### Chapter 5741

Ye Chen is very clear, since the old man mentioned, it is very likely that there is a person in the temple of yin and Yang near the magic dust peak, otherwise, he will not leave clues for nothing.

Think of here, ye Chen no longer hesitates, immediately tear the void, go to the magic dust peak.

But when ye Chen is ready to start, suddenly a figure tears from the void!

Ye Chen steps to stop, holding the Sha sword, soul body transformation, powerful power gathered in the whole body!

Is this the disciple of wanxu?

Although these disciples are not as terrible as those strong ones in wanxu, they are also extremely difficult to exist!

He must not look down upon!

Soon, a figure appeared in front of Ye Chen!

However, the other party is not a disciple of wanxu at all, but Shenyuan Taixu.

How does the key Shenyuan Taixu leave the sky sea and suddenly come here?

Ye Chen just wanted to talk, Shenyuan Taixu said: "Ye Chen, come with me!"

Ye Chen is one Zheng, but still ask a way: "go where?"

Shenyuan Taixu said: "something happened to Zhuyuan."

Ye Chen's eyes coagulated and stepped out. He came to Shenyuan Taixu and said, "isn't Zhu Yuan burying the sky and sea for cultivation? Why did something happen? What's going on here? "

Shenyuan too empty eyes some self reproach, but obviously things extremely urgent, can only say: "on the road I will explain with you!"

Ye Chen nodded, eyes down magic dust peak may be put aside, Zhu Yuan has been Ye Chen's friend, ye Chen does not want Zhu Yuan fall!

Shenyuan is so empty that it is obvious that Zhu Yuan's affairs are a matter of vital importance!

Both of them are heading for the empty passage!

Although there are many rules for burying Tianhai, Shenyuan, as a mysterious force in charge of burying Tianhai, naturally has means to enter it.

In the void channel, ye Chen said coldly: "what happened?"

Shenyuan sighed: "you know Zhu Yuan is a Wuchi. He pursues the extreme of martial arts. He does have talent, but his talent has some distance from you."

"What happened before has changed him a little. These days, he is practicing crazily. He even goes to any place left by Shenyuan that is good for martial arts."

"But never, never. He went to that place."

Ye Chen guessed what, this is Zhu Yuan's character indeed.

After Longmen secret place, ye Chen didn't go to find Zhu Yuan. He just didn't want the outside world to affect Zhu Yuan, but now it seems that Zhu Yuan still knows.

He even regretted that he brought the pure boy to his chess game unconsciously.

"Where are the places you said you shouldn't go?" Ye Chen asked.

Shenyuan Taixu shook his head: "of course, I am Shenyuan Taixu, but I know very little about that place. I only know that it's called Shijie magic pagoda, which existed in the ancient times. During this period, there were countless havoc outside China, but Shijie magic pagoda still exists. "

"The Lord of Shenyuan once entered, but he was blocked by a force because there were strict restrictions on the ten robbers."

"Those who are not good at martial arts can't step in, those who are not pure in mind can't step in, and those who have low talent can't step in!"

"The most difficult thing is that the mind is not pure. If you want to enter the ten robbers magic tower, how can you really have pure mind?"

"There is also the so-called wrong martial arts. What is the boundary between the right and the wrong? No one knows. "

"Over the years, Shenyuan has sent people into it, but the results are the same. No one is qualified to enter."

Ye Chen saw a look yuan too empty, curious way: "you also have no qualification to step into?"

As a matter of principle, Shenyuan is one of the most illusory talents in the world. He has the right martial arts. Maybe he is qualified to enter the world.

Shenyuan sighed and said, "that's exactly what it is."

"Over the years, because no one can enter, Shenyuan has no more restrictions on the ten robbers' magic pagoda, but it is still placed in the most hidden place of Shenyuan."

"I never thought that not long ago, Zhu Yuan found the magic tower and stepped into it strangely!"

"Now it's the tenth day, and even the Lord of Shenyuan faintly perceives that Zhu Yuan's breath of life is declining. It's likely that something has happened inside."

"We are thinking, if Zhu Yuan can enter it, does that mean that you can also enter it?"

Speaking of this, Shenyuan Taixu looks at Ye Chen with dignity.

In his opinion, ye Chen is an absolute monster!

Strength, talent, and even luck are among the best in foreign countries!

If ye Chen can't, then he really doesn't know who else can!

Ye Chen Mou son a coagulation, he has no choice.

"Go and have a look first."

.....

An hour later, ye Chen and Shenyuan Taixu came to an ancient gate. The gate is made of Daojing, and even the material of Daojing is much higher than that of the five tiandian in tianrenyu.

A breath of simplicity and seclusion came to my face.

Standing in front of this gate, ye Chen has a bad premonition.

Even, he felt his body, Dantian and aura were suppressed!

Even the physical body has a sense of being limited.

This feeling is more like the suppression of the rules of heaven.

Chen Yuan is sent here by force: "I can only be sent to an eye again."

"You have a try."

"Ye Chen, if you feel something wrong in the whole process, you must come out immediately! If you stay one more second, your strong vitality will be destroyed! Since ancient times, many proud talents have fallen here in Shenyuan. To some extent, this place is more like a forbidden area, which no one is allowed to enter. Do you understand? "

Shenyuan Taixu's words sounded like thunder in Ye Chen's ear, which was more like a kind warning.

"I see."

Ye Chen's expression restores indifference, looked at the gate, then stretched out his hand, did not use too strong strength, but when the palm touched the door, the gate was opened.

Inside is the endless darkness. In the deepest part, there is an ancient pagoda, among which the candles seem to tell the story of antiquity and vicissitudes.

Ye Chen stepped into it without expelling it. Shen Yuan outside the door showed a bitter smile and murmured: "sure enough, ye Chen has the qualification to step into it. Can't I really compare with those guys because of my Shen Yuan's inside information?"

With that, Shenyuan Taixu is cross legged outside the door, operating the Dharma, quietly guarding.

.....

Ye Chen walked for half an hour and stopped.

In front of him appeared a black and blue Pagoda with dragon inscriptions!

The tower is ten stories high, and each story has a dark chain winding around it. The dark chain is constantly growing towards the periphery, and finally takes root in the ground!

And on the chain under the ground, there is a broken sword!

Chapter 5742

This broken sword, ye Chen can't see any grade, but ye Chen feels a sense of martial art charm from the broken sword!

Ye Chen suddenly understood why Zhu Yuan came here! I'm afraid I was attracted by this broken sword! The martial arts is a fatal temptation for any martial arts maniac!

At this time, xuanhanyu, who had not opened his mouth, said: "boy, be careful. Any broken sword that suppresses chains and giant towers is a magic sword of the ancient times. Although I don't know the name of the magic sword, I can be sure that it is different from the martial arts and the meaning of the sword."

Xuanhanyu's voice is full of a trace of horror and accident. Obviously, the existence of this huge tower is beyond xuanhanyu's cognition.

"Thank you for reminding me."

Ye Chen takes a deep breath. He has a sweat in his palm. He holds the sword tightly in his hand and feels nervous for the first time in many years.

He came to the gate of the first tower, just wanted to step in, a woman's voice suddenly sounded:  
"reincarnation of the Lord, why do you come here?"

Ye Chen body a meal, ten thousand don't think of, oneself haven't stepped into, was the other party see through the identity?

Ye Chen suppressed his inner shock and arched his hand to say: "younger Ye Chen is looking for a friend named Zhu Yuan who entered your tower ten days ago. This person is very important to me. Please send him out!"

Words fall, is a long silence.

After a long time of incense, the woman's voice came out of the blue:

"you're talking about the boy. It's a pity that the boy is very gifted in martial arts, but he violates the rules of the magic tower of ten robbers and will be imprisoned forever. Please go back!"

This words, ye Chen's face is no longer indifferent?

Suppress Zhu Yuan forever? It's worse than death!

What are the so-called rules?

Although I don't know what happened, ye Chen won't let Zhu Yuan be suppressed forever!

Ye Chen stepped out and said in a loud voice: "master, please let me step into it. No matter what reason Zhu Yuan is for, I will take it out! I can exchange whatever you want! "

Soon, a cold smile came out of the tower: "the ignorant are really fearless, the reincarnation of the Lord, do you really want to challenge the authority of the ten robber God magic tower?"

