

## Physician 581

### Chapter 581

Even if Miss Ji can only exert the power of strong feather bow and fur, such a practitioner is no longer able to compete with people of the same level!

Even the practitioners at the top of the world should retreat.

Who dares to compete with Miss Ji? The sudden death of the disciple of the blood League is an example!

This makes people dare to be angry and speechless!

What people can do is to expect Ye Chen to finish this damned practice as soon as possible and leave them some room!

Especially when people clearly realize that these two days, the energy breath on the soul platform becomes weaker and weaker, and their mood is more anxious.

Go on like this, ye Chen really does not intend to leave others a little way to live!

"Hoo!"

At dawn, on the third day of Ning Hun Tai, ye Chen, sitting in the center of the storm, breathed a long breath in the midst of the countless prayers and expectations of all people.

Nine days inside the body xuanyang will gradually stop running, ye Chen slowly opened his eyes.

On this day, ye Chen finally withdrew from the practice, and the storm which had been raging for three days on the soul setting platform finally stopped at this moment.

Originally drowsy people, aware of this situation, suddenly opened their eyes, eyes are subconsciously toward Ye Chen concentrated in the past.

Heaven and earth, at this moment, seem to be silent!

What is Ye Chen's situation now when he comes back from practice?

The whole soul platform is quiet to terror!

After three days, ye Chen finally stopped practicing and opened his eyes.

Contact Ye Chen's eyes for a moment, all people's hearts, can't help but sink.

What a fierce look it was?

At this moment, ye Chen across the line of sight of people, as if to be able to see through all people!

"Mr. Ye, you are finally finished!"

After a short time, Shen Shixi, who was the first to return to God, showed an excited smile.

At the moment, everyone can not feel how powerful Ye Chen is. But at the moment, ye Chen's eyes are palpitating. He's obviously changed!

Even the feeling in the eyes is like facing a super strong man!

Has Ye Chen stepped into this level?

Three days from the real Yuan state to the mind wandering state, and then to the supernatural state?

No way!

"Thank you for protecting the Dharma for me these days!"

Toward Shen Shixi nodded, ye Chen said softly.

Shen Shixi almost knelt down when he heard the elder!

"Mr. Ye, you can't mess up the seniority! You are a teacher If the Lord knows, he will kill me. "

Then, ye Chen looked at Miss Ji.

Although I don't know why the other party wants to help himself, he understands the kindness.

But he won't send out the muscles and veins of the black explosive Python because of this!

Thank you

The lady Ji took the weapon back and laughed: "you're welcome. I love making friends. Now we should be ordinary friends."

Ye Chen hesitated for a few seconds and nodded: "calculate."

A moment later, ye Chen took back his sight and took a breath. Suddenly, he shot in a direction and released the killing machine. He said, "there are some things that need to be solved."

These days, although all in practice, but some things happened outside, ye Chen where can not be clear?

For example, on that day, Miss Ji Jia killed a blood League disciple with strong feather bow!

For example, these days from time to time locked in their own body that several killing intention!

Blood alliance people, want to destroy Ye Chen's heart, never die.

In that case, ye Chen doesn't want to wait.

"Miss Ji, it should be OK to start at the soul stage."

"As long as you don't make a big deal of it, it's OK. The big people in town don't care

Ye Chen nodded, showing a sneer at the corners of his mouth, and looked at the blood Fenghua and several blood alliance strongmen.

"Boom

The next moment, between a thought, a strong killing opportunity soared to the sky.

In the process of killing, heaven and earth solidify, and everyone seems to fall into the ice cellar.

Ye Chen is in the samsara cemetery. In three days, he actually stepped from the third layer of Zhenyuan realm to the eighth layer of Zhenyuan realm!

Five realms!

Although not into the spirit of travel! But it's almost against the weather!

To know that under the same realm, he is several times stronger than the strong one of Kunlun!

This is also the key to his ability to kill people by leaps and bounds!

But at the moment, his breath and killing machine are not the eighth floor of Zhenyuan realm at all!

It's more like a spirit tour!

"No! Be careful

Xue Fenghua took the lead in changing her look and exclaimed.

"What a powerful momentum! This is definitely not true yuan realm! It seems to be like a wonderland, like a supernatural state, but it is not like. "With the explosion of murder!

At this moment, ye Chen's breath became violent.

The blood dragon in the body seems to rush out of the body immediately!

Feeling this breath, everyone looks panic.

That kind of momentum, let Ye Chen's body, like a mountain, stands on the platform of condensation soul.

Obviously, ye Chen has undergone a qualitative change.

This is not the breath that the practitioners of Zhenyuan realm should have.

Does Ye Chen have quietly stepped into the transcendental realm?

The sound of the air-conditioner is rising one after another.

Everyone's eyes were unbelievable.

Originally, this time came to the soul setting platform, of all people, Xue Fenghua is undoubtedly the most likely to take the lead in breaking through.

However, what happened in the soul setting platform did not even give blood Fenghua an opportunity.

Now ye Chen has crossed so many realms? How can people calm down?

Even miss Ji Jia, not far away, had a look of horror in her eyes.

"This boy is interesting. The soul setting platform of Kunlun Mountain in China is not powerful, but it is forcibly deprived by this boy. The key breath is so strong that it is almost unheard of. Is it possible that this son and sister Ji Siqing are the same kind of people? If this son joins the Ji family, doesn't it mean that there is another demon genius in the Ji family? "

At this moment, Miss Ji is not very interested in the muscles of black explosive python.

What she is really interested in is Ye Chen!

In a shock in the eyes, in the bursts of shouts, blood Fenghua took the lead to return to God, killing the outbreak.

This kid is a threat to him.

Originally, this boy is just a mole ant that can be crushed to death at any time in his eyes. Now it seems that it is absolutely dangerous!

Even this son and the Chinese Ye Chen threaten the blood alliance!

What's wrong with the world?

What about ye?

Is the Kunlun xuye family going to break out?

"If I'm not mistaken, you blood alliance just wanted to kill me when I was practicing."

"If it wasn't for Miss Ji, I would have fallen on the platform."

"If you blood alliance is willing to kneel down and submit, I can consider giving you a way to live."

Threat!

A naked threat!

Who could have thought that the blood alliance was threatened by a boy in the real Yuanjing!

What a shame!

Chapter 582

Xue Fenghua's eyes were cold: "boy, you plunder resources, it's just making people angry! What's wrong with our blood League people killing you? "

"Anger? Ha ha, what is your blood alliance! I will not only make people angry, but also make you all kneel down

Ye Chen's eyes suddenly become cold.

"Kill!"

A long cry, ye Chen suddenly killed.

"My Lord, this boy is so arrogant. I'll learn a little bit!"

One of the closest blood alliance disciples to Ye Chen stepped out, and the red door tattoo on his neck was shining with dazzling light.

The strength of this blood alliance disciple is on the sixth floor of Shenyou!

Not too weak!

The sword in his hand explodes the killing opportunity, takes Ye Chen's key point directly!

But he didn't know! When ye chenzhen is on the third floor of Yuanjing, he can kill the strong one in the sixth floor of shenyoujing!

And now he's on the eighth floor!

How can this person stop it!

"Bang!"

Ye Chen didn't move his sword!

Shoot it with one hand!

This is Chen Tianli's burning anger!

Now he can wave his hand directly to the extreme!

In a burst of dull roar, the blood alliance disciple did not even have time to make a scream and make a little response.

He looked down at his chest with a look of horror.

Ye Chen's palm, at the moment, actually directly penetrated his chest and broke his internal organs. Even the spirit was completely shattered.

"Die!"

Ignoring the blood alliance disciple whose face was full of fright and whose expression was gradually dim, ye Chen snorted coldly.

"Boom

A breath of genuine Qi takes Ye Chen's palm as the center and explodes.

That majestic energy rushed into the whole body of the blood alliance disciple, and in a flash, completely cut off his vitality!

Bang!

Until the blood alliance disciple fell to the ground and the soul platform was dead!

"This?"

"Is that the fuckin 'death?"

"How? I didn't see how the kid did it? There seems to be a flame coming out

"The other side didn't even use weapons. How can I feel more domineering than Miss narji?"

