

Physician 6141

Chapter 6141

Xuanjiyue has made up her mind that it is difficult for the judge to protect herself. She is afraid that it will be very difficult to ask the judge for help.

For today's plan, we have to invite emperor Shitian again to talk about the cooperation alliance.

Now xuanjiyue returns to the outside world along the gate of henggu.

The judge has the key to the gate of eternal antiquity. Xuanjiyue has already borrowed one, so she can easily cross the gate of eternal antiquity.

Leaving the center of the earth and returning to heaven and man, xuanjiyue looks at the infinite rivers and mountains in front of her and sighs.

"Emperor Shitian, where are you?"

Xuanjiyue secretly sends out a voice, calling the emperor to release the sky.

There is a lot of relationship between fate and demons. Emperor Shitian can definitely hear xuanjiyue's call.

Xuanjiyue waited for a while. Seeing no response, she said, "emperor Shitian, I want to talk with you and discuss the fight against the reincarnation Lord. The reincarnation Lord's climate has become. If we want to kill you and me, it's like killing mole ants. We must cooperate to have a chance of survival."

Boom!

This time, the sky finally reverberated.

"Meet me at hell island."

The voice of emperor Shitian came from the void.

"Hell island?"

Xuanjiyue frowned and flew all the way along the direction of emperor Shitian, but she came to the sea.

There is an island in the sea.

Emperor Shitian is sitting on the top of the island mountain with his knees crossed.

Xuanji moon fly down, but see this island, everywhere filled with the gloomy atmosphere.

In the place where emperor Shitian sat, there was an old corpse lying, with round eyes and bleeding seven orifices.

"Hell?"

Xuanjiyue saw the old bones, and her eyes shrank, but she recognized them.

The corpse is one of the six evil spirits of reincarnation.

The reincarnation six demons are the six servants under the reincarnation Lord. Since the reincarnation Lord fell and was reborn, these six servants have been exhausted and scattered all over the world.

This hell Devil Island is obviously the former hell devil. It's a secluded place. Somehow, the emperor Shitian found it and killed the hell devil.

"Miss Xuan, long time no see."

Emperor Shitian smiles and stares at xuanjiyue.

He has a handsome face and white hair. He looks like an immortal in the world. Even in this gloomy place with hellish atmosphere, he looks spotless.

Before the battle for Longyuan Tianjian, there was a lot of enmity between Emperor Shitian and xuanjiyue. But for people of this level, enmity and hatred were short-lived, and interests were eternal.

Therefore, no matter in the heart of emperor Shitian or xuanjiyue, there is no mustard. They only have interests in their eyes.

"Have you been to the center of the earth?"

Emperor Shitian looked at xuanjiyue and felt the breath of the earth and the star river of crape myrtle.

"Well."

Xuanjiyue nods her head gently.

Emperor Shitian said: "you are in charge of the star river of crape myrtle, don't you plan to cut the shackles?"

Xuanjiyue's eighty-one flail cutting is not the talent of the emperor.

She sighed and said, "how can it be so easy to cut the shackles again? I can't find the time. "

Emperor Shitian nodded slightly and said, "well, how do you want to cooperate when you come to me? I have only half a step in a hundred shackles. I am not the enemy of the Lord of reincarnation. "

Xuanjiyue looked at the emperor Shitian's appearance and saw that his breath was fluctuating. She was obviously ready to cut the shackles and said, "are you ready to break the shackles? Ask me again? It's natural to step into a hundred shackles first, and then make plans. "

Emperor Shi Tian light a smile, Xuan Ji month say right, he really prepare to chop flail to break through.

Before the battle for Longyuan sky sword, although emperor Shitian was defeated, the battle of life and death also made me feel a lot.

Now, Emperor Shitian is planning to break through the shackles and kill Ye Chen's servant to sacrifice to heaven, so as to improve his luck and prepare to attack the capital of the emperor at one stroke.

"Now that you're here, why don't we double repair? The combination of fate and demons may be able to achieve the good fate of the heaven, and it is possible to crush reincarnation. "

Emperor Shitian looked at xuanjiyue's figure and said with a smile.

Xuanjiyue blushed, then glared at him angrily and said, "what are you talking about? Dare to talk nonsense again, believe it or not, I'll kill you? "

Emperor Shitian said: "ha ha, I'm kidding. Since you're here, you won't be empty handed, will you? Do you have any gifts for me? "

Xuanjiyue thought about it, took out a crystal like thing from her arms, and said: "this cold heart has a strong aura. I will give it to you to help you break through the flail."

"Cold heart?"

Emperor Shitian looked at the crystal like thing, and his eyes were slightly frozen.

Xuanjiyue nodded and said, "well, this thing was dug up by me in a place called the earth cold divine realm by accident. It's the core of the earth cold divine realm, which contains rich earth vein aura."

Emperor Shitian accepted the heart of the earth cold and held it in his hand like a cold sun, saying: "the aura is really abundant! Well, xuanjiyue, thank you for your gift. With the help of this day's wood and land treasure, the number of my flail may exceed 81. "

Xuanjiyue bit her teeth and said, "let's make a breakthrough! I'll protect the law for you. When you break through, let's go back to the heart of the earth together. It's better to seek the orthodoxy of the judge first, and then deal with the reincarnation Lord. That's much easier. "

In the previous life, xuanjiyue cooperated with emperor Shitian to destroy reincarnation and seize reincarnation orthodoxy.

In this life, she wants to do the same thing again, murder the Lord of the verdict, and snatch everything from the judgment hall.

Now the judge is weak. If you commit murder, you have a good chance of success!

Once the orthodoxy of the judgment hall is seized, and based on it, she and the emperor Shitian can regain the upper hand and stabilize Ye Chen.

"Miss Xuan is really a strange woman. I feel inferior to her evil heart and cruel means."

Emperor Shitian exclaimed, and also exclaimed that xuanjiyue's murder plan was too fierce.

Xuanjiyue glanced at him and said, "you're a big cancer in your heart. What kind of innocence do you pretend to me? All I've done is to live. "

Emperor Shitian smiles and stops talking. He sits on his knees, holding the heart of the earth cold, quietly enters the cultivation state, and is ready to break through the flail.

Xuanjiyue, on the other hand, guards the emperor Shitian and protects the Dharma for him.

.....

meanwhile.

Death in blood.

Two figures fall quietly.

One figure is a woman.

The woman in pink and green gauze is full of warmth. Her eyes are like spring water, and her heart is moved by every twinkle and smile.

It's Qin Ziwei.

Beside Qin Ziwei was a man with a big figure, a dignified and resolute manner.

It's ye Lingtian!

Qin Ziwei took ye Lingtian away from the dark field at the beginning. When she learned that ye Chen was still alive, she went to the heaven and man field to look for him.

It was supposed to be the first time to investigate the existence of the bloody death prison, but the Qin family had a change. Qin Ziwei could not leave ye Lingtian alone in the realm of heaven and man. She could only turn back to the Qin family and deal with the affairs of the Qin family.

Chapter 6142

When the Qin family's affairs are finished, they rush to the place where ye Chen is most likely to appear - blood death prison with ye Lingtian!

Ye Lingtian looked around, with a dignified look, and said, "Miss Qin, are you sure the Lord is inside?"

Qin Ziwei shook her head: "I'm not sure, but these days, we've looked for all the places we should look for, and we don't know where ye Chen is in the tiandian Hall of Beiling. This should be the most likely place."

