until then, people can see clearly what the red light was before!

Isn't that a blood red crescent moon?

Machete? No! However, on the periphery of that crescent moon, the cold light flickered and was extremely sharp.

The curved moon is covered with cloth patterns, which is extremely mysterious. On the other side, it is a handle.

At the moment, Shen Shixi holds the moon in his hand and looks coldly at Ye Chen in the distance.

The moon in his hand is like a sword, like a shield!

This is a magic weapon!

The master of wanjianzong gave it to him personally!

Looking at the scene in front of them, many people took a breath.

I really want to lose this time.

The gap between realm and breath is too big!

"Ye Chen, I, Shen Shixi, have promised Lord Sun that I will make you suffer. Don't blame me for being merciless. This is the rule of Kunlun Xu."

Finally, Shen Shixi took a deep breath and turned his attention to Ye Chen. He said coldly.

What he said was plain, but it was like a trial with incomparable dignity.

"Go!"

When the voice falls, Shen Shixi doesn't even give ye Chen a chance to speak. When his wrist shakes, the crescent moon in his hand flies out again.

Hum!

A burst of sound of concussion, with the moon swept out, in an instant, the Ye family, as if covered by red light.

A breath of terror emanates and opens, the red light directly towards Ye Chen swallows away.

In the face of the shrouded red light, ye Chen's look suddenly changed.

Immediately trigger the blood dragon and the life talisman!

Shen Shixi in the middle of transcendence? Such a strong person appears, let Ye Chen heart fall to the bottom.

However, in the face of Shen Shixi's killing moves, how can ye Chen wait to die?

Urge to send zhenhun sword, which is rampant!

The whole body thunder and lightning blood dragon with the sword idea impact and go!

"Do you want to do it again? Cut

Without hesitation, Shen Shixi moved, and the red light seemed to turn into a torrent and swallow it down. Woo Hoo Hoo!

After the red light, although the blood dragon resisted, it soon dissipated!

The blood dragon is affected by Ye Chen's true Qi and strength. He is a little weak! How to resist the attack of Shen Shixi?

"Damn it!"

In the face of the red light that continues to kill, ye Chen can't help roaring!

The whole body is full of genuine Qi. Ye Chen holds the soul sword and displays the sword formula of ten thousand swords.

The sword spirit soared to the sky. In a flash, the sword light rose from the ground and flew into the sky, colliding with the red light.

Volcanic eruption, red light, as if the sky flame, is burning!

Boom!

The path, which roars and roars, is almost roaring over the trees.

"Ah

Some of the onlookers, who had no time to avoid them, screamed in the air.

Those with weaker strength will be killed on the spot. Even if it is a powerful generation, but also with a scar, this just reluctantly get out!

Gods fight, little devil suffer!

The contest between Ye Chen and Shen Shixi is already earth shaking.

But of course, the two people's realm is too big, ye Chen's loss is too big, soon, the red light over everything!

Ye Chen's body flies out! Hit the ground hard!

It's a mess!

Sun Zongzhu, who was seriously injured, was very happy to see this scene!

"Your majesty! My Lord, cut off this son's arms! I want him to torture to death

Sun Zongzhu grinned ferociously.

Shen Shixi snorted coldly and walked towards Ye Chen step by step. When he stopped five meters away from ye Chen.

"You and I realize that it's too big to kill you. It's a shame to kill you, but of course, you still deserve to die! Today I'll break your arms first! "

The weapon in Shen Shixi's hands is raised high, and the intention to kill is released!

And ye Chen at the moment is a strange expression!

He wanted to communicate with samsara cemetery, but he heard a familiar word!

Wanjianzong!

Isn't this the ancestral gate mentioned by Chen Tianli?

Isn't it!

The next second, ye Chen stood up and laughed coldly: "are you from wanjianzong?"

"Don't talk nonsense!"

Red light will touch Ye Chen's arm!

When Shen Shixi's expression was ferocious, a jade pendant appeared in Ye Chen's palm!

