

## Physician 591

### Chapter 591

Old fan knew that the four men were sent by Zhuang Bufan, and his meaning was obvious. Let him solve ye Shitian immediately! No more delays!

He no longer hesitated, looking at the distant Ye Chen: "boy, are you doing it yourself, or I personally take off your head!"

The threat is obvious.

No one can save the whole Yibao Pavilion, ye Shitian!

Shen Shixi is the only one who can't protect himself!

As for the boy's strength, he had already seen that he should not have stepped into the state of mind wandering!

Just now can defeat the blood Fenghua, should rely on the secret method one kind!

It is estimated that the time of the secret method is almost over!

Then, he killed the sky by Ye, as easily as killing a chicken.

Ye Chen shook his wrist, white light came out of his sheath, and shook his head helplessly: "it seems that Yibao Pavilion is determined to protect blood Fenghua. In this case, from now on, Yibao Pavilion will be the stepping stone for ye Shitian!"

Break Yang sword!

Kill!

Feeling Ye Chen's long sword pointing straight, the sword Qi overflows, and fan Lao's eyes show a trace of seriousness.

"Arrogant little beast!"

Then, with a slight hum, the wrist shook, and the sword came out of its sheath!

The whole process, fast to the extreme.

Hum

When the skill works, Qi is injected into the whole body, the sword vibrates and the white light diffuses.

For a moment, the white light glared, the whole world, turned to silver.

A little bit of sword spirit, like snowflakes falling, covering the sky and the earth.

"Hiss..."

The white light all over the sky and the endless sword spirit seem to wrap the whole world in snow and ice. Seeing such a scene, those practitioners who watched changed their looks.

"Fan Lao has stepped into the third level of transcendence

"No, it's the middle and late period of transcendence! We can't say what the specific state is! "

"How could..."

"Yibao Pavilion! Worthy of Yibao Pavilion! There is no doubt that ye will die if he kills heaven

Some people in the crowd shook their heads to express their regret. After all, ye Shitian is also a rare genius.

The momentum that fan Lao burst out in an instant made people gape.

"This war, trouble!"

The bow and arrow that Miss Ji Jia takes out in the distance originally wants to help Ye Chen, but is held down by grandfather Yun.

At this moment, Miss Ji's face became dignified.

People look greatly changed, feel the strength of old fan, Rao is Ye Chen also can't help but look a coagulation!

Just now, he spent a lot of real energy in dealing with the blood style.

I even got hurt.

Now it is very difficult to deal with fan Lao.

But he had no fear!

Just then, a voice from the samsara cemetery rang out!

Duan leiren!

"Apprentice, I'll give you another strength. I should be able to hold on for a few minutes."

"There are some people here who are very dangerous to you now. The only thing you have to do is to kill the old man in front of you and hand over the rest to your teacher!"

Ye Chen heard Duan leiren's words and was stunned: "master, you said you can't control my body?"

Duan leiren laughed: "maybe not before, but now I can have you fight for me to Taigu Xushi Dan."

"I'll leave a part of this Taigu Xushi pill as a sample, and take the other part. I should be able to get some for you."

"Well, I don't want to say much. Although the old man has a strong breath, he can crush you with the strength I gave you and the things that I taught you."

Ye Chen came back to God, his eyes exuded a different look.

With Duan leiren's assurance, what is his fear!

If Yibao Pavilion is the sky of Kunlun.

Then ye Chen is going to pierce the empty sky of Kunlun in the name of Ye Shitian today!

"Good sword technique. It's a pity that the sword's strength is weak and it's not used in kendo! "

Ye Chen in the eye essence light flickers, the corner of the mouth is showing a trace of sneer!

Wan Daojian is respected as his teacher. He accepts the highest level of instruction. Although the sword spirit of fan Lao is very powerful, it is no different from garbage in his eyes!

"Look at my ice breaking

Think of this side, ye Chen a long cry, body shot out.

Open the power of the blood dragon and the power of the talisman!

In the face of such a strong man, he dare not take it lightly!

Push the pedal

Cang Long's phantom body is determined to run, tens of meters in a step!

Ye Chen turns the whole person into virtual shadow.

"Ten thousand swordsmanship, sword fire flies to the sky!"

"This life talisman, open!"

At the same time, ye Chen directly opens his life talisman, and overflows with violent thunder and lightning.

At the moment, he is just like the real king of thunder!

"The flaw is obvious."

Suddenly saw what, leaf Chen mouth corner emerged a trace of sneer!Hum

The whole body's true Qi erupts, and the whole body's genuine Qi pours into the broken Yang Sword. The sword vibrates and the sound of the sword is harsh.

"Broken!"

Ye Chen saw the sword mark in the ice and snow!

As ye Chen said before, this sword technique looks gorgeous, powerful and awe inspiring, but the sword's momentum has not risen after all!

What about ye Chen?

One of the most important opportunities gained in the samsara cemetery is to understand one's own Kendo and generate sword power, so as to complete transformation and lay a solid foundation!

His Kendo is killing!

On the sword technique, all the disciples of Jianzong may not be able to compete with Ye Chen! What's more, fan Lao?

With the power of this life talisman, ye Chen goes straight to the key point with this move!

Wow

The flames spread all over the sky, driving out the cold and melting the ice and snow.

Ding

However, between the electric light and the flint, the blade swung through the air, and with the endless flame turned into a giant beast, it thundered fiercely on the old fan's blade!

Hum

All things submit, the earth shakes.

A powerful sword burst out, and the sword spirit was vertical and horizontal.

"This What a powerful sword

"This leaf kills heaven..."

Feeling the sword, many people in the square widened their eyes.

"Sword! What a bullying sword! He has learned his own Kendo! "

"This sword is very domineering. Just now ye Shitian was very strong against Xue Fenghua, but he didn't use his sword skill, but he was in front of him..."

"He is only in his twenties, and he has such a profound understanding of Kendo? Even if it is the strong one of the wanjianzong, it is not necessarily so! " The onlookers took a breath of cold air.

Seeing this, Miss Ji looked at the old man beside him: "grandfather Yun, you see, ye Shitian even understands the art of sword. Is it really not worth the Jijia to take such a risk?"

"If sister Siqing is here, she will fight for it."

The old man frowned, moved a few minutes, but still firmly said: "first look at it again."

Ding

Just as the crowd looked at each other and the whole scene fell into a brief silence, a crisp crash sound spread.

"How could..."

Fan old eyes with a trace of unbelievable eyes, body shape fly upside down.

Pooh hee

A mouthful of blood spurted out, with a trace of blood on the corner of his mouth. Fan Lao's face was already pale.

A fight!

It's just a fight, but also in the case of his first shot, he was crushed by Ye Shitian directly!

Chapter 592

Ye Chen not only broke his sword, but also went straight to his own.

If not fan old response in time, only this move is afraid to die!

The key is that the power of Ye Chen's outburst is actually close to the extraordinary realm!

How can a kid who hasn't stepped into the spirit world break out the power of transcendence?

This ye Chen brings fan old shock, unimaginable!

Fan old eyes struggle.

"Vulnerable!"

A successful move, looking at the old fan flying backward, ye Chen did not pay attention to the shocked people, not to mention the shocked fan Lao, showing a sneer at the corner of his mouth!

The sword skill of Wan Dao Jian Zun, plus the power of blood dragon and spirit Rune! If you dare to despise yourself, you are digging your own grave!

But the gap is still too big.

Otherwise, the old fan would have died long ago.

"You dare to stop!"

Ye Chen cried out.

Push the pedal

At the foot of the wind, Canglong phantom body decided to step out, ye Chen the whole human into the wind, step up.

"Cut the sky with one sword!"

With a long cry, the broken Yang Sword shoots out again!

Tear and pull

The terror of the sword spread, and the powerful sword spread.

A dull tearing sound came, and the space seemed to be torn completely.

The sword edge passed by, visible to the naked eye, the ground cracked, the furniture fragmented.

With a strong sword momentum as the support, ye Chen's sword technique is extremely strong!

"Be careful!"

"Looking for death!"

Zhuang Bufan in the distance is ferocious!

He never expected that the boy's breath was strangely strong again.

even the secret arts could not be so.

How can the boy's body bear it?

What is the origin of Ye Shitian?

At the moment, ye Chen once again, with the momentum of thunder towards the old fan, not giving the old fan a chance to breathe.