"Come in with me. Maybe you'll be lucky to meet the temple master you've been thinking about!"

"Good." Ye Lingtian nodded.

Just when they were ready to step into it, several powerful breath suddenly came.

These people are the guardians of the blood death prison!

"Blood death prison, no outsiders are welcome! Please leave quickly

The voice is so loud that any one of these guardians is enough to kill Qin Ziwei.

However, Qin Ziwei didn't panic at all. She arched her hand: "the little girl's name is Qin Ziwei. She specially brought Ye Chen's friends to visit her. Please inform Ye Gongzi."

The expression of those people changed. Seeing Qin Ziwei's fearless appearance, it was obvious that she was really looking for someone.

But their duty is in the body, and they can't put people into the blood death prison at will. They can only say: "young master Ye is not in the blood death prison."

Qin Ziwei also guessed that it would be this result, and continued: "please inform the elder of blood god that Qin Ziwei and ye Lingtian have something important to see."

Those people hesitated for a few seconds, and finally a long faced warrior went to a hall.

Soon, the long faced warrior came to the main hall, knelt down and said respectfully, "Lord blood god, Qin Ziwei and ye Lingtian asked to see you."

Blood god eyes slightly closed, shaking his head: "no see."

Qin Ziwei and ye Lingtian, two names, he did not hear ye Chen mentioned, naturally do not know.

"Yes."

As soon as the long faced warrior was ready to leave, a beautiful shadow came tearing through the void.

It's Xia Ruoxue who practices nearby!

Xia Ruoxue's beautiful eyes were puzzled and surprised, and said, "repeat the name you just said."

The long faced warrior lowered his head and quickly said again: "the other side said that their names are Qin Ziwei and ye Lingtian. They were originally looking for ye Gongzi, but ye Gongzi is not here. They can only look for the Lord blood god!"

At this time, the blood god also opened his eyes, did not know what Xia Ruoxue would do.

Xia Ruoxue determined the name in her heart, slightly happy, the next second, it is toward the entrance of blood death prison!

Soon, Xia Ruoxue saw ye Lingtian!

As for Qin Ziwei, she naturally knows something!

The guards of the bloody prison saw Xia Ruoxue's hand and said respectfully: "Miss Xia."

Xia Ruoxue didn't pay any attention, but came to ye Lingtian and said excitedly: "Lingtian, how did you come to heaven and man? Shouldn't you be in China? If ye Chen knew you were coming, he would be very excited! "

Ye Lingtian's eyes are red at this moment. He wants to cry for the first time!

After all, it's too hard to find the temple master along the way!

Now to see Xia Ruoxue is to see the Lord of the temple!

Ye Ling was not emotional any more, but said: "Miss Xia, it's a long story. It's about China. Where is the Lord of the temple? If Miss Qin didn't lead the way, I'm afraid it would be very difficult for me to enter the realm of heaven and man. "

Xia Ruoxue also perceives the seriousness of Ye Lingtian's tone.

What happened to Huaxia?

"You come with me, now ye Chen is not in the blood death prison, but you tell me, maybe I can do something."

Then Xia Ruoxue looked at Qin Ziwei, nodded and said, "Miss Qin, thank you very much."

Qin Ziwei smile: "I and ye Chen are friends, can help, nature is the best."

"Now that I have finished my task, I will not stay any longer. There are many things for the Qin family to deal with."

Xia Ruoxue wanted to stay Qin Ziwei, but it was obvious that the Qin family did have something to do. Qin Ziwei tore the void and left.

"Lingtian, what happened in Huaxia? Is the change of aura serious? You tell me everything you know. "

Xia Ruoxue said.

Ye Lingtian nodded: "at the beginning, I went to China according to the will of the temple master..."

.....

At this time, the darkness forbids the sea.

A figure in a black robe swept across the dark surface of the sea, stirring up huge waves with extremely fierce momentum.

This figure is the devil emperor!

The demon emperor's eyes were cold, and he was flying to the old Japan League.

He wants to ask Mozu Wutian to save Yuchi Yao.

Roar!

Just as he was running, a huge boa constrictor came out from the bottom of the sea. With the blood of the fishy wind, he came to kill the demon emperor.

The dark forbidden sea is full of ferocious animals, which are extremely dangerous. This python, named heishuixuan snake, is the supreme beast.

"Heaven devil wolf smoke blade!"

In a leisurely manner, the demon emperor killed the black water snake with more than a dozen wolf smoke magic knives. Then he flew all the way to the old alliance.

However, the dark forbidden sea is huge and almost boundless. It will take several days to reach the old alliance.

On the evening of this day, the demon emperor of Zhetian took a rest on an isolated island, sacrificed seven evil spirits and ten thousand crow pots, and released Yuchi Yao.

Surrounded by countless crows, the ghost of Yuchi Yao emerges. Looking at the tired face of the demon emperor, he cherishes it very much and says, "brother demon, it's better to forget it."

"Chi Yao, please bear with me for a few days. We will go to the old alliance soon. You will be OK!" said the demon emperor

Chapter 6143

He knew that yuchiyao was suffering from the burning of the dark fire. He wanted to go to the old alliance as soon as possible to save all the disasters.

But in the dark forbidden sea, the deeper the space is, the greater the obstruction will be. It is difficult for him to tear the void and go there. He can only keep flying forward.

Just during the rest, there was a thunder in the void, but an old man came down.

The old man's breath is deep, and he has the strength of a hundred shackles.

However, seeing that the old man was not the enemy, he guessed the identity of the old man.

"My husband, Jiang Xuchen, I've met you, the demon emperor."

The old man was respectful and paid homage to the emperor.

"Your Excellency is..."

The emperor frowned.

Jiang Xuchen said: "I come from the temple of yin and Yang, and I escaped from the land of yin and Yang."

As soon as his eyes brightened, he said, "are you from the temple of yin and Yang?"

"Exactly," said Jiang Xuchen

Now I will tell you about the past of the temple of yin and Yang.

It turns out that the second base camp of the Yin Yang Temple was destroyed by Hong Tianjing at that time.

Jiang Xuchen takes many disciples to escape and take root in the dark forbidden sea, waiting for ye Chen to return.

The relationship between the emperor and ye Chen is profound, and the cause and effect is significant. So when the emperor steps in, Jiang Xuchen has caught the breath.

"Mr. devil, do you want to go to the old alliance?"

Jiang Xuchen took a look at the demon emperor and Yu chiyao.

"It's true that my friend's body was destroyed, and he was haunted by fire and poison. I want to ask the devil Wutian to save him."

Jiang Xuchen frowned and said: "the situation of the dark forbidden sea is complicated. Behind the boundless heaven, there are more heinous causes of gratitude, resentment, hatred and killing. Go to ask him. If you owe him, I'm afraid it's hard to do good."

The emperor said, "do you have a way? If you can save my friend, I would be very grateful. "

Jiang Xuchen took a look at Yuchi Yao and said, "if the reincarnation Lord is here, fighting to burn his blood, maybe it can be saved, but my cultivation is low, but there is nothing I can do."

"Then, you'd better come back. I'll save my friend no matter what I pay. If you can't help it, I can only ask for Wutian."

Jiang Xuchen sighed and said, "well, Mr. devil, I wish you good luck. I want to remind you that devil Wutian is looking for a container. He seems to have a crush on you. You can do it yourself."

With that, Jiang Xuchen turned and left. Before he left, he left a map.

This map records the terrain of the dark forbidden sea. There is a path that can quickly go to the old Japan League.