The moment the jade pendant appeared, Shen Shixi's expression changed!

The red light stopped!

Because this jade pendant is the shadow left by Wan Dao Jian Zun!

as like as two peas!

And the youth in front of us are the people who want them to protect!

"Plop!"

At the time when all people think ye Chen will die, Shen Shixi makes a move that makes everyone startled!

He's on his knees!

Chapter 568

Shen Shixi left Kunlun Xu this time and stepped into China for one person.

Wan Dao Jian Zun.

The opponent's moves in wanjianzong before are enough to crush everyone!

One of the key words left by the other party!

"Falling sword shape is my useless apprentice. Today I come to you wanjianzong for another person!"

The ancestors are all the disciples of this son, so this kind of existence is absolutely ancient power!

Who dares not obey the explanation of ancient great power!

You can decide the life and death of wanjianzong by waving your hand!

Even the master of swordsman should be careful to serve him!

Shen Shixi subconsciously looks at Ye Chen.

The explanation of ten thousand swords is constantly ringing in my ears.

"If you see this jade pendant, you will see your master!"

And the youth in front of me are the people who are told by wandaojianzun!

It's equivalent to master being here in person!

Even the patriarch must kneel down!

Can he not kneel down!

At the moment, the Grandmaster of luojianzong and the onlookers are completely confused!

What's going on in front of you!

Shen Shixi is in control of everything, and even killing Ye Chen is effortless!

But at the moment, it is kneeling to a mole ant!

This is a noble elder of wanjianzong!

His status and status in Kunlun Xu is not the existence that ordinary people can contend with!

Even in front of the master of wanjianzong, you may not kneel down!

But now, what is the situation!

The onlookers also opened their mouths, as if petrified.

No one would have thought that under a knife, it was not ye Chen who died!

But let a strong man kneel down and submit directly!

Ye Chen is just taking out a jade pendant from the beginning to the end?

Is this jade pendant a national seal?

Ye Chen looks down at Shen Shixi, but he is the most muddled.

He never thought that the jade pendant left by Chen Tianli had such an effect!

He knew Shen Shixi's strength. He thought the jade pendant could only make the other party stop, but he didn't expect that the other party would kneel down directly!

What did Chen Tianli do when he went to Kunlun?

Can the people of wanjianzong be so scared?

Now he no longer think much, wait to solve the matter in front of him, and then ask each other.

Just as he was about to speak, the Grandmaster of luojian sect said, "my Lord, what are you doing Why don't you abolish Ye Chen instead... "

Sun Zongzhu did not dare to say death, and looked at Shen Shixi in surprise.

Unexpectedly, after hearing this sentence, Shen Shixi's expression changed completely and his intention of killing was vertical and horizontal.

"Master, a mole ant dares to shout so loudly, it's just looking for death!"

In Shen Shixi's eyes, holding a jade pendant is a master!

Judging from Wan Dao Jian Zun's attitude and ye Chen's sword skills, ye Chen is likely to be his apprentice!

In terms of seniority, it is the same position as the founder of wanjianzong!

Even! Maybe even higher!

In this way, all the people of wanjianzong and even the patriarch should be called master Ye Chen!

Not waiting for ye Chen's reply, Shen Shixi stood up fiercely, turned into a strong wind, and went towards Chairman Sun Zong!

The cold killing intention made sun Zongzhu pale!

He didn't expect that Shen Shixi would attack him inexplicably!

Master?

Master Ye Chen is the elder of wanjianzong?

How could that be possible!

How can a young man in his twenties be the master of wanjianzong!

Countless doubts entangled in sun Zongzhu's mind!

But he couldn't help thinking!

The idea of killing comes like a storm!

Shen Shixi has appeared in front of sun Zongzhu!

"My lord..."

Before sun Zongzhu's words were finished, Shen Shixi's five fingers caught each other like this!

It is to lift the other side directly!

At this moment, heaven and earth seem to feel the change of shenshixi, and change accordingly.

The air was frozen, the atmosphere was oppressive, and the world was suddenly quiet.

