Chapter 5951

Her heart is also very concerned about ye Chen, at this time know ye Chen is not dead, reincarnation, even killed the Confucian, she is naturally overjoyed, just want to reunite with Ye Chen immediately.

Ji Siqing said: "there's no need to be in a hurry. Let's go up to the Yunding heavenly palace and have a look. We agreed to look for the Yunding heavenly book together."

At this time, she knew that ye Chen was all right. She settled down in her heart, and her tone was calm again. She looked like a goddess.

Wei Ying said: "no, it's not good to go back and get together? In case of any accident, what shall we do?"

She just insisted on looking for Yunding Tianshu, but at this time, she didn't want to look for it any more. She just went back to reunite.

Xia Ruoxue put away the letter, pasted it on her chest and said, "you'd better go in. If you can find Yunding Tianshu, you can help Ye Chen in the future, and it won't be a burden to him."

Yunding Tianshu is one of the most powerful Tianshu. It's also a coincidence that the three girls can come to this secret place. If they go out, they may not be able to enter again.

Wei Ying a listen, silent down, think for a while, way: "OK, that go in together."

After the agreement, the three women were in a pin shaped formation. Xia Ruoxue was in the front, Ji Siqing and Wei Ying were in the back. They walked cautiously along the mountain road to the ruins of Tiangong on the top of the mountain.

As soon as she stepped into the mountain, the three women felt the strong wind, like a sword, almost tearing their clothes and skin. Even if they were able to resist the movement of aura, they also felt extremely uncomfortable.

"The aura of heaven and earth here is too disordered. Be careful."

Xia Ruoxue's teeth clench her red lips and lead the way in front of her. She constantly urges Mingyue Tianshu to resist the attack of the gang wind.

As she moved forward, the three women kept an eye on the changes around her, hoping to find the cause and effect of Yunding Tianshu.

"Roar!"

When he was on the March, suddenly a huge roar came out.

But when the earth broke, a magic Unicorn suddenly broke out from the bottom of the earth. The unicorn's paws beat wildly, and then hit the three girls.

"No!"

Xia Ruoxue's face changed and she quickly backed back.

Wei Ying and Ji Siqing also stepped back.

Boom!

The demonized Unicorn clapped with one paw, and the mountain was shaken, and the earth burst out one by one, stabbing the three girls.

Three women in a hurry to avoid, although not injured, but has been very embarrassed.

They are on guard, paying attention to the changes around them, but they didn't expect that a demonized beast would come out of the ground.

"Where are the goblins? How dare you break into the cloud top heaven palace

The demonized Unicorn uttered a dignified voice, and looked coldly at Xia Ruoxue's three daughters. She saw that they were extremely beautiful, and said that they were demonized by demons, not like mortals.

The three girls haven't answered yet, but the demonized Unicorn urges a wisp of cloud. Under the cloud, the three girls are shrouded. They can't see each other, and even their aura seems to be blocked.

The magic unicorn is obviously sophisticated. He knows that if the three women join hands, the situation will be difficult to deal with, so he splits it up.

"Storm, cirrus, go!"

The demonized Unicorn roars and breathes out aura from his mouth. The gusts of wind roll up, disturbing the clouds and suddenly surging.

The three women are uncertain and call together.

Wei Ying tried her best to keep her stability, but she couldn't stand steadily. She was swept by the wind and suddenly felt that her feet were empty and she had fallen off the cliff.

"Damn it

Wei Ying silver teeth a bite, hastily urge aura, a wisp of absolute cold emperor light to protect the delicate body.

But listen to "plop", her body fell to a pool under the cliff, fortunately there is Juehan emperor light body protection, but also no injury.

But the water was cold and hard to resist. Wei Ying felt cold all over, and could not help shaking. When she climbed out of the pool, she was wet all over, and she was quite embarrassed.

Looking around, this is a deep valley, there are no plants, only desolate rocks, surrounded by wisps of fog, it is quite depressing.

"Ruoxue, Siqing, where are you?"

Wei Ying hugged her body and gave a cry, but there was no response.

It seems that Xia Ruoxue and Ji Siqing have been blown away by the wind and cloud.

Wei Ying's body is very cold. I don't know what Yin cold nature the water contains. For a moment, it can't be eliminated with aura.

She had to go all the way to find a way to leave the bottom of the valley. After walking for a while, she suddenly saw a sarcophagus hanging from a chain between the cliffs in front of her!

This Sarcophagus, engraved with many totems of skeletons, is very strange against the background of heavy fog.

"What is this?"

Wei Ying was surprised. She felt something terrible hidden in the sarcophagus.

Kalon!

At this time, the sarcophagus suddenly vibrated and opened slowly.

A young man with a sullen face was sleeping in the sarcophagus with his eyes closed. He had a shallow breath. Obviously, he was just sleeping and did not die.

The young man in deep sleep seems to be aware of the change outside. His eyes open slightly and he wakes up.

"Well?"

Wei Ying was startled. She saw a pair of eyes of the young man. The pupils of the eyes were in the shape of a skeleton. They were very strange and frightening. After one look, she did not dare to look again.

"You are... Who are you?"

Seeing Wei Ying, the young man walked out of the sarcophagus with a blank and dull look.

As soon as he came out, Wei Ying felt a terrible chill, which forced her to come.

Chapter 5952

The young man's body was surrounded by wisps of cold fog. Every wisp of cold fog was filled with piercing cold air, which made the temperature of the whole valley drop suddenly. Even flying snow floated, and frost appeared on the surrounding cliffs.

Wei Ying was shocked. The chill on the young man was so strong that it even affected the pulse of the earth and made the pulse of the earth cold.

Just that pool, so cold, even Wei Ying can't open the cold, obviously is also affected by this young man.

"Your name is Wei Ying? The master of Juehan emperor's palace? "

As soon as the young man calculated, a Book of heaven appeared on his back. That day, the book was full of aura and turned into a chessboard.

This chessboard has 19 vertical and horizontal directions. It seems that the cause and effect of the heavens are contained in this chessboard.

"The game of cloud top? "The book of heaven on the cloud top?"

Wei Ying was shocked when she saw the chessboard and Tianshu.

Yunding's chess is a unique skill of Yunding's book of heaven. Once this skill is played, it can deduce the cause and effect of all worlds, and have an insight into all existence. Everything that has happened in the world will be recorded in this chessboard. It's very wonderful.

This mysterious young man is obviously the master of Yunding Tianshu.

Through the mystery of Yunding Tianshu, he suddenly knew the origin of Wei Ying's name.

"Do you recognize the book of heaven? Are you interested in participating in the research with me? "

The young man seemed to have been sleeping for a long time. He had just woken up. His eyes were always erratic. His voice was as real as a dream. It was unpredictable.

Wei Ying stepped back and said, "what's your name and origin?"

The young man was stunned and said, "what's my name?"

Wei Ying's words seem to recall his memory.

He stayed in the same place for a long time and fell into the memory. The dazed color in his eyes gradually faded away, showing a peerless pride, as if dominating the world

"My name is shengyunzun, the son of heaven's destiny in the earth's heart. More than 100000 years ago, I was the king's family and the elder of Keqing in Xiao's family. But later I was driven out by Xiao's family and exiled to the heaven and man's world. I once established the heaven shaking orthodoxy, but then the nine rounds of blood moon suddenly appeared in the sky and destroyed everything I had. Have you heard my name?"

Wei Ying was surprised and thought, "nine rounds of blood moon? Is Ren extraordinary elder, have intersection with this person? What is the earth's heart and what is the meaning of Tianjun family? "

She had many questions in her heart and said, "where is the earth's heart? I've only heard of the four outer realms, but I haven't heard of the inner realms. "

In the letter from ye Chen, the language is short, and there is no mention of geocentric region, so Wei Ying does not know.

