

## Physician 6271

### Chapter 6271

At this time, Qin Feng responded: "yes, I've prepared so many speeches before. I'm afraid the old thing won't bite. Now it's ready to be delivered!"

Qin Feng motioned, the younger brother opened a bottle of colorless solution, broke the old man's mouth and poured it in.

"It cost a lot of money to buy fenglingsan from those old things in the ancient martial arts world. I'll accept it for you!"

"Without spiritual blessing, you are just a bad old man!"

"Don't worry, Zhiyao, I'll protect it!"

He patted the old man on the cheek with a look of ecstasy.

"Young master, or just..." the younger brother beside Qin Feng made a hand gesture to wipe his neck, which was self-evident.

If you don't do it twice, you just kill it, and it's over.

Qin Feng shook his head. He didn't have the courage to do the killing: "it's not right. Everyone has to abide by the rules of the cruise ship. Once a human life happens, no one can protect it if it is investigated!"

What's more, his purpose is just Wei Zhiyao!

With the success of the plan, Qin Feng went to the office happily with the pace of not knowing each other!

"The plan is done, and action begins."

Eight characters, Qin Feng edited a text message to Wei Rudong.

Unfortunately, Qin Feng just left, ye Chen's eyes are suddenly opened, of course, this is not a coincidence, he heard, but not exposed.

Just wake up Ye Chen also don't know what happened, only see two people in his bedside whisper, mentioned what Feng Ling San.

Are these inferior products still used today?

But he didn't make it public and chose to watch it change.

Now I got up and saw everything around me. I should be in a big boat.

Looking at the old man who fell unconscious, ye Chen sighed. It seems that he saved himself!

Fingertip across a streamer, according to the old man's forehead, a moment later, the old man slowly wake up.

Of course, Wu Yan remembers what happened. The awakening man in front of him gave him great pressure, which he never had.

"Cough!" At the moment, ye Chen's body is still a little weak. After all, the war was too serious. The aura of China is powerful for others, but it doesn't have much effect on himself.

Nevertheless, in the eyes of the old man Wu Yan, the pale man in front of him can still take his own life in an instant.

Now Wu Yan is at a loss.

Ye Chen took the lead in breaking the deadlock: "old man, don't worry, I won't hurt you!"

Although the words say so, but the old man's vigilant eyes are still unabated.

"Well, you saved me. I'll show you something as my reward to you."

Ye Chen looked at the alert old man and sighed. Indeed, he did bring him great anxiety!

The old man only felt that the picture in front of him was constantly changing, and finally settled at the last moment before he fainted.

Wu Yan was a little surprised, looking back on time?

Who is the man in front of you?

Why is there such a means!

"Dong Dong Dong"

"Dong Dong Dong!"

Knock on the door, followed by a voice, "Uncle Wu in?"

There was no response, and the knock continued.

After a while, a figure slowly approached

It is the previous picture that repeats itself in front of the old man.

"Damn it The old man hit the ground with a fist, "fenglingsan!"

Not to mention that in order to save Ye Chen, the spirit power is drained, even if the spirit power is still there, the effect of this letter is not for fun!

"They're going to attack the young lady!"

This is the old man's first reaction, that is, he looked at Ye Chen standing by the window.

"Who are you?" The scene that just happened is still floating in front of Wu Yan's eyes.

He wants to make sure the identity of the man in front of him. He's just an ordinary old man after being attacked by Feng Lingsan. There are many clouds and dragons on the ship. No one can protect Wei Zhiyao any more!

"Tell me first, where is this place and why am I here?"

Ye Chen opens his mouth to ask, from coma to wake up, there are too many experiences, he must know where he is.

Wu Yanyan briefly and comprehensively describes the process of meeting and salvaging Ye Chen: "it's my young lady who rescued you. This is the cruise ship Tianxing. Now it's in tiandang sea area, and it will dock in about three days!"

"Tianxing number!" Ye Chen frowns, have never heard of this name completely, still have what Wei family.

After all, five years before he left, the Wei family was probably just a small unknown family.

When ye Chen comes back, he has been dealing with the variation of Chinese aura. He doesn't know about business and power.

"I've told you all about it, but you haven't said it yet. Who are you?" Although Wu Yan doubts Ye Chen's identity, from a few simple conversations, he can feel that ye Chen is not a killer!

In other words, ye Chen is a reliable person!

In the face of the old man's repeated inquiries, ye Chen gently smile, he said: "my name is Ye Chen, no identity, came here, completely because of accident!"

"I'll leave soon."

The old man felt a little disappointed in his eyes. He thought Ye Chen was a young master of some guwu family. He could protect Wei Zhiyao here.

After all, the people of the river and the lake pay attention to one reward for another.

"Well, ye Chen..." the old man whispered, "but why do you have such..."

At this point, the old man was stunned on the spot. I'm afraid that even the clan heads of the guwu family could not match his strength?

He said his name was Ye Chen?

Why are you so familiar?

After pondering for a moment, the old man Wu Yan seemed to think of something. He opened his eyes in horror and stammered: "you... Are you ye Chen?"

Ye Chen's name, perhaps in the secular world, is nothing more than you.

After all, there are more people called Ye Chen.

But since the Reiki mutation before and after, every ancient martial arts training pulse, on earth, everyone knows Ye Chen!

There are too many titles about ye Chen.

"Bloodthirsty dragon, dark hall master, dragon soul chief instructor, chief consultant of Huaxia medicine League, the first person in the list of Huaxia masters, warlord of Huaxia Zhenguo, disciple of medical God sect, one in the list of heaven, chief alchemist of danxu Town, master of Guangming hall, master of baizong League, and master of Kunlun Xu..."

That kind of strength is beyond the reach of countless people. Even today's first person of Chinese martial arts is beyond the reach.

Moreover, recent rumors indicate that ye Chen returned to the earth and killed yuan Daofeng. After all, the huge mushroom cloud exploded in the sky a few days ago, but the news never stopped reporting.

The so-called expert sees the door, the layman sees the excitement.

However, those who practice martial arts can feel the terrible power. Previously, Wu Yan's visual impact of kicking a shark more than ten meters away was regarded by others as out of the category of human beings, so the battle between Ye Chen and Yuan Daofeng could be regarded as a butcher God!

Yuan Daofeng's strength has recently been too mythical in the ancient martial arts world, but it is true that he has transcended the existence of the earth road!

Can still be easily killed by Ye Chen!

"You... Are you really ye... Ye... Ye Chen?" Wu Yan's stuttering is indeed similar to the rumor.

Ye Chen is a little strange. What he did aroused public opinion. In ancient martial arts circles, ye Chen gained a great reputation.

Of course, only he didn't know!

"Old Wu Yan, meet you The old man suddenly burst into tears and made a gesture to kneel down for ye Chen!

Chapter 6272

Ye Chen is stunned. Although the old man's strength is low, he is his own life-saving benefactor. If he kneels down, he is really killing himself.

With a wave of his big hand, an invisible force hindered him from kneeling down.

"The old man can't use it!" Ye Chen exclaimed in a hurry, what is the situation.

Wu Yan wiped his hands on the clothes on his abdomen. He was as nervous as a child who wanted to take an exam paper to face the head teacher's questions.

"It's like this..."

After this discussion, ye Chen knew that ye Chen's reputation had reached various degrees in the recent Chinese ancient martial arts circle.

It is enough to become an idol worshipped by countless people just to return to China!

Later, the killing of Yuan Daofeng and other deeds pushed Ye Chen's comments to the top. Yuan Daofeng didn't have enough personnel, which made all the Guwu families bow down. If they didn't follow, they would be killed!

But constrained by his divine fighting power, after blood washing several families, all of them chose to surrender.

Now, when Yuan Daofeng died, the families who were not satisfied with him were more independent and claimed that they would give priority to Ye Chen!

Only Ye Chen is the Savior!

People in the Guwu family know about Reiki variation.

Ye Chen does all these, all people see in the eye.

Wu Yan, an old man, is the elder of the Wu family. He is very powerful.

"What's the relationship between you and Miss Wei?"

Ye Chen knows the situation and asks in a hurry.

After all, Wei Zhiyao, who can be escorted by such a strong man, has a big face. You know, the elder of the Guwu family is the leader of the family!

"Zhiyao, the girl's mother, once saved my life. She was also a miserable person. Before she died, she asked me to take care of the child..."

"I've come to the end of guwu's life, so I don't want to manage my family any more. I just turn into a servant and follow this little girl around. I'll go sightseeing and enjoy my life!"

"Zhiyao's father has made great progress in his career in recent years. He wants to bring her back to his knees, but this noble family can't fit in so well."

"No, it's coming from behind!"

Wu Yan sighed: "I didn't expect that these young people could get fenglingsan!"

