Chapter 6281

The figure didn't look back. What he left behind was his back and his indifferent voice: "dare to be disrespectful to the Lord of the temple, seek death!"

The owner of the voice was Liu Qi, an old subordinate of the dark hall, who was also uncle Liu in Han qianmin's mouth.

"Even this guy's strength is so unfathomable. I didn't see the action of the blow just now!"

The master of the Wang family sighed that he was old after all and it was time to quit the stage of history.

Under the control of yuan Daofeng, the families who had encircled and suppressed the dark hall were also red faced. Although they were forced, they did make a move!

At the moment, ye Chen is standing in front of him, his old Department is in public, and everyone is afraid to say anything, not to mention whether he is Liu Qi's opponent or not.

At this moment, Wei Xiong seemed to understand something and set off a storm in his heart!

Ye Chen, he obviously can't afford to offend.

He Ye Chen is the big man that everyone is waiting for!

At the moment, Wei Xiong doesn't care about his daughter's life. What he cares about is the future of the Wei family.

Just about to step forward, Wei Xiong wants to do something.

I saw Lu Lingfeng's figure has been the first step forward, kneeling on one knee, loud voice: "subordinate Lu Lingfeng, see the main hall!"

Immediately after that, there were thousands of people shouting in unison, all of them half kneeling or bowing to say: "Lord Ye

The sound is deafening and loud!

Ye Chen's figure quickly steps down, grabs the lead to lift Lu Lingfeng, whispers: "what's the matter with so many people?"

Ye Chen to China has been low-key behavior, in front of outsiders is also try to less publicity, never thought Lu Lingfeng to such a move!

Lu Lingfeng understood this, and immediately explained to Ye Chen in a low voice. It turned out that in order to unite the whole ancient forces, everyone unanimously elected Ye Chen as the supreme leader, leading all forces to fight against Reiki variation.

And ye Chen represents the official and dark hall of China. Naturally, they are called Ye Dian Lord!

"We've been waiting here for a long time. All the ancient Chinese martial arts circles are in charge. See ye Dian Lord!" An old man with white hair and beard walked out slowly and said in a deep voice.

Ye Chen Mou son one coagulates, way: "still call me ye Chen, also or Mr. Ye."

With the old man's voice down, all the ancient martial arts practitioners in Zhongshan costumes all knelt down on one knee and drank in unison: "see you, Mr. Ye!"

Under the leadership of the old man, the head of the ancient King Wu's family, who had previously lived high to Wei Xiong, also went straight to his knees.

Admire Ye Chen!

Only Wei Xiong was stupidly in place.

"Over... Over, my Wei family is dead!"

At the moment of Liu Qi's attack on Wei Rudong, he knew that he had completely kicked the iron plate.

Originally, it depended on the ancient military forces who spent more money to avoid disaster. They could protect themselves. At most, they apologized and admitted their mistakes.

But now, the only thing I have to rely on is to kneel down on one knee in front of my enemies, how humble and humble I am.

Wei Xiong knows that the Wei family can't be saved!

He sat down on the ground with no eyes.

One side of the eldest daughter Wei Hanqing, has long been silly eyes, she has no eyes, now it's too late to regret.

Ye Chen listens to Lu Lingfeng's whispers. All the people on the scene are on their knees and dare not get up, waiting for ye Chen to speak.

The breeze on the coast blows a wisp of broken hair between Wei Xiong's eyebrows. At the moment, he is still absent-minded.

"Well, I see!" Ye Chen patted Lu Lingfeng lightly on the shoulder, turned around and realized that everyone was still waiting for him on their knees.

Ye Chen also can't help blushing, "cough..."

"Well, let's get up. There's no need to be so polite. I'm not the one who likes these ceremonies!"

The public hears speech, this just slowly gets up, after standing to wait for ye Chen's further instruction.

"Is there the owner of the guwu family?" Ye Chen said softly.

A middle-aged man with thick eyebrows and big eyes replied loudly: "Mr. Ye, Wu Kang is here!"

The middle-aged man was in the rear and was covered up by the crowd. At the moment, he heard Ye Chen's call and rushed forward.

"Mr. Ye, you..." Wu kanggang just saw Ye Chen. Before he spoke, his eyes extended to Wu Yan, the old man of Wu family behind Ye Chen.

"Dad, why are you here?"

Wu Kang was a little slow, but he was stunned on the spot.

"Don't blame Mr. Ye, the dog is a little dull..." the old man Wu Yan came forward and laughed at Ye Chen.

Ye Chen also shook his head and chuckled: "I can still trust Master Wu's family tradition."

"It's not proper to say that I lead the whole ancient martial arts world, because sometimes I don't quite understand the way of it. I can also be said to be a layman."

"From now on, the Wu family and Lu Lingfeng in the dark hall will preside over all the daily affairs of guwu Sect on behalf of me. If I have special circumstances, I will give special notice."

"In this way, I have more time to investigate the situation over there..."

Ye Chen mentioned here, brow locked, it seems that also met a thorny situation, for a moment, people have some silly eyes.

It's no wonder that the Wu family has made great progress?

Just because the master of Wu family had a predestination with Ye Chen on the boat?

I have to say that many times, luck is also a part of strength.

Many people regret that they didn't appear on the cruise ship Tianxing. Of course, these are all afterwords.

"Zhiyao, come here!" Ye Chen called softly.

Wei Zhiyao body a shock, obviously has not come out from ye Chen to her shock.

"Ah?" Hear ye Chen call her, feel everyone's eyes instantly focused on her body, let oneself some embarrassed.

"Thank you for saving me, but from today on, I have to do my own business. We may seldom meet." Ye Chen is saying goodbye to the little girl.

Hear the news that ye Chen wants to leave, she doesn't know why in the heart, feel a burst of sadness inexplicably.

"But I'll see you when I have time!"

Ye Chen chuckles. What he doesn't know is that his casual promise lingers in another person's heart for half his life. Of course, this is the following.

"Really?" Wei Zhiyao looks forward to Ye Chen, as if to find out something.

Ye Chen sees this, nodded gently, agreed Wei Zhiyao.

"Master Wei!" Ye Chen can't bear to see the girl's expectant eyes again. He turns his head and looks at Wei Xiong who is sitting on the ground.

Wei Xiong sighed in his heart that the trial finally came to him.

"Or that sentence, I and the Wei family, no injustice or hatred."

In a word, Wei Xiong's eyes suddenly changed. What do you mean?

You're not going to investigate?

In his old eyes, his tears flickered. He heard Ye Chen continue: "the previous series of contradictions are just to protect Zhiyao, and so is master Wu."

"Today, I only want you to promise that Wei Zhiyao will not be hurt at all when she is in Wei's home!"

Chapter 6282

When Wei Zhiyao hears Ye Chen arguing with her father like this, she is quite shaken in her heart.

"Mr. Ye, I can guarantee it!" Wei Xiong got up in a hurry. He didn't even have time to beat the dust on his body, so he swore to heaven and earth.

After a guarantee, Wei Xiong will kneel down to Ye Chen.

Ye Chen seems to have expected that his action is general. His knees have not yet fallen to the ground. Wei Xiong only feels an indescribable force supporting his knees, but he can't kneel down.

"There's gold under the man's knee. Master Wei, I'm younger than you. I can't bear such a big gift!" Ye Chen said in a soft voice. Speaking of this, he lit up a blue streamer in his hand and turned it into a group of light. He slowly floated to Wei Rudong, who had been knocked down by Liu Qiyi.

Wei Rudong's body was wrapped by green awn. A moment later, the skeleton was broken, and Wei Rudong's eyes blinked.

"I'm... I'm still alive?" Wei Rudong got up and looked at himself in disbelief. After all, the pain just now was real.

"This... Can a man come back to life after death?"

"It's against the way of heaven!"

In the crowd, ye Chen's means are almost monstrous in the eyes of the people!

In addition to the soldiers who experienced the gunfire, all of them were ancient martial practitioners. In their view, Wei Rudong fought against Liu Qi with a mortal body, and Liu Qi was merciful if he didn't kill him on the spot.

It's impossible to save life!

"Thank you very much, Mr. Ye!" Wei Xiong's tears filled his eyes with excitement. Ye Chen's move has given the Wei family enough face.

He Wei Xiong even got the support of Ye Chen because of a blessing in disguise, which really can be called lucky!

"Wei Rudong, your life was given by Wei Zhiyao. From now on, you will be Wei Zhiyao's servant and serve forever!"

Ye Chen is sure that Wei Rudong will never attack Wei Zhiyao after such a disturbance.

More importantly, Wei Zhiyao's mind is simple, and it's not bad to have Wei Rudong around.

"It's all over here. Let's get out of here!" With Ye Chen's command, the thousands of people at the scene turned and disappeared.

At this moment, Lu Lingfeng hands Ye Chen a new mobile phone, on which is the message from the dragon soul captain and Jin Lengyan:

"Instructor, Southeast of China, we found an unknown reaction. The detection team went deep, but there was no one left. After detection, the content of oxygen was consistent with the inexplicable energy found in Jiulongshan, but the concentration only increased. Now we are in a critical situation. Request support!"