Sheng Yun Zun nodded his head and said: "it's normal that you haven't heard of it. The cause and effect of the earth's heart is closed. It's in the earth's heart outside the world. It's almost impossible for outsiders to enter. You just need to know that it's the place of great fortune. It's the ancestral place of the supreme world. It's of incredible value. There are countless strong people. I'm the son of heaven's destiny in the earth's heart, You can imagine how powerful I am

Wei Ying was surprised and said, "the ancestral place of the world?"

Sheng yunzun said: "yes, the aura of the earth's heart is much stronger than that of the heaven's and man's. If you are willing to go back with me, there will be great benefits."

His voice became more and more calm, more and more arrogant in dominating the world, and his eyes gradually showed a fierce color, which obviously restored the dignity of the past.

When Wei Ying heard this, she faintly felt bad and stepped back.

Sheng yunzun stepped forward and looked directly at Wei Ying with a smile at the corner of his mouth.

At this time, Wei Ying, who had just climbed out of the pool, was wet all over. Her clothes were close to her body, showing a very graceful line. The full place was full, and the slender place was thin enough to make every man hot.

There is also wet hair, falling on Wei Ying's shoulder, her whole body slowly transpiration white smoke, the whole person like a fairy in the clouds, let people admire.

"Miss Wei, you are very beautiful, you have a good figure, and you have a first-class talent. Be my Taoist companion, I will not treat you badly. I can take you back to the heart of the earth, and in the future, I will practice with you, and fly to the top together. Isn't it beautiful?"

Sheng Yun Zun took another step forward and did not hide his attitude at all. His words were very straightforward. He directly asked Wei Ying to be his woman.

Wei Ying couldn't move under the influence of Sheng yunzun's Qi. Her delicate body was trembling and she thought, "this man's cultivation is extremely powerful. There is a big gap between me and him. If we fight, we are definitely not enemies."

At the moment, he kept calm and said, "I'm the leader of juehan emperor's palace. Why do you want me to be your woman?"

Sheng yunzun said with a smile: "I am the son of destiny! I am the destiny of heaven. No one in this world can surpass me. If you don't follow me, it's your loss. "

Wei Ying said: "since it is destiny, why are you driven out by the Xiao family?"

Hearing this, Sheng Yun Zun changed his face, twisted his features and said: "it was the Xiao family's rudeness. They said that I was the son of a false destiny. The real destiny was in Ren family. I was unconvinced and argued with them. Finally, they drove me out. But before I left, I informed the ruling church, exposing their hiding place and killing them, It's my revenge. "

Wei Ying said: "what kind of power is the ruling hall?"

She only hopes to distract Sheng Yun Zun with her words and then wait for an opportunity to escape.

Sheng yunzun said: "it's a very powerful force, but you don't have to be afraid. I will protect you. I hold Yunding Tianshu, and the chess board of Yunding Zhiqi can be put out to have an insight into all causes and effects in the world. I have found out the whereabouts of wuwutianshu. When I get wuwutianshu, even the judge is not my opponent."

"No letter from heaven!"

Wei Ying was shocked in her heart. She had heard of the legend of wuwutianshu, which is related to the ultimate secret of cultivation. It's very mysterious.

Sheng yunzun said with a smile: "it seems that you also know the value of Wu Wu Tian Shu. In this world, only I can find Wu Wu Tian Shu. You and I form a couple and live together. Later, you find Wu Wu Tian Shu and study the road together. It's no better. When I refine this Yunding Tian Shu, I was attacked by the attack. My cold lingered all over me and accumulated into a cold and poisonous incurable disease. I have to rely on the method of double cultivation, You are the best cauldron I've ever seen. Be my Taoist partner

With that, Sheng yunzun strode out and came to Wei Ying. He wanted to hold her.

Wei Ying was so scared that she lost her face. She quickly backed away from his embrace.

Sheng Yun Zun frowned and said, "you don't want to talk to me?"

Wei Ying took a deep breath and said, "if you dare to use strong, I'll do it myself immediately! If you say you are destiny, you have to prove it. If you are really lucky, help me to kill someone. "

Chapter 5953

Sheng yunzun said, "who do you want to kill?"

Wei Ying said: "the queen of the upper world, xuanjiyue."

Sheng Yun Zun "Oh", quite surprised, said: "the saint of the Xuan family, I can't kill her. Like me, she is also a great carrier."

Wei Ying sneered and said, "you can't even kill xuanjiyue. How dare you call it destiny? I knew there was a man who could make xuanjiyue disappear with a flick of his finger! "

I think of Ren Fanfan.

If Ren Fanfan makes every effort, xuanjiyue will be destroyed.

Sheng yunzun said: "it's impossible, there is no such person in the world!"

Wei Ying saw that his face was sulky. She was also afraid of provoking him and causing unexpected disasters. She said, "since xuanjiyue can't kill him, there is another person who is a big cancer in heaven and earth. If you can get rid of him, maybe I can consider talking to you."

Sheng Yun Zun said proudly: "who is it? Just speak up. As long as it's not Xuan Ji Yue, I can kill other people."

Wei Ying said: "that man is called emperor Shitian. He is the master of the emperor yuan hall, and he is also the master of the modern heart demon. Go and kill him quickly."

Sheng Yun Zun's face changed greatly and said: "the emperor interprets heaven! The Holy Son of the imperial family! Yan Changge's apprentice! This... This... "

Wei Ying sneered: "you can't kill it, can you?"

Saint Cloud was silent.

Wei Ying said: "it seems that you can only boast, but in fact your cultivation is mediocre. What can you do to call it destiny? Goodbye, I don't want to see you again"

With that, Wei Ying turned and left.

"You don't want to see me again?"

Sheng yunzun stayed for a while. Hearing Wei Ying's words and looking at her back, he felt a sharp pain in his heart. The man's dignity was hit the most. He was stunned and speechless for a moment.

With her heart pounding, Wei Ying fled quickly, flew out of the deep valley and returned to the mountain.

But Xia Ruoxue and Ji Siqing, with disordered hair and clothes, were out of breath. It was obvious that they had just experienced a big war and were resting in the same place.

"Oh, Wei Ying, you're back."

Seeing Wei Ying back, Xia Ruoxue called and stood up.

Ji Siqing also stood up.

Wei Ying came forward and asked, "what's the matter?"

Xia Ruoxue said: "I have fought back the demonized Unicorn with Siqing. When I saw that you were knocked down from the cliff, I was worried. I wanted to find you after a rest. Fortunately, you have come back unharmed."

Wei Ying said: "don't say so much, let's go!"

Then he took the two women's arms and wanted to leave.

Xia Ruoxue said blankly, "what's the matter? Isn't it to look for Yunding heavenly book? "

Wei Ying gritted her teeth and said, "don't look for it. I was just under the cliff..."

At present, he will encounter shengyunzun. Shengyunzun falsely claims his destiny and even wants to get involved in his own affairs. He simply said it again.

Xia Ruoxue said, "is the book of cloud top in the hands of Saint Cloud Zun?"

Wei Ying said: "that's right! The other side's cultivation is extremely terrifying and far superior to ours. If we three work together, we can fight as hard as we can, but it's meaningless. It's better to leave as soon as possible. "

Xia Ruoxue and Ji Siqing look at each other and feel that things are serious. They quickly follow Wei Ying and go outside.

"Miss Wei, where do you want to go?"

Just at this time, the light of the secret place was shining and the cold air burst. A young man with a surly face was standing in front of the three women. It was Shengyun Zun.

The book of heaven on the top of the cloud, suspended behind the head of Saint Cloud Zun, burst out thousands of weather, auspicious atmosphere, extremely brilliant.

