Chapter 5611

Chen Feishu smell speech, brow a wrinkle, make tea?

Isn't that what servants do?

At this time, Lin said: "brother Chen, don't get me wrong. Where I come from, friends will make tea for each other. If brother Chen doesn't want to be my friend, it's OK."

Chen Feishu hesitated for a moment, but he took out the teapot and hot water and said, "please wait a moment, brother Lin

Soon, he made a pot of spirit tea and handed it to Lin Xiong.

At this time, a lot of people have already shown their playfulness

They can see that Lin Xiong is not looking for any teammates, but for slaves!

Chen Feishu also knows, but since he has promised, what can he do?

Now, back off?

Can the descendants of fierce island make you repent easily?

At the moment, although the elders of the Chen family are a little upset, there are rules on Longmen island. The younger generation can't easily intervene in the affairs of the older generation.

At this time, the smile on Lin Xiong's face suddenly became more intense and came towards Ning Caixia.

North Ling Sheng and others see, are a face sink!

Soon, Lin Xiong came to Ning Caixia and said with a smile, "this girl, what's your name? I want to form a team with you."

In the hall, many martial arts people are showing a look of schadenfreude!

Lin is looking for a soft persimmon to pinch!

That beautiful woman is going to have bad luck!

Ning Caixia looks at Lin Xiong, her beautiful eyes are twinkling. She says, "thank you for your kindness, but I'm used to going alone."

People smell speech a Leng, Ning Caixia unexpectedly refused?

It's a lot of guts!

What will Lin Xiong do now?

The smile on Lin's face suddenly disappeared, just like changing his face. He stared at Ning Caixia. A moment later, he suddenly turned back to his seat and took a sip of Chen Fei's tea. Then, he smashed the cup to the ground and looked at Chen Fei's book coldly:

"is that how you make tea? You know, it's disrespectful to our friends if we don't make good tea there!"

Chen Feishu, are you looking down on me

When Chen Feishu heard the speech, he changed his face and said, "no, brother Lin, I'll give you a new bubble right now..."

"Bubble again?" Lin said with a sneer, "I think I have a good temper, but the only thing I can't stand is people who look down on me and betray me.

You want to do it again? Do I give you a chance to soak again? "

As soon as the voice fell, Lin Ying was suddenly in trouble, and suddenly attacked Chen Fei's book!

He clapped his hand and printed it on the chest of Chen Fei's book!

A hand print of evil spirit is instantly condensed in the air. On this hand print, even the palmprint is clearly visible and lifelike. It looks like a real hand!

Although it's only played by Lin Xiong, it's full of a kind of fierce and domineering charm. The power of the law is surging in the palmprint!

Chen Feishu's face is changing wildly. He is just a middle-term real person. Where is Lin Xiong's opponent?

In a hurry, Chen Feishu pulls out his sword to resist and stabs out a sword light. However, the sword light touches Lin Xiong's palm seal and turns into smash. Even the sword in his hand flies out of his hand!

Chen Feishu also screamed. He was slapped in the air and spat blood. He fell to the ground heavily!

Chen family elder exclaimed: "Book son!"

He quickly picked up Lin Fei's book and checked his injury. Soon, his face sank!

Lin Xiong smashed Chen Feishu's ribs, even cracked his lungs!

Do it, too hard!

He looked at Lin Xiong, his eyes were boiling with anger, just like eating people, but there was nothing he could do about it!

At this time, Lin Xiong once again turned his head and looked at Ning Caixia. He raised a smile and said, "this girl, I sincerely invite you to form a team with me again. I hope the girl can give me a chance!"

Everyone's eyes narrowed. They knew that the scene just now was for Ning Caixia!

This is the naked threat!

This time, Ning Caixia still dare not agree?

Ning Caixia is a little at a loss for a moment. She can't promise. Even if she wants to serve, she will only serve ye Chen alone!

But how to answer Lin Xiong?

Lin Xiong looks at Ning Caixia and looks a little flustered. There is a trace of fun on her face.

But at this time, a faint man's voice suddenly rang out outside the hall and said, "invite again? I advise you not to talk so much nonsense. Even if you invite a hundred or a thousand more times, you will only get a refusal! "

Everyone was surprised when they heard the words. Who dares to contradict Lin Xiong like this?

They all looked at the door of the hall.

I saw a young man with an indifferent look coming. All of a sudden, everyone's eyes were convex. It seemed that they were going to stare out of their eyes. They looked at the young man strangely!

Is this person an original existence?

Or the five layers of heaven in Shiyuan?

This kind of cultivation doesn't even deserve to be a servant for Lin Xiong, does it?

How dare you say that?

Do you want to die?

And Ning Caixia see ye Chen appear, pretty face on a moment emerged a thick joy, brilliant smile: "ye big brother!"

Beilingsheng and others looked at each other, and their faces relaxed.

Ye Chen is here and the problem is solved.

But one of them is not happy!

This person is naturally Lin Xiong!

He matchless cold ground swept leaf Chen one eye way: "you are talking with me?"

He couldn't imagine that a mole ant from the beginning would dare to speak to himself like this?

Even, he did not know how this kind of waste appeared on Longmen island.

Today, I'm not invited, but I can't enter the island!

Ye Chen indifferently way: "your ear is not good?"

Lin Xiong hears the words and explodes!

Ye Chen's attitude was completely infuriated!

Originally, the reason why he came to form a team with others was just to find some servants and set up a prestige by the way!

Now, he changed his mind!

He wants to crush Ye Chen thoroughly, let Ye Chen be his own dog, humiliate incomparably enter this Longmen secret place!

When you are tired of torture, kill again!

He is the descendant of the top ten villains. He looks up to you as a slave and is kind. Unexpectedly, a shameless mole ant jumps out?

Ha ha, let you see what a real villain is!

At the next moment, Lin Xing will do it again!

This time, Lin Hsiang didn't mean to stop. His whole body worked to the extreme. He was like a ghost. There were two dragons of evil spirit flying around his body. The dragon of evil spirit turned and condensed into a huge seal of evil spirit. With Lin Hsiang's fist movement, the seal of evil spirit blasted towards Ye Chen!

Lin fierce eyes in the cold dawn big Sheng, low shout a way: "hundred Tu boxing!"

A middle-aged man in taizhenjing was shocked and said, "Baitu boxing? Among the top ten villains, Zheng Bei's famous stunt of killing demons with crazy fist ranked seventh

Chapter 5612

Many people were shocked and said: "it's said that this Baitu boxing is the top level boxing. In those years, Zheng Bei could fight by leaping over the level with this boxing. However, this human nature is like a mad dog. If he was ridiculed by others, he would kill the whole family. Moreover, with only one pair of fists, he would blow hundreds of enemies' families into meat mud many times, even babies!

That's why I got the title of killing demons with crazy fist! "

"The boy is dead

But, until now, ye Chen is still very indifferent to stand in place, even, the corner of the mouth is still hanging a wisp of disdain smile.

This smile even more stimulated Lin Xiong. His aura and evil spirit poured into the seal of his fist. He wanted to use the terrible power of his fist to win over all the people present!

However, he won't kill Ye Chen. Well, first crush the internal organs. Take your time. It's no fun to crush them directly!

Everyone looked at Ye Chen motionless, thought that he was ready to die, but at this time, ye Chen is casually raised his hand, toward Baitu fist seal, a punch!

Seeing this punch, all the fighters couldn't help laughing sarcastically.

Waste is waste, even the dying struggle is so unbearable?

Ye Chen didn't use any martial arts skills. He played with pure strength!

How could such a fist be the opponent of Baitu boxing, who was buried in the sky?

What's more, the gap between the two sides is so huge!

Lin Ying is also a cold smile, ye Chen was crushed the outcome has been doomed!

