Chapter 621

China failed Ye Chen too many times.

This time, no matter what, he will protect Ye Chen!

Even if he fell from this position, he would not hesitate!

.....

"Ye Chen, I've arranged a plane for you. Bai Lixiong sits in the town himself. This time, he will enter Kunlun Xu with you. This time, don't be impulsive. I hope you will listen to me once. "

The voice of the old man was lonely.

He doesn't want Ye Chen to leave. Ye Chen's strength is better than ten iron blood camps!

With Ye Chen in, no force can move China!

But right now, he can't be selfish.

After the Cloud Lake Villa incident, he failed the Ye Chen family.

This time, he had to choose a remedy.

Those people at the meeting level put a lot of pressure on him. He had to let Ye Chen leave immediately.

Otherwise, that group of people will use all forces to stop Ye Chen!

"Bai Li Xiong wants to go too?"

It's Ye Chen's turn to be surprised. Bailixiong is a general of China, guarding the existence of Huaxia mountains and rivers.

If you leave China, doesn't it mean that the weather will change?

The old man nodded: "in fact, a month ago, Bai Lixiong came to me and resigned. His wife was taken away and disappeared. Later, you told him where his wife was. He has always been concerned about Kunlun Xu. Anyway, he wants to give an account."

Ye Chen suddenly realized.

Bai Lixiong did so understandably.

However, his wife's identity is not ordinary, and he is a person of that power. With the strength of a hundred Li Xiong, he enters Kunlun. Xu is afraid that it will be very dangerous.

Maybe without seeing his wife, Bai Lixiong might have an accident.

Of course, this is the other party's choice, and he can't stop it.

Seeing ye Chen's hesitation, the old man continued: "I have sent someone to pick you up. You can leave immediately. As for your mother and friends, I will arrange to go together. You can rest assured that ye Chen, this is your only choice. I don't want you to die in China."

The old man thought Ye Chen would accept this condition without hesitation.

After all, the blood League hundred people army, is not ye Chen can stop.

This is different from the Kunlun Mountain war, this time, the blood League is iron heart, want to win Ye Chen!

The dark hall, the iron and blood camp, and all the other forces could not be stopped in front of the hundred people army of the blood alliance!

If you don't leave, you will die!

All of a sudden, ye Chen laughs, smiling incomparably brilliant.

"I understand your kindness. I really want to go to kunlunxu, but it is definitely not now.

Since the hundred member army of the blood alliance is coming, I Ye Chen is going to experience the power of the blood alliance in its dormant depths! "

The old man was stunned and looked serious. He said, "Ye Chen, you are making a fool of yourself! I'll tell you one more thing! A few days ago, the power of 100 people killed the existence of the holy kingdom! Your current strength is only at the beginning of Shenyong state. Do you think you and your forces are qualified to cross three realms and kill 100 people? "

"I know you are gifted, but it's not a joke! You will only harm those people in the dark hall

Ye Chen lit a cigarette and took a puff on the balcony and replied, "who said I'm going to let the dark hall do it? This time, I, ye Chen, took the fight alone! If they dare to come, this land of China will be the tomb of 100 people in the blood League and blood war hall! "

The old man was speechless and even angry in his heart!

What kind of brain is Ye Chen!

He wanted to scold Ye Chen and wake him up.

But the phone was hung up!

Even shut down!

This boy is bent on his own way and wants to ruin his own destiny!

Madman!

And ye Chen on the other side smoked a cigarette, and the laughter of Wei Ying and Xia Ruoxue came from his ears.

No matter what, he will protect the pure land of China.

He is not a saint, but this land is his childhood memory.

Don't want to be destroyed.

If someone tries to destroy it, his sword will be cut off from the sky!

No matter who he is, he must bear the towering anger of Ye Chen!

.....

China, Kunlun mountain.

Nearby scenic spots have been blocked by Chinese officials a day ago.

For unnecessary casualties.

A long line came from the depths.

The leader is a big man!

The height is even more than two meters. It has the power to pull out mountains and rivers, which gives people a sense of oppression.

The burly man is known as the God of war in the blood battle Hall of the blood League!

It's called Lei Jianyun!

Strength in the Holy Land peak!

A few days ago, Lei Jianyun combined with a hundred people array to kill the strong one in the holy kingdom!

Invincible, invincible!

The palace of blood war is surrounded by hundreds of people.

The team is very long, and there is a bloody shadow on the top of the head! It was the shadow of the wolves.

Bloodthirsty and murderous.

Lei Jian Yun Ju Gao looked at the land of China and sneered: "can ye Shitian, a rebellious man, be born in such a place where aura is scarce? Ridiculous! It seems that ye xiaonai may have come from the xuye family of Kunlun, but this time it happened to pass through Huaxia. "

"Ye Shitian is powerful, but in front of Lei Jianyun, there is only death!"

"No matter you are a dragon or a worm, you'd better have a good dish in front of my bloody battle hall!"

Lei Jianyun burst out of a strong self-confidence, overburdened to open, around the two rows of trees directly shattered!

Visible power.

Even a few of the disciples in the bloody battle hall were pale and could only resist it.

It's time to kill.

The people in the blood war hall also stopped.

Because not far away, an old man in a purple robe is coming in a hurry.

It is elder Zheng.

Elder Zheng knew from the array plate that the man of the blood war hall arranged by the Dharma protector had come. Naturally, he came to Kunlun mountain to meet him at the first time.

Although the Dharma protector said that he was in charge of this group of people, he did not dare to trust him.

Some of them are not inferior to him!

If he relies on his old age and sells his old age, he will die miserably.

But he is famous for killing people! God of war!

"Lord Lei, I've finally met you."

Zheng elder is quite excited to say.

Lei Jianyun was indifferent. He glanced down at elder Zheng in front of him and said, "there is no need to say polite words. I only ask you where ye Shitian is now!"

"Where was the last time you saw him!"

Elder Zheng didn't know ye Shitian's whereabouts. When he came, he thought about how to tell a lie. He explained: "the power of Ye Shitian is mysterious. It's hard for me to follow him, but I know that there is a person who has a lot to do with ye Shitian."

"As long as you find this person, you can know the whereabouts of Ye Shitian!"

Lei Jianyun's hands were behind him, and he said faintly, "who?"

"It's the Chinese yechen! Both of them are surnamed ye, and they are so rebellious, isn't it doubtful! And I saw Ye Chen and ye Shitian leave together, talking and laughing! At present, the bloody battle hall had better take down the little beast first! "

These are all made up by elder Zheng. He must kill people with a knife!

And this explanation is obviously seamless!

Chapter 622

Sure enough, Lei Jianyun flashed a trace of cold in his eyes and said directly: "in this case, you can know the whereabouts of Ye Chen! Today, I'm going to see what these ye people are! "

His tone was domineering and resolute, as if in control.

Mr. Ye, the elder of Jiangnan Province, has arranged the plane for me! Today is the day of his death! "

"Good! If I kneel outside the airport directly before I get off the plane, I will consider giving him a way to live. Otherwise, the blood League will suppress and the south of the Yangtze River will be bloody washed out! "

With a big wave of Lei Jianyun's hand, a hundred people's team takes a cold killing opportunity to plunder to the deep.

No one thought that there would be a day when practitioners of Kunlun would trample on Chinese rules.

At present, it is very difficult for Huaxia to stop it.

.....

Beijing, a mysterious base.

An old man looked at the picture in front of him, frowning tightly between his brows.

He's still scared.

You can't hide.

"For many years, Kunlun has never needed so many powerful leaders to deal with this matter?"

The old man shook his head: "the iron and blood camp can't stop these people. If they go there, they will only die. Now it's time to use the power of China's dark places. If we can trace back, kunlunxu is also the territory of China. At that time, the major forces of kunlunxu signed a conservation treaty with Huaxia. Over the years, these people have forgotten the treaty."

"Although the chance is slim, try it! You let those people go with the papers! Ye Chen, I must protect today

The old man has a strong breath all over his body.

