Chapter 6001

The combination of Ye Chen and blood dragon, the most powerful fusion skill, is really terrible. The fusion of the six samsara method and Wanxiang heavenly script is the real destruction of heaven and earth.

If it wasn't for the protection of this planet, Shen Tu Wan'er himself would be affected and torn to pieces. We can imagine how terrible the reincarnation star is.

But after using this move, challouluo has no voice, thought to be killed.

Ye Chen and blood dragon separated, floating in the sky.

Ye Chen's face was pale, his lips were also pale and bloodless, and his whole body was shaking violently, obviously weak to the extreme.

This move consumes too much, so it will take him time.

The blood dragon was also extremely weak. The scales of his whole body fell off, as if he had fallen into exhaustion. His eyes were dim, he gasped violently, and even his whiskers turned white, as if he were old all at once.

"Ye Chen!"

Shen Tu Wan'er doesn't look at the blood dragon. Her whole mind falls on Ye Chen.

Seeing ye Chen weak, Shen Tu Wan'er immediately flies out and rushes to hold Ye Chen tightly.

Then, looking at Ye Chen's pale lips, she couldn't bear to lower her head and kiss Ye Chen deeply.

"Well?"

Ye Chen was stunned, but she felt her lips warm. Shen Tu Wan'er's soft body stuck to her body again. With warm fragrance and nephrite in her arms, she could not say that she was happy and relaxed, and her spirit was suddenly boosted.

Shen Tu Wan'er didn't know how long she had been kissing. She reluctantly released Ye Chen and looked at him affectionately. She said in a low voice, "thank you for saving me. I won't go tonight, and I won't go tomorrow. We have to be together, at least for ten or 100 days. I'm satisfied."

Originally, she wanted to spend a good night with Ye Chen. After a long night, she cut off her love and left. But at this moment, she felt that the night was too short. At least she had to accompany Ye Chen for a hundred days and enjoy the love for a hundred days before she could make up for ye Chen's life-saving kindness.

Ye Chen stayed for a while, but didn't expect Shen Tu Wan'er to become so direct.

Then he vaguely noticed something was wrong.

He found that his injury was not too weak, and he could respond to Shen Tu Wan'er's affection.

In principle, this should not be possible, because just a move, the injury is great, ye Chen should be even difficult to breathe, directly faint state.

But now, she can kiss and flirt with Shen Tu Wan'er.

Is this the power of inexplicable?

Ye Chen is in a trance, looking at Shen Tu Wan'er's fiery eyes, but he doesn't know how to respond.

Ye Chen wants to promise her that she will be together for a hundred days. After enjoying all the happiness, she will cut off her love and forget each other. Although it's a pity, it's an acceptable ending for both of them.

"Ha ha ha, you still want to be romantic and happy, have you asked me?"

At this time, a burst of arrogant laughter, but suddenly sounded.

Boom!

But see the sea burst, a huge Jinpeng bird, from the bottom of the sea skyrocketing, soaring in the sky, it is gallow.

At this moment, the whole body of the kaluro is shining, and there are many flowers blooming on the other side.

Each other's shore flower has endless luck, endless Zen flavor and endless power.

Against the backdrop of countless flowers on the other side, it seems that kaluro is really the great Jinpeng king in the Buddhist legend, which is comparable to the existence of the Buddha and is extremely brilliant.

"What

Shen Tu Wan'er was shocked to see that Gallo was still alive. Then she blushed again. She thought that she had just uttered her confession and was heard by the other party.

"Other shore flower, Yu Huang family, so this is your card!"

Ye Chen sees this scene, the facial expression also becomes very ugly.

From the beginning of challouro's arrival, he felt that the other side had a card. Unfortunately, in a hurry, he could not calculate clearly.

At the moment, see the big weather that the whole body of Gallo is surrounded by flowers on the other side, ye Chen finally knows that this is the other side's trump card!

Yuhuang Yafei took refuge in Wutian and gave up a ten thousand year old flower. At the last moment, this flower saved the life of challouluo!

Ye Chen has mastered the wish star, and his ability to deduce the secret is more than ten times better than before. As long as there is a clue, what can be calculated.

Now, he has figured out that Yuhuang Yafei took refuge with Mazu Wutian and wanted to take revenge on him.

"Reincarnation Lord, you are really very powerful, but fortunately, I also have the card given by Lord Mazu. After all, I won this battle!"

Gallow hovered in the sky, with deep fear and excitement in his eyes.

What he is afraid of is Ye Chen's blood. It's really terrible.

Under the burning of reincarnation blood, he was able to break through such a big gap and almost killed him.

And he was excited that he was going to win at last. With this last card, he was not killed.

This leaves Chen into weak, Shentu Wan'er also no fighting power, blood dragon is exhausted to the extreme, no longer have the power to stop him.

Kill reincarnation, kill the king of Wanxiang, kill Shentu's holy daughter, and then take Wuwei Tianjian, disaster Tianjian, huangquan map, wish Tianxing, Wanxiang Tianshu. Just think about it, it's exciting to

tremble. In front of him, he couldn't help laughing. He had an idea that the flowers on the other side of the river were blooming, and the infinite power burst out“ Flowers bloom on the other side of the sky, kill me!

Chapter 6002

With a roar, he saw thousands of flowers on the other side, which turned into thousands of sword Qi and roared to kill Ye Chen and others.

There are thousands of years of flowers on the other side of the river, in which the martial arts of the Yuhuang family have been accumulated. Therefore, at the urging of chalura, he can even release the unique sword skill of the yuroyal family, and the flowers bloom on the other side of the river!

Ye Chen saw that the sword Qi was killing all over the sky, but he was already unable to resist.

He has just been combined with the blood dragon, and his physical strength has been greatly consumed. Now even in the reincarnation cemetery, the purple emperor of Beiwu can't help him, because ye Chen's body is too weak to bear the energy projection of reincarnation. Any little bit of powerful power, blessing on his body, is enough to make him explode instantly.

Under such a weak condition, ye Chen can't even mobilize the map of the yellow spring. Ye Chen completely loses all the ability to resist. Seeing the sword coming all over the sky, he has no choice but to die.

Shen Tu Wan'er also felt that she would die, and there was no room for resistance.

At the end of her life, she was relieved. With deep affection in her eyes, she looked at Ye Chen with a smile.

Ye Chen is to smile bitterly to look at her, looked at blood dragon again.

Then, ye Chen discovers a startling fact.

The blood dragon is dying.

At this moment, the breath of the blood dragon is completely exhausted, even the dragon's beard is white, falling into old age. The scales have dropped 70% or 80%, and the body is mottled. It no longer has the majestic power of the past, but is lonely and decadent.

His body, also in desalination, blood gas in constant evaporation.

It turned out that he had just merged and made the strongest attack, but he had to bear most of the backfire.

Therefore, although Ye Chen is weak, he can still keep his spirit and enjoy the last love with Shen Tu Wan'er.

The blood dragon, however, could not hold on and was on the verge of dissipation.

He in order to let Ye Chen, can have the final happiness, alone to bear too much backfire.

"Blood Dragon..."

Ye Chen heart shock, is grateful, but also helpless.

It's a pity that the blood dragon's intention is now in vain.

Because, under the sword of gallows, whether it is Xuelong, yechen or Shentu Wan'er, it is a dead end, and there is no possibility of resistance.

In the face of this situation, ye Chen has infinite regret and unwilling.