Ye Chen frowned and said in a deep voice: "go to the southeast area immediately, and meet the golden goose!"

.....

Soon, ye Chen came to a southeast area.

"Instructor, that's what the Dragon Spirit knows now!"

Jin Leng Yan and ye Chen stand side by side at the moment, looking at the dense leaves not far ahead, which are shrouded by the rich aura. In the meantime, they are full of vitality. The trees and grass are luxuriant, but there is no trace of living creatures in a green heaven.

"Several members of the dragon soul team who went to investigate before were already some experts. Although they were wearing protective clothing that could isolate spiritual power, they still lost contact with them one day ago..."

Jin Lengyan's eyes are worried. After all, they are all brothers who lived with him. They were still laughing together a few days ago, but now they are still in the dark.

Ye Chen brow tight wrinkly, this moment, he also some don't know what to do.

"I'm going to save people first. You're far away. I can feel that the strength of spiritual power here is still increasing!"

"I have to find the root of all this!"

Ye Chen sighs, and at the moment he has no idea. The demon of emperor Shitian's mind dies separately, and the network behind him is cut off.

At present, we can only take one step at a time.

"Instructor, be careful!" Jin Lengyan said solemnly.

Only the man in front of us can solve the current situation. He is the only one in everyone's heart.

In the time that Jin Leng Yan sighs, ye Chen's figure has already jumped out like a cheetah and disappeared at the end of her eyes.

"Even if I go in, I can't do anything with this rich spiritual power..."

Jin Lengyan shakes her head and smiles bitterly. No matter how hard she tries, she still throws herself farther and farther away until she can't see in the distance.

.....

Ye Chen stepped on the soft soil among the dense leaves, and the earth trembled gently, as if it had vitality. It was painful for ye Chen to step on it!

After several struggles, the surrounding grass finally broke through the ground and grew wildly at the speed visible to the naked eye, turning into thousands of strands and winding towards the leaves.

But for a moment, ye Chen's legs were already tightly entangled.

The grass is full of strength, and the vine seems to tear the leaves apart.

"To such an extent?" Even plants are gradually born with spiritual consciousness. Once outsiders step in, they will be hanged!

With the sound of a rustle, the towering trees on Ye Chen's side are shaking. Thousands of fallen leaves turn into a sharp knife, shooting at Ye Chen!

At the foot of countless strands still cling to Ye Chen's legs, let him move.

All of a sudden, the opportunity to kill is obvious!

"Hum!" Ye Chen cold hum a, the whole body spirit power law operation, the light light light lingers in his whole body, that the legs of the countless strands of fire in an instant, unexpectedly is to shrink back!

The thousands of fallen leaves are in front of Ye Chen's eyes. The sharp blade has gathered the spiritual power of stars, which greatly increases his power.

"Pee, pee, pee!"

Countless sharp blades stab Ye Chen's skin and splash a little spark, but they don't cause any damage to Ye Chen.

"Such power, the earth's martial people, once involved, ten dead no life!" Ye Chen's heart has a kind of inexplicable affliction, he has already faintly thought of, that member of the Dragon Spirit advance team, afraid is already

"With their strength, they should not be able to go to the depth, but there is no sign of fighting and no sign of people around here..."

"No news, maybe the best news!"

With a wave of Ye Chen's big hand, the stout towering tree turned into dust in an instant.

"Boom!"

The flowers and plants around were trembling, but they spread slowly.

"Now you can't hurt people any more!"

Ye Chen patted the dust that splashes on the sleeve lightly, suddenly, discovered what, light way:
"hmm? Deep there, there's an inexplicable energy reaction! "

At the moment when the big tree fell down, an inexplicable energy response was captured by Ye Chen's keen spirit!

"Southeast!"

Ye Chen's figure had already disappeared in the same place between a few breaths. Not long after he left, the trunk of the tree, which had fallen on the ground, began to creep slowly!

That is cut by Ye Chen a palm of wound place, unexpectedly have a trace of green black energy attachment, have a pair of appearance of resurrection!

What happened after that, ye Chen did not know.

Chapter 6283

.....

At the same time, deep in the dense leaves.

"Sure enough

Looking at the Juling formation similar to the Jiulongshan formation, ye Chen clenched his fists slightly.

It can't be wrong, the same or even more.

Under the lush breath of life, there is still the endless killing breath!

"It was the half grip claw that guarded the spirit of the array before!"

"Now..."

When ye chennian reaches here, he flies up and looks down across the sky. It's not surprising that he is bigger than the beast's claw

Half body!

Yes, headless!

And that should be the position of the beast's head, which was also dug by life.

Ye Chen's figure slowly falls from the void.

"The spirit of the array here has been taken away, and Yuan Daofeng and the emperor shitianjin behind him have been destroyed. Who is still obstructing him?"

"No matter what, let's destroy it!"

The mighty spiritual power gushed out, and the flame with the smell of destruction began to spread around Ye Chen. In a few breaths, the dense leaves with a radius of tens of kilometers were shrouded in black and gold rings of fire.

"Jinlengyan, retreat!"

Ye Chen's voice almost spread all over the southeast region, among the dense leaves, his cheers echoed everywhere!

Under the cover of strong perception, ye Chen has determined that there is no life around except the golden goose!

The pioneers of the dragon soul... I'm afraid they have fallen.

The guard in the periphery of the gold cold wild goose heard Ye Chen's cheers, decisively retreat back, open distance, she knows, the instructor to hand!

Just retreating to the top of the mountain, Jin Leng Yan didn't have time to catch her breath. Just a few tens of kilometers before she met, a little bright star twinkled in the center, and then a circle of fire seemed to fall from the distant sky, just like the water of the Yellow River.

The black and golden flame seems to connect the whole heaven and earth. For a moment, the terrible aftertemperature even the golden geese tens of kilometers away can't bear it!

On the skin, little blisters protrude!

"What kind of means is that?" The gold cold wild goose hastily continues to retreat, again stays down, the light is this remaining temperature, afraid all can roast to death oneself.

The black and golden flame that covered the sky was raging mercilessly, and everything in the forest was evaporating, including the rich and extreme Aura!

The terrible flame, even the rich aura that had melted in the air, evaporated!

"Is this the power of instructors?" Jin Lengyan gapes at what happened in the dense leaves in the distance. The visual shock from the bottom of her heart is incomparable when she sees Ye Chen so close.

"Is that really within reach?" As she retreated tens of kilometers away, Jin Lengyan could not help sighing. If only one day she could reach this level.

"Leng Yan, what are you thinking?" The ear spreads a familiar inquiry sound, the gold cold wild goose Teng ground turns round, is exactly the leaf Chen.

"This..." she looked back at the flame that was still rampant and made heaven and earth turn pale. Then she looked back at Ye Chen, who was standing in front of her and waving his hand to say hello. For a moment, she was a little surprised.

At the moment, ye Chen seems to be understating, but in fact, he has spent a lot of spiritual power. This time, the ten thousand burning heaven evaporates the spiritual power in the whole dense leaf, which shows that his power is terrible!

Ye Chen looks dignified, lips light open, "here is too close to the city, if not solved as soon as possible, within a year, Aura will spread to the city!"

"At that time, there will be a large-scale outbreak of infectious diseases in the crowd, and all lives will be destroyed!"

Ye Chen's voice was also a little heavy.

"Is this aura so overbearing?" Jin Lengyan doesn't understand. Normally speaking, aura into the body is the supreme gospel for practitioners.

It's hard for me to cultivate a trace of original spiritual power in my body!

"I know what you're thinking. For practitioners, it's really a lot of gain, but ordinary people on the earth can't bear the scouring of spiritual power after aura enters the body!"

"Fortunately, today we have solved another root cause."

Ye Chen lightly a smile, this let him how much in the mind balanced some, wait until these gather to work properly array all one by one pull out, should have no hindrance.

"Well, I'm going to investigate! There are not many spirit gathering formations in China! " Jin Leng Yan nodded in a hurry. After all, it was about survival. He was not careless.

"Diddiddidi!"

Just then, the voice of the mobile phone rings, and Jin Lengyan receives such a message:

"There is another change near Jiulong Mountain, and the spirit of variation condenses again, which is very explosive. Lu Lingfeng, the dark hall, once ordered to investigate, but he has not set foot in the deep, so he has been dissuaded!"

Hearing this, ye Chen felt a thump in his heart. On the top of Jiulong Mountain, he had devoured all the aura nearby. Even the spirit of the array had been refined. There was no reason for such a situation.

"Wait..."

"If Jiulong Mountain changes again, then here..."

Ye Chen's in the heart has a kind of bad premonition to flash over, his figure disappears in situ.

Deep in the dense leaves, gather in front of the spirit formation.

Ye Chen looks around. He confirms that the array here has been uprooted, and there is no reason for rebirth.