"For thousands of years, Shenyuan has not dared to break into the magic tower. Today, you just want to break into the tower from the beginning? It's not fearlessness, it's ignorance! "

Ye Chen a meal, burning a trace of determination in the eyes.

He knew it couldn't be done well, but he had no choice!

"In that case, I'm offended!"

Ye Chen doesn't have any nonsense, holding the Sha sword, soul body transformation!

"Wansha sky covering sword, I've suppressed it!"

Whoa!

The evil sword burst out.

A touch of horrible evil spirit fluctuates and immediately vibrates in the void.

On the top of the Sha sword, the dark Yin Sha mang Qi is blown up, and a series of runes are churned out to block the sky and the sun.

This sword, the wansha sky covering sword, was created by Ye Chen at the beginning of the ten thousand skeletons burial ground. It is very powerful.

Once this move is used, the space of layers will burst, the road will be worn out, and the sword will be fierce to the extreme.

However, this amazing sword has no effect on the giant tower!

Soon, the cold voice of the girl sounded again: "beyond measure."

"But if you want to save that boy, you can't help it!"

Ye Chen Mou son one coagulates, connect busy way: "what method?"

The woman stopped for a few seconds and said, "you will replace this boy to suppress here forever! How about it? "

"There's only one chance."

Ye Chen's eyes are surging with a trace of flame, which is undoubtedly playing with himself!

Just when ye Chen is ready to continue to do something, the gate of the giant tower suddenly opens!

Then, the first layer of endless darkness was lit by candlelight!

At the same time, a concave convex woman virtual shadow appeared in front of Ye Chen!

Ye Chen is sure that this woman is the one who has been talking behind her!

The woman, holding a feather fan, covered half of her face with a smile: "Lord of reincarnation, I know you will not be reconciled. In this case, you might as well meet your friends."

With that, the woman turned around, revealing the round object, twisting towards the depths!

Ye Chen heart although some fear, but now have no choice, can only follow in.

Ye Chen enters the magic tower of ten robbers, and suddenly feels the extremely terrible evil Qi surging around!

Because of his breakthrough not long ago, he is extremely sensitive to magic Qi.

This evil spirit is very strong!

Is it that Hong Tianjing is more terrifying than Hong Tianjing?

Otherwise, why is it called the ten robbers magic tower?

Soon, the woman stopped and a huge crystal appeared in front of her!

The crystal stone is like a huge wall, which has a sense of covering the sky and the earth.

The female hands of the feather fan, gently waved, red lips outlined: "reincarnation of the Lord, you really do not recognize me?" "In the last life, I sat on your lap."

For such a molestation, ye Chen's look has not changed, but she feels vaguely that this woman seems to have a causal relationship with her former self.

"Then why are you here?" This is the question in Ye Chen's heart.

According to the words of Shenyuan Taixu, the giant pagoda appeared for a very long time, and this woman should have entered it later.

However, there are too many doubts about whether they are trapped or what.

That woman hears Ye Chen's words, the Jiao body is obviously one quiver, then the cloud is light and the wind is light way: "everything is cause and effect just."

"One of the principles of the ten robberies of the magic tower is that the guest comes. I'll show you the boy you miss."

With a wave of the feather fan, a picture appeared on the crystal wall like a Shadow crystal!

In the picture, a teenager covered with blood is lying in the corner, his hands are entangled by chains.

Even the waist is also a chain, such as Python general winding.

At the same time, the youth's head suspended a virtual shadow of Kendo!

This Kendo is like judgment, like the sword of God. It seems that once it falls, the youth and the chains will disappear between heaven and earth.

See this picture, ye Chen breathing shortness of breath, eye socket blood red, a surge of anger gathered around!

This young man is no other than Zhu Yuan!

But why is Zhu Yuan like this!

He couldn't help looking at the woman and growling: "what did you do to Zhu Yuan! I advise you to release Zhu Yuan immediately! Otherwise, even at the cost of my life, I will destroy this huge tower! "

The woman seemed to hear the funniest joke in the world. She giggled and laughed for ten seconds before she stopped: "the reincarnation Lord is really humorous. Don't mention your strength in this life.

Even if you come in the last life and use your peak power, you can't do anything to the ten robbers magic Tower!"

"If I'm right, extraterritorial heaven is declining."

"But I tell you, the way of heaven of the ten robbers' magic tower can't decline forever!"

Chapter 5743

what!

Ye Chen hears these words, the heart is like to set off a storm in general!

Is there a way of heaven in this huge tower?

You're kidding!

But the woman's attitude and look are not like lying at all!

What the hell is this magic tower!

As ye Chen pondered, the female feather fan waved again: "for the sake of you and me being old friends, let's have a chat with this boy."

Soon, ye Chen feels that the law of space around him seems to have changed. He seems to be beside Zhu Yuan!

"Zhu Yuan!"

Ye Chen suddenly shouts.

The boy in blood who was trapped by chains seemed to hear something. He opened his eyes and said in a low voice: "childe..."

He just wanted to struggle to get up, suddenly, the rune on the chain flickered, a purple lightning, and even just like the existence of fire suddenly appeared, and went to Zhu Yuan!

Thunder and fire are like snakes of thunder and fire, constantly winding Zhu Yuan's body!

That poisonous tooth is very much to plunge into Zhu Yuan's body!

This kind of pain comes from the body, even the spirit!

Who can resist.

"Ah

Zhu Yuan cried out crazily. Even if he wanted to bear the pain, he couldn't bear it!

Ye Chen sees this picture, just like a thousand knives penetrating the heart, and says to the woman, "stop for me!"

But the woman explained, "what can I do? If I could control these things, I wouldn't be stuck in this place. "

"This boy has violated the rules of the ten robbers' magic tower, and is destined to do so."

"But then again, you can't escape the reason why he broke the rules!"

Ye Chen clenches his fists, and his bloodshot eyes stare at Zhu Yuan, who is roaring wildly. Maybe it's because of his anger, ye Chen smashes his fists on the screen!

But this picture is only slightly shaking, and there is no damage!

Full several seconds, ye Chen gradually calm down, he said to the woman: "you should have a way to help him, tell me!"

The woman just wanted to say something, but Zhu Yuan no longer made a sound.

His body was shaking and he got up step by step, dragging the chain.

He hobbled toward a direction, in Ye Chen's view, as if he was getting closer and closer.

Zhu Yuan's steps suddenly stopped. He gazed at a strange wall and said, "I'm sorry, young master..."

Ye Chen's heart seemed to be pulled up, forced to endure, said: "Zhu Yuan, you don't have to say sorry to me, it should be me who said sorry!"

Zhu Yuan laughed, his face covered with blood, and the corner of his mouth was also accompanied by a trace of blood: "young master, I accidentally broke into the ten robbers' magic tower I wanted to strengthen myself to protect you Unfortunately I failed. "

"I don't ask to leave the ten robber magic tower. I just hope you forget Zhu Yuan from now on."

"Zhu Yuan is incompetent, but he has no regrets all his life. I'm glad to meet you."

"Young master, let me see the martial arts above heaven and earth, and let me understand what is Lingxiao."

"Zhu Yuan once hoped to go out of the country and pursue the martial arts of the supreme world, but now he can't..."

"This wish will be realized by the young master instead of Zhu Yuan."

"Here, Zhu Yuan hopes that the young master will take care of his younger sister in the face we used to get along with."

"Zhu Yuan, thank you."

Zhu Yuan finished this difficult words, I do not know is exhausted or extremely injured, suddenly knelt on the ground.

He tried his best to kowtow three heads to Ye Chen.

It's like farewell.

During this time, Zhu Yuan knew better than anyone what his own ending would be.

He doesn't want to involve Ye Chen.

The complexity of this magic tower may even exceed the rules of heaven and man!

Even, Zhu Yuan also found that the way of heaven is declining, but the power of the rules of the ten robbers' magic tower is getting stronger and stronger!

There must be a surprising situation behind such abnormal things!

At the moment, ye Chen's eyes are full of tears. What he wants to do, he finds that he can't do anything.

Even he didn't know what the so-called ten robbers magic tower was!