The attitude is extremely firm.

"Yes, leader!"

.....

Twenty minutes later, the man came back in a hurry!

His face was as pale as the eye!

"Leadership, no good!" The man hastened.

The old man Mou son a congealed, although guessed what, but still way: "say, what happened?"

"Those members of the blood League directly tore up the treaty. Not only that, but also all the strong men sent out did not come back!"

"These people are on the plane! The next stop is Jiangnan province! "

"They left a word..."

The old man looked serious and said, "what's the matter?"

The man hesitated for a few seconds, and then said, "if Mr. Ye kneels directly outside the airport before they get off the plane, they will consider giving him a way to live. Otherwise, the blood League will suppress and the south of the Yangtze River will be bloody washed out!"

At this moment, the old man's face changed greatly!

Although the heart is angry, but what method!

Who can stop this army of hundred practitioners!

The gap is too big!

"Leader, what should we do? This is a big deal. If it is not handled properly, it will cause panic! "

The old man clenched his fist, and a strong evil spirit broke out on him!

"First, immediately expel all personnel outside the airport where they landed!"

"Second, send people to set up an array to minimize the impact!"

"Third, the guardian of China, the iron and blood camp, as well as all scientific and technological weapons, are on standby! We must delay time. I'll go and ask those strong men to do it in person! "

The old man's words were full of anger, but it was the only solution.

The man nodded, just want to rush out, and think of what, quickly stopped, surprised: "don't inform Mr. Ye?"

The old man hesitated for a few seconds, knowing that ye Chen would not leave, so he had to face it.

"Let Bai Lixiong ask Ye Chen to get on the plane at all costs. If not, tell me about it! We can only face it together

"Yes, leader!"

At the same time, Mingcui villa.

The night was deep.

Wei Ying and Xia Ruoxue went to Yintai City, and ye Chen practiced in the living room.

The sword of the sky is still in cohesion. It doesn't mean to cast the sword successfully, but the immortal master is much weaker.

He could feel the breath of the immortal Lord changed.

This sword can be regarded as the effort of the immortal Lord.

All of a sudden, close eyes Ye Chen found that the mobile phone sent countless messages.

It was sent by some base stations in Jiangnan province.

All flights are cancelled.

All of them have been evacuated from the ten mile area near the International Airport in Jiangnan province.

It seems that the Seismological Bureau has detected some conditions.

Ye Chen is acutely aware of the situation. This time point is too sensitive.

Are those guys here?

Before ye Chen thinks clearly, the gate is knocked, and ye Chen holds it with five fingers, and the gate opens directly.

Bai Lixiong came in in in a hurry.

"Mr. Ye, now the situation has changed. Please let Mr. Ye and I enter Kunlun void immediately. If we delay, we will be in trouble." "Mr. Ye, aren't you eager to save your father? This is the best opportunity. "

Although bailixiong does not seem to have too big fluctuation, but the anger in his eyes is undoubtedly revealed.

"Bai Li Xiong, come on, what happened? Now it's inviting me on the plane and blocking the airport. That group of people should be here. "

Bai Lixiong was stunned. Knowing that he could not hide it, he clenched his fist and said, "Mr. Ye, Kunlun Xu comes here! A hundred people! Blood war hall top strong! One of them is a very famous God of war in Kunlun Xu! "

"Mr. Ye, although I want to enter Kunlun Xu, I want to fight for China more!"

"My heart is angry, these Kunlun Xu guys really think they are heaven!"

Ye Chen Mou son tiny MI, whole body is suffused with a trace of cold meaning, open a way: "have this group of people put forward what condition?"

Bai Lixiong stopped for a moment and then said: "Mr. Ye, they want you to kneel outside the airport before they get off the plane, otherwise, they will wash Jiangnan with blood!"

As soon as this word comes out, the killing opportunity on Ye Chen's body is released.

It's up to him. It's up to him.

This group of blood alliance people spread to other people, it really passed.

Since these people want to see him so much, today, he has realized their dream!

No longer think, ye Chen step out, directly toward the outside.

"Mr. Ye, are you going to get on the plane?" Bailihong road.

Ye Chen sneered, the cold light bloomed: "send me to the airport."

.....

Jiangnan International Airport.

It's almost the largest airport in the area.

There are many international flights, covering a vast area.

But now, it is empty!

Quiet to the extreme!

Ye Chen and Bai Li Xiong get out of the car. He glances at them and finds that several practitioners are building an array, trying not to be affected later.

"Mr. Ye!"

All of a sudden, Bao Peimin and a group of Chinese guardians came over and said respectfully.

That day ye Chen killed Fang Zhenye and sun Miao in jiangdaoshan, which was enough to become their nightmare.

Now ye Chen is really the first person in China. Who dares to be disrespectful?

Ye Chen takes a look at Bao Peiming and many strong people coming to this side.

Some of them are from the Wudao family in Jiangnan province.

At this moment, in the face of Kunlun virtual strong, Chinese people have unprecedented cohesion.

Chapter 623

Ye Chen looked at Bao Peimin and said curiously, "are you setting up an array?"

Bao Peimin nodded: "Mr. Ye, no matter what, it will be a great war later. If there is no array, the influence will be too great."

"It's a pity that our array is not very good. In such a vast area, it's very difficult to establish an array. We can only set up a simple array on the side near the residential area."

Ye Chen took a look at the formation. It was really simple and said, "you should step down. I'm here today. It won't affect any place in Jiangnan province."

Without waiting for Bao Peimin's reaction, ye Chen's knee bends and suddenly bursts into the air!

Stepping on the wall, soaring!

In a blink of an eye, it's on a building.

Ye Chen stands on the top of the building with his hands behind him. He closes his eyes and sends out a strong breath.

Seeing this scene, the guardian of China, bailixiong, as well as many powerful Chinese people, has a terrible face!

Ye Chen at the moment, in their eyes, just like God!

How can China tolerate such a powerful person!

Suddenly, ye Chen's eyes open like the brightest stars in the night!

He held out his hand and pointed to the sky: "thunder

Above the sky, clouds roll, thunder clouds surge!

A series of lightning crazy down!

When it falls on Ye Chen, ye Chen quickly pinches his hands, and the array momentum gradually condenses.

South of the Yangtze River International Airport gale! Magnetic field changes! great earthquake!

Such a vision, let the people below marvel!

Bao Peimin even exclaimed: "Mr. Ye is in the formation! Moreover, this array is extremely terrible. I have been to Kunlun Xu, and I have seen the array master Ning array inside. There is no such vision! "

"Mr. Ye is indeed the first person in China!"

"It's a pity that Mr. Ye can't compete with the hundred men army alone! If Wan Daojian Zun behind him is willing to do it, there may be a chance of life! "

Ye Chen doesn't care the following words, the speed of the finger is faster and faster! There are even lines of Sanskrit flashing out!

Jiangnan International Airport seems to form a red barrier around!

Barrier up!

In Ye Chen's eyes, a trace of coldness flashed, and his life talisman was sacrificed!

The whole body thunder and lightning idea is more and more powerful!

At the same time, a point out, blood essence forced out, but also fell on the red barrier!

Bright red light, covering everything!

Even vaguely, the people below seemed to find two long dragons swimming on the barrier!

"Wan Dao City Protection array! Get up

Ye Chen a angry drink, the two long dragons directly from the barrier into the ground.

The barrier suddenly materializes and then disappears!

Ye Chen is a step out, directly from the high down, steady to the ground.

Bao Peimin and those guardians of China have not yet awakened from the shock!

How long has Ye Chen left jiangdaoshan? Has his strength reached this level?

It's incredible, isn't it!

Bailixiong slapped the air in front of him, suddenly, the barrier showed.

At the same time, a very strong array directly took back more than ten steps.

"This array is so domineering

Those Chinese guardians and strong men wanted to have a try. At this time, an airplane came slowly from the distance!

This is the only plane in the sky!

Obviously, the blood League is coming!

Here comes the hundred strong army!

This is the nightmare of China!

