

Physician 6011

Chapter 6011

Ye Chen see each other's change magic power, suddenly suddenly.

It turns out that Gao Feihan's magic power is the Ru Zi Jue in Xiao Fantian Gong.

For example, zijue is the method of seventy-two changes of Taoism, which can be changed at will. When this magic power is used, it can be turned into creatures such as mosquitoes, snakes, ants, sparrows, bees, wolves, lions, tigers and leopards, as well as temples, forests, mountains, buildings and so on. It can also be changed into anyone's appearance. It's really wonderful.

"You have a little vision to recognize the power of Ruyi sect. Today, you Huanchen peak dare to humiliate me like this. I will tell the devil Wutian when I go back. You wait to die!"

Gao Feihan bit his teeth, but he didn't dare to fight ye Chen. With a wave of his hand, he wanted to take people away.

After all, his word formula is a magic change like a cover up, not a magic power to attack and fight. If a fight starts, he will never be ye Chen's enemy.

Ye Chen's palm technique is too powerful, and the martial arts implication is extremely powerful. The so-called force breaking ten thousand methods, once Ye Chen's palm force breaks out, it's really impossible to stop any magic.

Ye Chen snorted. He was about to kill him when he heard a heavy sound of footsteps around him. However, he saw dozens of ruins guards coming from all directions of the palace with fierce steps.

In the sky, there are more than a dozen ball like relic hunters, their eyes twinkling with red light, surrounded by them.

"What's the matter?"

Ye Chen is surprised, but he didn't expect that so many ruins guards would appear suddenly.

Gao Feihan was also shocked. He wanted to escape from the side path, but now all the exits around him were blocked by the ruins guards, and he couldn't escape at all.

"Damn it, it's xuanjiyue. She wants to take my Xianfu Tianshu!"

Gao Feihan gritted his teeth and looked around at the ruins guards, only to find that on each guard puppet's body, there was a faint light of Ancient Runes.

Those runes are the Runes of heaven!

And the way of heaven Fu is the magic power of xuanjiyue!

In other words, xuanjiyue used Tianfu Daofa to control these guard puppets!

"Xuanjiyue?"

Ye Chen also sees the clue. He holds the sword spirit Fu Zhao of Longyuan Tianjian, and would not have been attacked by the guards. But now, the guards around don't mean to let Ye Chen go, and ignore the sword spirit Fu Zhao directly.

Obviously, all the guards are controlled by xuanjiyue.

Xuanjiyue didn't know where to hide, and she was controlling everything silently.

Bang Bang

Dozens of relic guards, like ancient giants, strode around and killed yechen, miewuji and huanchenyan with huge swords. Gao Feihan was also attacked with the same indifference.

The body of these relic guards is made of metal. They are huge, heavy and powerful. They are really hard to deal with.

Ye Chen's face is slightly dignified. If you pull out the disaster sky sword, you can easily break the puppet by relying on the edge of the sky sword.

But the sky sword can't be used lightly, and ye Chen didn't draw the sword rashly.

"Destroy the seal, open it!"

In the crisis, ye Chen suddenly drinks, and directly opens the seal of destruction. There is an extreme God of destruction in the palm of his hand, and he hits a guard in front of him.

Bang!

Ferocious one palm falls, the body of that relic guard, be hit by Ye Chen one palm to explode immediately.

However, the number of guards around is too many. After ye Chen smashes one head, there are several more to kill, and several terrible swords are cut down, which is suffocating.

You know, these relics guards can use the edge of the dragon Yuan sky sword, and the killing breath is naturally very important.

Ye Chen doesn't dare to neglect it. He dodges and moves. He uses his powerful hand to cooperate with the destruction of Daoyin to deal with those relics guards.

Mie Wuji, who is also proficient in destroying Daoyin, even reaches the level of jiucengtian. He and Huan Chenyan work together to deal with the relic guards, but there is not much danger.

Gao Feihan, however, was quite embarrassed. Facing the attack and killing of many guards, he was a little difficult to resist, and soon lost three dead men.

"Go! The situation is not good! "

"The profound meaning of Taoism, seventy-two changes, harmony with the world!"

Gao Fei Han was as like as two peas in a critical state. He changed his body and became a monument of the ruins. It seemed to be a ten meter tall man. It was also a shell made of metal, which was exactly the same as the surrounding guards.

This is the magic power of ruyizong. Although the combat effectiveness is mediocre, the change of magic is almost to confuse the true with the false, which makes it difficult to distinguish.

Just now, all the guards who attacked him stopped. They were a little confused and stood still.

With the simple mind of these guards, we can't understand why the enemy suddenly becomes the same kind.

Taking advantage of this opportunity, Gao Feihan rushed away with his servants in a bit of confusion.

When ye Chen saw Gao Feihan's magic change, he suddenly realized it and thought, "this guy wants to use magic to capture Tianjian, but it's a very clever way!" If Gao Feihan becomes a relic guard, he can hide from the sky and cross the sea, and approach Longyuan Tianjian quietly. No one can find him. But when ye Chen thought about it, he realized that it was wrong. He murmured: "to hold the sword, you need the strength and luck against the sky. Even if you get close, how can you really win the sword with his strength of eight layers of heaven?" On second thought, he found the other party's plan again and said, "I think that the dozen servants he trained are the dead. I want to sacrifice them and get the approval of Tianjian, but how can it be so easy?" Among the eight heavenly swords, the disaster Heavenly Sword and the wild devil Heavenly Sword are in Ye Chen's hands. Naturally, he knows how hard it is to hold the Heavenly Sword. He doesn't have strong strength. If he wants to rely on clever

methods, he is just deceiving himself and others. He can't succeed. Just thinking, ye Chen finds the attack of the guards around him and stops suddenly. Then, all the relic guards stand in line, divide into two sides, clip out a passage, the line-up is solemn, it seems to meet something. Then, at the end of the passage, a graceful figure came slowly. Ye Chen see that figure, immediately surprised, blurted out: "Xuan Ji month! It's you And the figure that comes slowly is xuanjiyue. Xuanjiyue was alone, but she didn't carry any attendants. She was dressed in apricot yellow palace clothes and sword around her waist. She was graceful and graceful, like a halo with her own. Against the backdrop of the huge relics guard puppets on both sides, she seemed to be the supreme ruler with a very noble temperament. Mie Wuji and huanchenyan are also on guard when they see xuanjiyue appear.

Chapter 6012

Xuanjiyue was able to control the relic guard. Obviously, the cultivation of Fudao in heaven has reached the state of perfection. She can control the puppets by using the Fuzhao.

Xuanjiyue came slowly with a light smile at the corner of her mouth. She looked at yechen and said with a smile, "Lord of reincarnation, long time no see."

Ye Chen bites his teeth and looks around. He doesn't see the emperor Shitian. Xuanjiyue is alone.

He held the hilt of the disaster sky sword at his waist and was on guard.

Ye Chen's cultivation at this time has reached a level of reality, and his vision has been greatly broadened. He can deeply feel the strength of xuanjiyue.

Xuanjiyue's real cultivation seems to be beyond the realm of Taizhen, but she has not yet reached the realm of Baiji. She is a strong man in the realm of Baiji.

In fact, with xuanjiyue's accumulation and adversity, she was able to break through the hundred shackles, and even cut the number of shackles to reach the big level of 81.

However, she never made a breakthrough and suppressed her accomplishments. It was obvious that she had a bigger plan.

Although chopping flail eighty-one is already a kind of talent against heaven, it's not enough for xuanjiyue. She needs to release more powerful potential.

It's said that the number of flail cutting in wanxu was as much as 93, which is a shock to the past and the present.

Obviously, xuanjiyue also wanted to pursue this kind of realm. This time, she captured Longyuan Tianjian for a breakthrough.