Xia Ruoxue and Ji Siqing saw shengyunzun for the first time, and both of them felt suffocated. The strength of the other side was extremely strong. It was not the existence that they could fight!

"These two are Xia Ruoxue, Miss Xia? Ji Siqing, Miss Ji

Sheng yunzun sees Xia Ruoxue and Ji Siqing, urges Yunding Tianshu to deduce their cause and effect, and immediately knows their names.

"I didn't expect that in this world, besides Miss Wei, there are such excellent cauldrons. Miss Xia and miss Ji, you are all great beauties. Why don't you all follow me and be my concubine?"

Sheng yunzun smiles and looks at Xia Ruoxue and Ji Siqing.

Disgusted, the two women drew their swords.

Saint Cloud Zun suddenly face a change, stare at the summer if snow way: "you have a man's breath, even blood tainted?"

It turns out that Xia Ruoxue already belongs to him.

This man's breath is naturally Ye Chen.

This time, the Saint Cloud Zun suddenly felt the big insult and regret, burning with anger.

Summer if snow pretty face a cold, way: "your mouth puts clean point!"

Sheng yunzun said, "your man's name is Ye Chen? What is his origin? Ah, I can't figure out his cause and effect! "

The divine light of the book of heaven on the top of the cloud breaks out constantly. The Saint Cloud Zun knows that the man who knows Xia Ruoxue is Ye Chen, but strangely, he can't deduce the details of Ye Chen!

This is impossible, because Yunding Tianshu covers all causes and effects in the world, and there is nothing that cannot be deduced.

But he just couldn't get a glimpse of Ye Chen.

The three women looked at each other and knew it was reincarnation.

Reincarnation is superior to the sky, which means that the book of heaven on the cloud top cannot be deduced.

Seeing Sheng yunzun's face flushed and angry, the three girls felt more disgusted and more aware of Ye Chen's demeanor and natural style. They wanted to leave immediately and go back to reunite with Ye Chen.

"Well? And miss Ji, Miss Wei, you are also ye Chen's women

Chapter 5954

Sheng yunzun is even more surprised to find that Wei Ying's marriage with Ji Siqing is entangled with Ye Chen. There is no possibility of decomposition in this life. It is a sincere state of life and death together.

In other words, Wei Ying and Ji Siqing will be ye Chen's women in the future.

All of a sudden, Saint Cloud Zun felt that the whole world had collapsed, and his heart fell into emptiness and despair. He was even more desperate than when he saw the vision of nine rounds of blood moon in the past.

Xia Ruoxue, Wei Ying and Ji Siqing are all the first-class women in the world. If they can get one person's heart, it's already smoke from their ancestral tombs. Now, there's one person who gets the green eyes of the three women at the same time.

Sheng Yun Zun couldn't believe it. He was shaking all over, and his mind was filled with the word "Ye Chen". What kind of character is this? Can he get the attachment of three amazing women?

"Let's go!"

When Wei Ying saw that shengyunzun was on the verge of collapse, she immediately felt bad. She sacrificed the chariot of emperor Tiandi and left the secret place quickly with Xia Ruoxue and Ji Siqing.

Sheng yunzun was still in great shock and despair. He couldn't calm down for a long time. When he came back, he found that the third daughter had gone away completely and was no longer there.

"Ye Chen, no matter who you are, I will kill you!"

Sheng Yun Zun gnashed his teeth, and there was a huge anger, jealousy and hatred in his eyes.

At the beginning, he refined Yunding Tianshu, which was attacked by the cold. If he didn't have a good enough cauldron to dissolve it, he would die.

Wei Ying, Ji Siqing and Xia Ruoxue are the cauldrons he likes. If ye Chen is not eliminated, he will not win the love of the three girls.

.....

At this time, ye Chen, together with blood god, Xiao Qingyan and others, came to the central sea area of the far north sky sea.

Here, an island hangs alone.

Around the island, the disaster is extremely strong. The weather of various natural disasters, thunder and fire, is constantly rolling and roaring, forming layers of dense fog, which makes people unable to see what happened inside.

However, ye Chen clearly captures that the breath of Li Feixue and Li Qingshan is on the island!

"What a tough disaster

Blood god looked at the island, only feel the disaster on the island, bursts of attack, unexpectedly make the Dantian and body, have been greatly affected.

"Such a serious disaster, I'm afraid we will be greatly affected if we go in."

The blood dragon is also frowning. He only feels that the disaster of the island is so strong that his foundation is not stable. If he steps in rashly, he will be corroded by the book of heaven.

Ye Chen looked at Xiao Qingyan and said, "Miss Xiao, is the sacred object of the Beiwu purple emperor's family in it?"

Xiao Qingyan Zhen's head was lighter and said, "that's right. It's true that the divine object is in it, and there are very strong people guarding it. It's probably a member of the wanxu family!"

Wanxu aristocratic family is one of the ten Tianjun aristocratic families, the former family of wanxu ancestors!

After Tai Gu Hao was robbed, it is obvious that there are some blood in the wanxu family.

Ye Chen's eyes narrowed. In this way, the main culprit of Beiwu purple emperor's family is probably wanxu family!

The killer's in there!

Ye Chen looked at the disaster sword at his waist and said, "you wait here. I'll go in and have a look."

With that, ye Chen wants to go in alone.

He holds the disaster sword, so he can not be affected by the disaster here.

Xiao light Yan lotus step light move, follow behind Ye Chen, way: "I also go."

Ye Chen frowned and said, "Miss Xiao, can you fight against the disaster inside?"

Xiao light Yan pulled out a long sword, Liu Mei a pick, way: "barely."

Ye Chen is quite surprised. It seems that Xiao Qingyan, as a survivor of the Xiao family, does have some means.

The blood Dragon said: "master, then we..."

Ye Chen thought for a while and said, "you and the elder of blood god will stay here and protect the Dharma for me."

Ye Chen doesn't know what the sacred object of the purple emperor's family in Beiwu is. Xiao Qingyan can go in with it and distinguish it clearly. Naturally, it can't be better.

As for the blood dragon and the blood god, since they are affected by the disaster, there is no need to follow them. Just stay here.

The blood dragon and the blood god looked at each other, nodded and stayed in place.

"Come on, Miss Xiao."

Ye Chen takes a deep breath and steps into the island full of disaster with Xiao Qingyan.

Enter the island, but see the island white bones, skeletons everywhere, wisps of ghost fire constantly jump, I do not know how many people have died here.

Ye Chen and Xiao Qingyan are on guard.

"Jie Jie!"

All of a sudden, a sharp ghost roaring sound came out from one side. There were ghosts, more than a dozen evil spirits, surrounded by strong disaster gas, Gaga Jie's grim smile, and they rushed towards Ye Chen.

"Be careful!"

Ye Chen's face sank, the island's death was too strong, and the death even turned into a ghost, very terrible.

When ye Chen saw the evil spirits coming, he took a picture with his left palm, and used a ray of immortal Qi to transform the appearance of the Koi and dispel all the evil spirits.

Ye Chen didn't pull out his sword, because every move of a weapon of this level, disaster sky sword, will involve the fate. If it's not urgent, you can't use it lightly.

Xiao Qingyan saw that the ghost was coming, and her pretty face was slightly dignified. She stepped back, suddenly scolded, and drew out her sword.

"Shenluo sword technique!"

A sharp sword burst out of Xiao Qingyan's sword. With one cut, all the evil spirits around him were killed and annihilated. Even the ghost fire around him and all kinds of disasters were scattered by the impact of her sword spirit.

"Shenluo Tianjian? What's your relationship with xuanjiyue? "

Ye Chen's pupil suddenly shrinks. He only feels that Xiao Qingyan's sword technique is fierce. It's related to Shenluo Tianjian!