"What kind of state has this boy stepped into these three days? There are three layers of Zhenyuan realm, only three days. Even if there is a soul setting platform, it is impossible to step into a big realm! It's impossible in Kunlun! "

"What's the origin and name of this boy? Mr. Ye? "

"Which Kunlun Xu surnamed Ye is so terrible?"

After a short time, in the cold wind, I came back to God. All of us could not help but shiver, and their faces were horrified.

Ye Chen's move is to make everyone feel chilly.

If you don't know how to make a move, you will be able to kill a mind wandering practitioner!

This is unacceptable!

"The native chicken and the earthen dog are vulnerable to a single blow!"

Did not pay attention to the around that shot a road to frighten the eyes, the leaf Chen mouth corner showed a trace of disdain sneer.

The spirit of blood Alliance?

Now in Ye Chen's eyes, it looks like a mole ant.

This should be the greatest credit of samsara cemetery!

His practice is more solid than anyone else!

What's more, with the disappearance of every great power, a part of his power will converge into his body, which can make him cross two realms almost every time!

This time, the soul setting platform has made great changes in the samsara cemetery!

It's just that because of external things, he doesn't take the time to feel it.

When you have finished dealing with the matter of soul setting platform, you are not in a hurry!

"You seem to want to die?"

Ye Chen turned his head and looked not far away. A pale blood League disciple, who was slowly approaching himself, said without expression.

A word, like the judgment of death, makes people feel cold.

"Boy, do you know what it is to offend the blood League! There are so many people watching ninghantai. If you start again, the blood alliance will surely chase you crazy! "

Seems to have been greatly stimulated, the blood League disciple close to Ye Chen, crazy.

Under the extreme terror, or collapse, or crazy.

This blood alliance disciple is crazy, and ye Chen expects it.

Looking at the man, his whole body momentum broke out and his face was ferocious. Ye Chen disdained to open his mouth:

"blood alliance? I've never been afraid! Offend, offend! Remember, my name is ye Shitian

"From today on, I will kill one of the blood alliance people once I see him!"

"Until all the creatures of the blood league are killed!"

"Destroy the blood alliance in the Kunlun void!"

Cold words ring through!

Shock everyone!

Of course, ye Shitian is the name Ye Chen casually took, anyway, I feel a little domineering, so I used it temporarily. He is now easy to face, naturally will not expose Ye Chen's identity, otherwise to the capital Ye family as well as China is a threat!

From now on, let Ye kill the sky legend spread in Yibao Pavilion!

The voice of Ye Chen is echoed in the whole Ning soul platform.

At this moment, the silence reached its peak.

All the people here have never heard such lies!

This is from the mouth of a boy who was just a real Yuanjing three days ago!

Zhenyuanjing challenges the whole blood League?

If you are heard by those people of Kunlun Xu, you will definitely sneer, even more to say that you can't help yourself!

But at this moment, most people in ninghantai believe it!

Because ye Chen burst out of strength let them believe.

After the silence, there was an uproar.

"It turns out that his name is ye Shitian! Is there such a strong man in Kunlun

"Kill the sky, this person even dare to kill the sky, how dare not move the blood alliance!"

"Ye Shitian's name is too domineering. Plus the boy's talent against heaven, as long as he doesn't die young, Kunlun will surely tremble in ten years."

"Only Ji Siqing, who is the Ji family, can compare with Ye's talent of killing heaven..."

All of us must remember the young man!

It is the three words of Ye Shitian in my heart!

In any case, they and the forces behind them must not offend.

At the moment, Shen Shixi, the only one who knows the identity of Ye Chen, has a strange expression to the extreme.

"Ye Shitian? Master really dares to take it. Even heaven can't accommodate him. What's Kunlun Xu worth? "

"If the master leaves today, I'm afraid it won't be long before the name of Ye Shitian will be heard in every corner of Kunlun."

"The most exasperating thing should be the blood alliance. They must have never thought that ye Shitian and ye Chen are actually the same person!"

The crazy blood alliance disciple listened to the voice in his ear and then took a look at the blood Fenghua.

Blood Fenghua nodded to him, he no longer hesitated, rushed out.

Xue Fenghua is not in a hurry. He just wants to find out the details of Ye Shitian with the help of blood League disciples.

It's better to let ye Shitian tired with the wheel battle, and then he will fight again, absolutely suppress!

Although this means some villains, but in the face of the inexplicable ye Shitian, this method is the most safe!

"Do you really want to die? I will help you

Looking at that crazy blood alliance disciple, ye Chen a cold drink, body shape toward the front swept out.

Brush!

Draw out a row of virtual shadow, ye Chen speed, such as lightning across the sky.

"Get down for me!"

Chapter 583

One blow, a powerful air wave!

Boom!

Roar, roar.

Bang!

However, in the blink of an eye, ye Chen's fist hit the two palms of the blood alliance disciple who resisted it!

Click! CLICK!

Suddenly, a clear voice exploded.

"No!"

The blood alliance disciple immediately gave out a piercing roar.

He looks twisted!

See the moment of confrontation, ye Chen, such as destroying the withered and decaying, unstoppable!  
It's a smash! The arms of the blood alliance disciples were blown apart directly! Flesh and blood, white  
bone smashed!

But this is not the end!

After that, the strength of the disciple's blood alliance was smashed!

Bang!

In the middle of a dull noise, the scream of blood League disciples stopped suddenly!

His body is like a shell. He flies backward to the rear. In the air, the air is cut off!

The inner and outer viscera of the disciple destroyed the inner and outer viscera!

Whoa!

In the cold wind, everyone was even more shocked to see that the blood alliance disciple who was  
blown out flew out of the condensation soul platform and fell to the ground dozens of meters below!

As if between, people heard the harsh sound of landing, as if between, people heard the chilling sound  
of bone smashing!

It's just a few breaths, two moves, ye Chen killed two people in succession!

In addition to a person killed by Miss Ji Jia that day, several strong men of the blood alliance who  
entered the soul setting stage this time were almost destroyed and had no life to return!

Except for blood!

In the face of such a situation, the remaining practitioners on the scene looked at each other in horror.

This is ye Shitian's strength now?

You can't stop the top of the mind wandering state!

Is this guy really from Zhenyuan to Shenyou?

or extraordinary?

This time, the blood alliance really lost a lot.

To know which one of the practitioners who can climb the soul setting platform is not the focus of cultivation in the sect?

Even if it is a blood alliance, it is no exception!

How much effort and resources has blood alliance paid on these fallen strong men?

However, all of these disciples, who had a promising future and had been placed high hopes on, have all lost their lives.

I'm afraid the blood alliance can't bear such a fate.

Looking at Ye Chen, the more people, the look became startled.

"One more!"

Unfortunately, where will ye Chen pay attention to the eyes and eyes of outsiders?

After killing two people in succession, ye Chen takes a deep breath and turns to look behind him.

There's one person left unsolved!

Blood style! This is the most dangerous existence, is the guy Ye Chen cares about most!

This son is about the whereabouts of his father!

No matter what, take it!

"No! Xuefenghua wants to escape! "

"Xuefenghua has escaped!"

"It seems that xuefenghua is scared!"

And when ye Chen turns his head to look, the people who have noticed the blood Fenghua are surprised.

In fact, I don't know when, blood Fenghua has already run to the soul setting stage!

Obviously, at the moment of knowing Ye Chen's strength, xuefenghua is aware of the danger!

Even though his strength is strong, ye Chen still has Miss Ji Jia and another strong one!

If the three people work together to deal with him, the consequences are unimaginable!

He has to run!

Taking advantage of Ye Chen's distraction, xuefenghua's body shape has been flashing rapidly and plundering under the soul setting platform!

Blood Fenghua escaped!

Seeing this scene in the eyes of all people, people's eyes on the platform become strange and complicated.

You should know, before this, blood Fenghua such a person, how powerful? What dignity does he have?

However, now in front of Ye Chen, Xue Fenghua is in a mess to escape. He gave up his dignity, he gave up everything!

He just wants to live! Not even the courage to fight with Ye Chen!

It makes people feel cold when they look at it!

What a terrible impression Ye Chen has left on xuefenghua.

The key is that all people don't know what kind of cultivation Ye Chen has entered in three days!