Bai Li Xiong's eyes were full of anger, and said directly to the iron and blood camp behind him: "the soldiers of the iron and blood camp listen to orders, our mission is to protect! Although there is a big gap between us and this group of Kunlun virtual strongmen, as long as we unite as one, we can defeat all the enemies! "

The soldiers of the iron and blood camp behind him are roaring!

They are willing to die for China.

Bao Peimin and all the strong people around him were moved. Their blood was boiling and they were ready to fight.

At this time, ye Chen turned around and said faintly: "this matter, from my Ye Chen, today, by me alone, you can be outside."

"Mr. Ye! No way

Bai Lixiong is the first to refuse!

Ye Chen is very strong, but how can he be the opponent of this bloody battle hall!

These are the top 100!

One of the possible strength is far more than ye Chen, let alone a hundred people, how to block!

Bao Peimin suddenly thought of something and quickly asked, "Mr. Ye, is that adult also here?"

Ye Chen naturally knows who the adults in Bao Peimin's words refer to.

Chen Tianli.

Unfortunately, Chen Tianli is not here for the time being.

Ye Chen shakes his head: "this time, I am alone."

Language down, ye Chen step into the array, is toward the airport. Lonely body, more like farewell and death.

Bai Lixiong and Bao Peimin want to follow up, but they find that the array blocks everything.

Except ye Chen, no one can enter.

"Mr. Ye, why do you want this! He's only twenty years old. Does he have to suffer so much alone? "

"Mr. Ye of Huaxia, what else can I ask for?"

"I hope Mr. Ye can return triumphantly, just..."

I didn't go on.

Miracle?

Although Ye Chen has created countless miracles, now, it is really impossible to have any more miracles.

Only the fact of blood.

.....

Ye Chen comes to the vast area of the array.

There is no obstruction.

The plane landed slowly.

With his hands behind him, he danced wildly in the wind, blowing his casual clothes slightly. His hair was disordered, but there was a mysterious smile at the corner of his mouth.

If he guessed correctly, elder Zheng should also be there.

That's the best.

Elder Zheng's order, he Ye Chen wants.

The key that saves father, he Ye Chen also wants.

As for the hundred people, their lives are all taken by him!

On the plane, elder Zheng naturally saw the cool and proud figure below!

He quickly looked at Lei Jianyun and exclaimed, "Lord Lei, ye Chen is still here. Thousands of words are not as good as your words! I'm afraid the boy is peeing now

In the eyes of elder Zheng and all the people, ye Chen obviously came to die.

Maybe as soon as the plane landed, he would be on his knees for a long time.

Lei Jianyun's mouth outlined a disdainful smile: "elder Zheng, you can't do it. This little beast can't be taken down for so long, and I have to do it myself."

Hearing this, elder Zheng's face changed slightly, but he still said with a smile: "how can I say it's just an elder. You are the God of war in the blood war hall. What is the God of war? That is invincible! Who dares to stand in front of you

Lei Jianyun nodded with satisfaction. He even thought that once he landed, he would twist off all hands and feet of this boy first!

All of a sudden, a strong blood League exclaimed: "that boy seems to have something wrong."

As soon as this word comes out, innumerable lines of sight turn toward the bottom again!

As soon as the sight fell, they found Ye Chen moving!

When did a sword appear!

Holding the sword in reverse and stepping out, the right arm suddenly exerts force!

There is a red light burst out suddenly!

Chapter 624

Then the sword shot like a javelin!

The speed is very fast, such as thunder sliding across the sky!

Everyone's face changed greatly. I didn't think the other party would come out like this!

"Beyond my ability!"

Lei Jianyun's face is ferocious! Step suddenly, the whole plane vibrated! It's a sudden drop!

"Chi!" With a sound, the sword shot on the wing!

Direct penetration!

On one side of the wing flames, the plane is obviously going to have an accident!

Fortunately, it's almost landing. Lei Jianyun kicks on the door of the engine room. The gate is directly driven by the airflow, and countless things are flying!

"Go straight down!"

"Yes, my Lord!"

For the practitioners of mind wandering state, this kind of height is nothing.

They all jumped down.

"Bang! Bang! Bang

Hundreds of figures hit the ground, the ground is split, a pit suddenly formed!

Blood League blood war hall hundred people so dead staring at the not far away that lonely youth.

One, a hundred.

The gap is too obvious.

They even look at Ye Chen with some pitiful eyes.

Lei Jianyun stepped out, and his huge body looked down at Ye Chen: "little brute, just now you still want to destroy the plane."

Ye Chen Mou son swept one eye Lei Jianyun, he can feel the breath of each other is very terrible.

Moreover, vaguely, the breath on the other side seems to be more than just a practitioner.

There is even a hint of refining.

Lei Jianyun saw Ye Chen didn't answer his question. He was very angry!

"You don't hear me talking to you, little beast?"

Ye Chen is cold Mou a congealing, light way: "you calculate what thing?"

With that, his sight shot to an old man in purple!

Cold, bloodthirsty! Because Zheng is the man!

Elder Zheng who imprisoned his father!

The anger in his heart could no longer be restrained, and he said in a cold voice, "come here, die!"

When this was said, everyone laughed!

I'm afraid the Chinese boy is crazy!

Did you ask elder Zheng to die?

Doesn't this kid know where he is?

Even if everyone spits, it's enough to drown each other!

But now he did not know the height of heaven and earth to say such a word, it is simply ignorant of life and death!

Elder Zheng's face was ugly, and his purple robe moved.

"Ye Chen, you killed my beloved apprentice. I don't even know how many blood League strongmen have fallen on your hands! If you break your head today, we can consider letting go of other people around you. Otherwise, you can not bear the consequences. "

Ye Chen helplessly shook his head: "I said to kill all the people of your blood alliance. Today, 100 people come here, just like my heart."

"In my eyes, the blood league can be renamed. Why not change it from today

At this moment, those strong men in the bloody war hall were completely angry when they heard such slander!

Step out, Qi toward Ye Chen swept away!

At this moment, the cold killing machine makes the air seem to solidify!

"Lord God of war, this son is so arrogant. Today we will capture this son in front of him!"

The three powerful men of the blood war hall at the peak of shenyoujing stand out directly!

Their strength is the weakest in this group, rarely revealed.

But now it's more than enough to deal with that boy!

Lei Jianyun nodded. He saw Ye Chen's cultivation. He was just in the early stage of his mind wandering. The three peaks were enough to crush him!

"Go ahead."

"Yes, my Lord!"

The next second, the three figures quickly swept away.

But elder Zheng knew Ye Chen's power. He wanted to say something, but he stopped.

It's late.

The three people in the bloody battle hall came to Ye Chen in the blink of an eye, and set off a huge wave all over the body!

Like a tyrant!

"Little beast, today I will let you feel what crushing is!"

Words fall, three fists burst!

In their eyes, ye Chen is not worth their sword! Three punches are enough!

Maybe it will be a pile of mud soon!

The three substantive waves swept away and blocked everything of Ye Chen.

Ye Chen is motionless, even helpless to shake his head.

"The peak of Shenyou? It's rubbish. I don't want to do it

Language down, ye Chen left foot raised, and then fierce down pressure!

The endless true spirit fell on the ground!

In a flash, countless boulders on the ground were lifted!

At the same time, an extremely strong force came out of the ground!

"Bang!" The sound of a direct collision with the three air waves!The roar resounded!

The air wave erupted like a volcano and swept through the airport.

Everything around is mercilessly destroyed!

Ye Chen at this moment seems to be a God who destroys the heaven and the earth, and kills violently!

The three people realized that the situation was wrong, and it was too late to evacuate!

The power of fury is tearing their arms!

First, the arms burst, and then the body was completely blown!

Blood rain all over the sky, falling constantly, shocking!

Who could have thought that ye Chen was so crazy!

No action, only one foot, suppressed the three strong!

Is this still a wonderland?

"No way!"

Lei Jianyun and all the disciples of the blood war hall around him couldn't help but cry out.