Looking at such a scene, the people in Yibao Pavilion were in a hurry.

Bursts of startling voices come and go!

Boom

However, far water can not save near fire!

In the previous battle, relying on his own life talisman, ye Chen not only broke fan Lao's sword edge, but also shocked fan Lao's internal organs and stirred his whole body's Qi and blood.

Now, his body is unstable and his Qi and blood are rolling. How can old fan be ye Chen's opponent? Those elders of Yibao Pavilion in the distance did not expect Ye Chen to be so strong. How could he stop him?

A burst of roar burst open, the air waves roll, the sky sword!

Hum

But see, in a burst of sad sound, fan old hand fan turned into a weapon, was shaken out.

Brush

His face was pale and his mouth was full of blood. His whole person is like a kite with broken string, smashing and falling towards one wall of Yibao Pavilion.

This move, ye chenru carries the potential of stars, crushing everything in the world! Ye Chen at the moment, such as gods and Demons coming! Fan Lao, completely suppressed!

Until the sound of silence came, the dust splashed, and the whole Yi Bao was silent in a dead silence.

"Fan Lao, how are you?"

"Fan Lao, this little beast..."

It was not until the people from Yibao Pavilion arrived that the anxious voices came. Watching the group of people ready to lift up the old fan with blood on his mouth, people seemed to come back to their senses.

Wow

Everyone was boiling.

No one thought that ye Shitian was so powerful!

"God I'm not dreaming, am I? "

Someone could not help rubbing their eyes.

What I see in front of me is really unimaginable.

"Not a dream! This The extraordinary old fan was defeated by Ye Shitian... "

"A terrible defeat. Ye Shitian is a strong crush in this battle

"Two moves! It's just two moves, right? The first move is to break the old fan opening sword technique, and the second move is to crush directly. In this war, ye Shitian suppressed the old fan of Yibao pavilion with the power of destroying the withered and decaying! "

"How could that happen? Fan Lao is a strong man in the middle and later period of his extraordinary life. Even on the level of strength, most people on the scene are unable to match. It can be said that he is an important figure in Yibao Pavilion. However, it is still a mystery to what extent Ye killed Tian in three days, and how did he crush him? "

People looked at each other and exclaimed.

It's really this battle that broke out too fast and ended too quickly, which made people have no time to react.

This makes people, mood can no longer be calm.

The whole Yibao Pavilion at this time can be said to set off a huge wave!

Shen Shixi, who is fighting with the four strong men, is also Mou Zi's contraction and a long sigh of breath.

He still belittles Ye Chen. The apprentice of Wan Dao Jian Zun is indeed a demon!

And now, he must get rid of these four extraordinary strong men!

"Grandfather Yun, what are you hesitating about now? Ye Shitian actually crushed fan Lao. He is only 20 years old. Today, the Ji family doesn't fight for ye Shitian. When ye Shitian is growing up, the Ji family will not be able to climb up to the top."

Compared with the startled and shocked people, Miss Ji Jia was happy to see the result.

Hanging heart, immediately put down, face can not help but overflow with excited smile.

The old man's eyes beside her changed from dignified to shocked, staring at Ye Chen, as if to see through this person.

"When did this guy get so strong?"

The old man couldn't help but take a puff.

So speed up, already extremely terrible!

What's more, his sword skills have never been seen before!

This kind of person, either has the big opportunity person, or has the powerful power support behind.

This man's surname is ye.

Is it Kunlun Xu's Ye family?

Seeing that the people in Yibao Pavilion want to take the seriously injured fan away, ye Chen stepped out of his cold eyes and shot at those people: "did I let you take it away?"

As soon as this word comes out, those people in Yibao Pavilion don't dare to move!

After all, ye Chen's sword was too terrible!

Their faces were full of embarrassment!

Even a little subdued!

As the people of Yibao Pavilion, although they are sub cabinet, they have never suffered such grievances!

Threatened at the door!

Grass!

The key fan old man has been hurt like this, and his gratitude and resentment are almost the same. The boy is not going to let go?

The broken Yang Sword in Ye Chen's hand turned and pointed to the old fan. He said, "I said, who dares to obstruct me from taking away the blood Fenghua will die!"

"The words have been said. Since the old fan is in the way, he should die!"

Ye Chen at this moment is like a judge!

Killing gas package! Blood dragon agglomerates!

As if the blood dragon overflowed from the body and coiled around Ye Chen!

Ye Chen is very clear, if just did not have Duan leiren's help, then the result is how!

He's the one who died!

Who gives him pity!

Therefore, the old fan must die!

Those people could only look at Zhuang Bufan, who was standing with his hands on the stage!

Zhuang Bufan's eyes twinkle with anger, and his true spirit swings!

Jump down!

"Dare Ye kill the sky! Not only dare to do it in my Yibao Pavilion, even the people in my Yibao pavilion are not spared! How do you know how to write? "

## Chapter 593

"I don't care if you are from China or from Kunlun Xu, or I will let you disappear from now on!"

"With me here today, fan, you are not qualified to move!"

Strong breath swept!

Zhuang Bufan, the top of the extraordinary realm, has finally made a move!

Cover with endless majesty!

Everyone held their breath!

As if afraid!

The old man of Ji family, who had planned to make a move, did not move.

Originally, seeing ye Chen's talent and the meaning of kendo, he planned to win over Ye Chen and sell his affection.

But now that Zhuang Bufan stands up in person, the matter is serious.

Straight up to the Yibao Pavilion!

Ye Chen sneered: "I want to kill people, no one can stop, that old man is the best end, you want to stop, you sure have this qualification?"

Language down, ye Chen kill the opportunity to release.

The spirit sword shot from Yibao Pavilion suddenly appears!

Direct fire!

No hesitation!

This sword was originally intended to be given to her mother Jiang Peirong. Now it seems that it can be used to hit yibaoge's face!

"Whoosh!"

Countless thunder and lightning twined on the spirit sword.

Even ye Chen pinched his finger, and a drop of blood essence and rune were printed on the spirit sword.

In a blink of an eye, the spirit sword turns into countless virtual shadows!

I can't find it!

Zhuang Bufan's expression changed, and he quickly stopped the ghost sword shadow!

But the shadow is too much, dense!

He's blocking most of it!

It's useless!

The way of rune, but can he see through it?

"Puff!"

The spirit sword went straight into fan Lao's heart.

Blood was splashing around.

The old fan's eyes widened. He didn't expect that Zhuang Bufan would die.

The key is to die in the hand of Ye Shitian!

He is not willing to!

The blood spat out, and his vitality ran wild.

Finally, he fell into a pool of blood.

"Zhuang Bufan, the person I want to kill, now, do you think you have the right to stop it?"

"Also, I'm going to take blood Fenghua away. If you don't like me, I don't mind killing you."

Cold words fall.

I don't give Yibao Pavilion any respect at all.

"Pa pa pa..."

Ye Chen that indifferent words, listen to in Zhuang Bufan's ears, but as if the thunder exploded, it is like a loud slap in the face!

Ye Chen understatement, so indifferent to say this? This is the biggest insult to Yibao Pavilion!

The biggest insult to him!

As if between, Zhuang Bufan felt that the whole world, looking at his eyes, were mocking and sneering.

In fact, those people who watch how dare to laugh!

In addition to shock or shock.

Pooh hee

In the heart of a hurry, Zhuang Bufan spirit turbulence, spit out a mouthful of blood.

This invisible revenge is the most terrible.

After today, if ye Shitian does not die, it will become a laughing stock!

What does Yibao general cabinet think of him!

Even the dignity of Yibao Pavilion can't be kept. He is the eternal sinner of Yibao Pavilion!

How can Zhuang Bufan let Ye Chen leave? His strength is not comparable to that of fan Lao.

Ye Shitian can defeat fan Lao, but can he defeat Zhuang Bufan?

"Ye Shitian, you are too arrogant

Zhuang Bufan walks towards Ye Chen.

At the moment, ye Chen stood up with a sword and looked cool.

He could feel the madness passing by.

Although he crushed fan Lao just now, he was also damaged greatly.

If we fight again, his strength will surely drop a lot.

Brush

The cold wind whistling, in Ye Chen's thinking, a body shape flashed by, and in a twinkling of an eye, the distance between Ye Chen and ye Chen is only tens of meters!

