

## Physician 6291

### Chapter 6291

Ye Chen knows that she can't get rid of it this time. Anyway, Wei Zhiyao can't finish her work for a while. She just nods. She hasn't seen her old classmates for a long time. It's just a waste of time to sit and get in touch with each other!

"OK, just in time. Let's go together." Ye Chen chuckles and makes a gesture to ask him to lead the way first!

"Ye Chen, you seem to be doing well."

The drunken Fang Guodong also knew Ye Chen. He kept talking all the way, adding a bit of fireworks to the magnificent heaven and earth.

After a while, several people followed Lin Xue and Zheng nianlei to the box.

After all, when ye Chen came, he was already over thirty years old.

"Guess, I just went out with Lei Lei. Who did we meet?" As soon as Lin Xue came out, the whole room was quiet.

In such a big box, about twenty young men and women are staring at Ye Chen. After a while, a goose faced girl exclaimed: "this is not ye Chen of the Ye family in Jiangcheng, is it?"

This speech a, all brain sea all appeared in the past leaf Chen's sound and appearance!

"That's true!"

Several boys recognize Ye Chen. After all, they haven't seen each other for so many years. At first glance, they dare not recognize each other. It's reasonable.

A few people get up in a hurry, pull Ye Chen to the seat: "come on, come on, tell us quickly, how have you been these years, don't say contact!"

Everyone is warm and kind-hearted, and ye Chen feels helpless. How can I explain it? I can't say that in recent years, I've been awakening MY reincarnation blood outside the territory and fighting against the ancient Yuhuang emperor?

That's not to be regarded as crazy.

"Well, I can't help myself. I'm going to be a soldier without graduation. I just came back recently."

Ye Chen can only explain so.

"Ha ha ha, it's good to be a soldier!"

A few people are also warm, we chat!

After 60 years of drinking, ye Chen undoubtedly became the focus of the banquet. His dusty temperament need not be explained. His famous brand suit alone is enough to attract people's attention.

You know, most of the students here belong to the middle class. The reason why they can come here is because of Zheng nianlei.

To be exact, it was Zheng nianlei's father, who had some business contacts with Wei family, who had the chance to book a banquet.

And ye Chen, but oneself come in of, this among them of meaning, self-evident.

Everyone is pulling the leaf Chen to ask East to ask West, half a dot passed, Zheng nianlei Leng is a words didn't catch up, eat in the frown.

Lin Xue can't see it any more. Ye Chen is a sweet cake. She can see it in everyone's eyes. She must fight for her best friend!

"Cough! That... Ye Chen. " After all, Zheng nianlei and Lin Xue are well-known in this session.

When I went to school, they were all goddesses at the level of school flower. We all gave some face.

Ye Chen's vision turns to this side.

"I heard you went to the army? Don't lie to us. The retirement subsidy is not enough for you

It was a joke, but it was reasonable.

"You say this?" Ye Chen pointed to his clothes, "this is just a friend sent, today is also the first time to this place."

Ye Chen full of big truth, gold cold wild goose sent suit, but is for the convenience of their own investigation demon Tianshi.

"Ah?"

Ye Chen's words make Lin Xue look at him with new eyes. All the men she met before don't hesitate to smash the signboard, but also want to make a fat face and elevate herself. Now ye Chen, who is praised by all the people, is going to demolish himself.

I can't get rid of Lin Xue.

Zheng nianlei is a light smile, she knows Ye Chen won't lie: "so it is!"

After hearing the speech, the people didn't say much, but the reality is like this. After the truth, it is hypocrisy.

Everyone for ye Chen that excessive flattery no longer, everyone began to talk about life and survival!

"No more wine, I'll order more!" Fang Guodong as a qualified wine commander, but always look after the romantic cup!

After a while, he brought the wine list!

"Let Ye Chen come. He's late. He hasn't punished himself for three cups." The crowd roared.

Ye Chen also gets up and laughs and agrees. For a long time, he doesn't feel so relaxed. Once upon a time, he turns over the wine sheet and stops at a place.

"This is..."

"Waiter, that's it!" Ye Chen pointed to the position on the wine list, and everyone was still happy until the waiter called out the name of the wine: "Xiaoying Cabernet Sauvignon dry red wine!"

In a word, the whole world is like a graveyard at midnight.

This wine is a new model launched by Miss Wei Jiasan after she took charge of Donglan hotel. I don't know how to get through the channel. Such a valuable wine can be mass produced.

It's also a price that makes everyone smack their tongue. The price of tens of thousands of bottles is prohibitive. Only when the real rich kids or business tycoons play cards, they will order!

Ye Chen this move, will undoubtedly push the public to the top of the storm, you know, the party, is generally AA.

"This..." one side of Zheng nianlei pulled Ye Chen's sleeve, whispered a few words.

Ye Chen has a look of sudden realization: "I have tasted this wine with my friends on the cruise ship before, and I think it's good. Don't worry about it."

"The hotel will give us free tickets. Here are some friends I know!"

Ye Chen explained.

The public still looks at Ye Chen suspiciously, what card face friend can avoid a single?

Or hundreds of thousands of lists?

Seeing that they didn't believe it, Zheng nianlei came out and said, "Ye Chen said, you can drink it tonight!"

Seeing that the Zheng family's daughter opened her mouth, everyone was relieved.

Anyway, ye Chen can't afford it. Zheng nianlei is coming.

"I really haven't tasted this kind of wine. I have to have a good taste tonight!"

Fang Guodong smashed his lips a few times. For the veteran wine Mengzi, hundreds of thousands of good wine is immortal brew!

"Ye Chen, do you have any plans after retirement?" After a few days of drinking, Fang Guodong still took care of the people, "my friend is still recruiting people, the treatment is not bad, your image, must be the highest salary!"

Fang Guodong patted his chest and assured.

On one side, Zheng nianlei chuckles. If he knows that the man in front of him once met those who hold power, he doesn't know what Fang Guodong's expression will be.

"Don't consider, recently..." Ye Chen also want to explain, a knock on the door, come in is not the waiter, but a rickety old man in gorgeous clothes.

Anyone who can come here knows the old man's identity very well. He is a member of the Wei's consortium!

It was Wu Yan who came. He said respectfully, "Mr. Ye, miss, it's almost over. I'd like to invite you to the imperial palace for dinner."

This speech, full of uproar!

For the old man's identity, it's the existence that countless top giants want to cling to, but now they are extremely respectful to Ye Chen.

miss? Isn't that right?

Miss Wei Jiasan, Wei Zhiyao?

Chapter 6292

People's hearts seem to think of what, are grunting a mouthful of saliva.

"I know Uncle Wu. I'll go by myself later. I happen to meet my classmates. I'll sit down with you. I'll go to Zhiyao when she's finished!"

Ye Chen responds with a smile.

"Thank you, Mr. Ye!" The old man, still smiling and humble, bowed and left.

Lin Xue took the lead in making rude remarks: "lying trough, ye Chen, you...!"

"Aren't you a soldier?"

"How can I get to know Wei Zhiyao of Donglan hotel?"

They all asked.

On one side, Zheng nianlei was disappointed when she heard Wei Zhiyao's three words. Although she boasted that she had outstanding appearance and identity, she was more disappointed than Wei.

Her Zheng family is just a small fight, ye Chen has such a friend, Zheng nianlei heart has a sense of inexplicable loss rise.

"Just a little help by chance!" Ye Chen sips the bright red in the cup and slowly opens his mouth.

Then he said the previous thing about Tianxing cruise ship.

"I didn't expect you and Miss Wei to have such a fate. No wonder you're out of breath and say you can get rid of the bill!" After listening to the story, Lin Xue suddenly realized.

"No more bottles!" Fang Guodong belched and sipped, "waiter, what brand of red wine, three more bottles!"

Everyone was amused and laughed.

Just then, the door was suddenly pushed open.

"Brother ye, my sister said that she would come to help me later. Let's go to dinner."

Wei Zhiyao directly pushed open the door of the box, graceful posture in the light of the hall, especially moving!

A sound of nature came into the box. It was Wei Zhiyao, the third miss of the Wei family.