"Is it... The strangulation of the power of destruction?" See ye Chen sleeve hand a wave, that attach to the point to ignite the flame on the vegetation slowly dissipate.

Under the action of the destructive force, all life can indeed be cut off.

Now the power will be scattered, ye Chen eyes closed, heart feeling all that happened in the dense leaves.

After a few breath, there was no abnormality.

It's been a long time, it's still the same.

Until the evening, when the setting sun goes down to the west, Jin Leng Yan's figure is also slowly close to Ye Chen, sitting on a big stone and quietly watching his back.

At this time, ye Chen's spirit found something!

He suddenly opened his eyes, "if so!"

"What?" Jin Lengyan is dazed by Ye Chen's soliloquy. Seeing ye Chen walking in another direction, she also follows quickly!

"The vitality here is reborn!" Just as ye Chen's words fell, in front of Jin Leng Yan, under the scorched and burning soil, grass sprouted up like bamboo shoots.

"This... How is this possible?" Jin Lengyan looked at this scene in disbelief, which was against the common sense of heaven.

"The spirit gathering array has been pulled out, but the aura here will still breed again. Can we say that the variation of aura can't be stopped?" Ye Chen doesn't feel good, things are more complicated than he imagined.

See his fingertip a black awn a flash, that piece of grass withered quickly, never see again.

"The power of destruction can last for a period of time. Once I leave too far away and lose the blessing of aura, even the power of rules can't survive for a long time. What is the support of aura here?"

Chapter 6284

Ye Chen seems to have caught the life-saving straw and opened his mind to scan wildly. After a survey, he still got nothing.

Now Jiulongshan changes again, that is to say, what ye Chen did before was just a delay, and did not achieve any substantial results!

"Bang!"

Just when ye Chen has no idea, a faint light flashed by. It's the four fierce beasts Ye Chen had received before, and only the pendant that the only white tiger has transformed!

The Xuanwu pendant was given to Wei Zhiyao by Ye Chen. Now on his body, only the White Tiger Pendant is left. At the moment, it is sending out signals!

"Does it have a sense?" Ye Chen thinks that before he has it, it's for emperor Shitian to separate himself. Although emperor Shitian's separate body has fallen, this thing may be the only key clue to solve the problem!

"Is it over there?" Ye Chen looks at the White Tiger Pendant in his hand. He is sure that he is not going in the wrong direction!

But when ye Chen gets closer, ye Chen finds his reincarnation blood boiling.

It's like meeting something attractive!

Jin Lengyan is also close behind Ye Chen, suddenly, she found something: "eh, here is a secret cave!"

Ye Chen a joy, just want to step into, void suddenly tear.

Ye Chen look a Zheng, China unexpectedly still has a person to be able to tear the void at will?

Who the hell is this!

The gold cold wild goose of one side also completely muddled.

At this time, a figure came out of it.

To everyone's surprise, it was a little girl!

A childish little girl!

And ye Chen sees this little girl, pupil moment enlarges!

This little girl is exactly the little girl of Yunhu villa many years ago!

Without this little girl, the original Ye family would not have been destroyed.

Without this little girl, she would not have fallen into Dongqian Lake.

Without this little girl, you may not be able to get reincarnation cemetery.

The layout of all this starts with this little girl.

When ye Chen is more and more clear about this game of chess, he also finds that the little girl is not an ordinary girl at all.

It's a reincarnation monument!

It's also the most important piece in this game!

The little girl looks at Ye Chen and smiles: "long time no see."

"Ye Chen, for so many years, we should meet for the first time."

"Since Yunhu villa, I really miss you."

Ye Chen's facial expression one coagulates, a way: "why do you appear here?"

"Also, since you are reincarnation xuanbei, should you return to my body?"

"Reincarnation blood can't be completed. I'm afraid it's something you don't want to see."

The little girl is suspended in the void, and I don't know when a throne will appear.

Sitting on the throne, cocking his legs, he said: "reincarnation xuanbei has its own mission, who said it must be used to activate reincarnation blood for you."

"But judging from your breath, many reincarnation steles have been upgraded to perfection, which is not bad."

"You seem to be short of a few reincarnation steles."

"Not to mention, I really want to help you, but I still have something to do."

Ye Chen Mou son one coagulates, light way: "I know reincarnation Xuan tablet all have test, I also don't force you to choose me."

"At present, the separation of yuan Daofeng and Emperor Shitian has disappeared, and the change of aura is a major event."

"And you haven't answered me. Why are you here?"

At the moment, it's not clear what the little girl is going to do, but at least she's an ally.

The little girl stretched her waist and said, "Ye Chen, you are so rude. Don't you ask my name?"

Ye Chen look dignified, can only say: "what is your name?"

"Er... My name is ling'er." The little girl said, "I know there are many problems in your heart. First, the change of Chinese aura is really related to the separation of emperor Shitian, but it is only the accelerated part of the change that is caused by Emperor Shitian. Emperor Shitian wants to speed up the change of aura, so as to control you with the mind demon."

"That is to say, aura change exists from the beginning."

"And his existence is only related to one guy."

Ye Chen a Zheng, the spirit changes unexpectedly still have a backhand?

Ye Chen just want to continue to ask, a voice is to interrupt Ye Chen's thoughts.

"Jie! It's really a quiet scene. I can't bear to disturb you! " A burst of strange evil laughter, ye Chen suddenly surprised.

Looking up, I don't know when, in the distance, a blood red crow staring at them.

"It's just in vain, ye Chen. I intended to kill you directly before, but now I think it's better to let you live rather than die!"

"Aura changes, you can't do anything. Watching your friends and relatives leave you one by one is what I like to see!"

"Ha ha ha ha ha!"

That burst of laughter, through the mouth of the bloody crow quack.

"Who are you?"

Ye Chen Li drinks a, fingertip move, just want to hand, but see that blood crow unexpectedly "bang" ground burst out by oneself.

Flesh and blood with feathers falling, the last sound into Ye Chen's ear: "this game of chess will soon end, if you can't find me, you will lose completely!"

"It's him again..." ling'er looks dignified and clenches her teeth. Three words just pop out of the corner of her mouth. After a long time, she shakes her head helplessly.

"Who is he?" Ye Chen asks a way in a hurry.

Ling'er said with a sad smile: "this guy can't even help the emperor Shitian. Although I'm a reincarnation xuanbei, I'm powerful in some way, but I didn't live for fighting. I was hurt when I fought with him before..."

At this time, ye Chen noticed that ling'er's figure was already a little vain, like a gust of wind, and it was about to dissipate.

"Didn't you want to ask that guy before? I can tell you!" Spirit son at this time initiative opens a way.

"I had a war with him before. In that war, I was seriously injured by Emperor Shitian and that guy!"

"But I also succeeded in stopping their plan. You have half the credit for killing emperor Shitian!"

Ling'er seems to be asking for credit and says triumphantly.

"The mysterious man who just uttered wild words is not a simple guy, but a demon from outside the country, the demon Tianshi!"

"Extraterritorial? Is it a stone Ye Chen asked.

"Don't underestimate this stone. It's the dream of evil cultivation."

"The change of Chinese aura is related to the extremely strong Yin evil Qi and the evil breath in the Yinmo Tianshi, so it changes the earth pulse and aura. I'm afraid it's just a cover up. It's too late to find out!"

Ling Er explained.

The leaf Chen of one side hears this speech, the facial expression is gloomy, this demon sky stone, put oneself one at the beginning.

"Is it possible to get rid of this cloudy stone?" Ye Chen suddenly asks a way.

Chapter 6285

Ling'er thought for a moment: "it's feasible in theory, but I don't know how it is."

"How can I find the demon Tianshi? Is it OK to seek spiritual coverage? " This is the problem that ye Chen cares about most at the moment, only found this guy, this all just has the leeway that redeems!

"How can it be so simple? Like me, Yinmo Tianshi already has intelligence and walks in the world. No one knows what kind of appearance it will appear tomorrow. Even if your intelligence covers the whole earth, you may not be able to perceive it." Ling'er is also a hand in hand, indicating that it is difficult.

Ye Chen's face is also gloomy and silent.

"But I have something in my hand!" Ling'er took out a small black mottled stone from the pocket of the light blue skirt.

Looking at Ye Chen's suspicious eyes, ling'er explained: "this is not an ordinary stone. In that battle, the only thing I captured from the demon Tianshi was refined. As long as it appears nearby, the stone will feel something!"

Ling Er smiles and confidently says.

Ye Chen smell speech, first eyes a bright, and then gently shake his head: "relying on this stone alone, is not enough to verify, the world, to aimlessly find a person, easier said than done!"

"And a good disguiser!"

"You've been abroad for such a long time, and it's not bad to work together with alchemy?" Ling'er Gu Ling's cunning smile seems to know ye Chen very well.

"You seem to be helping me..." Ye Chen looks directly at ling'er, and the little girl looks at Ye Chen's eyes, but there is a sense of closeness.

"I can teach you a set of methods. The breath on the stone can be refined and distributed to other people, so the probability of searching is also higher."