After eighty-one shackles, every time you want to cut one more, it's a big obstacle, which is extremely difficult to break through, and the edge of Tianjian is very helpful to cut the shackles.

Ye Chen is deeply on guard. In fact, with his current strength, he can already fight against xuanjiyue. But the problem is that xuanjiyue can break through the shackles at any time. Once she steps into a hundred shackles situation, she can't fight against the heaven on the spot.

"Xuanjiyue, we finally ushered in the final decisive battle. It's time for us to make a decision on the cause and effect of the past gratitude and resentment."

Ye Chen's eyes are sharp. Although he knows how hard it is to fight, he doesn't shrink back.

Since xuanjiyue appears today, it means that the final decisive battle is coming!

Ye Chen doesn't have no chance to win. As long as he can kill xuanjiyue before she breaks through the shackles and doesn't give her the chance to break through the shackles, ye Chen still has a chance to win.

After all, xuanjiyue's apparent fighting power is actually the level of shengyunzun and yuhuangqingshu.

Her strength lies in her deep spirit and accumulation. She can break through at any time.

Ye Chen is not afraid of her luck, but of her accumulation of martial arts.

Once xuanjiyue breaks through the shackles, ye Chen will die.

With his current strength, he can't fight against the strong one in baijiejing.

Before that, ye Chen almost fell in the battle with the garuro Dharma protector, and the blood dragon fell into weakness. It is conceivable that the hundred flail realm is powerful.

Xuanjiyue heard Ye Chen's words, but she said with a smile: "is it the final battle? Ha ha, it's not the time yet."

Ye Chen a Leng, way: "Xuan Ji month, what do you mean?"

Xuanjiyue said with a smile: "it's not interesting. Today I don't want to fight with you, I just want to cooperate with you."

Ye Chen is more astonished, a way: "cooperation?"

On one side, Mie Wuji and huanchenyan are also extremely surprised. Unexpectedly, xuanjiyue will say something about cooperation.

Xuanjiyue's destiny and yechen's reincarnation must be old enemies!

Xuanjiyue smile convergence, quite some condensation heavy way: "yes, is cooperation."

She looked at Mie Wuji and his wife again and said, "I want to fight against emperor Shitian with you."

Ye Chen said: "against the emperor Shitian?"

Then his eyes a coagulation, pinch to point to a calculation, immediately found a trace of terror breath, way: "heart evil judgment!"

Xuanjiyue said: "it is this time that the dragon Yuan Sky Sword came out. The emperor Shitian wants to use the evil spirit of the earth vein here to launch the trial of demons!"

Ye Chen's eyes narrowed and said: "everyone wants to fight for the sword of heaven. The magic barrier in everyone's heart is infinite. Once they are killed by the judgment of the devil, they are afraid that everyone will fall and become the puppet of the emperor Shitian!"

With the advent of Longyuan Tianjian, ye Chen's attention is always focused on Tianjian, but he has forgotten the hidden danger behind so many people seizing the sword!

Once emperor Shitian starts the trial of the heart and the devil, it will be a terrible end!

This heart devil's risk, leaf Chen didn't notice, Ren special impossible to miss calculate.

Since Ren Feifan is determined to muddy the water and let so many people venture into it, I'm afraid he also means to lead to Emperor Shitian.

Xuanjiyue said: "the emperor Shitian has been improving day after day. At present, his cultivation of the great curse sword has reached the seventh level, which is hard for ordinary people to resist. The reincarnation Lord can only compete with him by relying on your great star sky."

Hongmeng big starry sky is an excellent magic power to fight against the demons. Xuanjiyue wants to cooperate with Ye Chen, obviously also seeing this.

Ye Chen ha ha a smile, way: "want to take me as a shield?"

Xuanjiyue said: "it's not a shield. It's only you who can block the judgment of the heart demon. Let's work together to kill the emperor Shitian and eradicate this big cancer of the heart demon. Besides, as for the gratitude and resentment between you and me, we'll calculate it later."

Ye Chen said with a smile: "xuanjiyue, your abacus is loud. Take me to resist the emperor Shitian. After that, my aura is exhausted, and you can capture Longyuan Tianjian to your heart's content. No one can stop you. At that time, even I will be killed by you." Ye Chen to see through xuanjiyue's trick, if two people work together, there is a great chance, can kill emperor Shitian. But the problem is that ye Chen will spend a lot of aura to open the vast sky and resist the demons. Even if he can kill emperor Shitian, he will fall into weakness and can no longer compete with xuanjiyue.

Chapter 6013

Xuanjiyue said: "I really think so, but you are not a fool. You can't be at my disposal. So, in order to show your sincerity of cooperation, when you open the Hongmeng starry sky, I will sacrifice blood essence for energy. In a word, I won't let you lose."

Ye Chen eyes micro movement, "Oh" a, it seems xuanjiyue really has the sincerity of cooperation.

After all, ye Chen is not what he used to be. All his intrigues are false to Ye Chen. He can't be trapped.

The only way to win is to speak with integrity and strength.

Xuanjiyue knew this well, so she didn't plan to cheat. She wanted to cooperate sincerely. She wanted to kill the emperor Shitian first.

When the emperor Shitian is wiped out, she asks herself that with her strength, she has at least 70% chance to win the Longyuan sky sword.

Ye Chen's face is a deep, also know deep Xuan Ji month strength of strong.

Even without any intrigue, xuanjiyue has a great chance to capture Longyuan Tianjian just by relying on her strength.

Ye Chen's chance will not exceed 30%.

Mie Wuji and Huan Chenyan look at each other. The two couples definitely nod. Then Huan Chenyan says to Ye Chen, "Mr. Ye, you can cooperate with her."

Ye Chen was slightly surprised and said: "master, but..."

With a smile, Huan Chenyan said, "we have another card to help you win the sword. Xuanjiyue doesn't want to get the Longyuan sky sword that easily."

Ye Chen is puzzled, but he doesn't know what the Mie Wuji couple have. He thinks that Mie Wuji was once a man under the command of henggu Shengdi and thinks, "is there anything left by henggu Shengdi?"

Seeing the appearance of Mie Wuji and his wife, Xuan Jiyue was also scared and thought: "these two old things are inextricably linked with henggu Shengdi. They really can't be underestimated. If they interfere, I can only grasp 50% of the sword at most."

Ye Chen thought for a while, then nodded and said, "OK, xuanjiyue, I'll cooperate with you. Let's join hands first and kill the emperor Shitian."

In the previous life, xuanjiyue joined hands with emperor Shitian to kill the reincarnation Lord.

In this life, ye Chen is ready to cooperate with xuanjiyue to kill the emperor Shitian. It's a change of fate. No one can imagine such a change.

Xuanjiyue clenched her teeth. Although she was afraid of the intervention of the Wuji couple, there was no other way at this juncture, and she said: "OK, high five for oath!"

Ye Chen nods and claps high five with xuanjiyue. They make an oath and decide to kill emperor Shitian and fight for Longyuan Tianjian.

After the agreement, xuanjiyue's eyes narrowed slightly, and then said: "the emperor Shitian is about three or four days later. When the evil spirit of the heart accumulates to the extreme, he will launch the trial. During this period, you will pursue Gao Feihan with me first."

Ye Chen's eyes moved and said: "Gao Feihan, the little master of Ruyi sect? You want to kill him? "

Xuanjiyue said: "yes, he has a volume of immortal talisman in his hand. It's one of the four volumes of immortal Buddha, devil and demon ". It has been refined by the essence and blood of the demon ancestor Wutian. Its quality is extremely powerful. It has a great effect on my Tianfu Taoism. If it can be captured, my Taoism will be greatly improved."

The four volumes of the great book of heaven are Xianfu book of heaven, foyu book of heaven, demon blood book of heaven, and demon fog book of heaven.

The book of Buddha rain and the book of demon blood have been given to Li Qingshan by Ye Chen, while the book of demon fog is in the hands of Lin Tianxiao.