He laughed at himself.

"Uncle Wu, I'll call you that. Don't worry. I've solved fenglingsan for you. You can recover safely. I'll take care of it these days!"

Ye Chen said softly.

Wu Yan smell speech, rickets body is a shock, pose to give ye Chen kneel.

"Uncle Wu, if you do this again, you'll be out of sight!"

Ye Chen pretends to be angry.

Wu Bo and Wei Zhiyao are both kind to themselves. Even if they don't have them, they will wake up almost at the same time, but it is a cause and effect in the end.

Ye Chen will try to pay it off.

The old man also laughed and no longer spoke.

A rapid pace from far to near, "Miss back!"

Wu Yan got up and tried not to leave any trace.

After a while, a girl in pink and white sportswear and a ponytail jumped in.

"Grandfather Wu, my father promised me to leave him on the boat!"

"Why, are you awake?"

Wei Zhiyao's beautiful eyes blinked, which was lovely.

She first looked at Ye Chen sitting on one side, then looked back at the old man and grabbed Wu Yan's arm: "grandfather Wu, you are so powerful!"

"Miss, if you shake it again, my old bones will soon fall apart!"

In front of outsiders, we must keep strong, which is what the old man taught Wei Zhiyao.

But in private, they are the same as yesun.

"By the way, what's your name?"

Wei Zhiyao's smart eyes flashed and looked at Ye Chen beside the bed.

"Ye Chen!"

Ye Chen expression indifference, and then replied: "thank you for saving me, Wu Bo told me!"

"It's OK, it should be. It's not right to see death without help. Grandfather Wu has always taught me to be kind."

What Wei Zhiyao said is right.

The leaf Chen of one side is also smiling to shake a head, this wench is really an innocent girl.

No wonder the old man will always be there.

"The visitor is a guest. It seems that you have nothing to do. I'm just short of a companion. I'll tell you, it's my first time to come on such a luxurious cruise. Let me show you around!"

Wei Zhiyao is like a curious baby. Her mind is like a child.

Wu Yan was speechless for a while.

"Every day, grandfather Wu always tells me that if I want to be an adult, I'm so bored that I have to pretend in front of them!" Wei Zhiyao sighed when she saw the old man's eyes.

Ye Chen can't help but smile, can only say: "good, you take me around!"

"Yes, yes."

Wei Zhiyao nodded. She couldn't sit in the room for a moment. She looked at Wu Yan with expectant eyes, like begging for the old man's consent.

Wu Yan nodded gently: "you go, I have to rest this old bone!"

"Ah? Grandfather Wu, won't you come with us? " Wei Zhiyao was a little surprised. Before the old man, he had never left.

"Today's grandfather Wu is a little strange." Wei Zhiyao muttered.

One side of Wu Yan smell speech, smile a little stiff, "please ye... Mr. ye take care of my miss, I won't go."

Rickety figure slowly upstairs, Wu Yan heart but clear, there is Ye Chen, Wei Zhiyao that is a million safe, he is very relieved.

If ye Chen can't protect Wei Zhiyao, no one in the world can protect Wei Zhiyao!

.....

After a stick of incense.

"You see, brother ye, it was here in the morning!" It's the familiar deck again, said the girl calmly.

"The contrast is too big, isn't it?" Ye Chen smiles, this Ni son, go out, resemble an adult.

Taking advantage of the back to the tourists, she made a face at Ye Chen!

"It took me a few days to find out that there were theatres, ice rinks, climbing walls, churches, even water parks on board!"

"There's a very beautiful viewing hall. It's the same height as the Arc de Triomphe in Paris. It's a one-to-one restoration design. There's also a children's Park. Our upper deck, the top deck, is an open-air night club at night."

Wei Zhiyao leads Ye Chen around. Ye Chen is also amazing. He has been fighting and killing for many years, but he has never enjoyed the extravagance in this world. Today, his eyes are wide open!

"Where is this little white face? Like a hillbilly, I haven't seen any of them? " Just when Wei Zhiyao introduced Ye Chen, ye Chen's eyes were shining, an untimely sarcasm came.

A young figure came with two glasses of red wine in his hand and said, "sister Zhiyao, this is a treasure that I had to find. How about having a taste?"

Wei Zhiyao looks unhappy, but the man still introduces himself: "in 1992, 65% of French new oak barrels were used in the aging process of Bordeaux Manor wine, and they slept in the cellar for a long time."

Chapter 6273

"I managed to get it from Scotch group!"

This man who constantly brags in front of Wei Zhiyao is exactly the guy Ye Chen saw when he woke up. Qin Feng!

"This wine is delicious?" Wei Zhiyao was dazzled by Qin Feng's telling and analyzing.

"Sure, try it together?" Qin Feng replied with a light smile.

As soon as the words fall, Wei Zhiyao goes forward and takes the only two glasses of red wine in Qin Feng's hands. She keeps one and hands it to Ye Chen.

"Brother ye, try the taste!" Wei Zhiyao said with a smile.

Qin Feng was a little embarrassed. He and Wei Zhiyao originally had two glasses of red wine. As a result, his face was a little unnatural, but he still had to have the demeanor of his family.

Of course, Qin Feng's flesh still hurts. If this cup goes on, hundreds of thousands of RMB will be gone. In order to make his face fat, he has to pay for it, but it's a pity that he hasn't reached his mouth yet!

"Er..." Wei Zhiyao took a sip and looked at Ye Chen.

"How about it, sister Zhiyao? It tastes sweet. We used to drink this wine. It's still good!" Qin Feng arms ring in front of the chest, confident way.

"But this wine is obviously sour?" At the moment of Ye Chen suddenly out of a word.

"Poof Wei Zhiyao laughed.

Qin Feng couldn't hang on his face any more. He had never drunk such a precious wine before. He just heard something about it. He was exposed face to face and his face changed suddenly!

"Where do you come from? Have you ever drunk red wine? Here's the comment? " Qin Feng didn't talk about the taste of wine.

"He's my friend, Qin Feng. Show some respect!" Wei Zhiyao frowned.

On hearing this, Qin Feng was very angry.

Isn't this guy the body that was picked up this morning? After a while, I became a friend?

The bias is too obvious!

Obviously, Qin Feng is jealous. He wants to target Ye Chen.

"Hum, don't think you can do whatever you want when you climb the high branch. Anyone on this ship can trample on you to death!"

Qin Feng said fiercely.

Ye Chen didn't answer and looked indifferent. He still said to himself, "this wine is really sour, but the taste is OK. It has a smell of black licorice. It should be valuable!"

Qin Feng hears Ye Chen say so, in the heart calculate is balanced a bit.

At least this guy knows how to flatter himself!

"What's the matter? It'll cost thousands of yuan!" Ye Chen said softly.

Hearing this, Qin Feng was furious: "thousands of yuan? This glass of wine is nearly several hundred thousand. Are you insulting me? "

Ye Chen Mou son one coagulates, shake head: "natural have no, but if you like, I can let a person send some to you."

Ye Chen, as a cultivator, has little idea of wealth.

But he knew very well that if Tianzheng Group and dark hall wanted money, they could leverage the economy of the whole world in an instant.

Qin Feng just want to reply, a sarcastic female voice is the first to interrupt several people's conversation: "what's the status of Mr. Qin, need you to send these low-grade things?"

A graceful figure came, the gauze covered most of the graceful body, but it was still difficult to block the beautiful scenery. A pair of Amethyst high-heeled shoes made a "click" "click" sound.

Qin Feng's eyes glaring away, dare to interrupt him, looking for death!

But the moment he turned to see the young woman, he lowered her head and joked. This person he couldn't provoke was the second miss of the Wei family, Wei Rudong!

"Younger sister, it's better not to get involved with such villagers. After all, our Wei family is a big family, and not everyone can make friends with us!"

Wei Rudong "kind" to remind the way, the language in the color of irony is not language table, after all, at the moment Ye Chen looks ordinary, even the clothes are wearing Wu Yan's gray gown.

Good to say is calm, bad that is old-fashioned!

"It's nothing but a face of the past Wei Rudong looks up and down at Ye Chen with disgust, and finally comes to such a conclusion.

After all, although a corpse is alive, it still feels extremely bad in the eyes of these rich people!

"Elder sister, brother Ye is not a villager. He is my friend!" Wei Zhiyao's face sank. Although she hated her half sister, she was helpless.

There are more and more spectators on the deck, and Wei Rudong knows that the family scandal can not be spread.

"Just, you girl is still willful, elder sister won't say!" Wei Rudong gently a smile, helpless shake his head, a pair of big sister spoil ground appearance.

It was this move that won the appreciation of the spectators around.