They could even feel an invisible force in the air.

This is not the power of the early days of a mind wandering state!

Even has reached the extraordinary realm!

At this moment, Lei Jianyun became dignified.

He finally understood why the blood alliance's people suffered losses in this boy's hands!

How can such a confusing strength not suffer losses?

"I said, all of you will fall here, no matter what."

Ye Chen's indifferent voice rings out, in the eyes of some strong blood alliance, even some fear.

After all, just a move too shocking!

Elder Zheng hurriedly said to Lei Jianyun, "my Lord, this boy is a man of all means. You can't underestimate it. I suggest that all people take this son together, so as not to dream too much at night."

Lei Jianyun did not pay attention to, but to several people behind him: "you gather ten steps to kill the array, take this son."

"I don't believe in blood killing array, plus ten super strong people can't win this boy!"

"Yes, my Lord!"

In a flash, ten extremely terrible figures swept out directly and surrounded Ye Chen!

Each step took ten steps, holding a sword in his hand, as if his steps had a certain frequency.

With the lessons from the past, they don't dare to keep their hands at all!

direct suppression!

When the tenth step stepped out, ten people roared, and suddenly a bloody gate array awn flickered under Ye Chen's body!

At this moment, countless swords are surging!

Very harsh!

At the moment when he was about to touch Ye Chen, the light of the sword exploded like a burning sun.

At that moment, with the breath coming, if there are thousands of troops rushing to come.

In their opinion, ye Chen has no way out!

There's no way out!

At the moment, ye Chen's eyes became serious and said, "ten step killing array is pretty good. Unfortunately, you shouldn't show it in front of me!"

"Today, I'll show you what a real killing array is!"

"This life talisman, come out!"

At this moment, heaven and earth change color for it!

Ye Chen is the only God in the world!

Chapter 625

Five years later, in Kunlun Xu, the old man did teach him some array skills.

But only skin!

It can't even be called a real array!

Five years later, the reincarnation cemetery was opened, and ye Chen was lucky to be canghaiping's apprentice!

Step into the way of Rune!

The way of talisman can even be said to be the ancestor of array!

Ye Chen's understanding of the array is not what it used to be!

It can be said that his array attainments are far better than most people in Kunlun!

What's the killing array of the blood League!

He not only understands the array, but also takes the road of killing!

Today, he will let the blood alliance people feel what is fear!

Ye Chen fingers quickly pinch, a burst of red light from the body spread out!

From the red ground!

The strong air of killing seems to tear everything apart.

At this moment, when the array comes out, the meaning of the sword in the sky is all dissipated!

Can't resist at all!

Blood alliance ten people's facial expression changes greatly, ten thousand did not expect this ye Chen actually to understand the array!

Although I don't know what array Ye Chen condenses, it doesn't matter any more.

Under the fear of death, their blood seemed to coagulate.

Ten people looked at each other and couldn't calm down any more. One of them even said, "force out blood essence. This boy has some evil sects. If we let his formation form, we will be in danger."

They're not hesitating. They're ejaculating!

Ten drops of blood essence come together!

The air vibrated, and their breath even began to climb!

"Chop!"

Ten people roared one after another, holding the long sword in their hands, and with the sharp sword light, they went crazy towards Ye Chen!

All of a sudden, a series of substantive sword marks suddenly appeared, as if into a net of heaven and earth, toward Ye Chen shrouded and gone!

Under the net, there is a blood mist!

Extremely cold!

Once it falls, ye Chen is not qualified to sacrifice even if he has a strong array.

Suddenly, ye Chen opened his eyes.

What kind of eyes are those!

Like the scarlet hungry wolf! Like a raging beast!

"Heaven and earth kill array, come on!"

Ye Chen pinches the hand suddenly stops.

Then, pointing out, the thunder light of this life talisman explodes!

The whole body was surrounded by thunder and lightning, and the sky was covered with dark clouds.

Black pressure of a piece, just like black cloud pressure city! The end of the day!

The only light is Ye Chen, who carries thunder and lightning at the moment!

Suddenly, the overflowing thunder and lightning gradually converged into a thunder sword!

Leiguang sword breaks away from ye Chen's hand and flies straight to the sky! Into the thunder cloud!

Seeing this scene, the ten people were surprised, but they still breathed a sigh.

If the thunder sword comes to them, if they want to resist, they must pay a great price!

Fortunately, it's gone.

Just as they were relieved, the thunder cloud above the sky burst directly!

Then, a big sword full of thunder fell down!

Every 100 meters down, it will expand ten times!

Soon, the big sword was dozens of Zhang, and came to them crazily!

"Well, how could it be?"

These ten people are confused! They have never seen such means in kunlunxu!

There is no record in ancient books!

For a while, they didn't even plan to break the game, just wanted to escape!

How can this boy break out of this level of power!

What a fuckin 'state of mind? Even the array Mage at the top of the supernatural realm can not use such means!

Looking at the thunder and lightning soldiers' violent landing, they are not even qualified to take a step!

They even feel that what they are facing is not a long sword, but a fierce Thunder Dragon, looking at the people!

They are the most disdainful mole ants!

"Boom!"

In an instant, the Thunder Dragon directly falls, suppresses everything!

As if the stars collided, the whole airport ground formed seven or eight natural moat like cracks!

"Puff!"

What qualifications do those ten people have to stop? In the startled eyes, the whole body is smashed!

Not even the blood mist burst qualification!

Ten people fall! In the situation of thunder, there is no right to life!

The picture is fixed, at least before their consciousness dissipates, they see the real ancient killing array!

At the moment, Lei Jianyun, who watched the battle in the distance, was in complete disorder.

He found that ye Chen is not only far more powerful than anyone in the same realm!

Even know the way of array!

Such an evil person, only one person can be compared! There is ye Shitian!

Now, he fully believes ye Shitian and ye Chen know each other! Only by understanding can everything be explained.

Fortunately, ye Chen's power is at most extraordinary peak, which is much worse than ye Shitian, who suppressed everyone in Yibao Pavilion.

If he hands now, ye Chen can't stand at least three moves.

However, if he is faced with ye Shitian, he has no chance of winning, which is one of the reasons why he brought so many strong men out this time.

.....

At the same time, looking at the cracks and pits not far away, ye Chen slightly gasps.

That array is also very high for him. At the moment, one third of his true Qi in the elixir field has disappeared!

Before he gasped to play no, a purple figure quickly swept over!

It's elder Zheng!

Although elder Zheng's injury has not been completely cured, he shouldn't have done it, but when he saw Ye Chen's strength, his heart was shocked too much.

Even panic!

He knew he had to take ye Chen at all costs!

Otherwise, no one can bear the cost!

The sword in his hand suddenly erupted, and even flames poured out from his palm, just like a fire dragon trying to devour everything!

The power of terror and the fury of the breath, like the beast of hell, unstoppable!

"Little beast, you should feel honored to die under my sword!"

Ye Chen Mou son a congealing, Zhen soul sword directly sacrifice!

I wanted to sacrifice the sword of chopping dragon and asking heaven, but it's a pity that this sword is still refining and needs time!

But from the point of view of the immortal Lord, fast!

When the sword came out, it was the day of suppressing the heroes.

"Ten thousand swordsmanship! Broken

Ye Chen roared, the sword light flickered and tore away!

"Bang!"

Two strong forces suddenly collide!

The air is rolling!

Ye Chen can clearly feel how terrible the power of Zheng Changlao's sword is. Is this Zheng Changlao's real strength!

He stepped back a few steps, but elder Zheng did not move!

Elder Zheng snorted coldly: "little beast, today you are a trapped animal. No matter how many means you use, you can't change the ending that you must die!"

"Today, I will let you feel my famous sword! The spirit blood sword

The words fall, the sword of elder Zheng rushes out directly!

The world seems to be covered with cold!

The door of hell seems to open quietly!

As long as ye Chen takes a step forward, he will surely fall into the abyss of death!

He even felt that his real Qi of Dantian was locked!