Dressed in a blue shirt, his face is cold, between his eyes, the cold light surging, killing opportunity awe inspiring!

Zhuang Bufan still started!

His eyes, dead lock Ye Chen, like a beast, ready to attack at any time, will ye Chen thoroughly tear.

"Ye Chen, today, let me appreciate your strength! What you owe me in Yibao Pavilion will be paid by your blood today. "

Hum

When the wrist shakes, the sword comes out of the body, and the cold light twinkles on the edge of the sword.

Zhuang Bufan pointed his sword point at Ye Chen, and said coldly without expression.

There was a lot of hatred in that speech.

Ye Chen killed fan Lao and owed him the blood debt of Yibao Pavilion.

The power of the sword rises and the spirit of the sword is strong!

Zhuang Bufan stood there with a long sword in his hand and did not use any moves. However, all the sword Qi was as if it were the essence, but he had already begun to sweep away. The cold wind rustles, the world is silent!

The whole world is cold.

"Blood debt and blood payment?"

Feeling the sword, ye Chen's pupil shrank.

Zhuang Bufan? As expected, he is a strong man! Just the sword meaning that emanates at this moment is no longer comparable to that of the old fan!

"If you want me to pay my blood debt, it depends on your strength."

Hum

As soon as the wrist shakes, the whole body's true Qi erupts, and the broken Yang Sword vibrates, sending out a light chant, which spreads all over Yibao Pavilion!

At this moment, the battle did not start, but the two powerful sword ideas had already taken the lead in entanglement and collision between heaven and earth.

The cold wind, like a sword, turns into a sword!

Between the collisions, there was a dull sound.

"This is the contest of the strong!"

What a powerful sword

"The sword power has not been completely raised, but the meaning of the sword has already made people's hair stand on end!"

"It's said that Zhuang Bufan's sword meaning originates from the sword God Zhuang Youdao of a generation thousands of years ago, which is natural and extraordinary. I just didn't expect that ye killed the sky, unexpectedly... "

Time seems to freeze, the two figures have not moved, but people have been the first to feel suffocated.

"War!"

All of a sudden, there was a big shout.

Zhuang Bufan's momentum broke out.

Boom

There was a loud noise and the air billowed.

Zhuang Bufan's long clothes are dancing like dragons and snakes in the wind.

On the edge of the sword, the light shines, and the light of the sword blocks out the sky and the sun.

"Play in Kyushu!"

As soon as the wrist shakes, the sword light flickers, and the sword spirit is all over the sky. Zhuang Bufan runs straight to Ye Chen.

"What a powerful momentum!"

What a terrible sword

"This move How powerful

"Heaven, the top of the world? This Ordinary extraordinary peak, may not have such momentum? Is Zhuang Bufan about to step into the next realm

"This Zhuang Bu fan is infinitely close to entering the holy land. His fighting capacity is as good as that of the strong at the beginning of entering the Holy Land

"Ye Shitian is against the heaven, but it is absolutely difficult to deal with Zhuang Bufan!"

"This time, genius is going to fall!"

A strong hand, you will know whether there is!

With Zhuang Bufan's body shot out, people were stunned.

Under the square, Miss Ji took a breath of air-conditioning and unconsciously leaned towards grandfather Yun, even afraid to look at it.

She was afraid of Ye Shitian's accident and turned into a blood mist.

This Zhuang Bufan is more than a little bit stronger than the old fan?

This move sweeps across the sky and turns the force of heaven and earth into sword Qi all over the sky. It seems that there is no one to stop it!

Ye Shitian, how to resist it?

Sure enough, ye Chen's expression is dignified now.

Looking at the sword, ye Chen can only go up with a stiff head!

Chapter 594

The gap is too big!

He took a look at the samsara cemetery, there was no movement at all!

"No matter!"

Ye Chen didn't stir up any sword meaning, but pinched it with his fingers and sacrificed his life talisman!

Countless thunder and lightning come out!

Formed a barrier!

Stop in front of you!

He has to carry the blow!

Now he has no real Qi in Dantian, so he can't use the ten thousand swords to respect and teach him the meaning of sword.

One by one, the strong take turns, is the individual can't stand it.

The key is that ye Chen at this moment is only the eighth layer of Zhenyuan realm!

To be able to do so, has been beyond ordinary people!

That is to say, at the moment when ye Chen's aura has been condensed, Zhuang Bufan's powerful sword power has been suppressed towards Ye Chen.

If the thunder explodes, the world collapses!

Pooh hee

The shock of terror makes Ye Chen tremble violently.

That is like the power of Mount Tai, let the barrier collapse!

Following the increase of strength, the barrier, split in an instant!

A mouthful of blood spurted out, ye Chen's face suddenly pale.

As the spirit Rune array is broken, ye Chen's spirit vibrates, and the blood in his body rolls over. He only feels that the five viscera and six viscera seem to shift.

And that's not all!

Zhuang Bufan's sword doesn't stop at all. Although the talisman blocks a few points, it is far from enough!

Zhuang Bufan sneered coldly.

He has already felt Ye Chen's weakness.

This is his chance!

It seems that he thinks too much!

No matter how strong ye Shitian is, he can't shake Yibao Pavilion! I can't shake him, Zhuang Bufan!

At the moment, ye Chen's pupil shrinks rapidly. In the cold wind, what he can do is to resist with all his strength.

Boom

Boom, boom, boom.

Puff, puff

The whole body skeleton seems to be broken, ye Chen's eyes are black, the corner of the mouth blood spills again.

What power is this?

What a bully!

In this attack, there are thousands of forces, such as thousands of troops and horses to suppress.

If ye Chen had not been ready before, and the barrier had helped him to remove most of his strength in this attack, only this strike would have turned Ye Chen into flesh and mud!

Under the impact of terror, ye Chen's body shape explodes toward the rear.

Wow

Even before ye Chen falls to the ground, Zhuang Bufan sweeps towards Ye Chen again.

"You are crazy, little beast!"

Miss Ji saw Ye Chen so anxious that she quickly picked up the bow and arrow full of flames!

Just about to shoot a sword at Zhuang Bufan!

One hand stopped it.

"Miss, forget it, ye Shitian offended and killed Yibao Pavilion, and Ji family can't save him."

"The banker where Zhuang Bufan is located has a certain amount of shares in Yibao Pavilion. Therefore, Zhuang Bufan is regarded as the person in the general cabinet. If you take action now, something will happen."

Miss Ji's face was pale, and she felt her true spirit had been pulled away.

She turned her head and looked at the old man: "grandfather Yun, let go. I always feel that ye Shitian is worth our Ji family's doing."

In fact, there is a talent hidden in the body of Ji's women.

Some future trends can be perceived.

Ji Siqing saved Ye Chen five years ago because of his talent.

And now, this Ji Jia woman naturally feels something.

It's a pity that the old man beside him didn't move.

Seeing the scene in front of us, all of us were deeply sorry.

I thought I could witness the birth of a Kunlun virtual genius.

But now it seems impossible.

Genius is doomed to die.

Blood Fenghua also wakes up from the practice, and he breathes out a long breath.

It's a hell of a walk.

Looking at Ye Chen, his face was ferocious: "little beast, dare to offend Xuemeng and yibaoge, you are the first one! Of course, it will be the last! ha-ha! I don't know what to do

Shen Shixi naturally realized the danger of Ye Chen and just wanted to rush past!

The four strong Yibao Pavilion blocked the way of Shen Shixi, and even injured Shen Shixi with one blow.

"Damn it! If it is really dangerous, I can only announce the identity of Wan Jianzong! "

And now.

Ye Chen trembles and stares at Zhuang Bufan.

Feeling the arrival of death, ye Chen looks ferocious and roars.

"Don't try to kill me!"

Suddenly, at the critical moment of life and death, a trace of warm current emanating from the reincarnation cemetery.

At the same time, a voice rang out: "apprentice, next give it to the master. There are some problems with the Taigu Xushi Dan. I don't know it was made by that waste. But I can barely exert some strength to deal with that guy. It's enough."Ye Chen's eyes are happy.

"Good!"

In a flash, ye Chen's eyes changed!

Like the eyes of ancient times.

See through everything.

If you have a heart, you will surely notice that ye Chen's eyes twinkle with lightning at this moment.

Earthquake Lei Zong Duan Lei Ren!