At this time, ye Chen's fist finally collided with Bai Tu's fist seal!

Strange and incomparable scene, appeared!

The endless evil spirit is rolling, and the killing machine is exposed. It seems that all the creatures in the world are smashed with one fist. The terrible fist seal is smashed at the moment of touching Ye Chen's fist!

Burst to pieces without resistance!

It's like the snow meets the fire and melts away directly!

Lin Hsiang's face changed wildly. He stepped back a few steps, and his face turned blue and white. It didn't seem to feel good!

The corner of his eye jumps wildly, looking at Ye Chen inconceivably!

It's just like an illusion that the giant force just passed through the fist seal!

How can an origin exist with such power!?

And in the hall of a group of martial arts, is silly, crazy, to vomit blood!

It can be said that those who can come here have a high status, but even with their vision, they can't understand the scene in front of them!

In the corner, there were two figures hidden in the shadow. Their eyes flashed, and the color of shock appeared in their eyes. However, they soon recovered.

They are Lu Bing and Li qianjue!

Originally, they all thought Ye Chen would be crushed, but unexpectedly, ye Chen's strength was unexpected

But that's all.

Lu Bing and Li qianjue face with a wisp of similar sneer, although Ye Chen's strength is strong, but they are not as confident as themselves!

Ye Chen smiles coldly and is ready to do it again. Lin Xiong's face is very gloomy. He looks fierce in his eyes, and his evil spirit is rolling around. It seems that he wants to use some terrible means!

An old voice rang out: "ha ha ha, this trip to Longmen's secret land, I've got a lot of talents coming out of my territory!

However, the secret place of Longmen has not started yet. Don't use up your strength ahead of time. "

In an instant, the attention of all the people was attracted by the sound, as if it had magic power.

I saw an old man with black hair, energetic and wearing a Taoist robe came in from the door.

At the same time, Ouyang Hui, the Lord of Shenyuan, and another young woman dressed as a Taoist also appeared in the hall.

Ye Chen slowly put down his hand.

The black haired old man's strength is not under the master of Shenyuan. Since he has spoken, ye Chen has no need to disobey.

Anyway, if Lin Xiong wants to die, there are many opportunities to kill him in the secret place.

At this time, a woman and a middle-aged man also came to the hall.

The woman is very beautiful, but her face is a little haggard. The middle-aged man beside her has a noble face.

These two people are Nanxiao glass and Nanxiao Fengqing!

Seeing ye Chen standing in the field, Nanxiao Li's delicate body trembles obviously. In her beautiful eyes, she is yearning endlessly. However, she insists on not making a sound and follows Nanxiao Fengqing to stand in the corner of the hall.

A few days ago, Lu Bing returned to Nanxiao tiandian, showing his terrifying strength. Even Nanxiao Fengqing may not be Lu Bing's opponent now!

Now that she meets Ye Chen, I'm afraid it will only aggravate Lu Bing. She doesn't want to make trouble for ye Chen

At this time, the old man with black hair said: "almost all the people who should come are here. The opening time of the Longmen secret place is coming. Now, I will tell you what the Longmen secret place is!" With these words, a dignified color appeared on the old man's face.

"The secret place of Longmen is actually not related to Longmen island. It is just an entrance to an unknown area between heaven and man and the supreme world!

And this unknown area, it is very likely that a strong man opened up the self-reliance! "

"What

This speech a place, in the main hall then rang out one after another startled voice!

From the sky, the presence of martial arts are not unfamiliar, will be from the sky temporarily manifest, everyone can do, but!

Do you want self in heaven to be a secret place connecting heaven, man and the supreme world?

Even if it's too true, it's impossible for the strong to do it!

Even, it's a long way off!

So, how strong should this strong man be?

Beyond the true realm?

It's unimaginable, but it's certain that this Da Neng is absolutely qualified to stand firm in the supreme world!

For a moment, everyone's eyes can not help but get hot up, a strong man beyond heaven and man left by the sky, which must have a chance!

At this time, the Lord of Shenyuan also said: "this place is beyond the age of a thousand or more. You can't enter it, but I need to remind you of one thing..."

As he said this, a sharp look appeared in his eyes and said, "this time, there are not only entrances outside the territory. As far as I know, there may also be entrances in some parts of the supreme world. Therefore, this time, you are going to face not only the danger in this secret place, but also those warriors who may come from the supreme world!"

When people hear the words, they feel awe inspiring. If they are not of our own race, their hearts will be different. If they are also outside the territory, they can still rely on the forces behind them to restrict one or two. But what about the warriors in the supreme world?

There is no restriction at all!

Then, if the two sides encounter each other, there will only be a fight!

This trip to the secret place is bloody!

Chapter 5613

The Taoist priest handed out the tokens to the demons who were going to enter the secret place and said, "you can only enter the secret place with this token. At the same time, the token will transform everything you encounter in the secret place into an image and send it back here."

With that, there was a flash of light behind him, and a huge shadow crystal appeared.

There are countless areas on the transmission crystal, which can show the situation of all the people who enter the secret place at one time.

The old man with black hair said, "well, all that should be said has been said. Whether you can win the chance in the secret place depends on your performance. Now, please come with me and the rest will stay in the hall."

Then he led Ye Chen and others out of the hall and came to a stone tablet.

At the moment, the stone tablet is emitting a faint light.

The old man with black hair made a decision. On the stone tablet, the rune flashed, and a door of space appeared.

People look at the door of the space, their eyes flicker slightly. The next moment, they move and enter the door of the space one after another.

This is the beginning of the journey!

Ye Chen look dignified, murmured: "really will there be the world's strong? Will there be people from wanxu? Will you meet Shen Tu Wan'er? Or the refined Protoss? "

"Is it too early for me to come into contact with those people?"

Ye Chen is very clear that his strength is not the ultimate in heaven and man. Even the Confucianists, Hong Tianjing and even the empress xuanjiyue can't solve it.

If you meet a strong man in the world, you will die!

But the time of the agreement between the blood God and the Confucianist is getting closer and closer. He has no choice!

He wants to be strong!

Get stronger as soon as possible!

.....

After a whirl of heaven, ye Chen opens his eyes and is slightly stunned.

At the moment, he was in a light blue flower field, and his aura was not very strong. It could only be said that it was similar to heaven and man.

But, this already extremely horrible!

You know, outside the territory is the world where Tiandi Avenue is born, and this secret place is comparable to Tiandi Avenue by manpower!

Ye Chen's eyes flashed slightly, and his powerful mind surged out. In an instant, he found something!

He raised the corner of his mouth, and after a few flashes of his body, he appeared in the center of the sea of flowers, where there was a bright lilac spirit flower.

"I didn't expect that as soon as I came in, I found such legendary spiritual flowers as perilla flower. Even it has a slight effect on strengthening my body."

Just as ye Chen is ready to take down the Perilla flower, a cold low drink suddenly rings in his ear: "boy, if you don't want to die, take your hand away!"

When ye Chen hears the words, he turns around slowly and looks behind him. He sees a young man in a green robe with a light Rune on his forehead. He appears in front of Ye Chen. Behind him, he is followed by two demons who laugh at him.

The young man of the demon clan, with the breath of heaven and man, has never seen Ye Chen in the hall, and his cultivation has reached the half step of Taizhen!

Presumably, it did not enter the hall before.

This is also why, the two demon clans behind them will look at Ye Chen sarcastically, because they did not see the scene of Ye Chen fighting with Lin Xiong at all!

The young man of the demon clan looked at Ye Chen, frowned and said: "the origin? Can you join the dragon's gate

This kind of waste, don't you come in for death?