Fear for the unknown!

"Hum! Lost dog, want to run away

Seeing xuefenghua's body running away under the platform, ye Chen's eyes flash with cold light.

Can't let the blood Fenghua escape!

If you let him leave this Ning soul platform, it is even more difficult to take down the blood Fenghua! It's more difficult to find a father!

The main purpose of his coming here is blood alliance!

Think of this side, ye Chen looks a change, body like a meteor swept out!

"Cang Long's magic body is determined!"

Because of the strength of the realm, ye Chen seems to be stepping on a black dragon at this moment, and ye Chen's body shape is transformed into virtual shadow.

"Blood Fenghua, leave it for me!"

This moment of Ye Chen, such as chasing the stars and the moon, in a twinkling of an eye, is not far away from the blood Fenghua.

"Wow

The light burst out, and ye Chen's hand condensed a spirit sword that had just been patted! Sweep straight ahead!

Zhenhun sword and chopping dragon sword are not suitable for shooting, because now his identity is ye Shitian, not ye Chen!

Brush!

As a matter of fact, the sword Qi condenses, breaks through the air, and goes straight behind the blood Fenghua.

"Asshole!"

Feeling the chilling chill from behind, I know ye Chen has already made a move. The blood Fenghua who runs away clenches his teeth and looks gloomy!

What a mess! Shame!

How could he be so shameful?

You know, from small to large, his blood style is fully trained by the blood League. He has always been the best of his peers.

Life glory, much looked up to.

But today, what happened?

Now you're in a desperate situation?

The key is a real yuan environment boy harm!

Ye Shitian!

All this is ye Shitian!

"Today, I must leave! Only ask elder Zheng to do something to suppress this person! "

"Compared with Ye Chen in China, ye Shitian is more terrible!"

His eyes were fierce, and he snorted fiercely.

"Get out of here!"

As soon as the wrist trembles, a cold light flashed by, but he lost a rune without looking back!

Boom!

The rune explodes and turns into a substantial boundary, which blocks Ye Chen's spirit sword.

In an instant, the sound of collision exploded, and the air wave swept out towards all sides. Ye Chen's sword suddenly stopped for a moment.

This is a powerful rune. In the rune, the soul of the beast howling faintly is earth shaking! This is one of the means to keep your life!

He has no choice!

He was shocked and frightened by Ye Shitian!

He must tell elder Zheng or the leader!

Killing Huaxia yechen can be delayed!

But ye Shitian must die!

Otherwise, it will definitely threaten the whole blood League!

This talent and breakthrough speed, within five years, Ye Shi naively and his name, kill the heaven!

What is the blood alliance!

Chapter 584

Under the extremely strong crisis, the blood Fenghua's life saving rune is in full bloom!

In his eyes, ye Shitian is not necessarily his opponent, but this place is not so simple!

He must leave at once.

The power of Rune surges between the feet of blood Fenghua. Seeing ye Chen catch up, he quickly opens the distance.

Speed to the limit!

Ye Chen's eyes twinkle with cold light, he naturally won't let blood Fenghua leave!

This person is about whether he can enter the blood League.

Is the main purpose of this trip!

Seeing that they can't catch up with the blood in time, suddenly a sharp burst of air breaking sound has already exploded, accompanied by bursts of startling voices.

A scorching wave of air, as if the moment covered the earth, burning heaven and earth.

Looking around, Miss Ji's face is cold, holding a long bow.

A touch of red light, such as a meteor through heaven and earth, straight after the blood Fenghua.

Miss Ji's shot.

Just now ye Chen killed the blood alliance. Miss Ji kept silent.

At first, she was only interested in Ye Chen's things!

But witnessing Ye Chen's breakthrough just now, she is more interested in this person!

Even offend the blood alliance! Ji family also wants to attract this person!

That with the fiery arrows gushing out, majestic!

It seems to be aware of the danger coming from behind. Xue Fenghua looks around and looks at the flash of fire. Xue Fenghua gives out a desperate roar!

Sure enough, Ji Jia still made a move!

He had no way to continue to leave, only to the side of the body to go!

At the same time, a sword was sacrificed in the hand, and the strong breath of blood alliance surged, and the arrow was split on the spot!

"Click!" One, the fire cut off on the spot!

And blood Fenghua also stepped back a few steps, his face full of anger.

Meanwhile, ye Chen has fallen.

He looks cold.

"You can't go. I'll give you a choice. I won't kill you."

Ye Chen's indifferent voice resounds.

He should be the first one in the world who dares to threaten the existence of xuefenghua with Zhenyuan realm!

Xue Fenghua knows that she can't go again. Miss Ji's bow and arrow are aimed at her. Once he leaves again, the consequences will be absolutely troublesome!

At present, the only way to kill this man called Ye Shitian!

He had a chance to leave!

After thinking about everything, Xue Fenghua's face suddenly turned cold. The sword pointed at Ye Chen and said angrily, "I don't care whether you are ye Shitian or Ye Baotian. You kill so many strong people of our blood League in the soul setting platform. Do you know the consequences?"

"I might as well tell you that although this is the boundary of China and there is still some distance away from Kunlun Xu, elder Zheng of our blood League should have entered China, and his strength is enough to crush you!"

"If you dare to be presumptuous again! You can't bear the anger of the blood League! "

His tone is very dignified!

This is the confidence given to him by the blood League!

The surrounding forces also nodded.

When some people hear the three words of elder Zheng, their expressions are obviously afraid!

There is only one elder Zheng in the blood League!

Although only the elder, but it is the existence of decisiveness!

It is said that there are ten thousand practitioners who died in the hands of elder Zheng!

It is also called blood League butcher by Kunlun!

Is this butcher that everyone fears to come to China?

The people on the soul platform suddenly took a breath.

Some people even sympathized with Ye Chen.

"Ye Shitian should not dare to do it any more. We have experienced the horror of elder Zheng."

"At that time, one hand suppressed more than a dozen of super strong people! In Kunlun, Xu has a certain right to speak! "

"Ye Shitian is arrogant, but there should be a sense of propriety."

When everyone was talking about it, ye Chen said, "I said, I want to kill the blood alliance. Don't talk about you. Even if elder Zheng really comes to this place, he must die."

"Hiss..."

Hearing Ye Chen's lies, those practitioners shook their heads helplessly.

I'm afraid this guy is crazy.

Kill the blood League? Even elder Zheng?

I just don't know what to do!

"Talk like crazy!"

Ye Chen's words, it seems that the fierce stimulation to the blood Fenghua.

"Ye Jingtian, I really think I'm afraid of you! Kill a few blood alliance people, really think oneself can kill the sky? I will let you understand what a mountain is higher than a mountain today

With a long roar, the blood is shining and the body is shooting out.

Whoa

At the same time, a strong wind swept up.

The blood style of the virtual shadow soared and the robe danced wildly. The majestic momentum of the mountain, toward the whole soul stage spread and go.

Xue Fenghua took the lead.

He showed all his strength without reserve.

He wants to crush Ye Chen thoroughly with such strength.

Don't give ye Chen a chance!

"How powerful! Blood has reached this level

"Why should he run when he has the strength? You can deal with ye Shitian completely

"I'm afraid it's not ye Shitian that he is afraid of, but the old man beside ye Shitian and miss Ji Jia, who launched the attack together. He should not be able to stop them now." Some people's eyes slightly coagulate, analysis way.

"I see! It's just that ye Shitian has just broken through from Zhenyuan realm, and his breath is still unstable. Can something happen? "

"Ye Shitian is not good at killing heaven. There is a good play to watch. However, both of them left the Ning soul platform and started here. Will Yibao Pavilion intervene?"

Feeling the momentum of spreading and opening, all the people in the field took a breath of cold air and widened their eyes.

Ye Jingtian is in danger.

If we say that most people are excited to see the strength shown by blood Fenghua at the moment, then Shen Shixi and miss Ji Jia are undoubtedly in a heavy mood.

Although Ye Chen's talent is against the sky, he has just made a breakthrough.

This blood style is not the same as those strong blood alliance!

They look at Ye Chen with worried eyes.