How is that possible?

Among the eight supreme heavenly swords, Shenluo Heavenly Sword is the most powerful, and Xiao Qingyan's sword technique is extremely fierce.

Xiao Qingyan is suspicious for a while. Then he suddenly realizes that ye Chen mistakenly thinks that she has something to do with xuanjiyue. He says in a hurry: "brother ye, don't get me wrong. I don't know xuanjiyue. This sword technique is handed down by my family."

Ye Chen was so surprised that he said, "your family's sword skill?"

Xiao Qingyan nodded gently and said, "yes, the ancestor of the Xiao family is the one who made the eight heavenly swords. The eight heavenly swords in the legend all came from his hands."

Hearing Xiao Qingyan's words, ye chenru heard thunder, his head rumbled, his whole body was shocked, and said: "you... Your ancestor of Xiao family is the legendary ancestor of sword God!"

The eight heavenly swords are forged by the ancestor of the sword God. According to Xiao Qingyan's words, the ancestor of the sword God seems to be the ancestor of her Xiao family!

Chapter 5955

Xiao Qingyan said: "exactly, the ancestor of the sword God is the master of Xiao's family. At that time, he sacrificed the soul of the old master and successfully forged eight heavenly swords, each of which is the existence of killing the heavens."

Ye Chen said, "who was the master of the old days?"

Xiao Qingyan said: "the old master is the master of the old era of the supreme world. After the ten great ancestors ascended, they jointly killed them and created a new era. The soul of the old master was used by my ancestors to make swords."

Ye Chen stayed for a long time and said, "no wonder the eight heavenly swords are so powerful. It turns out that they sacrificed the soul of the old lord with blood."

The master of the old days is the master of the old times in the supreme world. We can imagine his strength. With his soul, the sky sword tempered, naturally, has the greatest lethality.

Indistinctly, ye Chen seemed to think of something again and said: "wait! I heard that the reincarnation sword in the eight heavenly swords is made of the bone of the reincarnation Lord? Is the ancestor of your Xiao family the murderer who dug up the bones of the reincarnation Lord

At the end, ye Chen's tone is severe, and his eyes are bright.

Among the eight heavenly swords, reincarnation Heavenly Sword ranks first.

Among the materials for casting reincarnation Heavenly Sword is a piece of Tiandi bone of reincarnation Lord.

When the reincarnation master was young, he was poached a piece of the emperor's bone. As a result, his qi movement was incomplete, and it was difficult to cultivate to the ultimate level. Finally, he had no choice but to be reborn, and ye Chen was born.

Digging bones and casting swords are extremely cruel!

Seeing ye Chen's sternness, Xiao Qingyan was afraid. He knew that he was careless and would be killed by him immediately. He said in a hurry, "brother ye, don't get me wrong. My ancestors are only responsible for casting swords. The materials are collected by the yuhuanggudi. My ancestors didn't know it. They forged the eight heavenly swords that year to protect the laws of the supreme world, so as to avoid the alternation of the old and the new era, When heaven and earth collapse, our Xiao family and the reincarnation master have no intention of confrontation. "

"Later, my ancestors discovered the conspiracy of the yuhuanggudi and advised him. Unfortunately, the yuhuanggudi didn't listen. In a rage, my ancestors have lived in seclusion. They are not your enemies."

Ye Chen's face a slow, also aware of his mistake Xiao light Yan, a way: "who is the emperor?"

Xiao Qingyan said, "the ancient Yuhuang emperor is the ancestor of the wanxu family. The family name of the wanxu family is Yuhuang, which is the head of the ten Heavenly Kings family in the past."

Ye Chen said, "is the family name of wanxu Yuhuang? It's a special surname. I've never heard of it. "

It turns out that the family name of wanxu is Yuhuang, and the ancient emperor Yuhuang is the ancestor of wanxu.

Ye Chen knew the name of wanxu for the first time. His heart could not help pounding. He felt numb and suffocated for no reason. It seemed that he had caught an extremely dangerous secret, as if a wild animal had met a hunter.

There is no doubt that this ancient emperor is Ye Chen's ultimate enemy. Just hearing his name, ye Chen has a kind of old enemy like tension, and his pores burst.

"What is the real name of the ancient Yuhuang emperor?" Ye Chen asked again.

Xiao Qingyan said: "Yuhuang GuDi is the real name of the ancestor of wanxu. His surname is Yuhuang. His name is GuDi. As soon as he was born, he was endowed with eternal atmosphere. The emperor's light soared to the sky, so he had such a domineering name. The weather when he was born was much stronger than xuanjiyue and Emperor Shitian."

Ye Chen nodded. Xuanjiyue and the emperor Shitian were both great movers, but they could not be compared with the ancestors of wanxu.

Xiao Qingyan said: "brother ye, when your reincarnation master was born, the most abundant bone in your chest was dug away by the ancient emperor Yu Huang, which has nothing to do with my Xiao family."

Ye Chen's blood surged up, and the enmity between the reincarnation Lord and wanxu had already been settled when he was born in the previous life.

"At that time, why didn't the yuhuanggudi directly kill the reincarnation Lord?"

Ye Chen has doubts in his heart. After all, he can dig away the bones. Why don't he kill the reincarnation master?

Xiao Qingyan shook his head and said, "I can't kill him. At that time, the reincarnation Lord had great fortune to protect him. If he was killed by force, the ancient emperor would be killed. Only when the reincarnation Lord grew up, he could break away from his nature and be blinded by the dust and customs, could he kill him."

Ye Chen nodded, carefully feeling the fate, found Xiao light Yan really did not lie.

The Xiao family has no enmity with the reincarnation Lord. The ancestor of the sword God is only responsible for casting swords, and he doesn't know anything else.

The real and reincarnation of the Lord, there is a deep hatred, is wanxu ancestors, yuhuanggudi!

"If the chaotic demon bone that the sky demon let me get in the earth's heart is refined in my body, I don't know whether it can replace the bone that was dug out in the previous life."

"My cause and effect and blood in this life are far more than those in the previous one."

"Wait, there are descendants of yuhuanggudi here!"

All of a sudden, ye Chen found an extraordinary breath under the inspiration of the heavenly machine. That breath, with the four words "yuhuanggudi", has countless connections. It is obvious that ye Chen is the descendant of yuhuanggudi.

On this island, there are people from the Yuhuang family!

Xiao Qingyan heard this, but he was not surprised. He said: "they are here naturally. The people who kill Ning family and rob the gods are the Yuhuang family. The Yuhuang family is the murderer behind the scenes!"

Ye Chen was shocked and immediately calmed down. In fact, he had just figured out that there was a residual evil in the wanxu family. He just heard that the name of the ancient emperor Yu Huang made him feel a little confused. Instead, he made a fuss.

Chapter 5956

"My Lord, please avenge me! Kill the murderer! Take back the sacred things of my Ning family

In the reincarnation cemetery, the voice of the purple emperor of Beiwu came out and solemnly pleaded.

His family was destroyed by the imperial family, and there was a huge color of sadness and indignation in his tone.

Ye Chen nodded and said: "don't worry, master, I will take revenge for you!"

Under the induction of concentration, ye Chen found that the breath of the descendants of the Yuhuang family, and the breath of Li Feixue's two brothers and sisters, actually came out of the same place!

In other words, Li Feixue's two brothers and sisters are likely to have been killed by the Yuhuang family!

"Go

Ye Chen flies forward quickly. Li Feixue's two brothers and sisters must be in great danger. He naturally wants to go to the rescue.

Xiao light Yan is thinking about the thing of the God, also follow Ye Chen to go up in a hurry.