Behind the young man, a man with vertical pupils and sharp teeth sneered and said, "young master, why talk to him so much? Why don't you let me just eat it? "

Another demon clan also said: "ha ha, is this boy scared to become wood? Still? "

In their eyes, at the moment, standing quietly in front of his people, ye Chen is clearly scared.

But, at this time, ye Chen is a very insipid turn around, directly picked the Perilla flower on the ground, and put it into the bag.

Immediately, the body movement will leave directly.

The three demons were stunned. The boy was not scared at all, but completely ignored them!

In the eyes of the youth of the demon clan, the fierce color flashed!

A waste from the original place doesn't pay attention to him?

The next moment, a non-human roar sounded. The young man of the demon clan, with his eyes full of green light, burst out the terrible evil spirit of the big demon in the half step Taizhen realm, and instantly suppressed it towards Ye Chen. He cheered coldly: "who let you go?"

Voice a fall, that endless evil spirit is condensed out a beast claw is about to grasp toward Ye Chen!

On the leaf Chen face, flashed a to put on the color of impatience, originally he didn't bother to care with the mole ant of this kind of level, however, since the other party seeks to die, that has no way.

But all of a sudden, a red light appeared on the virtual shadow of the beast's claw. Just a flash, it crushed the virtual shadow of the beast's claw into pieces.

A beautiful woman's voice rang out in the red light and said, "Du Qinglin, I will protect this man." Du Qinglin heard the woman's voice, his face suddenly froze, and a look of fear loomed in his eyes. However, he still insisted: "chilinglong? What does this person have to do with you? Why should you meddle in your business? "

Ye Chen is also some accident, that voice he has never heard.

At this time, the red light dissipated, showing a pair of bright eyes in red gauze skirt, with flame like red halo, slender legs and extremely graceful figure!

This woman is charming, but her temperament is extremely domineering. At the moment, hearing the speech, a pair of pretty eyebrows on her temples are slightly frowning, and her jade face is a little cold:

"Du Qinglin, are you going to disobey me? If it wasn't for you and me, you would be dead now. "

As soon as his voice fell, a red evil spirit suddenly gushed out of his body and filled the whole sea of flowers!

This woman is also a demon!

Under the cover of the red and evil spirit, Du Qinglin's three faces were white, and their bodies were trembling. Obviously, they were suppressed on the blood!

Du Qinglin's face was very ugly. After a moment, he gritted his teeth and said, "let's go!"

He Du Qinglin can be called the ultimate evil among the demons, but there is still a big gap compared with the red and exquisite!

You know, red Linglong is known as the existence of the first genius of the demon clan!

In addition, the legendary blood of terror

Let alone the younger generation, I'm afraid many of the older generation's strongmen dare not fight against Chi Linglong, right?

Moreover, regardless of blood, the cultivation of chilinglong is too true!

They are not rivals at all!

Maybe, they have to pay a very heavy price

soon, Du Qinglin left the flower sea with a face of reluctance.

The woman looked at Ye Chen and said, "are you ye Chen?"

Chapter 5614

Ye Chen looked at the red skirt woman falling slowly in the sky, nodded, and then said curiously, "why do you want to help me? Why do you know my name? "

Red exquisite long smell speech, the facial expression ground swept him one eye way: "you don't misunderstand, I save you, just because of a promise."

"Commitment?"

Chi Linglong said: "I owe Xu Shenglong a favor. He asked me to go to Longmen secret place this time. If I met you, I would ensure your safety in the secret place. Your luck is good. As soon as I entered the secret place, I met you."

Ye Chen smell speech, the corner of the mouth peeped out a put on wry smile, victory dragon this kid is really many things.

However, there was a faint warmth in his eyes.

However, at this time, Chi Linglong said coldly: "from now on, you should follow me. I don't like to break my promise, so I will guarantee your safety. However, there is one thing I hope you will remember..."

She looked at Ye Chen. A touch of arrogance flashed in her beautiful eyes and said, "I don't like people who are looking for death either, so you have to obey my arrangement in the whole journey of this secret place. Do you understand?"

Just now, how dare you ignore Du Qinglin? The weak should have the attitude of the weak. You are looking for death. If you have such behavior again, I will never care about you next time. "

With that, Chi Linglong went straight in one direction.

Ye Chen didn't retort, his eyes slightly flashed to see red exquisite Long's back one eye, still silently followed up.

The reason is simple.

First, although Chi Linglong's words are arrogant and arrogant, and he can't figure out the situation, his original intention is good, and he doesn't mean to humiliate Ye Chen.

Second, Chi Linglong, after all, has something to do with Xu Shenglong. It doesn't seem like an ordinary relationship. Otherwise, even if she owes Xu Shenglong, how can she promise to protect Ye Chen in this dangerous secret?

So, ye Chen follows her, not need her protection, but want to take care of her!

Third, he doesn't need to explain anything when everything is based on facts.

Red Linglong see ye Chen, so speechless to follow behind him, slightly frown, beautiful eyes faintly flashed a touch of arrogant color.

According to Xu Shenglong, ye Chen should be a demon who is far more powerful and proud. Now it seems that he is just an ordinary man.

Ye Chen's choice is very correct, even, is red exquisite long request, but, is not what she wants to see.

For a moment, she completely lost interest in Ye Chen.

Ye Chen followed Chi Linglong and soon came to a valley. At this time, two surprised voices rang out in the valley: "sister Linglong!"

Ye Chen looked in the direction of the sound, and saw two beautiful looking women coming out of the valley. Although they were not as beautiful as chilinglong, they were also called beauties.

The two girls are not weak in blood. They are not inferior to Xu Shenglong, the son of Xuanyao. Their cultivation is half true. Moreover, they are quite similar in appearance. They should be sisters.

Red Linglong see two people, smile a way: "Purple yuan, green frost."

These two women are her companions. They are ready to look for each other outside. It is expected that they can meet each other now.

In fact, ye Chen and Shenyuan Taixu also prepared similar means, but they obviously didn't want to make peace with each other.

Two women see ye Chen, in big eyes appeared a touch of curious color way: "he is?"

Red Linglong light way: "the boy that Sheng Long says, is he."

"Ye Chen?"

The two women then showed a slightly complicated smile.

In Xuanyao holy land, the relationship between them and Xu Shenglong is not bad, but the evil named Ye Chen, who is so powerful and beyond thinking, is just a joke to them.

Ziyuan and Qingshuang looked at chilinglong and said, "sister Linglong, what are we going to do now?"

Chi Linglong closed her beautiful eyes and let out her mind to feel it. Then a happy look appeared on her pretty face and said, "there is a phoenix blood flower in front of us. It's a good thing. Let's go there now and take it down."

Xuanlong nodded her head, and the first state of mind was Xuanqing yuan.

But, when a few people are ready to start, ye Chen is light mouth way: "I advise you, don't hit the idea of the Phoenix blood flower."

Red Linglong three people, smell speech a Leng, immediately, the purple yuan and green frost face is appeared a trace of cold, sneer: "when, here it's your turn to talk?"

"Sister Linglong, in the face of Xu Shenglong, she just saved your life. Do you really think you are our companion?"

Red exquisite long brow a wrinkly, stopped two female, ask a way: "tell me the reason."

She also has a little expectation for ye Chen.

Maybe, what can ye Chen say? Ye Chen looks at red exquisite long way: "you didn't discover, have a blood Phoenix is guarding that Phoenix blood flower?"

"Blood Phoenix!" Purple court and green frost, smell speech a surprised, immediately look to red exquisite.

See only, red exquisite but is the color of full face indifferent, tunnel: "is because of this?"

Ye Chen is ready to speak, but Chi Linglong shakes her head in disappointment and says: "it seems that you are not so proud and brave as Xu Shenglong said. On the contrary, you are not ambitious and timid!