Ling'er's eyes flashed and whispered.

"With your heart, I'll pass on your mantra!" Ling'er obviously doesn't want to tangle with Ye Chen on this issue and quickly changes the topic.

A dark and obscure mantra print floats across Ye Chen's heart. "Calm down and digest the mantra print!"

Ye Chen hears speech, can't take care of other, quickly cross knee and sit.

"Focus on the breath of darkness, and copy it according to the seal I sent you!" Ling'er's voice rings out again, and a string of incantations in Ye Chen's mind float by.

"Bang!"

After a burst, ye Chen sighed: "failed..."

"It's good to be able to achieve this level for the first time. Just practice hard!"

Ling'er comforted him.

"Shrink it, make it into a pendant and send it to the members of the dark hall and the dragon soul..." Ye Chen already has his own idea in his heart. As for the next time, how to master the mantra seal skillfully, he has to find a quiet place to shut up.

"Jin Lengyan, I want to shut up here for a period of time, you go to track, see if there is any news of this demon Tianshi..." although Ye Chen didn't report the expectation, but things still have to be done.

"Good!" The golden goose nods gently, turns around and disappears in the moonlight.

Ye Chen takes out his mobile phone and is about to turn it off. It needs to be completely quiet to shut it down. As soon as he takes it out, the sound of "Di Di Di" comes from his mobile phone.

"Finally! Ye Chen, this is Zheng nianlei. Do you have time recently? " A voice of surprise came from the other end.

"Zheng nianlei? What's the matter? " Ye Chen across the mobile phone, softly.

On the other end of the phone, Zheng nianlei's voice was still pleasantly surprised and gentle: "well, we have organized a party, so we are all in touch with old classmates recently. Let's sit down and chat together and get in touch with each other."

"Are you free? Ye Chen Zheng nianlei asked in an expectant tone.

Ye Chen's mobile phone didn't respond. After a long time, he said in a deep voice: "I won't go. Recently, I have a lot of things to deal with. I'm a little tired. Next time!"

After thinking about it, ye Chen refused.

Yinmo Tianshi now becomes a big stone in Ye Chen's heart. If you don't solve it, it's hard to sleep and eat!

"Oh..." mobile phone that end slightly lost voice came, ye Chen had to harden the scalp way, "I'm really sorry, you know, my side of things, can't get rid of."

Although Zheng nianlei does not know the specific identity of Ye Chen, from his previous experience and past, he obviously has an official background, and there must be something important for him to deal with.

"Well, you'll be busy first, and we'll get in touch at any time!" Zheng nianlei said softly.

.....

Hang up the mobile phone, ye Chen stretched, eyes become firm again: "now start to shut down!"

The spell seal that ling'er taught him must be mastered as soon as possible.

"Ye Chen, the mantra seal has been taught to you. I have some things to deal with. By the way, I help you today, and you also need to pay attention to your love. If you have any medicine to nourish your soul, remember to pay attention to it for me!" Ling'er's tender voice reverberates in Ye Chen's mind.

Ye Chengang wants to answer, the void tears again.

The throne and ling'er disappeared completely in the world.

Ye Chen is a little shocked, so the means of controlling the space is just incredible.

As a reincarnation monument, ling'er is not a Chinese product. Why can he do as he likes?

Or is this the property of this reincarnation stele?

Ye Chen sits cross legged, feeling the talisman seal that ling'er gives him.

Up to now, ye Chen's talent is amazing, and he has reincarnation blood, so he can learn everything quickly.

But what ling'er taught himself was extremely obscure, more like a product of the supreme world.

This is enough to explain the origin of reincarnation xuanbei and reincarnation blood!

"It's not very difficult to draw the seal, but every stroke needs the spirit's 100% concentration!"

If ye Chen is thoughtful, he holds his breath again and sits cross legged.

"This obscure symbol..."

"Bang!"

There was a bang.

"Failed again..."

"Come again!"

"Bang!"

"Come again!"

One day later, in a cave deep in the dense forest, a ragged, gray faced figure quickly emerged!

Looking forward, he raised the little gravel above his right hand and looked around in the sun.

Under the reflection of the sun, a trace of blood red light flashed away.

"It's been a day. It's been a success at last!"

The excited figure is exactly Ye Chen. At the moment, he looks at the small stone in his hand, but his shriveled and white mouth draws a curve.

"It's really that breath. This spell seal should be able to reproduce all spiritual objects!"

Ye Chen's vision flashed a glimmer of light, but in a flash, he gave up.

It's very painful to carve such a stone stained with breath.

However, if you repeat it once more, you will be more proficient and faster.

"Work hard, refine more, and give it to the people in the dark hall and the dragon spirit. The demon heaven stone will not fly!"

Chapter 6286

Ye Chen just plans to continue refining, at this time, the voice of the mobile phone in Ye Chen's pocket rings, ye Chen frowns, and a kind of uncomfortable feeling rushes to his heart.

"Have you heard from the devil Tianshi?" Ye Chen just a connect, immediately asked.

The voice of Jin Lengyan came from the other end of the mobile phone, "no, but recently, there's something wrong with the Wei family!"

"Wei family?" Ye Chen didn't expect that something happened to the Wei family anyway!

"Yes, there is often an inexplicable force near the Wei family recently, but it doesn't make any abnormal moves. This is what we suspect. Maybe the Wei family has something to do with it!"

Gold cold wild goose analysis way.

"Shouldn't..." Ye Chen's eyes narrowed. The Wei family is just a plutocrat family in the secular world. Except for some money, other core secrets will never be involved.

Otherwise, on the cruise ship Tianxing, Wei Xiong would not be at a loss to ask for the help of guwu forces.

If the Wei family has something to do with the change of Chinese aura and even the cloudy magic stone, ye Chen is more or less skeptical.

"I'll go to Wei's house and have a look!"

Ye Chen hung up the phone, looking at the humble dark stone in his hand, lost in thought.

"I hope it's not you..."

He pocketed the little stone with a dignified look.

.....

Meanwhile, in a villa.

"What's the matter, ray? You are out of your mind

In Zheng nianlei's villa, the girl sitting on one side of the sofa asks Zheng nianlei who is in a daze.

"What are you doing?" Seeing that Zheng nianlei didn't respond, the girl waved her hand in front of her eyes, "what do you think? Don't pay any attention to me

It was with Zheng nianlei and ye Chen who spoke.

At the beginning, the Ye family was a rich family, and they were not defeated. Naturally, the school they went to was also a noble school.

Most of the students in that class got along well.

"Ah! I'm thinking about the reunion tonight. " Zheng nianlei came back and whispered.

"Didn't you set it up? How does it look like your host is depressed... "The girl named Lin Xue turns her eyes and asks.

Zheng nianlei shook her head and said, "no, it's just that we haven't seen each other for a long time. I don't know what we've become."

"Cut... Still here for me to install, isn't someone else Ye Chen didn't give you face to come over, as for not, the whole world good man many go, must hang in a crooked neck tree?"

"Besides, if I remember correctly, the Ye family in Jiangcheng was gone many years ago... It's said that a big event happened in Yunhu villa. I thought Ye Chen was dead, but I didn't expect that he was still alive. I think you like this guy."

Lin Xue looks at Zheng nianlei and jokes.

On hearing Ye Chen, Zheng nianlei's face "Shua" for a while, red half: "it's just... It's not!"

Then she pretended to be nothing.

"What are you blushing about?" Lin Xue Ying Ying a smile, cross white flower's two Lang legs, ask a way back.

"I..." Zheng nianlei couldn't speak for a moment.

One side of Lin Xue can't help laughing, "well, well, don't tease you, but then again, this ye Chen, what identity is it now? Listen to you, it seems that there is an official background. "

"He's so young, tut tut..."

Lin Xue is also curious about ye Chen's identity. Obviously, Zheng nianlei tells Lin Xue all the experiences of Jiulongshan that day.

When Zheng nianlei hears the speech, she looks like she wants to talk but stops.

"Forget it. Anyway, they won't come. What are we gossiping about here?"

"By the way, where is your hotel for tonight?"

Lin Xue asked.

"Donglan..."

Lin Xue only heard the two words in front of her, and her eyes were shining: "what do you say? Donglan hotel

"The super luxury five-star hotel of the Weis group?"

"Well." Zheng nianlei nodded gently.

Lin xueza, smacking her lips, excitedly said: "my darling, most people can't even get into that place. It's said that the business is very good. They are all celebrities and nobles, and the seats have to be reserved in advance. If you don't have any strength, even the waiters won't take care of you!"

"Donglan? You are too good Lin Xue's eyes are full of light, "tonight, no matter whether it's delicious or not, what's expensive, I'll order what!"

"Eat poor you!"

Zhang Yawu's Lin Xue makes Zheng nianlei laugh.

"Hey, hey, have you heard that the Wei family was about to end, but I don't know why. Suddenly, they got close to each other, and all of a sudden, the water rose."