Ye Chen looks at Zhuang Bufan and shakes his head helplessly.

"Is the outside power so bad now? It seems that the ancient war destroyed too many things, and even the foundation of the whole earth was destroyed. The aura is thin. It is more difficult for the strong to advance. "

Zhuang Bufan frowned at the inexplicable words and scolded him. His hands were full of vitality. The sword was even more terrifying!

Potential to turn this leaf into a blood mist!

"The little ones who don't know what to do."

Ye Chen faintly vomited out a sentence, and then looked at the broken Yang Sword in his hand.

"I don't like to use a sword, so take it back."

Language down, broken Yang sword back to the reincarnation cemetery.

Seeing this, everyone was in a daze.

What kind of nerve does this leaf kill the sky?

Not even a sword?

Is it hard to give up?

Blood Fenghua laughed, Zhuang Bufan also laughed!

How easy is it to shake a tree!

It is the wisest choice for ye to give up.

But soon everyone's smiles froze.

Ye Chen stepped out and came to a plum tree planted in the middle of Yibao Pavilion.

"Click!"

Take off the branches of plum blossom directly.

Then the plum blossom branch pointed to Zhuang Bufan and said faintly, "to deal with you, this plum blossom branch is enough!"

What!

Everyone at the scene saw ye Shitian as a fool!

Ordinary plum blossom branches still want to kill people?

Can ye Shitian not bear the pressure and be crazy!

Miss Ji Jia and grandfather Yun are even more stunned. When they react, they shake their heads.

This leaf kills the sky arrogantly! Ridiculous!

How can plum blossom branch kill people!

Maybe Zhuang Bufan's sword spirit is enough to destroy!

This is playing with fire!

At the moment, facing the light of the sword, ye Chen does not retreat but advances.

The plum blossoms are singing in the air.

Whoosh

It's changing!

Plum blossom branch, attract all things!

As if heaven and earth, all for the use.

That trace of plum blossom, across thousands of feet, divided heaven and earth.

"Broken!"

Boom

If the sword of the Ninth Heaven falls, at this moment, the sky and earth are silent, and thunder clouds ring through.

Plum branch, carrying the potential of heaven and earth, such as the arrival of the king!

It is even stronger than any sword meaning that ye Chen just displayed!

Ye Chen's plum blossom momentum was urged to the extreme, and the power of this move was exploded to the extreme.

Boom

Thunder explodes, the world trembles!

Chapter 595

Bursts of roar, such as Xuan thunder rolling.

The whole Yibao pavilion was shocked and seemed to collapse.

That next to the condensation soul platform is not able to withstand the strength of plum blossom branches, direct fragmentation!

Between heaven and earth, there are plum blossoms!

Everyone's eyes almost stare out!

Is this the power of the plum blossom branch?

How can it be more terrible than the heaven level spirit sword!

Grass!

"No! Back

As those powerful plum blossom, overflowing out, people watching the battle can not help but change their faces.

A burst of shouts, the crowd quickly back to the rear, so as not to hurt the fish.

Zizizi

At the core, the plum blossom branch and Zhuang Bufan's long sword are entangled together.

Such as two traces of the sky, against each other.

"Boom..."

Finally, the stalemate did not know how long time, with a burst of roar suddenly exploded, ye Chen did not move Mount Tai.

On the other side, Zhuang Bufan is miserable!

Under the strong shock force, he also staggered back away.

After more than ten steps, we can stabilize our body.

Zhuang Bufan's expression is like a ghost. He stares at the plum blossom branch in Ye Chen's hand!

How could it be!

He was shocked!

He panicked!

He even felt that ye Shitian, standing in front of him, had become another person!

No matter the momentum or what!

"You, who are you?"

Steady, slightly gasping, looking at Ye Chen, Zhuang Bufan looks gloomy.

Ye Chen laughed, raised the plum blossom branch in his hand, and said faintly, "you're just a little younger generation. What qualifications do you have to know? Even if your ancestor of the banker comes, you should kneel down in front of me!"

"Now, would you like to kneel?"

"Kneel you? Look for death

Take a deep breath, Zhuang Bufan roared.

Then, a burst of howling, forced out a drop of blood essence on the long sword, Zhuang Bufan killed again!

Rising momentum!

"The river is surging!"

The sword dances and the wind blows.

The sword's spirit is vertical and horizontal and turns into a long river.

The Yangtze River drinks and roars, like a giant dragon, to devour Ye Chen thoroughly.

This time, Zhuang Bufan opened fire.

This move, even if it is a strong one into the holy land, is hard to resist!

Can ye kill the sky?

Zhuang Bufan doesn't believe it!

In the face of such a magnificent move, all people's hearts are hanging up.

"The Yangtze River, for your use? So what? Enough plum branches! "

Ye Chen is indifferent.

The language falls, ye Chen's whole body actually overflows innumerable thunder and lightning, connects the sky, the plum blossom branch seems to be wrapped by thunder and lightning, rolling up the thunder sea all over the sky!

The whole world, it seems, suddenly became crazy.

Ye Chen's momentum, crazy climbing! This move, he wants to destroy the sky and the earth!

Thunder and lightning break out, destroy heaven and earth!

Plum branches move like thunder!

With the expansion of the thunder, covering the sky and the earth.

The whole square seems to be involved in a huge thunder stove.

"God This is thunder

"No way! Ye Shitian has the power of divine thunder

"Is it the plum blossom branch? Plum blossom branch is a foreign treasure, attracting God thunder

"Heaven and earth are rare, God thunder is absolutely the most precious treasure that countless friars dream of, even if entering the holy land is impossible! He even It's done! "

"This time, Zhuang Bufan is dead!"

Seeing the thunder coming, all the people watching the war were shocked.

"Shenlei, that boy..."

Ji family people, this moment can not help but look at each other.

"What's the origin of Ye Shitian?"

Ji Jiayun's eyes widened.

With the appearance of shenlei, the scene has become different.

"I'm afraid that group of guys in Yibao Pavilion will fall down now! Ye Shitian is full of divine thunder

With the thunderbolt flying across the sky and breaking out constantly, people look serious.

"This son is terrible. He is endowed with extraordinary talent. If you let him continue to grow up, I'm afraid it will be a big problem for Yibao Pavilion in the future

For a moment, the faces of all the people in Yibao Pavilion became dignified.

.....

The thunder is fierce, and the sword Qi is vertical and horizontal.

Zhuang Bufan is flustered at this moment!

Completely flustered!

"Get out of here

But it was late.

A long roar, the sword fell, the Dragon roared.

Thousands of thunder and lightning roared.Boom

As the flood comes, under the guidance of God's thunder, thousands of energies blow towards the weak place.

Boom

Boom

Boom

Everything is overturned.

If the Yibao Pavilion had not had an ancient array that covered the whole tower, under the violent collision, the overflowing sword Qi and thunder and lightning would have turned the whole square into a hell on earth in an instant.

However, even if there is a layer of seal block, still shaking.

The fire erupted like fireworks.

The sword Qi flies like a sword array.

Ye Shitian's plum blossom branch is too terrible!

The roar of wild animals, the roar of dragon, the roar of the river The sound is deafening.

"Today, I will let you understand the consequences of offending my apprentice Duan leiren!"

Ye Chen suddenly opens his mouth again.

In an instant, ye Chen's momentum rose again!

Roar

It's not a joke.

No matter how crazy the long river huge waves are, they are vulnerable to attack in front of God thunder, and turn into nothingness in an instant.

Hua Hua Hua

With the help of this energy, ye Chen is irresistible.

The long river is broken.

"No..."

Zhuang Bufan's pupils contracted and gave out a frightened roar.

His long river is surging, and he is about to be broken by the plum blossom branch of Ye Shitian!

How could it be!

This is a common plum blossom branch!

If the boy uses the spirit sword, is it not to turn the whole Yibao pavilion to the ground?

Is ye Shitian who can hide his strength and land here?

Between mind concussion, Zhuang Bufan can't help but spit out a mouthful of blood, his face suddenly pale!

Wow In a burst of shouts, Zhuang Bufan is blown out by Ye Chen.

"My Lord!"

Above Yibao Pavilion, there were shouts of surprise.

After a moment of stalemate, Zhuang Bufan was blown out by Ye Chen?

This is beyond everyone's imagination!

Ye Chen is unstoppable.