That Xuefeng, I have already found that it is really powerful. It has the strength of taizhenjing, and even I don't have the assurance of winning. But you dare not even try, so you have to give up?

A warrior should go forward bravely. I despise people like you most. I dare not even fight. I only retreat and escape. How can I reach the top of martial arts if I am so weak?

If you are afraid of death, stay here. "

With that, he turned around and went directly to the place where the Phoenix blood flower was.

She completely gave up on Ye Chen.

In her opinion, ye Chen is a Dou who can't help!

The second daughter of Ziyuan Qingshuang looked at Ye Chen with disdain and said, "young master ye, is he really a man? It's not as bold as we women. "

"We women all know the truth of seeking wealth in danger. It seems that young master Ye has never experienced life and death. It's natural to be afraid."

Ye Chen complexion is as usual, looking at the back figure that three female leaves, shook to shake head, he originally still wanted to explain, now, lazy to say.

In fact, although Chi Linglong found Xuefeng, there are still many things that her mind can't find at all!

Ye Chen originally wanted to help her, but was taught a lesson instead?

Even now, ye Chen wants to leave. He takes care of Chi Linglong just out of his kindness and his relationship with Xu Shenglong. However, he is not interested in being ignored.

Ye Chen, has never been a good temper.

Chapter 5615

However, after a moment of silence, ye Chen still follows behind the two girls. He doesn't want to save Chi Linglong, but the Phoenix blood flower is just what he wants.

Looking at Ye Chen, who was ridiculed and followed up, Qingshuang and Ziyuan said with a smile: "it's true that they have no backbone."

"Ha ha, is that what Xu Shenglong said?"

In a short time, the four came to the cliff.

On the cliff, there is a stone cave emitting blood color. In front of the cave, there is a blood red flower, just like a flying phoenix!

That's Phoenix blood flower, and it has ten thousand years!

Red Linglong three female, in the eyes all appeared a touch of excited color.

At this time, the cave, suddenly sounded a Fengming!

A huge blood colored Phoenix suddenly rose from the flash, covered with blood light, and looked very strange!

And its whole body exudes the terror evil spirit, is not weaker than the big demon of taizhenjing!

At the moment, this blood Phoenix a pair of Phoenix eyes staring at four people, the eyes are full of ice cold meaning, the next moment, its whole body blood flame together, is to attack everyone!

Red Linglong saw this, and a sense of war appeared in her beautiful eyes. She was not afraid of the bloody Phoenix, just like a female god of war.

Ziyuan Qingshuang looks at the red exquisite posture, and a touch of worship appears in her eyes!

At the next moment, he had a long sword shining red in his hand. When he moved, he carried the sword spirit and went to kill Xuefeng!

The power of Tao and law is surging around Chi Linglong, and the strong evil spirit is surging. A virtual shadow of the red dragon appears behind him!

This red exquisite noumenon is a kind of extremely advanced dragon, and it is also a kind of king!

In the blink of an eye, the red sword light and the blood flame collided with each other. With a loud bang, the surging afterwave swept around. The two girls of Ziyuan Qingshuang couldn't help falling back for a few steps, and there were large pieces of earth and rock falling on the cliff!

The next moment, there was a crack. The red sword light suddenly tore the blood flame and cut it in front of Xuefeng. Xuefeng seemed to be enraged by chilinglong. With a sharp sound, the blood phoenix feather on her body shot out in an instant, just like thousands of sharp swords. It turned into the rain of blood light and shot towards chilinglong!

In the constant wear and tear of bloody phoenix feather, the power of red exquisite sword light is finally exhausted!

But, that bloody phoenix feather is also dissipated!

The two sides looked at each other and took another shot. The two sides had a close fight for a time!

However, Qingshuang and Ziyuan were surprised to find that the flame of Xuefeng had almost no effect on chilinglong. Her strength was suppressed. Gradually, chilinglong gained the upper hand in the battle!

After a stick of incense, the bloody Phoenix is already scarred. Every time it flapping its wings, a large amount of blood will fall. A pair of Phoenix eyes, looking at chilinglong, are full of fear!

Red Ling long cold smile, low drink a way: "the red dragon cuts the sky Xuan!"

In an instant, the virtual shadow behind red Linglong was completely integrated into the red sword. Her eyes were full of brilliance, and her whole body's sword spirit was fierce countless times, cutting the space into pieces. At the same time, the surging sword spirit was full of a kind of tyranny and majesty belonging to the dragon!

This sword is very strong!

Even ye Chen saw it, and there was a color of appreciation in his eyes. With this sword, Chi Linglong had been able to defeat most of his opponents who had just stepped into Taizhen for several years!

Obviously, Xuefeng also sensed the frightening power contained in the sword. With a long cry, she was covered with blood light, and her whole body was covered with blood feathers. All of them were

condensed and turned into something resembling the head of a bloody gun. She stabbed at chilinglong fiercely!

In a flash, as if two planets collided, the red and exquisite sword light and the bloody gun head bombarded in one place!

The whole world seems to be shaken by the terrible waves!

But the bloody spear head collapsed quickly under the red and exquisite sword!

The next moment, red Linglong sword light directly penetrated the blood Phoenix's body!

Xuefeng uttered a sad cry, fell to the ground and lost her life.

However, strange is, this blood Phoenix's corpse suddenly sent out continuously thin black air!

But at the moment, the red Linglong three girls were immersed in the joy of defeating Xuefeng, and they didn't notice the black air!

Red exquisite full face arrogantly overlooks leaf Chen way: "now, do you understand?"? That's what a warrior should look like! "

Aster and Qingshuang are full of sarcasm.

But, at this time, ye Chen is the body shape a flash, then appeared in the Phoenix blood next to, directly put the Phoenix blood in the bag!

Red Linglong three women see this, all can't help but face a sink!

This guy didn't do anything when he was fighting with Xuefeng. Now come and grab the results?

No shame?

Still a man?

Purple court and green frost are more direct big shout a way: "damned boy, what are you doing?"? Do you want to die? ""Hand over the Phoenix Blood Flower immediately, otherwise, don't blame us for being rude to you!"

But ye Chen said with a faint smile: "Phoenix blood flower? I think you have other things to care about now. "

After that, as soon as he turned around, he wanted to leave here directly.

Ziyuan and Qingshuang are preparing to start, but suddenly, their faces change. They look at the red Linglong behind them and exclaim: "Linglong elder sister, what's the matter with you?"

At the moment, her face was very ugly, and her whole body was filled with a kind of black air. Her breath was very weak, and she was almost reluctant to stand!

It looks like poisoning!

But Chi Linglong has the blood of Chi Tianlong and is the king's seed. The general poison has no effect on her at all?

How could it be so poisoned?

The two women looked at each other, and a color of hatred appeared in their beautiful eyes. Their eyes were aimed at Ye Chen, and they yelled: "it's you! You must have done it

"Linglong was kind to save you, and you poisoned her!"

Ye Chen coldly swept two women one eye, as if looking at two clowns, he didn't say much, continue to leave.

Two women see this, anger is more prosperous, boom a, two prestige explosion but come out, want to attack to Ye Chen with all one's strength!

But, at this time, red exquisite is suddenly low to shout a way: "stop, not him!"

Two women smell speech a Leng, immediately some hesitation way: "but, Linglong elder sister..."

Chi Linglong took a look at the blood Phoenix corpse on the ground. Her eyes flashed slightly and said, "I see No wonder, he would say, "don't take this idea..."

Ziyuan and Qingshuang are more puzzled. What is Linglong talking about?

Chi Linglong took a holy healing medicine, barely suppressed the toxicity, and said with a gloomy look: "this Xuefeng should have taken a kind of poison, which made his blood toxic. I had been poisoned in the process of fighting against it, but after killing it directly, the toxicity broke out completely..."