"I've heard that it's all the credit of the third miss of the Wei family. Now she's a popular figure in the Wei family, because there are no males in the Wei family. If anyone can catch up with the third miss, the wealth of the Wei Group will not be at hand?"

"So, recently, there is an endless stream of young talents in this Donglan hotel."

"It's all for the sake of seeing the true face of the third miss of the Wei family, and hearing that she is still a great beauty!"

Lin Xue doesn't know where to hear the eight trigrams. She talks to Zheng nianlei with relish.

"So, what does that have to do with you?" Zheng nianlei gently smiles and her long eyelashes blink, which is quite smart.

"There's a handsome guy, sister. I'm single. Maybe I can find a husband tonight!" Lin Xue drew a smile from the corner of her mouth, "just think about ye Chen. Don't rob other men with me!"

Lin Xue stares directly at Zheng nianlei: "although I am quite confident in my appearance, you are the flower of the university after all. When you compete, there is still pressure."

Language falls, Lin Xue looked down at his chest, and looked at Zheng nianlei.

"You've been losing your head every day!" Zheng nianlei has no good airway.

This Lin Xue is really her happy fruit.

"Don't make trouble. Go to contact other students." Zheng nianlei really doesn't want to get involved with Lin Xue on the topic of men.

.....

Huaxia, in the dragon soul base.

"Drillmaster, you seem to have something on your mind?" Gold cold wild goose a pair of taut smiling face appearance, looking at Ye Chen.

"Go and prepare a suit for me. I have to watch the Wei family!" Ye Chen doesn't answer, but orders Jin Lengyan. Then, he takes out a small piece of gravel from his pocket and throws it to Jin Lengyan.

"What is this?" She took it and looked at it carefully.

Ye Chen doesn't have good spirit way: "I this appearance, all is for it!"

"Take it with you. If this thing has abnormal reaction, you must be careful, and then contact me as soon as possible."

Ye Chen Mou son one coagulates, sink a voice way.

The gold cold wild goose nods, that day the little girl Ling son says to Ye Chen of affair son, she also more or less heard a little bit.

Chapter 6287

"Get ready!" Ye Chen orders a way.

"Sportswear? A suit?" Jin Lengyan looks at Ye Chen with great interest.

"You girl, dare you make fun of me?" When ye Chen's eyes narrowed, Jin Lengyan felt that something was wrong, and her posture was about to retreat, but she couldn't match Ye Chen's speed.

"Ah A voice Jiao shouts to spread, the guard on duty outside two people look at each other, lowered the head.

There is no doubt that Jin Lengyan is facing the same situation as Lu Lingfeng last time.

At the moment, Jin Leng Yan's spiritual power is emerging

After a stick of incense.

"Well, it's a reward for you." The gold cold wild goose is looking at the leaf Chen of the suit leather shoes, light a smile.

"It's OK. Will it be too eye-catching to wear it out?" Ye Chen looks carefully at himself in the mirror, but he is still not used to it.

"The only way which must be passed in the gentlemen's wardrobe is that suits are the only way to grace, the foundation of men's fashion. The clothes you wear all day are really not good. If you are not of good figure and temperament, I'm afraid I want to make complaints about it." Jin Lengyan explained there.

"To go to Wei's, you have to be decent! Well, it uses the top French fabric, which is made of ultra light carbon nanotube fiber. After special treatment, it can prevent dust and water stains in nature Jin Leng Yan looks at Ye Chen and explains.

"I'm not going to show up, I'm just looking in the dark!" Ye Chen still feels the appearance of a suit, which makes him not used to it.

"Come on, I have a purpose to prepare this outfit for you. Wei Zhiyao is now a celebrity of the Wei family. She is in charge of Donglan hotel. If you don't change some clothes, I'm afraid the gate won't let you in." Jin Lengyan has no good airway.

"And that?" Ye Chen shook his head helplessly, "let's go and have a look!"

.....

Meanwhile, in the CEO's office of Donglan Hotel

"Grandfather Wu, you can just look at the things on the books."

Wei Zhiyao, wearing a lavender dress with her hair on the back of her head, said to the old man behind her.

"It's been a hard time, Grandpa Wu!"

After a long time, Wei Zhiyao took the lead in speaking, and his words were cold.

"These parties are too boring."

The old man chuckled and shook his head: "Miss, there is no one in the world who can match Mr. Ye!"

When Wei Zhiyao heard the words, her eyes were filled with a look of disappointment. Her back, looking out of the window, turned and looked at the old man Wu Yan. Between her white neck, a Xuanwu Pendant with gold thread was lying quietly.

"He said he would come to see me!"

At this moment, Wei Zhiyao's words revealed affirmation. Her eyes looked directly at Wu Yan, firm and gentle.

The old man was speechless.

But his eyes are also at this moment, looking at his own young lady, the vicissitudes of life in the eyes of a flash of light, but can not see in front of this rickety body of the old man, the idea of the heart.

The voice had dropped and the office was silent.

Ye Chen's appearance satisfies a young girl's yearning for love. He is like the protagonist in the movie, perfect!

The impact on this girl is unprecedented.

After all, ye Chen's style is the best in the world!

But in Ye Chen's world, Wei Zhiyao is just a passer-by in his life. No matter how nice, he is just a friend. After all, he does not belong to this world.

I don't know where to start.

Wu Yan was silent for a long time and sighed: "he is not an ordinary man! And your gap, such as mortals and gods

This sigh is about Wei Zhiyao.

Is it worth waiting for?

Will Mr. Ye wait for a mortal?

If Wei Zhiyao goes on like this, he will be widowed all his life.

"I..." Wei Zhiyao did not know how to answer for a moment, hesitated and mumbled.

"Just, I don't know what you women think..." Wu Yan chuckled. After all, he was extremely respectful to Ye Chen.

Such a man, for any young girl, will fall in love, without exception!

"There's still some business to take care of outside. If you are tired, I'll help you push off all the parties tonight and have a good rest!" Wu Yan just left a word and left with his back bent.

"Thank you, Grandpa Wu!" Wei Zhiyao smiles sweetly, looks back again and looks out of the window. It's time for the lights to shine.

.....

Donglan hotel.

"Do you have an appointment, sir?" The waiter walked straight through the crowded hall, but it was very quiet.

"I'm just looking around. I didn't make an appointment!" The handsome and indifferent man whispered, but his eyes were still looking around. After a few breath, he said in a daze to the ceiling.

It's Ye Chen who is scanning Wei Zhiyao's position with his divine sense at the moment. The reason is that there is no him. At the moment when he just set foot in Donglan Hotel, the original stone that ling'er sent him to monitor Yinmo Tianshi gives out a weak light!

Ye Chen is very clear what this represents, it is likely to be dangerous!

Yinmo Tianshi is nearby, or in other words, there is a faint breath of him!

He wants to ensure the safety of Wei Zhiyao and all the people present, and try not to let the other party find out.

"Sir, we can't come in here without an appointment..." the waiter saw the strange behavior of the indifferent man in front of him, looked him up and down, and still said with a smile.

The reason why he laughs is that Ye Chen's expensive limited edition suit is that people who come here are rich or expensive. If they don't have any strength, they will be invited out!

"I have an appointment with Miss Wei. Please let me know!" Ye Chen can only reply with a smile.

The waiter is not surprised, because there are more talented young people who come here every day to pursue Wei Zhiyao. Ye Chen just has a good skin.

"I'm really sorry, sir. Today, Miss Wei is in a bad condition. She doesn't meet any more guests. If you don't have any other appointment, you can leave..." she still smiles, but the waiter gives the order.

Several people on the scene saw Ye Chen and began to talk in a low voice

"It looks like it's in the air."

"The power behind the Donglan hotel is amazing. It's not afraid of making trouble at all. Even a waiter dares to behave like this. If it's not supported by someone behind, he dares not treat guests like this!"

"I can't blame others for this. After all, Miss Wei is the goddess pursued by many people. If she doesn't have any strength, she doesn't have to be shamed. She's a waiter who gives her face!"

.....

Ye Chen some helpless, others also did not do any impolite behavior, at most is you pursue my young lady, the young lady does not see you!

"What's the situation?"

Just as Ye Chen is ready to leave quietly, there is an inquiry of vicissitudes in the crowd. This kind of situation happens at any time, but it's the first time that he is met by the old man. People just get out of the way, and the old man in gorgeous clothes comes!

"Mr. Ye?"

When the old man saw Ye Chen, he was so excited that he didn't know what to do. He ran forward in a hurry and had to bend himself.

It's really evil. I just talked about ye Chen with Miss, and the Master arrived. Miss knows, but she doesn't know what it's like to be happy!

"Excuse me, Uncle Wu!"

Ye Chen smiles and greets Wu Yan, but the old man's move ignites a crowd of onlookers.

Ye Chen shrugged his shoulders, indicating that this is not a place to talk. The old man nodded and led Ye Chen to the VIP area upstairs.

"The steward of Donglan hotel is so respectful to this man. He..."

"Which family's son?"

.....

In the crowd, people follow suit.