The demon emperor took the map and recalled Jiang Xuchen's words, but his heart was shocked.

"Container..."

The demon emperor of Zhetian also vaguely heard the news that Wutian, the demon ancestor, had been looking for a container and wanted to take it away for rebirth.

The old Japan alliance has been unable to find a suitable container for thousands of years.

And the demon emperor, himself is a refined demon, and reincarnation of the Lord together many, Qi is very powerful, in the eyes of the devil, he seems to be the most suitable container!

"Brother devil, don't go. I feel very uneasy. My death is nothing. It's not worth your risk. When the Lord of reincarnation takes charge of reincarnation, I can also be resurrected. "

Yuchi Yao is only afraid of an accident. Once the emperor Zhetian is captured by the devil, what's the meaning of her life?

"Don't be afraid. I'll take the measure."

The demon emperor comforted Yuchi Yao, and they spent the night on the island.

In the early morning of the next day, along with the instructions on the map, it took only half a day to arrive at the old alliance.

But in front of my eyes, it is a mysterious pure land.

Many ancient palaces, towering buildings, layer upon layer of arrangement, showing a magnificent and simple momentum.

This place is the residence of the old Japan alliance. It doesn't have a trace of magic. On the contrary, it seems pure and flawless, like a paradise.

In the middle of the pure land, there stands a huge divine tree, which is exactly the other side of the Royal tree.

Yuhuang Yafei, a descendant of Yuhuang royal family, took refuge in Wutian, the magic tree on the other side also fell on the territory of the old Japan alliance.

Layers of yellow amulets flutter among the clouds in the sky, forming a round shield to protect this pure land.

The demon Emperor gave a small flying sword, which was the old star beast north wind wolf. The key given to him could open the prohibition of the old alliance.

"Broken!"

The demon emperor drank lightly, and the flying sword shot. With a click, the forbidden system was opened. The shield cracked and a crack was opened, just enough to allow one person to pass.

Looking at everything in it, he knew that he had no choice but to think more about it at this moment, and then he flew in. He was over the pure land, shouting:

"Visitors from afar, please meet the leader of the old alliance, master Wutian of the demon ancestor!"

The voice is loud and full, and it's far away.

This is his will!

All of a sudden, the whole pure land was shaking.

Many Dharma protectors came out to see the demon emperor. They were all shocked and whispered:

"Here comes the devil

"Lao Zu has been thinking about it all day and night. It's this person!"

"He really has evil fortune on him. If he serves as a container for his ancestors, it's really not suitable."

"Maybe our old alliance will rise strongly today. Maybe in time, we can suppress wanxu and take charge of Taishang!"

Listening to the whispers of the people, the demon emperor was not moved. His face was as cold as a rock, suspended in the sky. No one knew what he was thinking.

Now, there is only one idea in the mind of the demon emperor!

Save yuchiyao regardless of everything!

If a man can't protect his own woman, how can he control the world!

After a while, a girl in a water blue Qipao, with a mellow figure and a beautiful face, flew to the emperor.

She is the descendant of Yuhuang royal family, Yuhuang Yafei, who has become an important figure in the old Japan League.

"Lord devil, please come into the hall."

Yuhuang Yafei was surprised when he saw ye Lingtian, but the accident was fleeting, and then he saluted the emperor and invited him.

"Well."

The demon emperor nodded, followed Yuhuang Yafei, flew forward, came to the old alliance hall, and strode in.

Entering the hall, the emperor looked up and saw a man with long hair sitting on the hall.

The man sat on a black lotus stand. He looked about fifty years old. His facial features were clear and dignified. There were layers of white bones and skeletons under him, which made him look rather gloomy and strange.

On both sides of the main hall, there are old alliance Dharma protectors, all of whom are made of old stars and beasts, with a total of 15 people.

Chapter 6144

"You are here at last."

On the Black Lotus stand, the man with long hair, staring at the demon emperor, gave a smile and calmed down.

This man, of course, is the devil without heaven.

"I've met you, master Wutian."

The demon emperor of Zhetian was upright, neither humble nor arrogant, and made a salute to Wutian.

Although he has been hearing about the affairs of Wutian, he knows that this person is not a kind person. Since he has made up his mind to come, he is doomed to have no regret.

Wutian said with a smile, "are you here to cure the woman in your heart?"

The demon emperor did not hide it and said, "yes!"

With that, with a wave of his hand, the demon Emperor gave a sacrifice to the seven evil spirits and ten thousand crows, releasing the spirit of Yuchi Yao.

Yuchiyao looks at the scene of demonic atmosphere on the main hall, and then feels the powerful breath of Wutian. She can't help suffocating and can't say a word.

The devil ancestor Wutian sits on the Black Lotus platform, just like the supremacy of the evil way. Even if he just sits quietly, it gives people a great sense of oppression.

This oppression is not only the oppression of the evil way, but also the heavenly power from the old days.

"She was injured by the people of wanxu. She suffered a lot."

The evil ancestor has no sky to look at the rain pond Yao one eye, then know all the details.

The emperor looked at Yuchi Yao and said, "yes! Please help me. I will repay you. "

The evil ancestor has no day to nod lightly, way: "save her also can, you promise me a matter."

In his heart, the demon emperor had a vague guess and asked, "what's the matter?"

Moze Wutian put his right palm on his knee, adjusted his sitting posture, looked at the emperor with appreciation in his eyes, and said:

"As you should have guessed, I need a container."

"My body is the body of the old times, and it is difficult to adapt to the new era. I need a fresh body to serve as a container for my soul."

The devil emperor's face sank. Although he had guessed it, he still couldn't accept it. His eyes coagulated and he said, "do you want me to be your container?"

"That's right! You have a deep foundation of demons. Although your strength is not so unfavourable, you are the best choice in all aspects. Your temperament is also to my taste. There is no one more suitable than you in the world. "

The demon emperor hesitated for a few seconds and said, "master Wutian has great powers. He has been in the past and in the present, but I haven't cut off my shackles. I'm afraid I can't hold his soul."

Wutian said with a smile: "not now. I need to train you for a while. I will give you a charm. You can break through quickly and even kill me in the future by virtue of this charm."

For Wutian, it's not a bad time for him to take over.

Today, the demon emperor has not stepped into Baijia realm, let alone cut off enough chains.

If Wu Tian's strength is taken away now, the physical body of the demon emperor can't bear his energy.

At that time, it must be the result of losing both sides.

Therefore, the demon emperor must become stronger!

Strong enough to accommodate yourself!

In this way, after Wutian controls the body of Zhetian devil emperor, it will also become stronger!

"How about this deal?"

As he spoke, Wutian raised his hand, and there were dark spells on his skin, just like the brand of the devil.

The charm contains a very terrible breath, with the power of his life cultivation.

If he is in charge of this spell, the demon emperor can be sure that his cultivation can definitely advance by leaps and bounds, and the shackles of martial arts can be easily cut off.

Moze Wutian said with a smile: "you are not a dead end when you are my container. You have the chance to fight back. If you can fight back, the foundation of my old alliance will be yours."

Cover the sky devil emperor ha ha a smile, the Moze son is indifferent, in the heart is twinkling innumerable idea.

This is true.

He does have a chance to fight back.

The struggle for giving up depends on each other's spiritual will, not on cultivation.

There is no doubt that the cultivation of Wutian is far above that of Zhetian.

However, in terms of spiritual will, the demon emperor asked himself that he would not lose to anyone.