Chapter 5616

The two women looked at each other and asked, "what poison?"

They have some doubts. Why is only Linglong poisoned?

Red exquisite pretty face, faint some pale, beautiful eyes in rare appeared a sense of fear: "broken dragon grass!"

"Broken dragon grass!"

Two women smell speech, is to send out a exclamation, full face incredible color!

This dragon grass is a legendary poison. It is said that it has disappeared in heaven and man. How can it appear here?

More importantly, it is only effective for the dragon people!

Moreover, the purer the blood is, the stronger the toxicity is!

Ziyuan and Qingshuang, at the moment is also a sudden color, no wonder, ye Chen let them not play the idea of Phoenix blood flower, because of the broken dragon grass!

Once Chi Linglong and Xuefeng fight, they will be poisoned by the Dragon breaking grass!

For a time, the two women panic, with red exquisite blood, this broken dragon grass can be fatal ah!

They looked at Ye Chen, who was about to go far away. Their face was full of anger. With a flash of body shape, they stood in front of Ye Chen and said in a deep voice: "Ye Chen, you have already found the poison of the broken dragon grass? In that case, why don't you remind Linglong? Damn you

"Despicable person, you just want to rob Phoenix blood flower, don't say it on purpose!"

Ye Chen smell speech, smile, but, smile is a cold!

He wanted to remind Chi Linglong, but what about their attitude?

Sarcasm?

Look down on?

He's afraid, not a man?

Is that necessary?

He leaves Chen originally don't owe red exquisite three people what.

Besides, even if they say it, will they believe it?

Broken dragon grass, but the legendary thing, said they will only be used as an excuse, right?

Ye Chen looks at the purple yuan and green frost, cold voice way: "roll for me, if you are not a woman, now, already dead."

When the first lady when used to, think others for you, are taken for granted?

He's not used to women like that.

If it's not that he doesn't like to kill women, and the two women and Xu Shenglong should have some relationship, they will crush them directly.

Hearing the words of Ziyuan and Qingshuang, they are almost mad!

This guy is too presumptuous!

No one ever told them to go away!

But at this moment, Chi Linglong said weakly: "asters, Qingshuang, come back, don't blame him..."

She looks at Ye Chen a little inconceivably. Ye Chen can find the poison of the broken dragon grass. No matter how powerful she is, at least it has been proved that his mind is above himself!

This is incredible!

Hearing the words, Ziyuan and Qingshuang anxiously said, "but, Linglong elder sister..."

"He If he left like this, what would you do, Linglong... "

There is a look of self mockery and shame on her pretty face

She is self righteous and preaches to Ye Chen. She thinks that he has no ambition and is as timid as a mouse. She looks down on him

What happened?

It's just that I'm shortsighted and kind-hearted

Now, she can only be regarded as eating evil. She can't blame Ye Chen. If you want to blame her, you have no brain

She took a deep breath, facing Ye Chen, tone flat way: "this time I was wrong, underestimated you, you go, this matter, nothing to do with you."

With that, she looked at the two girls of Ziyuan and said, "Ziyuan, Qingshuang, I treat you as my sister, so I want to teach you a truth. In this world, no one has the obligation to help you. We are rude to Ye Chen. Why does he want to save me?

Even if he didn't say a word about the broken dragon grass, it was not wrong. After all, we didn't regard him as a companion before, but a burden, was it?

What's more, ye Chen originally intended to remind us that we ignored him and even ridiculed him

Therefore, we will bear all the consequences on our own. "

Asters and green frost smell words, are delicate body a shock!

Their birth is very noble, if not they have no intention to become demon emperor, with their identity and blood, almost no demon race is qualified to compete with them!

It can be imagined that since childhood, anyone is always thinking about them, protecting and taking care of them!

In short, it's the flowers in the greenhouse!

However, the essence of both girls is not bad. After Chi Linglong's teaching, both girls have a general feeling of enlightenment

In this case, it seems that they are really wrong

Even, they feel that part of the reason for Chi Linglong's poisoning lies in themselves!

The blame is not ye Chen, but they!

For a time, the beautiful eyes of the two women were all red. Suddenly, they burst into tears!

They cry, while looking at Ye Chen, pretty face on the emergence of a decidedly color, the next moment, was directly kneeling in front of Ye Chen. This time, even ye Chen is a little stunned

Women's mind, is really elusive, a second ago, the two women also want to do it on their own, now directly kneel?

Ziyuan and Qingshuang knelt down and cried: "Wuwuwuwu, Mr. Ye, we are wrong. We apologize to you. Whatever you ask us to do, we can..."

"Young master ye, since you can see the poison of the broken dragon grass, you must have a way to crack it? Wuwuwu, we can't watch Linglong die. Please help her..."

Red Linglong said with a wry smile: "aster, Qingshuang, get up! I'm not so easy to die!"

Ye Chen looks at the two women who are crying constantly, and even kowtow hard, and kowtow their clean and beautiful forehead with blood dripping. Their eyes twinkle slightly.

Although these two women are domineering, their essence is not too bad.

As for red Linglong, in addition to a little proud, big chest without brain, there is no problem in life.

For a time, ye Chen's impression of the three women has changed a lot.

At this time, Chi Linglong reluctantly stood up. Although duanlong grass is poisonous, it can't kill her for a while, but now her combat power has dropped a lot

She walked slowly to the side of the second daughter of Ziyuan, pulled her and said, "get up, let's go..."

Ye Chen sees this and shakes her head. In the present state of Chi Linglong, even if she is not poisoned, it is difficult to live in this dangerous secret place. But she still wants to go.

This woman is a little too proud.

The color of purple yuan and green frost is not willing. However, looking at Ye Chen's unmoved appearance, they have to lower their heads, support Chi Linglong, wipe their tears and walk towards the distance.

But, at this time, ye Chen is light mouth way: "go? Did I let you go? "

Three female smell speech, all is a Leng, can't help but turn round, looking at Ye Chen.

Ye Chen said without expression: "you promised Shenglong that you would protect me in this secret place. Forget?"

This time, Ziyuan and Qingshuang are really angry!

Linglong is like this! Ye Chen does not give her detoxification even if, but also Linglong elder sister protection?

Chapter 5617

Hearing this, Chi Linglong frowned, but nodded: "you're right. This is my promise. You can choose to leave, but I can't As long as I'm not dead, I'll continue to protect you. "

Purple yuan urgent way: "Linglong elder sister, you all hurt so heavy, still how to protect?"

Red Linglong now want to do is to heal!

Qingshuang also looked at Ye Chen angrily and said, "young master ye, are you retaliating? We are indeed wrong, but we have apologized to you and even knelt down. Isn't that enough?

If it's not enough, I will accept how you punish me, but please let Linglong go... "

Ye Chen is a little too much

Ye Chen glanced at the aster and Qingshuang faintly. The next moment, his figure flashed, and he appeared in front of Chi Linglong. As soon as he reached out, he directly grasped Chi Linglong's wrist vein!

Red Linglong subconsciously struggled for a while, and a touch of bright red appeared on her white pretty face, and her beautiful eyes were full of shame!

What is Ye Chen doing?

Do you want to take advantage of her lack of strength?

She has never been touched by a man since she was born!

Even few men can talk to her!

Now, but was Ye Chen directly grasped the hand?

What's more, what surprised her was that she couldn't get rid of Ye Chen's hand at the moment?

Although she is injured and her strength is greatly reduced, it is impossible for her to be caught by a shiyuanjing?

Red exquisite a bite, will fight to break away, purple yuan and green frost is also a surprise, is ready to hand, ye Chen's voice is at the same time in their ears rang out: "want to live, don't move."

Three female smell speech is a Leng, immediately, purple yuan and green frost is face now happy!