At this last moment, ye Chen feels a warm fragrance. Shen Tu Wan'er hugs him again and kisses him deeply.

It's the last kiss before death.

Ye Chen already felt the tears of the other party, dripping on his cheek, a burst of cold and hot.

The scene of Ye Chen and Shen Tu Wan'er's kissing and kissing, against the backdrop of the sky full of sword spirit, is extremely sad and tragic. Even the garrulos, who are perched in the sky, are shocked and turbulent.

What is love in the world?

"Old brute, how dare you kill my daughter?"

At this time, a voice full of fury, completely shocked.

In the sky, the sun is shining, and a very strong figure, just like a woman in the world, comes down with elegant bearing. It turns out to be Shentu Wan'er's mother, Shentu Tianyin!

With a wave of his hand, Shentu Tianyin rolled up the sea waves. With a bang, he smashed and completely annihilated the thousands of sword Qi that had been felled by challouluo.

"Shentu Tianyin, it's you!"

When he saw Shentu Tianyin appear, he was shocked and couldn't believe it.

Hearing her mother's voice, Shen Tu Wan'er quickly separated from ye Chen, wiped her mouth, bowed her head and said in a trembling voice: "mother..."

There was excitement, joy and shame in his voice.

She is excited that her mother came, she and ye Chen are finally out of danger.

But she and ye Chen kiss, this beautiful picture, was the mother saw, eventually ashamed.

"Puff!"

Excited by the wind and waves of Shentu Tianyin's palm, kaluro was not only crushed by the sword, but also shocked by himself, and spewed blood out of his mouth.

"Lord of reincarnation, you are so lucky that you will never die."

Shentu Tianyin doesn't care about chaluro, but looks back at Ye Chen.

She didn't want to save Ye Chen, but in order to save her daughter, she let Ye Chen live.

Ye Chen coughs twice and looks at Shen Tu Wan'er. He is embarrassed. Just now, Shen Tu Tian Yin sees them kissing enthusiastically. He deduces the clues from each other. Naturally, he also knows that Shen Tu Wan'er means to devote himself to sleep together.

"Thank you for saving me."

Ye Chen arched his hand, and really thanks Shentu Tianyin for saving him. Otherwise, he might have died.

Shentu Tianyin said coldly, "don't thank me. I'm just saving my daughter."

His voice fell, his eyes looked at him, and he said harshly, "what do you mean, garuro, that you want to murder my daughter? Is the devil going to tear his face?"

All his Qi was locked by Shentu Tianyin. Knowing his own life, he was in the other party's hands, but he didn't want to show weakness. He said with a smile: "the old ancestor asked you to borrow the sword, but you didn't want to borrow it. Isn't that for death?"

Shentu Tianyin said: "my Shentu family's magic sword, only Wan'er is qualified to be in charge. Outsiders can't even touch it." With that, she vomits vigorously, and Shen Tu Wan'er's Wuwei sword pops up and shoots at kaluro. Shentu Tianyin said, "I'll lend you the sword. Try to take it away." He was overjoyed and reached for Wuwei Heavenly Sword, but suddenly a sharp spike appeared on the hilt of the sword, which stabbed his hand as hard as he had just stabbed the blood dragon“ Ouch With a cry of pain, he felt that the killing Qi of the Heavenly Sword rushed in along his palm, cutting the meridians, muscles and bones of his whole body, tearing his whole body and almost spitting blood. The sword turned into a streamer and flew back to Shen Tu Wan'er. Obviously, Shen Tu Wan'er can only hold this sword. Outsiders can't grasp it. Even Shen Tu Wan'er's mother is not qualified to touch it directly. Shentu Tianyin gave a cold smile and said, "how about it? It's not that I won't lend it to you, it's that you can't take it away. " Gallo gritted his teeth and said, "my cultivation is shallow, so I can't hold the Heavenly Sword. If you know the truth, you will offer it to the devil ancestor Wutian. The old ancestor is very angry. With a small heavenly sword, he can hold it easily." Shentu Tianyin snorted and said, "if the demon ancestor Wutian is willing to be polite and bring a gift to Shentu's house to ask for a sword, I may be able to think about it. But the old man, arrogant and absent, secretly wants to take my Shentu's sword? How can there be such a cheap thing in the world? Go back and tell him not to be paranoid When he heard this, his heart was filled with anger and surprise. Angrily, Shentu Tianyin dares to abuse Wutian. Surprise is that the other side is willing to let go of themselves, it is really a great luck“ Hum, Shentu Tianyin, if you dare to disobey Laozu, I will report it to him. You wait! " Then he turned and flapped away.

Chapter 6003

Shentu Tianyin suddenly gave a cold smile and flashed to his opponent's back. The palm of his hand hit him. With a bang, the force of his hand penetrated through the back of Gallo and broke his heart. Even his spirit was destroyed.

"You

Garuro's eyes widened and he looked back at Shentu Tianyin in horror.

Shentu Tianyin gave a cold smile and said, "if you want to kill my daughter, how can I let you go?"

"In this world, no one has the right to touch my daughter!"

It turned out that she deliberately said that she would let Gallo go, which meant that she was lucky for the other party. When the other party thought that she could escape, she would kill him again. Such repeated torture was like a cat playing with a mouse.

But the next moment, his whole world went dark. Both his body and spirit were blasted by Shentu Tianyin. His body fell from the air and fell into the sea.

Ye Chen sees Shentu Tianyin's cruel means, and his back bursts into a cold sweat. He knows that the other party is warning others, deliberately deterring himself.

"Mother..."

Shen Tu Wan'er also knows her mother's mind and can't help worrying about ye Chen.

Shentu Tianyin snorted, "I don't have your daughter!"

Shen Tu Wan'er's eyes were red and said, "mother, don't be angry."

Shentu Tianyin was very angry and said, "you are a daughter's family. You are so shameless. You have to post it to a man. What else do you say you want to spend a good night together? What's your shame?"

Her tone of the word "inverted paste" is extremely harsh.

Shen Tu Wan'er's face was blushing and speechless.

Ye Chen is also silent and naturally does not know how to respond.

Shentu Tianyin sighed: "evil fate, really evil fate! Wan'er, you indulge too much. The reincarnation master is flirting everywhere. What's the use of following him? "

Shen Tu Wan'er said, "no, mother..."

Shentu Tianyin snorted coldly and said, "shut up

Then she looked at Ye Chen and said, "Lord of reincarnation, I ask you, do you like my daughter?"

Ye Chen was stunned, but he didn't think about it. He recalled his experience with Shen Tu Wan'er in his mind, especially the scenes he had just been in love with. He blurted out: "naturally, I like it."

When Shen Tu Wan'er heard Ye Chen's words, she was very excited and felt that this life was not in vain.

Shentu Tianyin nodded and said, "that's good. You should marry my daughter."

Ye Chen is stunned, way: "what?"

Shen Tu Wan'er was surprised and said, "mother..."

Shentu Tianyin said: "you are the Lord of reincarnation. My daughter will not be insulted if she follows you. But you have to promise me that you will only love my daughter in this life and you can't go out to make love with others. If you have other women outside, I will kill you immediately!"

Shen Tu Wan'er said anxiously, "no, mother, you can't..."

She knows that there are many women around Ye Chen, and those daughters have been together with Ye Chen for a long time, and she just stepped into Ye Chen's life halfway.

That is to say, if she talks about seniority, even if she follows Ye Chen, she is not qualified to be ye Chen's wife. It's not her turn.