"The second miss of the Wei family takes good care of her sister in every way."

"Yes, yes, it's really the Phoenix among people!"

.....

Wei Rudong listens to the wind comments around, and is happy to have flowers in her heart. Her goal has been achieved. Because ye Chen has not said a word from beginning to end, Wei Rudong himself is not good at evaluating Ye Chen.

However, it's just a little boy. Just use a little method!

She was not worried at all. She turned around with a smile and was about to leave: "Oh, by the way, sister, don't forget that the family dinner is held in the star Hall tonight, and my father will come too. Don't be late!"

She again looks like a bosom elder sister general, instructs a way.

Then he left with Qin Feng.

Wei Zhiyao clenched her red lips. In this battle, she was completely defeated!

The impression is just a willful little girl.

"You second sister, you are not a fuel-efficient lamp!" Looking at the back of Wei Rudong, ye Chen whispers.

Wei Zhiyao clenched her fists, but she had no choice but to sigh.

"It's so annoying, I don't like this kind of life at all..." she lowered her head, obviously a little dispirited.

Ye Chen poured a smile: "if everything goes well, it's not life!"

"Pleasure in pain is the essence of life!"

Wei Zhiyao raised her head. A tear flashed in her eyes. She quickly wiped it off with her hand. Then she said, "brother ye, do you have a time when you don't know what to do?"

Ye Chen sighed, everyone has their own role to play, whether it is a big hero or a small person, have their own bitterness!

"Yes, just like now, I'm chatting with you on the deck. I don't know how many people are waiting for me to deal with some things outside!"

"But what I can do is just to do my best. It's a beauty to talk and laugh with you on the deck at the moment."

"Life is like a mirror, you laugh at it and you cry at it!"

Under the setting sun, ye Chen's back is particularly eye-catching. Of course, this is in Wei Zhiyao's eyes!

"I see!" Wei Zhiyao seems to feel something at this moment. She gets up and has a bright smile on her face.

Under the setting sun, is the girl's beautiful face!

Chapter 6274

"Go back and prepare. There are many interesting things waiting for the family dinner tonight."

Ye Chen laughs. Most of the things in the world are caused by power and profit. Otherwise, he would not make fun of Qin Feng.

"There are some things that can comfort the wind and dust!"

Ye Chen looked at the sea in the boundless light and took a deep breath of the sea breeze.

Before returning to China, he had been dealing with the change of aura and Yuan Daofeng, which made him have no time to feel China.

At the moment on the deck, he felt some peace in his heart, even made him forget the will of Yuhuang to come here.

There are too many headaches. Now that you have come to China, please enjoy the short peace.

Then he and Wei Zhiyao return to the bedroom. Wu Yan looks at the two people who come back. Wei Zhiyao tells the old man what happened on the deck before!

In Wu Yan's eyes, a light passed quietly.

It can hide Wei Zhiyao, but it can't hide Ye Chen. He knows that the old man has already killed him.

"Grandfather Wu, let's not talk about it. I'll change my clothes. If I don't take the family dinner seriously, my two sisters will have to talk about it again!"

Wei Zhiyao is helpless, but after ye Chen's explanation, she is in a good mood.

"This girl has to experience to grow up. How long can you protect her?" Ye Chen opens his mouth to inquire.

The old man also knows this truth, but it's one thing to know and another to do it!

"I'm a tough old man. No one who practices martial arts can die so easily." Wu Yan said in a deep voice, "I can keep her for the rest of her life. She can experience it, but she can't be wronged!"

Ye Chen is silent. Indeed, although he looks bent, Wu Yan's life span is much better than that of ordinary people!

It's not hard to boil away Wei Zhiyao's grandson!

"That's all!" The old man has his own obsession. All martial arts practitioners have their own mind of Tao. Once the mind of Tao is broken, it will be over.

Wu Yan's heart of Tao is to protect Wei Zhiyao.

See ye Chen fingertip light a flash, a drop of streamer into Wu Yan's Dantian, immediately he felt a strong spiritual power gushing in the body!

Stronger than when he was at his peak!

There are even faint signs of a breakthrough.

The old man's face is ecstatic. He knows that it's Ye Chen who helps him. He is about to kneel down in a hurry, but he is held by Ye Chen.

"This girl saved me, I should repay you!"

"But I have my things to do, I will leave one day, this girl, you should take good care of her!"

There is a smile in Ye Chen's eyes. The old man's heart of protection really moved Ye Chen. In this world, it is not easy to have such pure feelings!

The old man bent his body and trembled slightly. His loose Chinese robe could not cover it.

"Grandfather Wu, I'm fine!" Wei Zhiyao jumped out, dressed in a snow-white dress, a head of hair tied in the back of his head, showing gorgeous!

Wu Yan quickly wiped the corner of his eyes and made a gesture of please: "Mr. Ye, miss, please!"

This moment's old man, treats Ye Chen's manner, thoroughly changes!

.....

Now Wei Rudong is in his bedroom.

"Well, did you find out the boy's identity?"

Wei Rudong's voice rings out, ye Chen is just a mole ant in her eyes.

Qin Feng in front of him said respectfully: "he has sent his photos back for investigation, and there is no result yet!"

"Then there's no need to check. Just kill him!" Wei Rudong strong way, by the way made a wipe neck gesture.

Qin Feng's body is shocked. A rich family's son, where did he ever do this kind of business?

He stammered: "his status may be different. After all, his aura doesn't look like an ordinary person..."

What else did Qin Feng want to explain, but he was mercilessly interrupted by Wei Rudong: "Qi field? What kind of aura can a country boy have? Qin Feng, are you frightened by him? "

Wei Rudong's look of contempt in his eyes is not disguised at all, and he doesn't know whether it's aimed at Ye Chen or Qin Feng.

"Find some people and do it secretly. Didn't he get it out of the sea? Then throw it back into the sea! "

Wei Rudong's face is light!

Qin Feng was scared. Wei Rudong made it clear that he was going to do it!

"Mr. Qin, you can get fenglingsan. You can't even be a little boy, can you?"

Wei Rudong's method really worked!

Qin Feng took a deep breath: "don't worry, ye Chen won't see the sun tomorrow!"

"After that, let's join the dinner party in the evening, so that you can have a close contact with Zhiyao!"

Good move, slap a sweet date to eat!

As expected, Qin Feng took the bait. There was no longer any sense of unwillingness. He got up and said in a hurry: "I'm going to prepare and kill Ye Chen!"

When you leave, it's full of joy!

"This silly boy is really cute!"

Wei Hanqing's figure did not know when to walk out from behind. She looked at Qin Feng's back and looked back at Wei Rudong. She sighed with a faint sigh: "sister, good means!"

Wei Rudong snorted coldly, "it's good to be successful. If not, this boy is a scapegoat..."

"I see Wei Zhiyao. How can she spend the night safely?"

.....

I don't know what Qin Feng is going to do. Ye Chen and his party have already arrived at the star banquet hall ahead of time in order to avoid being talked about by the population!

Star hall, the largest banquet hall in Tianxing cruise ship, covers an area of 1000 square meters. It has an open space and is suitable for various large-scale conferences and high-end activities. The floor glass on one side of the hall makes the whole venue very comfortable with sufficient natural light.

At this moment, night falls, the light is particularly dazzling!

Just as his front foot was about to step into the hall, ye Chen's ear moved. He heard a rustle of sound and immediately withdrew his steps.

"Mr. Ye?" Wu Yan is not ye Chen after all. He has not found anything different.

Ye Chen Mou son one coagulates, light smile a, light way: "nothing, I deal with a little thing, you go first!"

When Wu Yan heard about it, he already knew something.

Wei Zhiyao looks at Ye Chen with puzzled eyes. Just as she is about to open her mouth, she is stopped by Wu Yan and pulled into the banquet hall!

The whole banquet hall is already a sea of people. Although it is a family banquet, it doesn't mean that you can't bring friends to attend!

At the moment, the meeting hall is full of people. Those who can come here have a close relationship with the Wei family consortium!

On the contrary, it was night, the sea breeze blowing, the slightest chill blowing, and there was no one on the deck.

.....

At the same time, Tianxing cruise is in a corner.

"Well, if I'm ready, I'll call ye Chen. Brothers, just hold him down and throw him back into the sea."

It was Qin Feng who was giving orders to a dozen servants.

Chapter 6275

"Qin Shao, in case of being found..." some of them worried that these people had not done it before, but if they did it on the Tianxing, they would not give the Wei family face. Once they were found, they would involve their families!

Qin Feng patted his chest and assured: "don't worry, there are people on me!"

At the end of the speech, the forefinger and the middle finger swore, pointing to the sky.

People still have no bottom, at this time a middle-aged man said: "don't worry, anything happens, I and Qin Shao will keep you!"