The last volume of Xianfu Tianshu was originally in Gao Feihan's hands, and it was also refined by the essence and blood of Wutian. In terms of quality, it is more powerful than other great Tianshu.

Ye Chen faintly found that it was wrong and said: "since you want to seize the book of heaven, why do you want to let Gao Feihan go? It's not troublesome to pursue and kill again now? You were able to kill him

Xuanjiyue has just manipulated the relic guard. If he really wants to kill someone, even if Gao Feihan uses the word formula, he can't escape.

Xuanjiyue said with a smile: "I just want to bring out the characters behind. Have you forgotten Hong Tianjing? Speaking of it, I'm lucky. I just wanted to chase Gao Feihan, but I didn't expect to meet you here. It's a coincidence. It seems that heaven is destined to cooperate with us. "

Xuanjiyue didn't intend to kill yechen, because she didn't know where yechen was. She didn't expect that yechen was here because of the cause and effect. It seemed that they were destined to meet and cooperate.

Ye Chen heard "Hong Tianjing" three words, immediately heart a Lin.

Hong Tianjing is sealed, so it's impossible for him to appear here, but the annihilation sword spirit under Hong Tianjing's command will surely appear!

Ye Chen points out that he has caught the chance of heaven. This time, he seems to want to cooperate with Gao Feihan. But in a hurry, he can't see the details of the other party's cooperation. He only knows that his plan is important and he also wants to win the Longyuan sky sword.

For Gao Feihan, ye Chen is also extremely disgusted. After all, the other party dares to have plans for Ji Lin's children of such an age. It's too shameless.

At that moment, ye Chen thought for a few seconds and said, "yes, we will chase that guy together. If we meet annihilation sword spirit, we will kill him together!"

A Gao Feihan, mole ant just, no matter Ye Chen, or Xuan Jiyue, have no attention.

What they attach importance to is the possible annihilation sword spirit! If in the past, in the face of annihilation silent sword spirit, ye Chen may be incomparable fear. But now, ye Chen is not what he used to be. His cultivation has advanced by leaps and bounds, and he has the qualification to fight against annihilation sword spirit. With xuanjiyue's words, you can even kill each other with absolute assurance. Once the annihilation sword spirit is killed, it is to get rid of Hong Tianjing's right arm, which will greatly benefit the future layout. After a pause, ye Chen said again: "but, xuanjiyue, you have to promise me that you can't refine it immediately when you get the Xianfu Tianshu. You need to refine it after the Longyuan Tianjian belongs to you." Now ye Chen has the help of Mie Wuji and his wife, barely keeping a balance with xuanjiyue. It's not known who will win Longyuan Tianjian. But if xuanjiyue had refined the immortal talisman, he would have made great progress and broken the balance. At that time, ye Chen would lose the qualification to win the sword, which he could not tolerate. Xuanjiyue's pretty face turned a little pale. She didn't expect that ye Chen was so careful in his plan. He said with a smile, "OK, I promise you." She knows that at this time, any refutation is useless and will only hurt the foundation of cooperation. She can only be honest. Ye Chen nods, and then talks with Xuan Jiyue about some important joints. Finally, he decides to kill Gao Feihan and return the immortal Fu Tianshu to Xuan Jiyue, such as zijue to Ye Chen. After destroying the Mountain Gate of Ruyi sect, all the resources, natural resources, local treasures, and the luck of the Mountain Gate also belong to Ye Chen. If they can kill annihilation sword spirit, they will share everything of annihilation sword spirit equally.

Chapter 6014

After everything is agreed, they set out to pursue Gao Feihan.

Mie Wuji and his wife followed ye chenxuan and Jiyue.

Xuanjiyue has left a secret note on Gao Feihan by means of Tianfu Daofa. In the place of Longyuan ruins, this secret note is not easy to catch, but it can barely tell a general direction,

The closer they were to the secret, the clearer the sense of cause and effect became. In any case, Gao Feihan could not escape and would die.

.....

At the same time, after Gao Feihan escaped from the casting and refining secret palace, he hurried all the way to a secluded place, pinching his fingers and calculating. He felt that he was covered with dark clouds and exhausted. The situation was very bad.

"These lunatics, one by one, are so bold that they really want to split their face with Mozu Wutian."

Gao Feihan's breathing is scattered. When he stepped into the ruins, he wanted to capture Longyuan Tianjian by using the ingenious method of Ru zijue.

But I didn't expect that xuanjiyue would chase him, and the magic dust peak would tear his face.

He thought that he had the name of the devil's ancestor Wutian to protect him, so he could be safe. No matter xuanjiyue or yechen, he didn't mean to be afraid, so he wanted to take his life.

"Young master, why don't we go back at once?"

A servant died.

Gao Feihan's heart is confused, and he is afraid to leave. It seems that the muddy water of fighting for Longyuan Tianjian is not what he can do.

However, in his mind, he came up with the immortal figure of the demon ancestor. He could not help shivering and said, "before I set out, I had already told God to pray to the demon ancestor, saying that I would take the dragon Yuan sword to death. Where can I go back?"

The servants were silent and speechless.

Now that you have made an oath to Wutian, you must not disobey it, otherwise it will be worse than death.

"Ha ha, why are you so scared? I can help you

Just as the crowd was hesitating, a calm laugh rang out, and a man full of fierce sword spirit appeared slowly.

"Annihilating sky sword, it's you!"

Gao Feihan recognized the man as soon as he saw him.

This man is the spirit of Hong Tianjing's sword.

Annihilation sword spirit ha ha a smile, go to Gao Feihan's side, sacrifice Hong Tianjing's Fu Zhao, way: "I am on the order of Hong Tianjing, specially come to cooperate with you, common capture Longyuan sky sword."

As soon as Gao Feihan saw the Fu Zhao, he felt his breath slightly. He was surprised and said, "if Hong Tianjing wants to cooperate with me, it's better. He knows the magic ancestor's power."

When annihilation sword spirit heard his words, he was disgusted and thought: "this guy is very powerful. If he didn't dare to bully the heavenly king, I would have killed him with a sword!"

Although he said that in his heart, the annihilation sword spirit was silent on the surface. Instead, he said with a smile: "the demon ancestor has no heaven and is very powerful. My master also admires him very much. This cooperation, I hope that the little master will show his wonderful magic power like the word formula, close to the Longyuan Sky Sword and seize it quietly, without disturbing anyone."

Gao Feihan said: "that's natural. I'm here. It's no problem to capture Tianjian, but xuanjiyue is chasing me. You have to solve it for me."

Annihilation silent sword spirit hears this words, facial expression matchless self-confidence, way: "no problem."

Gao Feihan thought about it, and then said: "I heard from master Mozu. He said that Hong Tianjing was sealed and needed to break it with the help of Longyuan Tianjian. When he got the Longyuan Tianjian, I could lend it to you once. But afterwards, if you want to give me the Longyuan Tianjian, I have to offer it to master Mozu."

Annihilating sword spirit was angry and wanted to kill people, but Hong Tianjing had orders. He could only endure his anger and said, "no problem, young master, I promise you."

Gao Feihan was overjoyed. With the help of annihilation sword spirit, and with his magic power, he was almost sure to capture Longyuan Tianjian.

He was very excited to think that after winning the sword, he would be appreciated by the devil.

However, the silent sword Spirit said in a deep voice: "when I stepped into the ruins, I caught a faint wave of the sword spirit of the heart demon. The emperor Shitian may be ready to launch the trial of the heart demon. We can't move lightly. We'll be on guard for a few days and watch the change quietly."

Gao Feihan hears speech, immediately surprised, way: "emperor Shi Tian wants to launch heart evil judgment?"