"This is the end of your destiny."

In a moment, the plum blossom branch moved again, and the aura of heaven and earth swept wildly, rushing towards the plum blossom branch.

Buzz

Under the powerful energy perfusion, plum blossom branch sends out the sound of murmuring bitterly.

Obviously, under the full force of Ye Chen, plum blossom branches are also bearing an unimaginable load at the moment.

Heaven and earth, silent.

Time and space are frozen. At this moment, this world, only Ye Chen is left!

Ye Chen is the immortal, carrying the power of the immortal and suppressing everything.

Wow

The plum branch leaves Ye Chen's hand and floats in the air.

Everything in the world is shattered.

Just a few tens of meters, as if separated by several centuries, but also as if just close at hand.

Hum

The next moment, a plum blossom shoots out, and ye Chen and Zhuang Bufan's body shape disappear in people's sight at the same time.

Until the two figures were clearly seen again, what people saw was that plum blossom was printed on Zhuang Bufan's body.

The flesh and blood burst.

Zhuang Bufan, dead!

Dead without warning!

God, it's broken.

Ground, sink!

Everything was destroyed.

This is the end of the world!

The whole world, turned into hell on earth.

There is no sound, no roar, all quiet and strange!

Every picture seems to slow down countless times and present in people's sight. It brings people the greatest spiritual impact.

Boom

Until after a long time, suddenly a roar exploded.

People saw Yibao Pavilion collapse

Thunder came like thunder.

Heaven and earth don't know when they are covered by dark clouds and the rain is pouring down.

Ye Shitian's figure began to blur.

Chapter 596

Lightning and heavy rain covered the whole Yibao Pavilion.

But now Yibao Pavilion is turned into ruins.

The ancient array of Yibao Pavilion is broken.

Who could have thought that all this was done by a young man born out of the blue.

The key point is that the other party was just the real Yuan state three days ago!

Lead the way of heaven and thunder!

Fanbuzhuang!

Call the wind and rain!

Is this still a man?

Everyone wants to see the situation in front of them, but they find everything fuzzy.

It's like a power that covers everything.

Miss Ji Jia put out her hand to cover her mouth and almost screamed!

She wanted to win over ye Shitian at all costs!

But now it seems, how can the Ji family win over!

So powerful, would you like to see shangjijia?

Maybe Ji family will please ye Shitian!

This is the God thunder!

Kunlun empty so many top strong, how many people can do it!

She finally understood why ye Shitian despised Yibao Pavilion so much!

If he has such ability, he is afraid of any solemn step!

Maybe even Yibao general Pavilion is not willing to fight ye Shitian!

A plum blossom destroys the ancient array and kills Zhuang Bufan!

Enough to shake the whole Kunlun void!

This is the attitude of the top strong!

Ji Jiayun's body was shaking.

As the strongest member of the Ji family team, he felt fear for the first time.

He knew he had missed the best opportunity.

If I had just listened to miss's words and stood up without hesitation, maybe Ji family could have some relationship with ye Shitian!

He always thought that in Kunlun Xu, Ji family had such evil genius as Ji Siqing, which was enough to take the initiative in future rule making.

This is also the reason why Ji family inclines all resources to Ji Siqing.

But now, ye Shitian's appearance seems to have broken everything.

In the past 20 years, why is Kunlun so talented? There is no movement in Kunlun.

Is it that ye Shitian has endured for 20 years, just to fly into the sky in Yibao Pavilion today.

The old man was breathing more and more quickly. He found that everything was gone.

The vague figure finally appeared.

Standing in the middle like this, there is a strong evil spirit between the eyebrows.

It's like a God coming.

Some of the onlookers were injured by the destruction of Yibao Pavilion!

If we put it in the past, all forces will certainly find ye Shitian in trouble!

But now, they dare not.

They stare at ye Shitian, even breathing seems to become extravagant.

The battle between Shen Shixi and the four men stopped.

Shen Shixi's lips were shaking, and he didn't know what to say.

The master gave him a great shock!

Even I can't bear the blow just now!

The four strong people of Yibao pavilion are even more shocked!

Zhuang Bufan is dead!

Where are they going!

At this time, ye Chen raised his head, the indifferent eyes swept a glance at four people!

"Plop!"

"Plop!"

All four kneel down!

"Master ye, we don't know your real identity. Please forgive me!"

"We are willing to be your servants and do anything for you!"

Right now, that's what they have to do to survive!

Yibao Pavilion can not go back, only follow Ye Shi to have a way out.

See this scene, ye Chen smile: "do my slave, you have no qualification!"

"If I don't do it today, maybe the four of you will have a different attitude, so..."

Ye Chen pauses and suddenly grabs the plum blossom on the plum blossom tree by Ye Chen.

Take off four petals and shoot directly!

The four strong Yibao Pavilion subconsciously wanted to dodge, but it was too late!

Their hearts have long been covered by fear, self-knowledge can not escape!

"Poof!"

The petals penetrated the bodies of the four, and they fell on the spot.

After all this, the thunder and lightning on Ye Chen gradually dissipated.

"Apprentice, no one dares to start next. You have a strong sense of breakthrough. This war has benefited a lot. It is estimated that you will soon be able to enter the realm of ecstasy. After solving the problem, you should find a place to make a breakthrough again."

Words fall.

Duan leiren left Ye Chen's body.

Ye Chen looks at both hands and the ruins around everything, eyes only shocked.

He knew Duan leiren was very strong, but he didn't expect to be so terrible.

Half of the incomplete Taigu Xushi Dan suppressed most of Duan leiren's strength, but he had such power. That if the complete Taigu Xushi Dan, that would be how terrible.

However, Zhuang Bufan and the rest of the people, although the realm here is strong and transcendent, it is nothing to put it in Kunlun.

After all, there are too many strong people in Kunlun.

It's not easy to be a strong member of the Kunlun Pavilion.

This time, I'm breaking the sky.

He not only offended the blood alliance, but also offended Yibao Pavilion.

But what about that.

Those Kunlun Xu people who want to find trouble find ye Shitian.

After today, only he Ye Chen.

However, ye Shitian's three words can be regarded as a talisman of his life.

After all, from now on, the name must shake all forces.

When necessary, announce the identity, absolutely can do without war and subdue the soldiers!

Of course, this requires strength.

At this time, ye Chen toward the depths of several directions to shoot!

There are several murders in the deep.

But it's very fast.

"Do you want to fight against ye Shitian?"

Ye Chen's eyes are cold and light in a direction.

After a while, several old men came out of the depths and knelt directly in front of Ye Chen: "Mr. Ye, we dare not do anything. Just now it was just..."

They know the explanation is pale.

No longer hesitating, one hand bang in his own elixir field.

"We are willing to abolish the elixir field and ask Mr. Ye to kill us."

This scene, once again, scared everyone.

These old men are from the xuliu family of Kunlun. Now they are self-employed because of Ye Shitian's words?

The divine power of killing heaven by Ye is too terrible.

This time, everyone dare not look at Ye Chen.

Shen Shixi finally wakes up from the shock and comes to Ye Chen's side and says in a soft voice: "Mr. Ye, Zhuang Bufan is dead. Yibao general Pavilion will send someone to come here. If there is too much noise here, people from the virtual entrance of Kunlun will also appear. We can't stay for a long time."

Ye Chen nods, his body's breakthrough breath is extremely rich, also should stride into the spirit traveling realm.

It's time to leave.

At this time, ye Chen's eyes fell on the body of blood Fenghua.

A look, then blood Fenghua scared do not know what to do.

After all, what happened to Ye Chen just now was like a nightmare.

He ignored everything and knelt down in front of Ye Chen: "Mr. Ye, I I know it's wrong. I dare not Please disturb my life

Ye Chen will not kill him.

Blood Fenghua is the key to saving my father.

He grabs the blood, just like a chicken!

He didn't even have the desire to struggle.

Ye Chen strode away in front of all the people!

Chapter 597

Shen Shixi took a look at the people who were encroached by fear, shook his head and left completely.

After today, Kunlun Xu is afraid that the event of Kunlun Mountain in China will cause an earthquake.

The name Ye Jingtian is bound to spread throughout the whole kunlunxu!

Enough to juxtapose with Ji Siqing, the lovely girl of heaven in Kunlun!

No, even far beyond Ji Siqing!

Interesting, interesting!