The pressure is like a mountain peak toppling, crazy down.

He could see ferocious faces.

The blood gate chopping spirit sword is getting closer and closer. It seems that it is about to penetrate Ye Chen's body.

Suddenly, ye Chen moved!

"What about blood gate sword! If you can cut the spirit of blood alliance, then I Ye Chen can cut the sky!"

"

Step out!

All around Ye Chen are bleak.

"Ten thousand swords belong to the clan!"

These four words, like a stone to stir up a thousand waves, stone breaking startled the sky.

Chapter 626

With the fall of Ye Chen's words, the whole Jiangnan International Airport seems to have a faint vibration.

In the air, it was as if a dormant beast had awakened.

Thunder roared above the sky.

At the same time, the true Qi in Ye Chen's body is rapidly passing away.

He didn't dare to be big. Elder Zheng's realm was much higher than he didn't know.

Last time, he had a chance to seriously injure elder Zheng because he controlled the essence and blood of the opponent and used his skills.

Now against the war, want to win, very difficult!

It's not enough for three big realms!

So ye Chen can't have slightest contempt and keep hands!

The only existence that can be countered is wanjian Guizong!

The rolling of heaven and earth makes elder Zheng's eyes more serious than ever!

"Little beast, how about ten thousand swords? It seems that you want to see your dead ancestor! I will help you

Elder Zheng roared and the sword idea swept over.

Behind him came bursts of exclamations!

"This boy can let elder Zheng display this move, also count on the character."

"The last time I saw this move, it was the time when the blood alliance blooded a sect of Kunlun! At that time, old Zheng was so overbearing that it was even more well-known! "

"It's a pity that this boy has such power in his mind wandering state. If he doesn't die young and steps into Kunlun void, he will surely shake the world in ten years. But now this boy should be dead."

Those who are strong in the blood war hall look at Ye Chen, many people show sympathy!

Mole ants are mole ants after all, even if there are adventures can not change the fact.

Lei Jianyun carried his hands behind him and did not speak all the time.

He killed countless people and went the same way.

He can clearly feel the killing intention released by Ye Chen, which even surpasses him.

He really can't think of it. A humble mole ant in China can surpass himself in Kunlun Xu.

How many people did this kid kill?

Before Lei Jianyun thinks clearly, elder Zheng's sword intention pierces the air, and has come to Ye Chen's face!

At the moment, ye Chen, however, has condensed the ten thousand swords to the extreme!

"Today, I will destroy all of you!"

Ye Chen step out, the momentum of the body skyrocketed, casual clothes torn a few minutes, dancing in the wind!

The whole body seems to have generated countless sword meanings!

The sword suddenly converged, and the sound of roaring was heard.

"Broken!"

At the moment of Zheng Changlao's sword falling, ye Chen didn't dodge at all, and swept away with ten thousand swords!

Who can stop Chen Tianli's sword skill!

In a flash, elder Zheng's long sword was unable to withstand the power of ten thousand swords, and countless cracks appeared on the body of the sword.

Dense and dense!

"Ding!" The sound of, even directly into pieces!

Only at this moment did elder Zheng wake up. The fragmentation of the spirit sword even made him suffer from the attack!

Mouth overflow a mouthful of blood!

"No way! My sword was shattered! What kind of power is it going to take? "

Words have not fallen, ye Chen with ten thousand swords to Zong, break through everything, came to the body of elder Zheng!

The strong and powerful sword idea blocked elder Zheng!

It's impossible for elder Zheng to dodge!

"Damn it, it's too late!"

Elder Zheng's eyes flashed over, and he took out a jade pendant from his waist!

This jade pendant is the one of the xuye family in Kunlun!

It can even be said that it is a magic weapon, which he got by accident!

This jade's strength, even for him to block many times the harm!

The jade pendant glitters, as if forming a barrier in front of Zheng Changlao's face!

"Bang!"

Wanjian Guizong and the barrier hit together!

Like mountains and rivers, heaven and earth suppress!

A domineering sword idea broke out completely at this moment.

"Click!"

At the same time, Wan Jian Guizong rushed away with the barrier!

Direct impact on the body of elder Zheng!

"Little animal --"

before the old saying of Zheng Chang was finished, his body directly flew out!

He was injured, the strength fell a lot, and now ye Chen is the most peak state! ~

How can he stop!

He can clearly feel the body as if through countless ancient beasts, the power of terror into!

His body trampled by beasts!

"Puff

A mouthful of blood gushed out! Thunder!

Elder Zheng's body smashed to the ground, and the dust rose!

This is how a huge pit appears above the airport.

At this moment, everyone clearly heard the sound of Zheng Changlao's bone fracture.

People in the blood war hall and even Lei Jianyun rubbed their eyes. They couldn't believe it. How can a wonderland span three realms?

Even if elder Zheng despises the enemy and is injured, it can't be so!

Wake up, there are cool sounds coming from the airport.

A storm of domineering wind whirled, the dust dissipated, and the old wolf in the pit stood up.

The whole body was covered with blood, and the purple robe was completely broken.

In great confusion!

His scarlet eyes were staring at the distant breathing Ye Chen.

He's never been so frustrated!

It has never been so unbearable in front of the strong blood League!

He allowed this in front of the Kunlun virtual strong, but not in front of the Chinese boy!

"Ye Chen!"

The thunderous roar of the sky is ringing through at this moment!

Ye Chen did not move at all, at the moment his hand quietly lay a jade pendant!

It's the Ye family jade pendant displayed by elder Zheng just now!

He looked at the familiar text above and confirmed that he came from the xuye family of Kunlun.

"How could this jade pendant be on the blood alliance people?"

Ye Chen doesn't think much about it any more and throws the jade pendant into the reincarnation cemetery.

Then, as soon as the zhenhun sword came out, ye Chen moved again!

The wind is blowing in my ears, and the shadows are looming!

"Old man, today I want not only your life, but also your dungeon key!"

Zhenhun sword falls down quickly with the cold light, and it will penetrate the body of elder Zheng!

The next second, elder Zheng was smiling.

His palms twinkle with blood!

Then, he held Ye Chen's soul sword directly!

"Brute, I admit that you are strong and even seriously injured me, but do you think you really have a chance to kill me?"

"The God of war in the blood war hall is enough to suppress you!"

Language down, ye Chen aware of a black shadow behind him, face a change!

The big man who hasn't moved has made a move!

This man is far more dangerous than elder Zheng!

"Damn it!"

Ye Chen gathers countless true Qi to his right hand and pulls out the zhenhun sword directly! And then I cut it towards the back!

A dark shadow has already fallen!

Lei Jianyun!

At the moment, the long hair of Lei Jianyun is flying, and the breath is towering!

In the cold wind, it's like a demon coming!

The killing spirit of the body is turned into a virtual shadow of blood wolf!

The blood wolf is a lone wolf, but also an invincible wolf!

"Bang!"

Lei Jianyun only one punch, straight to the heart of Ye Chen.

Strong breath, as if the fist to break the air!

Ye Chen's zhenhun sword directly collides and goes!

But it hasn't been touched yet. Shake it off on the spot!

The gap between the two forces is too big, ye Chen's body quickly retreats!

Chapter 627

Ye Chen retreated ten meters before stopping!

This blow even made his viscera very uncomfortable!

Lei Jianyun sneered, moved his fingers, and went to Ye Chen again!

"Boy, answer me a question, I can consider giving you a whole body!"

"Where is ye Shitian now?"

His condescending voice was extremely cold.

In his eyes, ye Chen is the bow of a strong crossbow!

The only value of this person's whereabouts is to kill Tian Ye.

At the moment, ye Chen's expression is a little strange.

Ye Shitian?

Why did the burly man find ye Shitian and find him?

On that day, he and Shen Shixi were both easy to face. There should be no reason to doubt himself.

Or, which link is wrong?

At this time, the injured elder Zheng's expression changed greatly!

The relationship between Ye Jingtian and ye Chen is only fictitious.