Even if it's Moze Wutian, it's definitely not easy to take him away.

"Brother devil..."

Yuchi Yao floats to the devil emperor, looks worried and frowns.

Obviously, she didn't want the devil to agree.

It's too dangerous!

What kind of person is the devil without heaven? Who can resist him if he wants to take away a person?

The demon emperor was silent, weighing in his heart.

Wutian said with a smile: "how? I'll save your woman as soon as you promise. "

The emperor is still silent.

"I can see that you have great ambition of demonism and will not stop for a woman. But if you want to reach the peak of demonism, it is absolutely impossible for you to rely on yourself. There is no chance for outsiders to rise in wanxu."

"If you want to rise up, you have to take refuge in me and become my container. I will give you the best resources. During this period, you can try to assassinate me. Once you succeed, everything I have is yours."

"Of course, the probability is very small, but shouldn't a warrior have the determination to go up against the current?"

The emperor's eyes twinkled, and he was still weighing. Looking around, he saw that each star beast Dharma protector was calm and self-contained. He was not moved by the words of the devil.

Obviously, in their eyes, as long as the demon emperor dare to promise, it is a dead end, there is no chance of anti killing.

They absolutely believe in the power of Mozu Wutian. In this world, no one can kill him except yuhuanggudi, not even taishangtiannv.

The demon emperor hesitated again and again, and finally sighed, "give me two more incense sticks to think about."

Wutian said with a smile, "good."

.....

And when the demon emperor was silent, the outside world, heaven and man, the vast sky suddenly vibrated, and suddenly there was infinite evil Qi, rolling out.

Monstrous vision coming!

In the evil spirit, there is a very strong spirit evil breath, let a person see one eye, feel mind shaking, in a trance.

The source of this evil breath is from hell magic island!

At this moment, the hell island is completely shrouded in the evil spirit.

In the process of endless evil spirit's transpiration, the monstrous and ferocious visions such as corpse mountain and blood sea, demon cultivation, hell ghost and so on are transformed.

The rolling evil spirit is condensed, and even turns into a dark red sword, with a strong smell of blood, flying around the island, killing the forest and mountains, which is very spectacular.

"The eighth level! Emperor Shitian, have you finally broken through? "

Chapter 6145

On the top of the mountain, xuanjiyue looks at the emperor Shitian in front of her, but she sees that the other party is surrounded by evil Qi, and her momentum is so fierce that she feels suffocated.

She quickly pulled out Shenluo Tianjian, guarded her figure and stepped back.

At this moment, the cultivation of the heart demon's big curse sword reached the level of the eighth heaven!

This is the realm of Yan Changge, the former master of the mind devil!

The heart devil's curse sword was originally a blood free and evil free sword. It was pure and clear, but after reaching the eighth level, it turned into a complete magic sword. It was full of evil spirit and fell from the justice of judgment to the darkness of hell.

The darkness of hell, the almost eternal infernal hell, also has an impact on their own spirit. If they are careless, they will be eaten by the demons.

However, if you can struggle out of the dark mire, wash the lead again, let the heart demon curse sword return to its original pure appearance, then you can reach the peak of the heart demon, which is the highest level of the Ninth level in the legend!

Even the supreme world is afraid of the heart demon's great curse sword. It has no power to stop it. Even the Hongmeng star sky and the eight heavenly swords can't stop the Ninth level of the heart demon's killing.

Once the emperor released heaven and practiced the magic sword to the Ninth level, he could even judge the supreme world and everyone's heart demons. No one could be spared.

This is the reason why the heart demon big curse sword is called the big cancer, because the peak state is too terrible and invincible.

However, since ancient times, no one has ever been able to practice the heart devil's great curse sword to the highest level. Even Yan Changge, the former master of the heart devil, only practiced to the eighth level.

At the moment, the emperor Shitian has reached the eighth level.

This is the most dangerous state. It is a hell like dark mire, and almost no one can break free.

At this time, Emperor Shitian finally opened his eyes.

What kind of eyes are those?

Calm, pure, compassionate, indifferent, detached from worldly hatred and suffering, only eternal compassion.

Xuanjiyue was shocked when she saw the eyes of emperor Shitian.

Through these eyes, she seems to see the emperor's wish to release heaven.

That's the ultimate wish of establishing an ideal country, settling all disputes and pacifying the world!

Even if the heart demon's big curse sword was cultivated to the level of eight layers of heaven, the emperor Shitian was always calm, not engulfed by the darkness of hell, shining like the sun.

Xuanjiyue even has the illusion that one day, the emperor Shitian will definitely surpass everything and reach the peak of the heart demon great curse sword!

"You... You..."

Xuanjiyue's body trembled, but she couldn't speak.

Emperor Shitian gave her a smile, arched her hand, and said: "Miss Xuan, thank you for your cold heart. I finally succeeded in breaking through and successfully stepped into the realm of heaven."

At this moment, the emperor Shitian also broke through successfully and became a master of Baijia realm.

Xuanjiyue came back and said, "how many flail do you chop?"

"Eighty one," the emperor said

Xuanjiyue said, "are you 81, too? impossible! I've given you the heart of cold earth. You should have the talent of the emperor! "

Xuanjiyue's plan is to let emperor Shitian break through to the maximum extent, so that in the next battle, she can be sure to fight against Ye Chen.

Although doing so will make emperor Shitian rise, she has no choice. Anyway, as long as she kills Ye Chen, she can crush emperor Shitian in turn after she gets reincarnation blood, but she is not afraid of his counter killing.

However, xuanjiyue did not expect that the number of flail cutting of emperor Shitian was 81, just like her.

No more than 81, it means that it is not the capital of the emperor, there is no atmospheric blessing.

This is very unfavorable to the future war!

Emperor Shitian said with a smile: "I could have broken through eighty-one, but I temporarily feel that the heart demon's big curse sword has a sign of breaking through, so I can use the energy of the cold heart to refine the heart demon's divine power first, and please don't blame Miss Xuan."

"What did you say?"

Xuanjiyue suddenly became angry.

It turns out that the number of chopping flail of emperor Shitian could have been more than 81, but he dedicated all the energy of Di Han's heart to the great curse sword, which led to the suppression of chopping flail and was unable to break through 81.

Emperor Shitian outlined a smile and said: "my heart demon God has reached the eighth level. It's almost against heaven. It's easy to fight against the judge."

Smell speech, Xuan Ji month eyes a bright, pour also wake up.

By the way, the judge is the master of banbu Tianjun. Even if they are weak, it is very difficult for them to murder each other.

However, when Emperor Shitian's mind demons are trained to the eighth level, their power is greatly changed. Relying on the killing of the mind demons, they are likely to crush the judge!

After all, we can ignore the gap of the realm when the demons kill people.

It's even possible to make the judge their puppet!

Once emperor Shitian's murder is successful, the two of them can occupy everything in the judgment hall. At that time, based on this, they can fight against Ye Chen. It's easy!

Emperor Shitian said with a smile: "the judgment hall has accumulated for more than 100000 years. There are countless natural resources and land treasures, and the foundation is extremely deep. As long as you murder the Lord of the judgment and take charge of the orthodoxy of his holy hall, you can kill the reincarnation Lord."

Xuanjiyue was overjoyed and saw the dawn of hope, saying: "that's right! When you have reached the eighth level, the judge can't resist it. "

Chapter 6146

Emperor Shitian said: "well, take me back to the heart of the earth, I also want to go back to my hometown to have a look."