"Brother ye, are these your friends?" Wei Zhiyao's smart eyes blinked. After looking around, she asked with a smile.

"Just now grandfather Wu said that you have classmates here. I'll come and have a look. I hope you Haihan will pay for today's consumption by Donglan hotel. Thank you for coming!"

Wei Zhiyao is still full of laughter, and everyone present can see that the relationship between Ye Chen and Wei's family is by no means ordinary.

It is said that Wei Zhiyao, the three thousand gold of the Wei family, is an iceberg goddess. Many talented young people who visit are turned away.

Even so, every day the hotel is still full of people, just to see the beauty of the golden age.

"Brother ye, why don't you ask everyone to come with me to the imperial palace? Anyway, they are all ready. It's also exciting to go together!"

Wei Zhiyao cordially invited, after all, ye Chen's friend, that is her friend, put aside personal feelings, ye Chen to the Wei family, has been all kinds of care!

Fang Guodong saw the way, blinked a few times, dribbling eyes rolling: "Miss Wei, thank you for your kind invitation, we won't go there, hear you just talked about the contract, there must be business with Ye Chen to talk about, we won't bother!"

"Drinking here is the same. Donglan's wine is really xianniang!"

Fang Guodong belched, his face flushed.

This sentence is not only a euphemistic refusal of Wei Zhiyao's hospitality, but also a full face to each other. The private banquet of the two people was originally prepared.

It's an accident to meet a classmate's party. Wei Zhiyao's invitation seems to be just polite.

All of them agreed with each other and declined with a smile.

"Ah... This..." Wei Zhiyao, who is totally unfamiliar with business routines, is really just a kind invitation. She didn't expect so many. Seeing that everyone declined one after another, she was at a loss for a moment.

"Miss Wei, you don't have to be so polite. We are all old classmates who haven't seen each other for a long time. I think today is a time to get together and have a chat. If you have something important to discuss with Ye Chen, we won't disturb you."

The chopsticks in Lin Xue's hand picked up the delicacies on the plate in front of her, put them to her mouth and took them down again.

Looking at Miss Wei's attitude towards Ye Chen, Lin Xue naturally wants to stand aside with her best friend Zheng nianlei. Zheng nianlei has a gentle personality, so she can only take on the important task. Although she may not be able to compete with her, she can't lose in her momentum!

For all the reactions of the people on the scene, ye Chen naturally knows that he just wants to speak, but a figure appears in front of the door.

It was the old man Wu Yan who was the symbol of rickets.

"Miss, the master and the first lady are here. They say they want to meet Mr. Ye in person." Wu Yan is throwing a heavy bomb again!

Present schoolmate you one eye I one eye, look back mutually, this leaf Chen exactly is what identity?

Didn't he say he was just a soldier?

How can it be so powerful? Even the owner of the Wei family would like to thank him in person?

You know, the Wei family, that is a powerful financial group in China, and the existence of a rich country!

Is Ye Chen so polite to an ordinary man?

One side of Lin Xue is also silly eyes, looking back at Zheng nianlei, the meaning of the eyes is self-evident.

"It's not easy to know ye Chen in your family, but what's the matter?"

"I don't know, ye Chen didn't tell me!"

The two are making seamless eye contact.

.....

Originally, I just thought that there was a quarrel between the younger generation. How could all of a sudden even those giants were pulled out!

"Father?"

Wei Zhiyao is also a little surprised. She is always insensitive to business. She has no idea how important the two projects in Ye Chen's mouth are to the Wei family!

It was a project Wei Xiong and Wei Hanqing racked their brains to win, but now they were given to Wei Zhiyao by Ye Chen.

"Did you tell your father?" Ye Chen is also a face of doubt, looking at Wei Zhiyao.

"No, I was just preparing the materials, so I called my elder sister to ask if I didn't understand anything. She said she would come and help me with it herself." Wei Zhiyao talked about the cause and effect with Ye Chen.

Ye Chen chuckled: "no wonder, Wei Hanqing should have said it to your father!"

Looking at Wei Zhiyao's expression, ye Chen knows in her heart that she never knows the importance of this project!

Otherwise, it would not be so insipid. The reason why Wei Zhiyao was worried was completely because of her personal, which had nothing to do with the project itself!

Wei Xiong and Wei Hanqing came because of the value of the project itself. They should thank Ye Chen personally!

In Ye Chen's eyes, he needs someone he trusts to run the project, not for anything else, but for the array behind the project and the recovery of Reiki!

The three families are all predestined, so they come together!

"Dong Dong Dong!"

A rush of shoes sounded, accompanied by bursts of high-heeled shoes click click sound, it is obvious that people are running.

"Hoo

In front of the door of the box which had not been closed, there was another shadow blocking it.

At the age of about 50 or 60, it was because of the maintenance of the temples that there was no white silk in the temples. The heroic spirit between the eyebrows was not reduced. Wei Xiong was the one who combed his shining hair to the back of his head.

Behind him is Wei Hanqing, Miss Wei of the Wei family!

At the moment, Wei Hanqing is also in full dress. Her Lavender high-heeled shoes set off her slim figure, and her able short suit shows her professional style.

Between the snow-white neck, a pendant worth tens of millions of dollars flickered, flashing the eyes of all the people in the box.

"This..."

Everyone was envious, but it was always in the newspaper to see the Chinese man of the year, the real economic giant, Wei family power, Wei Xiong!

"At last I caught up."

Wei Xiong grabs a package of paper towels on the table, takes a few and wipes the sweat on his forehead. He goes forward and holds Ye Chen's hands. He is full of tears.

"Mr. Ye, I'm Wei. I can't repay you for your kindness." Regardless of the manners in front of the crowd, they have to kneel down!

"Mr. Wei, this kind of great ceremony has killed Ye Chen!" Ye Chen quickly holds Wei Xiong, this is the second time Wei Xiong kneels down.

The first time was on the coast, when ye Chen used his means to cure Wei Rudong, it was to save the Wei family!

Now this worship is from the bottom of my heart!

"We have eyes that don't know Taishan. In the past, we offended many people. I hope Mr. Ye won't blame us. In the future, we can go to my Wei's house. I will die if I speak up!"

Wei Hanqing was also in tears.

Bow to Ye Chen deeply!

Chapter 6293

"Let the past go with the wind."

Ye Chen sighed that the fate with the Wei family was a good move of Wei Zhiyao on the cruise ship.

Ye Chen is forced to intervene in the Wei family dispute. The reason is just an unexpected encounter.

The conflict with the Wei family is all for Wei Zhiyao to repay her for her help.

Ye Chen and the Wei family, there is no bitter hatred of evil, and talk about how to fight?

Now the Wei family can take the lead to do this Jiulongshan and dense forest resort project, but also helped Ye Chen a lot.

The purpose of this project is to cover up the existence that is difficult for ordinary people to understand, so he has already said hello to the senior management of Huaxia in advance. The bidding is just a passing show. The ultimate leader must be the Wei family!

Wei Zhiyao is a person Ye Chen trusts and has economic strength!

Ye Chen has his intention to do this. He is not at ease to change his family. Only the Wei family and Wu Yan can help each other, and the whole ancient martial arts community is willing to do their part.

"I've already told Zhiyao that this girl is not good at business. I hope that the master of the Wei family and Miss Wei can help me a lot!" Ye Chen chuckles a, enjoin a way.

"It's natural. Zhiyao's business is our family's business!" Wei Hanqing took the lead in saying that now Wei Xiong has gradually retired to the second tier. If the two major projects were not of great importance, even he would not show up.

"Mr. Ye, thank you for your kindness." Wei Xiong is also a deep bow, in his eyes, ye Chen achievements of the Wei family.

Everyone present is petrified one after another. What is Ye Chen's identity?

be a soldier? Is he the top official?

For a moment, this problem shrouded in people's minds. When I was a classmate in a pair of trousers, I became a national important person?

"You can prepare everything in advance!"

"After winning the bidding, you can start business as scheduled. If you encounter problems that can't be solved, you can contact Lu Lingfeng as soon as possible!"