He resisted all emotions, touched his palm on the picture in front of him, and then said word by word: "Zhu Yuan, if you still treat me as a child, believe me, I will come to you, untie your chains, and then take you away from this ghost place."

"I swear by the heart of Tao!"

Zhu Yuan was stunned and began to talk hard. The blood on his head kept flowing through his eyes. He looked a little ferocious.

He laughed, brilliant and pure.

"I believe you, young master."

When the clear voice fell, Zhu Yuan's picture disappeared completely.

Only Ye Chen and the mysterious woman remained. Ye Chen's face has recovered, but if you look carefully, you will find that Ye Chen's eyes have a decisive light!

No one can stop the light!

Ye Chen looks at the woman beside him and asks, "how long can Zhu Yuan stay in it?"

The woman can feel that Ye Chen seems to have changed, but she can't say it. She pondered for a few seconds: "if he doesn't resist, he can live for a lifetime, but if he resists, he can only live for a year."

"You give him hope today, he will definitely choose the latter, he will not give up, so there is not much time left for you."

"However, I advise you, give up, don't say it's you, even if it's Ren extraordinary, there's no way."

Ye Chen never thought that this woman not only knew her identity, but also her extraordinary existence.

Presumably this person was not an ordinary person at that time.

Ye Chen closed his eyes, thought for a few seconds, then opened his eyes and continued: "although I don't know your purpose and identity, I can feel that you want to help me. Well, I'll just ask you one question. "

Woman some accident, because at the moment of Ye Chen too calm, calm like a machine.

"What's the problem?" Women's way.

"If you are me, what do you suggest I do next?"

Ye Chen finish saying, that Mou son then tightly stares at the other side.

It's like a fierce beast staring at a prey, and it's like a monk looking through the world looking for answers in front of the Buddha statue.

The woman was obviously surprised by Ye Chen's reply, but after thinking for a while, she said: "leave here, forget this matter for the time being. When you are sure, you can rob the magic tower again."

"In fact, you haven't really entered the tower yet. If you enter the tower, your end may be the same as Zhu Yuan."

"This is my suggestion. You can choose to listen to it or not."

When the woman plans to say a few more words, ye Chen turns around and walks toward the outside.

When he came to the door of the magic tower, his steps stopped, and a faint voice suddenly came: "thank you."

"By the way, what's your name?"

The woman's delicate body trembled, then laughed at herself and murmured, "sure enough, I forgot everything."

"In those years, you once sent me a white lotus. Since then, I have been called white lotus."

Chapter 5744

Ye Chen nods, and the back body completely disappears in the ten robbers magic tower.

At present, the most important thing is the temple of yin and Yang and the hundred day agreement of blood god.

He will not forget Zhu Yuan, and will try to save Zhu Yuan, but now his strength is obviously not enough.

Perhaps, as Bai Lian said, forgetting this matter for the time being is the best choice for Zhu Yuan and himself.

Outside Shenyuan is too empty, obviously feel Ye Chen came out, slightly a Zheng, stand up, curious way: "so fast? You didn't go in? "

Ye Chen did not say much, but arched: "you send me to the magic dust peak."

Shenyuan Taixu felt the change of Ye Chen, and there was no nonsense. He nodded: "OK."

.....

Soon, ye Chen and Shenyuan Taixu appeared at the foot of Huanchen peak.

Shenyuan hesitated for a long time, or asked: "yechen, are you OK, do you need me to do anything?"

Ye Chen feels too calm for him.

It's too cool.

Although Ye Chen is usually indifferent expression, but at this time of indifference is absolutely not the same as usual.

Ye Chen showed a smile and said, "it's OK, but leave me a piece of communication jade pendant. One day in the future, I may contact you to pick me up."

Shenyuan Taixu instantly understood something and threw out a jade pendant engraved with Shenyuan symbol: "I owe you a life in the secret place at the beginning, so you can find me at any time."

"Now that you have something to deal with, I'll leave first."

Ye Chen nodded and arched his hand: "thank you."

Then, Shenyuan Taixu completely disappeared between heaven and earth.

Ye Chen Mou son a coagulate, temporarily put Zhu Yuan's affair in the back of the brain, this affair he a person thinks a way to have no use at all, at that time see Ren extraordinary, ask again this white lotus and ten rob the affair of the absolute being magic tower to make a plan again.

Now the most important thing is to find out why the man of the Yin Yang Temple left the clue of the magic dust peak.

Soon, ye Chen came to the top of the magic dust peak. Before he got close to the main hall, a couple of men and women came out of the hall. They were Mie Wuji and the magic dust smoke.

At this time, Mie Wuji's heart knot was untied, and he was young again. He seemed to be in a vigorous spirit. He strode towards Ye Chen and said, "little brother, why are you here?"

Obviously, he sensed the breath of Ye Chen and immediately came out to greet him to show respect.

Ye Chen arched his hand and said, "I'm sorry to disturb you. I really have something important to ask you."

Mie Wuji "Oh", quite surprised, said: "I don't know what it is?"

Ye Chen hesitated for a moment. Naturally, he couldn't talk about the Yin and Yang Temple in detail. He said, "I want to know if there are outsiders around here?"

Mie Wuji frowned and said, "why do you say that

Ye Chen said: "to be honest, one of my elders died. He left a clue before he died and told me that there might be his fellow disciples near the mountain. I want to find out the truth behind it."

Hearing Ye Chen's words, Mie Wuji and Huan Chenyan were all eyebrows, which made them very surprised.

Mie Wuji thought for a few seconds before he said, "I don't know who killed Xiaoyou's elder. If there is a place where I need to go, I can go out of the mountain and give my life to help you!"

The cause and effect of miewuji and yechen are far more than that. If it wasn't for yechen, he would not have the present life, let alone untie his heart knot.

The magic dust smoke beautiful eyes flow, is also decidedly way: "yes, our husband and wife, thanks to the little friend help, can reunite again, although we now live in seclusion, but as long as the little friend command, we two husband and wife are willing to do our best to repay!"

Ye Chen said with a wry smile, "thank you two elders, but I don't want to disturb you Qingxiu. I just ask you to help me find out if there are special people nearby."

Mie Wuji and Huan Chenyan looked at each other. They both nodded. Then Mie Wuji said, "well, let's investigate. Since Xiaoyou is here, please come in. We'll wash the dust for you."

Ye Chen originally wanted to refuse, but seeing their sincere appearance, he nodded: "good."

Mie Wuji and his wife lead Ye Chen into the hall and order the maid to serve the food and wine.

During the dinner, they want to ask Ji Lin to come out to accompany them, but ye Chen politely refuses, saying in his heart: "little girl, I'll come back to you after my hundred day appointment."

However, ye Chen stayed for two days, but nothing happened.

Mie Wuji and Huan Chenyan sent people out to investigate, but Huan CHENFENG is a desolate place with no outsiders and nothing special.

Mie Wu apologized and said, "Xiaoyou, the investigation has no result. I'm really sorry. The magic dust peak orthodoxy has lasted for tens of thousands of years. There is no outsider near here."

"It's OK. If you can't find it, forget it."

Ye Chen frowns tightly, and can't understand the cause and effect behind it. Since the old man in the temple of yin and Yang specifically mentioned the magic dust peak, it's impossible that there is no relationship at all.

"By the way, brother ye, have you ever heard of Yanyu xianzun?" Magic dust smoke seems to think of something, suddenly asked.

"Misty rain immortal?"

Ye Chen is a Leng, but has never heard of this name.

Magic dust flue: "Yanyu xianzun is the first practitioner of misty rain covering the sky and misty rain illusion. This magic dust peak was originally called Yanyu peak. It used to be her ashram. Later she said that she wanted to avoid her enemies and gave it to me."

"Really..."

Ye Chen's eyes brighten. Is this misty rain immortal related to the temple of yin and Yang?

Magic dust smoke then said: "your elder unfortunately fell, since left clues, mentioned the magic dust peak, is likely to be related to Yanyu xianzun, but you have never heard of her old man's name..." I feel strange in my heart, and I can't guess the reason behind it.

Ye Chen's heart moves, secretly deduces the fate, but finds that the old man's blood letter, a concussion, seems to really have something to do with Yanyu immortal.

"Master, where is the misty rain immortal?"