Not far away, Lin Xue said to Zheng nianlei, "it's so busy over there. Let's go and have a look."

Zheng nianlei is white Lin Xue one eye, "what gossip you want to gather together, hurry up, we are the host, first order, and then wait for someone to come!"

Involuntarily pulled Lin Xue to the box of Donglan hotel.

.....

The screen turns.

"Mr. Ye, miss is in the office. You can go in by yourself. I won't disturb you!" Wu Yan smiles and leads Ye Chen to Wei Zhiyao's room, then turns around and leaves.

"Dong Dong Dong!" There was a knock at the door.

"Come in, please Then came a voice like the sound of nature.

Ye Chen pushed the door straight in, and he wanted to investigate secretly, but unexpectedly he traced a wave of abnormal fluctuations. This made him somewhat worried, and Wu Yan took him all the way, but the wave was getting stronger.

Finally, ye Chen confirms that the source is in Wei Zhiyao's room!

At a glance, the huge office is empty except Wei Zhiyao!

"Brother ye?" Wei Zhiyao saw that the person who came in was Ye Chen. She was slightly shocked. Then she got up and quickly rubbed her eyes for fear that they would be dazzled!

All kinds of confirmation, she rushed forward to embrace Ye Chen.

"I knew you would come to see me!"

The softness of the chest is close to the moment of Ye Chen, and the pursuit of Shi yimang flashes frequently.

Although Ye Chen didn't know the specific situation, he pretended to be calm on the surface.

"You came to see me?" Wei Zhiyao quickly stroked the hair between the temples, looking at Ye Chen, eyes full of joy.

Ye Chen smiles and can only nod gently.

It can't be said that it's the Tianmo Yinshi. It's here, right?

Now I have to go down Wei Zhiyao's steps.

At this moment, countless thoughts flashed through Wei Zhiyao's mind.

Since ye Chen has come, he proves that he cares about himself.

But this time, can we meet again?

If some words, do not say clearly, may really become her life regret.

"Brother ye, I have something to say to you."

Wei Zhiyao said suddenly.

Ye Chen seems to guess what, a long sigh, nodded.

"Actually... Brother ye, I think... I seem to like you!" At this moment, Wei Zhiyao finally musters up the courage to Tell ye Chen. She completely misunderstands the purpose of Ye Chen's coming here.

That cruise ship a few days together, ye Chen's figure has already been engraved in the heart of this girl.

Later, she was worshipped for her unique style.

Even his father Wei Xiong, who is admired by thousands of people, is gloomy in front of him, and even everything at the moment is brought by Ye Chen.

This series of intersection experience, how can not let Wei Zhiyao heart?

Now ye Chen takes the initiative to find himself? That chance can never be missed!

Chapter 6288

Just listen to Wei Zhiyao continue to say: "I and you confession, no other meaning, ye big brother, Wu grandfather also said, you are not ordinary people, I can see."

"I just want to tell you that you don't need to have psychological burden for my mind, because the confession is my own thing. If you accept it, it's certainly the most perfect thing."

"If you refuse, it's just two flowers in full bloom, just one side in the sky!"

"I just want to express my feelings, not to ask for a relationship!"

At the moment, Wei Zhiyao's face flushed half of the sky as soon as she finished the phone call. Ye Chen looked at Wei Zhiyao who lowered her head again and crossed her index fingers. This girl completely misunderstood her intention to come here.

"If you promise to be with me, I won't bind you in the name of love. You can do whatever you want. I just hope you can think of such a girl in the future."

"I hope you don't blame me, brother Ye!"

Wei Zhiyao finished, dare not look up at Ye Chen.

Ye Chen turns his head to the window and looks out with both hands, hoping that the bustling high-rise building and the noisy flow of people below can dilute the ever flashing past.

"Why do I blame you?"

"In and out of the world, I don't know the sufferings of the world. When I look back, I am the one who is suffering!"

Ye Chen murmured to himself.

"I understand your intention, but I can't promise you now, because I have too many things to do!"

He sighed and refused the girl.

Ye Chen's road is lonely. If it can't be solved, everyone will die, including himself.

So he can't give anyone any commitment.

"It doesn't matter, brother Ye. Just come and see me often!" Wei Zhiyao has a smile on her face. She has already expressed her mind. From today on, she will no longer have any psychological burden.

But the sense of loss in that eye, anyone can see it.

Maybe it's Wei Zhiyao's character, which makes Ye Chen look at it with new eyes.

"Well, don't mention this. I'm the host. I have to treat you to a special dinner of Donglan when I come here!" Wei Zhiyao got up and made a phone call to the front desk.

Ye Chen has been closed for several days. Today, he received the news from Jin Lengyan, and he rushed to come. After several days, he really had some appetite, so he didn't refuse!

There are still some questions to prove Wei Zhiyao.

There are secrets in her!

The agitation of the tracking stone is by no means accidental.

"Recently, I don't know why, I always feel very tired!" Wei Zhiyao gently smiles at Ye Chen, "maybe I'm too tired. I've just started to take over the affairs of the Wei family. I need to do a lot of things I don't know!"

Ye Chen hears speech, the body has a tiny tremor, the facial expression is more dignified.

Of course, these details are not noticed by Wei Zhiyao, whose emotional point is still on Ye Chen.

"It's not just that..."

The dark smell of the demon Tianshi is eroding her. Fortunately, I already know it. It's suppression.

However, these words can't be compared with Wei Zhiyao's, so we can talk about others.

Ye Chen whispered: "the Wei family didn't embarrass you, did they?"

He turned his head again and looked at Wei Zhiyao.

"The elder sister and the second sister seem to have changed a person to me..." Wei Zhiyao heard that ye Chen cared about herself, and immediately became interested. She told ye Chen about the course of these days.

Ye Chen's pace is uncertain, pacing back and forth in the office, the click of shoes and Wei Zhiyao's story are integrated.

It's a pity that Wei Zhiyao didn't come into contact with any unusual people during this period of time. It can only be before

For a long time, ye Chen said: "since you are in the Wei family, there is a project in the south area. I hope you can do it!"

"Ah? Me Wei Zhiyao a time Leng in the spot, do not know why Ye Chen will make this choice.

"Resort projects recently open to tender?" Wei Zhiyao has heard a little about it.

Before that, ye Chen had planned that Jiulong Mountain and the dense forest, without the power blessing of the rule of destruction, the aura would reappear!

Now only by continuing to exert the power of rules and maintaining them can we delay time.

And continue to destroy the power of the rules, only the popularity!

The core of the array buries the power of destruction, and mines the nearby area into a resort. As long as there are people, the power of the rules can be extended!

Once Qin family's guard, let Ye Chen think of a method, although it is a temporary cure, but can fight for more time!

"Yes, two resort projects. I hope you will take the lead. I have already said hello to the official side! It's just a show! " Ye Chen light way.

Can have such financial resources and suitable, only Wei family!

"I just took this cake when I was in the Wei family. Will it cause a lot of people's dissatisfaction?" Wei Zhiyao said frankly.

"No confidence?" Ye Chen tone up, asked.

Wei Zhiyao raised her head and said seriously: "I have, but I took over the project as soon as I came here. It's still under your authorization. I'm afraid that I will make enemies for you... I don't want to involve you..."

Ye Chen's expression at the moment is very delicate, unable to express.

"I know all that!" Ye Chen is full of indisputable tone, a little gentle.

"The core area of Wei's industry is also in the Southern District, so it's very suitable for you to take the lead in this project!"

Ye Chen spoke slowly and carefully.

"Can..." Wei Zhiyao read and here, also want to explain what, ye Chen but waved to interrupt her.

"It's not just an economic project. The core is that the aura of that area has changed. There are not many people I can trust. Now I'm like an ordinary adult, but I'm dealing with children with knives."

"It seems that the winner is in hand, but in fact, it is a step wrong and doomed." Ye Chen stretched out five fingers and gently pressed them on the transparent glass of the French window, leaving five finger marks.

"Even Huaxia no longer exists!"

He murmured to himself, listening to Wei Zhiyao is in the clouds, but she knows that ye Chen is very human!

"Perfect people don't exist. Even if there is criticism, it doesn't matter. When things are done, no one will care about these details."

"Just like these five fingerprints, if you look at them from a distance, they won't affect the luster of the whole glass. In other words, one day, maybe because you press these five fingerprints, the price of the whole glass will rise."

Ye Chen turns his head again and looks directly at Wei Zhiyao. There is a trace of tiredness in his weathered voice.

"I trust you!"

Four simple words, but directly hit the soul of Wei Zhiyao.

"He needs me!"

Just four words, Wei Zhiyao's eyes quickly warming, hot tears will burst out of her eyes, but she stopped.

"You can't be so hopeless."

Wei Zhiyao gave herself a psychological hint.

At the moment, 18000 reasons can not stop her determination to help him!

Eyes will be slightly red, Wei Zhiyao turned his head back to Ye Chen: "I know, I'm going to prepare all the information."

The trembling voice finished and left quickly.