He gently supported the palm of his hand on the iron guardrail, and the solid iron fence was gently cut off!

Qin Feng looked at the middle-aged man triumphantly and said to his subordinates in a low voice: "everything won't be a big problem!"

Qin Feng's greatest reliance is this middle-aged man, who is also the fenglingsan he found for Qin Feng!

He is also a member of ancient Chinese martial arts!

When people see such a domineering master, they have no worries. They all rub their hands. After all, if they start, they will have money. Who won't be moved?

Seeing that the morale was almost raised, Qin Feng was cruel and said, "you are ready. I'll go to find Ye Chen!"

As soon as Qin Feng's voice fell, a lazy voice came from the corner, "don't look for master Qin, I've already arrived!"

Ye Chen's figure walks out slowly from the darkness, looking at the dozens of people in front of him, he smiles.

"You... You don't come here!" Qin Feng slowly retreated, dozens of little brother, see this scene, have silly eyes.

What's the situation, young master?

When the middle-aged man coughed, Qin Feng realized that he was guilty.

He quickly stabilized his mind, Qin Feng's face distorted: "heaven has a way, you don't go, hell has no door, you come to cast!"

Ye Chen couldn't help laughing and said in a soft voice: "can I ask, where did I offend you and have to kill me?"

This question, on the contrary, can not ask Qin Feng.

"Someone asked me to do you!" He blurted out subconsciously.

Immediately it seemed that he realized something wrong: "no, you dare to move sister Yao's mind, you should die!"

Ye Chen probably already knew, the guy in front of him was just used.

He's really a fool.

"I know!"

Ye Chen looks indifferent, the next second, five fingers a grip, a strong wind appears, but it is a breath of time, dozens of people wail, all black and blue lying on the deck rolling!

Only Qin Feng and the middle-aged man behind him are left in the field!

"The ancient warrior?" The middle-aged man was a little surprised, but he didn't pay attention to it. To this extent, he was confident that he could do it!

Ye Chen of course is to stay too many hands, these people are just black and blue, no big problem!

Of course, these means, in the eyes of middle-aged people, no better!

But in Qin Feng's eyes, he was scared.

"You..." he trembled and pointed to Ye Chen, but he was too nervous to speak.

The middle-aged man glanced at Qin Feng with disdain. What a shame!

The middle-aged man stepped forward slowly: "boy, you are very good. Compared with some of the younger generation in the sect, they are all top-notch. Let's name them. Don't flush the Dragon King Temple!"

Ye Chen looked at the middle-aged man with great interest. How dare he treat him as his own?

"I don't have a school, I don't have one!" Ye Chen light voice way, also true, he didn't lie.

"Hum, I don't know the heaven and the earth, so I'll discipline you for your elders today!" The light spiritual power of the middle-aged people is fluctuating!

Ye Chen frowns, is the variation of Huaxia so serious now?

Can any ancient martial arts practitioner cultivate spiritual power?

But the middle-aged man saw Ye Chen frown, thought his domineering spirit shocked Ye Chen, he issued a hearty laughter: "little guy, are you afraid?"

The middle-aged man's this smile, is to pull Ye Chen back to reality, just completely didn't notice what this guy was saying.

Ye Chen only saw the middle-aged man's strong laughter, some inexplicable.

"Do it. I don't want to delay too long. The party hasn't started yet. It's still time to go now!"

Ye Chen said softly.

Instead, Qin Feng nodded wildly with the sound. He would like to see Wei Zhiyao tonight!

"Ignorant child!" The middle-aged man was impatient, and his figure quickly swept to the front of Ye Chen's body.

The joy on his face was more obvious!

As everyone knows, in front of Ye Chen, he has no difference with the miscellaneous fish lying on the ground!

That one fist, be ye Chen five fingers firmly fasten, locked down!

Middle aged people realize that it's not right. It's too late to get out!

Ye Chen gently waved and threw the middle-aged man into the sea!

It's like throwing a stone.

This time, Qin Feng was silly again.

What is thunder and little rain?

Middle aged people explain this perfectly.

"Well?" Ye Chen frowned and saw a figure shooting out of the sea. It was the middle-aged man!

That throw didn't bring him any substantial harm, it was just very insulting.

Qin Feng's face once again appeared a touch of joy, has not fully lit up, see ye Chen five fingers a grip, the sea water churning, unexpectedly into shape!

A pair of empty palms, like water, were formed in the sea water, and they were beaten hard.

He smashed the middle-aged man back into the sea again, and his blood was gradually stained.

This time, he never flew up again!

Looking at Ye Chen with both hands behind him at the moment, Qin Feng opens his mouth wide, "see... Hell!"

He rushed to the distance, Qin Feng no longer wanted to stay here to see this monster!

.....

At the same time, the star banquet hall, singing and dancing.

Melodious piano sound spread all over the hall, everyone is concentrating on their own things, social or love.

"Why hasn't brother ye come back? It's about to start!" Wei Zhiyao anxiously raised her hand and looked at the watch on her arm, pacing back and forth.

Wu Yan said with a smile: "don't worry, miss. Mr. Ye will be fine!"

Joking, ye Chen must be able to have an accident, unless it is the destruction of the universe!

"Welcome to Wei's family dinner!" A strong voice sounded, melodious music fell, everyone looked at the stage, it is obvious that today's protagonist to appear!

Master of the Wei family, Wei Xiong!

A middle-aged man, about 50 years old, with a straight body, came to the stage slowly, dressed in suits and shoes, and polished shoes!

A pair of gold glasses frame in the temples, no white silk ear frame, elegant and easygoing.

"Today..." the middle-aged man stepped on the stage with everyone's attention. Just as he was about to speak, "bang", the door of the star banquet hall was knocked open!

"Ghost A rolling figure stumbles in, and everyone takes a look. Besides Qin Feng, who else can it be?"

The middle-aged man frowned slightly, a trace of unhappiness flashed, but cultivation still told him to keep normal.

Chapter 6276

But other people didn't have such a good way to talk, and they all avoided it, just because the thing in Qin's crotch didn't hold up, and it fell down a thousand miles!

"This rubbish!" In recent days, everyone knows that the second miss of the Wei family is quite proud of Qin Feng.

Now Qin Feng is beating her face!

"Brother Qin, are you ok?" A voice came to Qin Feng's ears, and now everyone could not avoid him. Someone came forward to help him, and his heart was warm.

"Well?" Waiting for him to slow down to see the face of the man who helped him, almost carried his breath, it was Ye Chen!

"Murder

A exclamation, Qin Feng's rolling posture flashed by, squatting in the corner shivering.

Wei Xiong found the clue and inquired: "the nephew of the Qin family came up and talked to me in detail!"

Qin Feng, like catching the straw, clearly explained the cause and effect of the matter.

On one side, Wei Rudong saw his father's question, and his face was filled with ecstasy. He went straight forward and cried, "father, ye Chen not only killed and robbed people on Tianxing, but also deceived his younger sister!"

This sentence, Wei Zhiyao also pulled down the water!

"I..." just as Wei Zhiyao was about to open her mouth, she heard that Wei Rudong was a pear flower with tears. "Father, don't blame my sister. She is also a Bodhisattva. She has been blinded by evil men. No wonder she has all this!"

Wei Xiong's eyes looked at Ye Chen, and then at Ye Chen, who was neither humble nor overbearing, and his face was not clear.

"Yao Yao, what do you want to explain?" Wei Xiong was silent for a long time and took the lead in speaking.

Wei Zhiyao saw her father speak, she said wrongly: "father, brother ye will not kill people, he is a good man!"

This weak explanation is not the answer Wei Xiong wants.

At this moment, Wei Xiong closed his eyes.

"Somebody With a loud drink, people swarmed into the hall, and hundreds of security guards surrounded the hall in an instant!

"Mr. Wei, are you going to ask me Ye Chen said softly.

"There are all human and material evidences. What's your sophistry?" Wei Xiong's indifferent voice came.

"Witness?" Ye Chen some displeasure, "you say Qin Feng?"

"Master Wei, more than a dozen brothers outside can testify that ye Chen killed people!" Qin Feng said quickly.

Wei Rudong's face turned purple with anger. How can he say this!

"A dozen?" Wei Xiong looks cold.

Isn't that a self accusation?

What do you want with a dozen people? kill and rob?

Wei Xiong looks a cold, Wei Rudong quickly came to the rescue: "Ye Chen, you dare to kill people in public on the Tianxing, is to despise my Wei family?"

After all, it's a family. We can't let outsiders see jokes. This matter can be discussed again, but the reputation of the Wei family can't be disgraced!

Wei Rudong is also well aware of his father's character, so he dare to speak at the moment.