Aware of this scene, ye Chen is also excited, just want to visit Yanyu xianzun immediately.

Magic dust flue: "Yanyu xianzun is eccentric. He never sees outsiders. Even I may not be willing to see her. It's not easy for you to see her."

Ye Chen said, "what should we do?"

Huan Chenyan thought for a while and said, "I'll try to take you to visit her, but whether she is willing to meet or not depends on your luck."

Ye Chen spirit a vibration, way: "good!"

Illusory dust smoke hope to extinguish limitless way: "mutually public, you also go with us."

Mie Wuji waved his hand and said, "no, one should stay at home. Otherwise, the annihilation sword spirit will kill you suddenly. What should I do?"

"Well, we'll be back soon."

Magic dust smoke in the heart can't bear to separate, but also don't want to make ye Chen disappointed, now say goodbye to miewuji, with Ye Chen left magic dust peak.

"Yanyu fairy respected her, and her whereabouts were uncertain. She said that she wanted to avoid her enemies. Fortunately, I am proficient in Yanyu fantasy, and I can detect her existence by communicating with her."

## Chapter 5745

The magic dust smoke and ye Chen fly to the sky against the wind. As soon as they pinch the formula, they lift up the wisps of mist. The wisps of mist, waving with the wind, vaguely point to a direction.

"Here it is, let's go!"

Magic dust smoke eyes a coagulation, immediately peep at the cause and effect behind, immediately tear the void, with Ye Chen set out.

"I don't know if the Yanyu immortal is really related to the temple of yin and Yang."

Ye Chen's heart thumping, followed the magic dust smoke, and soon came to an island full of pear blossom.

This island, the sky is always pure blue, pear trees a full bloom, flowers and trees filled with smoke and rain, surrounded by fairy air, beautiful scenery, the air is extremely fresh, let people breathe, you feel relaxed and happy.

Over the island, there seems to be an array. It's a light white light shield, which is integrated with the surrounding environment. If you don't look carefully, you may ignore it.

Ye Chen and illusory dust smoke suspended and stopped over the island.

Looking down, ye Chen can see that on the island, there is a weak woman in a plain dress, with a small hoe, shoveling weeds beside the flowers and trees.

Magic dust smoke to see the weak woman, immediately overjoyed, cried: "junior magic dust smoke, special to visit Yanyu immortal elder."

The weak woman heard the call and looked up at the sky.

Ye Chen see her face, beautiful, forehead with sweat, may be dew, wet a few wisps of hair, appear weak and graceful.

But the woman's eyes, it is with eternal vicissitudes and desolation, as if through the world, indifference in the cold.

She saw the magic dust smoke, and saw Ye Chen, then, in her indifferent eyes, as if there was a volcanic eruption, completely burst and burned, eyes burning on Ye Chen, no longer willing to move a little bit, red lips humming, as if to say something, breathing up, looking very excited.

"Master xianzun, you are..."

Huan Chenyan was also greatly surprised to see this scene.

She had never seen such a shaking appearance from Yanyu xianzun.

"Brother ye, do you know Yanyu xianzun?"

Anyone can see that Yanyu xianzun must have known Ye Chen, otherwise, there would not be such a big reaction.

"No, I don't know her, but..."

Ye Chen looks at Yanyu xianzun, clearly separated by heavy mist, but he sees his own reflection from each other's eyes.

Moreover, ye Chen also has a sense of causality. There must be an extraordinary fate between him and this misty rain immortal.

"Subordinate Bai ruoli, I'd like to meet your Lord!"

Suddenly, Yanyu xianzun shed two lines of tears, slowly knelt on the ground and worshipped Ye Chen.

WOW!

The forbidden array on Lihua island is suddenly opened.

Endless mists and mists rise to the sky and float all over the sky.

In the misty rain, the cool fragrance of pear flowers permeates the sky and washes the heart and lungs.

The long wind blows Ye Chen's hair, and his robes are also hunting. When he hears that misty rain immortal, he calls himself "Lord", but he is shocked.

"Lord? Brother ye, is Yanyu xianzun a person of your previous life

Fantasy dust smoke is also surprised to the extreme, she knows that ye Chen's previous life is the Lord of reincarnation, now Yanyu xianzun kneels to her, can only be an explanation.

That is, in the previous life, Yanyu xianzun was subordinate to the Lord of reincarnation!

Ye Chen is confused in his heart, but he doesn't recover this part of his past life memory. Naturally, he doesn't know the identity of Yanyu xianzun.

"Yes, Chenyan, I am a subordinate of the reincarnation Lord. I have something to discuss with the Lord. You can go back for a while."

Yanyu xianzun raises his head, but he doesn't hide it and confesses to huanchenyan.

"I see..."

Magic dust smoke eyes shock, no wonder these years, Yanyu xianzun has been everywhere refuge, she is the reincarnation of the Lord's hands.

The reincarnation Lord and wanxu temple have a deep hatred. In order to avoid wanxu's pursuit, Yanyu xianzun is naturally cautious.

"Brother ye No, Lord of reincarnation! Then I'll leave you first, and I won't disturb you. "

Magic dust smoke does not dare to stay any longer, now say goodbye to leave.

"Take your time, master."

Ye Chen sees the illusory dust smoke leave, then flies to land on the island.

Yanyu xianzun is still kneeling on the ground with a respectful look on his face.

She is a pickaxe, delicate constitution, in the pear rain, it is very miserable.

"Master Girl Get up, please

Ye Chen does not know how to call her, the mood is complex, call her to rise.

"Lord, you can call me seven seven."

Yanyu xianzun stood up slowly. Under the excitement, tears flowed continuously and could not stop.

"Seven seven..."

Ye Chen hears this nickname, brain boom, relevant memory also restored. It turns out that this Yanyu immortal, whose real name is Bai ruoli, was Ye Chen's right-hand man in his previous life.

Ye Chen has six reincarnation gods under his command. Yanyu immortal wants to be the seventh, so his nickname is Qiqi.

Of course, only the Lord of reincarnation is qualified to call her that. Outsiders should respect her.

"Lord, how did you find this place?"

She was very excited to fight against the fate of ten thousand immortals.

However, the big men behind them are too strong to be supported by the Lord of reincarnation. It's very hard to rely on Yanyu xianzun alone.

Over the years, she had to evade everywhere and cultivate the disciples of Yin Yang Temple in secret.

"It's like this..."

Ye Chen changes the jade pendant of yin and Yang and finds the old man's body. As a result, he is trapped by the enemy and so on. He says it briefly, but he doesn't say Shen Tu Wan'er. He only says that he escaped by chance.

"The Lord's good fortune is really beyond heaven. He can kill the pieces of wanxu. I admire him!"

Yanyu xianzun was so moved that he was amazed. He had already imagined an extremely dangerous and magnificent battle picture. He didn't think that ye Chen could get away easily with Shen Tu Wan'er's help.

Ye Chen wry smile for a while, also didn't explain too much.

After a moment's praise, Yanyu xianzun said with dismay, "Mr. Chen unfortunately fell. This is troublesome. In the future, it will be more difficult to cultivate the power of the Yin Yang Temple."

The old man, surnamed Chen, was the elder of Chongguang immortal sect.

Behind the scenes, Chongguang Xianzong cultivates believers of the reincarnation Lord and provides strength for the temple of yin and Yang.

Now that elder Chen has fallen, the development of the temple of yin and Yang will be even more disadvantageous.

Ye Chen sighed: "fortunately, those pieces have all died, and our temple of yin and Yang has not been exposed."

Misty rain immortal Zun said: "lucky in misfortune."

Ye Chen said: "let's bury elder Chen first, and then make a plan."

Chapter 5746

He welcomed elder Chen's body out of the world and buried it on Lihua island.

When the funeral was over, it was night.

"Lord, please."

Yanyu xianzun invited Ye Chen to his room and poured a cup of flower tea.

Ye Chen drinks tea silently, thinking about the hundred day appointment in his heart.

Since the temple of yin and Yang is not in danger of being exposed for the time being, elder Chen's affairs have been properly solved. He is worried about the hundred day agreement again in his heart and considers whether to take Yanyu immortal to fight.

Yanyu immortal suddenly said, "Lord, since you are here, I have something to tell you."

Ye Chen said, "what's the matter?"