Shen Tu Wan'er also knew this, and naturally he didn't mean to fight.

Ye Chen looks down. Although he likes Shen Tu Wan'er, he really can't marry Shen Tu Wan'er alone, otherwise he will fail Xia Ruoxue, Wei Ying, Ji Siqing and other women.

In fact, even ye Chen himself, are worried about endless peach injustice, also do not know how to deal with.

Shen Tu Wan'er said that a good night, and then forget the world, is a wonderful ending, but her mother is absolutely impossible to agree.

Shentu Tianyin said coldly, "Wan'er, do you want to be someone else's concubine? You are the sword holder of Wuwei Tianjian, the saint of Shentu family. What's the system of being a concubine? If it's spread out, what's the face of Shentu family? "

Shen Tu Wan'er blushes. In fact, she thinks that it doesn't matter to be a concubine. As long as she can be with Ye Chen, she can't say what she says. She's too shy to say it.

Shentu Tianyin said to Ye Chen: "the Lord of reincarnation, it's not that I deliberately make trouble for you, but that I have only such a precious daughter. I love her more than I love myself a thousand times. I can't let anyone abuse her or bully her. Do you know?"

Ye Chen said: "the younger generation knows."

Shen Tu Tian Yin nodded and said, "well, in this case, you can either marry my daughter wholeheartedly, and I will do my best to help you rise to the Supreme Court, so that you and my daughter can live together happily. Can you do it wholeheartedly?"

Ye Chen was silent and speechless.

This silence, in fact, means to admit that it is indeed impossible.

Seeing this, Shen Tu Wan'er knew the result early, but she was still very disappointed and sad.

Shentu Tianyin said, "since you can't do it, then you should stop pestering my daughter. Today you have hugged her and kissed her. It's time to be satisfied. In the future, we will forget each other in the world, and everyone will be well. Isn't it wonderful?"

She had always been tough and wanted to kill Ye Chen, but she couldn't get rid of her daughter's evil feelings. This time, she changed her attitude, spoke gently and reasoned to Ye Chen. On the contrary, Ye Chen and Shen Tu Wan'er were speechless. Ye Chen bit his teeth and said, "yes, master, I know. I won't pester Wan'er any more." Shentu Tianyin is right. Ye Chen really can't bring absolute happiness to Shen Tu Wan'er. In this case, it's better to let go. Shen Tu Wan'er's eyes were red, but she was speechless. Shen Tu Tian Yin nodded and said, "well, I believe in the promise of the reincarnation Lord. Wan'er, he has already said that he will not pester you any more. You should give up and go back with me." Shen Tu Wan'er looked at Ye Chen and said, "Ye... Ye Chen, will we meet again?" Ye Chen is silent and does not answer, the side head goes. Shen Tu Wan'er thought of the warm embrace she had just had with him. She felt extremely emotional, regretful and regretful. She was just a little bit closer to enjoying the greatest happiness with Ye Chen. But at this moment, she had no chance. She knew very well that if she left this time, she would never be with Ye Chen again. Ye Chen has promised that there will be no more entanglement. This is the promise of reincarnation. How can we go back on it? Wan'er, it's time to go. You've drawn the sword of Wuwei, and it's shining all over the world. In the future, your achievements will probably be as good as Princess tiannu. Come back with me, practice well, and don't rush any more. " Shentu Tianyin flies to her daughter, holds her hand, tears the void, and takes her back to the supreme world. Now Shen Tu Wan'er has pulled out the Wuwei Heavenly Sword and become the sword holder. Her spirit will last forever. If she is trained properly, her future achievements may even be as good as the heavenly daughter! Therefore, the Shentu family will spare no effort to protect and cultivate Shen Tu Wan'er, and it is impossible for her to go out and rush, so that she will not be intercepted by the enemy and die early.

Chapter 6004

"No!"

Shen Tu Wan'er is taken away by her mother, but her eyes are full of reluctant and sentimental. She looks at Ye Chen with tears.

A drop of tears condensed into crystal, floating to Ye Chen body.

Ye Chen raises her hand and catches it. The crystal of Shen Tu Wan'er's tears is as clear as a work of art. In this tear, it seems to have her deep attachment.

Ye Chen wants to melt this drop of tears, but he doesn't give up after all. Finally, he treasures and carefully puts it away.

He and Shen Tu Wan'er have no chance to be together in the future. If they can keep each other's tears as a memorial, they can live up to this encounter.

"Master..."

At this time, ye Chen hears the weak call of the blood dragon.

"Blood dragon!"

Ye Chen is surprised, but sees the blood dragon completely exhausted, compared with the original blood god overdraft future end, even more serious.

Blood dragon's whole body of Qi and blood, continue to evaporate, continue to dry up, to the end, his body, unexpectedly become like a snake, as if a pinch, can crush him to death.

Ye Chen is shocked in his heart. He quickly holds the blood dragon and wants to use the eight trigrams heaven elixir to cure him. But he is too weak to use it.

Fortunately at this time, ye Chen slightly recovered a little aura, can use the map of the yellow spring.

At the moment, ye Chen opens the map of the yellow spring, temporarily settles the blood dragon in, and then quickly returns to the blood death prison.

In this war, the blood dragon has suffered most of the backfire and pressure, and is on the verge of death.

Ye Chen also knows that the blood dragon is in a serious state. He is afraid that he will try his best to save it. At the moment, he sends out an imperial edict to call Ren Fanfan for help.

However, when the edict was issued, it was immediately bounced back by an invisible force.

Obviously, Ren Fanfan's meaning is to say that this is Ye Chen and blood dragon's robbery, he won't interfere.

Anyway, he must save the blood dragon!

And, ye Chen affirms, blood dragon won't have an accident!

Because those great powers have predicted that the blood dragon can become their strongest card, not only the battlefield of heaven and man, but also the battlefield of the supreme world!

.....

Ye Chen returns to the blood death prison. At this time, Li Feixue and Li Qingshan have returned to shengtianfu. However, Yanyu xianzun, Xia Ruoxue, Ji Siqing and Wei Ying are still living here and are called by the blood god.

As soon as ye Chen returns to the blood death prison, the people have caught the breath of the blood dragon's exhaustion and are shocked.

The blood god came forward and said, "what's the matter? Has something happened to the blood dragon?"

Xia Ruoxue saw that ye Chen's face was weak and pale. She also came forward quickly and held him and said, "Ye Chen, what happened?"

Ye Chen took a deep breath and said: "when we meet a strong enemy, it's the people under the command of the demon ancestor Wutian. Xuelong and I were almost killed, and finally we got out of trouble. But Xuelong has been seriously injured and exhausted, and is on the verge of death. Let's save him together!"

Ye Chen waves his hand, and the yellow spring water overflows. In the river, there is a snake lying. If you look carefully, it is not a snake, but a blood dragon. Just because he is too weak, his body has shrunk by many times, and all the scales have fallen. Only the words of Wanxiang heavenly script revolve around him.

Fortunately, the blood dragon has the foundation of Wanxiang Tianshu, otherwise at this time, he has died, and can not support until now.

Blood god, Xia Ruoxue, Wei Ying and others were shocked when they saw such a scene.

They quickly spread out and sat around the blood dragon, sending out their own aura, infusing the aura into the blood dragon's body to maintain his vitality.

Ye Chen takes out Dan Xian Hu and pours down all the remaining Dan Xian wine to cure the blood dragon.

Then, ye Chen fainted directly because of his weakness and emotional changes.