Even if ye Chen didn't look at the series of subtle changes in her expression, she had a panoramic view. Looking back out of the window and looking at the city in front of her, she was in a mixed mood: "I didn't expect to be in debt again, a love debt..."

If you don't get rid of the demons and stones, you can't solve the change of Chinese aura. Now you can cover up the holiday village for a while.

But if it can't be solved for a long time, it will be a blow of extinction!

"Mr. Ye, dinner is ready..."

It was Wu Yan who called Ye Chen for dinner.

"Uncle Wu, please." Ye Chen turns around and nods gently.

Wu Yan, the old man, laughed and said, "Mr. Ye, I'm just trying my best to be a local master. In fact, our Wu family still owes you a great favor, and we can't repay it."

Ye Chen is no longer polite, followed the old man out of the office, while walking, ye Chen also said something about Jiulongshan.

After all, Wu Yan needs to help Wei Zhiyao in this matter.

"Oh? What else?" Wu Yan frowned. He later knew about the Qin family's guard array.

"This Reiki mutation must be solved as soon as possible!"

"Mr. Ye has such a layout, there must be something we need to help. As long as you speak, you will die!"

The old man Wu Yan's face is dignified. What ye Chen said is very important to the earth warrior.

"So, so..."

Ye Chen told Wu Yan all his plans in detail. The old man nodded slowly after listening to them: "I'll start right now, in case of a rainy day."

As they walked and discussed, they were not afraid of being heard.

There are only a few boxes in the VIP area. The corridor is extremely quiet.

What ye Chen wants to go to is the imperial box of the Donglan hotel.

Donglan's imperial box atrium is golden. The most luxurious 780 square meter presidential suite is gorgeous and extraordinary. The furniture is gold-plated. It has a cinema, two bedrooms, two living rooms, a dining room and a special elevator.

In Donglan Hotel, the area of each box ranges from 170 square meters to 780 square meters, and the functions are also different.

Ye Chen's imperial box is just as the name suggests.

"Where is Zhiyao?" At this time, ye Chen noticed that there were only two of them in the big box.

The old man Wu Yan said with a smile: "miss just said that she would prepare some materials. She told me to come a little later and let Mr. Ye have dinner first. There is no need to wait for her."

Ye Chen is wry smiling to shake head, this wench estimate is in silent tears.

Chapter 6289

.....

At the same time, Donglan hotel is another place.

"Lin Xue, why do you have to pull me out..."

Zheng nianlei looks at Lin Xue, who is pulling her arm to walk out of the room. She can't figure out what to do when she goes to the bathroom.

Lin Xue looked back at Zheng nianlei and gave her a wink: "don't you understand?"

"What and what?" Zheng nianlei is still at a loss.

"Oh, the atmosphere inside is almost unbearable. I just want you to accompany me out for a walk!" Lin Xue doesn't have a good temper.

"That's why people like you." Zheng nianlei immediately understood something, giggling.

"I said this morning that I wanted to find a handsome little brother. Now someone has taken the initiative to throw himself in his arms. You hate others. What a double standard!"

Zheng nianlei didn't leave any feelings for her best friend. She was so secretive.

Lin Xue sneered at this and said faintly: "hum, you don't see the appearance of fat people with swollen faces. If you know a few people, you will have some connections with them!"

"We used to be classmates, but now we are mixed with society, and our feelings are no longer pure!" Lin Xue shook her head. She was rather disappointed at the party.

"You are also a writer, a well-known talented woman. Can't your pursuers show their strength?" Zheng nianlei asked with a twinkle in her eyes.

"..." Lin Xue Piao a white eye son, good fellow, this next day's cheap is taken back.

.....

In the luxurious bathroom.

Zheng nianlei and Lin Xue are in a daze in front of the mirror. For a moment, they are silent, only the sound of the tap.

The atmosphere fell into silence for a moment.

"Well, what are you thinking?" After a long time, Lin Xue first broke the silence, wiped her hands and asked.

"Nothing... Nothing!" Zheng nianlei shakes her head. Why does she suddenly think of Ye Chen?

Maybe this student union is an excuse to meet Ye Chen.

Unfortunately, the other side refused mercilessly.

One side of Lin Xue is to guess what, jokingly asked: "is not thinking, ye Chen to be here, how good?"

"Ah?" Zheng nianlei is asked by Lin Xue. She blushes and jumps up again. Although she doesn't answer, Lin Xue knows her best friend's mind.

"In fact, I was just thinking, if ye Chen is here, will he be in the same boat as those men..." Lin xueruo thought. For ye Chen, when he was a bachelor, his friendship was not deep, and he didn't know what kind of demeanor he is now.

Beauty is in the eye of the beholder. Zheng nianlei's description should not be believed.

After all, what Zheng nianlei said is more or less a myth of Ye Chen. But when Lin Xue saw Ye Chen himself, she was surprised to find that what Zheng nianlei said was true.

Of course, this is later.

The imperial box at the moment, the imperial palace of Donglan hotel.

"By the way, Uncle Wu, there are still some things that I want you to tell the Wu family and the whole martial arts community." Ye Chen seems to think of something, but the figure of stepping into the imperial palace is Ning chongdao.

Now this huge imperial palace, only Wu Yan and ye Chen two people, the old man also regardless of what modern etiquette.

The old man knelt down on one knee, clasped his hands and said in a deep voice, "but at the command of Mr. Ye!"

"In fact, the change of Chinese aura has something to do with one thing..." Ye Chen pondered over the words and told all his plans. He would wait for the signal to act again!

At the end of the corridor, a figure wandered around and stumbled. Looking at the scene in the Imperial Palace, he was slightly stunned and said in surprise: "that... Is that the deacon of Donglan? Master Wu? "

"Why did he kneel down?"

The man was a little surprised, but his eyes were full of wonder. He wiped his eyes again, ready to look at the back, but found that the gate of the imperial palace had been closed tightly.

The two doors of the ancient and simple style were perfectly matched, as if they had never been opened.

"Did I drink too much? What's wrong? We have to hurry to get Lin Xue and them back! "

While talking to himself, the man belched and walked around.

"It's supposed to be a drunk. In case of the overall situation, should I wipe it out?" The old man Wu Yan made a gesture to wipe his neck. After all, this secret can't be divulged at all. He also knows about the devil Tianshi.

His whereabouts are mysterious and unpredictable, and his breath is just like that of ordinary people.

If it were him, it would not be worth the loss.

Ye Chen lightly smile: "is just a common person, Wu Bo, this matter entrust with you."

The old man said: "don't worry, Mr. Ye. Even if you throw this bag away, you will finish the task."

"Thank you very much." Ye Chen this time did not affectate, he did not do to stop, including the old man that from the heart of a worship!

This aura change involves a lot, fight to the end, sacrifice is inevitable, so ye Chen in the deployment plan at the same time, also has made the worst plan!

"Everything is ready, let's wait for the east wind!"

To tell the truth, although the layout, but whether it can work, ye Chen's own heart has no bottom.

Of course, he can only tell himself that he is the spiritual support of all people, and he must be invincible!

"Take a seat, Mr. Ye. I'll go to see the lady. I've been waiting all night, but I haven't eaten a bite yet!"

The old man now regained his smiling appearance.

"Don't hurry. Don't rush her. It's rare that this girl is so determined to work." Ye Chen Mou son a coagulation, light a smile, said own idea.

The old man was also stunned, and immediately laughed: "Mr. Ye is only a few years older than he is, but your words seem to be more vicissitudes than the old!"

"Experience makes people grow up!" Ye Chen laughs it off lightly.

He spent a lot of time in some secret places and special spaces outside the territory.

If you really want to say age, I'm afraid it's long live.

In addition, part of the memory of the Lord of reincarnation, for ordinary people, can be called a monster.

"I'll go out and have a look, Uncle Wu. You'd better be busy first." Ye Chen whispered a few words to the old man. Wu Yan nodded and turned away slowly.

"Drunk?" Ye Chen's eyes twinkle, and his divine sense has never left since the mysterious man appeared.

Including his arrival, until the departure, ye Chen is well aware.

Although Ye Chen stopped Wu Yan from killing his heart at that time, the old man's action was in common sense. After all, it was a matter of great importance.

Ling'er tells him that the demon Tianshi is good at camouflage, even if he can't detect it.

Anyway, everything must be careful.

"I'd like to see if you're really passing by, or if you do it intentionally!" Murmur a, ye Chen whole clothes tie, cuff button was he gently rotated a few minutes, step out.

Chapter 6290

.....

At the same time, the Wei family.

"Father, listen to Donglan Hotel report, today Donglan has a distinguished guest!" Wearing a white sportswear, Wei Hanqing came to his father Wei Xiong's study with the door open.

Before a man arrives, a voice comes first.

"Oh, what's so strange about that? Since your sister took over Donglan, there are so many young talents and business tycoons who come and go to visit each other. They're all for the purpose of climbing up to the Wei family?"

Wei Xiong holds a business newspaper, cocks his legs, takes up his coffee cup from time to time, and then puts it down, so it goes back and forth.