If ye Chen doesn't admit it, then it will be troublesome!

Lei Jianyun must find himself lying!

Deceiving the blood alliance is a death penalty! No matter what the status!

No longer thinking about it, Mr. Zheng said, "Sir, the whereabouts of Ye Shitian can be said later. But the most important thing is to take ye Chen! If we delay further, I'm afraid it will change. "

Lei Jianyun glanced at elder Zheng with cold eyes and snorted: "this boy is very strong, but it is nothing in my eyes. I want to kill him. It takes a few seconds."

"But --"

just when elder Zheng wanted to speak, Lei Jianyun interrupted: "elder Zheng, please make sure that I call you elder for your face, not for you to command me here! Today, all you have to do is watch! What you can't do will be done by Lei Jianyun! "

With that, Lei Jianyun looked at Ye Chen and said angrily, "boy, I'll give you another chance. Where is ye Shitian?"

Ye Chen held the zhenhun sword in his hand. The blade pointed at Lei Jianyun and said, "I know how to do it. I don't know how to do it!"

When Lei Jianyun heard the arrogant words, his evil spirit was completely released!

"I will make you submit to me today

Suddenly, Lei Jianyun moved!

Push! Push!

Five steps out! ride the wind and cleave the waves!

At each step, there is a huge pit ten feet deep!

When stepping into the fifth step, came to Ye Chen's body, momentum soared!

One punch!

This fist, the blood wolf seems to gush out, the wolf roars!

Powerful pressure rolling air, toward the pressure of Ye Chen!

Ye Chen does not dare to be careless, and blows out the same fist!

"Bang!"

There was a roar, and the fist burst! Like falling to the earth!

There were even countless flames and thunder and lightning.

The two forces were in a stalemate, but soon, the thunder and lightning weakened a little bit!

The next second, the flame engulfs everything, but ye Chen's body flies out!

The gap is too big!

Ye Chen is not easy to stabilize the body shape, Qi and blood surge, let him feel very uncomfortable!

The numbness of the arm is very strong.

Before he reacts, Lei Jianyun's figure falls again!

The shadow of blood wolf on his head is ferocious and crazy!

Another blow to Ye Chen!

This time, ye Chen no longer hesitates, a roar: "blood dragon, come out!"

Blood dragon is one of his biggest cards, and these days the change is especially big!

He would like to try the blood wolf and his blood dragon shadow which is better!

The roar has just fallen, and between heaven and earth, the sound of a dragon's song penetrates!

The next second, ye Chen's whole body red light flickers!

Then, an amazing blood dragon virtual shadow directly drilled out of Ye Chen's body!

As soon as the blood dragon comes out, Lei Jianyun's blood wolf virtual shadow seems to have seen something terrible and shrinks directly in the corner!

"This is..."

Lei Jianyun's eyes are wide open!

He did not think that ye Chen was doomed to die. As a result, he made a bloody dragon!

Looking at the whole Kunlun void, who can control the blood dragon!

No, there's another one!

Ye Shitian!

What happened in Yibao pavilion a few days ago, it was reported that ye Shitian not only attracted the God thunder, but also controlled the dragon! "

and so is Ye Chen!

Are they both magic weapons for Dragon control?

If it is true, then he used to practice, is not a more card!

At this moment, his eyes changed some fanaticism!

"Boy, give up your martial arts skills!"

His boxing style suddenly soared, broke everything and attacked Ye Chen! Before it falls, the blood dragon penetrates into Ye Chen's right arm!

Ye Chen is like a dragon in hand!

With the spirit of crazy evil spirit, one blow out!

This punch, split everything!

The mountain and river!

"Bang!"

A great roar rang through.

"Click!"

The sound of broken bones resounded throughout the airport!

The impregnable God of war was injured!

How about crossing the three realms!

Ye Chen has never been afraid of anyone!

Even if you are a god!

He Ye Chen will not break the means to pull you down from the altar!

"Damn it!"

Ye Chen has not yet closed his fist, a cold light is coming, and the figure of a purple robe sweeps across!

Just like the injured elder Zheng!

Mean!

But ye Chen can't escape at all. He puts all his attention on the extremely dangerous Lei Jianyun.

"Chi!" A sword surrounded by aura directly penetrated Ye Chen's shoulder!

More than blood!

Ye Chen tries to endure the pain on her body. She holds her five fingers on the long sword and pulls it out directly!

He was full of blue veins, swallowed a pill, staring at elder Zheng, word by word: "you dare to hurt me! Today I will let you feel what killing is

Ye Chen at the moment, killed red eyes.

Even if we pay the price today, we should let these people stay in China forever!

"Master, give me a rune!"

Ye Chen on the reincarnation of Duan Lei Ren road!

The immortal Lord is refining the sword of beheading the dragon. It has entered the final stage!

Of course he can't trouble the immortal Lord!

The only one who can ask for help is Duan leiren!

Duan leiren's Rune can improve Ye Chen's strength in a short time!

"Good!"

In an instant, ye Chen felt a lot of strength in his body!

At the same time, countless tiny lightning arcs overflow from the skin surface.

"This life rune, come out to me!"

"Blood dragon, give me a hand, today you and I fight side by side, to fight a bloody road!"

Ye Chen inside the body of the Dragon chant rolling!

It's a moment when all the people are scared!

They did not expect Ye Chen to change in this moment!

At this moment, they feel that they are facing not a state of mind wandering, but a state of transcendence, or even entering the Holy Land!

Elder Zheng responded and quickly said to Lei Jianyun: "Lord Lei, you also feel the danger of this son. It's not as simple as the mind wandering state. Let the rest of the people in the blood war hall set up an array. Anyway, you can't wait to kill this son!"

Chapter 628

This time, Lei Jianyun didn't refuse. He held the array flag in his hand and said in a loud voice: "the flag of bloody battle, condense the bloody evil spirit to take life array! Gods! Cut everything

Sound reverberates in Jiangnan International Airport!

The rest of the people in the next second, have a long sword in their hands!

The sound of sword chanting burst out like thunder in the sky and the earth.

As if between, thousands of troops are roaring!

Countless long swords point at Ye Chen!

This momentum, directly in the sky formed a bloody virtual shadow!

Even the blood dragon in Ye Chen's body has been affected!

A few days ago, they used this array to kill a strong man in the holy kingdom!

For them, although Ye Chen is strong, under this array, there must be death without life!

Is it difficult to be a kid who can resist dozens of wandering, transcendental, holy and even stronger beings?

No way!

At this moment, ye Chen will cage trapped animals, a person alone block everything!

Outside Jiangnan International Airport.

All the people came to the roof of the nearby high-rise building. When they saw this scene, their hearts hung up.

Everyone is not optimistic about ye Chen!

Although they know ye Chen's evil spirit, but again the evil spirit, facing this nearly 100 people of Kunlun virtual strong, what do you take to stop ah!

Soon, surrounded by several strong men in camouflage clothes, an old man also came to the roof.

When Bai Li Xiong saw the old man, his eyes shrank, and he quickly met the old man: "leader!"

Everyone at the scene knew the identity of the old man. His breath seemed to be stagnant. He wanted to speak, but he didn't know what to say. He could only say: "leader! Why are you here? "

The old man didn't pay attention and his eyes fell on the airport.

His face suddenly changed: "is only Ye Chen alone? Why didn't the others I arranged go in? How can he resist it alone? "

Bai Lixiong explained: "leader, Mr. Ye gathered a strong array and went alone. We can't go in if we want to."

"This time, Mr. Ye is iron, and he wants to bear it alone."

The old man clenched his fist and covered it with a touch of iron and blood!

"Huaxia wanted to protect Ye Chen, but he didn't expect to harm Ye Chen."

"It's just that after today, I don't know what the result will be."

"If ye Chen didn't escape this disaster this time, he would set up a statue for him in Huaxia and call him the God of war! His deeds have been handed down through the ages

"Ye's family in Beijing is a famous general!"

This is the only thing the old man can do for ye Chen.