The dead silence, suffocating!

Shen Shixi's eyes seem to be able to see through the world, looking at sun Zongzhu.

The fierce look in his eyes made him feel that his throat was stuck and hard to breathe. At this moment, he seems to be facing a ferocious beast!

"Master Sun, if you should not, you have offended your master! Not only you, but the whole luojianzong will be destroyed from today on! No one can bear the anger of master! "

This is the original words of Shen Shixi.

The power of the five fingers broke through the neck of Lord Sun!

Blood flowing!The method is extremely cruel!

Sun Zongzhu's expression changed completely, and he was even a little frightened: "adult, why! How could he be the master of wanjianzong? You must have mistaken him

"I didn't admit it! Don't say it's you. Even if the patriarch and the founder of this sect see him, they must kneel down and submit! What are you doing in luojianzong! Die

Sun Zongzhu's eyes stare big, dead looking at the distant Ye Chen.

At this moment, he felt fear!

The existence of a Kunlun xuwan Jianzong respected by thousands of people was offended by himself?

Who the hell would think the master of wanjianzong was a little boy!

"Click!"

His neck was broken directly. It was crazy and cruel!

No life!

Sun Zong's sword fell down!

After all this, Shen Shixi's arm shook, and all the blood on his hand dissipated. Then he walked towards Ye Chen step by step.

When he came to Ye Chen, Shen Shixi knelt down again: "master, is it a disciple today! I didn't recognize my master at first. I deserve to die! He even stood on the side of luojianzong and even attacked the master! I'm willing to abandon my accomplishments and take on everything! "

Words fall, Shen Shixi a palm toward the chest and go!

Once it is lost, it will be taken!

Once the Kunlun virtual strong person has no cultivation, then life is worse than death!

Those powerful Chinese martial arts experts who were watching couldn't speak at all, and their eyes almost burst out!

How could this strong man abandon his cultivation because of a small matter?

When did the world get so crazy?

Sleeping trough!

As for it!

Even if you want to please Ye Chen, it will not be so!

Ye Chen saw this scene, some of which are neither laughing nor laughing.

Is Shen Shixi so afraid of himself?

Seeing that Shen Shixi was about to abandon his cultivation, ye Chen even said, "stop it!"

Shen Shixi stopped just now, and the wind was blowing. It can be seen that he did kill his hands just now.

"I don't blame you for this. There are so many people here. Stand up and let's go in and talk about it." Ye Chen Dao.

After hearing this, Mr. Shen said, "thank you very much."

Shen Shixi stood up and suddenly thought of something.

Ye Chen, as a matter of honor to master wanjian, can't be sent out at present. Only when ye Chen returns to wanjianzong can he be exposed to everyone's sight!

Now, since some people have noticed it, he has to erase it.

Think about everything, Shen Shixi towards those who watch!

Like a breeze!

You can't see the figure at all!

Chapter 569

Those onlookers noticed something was wrong, and just wanted to leave, they found a pair of virtual images as if they were drilling into their minds!

What did you take out!

They don't even have the right to resist!

Of course, there are still people struggling!

But the final end is turned into blood fog on the spot!

Visible power!

Where Shen Shixi went, everyone's memory was directly erased!

This is a skill of wanjianzong. Although it is immature and even makes people faint, he can't care so much about it!

For him at the moment, master's everything is higher than heaven!

Ye Chen in the distance saw Shen Shixi's action, without any expression, and went directly to the Ye family.

I thought that Kunlun Xu had to rely on the reincarnation cemetery. Now it seems that with wanjianzong, it will be much easier.

I don't know what Chen Tianli did during that time?

Luojianzong is one of his moves. What is the next move?

Anyway, he must go to Kunlun Xu in the near future.

No, it's better to start now!

Father is still suffering in the blood League.

Even at a great price, he will save his father!

.....

Ye's central villa.

Shen Shixi finished everything and came to the living room. When he saw Ye Chen, he just wanted to kneel down. Ye Chen said, "kneel down, you don't need to kneel down. What's more, why do you call me master?"