Misty rain fairy respect beautiful eyes dignified, quite a little pity looking at Ye Chen, said: "you must not participate in the war between the Confucian and blood god."

"What?"

The leaf Chen hears speech, immediately greatly surprised, in the hand cup PA of a, fall to the ground, fall to pieces.

"How do you know that?"

The hundred day agreement between the Confucianist and the blood god was not as open as the meeting of emperor Shitian's slaughter of saints. It was a rather secret personal grudge.

Ye Chen didn't expect that Yanyu xianzun would know.

Yanyu immortal Zun said: "this is the prediction of your previous life. If you take part in the war, you will fall."

Ye Chen feels more surprised, way: "my forelife prophecy?"

Yanyu immortal Zun said: "well, Lord, you and I used the technique of misty rain dream together to create a dreamland and deduce the future generations. You had great powers at that time and calculated the hundred day agreement. There are two results."

Ye Chen said: "two results?"

Yanyu immortal Zun said: "yes, the first result is that you were killed by the Confucianists. Before you can fight against wanxu, you will fall completely."

"The second result is that master Ren Feifan intervened strongly, saved you, and killed the Confucian temple and the Queen's palace with one sword. As a result, he exposed himself and was targeted by the big people behind him in advance. Those big people, in order to eradicate you, decided to change with master Ren. Master Ren fell, and you continued to fight against wanxu on your own."

Ye Chen hears Yan Yu Xian Zun's words and is so shocked that he can't speak. The whole person is confused.

Neither of these two results is acceptable.

The first result was tragic. He was killed.

The second result is even worse, implicating Ren Feifan.

There is no doubt that Ren Fanfan has great strength. If he tries his best to break out, he can destroy the Confucian temple and the Queen's palace with one sword!

Confucians think that their strength, there is hope to see Ren extraordinary Xiang Bei, it is the ignorance of fearless, if really fight, he can catch Ren extraordinary a move is a problem.

Ren Feifan didn't kill anyone. In the face of annihilation sword spirit, gongyefeng and others, he didn't use all his strength. He just worried about the big figures behind the chess game.

Those big people are the real high-rise of wanxu temple, and they are the existence that dominates everything behind the scenes. Even Hong Tianjing has to bow his head. Naturally, it is extremely terrible.

Ren Feifan will not be exposed easily, but if ye Chen is in danger, he will do everything to kill the Confucian temple and the Queen's palace, and rescue Ye Chen.

And those bigwigs, once they find out that he is exposed, will be desperate, regardless of the rules of heaven's punishment, fighting for the limit of one for another, but also to kill Ren extraordinary.

As long as Ren Feifan dies, the reincarnation Lord of this life will lose his guardian, which will make it difficult for him to survive and threaten the existence of wanxu.

"The end of a mirage is just a mirage, not necessarily true."

Ye Chen cold sweat Cen, naturally can't believe these two endings.

"Lord, the illusions created by misty rain illusion are rooted in the real world. As long as your cultivation is strong enough, you can deduce the future generations according to the clues of illusions. You from the previous life infer these two endings. You feel that the future is slim, so you specially tell me..."

Speaking of this, Yanyu xianzun was silent for a moment.

Ye Chen said: "I specially tell you to stop me at all costs and don't let me take part in the war, right?"

Yanyu xianzun said: "yes, it's a part of the layout. I haven't heard any news about the 100 day appointment outside. But when you come, I know the situation is open. We need to give up something."

Ye Chen said: "give up some things?"

Yanyu xianzun said: "yes, in order to fight against wanxu, a little sacrifice is necessary. The blood god is your friend. It's a pity that he has to sacrifice. But there's no way. We can only let him die. Otherwise, we all have to take part in it, and even implicate our predecessors."

"What do you say, dare to say it again?"

Ye Chen's eyes are suddenly angry. Zhu Yuan is trapped. He can't stop him. At the moment, the blood god is his friend. They go through life and death. Now Yanyu xianzun wants him to give up the blood God and watch the blood god die. This is absolutely unacceptable.

"Lord, forgive me!"

Yanyu xianzun knelt down in tears and said, "my subordinates are also thinking about the overall situation. Please think twice!"

"Take the overall situation into consideration..."

Ye Chen stayed for a while, the anger in the heart suddenly extinguished. This hundred day appointment, the Confucianist was very cautious, even invited xuanjiyue to go out.

In other words, ye Chen has to face the two forces of the Confucian temple and the empress's palace, and there is a real danger of falling.

If you insist on going to the appointment, I'm afraid it's very dangerous.

Once the end of the fantasy comes true, it's all over.

Either Ye Chen died, or Ren Feifan died, and there was no room for recovery.

"No! Mirage is mirage, reality is reality. Can a mere Confucian make me lose my breath and fall completely? I don't believe it

Ye Chen clenched his teeth, it is hard to believe all the time.

"Confucius can't do it. How about another Xuanji moon?"

"If both of them are not enough, plus the Gongye peak behind, what about the two yellow sparrows of annihilating sword spirit?"

Misty rain immortal Zun wipes tears, voice chokes a way.

Ye Chen's body was shocked. This hundred day appointment is not just a fight between the blood God and the Confucian ancestor. Xuanjiyue will also be involved.

Even annihilating sword spirits and gongyefeng would secretly watch behind their backs, hoping to reap profits and do the business of praying mantis to catch cicadas and yellow sparrow to come.

If ye Chen goes to the appointment, he will be in great danger.

All of a sudden, ye Chen is in a state of confusion.

"No, I'll go! I have discussed with the elder of blood god. How can I escape? If a man dies, he dies. I don't regret it! "

After thinking for a while, ye Chen's eyes become firm, but he has made a good decision.

Even if there was a risk of falling, he could not flinch.

He also believes in his own luck, which is not so easy to fall!

Even every time between life and death, is their own fate!

Looking at Ye Chen's so resolute appearance, Yanyu immortal Zun stayed for a long time and said: "Lord, I'd better take you into the dreamland to have a look. You can see the final result with your own eyes, and then it's not too late to make a decision."

Ye Chen said, "that's OK."

"Well I have offended you, Lord

Chapter 5747

Yanyu xianzun took a deep breath, gently took Ye Chen's hand, and his fingers tightly, there was smoke and mist between their palms.

Ye Chen Leng Leng, a way: "what are you doing?"

Yanyu immortal Zun said: "my cultivation is low. In order to stabilize the law of mirage, I need to communicate with you in advance. Please forgive me."

Finish saying between, misty rain immortal Zun even the body all cling to come over, the spirit diffuses but comes out, wrapped leaf Chen.

Ye Chen sniffs a burst of fragrant wind in his nose, and then he feels the smell of misty rain immortal Zun, wrapping around him.

Although he felt wrong, in order to enter the dreamland, he had to be patient and calm, release his aura and blend with Yanyu immortal.

Boom!

As soon as the two machines merge, there will be a lot of smoke and rain, enveloping all around, like a dream.

"Misty rain dream technique, imperial edict!"

The misty rain immortal moves and immediately casts the misty rain illusion.

Ye Chen felt dizzy and whirled. After a long time, the dizziness subsided slightly, and the smoke dispersed around him. When he opened his eyes, he saw an amazing sight.

In front of us, there are ruins of a palace. It seems that we have just experienced a great war. There are ruins everywhere, and the beacon fire collapses.

Among the ruins, there is a broken plaque printed with the words "Confucian Temple".

"Is this the temple of Confucius? I've come to the temple of Confucius? "

Ye Chen is greatly surprised, stand up to look around, discover oneself still hold the hand of misty rain fairy Zun, then quickly loosen.

"Lord, this is the temple of Confucius."

Yanyu xianzun's face turned red and he stood beside Ye Chen.

Ye Chen looks at blankly, is not to say oneself defeated? How did the Confucian temple become a ruin?

"Ha ha ha, I finally killed the reincarnation Lord. That's great!"

When ye Chen doubts, an old laugh rings out, full of excitement.

WOW!

I saw a figure breaking out of the ruins. It was the Confucianist!

"This reincarnation Lord is so fierce. Reincarnation blood burst. We almost buried him with him."

Another shadow broke through the broken walls and climbed out, but it was xuanjiyue.