Everyone exclaimed and rushed to treat Ye Chen.

.....

I don't know how long later, ye Chen wakes up and finds a beautiful shadow sitting by his bed, but Ji Siqing is feeding her medicine.

"Ye Chen, you wake up."

Ji Siqing saw Ye Chen wake up, immediately overjoyed.

Ye Chen turns over to sit up and says in a hurry: "how is the blood dragon? How long have I been in a coma? "

Ji Siqing said: "you've been in a coma for two days, Xuelong... Xuelong, he's OK for the moment."

Ye Chen slightly a induction, found his breath state, has returned to the peak.

His body is very strong in recovery. Although he consumed a lot this time, most of the load pressure brought by fusion was borne by Xuelong. Therefore, he didn't have any serious problems. After sleeping for two days, he recovered completely.

"I'll go and have a look!"

Ye Chen bites his teeth. He knows that he can recover so quickly because of Xuelong.

If it wasn't for the blood dragon's heavy load, he might have dried up.

The strong one in baijiejing is too strong. Ye Chen's ultimate move is to fight for the protection of Shen Tu Wan'er.

Now Shen Tu Wan'er and he are all right, but Xuelong is on the verge of death.

Ji Siqing follows Ye Chen in a hurry, and they come to the central place of the blood death prison, which is the place with the strongest aura.

The blood god dug a pool and settled the blood dragon in. The blood dragon is soaked in the water of the yellow spring, nourished by the aura of the earth, and still keeps its vitality. When ye Chen comes here, he sees Xia Ruoxue, Xueshen, Wei Ying and others around the blood dragon, constantly conveying their own aura and hanging for the blood dragon. The blood dragon in the pool is still as weak as a

snake, no longer as powerful as before" The blood of reincarnation, the magic of eight trigrams Ye Chen bites his fingertips and drips reincarnation essence and blood into the pool. Then he uses eight trigrams to cure the blood dragon. However, his blood essence and technique did not receive any effect, and the blood dragon was still weak. The blood God said in a deep voice: "it's useless. The blood dragon has been exhausted. Now we can only stabilize his life for a while, but we can't help him recover, unless we can get the dragon Yuan sky sword." Ye Chen said: "Longyuan Tianjian..." blood God said: "that's right! The legendary dragon Yuan Sky Sword itself has a great influence on the dragon people. If you can get this sword and let the blood dragon take care of himself in the sword, you can make him recover. " Longyuan Tianjian is about to come out. Blood God and others already know about it. Not only them, Ren Fanfan spread the news, Longyuan will be out, the whole extraterritorial forces, have received the news. Now, countless forces are rushing to the place of Longyuan ruins, ready to fight for Tianjian. A great storm is brewing. At that time, the Queen's palace and the emperor's palace will all take action. Ye Chen originally intended to fight with Xia Ruoxue and others, the blood god, to snatch the sky sword. But now, the blood God and others want to stay and hang their lives for the blood dragon. That is to say, ye Chen wants to fight alone. If he wants to successfully capture the sky sword of Longyuan, he is afraid of all difficulties. Ji Siqing looked at Ye Chen tenderly and said, "Ye Chen, I'll go with you." Now it's enough to take care of Xuelong, including Xueshen, Xia Ruoxue and Wei Ying. Ji Siqing can get out and help Ye Chen capture the sword.

Chapter 6005

Ye Chen said in a deep voice: "no, Siqing, you stay and take care of the blood dragon."

Ye Chen is worried about the safety of the blood dragon. He is afraid that the blood dragon is really dead. For the sake of caution, he still asks Ji Siqing to stay and take care of the blood dragon.

Ji Siqing said: "but..."

Ye Chen said: "don't worry, I have confidence to capture Longyuan sky sword, believe me!"

Ji Siqing silver teeth bite, also know in the blood dragon critical situation, ye Chen can't let anyone out, now helpless way: "well, I stay, you be careful."

Ye Chen nodded his head and said, "when I come back, I will get the Longyuan sky sword!"

The capture of the sword is not only related to the future luck, but also related to the life and death of the blood dragon.

Only when you get the Longyuan sky sword, can you cure the blood dragon, otherwise, the blood dragon will die.

It's less than half a month before the ban on Longyuan Tianjian is relaxed. Although Ye Chen wants to stay and take care of Xuelong, he knows that he has a more important mission.

At present, ye Chen finds a secluded place in the blood death prison. He sacrifices his wishes to Tianxing and devotes himself to cultivation. He is ready to strengthen his strength at the last moment to prepare for the fight for Longyuan Tianjian.

However, it was difficult for him to enter the state of cultivation.

In my mind, I have been hovering about the dying condition of Xuelong. For a moment, I think of my love with Shen Tu Wan'er. I feel regretful. I feel pain in my heart and can't be calm.

So after three days, ye Chen has not entered the cultivation state.

"Well, just let it be."

Ye Chen doesn't practice at all. He takes a walk on the wish star and tries his best to relax.

"Lord Ye, I have your flying sword to deliver the message."

At this time, a disciple of blood death prison came to report.

"What's the flying sword

Ye Chen is stunned.

The disciple said, "it's from Huanchen peak."

"Magic dust peak?"

Ye Chen is quite surprised and thinks of Mie Wuji and Huan Chenyan. Ji Lin is also in Huan CHENFENG, but he doesn't know what's going on.

The disciple handed the letter of flying sword, and ye Chen took it and checked it. It was really from Huanchen peak. Mie Wuji and his wife invited him to discuss important matters. It's about Longyuan Tianjian!

Ye Chen's eye pupil shrinks slightly, and the magistrate matters a lot. He says goodbye to Xia Ruoxue, Ji Siqing and others, and orders them to continue to take good care of the blood dragon. Then he tears the void and goes to the magic dust peak alone.

Come to the magic dust peak, all the mountain gate array, already opened, seems to be to meet the arrival of Ye Chen.

When ye Chen comes to the top of the magic dust peak, he sees that Mie Wuji and the magic dust smoke couple are already waiting. Ji Lin, the little girl, stands beside them, holding the thigh of the magic dust smoke.

"Ye... Brother Ye Chen, how are you? You are all right."

Ji Lin holds the thigh of the magic dust smoke and asks Ye Chen with a smile, showing innocence.

Ye Chen was stunned, but she didn't expect that she would call herself "brother Ye Chen" instead of "brother ye biwang". It was in the magic dust peak that Ji Lin was taught by Mie Wuji and his wife. Ji Lin has changed the name of "brother ye biwang" before. Maybe Mie Wuji and his wife think it's indecent. Now Ji Lin is very polite, It's not as flying as it used to be.

When ye Chen saw Ji Lin's innocent face that day, he felt a little relieved and relieved. He couldn't help smiling and said, "sister Ji Lin, you're OK."

Since Ji Lin calls Ye Chen brother, ye Chen also calls her sister, which means reciprocity.

Ji Lin smiles and says, "I'm fine, brother Ye Chen. I miss you very much, too. You finally come to play with me."

Ye Chen has no choice but to smile: "I'm afraid that at this time, I don't have much time to play."

Later, ye Chen bowed to the Mie Wuji couple and said:

"Young Ye Chen, I've met master Wuji and master Chenyan. They are all right!"

Mie Wuji waved his hand and said: "Ye Xiaoyou, don't be so polite. Thanks to you that day, our couple could untie their heart knot and reunite again. Recently, I caught the chance that Gongye peak has fallen. You have contributed a lot to it, and you have helped us a lot!"