This is Ye Chen's most confused place.

It's not too much to call yourself, but the biggest problem is actually the word "master".

He spent five years in Kunlun and knew the meaning of these two words to a clan!

Above the Lord!

Hearing this question, Shen Shixi guessed that Wan Dao Jian Zun did not tell Ye Chen everything. He did not hesitate to Tell ye Chen what had happened before.

Including the meaning of jade pendant.

Five minutes later, ye Chen suddenly realized.

It turns out that Chen Tianli is willing to expend energy and turn into substance and step into Kunlun void. This is one of them.

Chen Tianli must have thought that his current cultivation is not good enough.

After all, he started too late.

It's only five years of practice.

Many people in kunlunxu began to practice at the age of three, and there are countless resources piled up.

The gap is not a little bit.

Fortunately, he has a reincarnation graveyard and other adverse phenomena.

This move of wanjianzong can at least protect itself at the critical moment.

This power is extremely powerful!

Once used, it can solve 90% of the problems faced by Kunlun!

Although wanjianzong is not the top sect of Kunlun Xu, it is not weak at least!

He vaguely remembered that five years ago, the old man took him to wanjianzong, but he was blown out before he stepped into the gate.

But I didn't expect five years later.

He changed his identity and became the master of wanjianzong.

The world is a little more interesting.

"Master, would you like to come with me to wanjianzong in kunlunxu? The patriarch and the elder Taishang all want to see you. They will be very excited to see you!"

Shenshixi road.

His palms are covered with sweat!

It was wise of him to come to China. He approached Ye Chen earlier than anyone else!

With the protection of master Ye Chen, his status in wanjianzong will continue to rise!

He would like Ye Chen to go to wanjianzong immediately!

Ye Chen shook his head and thought of something. He said, "it's not urgent to go to wanjianzong. At present, I have another important thing. My father was taken away by Xuemeng. I want to go to Xuemeng first. Do you know the specific address of Xuemeng and how to enter it?"

The blood alliance has a strong array guard, and it's hard to break it with his ability.

Even if he has a reincarnation graveyard and the three great powers, sometimes they will be restricted.

It was as if he had just learned that Duan leiren could not control his body, let alone leave the samsara cemetery.

The further back, the more restricted the samsara cemetery is.

This is one of the reasons why Duan leiren only gave himself runes.

Shen Shixi heard that the blood alliance had imprisoned Ye Tianzheng, and his eyes were full of anger!

"Bold blood alliance! How dare you spy on the master's family

"Looking for death!"

After being angry, Shen Shixi responded: "master, the blood alliance has always been a tumor like existence in Kunlun void. It is very difficult to find and break the array. The best way is to lead the way with a blood alliance. "

Ye Chen brows a frown, he only knows a few blood alliance strong person, was killed by him!

How to lead the way?

Do you want to wait for the other party to come?

What if the other side doesn't do it for a long time?

At this time, Shen Shixi said: "but master, when I came out of Kunlun Xu, I found that a Yibao Pavilion (the branch Pavilion of Kunlun Mountain in China) outside Kunlun Xu was preparing to hold an auction. This Yibao pavilion has a long history, and wanjianzong should also be afraid of it. Even on the day of the auction, there will be Yibao training room open, and countless people will rush into it. Even if they don't

want to auction the baby, they will go to the training room to practice a little bit, which is good for cultivation. "

"I'm not interested in auctions and yibaoge." Ye Chen Dao.

Shen Shixi said again: "master, listen to me. When I came out with luojianzong, I found that several strong blood alliance tattoos also entered into it. Maybe these blood alliance strongmen are a way."

When ye Chen heard this sentence, his eyes brightened: "when will the auction of Yibao Pavilion begin?"

Shen Shixi Mou son a congealing: "is today, four hours later."

Ye Chen thought for a few seconds, no longer hesitated: "take me now!"