"Good!"

Xuanjiyue nodded and agreed, then took the emperor Shitian and rushed to the heart of the earth.

.....

meanwhile.

Death in blood.

On the main hall, the atmosphere is dignified to the extreme.

Xia Ruoxue heard all ye Lingtian said, she Xiumei condensed into a Sichuan word.

Is the change of Chinese aura related to foreign countries?

What's more, the dark hall is now suppressed by a man named yuan Daofeng?

Even yuan Daofeng's power can hurt ye Lingtian?

Over the years, what has happened in Huaxia!

Xia Ruoxue continued: "at the moment, you have basically determined that ye Chen wants you to find the reincarnation xuanbei?"

Ye Lingtian nodded: "the matter of reincarnation xuanbei is really explained by the temple master one after another, but now reincarnation xuanbei is the second, the key is the change of Chinese aura."

"There's another thing, the little girl in the xuanbei of Chinese reincarnation once did something when I was in danger... And she seems to be investigating the change of aura."

Xia Ruoxue is more and more confused. She doesn't understand the layout of Huaxia and even the reincarnation stele. If she wants to solve this problem, she still needs Ye Chen to do it.

But ye Chen is now in the center of the earth, facing the presence of the Lord of judgment and the coming of wanxu. Do you really have time to go to China now?

"Ling Tian, my accomplishments are now in China, which is enough to win. How do you think I will go on behalf of Ye Chen?" Xia Ruoxue asked.

But ye Lingtian shook his head: "no, this matter is extremely important to the temple master. I think if the temple master knows it, he will start in person. Moreover, if you start now, if you don't control it properly, the consequences will be extremely serious, so you must be the temple master."

Xia Ruoxue nodded thoughtfully. In fact, she thought so in her heart.

Suddenly, she thought of something and continued to ask, "what is the origin of yuan Daofeng?"

Ye Lingtian took out a document from Chu Wu Jie and handed it to Xia Ruoxue: "I don't know much about yuan Daofeng. This is a document compiled by the dragon soul. It's not too detailed, but it should be everything about yuan Daofeng in the world."

"According to my investigation in China these days, there should be people from outside China behind yuan Daofeng."

Xia Ruoxue took a look at the document and found no special news, but she still accepted the document and said to ye Lingtian: "Lingtian, now ye Chen goes to the geocentric region to deal with some things.

Once the processing is finished, I will bring the message to him. If he doesn't come back for a long time, I will go in person."

"These days, it's hard for you."

Ye Lingtianmeng stood up and said, "it's not hard. It's just that the change of Chinese aura is more and more serious. It's better to start early."

Xia Ruoxue was stunned and said curiously, "how much time do you have left for us?"

Ye Lingtian looked down for a moment and said, "it's less than a year, but it's better for the temple master to leave recently."

"By the way, what's the strength of the temple master now?"

Xia Ruoxue replied, "it's still true..."

When ye Lingtian heard this, he was surprised. The gap between himself and the Lord of the temple was too big.

If you don't practice yourself, I'm afraid the temple master won't use himself any more.

Thinking of this, ye Lingtian said, "please let Miss Xia arrange a training room for me. I plan to shut up and wait for the master to come back."

Xia Ruoxue nodded: "good."

At this time, he closed his eyes, and the blood god, who had not opened his mouth, suddenly opened his eyes, looked at ye Lingtian and said, "I've been practicing almost now. You come with me, and I'll teach you something."

Ye Lingtian was stunned. Although he didn't know the origin of blood God from the beginning to the end, the momentum on the other side was extremely terrible!

If you can get the other party's guidance, your strength is bound to advance by leaps and bounds!

"Thank you, master." Ye Lingtian is quite respectful.

Xia Ruoxue also has some doubts. She doesn't understand why the blood god wants to be like this.

But vaguely guess that should be related to Ye Chen.

Blood god stood up, patted ye Lingtian on the shoulder and said, "come with me."

.....

And at this time, in the center of the earth.

When ye Chen returns to the ancestral land of Fengjia, he makes a slight adjustment. He is worried about the safety of the demon emperor, so he wants to return to heaven and man to explore the trace of the demon emperor.

He knew the devil emperor very well. Along the way, although he was a devil, he was completely true!

As long as Yuchi Yao can be saved, I'm afraid he will do anything.

"Don't go back. The devil has gone to the dark forbidden sea."

At this time, the void slightly distorted, a beautiful and with cold air of the woman came down, unexpectedly is Su Mo cold!

"Master Su!"

Ye Chen see Su Mo cold, suddenly surprised, did not expect each other will come here.

You know, this is the ancestral place of the wind family. With the protection of the Yellow Emperor tree, the other party can approach quietly. Obviously, the means are very important.

After all, Su Mo Han and Ren Fanfan belong to the same era.

"Is Mr. Ren here?"

Ye Chen thinks Ren extraordinary is nearby only, ask a way.

Su Mo Han didn't answer positively, but said: "if the chance comes, he will meet you naturally. I have two things to tell you when I come here."

Ye Chen said, "what's the matter?"

Su Mo Han said: "the first thing is to cover the sky. The devil emperor has gone to the dark forbidden sea. He wants to see the devil ancestor Wutian. He must be ready to sacrifice himself to save the woman named Yuchi Yao."

Smell speech, leaf Chen heart immediately incomparable vibration, cover day evil emperor this is doing what stupid thing!

However, if he is the demon emperor, in the face of such a situation, will it be the same?

Ye Chen no longer thinks much, way: "rain girl body is destroyed, I may have the possibility of saving, why does he have to go to the devil Zu Wutian?"

Su Mo Han sighed and said: "it's a mistake between yin and Yang. You were not in heaven and man at that time. How could you expect so much? What's more, time has been delayed, and it's too late for you to save it. All you have to do is ask the devil Wutian to do it. "

Ye Chen sighs a long time, way: "the evil ancestor has no day why to want to help?"

Su Mo Han said: "because he wants to turn the demon emperor into his container..."

At the moment, I simply explained the plan of Wutian.

Ye Chen is to vibrate even more, a way: "this doesn't work! I'm going out to stop it! If the devil emperor is taken away by the devil ancestor, it will be troublesome! "

"Even in the future, I will naturally compete with Wutian. If he seizes and abandons Zhetian, will I face Wutian or my former comrade in arms

Su Mo Han pulls Ye Chen, way: "you calm down a bit, now you past, also too late, cover up the sky evil emperor is not a casual person, he naturally has his plan, you don't have to worry."

Ye Chen's heart is still hard to calm down. He knows the horror of Wutian. It's the only big man who once held wuwutian book, and he's also the younger martial brother of the old master.

Chapter 6147

The devil ancestor wants to take away the demon emperor, but how can the latter resist?

Su Mo cold way: "cause and effect blessing disaster, the future sees to know, you from disorderly formation feet also useless."

Hearing this, ye Chen calms down a little.

Su Mo Han is right. There are so many crises now that he can't make a mess of himself.

"Well, master Su, another thing is..."

Ye Chen asked again.

Su Mo Han said: "another thing is about Wei Ying..."

"Wei Ying!"

Ye Chen in the heart a surprised, say Wei Ying to have an accident?

Su Mo Han sighed and said: "Alas, not long ago, Wei Ying, that silly girl, tried to break the shackles and break through the promotion, but it's a pity that she is too eager for quick success and instant benefit. With her inside information, it's not time to break through."