But all the people present felt an unusual smell in it.

It seems that the Wei family is not as harmonious as it seems!

"Father, ye Chen must be held accountable for killing people in public, but the third sister is also responsible. After all, she took them on the boat!"

Another voice rang out. It was Wei Hanqing, Miss Wei of the Wei family!

It's a good move to retreat. In their plan, Qin Feng is an important chess piece. Feng Lingsan will abolish Wu Lao, and Wei Zhiyao can be manipulated by others.

Ye Chen's appearance, let them have to adjust strategy, Qin Feng is the key.

If he can kill Ye Chen unconsciously, then everything will be the same. If he fails, it's the situation in front of him!

Wei Rudong sings red face, Wei Han sings white face!

Not only has considered the family face, but also has given the outsider a sister wholeheartedly false appearance, good deep calculation!

Ye Chen's mind has thought of the next script of these two people.

"Elder sister, Zhiyao is our favorite younger sister. All this is directed by Ye Chen. If you want to punish younger sister, even me!"

Wei Rudong pear flower with tears, cry that call a tear heart crack lung.

Wei Hanqing is also reluctant to give up, but more is the side of righteousness, she also can't bear to leak: "this matter again, Zhiyao things, own family law disposal, this ye Chen must first accountability!"

Wei Xiong didn't see a big play played by his two daughters, but he was moved to tears.

How can a father doubt his own daughter?

"Take ye Chen!"

Wei Xiong orders, 100 security personnel will start!

"Wait a minute!" It's the old man who stops it, Wu Yan!

"Master Wei, is it too wrong to be so arbitrary?" Wu Yan bent forward, "two young ladies of the Wei family, hire someone to kill Ye Chen first, Mr. Ye was forced to fight back, but also accountability?"

All sides are shocked by this remark!

Splashing dirty water on the daughter of the Wei family in front of the head of the Wei family?

"Presumptuous!" Wei Rudong's face sank, "you a servant, dare to guess the Wei family?"

Wei Rudong is not afraid. Now the old man is just an ordinary man!

As soon as Wu Yan's face changed, she was about to start, but Wei Zhiyao grabbed the old man's arm and shook her head gently.

"Father, there is something wrong with today's business, but grandfather Wu has no malice. He just wants to protect me. In the years when I haven't met my father, grandfather Wu has been protecting me. Without him, I'm afraid all the daughters standing in front of you are cold!"

Wei Zhiyao's words are above the heart of the old man Wu Yan.

Wei Xiong smells speech, is also silent, Wei Zhiyao's statement is true, he has secretly investigated, although does not know the old person's status, but he does not have the malice!

Wei Xiong's eyes gradually softened, and he didn't want to study the old man's previous remarks. At this time, Wei Zhiyao continued: "father, it's true that I rescued brother Ye Chen from the deck, but I know he's not a bad person after this short time together!"

Wei Xiong's eyes are fixed, and his daughter is still defending a murderer, which makes him very angry!

"He brought me hope, let me redefine my life, have a vision for the future, he..." Wei Zhiyao still want to continue to speak, but Wei Xiong snapped.

"Enough!" Wei Xiong forbore his anger. "You have to speak for this murderer. How unreasonable!"

On one side, Wei Hanqing and Wei Rudong saw their father's anger, and there was a successful smile in their eyes, but they hastened to say, "sister, stop talking, don't talk in vain."

With that, he turned around and patted Wei Xiong on the back: "father calm down, younger sister is young, still a child who is not sensible, you can forgive her!"

"I'll take care of the family affairs with my elder sister. Father, go to have a rest first."

The two young ladies of the Wei family are really acting schools.

"Oh? Finally, it's time to say it! " The leaf Chen of the facial expression indifference at the moment soft voice way, saw the play of a night, from beginning to end he all didn't express a state!

"What do you mean?" Wei Rudong looks cold and looks at Ye Chen.

Ye Chen shrugged: "is not afraid of Wei Zhiyao grabbing your rights in the family? What a tiring performance of the bitter meat drama

Wei Han Qingming's eyes flashed and said angrily, "Ye Chen, don't you think that if you challenge our family relationship, you can escape a disaster?"

When Wei Rudong saw this, he hastened to agree!

Wei Xiong sighed and turned to look at Ye Chen: "man, I appreciate your courage, but dare to question my Wei family. You can't leave here today!"

"I'm here today. No one can move brother Ye's finger!" Wei Zhiyao stands out again!

"You... You are openly against the family for the sake of an outsider?" Wei Xiong looked at the youngest daughter in disbelief. He didn't grow up under his knees. Is he really so rebellious?

Wei Xiong is very disappointed with Wei Zhiyao at this moment.

But in the eyes of Wei Rudong and Wei Hanqing, Wei Zhiyao's words should not be too pleasant!

"If brother Ye has any mistakes today, I, Wei Zhiyao, will leave the Wei family and have nothing to do with the Wei family any more."

When Wei Zhiyao said this, the audience was in an uproar!

Wei Xiong's face turned pale with anger. He looked at his daughter who was openly against him in front of thousands of onlookers. The anger in his eyes was about to gush!

"Mr. Wei, you'd better think it over before you make a decision. After all, it's about the future of your family!" Ye Chen's sentence is a pun.

Wu Yan is very clear, once you start today, the Wei family may have no future!

But in Wei Xiong's opinion, ye Chen is still meddling in their father daughter relationship, which can't help it?

"Come on, take down this gossipy boy for me!"

Wei Xiong, as the controller of Wei's financial group, has been holding him in the sky for many years. The guy who dares to offend his bottom line repeatedly is the first time he has met in many years.

The other side is still a brat, how can he swallow this breath?

"In that case, don't blame me for being rude!" Ye Chen's hands are behind him, standing in the hall,

In the eyes, the essence flashed!

Ye Chen's figure is like a banished immortal standing still, and his detached temperament makes hundreds of people gasp for breath!

Some people just stand there, even if they don't do anything, it's a kind of shock.

"Goo!" The security team leader swallowed a mouthful of saliva nervously, his legs were shaking, and he didn't know what to do.

If this is an ordinary person, they won on the spot without saying a word!

Ye Chen's vision, too oppressive!

Wei Xiong was angry at the moment. He didn't care about his face. He scolded: "what are you doing, you trash? Take him for me!"

When the security captain heard the master's words again, he had to be tough!

He clenched his teeth, took the lead in pulling out the baton at his waist, and rushed up. The other people saw the team leader rush up. They also stamped their feet, and a hundred and ten people were pressing towards ye Chenqi!

Ye Chen's figure did not move until the crowd drowned him.

Wei Xiong's face across a touch of irony, against him, this is the end!

Wei Hanqing and Wei Rudong have a happy look on their faces. It seems that they have planned where the next celebration banquet will be held!

Chapter 6277

Ideal is full, reality is bony.

"Monster

In the chaos of the crowd, a cry broke everyone's dream!

People did not react, only to see the security captain's body is more than one meter eight into the air!

Then, in the whole star banquet hall, 100 security guards, like ugly ducklings, just turned into clumsy swans, flew into the sky one by one.

Countless howling voices resounded through the venue!

"Alas..." the old man Wu Yan sighed gently. In the face of such a scene, he shook his head helplessly and provoked Ye Chen, the Wei family, for fear that he would be doomed.

This rising star and vigorous financial group may be wiped out overnight!

Ye Chen's existence, even the one in the capital, should be respected.

Wei Xiong widened his pupils. He couldn't believe that more than 100 professionally trained security personnel couldn't even manage a man!

But it is true that there are more and more people in the sky and more and more empty on the ground.

"Take advantage of the chaos and get rid of Wei Zhiyao." Wei Hanqing is worthy of being the first lady. She has stabilized her mind at the critical moment. This is their last chance!

While ye Chen is dragged, he can kill Wei Zhiyao unconsciously. He can also put the black pot on Ye Chen's head. No one will know it's their hands!

"Qin Feng!"

Wei Rudong gestured a look. Qin Feng turned his head and looked at Wu Yan, an old man who had not been involved in the dispute from beginning to end.

He nodded to Wei Rudong, saying that there was no problem!

After all, fenglingsan was given to Wu Yan by himself. He could guarantee that.

Wei Rudong looks a Lin, in front of his confidants, do a neck action.

The man in black took the order and quietly drew out the dagger. Taking advantage of the chaotic crowd, he slowly approached Wei Zhiyao.

As early as ye Chen did not start, she had thought that her father would never stand on her side. The first time ye Chen started, Wei Zhiyao had been pulled aside by Wu Yan.

"Grandfather Wu, brother ye, he..." before Wei Zhiyao finished, Wu Yan said, "don't worry, miss, he won't have anything wrong with anyone!"