Xuanjiyue's hair was messy, her clothes were almost broken, and her whole body was covered with blood. It was obvious that she was seriously injured.

The Confucianists were also disheartened, grimy and embarrassed, but their expressions were full of joy and ease, which seemed to solve some serious problems.

With a sigh, the Confucianist said, "reincarnation is really extraordinary. If I didn't have the wish to protect the body, I would have died. Unfortunately, my wish was shattered by him."

Xuanjiyue also sighed and said, "my Shenluo Tianjian has been blasted into scrap iron, but it's not in vain to kill the reincarnation Lord."

She held a sword in her hand, which was Shenluo Tianjian, but the body of the sword was dark, full of cracks, and had become scrap iron.

Ye Chen seems to be frightened, stupidly way: "is this my ending?"

Yanyu immortal said in a choking voice: "yes, Lord, this is the end of you. You are dead. Before you die, you will explode your reincarnation. You want to die with the enemy. However, the enemy all have the cards to protect their lives. They are not dead, and you are completely fallen."

Ye Chen's heart is shocked. The Confucianist has a wish for Tianxing and xuanjiyue has Shenluo Tianjian. Even if he explodes himself, he may not be able to kill them.

After all, his reincarnation blood has not yet returned to its heyday. If the heyday explodes, it will be hard for the supreme and powerful to resist.

"Why don't they seem to see us?"

Ye Chen stood on the ruins, but neither the Confucianist nor xuanjiyue seemed to find him.

Yanyu immortal Zun said: "this is the world of fantasy. His cultivation is low and he doesn't dare to go too far, so he enters as a spectator."

Ye Chen wry smile for a while, way: "bystander?"? Well, it's an illusion anyway. Even if we change the ending here, it won't affect the real world. "

After a pause, he asked, "where's the elder blood god? Where is he? "

Yanyu xianzun hesitated for a moment, and then said sadly, "he is burying you and erecting a monument."

Finish saying, misty rain fairy respects a hand to wave, leaf Chen in front of the picture distortion, continuously twinkle, final frame in blood death prison.

The lonely figure of blood god returns to the blood death prison.

The whole blood death prison, a dead silence, there are no living people.

All of us follow the blood god to the hundred day agreement.

Now, only the blood god comes back alone, which means that all the others are dead in the Confucian temple.

Blood god was bathed in blood all over his body, and the erosion of laws lingered around him. Obviously, he was also seriously injured. He staggered and looked at the desolate and dead city, suddenly fell down on his knees with a plop, and murmured: "Ye Chen, I'm sorry for you..."

Then, the blood god's palm trembled and pulled out a broken bone from his arms. This bone is filled with six samsara veins. It is the last skeleton left by Ye Chen after his fall.

However, the blood god buried this bone and erected a monument for ye Chen.

On the stone tablet, a line of words is engraved:

reincarnation Lord forever!

Ye Chen saw this picture, completely shocked.

He really died, leaving only one skeleton, and the God of blood set up a monument for him to mourn.

In front of the lonely tombstone, the blood god was in a trance and lost, and stayed for seven days.

Seven days later, he took a deep breath. It seemed that he finally summoned up courage and came to a canyon deep in the blood death prison.

Prison magic gorge!

The blood dragon is still here!

"Master blood, is the date over? Where's my master? "

The blood dragon saw the lonely figure of the blood god, and felt that it was not good.

"He He is dead... "

The blood god stood still, hesitated for a moment, and finally said a short and heavy word.

"My master is dead?"

Blood dragon heard the news, stay for a while, did not expect the mood out of control, eyes is very flat look.

Blood God saw his plain eyes and knew that his heart was extremely sad. The blow was too great, but no emotion was revealed.

"It's a pity that I can't die with my master."

The blood dragon gave a bitter smile, and his body trembled slightly. The Dragon Spirit's resentment around him surged up, trying to take him away.

His heart is like death, can't resist, eyes gradually become gray, a trace of anger came out.

Blood god hurriedly said: "blood dragon, open a little, don't let those dragon spirits succeed, be careful to be taken away! You must get through it and join hands with me in the future to avenge Ye Chen! "

The blood dragon sighed: "well, since the master has fallen, it's meaningless for me to live. Even if I kill xuanjiyue, what can I do? My master can't be reborn. "

"I'm sorry, master blood god. I'm going down with my master."

With that, the blood dragon shed two drops of tears, all over the red light, and then boom, unexpectedly died of self explosion, died for ye Chen.

The whole prison magic gorge was blown to ruins.

The air wave of the explosion came, and the blood god retreated, staring at the scene in front of him.

"I killed Ye Chen and the blood dragon. I'm guilty. How can I live?"

After a word, the blood god suddenly took out his sword to commit suicide, splashed blood on his neck, tilted his body, fell to the ground and died completely.

"No!"

Ye Chen whole see, only scared heart, scalp hair explosion, rushed to stop blood god.

However, as soon as he rushes over, the picture is distorted and then dissipates.

He is just a spectator.

And here, it's just a mirage.

In reality, both blood God and blood dragon live well.

Chapter 5748

"Lord, this is the first outcome. If you join the war, you will surely die. The blood dragon and the blood god will all die because of you."

Yanyu immortal voice sad, if ye Chen to go to the appointment, this is the end.

"No, it won't!"

Ye Chen is hard to believe.

Yanyu immortal said: "Lord, anyway, the blood god is going to die. You might as well give him up. At least you can save your life and take revenge for him in the future."

Pop!

Ye Chen hears her words, but is angry hard when, can't help slapping past.

Yanyu xianzun's clear and beautiful cheek suddenly showed a red and swollen palm print. She covered her face and knelt down in tears, silent.

Ye Chen saw her pitiful appearance, sighed, stroked her cheek, helped her up, said: "sorry, July 7, I was impulsive, this is a mirage after all, it can't be true, if I don't participate in this battle, the elder blood god will die, I can't abandon him."

Yanyu xianzun sobbed and said nothing more.

Ye Chen sighed: "what about the second ending? I want to see it. "

Yanyu xianzun said: "in the second ending, Ren Feifan personally intervened and killed all the people in the Confucian temple and the Queen's palace, protecting your integrity. But in the end, he exposed the cause and effect and was killed by the people behind the chess game

Ye Chen nodded and said, "I know. I want to have a look."

Yanyu immortal Zun said: "the cultivation of my subordinates is shallow, so I can't reproduce this kind of picture, because master Ren and the ultimate strongman of wanxu are extremely strong. Even in the illusory world, when their cause and effect are mentioned, there will be unpredictable natural disasters. I can't bear them. If the Lord wants to see them, he can deduce them by himself."

Ye Chen said, "how can I deduce by myself?"

"There is a pseudo nine God skill here, which is left by the Lord in his previous life. As long as he practices successfully, he can deduce all the endings of the past dreamland."

Yanyu xianzun took out a piece of jade slips, on which was engraved the word "gale and thunder".

"The chance left by my previous life?"

Ye Chen took the jade slip and felt a terrible breath of wind and thunder. It was as if the sky could be leveled by an explosion. The power was very terrible.

Yanyu immortal Zun said: "it's the wind and thunder explosion that evolved from Xihuang's thunder seal. It's said that in ancient times, there was a great man who was known as the taboo in the world who practiced it. Later, it was handed down to Ren, and finally Ren gave it to you."

Xihuangleiyin is not only a real nine heaven divine skill, but also an extraordinary supernatural power.

These supernatural powers are earth shaking and unimaginable, and the gale and thunder explosion are the forgery evolved from Xihuang's thunder seal.

Although it's a fake skill, it's related to the nine gods skill after all, and its power is also quite terrible.

"Have you practiced taboos in the world?"

Ye Chen a Leng, immediately thought of desolate old.

If Yanyu xianzun is right, it seems that Huang Lao once practiced this artifact a long time ago.

"Well, thank you very much, 77. I will practice this skill as soon as possible!"

Ye Chen clenches the jade slip of the cultivation of the thunder explosion of the strong wind, and says.

Yanyu immortal said: "the hundred day appointment..."

Ye Chen said: "I'm going naturally. Fantasy is fantasy, reality is reality. No matter what the result is, I can't shrink back. If the Confucianist and xuanjiyue know that I'm on my way to escape, then I'm still the Lord of reincarnation in the past?"