Ye Chen's face sank and said, "so, did Wei Ying break through and fail?"

Su Mo Han nodded and said: "yes, she failed to break through and was injured. The injury was once extremely serious. I used the best pills and my aura to repair part of her injury.

But I don't know why, after she woke up, something was wrong, and she always said what she saw. I'm not sure whether she was possessed or what cause and effect she saw in her cultivation. After that, she asked me to bring her to the heart of the earth to seek a breakthrough here. "

Ye Chen roughly guessed what, way: "elder, did you take Wei Ying down?"

Su Mo cold way: "I can't beat her, after all is to take her down, but she suddenly disappeared, I don't know where she went."

Ye Chen said: "Wei Ying is in the center of the earth. She is not familiar with her life. Where can she go?"

Su Mo cold way: "I don't know, so hope, you can look for me, if that wench has an accident, I really don't know what to do."

"After all, you've been in the center of the earth for a long time. You should be better at finding people than me."

Ye Chen felt that he wanted to catch Wei Ying's breath, but he couldn't find it. He frowned and said, "is Wei Ying really in the center of the earth?"

Su Mo cold way: "can I still cheat you?"

Ye Chen said: "how can I not feel her breath?"

Su Mo Han said: "well, I can't feel it either. She may have gone to some ancient relics. Her breath is isolated, so I want you to pay more attention."

Ye Chen heart a Lin, way: "good, Su elder please rest assured, I will find Wei Ying!"

Su Mo Han nodded and said, "thank you very much."

Finish saying, Su Mo cold turns round to leave, the body conceals in the void to disappear.

Ye Chen's eyes twinkle and she has many thoughts, but she doesn't know where Wei Ying has gone.

At present, ye Chen orders the wind family to pay more attention to find Wei Ying.

At the end of the command, ye Chen also left the ancestral place of Fengjia, ready to go out to find Wei Ying.

"Wei Ying, where did she go?"

Ye Chen frowns tightly, and has no idea. He can only pay attention to deduction, hoping to catch Wei Ying's breath.

However, under the constant deduction, Wei Ying's breath is not found, but ye Chen captures a very obscure evil spirit.

It's the breath of the devil!

"Emperor Shitian is here?"

Ye Chen perceives this breath, immediately the eye pupil contracts, startled to the pole.

After a careful understanding, he clearly captured the familiar breath of emperor Shitian.

To Ye Chen's surprise, the cultivation of the emperor Shitian succeeded in breaking through the shackles, and the magical power of the heart was also promoted to the level of the eighth heaven!

"This guy, what's he doing in the heart of the earth? He wants to join hands with xuanjiyue to kill me?"

Ye Chen bites his teeth. If Xuan Jiyue and Emperor Shitian join hands, it's really troublesome. If they really fight, the situation will open.

He has only a 50% chance of winning and can't do it.

"No! They want to kill the judge! "

Ye Chen has a profound understanding of the crisis in the dark.

At this moment, he has vaguely captured that the current target of emperor Shitian and xuanjiyue is not him, but the judge!

These two men intend to join hands with the master of murder verdict, just like the master of reincarnation in previous lives.

If the murder is successful, they can snatch the orthodox foundation of the judgment hall. In this way, they can crush Ye Chen!

Ye Chen is not the enemy at all!

You know, now the judge has to be on guard against the wanxu temple, so he doesn't dare to split his face with Ye Chen. The situation is in a delicate balance.

But if xuanjiyue and Emperor Shitian succeed in seizing power by murder, they will not take care of the ruins. They will definitely kill Ye Chen at all costs.

In this way, ye Chen is in danger.

The judgment hall has been accumulating for more than 100000 years. How terrible is the orthodoxy. If ye Chen is killed regardless of all sacrifice, ye Chen will surely be in danger.

"These two guys really have ulterior motives!"

"It must be xuanjiyue's idea!"

Ye Chen's eyes are cold. Xuan Jiyue is really a vicious woman. She has a heart of snakes and scorpions and can do anything.

At the moment, ye Chen sent a letter to the judge, telling him to be careful about xuanjiyue's murder.

He doesn't want the judge killed. Now he needs the judge as a shield.

Just after sending a letter, ye Chen suddenly flashed a picture in his mind.

In the picture, he vaguely saw a familiar sound.

This figure is not others, it is ye Lingtian.

And ye Lingtian seems to be standing beside an unexpected person... Blood god!

Ye Chen's eyes narrowed slightly and shook his head: "are you hallucinating? How can ye Lingtian be in the blood death prison? "

"However, it's been a long time since ye Lingtian was sent to China. It's reasonable to say that he should have sent news back."

Chapter 6148

"Why has there been no movement? Is there something wrong with the communication jade pendant? "

"If that's the case, I'd like to go to Huaxia to see what I'm doing."

"According to my current strength, it should not take too much time to go to China."

"Huaxia is my real home. I can't let it happen."

"And now many reincarnation steles have been upgraded to perfection."

"It's time to find the rest of the reincarnation stele."

"If I want to fight against wanxu, I must gather all the xuanbei of reincarnation and activate the complete blood of reincarnation!"

At the time of Ye Chen's whispering, there was a sudden movement in the evil disk.

Ye Chen's eyebrows narrowed slightly and took out the Zhenxie tray. Before he spoke, the voice of the Wuzu rang out

"Boy, I know the whereabouts of a reincarnation monument. If you are willing to trade with me, I will tell you where it is?"

Ye Chen was a little surprised and said, "Oh? Then why do you say it now? "

Wu Zu was silent for a moment and said, "this is a chip. I didn't know you would grow up so fast before."

"I estimate that in a short time, your strength will be enough to suppress me."

"I want to exchange a message for my freedom. Only freedom can escape being chased by you."

Ye Chen didn't completely believe Wu Zu's words, but said: "do you want to exchange your freedom for the information of reincarnation xuanbei?"

Wu Zu said, "yes."

Wu Zu thought that ye Chen would agree. However, ye Chen thought for a moment and said, "I'm sorry, I don't want your information right now. With my luck and the cause and effect of reincarnation, I think I will meet you soon."

"As for you, Zhenxie pan is in my hands. My mission is to kill you forever in Zhenxie pan!"

"Don't worry, this day won't be long."

Wu Zu heard these words, gas just want to scold, but ye Chen has put Zhen Xie pan into reincarnation cemetery, and with a magic method completely shield the sound of Zhen Xie pan.

At present, the most urgent task is to find Wei Ying as soon as possible.

.....

At this time, the dark forbidden sea, in the hall.

The time has passed.

Zhetian devil emperor raised his head, calmly looked at Wutian and said, "I promise you."

Hearing this, Mozu was overjoyed and said, "very good, very good!"

The star beast Dharma protectors on the scene were also excited and ecstatic, and were extremely shocked.

Mozu Wutian has been looking for a new container. They have been searching for it for thousands of years without any result. Now the matter has finally been solved, and the fate of the old Japan alliance has stabilized. Everyone is ecstatic.

"This is my charm. Now I give it to you. When you are in danger, you can open it. If you call me, no one in the world can hurt you."

Mozu Wutian waved his hand, and a ray of light like a devil's claw shot at the demon emperor.

The body of the demon emperor slightly shakes, instinctively wants to avoid, but finally he stops and stands in the same place.

Whoa!

The light fell on his neck, and his neck suddenly burst out a layer of dark spell, which was like an old curse, with a very terrible smell.

"Well?"