"Ye Shitian, no one can save you today! I don't believe that you can cross two great realms from Zhenyuan realm to transcendental realm! "

Momentum soared to the top, toward Ye Chen, heard the voice of clamour coming from under the platform of soul coagulating, and his face was ferocious.

"Now, I will let you return the disgrace of the blood League to you even with the interest."

Such strength, so that blood Fenghua has a proud capital.

"Oh? Are you so confident that you can crush me? "

Without paying attention to the boiling crowd on the soul platform, he coldly looks at the bloody Fenghua that has been killed, and ye Chen squints his eyes.

This situation, ye Chen is expected.

Therefore, ye Chen can not be too shocked at this time.

Even, ye Chen's heart, there is a trace of excitement.

"Let me see how strong you are!"

Suddenly, in the blood Fenghua killed in front of, in the crowd's exclamation, ye Chen one step across and out.

Chapter 585

"Canglong magic body formula!"

With a roar, ye Chen's body seems to disappear from the original place!

move like thunder!

In a flash, ye Chen's speed is fast to a terrible degree.

Even before people react to it, the grim smile on the face of xuefenghua has solidified.

"Not good!"

A blow to the ground, ye Chen's speed, beyond the imagination of blood Fenghua.

The heart is shocked, a sense of uneasiness diffuses and opens, a cold sense rises from the spine.

"Back!"

Suddenly, I roared towards the wind.

"Where to go!"

Seeing the blood Fenghua aware of the bad, want to avoid, ye Chen issued a burst drink.

I don't know when, he has already appeared behind the blood Fenghua.

"Stick to the mountain!"

No other moves were used.

Close combat, this poster mountain by, is Ye Chen's first choice.

Kunlun Xu's strong men have long been used to fighting with swords. In the face of this simple and crude Chinese martial arts, they are absolutely unpredictable!

With the breakthrough of cultivation, ye Chen's physical strength is constantly improved, not only a little bit stronger!

Sticking to the mountain is the most body eating move! Therefore, this is undoubtedly the best choice for ye Chen.

Especially in this blood Fenghua arrogance, want to easily crush Ye Chen, give ye Chen the opportunity to approach.

When will it be better if you don't use it now?

So in that burst of startling voice, ye Chen, such as ghosts and ghosts, avoided the blood Fenghua blow, such as thunder appeared behind the blood Fenghua.

Boom

Twist your waist and lift your hips, and your Qi will burst out. Ye Chen's upper body, suddenly toward the blood Fenghua impact and go.

Of course, ye Chen can't use the eight layers of the real yuan realm to resist the blood Fenghua!

He asked Duan leiren of the samsara cemetery for strength!

Improve your breath and Cultivation in a short time!

He took Taigu Xushi Dan, Duan leiren naturally willing!

Breath rising!

The terrible air waves burst, such as thunder.

This moment of Ye Chen, in everyone's eyes, seems to turn into a mountain, towards the blood Fenghua rolling away.

"Ye Shitian, you still want to move me by such means, and I want to die!"

There was a flurry on his face, and his face turned pale.

A huge crisis burst out from the heart of blood.

Eyes, full of red blood, in the moment of Ye Chen's body boom, blood Fenghua quickly erupts the whole body's true Qi and goes to resist Ye Chen.

If really let Ye Chen this move blow up? The consequences are unimaginable.

Under the threat of death, within the shortest time, xuefenghua made the fastest and fastest response.

"Boom..."

The next moment, thunderbolt. The roar was deafening.

Pooh hee

Blood spray, blood Fenghua look white, body like a broken kite, was shaken out.

Don't move like a mountain, move like a tiger!

At the beginning of the battle, ye Chen showed the strength, so that people who did not like Ye Chen had already taken a breath of cold air.

"This is Ye's power to kill heaven?"

"This son now erupts the strength, at least in the extraordinary realm!"

"The key has not yet moved the sword!"

"Is it really extraordinary? Ning soul stage actually let a boy cross two big realms! Madman

"Heroes are young. It's a bully. Simply crush your opponent with your body. No matter how fast xuefenghua reacts, he still suffers a great loss. "

The situation in the field turned to be worse, which made many people's eyes widened.

"Come again!"

In that bursts of startled voice, in that a road in the eyes of awe, a hit, where can ye Chen be idle?

Looking at the blood Fenghua that was shaken out, ye Chen's body shape flashed, as if turned into thunder, and pursued towards the blood Fenghua.

"Ye Shitian, you can't think of it

Knowing that the crisis is coming, the body is still bursting back, watching Ye Chen's killing moves come, and his eyes are about to crack.

Ding Ding Ding

There was a sharp crash and the fire burst out.

When he retreated, Xue Fenghua offered a sword to stabilize his body.

"Thunder light!"

Then, the wrist a shake, long sword shot, straight to Ye Chen.

At the same time, blood Fenghua finger pinches, is to force out a drop of blood essence!

Blood essence into a blood red ancient gate virtual shadow! Attached to the sword!

This move is the killing skill of blood League!

With the power of blood essence and blood alliance, ordinary people want to block it, it is very difficult!

"Ye Shitian, you go to die!"

The blood is gorgeous, the face is ferocious and crazy. Originally thought it could easily crush Ye Chen? I didn't expect to fail.

This makes the anger in the heart of xuefenghua rise to what level!

It's unforgivable!

Ye Shitian wants to kill himself? Think too beautiful!

Don't forget, what is the blood alliance good at?

It's killing!

In the shrill whistling sound, that wipe cold light tore the air, with senleng's killing machine, went straight to Ye Chen's vital point.

"Mr. Ye, be careful!"

Ye Chen can even hear a burst of startled voice, from the soul platform.

From Shen Shixi.

Shen Shixi is even ready to make a move.

Ye Chen swept one eye, light way: "do not need your hand."

If it is a few months ago, facing this sudden sword, ye Chen is only afraid of falling into danger.

But now?

Different!

"Break it for me

With a shake of his wrist, he pulled his sword from the auction.

Ding

A glare of silver light spills out, and the spirit sword starts from bottom to top.

The sound of a crisp crash followed.

The spirit sword made a sharp murmur and burst out the power of terror.

Ding Ding Ding!

Fire burst out, the sword that shoots toward Ye Chen, Sheng Sheng is chopped by Ye Chen and flies out.

Blocking the counterattack of blood Fenghua, ye Chen does not continue to pursue.

Lost the opportunity of rolling, at this time, to pursue again, the significance is not great!

Standing where he was, he narrowed his eyes.

Seeing that his killing skill was stopped, xuefenghua's eyes flashed a trace of panic and coldly hummed:  
"ye Shitian, what sect do you come from?"

His face was uncertain.

Today's war is not so simple.

"You don't have the right to know. The only thing you need to know is that I will abolish your cultivation today."

As soon as this word came out, the sneer at the corner of his mouth became strange: "looking for death!"

With a wave of his hand, he takes back the flying sword that ye chenzhen flies out. Xue Fenghua does not know when he has a long sword in his hand.

"You forced me!"

Blood Fenghua's face suddenly became ferocious.

"Today, I will show you all my strength!"

Blood Fenghua suddenly roared.

"Brush..."

Voice down, blood Fenghua long sword straight to Ye Chen.

A simple action, as if experienced thousands of times, a strong momentum suddenly burst out.

The air seems to solidify, and time and space seem to freeze.

The fierce momentum aroused a strong wind.

The wind is sharp, like a knife!

Stab

Ye Chen's sleeve, unexpectedly born was torn out a hole.

Chapter 586

"Very powerful momentum, very overbearing sword spirit!"

Ye Chen's pupils closed slightly.

"In this case, let me learn your moves!"

Ye Chen drank coldly.

"Ten thousand swordsmanship!"

Canglong phantom body decided to step out, ye Chen holding the spirit sword, take the lead!

We can't underestimate the blood style. If you want to win, ye Chen can't be careless.

Occupy the first opportunity, do not give each other breathing opportunities, this is Ye Chen's idea.

"Thunder falls!"

A flash of cold light, such as the nine gods of thunder, hit and fall.

This is the thunder robbery in Ye Chen's life talisman!

The speed of Ye Chen's sword is not only fast to the extreme.

Everywhere, drag out a piece of virtual shadow, let people's eyes, even can't keep up with.