Magic dust flue: "yes, young master ye, thanks to you, otherwise our husband and wife, all day long fear, also not peaceful."

They live in seclusion in the magic dust peak, but they are still faced with the threat of Gongye peak and annihilation sword spirit. At this time, Gongye peak has fallen, and the threat has been eliminated. The two couples are completely at ease. Thank Ye Chen again.

Ye Chen said: "I didn't kill gongyefeng. You don't need to thank me. I also want to thank you for taking care of Ji Lin

Magic dust smoke said with a smile: "Ji Lin this girl is very clever, we treat her as a daughter."

At that time, the magic dust smoke and Mie Wuji once had a child. Unfortunately, they were very sorry that the child died because of the killing of Yifeng and annihilation sword spirit.

Now, in their eyes, Ji Lin is their child.

Ji Lin has been loved by Mie Wuji and his wife for several days. Naturally, he is also extremely happy. At this time, he smiles and holds the hands of Mie Wuji and his wife.

Ye Chen said with a smile: "two elders, thank you for looking at Ji Lin. this girl is bouncing. Under your training, she is much more clever now. I don't know why you called me here?" Mie Wuji and huanchenyan looked at each other, and Mie Wuji said in a deep voice: "it's about Longyuan Tianjian." Ye Chen said: "two predecessors also want to seize the sword?"

Chapter 6006

Mie Wuji shook his head and said, "no, I heard that your friend Xuelong had an accident. Life and death are at stake. Now you are alone. It is very difficult for you to win the sword. Therefore, our two couples want to help you."

Ye Chen in the heart a shock, way: "two elder generation want to go out of the mountain?"

Mie Wuji said, "it's time for us to repay you for your kindness."

Ye chenlian said quickly: "I'm glad to see the beauty of the two elders. It's just that Longyuan Tianjian was born in great danger. You're going with me for fear of falling. You'd better stay here and continue to take care of Gu Jilin."

Magic dust smoke gently stroked Ji Lin's small head, said: "Ji Lin this girl, talented, has been able to be independent, no longer need our care, we have entrusted magic dust peak to her, she will be the master of magic dust peak."

Ji Lin blinked his eyes and said, "Shiniang Shifu, you and brother Ye Chen are going to play in Longyuan ruins. Don't you want to take me with you? I'm going too! "

Magic dust smoke said with a smile: "Ji Lin, we are not going to play, you are obedient, stay at home."

Ji Lin turned his lips and said, "no, I'm going too. You're all gone. What's the point of leaving me alone?"

Mie Wuji said in a deep voice: "Ji Lin, don't make a fool of yourself! You stay at home and wait for us to come back! "

Ye Chen sees that Mie Wuji and his wife are determined. He knows that they are determined to follow him and help him capture the sword.

Although he didn't agree in his heart, he didn't refuse any more because he thought that if there were more people, he would have more strength.

But Ji Lin is still young. He can't go with him.

"Ji Lin, if you are obedient, you will stay at home."

Ye Chen's tone also takes stern meaning, looking at Ji Lin.

Mie Wuji and his wife are very happy. Ye Chen's words mean that they agree to follow, but Ji Lin is not allowed to take risks.

After a pause, ye Chen offered another volume of heavenly book and said, "I'll give you this volume of Yunding heavenly book. You are good at cultivation and wait for us to come back."

Ye Chen's heavenly book is exactly the one on Yunding.

Ye Chen has just refined the wish Tianxing not long ago, and now he is ready to capture Longyuan Tianjian, so he needs to keep some Qi, so there is no refining Yunding Tianshu.

What's more, for ye Chen, this volume of Yunding heavenly book is not suitable for his breath.

The atmosphere of Yunding Tianshu is too ethereal, which is not consistent with Ye Chen's steady martial arts and Lingxiao martial arts.

But Ji Lin's flying and jumping character is more suitable for Yunding Tianshu.

Therefore, ye Chen simply presented this book to Ji Lin for her cultivation.

When Ji Lin refined the Yunding heavenly script, his cultivation became stronger and stronger, he could also be his help in the future.

"Oh, brother Ye Chen, do you give me such a valuable gift?"

Ji Lin was taught by Mie Wuji and his wife, and his vision and insight were also greatly broadened. He knew the power of Yunding Tianshu.

At this time to see ye Chen to give her, can't help but very surprised.

"Well, you can take it. This time Longyuan Tianjian comes out, it's very dangerous. You don't want to go with it. If something happens to you, I can't tell your sister. Stay at home for me! When I come back, I'll check your perception of Yunding heavenly book! "

Ye Chen's tone is rather severe, and it's extremely dangerous to fight for Longyuan Tianjian. Even he's not sure to come out alive, let alone take Ji Lin with him.

Therefore, Ji Lin must not be allowed to go with him on this trip.

Ji Lin saw that Mie Wuji and his wife, as well as ye Chen, were all strongly opposed. He knew that he had no chance. He vomited his tongue and said in frustration: "well, if you don't go, you won't go, but you must promise me that you must come back alive and don't have an accident!"

She was so intelligent that she had sensed the difficulty of the trip.

Even, she saw a great decision of sacrifice from the eyes of the miewuji couple.

Obviously, in order to help Ye Chen capture Tianjian, the two couples even have the intention of sacrificing themselves!

Hearing Ji Lin's words, ye Chen and Mie Wuji look at each other, feeling warm and sighing.

It's dangerous to seize the sword. They are not sure whether it's life or death.

"Remember, we must come back alive. Let's pull the hook."

Once again, Ji Lin made an agreement with Ye Chen and the Mie Wuji couple.

Mie Wuji and his wife almost burst into tears. They turned around and sighed.

"Jilin, you've really grown up."

Ye Chen touched Ji Lin's head.

Ji Lin smiles and says, "brother Ye Chen, I'm going to practice. It seems that you are a bit complicated."

Ji Lin took a look at the Tianshu on the cloud top, and realized that the contents were very complicated and mysterious. Even with her talent, it was hard to understand for a moment.

Ye Chen nodded and said, "go."

Now Ji Lin leaves and goes back to practice Yunding Tianshu, while ye Chen talks with miewuji and his wife about the details of seizing Tianjian, and exchanges martial arts with each other to get familiar with each other's magic power. When they meet a strong enemy, they can also cooperate.

Ye Chen will stay in the magic dust peak, waiting for the sky sword to come out. These days, ye Chen's mind finally calms down and can enter the state of cultivation. In a hurry of time, ye Chen practices every day, and competes with miewuji and his wife. In his spare time, he accompanies Ji Lin and guides her to refine Yunding Tianshu. In such a blink of an eye, it's time for the prohibition of Longyuan Tianjian to loosen. On this day, ye Chen and his wife Mie Wuji set out to tear the void "Brother Ye Chen, master, you must come back alive!" Ji Lin stayed in the magic dust peak, shouting to the three people and waving goodbye. Mie Wuji and his wife, each with tears in their eyes, want to go back to accompany Ji Lin and live in seclusion forever. But in the end, they are determined to repay Ye Chen and go to the Longyuan ruins together. They only hope that this trip will be smooth and profitable. They will get the Longyuan sword and go back to reunite with Ji Lin. Ye Chen is the same mind, not only reunite with Ji Lin, more importantly, he needs the power of Longyuan Tianjian to cure the blood dragon! When they came to the ruins of Longyuan, they saw countless people stepping into the ruins. Three people hide breath, change appearance, also through the entrance, officially enter the Longyuan ruins. In fact, in the seven or eight days before the ban was relaxed, countless people had entered the ruins ahead of time, waiting for the Tianjian to come out. Ye Chen three people enter, but saw incomparably lively picture. I do not know how many people, dense, like piles of ants, surrounded by the ruins of the outside. This remains of the land, a thousand miles around, not big or small, but the periphery is full of people, I do not know how many people. Ye Chen is very surprised. He has experienced a lot of secret places, treasure contests and so on, but he has never seen so many people before. He is so crowded that he has no place to stay.