Ye Chen, this is to heal for Chi Linglong!

Although Chi Linglong was reluctant, she stopped struggling

No one doesn't want to live.

For a time, the three girls are quietly looking at Ye Chen.

Ye Chen sensed the toxin in Chi Linglong's body. The next moment, he suddenly pulled it and directly pressed it on the ground. He closed Chi Linglong's slender, white, round, indistinct thighs and sat on her thigh. At the same time, he pressed one hand on Chi Linglong's shoulder.

Red exquisite long exclaimed, subconsciously want to struggle, can be ye Chen a hand pressure, she was not the slightest resistance!

The next moment, a scene of blood, appeared!

Ye Chen's other hand tore the chilinglong gauze skirt which was wrapped in her abdomen, revealing a smooth and smoky existence!

Seems to be because of tension, red Linglong small abdominal muscles are still slightly shaking!

It looks very tempting!

Purple and green frost see this strange scene, pretty face Shua is a red, stomach as if there is hot water boiling in general, boiling hot.

Red Linglong is also extremely flustered tunnel: "Ye Chen, what are you doing?"

Even if she is proud, at the moment, there is a flash of fear in her beautiful eyes, and she struggles subconsciously.

Ye Chen's face sank and said fiercely: "don't move! Didn't you hear that? "

Chi Linglong always thinks that she is not afraid of any threat. But at this moment, she is scolded by Ye Chen. She feels a little afraid and stops struggling subconsciously

Ye Chen's eyes stare at the bare belly of Chilinglong, and he draws his sword finger on his elixir field!

Slight pain, from the belly of the upload, stimulate the red Linglong nerve, her breathing gradually accelerated up.

Looking at the tiny black blood that flows out on the abdomen, Ye Chen's vision is more dignified.

The reason why he wants to do this is not to take advantage of Chi Linglong, but because the toxin has accumulated in Chi Linglong's Dantian. If he wants to detoxify, he must start from Dantian!

How to solve it?

First of all, exchange blood!

Ye Chen's blood can be said to be a panacea, but also has the ancient poison pulse. If you integrate it into Chi Linglong's body, even if you can't remove the toxin, you can prevent Chi Linglong's injury from worsening!

Then, it's poisoning!

How to lead?

The answer is suck!

Duanlongcao is a kind of toxin specially aimed at the dragon people. This toxin already has a certain spirit and will actively approach the dragon people and invade the dragon people!

Ye Chen also has dragon blood keel!

Therefore, what ye Chen has to do is to suck out the poisonous blood in Chi Linglong's body from the Dantian, and then let the toxin enter his body. With his constitution, all kinds of poisons are invincible, and the Dragon breaking grass is nothing.

In this way, it can completely dissolve the poison of duanlongcao!

Only he can do this. After all, other people don't have dragon blood. Even if they suck out the black blood in Dantian, because the toxin is spiritual, it will not flow out with the black blood at all, but will stay in Chi Linglong's body! Ye Chen's vision is a flash, when even if directly stick double lips on the small abdomen of red exquisite!

Feeling the warmth from her belly, red Linglong couldn't help shaking and made a strange sound.

At the same time when red Linglong opens her lips, ye Chen suddenly stretches his arm and puts two fingers into red Linglong's mouth. Tears appear in the corners of red Linglong's eyes and a whimper sounds, as if he was bullied.

Ye Chen at the same time force from the red exquisite small abdomen will poison blood suck out, at the same time vague ground drinks a way: "bite, suck blood!"

"My blood can save you!"

At the moment of red Linglong, consciousness is a little confused, subconsciously follow Ye Chen's instructions to bite his fingers, began to suck blood, warm blood into the body, unexpectedly let her originally because of poisoning feel bursts of cold body, gradually hot up!

Ye Chen's blood is not ordinary blood. After entering Chi Linglong's body, it doesn't flow to her stomach to be digested. Instead, it flows into her body from her capillaries. A strong vitality erupts in her blood to fight against the toxin of dragon grass!

Ziyuan and Qingshuang are completely stupid now. Their hearts are pounding wildly, their brains are about to stop thinking, and they are looking at the scene in front of them

Is this really detoxifying?

When the two girls of Ziyuan were confused, they were shocked to find that the black air around chilinglong was less and less!

Not long after that, the black air emitted by the Dragon grass completely dissipated, and the blood flowing from the chilinglong's abdomen turned to blood red again.

Ye Chen slowly gets up and pulls out his finger from the red and exquisite lips. Red and exquisite cheeks are crimson, beautiful eyes are slightly red, and his face is still full of color.

Soon, her mind was gradually restored, her face changed, how could she be so impolite?

Chapter 5618

She is just about to get angry and asks Ye Chen what she has just done to herself How could that be

Can suddenly, she slightly a Leng, then found that the poison of the Dragon grass really solution!

Red Linglong looks at Ye Chen in disbelief. Then she coughs. Ye Chen is really detoxifying her, but she just wants to be wrong

Ye Chen asked, "are you ok?"

Chi Linglong coughed lightly, covered the exposed position of her abdomen with her hand, stood up and said: "well, much better, thank you..."

Immediately, his whole body red awn a flash, then changed a good gauze skirt.

.....

At the moment, in the main hall of Longmen island.

Originally, ye Chen's scene of healing for Chi Linglong should attract countless eyes, but now, all the people present are focusing on the other two pictures!

And in these two pictures, it is Lu Bing and Li qianjue!

At this moment, Lu Bing is standing on an ice sheet, the wind is blowing all around him, and it is extremely cold between heaven and earth!

In this secret place, there are all kinds of landforms, such as ice fields, deserts, mountains and forests, but the ice fields here are full of many strange "ice sculptures"!

These ice sculptures, there are flowers, trees, insects, birds, animals, and even people!

Why do these strange ice sculptures exist in the ice sheet?

In fact, these are not ice sculptures, but real flowers, trees, insects, birds, animals and human beings!

The reason why they became ice sculptures is that this place was originally a lush mountain forest, but it was completely frozen by Lu Bing's move!

This kind of means, it can be said that the horror to the extreme!

The next moment, Lu bingmu's cold light flashed, and the countless ice sculptures were smashed instantly. With one move, he took the storage bags of the Terran warriors into his hands.

On the other hand, Li qianjue's picture is more terrifying and weird!

Li qianjue is walking in a land of blood with an evil smile!

What is the land of blood?

In fact, this is a valley, but in the valley, it is a blood red color!

Blood red dyed by blood!

In the valley, countless creatures are shivering and frantically fleeing. At this time, a girl who has just entered the valley sees the scene like hell in front of her eyes. She can't help but be stunned and dull

And just then, a figure appeared in front of her.

Look, it's a handsome man with a pair of golden eyes. It's Li qianjue!

The girl was a little frightened and asked, "you know what happened here, Taoist friend..."

But before she finished her words, her eyes suddenly trembled. At the moment, on Li qianjue's handsome face, there was a cruel, crazy, devil like smile!

In a flash, a golden look came. The girl felt a great force coming on her body. The next moment, there was a bang

The girl turned into a blood mist, burst, blood, and scattered in the valley. The red in the valley became deeper and deeper

The blood red in the valley is the result of Li qianjue's killing all the creatures he saw!

The most important thing is that he just finished the slaughter with his eyes!

It's terrible!

These two people are just two killing gods!

The old man with black hair, whose name is Xiao, is a clansman of hidden forces spread from ancient times to the present.

Another Taoist, Li Qianxin, is said to have come to the outside world because of an accident.

At the moment, these two mythical beings, looking at Li qianjue and Lu Bing, are frowning slightly, with a look of meditation.

And Ouyang grey, the Lord of Shenyuan, is already gloomy!