Ye Chen wants to have a look. He has a strong sword technique, or a strong killing skill of the blood League!

What Wan Dao Jian Zun taught him is that Kunlun Xu's rubbish skills can be resisted!

Boom

In the twinkling of an eye, there was a violent roar.

Ye Chen's sword is fixed in front of the blood Fenghua.

At the moment when ye Chen's sword is about to cut off the arm of xuefenghua, xuefenghua gives his hand! Between the electric light and the flint, a mysterious and incomparable blood alliance sword skill, Shengsheng blocks the sword meaning of Ye Chen.

The impact of terror, the birth of a layer of substantial air waves, toward the surrounding swept away.

Between heaven and earth, sword spirit flies.

Ding Ding Ding

Each sword Qi, with its substantial lethality, is splashed around the soul setting platform.

A layer of boundary does not know when it was born, will ye Chen and blood Fenghua battlefield shrouded in, to avoid disaster to the pond fish!

It's obvious that the strong man in Yibao pavilion has made a move!

"Ten thousand swordsmanship? Never heard of it! I guess it's rubbish sword! "

Blood Fenghua sneered.

The joints of the fingers became pale because of too much force.

Ye Chen sneered: "garbage? I'd like to see how long you can withstand this rubbish

In the sneer, ye Chen's look suddenly became gloomy.

"Go away!"

A long cry, but also a powerful momentum burst.

Boom

Only listen to a roar, in the look of horror, blood Fenghua chest a stuffy, the whole person was shaken away.

Ten thousand sword techniques are changeable. They combine the power of heaven and earth to create the force of five elements!

The power of thunder is more than speed. The power of heaven and earth is the most ferocious!

Ye Chen's momentum contains the power of thunder. Can it be resisted by blood?

Fight to now, ye Chen also probably judged the strength of blood Fenghua.

Beyond the world!

But at the moment, he has a part of Duan leiren's strength, as well as the most powerful sword skills of Wan Dao Jian Zun!

Who can stop it!

Even if it is extraordinary!

At present, ye Chen's combat effectiveness is not inferior to his blood style.

Push the pedal

Looking at the complexion startled, burst back to the blood Fenghua, ye Chen mouth corner emerged a trace of sneer!

"You can take it

Without waiting for blood Fenghua to stabilize his body, ye Chen pursues again.

I'll kill you while you're ill!

Once you have the first chance, don't give the other party a chance to breathe! All the way to crush, rely on the thick and domineering Qi, until the other side routs.

Just like now!

After a move of thunder, ye Chen directly sweeps with a sword.

"The meaning of ten thousand sword techniques is to burn the prairie with fire!"

This is one of the sword skills that Chen Tianli taught him!

He never did it!

This is the first time!

Enough to shake everyone!

In an instant, the soul of the stage, as if turned into a sea of fire, heat waves rolling.

The endless flame, as if converged into thousands of beasts, galloping and roaring, rolled towards the blood breeze.

The fire is blazing, and the beasts are running!

The power of fire brewed out by one move of ten thousand swordsmanship makes the soul coagulating stage below. I don't know how many people stare at it.

"This How powerful

"Extraordinary? How? Ye Shitian is so overbearing

"What's the origin of Ye's killing heaven? It doesn't give blood Fenghua a chance to breathe!"

"What a powerful ye Shitian! Is it necessary to be defeated today? "

Watching the fire beast, towards the blood of the wind swept away, countless onlookers, surprised.

Before the beginning of the confrontation, when blood Fenghua showed his strength, no one was optimistic about ye Chen.

But now?

Ye Chen's performance has subverted the cognition of many people.

The gap between the two at the moment, for many people across a gap!

To their surprise, three days ago, this boy was just a real Yuanjing! Just three days, how to improve ah!

It seems that ye Shitian is only about 20 years old!

Against the sky spirit root? It's not such an exaggeration!

Even Ji Siqing, who is like a virtual and rebellious Kunlun Mountain, can't do it!

If this matter is known by the whole clan of Kunlun Xu, ye Shitian must become a hot item!

They even made up countless families in order to fight for the death of heaven and blood!

Looking at the sea of fire swept by the blood Fenghua, many people are heart, hanging up.

Many people who have a good relationship with the blood league are more gloomy to the extreme.

"I'm afraid it's going to fall down?"

If it's OK to win, everything will be OK. If xuefenghua fails, will Xuemeng become a laughing stock again?

Moreover, it is a laughing stock in front of the world.

The most shocking thing is Shen Shixi.

"Unexpectedly, Mr. Ye has been promoted to such a level! Compared with that day in the capital of China, more than a little bit stronger!

I finally understand why wandaojianzun should leave that sentence in wanjianzong and let the whole clan respect Ye Chen. "

"This kind of person is so gifted that as long as he does not die young for three years, it will not be wanjianzong guarding Ye Chen, but ye Chen guarding wanjianzong!"

"No matter what, I will protect my master to the death!"

Shen Shixi made up his mind.

But Shen Shixi side Ji Jia miss, the Mou son is also has the deep excited color.

The hand holding the bow and arrow is sweating!

What a surprise ye Shitian gave her!

The treasures of the whole Yibao Pavilion can't compare with ye Shitian!

She is also secretly determined, at all costs, Ji family to fight for ye Shitian!

At the same time, a hundred meters away, the sixth floor of Yibao Pavilion.

Several old people looked at the scene under the soul setting stage from afar.

These old people are extremely respectable people in Yibao Pavilion!

In addition to Fubo in the treasure room, several old people gathered around an old man in royal clothes.

The old man in the Royal Guards was carrying his hands behind him with a dignified look.

He is Zhuang Bufan, the person in charge of the Yibao branch of Kunlun in China.

"My Lord, these two people have been separated from the soul setting platform. They are already in Yibao Pavilion. Do you need to suppress them?"

An old man with terrible breath said cautiously.

Zhuang Bufan did not speak. He thought for a few seconds, looked at Fubo and asked, "you should have contacted Na ye Shitian, and know his real identity?"

Fauber shook his head: "my subordinates have checked through some means, but I don't know. The only clue is that these two people seem to come from China. They were captured by Kunlun Mountain International Airport."

Chapter 587

In Fubo's eyes, Zhuang Bufan obviously intends to win over ye Shitian.

"Huaxia? Such strength and talent should not be Chinese people, it is estimated that they have just returned from China. It's interesting that a strong man in the supernatural realm of the old man beside ye Shitian calls a young man of zhenyuanjing as Mr

"It's just a pity that he shouldn't have started on my territory, let alone his blood."

When he heard this, he changed his expression and took a look at Zhuang Bufan: "my Lord, what do you mean..."

Isn't Zhuang Bufan trying to win over ye Shitian?

Zhuang Bufan sneered: "I have some friendship with elder Zheng of blood League. This blood Fenghua belongs to elder Zheng, so I naturally want to take care of him.

As for ye Shitian If this son is willing to serve us unconditionally in Yibao Pavilion, accept it. If he doesn't want to, kill him directly! "

"This son is too rebellious. If it can't be used by us, it will be a threat in the future! Never stay! "

"Fan Lao, you go down and intervene depending on the situation."

The old man with a terrible breath naturally understood Zhuang Bufan's meaning and nodded: "my Lord, I will certainly handle the matter well!"

Words fall, the figure disappears in an instant!

And now, under the stage of soul setting.

A roar exploded.

Under the stage at the moment, the wind is sweeping, the sword Qi is overflowing, and the fire is flying.

In a short moment, several moves to fight, ye Chen weaves out that momentum like a rainbow of fire, has been destroyed.

"Blood gate sunset!"

Blood Fenghua's mouth with a trace of blood, issued a wild animal like roar, forcing a drop of blood essence to pat in his eyebrows.

Swing away from the sea of fire, that sword light, straight to Ye Chen.

Ding

A burst of crisp percussion sound came, in front of the swift and violent flying sword, ye Chen's forward pace was stopped! After a pause, he took a few steps to the rear.

"Asshole! Ye Shitian, good! Very well, it seems that I underestimated you

From ye Chen's wild attack, he gets the chance to breathe, and the embarrassed and incomparable blood Fenghua stares at Ye Chen not far away in front of him!