Chapter 6007

Ye Chen, Mie Wuji, and Huan Chenyan were all in the crowd, and they were almost crowded together.

"There are so many people."

Ye Chen is surprised, so many people fight for Longyuan Tianjian, which is beyond his expectation.

It seems that Ren Feifan has been very successful in spreading the news. Now the water is completely muddled.

Magic dust flue: "the birth of Tianjian is not a small thing. Everyone wants to get a share. Even if they can't get Tianjian, it's a great chance to get the protection of Tianjian."

There are only eight swords in the world. The value of each one is unimaginable. It is enough to change one's life against heaven.

Just like xuanjiyue at the beginning, she was overpowered by Shitian, the master of the demons. However, because she was in charge of Shenluo Tianjian, she was more powerful than Shitian.

And Shen Tu Wan'er, who is a member of Shen Tu's family, pulled out the sword of Wuwei. She also changed her fate against heaven and shocked the world. In addition to the supreme world, her reputation even spread to the realm of heaven and man.

Hong Tianjing, Taishang tiannv and other great figures can have today's brilliant achievements, which is also related to taking charge of Tianjian.

The eight heavenly swords, refined with the soul of the old lord, contain the great power of the old lord. Moreover, they are forged with the unique formula of "Bing Zi" in the divine skill of Brahma.

At the moment, the place of Longyuan ruins is full of people who want to fight for it. We can see the attraction of Tianjian.

If anyone can get the Longyuan sky sword, he will become the brightest new star in the world!

In the center of the ruins, the huge Longyuan sword, which is ten thousand feet high, is standing quietly. The forbidden breath on the sword is constantly shaking and weakening, and it is about to loosen and break.

The fierce beasts, demons, evil spirits and ghosts in the land of ruins are all dormant. Many ruins guards, mechanical puppets, ancient mechanical birds floating in the sky, mechanical balls and so on are waiting quietly without any changes.

Because there are too many people outside. If they fight directly, they have no chance of winning.

Only when people are trapped in the ruins, the puppets and demons who are responsible for guarding the sky sword will have a chance to win.

Boom!

All of a sudden, the Longyuan Sky Sword in the central place and the forbidden runes surrounding the sword completely collapsed at this moment. All the forbidden runes were completely loosened, and even some of them were extinguished.

With the loosening of the Tianjian prohibition, the energy of many relics guards was also weakened. On their foreheads, there was a red crystal core representing the energy core, just like an eye. Now the red eye's light is obviously dim, and its power is obviously weakened.

"The prohibition of Tianjian is loose. Let's go!"

"Whoever can capture Tianjian is the new generation of overlord!"

"Change your life against the sky, and dominate the outside world. It's today. Rush!"

As soon as we saw that the prohibition of Tianjian was loose, many strong people yelled and roared, full of madness and excitement. Then all the people were in a commotion, like a tide of locusts, swarming into the ruins.

Ye Chen has never seen such a crazy scene before. He can't help but feel a little numb and look at each other with Mie Wuji and his wife.

Mie Wuji and his wife were also surprised, and then their eyes were solemn.

"These people are crazy. If they want to take charge of Tianjian, it's impossible without great fortune."

"The key is that some people's realm is not enough..."

"It can even be said that he is contemptuous, and he even tries to take charge!"

Magic dust smoke shook his head, did not expect people so crazy.

It's only because xuanjiyue was in charge of Shenluo Tianjian at the beginning, her sharp edge bloomed so much that everyone envied the power of Tianjian and wanted to win hegemony.

"Master, let's go in."

Ye Chen is also dignified, stepping into the ruins of the land, want to be in the hands of so many ferocious crazy people, grab the Longyuan sky sword, obviously not easy.

Moreover, he has not yet seen xuanjiyue and Emperor Shitian. It is obvious that the two men are well hidden and not easily exposed.

Even, there is annihilation silent sword spirit, ye Chen also don't know where.

It's even harder to compete with them.

Although it's hard, ye Chen won't give up. He steps into the ruins with Mie Wuji and his wife and goes directly to the Longyuan Sky Sword in the central place.

.....

But at this time, Hong Tianjing's suppression place, but there is a person quietly close, it is annihilation silent sword spirit.

When annihilating sword spirit came to the place of suppression, he saw that Hong Tianjing was surrounded by iron chains. The seal was a little looser than before, but it was still firm and hard to crack.

Hong Tianjing was sealed, unkempt, eyes closed, sleeping, but the body is tall and powerful, even if sleeping, the waist is straight, not the slightest decadent color, showing a powerful and domineering spirit, such as a sleeping master.

"King Hong."

Annihilation sword spirit close to the place of suppression, gently call, voice with respect.

"Well?"

Hong Tianjing was asleep. Hearing the call, he opened his eyes slightly and woke up. When he saw the silent sword spirit, his face remained unchanged. He said faintly, "what's the matter?"

Annihilation silent sword spirit gnawed teeth, way: "return to Hong Tian Wang, Gong Ye Sir was killed by Ren Fanfan." Hong Tianjing said with a smile: "is the destiny of Ren family going to tear my face at last? No matter what, his strength is no less than mine, and I would like to learn from him. " Annihilation silent sword spirit hears this words, immediately greatly surprised, way: "Hong Tian Wang, that Ren special so fierce?"? The strength is no less than you? " He thought Ren extraordinary strength, only with their own equivalent, where thought that the other party was not inferior to Hong Tianjing.

Chapter 6008

Hong Tianjing said with a smile: "son of destiny, do you think it's bragging? He didn't take you seriously, otherwise one finger would have crushed you thousands of times. "

The sword spirit was cold and sweaty, speechless.

Hong Tianjing stopped for a moment and continued: "that special emperor, whose cultivation is unfathomable, was originally a supreme man. I don't know why he was reduced to a foreign country. It's estimated that he was in order to avoid the pursuit of yuhuanggudi. You don't have to worry about him. He doesn't dare to take the lead easily, otherwise yuhuanggudi will kill him first."

Annihilation silent sword spirit way: "Heavenly King adult, that now dragon Yuan Heavenly Sword is born, do I want to capture?"

Now, the prohibition of Longyuan sky sword has been loosened, but the annihilation sword spirit didn't go immediately, because the water was too muddy and dangerous. He was alone and was not sure.

Hong Tianjing pointed out and said with a sneer: "Ren Feifan's good method is to muddy the water. There are too many people grabbing the sword. If there are too many ants, they can kill the elephant. Now gongyefeng is dead. It's really hard for you to do it alone. There are the two guys of Xuanjia and dishijia behind you."

Annihilation silent sword spirit low voice way: "that day Lord Wang, how do now?"

Hong Tianjing said: "Longyuan Tianjian naturally wants to capture. I have to rely on this sword to break the seal. You take my Fu Zhao to cooperate with Mazu Wutian to capture the Tianjian. After you get the sword, cut the seal for me, and then send this sword to Mazu Wutian. I think he is willing to."