He is very clear that Lu Bing and Li qianjue have a grudge against Ye Chen!

At this time, he Xiao said: "if I read it correctly, it's the heart of ice God and the blood of Taigu family, isn't it?"

Li Qianxin nodded and said: "yes, these two constitutions are extraterritorial. Li qianjue and Lu Bing are just big forces from the temple of heaven, but they are the dark horses of this secret journey."

Suddenly, he Xiao's eyes flashed and said: "these two people seem to be moving in the same direction?"

Li Qianxin took a look at Ouyang and said, "before they entered the Longmen secret place, both of them secretly left their marks on the young man named ye who Ouyang Daoyou brought. It seems that these two people have some enmity with the young man."

When they heard the words, they all moved. Soon, their eyes fell on the picture where ye Chen was

The next second, they all showed Schadenfreude, pity, pleasure, sarcasm and so on

And beilingsheng and nanxiaoli were pale in an instant!

Just think about it, ye Chen at the same time encounter these two terrorist existence, let them whole body hate cold ah! Lu Bing and Li qianjue are far stronger than they expected!

Even if, beilingsheng and others saw that day, ye Chen broke out the ultimate combat power, killed the emperor, but now, they are still full of worry!

Because both Lu Bing and Li qianjue showed their strength in the early days of taizhenjing. On that day, ye Chen and the Eastern Emperor forgot to take advantage of the opportunity. Obviously, with the help of some cards, they restrained the Eastern Emperor from forgetting the opportunity.

In such a short period of time, this card can not be used.

What's more, if the two join hands, or break out a trump card, it may be better than the Eastern Emperor forgetting the opportunity!

Ye Chen, in the face of the Eastern Emperor forgetting the opportunity, is very reluctant to fight. What about Lu Bing and Li qianjue?

The consequences are unimaginable!

They are in the heart of crazy pray, let Ye Chen escape!

Run away from them!

Nanxiao Feng looks at Nanxiao Li and sighs: "Li'er, my father admits that I belittle Ye Chen. He's really excellent. Unfortunately, it's Li qianjue and Lu Bing that he provokes

Don't be too sad... "

In his opinion, ye Chen is dead

Nanxiao Li shook his head nervously and said, "it's impossible. Ye Chen will be ok..."

Originally, she was full of confidence in Ye Chen, but now, even she can't say that ye Chen can defeat Li qianjue and Lu Bing

At the moment, ye Chen in the secret place, the vision is tiny twinkle, murmur a way: "come of, pour is to compare in my imagination, faster some."

In fact, ye Chen has long been aware of their moves, and their means are quite clever. However, with the power of Ye Chen's spirit, if you want to, you can easily remove the mark.

Why didn't he do that?

Ha ha, isn't it easy to wait for the hare?

At this time, Ziyuan asked Ye Chen, "where are we going now, young master ye?"

After ye Chen saves Chi Linglong, they have completely taken Ye Chen as the master of their heart, and even have a kind of subconscious submission to Ye Chen.

Chapter 5619

Ye Chen said with an inexplicable smile: "well, there is a bamboo forest in front of us. The environment is not bad. The bamboo growing in the bamboo forest is Qingyuan bamboo, which can radiate vitality

and is suitable for healing. Chilinglong's body has not fully recovered. Now we will go into the bamboo forest and repair it for a moment."

The two ladies of Ziyuan are happy to hear that they trust ye Chen more and almost regard Ye Chen as half of their master.

Red Linglong also nodded.

Soon, everyone entered the bamboo forest, felt the strong vitality of the bamboo forest, and began to absorb it immediately.

Even if there is no injury, such a strong vitality, absorption of the body also has some benefits.

Ye Chen didn't practice. With his physical strength, this vitality is useless.

And, he knows, they won't be able to rest long.

.....

In the main hall of Longmen island.

When beilingsheng and others saw this scene, their eyes trembled wildly, almost choked!

Ye Chen and others even began to rest at this time?

In that way, it won't be long before they catch up with Li qianjue!

Nanxiao Fengqing shook his head and said, "it seems that even heaven is not on his side."

Nanxiao glass's eyes were red, and she was about to cry. She yelled in her heart, "Ye Chen, run away! Don't stop! Keep going

Hope Ye Chen can hear it!

Half an hour later, the bamboo forest where ye Chen and others lived suddenly quieted down.

Originally, the bamboo forest has been extremely quiet, but now, it seems that even the wind is still.

At this time, red Linglong opened the beautiful eyes, eyes God mang a flash.

Ye Chen says with a smile: "completely recovered?"

Red Linglong nodded: "thanks to your blood."

Suddenly, she frowned slightly again, as if she felt a trace of abnormality.

At this time, ye Chen said: "someone is coming."

"Who?" Red Linglong's face sank, and there was a bad premonition in his heart.

The second daughter of Ziyuan came to her senses from her cultivation when she heard their conversation.

Ye Chen doesn't care a tunnel: "come to kill my person."

All the girls were shocked when they heard the words!

Red Linglong frowned and said, "are we going to stay here?"

Ye Chen smile way: "stay, why not stay?"

At this time, a voice with a trace of evil, rang out in the bamboo forest: "boy, I can't imagine that we will meet again so soon."

Hearing the speech, the three girls felt awe inspiring. At the same time, they looked in the direction of the voice. They saw a figure slowly emerging.

.....

In the main hall of Longmen Island, people are also very nervous looking at the approaching figure!

Is this Lu Bing or Li qianjue?

But soon, everyone was stunned

It's not Lu Bing or Li qianjue, but Lin Xiong!

He also left his mark on Ye Chen!

Red exquisite complexion a cold, body shape a flash, then blocked in front of Ye Chen's body, in the hand red long sword, the sword spirit is compelling!

Ziyuan and Qingshuang took out their own purple and green swords, which seemed to be a pair of swords, but they were used separately!

At the moment, the two women holding the purple and green double swords are faintly connected. The fierce swords are intended to surround them. Obviously, the two sisters use the sword as a medium to perform some extremely powerful joint skills. Now, I'm afraid that they will not be their opponents in the early days of the true world!

Lin Xiong looked at the red Linglong girl and said with a cold smile, "I didn't expect that, boy, you'll have a soft meal so soon? Women's protection? Or three? How lucky is it? "

With this remark, many of the martial arts in the hall are also jealous. These three girls can be called the best, especially Chi Linglong. Now they are all obedient to Ye Chen?

They are not balanced in the heart, hope Ye Chen dies quickly!

At this time, the red Chen is ready to hand over to him, but is three leaves female

Red Linglong a Leng, immediately, beautiful Mou tiny flash way: "but, you..."

She didn't finish her words, but the meaning was obvious

Although Ye Chen shows his uniqueness, it's only in the spirit and healing

With the strength of its origin, can it really be Lin Xiong's opponent?

Even red Linglong himself, in the face of Lin Xiong, felt a thrill!

She knew that this man was absolutely dangerous!

Ye Chen light way: "rest assured."

Lin Xiong's eyes flashed a touch of joy and said: "good, young master ye, enough men!"

In his heart, he sneered: "fool, do you really think you can stop me? Without the woman in the way, I can kill you with one blow! "In the main hall, a group of Warriors also shook their heads and sneered that ye Chen was too young and naive.

You're about to fight with each other?

It seems very brave, but in fact, it is brave but not resourceful!

In the martial arts world, only when the king is defeated and the enemy is bloody, the winner is the one who survives. What's the meaning of the martial arts? What's the masculinity?

Ha ha, ridiculous!

What's more, even if ye Chen really defeated Lin Xiong?

In the face of the horrible and inhuman Taigu Li family, Li qianjue, Lu Bing, the heart of ice God, is not a dead end?