He had made a decision in his heart and would not shrink back even though he knew it was dangerous.

Although the ending of the dreamland is miserable, it is just a dreamland after all. The reality has not happened yet. How can we escape because of the illusion in front of us?

Misty rain fairy Zun Jiao body a shock, looking at Ye Chen Wei An's figure, resolute expression, dull speechless.

For a long time, Yanyu xianzun wiped away his tears, bit his lips with his teeth, and said: "well, Lord, no matter what, I will support you. Then before the engagement, you will stay in the dreamland, cultivate the strong wind and thunder, and improve your strength. I will adjust the time of the dreamland, and try to let you practice more time."

Misty rain illusion can create illusion and change the law of time. At the beginning, ye Chen spent 10000 years in the illusion of dust and smoke, and benefited a lot.

Now, misty rain immortal Zun also decorates the dreamland, which can gain more time for ye Chen.

Ye Chen was overjoyed and said, "thank you very much, Qiqi."

Yanyu xianzun said with a smile, "it's my duty to serve the Lord. However, you already have the causal mark of a misty rain dream. If you practice in a dreamland, the pressure will be enormous. I will adjust you to the right size. If you can't support it, you must come out ahead of time."

Ye Chen said, "I know."

At the moment, ye Chen stays in the dreamland. Yanyu xianzun burns his blood essence, turns pale slightly, and mobilizes his aura, so that ye Chen can completely integrate into the dreamland world from a bystander.

Soon, ye Chen entered the dreamland and appeared on Lihua island. The world outside Lihua island is a piece of nothingness. In order to ensure the stability of the law, Yanyu xianzun only creates this illusion. There is only Lihua Island, and there is no other world.

Ye Chen people in Lihua Island, really feel the mental pressure, suddenly soared, such as Mount Tai.

It even made him breathless.

"Lord, can you bear it?"

Misty rain immortal Zun weak figure, in the pear smoke emerge, came to Ye Chen side, softly asked.

"Not bad."

Ye Chen smiles for a while, this pressure, still in his bear range, pour is acceptable.

"Lord, I will always be with you in the next time. If you have any orders, just open your mouth and I will be satisfied."

Misty rain immortal Zun soft voice way.

"Well, thank you."

Ye Chen thanks a, then cross knee sit down, pick up the jade slip of gale thunder explosion, concentrate on comprehension.

With Yanyu xianzun by his side, he can practice at ease, and he doesn't have to worry about being disturbed by foreign things.

Gale and thunder explosion is a pseudo nine heaven magic skill. It can activate the breath of wind and thunder, condense the palm of the hand, and kill it with one hand. Then there will be a startling wind and thunder explosion, which is very powerful.

The next time, ye Chen is to concentrate on the understanding of gale and thunder.

With his understanding, if he is an ordinary magic power, he can understand it thoroughly in the blink of an eye. However, the gale and thunder burst originated from Xihuang's thunder seal, which is very complicated and can never be practiced in a short time.

Ye Chen had been practicing for a hundred years in the dreamland before he could touch the threshold of the gale and thunder explosion.

"It's a fake art. It's so profound. If it's a real nine heaven God art, I don't know how advanced it will be."

Ye Chen can't help admiring. It's said that the real nine heaven divine skill is ten thousand times more profound than the fake skill. If you want to cultivate it, you should not only depend on your natural intelligence, but also on your own martial arts foundation and Qi luck.

Chapter 5749

"I really don't know how Ren Feifan practiced perfectly."

Ye Chen feels more and more, Ren extraordinary powerful.

It's unimaginable to be able to cultivate Xihuang's thunder seal to great perfection.

He suddenly some curiosity, Ren extraordinary that year and oneself is how to know.

What happened between the two geniuses?

"However, whether the outcome I saw before is true or false, if I go to the appointment, senior Ren may die for saving me?"

Ye Chen thought of the second ending, uneasy in the heart.

At this time, he has become the reincarnation blood of the previous life. He can deduce the outcome of the fantasy by himself.

"Gale, thunder, destroy cause and effect, go!"

Think of here, ye Chen also no longer hesitates, direct cast out gale thunder to explode.

Suddenly, the boundless void, endless eight wasteland, the wind and thunder breath of the sky, rolling to the palm of Ye Chen.

Ye Chen's palm, suddenly emerged a huge thunder ball.

This thunder ball, crystal clear, with a trace of green color, as if a beautiful art in general.

And behind this beautiful, is the terrible atmosphere of destruction, as well as the mighty pressure.

Condenses this thunder ball, ye Chen's aura, almost consumed half.

Boom!

The thunder ball came out of the air and landed in the void outside Lihua Island, which immediately triggered a terrible explosion.

All the shackles of cause and effect have been broken.

In a flash, the space outside Lihua island was constantly distorted, and gradually emerged the images of mountains, rivers, palace buildings.

Ye Chen's eyes are fixed on the Confucian temple.

He saw Ren Fanfan's figure, standing aloof in the void, holding a long sword, incomparably brilliant and brave.

Below Ren Fanfan lie two corpses, the Confucian ancestor and xuanjiyue.

These two lucky people were killed by Ren Feifan!

The whole Confucian temple has also become a ruin. All the disciples in the temple are dead, and the blood flows into a river. The world is red, and the picture is very terrible.

Outside the hall, there are two corpses, gongyefeng and annihilation sword spirit!

These two people, also was killed by Ren Feifan, the facial expression on the fixed frame is incomparably startled, incomparably afraid.

Ren Feifan's strength is fully open, regardless of cause and effect, no one can resist it. Even the Confucianist, xuanjiyue, gongyefeng and annihilating sword spirit will be killed by him.

"Is this the real strength of Mr. Ren?"

"It seems that I underestimated it."

Ye Chen is extremely shocked. The hairs on his back stand up one by one. Unexpectedly, Ren Feifan ignores the consequences and starts his peak strength, which is so terrible.

Ye Chen sees himself in the dreamland, the God of blood, Ji Siqing, Qu Chenyun and other women hiding behind Ren Fanfan. They are all stunned.

"Boy, I'll cut all the clutter for you. Today my crisis is coming, you go quickly!"

Ren Feifan suddenly turns back and looks at Ye Chen in the dreamland. His eyes are weeping blood. With a wave of his hand, he sweeps out a strong force and sends Ye Chen and others away.

"Ha ha ha, Ren Fanfan, you are finally exposed!"

At this time, the sky thunder, surging clouds, a layer of palaces, a piece of fairyland, in the thousands of rays, thousands of Ruixia around, emerge.

It's wanxu temple!

"Today you and the Lord of reincarnation, die here! The princess of heaven can't save you

A voice full of majesty and extremely fierce resounded through the sky.

The sky split, actually gave birth to a pair of blood red eyes, constantly open and close, seems to be searching for something.

Finally, all eyes, eyes are focused on Ren extraordinary.

"Return to Heaven Sword, kill the rebels!"

The loud voice, from the temple of wanxu, came down.

The next moment, Shenluo Tianjian and annihilation Tianjian, are the divine light burst out, rushed to the sky.

Xuanjiyue is dead. Shenluo Tianjian has lost its master. With a call from wanxu temple, you can control the sword.

But now Shenluo Tianjian is full of cracks, obviously no longer strong!

But strangely, when Shenluo Tianjian appeared in wanxu's hand, the crack disappeared!

It's full of Aura!

How could that be!

The sky sword is like this, ten thousand ruins can recover unexpectedly???

The annihilation sword, though Hong Tianjing's weapon, is also controlled by wanxu, and the spirit of the sword has fallen, so naturally it is also easily controlled by wanxu.

Two heavenly swords, sharp burst to the extreme, straight cut Ren extraordinary.

Ren Fanfan's face changes color. Behind these two swords, the supreme power of wanxu Temple controls them. Although they are blocked by the rules, it is hard to imagine the power of the swords.

When the two swords are cut down, the sword Qi tears the void, and hundreds of millions of space collapses, as if the universe is about to explode."It's not so easy to kill me just with two swords!"

Ren Fanfan snorted, his palm suddenly sealed, and the thunder was surging. Tens of thousands of layers of thunder breath gathered in an instant, showing many brilliant weather around him, such as thunder, dragon, unicorn, Phoenix and so on.