With that, Hong Tianjing's aura condensed and turned into a Fu Zhao, which was handed over to annihilation sword spirit.

Annihilation silent sword spirit stunned way: "want to cooperate with the devil Zu Wutian?"? Does he want to win the sword? "

Hong Tianjing pointed to the deduction, identified the cause and effect, and said with a smile: "he wanted to fight against the ancient Yuhuang emperor. Naturally, he wanted to seize the Heavenly Sword, but others were forbidden in the dark, facing the pressure of wanxu, so he couldn't send someone to come in person."

Annihilation silent sword spirit a Leng, way: "since can't personally send a person to come, that we still how cooperate with him?"

Hong Tianjing said: "Wutian is in the realm of heaven and man. There is a subordinate force named Ruyi Zong, who holds the Ruzi formula in xiaofantian Gong. Ruyi Zong worships Wutian from generation to

generation. This time, he also wants to capture Longyuan Tianjian and dedicate it to Wutian. Go to Gao Feihan, the young leader of Ruyi Zong, and cooperate with him."

Annihilation silent sword spirit understands to come over, way: "yes, Lord of heaven, subordinate knew!"

After a pause, the silent sword Spirit said again: "but, after seizing the Longyuan sky sword, do you really want to give it to the devil ancestor Wutian?"

Hong Tianjing said: "yes, gongyefeng was killed, and our power was greatly weakened. We can only bear it. When we get the Longyuan sky sword, we can borrow it once, cut the seal, and then give it to Wutian. It's also a helpless move. But when I break the seal, all obstacles will not be a problem."

In his tone, he had a strong spirit, as if abandoning Longyuan Tianjian was just a trivial matter.

Annihilation sword spirit is admiration, deep admiration.

Hong Tianjing really has the demeanor of a big man. He dares to break and give up. Even Longyuan Tianjian is willing to give up, as long as he can break the seal.

If Hong Tianjing broke the seal and was born, he would be able to restore the edge of annihilation sky sword to its peak. At that time, he would be the person in charge of sky sword, and he would not be afraid of anything.

Annihilation sword spirit way: "Lord Tianwang, subordinates understand, this is to go to the ruins of the land, cooperate with Ruyi Zong, seize the sword!"

Hong Tianjing nodded and said, "very good. Go ahead. Remember, you should use clever methods. Don't conflict with the reincarnation Lord, Xuanji moon emperor Shitian and others. If you can seize the sword skillfully, don't use force rashly. You are not their enemy alone."

Annihilation sword spirit a little thought, is suddenly.

Ruyizong has mastered the ruzijue in xiaofantian Gong, which can change a lot. He can capture Tianjian by skillful means.

For example, the magic power of zijue is the seventy-two changes of Taoism, the changes of Tiangang and Disha, the changes of Yirong and so on.

When the seventy-two powers of change are exerted, they can change everything.

At that time, as long as you become a relic guard in disguise and fish in troubled waters, you can get close to Longyuan Tianjian quietly and capture the body of the sword smoothly, let alone not be found. Even if you are the real guard in the relic, many demons are hard to find in the chaos.

Annihilation sword spirit is very clever, has thought of this layer.

Hong Tianjing wants to cooperate with ruyizong, but he also sees the unique magic power of ruyizong, which can be used.

"Yes, Lord Tianwang, I understand. Let's go now!"

Then annihilation sword spirit set out, took Hong Tianjing's edict, and went to the ruins, ready to find Gao Feihan, the young master of Ruyi sect, to discuss cooperation.

There is a lot of cause and effect in this Fu Zhao. After careful investigation, annihilation sword spirit found a frightening command.

In the Fu Zhao, Hong Tianjing asked him to sacrifice his life when he was in danger. He also wanted to take the Longyuan Tianjian and never lose it.

"Is it time for me to sacrifice my chess piece?"

Annihilation silent sword spirit a sad smile, already feel today seizes the sword, oneself is more than good luck.

This is the fate of the chess pieces.

All pieces, in order to win the final chess game, may be sacrificed. And such a fate, naturally, is not his turn to resist." Well, Mr. Gongye, I'll be with you soon. " Annihilation sword spirit had many psychological preparations in ten thousand years. When fate came, he sighed and accepted. He had only one last hope in his heart, that is, Hong Tianjing broke the seal after he got the Longyuan sky sword, killed reincarnation, devoured six paths, and revived him in reincarnation heaven. Soon, annihilation sword spirit also came to the ruins, saw the dense crowd inside, also a little numb, quietly stepped into the ruins Ye Chen, Mie Wuji and Huan Chenyan are marching in the ruins, all the way to Longyuan Tianjian. It's a long way from their position to Longyuan Tianjian. If it's normal, you can get there in a flash. But at this time, the three are unable to move. The ruins of the land, full of many guard demons, evil spirits, ghosts and so on. Within two li of the three men's advance, several extremely huge relics guards stopped in front of them. These relics guards are more than ten meters high. Their bodies are made of metal, and their bodies are covered with copper. They are strong men of ancient times. They are specially made of metal puppets. They are specially used to guard the Longyuan sky sword. They have some simple intelligence and can chase and kill living people. Those relics guards, with huge swords in their hands, are the most powerful ones in this relic land. I don't know how many of them are. They guard the heavenly swords heavily and forbid anyone to get close to them.

Chapter 6009

At the moment, those ruins guards, the huge swords in their hands, are all stained with blood, and there are several broken bodies under their feet.

Obviously, the sword snatcher in front of Ye Chen's three had been killed by the ruins guard.

Several ruins guard throat, issued hoarse heavy metal voice, red one eye on the forehead, with strong murderous, toward Ye Chen three people ran to step on, lift the huge sword is cut down.

These relics guard, breath and Longyuan Sky Sword communicate with each other, hand with the edge of the sky sword to kill, very fierce.

When ye Chen, Mie Wuji and Huan Chenyan saw several huge swords coming, they all felt a huge sharp attack, as if they were going to cut up their bodies.

"Red dust God pulse, open!"

Ye Chen is not in a hurry, and does not easily use the disaster sky sword, but opens the red dust God vein, and the wisps of gold essence gather, forming a golden shield, encircling to guard himself and the exterminating couple.

Bang!

The remains of the puppets, giant sword to kill, immediately blocked by the shield.

"Misty rain dream, go!"

The magic dust smoke immediately hands out, between the slim hand waving, a wisp of smoke and water breath diffuses out, twines to the ruins guard.

These relics guards are metal puppets who are most afraid of the invasion of water vapor.

With the magic power of smoke and rain, wisps of water vapor break through the protection of the surface layer of the relic guards and go directly into the mechanical structure inside their bodies. When the water vapor bursts, the bodies of the guards click, and the mechanical structure is disturbed, making a creaking sound.

Bang!

In the end, those relics guard puppets all burst and were completely destroyed.

The magic dust smoke breathed a sigh of relief, the spirit consumed too much, and his face turned pale.

"Ma'am, are you all right?"

Mie Wuji quickly went up to hold her and asked with concern.

Magic dust flue: "it's OK. It's not safe here. Let's go."

After the ruins were destroyed, there were more than a dozen guards nearby. Hearing the sound, red eyes on their foreheads flickered. With murderous spirit, they strode towards Ye Chen and others.

Ye Chen's face sank, and he felt extremely dangerous. He quickly left with Huan Chenyan and Mie Wuji to find a place to settle down.