In a word, death! Die! Die!

The fierce light in Lin's eyes flashed, and he said like a devil: "boy, do you know the top ten villains?"

Red Ling long hears speech a surprised way: "ten big villains?"

Even though she didn't come from burying Tianhai, she had heard of the top ten villains!

Lin Xiong showed his white teeth and said with a smile, "these ten villains have committed all kinds of crimes. But do you know why they have not died yet, but are just imprisoned on villain's Island?"

The leaf Chen face has no facial expression ground looking at Lin fierce, seem to this words, completely not interested in appearance.

Seeing this, Lin Xiong looked more gloomy and said in a fierce voice, "because each of them is a genius in some way! Even if they do evil, they will help the world even more if they are alive!

Therefore, they can live to this day, and I inherit the existence of these ten villains, a unique knowledge!

You think you can be proud if you block my punch?

Now, I'll show you how far I've gone against heaven, who has integrated the top ten villains' unique skills into one! "

As soon as the voice fell, the evil spirit of terror gushed out of Lin Xiong's body!

Lin Xiong's eyes flashed with strange light, and he said: "the first evil, heaven must be evil!"

With a roar, the rolling evil spirit suddenly turned into a tornado, which wrapped up Lin Xiong. The wind was very strong, just like a 100000 ton bomb, burst at the same time!

And in the evil spirit, Lin Xiong's whole body was covered with blood red lines, and his whole breath became more and more evil and cold!

Chapter 5620

Red Linglong and other women's pupils contracted instantly, and their faces were shocked. At the moment, the oppressive feeling brought by Lin Xiong was like a spring bamboo shoot after a spring rain!

It's a terrible day!

But this is just the beginning!

"The second evil, the magic step of the ghost forest!"

With a sneer on his lips, Lin Xiong's feet moved, and his body became blurred and thin. In a twinkling of an eye, he disappeared in the air, making people unable to catch him. At the same time, the ghosts appeared all over Ye Chen's body, flashing constantly!

This method is really weird. It's not only extremely fast and hard to catch, but also calls out ghosts to confuse opponents and cover up themselves. It's even more difficult to find the trace of Lin Xiong!

However, people can clearly perceive that Lin Xiong is around and does not leave, which undoubtedly increases their psychological pressure. Every second, they are immersed in fear!

At the moment, it seems that even Ye Chen's look is a faint change!

Many people in the hall of Longmen Island noticed the change of Ye Chen's look, and his look became more and more ironic, while Beilingsheng and others were calm!

Ye Chen's luck is too bad!

Even Lin Xiong's real strength is far beyond expectation?

At this time, Lin Xiong's cold voice sounded again: "the third evil, rotten dragon corpse poison!"

Ye Chen spirit move, complexion suddenly a sink, to red exquisite long three female big shout a way: "retreat!"

Three female smell speech, dare not neglect, body shape a flash then exited on kilometer!

At this time, a lavender smoke with a fishy smell has covered the area of 100 meters around Ye Chen!

The smoke is very light, three women through the smoke can still see ye Chen's figure, not only Ye Chen's figure, they can see all around Ye Chen!

This is precisely because of this, three female's complexion are all nervous, pale!

I saw that the plants around Ye Chen died in an instant, and even the earth was dyed purple black and softened into a purple black poison marsh!

Even the void will be eroded by the purple mist and pierced!

This rotting dragon poison is a terrible poison!

Ye Chen is shrouded by this toxin, the facial expression seems to be more uglier too, on the face is faintly taking a touch of purple black gas, the breath all has some unsteady!

All the people in the hall opened their eyes when they saw this scene. Unexpectedly, Lin Xiong even practiced the poison of rotting dragon!

It is said that the great villain, the king of putrefaction, who once practiced this poison, killed his enemies with this poison in order to revenge his enemies!

Once this poison came out, it destroyed a heavenly island and killed tens of millions of marine creatures!

It's very difficult for ye Chen to survive in this poison and stand still. However, his combat power will be greatly reduced!

Many people are beginning to shake their heads, this battle seems to have been doomed!

The most important thing is that Lin Xiong has only used his third evil now!

Besides Baitu boxing, he still has six villains' unique skills. If he doesn't show them, does Ye Chen have a chance to win?

At the moment, Lin Xiong looks at Ye Chen, who is a little shaken. He looks cruel. It seems that he doesn't have to use the rest of his methods!

Immediately, he sneered: "Ye Chen, do you still have the confidence to face me alone? Can men go down? Do you want that woman to help you? Well

Red exquisite all some can't help, her hand sword light a Sheng, seem to want to hand!

If it goes on like this, ye Chen is really dangerous!

But, ye Chen is low to drink a way: "exquisite, don't move!"

Red Ling long hears speech, the wrist trembles, she anxiously looked at Ye Chen one eye, after all still didn't move

She doesn't listen to other people's orders and goes her own way. But, somehow, in the face of Ye Chen, she feels that she doesn't dare to follow, just like Ye Chen is her nemesis and enemy

But, red Linglong also made up her mind, no matter what ye Chen said, if she really met life danger, she must do it!

Lin Xiong laughed and said, "good! Young master ye, he is not a hypocrite. He has principles. Lin admires him! "

In his heart, he despises Ye Chen and ridicules him to the extreme!

Are you going to die? Do you want to save face?

This kind of waste is what he looks down on most. In order to survive, he has to do whatever he wants!

This is the survival rule he learned in villain's Island!

Lin Xiong took a deep breath, and the spirit and evil spirit in his body worked. In a flash, he gave a blow and said, "Bai Tu Quan!"

The next moment, a terrible fist seal, is suddenly appeared in the back of Ye Chen, toward its hard blast!

At the moment, ye Chen, as if he could not react to Lin's hand, and could not capture Lin's position, ate the punch!

With a loud bang, ye Chen was shocked by the blow! His complexion was gloomy and he coughed a few times, but he didn't seem to have been seriously injured. Soon, ye Chen's backhand hit him in the same direction, but he was empty!

Longmen Island hall in the public, some surprised, ye Chen's physical quality is good, strong!

In the case of poisoning, is it OK to be hit?

Beilingsheng and others are also slightly relieved.

However, soon the faces of the warriors were sarcastic again.

What about strong constitution?

If you can block a punch, can you block a hundred, a thousand?

Looking at Ye Chen's reaction, he couldn't catch Lin Xiong's position at all. He was just beating Bai Da!

Lin Heng snorted coldly, but he didn't care too much. He shot out one after another!

Ye Chen is just like a personal sandbag. He is constantly attacked. Even if he is strong, his face is black and blue. In the twinkling of an eye, ye Chen is attacked by Lin Xiong for hundreds of fists!

Even with his vitality, he was hurt, and his mouth overflowed with a trace of blood!

But up to now, ye Chen's counterattack didn't hit Lin Xiong once!

Everyone in the hall has already laughed!

Lin is playing monkey!

How arrogant was Ye Chen when he just faced Lin?

And now?

Be treated like a monkey, tease, beat!

It's totally one-sided abuse!

Ye Chen is ridiculous!

At this time, Lin Xiong is also a little impatient. He looks at Ye Chen and frowns slightly. Is this boy made of iron?

All poisoned, can you resist so many Baitu boxing?

It seems that we need to use other means

Lin Xiong turned his wrist, and a long sword appeared in his hand. The shape of the sword was strange, and it looked like a snake!

Lin Xiong's voice sounded out again: "the fourth evil, luanheyin sword!"

In a flash, countless snake shaped sword Qi rushed towards Ye Chen!

Ye Chen's face ponders, and the evil sword appears in his hand, waving it to resist!

However, because we couldn't capture Lin Xiong's position, every shot was slow by one point!

But there was still a lot of sword Qi that hit him first!