Today, he went to invite those who were closed to the outside world. Even if he was his identity, he would not touch them.

Those people are devoted to cultivation. Huaxia is just a place for them to live. They don't care about anything else.

All the people present heard the old man's promise and took a breath!

This promise is too valuable!

The two titles of the God of war and the famous generals of China are enough to stand on the top of China's power.

Since then, no one can shake the Chinese Ye family!

It seems that the old man really values Ye Chen!

"Leader, Mr. Wan Yiye survived..."

Although the possibility is remote, Bai Lixiong still has a soft voice.

The old man waved his sleeve and snorted: "if ye Chen returns triumphantly, the promise above will still be valid! Just changed to Zhenguo war god! At the same time, ye Chen has the right to call all resources of Huaxia! "

Words just fell, Jiangnan international airport there is a startling sound!

The power of the bloody evil killing array penetrates everything, and countless cold and eroding opportunities are crazy towards Ye Chen!

Ye Chen is undoubtedly in a dead silence!

There is no way to live!

This explosive force is invincible!

Suddenly, someone on the roof exclaimed, "Mr. Ye moved!"

"He Instead of hiding, he rushed to those who were weak in Kunlun! "

As soon as the words came out, everyone's eyes were shot out!

Found that there is only a shadow in place!

But the real Ye Chen is to rush into the crowd!

A sword! single! A dragon!

Unscrupulous shuttle!

Cang Long's phantom body will be condensed to the extreme!

Mirage!

In front of several powerful men in the bloody battle hall, the momentum soared to the extreme, and the swords of ten thousand swords were swept out crazily!

Every sword is released to the extreme!

Duan leiren's power!

The talisman of the original life!

Even the power of blood dragon!

All in this moment, the sword meaning of Ye Chen's hand!

"Tear

Endless Qi, just like the Yellow River, crazy fighting!

In a few seconds, several people in the blood war Hall of the coagulation array turned into a blood mist on the spot! This is far from over!

Ye Chen again towards the other side of a few people swept!

Everywhere we go, it's a mess!

Except for blood and killing, only bodies!

Ye Chen is born for fighting. He knows that he can't stop the bloody evil spirit killing array at the moment, only each of them can break it!

The more you break, you limit your power to the minimum!

He is panting, his body is full of sweat and blood, in the face of these strong, too much energy!

Every time Shi displays several swords, he has to devour some pills crazily.

In a few seconds, ten people have been killed!

If you kill it again, it is possible to destroy the array!

Lei Jianyun and elder Zheng completely changed color. They looked at each other and went to Ye Chen directly!

A punch, a sword, break everything, can't stop!

"Puff!"

On the contrary, they can only face the two swords of the top!

Even though he resisted the blow of Lei Jianyun, the sword wave of elder Zheng condensed was still thundering on Ye Chen's body without reservation.

Ye Chen vomited out a mouthful of blood on the spot and smashed it out!

Feet in the moment of landing, step on an aircraft, a few light, steady landing on the top of the aircraft.

He was pale and bit his lips.

And the bloody evil killing array has been condensed to the extreme, and then, countless swords will break through the sky.

It's hard for him to break it again.

Those on the rooftop outside, all hands clenched!

They are angry, but there is no way!

In this world, martial arts are respected, and strength is king's way!

Kunlun virtual strong people are far superior to them in both realm and martial arts!

They can only watch from the rooftop!

If you step into it like Ye Chen, I'm afraid you can't hold on for a second!

Chapter 629

"This boy, I really tried my best, but It is still too little time for him to grow up. If he is given another ten years, no one in Kunlun can shake him. "

The old man sighed for a long time. He was very lonely.

For years, he thought he could control everything.

But now, the feeling of powerlessness makes him angry.

In Jiangnan International Airport.

All people's strongest strike all come to Ye Chen's body!

Closer and closer!

Lei Jianyun and elder Zheng didn't do anything, and they laughed darkly.

Chen, they are very clear! I'm afraid the real Qi of Dantian is not much under those blows.

Break the battle?

How to break an almost useless existence?

They even feel some pity, after all, with Ye Chen's talent, if they enter the blood League, sooner or later they will become like them.

The countless murders are getting closer to Ye Chen.

Ye Chen is completely surrounded by the bloody evil spirit killing array!

All the aura around you is gone!

Even if ye Chen wants to resist, he can't use Aura!

"Am I really going to die? no way! I haven't stepped into Kunlun Xu, I haven't rescued my father yet! Even the mystery of his life experience has not been solved! I haven't seen the masters who have left yet! How can I die

At this moment Ye Chen stood up.

In his mind, he quickly thought of countermeasures!

All of a sudden, ye Chen's eyes and eyes bloom with a light, and the corner of his mouth is showing a mysterious smile!

This smile seems to be in charge of everything.

Standing at the tip of the plane, he looked at the shrouded killing intention, 20 meters, 10 meters, 1 meter!

When the lock was short to one meter, ye Chen offered a sword formula in his hand!

"I am the immortal Lord. Since you wake me up, I don't want to owe you any favor. Today, I will give you a sword formula. Ten thousand subjects

Sword rhyme together, Wan Jian Chen Fu!

Looks like chicken ribs, but can decide life and death!

Ye Chen holds the sword formula in his hand. In a flash, dark clouds cover the sky of Jiangnan province!

The whole world is dark!

"Is this the dog eating the moon?" The people on the roof exclaimed.

It's not like it!

This vision is unheard of! It seems that the whole Jiangnan province is in endless darkness and hell.

The wind blows.

The cold air even made everyone shiver!

Lei Jianyun and elder Zheng are the same!

It's like being watched by a pair of hellish eyes.

It's creepy!

"What kind of breath is this? Can it come?"

Lei Jianyun said in horror.

Zheng Chang Lao can no matter what vision, he stares at Ye Chen!

As long as ye Chen dies, it doesn't matter what vision comes!

Look at that sword with handle to stab Ye Chen's body!

All of a sudden, a sudden change!

A golden light covers Ye Chen's whole body!

Jingguang moment by Ye Chen as the center, spread out!

The whole world lights up at this moment!

This is not the most terrible!

What's terrible is that the spirit swords in the hands of the dozens of powerful people in the bloody war hall are completely solidified!

Can't get close to Ye Chen!

"What the hell is this?"

Not yet waiting for them to react!

"Crackling!" Resounding on the earth!

All people's swords fell on the ground, even bent!

And the bending direction is Ye Chen!

It's like a wanjianchenfu!

"This How can it be! "

The strong in the blood war hall are shocked! What's more, it set off a great wave!

Their swords are not rubbish. If they are put in China, they must be the top ones!

Even every sword is extremely arrogant, it is impossible to surrender!

But at this moment, it is exactly happened!

Lei Jianyun is confused!

Elder Zheng is shaking his body, a bad premonition all over the body!

Who could have thought that the powerful blood alliance killing array, at this moment, was cracked like this!

I don't know who it is!

Is it Ye Chen?

At this moment, ye Chen moved.

Crazy rush into the crowd!

The whole body is surrounded by blood dragons. Wherever it goes, thunder and lightning explodes!

His sword is the red light, such as flame, burning heaven and earth!

Unstoppable!

"Puff, puff, puff, puff, puff, puff, puff!"

Those who have not yet recovered from the image of ten thousand swordsman's clothes, their bodies are chopped!

Separation of body and head!

The ground is full of endless blood, like a river of blood! Sad voice, pain sound, beg for mercy sound, ring through a hundred meters!

But ye Chen is indifferent!

He gathered all the forces in the elixir field into the zhenhun sword. The sword's meaning is the dead sea!

"Lord Lei, help

"Help

In the face of Ye Chen's strength, those people in the bloody battle hall panicked!

They are all asking for help from Lei Jianyun!

"Help? I have said, today, no matter who, will fall here completely! I can't save you when I come

Ye Chen's voice resounds through the sky, just like thunder!

Now he is the king of killing!

The sword falls again and again, and endless killing moves are released.