The emperor murmured a little. He felt a burst of extreme tearing pain. He could not help biting his teeth. With his heart, he felt unbearable.

"Brother devil!"

Yu Chi Yao's eyes were full of tears, and she helped the devil emperor.

But I saw that the black spell, like the tattoo of the devil, was deeply imprinted on the neck of the demon emperor, and spread to his cheek, making him look extremely ferocious.

Fortunately, the spell soon faded, quickly disappeared into the depths of his skin, and the pain disappeared.

"It's so powerful. The charm is so powerful that it's easy to kill the legendary heart devil."

Zhetian devil emperor laughs and stands in the original tunnel.

Under the curse of the devil, his face was pale and frightening, and he obviously consumed a lot of money. With a faint smile, he said: "the fate of the devil is nothing, but the stepping stone of reincarnation. You don't have to worry about them, just concentrate on cultivation. Our enemies are wanxu temple and yuhuanggudi!"

The emperor said, "the enemy of the reincarnation Lord is also wanxu. Why don't you cooperate?"

"Cooperation? That's a joke. I have no God, no one. I will solve my own cause and effect, and I won't borrow others' hands. "

The demon emperor nodded and said, "well, it's your business. I just ask. Please keep your promise and treat my friend." He gave Yuchi Yao a deep look.

"No problem," he said

Eyes scan the whole scene star beast Dharma protector, pause, way: "peacock, you come out."

A woman with peacock plumes in her hair was shocked and walked out of the line, saying, "what's your order?"

The demon ancestor had no hope of heaven and said to the demon emperor, "have you ever heard of the legend of the old sun, star and beast?"

The emperor said, "I have heard that the old star beasts live by swallowing the starry sky. Their blood, aura and energy are extraordinary."

"It's the battle between the old and the new. My elder martial brother was killed and the old star beast was almost slaughtered. I spared no effort to save sixteen of them."

"The sixteen star beasts are all Dharma protectors of my old alliance. Before that, there was a big Jipeng bird who died of the reincarnation Lord. Now there are only 15 people left. Any one of these 15 people is extremely important to me."

The devil emperor of covering the sky pondered and didn't know what the devil's ancestor Wu Tian's words meant. Do you want to settle with Ye Chen?

"This woman, whose real body is a peacock, is my favorite subordinate."

In the meantime, Mozu Wutian pointed to the woman.

That green feather peacock is at a loss, also don't know the evil ancestor Wu Tian is what meaning.

All of a sudden, Wutian's finger shot a black awn. When the peacock was at a loss, it was shot and killed by one finger. Its body was crushed and turned into blood.

The sudden change made the whole audience exclaim.

With a sigh, the blood turned into a crystal aura and poured into the spirit of Yuchi Yao.

An amazing scene appeared. Yuchi Yao's body gradually recovered. In the blink of an eye, it completely recovered. From a wisp of ghost, she became a vivid beauty.

"This..."

The emperor was stunned.

Yuchi Yao stayed for a while, then she threw herself into his arms and began to cry.

He felt the tenderness in his arms, just like a dream.

The devil ancestor has no heaven way: "I sacrifice a star beast for you, recast the body for this girl."

The whole audience knelt down in a cold sweat.

But the devil's eyes were dim, as if he had grown old all at once.

In the old days, there were only 16 stars and beasts, but now there are only 14 left. He lost a lot.

"Thank you, master Wutian!"

Chapter 6149

The demon emperor Zhetian gave his thanks. He was very clear about the power of the old star beast blood. The demon ancestor Wutian sacrificed the green feather peacock and recast the body for Yuchi Yao.

Yuchiyao inherited the blood of the old star beast, and will become more powerful in the future.

Moza Wutian nodded slightly and said, "from today on, you are the Holy Son of my old alliance. I will try my best to cultivate you. Of course, you can also find an opportunity to assassinate me. If you succeed, you won't be taken away by me."

After a pause, he said with a smile, "I'm very weak now. If you do it, maybe you can kill me on the spot and take over my orthodoxy."

The demon emperor quickly arched his hand and said, "I'm joking."

With a smile, Moza looked at Yuchi Yao and said, "this girl was burned by the dark fire before. Now her body is recovering. She needs to take care of herself. Go down."

"Yes

The demon emperor took Yuchi Yao's hand and walked out of the hall.

"Congratulations, son."

Yuhuang Yafei followed them and congratulated the demon emperor.

Today's Zhetian devil emperor is already the Holy Son of the old alliance, and has an unlimited future in the future.

Although his final result is doomed to be taken away by the devil, at least before taking away, he can enjoy the most supreme glory and honor in the world.

In the territory of the old Japan alliance, there has long been a blessed place, ready for the son.

Yuhuang Yafei took the magic emperor and Yuchi Yao to live in the blessed land.

"Brother devil, what shall we do in the future?"

Yu Chi Yao asked softly, always uneasy.

On the surface, although the devil emperor is a holy Son, it is actually a container, which may be taken away by the devil at any time.

The demon emperor was open-minded and said with a smile, "it's not easy for the demon ancestor Wutian to take me away. You have a rest first and we'll leave when you're well fed."

Moze Wutian doesn't restrict the freedom of modi. Modi can go in and out at will, as long as he helps to deal with the task in the old alliance, but usually he is very free.

At present, the devil emperor and Yuchi Yao lived in the blessed land of the son for a rest.

.....

But in the center of the earth, Emperor Shitian followed xuanjiyue to the center of the earth and went to the judgment hall together.

"Emperor Shitian, I'll take you to see the judge."

"The ancestral land of your imperial family has already been destroyed, and the red lotus tree has also fallen into the hands of the ruling temple. Don't think about rebuilding the orthodoxy, just follow me."

Xuanjiyue leads the way and says with a smile.

Originally, there were descendants of the Di Shi family who survived and were protected by the three ancestors of the di Xin temple.

But this chess piece, when ye Chen snatches Dan Xianhu, has been sacrificed.

The emperor's family lost its shelter and was ruled that the holy hall had been completely wiped out. There was no one left alive. Even the guardian tree, honglianxian tree, fell into the hands of the holy hall.

When Emperor Shitian heard these drastic changes, his face didn't change color. He said faintly, "it's God's will. I don't plan to rebuild emperor Shitian's family either. The past is gone with the wind. What I'm looking for is today's victory or defeat."

Xuanjiyue said with a smile: "very good. When the master of the murder verdict succeeds, naturally we win."

As they spoke, they soon came to the judgment hall.

Among the four elders of the ruling hall, only Chen zuiyue, who is in charge of the wind demon heavenly script, survived and was not killed.

Chen zuiyue is at the gate of the holy hall. She is surprised to see xuanjiyue coming back with a man.

When he saw the man's face clearly, he was even more surprised, and cried: "emperor Shitian, you are back!"

At that time, the emperor Shitian was also a member of the Tianjun family in the earth's heart. Chen zuiyue once had a hand with him, and naturally knew him.

Emperor Shitian smiles, hugs his fist and says, "elder Chen, long time no see."

Chen zuiyue said, "good... Long time no see." Obviously, I didn't expect the emperor Shitian to return.

Emperor Shitian said: "when you ruled on the holy hall, you created a great catastrophe and killed my emperor's family. Unfortunately, I escaped by chance. That was a long time ago."

Chen zuiyue gave a dry smile and said, "the past is over. Now it's important to fight against wanxu and reincarnation. As long as you kill the reincarnation Lord and take his blood, all the dead can be revived in reincarnation heaven."