Fortunately, his reaction is fast enough, fortunately, he stepped into the extraordinary situation.

In the heart's suffocation, lets the blood Fenghua be angry.

Why is ye so powerful!

If today's self is not upgraded with secret arts, I'm afraid it has already been defeated?

This let the blood Fenghua heart, crazy jump more than!

Can't fail! It can only succeed.

Xue Fenghua knows what this war means and represents.

"Ye Shitian, even if I die, I will not let you live!"

Widened his eyes, anger, eyes are already full of red blood.

Blood Fenghua roared fiercely.

"I want to see where you can be strong!"

Eyes as if to stare out, blood Fenghua toward the expression of cold Ye Chen roar.

Among the hissing and roaring, Xue Fenghua's hands quickly squeezed out a rune.

But in a twinkling of an eye, a few runes were pinched out, condensed and turned into a strange red rune, which was printed into the blood Fenghua elixir field.

Boom

As the rune was printed in, the blood Fenghua's face became ferocious.

"Ah, ah, ah..."

It seems that he is suffering from unimaginable pain. The blood wind roars ferociously. His whole body begins to wriggle. His muscles and veins, like a long snake, emerge ferociously.

With the emergence of the muscles and veins, the momentum of blood Fenghua is constantly soaring!

With blood wind as the center, a huge whirlwind swept up.

Standing in the center of the whirlwind, the blood Fenghua, like a troll, came out of the hell and made the whole soul setting stage quiet.

Blood Fenghua, finally under the pressure of Ye Chen, displayed his last means!

Under the fierce attack of Ye Chen, there are many dangers. Now it's time to breathe.

When people are still silent in the shock brought by Ye Chen, blood Fenghua is not willing to let Ye Chen so rampant!

His eyes were red and his veins were bulging!

"What a terror!"

"What the hell is going on here?"

"My God, what happened. The momentum of the blood style has soared! "

"He His momentum It seems to break the shackles of the realm! What the hell is this? "

The shock brought by the change of blood style is undoubtedly huge.

You know, between the realm, but across a vast ocean.

How many monks can't cross this ocean in their whole life.

The gap between the two is the gap between heaven and earth. And now blood Fenghua has the feeling of breaking through the gap! It's eye opening.

"Blood alliance's soul burning secret? Is this blood style crazy? "Someone suddenly exclaimed.

Within the crowd, Shen Shixi narrowed his eyes and leaned forward slightly.

After seeing this scene, the smile in the corner of her mouth disappeared and a cold light burst out in her eyes.

Yibaoge those smiling people, this moment, the smile on the face solidified!

Ye Chen showed the strength before, let them never optimistic, to be considered to be able to win!

And now, the change of blood style seems to have made the war change again.

Blood alliance burns soul. This is one of the forbidden techniques of the blood alliance.

It is said that once this skill is used, the strength of the friars will soar in a short time! This is the most terrifying means of the blood League.

It's not surprising that xuefenghua can use this technique! However, under such circumstances, ye Chen  
It's really dangerous.

Relying on the powerful combat effectiveness, ye Chen suppressed the more powerful blood style.

But now the blood style is bold, ye Chen's advantage that he has not easily obtained will certainly disappear.

He, how to face the next battle?

Under the stage of soul setting, there was an uproar in the crowd.

Looking at the change of blood Fenghua, ye Chen frowns faintly.

Blood Fenghua, finally come up with all the strength? Is this the real blood style? This is Shen Shixi's blood style of being careful?

It's kind of interesting.

The breath of soaring, vaguely surpasses the momentum that should be possessed in the medium term of transcendence.

What means is this!

"Ye Shitian, this is my last resort, how about?"

Looking at Ye Chen's changing look, blood Fenghua is red in both eyes and laughs loudly.

"Ye Shitian! It's you! It's you who pushed me to this point. You shouldn't have been in this world. My blood style, the face of my blood League, how can you humiliate this mole ant.

Want to beat me? Ye Jingtian, you don't have to dream.

Now, I have used the forbidden skill of my blood Alliance - burning soul! The whole body is connected with one Qi. The real Qi in my body is like the roar of the sea. It's not like your garbage can match! Can you fight me? At the beginning, the ancestors of our blood League were able to stand up to the last by means of such means as one against five, facing five strong men whose strength exceeded him. Do you think you can resist me now? "

Chapter 588

Among the ferocious laughter, blood Fenghua roared loudly.

This is the forbidden art of their blood League! It's also the last resort of blood culture.

He would not have done so if he had not had to.

It's powerful, yes.

However, the cost is huge.

It is precisely because the blood alliance people clearly pay the price, so the art of burning the soul is rarely shown in front of the living people.

Unfortunately, ye Chen forced blood Fenghua to display.

He can't afford to lose this war!

In this war, ye Shitian must die!

Even after this war, I will take a step backward in strength, and my whole body is on the verge of collapse. Within a year, I will not think about the consequences of inch advance.

"The art of burning the soul?"

Can feel the resentment between the words of blood style.

Ye Chen slightly narrowed his eyes.

The whole body's muscles and veins run through one Qi, making the whole body turn into a smooth and unimpeded road. Is it consistent to the end? It's really an unnatural move.

However, how long can xuefenghua persist in this way?

The corner of Ye Chen's mouth appears a trace that lets a person not to notice sneer!

Did you fail?

No!

Xue Fenghua thinks too much.

As long as you get through it.

"Ten thousand swordsmanship, ice breaking sword frost!"

With a long cry, ye Chen stepped on the ground with both feet and suddenly put out his hand.

The spirit sword swept out. For a time, the whole world seemed to solidify.

Whoa

The cold wind howled.

Originally also with a trace of heat wave of heaven and earth, as if in an instant into the cold winter months.

Snow was falling all over the sky, and the ground condensed into ice.

Click, click

The sound of clear and crisp came, the ice and snow on the ground spread at a terrible speed and swept away towards the blood culture.

"The ice breaks the sword frost!"

The cold light flashed and the spirit sword came out!

Hum

In a burst of light chant, I don't know when, falling snow solidifies and condenses into ice.

Hundreds of ice cones are condensed and formed in Ye Chen's mind.

Whew, whew

Then came the sharp whistling.

Cold light, snow and ice!

There are hundreds of ice cones in the sky, each of them is like a sharp flying sword, which is unstoppable.

Above the ground, the spread of the ice and snow world, like the abyss, devouring the earth!

This is Ye Chen's current state, the only one that can display the most powerful ten thousand sword moves!

He can feel the crazy passing of Qi!

It seems that it will be exhausted soon!

This move, not only needs to consume the majestic energy, needs the powerful spirit as the support!

If he didn't step into the eighth level of Zhenyuan realm in the soul setting platform, he could not do it at all.

The appearance of this move has made the whole soul setting stage silent.

Ye Chen's move is too shocking and overbearing.

Many people turned pale.

Ye Chen, is he really an extraordinary person? Can't such a transcendental state be regarded as the top-notch Tianjiao?

In front of the crowd, many Tianjiao, pupil faint contraction.

Ye Chen makes people look at each other again.

Even if Zhuang Bufan from high place has a look of fright!

"What an overbearing sword! I have never seen it in Kunlun Xu! What kind of adventure can't Ye kill the sky? "

Zhuang Bufan's greed and killing intention gradually condensed.

He even sent a voice to old fan: "if this son is not willing to follow us, before killing him, try to find out his secret! Even use the technique to deprive memory

"Yes, my Lord!"

.....

Ice and snow, killing opportunity awe inspiring!

Under the whole soul setting stage, it was quiet. People seem to forget to breathe. Under the soul setting stage, I quietly watched the thrilling scene and felt the incomparable killing opportunity. The corner of his mouth outlined a demon like sneer.

"I have to say that if you had done this earlier, I would have been unable to resist it!! But now? You want to hurt me? But not enough! "

All of a sudden, xuefenghua looks ferocious.

"One sword breaks everything!"

Scarlet eyes burst into suffocating light.

Brush

As soon as the wrist shakes, a touch of red light flashes quickly.

Whoa

The wind blows and the thunder clouds move.

Stab

The air is torn.