Ye Chen said: "the emperor's family wanted to revitalize their own family when they seized the sacred object?"

Xiao Qingyan nodded and said: "yes, the purpose of the Yuhuang family is the same as mine. They all want to rely on the sacred object to revive their glory, but I want to discuss borrowing it. They want to kill people directly to seize the treasure. If my intelligence is correct, the murderer of the Ning family this time should be yuhuangtuo, the elder of the Yuhuang family, whose strength has just reached the Ninth level of the Taizhen realm."

"Yuhuangtuo, just stepped into the Ninth Heaven of Taizhen..."

Hearing this realm, ye Chen's mind suddenly relaxed. If he just stepped into the Ninth Heaven of Taizhen realm, his current strength, plus some cards, would be enough to fight.

They went all the way, and soon came to the middle of the island, where the disaster gas was ten times stronger than outside. Ye Chen held the disaster sword, but it was not affected, but Xiao Qingyan could not support it.

It seems that her technique can only fight against the common disaster Qi. When she gets to the central place, the disaster Qi is more than ten times strong, so she can't hold it.

"Brother ye, I'm so... Miserable."

Xiao light Yan Bei teeth bit red lips, involuntarily took Ye Chen's arm, the body got past, only close to Ye Chen's time, she can slightly against the disaster outside.

"Don't get too close if you can't hold it."

Ye Chen gently pushes away Xiao Qingyan.

Xiao Qingyan's face turned red. He retreated away. He was no longer close to the central place. His breathing was a little better.

Ye Chenning looked closely, but saw that there were two familiar figures in front of him.

It's Li Qingshan and Li Feixue!

After a long time's absence, Li Feixue seems to have advanced cultivation, more beautiful appearance and more moving temperament. However, she is in a desperate situation, but she is full of haggard and despair.

Next to Li Feixue, Li Qingshan has been seriously injured and unconscious.

Around the two brothers and sisters, there is a border of holy heaven, which guards them from external disasters and attacks.

"Why do you struggle? Let's go, I can give you a good time!"

A raging laughter rang out from outside the border.

I saw a hazy spirit figure floating outside the border, constantly waving his hand to attack the barrier shield of the border, which made the border bang. It seemed that the border would burst in seven or eight days at most.

Once lost the protection of the border, Li Feixue's two brothers and sisters will surely die.

"Yuhuangtuo! He's really here! "

Xiao light Yan hears that laugh, immediately Qiao facial expression changes.

She could see nothing, but when she heard the voice, she knew the identity of the enemy.

Ye Chen's face sank, his martial arts is deep, and he holds the disaster sword. The disaster fog here can't cover his sight.

He can clearly see that yuhuangtuo has no physical body, only a wisp of spirit, but the strength of the spirit can not be underestimated.

The spirit figure of yuhuangtuo is surrounded by many characters, many of which are in dark color, just like a black butterfly, dancing around him, making his breath soar and break through, showing a very powerful power.

"Does yuhuangtuo have no body?"

Ye Chen is greatly puzzled and asks Xiao Qingyan.

Xiao light Yan a stay, way: "nature is there, ye big brother, why do you say this?"

Ye Chen's face was silent. Suddenly his eyes were fixed. He offered a picture of the yellow spring and said, "holy water of the yellow spring, koi, purify me!"

In the picture of the yellow spring, there are a lot of holy water rushing out. In the holy water, there are many Koi leaping. The magnificent purification breath spreads out in an instant.

Within a few miles, the weather of all disasters, like snow under the scorching sun, melted away quickly, and were purified by the holy water of the yellow spring and the koi carp.

In the blink of an eye, the sky and the earth were clear again, and the sun was shining down.

But ye Chen's yellow spring chart, the spirit light slightly dim three points.

Although this purification has temporarily suppressed the disaster gas here, it is also a great loss to the map of the yellow spring.

After the disaster gas between heaven and earth is purified, everything can be seen clearly.

Xiao light Yan is clearly see, yuhuangtuo really only left a spirit figure, the body has lost.

"Ouch!"

Seeing this scene, Xiao Qingyan couldn't help exclaiming. When she saw the dark characters around yuhuangtuo again, she was even more horrified and cried: "no! This guy sacrificed his body and controlled the God of Ning family! "

Ye Chen hears her words, step forward and ask: "what is the God of Ning family?"

Xiao light Yan but in the huge shock, did not answer.

In the reincarnation cemetery, the purple emperor of Beiwu sighed and said, "my Lord, the God of Ning's family is called Xie Sha Wu Dian, also called Xie Tian Shu."

"The book of evil heaven?"

Ye Chen is stunned.

The purple emperor of Beiwu nodded and said, "exactly, the creator of this book of evil spirits was created by referring to the supreme book of heaven. The evil spirit is extremely strong. After cultivation, he can compress his own blood gas and compress it into an infinitesimal particle."

"The infinitesimal particle, between being and nonexistence, is close to absolute nothingness. You should know what it means that absolute nothingness, even the concept of nothingness, does not exist."

Ye Chen heart drama shock, spit out two words: "nothing!"

The purple emperor of Beiwu said: "yes, it's very possible to realize the realm of nothingness by practicing the evil evil spirit martial arts Scripture. But the process is too dangerous. It's close to the evil way. It compresses one's own blood gas. If one's blood gas dries up, it's death. He will be possessed at any time."

Ye Chen is stunned, and finally knows why the Xiao family and the Yuhuang family want to rob the Ning family.

It turns out that the deity of Ning family is the book of evil heaven, which is called the book of evil evil evil. It has something to do with the ultimate realm of nothingness. If you understand the secret of nothingness, you can naturally fight against the judgment hall, or even kill it.

Chapter 5957

However, since it is called the book of evil heaven, the book of evil spirit is naturally vicious and can't compare with the grand road of the real book of heaven. Compressing Qi and blood is tantamount to self mutilation. The whole body's Qi and blood is condensed into a little bit, and the meridians are likely to be exhausted, and they will die at any time.

"Xiao Qingyan, it's you!"

At this time, as the world became clear, yuhuangtuo also saw Xiao Qingyan and ye Chen, and could not help exclaiming, full of the color of vigilance.

"Brother ye, it's you..."

In desperation, Li Feixue sees Ye Chen, but he is stunned and dreamy. He can't believe his eyes.

Ye Chen's communication with the purple emperor of Beiwu is based on the spirit. When he heard Li Feixue's call, he immediately came back to himself.

Xiao Qingyan bit his teeth, looked at yuhuangtuo, said: "yuhuangtuo, in order to control the evil evil spirit martial code, you sacrificed your body?"

The book of evil spirit and martial arts is a Book of evil heaven. It is extremely evil. Emperor Zidi of Beiwu studied it for thousands of years, but he never controlled it. This shows the difficulty of the book.

Yuhuangtuo laughed and said: "if you can control the evil heavenly script, it's just a matter of flesh. Sacrifice is sacrifice. What's rare? As long as you can revitalize my yuhuangshi family, everything is worth it!"

Between his words, he had great determination.

Xiao Qingyan and ye Chen both feel that there are still fresh blood in the evil spirit martial arts canon. All the disciples who want to come under yuhuangtuo's command have been sacrificed, and they have become the materials for worshipping the evil heavenly script.

This method is too crazy!

This time, yuhuangtuo was not the only one who killed the purple emperor family of Beiwu and robbed the evil evil spirit martial scriptures. However, in the end, all the others were sacrificed, and I don't know whether they were willing or coerced by him.

In short, the enemy Ye Chen is facing is yuhuangtuo alone.

This man sacrificed his body, but the spirit is still there, and he controls the evil spirit and martial arts canon. His breath is very strong, and he can't fight against it any more.