Emperor Shitian said with a smile, "I hope so. I want to see the judge. Please pass it on."

"Yes

Chen zuiyue turns around and reports to a main hall. Soon, the reply of the judge appears in his ears.

He nodded and soon came out. He said to the Lord of Shitian and rulings, "Lord God, I want you to go in."

Emperor Shitian nodded, and then, together with xuanjiyue, stepped into the hall of judgment.

On the main hall, the judge sits on the throne, and his breath is extremely weak.

He suffered many blows. Before that, he even broke his promise and refused to hand over the tianwu Wolong Sutra. Now the cause and effect backfired. His condition was very bad. He coughed violently and vomited blood during breathing, as if he would die at any time without human hands.

Xuanjiyue and Emperor Shitian looked at each other, and they were all secretly happy.

The decision makers look like this. Their murder plan has a great chance of success.

"Emperor Shitian, welcome back. It's said that you have inherited the heart demon's great curse sword. I don't know what level you have practiced?"

The judge asked with a smile.

Emperor Shitian never lied and said, "I have reached the eighth level."

Chapter 6150

The adjudicator laughed and said, "when you get to the eighth level, if you want to judge me with your mind, it's like crushing mole ants. No matter how strong my cultivation is, my spirit and will can't resist the killing of the mind."

Emperor Shitian was silent. He did have a plan to try the judge, but this plan was equal to murder, so he would not say it. But he never told a lie, so he kept silent.

Xuanjiyue said: "the Lord of judgment, now it is important to fight against the Lord of reincarnation and wanxu. What do you mean by that?"

The judge nodded and said, "it's my fault. We shouldn't fight inside. If we want to deal with the reincarnation, I have a way."

Xuan Ji month way: "what method?"

The judge said: "I found a woman, Wei Ying, with the cause and effect of the reincarnation Lord. It should be his woman. Using this woman as bait, we can lure the reincarnation Lord out."

Xuanjiyue was shocked and said, "Wei Ying? She's in the middle of the earth, too? Well, she is indeed the lover of the Lord of samsara. Do you want to do it again? "

At the beginning, in the world of sword, the judge used xueningqian as bait to lure Ye Chen out. Unfortunately, he failed.

Ye Chen is indeed out, but in the end they are defeated, and can't kill Ye Chen.

The judge said: "it was just an accident that I failed in jianshichen before. I underestimated the reincarnation master's card, but this time, I will not let him escape again!"

At the end of the day, the judge's eyes were murderous and he seemed to have a plan.

Xuan Ji month heart move, way: "what method do you have?"

The ruling said: "I plan to send the four elder Chen zuiyue out. He is in charge of the wind devil's heavenly book, which is one of the four volumes of the supreme heavenly book" Fengyun Wuxiang ". I am ready to sacrifice the wind devil's heavenly book and suppress the reincarnation Lord!"

Xuanjiyue said, "do you want to sacrifice the wind demon's heavenly script?"

There are four volumes of the supreme book of heaven, each of which is extremely powerful. If the wind devil's book of heaven is sacrificed directly, it will burst out with killing power, which is hard to resist even the strong one in a hundred shackles realm.

The judge said, "that's right! Now that the emperor Shitian has come back, gather the strength of both of you, plus the wind demon Tianshu, there is no doubt that the reincarnation Lord will die! "

Smell speech, Xuan Ji month and Emperor Shi Tian, all is at present a bright.

Do so, really have great assurance, can kill Ye Chen!

Even if ye Chen could not be killed, the sacrifice of the wind demon's heavenly script would be a huge blow to the judgment hall. It would be good for their next plan, and they would not lose in any case.

Xuanjiyue stepped forward and asked, "where is Wei Ying now?"

Wei Ying is the bait and the key to lure Ye Chen out. Naturally, it is extremely important.

The judge said, "she has gone to the land of cold God. You go there and catch her."

"Cold in the earth, holy land?"

Xuanjiyue heard the place name, but her heart moved slightly.

This is an ancient relic. What's more, xuanjiyue has been there!

In addition, she dug out the core of the earth, took out the heart of the earth, and finally gave it to the emperor Shitian.

I never thought that this cause and effect would be infected with Wei Ying in the end.

It seems that the Lord of the supreme palace who once lived in juehan emperor's palace is not lucky and will fall into the hands of xuanjiyue.

"Ha ha, that bitch Wei Ying, do you want to search for opportunities in the cold land? It's a pity that I've already taken the chance there. "

Xuanjiyue disdains to sneer.

The adjudicator thought deeply, then waved his hand and said, "in this case, you should start right away and let Wei Ying feel desperate. If you want to kill the reincarnation Lord, you must take this man as the reason. If you fail again this time, I'm afraid that next time we three will die in Ye Chen's hands. "

"Good!"

Xuanjiyue nods, and thousands of thoughts have passed in her heart to torture Wei Ying.

Wei Ying is Ye Chen's woman, now Wei Ying alone, is a good opportunity for her torture revenge!

I don't know whether the reincarnation master of this life will feel heartache for this confidant?

Is Qu Chenyan important in the previous life or Wei Ying's works important in this life? Or Xia Ruoxue?

I don't know why, xuanjiyue has some hatred for these women around yechen.

This hatred comes from the past of her and the reincarnation Lord!

Although she and the reincarnation of the LORD did not have any results, but reincarnation and fate is always a good story!

At present, xuanjiyue and the emperor Shitian set out to go to dihan Shenjing.

Chen zuiyue, the fourth elder, follows them.

The goal of this operation is to catch Wei Ying, act as bait, lure Ye Chen out, and finally kill Ye Chen.

Chen zuiyue's heart is dripping with blood. His wind demon's heavenly book, this mission is to sacrifice.

There is no doubt that this is an extremely huge loss. If we can't kill the reincarnation Lord, even the judgment church can't bear such a huge loss.

.....

At this time, the earth is cold.

This is an ancient relic, shrouded in a white cold.

It's said that the embroidered winter beads in the top ten Heaven beads fell from the supreme world in those years. First of all, they fell into the cold land.

Therefore, the earth vein of the cold divine realm became especially cold under the influence of embroidering winter pearls.

Before that, xuanjiyue came to the land of coldness. It was because of the guidance of embroidered winter beads that she finally dug away the core of the earth, which is the heart of coldness.

A woman, quietly marching in the cold divine realm, seems to be looking for something.

This woman, with extremely beautiful appearance and cold and noble temperament, is Wei Ying!

But now Wei Ying with a little injury, although not serious, but the face is still a little pale.

"Where is the hidden chance?"

Wei Ying is marching forward step by step, hoping to find the chance behind the cold spirit.

This cold and holy place is a picture in her memory, which has appeared in her mind many times.

When she practiced, even when she failed to break through, this picture appeared in her mind, just like a dream.

After following Su Mo Han and coming to the earth center, Wei Ying quietly came to the earth cold divine realm in accordance with the guidance of the dream.

She didn't tell Su Mohan or anyone, so as to avoid the invasion of outsiders, which would disturb the geomantic omen and fortune of Di Han's divine realm and lead to her failure in treasure hunting.

However, after searching for several days in the frigid land, Wei Ying didn't find anything, as if the chance in the dream didn't exist.

"Has anyone been here? Was it the first to get there? "

And in the constant search, Wei Ying has a surprise discovery.

She found a line of footprints on the snow, which had not dissipated.

There's been a break in here!

The chance she was looking for might have been taken away!