Boom

In the end, the flash of streamer, really like the stars from the sky, mercilessly and ye Chen's moves Bang together.

BoomSuch as Xuan thunder, raging, constantly exploding.

A wave of earth shaking air waves swept around.

The whole earth, trembling faintly.

The wind is blowing and the snow is splashing!

Red light has passed, and the momentum is overwhelming!

Boom

With the last burst of roar, the original ice cone all over the sky, all broken, into crystal ice and snow, flying everywhere.

The ice and snow world that originally spread from the ground, for a time, seems to melt. The ice and snow quickly dissipated.

Ye chenru was badly hurt, his face turned white, and the whole person stepped back a few steps.

Only with this move, blood Fenghua almost crushed Ye Chen's move and suppressed Ye Chen himself!

Hiss

This made countless people take a cold breath.

So powerful?

As Xue Fenghua just said, today's Ye Chen has no inferior combat effectiveness!

Even the sword technique that ye Chen used just now, the world of ice and snow brewed out by Ye Chen may not be able to break through.

However, blood is just a move A simple sword of ice and snow?

Is this really the blood style suppressed by Ye Chen before?

How did he become so powerful?

The art of burning the soul? Is this the soul burning skill of blood alliance? Too bad!

The eyes of countless people twinkled with doubts.

Blood Fenghua slightly turned his head and looked at it. The corner of his mouth raised: "Ye killed the sky! I can't wait. Now, it's time for you to enjoy hell

Blood Fenghua eyes more and more scarlet up.

"Ye Shitian, die!"

With a long cry, a streamer flashed in the hands of blood Fenghua again.

Wow

The flying sword shoots again!

The domineering sword spirit comes from all directions and is pressed down from Tianzhen.

Ding Ding Ding

Before the sword arrives, the sword spirit reaches first.

Tens of thousands of swords were raging under the stage, falling on the ground, leaving a sword mark, burst out endless fire, like a gorgeous fireworks, is blooming.

Ye Chen was stabbing all over.

Take a deep breath, suppress the rolling Qi and blood in the body, feel the bursts of pain from his skin under the sword Qi, and ye Chen looks ugly.

Is he afraid of blood!

His eyes shot in one direction!

That's an old man with a fan!

The appearance of the old man just now, unexpectedly, suppressed him secretly with coercion!

Or he won't get hurt!

Too mean!

It's like he has to face two strong people alone!

The key is that the old man is more threatening!

Ye Chen's murder broke out. He stepped out and roared: "blood dragon, come out to me! I will give you endless thunder and lightning

## Chapter 589

In an instant, the Dragon chants!

In turn, a blood dragon in the shock of all people directly rushed out!

"Want to turn it over? Blood Fenghua, I will not give you this opportunity! Today I will suppress you with it

In that flying sword swept in front of the moment, ye Chen even forced a drop of blood essence into the blood dragon.

Boom

With a loud noise, the blood dragon covered the sky with red light!

Roar

When the Tathagata came to the time of the great famine, the dragon was galloping.

A giant ancient dragon, urged by Ye Chen, is facing the sword Qi and the sword light.

Behind the dragon, dragging is a mountain. Such as the sky pillar that holds up the whole sky.

Green light, red light, intertwined!

"There is a blood dragon in the Ye Shi heavenly body

"The blood dragon is covered with fire and lightning. How can it be?"

"Is ye Shitian the king of the dragon?"

The crowd was shocked!

Some people's eyes want to stare out!

The expressions of Miss Ji Jia and Zhuang Bufan are extremely frightening.

Although the blood dragon is just a shadow! But if you look at Kunlun deficiency, who can master this blood dragon deficiency shadow!

The key is that the blood dragon also has fire and lightning!

Not only that, but also a strong sense of killing!

The whole stage, now into a dazzled scene.

The collision between the blood dragon and the sword Qi, each time, sends out the earth shaking roar!

It was a bloody battle. Constant collision, constant roar

As if it was just a moment, as if after tens of thousands of years, finally countless sword Qi seems to die with the blood dragon.

Finally, the sword light like thunder and lightning killed, fell down.

Finally, the mountain like Tianzhu, facing the sword light!

Boom

A stir, shock Kyushu!

The world is a strange quiet first, then a crazy outbreak.

The whole earth is gone.

Cracks, interweave out a complex Skynet!

The sword light broke up, and the blood dragon sent out a sad cry, and each flew back.

Puff, puff

Ye Chen whole person staggers to retreat.

Blood Fenghua's face flickered with an unbelievable look. She walked out several steps and spat out blood.

Not only that, but a crack has emerged at the moment, spreading around.

It looks like it's going to shatter soon!

It's too much of an exaggeration to break the soul setting platform.

Blood Fenghua is going crazy.

Their own must kill a blow, unexpectedly was resisted down?

Looking at the Ye Chen who has stood firm and wiped away the bloodstain on the corner of his mouth, the blood Fenghua roars.

Forced by Ye Chen to perform forbidden art, blood Fenghua has already paid a heavy price.

However, such a price did not let him crush Ye Chen?

This is unacceptable!

The fire in the heart of xuefenghua is enough to burn the sky!

With this anger, xuefenghua once again offered a sword.

The body of the sword vibrates and condenses into light. It breaks out a shadow and goes straight to Ye Chen's vital point.

Ye Chen will not die, and the offensive will not retreat!

Xuefenghua intends to die with Ye Chen.

Looking at the blood Fenghua again flying sword shot, into the sword light swept toward Ye Chen, people's hearts, subconsciously hung up, worried about ye Chen.

"Xuefenghua, you want to kill me? That's not enough! "

Looking at the light of the sword, ye Chen resisted the turbulent viscera and roared.

"Broken Yang Sword, come out to me!"

Since zhenhun sword can't be used, he still has broken Yang sword!

Zhenhun's breaking Yang Sword is not inferior to zhenhun sword!

At this moment, ye Chen closed his eyes tightly, and a smile gradually emerged from the corner of his mouth.

Boom

With the insight in his heart and his understanding of the sword power, ye Chen's momentum is rising!

Whoosh, whoosh

The wind howled.

Every gust of wind seems like a sword.

At this moment, ye Chen seems to be integrated with this place.

"Break it for me!"

Suddenly, a long whistling sound came from ye Chen's mouth.

Boom

The whole earth vibrates faintly.

Ye Chen's momentum, in this moment, climbed to the extreme.

That momentum spread, the wind swept, where the mountains and rivers changed color, vegetation withered!

The cold wind swept like a sword, with Ye Chen as the center, all the things with a radius of tens of meters are broken!

The broken Yang sword seems to feel something and turn into a red light to break through the sky!

The cold killing machine covers the whole venue! Everyone is walking on thin ice!

Blood, ye Chen must be abandoned!

In a twinkling of an eye, the broken Yang Sword stabbed into the blood Fenghua's body!

The blood is dying!

The direction of penetration is the elixir field!

Once the elixir field is destroyed, it is simply painful for practitioners.

"Ah

However, in the roar of blood Fenghua, when everyone thought that blood Fenghua was going to be finished, a cold hum came suddenly.

Boom!

The next moment, a flash of gold, broken Yang Sword suddenly a meal, a burst of roar exploded.

In the turbulent air wave, ye Chen sees the old man who makes a secret move!

The broken Yang sword was directly shaken out, and it was inserted one meter in front of Ye Chen's body!

Deep in it!

The powerful sword spirit makes Ye Chen step back.

"Ye Shitian, this is Yibao Pavilion, you are not qualified to kill here!"

Fan Lao's cold voice rang through!

With that, he took a pill from his waist and handed it directly to the destroyed blood Fenghua!

"Take the pills and heal them slowly."

Xuefenghua was stunned and suddenly thought of something. He looked at Yibao attic!

He saw Zhuang Bufan!

He knows that Zhuang Bufan and elder Zheng have some friendship!

Obviously, Zhuang Bufan did not sit back and ignore!

At the same time, he was more excited.

Although the elixir field is destroyed, there may be a chance to cure the wound.

But at the moment, ye Chen is cold looking at the old fan, word by word: "what are you, only allow others to kill me?"

When this was said, those onlookers were shocked!

They recognized the identity of fan Lao!