"Xihuang thunder seal!"

The next moment, Ren Fanfan's fingerprints burst out, such as hundreds of millions of days of thunder explosion, infinite thunder power crazy swept out.

Bang bang!

Countless thunder and lightning explosions hit Shenluo Tianjian and annihilation Tianjian.

These two swords, whine, instantly lost all their light and fell to the ground. They were broken up by Ren Fanfan and became scrap iron for the time being. I don't know how much resources it will cost to recover them.

"Good, good, good! It's worthy of being the peerless genius of Ren family. If you stay in the supreme world, where is the position of Princess tiannu? "

"If I don't kill you today, I will let you join hands with the reincarnation Lord in the future, and it will be a great disaster!"

"I'm fighting to change your life, too!"

In the sky, the endless palace buildings of wanxu temple and the weather of various immortal families were destroyed by the impact of Ren Feifan's thunder seal.

But the voice, instead of dissipating, was determined and seemed ready to die together.

Then, a fine awn came down from the sky, and there seemed to be an old man's figure in the light, but it was too bright to see clearly.

He only saw the light, fell down, fell on Ren extraordinary.

Countless light and shadow flow!

As if in a flash, fighting a thousand moves!

But then, Ren Fanfan's body was suddenly full of cracks, and then completely disappeared.

So is the old man!

Before he died, he was still cold, as if he had expected.

"It's not in vain for me to change a layout."

Ren Feifan sighed before he died, and waved to let Ye Chen, blood God and others leave completely.

The ultimate strong players behind the chess game are naturally stronger than Ren Fanfan, but they are restricted by the rules and can't come to heaven and man. Now they come down. If they want to kill Ren Fanfan, they have to change their limits.

Chapter 5750

Ye Chen witnessed this scene, shocked beyond measure.

This ending, Ren Feifan completely fell.

The ultimate strongmen of wanxu temple, in order to root out the reincarnation Lord and strangle the threat, are also extremely terrifying. They even fight to kill Ren Fanfan, which is a powerful help to solve the reincarnation Lord.

This is unimaginable determination and courage!

Wu -

when the wind blows, the illusion in front of Ye Chen's eyes disappears completely.

"Cough..."

Ye Chen coughs violently. He feels that his Qi and blood are rushing back and his viscera are shaking. A mouthful of blood can't help bursting out.

"Lord, are you ok?"

Misty rain fairy Zun hurriedly holds Ye Chen, soft voice way.

"It's OK, cough There is too much cause and effect to bear. "

Ye Chen's heart thumped, and the blood of the meridians ran disorderly, almost bursting.

This deduces the fantasy ending, ye Chen also suffered a serious shock.

Although it's a mirage, Ren Fanfan, who broke out with all his strength, and the ultimate strong players behind the chess game, their existence, that is to say, will shake heaven and earth, shake heaven and earth, let alone deduce their ending.

Fortunately, this ending, the reincarnation of the past, has been deduced, ye Chen is stepping on the footsteps of predecessors, otherwise, he is now dead.

The ultimate strong player behind the chess game, where is he now able to watch?

Now, he has seen a possible ending in the future.

If he goes to the appointment, Ren extraordinary is likely to come, strong hand, for him to do everything, but the result is, Ren extraordinary exposed, was wanxu one for one to kill.

Ye Chen and Ren Fanfan are both teachers and friends. The latter is his most powerful help. If he loses Ren Fanfan, the road in the future will become extremely difficult and dangerous, and no one can guide him any more.

"Lord, forget it. Don't go to the hundred day appointment. These two endings are too tragic. I don't want to see you have an accident."

Yanyu xianzun tears flow down again, holding Ye Chen's palm, tears drop by drop.

Ye Chen's back of hand was wet with her tears, his heart was cherished and sighed, and said: "now it's only a few days before the engagement."

Ye Chen spent a hundred years in the dreamland, but under the control of Yanyu xianzun, the law of time changed, so the time outside was not so long.

Ye Chen has been paying attention to the passage of time, now from about a hundred days, there are only a few days left.

"I'm going out these days. Take a rest. Don't cry. I'll come back alive."

Ye Chen gently wipes away his tears for Yanyu xianzun. Now he peeps at the end of the mirage. He is attacked by cause and effect. His Qi and blood are turbulent. He needs some time to recuperate. A few days is just enough.

However, before this, he still wants to look for Ren Fanfan and find out the doubts in his heart.

Yanyu xianzun's eyes were red, and his tears could not stop anyway. He was silent.

.....

.....

Half a day later, ye Chen came to a huge peak in heaven and man.

The huge peak soars into the sky, surrounded by thunder and lightning!

In fact, ye Chen doesn't know where Ren Fanfan is, but he has practiced fengfengleibao. Although it's a fake nine heaven God skill, it's far from Ren Fanfan's nine heaven God skill, but it's the same origin anyway.

Coupled with the cause and effect of the two people, he had a hunch that he would see Ren Fanfan here.

Ye Chen sat cross legged on the top of the mountain, eyes closed, let his strong vitality to restore the body injury.

Meanwhile, he is waiting for Ren Fanfan.

It seems illogical to wait, but it has the magic effect of Jiang Taigong's fishing volunteers.

On the huge peak, the wind blows, the dark clouds surge, and the strange scarlet blood moon floats in the sky.

I don't know if it's a dreamland or a real moon!

Ren Fanfan is here.

A great shore, full of the breath of desolation, came to Ye Chen's side in this way.

Ren Fanfan looked at Ye Chen curiously and said, "are you waiting for me?"

Ye Chen's eyes open, revealing a trace of surprise!

He just held the attitude of trying, never thought, really see Ren extraordinary!

Ye Chen quickly stands up, just want to say what, but suddenly shut up, look heavy.

At the thought of Ren Fanfan's ending, he felt guilty.

Although this is not a reality, according to the trend of deduction, it will indeed happen.

He doesn't want the result of Ren Fanfan's consultation!

In any case, it's a matter for him and blood god. We can't let any elder interfere in it!

Ye Chen wants to know everything, dignified looking at Ren Fanfan, arched: "any elder, in a few days, what's your plan?"

If Ren Fanfan's 100 day appointment happens to have something to deal with, it can't be better!

Ren extraordinary Mou son tiny MI, the blood month of pupil continuously circulates, curious way: "how to have interest to inquire about my business suddenly?" "What happened?"

Ren Fanfan feels that ye Chen has a strong cause and effect, and even this cause and effect is related to himself.

But he did not choose to deduce and guess, he knew that ye Chen rarely appeared this kind of expression, if ye Chen did not say, there must be his reason.

Ye Chen touched his head and continued: "master Ren, if you don't have anything to do in a few days, can you promise me to practice at ease and don't interfere in anything?"

Ren Fanfan seems to have guessed something and shows a smile: "boy, don't you want me to interfere in your hundred day appointment with the Confucians?"

Ye Chen is one Zheng, know to be sure to conceal but allow special, can heavy nod: "yes!"

Ren Fanfan's hands are behind him, turns around and stares at the sea of clouds: "can you give me a reason?"

Ye Chen forcibly suppressed the matter of saying the ending, and said seriously: "I had a dream that you intervened in this game of chess, and was found by the superior The consequences are very serious, so I hope Mr. Ren won't do it that day. "

Ren extraordinary slightly took a deep look at Ye Chen, nodded: "I promise you, try not to interfere."

When ye Chen heard that Ren Feifan didn't understand the seriousness of the situation, he wanted to say something, but Xuan Hanyu's voice suddenly rang out:

"boy, don't waste your time. For the existence of Ren Feifan, other people's decisions can't be blocked."

"He is your protector, you don't want to give up the blood God and retreat, how can Ren Fanfan give up you?"

"The ending in the dreamland is not the result of Ren Feifan's careful consideration."

"In his cognition, the meaning of your existence is far more than that of him."

"If one day, you and Ren Fanfan can only survive alone, then you are the only one!"

"Do you understand?"

Ye Chen instantly understood the meaning of xuanhanyu. With a long sigh, he looked at Ren Fanfan again, adding a trace of complex emotion.

How could he have such a close friend in his previous life, and how could he have such a powerful guardian in this life!