"Yes

Before leaving, ye Chen and Xia Ruoxue say that although Xia Ruoxue doesn't want Ye Chen to leave, she still acquiesces to hear that ye Chen is just going to the Kunlun Mountains and will be back in a day.

Yibaoge, the largest auction house in Kunlun.

This is similar to that of Chow Tai Fook and other jewelry companies in China.

It's just that the other party is doing something high-level.

This time, it happened that an auction was held in Kunlun Mountain, Huaxia.

It seems that Yibao Pavilion is held in China every 20 years, Shen said.

After all, there are also some strong Kunlun practitioners in China.

Even there are many strong people near Kunlun mountain.

Looking at Kunlun Xu, Yibao Pavilion is famous. Because this Yibao Pavilion can be said to be all over the whole Kunlun Xu, controlling the largest treasure trading market in Kunlun.

Since then, Yibao pavilion has gone through countless years. No matter the dynasty changes, Yibao Pavilion is still standing. No one knows who is standing behind Yibao Pavilion.

However, everyone knows that even the blood alliance and other sects do not dare to make mischief in the Yibao Pavilion.

A hundred years ago, there was the second largest gate in Kunlun. Because it offended Yibao Pavilion, it was washed with blood overnight and no grass was born!

From that day on, Yibao Pavilion became a myth of Kunlun Xu!

Standing in front of Yibao Pavilion, looking at the magnificent building, ye Chen is filled with emotion. In five years, I don't know how many times he passed through various Yibao pavilions. As a result, he was expelled. At that time, he was determined to seek revenge from Lin Juelong, but he didn't stay too long. This time he really stepped into this place.

Only hope that the strong blood League is here!

Chapter 570

The once-in-a-decade Yibao conference is about to start. Before the gate of Yibao Pavilion, people come and go, in and out, which is particularly lively and makes people boil with it.

"Mr. Ye, let's go in quickly."

Looking at Ye Chen standing in a daze over there, Shen Shixi is very careful!

Ye Chen and he discussed, in the outside had to have to, never call him the master.

Only Mr. Ye.

Even the two of them changed a little.

After all, Xuemeng still knows what it looks like.

Right now, he can't be exposed.

"Well! It's time to get in! We should not be recognized if we do this? "

Return to God, touched his face, ye Chen inquired.

Ye Chen is not clear, so whether can hide from the sky and the sea!

"Haha Don't worry! Mr. Ye, this technique of transfiguration was recorded in an ancient Volume I got in my early years. I can't hide it. Whether it's the blood alliance or who wants to recognize us? No way

Shen Shixi is very confident about his art of transfiguration.

"That's good!"

Hearing Shen Shixi's words, ye Chen exhaled a breath.

He and Shen Shixi around a circle, did not find the blood League of people.

"Are you sure the blood alliance people will be here?" Ye Chen said again.

Shen Shixi nodded: "I'm sure, it hasn't started yet. The people of blood League haven't come out yet. Wait a moment."

"Good."

Ye Chen nods, he just wants to say what, reincarnation graveyard suddenly vibrates!

Then, Duan leiren's voice suddenly rang out!

"Disciple, I feel the breath of Taigu Xushi Dan here. Although it is a remnant, it is extremely important to me. Anyway, I must take it!"

"I must take it! As for the reason, I'll tell you later! "

Ye Chen Mou son a congealing, nod a head.

What can make Duan leiren so urgent must be extremely important.

He looked at Shen Shixi and said curiously, "if I want to auction, should I trade here in RMB or the Lingshi currency of Kunlun Xu?"

"Mr. Ye, are you going to auction? Only spirit stone can be traded here, and everything is worth a lot. "

Shen Shixi didn't bring too many spirit stones when he came out this time.

Even so, he still took out the only spirit stone in his body: "Mr. Ye, I didn't bring too many things in this hurry, please forgive me."

"Come with me. I'll do something about the money."

Ye Chen didn't receive it. Instead, he glanced around and found something. He went straight to the treasure room on the second floor of Yibao pavilion with Shen Shixi.