And the more than ten relic guards are still in hot pursuit.

"There seems to be a fierce battle."

Ye Chen clenched his teeth, the palm of his hand was slightly covered with traces of destruction, ready to move.

Hum!

But at this time, ye Chen noticed that there was abnormal movement in his body.

At this moment, his dragon Yuan's imperial edict vibrated violently and communicated with the dragon Yuan sword thousands of miles away.

And those ruins guard, sensing the vision, immediately stopped, did not chase Ye Chen, after a meal, turned to leave.

"What's going on?"

Illusory dust smoke and extinguish limitless burst of surprise.

Ye Chen took out the Fu Zhao and said happily, "I have the Fu Zhao of Longyuan sword spirit. It seems that it is the aura of Fu Zhao to avoid us being attacked."

Magic dust smoke happy way: "that's great, those ruins guard is too fierce, if can avoid being attacked by them, nature can't be better."

The guard puppets all have the blessing of Longyuan Heavenly Sword. They attack and kill very badly. Now ye Chen has a Fu Zhao to protect himself from being attacked, which saves a lot of trouble.

At present, the three continued to move forward, and they were not attacked by the ruins guard, but there were still many ghosts and evil spirits, demons and beasts attacking them.

Fortunately, these ghosts and evil spirits, demons and beasts are not blessed with the power of Longyuan Tianjian. They are easy to deal with, and there is no danger for them.

Time passed in a hurry, and it soon came to night. The light of the ruins was completely dim. Many ruins guards, demons and beasts were greatly strengthened in the dark.

"Let's have a rest first."

Ye Chen stops and goes forward in the dark. It's too dangerous and obviously not a good choice.

Mie Wuji and Huan Chenyan nod and agree with Ye Chen's plan.

Even if no matter the danger in the night, the three people have been running for a day, they still need to rest and adjust.

The earth vein of Longyuan ruins is affected by the prohibition of Longyuan Heavenly Sword, and the evil spirit is very strong. The three people are constantly attacked by the evil spirit among the ruins, and their meridians are tired, so they need to adjust their breath to resolve.

In front of the three people's eyes, is a deserted ancient palace, there is a broken plaque fell down, on which can be seen the word "Zhu Lian Mi Gong".

In the palace, there are many large metal remnants, arrays and so on, in constant operation.

In addition, there are many unformed metal puppets, stacked on one side.

This place called Zhulian secret palace is obviously a place where metal puppets are made and relics are guarded, but it is abandoned for some reason.

In the palace, there was a strong fire everywhere, which scattered the evil spirit.

In other words, if you rest here, you can get the best adjustment without the influence of Yin evil Qi.

Ye Chen three people luck is very good, unexpectedly can find such a suitable place to rest, obviously is Ye Chen's great luck. At present, the three enter the casting secret palace, light a bonfire and have a rest on the ground. Ye Chen took out some natural materials, treasures, rare fruits and so on from the wish star, and shared them with Mie Wuji and Huan Chenyan. As they were resting, they suddenly heard the sound of footwork outside. Then they saw a young man in a brocade robe striding in with more than a dozen servants.

Chapter 6010

The servants behind the man were all dressed in black. Their faces were full of determination, but their eyes were full of fear and despair. They seemed to be the dead men trained by the man.

This time, these dead men are all pieces to be sacrificed.

Mie Wuji and Huan Chenyan were shocked when they saw the man in the brocade robe. They were disgusted in their eyes and cried: "Gao Feihan, it's you!"

The man in the brocade robe was surprised when he saw them. He said: "it's a coincidence, two elders. I didn't expect to see you here. It's fate. Where's sister Jilin?"

The man named Gao Feihan, looking around, did not see Ji Lin, beside Mie Wuji and Huan Chenyan, only followed Ye Chen.

When he saw that ye Chen's cultivation had only one level of truth, he didn't pay much attention to it. He thought he was the disciple of Mie Wuji and his wife.

Ye Chen heard that Gao Feihan actually asked Ji Lin to be his sister. He frowned and said to Mie Wuji and his wife, "two elders, who is he and what is his relationship with Ji Lin?"

Mie Wuji snorted and said, "it's the young master of Ruyi sect. His name is Gao Feihan. He came to Huanchen peak some time ago and wanted to propose marriage to Ji Lin."

Ye Chen is one Leng, way: "propose a marriage?"? Ji Lin is still so young. How can I get married? "

Gao Feihan over there laughed and said, "although Ji Lin's younger sister is young, she has grown up after a few years. She has great talent. I like her very much. First, she married her as a child's daughter-in-law. A few years later, she grows up, and it's not too late for her to become a family member."

Ye Chen heard the word "child daughter-in-law". He was furious and said: "beast! Die for me

Said, ye Chen suddenly a palm clap, palm wind just fierce as thunder, toward Gao Feihan kill.

When he hears that Gao Feihan is the young leader of Ruyi sect, ye Chen has already deduced the secret. Along this clue, he has a deep insight into each other.

This ruyizong is actually a subordinate force of the old Japan alliance!

For generations, Ruyi Zong has worshipped Wutian, the devil's ancestor. This time, Ruyi Zong stepped into the ruins to seize the Longyuan Heavenly Sword and present it to Wutian, the devil's ancestor, in order to seek the chance to become the supreme.

Ye Chen had been fighting with jialouluo before, and had already formed a feud with the old alliance, which could not be resolved easily. In this case, he was merciless and ran to take Gao Feihan's life.

The other party wants to defile Ji Lin, which is something Ye Chen can't tolerate.

He has already seen Gao Feihan's cultivation details, which is probably the eighth floor of Taizhen realm.

With Ye Chen's current strength, it's like crushing an ant to kill a cultivator of this level.

"What

That Gao Feihan see ye Chen a palm clap, only scared heart, but not just that arrogant appearance.

Ye Chen's hand has already used the martial arts of the small tower's hand. It's just fierce and fierce. It's like crushing mole ants to kill Gao Feihan.

Mie Wuji and Huan Chenyan are also surprised, but they didn't expect that ye Chen would suddenly be furious.

Seeing Gao Feihan, he was about to be killed by Ye Chen. At this time, a servant behind him, the dead man, flew out and stood in front of him.

Bang!

Ye Chen a palm blast kill in the past, will that servant death person blow up, the latter blood and flesh fly all over the place, in an instant die of unnatural.

Gao Feihan came back from the gate of death, only scared out of a cold sweat, cried: "who are you! Your strength is not as simple as it seems! "

Only from ye Chen's palm, his real fighting power has surpassed that of Mie Wuji and Huan Chenyan, which is indescribable.

Gao Feihan deeply panics, only feels that he is a mole ant like existence, absolutely is not ye Chen's rival.

Under the panic, there was a dark air released from his body. It seemed that he was brewing some cards. However, this card seemed very important, but he didn't expose it easily.

Bang!

He had more than a dozen servants under his command, but they all pulled out their swords and guarded him.

Ye Chen cold hum a, but don't care at all, prepare to once again hand.

"Xiaoyou, don't be impulsive."

Mie Wuji intercepts Ye Chen with a solemn voice.

Magic dust smoke also gently hold Ye Chen's hand, way: "this guy is Ruyi Zong's little master, behind has the devil Zu Wutian guard, don't easily tear face, otherwise offend the devil Zu Wutian, not easy to clean up."

Obviously, the reputation of Mozu Wutian, miewuji couple are also like thunder, dare not offend easily.