"But..." Wei Zhiyao is still a little worried about ye Chen. She turns around, a cold and shining dagger, and the piercing light of the dagger flashes past her eyes under the European style headlamp in the star banquet hall!

As time goes by, the white knife will come in and the red one will come out. Even the mysterious face is filled with the joy of "the task has been completed".

The dagger pierced through Wei Zhiyao's long white skirt, picking off a remnant of his shirt, and he could not enter any more.

The mysterious man made efforts several times, but the tip of the dagger did not move!

He began to be a little flustered, the bowl of sweat dripping, at the moment he was still assassinating posture, because there is a dry and thin hand, firmly locked himself.

It was Wu Yan who stopped the fatal blow for Wei Zhiyao!

"To die!" The old man was so angry that he clasped the mysterious man's right hand and broke his wrist!

A heartrending scream made all the people on the scene stop their movements unconsciously and turn to focus on Wei Zhiyao's direction!

"This rubbish!" Wei Rudong scolded secretly. He didn't know whether he was blaming the mysterious man or Qin Feng for his incompetence.

Judging from the speed of the old man and the fatal blow of stopping the mysterious man, he didn't win any bullshit fenglingsan at all!

"Shut up Wei Hanqing said in a hurry.

Wei Rudong is also a person who has seen the world. Before her elder sister spoke, she had already thought of how to do it!

His right hand slipped into his handbag. Wei Rudong slowly took out a delicate left wheel from the bag!

The muzzle of the black hole has been aimed at Wu Yan who is holding the wrist of the mysterious man. From her point of view, Wu Yan is just blocked by the mysterious man.

"Hoo..." Wei Rudong breathed softly and said in a cruel voice, "you two, let's die together!"

"Bang!"

With a loud noise, the audience was silent, followed by endless screams and shouts!

"Murder

Someone yelled out for the first time. All the people collided with headless flies and mixed up at the scene!

Wei Xiong's bodyguards rushed forward for the first time and protected him firmly behind him.

"I'm fine! Come on, Zhiyao is still there! " He hastened to signal to the bodyguard to protect his daughter.

The bodyguard hears the speech, looks toward the corner, where still has Wei Zhiyao's figure?

At the moment when the gun was fired, the bullet burst out, and the mysterious man slowly fell to the ground, his eyes gradually relaxed and lost his vitality

Wu Yan's figure is like a ghost. When he hears the news, he has disappeared in the same place, protecting Wei Zhiyao behind him.

With Wu Yan's skill, the speed of the bullet can't match his reaction at all!

For the first time, Ye Chen's eyes have locked on Wei Rudong. It's her shot. In order to leave no evidence, she wants to kill her subordinates!

What a cruel woman!

Wei Rudong was relieved to see that a shot had been killed. He wanted to take advantage of the chaos and return to the crowd. Although he didn't kill Wu Yan, he had achieved his goal!

She quickly hid her weapon and turned around to get into the crowd. As soon as she turned around, a strong arm raised Wei Rudong high.

"Cough..." by an inexplicable arm to hold the neck high, Wei Rudong instant panic God, not to mention she was guilty.

The audience at the scene has been scattered, and only a few security guards and Wei Xiong are left at the scene.

"Ye Chen, how dare you?" Wei Xiong didn't know why. He only saw Ye Chen's figure disappear in the same place. The next second, the five fingers had been firmly fastened on his daughter's delicate neck.

Just a little effort, a fresh life is about to end!

Ye Chen's eyes indifference, do not set off a wave!

"You put her down, you have something to say!" Wei Xiong is afraid that his daughter has the slightest slip, plus at the moment there is no outsider, he chose to compromise!

Wei Zhiyao leaned out from behind the old man Wu Yan and looked at the scene: "brother ye, is there any misunderstanding?"

Wu Yan stepped forward and looked around at the crowd with a bent body. He wanted to kill people. He said in a deep voice: "that loud noise was just made by the second miss of the Wei family!"

Everyone in the field is in an uproar and looks at Wei Rudong one after another.

Wei Rudong was pinched by Ye Chen's face flushed, speechless, ye Chen just gently threw her to the ground.

"Cough..." after a violent cough, she slowly raised her head, her eyes full of grievances, "father, I opened that voice!"

Does Wei Rudong take the initiative to admit his mistake?

All the people at the scene are confused, only the corners of Ye Chen's mouth pass a trace of disdain, and continue to watch her acting.

"I saw someone attack my sister in the crowd, trying to kill her!"

"I did it just to protect my sister!"

Wei Rudong a cavity grievance spills, in the eye socket is only the crystal clear teardrop.

Chapter 6278

Wei Zhiyao's face was a little shaken. After all, for a simple girl, all this was just for others to say.

On one side of Wei Xiong's face is also relieved.

"Oh? Is that right? " Ye Chen eyebrow a pick, direct openings query a way.

Wei Rudong wiped a tear and stared at Ye Chen: "what do you mean? I'm going to kill my sister? "

The old man Wu Yan's eyes were cold, silent and murderous.

Wei Rudong was staring at by the old man like this. The chill from the bottom of her heart made her uncomfortable.

"You can cheat others with your little tricks. How dare you lie in front of me?"

The old man's shriveled lips opened and closed, and there was a sense of awe in his words, but the expression on his face was as plain as water.

"The guy who killed Wei Zhiyao should be your confidant, right?" Ye Chen whispered, his eyes Gujing bubo, "do you want to say, anyway, there is no proof, I have no evidence..."

Wei Rudong now is a lot of hard gas, people die like lights out.

There is no evidence to prove her death. It's too fanciful to move Miss Wei with a little suspicion.

First of all, Wei Xiong will never allow others to touch his daughter!

This is the bottom line of a noble family.

"Let's talk about it again. Ye Chen, what do you want to do?" Wei Xiong doesn't want to hang on to this matter. There must be something fishy in it. He knows it.

But now the court, whether win or lose, lose the face of the Wei family, this face, He Wei Xiong still can't afford to lose!

So we can only avoid talking, or close the door and talk to our own people.

Now Wei Xiong can only digress from the topic, because all these problems come from one person: ye Chen.

"You don't need to know who I am, but Wei Zhiyao is kind to me. If she makes any mistakes, Wei family..."

Ye Chen's words didn't finish, but the threat contained in the tone was nothing!

"You..." since Wei's group was listed, Wei Xiong's status has gone up. Even the drivers around him have made great strides. The so-called "one person gets the road, the dog and the rooster ascends to heaven", and he is surrounded by flatterers!

Countless high-ranking officials and business tycoons are proud to have a relationship with the Wei family. Now it's the first time that the Tianxing cruise ship has gone to sea. This large cruise ship, known as the most luxurious one in China, is also the masterpiece of the Wei family!

Only He Wei family has such strong strength!

Now on the Tianxing, there are no forces comparable to the Wei family!

The Wei family is the only one in the world!

As the owner of his family, Wei Xiong is the object of numerous people's flattery. He is praised to heaven. But now he is such a giant, but he is threatened by a little boy. What's more hateful is that he has nothing to do with him!

More than 100 security guards fell to the ground and wailed. Today, he was slapped in the face of the Wei family!

Wei Xiong took a deep breath: "I really can't do anything with you on board, but it's not a good thing for a man to be too angry!"

"I know that you are a child of the guwu family, but that's not enough for you to be presumptuous in front of our Wei family!"

It's obvious that merchants who can reach Wei Xiong's level know something about aura change.

After all, money can make the devil push the mill.

He should take ye Chen as a child of some secret aristocratic families. Even so, he would never allow him to be so rampant in front of Wei's financial group.

But now the decline, but others, put a few cruel words is always inevitable.

He is considering the influence that contacts shore, wait two days later, cruise a dock, take ye Chen immediately.

"Master Wei, you and I have no grudge. I'm friends with Zhiyao. I don't want her to be hurt." Ye Chen gives Wei Xiong a step down. After all, what he said is true. He is also Wei Zhiyao's father.

Hearing this, Wei Xiong clenched his fists and trembled several times. Finally, he sighed and looked to his daughter.

Wei Zhiyao's eyes glistened with tears. When she said the words threatening her father, she still believed in her father.

Wei Zhiyao didn't know how to deal with it at this moment until the two sides had a big fight and even killed her.

She chose to escape.

Wu Yan said softly, "Miss, Mr. Ye has left. Let's go back and have a rest as soon as possible."

Wei Zhiyao nodded with red eyes. Without looking at her father, she left with the old man.

Looking at the back of a line of three people leaving, Wei Xiong was in a daze.

"Am I wrong?" After a long time, he whispered and left the hall with his hands on his back. However, his loneliness did not win the sympathy of the other two daughters.