At the beginning of the Tusheng meeting in Di Yuan hall, Emperor Shitian had already launched the trial of heart demons, which shocked the world. Of course, Gao Feihan also heard about it, and knew the power of heart demons' big curse sword.

At this time, when he heard that the emperor Shitian was going to launch the demons, he could not help sweating. He was greatly frightened. He was afraid that he would be swallowed up by the demons and become a puppet.

Annihilation silent sword spirit lightly nods, way: "little Lord, please rest assured, have me here, Emperor Shi Tian can't hurt you."

Gao Feihan saw the appearance of annihilation sword. He knew that the opponent was the supreme sword, and he had Hong Tianjing's imperial edict in his hand. He must have a way to fight against the demons. He immediately felt a little relieved and said, "well, good. Thank you very much. In the future, I will speak a few words for you in front of devil Wutian, and I won't treat you badly."

Annihilation sword spirit has murderous spirit in his eyes, and the knuckles of his palms click, but he is forced to endure, not angry, and says: "that's good. Thank you, little master." At the moment, the sky sword is sacrificed, the light and shadow are divided, the sword is shot continuously, and the sword array is set up to defend against the coming demons.

Chapter 6015

Gao Feihan saw his opponent's way of setting up the imperial sword array. He felt cold in his neck and thought, "if he wants to kill me, I'm afraid he can't stop his sword."

Now I dare not talk nonsense and shut up.

When annihilation sword spirit saw that he was finally willing to be quiet, his anger subsided a little, and he hummed a little. After the sword array was finished, he sat down and said with a smile, "I heard that the young master wants to marry Jilin, the saint of huanchenfeng?"

When Gao Feihan heard that Ji Lin was mentioned by him, he suddenly got a boost. His mind came up with Ji Lin's beautiful figure and said, "yes, if Hong Tianwang breaks the seal in the future, he will ask him to be a witness."

He saw the means of annihilating the sword spirit to defend the sword array. He knew that the other side was strong. Hong Tianjing, who was behind him, was more unfathomable. So he was polite and didn't dare to be as presumptuous as he was just now.

Annihilation silent sword spirit way: "that little saint's body hasn't grown up, the age is also a little younger, unexpectedly the little patriarch has this kind of hobby."

Gao Feihan said with a smile: "Ji Lin's younger sister is young now, and she will grow up in a few years."

Annihilation silent sword spirit ha ha a smile, way: "you since want to marry her, rather than even her elder sister also married together, bloom and di Lian, isn't wonderful?"

Gao Feihan naturally knew Ji Lin's life experience and said, "I heard that her elder sister Ji Siqing is the reincarnation of the ancient female martial god and the person around the reincarnation Lord. I dare not offend the reincarnation God and the woman who touches the reincarnation Lord."

He didn't know that ye Chen was the master of reincarnation.

Annihilation sword spirit way: "today Longyuan sky sword come out, reincarnation of the Lord will come to rob, have me here, that reincarnation of the Lord will die! At that time, the famous flower of Ji Siqing has no owner. You can pursue her heartily. If you can get her heart, it will be of great benefit to your future cultivation. The legendary martial god Tianzhu is in Ji Siqing's blood. "

Gao Feihan was surprised and said, "is the martial god Tianzhu, the legendary Xuantian Lingbao, the supreme artifact of the thirty-three days, in the blood of Ji Siqing?"

The magic weapon above the chaotic spirit treasure is called Xuantian spirit treasure.

Xuantian Lingbao, also known as Taishang artifact, most of them are spread in the Taishang world. Only the real emperor can give full play to the real power of Xuantian Lingbao.

Apart from the supreme world, there are few Xuantian Lingbao in the outside world. Every one of them is very rare and rare.

Among the Xuantian Lingbao, there are 33 extremely powerful ones, which are called "the supreme artifact of the thirty-three days". Just as there are 33 Hongmeng magic weapons, 33 chaos treasures and 33 top Xuantian Lingbao, these are the legendary thirty-three days supreme artifact.

Annihilation sword Spirit said: "yes, there is a legend of ten Heavenly pearls among the thirty-three heavenly weapons. The martial god heavenly pearl in the ten Heavenly pearls is the energy source of the ancient female martial god. Once this heavenly pearl recovers from Ji Siqing's blood, she can restore all the power of the ancient female martial god. If you practice with her, you can get the nourishment of the martial god heavenly pearl, This life is full of good fortune. "

Gao Feihan was overjoyed when he heard the words of annihilation sword spirit. He had endless longing in his heart and said: "that's very good. I'll marry Ji Siqing, Ji Lin's sister. I'm a believer under the command of the devil ancestor Wutian. She follows me and has a bright future."

Annihilation silent sword spirit heart sneer, but didn't think that Gao Feihan so arrogant, don't know heaven and earth, really want to eat swan meat.

In fact, he deliberately revealed the details of Ji Siqing's blood, which is to lure Gao Feihan to die. Once Ji Siqing's blood revives and takes charge of Tianzhu, the God of martial arts, killing Gao Feihan is like crushing an ant.

He didn't like to do it himself, so he wanted to kill people with a knife. He thought that the other party would see something strange, but he was really so stupid. He thought that he could do anything by relying on the devil.

At that moment, the sword spirit was silent and said with a smile: "then I wish the shaozong master a happy marriage, and the flowers will bloom and tie lotus."

Gao Feihan said: "easy to say, easy to say, that's your lucky words."

At the end of the conversation, annihilation sword lingbian and Gao Feihan are in the sword array, watching the changes, waiting for the possible coming trial of the heart demon, but they don't act rashly.

Ye Chen, Xuan Jiyue and others also moved forward step by step along the fluctuation of secret notes.

It's just that the ruins of Longyuan are dangerous everywhere, full of countless ruins guards, demons and beasts.

Although xuanjiyue can use Tianfu Daofa to control the guard puppet, her Tianfu Daofa consumes a lot of aura. She needs to keep her breath when she is with Ye Chen, but she doesn't dare to use it lightly.

Therefore, she and ye Chen are all the way forward, and no longer control the ruins guard.

With the strength of both of them and their cooperation to destroy the Wuji couple, there is no danger. Anyone who dares to block the way will be killed at the same time, whether it is the guard puppet, the ghost of the fierce beast, or other sword snatchers.

So after two days, the distance between the four and Gao Feihan was getting closer and closer.

"One day at most, we can catch up with Gao Feihan, who is with annihilation sword spirit! There is a sword guard

Xuanjiyue quietly reveals information to yechen, with a dignified tone.

Through that day's sign, she has already got insight into Gao Feihan's details and saw the existence of annihilation sword spirit.

"Good." Ye Chen nods, annihilates the silence sword spirit to appear, is also in his expectation, can't avoid a big fight finally. Now he cooperates with xuanjiyue. Together with miewuji and his wife, they are

absolutely sure that they can kill annihilation sword spirit. At the moment, the four men quickened their pace and approached the location of annihilation sword spirit and Gao Feihan step by step. In the sword array in the distance, the silent sword spirit seemed to be aware of something. With a sneer, he murmured: "it's time to come, is it at last..."... At this time, the outside world, the magic dust peak. A terrible poisonous fog suddenly gushes out from the magic dust peak, blocking the sky and the sun, and pervading the universe. The guard array in the magic dust peak starts immediately to resist the attack of the poisonous fog. The forests, mountains and rivers outside the magic dust peak have no protection. As soon as they are eroded by the poisonous fog, they immediately hiss and emit black smoke. In the blink of an eye, they are corroded into ruins, full of holes and a lot of scars. In the poisonous fog, there are dark and shining heavenly script words, which are rolling and whistling and flying all over the sky with the supreme breath of the source. In the magic dust peak, many female disciples were shocked. Looking to the top of the mountain, it was the place where Ji Lin practiced“ Has the holy lady finally refined the cloud top heavenly book? ”“ Shen Yuan's poison body seems to merge with Yunding Tianshu! ”“ What a magnificent fortune All the women were amazed. They all knew that Ji Lin had a deep poison body, and his constitution was different from that of ordinary people. Recently, he was refining Yunding Tianshu.