It seems to be a master around Zhuang Bufan!

Now, ye Shitian says that fan Lao is nothing!

When the old fan heard Ye Chen's words like this, he was annoyed. He stepped out step by step and released the opportunity!

"Ye Shitian, do you want to fight against Yibao pavilion? Don't say you, even if the people behind you are not qualified to provoke Yibao Pavilion! You can't kill this bloody Fenghua! It doesn't matter who comes!"

"What's more, the tone of your team just now is like that. I advise you to kneel down and apologize, or I'll make you regret coming here!"

When the sword draws the crossbow, a figure blocks in front of Ye Chen.

It's Shen Shixi!

At the same time, Miss Ji also appeared around Ye Chen.

Miss Ji took a look at fan Lao and said with a smile: "fan Lao, you don't support justice by doing so. This is the gratitude and resentment between ye Shitian and Xue Fenghua. Why didn't you do it early or late? Why did you do it at this time?"

The old fan naturally knew the woman's identity and said coldly, "I just saw it just now, can't I?"

Miss Ji's eyes narrowed slightly: "of course, but it's too late to let Ye kill the world kneel. In the face of my Ji family, how about this matter come to an end?"

She is very clear that the person behind fan Lao must be Zhuang Bufan.

Although Zhuang Bufan is not the core of Yibao Pavilion, he has the right to speak here.

No one can move.

At present, the most important thing is to protect the next leaf and kill the sky.

Chapter 590

Because Ji family's person stands out, fan old pour is not to let Ye Chen kneel again, facial expression is more relaxed a few minutes.

He thought of Zhuang Bufan's account again, and said to Ye Chen, "ye Shitian, you can do it if you want me to. You have a good talent. I'll give you a chance. Would you like to join us in Yibao pavilion?"

"I don't have to say much about the status of Yibao Pavilion in Kunlun. This opportunity is not available."

In a flash, the whole Yibao pavilion was quiet.

No one thought that Yibao Pavilion actually took the lead in throwing out olive branches to ye Shitian!

This is Yibao Pavilion!

One of the big forces of virtual calculation in Kunlun!

As long as ye Shitian joins the Yibao Pavilion, there will be endless resources. Ye Shitian will surely become the most powerful person in Kunlun!

Such conditions are too exciting!

However, the old fan let Ye kill the world kneel first, and then pull him in. This is too shameless!

Miss Ji Jia bit her lips and looked at ye Shitian with regret.

Although she wants ye Shitian to join the Ji family, everything depends on ye Shitian's decision.

She is not qualified to help ye Shitian choose.

At this moment, countless eyes fell on Ye Chen's body.

Waiting for reply!

In the eyes of all, this temptation can not be refused!

After a few seconds, ye Chen laughed: "I'm not interested in your invitation from Yibao Pavilion! What's more, xuefenghua is the one I want! If you protect your body again, I will kill you

What!

This word, the whole Yibao Pavilion is silent for a moment.

Hold your breath!

All the people on the scene are staring at Ye Chen, just like hell!

Shen Shixi almost breathed blood when he drew from the corner of his mouth.

Master, what are you doing!

Although there are wandaojianzun and wanjianzong standing behind him, it is obvious that this is the territory of Yibao Pavilion.

Once you start, the consequences will be unimaginable!

Over the years, no one dares to make trouble in Yibao Pavilion!

Even miss Ji's look at Ye Chen has changed.

This look seems to feel that the man named Ye Jingtian does not know what to do.

She wanted to save ye Shitian, but now ye Shitian has offended people to death. How can she save it?

Her eyes were on the attic of Yibao.

Sure enough, Zhuang Bufan's brow was tight and his expression was very unhappy!

Big trouble!

"Ye Shitian I... "

Miss Ji just wanted to persuade something, fan Lao's angry voice rang out: "ye Shitian, it seems that you really can't understand the situation in front of you!"

"If you refuse the invitation of Yibao Pavilion, you are looking for death!"

Fan Lao is well aware of Zhuang Bufan's explanation.

Once ye Shitian refuses, kill directly!

This kind of genius can not be used by Yibao Pavilion, and no one is qualified to have it.

Now the boy is so arrogant that he just gives him an excuse to start.

Ye Chen looks indifferent, glances at the blood Fenghua that is using Gong to heal the wound, and then goes step by step.

"Yibao Pavilion may not be easy to offend others, but what does it mean in my ye Shitian's eyes? I will give you a chance to get out of the way, otherwise, new accounts and old accounts will be counted together."

At this moment, ye Chen's killing machine is released!

No fear!

If it wasn't for the old fan just now, he would have won the bloody Fenghua!

How about killing such a sinister person!

Yi Bao Ge pursues oneself?

He has nothing to fear!

After today, there is no leaf killing heaven in the world! Only he Ye Chen!

The old fan's face was completely livid. Instead of starting at the first time, he looked at Zhuang Bufan upstairs: "my Lord, ye Shitian started at Yibao Pavilion, but he didn't pay attention to the dignity of Yibao Pavilion. I asked to kill him!"

"Accurate!"

Zhuang Bufan's voice falls directly!

At this moment, all the people in Yibao Pavilion took a breath!

Zhuang Bufan is accurate. There is no doubt that ye Shitian will die!

Miss Ji just wanted to stand up and say something when an old man appeared beside her.

Seeing the old man, Miss Jijia even said, "grandfather Yun, you are powerful. You can go to Zhuang Bufan and ask for mercy. Maybe you still have a chance."

The old man shook his head and said in a low voice: "Miss, although the Ji family is not afraid of Zhuang Bufan, it is too expensive for an outsider to annoy Yibao Pavilion."

"We'd better not interfere in this matter."

"Although ye Shitian's strength is good, but he is too arrogant, and he must die early. This kind of person is not worth the attention of Ji family."

Miss Ji's eyes widened. She never thought that grandfather Yun had given up.

"But ye Shitian..."

"No, but when I came out of Kunlun, the master told me that I was right about this kind of thing." Miss Ji took a look at Ye Chen, sighed a long time, and retreated.

All she could do was to wait and see.

If her actions hurt Ji Jia, she will be a sinner for ages.

At the moment, Shen Shixi already knew that arrow was on the string and had to send it. He came to Ye Chen's body: "Mr. Ye, I'll deal with it. You leave first."

There are so many masters here that he has no choice.

No matter what, we must protect our master!

Of course, when he has to, he will expose his identity!

What wanjianzong is afraid of is Yibao Pavilion!

Zhuang Bufan in front of me is just a leader of the sub cabinet. What should I be afraid of!

He didn't believe that Yibao pavilion would oppose wanjianzong for the sake of Zhuang Bufan!

They are not vegetarian!

Hearing Shen Shixi's words, fan Lao sneered: "do you still want to leave? Entering the Yibao Pavilion is equivalent to entering the gate of hell. There will be no return! Nobody wants to leave today! "

"Ye Shitian, you little beast, die!"

When Shen Shixi heard this, he was also angry: "be bold! You can insult Mr. Ye! "

Words down, Shen Shixi rushed out!

The sword appeared in the palm of the hand, and the sword shadow swept away!

Like the waves!

It's terrible!

The old fan frowned, but he didn't think that Shen Shixi was so terrible. He didn't hesitate to turn his fan into a machete!

Tear the air and collide with the sword!

"Boom!"

The next second, a huge noise, shaking the entire Yibao Pavilion.

Fan Lao and Shen Shixi stepped back six steps one after another!

No match!

Old fan stares at Shen Shixi: "I dare to ask you who you are. You are good at cultivation. Why do you want to protect this son?"

"Do you know what it means to offend yibaoge?"

Shen Shixi sneered and the sword swept away again: "if you want to move Mr. Ye, you should step on my body first!"

He swore his loyalty to the death!

Ye Chen, as the master of wanjianzong, is also the descendant of wandaojianzun. There can be no mistakes!

Even if the fate of the whole wanjianzong is lost!

When Shen Shixi's sword was about to touch fan Lao, four figures fell on Yibao's Attic!

Surround shenshixi with Qi!

These four are very strong!

Shen Shixi will be closed in the face of shenshixi!

At the same time, the four people moved, and Shen Shixi instantly changed from active to passive.