Ye Chen's words have a deep meaning in his words, which is a problem that can not be solved, implying an unusual situation.

But where does Wei Xiong Hear ye Chen's implication?

He nodded repeatedly and hurriedly told Wei Hanqing to go down to prepare materials. Wei Hanqing also winked at his sister, "but..."

Wei Zhiyao is still thinking about the dinner with Ye Chen.

Naturally, Wei Hanqing thought carefully about her new sister. She whispered in her ear, "finish the business first, and then have more opportunities to have dinner with Mr. Ye..."

Of course, this whisper, in addition to the extraordinary Ye Chen, no one can hear.

Wei Zhiyao's face turned red, and she kneaded her head and said to Ye Chen, "brother ye, i..."

Ye Chen naturally is a knowing smile, "Zhi Yao, you are busy with elder sister first, after two days, I invite you to have a meal, after all, there are many places that need your help in the future, urge each other!"

Wei Zhiyao, hearing the speech, raised her head, and her eyes were pure and not covered up: "mm-hmm, it's a deal!"

At the end of the speech, Wei Hanqing takes Wei Zhiyao's little hand and they both leave.

"Mr. Wei, it's inconvenient to talk about some things face to face. I've asked Mr. Wu Yan to tell me. Later, you'll call him to the study. You'll know it's very important. Be careful! Keep it secret

Wei Xiong attaches his ear to listen, and ye Chen whispers in his ear.

Wei Xiong smell speech, face dignified nod: "Mr. Ye said, Wei must remember in mind!"

"If there's nothing else, I won't disturb Mr. Ye's party!"

When the family is enough, pull away the daughter to Ye Chen party space.

"Well, thank you, Mr. Wei!" Ye Chen nodded and watched Wei Xiong's figure leave. The box door closed again!

Long time, silent!

Fang Guodong dozed off and suddenly stood up. Everyone was staring at him. Ye Chen was also full of smiles.

I haven't had such a relaxing party in a long time.

"Damn, I used to flinch, now, the wine!" Fang Guodong's eyes narrowed. He took off the small satchel he was carrying on his upper body, put it behind the chair, and immediately pointed his right index finger at the valuable red wine.

"This, a person a box, step on drink, do not get drunk do not return!" He said in a loud, impassioned voice.

"Ha ha ha ha!"

People see this appearance, are all laughing, the atmosphere for a time back to the right track, everyone surprisingly tacit, no longer to Ye Chen asked East and West.

We just talk about life.

Time trance, back to the student days.

Unknowingly, it's already three on the moon!

Everyone is drinking to the peak of life, ye Chen one by one will each student on the car, watching them go away, this to a farewell, some people are farewell!

This life may no longer have fate to meet!

At the moment, behind Ye Chen, only Lin Xue and Zheng nianlei are left. They stare at each other, and the two girls are also drinking.

"Ye Chen, does Wei Zhiyao like you?" Lin Xue's face is crimson, and she says frankly. Yu Guang also looks at Zheng nianlei, who looks down and doesn't speak.

Ye Chen didn't know what to reply, but his words were blocked for a moment.

"Zhiyao, that girl's heart, I refused!" Ye Chen answers truthfully. As soon as this is said, Zheng nianlei raises her head and looks at Ye Chen. It seems that she has several expectations!

Lin Xue is also confused, so the goddess confessed, refused?

My head is not bad, is it!

"Well, I'm carrying a lot of things now. If I fail, maybe I will die!"

This words a, two female unimaginably looking at Ye Chen, for ye Chen's words, they are deeply believe, young have such status.

The burden on him is not something ordinary people can spy on.

"So, I can't give anyone any promise, thank you for your love, but at the moment, the situation is really not optimistic!" Ye Chen lightly a smile, but from his that facial expression inside two female can see deep helpless.

Even the squeeze out of a smile, are a bit far fetched!

"Well, I'll take you back. Lin Xue, are you living with Zheng nianlei?" Ye Chen takes the initiative to open his mouth. He doesn't want the second daughter to ask again.

Some things, unknowingly is the best protection for them!

Then ye Chen sent a car from the dark hall to take them back to the villa, and then he left.

Looking at Ye Chen's back, Zheng nianlei is silent for a long time.

"Far away, go back!"

Lin Xue takes a blanket from the room and puts it on Zheng nianlei's shoulder.

"He is like a God, we are only mortals!"

Lin Xue murmured to herself.

Zheng nianlei looked back at her best friend and stared at her with a twinkle: "even women like Wei Zhiyao are so fascinated by him!"

Lin Xue gently smile: "we and he are not the same people in the world!"

"Put it down!"

She patted Zheng nianlei gently on the shoulder, no more words, turned and walked into the bedroom.

The beautiful woman who left the shadow of the lonely moon is sad and silent in the night!

This night, doomed to no sleep.

.....

Chapter 6294

All night long.

The fiery sun rips open the darkness of the earth. Ye Chen stands in front of the windowsill, stretching out his hand to open the gauze curtain that covers the sun, letting the sun shine on him. The mobile phone on the windowsill flashes and vibrates constantly.

It's all messages from Wei Zhiyao.

Always report the progress of the project, as well as a variety of hand-painted analysis of the information report, you can see the degree of its intention.

Of course, the most important core content can not avoid the words of caring for the body and mind.

Ye Chen Mou son a coagulation, but shake his head, a turn a message, the left hand cup of black coffee spread alcohol fragrance, a wisp of fragrance overflowing, four silent.

It's worth mentioning that after that day, Wei Zhiyao's movement, which was felt by the tracking stone, disappeared again.

This matter, only leaf Chen a person know, he didn't beat grass to frighten snake.

He's waiting.

The origin of Yinmo Tianshi is not bad compared with reincarnation xuanbei.

The more such a level exists, the more careful his handling means are.

"Diddiddidi!"

A special message caught Ye Chen's attention.

Among the thousands of messages sent by Wei Zhiyao, a message from Jin Lengyan attracted Ye Chen's attention.

"Today's bidding is normal!"

"The Wei family finally succeeded in taking the lead in the project. Several other consortia were unfair, but the members of the dark hall had already stepped in and could not lift the storm. The project was carried out as scheduled."

"On Zhiyao, the third miss of the Wei family, the tracking stone flashed a strange move again!"

The last sentence of this message, once again caused Ye Chen's attention, there are changes?

This is the second time, it seems that the situation is not optimistic, we must find out before we can continue the next action!

"Hello, Zhiyao?" Ye Chen dials Wei Zhiyao's mobile phone, "is today's bidding going well?"

Wei Zhiyao's joyful voice tells Ye Chen the cause and effect of the incident, but there are some small episodes, but it almost coincides with Jin Lengyan's report.

Ye Chen decided to go straight in and said: "Congratulations, I invited you to dinner after the last time, just tonight! Are you free? "

He has to meet Wei Zhiyao himself and confirm with her.

"Ah? Tonight? " Wei Zhiyao's voice was obviously excited, "yes, I have time!"

"OK, let's meet in the evening and have a chat!"

Listening to the sound of no signal coming from the other end of the mobile phone, ye Chen holds the right hand of the mobile phone and slowly puts it down. The "Chuan" symbol on his brow indicates that something is going to happen at any time!

"Continue to track down the affairs of the devil Tianshi and Wei Zhiyao. I will follow up personally. If there is any danger, everyone will evacuate at the first time!"

Ye Chen's last message replies to Jin Lengyan.

.....

At eight in the evening.

Donglan Hotel, Imperial Palace box!

"Elder brother ye, I'm still lacking in business. Thanks to my elder sister's help, I'm lucky to live up to my destiny during this period of time!" Wei Zhiyao got up and told all the waiters to close the door and go back.

She picked up the teapot at hand and poured the tea to Ye Chen in person.

"No matter, you are still young, and you can learn these things quickly. Today, besides celebrating for you, there are some other things..."

Ye Chen straight to the point, chopsticks have not picked up, the atmosphere of the Imperial Palace has some solidification.

"Before you met me, have you ever met strange people or strange things?"