After ye Chen and Shen Shixi leave for two minutes.

All men come to their senses.

"Mr. Ye left Whoa At last he left. "

The back of the speaker is drenched.

He was really dominated by Ye's fear of killing heaven.

For fear of being killed by Ye Tian.

"What's the origin of Ye's killing heaven? His real strength is completely unknown. It can't be the true Yuan state, the mind wandering state, or the transcendental state. Is it the holy King's realm or the returning empty state? Or a higher realm Hiss, he is the one who controls the thunder

Take a breath.

Then the whole world seemed to be quiet.

Soon, there was another uproar!

"No, I must enter kunlunxu from Kunlun Mountain immediately, and give the portrait of Ye Shitian to the patriarch and patriarch. I can't offend you!"

"From today on, no one can offend ye Shitian and give me a family law!"

"Yes, yes, I'm afraid ye Shitian is going to enter Kunlun void. I must tell zongmen as soon as possible. Otherwise, no one will offend this evil god, and a plum blossom may destroy the whole clan."

In all people's horror, a woman thought of what, hurriedly toward the direction of Ye Chen disappeared!

Yunlao is the same!

Now, no matter how, we should also show the attitude of the Ji family!

Don't try to win over ye Shitian, just ask ye Shitian not to fight with Ji family!

Such a monster, there must be a stronger existence behind it!

.....

Kunlun Mountain, near Kunhe valley.

Ye Chen and Shen Shixi finally stop.

Ye Chen is the blood Fenghua mercilessly thrown on the ground.

Xue Fenghua looked at the two people in front of him, and his body trembled: "my Lord, I really know I'm wrong. Even if you want to kill me, you don't need to take me to this place."

Ye Chen coldly smile: "I ask you, do you want to live?"

Blood Fenghua a Zheng, even busy way: "want, I certainly want to."

"Since you want to, would you like to contribute your blood essence to me and be my servant?"

Blood Fenghua heard this sentence, excited to the extreme.

Is there such a good thing?

You're not dead?

No longer hesitating, xuefenghua nodded fiercely: "of course! I'm even willing to betray the blood League for adults. "

Language down, blood Fenghua directly sacrifice a drop of blood essence.

Ye Chen is also a point on the blood essence, at the same time, the finger pinches.

Instantly refine blood essence!

His mind has completely controlled the blood style!

Ye Chen exhaled a breath, then no longer hesitated, asked: "I ask you, do you know the whereabouts of Ye Tianzheng?"

Ye Tianzheng?

Hearing these three words, xuefenghua was stunned.

Of course he knows this man!

He even went to see it!

But why did ye Shitian ask this question?

Ye Tianzheng, ye Shitian

Suddenly, blood Fenghua thought of what, staring at Ye Chen.

A sense of familiarity comes out!

"You You are the Chinese Ye Chen! Son of Ye Tianzheng

Who could have thought that ye Chen and ye Shitian were the same person!

Sleeping trough!

There was a great wave in his heart!

Ye Chen did not answer, the cold voice sounded again: "answer my question, or I can let you enjoy endless pain at any time."

Xue Fenghua no longer hesitated, and even said, "my Lord, of course, I know that ye Tianzheng is now in the dungeon of the blood alliance."

"Then you take me to the blood League dungeon immediately!" Ye Chen said eagerly.

The cold killing machine even makes blood Fenghua unable to breathe.

This is the power of the strong!

Xue Fenghua was pale and thought of something. He continued: "Lord, I can take you to the blood League at any time, but only elder Zheng has the key to the dungeon. What's more, the dungeon of blood league can't be broken by force, even if you are strong enough. "

Hearing the name of elder Zheng, a trace of anger flashed in Ye Chen's heart.

Elder Zheng!

It's elder Zheng again!

What did the Ye family offend him!

Since the dungeon needs a key, I will kill elder Zheng.

"Can elder Zheng be in the blood League?"

Xue Fenghua replied again: "my Lord, if I have not guessed wrong, elder Zheng should have been in China. This time, he personally came to kill you." "But now that such a big thing happened in Yibao Pavilion, it is estimated that it will be transmitted to elder Zheng in a few minutes. I don't know the specific trend of elder Zheng. "

At this moment, ye Chen's eyes are slightly narrowed.

He must go back to Beijing. Since the old Zheng came to China, the authority of longsoul and the old man should be found.

As for this blood style, the other party controls the specific information of the blood alliance, and it is the key to his entry into Kunlun virtual blood Union.

It's not possible to kill for the time being.

Now as a slave, he must be absolutely loyal.

At this time, Shen Shixi noticed what, and said, "Mr. Ye, I feel that there are two smells coming to this side, without malice. According to my guess, it should be the two of Ji family."

"What do you do?"

Ji Jia?

Ye Chen naturally does not think Ji family will hand to himself, looked at that direction, and said: "shenshixi, you take blood ethos to return to Beijing first, I will follow later."

"Yes, Mr. Ye."

No longer hesitant, Shen Shixi took a picture of the blood on the body, and swept away towards the capital.

There is only one leaf Chen left in the place.

Ye Chen hands stand, close eyes, eyebrows are cold.

It's like a high man.

Ten seconds later, ye Chen said: "now that it is here, come out."

A faint voice sounded.

The darkness came out of the old and the youngest.

It is Miss Ji and Yun Lao.

"Follow me, you know the price?"

The voice of the leaves Chen was down.

It gives a sense of ignorance.

They saw Ye Chen at the moment, and they said respectfully: "Mr. Ye, misunderstanding, we just apologized. Just now Mr. Ye was limited to the fire and water. We didn't take the hand. It is not justified."

Ye Chen ignored the old cloud, looked at the beautiful girl, and said, "by the way, what are your name?"

Chapter 598

Ji's maiden was so frightened that she didn't expect ye Shitian to ask her name on her own initiative!

Her heart seemed to jump out, blushing.

"Mr. Ye, my name is Ji He, the daughter of Ji Fenglong, a member of the Ji family."

Ye Chen nods, he still has some good feeling to this Ji He.

After all, when the blood League deals with itself, the other side shoots an arrow to help him kill a strong one of the blood alliance.

It's a bad relationship with the blood League.

"Who are you from Ji Siqing and Ji Lin?" Ye Chen has a wonderful way.

Ji he heard Ye Chen ask these two people, and did not feel too strange, after all, Ji Siqing and Ji Lin in Kunlun Xu's reputation is enormous.

Even to some extent, these two people represent the younger generation of Ji family.

"Ji Siqing is my cousin. Although I don't meet many times, I still have a good relationship. If Mr. Ye wants to see sister Siqing, I'd like to take you to..."

"No, she and I will meet if we want to."

Ye Chen Dao.

Because ye Chen's attitude is very cold, leading to some solidification of the atmosphere.

Cloud old has been unable to insert a word, he thought of what, gently cough, Ji he instantly understand.

She took an emerald bottle out of her arms.

There was a trace of movement in the bottle, as if there were living things.

Moreover, it is made of superior Lingyu, which looks extremely precious.

Ji He carefully handed the bottle to Ye Chen, and then whispered, "Mr. Ye, this is my Ji family's unexpected gain. It's useless for me. Otherwise, I'll give it to Mr. Ye and make a friend."

Between the words, Ji he was a little reluctant.

Because the things in the jade bottle are too precious!

Even if it is placed in Kunlun, it is priceless.

In a way, it's all her father's dowry!

When she came, she discussed with Mr. Yun for a long time, and finally decided to take it out!

Because, ordinary things, how can ye Shitian look at it!

I can't bear the children, I can't catch the wolf!

To make friends with ye Shitian, we must have enough sincerity.

Ye Chen will naturally accept it. He just wants to refuse, but Duan leiren's voice rings out: "boy, take this, you should owe this girl a favor. This thing is extremely important to you! Even affect your future practice. "

Duan leiren's tone is even a little hasty.

Ye Chen did not hesitate. He grasped it with five fingers, and the jade pendant flew directly to the palm of his hand.

Then, he said to Ji He: "in this case, I'll take it. However, it's precious. Naturally, I won't take it in vain. From now on, I ye Shitian owes you Ji he a favor, which will be effective at any time."

Finish saying, ye Chen finger pinches to decide, condense a spirit rune.

There is a mark of him in the rune.

"Here you are. You can contact me if necessary."