Auction your own baby, can't you exchange it for a spirit stone?

His reincarnation cemetery happens to have some of the black explosive python.

From Chen Tianli's mouth, we know that any thing of black explosive Python is of great value.

Even for Kunlun Xu, it is the same.

Taigu Xushi pill is very precious. If you want to win this pill, you need to make more preparations.

"Are you from Yibao?"

Treasure room, looking at Ye Chen and Shen Shixi coming, an old man asked with a smile.

"I have a few treasures to attend today's Yibao conference. Please make an estimate. "

Hearing the old man's words, Shen Shixi lowered his voice and said.

He guessed Ye Chen's intention, and without nonsense, took out some of his own things.

The dignity of your teacher! He can only please.

It's a pity that some of his treasures are not of great value. They are all gifts given to him by the Grandmaster of luojian sect.

"Well?"

Looking at the three things Shen Shixi took out, the old man sitting there had a flash of light in his eyes.

"Good! Not bad

Looking at the three things in front of him, the old man nodded with satisfaction: "sword stone wood is really a good thing to refine magic weapons. It is worth a lot. Besides, if I read this crystal correctly, I'm afraid it's the inner elixir of monsters? It's a pity that time has passed and the energy loss is not small. But it's a treasure. As for the last bottle This is Burning soul, from the essence of the magma core under ten thousand meters under the ground, with high temperature, can melt everything! It's something that some alchemists and craftsmen have been searching for. It's of extraordinary value

After carefully distinguishing the three things, the old man was smiling, and his attitude was obviously more respectful than before: "today is the Yibao conference. It's really good for these three things to participate in Yibao. I think you know the rules of Yibao Pavilion. Within Yibao Pavilion, Lingshi is used as a unit for trading. The price of sword stone wood is 50 spirit stone, and the price of this internal elixir is 80 spirit stone. As for the burning soul, I'd like to set a price of 300 spirit stone to start shooting. What do you think? "

"As you say!"

Hearing the old man's words, Shen Shixi frowned, but quickly accepted. The price offered by the elderly is not high. If it is sold directly, it will definitely lose money. However, today's Yibao conference is an auction. To qualify for Yibao is to conduct an auction. The price offered by the old man is just the starting price. So it's OK to be lower.

Now the most important thing is to raise funds for ye Chen.

"Ha ha Good! Let's do it! This is the number to enter the Yibao hall. Keep it

Hearing Shen Shixi's words, the old man laughed with satisfaction. As the voice dropped, he carefully put away the three things: "do you have any items that you need to change treasure? If not, you can stroll

around at will. In another hour, Yibao conference will start soon! Today, there are countless treasures in the Yibao conference. You can have a look at these two lists. If you are interested, you can make some preparations. "

"I have no more!"

Hearing the old man's words, Shen Shixi shook his head and said.

"There are two things I need from Yibao

However, when Shen Shixi was ready to leave, ye Chen on one side said suddenly.

Looking at the two lists handed over by the old man, ye Chen's eyes slightly coagulate, and the pupil shrinks faintly.

Yibao conference, countless treasures. How can ye Chen give up such an opportunity?

It's a pity that ye Chen's bag is shy now.

If you want to get what you need in Yibao, you need to be well prepared.

Even for the sake of Taigu Xushi Dan, ye Chen also needs some actions.

Think of this, ye Chen wrist a time, instantly a touch of silver light flash.

The whole treasure room, accompanied by this silver light, the temperature dropped rapidly!

"Hiss This is... "

Looking at the huge silver scale armor that ye Chen took out, the old man who was originally indifferent could not calm down.

His eyes widened. Step by step, around the long table, the old man can't wait to come to Ye Chen's body: "good thing! This is really a good thing. It is extremely hard, and the ice is as cold as iron. This is Beast skin armor! And it's the skin armor of a black explosive python that is about to turn into a dragon

"Are you sure this thing is going to the Yibao conference?"

Looking at Ye Chen, his eyes have changed.