Buzz!

Heaven and earth change for it!

At the moment, ye Chen seems to be completely integrated into the ten thousand sword techniques.

It has reached the realm of human and sword integration!

The whole person, like a rainbow, cuts through the sky.

The wind is howling and the ground is shaking. Who can fight against it!

Even, because ye Chen's speed is too fast, no one can see ye Chen's action clearly!

The old man on the roof can't, Bai Li Xiong can't, Lei Jueyun and elder Zheng can't!

Ye Chen left them only a shadow.

As far as the shadow is concerned, it is blood.

"Damn it! Ye Chen, dare you

Thunder Jianyun's roaring voice suddenly spreads out, he and elder Zheng plunder madly!

Want to block the group, but at the moment Ye Chen is stopped.

Zhenhun sword is inserted on the ground, with both hands behind, and the casual clothes are covered with blood.

"Now there are two of you left."

The voice of indifference fell so quietly.

Words fall, dozens of bodies burst open!

All dead!

Who could have thought that many strong men in the blood League and blood war hall died like this!

Not only was he broken the bloody evil killing array, but also turned into blood fog in just ten seconds!

At this moment, the whole world seems to be quiet.

Everyone on the roof trembles!

"Mr. Ye, you survived..."

"Hiss!"

They stare at Ye Chen's arrogant posture!

Incredible!

Even like a dream!

Is this the Zhenguo God of war in China?

China has such a god of war, who can stop it?

Chapter 630

The old man laughed: "it seems that my worry is unnecessary. The world is so big that he is the only one who can trap Ye Chen, not others."

At the moment, elder Zheng and Lei Jianyun are angry!

This hundred people are the elite of the blood battle Hall of the blood League! I don't know how many problems have been solved for the blood League!

But now, all dead!

No one survived!

This time, not only Ye Chen was born or dead, but they returned to the blood League, and they must bear the outrage of the leader!

"Little beast! How dare you destroy the foundation of blood alliance! Today, I want the whole China to make amends for you! "

"Elder Zheng, gather the essence and blood, kill Ye Chen!"

Lei Jianyun, like a madman, flies towards Ye Chen!

Elder Zheng also forced out a drop of blood essence, even burning!

His momentum has risen to the extreme and his injury has disappeared!

Such a price, just to kill a Wonderland! If the Kunlun Xu people know it is a joke!

Ye Chen looks at the killing machine in front of his eyes and clenches his fist!

The true spirit of danta has completely disappeared.

He's really tired.

It's no joke killing these people.

Even the strong man who entered the holy land was not qualified, but he did.

Not only because of the sword formula, but also because he tried his best!

"Bang!"

Three forces suddenly collide!

Blood dragon roars! Thunder point surround!

Fire erupts!

"Puff!"

Ye Chen's body vibrates, spurts out a mouthful of blood!

The blood dragon dissipates directly!

It's the limit!

And this life talisman also retracts the body, can no longer fight for ye Chen.

Ye Chen only felt suffocated for a short time. He lost control of his body and flew backward toward the rear.

"Little beast! No matter how strong you are

Lei Jianyun hit Ye Chen's body again.

It is impossible for ye Chen to condense the array symbol!

And elder Zheng did not relax at all. His sword was like a rain.

Ye Chen's casual clothes are broken.

He bared his upper body, showing scars!

The scar is shocking!

This is what ye Chen has suffered in the past five years in Kunlun!

Lei Jianyun and elder Zheng were both shocked.

What did this kid go through?

But I didn't think much about it. I went to Ye Chen with my sword!

At the moment, ye Chen's Qi and blood are rolling, and all the internal organs are shocked.

Arm numbness, almost no strength to resist.

Even pills can't help.

"Boy, I don't want to know about ye Shitian. I want you to die today!"

Lei Jianyun and elder Zheng force out a drop of blood essence. The blood essence shoots at Ye Chen and turns into a blood mist package!

At the same time, the strongest blow out of the two, the earth shaking!

The wind roars!

Anything close to you, will be mercilessly torn!

It seems to be an ancient beast with blood meaning, swallowing it towards Ye Chen!

Ye Chen forcefully supports the body not to fall down!

It's the only thing he can do.

Shenyou state is superior to dozens of powerful people in the supernatural realm!

I'm afraid it's more frightening than the legend of Ye killing the sky.

Ye Chen mocked himself.

At this time, the reincarnation cemetery is shining! A violent breath burst out!

Ye Chen's eyes are wide open!

He glanced at the samsara cemetery!

But found that the immortal Lord has opened his eyes!

The sword was successfully refined!

Before ye Chen's reaction, the sword of chopping dragon asked Heaven felt everything outside and rushed out directly!

The sky sword has the spirit of cutting dragon sword!

Countless times between life and death, he and ye Chen have a strong tacit understanding!

With the meaning of violent killing, he directly rushed out of the reincarnation cemetery!

The sword is shining!

In an instant, they are suspended in front of Ye Chen!

"Dragon sword" Ye Chen whispered softly, but he stretched out his hand and touched the sword suspended in front of him.

The body of the sword is cold, but there is a trace of warmth.

One comes from the body of the sword and the other from the spirit of the sword.

"Would you like to fight with me?" Ye Chen Dao.

"Yes."

To Ye Chen's surprise, a voice came from the sky sword!

This!

Ye Chen is completely frightened!

Before he could react, he saw a shadow floating on the sky!

is as like as two peas, but with the same hand, he can feel the outline. Seeing the beast devouring, the shadow on the sword outlines an arc: "I was born to kill, and I will die of killing. I live for the owner of the tomb and die for the owner of the tomb. I want to end the evil in this world with my sword. Even if the blade in my hand is broken, it can't stop my way.

Cut the dragon.

Ask the sky. "

Cold figure!

The next second, the sword will penetrate everything!

Beheading the dragon asks the sky sword to go towards the strength of Lei Jianyun and elder Zheng!

When touching the shadow of a giant beast, tear it directly!

Brush, brush!

In an instant, countless sword shadows cover the world!

Go directly to Lei Jianyun and elder Zheng!

The sword light is all over the sky, and the sword spirit is overflowing.

"This What sword is this

Lei Jiayun is completely shocked!

He has seen countless magic swords in Kunlun Xu, but he has never seen the sword in front of him!

The key is that the spirit of the sword appears on the body of the sword!

"This is the vision of ancient sword! Why is it in China now? "

Elder Zheng is cold all over!

He looked at Ye Chen again with endless fear!

Who could have thought that all of the things broke out from this boy!

Originally injured two people only feel a huge peak suppressed!

Elder Zheng reaches out his hand, subconsciously wants to break open!

But I didn't expect that the sword wound his arm!

Tear it on the spot!

"Ah

He wanted to get rid of it, but found it impossible!

He can only bear the endless sword penetrating his whole body!

Lock him in!

The sword of beheading the dragon and asking heaven tore elder Zheng's whole body in this way!

His hands were cut off mercilessly!

There are hundreds of big and small wounds on my body!

Shocking!

His only thought was to survive!

But before this sword, he has no ability to resist!

Lei Jianyun is no better, his body more and more wounds!

If it wasn't for body refining, his body would have been unbearable!

He took a look at Ye Chen in the distance. He was very clear that he wanted to get rid of the magic sword!

The only way is to kill Ye Chen!

No longer hesitating, he forced out a drop of blood essence on the eyebrow, the blood essence burned, and quickly swept toward Ye Chen.

Ye Chen is about to be touched. The latter smiles coldly and grasps it with five fingers: "sword

In a flash, the red light seems to penetrate the long river of time and fall on Ye Chen's hand.

Holding the dragon and asking the sky sword, ye Chen found that the true Qi of Dantian was recovering madly!

He remembered that there was a small dragon vein hidden in the sword!

The immortal Lord gave him a great gift!

Looking at Lei Jianyun, he said, "you and I have no grudges. You should not have stepped into the land of China, let alone join the blood League! As I said, I will kill all the people of the blood alliance