Chapter 6016

Looking at the great atmosphere of the poisonous fog and the flying characters of the book of heaven, Ji Lin obviously succeeded in refining the book of heaven at Yunding, and also integrated it with his own deep poison body.

In the past, the book of heaven on the cloud top turned into a volume of poisonous scriptures. The poisonous scriptures bloomed, eroding heaven and earth and decaying heaven and earth. It was very fierce and terrible. Fortunately, the magic dust peak was guarded by a large array. Otherwise, even the mountain gate would be destroyed by poisonous gas.

Whoa!

In the astonished eyes of all the women, a delicate and pure figure rushed out from the mist on the top of the mountain. It was Ji Lin who shook the sky!

Against the backdrop of the dark fog, Ji Lin's face and skin are as clear and pure as lotus, and his eyes are innocent.

"Ladies and sisters, I'm going out to play. Goodbye!"

Ji Lin smiles in the sky, waves to the female disciples in the mountains, then turns into a dark streamer and flies away.

The direction of her flight is exactly the remains of Longyuan!

Although Mie Wuji couple and ye Chen didn't tell her where the ruins were, she was in charge of Yunding Tianshu at this time. She could deduce the cause and effect of all worlds. She found out where the ruins were and galloped away.

Seeing the direction of Ji Lin's escape, all the women's faces suddenly changed, and they found that something was wrong.

"Oh, no! The lady wants to go to Longyuan ruins! "

"The Lord of the peak told her not to go out. If something happened, what should I do?"

All the women are in a panic. The dragon Yuan sky sword comes out. Countless people snatch it. It's dangerous. Ji Lin wants to break in. In case of an accident, they can't bear the responsibility.

Ji Lin's flight was so fast that the girls couldn't catch up with him, and he was in a mess.

"Send a letter of flying sword, go to blood death prison and report to nwwu God!"

Finally, someone thought of Ji Siqing.

Ji Siqing is Ji Lin's elder sister. Now Ji Lin is breaking into trouble. He can only ask Ji Siqing to come forward to control this lawless little girl.

At that moment, a disciple sent a letter to Ji Siqing, which sent it to the blood death prison and reported all kinds of causes to Ji Siqing.

Ji siqingzheng, blood god, Xia Ruoxue, Wei Ying and others are hanging their lives for the blood dragon. When they receive a letter from huanchenfeng, they are shocked.

The blood God said: "Miss Ji, what's the matter?"

Ji Siqing said, "my sister's little girl is making a fool of herself. She runs to Longyuan ruins alone. Huanchenfeng is afraid of her accident and asks me to stop her."

When Xueshen and others heard this, they were all surprised. The ruins of Longyuan had been open for two days, and the war was raging. I think it was the most intense time. Running in at this time would be in great danger.

Ji Lin's entry into the remains of Longyuan is obviously directed at Ye Chen.

Xia Ruoxue said: "Siqing, you can go to Longyuan ruins. If you can help Ye Chen, it's no better."

Ji Siqing's heart moved. In fact, she had long wanted to go to the ruins and help Ye Chen, but she looked at the weak blood dragon in the pool and said: "but, the blood dragon is..."

One side of Wei Ying said: "no harm, there are three of us here, the blood dragon can guarantee that he is safe, ye Chen is too dangerous, you can help him."

Ji Siqing gritted his teeth and said, "OK, I'll go and wait for me to come back."

With that, Ji Siqing stood up, tore the void, and went to the remains of Longyuan.

This time, she went to take care of Ji Lin and help Ye Chen.

While the blood God and others stayed in the blood death prison and continued to hang their lives for the blood dragon.

.....

But it is said that the remains of Longyuan are full of corpses and flesh. There are many people who are buried here to seize the sword. The huge sword of Longyuan still stands in the central area, surrounded by ruins guards. No one can get close to it for the time being.

Ye Chen, Xuan Ji Yue, Mie Wu Ji, and Huan Chen Yan all the way to the hiding place of Annie Ji Jian Ling and Gao Fei Han. From a distance, they can see a huge sword array with silver and white light. Thousands of sword shadows are suspended in the void, which is very spectacular.

However, annihilating Jianling and Gao Feihan, as well as more than a dozen servants and dead men, shut their eyes in the sword array.

"Here we are."

Xuanjiyue stopped, but did not kill immediately. Instead, she hid her breath behind a big tree nearby.

Ye Chen and Mie Wuji look at each other, but they don't act rashly. They wait for the chance to take action.

And in the sword array, the silent sword spirit opened his eyes slightly and said faintly, "since it's coming, why do you want to dodge?"

It turns out that he has found the arrival of Ye Chen and others.

Xuanji month ha ha a smile, also no longer hide, stood out.

Ye Chen and others also appeared.

"Xuanjiyue, it's you!"

Gaofeihan see xuanjiyue come, immediately pale, sword guard.

He knew xuanjiyue's power. If he fought, he would not be the enemy. Now he looked at the annihilation sword spirit.

Only annihilating sword spirit can fight xuanjiyue.

Annihilation silent sword spirit slowly gets up, looks at Xuan Ji moon, also looks at Ye Chen, way: "Xuan Ji moon, reincarnation Lord, long time no see." On hearing this, Gao Feihan was stunned and said: "the Lord of reincarnation? What is the Lord of reincarnation?" Annihilation silent sword spirit pointed to leaf Chen, way: "he is reincarnation of Lord, don't you recognize?" Gao Feihan was shocked and said: "this boy is the master of reincarnation?" Thinking of Ye Chen's real situation, he almost killed him before. He could not help sweating and whispered: "no wonder, no wonder, no wonder this boy's martial arts is so fierce! Master Jianling, you must kill him for me!"

Chapter 6017

Annihilation silent sword spirit light way: "I only deal with Xuan Ji month, reincarnation of the Lord will give you."

At the end of a sentence, the annihilation sword spirit suddenly pulled out the sword, and the sharp edge of the sky sword burst, revealing a terrible momentum. All the rules around were shaken by the sword Qi, resulting in changes.

At this moment, it seems that all the rules of time have stopped. There seems to be no concept of time and space between heaven and earth. All the rules are crushed by sword Qi.

Ding Dong! Ding Dong!

In the dark, there is a clear and pleasant sound, which resounds from the broken void. This is the supreme Dao Xianyin, which represents the origin of kendo.

Xuanjiyue's pretty face turned a little pale and disappeared for a while. The sword skill of annihilating the sword spirit had obviously made a great breakthrough. Between the tears of the sword Qi, there was the sound of Dao Xianyin coming out. The light of the sword was like water, and it broke through the void thousands of miles. It was extremely fierce.

Under the pressure of annihilating sword spirit, xuanjiyue couldn't pull out her sword. Seeing that her opponent killed her with a sword, she stepped back.

In an instant, the silent sword spirit stabs tens of thousands of swords and dances endless sword flowers.

His goal is very simple, is to completely suppress xuanjiyue, don't give xuanjiyue the chance to draw a sword.

As long as xuanjiyue can't pull out Shenluo Tianjian, her combat effectiveness will be reduced by at least 30%. She is not the enemy of annihilating sword spirit.

Ye Chen see Xuanji month is suppressed, heart a joy, just want to see Xuanji month corpse horizontal on the spot.

But on second thought, if xuanjiyue was killed, the sword spirit would devour fate, and then snatch Shenluo Tianjian, the scene would be out of control.

"Two elders, help her quickly!"

At the moment, ye Chen opens his mouth and asks Mie Wuji and his wife to help Xuan Jiyue.

Mie Wuji snorted. Although he was reluctant, he naturally wanted to cooperate with xuanjiyue at the moment, and first shoved away the annihilation sword spirit.