The black characters around him are exactly the pithy formula scriptures of the evil evil spirit martial Scripture.

"Xiao Qingyan, who are you? Is it your guest of the Xiao family? I think his breath is far less than that of Shengyun Zun. How do you get together with this kind of waste? It's better to give me your body. There's no need to be cheap. "

When yuhuangtuo saw Ye Chen, he saw that his cultivation had only eight levels of heaven. Countless thoughts flashed in his heart. He couldn't figure out why Xiao Qingyan was with Ye Chen.

Xiao light Yan heard his dirty words, his cheek was red, and he was very angry. He said: "brother Ye's identity, I'm afraid to scare you. How can Saint Cloud Zun's false destiny match brother ye?"

Ye Chen hears the word "Saint Cloud Zun". In a moment, he catches a very strong murderer and a deep hatred.

That Saint Cloud Zun, has the intention to kill him!

"Who is Saint Cloud Zun? Why does he want to kill me? I've never seen him or heard of him before

Ye Chen is puzzled and astonished. He has never seen Shengyun Zun. But when he hears that Xiao Qingyan and yuhuangtuo mention the word "Shengyun Zun", he feels that there are countless causes and effects.

Even, ye Chen felt that shengyunzun had something to do with Xia Ruoxue, Wei Ying, Ji Siqing and other women!

Ye Chen's pores shrink and his scalp is numb. It seems that Wei Ying must have a big grudge with Sheng yunzun. She even involves herself in it, but she doesn't know the identity of Sheng yunzun.

Yuhuangtuo sneered and said: "shengyunzun can't control Yunding Tianshu. It's a fake destiny, but his cultivation is strong, which is much more powerful than this boy. You are close to such a mole ant. If you are seen by shengyunzun, he will definitely take this boy for an operation, hehe..."

Ye Chen's face sank and asked Xiao Qingyan, "who is that Saint Cloud Zun?"

Seeing that ye Chen's tone was stern and dignified, Xiao Qingyan couldn't help wondering:
"shengyunzun was the elder of Keqing in the past of Xiao's family. In those years, Xiao's family once robbed Yunding Tianshu with Yuhuang's family, but in the end, Xiao's family won..."

"Yunding heavenly book... And then?"

Ye Chen murmured, and naturally knew that the Yunding heavenly script was one of the four volumes of the supreme heavenly script "Fengyun Wuxiang". It was said that it was a chessboard that could evolve Yunding's chess and deduce the cause and effect of all worlds.

Xiao Qingyan said: "it's not easy to refine the book of heaven on the cloud top. My Xiao family plans to plan slowly, but I didn't expect that the Saint Cloud Zun, boasting of his destiny, steals the book of heaven and forces it to be refined."

"If he could refine, it would be a good thing. But he was arrogant and had no destiny. In the end, he failed to refine and was attacked by Yunding Tianshu. In order to escape the responsibility of the Xiao family, he escaped from the center of the earth overnight. Unfortunately, he took Yunding Tianshu away."

Ye Chen heard of the cause and effect of shengyunzun, and his sense of crisis was even stronger.

Although this Saint Cloud Zun is a fake destiny, he can't be underestimated with the cloud top letter in his hand. If he is really an enemy, he is definitely a strong enemy for ye Chen.

Yuhuangtuo saw Ye Chen's strict vigilance and laughed: "boy, you are afraid of a false destiny. You'd better wipe your neck as soon as possible so that I won't kill you and dirty your hands."

"You're such a nuisance. I've suppressed you

Chapter 5958

Ye Chen listened to the sarcastic words of yuhuangtuo. He was furious in his heart. His big hand roared out, and his palm burst into a fluffy yellow brown light. There was a burst of holy water in the yellow spring, and he killed yuhuangtuo as if he wanted to destroy the sky.

"The secret to the end of heaven? Are you

Yuhuangtuo was shocked when he saw this move. He also thought that ye Chen had just dispelled the fog of disaster. The holy water he called seemed to be the holy water of the yellow spring.

A terrible idea was born in his heart, and his face was shocked.

Ye Chen does not show mercy. He uses all his strength to crush the yuhuangtuo.

Yuhuangtuo's cultivation is far higher than his own. More importantly, he also controls the evil evil spirit martial arts canon. If ye Chen is in a duel at the top, he is not sure of winning. At this time, the opponent belittles the enemy's carelessness, which is a golden opportunity to kill him.

At this moment, looking at the palm of the rolling yellow spring, yuhuangtuo felt suffocated. Ye Chen's palm was too fierce. He didn't have time to use the energy of the evil evil spirit martial arts canon. Seeing ye Chen's palm, he could only retreat in embarrassment.

Bang!

Ye Chen killed him with one hand. Although yuhuangtuo avoided and didn't directly touch Ye Chen's palm, he was stimulated by the palm wind, and the air in front of him cracked. His spirit figure also shook violently, and his face became pale. If he had a body, he would be seriously injured and vomit blood at this time.

"Brother Ye is so powerful!"

In the border, Li Feixue saw Ye Chen's powerful appearance, and her pretty face couldn't help showing her joy.

Yuhuangtuo's face was gloomy. He gritted his teeth and said, "you are the reincarnation of the reincarnation Lord"

At this time, he knew the identity of Ye Chen, and he was extremely scared. He didn't dare to have any more sarcastic words, and he only felt fear and tremble.

You should know that reincarnation represents the highest heaven. Even the ancestors of wanxu family, yuhuanggudi, should be taboo.

At that time, the ancient Yuhuang emperor had to steal the bones of the reincarnation Lord. He only dared to dig the bones, not to kill them directly. This shows the terrible power of reincarnation.

Even the ancient yuhuangdi should be taboo, let alone the weak descendants of yuhuangtuo.

He controls the evil evil spirit martial arts canon, and his cultivation has surpassed the true realm. In fact, it's not known who will win the battle at the top. But the four words of reincarnation Lord, Tianwei is so terrible that he dare not fight rashly.

Thoughts rotation, yuhuangtuo's eyes, fell on Li Feixue.

Looking at Li Feixue, it seems that he has a lot to do with Ye Chen.

"Hey, hey, take you as a hostage!"

Yuhuangtuo sneers, suddenly tears his palm, and breaks Li Feixue's barrier.

It turns out that when Li Feixue sees Ye Chen's appearance, the spirit of the border weakens, and the yuhuangtuo sees the opportunity, tearing her apart, and wants to take her as a hostage.

Li Feixue saw the talons of yuhuangtuo, and her pretty face turned pale.

"No!"

Ye Chen also exclaimed, if Li Feixue was captured, it would be troublesome.

In the crisis, ye Chen suddenly drank: "disaster sky sword, guard!"

The sound falls, the disaster sky sword on Ye Chen's waist is suddenly bounced out of the scabbard. With a buzzing sound, it flies to Li Feixue to protect her safety.

Who!

As soon as the sword of disaster comes out, the smell of natural disaster will diffuse, roaring, thunder, wind, fire and so on.

"Disaster sword! One of the eight heavenly swords! Is it in your hands, brother ye? "

When Xiao Qingyan saw the sword, her eyes suddenly shrank, and she saw a jade inlaid on the body of the disaster Sky Sword near the bottom of the hilt. She thought it was her Xiao family's heirloom, the disaster soul jade.

It was from his family's heirloom that the ancestor of the sword God got inspiration and forged this sword.

"What! "The sword of disaster!"

Yuhuangtuo was shocked to see the sword.

The legendary sword of heaven is fierce. Ye Chen's sword is inlaid with the jade of disaster soul, which is more powerful.

Under the shock of the disaster sky sword, yuhuangtuo retreated in a hurry.

Zheng!