Ji He and Yun Lao Hear ye Chen's words, and they are short of breath!

It's worth the love of killing heaven by changing leaves!

Now that the goal has been achieved, Jihe and yunlao can't stay any longer.

Ji he laughed and handed out a jade pendant. He said, "Mr. Ye, I won't disturb you. This jade pendant is the address of Ji's family. If you pass by, you must come in. I'll welcome you."

"Well." Ye Chen takes the jade pendant and nods.

After that, Ji He and Yun Lao looked at each other and went to the direction of Kunlun Xu.

Just this farewell, I don't know when to meet ye Shitian.

"I'm afraid the next time we meet, ye Shitian has already stood on the peak of Kunlun Xu."

.....

When Ji He and Yun Lao left, ye Chen asked Duan leiren of the reincarnation Cemetery: "master, what do you want me to take this thing? Why do I feel there is something moving inside?"

Duan leiren smiles mysteriously: "don't go back, find a quiet place, lay down the array and start to break through. I will guard you for you."

"Good."

There are many caves in Kunlun Mountain, most of which are wild animals.

Ye Chen casually finds a steep cave, solves the beast inside, and sits cross legged.

It's even more of an array!

Then, take out the black stone!

Go straight to the samsara cemetery!

Nearly a hundred tombstones, especially desolate!

Whoosh, whoosh

The cold wind roared like ghosts crying and wolves howling.

Duan leiren has been waiting for ye Chen.

"Disciple, you have a very strong sense of breakthrough. Now you start to try to break through and step into the wonderland. You will trigger the thunder robbery, which is the key to the thunder robbery."

"Master, that jade bottle..." Ye Chen asked.

Duan leiren said with a smile: "I can tell you that there are three drops of blood essence in the jade bottle, but this blood essence is not ordinary. Put the jade bottle beside you and listen to my instructions later." "As for the origin of this blood essence, I will tell you slowly!"

"Good."

Ye Chen no longer hesitates!

Enter the cultivation state!

I do not know why, reincarnation cemetery suddenly falling goose feather snow, that trace of cold diffuse between heaven and earth, people feel breathing is extremely difficult.

In the distance, a glimmer of dawn appeared, tearing everything, revealing a ray of light.

Inside the cave, the flickering fire finally brought a little warmth and drove away some cold.

Ye Chen sits cross legged and solemn.

The nine days in the body, xuan yang is determined to move, the mouth and nose slightly open, between a breath and a breath, it seems that you can see the rich aura flowing into Ye Chen's body.

Hua Hua Hua

Within the muscles and veins, the true Qi is rolling, and in the elixir field, the sea of Qi roars.

The whole samsara cemetery began to cloud.

The energy in the body has already reached saturation.

Ye Chen's state is adjusted to the best.

"Now! Open the jade pendant, concentrate blood and pour out a drop of blood essence first

Duan leiren's voice suddenly sounded like thunder.

Hearing the sound, ye Chen opens his eyes and takes a deep breath.

"Come on

With a wave of wrist, the jade bottle appears in Ye Chen's hand.

"Wow..."

When the jade bottle opened, a fragrance filled the cave.

It is a very light breath, as if through the air, deep into the human body. It's refreshing.

Opening his mouth, without hesitation, swallowing the red liquid inside the jade bottle, ye Chen's face became more and more serious.

This seems to be a drop of demon blood essence, the whole body is red, in this samsara cemetery, there is also a trace of warmth.

With this drop of blood essence into the abdomen, ye Chen only felt that the body suddenly became hot and dry.

It was as if within the body, a flame began to burn.

Whoosh, whoosh

Suddenly, the blood dragon hidden in the deepest part of Ye Chen's body seemed to feel something and became crazy.

The blood dragon's energy burst and the essence blood's energy diffused. It was only for a moment that ye Chen's face began to flush.

"Ah..."

A light roar, ye Chen's face showed a look of pain.

The explosion of energy almost burst his muscles and veins, tearing his elixir field.

What terrible energy!

The key blood dragon seems to be struggling and even planning to attack itself!

How could it be!

What is the origin of this blood essence and why is it so!

Chapter 599

Ye Chen naturally knows the tyranny of the blood dragon. Even if it is suppressed, the remaining energy is very tolerable.

As for the blood essence of the demon beast of unknown origin? Ye Chen is surprised by the energy it contains.

It's very aggressive.

As if that energy into the ancient beast, in the veins of Ye Chen began to rage, roar.

"Refine it for me!"

Dare not have the slightest carelessness again, ye Chen runs nine days Xuan yang to decide, suppress these two energy.

Time goes by minute by second. I don't know how long it takes. Finally, when the two energies gradually converge, when ye Chen can no longer hold on to it, with a long roar, ye Chen leads the energy in his body and rushes towards the shackles of shenyoujing.

Wow

Wow

Wow

Such as the surging waves on the shore, the roar does not feel.

Ye Chen only felt the Qi and blood rolling in his body, and he almost fainted.

The violent impact shakes Ye Chen's internal organs and spirits.

"Not enough! Take the second drop of blood essence in the jade bottle! " Duan leiren's voice rings again.

Yes, master

That layer of shackles in the impact of turbulence, vibration, but there is no sign of breaking, feel this, ye Chen, like a crazy gambler, will swallow the second blood essence!

"Come again!"

Another quarter of an hour later, ye Chen swallows the last drop of blood essence into the mouth.

Before two drops of blood essence swallow, let Ye Chen's body energy become how irritable? How crazy has it become? Under the impact, that layer of barrier finally began to loose, and gradually cracks.

However, this is not enough!

The third drop of blood essence will be the last straw to crush the camel!

With a long scream, the energy of the third drop of blood essence is ignited in Ye Chen's body.

Roar

In an instant, ye Chen's body, came a long roar, such as the great beast awakened.

That energy can no longer be controlled, such as volcanic eruption, toward the barrier of the wonderland, impact away.

Success or failure, at one stroke!

Boom

Like mountain torrents.

Finally, in Ye Chen's body, the energy accumulated to the limit broke out.

With a burst of roar, such as the eruption of volcanoes, such as the roar of beasts. This energy is irresistible toward that layer of shackles.

Success or failure, at one stroke!

Wow

Under the impact of this energy, the whole world seemed to shake.

Shenyou state, that layer of invisible shackles, violent shock.

Under the impact of breaking through the limit of energy, cracks begin to appear and spread around.

Boom

Finally, in a burst of sound, that shackle completely smashed.

Ye Chen seems to have opened a new world. The crazy energy in

is pouring into the new world.

Within the Dantian, the sea of Qi is surging!

Within the muscles and veins, beasts roar.

Reincarnation cemetery, surging wind and clouds!

Whoosh, whoosh

The cold wind howls, the samsara cemetery is extremely cold. In the ice and snow, the aura of heaven and earth condenses from all directions, and finally all of them merge into Ye Chen's body.

With the continuous expansion of the sea of Qi, the constant consolidation of Dantian!

A burst of red light, as if the earth.

Ye Chen repressed the excitement in his heart and tried his best to run the nine day xuanyang Jue.

That layer of shackles broke through. you 're right! Ye Chen knows that he succeeded.

He successfully stepped into the threshold of the wonderland. Now what ye Chen needs to do is to strengthen the elixir field.

A stream of its pure energy was born in the operation of the nine day xuanyang Jue and gathered in the Dantian.

Red light is coming from the East!

At this moment, the world within ye Chen's Dantian became wonderful.

Boom

And that is when ye Chen made the final breakthrough, on the Kunlun Mountain, I don't know when, a dark cloud in the sky has already condensed!

The snowflakes falling in the samsara cemetery stopped suddenly at this moment.

The whole world, oppressed to the point of suffocation.

"Hula..."

Suddenly, a flash of thunder, the whole cloud shaking! A majestic breath diffused and opened, covering the world.

Even this breath, startled those who participated in the auction of Yibao Pavilion who were healing in the distance.

Even if Ji He and Yun Lao, who have not completely left, have noticed.

The change on Kunlun Mountain is too obvious!

"My God, what's going on?"

"Thunder robbery? What's going on? Is there anyone in Kunlun Mountain of China to meet the thunder robbery

"It seems to be in the direction of Kun River Valley?" "Kun River Valley? How could that place be... "

I don't know how many people, at the same time, looked in the direction of the cloud shrouded Kun River Valley, their looks were startled and uncertain.