Two couples just want to hand, Xuan Ji month but cold voice shout a way: "need not! Go and kill Gao Feihan first, and don't let him run away! "

Suddenly eyes a cold, hands burst out of infinite purple light, gathered into a rolling river.

"Crape myrtle fatalism, broken!"

In a flash, xuanjiyue releases the fatalism of Lagerstroemia indica, and the totem of fate emerges behind her. The gear of fate begins to rotate, and the Grand River of fate rolls out.

Annihilation sword spirit was shocked by fate, and the sword power weakened slightly.

Bang!

Xuanjiyue takes this opportunity to pull out Shenluo Tianjian.

All of a sudden, a shining sword rose to the sky.

In the land of ruins, all the mists, ghosts, black Qi and evil Qi were instantly scattered. The sword light of fate gathered in the sky and turned into a sun like existence, shining everywhere.

"Damn it

Annihilation silent sword spirit bit teeth, still want to suppress Xuan Ji month, but can't do at all.

The edge of fate can not be suppressed by any means.

Among the ruins, many strong people were shocked and disgraced to see the surging sword light.

"Shenluo soars to the sky. This is the majesty of the queen!"

"Today Longyuan Tianjian comes out, xuanjiyue really wants to capture it!"

"This guy is not satisfied with holding Shenluo Tianjian. He wants to rob Longyuan with us."

Many strong people are surprised to see the purple light of Shenluo Tianjian and fate. They stop, but they are not in a hurry to seize Longyuan Tianjian.

Because, if there is xuanjiyue around, no one dares to say that she can win.

There are many people flying around, looking at the place where the edge of Shenluo Tianjian comes out, to find out.

In the battle over there, annihilating sword spirit saw xuanjiyue break out. He knew today's situation. Any ingenious means was useless. He could only fight hard to decide life and death.

"Good, I'll learn the master of destiny's tricks!"

Annihilation silent sword spirit sword light a turn, again blatantly stab out, bursts of cold light twinkle.

"Thirteen swords of Hanfeng!"

The weather of his Kendo is just like the cold and lonely peaks, which is fierce.

Xuanjiyue was calm and unhurried. She stood up Shenluo Tianjian and interacted with annihilation sword spirit.

Mie Wuji and Huan Chenyan pull out their long sword and look at Ye Chen.

If they cooperate with xuanjiyue at this time, at least 90% of them can kill annihilation sword spirit.

Ye Chen looked around, but he saw many people outside. Many people were near here.

On the other side, Gao Feihan is ready to run away.

He knew the identity of Ye Chen at this time, is absolutely dare not with reincarnation Lord for enemy.

The prestige of reincarnation has been spread all over the world for a long time. Even Wutian, the demon ancestor, and yuhuanggudi are afraid of the dignity of reincarnation. He knows the terrible law of reincarnation. Although Ye Chen's cultivation has only one level of reality, he is absolutely afraid to fight against it.

"Want to run?"

Ye Chen a sneer, suddenly body a flash, flying body intercept in front of Gao Feihan.

Gao Feihan's face changed greatly and his body trembled.

Ye Chen said to Mie Wuji couple: "two elders, you guard the entrance, don't let outsiders in." Between the words, ye Chen offered a picture of the yellow spring, releasing the world of the yellow spring. All of a sudden, huangquan River and mountain, town down, blocked all around, only a long bridge channel, can accommodate people to enter. This long bridge passage is the legendary Naihe bridge in the yellow spring. It determines life and death and reincarnation. With the improvement of Ye Chen's cultivation, the map of the yellow spring is becoming stronger and stronger, and the weather is more and more magnificent. Not only Naihe bridge, but also ten halls of hell, eighteen floors of hell, a sea of swords, mountains and fires, six paths of reincarnation, infernal Purgatory and other visions will emerge in the future. Now the war has broken out. Ye Chen has a good chance of winning. Whether it's annihilation sword spirit or Gao Feihan, he has a lot of spoils, such as annihilation sword, immortal talisman and so on. These things, of course, can not be robbed by outsiders. Therefore, ye Chen directly laid down the rivers and mountains of the yellow spring and sealed off the surrounding areas. In the hands of miewuji and his wife, the yellow light emerges and condenses into a yellow spring edict. With this edict, they can temporarily mobilize the power of the yellow spring map. The edge of Shenluo Tianjian had risen, and ye Chen naturally did not hide it any more. At this time, offering a picture of huangquan is equivalent to disclosing his identity as the Lord of reincarnation. The ruins of the land, in all directions, the tide of people, see the weather of the yellow spring, have called: "reincarnation of the Lord is here!" "Reincarnation and fate struggle, maybe you can pick up a bargain. " " If you get the Shenluo Tianjian or

huangquan map by chance, it's not a waste of your trip. " Countless people with excited mood, have rushed over, thought Ye Chen and xuanjiyue, but also fight to death, where thought two people actually in cooperation. In the blink of an eye, there were nearly a thousand people in all directions outside the huangquan river. Under the barrier of the Yellow River, people can't see the fight clearly. Everyone wants to go in and explore clearly, but they are afraid!

Chapter 6018

Although most people have fear in their hearts, the temptation is too big after all!

After a short silence, suddenly, someone broke the silence!

"Rush in together!"

"There are so many of us. Why don't we crush the Lord of reincarnation and the Lord of destiny today and divide up the great fortune?"

"Maybe we have the right to step into the world!"

"Exactly so!"

I do not know who yelled, and then all the people crazy forward, along the Naihe bridge, want to rush in, actually want to rely on the crowd, do whatever they want.

The miewuji couple's face turned pale. They hastened to urge huangquan to sign the imperial edict

"How to reincarnate, life and death decision!"

On the nanaihe bridge, it suddenly shakes violently, suddenly bursts out a continuous dark light. Among all the dark lights, there is a strange law fluctuation, which represents the law of life and death of reincarnation, and can determine the life and death of human beings.

In a flash, the first people to step on Naihe bridge screamed under the impact of the law of life and death. They fell from the bridge and fell into the Huangquan river. They were engulfed by the gushing River, and their flesh and blood turned into pure aura. They were completely engulfed by a strange existence deep in the Huangquan map.

In the depth of the picture of the yellow spring, there is a demon sword!

At the moment, the wild devil sword is swallowing the flesh and blood of the intruder!

The people behind found something wrong, and immediately stopped and did not dare to rush again.

On the Nanaihe bridge, the black air is filled with terror, as if all living beings would be swallowed by the law of reincarnation, and finally turned into the nutrients of the wild devil sky sword.

Seeing that the situation was stable, Mie Wuji and his wife were a little relieved.

In fact, if these people, all of them do not want to die, they will not be able to resist a single bridge. Fortunately, they do not dare to come up and die.

This is human nature.

In the yellow spring, Xuanjiyue fought with annihilation sword spirit, but he didn't care about the external situation.

Ye Chen sees that the situation outside is stable, so he puts his mind back on Gao Feihan.

Gao Feihan shivers all over, and his Qi is locked by Ye Chen, like a lamb staring at by a fierce tiger.

"Reincarnation Lord, I have no injustice or hatred with you. Why should we meet each other in life and death? If you let me go today and make a good relationship with Wutian, it will be good for you in the future. "

Gao Feihan has always been afraid of reincarnation Tianwei, dare not be the enemy with Ye Chen.

Ye Chen hears these words, ha ha a smile, way: "you now beg for mercy, again have what use?"? If you want to defile Ji Lin, I will ask you to fill it with your life! "

Finish saying, ye Chen suddenly a palm whistling out, blast to kill to Gao Feihan's head.

Gao Feihan was shocked. He retreated in embarrassment and said angrily, "Lord of reincarnation, don't deceive people too much!"

"Come on, you're going to die!"