The disaster Sky Sword flies and falls in front of Li Feixue. Bursts of sword spirit permeates and turns into a sword array, firmly protecting Li Feixue's two brothers and sisters.

Li Feixue only felt that Tianjian was nearby, and his aura was constantly active and climbing.

She is the sword spirit of the disaster sky sword, which is similar to the sky sword and is of great benefit.

With the protection of Tianjian, Li Feixue is completely safe.

"Damn it

Yuhuangtuo's face twitched when he saw this scene.

Under the protection of disaster sky sword, he wants to capture Li Feixue as a hostage again, which is absolutely impossible.

Weigh again and again, he always afraid of Ye Chen's reincarnation prestige, dare not confront.

"Boy, you wait for me!"

Yuhuangtuo gritted his teeth and turned to fly away.

Ye Chen does not pursue, the footstep flies to sweep, came to Li Feixue's side, caress her hair lightly, way: "flying snow, is all right?"

After a long time's absence, Li Feixue's accomplishments have improved, and even her figure has developed more vigorously. She is almost ready to be proud. Looking down from ye Chen's point of view, she can see some soul stirring round curves.

Li Feixue and ye Chen meet again. He is overjoyed and says, "I'm ok."

She wanted to rush into Ye Chen's arms, but when she saw Xiao Qingyan beside her, she could not help feeling excited.

Xiao Qingyan saw yuhuangtuo fleeing, his pretty face sank and said, "I'll go after him!" Then he took the sword and went up.

Ye Chen said, "Miss Xiao, can you beat yuhuangtuo?"

Xiao light Yan a clench teeth, way: "beat but also want to beat, otherwise wait for him to completely control evil evil evil evil evil spirit Wu Dian, that what all late."

Now the situation of yuhuangtuo is similar to that of Xuelong.

The blood dragon has just mastered Wanxiang Tianshu, and its foundation is not stable. The same is true of yuhuangtuo, who has just mastered the evil evil spirit and martial arts canon.

If Xiao Qingyan is desperate to fight, she will have a chance to win. If yuhuangtuo is completely stable, she will never have any chance.

Ye Chen said: "don't go! If you are taken hostage by him, I won't care about you. "

Although Xiao Qingyan has a chance to win, the chance is too slim. If Xiao Qingyan is caught by yuhuangtuo and becomes a hostage, it's not good.

Ye Chen can protect Li Feixue, but not her.

"Brother ye, don't worry, I will take back the evil evil spirit martial arts Scripture!"

Xiao light Yan didn't listen to Ye Chen's advice, and ran out with his sword to yuhuangtuo.

Ye Chen's face sinks, want to stop, also too late, can only go by her.

That evil evil evil martial Scripture is of great importance. It belongs to the purple emperor family of Beiwu. It must not fall into the hands of yuhuangtuo.

Yuhuangtuo fled this time, but he could not escape from the island, because there were blood dragon and blood god guarding outside the island.

Chapter 5959

Ye Chen plans to cure Li Qingshan first, and then it's not too late to chase him. But Xiao Qingyan's reckless action now disrupts his plan.

"If you are really taken hostage, don't blame me for being merciless!"

Ye Chen has gas in the heart, hummed a.

Li Feixue said softly: "brother ye, that girl is..."

Ye Chen said: "Tianjun family, the descendant of Xiao family, is a friend I met by chance, but the relationship is not deep, so I can't compare with you."

Li Feixue's cheek was slightly red and his mind was swaying. He said, "what is the influence of Tianjun family?"

Ye Chen said: "it's a complicated matter. I'll talk about it later. I'll save Castle Peak first."

Li Qingshan is still seriously injured and in a coma. Ye Chen immediately displays the eight trigrams heaven elixir technique, and then sacrifices a drop of danxianling wine to serve Li Qingshan.

Under the nourishment of Bagua Tiandan technique and danxianling wine, Li Qingshan recovered quickly. The wound recovered at the speed visible to the naked eye, and soon recovered completely. Even the scar could not be seen.

"Cough..."

Li Qingshan coughed violently, opened his eyes and woke up.

"Castle Peak

Li Feixue saw his younger brother wake up, suddenly surprised, holding Li Qingshan's palm.

Li Qingshan just woke up, eyes at a loss, saw Ye Chen, only thought he was dreaming, stammered: "Ye... Brother ye, how are you here? Am I dreaming? "

Ye Chen smiles and says, "you are not a dream."

Li Feixue said: "Castle Peak, it's brother ye who saved us!"

Li Qingshan is stunned and pinches his thigh. The pain is not a dream. Ye Chen is a real figure.

"Brother ye, long time no see!"

Li Qingshan was so excited that he held Ye Chen's hand tightly.

Ye Chen says with a smile: "long time no see, how can you appear here?"

Li Qingshan and Li Feixue look at each other, and immediately both of them are a little sad and helpless.

Li Feixue said: "I found out that there might be scarlet chalcedony near the far north sky sea, so I ventured into this place with Castle Peak to have a look."

"The scarlet chalcedony, born in the place where disaster Qi converges, comes out of the disaster. It has a very strong aura. It plays a great role in repairing weapons magic weapons and enhancing the power of weapons magic weapons."

"We want to take this spirit thing and give it to brother Ye as a gift."

"If you can get scarlet chalcedony, maybe it can enhance the power of disaster sky sword."

When ye Chen hears Li Feixue's words, he suddenly realizes.

It turned out that the two brothers and sisters ventured into the extreme northern sky sea just to find the scarlet chalcedony.

This scarlet chalcedony, ye Chen also heard as mentioned, is a rare spirit, can be used to repair the wish star.

The effect of scarlet chalcedony is more than that. It can also enhance the power of magic weapon.

Li Feixue's two brothers and sisters enter here to capture the scarlet chalcedony, just for ye Chen to strengthen the sky sword.

Li Qingshan blushed and said, "brother ye, it's a pity that we are not strong enough to find the scarlet chalcedony. Instead, we are hurt by many fierce beasts, disaster scenes, ghosts and evil spirits in the far north sky sea. We have to open the border and wait for the turn. But the turn doesn't appear, but there are enemies coming. If it's not for you, we will die."

Li Feixue said: "brother ye, the enemy is yuhuangtuo? Do you know him? "

Ye Chen said: "I see you for the first time today, but I have a lot of enmity with the Yuhuang family. This Yuhuang family is the family of the ancestors of wanxu, and that yuhuangtuo is the descendant of the ancestors of wanxu."

"What

Hearing Ye Chen's words, Li Feixue's two brothers and sisters exclaimed.

The ancestors of wanxu, they naturally know what the concept is, it is the master of wanxu temple, the supreme existence.

However, they did not expect that the enemy they faced during this period was actually the descendants of the ancestor of wanxu.

Ye Chen asked, "how did you offend him?"

Li Feixue shook her head and said, "we didn't offend him, but he ran into our sister and brother by accident. He was surprised to say that there was someone here. It was a gift from God. He wanted to arrest us and offer it to the evil god."

Ye Chen: "I see."

Until this moment, the context of things, ye Chen is finally clear.

It turned out that Li Feixue and Yu huangtuo did not know each other, but met by accident.

Yuhuangtuo destroys the Ning family and grabs the evil evil evil spirit martial arts canon. Seeing the birth of scarlet chalcedony, he wants to grab it again. Unexpectedly, he meets Li Feixue and wants to capture, kill and worship the evil spirit martial arts canon.

Fortunately, Li Feixue is in charge of the guard of shengtianfu and supports the turning point. Otherwise, their two brothers and sisters have become the sacrificial offerings of the evil spirit martial arts ceremony.

Li Feixue recalled the whole journey. The more she thought about it, the more frightened she was. Finally, she threw herself into Ye Chen's arms and said, "brother ye, thank you for saving me in time, or we will die today."