"Who is it?"

Two figures flashed by, an old man and a young girl appeared near the Kun River Valley.

Looking at the dark clouds circling in the sky, they looked surprised.

"Old cloud, is it Mr. Ye?"

"Should be, just now we chat with him, I found that he has a strong breath of breakthrough, and even can't control it."

"Didn't he just break through? How can he break through again? This is too evil."

"How do I feel that breaking through is as easy for him as eating?"

Ji he was helpless.

People are more popular than dead people!

Old cloud sighed: "this son can't be considered according to ordinary genius. I haven't seen such evil spirits in my life."

"It is estimated that before long, Mr. Ye is going to become a nightmare for countless forces and clansmen. The first one to have an accident must be Xuemeng.

If you don't take the right measures at Yibao Pavilion, it will also be dangerous. "

Boom

In the two people's gaze, finally the first xuanlei has fallen.

There was a roar and the earth was shaking.

A lightning, across the sky!

A terrible and oppressive force diffused and opened, with the breath of tyranny. The thunder and lightning with the thickness of adults' thighs fell fiercely towards the Kun River Valley.

Vaguely, you can see that under the thunder light, a figure stands proudly in the cold wind.

Ye Chen in order to meet the thunder and lightning, has stood on the top of the mountain!

This is what Duan leiren asked!

As for other people's interruptions, it's impossible!

Ye Jingtian three words represent a nightmare! Who dares to disturb!

What's more, Duan leiren personally protects the Dharma!

Those close to 100 meters will die!

Chapter 600

Some people naturally found Ye Chen and could not help holding their breath.

"Coming!"

On the top of the mountain, watching the thunder and lightning falling from the sky, ye Chen narrowed his eyes.

Very powerful thunder robbery.

It's stronger than the thunder robberies I've encountered several times before.

Once step out of this step, put in front of Ye Chen, it is a Shenyou Avenue!

"Break it for me

We still choose to face up.

Although the first two thunder robbery experiences are extremely dangerous, although they have all suffered a lot. But what about that?

Ye Chen got enough benefits!

With the help of those two thunder robberies, ye Chen's body was tempered, which was not as simple as a little bit stronger.

Even the original town soul sword, under the baptism of thunder and lightning, is also changing.

Therefore, thunder robbery is both a crisis and an opportunity!

In Ye Chen's view, this is more of an opportunity.

A long roar, and finally in the moment that the lightning fell, ye Chen moved.

In the breath of destroying heaven and earth, ye Chen's body rises from the ground under the dazzling thunder light.

Brush

A white light breaks through the sky, and ye Chen seems to merge with the white light, heading for the lightning head-on collision.

"Oh..."

White light rises into the sky, as if into a hundred Zhang dragon.

The Dragon roared to devour the thunder and lightning.

"This..."

Looking at the scene that happened above the Kun river valley from afar, Yunlao widened his eyes and Ji He's face changed.

"Face up to face, and baptize yourself with thunder robbery!"

The old man showed a dignified look, his eyes burst out a touch of essence.

"I still look down on Mr. Ye! Perhaps this is the case, this Mr. Ye will go to today's height! To be baptized by thunder? Especially without Beredan's help? The difficulty is not small! "

Cloud old smile, the face of that touch of appreciation, more and more rich!

Even in Kunlun Xu, there are not many people who choose to fight against thunder robbery in this way! Even if it is the genius who chose this way, which one is not prepared before facing the thunder disaster?

At the very least, Beredan is essential.

Swallowing Pileidan and enhancing the ability to resist thunder and lightning will increase the chance of the practitioner to resist thunder robbery.

And ye Chen? Obviously not prepared!

Can he succeed?

Maybe the last two times he faced the same thunder robbery?

The old man was filled with emotion.

"The sword is very domineering. Longyin heaven and earth, such as a flying dragon, magnificent! I'm more and more curious about the origin of Mr. Ye. I guess sister Siqing is also interested in ye Shitian... "

The girl's face was full of emotion.

Ye Chen's sword skill at the moment is obviously a bright sight.

Boom

In the crowd's surprise, a violent shock suddenly burst out.

The whole world seemed to shake.

The rising blood dragon collided with the thunder and lightning.

The sword is full of vigour and thunder is wanton.

Under this collision, the whole world seems to be darkened.

Boom

Above the Kunlun River Valley, the roar is deafening!

Electricity goes dragon snake! In the collision with the dragon, the seemingly unstoppable thunder and lightning split in an instant, and sputtered around.

Crackling

At the core of thunder and lightning, ye Chen looks solemn, and the remaining thunder and lightning are swimming on him. The scene is good and terrible.

A penetrating pain diffuses and opens, Rao is with today's body strength, ye Chen still can't help shaking.

Full operation of nine days xuanyang Jue, ye Chen efforts to swim in the surface of those lightning power thoroughly refined.

Every cell of the body, every bone, seems to begin to wriggle and expand at this moment.

"Happy!"

After a full cup of tea, all the thunder and lightning dissipated. Ye Chen stood on the top of the peak and couldn't help laughing.

After the pain, brings the happiness, lets Ye Chen heart heroic spirit suddenly.

"You're excited, aren't you?"

Looking at the trembling soul sword and the blood dragon on top of his head, ye Chen's smile becomes more and more intense.

After refining zhenhun sword for more than two months, ye Chen can feel the sharpness and desire of this sharp sword!

At the moment, under the urge of genuine Qi, there is a faint cold light on the zhenhun sword. The sword body vibrates and makes a sound of light singing, which seems to be particularly excited.

Blood dragon is the same, the body is constantly expanding!

"Coming!"

Suddenly, ye Chen eyes a congealed, looking at the sky suddenly fall another thunder light, his eyes Jingguang burst.

Boom

After the thunder, it is the fierce roar! This thunder and lightning, already enough to match adult waist thickness.

"Break it for me

At the moment when the thunder and lightning fell, the soul sword in Ye Chen's hand burst into dazzling light.

The sword Qi burst out, and the sword light was all over the sky.

Hua Hua Hua

If the sword carries the momentum of a thousand Jun, it does not enter the thunder light.

Pooh hee

A mouthful of blood spurted out, ye Chen's look suddenly changed.

What a powerful second lightning!

Even if in a short period of time, ye Chen displayed the intention of breaking the sky sword, but he could not shake the thunder.

"Ten thousand swordsmanship!"

With one move, ten thousand sword techniques are displayed, and ye Chen forcibly breaks through the thunder and lightning.

"Break it for me!"

Ten thousand swordsmanship is not enough! Ye Chen then displays Chen Tianli's other sword ideas!

These two moves can be said to be one of Ye Chen's most powerful sword techniques.

Two moves of sword technique burst out, and the momentum of terror spread.

Wow

Under thousands of sword Qi, Shengsheng finally tore the thunder and lightning apart.

Huge thunder and lightning, into thousands of thunder, light travel in the Kun River Valley.

The whole Kun River Valley seems to be shaking at the moment and may collapse at any time.

Pooh hee

It's enough that after two cups of tea, ye Chen spits out a mouthful of blood again, which can be regarded as breaking the thunder!

"Shenyoujing, three times of Tianjie, the third one, so powerful!"

Until the thunder light dispersed, ye Chen was pale.

Looking at the dark clouds in the sky, he looked more and more dignified.

Compared with the previous two thunder robberies, this one is more than a little stronger.

"Boom..."

Before ye Chen thinks more, the third lightning falls.

This is the ultimate lightning.

The lightning even showed a faint purple white light.

"Ten thousand swords belong to the clan!"

In the face of this last thunder and lightning, feeling the terror momentum contained in it, Rao is Ye Chen also dare not have the slightest carelessness!

Liuguang sacrifice, ten thousand swords!

Brush

The streamer flashed into the sky. The thousand sword Qi of the carrier suddenly collided with that thunder and lightning!

Boom

Heaven and earth seem to break.

Above the streamer, the light suddenly converges.

Thunder and lightning move between heaven and earth.

Just a face, that terrible thunder and lightning will break the streamer of Ye Chen!

Slightly a meal, the power has not been weakened, too much thunder robbery, continue to fall!

"This life talisman!"

Ye Chen's face suddenly changed, and he quickly sacrificed his life talisman!

This life talisman resists Ye Chen's body.