"Before I met you?" Wei Zhiyao, holding Xiangxi in her hand, still had no clue. "There is no abnormal situation. If there is any danger, how can I meet you later?"

After several times of thinking, Wei Zhiyao was still at a loss!

"Come here!" Ye Chen motioned Wei Zhiyao across the dining table to be closer to him. He was worried that Wei Zhiyao's memory had been tampered with.

It is very possible that once some memories are sealed, the party concerned will not remember a certain story until the power of the sealed memory disappears or a specific scene is possible to reproduce the memory!

"Ah?" Wei Zhiyao hears Ye Chen say so, unavoidably some nervous, the small footstep that approaches Ye Chen is also moving.

"Closer, I won't eat you!" Wei Zhiyao's behavior makes Ye Chen a little sad.

"Brother ye, is it too fast..."

Wei Zhiyao's face flushed, shy head down, dare not face Ye Chen, smell Ye Chen body light taste, her ears are dyed red dust.

"What do you think? Girl Ye Chen just noticed Wei Zhiyao's expression. What kind of person does she think she is?

"Ah?" Wei Zhiyao knew that she would be wrong. She raised her head in a hurry. It happened that ye Chen's finger gently touched her forehead. A faint green light flashed by her fingertip. Wei Zhiyao's lips were red and her face looked beautiful.

It was just a moment. Ye Chen released his finger. After Wei Zhiyao took a few breath, she regained her look. Her expression was a little complicated. Obviously, she saw the lost memory.

"Brother ye, he..."

Wei Zhiyao wants to explain, but she doesn't know how to open her mouth.

No one can accept, my mind suddenly like a movie in general, all kinds of things happened, turned around and found that the film's owner is just himself!

Then all the experiences are real, no matter good or bad, they are hindsight.

Ye Chen understands Wei Zhiyao's feeling at the moment. His fingertips are green and his memory is fading. "You are innocent. For you, now is the best ending. Leave the rest to me!"

Ye Chen said softly, Wei Zhiyao's figure swayed several times: "brother ye, you..."

Looking at the little girl's Scarlet face and the scarlet ears, ye Chen chuckles. Just now, forgetting is the best!

"Nothing. I've probably understood. Let's have dinner. We didn't rub it last time. We'll make it up tonight."

Ye Chen took the lead in eating with chopsticks.

When Wei Zhiyao saw this, she also chuckled and sat down beside Ye Chen to have a banquet.

In the meantime, some project matters were discussed, nothing else.

After sending Wei Zhiyao back, ye Chen goes back to his residence. During this time, Jin Lengyan comes and reports some related matters before leaving.

Ye Chen is lying on the bed at night, but he is sleepless when he closes his eyes. The memory is still replayed in his mind, which makes him puzzled!

"It's similar to what happened to me. It seems that it has erased everyone's memory."

.....

The picture is still the cruise ship, dating back to the time before meeting Ye Chen.

A huge cruise ship runs over a vast expanse of sea.

On the deck of the luxury cruise ship, the girl in white sportswear and ponytail in her twenties was still staring at the boundless sea in a daze.

Chapter 6295

"Why is it so busy over there?" The deck was crowded with tourists, and the girl was also attracted by the crowd.

It was Wei Zhiyao who whispered to Wu Yan beside her: "grandfather Wu, let's go and have a look!"

On the deck, a middle-aged man with a pale face was struggling, stumbling and walking towards the end of the deck, as if trying to plunge into the sea.

But his physical condition, has been difficult to support their own March, the side of the spectators see this person's situation is not right, also have eyes, but no one dares to step forward to help, joking, out of life, no one is willing to take responsibility!

"Damn it The middle-aged man just roared and took the last step, but he couldn't take the second step anyway and fell on the deck!

"Who is this guy?"

"How can I get this sick man on board? What bad luck

.....

In the crowd you a word I a word, but no one is willing to come forward!

"Grandfather Wu, help him in!" When the girl saw this, she frowned. No one on the boat knew the identity of the middle-aged man, nor did she know how he got on the boat.

"Miss Wei is really a Bodhisattva!"

"Yes, yes, the Wei family has this girl. It's amazing!"

"Well! Third sister, I advise you not to mind your own business Wei Rudong came with great strides.  
"Second sister, I can't do anything that I can't save when I see death. I must save this man!"

"How can a dying man be saved?" Wei Rudong glanced at the dying middle-aged man. Anyone could see that there was still a chance of life if he was sent to the hospital. On this cruise ship, I'm afraid

"Grandfather Wu, help!" The girl pointed to the old man beside her and whispered to Wei Rudong, "grandfather Wu is an expert. His accomplishments are unpredictable. If he does something, he will save his life!"

The old man didn't speak. With a bent body, he gently picked up the stout middle-aged man and walked to the cabin.

"Xiuwei..." Wei Rudong looked at Wei Zhiyao and the old man who had left, and whispered softly, "come to Qin Feng, have something to discuss!"

"Miss, sometimes your Bodhisattva heart will offend many people!"

In Wei Zhiyao's cabin, the old man Wu Yan whispered.

"The Wei family has been feuding for a long time. Take your time. I believe your sisters are not villains, but they are hard to accept for a while."

Wei Zhiyao looked out of the window and murmured.

"How is he?"

"I'm all right. I'll wake up soon!"

Thank you, grandfather Wu

.....

"Cough!"

But for a long time, the middle-aged man on the bed coughed a few times, vomited black blood on the ground, and gave off a strong smell.

Wu Yan frowned tightly. He thought he was an ordinary man. Then he noticed that the middle-aged man in front of him was by no means ordinary.

And the strength is unfathomable!

"Who are you?" The old man Wu Yan flashed over and protected Wei Zhiyao behind him. He asked in a sharp voice.

"Ha ha ha! Don't worry, I'm not a good man, but I won't do harm to those who are kind to me! "

The middle-aged man's face was still pale. He covered his chest with his right hand. After laughing, he coughed and vomited black blood. He seemed to feel better.

"Who the hell are you?" Wu Yan had already felt something was wrong, and his spiritual power had sprung up in his hands. He was about to end the middle-aged man's life.

"Ha ha ha ha ha!" The seriously injured man said with a nearly crazy smile, "I changed my mind!"

The middle-aged man's eyes flashed, his right hand covering his chest didn't move at all, but his left hand just waved lightly, and the old man Wu Yan's body flew straight out and hit the ground heavily, unconscious.

"What do you want to do?" Where did Wei Zhiyao see such a battle, he was naturally nervous and his palms were sweating.

But she is also a smart person. Begging for mercy at the moment will only make the enemy look down on her!

"Good nature, too!" The middle-aged man nodded admiringly, "I won't hurt you. You and I are predestined, and we will see each other again."

With a big wave of his hand, he landed on the Tianxing with a light and fog. The middle-aged man tore up the space in front of him and revealed a crack in the abyss.

He leaped forward and disappeared.

.....

"Strange, always feel what happened!" Wei Zhiyao shook her head and didn't care.

The picture flashed, and the time came three days ago.

It's Donglan Hotel, in Wei Zhiyao's office.

Or the mysterious man, set foot again.

"Who are you?" Wei Zhiyao had some accidents. She should not have seen the man in front of her.

"It's normal that you don't remember me, but when I come to you today, I need you to make a decision, which is enough to revitalize your Wei family!"

Middle aged people directly to the point, the tone of the strong demand means, no doubt.

Wei Zhiyao felt the cold and gloomy atmosphere of the mysterious man, and knew that the other person had a bad intention: "recently, my Wei family's business is quite various, and I just took over the Wei family, so I couldn't manage many businesses for a while."

"I can wait for you, but time is limited!" The middle-aged man directly interrupted Wei Zhiyao's speech.

"Yinhai Beiyu, there are some things you will be interested in. I'll give you time to think about them."

The middle-aged man gave Wei Zhiyao a smile: "the transaction between us is limited to you and me."

Then he made a silent gesture.

Wei Zhiyao's eyes blurred with a flash of cold fingertips.

When she came back, everything in the office was as usual, as if nothing had ever happened!