With a smile, ye Chen gently hugged her back and said, "you are the spirit of the disaster sky sword. You are not so easy to fall."

Li Feixue looked up and said, "now we..."

Ye Chen said: "if your injury is not serious, follow me to kill the yuhuangtuo and take back the evil evil spirit martial arts code!"

Li Feixue and Li Qingshan looked at each other, nodded and said in unison: "good!"

At the moment, they followed Ye Chen and set out to kill yuhuangtuo.

.....

Chapter 5960

.....

On the other side, the ruins of Yunding heavenly palace.

Wei Ying, Xia Ruoxue and Ji Siqing have already fled.

Among the ruins of the heavenly palace, there is only one person left.

Standing alone at the foot of the mountain, with the cold wind blowing and his robes fluttering, he has a sense of loneliness, lingering in his mind, all of which are Wei Ying's beautiful appearance and graceful posture.

"Fortunately, Miss Wei is not so determined. She is not like Xia Ruoxue. I think as long as I kill Ye Chen, Miss Wei will be my woman sooner or later."

Sheng yunzun thinks of Ye Chen in his heart. His heart is full of hatred and anger, but he doesn't know what identity Ye Chen is.

In those days, he forcibly controlled the book of heaven on the top of the cloud, which was extremely harmful. He had to master the cauldron, cultivate both yin and Yang, and complement each other.

And Wei Ying, it is he who has seen the most suitable Ding stove for himself!

"It's urgent to find out who ye Chen is first!"

Sheng yunzun bites his teeth. Ye Chen's identity is so mysterious that he can't figure it out with Yunding Tianshu.

Think for a while, Saint Cloud Zun then thought of a person, as long as ask that person, perhaps can find out Ye Chen's whereabouts.

At that moment, Sheng yunzun whistled, and a magic Unicorn came down the mountain.

This demonized unicorn is a pure spirit body, but it is the condensation of aura. At that time, Sheng yunzun was the elder of Keqing of the Xiao family, and the guardian tree of the Xiao family was the spirit tree of the unicorn. Therefore, he had unique attainments in the study of the spirit atmosphere of the unicorn.

"Take me to xuanjiyue."

Sheng Yun Zun rode on the unicorn and went to the road.

The demonized Kirin said, "is she the saint of the Xuan family? Where is she? "

Shengyunzun had been closed here for more than 100000 years, suppressing the counter attack of Yunding Tianshu. It was not until Wei Ying broke in that he woke up.

He didn't know anything about the changes of heaven and man in the past hundred thousand years. Naturally, he didn't know the magic Unicorn under his seat.

"Well..."

Shengyun Zun was not in a hurry. He sacrificed the book of heaven on the top of the cloud, adding a little deduction.

Although he has been closed for more than 100000 years, he is now in charge of the book of heaven on the cloud top, which is enough to deduce the past and the future, and can see everything.

"Go to a place called Shangjie in the realm of heaven and man, the Queen's palace. Xuanjiyue has built a large Taoist temple, which is known as the queen. It's powerful in all directions. It's worthy of being the daughter of Qi Yun in the realm of earth's heart. Go and visit her."

Sheng yunzun can't figure out the background of Ye Chen, but he can see the cause and effect of xuanjiyue.

Xuanjiyue, in fact, is the saint daughter of the Tianjun family in the center of the earth. She was born in the river of crape myrtle and had great fortune at birth.

Her deep air, and even make an ordinary River, have degenerated into a crape myrtle Star River, you can see the majestic auspicious.

In the archaic times, when the court ruled that the temple was in disorder, the Xuans knew that they were not lucky, so they secretly sent xuanjiyue out, praying that she would rise against heaven and return to the earth for revenge.

At that moment, Sheng yunzun rode on the unicorn and flew all the way to the imperial palace.

.....

At this time, a guest came to the palace.

This guest, with white hair and handsome appearance, is not able to argue between male and female. He has a calm and elegant posture. He is the master of Diyuan hall, Emperor Shitian.

In the empress's palace, many strong people were on guard when they saw the coming of emperor Shitian.

"Emperor Shitian, why don't you stay in the abyss and come to my Taoist temple?"

Xuanjiyue strides out, and Tianxin sword butterfly is waiting on her.

Emperor Shitian laughed and said, "Miss Xuan, have you heard about the collapse of the Confucian temple?"

Hearing this, xuanjiyue's face changed slightly.

These days, the news of the collapse of the Confucian temple has spread all over the world, and she naturally knows it very well.

The temple of Confucius was slaughtered by the blood dragon, the king of ten thousand prime ministers, and the supreme blood god of blood death prison. Among them, the blood dragon is particularly brilliant. It has been in charge of the heavenly book of ten thousand prime ministers, and the title of the king of ten thousand prime ministers resounds all over the world.

Xuanjiyue didn't know what the emperor Shitian wanted to ask about it. She said quietly: "naturally, so what? Although the cultivation of the Confucian ancestors is strong, their luck is shallow after all. It's natural that they should be killed. No matter how arrogant the bloody death prison is, they dare not offend you and me. After all, the reincarnation Lord is dead. It's just a villain. If they pretend to be the king of all things, they can turn the world upside down? "

Emperor Shitian said with a smile: "do you really think that a single evil dragon, together with the blood god, can kill the Confucian temple? As far as I know, the Confucianist had a chance to become a natural disaster of the dead. How could he die so easily? "

Xuanjiyue was shocked and said, "what do you want to say?"

Emperor Shi Tianmu light a coagulation, way: "that person may still be alive!"

Xuanji's beautiful eyes shrank, naturally knowing who "that person" refers to.

After hearing about the collapse of the Confucian temple, she always felt uneasy. She always felt that the cause and effect behind it was not so simple.

At this time, I heard emperor Shitian mention that xuanjiyue's uneasiness was more intense and said, "do you want to say that the reincarnation Lord is still alive?"

Emperor Shitian said: "that's right! When I heard that the temple of Confucius was destroyed, I felt a very dangerous fate. It seemed that the next one to be destroyed was me. In this world, only the reincarnation Lord could make me feel so uneasy! "

Xuanjiyue said: "it's impossible! On that day, I used Tianxing, the wish of the Confucians, to deduce that the boy was indeed dead. "

Emperor Shitian said with a smile: "he was dead in his previous life. Why did he suddenly appear in this life? Reincarnation blood can't be judged by common sense. Maybe he will fall into our hometown? "

Xuanjiyue frowned and said, "what's our hometown? Do I know you well? "

As soon as the emperor Shitian was in a daze, he didn't expect xuanjiyue to reply like this. He looked her up and down and said, "have you forgotten where your hometown is?"

Hearing the words of emperor Shitian, xuanjiyue was stunned and suddenly thought about the ultimate question of life, who am I, where do I come from and where do I go?

She vaguely remembers that she was born from a river of purple stars, and then she was lonely all the way and practiced alone. All the martial arts and supernatural powers were heaven sent. She didn't rely on anyone, and finally had today's cultivation status.

As for her hometown, she never thought about it.

Seeing her appearance, Emperor Shitian stepped forward and asked in a low voice, "have you forgotten the earth's heart? Forget Tianjun family? Forget the judgment chapel? "

Xuanjiyue stepped back, feeling inexplicable panic, pulled out Shenluo Tianjian and said in a fierce voice: "what's the heart of the earth, what's the emperor's family, Emperor Shitian, don't talk nonsense, or I'll be rude to you!"

Emperor Shitian saw that she was on guard like this. He suddenly realized it and thought, "it seems that she somehow forgot about the earth's heart. No wonder she is so firm that she thinks that the reincarnation master must be dead."