"Sister, what should I do?" Wei Rudong sisters looking at Wei Xiong left the figure, but the eyes gradually cold.

"Wait for the chance, we have lost the best opportunity to start, damn, that waste Qin Feng!"

"Not even an old man!"

Wei Rudong heard elder sister mentioned the word Qin Feng, and his eyes flashed a sense of killing. Everything was a problem with this waste part.

One breath in Wei Rudong's heart, no place to spread fire!

In public by Ye Chen carry chicken humiliation, this is the most difficult place for her to accept!

"Qin Feng, go to die..."

.....

At this moment, it is in the highest conference hall of ancient Chinese martial arts.

There is no luxury in imagination, only a few wooden benches and a few cups of white tea.

"Xiao Lu, have you ever heard about ye Chen's whereabouts?"

The high spirited grey haired man takes a sip from the teacup. His Zhongshan suit shows the leader's temperament. He always pays attention to Ye Chen's affairs.

There's nothing wrong with being Lu Lingfeng and Xiao Lu. In ancient times, gray haired men were like emperors.

Lu Lingfeng sat at the end of the table, looking at the steaming tea cup in front of him with a dignified look. He was not at ease either.

After all, all of you here are authoritative personnel of China, and he is the only one to attend as an exception.

He took a deep breath and analyzed all the possibilities in front of the multimedia map.

"The sea breeze is fierce in tiandang sea. According to the intelligence, the Lord of the temple fought with the mysterious man on the top of the mountain on the night of the incident, and the fighting was very fierce."

"Part of the cliff collapsed and fell into the current. We have searched the mountain and found no sign of the temple master!"

"That is to say, he was probably exhausted after the war. As that part of the cliff fell into the tiandang sea, I sealed off the whole sea area the next morning, but I still didn't find any trace."

"According to the analysis, the sea breeze of tiandang sea is very turbulent at night, which means that the temple owner may have drifted out of tiandang sea with the sea breeze."

After listening to Lu Lingfeng's analysis, an old man in Tang Dynasty costume with white temples said: "in this case, once that boy floats into the West Sea, it's like looking for a needle in a haystack!"

The old man who spoke was Sun Linglong's grandfather, who had a pivotal position in China.

Old sun also has some helplessness. After all, after ye Chen's accident, sun Linglong recites to himself every day, and almost takes the old bone down.

"Lao sun, listen to Xiao Lu and finish what he says!" But the gray haired man was calm and said with a smile.

In the gray hair man's eyes, Lu Lingfeng did not stop, continued: "after that, is the West Sea area."

"I've checked the ships on patrol. It's said that two days ago, the cruise ship Tianxing once salvaged a floating corpse!"

"What?" The crowd at the scene screamed out.

Ye Chen, who carries all hope, is gone?

"Cough, well, I've had the honor to talk to the temple master. Strong men like them are immortal on earth. Grey man, you should have seen the way of the temple master..."

The gray haired man nods gently, others may have no bottom in their heart, but in his own and Lu Lingfeng's heart, ye Chen is absolutely impossible to die.

"Tian Xing Hao..."

The grey haired man whispered, "is it the cruise ship of the Wei's consortium that recently emerged?"

"Yes, according to reliable sources, we will return in two days."

Lu Lingfeng said in a deep voice.

Although I firmly believe that ye Chen can't die, he must have been seriously injured. He must see his true self at the first time for protection.

"I suggest a special force!" Mr. Sun said.

Gray hair man heard, silent, just right index finger gently tapping the table, again and again.

The whole room was filled with people's heads, but there was no sound except the sound of "banging" fingers on the table.

"Huaxia is still too scattered now!"

"Yuan Daofeng died. Now the ancient martial school in China lacks unified leadership. Yuan Daofeng's past activities of anger and resentment can no longer be covered up!"

"In this case, it's also a powerful force to play Ye Chen's name, unify all forces, centralize management, and use it for our Chinese people to fight against the change of aura in the future."

Gray hair man thought again and again, whispered.

Lu Lingfeng's eyes brightened. Yes, after yuan Daofeng's death, the ancient martial arts world was even more scattered. When would it be better not to incorporate them at this time?

Everyone nodded in agreement.

"I'm going to prepare now. Many forces have already complained about yuan Daofeng's previous actions. Now that the first battle of the temple Lord, yuan Daofeng's body has fallen, it's time to launch a new leader!"

"Well, the fastest time to complete, two days later, the cruise ship Tianxing will dock, I want to see everyone in place!"

Gray hair man's voice is not big, but it is incomparably firm.

"Guarantee to finish the task!" Lu Lingfeng made a standard gift.

.....

Today's cruise ship Tianxing.

In Wei Xiong's rest room.

Wei Xiong is on the phone with a man.

A cold voice came from the other end of the phone

"Don't worry, Mr. Wei. We'll be here on time. We're just dealing with a cultivator. It's very polite of you to do something by the way."

"Mr. Wei, it's all small things. I'll see you in two days if you and I are in trouble."

Wei Xiong hung up the phone and outlined a smile in charge of everything. He murmured:

"Ye Chen? I will let you know what is the heaven of China

.....

Chapter 6279

After a few seconds.

Hang up the phone Wei Xiong is a bit confused, he is to ask someone to deal with Ye Chen, send some heavy gifts is inevitable, after all, money and resources for him, but just a bunch of boring numbers!

But I've heard for a long time that these ancient martial forces are not easy to deal with. Although they are also interested in their interests, most of them look like they are above the others. Later several treats have proved that they are.

But why did they all agree to be so happy today?

There's more than one.

Wei Xiong thinks it's a bit unusual, but it's a happy thing to invite people to serve ye Chen.

.....

At the same time, Lu Lingfeng united with the whole ancient Chinese martial arts school. After expressing his feelings directly, he won more than half of the supporters on the spot. He thought that it was most appropriate for ye Chen to manage the Chinese martial arts.

After all, the global situation is changing, and they also need a spiritual leader to support them. Take ye Chen's glorious history as an example, no one should refuse.

After all, it is the first rising genius in China!

It's not too much to be called a monster. Such people are really qualified to command them.

But there are still some people who remain silent. They do not disobey Ye Chen, but need to hold a meeting to discuss some details.

So the eight party talks were called that night.

"What's your opinion on Ye Chen's election as leader?"

"Ye Chen's theory of strength and character is really impeccable, but we should always understand that our ancient martial arts circles never integrate with the secular world. You should know that ye Chen represents the official behind. Does this not destroy the rules of our ancestors?"

"Yeah, yeah, it broke the rules."

"We just recognize Ye Chen. His strength is all over the sky. The earth will never become his fetter. When he leaves, we will return to the past!"

"This is a wonderful plan. We only know ye Chen!"

"Good idea, good idea!"

Several people echoed.

"Did you hear that? Let's take a hairy boy from Wei. The price is not cheap! "

"Yes, just on the same day that ye Chen was picked up by Tian Xing Hao, why didn't you take the money with you..."

.....

All this behind all of the plot, ye Chen is never know.

Over the past two days, it has been surprisingly calm. Even Wei Rudong, who has always been a must, has been dormant. I don't know what plot he is brewing.

It is worth mentioning that since that night, Qin Feng has never appeared before.

After two days of peaceful life, ye Chen's sea breeze blows gently at night, and the surging melody is the only background between heaven and earth.

"Brother ye, it's so late. Haven't you had a rest yet?" Wearing a thick blanket, Wei Zhiyao came to the deck and stood not far from ye Chen.

Ye Chen looked across the sea, looking indifferent, and did not respond positively to Wei Zhiyao. Just now, his thoughts returned to the center of the earth.

He thought of the future, of yeluoer, of the heavenly daughter and of Ren Feifan.

This game is too big.

If you are careless, you will die.

Sensing the existence of Wei Zhiyao, ye Chen said faintly, "it's time to land tomorrow morning, isn't it?"

"Are you leaving tomorrow?"

Wei Zhiyao did not answer Ye Chen's question.

At the moment, they have their own thoughts.

"With Mr. Wu around you, there won't be any problems." After a while, ye Chen turns his head and looks at Wei Zhiyao. He also puts aside all the burdens in his mind for the time being. There must be a way to the front of the mountain.

At this moment, the night should be quiet and sweet.

"Well..." Wei Zhiyao didn't know how to answer, and the atmosphere was embarrassed.

"Miss, it's cool in Shanghai at night. It's time to rest!" Wu Yan didn't know when he appeared behind them. He reminded Wei Zhiyao.

"Good..." Wei Zhiyao reluctantly looked back at Ye Chen for several eyes, and finally disappeared on the deck.

For a young girl in love, tonight is destined to be another sleepless night.

"It's not peaceful in China these days."