Wei Zhiyao's face is calm, and no story has ever happened.

.....

Ye Chen suddenly opened his eyes, "Yin Hai Bei Yu?"

"He didn't attack Wei Zhiyao, he was sending a signal to me?"

"He obviously understood the means, and I'll find out!"

"Or did you give me information..."

No matter how, this move, ye Chen must be hard, the enemy in the dark, he in the light, this is the only way.

Moreover, the demon Tianshi has already targeted Wei Zhiyao. If he doesn't follow the other party's will, even Wei Zhiyao's life will be lost.

"Yinmo Tianshi... The northern region of Yin Hai in China!" Ye Chen murmurs to himself, the front waits for him, is endless kill move!

"There is also a possibility that this demon Tianshi really asked for Wei Zhiyao, so I have to contact her again and again, even if I find her trace..."

Thinking of this, ye Chen decides to lurk around Wei Zhiyao for a few days, quietly waiting for the next calculation of the demon Tianshi.

It may be the best way at present not to scare the snake.

Sure enough, three days later at dusk.

Wei Zhiyao in the office turns off her computer and is full of project progress. She picks up her handbag and thinks that things are about to leave.

A gust of wind blew and the door opened.

Chapter 6296

Wei Zhiyao looks around the door, but there is no one. Just as she doubts that she is going to lock the door again, a man's voice comes from the sofa behind her

"Miss Wei, we meet again!"

The voice revealed a touch of languid atmosphere, cynical look very uncomfortable.

Wei Zhiyao was obviously startled by the sound. She turned around and looked at the leather sofa in front of her computer desk. I don't know when a man in black was already looking at herself with his legs up and his cheeks up!

Wei Zhiyao looked a little flustered and said in a deep voice, "who are you?"

After seeing ye Chen's methods, Wei Zhiyao gradually understood and accepted that there are always some people in the world who are beyond the ordinary people's understanding of existence!

But she didn't know the person in front of her!

What Wei Zhiyao doesn't know is that her memory has been tampered with before.

"Hahaha, we are old friends, but it's normal that you don't remember me. I just want to tell you, stay away from ye Chen!"

"That project, you'd better not touch the Wei family, otherwise it will lead to death!"

The temperature in the room seems to have dropped several grades. In the quiet office, there is only Wei Zhiyao's slight breathing.

Demon Tianshi can feel that Wei Zhiyao is very nervous at the moment.

"You and I are old friends. I don't have to cheat you. You helped me, and I need you, too. Yinbei sea area! The Wei family will go to the peak from here

The devil Tianshi on the sofa put his hands together and chuckled. He seemed to have unlimited confidence in his plan.

At this time, Wei Zhiyao's eyes were beautiful and said, "why do you say that you can make the Wei family rise? Just with a few words, you want me to work for you wholeheartedly? You think highly of yourself, don't you

Wei Zhiyao is very sure between the lines, ye Chen's project can make her Wei family make money, and you, only one word!

"Well, three days later, you'll come to Yinbei sea area for an appointment. I'll tell you in person why!"

The demon Tianshi stands up straight and looks at Wei Zhiyao with sincerity in his eyes. He moves to Wei Zhiyao and his face is close to her hair. He sniffs: "it's really fascinating to me. I'll see you in three days!"

At the end of the speech, the shadow of the demon Tianshi slowly disappeared in place, as if it had never appeared.

"Hoo..."

Wei Zhiyao breathes a long breath. It's really dangerous to deal with such a guy. A man who is not careful is found to have a flaw. I'm afraid that with this guy's cunning, he will run away immediately. It's even more difficult to find his whereabouts!

.....

meanwhile.

Donglan hotel is still busy in front of the door, evening rush hour, crowd congestion.

At the intersection of traffic lights, there are a lot of people.

A man in a Black Hoodie stands in the crowd, silent.

Looking at the high-end building not far away, he muttered to himself, "Wei Zhiyao, do you think I don't know your plan with Ye Chen? Three days later, you'd better come alone. If... "

The traffic lights turn from red to green, the figure disappears in the vast sea of people, and the flood on the road submerges the evidence of the existence of time.

.....

The picture turns around, Donglan Hotel, in Wei Zhiyao's office.

"Brother ye, did you say there was any mistake in our performance just now?" Wei Zhiyao asks Ye Chen.

"I don't know. This guy is really cunning. I've met you three times, three different faces! And the ability to control the rules of China is far beyond my cognition. Although my strength is not as good as mine, in China, he is as powerful as a tiger. " Ye Chen is also a face of bitter smile, not sure.

Wei Zhiyao's face was shocked: "three times?"

How could she not remember herself?

"Your memory is passive. To some extent, it's also a kind of protection for you." Ye Chen seems to know what Wei Zhiyao wants to ask, and takes the lead in interrupting her.

"But from now on, you have to join in. That guy won't give up easily!" Ye Chen a face of dignified look, but although changed three faces, but ye Chen still felt, to the person is not the original, otherwise the first time ye Chen hand suppression!

Just now, ye Chen was listening to the dialogue between the demon Tianshi and Wei Zhiyao. He can be sure that the other party didn't feel his existence!

"I don't know why, this guy is also injured. I'm afraid it has something to do with ling'er. He doesn't dare to show his true face to others. This may be an opportunity for us!"

Ye Chen guessed.

After all, from the memory of Wei Zhiyao, we can see that this guy must be injured. In a short time, he can't recover!

But why did the demon Tianshi target Wei Zhiyao, or the Wei family, made him wonder.

"Three days later, I will go to Yinbei sea area with you!"

Ye Chen said softly.

Wei Zhiyao also knows the seriousness of the matter, what's more, as long as she is with Ye Chen, no matter what she does, she is willing.

"Well, in three days, let's go to the appointment together!"

Ye Chen tells the dark hall Lu Lingfeng and the dragon soul Jin Lengyan about everything in the Donglan hotel.

They may not have to participate in these operations, but they must be informed.

This may play a key role in his subsequent planning.

It can even revitalize the whole situation.

Of course, this is later.

.....

Three days later, Tianxing cruise ship!

Today, the most luxurious cruise ship in China is about to set sail again. This time, there are only three passengers on the huge cruise ship.

Wu Yan, ye Chen and Wei Zhiyao are old men who are both bodyguards and helmsman.

The appointment, I do not know how the situation ahead, once with others, it is likely to be dangerous, so this trip, only three people know.

"Mr. Ye, we are going to approach the Yinbei sea area soon!" The old man Wu Yan looked at the dark clouds and thunder in front of him. For some reason, he always had a feeling of palpitation!

Ye Chen silent, sharp eyes through the cab glass looking to the distance!

"Turn on autopilot mode!" Ye Chen suddenly said, "let's meet this old friend for a while!"

At the end of the speech, ye Chen turns to the deck and goes: "Zhiyao, I'm going to trouble you. I'll protect you in the dark!"

"Well!"

Wei Zhiyao nodded heavily. For some reason, as long as she was with Ye Chen, even if the road ahead was unknown, she was always at ease.

Now on the deck, the old man Wu Yan and Wei Zhiyao stand still.

One old and one young, holding an umbrella, waiting at ease.

All of a sudden, the wind was blowing, the sea was surging, and the huge waves seemed to want to devour the luxurious cruise ship.

"Hum!"

The old man Wu Yan gave a cold hum, then raised his right foot and stepped on it gently. The originally tilted ship stopped the overturning trace.

With a slight stomp, the original roaring sea was calm again.

## Chapter 6297

A strong black wind swept over the ship, three or five wisps of black wind, merged into a shadow, standing quietly not far away from them.

"Miss Wei, here you are!"

Wei Zhiyao was a little surprised. As expected, she had a new face. It was different from that when she met in the office three days ago. She had changed her appearance.

But the old man Wu Yan on one side gave a strange sigh: "it's you!"

Although Wu Yan's memory has also been cleared, he has certain accomplishments. Now he is still on the same deck of the ship.

He remembered everything that had happened.

"Damn it, my memory is so passive!" Wu Yan's eyes were full of a sense of killing.

This trace of killing intention was cleverly captured by the demon Tianshi.