"At night, don't drink coffee any more, it will affect sleep!" The eldest daughter, Wei Hanqing, came near and gently squeezed her father's shoulder.

"Since you transferred your sister Rudong to the north to take charge of business, there is no one in the family to supervise your work and rest. So is the housekeeper!" Wei Hanqing looks at Wei Xiong, who is still unmoved. When he gets angry, he wants to call the housekeeper!

"Alas When Wei Xiong heard that his eldest daughter talked about Wei Rudong, he also sighed. He put down his newspaper, pointed to the sofa opposite, and whispered to Wei Hanqing, "sit down and talk to your father."

Wei Hanqing nodded and sat down on the sofa opposite his father. Wei Xiong reached out and wanted to pick up the coffee cup on the crystal tea table. Unexpectedly, his eldest daughter took it away first: "coffee can't be drunk!"

Wei Hanqing's understatement makes Wei Xiong helpless, but he can't reprimand his daughter who is in front of him now.

"Ye Chen is also a noble man of the Wei family!"

Wei Xiong said: "if there is no abrupt move of the Wei family on the cruise ship, even today's status of the Wei family, it can go up a little more!"

Wei Hanqing heard the speech and lowered his head: "father, if my sister and I could have a long-term vision, my Wei family would have been among the top five of the world's financial groups?"

"Your sister Rudong is a life she picked up. Ye Chen is far from mortal!" Wei Xiong's eyes are burning. How sad he is to lose his daughter when he is old. Thanks to Ye Chen's skillful doctor, he saved him. However, no one can replace the heartache at that time.

These days, he also wants to make it clear that he is no longer obsessed with the financial power of the Wei family, so he leaves the southern industry to Wei Zhiyao, his third daughter, and the northern business to Wei Rudong, his second daughter, who also gets what she wants.

Second, Wei Rudong offended Ye Chen and made her disappear in front of Ye Chen's eyes, which is also the best decision.

As for the eldest daughter, he planned the north and the South as a whole and gradually replaced her position. Wei Xiong also wanted to live a happy life.

Ye Chen's level is not the existence they can reach. In the eyes of ordinary people, the practitioners of ancient martial arts are already powerful people!

However, it is a thousand people kneel Ye Chen, that scene, he will not forget to death.

Bring the dead back to life, this means can be heaven and man!

"By the way, you said a VIP just came to Donglan hotel. Who is that?" Wei Xiong is obviously not very interested in these business contacts. He just asks his daughter casually.

"Ye Chen!"

Wei Hanqing thought over his words and said.

"What

Wei Xiong a Hear ye Chen two words, Teng ground rises.

"Yes, ye Chen, according to the report from the following people, it is said that Master Wu Yan personally received it, and the name of the person is Mr. Ye!" Wei Hanqing whispered.

"Are you looking for Zhiyao?" Wei Xiong face a touch of joy, daughter and ye Chen close relationship, for the Wei family, is a great good thing!

"Father, do you know these two recent government bidding projects in the south?" Today, Wei's family power is in the hands of his eldest daughter, Wei Hanqing. Although his style is slightly immature, it is also growing rapidly!

This makes Wei Xiong very happy. Although he has no son, his two daughters are in charge of the north and the south of the town, and his eldest daughter is planning strategies. This makes him feel that his ancestors have come to light.

"The resort project?" Wei Xiong mentioned that there was a headache here. Although the government invited public bidding to seek a consortium with strength to take over the offer, it was still very difficult.

"Although the core of Wei's industry is in the south, it's a new financial group after all. Compared with those old guys, the technology is still a little worse. Although the capital can afford it, people may not choose us!"

Although Wei Xiong is confident that the Wei family will prosper in the future, there must be a process in everything. It only exists in fairy tales!

The reality is cruel. Without the diamond, we can't get the porcelain work.

"I've been having a headache recently. Once I win it, my Wei family will rise. No one can stop it!"

Wei Hanqing's eyes are firm and sharp.

When it comes to business, she has never been afraid of anyone, even those old fellows who are dying and half buried.

"I'm afraid I'll have to come out in person for this bidding. The top consortia in China are all those who are buried in the earth. Go with me and take over the follow-up affairs gradually!"

In Wei Xiong's eyes, even if there is only a chance, we should try. Once we succeed, the Wei family will take off!

"Diddiddidi!"

At this moment, Wei Hanqing's mobile phone rings, her previous firm eyes, at the moment of looking at the remarks, become soft.

Since the cruise ship incident, the Wei family has become a monolithic and harmonious family. Wei Hanqing and Wei Rudong have also got what they want. Naturally, they are also very close to their sister who helps the Wei family to make things better.

"It's Zhiyao!" She said to her father Wei Xiong and turned on the hands-free button.

"Sister, I've come across something on the contract. I need your help!" Wei Zhiyao's anxious voice comes. Wei Xiong and Wei Hanqing look at each other face to face. The little daughter is not interested in business at all. Wu Yan and Wei Hanqing have dealt with each other in all matters. How can it change today?

"Contract? Don't worry, speak slowly Wei Hanqing whispered.

Wei Xiong listened quietly!

Just listen to the other end of the phone to continue: "well, brother ye came up to me tonight. I hope I will take the lead to do two resort projects!"

"Hello?"

"Hello?"

"Are you still there? Strange, isn't the signal good? "

.....

"Cough, I'm here. I'm listening." Wei Hanqing and Wei Xiong look at each other, but the enthusiasm in their eyes keeps rising!

"Is Mr. Ye still in Donglan hotel?" Wei Hanqing asked.

"Still there!" While Wei Zhiyao was talking, the sound of rummaging came from the office, jingling.

"My father and I are in a hurry now. Don't worry about the contract. I'll go and help you prepare!" With one breath, Wei Hanqing hung up the phone in a hurry.

"Elder sister, you..." what else does Wei Zhiyao want to say? The mobile phone has been hung up.

"Qing'er, take your clothes. Now go to see Mr. Ye!" Wei Xiong gets up and instructs his eldest daughter, Wei Hanqing, with a look of excitement in his eyes. If he can get the two projects, Wei won't dare to think about them any more!

Wei Hanqing is also a face of joy, a change in the past to give people the image of high cold female entrepreneurs, hastily responded: "I now go to prepare a private plane!"

Of course, what happened in the Wei family, the theme is inseparable from two words, ye Chen.

But at the moment of Ye Chen don't know, he has gone out, quietly tracking the drunken man, in the big staircase.

He seems to have drunk a lot, but he lost his way.

"Where have you seen this man?" Ye Chen in the dark is a little familiar with this person, but he can't remember exactly.

"It's getting late. We've been out for a while. We have to go back as soon as possible. Don't spoil the students' party!" Lin Xue's voice came.

The drunkard man seems to have heard the familiar voice, staggering toward the source of the voice, ye Chen also quickly follow.

"I'll tell you..." as soon as I came out of the corner, the man caught Lin Xue's hand and scared them.

"I'll go, it's Fang Guodong!" Lin Xue was obviously frightened by the sudden grip, but it was Fang Guodong, a classmate.

"I have found you!" The man who called Fang Guodong sighed, "for the first time, it's too big to find a way!"

In the trance of Lin Xue and Fang Guodong, a familiar figure is also reflected in Ye Chen's eyes.

"Bad!" Ye Chen sighs darkly and can't hide.

The figure obviously also saw him, surprised and slightly confused voice rang out: "Ye Chen? What are you doing here? "

It was Zheng nianlei, who came to the reunion with Lin Xue, who asked.

In fact, ye Chen can find Zheng nianlei completely, just because of the oddity of Yinmo Tianshi. When he suspects this man, he also chooses not to use any spiritual knowledge and power, because Yinmo Tianshi will be extremely sensitive to all this.

However, before the first refused others, and now was hit head-on, even ye Chen, for a moment is a bit at a loss.

"I've... Something to deal with here!" Calm down Ye Chen slowly open mouth, at this time he just thought, no wonder look familiar this person, originally was a classmate! But his face changed so much that he couldn't remember it for a moment.

"Why? Ye Chen Lin Xue's tone went up. She looked at the old classmate from left to right and looked at him carefully. After a long time, she said, "yes, it's a good mix."

Ye Chen at this time just think of oneself, is really suit and leather shoes and the price is not cheap.

And his temperament honed out of the later days of killing is enough to hold up the charm of the top childe brother.

No wonder I was misunderstood by my old classmate Lin Xue!

"Lin Xue, long time no see!" Ye Chen light way.

"Are you gathering here today?" Ye Chen has a preconceived idea and asks Zheng nianlei. He wants to be interrogated by the other party, so he can't help explaining.

"Yes, I forgot to tell you before. What a coincidence! I didn't expect to meet you here!" Zheng nianlei's face was slightly red and her voice was much smaller than usual.

Seeing her best friend's appearance, Lin Xue secretly smiles and pulls Fang Guodong's arm: "Since ye Chen has met her, why don't you sit down together?"