At the critical moment of his life and death, Gao Feihan yelled, and more than a dozen servants around him looked hesitant. They seemed to be quite frightened, but they didn't dare to disobey Gao Feihan's orders. They gathered around and quickly formed a formation. At the foot of them, there were many magic lines, forming a magic array in the blink of an eye.

Their flesh and blood were gradually burning, and their faces were in pain. The magic fog was diffused and gathered into a very solemn and terrible energy.

Ye Chen's eye pupil shrinks slightly. This heaven devil death array is the source of Hongmeng. From the thirty-three heaven Hong Mongolian Dharma, the heaven devil disintegration Dharma is transformed.

The heaven devil's disintegration method is a ferocious method to detonate flesh and blood and kill the enemy by self explosion. It stresses instant explosion. However, the heaven devil's death array is a water grinding array, which grinds human flesh and muscles, squeezes all human potential, and finally gathers great energy to kill the enemy.

The most powerful part of this heaven devil death array is that it can be set up by many people, and the flesh and blood energy of many people can be combined together, so as to burst out the most ferocious lethality.

Heaven devil death formation, suddenly a strange magic fog, whistling out, toward Ye Chen winding away.

Ye Chen is indistinctly aware that it is not good. He steps back. The magic fog hisses and impacts on the void in front of him, crushing all the spaces, showing the extremely violent destructive power.

"Lord of reincarnation, you forced me!"

Gao Feihan's eyesight is broken. All his servants are dead men. Originally, he intended to sacrifice to Longyuan Tianjian, but at this juncture, he could only sacrifice all of them to form a heaven devil death battle to protect himself.

Ye Chen forces him to this point, two people can be regarded as a heavy feud, never die.

"Tianxian Koi copy, break!"

Ye Chen looks at the magic death array that day, his hands are sealed, and the fairy Koi are released one by one. He wants to purify the breath of the magic death array that day and break the array.

"Xianfu Tianshu, open!"

Seeing ye Chen's magical power, Gao Feihan was scared. He flew to the eye of the heaven devil death array, and a special breath came out of his body, which was both fairy and evil.

A volume full of talismans, flying out of his body, is the legendary immortal talismans.

This volume of immortal Fu Tian Shu was refined by the essence and blood of Wutian. The breath was vast and majestic. As soon as it was sacrificed, it immediately bloomed out the overlapping runes, forming a barrier to block Ye Chen's immortal Koi. Why Ye Chen looks at the immortal talisman, slightly surprised. He only feels that the smell of the immortal talisman is much more fierce and powerful than the general great talisman. It's worthy of being the magic weapon refined by the demon ancestor wudian. It's really fierce, and it's almost close to the supreme talisman. Heaven devil death talisman, I suppressed it! " Gao Feihan suddenly drinks, takes a deep breath, and gathers all the energy of the

heaven devil death array on himself. Then he merges it with the immortal talisman. A huge talisman bursts out of his palm and roars toward Ye Chen in the air. This talisman, printed with a dark "death" character, is full of demons and death, as if it can make all living beings in the world to die. Click, click... As soon as this magic death talisman came out, more than a dozen servants in the magic death array were drained of flesh and blood, reduced to a skeleton, and died completely. Gathering the flesh and blood energy of all the servants, Gao Feihan's demon death talisman is extremely fierce. This is his best shot! Facing the reincarnation of the Lord, he did not even dare to try, a hand is the strongest magic, all the cards "Is it necessary to be so afraid of me?" Ye Chen a sneer, if is in the past, he faces Gao Feihan this blow, perhaps also can fear three points. But at this time, he has been promoted to a higher level, and his strength has greatly changed. This degree of attack is completely ignored "Wish star, up With a big wave of Ye Chen's hand, a vast planet immediately rises from behind, with endless desire. Whoa!

Chapter 6019

Gao Feihan's demon death talisman flies to kill and rushes into the wish star. All the demon death Qi is immediately dissolved by the vast wish breath.

"What

See, Gao Feihan completely shocked, this is his strongest blow, but actually like a bull into the sea, can't play any role, in the twinkling of an eye by Ye Chen resolved.

"I make a wish that the stars and demons will be doomed!"

Ye Chen's eyes were murderous and made a big wish.

Shulala!

All of a sudden, thousands of dark chains burst out from the wish stars, frantically cut through the void and flew away to Gao Feihan to bind him and suppress him forever.

Gao Feihan was so frightened that he felt a terrible gap.

He and ye Chen, the gap is too big!

Whether it's combat effectiveness, Qi Yun, or magic power, or the inside information of martial arts, ye Chen doesn't have to breathe to kill him.

"Immortal talisman, protect!"

At the critical moment of his life and death, Gao Feihan threw out the immortal talisman's letter and used it as a shield. He turned around and flew away.

Poop, poop!

Ye Chen's chains collide with the celestial script, making a dull sound. The celestial script is shot down directly.

And Gao Feihan took advantage of this opportunity to run away.

"Where can I go?"

Ye Chen's eyes are cold, and he is about to kill him. Suddenly, there is a poisonous fog outside. In the poisonous fog, a bright, pure, slightly green figure comes from the outside.

It's Ji Lin!

"Ji Lin, how did this little girl come?"

Ye Chen is surprised to see Ji Lin appear.

When Mie Wuji and his wife saw Ji Lin coming, they were also surprised. They quickly released the restrictions of the huangquan law.

Ji Lin flew across Naihe bridge and came in.

As soon as she came in, she saw Gao Feihan trying to escape.

When Gao Feihan saw Ji Lin, he was overjoyed and cried, "sister Ji Lin!"

At this time, Ji Lin succeeded in refining Yunding Tianshu and made great progress in his cultivation. Even his body developed a lot. His body began to take shape and was slightly green. In Gao Feihan's mind, he was full of imagination and thought of what flowers were blooming and lotus was growing. For a moment, he forgot his deep death.

"Ah, you wretched and shameless fellow! I'll die for my aunt! "

Ji Lin is full of disgust and resentment, gnashing his teeth. With a wave of his hand, a volume of colorful poison Scripture emerges from the back of her head, but it is the Scripture that is transformed from the fusion of Yunding heavenly script and her deep poison body.

The majestic and magnificent poison gas burst out from the colorful poison Sutra and turned into a huge poisonous dragon, which came down from the sky and rushed to Gao Feihan.

Bang!

The Dragon rushed fiercely and hit Gao Feihan's crotch.

Gao Feihan "ah" a scream, crotch Department hiss, has been eroded by poison gas, the key has been rotten away.

He covered his lower body, fell to the ground, twitched and rolled, his face turned into a pigliver color, and said, "Ji... Sister Ji Lin, what are you doing?"

Ji Lin gave a Pooh and said, "do I know you very well? I hate such a wretched guy as you. Are you the one to mess with? Come on, die for me

The voice falls, urges the book of heaven poison classics, releases infinite poison gas, and wraps Gao Feihan's body.

Gao Feihan only felt the poisonous gas coming into his body. If there were ten thousand ants biting his heart and ten thousand needles pricking his skin, he was in great suffering. Ah, he screamed bitterly and cried out repeatedly: "sister Jilin, spare your life, spare your life!"

Ji Lin is a smile, interesting, looking at his struggling appearance, but without the slightest mercy.

In the twinkling of an eye, Gao Feihan was corroded by the poisonous gas, and his skin and flesh turned into pus. At last, only a white skeleton was left, and he died completely in despair and pain.

"Annoying flies, at last my ears are quiet."

Ji Lin clapped his hand. He was very happy. When he turned his eyes, he saw that the immortal talisman had fallen to one side, so he took a picture and captured it.

"The booty belongs to me. It's the scum's compensation."

Ji Lin accepted the celestial script with a smile. She has refined the celestial script of Yunding. If she merges the celestial script of Xianfu, her strength will go further.