Wu Yan stands beside Ye Chen and whispers.

"Five years ago, from the moment I left, the earth, a young child, has been completely exposed to the eyes of the world."

"Countless butcher's knives are waving at him. I have to block them one by one!"

Ye Chen's eyes are deep.

"You and she are not from the same world!"

The old man sighed. He could not see Wei Zhiyao's affection for ye Chen?

"As soon as I get ashore tomorrow, I'll leave. This girl will ask you later!" Ye Chen shrugged a shoulder, light smile way.

"This is my destiny. No matter how chaotic the world is, I will split a piece of pure land and keep her carefree!"

Although the old man's words did not show too deep feelings, or even plain tone, but ye Chen did not doubt his determination.

"Take this thing!" Ye Chen throws a pendant to Wu Yan.

The old man took it and asked, "is this Xuanwu pendant?"

"Xuanwu, one of the four sacred beasts, if you encounter trouble that you can't solve, crush it, and you will be protected."

"After all, it took a lot of effort to take this guy in at the beginning. Once it came out, you can tell it for me afterwards. You can leave by yourself and return it to freedom!"

Ye Chen wrote lightly.

"I can't take such a valuable thing." A dignified color flashed in the old man's eyes.

"It's not for you. If I'm not here in the future, it can protect Zhiyao!" Ye Chen is very grateful for the little girl who saved herself.

As for other feelings, he didn't want to talk about them. He owed a lot of debts. After all, he had to leave the world.

It's better to never start than to fail.

"I see!" The old man put away the pendant, "after tomorrow, I will give this pendant to Zhiyao."

The sea breeze continued to blow ye Chen's face, and the moisture moistened his brows. With a touch of worry, he lowered his brows and went back to his heart.

"The emperor Shitian has been unable to make waves in this world. The arrangement behind it is the reincarnation tablet, but the little girl who turned into reincarnation tablet is haunted. Where is she now..."

.....

The sunrise is as red as fire. Unconsciously, it is the beginning of the day.

Today is the day when the cruise ship Tianxing finished its first voyage, which also means that ye Chen is about to land.

Looking at the shore wharf from far to near, more and more tourists gather on the deck.

Some are carrying luggage, some are looking across the sea.

"It's all set up for father?" Wei Rudong is wearing a pair of big sun visors, can't see the expression under it.

Hearing this, Wei Hanqing said in a low voice: "my father had already contacted almost all the guwu families that he could contact that night. No matter which family Ye Chen was, today's landing is the time of his death!"

"The old man, too!"

Wei Rudong finally feels that the evil spirit that has been repressed in his heart these days will be dispelled. After all this, get rid of Wei Zhiyao.

They are still the biggest winners!

Chapter 6280

"It's nearing shore!"

"This trip is really unforgettable..."

"Well, look, how are there so many people on the coastline?"

"Is there anyone else in uniform?"

.....

The tourists on the deck also saw the endless crowd of people on both sides of the coastline.

The turbulent situation almost drowned the end of the eye, nearly a thousand people, watching the return of tianxinghao!

"The master of the Wei family has such a face? Even those people are escorting? "

"But what are those mysterious people in Zhongshan suits for?"

There was a heated discussion in the crowd.

At the moment, Wei Xiong slowly came to the deck, and everyone consciously gave way to a broad road.

"Master Wei!"

"Master Wei!"

They all greet the middle-aged man. Wei Rudong and Wei Hanqing, seeing their father's arrival, also restrain their arrogance and turn into two good babies standing beside Wei Xiong.

Wei Xiong looked at the other bank, frowned, and said, "no, the ancient martial family he contacted can never come out like this. What's the origin of the people on the bank?"

A hundred questions haunted him.

But in the hearts of many unknown spectators, all this is his face!

"Hum, ye Chen, I want you to live rather than die today!"

Wei Xiong glanced at Ye Chen on the same deck, thinking about how to deal with Ye Chen.

It seems that the heart has a feeling, ye Chen is also looking back to Wei Xiong at the moment.

Just surprised at a glance, he turned his head back again. The indifference in his eyes was deeply remembered by Wei Xiong.

"Damn it Wei Xiong clenched his fists, and his teeth trembled.

"Hum!" With the roar of the cruise ship, the distance from the shore is getting closer and closer. The people on the shore are looking forward to it, waiting quietly!

Wei Xiong's figure appeared in the front. He was the organizer of the cruise ship Tianxing, and also the leader of Wei's financial group.

Now, nature is in the front row, step down!

There is no imagined applause, no imagined flowers salute.

The team on the shore and nearly a thousand people were very cold to Wei Xiong, and they didn't even look at him.

"Er..."

Now it's his turn to be embarrassed.

Fortunately, an old man of the guwu family who he contacted a few days ago said to him, "master Wei, please let me know!"

Wei xionggang wants to greet him with a smile. He thinks that there is someone who can talk to him at last. Just give him a step. After all, so many people are watching.

He quickly steps to meet with a smile, but it is waiting for the old man's "excuse me!"

It made his face turn blue and red.

"Well, Master Wang, what I told you on the phone a few days ago..."

The old man, as if thinking of something, perfunctorily said, "remember, people can't run away on the boat. When we finish picking up people, we will deal with them for you!"

When Wei Xiong heard the speech, he could not help but be angry. He thought, is there anything more prominent on this ship than his own identity?

So many days of travel, no one mentioned it!

"Forget it, it's enough to crush Ye Chen. Everything else doesn't matter!"

Wei Xiong can only comfort himself in this way.

Seeing that all the people got off the ship one by one in order, Lu Lingfeng, who was standing in the front, felt a little fluff.

"Is there really something wrong?" He paced back and forth, standing tall and upright in the scene of a thousand people standing still, especially eye-catching.

"Who is this big man?" Wei Xiong leaned against the owner of the ancient King Wu's family and muttered in a low voice.

Obviously, everyone was waiting, only the murderous man was pacing back and forth.

"Shhh..." the master of the Wang family quickly made a silent gesture, indicating Wei Xiong not to say much. Then he leaned up to his ear and said softly, "he is the agent of the dark hall of China. This time, he came here to welcome a big man according to the above instructions."

"We're just a foil!"

Wei ambition surprised, compared with other people, he is just a mole ant and bright moon!

But in a flash, he secretly congratulated himself. Fortunately, he didn't conflict with the other party just now, otherwise, he didn't know how to die at the moment.

But then again, are these people waiting for others?

Still on your own Skywalker?

Wei Xiong began to fantasize about whether he had ever dealt with this man on the ship.

But if you want to come to such big people, they are very low-key.

After Wei Rudong and Wei Hanqing got off the ship, under Wei Xiong's instructions and whispered explanation, they probably knew something inside.

I can't help but smack my tongue. Are there such powerful people on my boat?

If you can curry favor with beauty, isn't it

Wei Rudong began to fantasize wildly.

"It's strange that we've almost gone. Is it the intelligence that's wrong?" Lu Lingfeng is really a little untenable.

Just when Lu Lingfeng and others are in a mess, Wei Zhiyao's figure walks slowly towards the boat. Behind her is the old man Wu Yan.

After that, ye Chen!

Lu Lingfeng's eyes flashed a look of ecstasy. The temple master he was looking forward to came back!

Step by step, ye Chen comes slowly behind Wei Zhiyao.

There was a commotion among the crowd. Many people had never met Ye Chen, but some of them had some contacts with Ye Chen in the past. Naturally, they would never forget that face.

Listening to the voice of the crowd, Wei Xiong is also a little surprised. Is the person they are waiting for Wei Zhiyao? My own daughter?

As soon as the idea came to mind, it was rejected by him.

No way. Wei Zhiyao is just an ordinary person.

As for the old man Wu Yan, who has long been neglected by him, what position can an old man who is dying have?

Followed by Ye Chen, at the moment of seeing ye Chen's figure, Wei Xiong's anger gushed out of his eyes!

"Lizi yechen, why don't you come here and die! Today, I will let you understand the horror of my Wei family! "

Wei Xiong shouts sternly, that posture, must have many supernatural forces, has many supernatural forces!

"Ye Chen, don't think you are the son of the ancient Wu family. Our Wei family is afraid of you. Today's battle is for the support of our Wei family!"

"It's time for you to die!"

Wei Rudong almost crazy roar spread throughout the audience, surprisingly, no one support.

At this time, Wei Xiong noticed that the eyes of thousands of people were all stunned, and then looked at their father and daughter with pity.

"This is..." Wei Xiong didn't understand what happened. He saw a ghost figure among thousands of people flash by and clapped his hand on Wei Rudong's chest.

"Poof!" Wei Rudong's figure flies upside down like a broken kite and hits the rocks on the coast. I don't know whether it's life or death