The demon Tianshi just gave a smile: "it seems that the old man still remembered it. It's really good!"

Today's demon Tianshi and two people meet, with the first time, the middle-aged man's appearance!

"However, this can't be your free capital!" Between the lines, the voice of the demon Tianshi became cold. Just gazing at it, the figure of the old man Wu Yan was hit hard.

A mouthful of blood gushed out, and the breath collapsed to the ground.

"You can really be superior to others on earth, but in my eyes, you are inferior to ants!" The demon Tianshi laughs. Under the middle-aged man's face, an evil smile rises.

"Enough!"

Wei Zhiyao stood in front of the old man and said in a deep voice to the devil heaven: "I'm following the agreement now. You can tell me your plan!"

Her eyes are firm, looking directly at the middle-aged people!

The demon Tianshi looked at Wei Zhiyao with great interest and immediately shook his head: "Miss Wei, should I say you are smart? Or do you think you're smart? "

This words, Wei Zhiyao eyes in a flustered look flashed, this scene, but was the devil Tianshi cleverly captured!

This time, it is the idea in his heart.

"Plan? I asked you to come here alone, but you didn't fully abide by our agreement

The demon heaven stone evil spirit smile, seem to anticipate what, in front of the void, gently way: "Ye Chen, come all come, shrink head tortoise's profession, isn't your style! You have the existence of Wuzu Daoxin and Lingxiao Wuyi! "

This speech, Wei Zhiyao secretly sigh a not good, he eventually revealed a flaw!

"You are so smart!"

Above the deck, a flash of thunder, I do not know when, ye Chen's figure is already proud in the void.

A trace of leimang seems to slip by Ye Chen's side, which adds a sense of dazzling to this indifferent man!

In fact, ye Chen has some accidents. He has never used the martial arts spirit of his ancestors and Lingxiao in China. He even demoted his martial arts and stopped using the martial arts of other countries. But does the other side see through his origin?

It's really unusual.

The demon Tianshi looked at Ye Chen in the void, smiling more wantonly: "do you think I can't find you if I hide my whereabouts in the void? It's still too tender. This girl's abnormal behavior has already betrayed you! "

Ye Chen is silent, looking at the middle-aged man who is nearly crazy below, his eyes are in, kill intention not to cover up.

Anyway, kill this tusk here today!

This guy is the core of the change of Chinese Aura!

"I knew you were there three days ago!" The devil's stone is still in front of Mount Tai, but the color does not change.

"What?" The evil spirit sky stone this words a, leaf Chen heart gush over a silk not good feeling.

"You're just a guy I've been playing with. As a starter of this game of chess, you're still to my taste!"

The demon Tianshi glanced at Ye Chen with disdain: "it's you, little girl. I'm kind enough to bless you. You take me as a fool to cheat me. Sooner or later, I'll let you know the end of offending me!"

He licked his lips: "you can't live, you can't die!"

"Ha ha ha ha ha!"

The wanton smile makes the thunder and lightning rampant over the sky become more violent. The demon Tianshi looks back at Ye Chen: "the next time we meet, it's your death time!"

"But before that, I'll take the life of the little girl!"

The devil Tianshi thunders, and is about to attack Wei Zhiyao!

"I Ye Chen's person, you have no qualification to move!"

Ye Chen's mind moves, and his spiritual power and laws urge him. In a flash, the figures of Ye Chen and Wei Zhiyao have changed their positions.

Ye Chen appears on the deck of the attack of the demon Tianshi, and smashes the attack of the demon Tianshi with one blow!

It's a shock!

The demon heaven stone evil spirit smiles: "when I have time, I will take your life again!"

Is still that a pair of Mount Tai collapse in front of and don't change color of facial expression, between words, ye Chen's left arm is already a punch to blow on the body of the demon Tianshi.

"Bang!"

Don't do any resistance of the devil heaven stone main door hard eat ye Chen a fist!

A big punch!

The body smashed into pieces and turned into a little black awn to dissipate and void.

"Ha ha ha ha ha!" On the void, that body recombines again, looking at Ye Chen to regret a way, "good means, unfortunately, my separation or weak some!"

At the moment of Ye Chen stop, no longer do meaningless attack, he knows, in front of this demon Tianshi, is not the original!

Since you dare to fight here, you should be in this sea area. Ye Chen put up his fist and stood in front of Wei Zhiyao, opening his spiritual consciousness!

"Why do you want to find my real body?"

"When you come from outside China, you want to guard China wholeheartedly. In China, I have mastered many rules. I am not weaker than you. I will fulfill that promise first!" The middle-aged man above the void licks his lips and stares at Wei Zhiyao.

"Looking forward to the next game with you!"

The figure slowly dissipated, ye Chen's eyes suddenly opened, the light burst out in his eyes, instantly dispelled the wind and dark clouds on the whole sea area.

Even the rampant thunder disappeared. In a flash, heaven and earth were bright and the sun was burning.

Ye Chen's figure shoots suddenly, and rushes toward the distance. He locks the position of the demon Tianshi. If he doesn't kill today, it will be hard to find his trace any more!

"Uncle Wu, take good care of Zhiyao. I'll go back!" Throw down the leaf Chen of a Dan medicine, fly toward the distance.

"Mr. Ye is really like a God in the dust!" The old man swallowed the elixir and looked at the back of Ye Chen. He couldn't help sighing.

.....

After a stick of incense.

Deep in the sea, in the ruins of a cave.

Ye Chen stands here, but his face is dignified.

On such a big stone, there is an inscription, "the game continues!"

"He still escaped!"

Ye Chen looks a little ugly. It's the first time he's eaten shriveled since he returned to the earth. He's been run away!

Chapter 6298

This guy's strength has not yet recovered, so he dare not fight ye Chen directly, but he is proud of being a super strong man and will never allow others to trample on him.

In that case

Ye Chen's plan suddenly came to mind.

.....

It's sunny and windy on the deck of the cruise ship Tianxing.

"Grandfather Wu, why hasn't brother ye come back yet? Is there anything wrong?" Wei Zhiyao kept pacing, looking very anxious.

Old man Wu Yan gently asked: "Miss, if you care, you will be in chaos. With Mr. Ye's strength, you can go anywhere on the earth."

"In other words, even if something happens to him, there's nothing we can do about it!" After seeing the means of Ye Chen's battle with the devil Tianshi, the old man Wu Yan felt a deep sense of powerlessness.

Is that the difference between God and man?

After all, the picture of Ye Chen floating in the void gave Wu Yan too much spiritual impact.

Wei Zhiyao heard the speech, thin lips bite, it seems that some unwilling, but helpless.

Just as they thought about it, ye Chen's figure flashed and returned to the deck again.

"Elder brother ye, that..." Wei Zhiyao saw that ye Chen was all right. First she was very happy, and then she asked about the situation of the demon Tianshi.

Ye Chen's face is dignified, lightly shook to shake head: "this devil is very cunning, escaped by him!"

Smell speech, the old man Wu Yan is also brow twist into Sichuan shape, after all, before the devil Tianshi left, said to Wei Zhiyao, he also heard.

Now the devil has escaped

"He can't escape from this sea area. I have other plans. These days, you are with me. This guy is everywhere!"

Ye Chen sinks a voice way.

"Well! By the way, brother ye, near this sea area is the coastal city of Haibei. I have a friend here. We can go to find her to stay for a while and stay at this sea area! "

Wei Zhiyao only heard let her follow Ye Chen step by step, the mood is naturally very happy, for the devil Tianshi words, she does not pay attention to heart, have ye Chen in, always give her endless sense of security!

"Uncle Wu, I need you to do something else. I'll stay by Zhiyao's side these days until I catch the devil Tianshi alive!"

Ye Chen told the way, the old man gently nodded, ye Chen personally guard, much stronger than his old bone!

The old man Wu Yanyu wants to turn around, but he looks at Ye Chen's meaningful eyes. It seems that he understands something.

"Mr. Ye, you must do it yourself when you tell me the old things!" Finish saying, he toward leaf Chen a body, step to leave.