"Little girl, Xianfu Tianshu is mine. How dare you rob it?"

Xuanjiyue over there is fighting with annihilation sword spirit. When he suddenly sees that Ji Lin has taken away Xianfu Tianshu, he is shocked.

And she was surprised, the door defense a little negligence, was annihilated silent sword spirit look at the opportunity, a sword stabbed her shoulder.

Whoa!

Annihilation silent sword spirit a sword along with the situation pull, will Xuan Ji month shoulder of clothes, all cut down.

However, there is a sword wound on Xuanji Yuexiang's shoulder. It's not serious, but it's a great insult that her clothes are torn and her snow-white skin is exposed in front of people.

Xuanji moon full face blush, big is angry.

Annihilation silent sword spirit ha ha a smile, way: "Xuan Ji month, your body is actually white pure, how about going back with me, for Hong Tian Wang when a foot maid, how? This may be your only chance. "

Xuanjiyue said angrily, "if you dare to humiliate me, I will call you dead today" It's extremely dark. I've suppressed it! " In a flash, xuanjiyue's left palm waved out, a purple light, with the nothingness of fate, to the annihilation sword spirit. Annihilation silent sword spirit surprised, but feel xuanjiyue this palm, with the extreme nihilism breath. This is xuanjiyue's self created magic power, which combines with crape myrtle's fatalism.

Chapter 6020

A master like her will find a way to pursue the mystery of nothingness. Although it is difficult to see nothingness, in the process of comprehension, it is also helpful for cultivation to understand the supreme principle of mutualism.

Her hand is full of terrible nothingness, not the dark nothingness of the abyss, but the nothingness of fate, which can affect people's spirit.

Excited by the palm wind, the annihilation sword spirit felt that his heart kept falling, as if he saw his own destiny and fell into absolute nothingness. All his struggles were in vain. His body was stiff and could not move. He was waiting for death in the same place.

Ye Chen see Xuan Ji month this move, is also a burst of consternation, heart fear Xuan Ji month strength.

Xuanji Yue's martial arts is really a great thing. She has a philosophical thinking about Wu Wu realm. This is not an ordinary martial arts, but a philosophical thinking. The road is mysterious and changeable.

At last, the sword spirit was strong. At the critical moment of life and death, he woke up and said, "my destiny is not under your control!"

"Silence sword technique!"

But he saw the light of the annihilation sword explode, and resisted xuanjiyue's fate. His body was shaken back for more than ten steps, and his throat spurted a mouthful of blood. He was seriously injured, but he finally saved his life.

"You're good. We'll fight another day!"

Annihilation silent sword spirit a bite teeth, but also dare not love war, take a pill of treatment, immediately fly away.

Mie Wuji and his wife plundered and wanted to intercept, but the annihilation sword spirit summoned a piece of lost time and space, and used the means of time and space jump to escape.

"I have no other skills, but I'm good at running away."

Xuanjiyue snorted and took back Shenluo Tianjian.

She was just one person, and she was so close to killing annihilation sword spirit that she showed her absolute strength.

Ye Chen, Mie Wuji and his wife are all silent and speechless. If they want to snatch Longyuan Tianjian with xuanjiyue this time, they will not be able to compete with each other. Even if they succeed in seizing the sword, they will have to pay a heavy price, and they will never get away easily.

"It's a queen. It's a great prestige."

Ji Lin spat out his tongue and marveled at Xuan Ji Yue's strength.

"Little girl, take out Xianfu Tianshu!"

Xuanjiyue stares at Ji Lin coldly and shouts.

The immortal talisman can help her to cultivate taishangtian talisman. She can't afford to lose it. At this time, she was robbed by Ji Lin, and she couldn't tolerate it anyway.

Ji Lin snorted and said: "I killed people. The book of heaven belongs to me naturally. How can you bully the little girl with the big one? Do you want to bully a little girl?"

Although xuanjiyue is strong, Ji Lin is not afraid of heaven and earth. At this time, facing xuanjiyue's rebuke, she straightens her chest and argues, but she doesn't mean to abandon Xianfu Tianshu.

After all, Gao Feihan was killed by her. It's reasonable that Xianfu Tianshu was taken as her spoils.

"Little girl with sharp teeth, don't make me do it!"

Xuanji Yueda was very angry. She pressed the hilt of her sword with her palm and stepped forward.

Naturally, she didn't want to worry about a little girl, but the immortal talisman was not allowed to lose.

Ji Lin said, "do you want to do it? Well, I'm not afraid of you. Brother Ye Chen will protect me. My Shifu is here, too. I don't believe that the four of us can't beat you. "

Ye Chen has four people on this side, and xuanjiyue is equal. If it's really the summit, it's not known who will win.

Xuanjiyue gnashes her teeth, and obviously knows that it's not time to tear her face. After all, there are many strong people waiting outside. Emperor Shitian is even more hidden in the depths. If she decides to fight with Ye Chen, no matter who wins or loses, she will run out of spirit and can't cope with the next changes.

But the immortal Fu Tian Shu is very important to Xuan Ji Yue. How can she lose it?

Xuanjiyue stares at yechen and says: "Lord of reincarnation, you said Xianfu Tianshu would give it to me. Do you want to break your promise?"

Ye Chen shrugged his shoulders and said, "it's not me who robbed you. What do you blame me for? What's the use of fighting now? Everything depends on the ownership of Longyuan Tianjian. If you get Longyuan Tianjian, you can dominate everything, but if I get it... "

Speaking of this, ye Chen's eyes suddenly flashed murderous: "today is your death time!"

Xuanji month heart a Lin, ye Chen said is right, at the moment dispute, meaningless, even if she got Xianfu Tianshu, if can't get Longyuan Tianjian words, still can't keep.

But if she can finally take charge of Longyuan, she can destroy everything and take all the treasures.

"Good, good! You are right. When I take charge of Longyuan Tianjian, I will kill you all and rob you of everything

Xuanjiyue stares at Ji Lin: "little girl, when I take charge of Longyuan, I will first scratch your little face, then cut off your hands and feet, and put you into the wine jar to soak for seven days. When your muscles and bones are soaked, I will kill you. You wait for me!"

When she said this, she was full of fierce and fierce look.

Although Ji Lin was not afraid of heaven and earth, he was also frightened and hid behind Ye Chen.

Ye Chen took her hand and said to Xuan Jiyue, "ha ha, it's hard to say who will win." Longyuan Tianjian is related to the life and death of both sides. Now ye Chen and Xuan Jiyue balance their power. Whoever can get the Longyuan sky sword can break the balance, kill the other party and take everything from the other party! Ye Chen and Xuan Jiyue have been fighting for a long time. However, the appearance of Longyuan Tianjian is a chance to decide their life and death! Xuanji Yuezhen's head was lighter and said, "it's useless to argue with each other now. Everything depends on who can win the sword at last." At this point, xuanjiyue looked out: "there are too many flies outside. You and I will join hands to kill them all!" At this time, outside the huangquan River and mountains, many strong people are around, which is also a hidden threat. Ye Chen nods, then strides out with Xuan Ji Yue, and the two rise against the wind, suspended in the sky. Many strong people outside are waiting, ready to move, suddenly see two brilliant figures take off, can't help but stay. They are ye Chen and Xuan Jiyue. They are the two figures, one is filled with the yellow light of reincarnation and the other is surrounded by the purple light of fate. Ten thousand years ago, ye Chen and Xuan Jiyue were Taoist partners. Their fate of reincarnation was like the sun and the moon, shining in the sky. But later, they were born and became enemies. At this moment, ye Chen and Xuan Jiyue cooperate again, and the glory of reincarnation comes together again, as high as heaven and earth, as big as the sun and moon, brilliant and dazzling, so that everyone in the audience falls into absolute stagnation“ When will reincarnation and destiny be reconciled? "