At the same time, a wisp of black wind swept across the ship and left.

"Come on, Zhiyao, meet your friend and Haibei city!" Ye Chen eyes a turn, long breath, seems to be a stone in the heart temporarily fell to the ground.

Wei Zhiyao asked: "can you sail? Brother ye

Ye Chen pulled to pull corners of mouth, self-confident way: "Wu Bo opens to go back is, you follow me to walk!"

He went straight forward and took Wei Zhiyao's hand. They floated slowly to the void: "I'll take you across the sea!"

.....

That night, Haibei port.

"President Jiang, happy cooperation!"

A middle-aged man looks at the young woman in front of him. He has long hair and a shawl. He looks amazing and frosty. He is wearing tight jeans and outlines the full buttocks. His coat is a very common white coat.

But the white coat slightly raised in the middle, visible capital is how terrible!

This woman is like a rose with thorns, which makes countless people try to get close to her. But her real identity is the leader of Haibei city and the vice president of Jiangshi group!

"Mr. Wang praised me. In that case, please sign it!" Jiang Lengxi has an air of self-expression. There is no color of flattery in her words, even a little bit of cold color. This kind of iceberg beauty, but I still feel pity for her!

"Well, it's a famous iceberg beauty in Haibei city!" The middle-aged man laughs and takes out his pen to dance, but his eyes never leave the beauty's chest.

"In that case, it's a pleasant cooperation!" Jiang Lengxi light mouth, looking at the contract has been signed into effect, she got up to leave.

"President Jiang, it's not safe at night. Let me take you back!" The middle-aged man, who was called President Wang, had a beer belly and said with a smile.

Jiang Lengxi looked around, and the shouting continued in the busy market.

"I signed a contract in downtown, because you make me feel the most insecure!" As soon as the words came out, the general manager Wang looked extremely unnatural. Just as he was about to explain, Jiang Lengxi's figure was gone and disappeared at the end of the street.

"Humph, you cold bitches!" Mr. Wang made a few gestures, and several tattooed men at the other table quickly got up and pasted them in front of the middle-aged man, listening to whispers.

"Hey, hey... Don't worry, boss, it must be done!" After listening to the boss's instructions, the tattooed men raced to the alley where Jiang Lengxi had left before

Jiang Lengxi, walking in the alley with her hands in her pocket, suddenly heard the voice of her mobile phone. She took a look at the caller ID and said, "Oh? Have you come to Haibei city? Why are you still at the dock? I'll pick you up. "

With a few words, Jiang Lengxi, who has hung up her mobile phone, is about to turn back, but she bumps into five big men!

"Oh, sister, are you lost?" The head of the big man color Mimi looked at Jiang Lengxi, behind a younger brother whispered: "big brother, is this girl!"

The big man's eyebrows picked, and his smile became more wanton.

"Sister, follow me..." before the big man could say a word, Jiang Lengxi's figure was already moving forward quickly, holding the forefinger of the right hand pointing at the head of the big man in one hand, gently breaking back!

"Ah In the alley came the cry of a fierce man.

A moment later, looking at the five people lying on the ground wailing, Jiang Lengxi took out a white silk scarf and wiped her hands. Then she raised her hand and looked at her watch. It was late. She quickly walked out.

Her friend is still waiting to be picked up!

.....

In a few minutes.

A hotel presidential suite.

A fat man was wearing a bathrobe with a heavy look.

"What?"

Mr. Wang was shocked to listen to the report of his subordinates, and his face was incredible: "waste, five people, even a little girl can't take it?" The middle-aged man was angry, with an angry look on his face. He took off his trousers. Did you tell me that he didn't bring it?

"Boss, that girl has two skills. The brothers can't deal with her. However, the other side is not strong. If there are two more people, they can take her!" The head of the big black and blue man, wronged way.

Mr. Wang's face was uncertain. He never thought that Jiang Lengxi was still a practitioner.

.....

At the same time, the coast.

"Zhiyao, when will you come?"

Ye Chen, with his hands behind him, stood on the shore, and took back his gaze at the distant sea. He turned his head to look at Wei Zhiyao and asked softly.

Chapter 6299

Wei Zhiyao also said with a smile: "she's a busy person. Maybe she's delayed because of something. She should come right away!"

"It's already late at night. I'm afraid you'll catch cold. The sea breeze at night is not built!" Ye Chen throws his coat to Wei Zhiyao.

"Buzz, buzz!"

Wei Zhiyao, who was about to say something, heard the roar of the motor and subconsciously turned her head to look at it.

A bright dark black Mercedes Benz big G came from afar, the lights flashed.

"Speak of Cao Cao, and Cao Cao will arrive!" Wei Zhiyao smiles at Ye Chen Tiantian and waves to the Mercedes Benz in the distance!

Ye Chen is looking at that from far and near vehicle, also is to get up to walk slowly past.

"Zhiyao, I heard that you've had a good time recently!" When the car door rings, a young girl with long hair and shawl and a cool face comes into Ye Chen's eyes.

No one can imagine that this is the owner of Mercedes Benz big G.

Of course, what attracts Ye Chen's attention most about this girl is the footprints on her white coat at her back waist.

It depends. It's obvious that there was a conflict before I came here.

This girl, did she fight before she came?

When her thoughts were flying, Wei Zhiyao put her arms around the girl's waist and tried to hug her, but she pushed her away.

Wei Zhiyao doesn't like it either. After all, she has been a friend for many years, and Jiang Lengxi's character is cold on the outside and hot on the inside.

"Brother ye, this is my best friend Jiang Lengxi, the beautiful president of Jiangshi group in Haibei city." Wei Zhiyao gently smiles and pulls Jiang Lengxi to introduce Ye Chen.

"Leng Xi, this is Ye Chen's elder brother. He is so powerful that he has saved me several times..." Wei Zhiyao takes Jiang Leng Xi to talk about things, but he never leaves Ye Chen.

This attracted Jiang Lengxi's attention. What's Ye Chen's identity that can make Wei Zhiyao so interested?

She subconsciously toward the leaf Chen hope to see the leaf Chen's vision also looking back at her.

Four eyes meet, Jiang Lengxi is in the heart sniff: "originally is also a color ruffian!"

"There's something interesting about this girl!" Ye Chen Mou son a coagulate, discovered what, heart way.

.....

"After a long time, let's go back to your house. Leng Xi, there's no place to live tonight!"

Wei Zhiyao and her best friend were not at all out of sight. She hastened to say.

"Good!" Jiang Lengxi doesn't say much, just a light response word, glanced at Ye Chen one eye, self-care on the car.

"Brother ye, you don't mind, Leng Xi. She has this kind of character since she was a child. In fact, she is very warm-hearted!" Wei Zhiyao explained.

Ye Chen lightly a smile, also don't have many words, followed Wei Zhi Yao to get on the car together.

Soon, three people to a luxury villa area, ye Chen was placed in a guest room, then Wei Zhiyao took his sister to talk.

The night has no words, ye Chen lies on the bed, in the heart is still toward the strategy that aims at the Yin evil sky stone.

Where on earth does Yinmo Tianshi come from?

Why choose Huaxia?

What does he have to do with the separation of emperor Shitian?

How did he get hurt?

The next morning, a touch of dawn light tore open the silent earth.

Ye Chen, who has been sleeping all night, opens the curtain and looks out from the window sill on the second floor. A figure is doing morning exercises in the garden.

One move in one style, quite the style of the ancient martial arts.

Several sets of movements down, the girl began to sit cross legged, concentration and energy!

Ye Chen God knows a probe, feeling the rhythm on the heaven and earth, he suddenly opened his eyes!

"What's this?" Looking at the girl's action and the way of breathing, ye Chen is a little suspicious.

He got up and walked out, but met Wei Zhiyao who happened to go to the bathroom in his pajamas.

"Brother ye, are you so early?" Wei Zhiyao rubbed his sleepy eyes and asked.

"Zhiyao, your friend, can you practice the Dharma?" Ye Chen asks, Jiang Lengxi's cultivation method is obviously wrong, and he is still a novice. If he practices according to this situation, something will happen!

"She is an ordinary businessman. How can she know how to practice?" Wei Zhiyao is also at a loss. She knows a little about practicing skills. After all, Wu Yan has been teaching her.

Girls need to learn some simple self-defense skills, but Wei Zhiyao never pays attention to them. After all, the elder of Wu family in ancient martial arts has always been with her, and she doesn't need to do it in person. The old man is just like her.

After all, there is a pendant given by Ye Chen for self-defense. Generally, evil spirits can't get close to her.

"I see. Go to sleep. It's still early. I'll go shopping." Ye Chen said, then turned and left.

Wei Zhiyao didn't say much. After all, she was still sleepy at the moment.

Besides, she can't help what ye Chen wants to do.

In the garden, Jiang Lengxi is still kneeling.

Ye Chen's figure separated several meters away, quietly looking at her, did not disturb, after all, cultivation, the most taboo is this point.

It's not just talk about going crazy.

A few weeks later, Jiang Lengxi opened her eyes and coughed.

"Cough..."

"Do you know the mind method?" Ye Chen asks directly.

Jiang Lengxi doesn't speak, on the contrary, she looks at Ye Chen warily.

"The ancient martial arts cultivation method is not suitable for secular people. If you practice it wantonly, you will have problems. Moreover, your mental method is mottled and complicated. You should..." Ye Chen thinks deeply and wants to point out the girl. If you let it go, sooner or later, something big will happen!

"I've heard something about you from Zhiyao. Don't think that after being a soldier for a few years, you are qualified to tell me what to do. You know, there is a day out there!"

Jiang Lengxi gets up and looks directly at Ye Chen.

"There are many disadvantages in the mental arts of the ancient martial arts world. You try to gather your breath in the elixir field and nourish the whole heaven with the elixir field's luck."

"You'll get better as well!" Ye Chen kindly reminds a way.

Jiang Lengxi smell speech, turned away, no response.

"Charlatan, still use you to guide me how to practice?" This is Jiang Lengxi's first intuitive impression of Ye Chen.

She always felt that Wei Zhiyao had been cheated by this guy.

Back in the room, Jiang Lengxi is a little confused. She looks at the bruise on her abdomen in the mirror. It's just that she was hurt by the big man last night.

"It's strange that I've been breathing for several weeks according to the mental method. Why is the injury more serious?"

Jiang Lengxi is a little surprised. In principle, it is impossible for an expert to be wrong!

"Try what that guy says!"

In the mind suddenly recalled Ye Chen that old God in of words, although oneself don't think reasonable, but try, always is harmless.

"How?"

A moment later, Jiang Lengxi in front of the mirror exclaimed.

"Why? How effective is that? " Jiang Lengxi looks at the bruise in front of the mirror, which is much better than before. She can't help but wonder, who is Ye Chen?

Chapter 6300

"Anyway, he must be a bad guy. He has been a soldier for several years. How can he master the real cultivation of ancient martial arts?"

Jiang Lengxi takes a shower, puts on her clothes, and returns to the capable side of a strong urban woman. At eight o'clock, Ye Chen and Wei Zhiyao already have breakfast in the hall, so does Jiang Lengxi.

"Brother ye, do martial arts practitioners need to practice from childhood?"

Breakfast time, we have nothing to chat, Wei Zhiyao asked.

In fact, she asked this question completely because Ye Chen's battle with the devil Tianshi on the Tianxing yesterday was too shocking!

It's beyond ordinary people's understanding. No matter men or women, they all dream of becoming a martial arts expert.

"Er..."

Ye Chen didn't know why Wei Zhiyao suddenly asked this question, but he patiently answered: "practicing martial arts is about talent and hard work, but the more important thing is persistence. Practicing since childhood is just to lay a good foundation for your body, and many people are late achievers!"

"So, it's not absolute to practice since childhood!"

Ye Chen explains with a light smile.

"Well, I thought grandfather Wu was already very powerful, but now I find out that there are people out there, and there is heaven out there!"

Wei Zhiyao's eyes are full of worship.

Jiang Lengxi lowered her head to eat breakfast and said nothing.

"Wu Bo's strength is super strong on earth!" Ye Chen is also generous praise way.

He is telling the truth. Wu Yan really has the capital to be proud of many ancient warriors. From the fact that he stamped his feet to calm the waves yesterday, plus precipitation, one day he will be able to transform the Tao and break through the shackles.

Even the most powerful Lu Lingfeng in the dark hall is a little worse than Wu Yan.

Their only advantage is that they are young. Over time, they will certainly surpass them.

The speaker doesn't mean it, but the listener does.

"Super strong? How many strong people dare to go to Haikou? " Jiang Lengxi hears Ye Chen's comment on the martial arts of the earth today. She frowns and is not happy.

On one side, Wei Zhiyao looked at her best friend and said in a soft voice, "Leng Xi, do you also know martial arts?"

Jiang Lengxi just said with a bitter smile: "I'm not like some people who dare to assert the martial arts of China. It's just a glimpse of the way. It's far from understanding!"

After that, she held up the milk in her right hand and drank it all in one gulp. Yu Guang did not forget to glance at Ye Chen: "I dare not talk about the martial arts of the earth!"

"You haven't seen Leng Xi, brother ye and grandfather Wu. They are very powerful!"

Wei Zhiyao's eyes flashed, and her mind filled up the scene when they were fighting.

Jiang Lengxi is to slant a head to see a leaf Chen, this see to see to go, also have no what different place?

Even the breath is maintained at the stage of ordinary people. Even the breath of a strong martial arts man has never been flashed by him.

Ye Chen was first ruled out by him.

"Grandfather Wu? Is it the old man who's with you? " Jiang Lengxi asked. She had some impression of the old man. She met him in her early years, but now she has no memory of his appearance.

"Yes, he is very powerful. Ordinary people are no match for him. Of course, except brother Ye!"

Wei Zhiyao while eating breakfast, but still can not change the old problem, three words do not leave Ye Chen.

"You, that's the real martial arts school you haven't seen in China!" Jiang Lengxi just shakes her head slightly. This girl is still too simple. She has never seen anything in the world. Only then can she feel that a soldier's hairy boy and an old guy are powerful.

Of course, before she had seen the ancient martial arts world, she also felt that the champion of Sanda was the ceiling of combat power.

Until I came into contact with the ancient martial arts

Jiang Lengxi looked at Wei Zhiyao, as if she had seen herself before, when she was young and ignorant.

"You still haven't seen the world. There's an activity tonight. You're lucky to catch up. I'll take you to open your eyes!"

Jiang Lengxi picks up the paper towel in front of the table and gently wipes her lips. This is the way to Wei Zhiyao.

Ye Chen hears speech, still is eating the half piece toast in the hand, have no any reaction.

"Well, I can't hear you now!" Jiang Leng Xi Yu Guang glances at Ye Chen, who is still eating breakfast. He reads silently in his heart and pretends to be a ghost.

"Ah? Can you see a master who is more powerful than grandfather Wu? " Wei Zhiyao's eyes brightened and asked.

In her cognition, there will be some experts who are a little more powerful than Wu Yan. As for those who are stronger than ye Chen?

She thought about ye Chen, who is omnipotent, but forget it. The person who is better than elder brother Ye doesn't exist at all.

"Of course, it's true. When you come to Haibei City, I'll show you the real peak of Chinese martial arts!"

Jiang Lengxi confidently replied that she believed in this.

After all, I spent a lot of money and resources to get in touch with this circle!

"Oh? There are other activities like this? " When ye Chen hears Jiang Lengxi's chest beating, he is also in the mood to have a look. After all, he also wants to know whether there are really talented people in today's Chinese people.

"You don't have to think about it. People can't set foot in such places!" Jiang Lengxi light response way, mercilessly interrupted Ye Chen's fantasy.

Ye Chen touched a nose son ash, on the contrary is indifferent a smile: "that you go, I just have some other arrangements today!"

Joking, the whereabouts of Yinmo Tianshi are still unknown. At this time, how can ye Chen leave Wei Zhiyao half step?

In this way, it's just to give Jiang Lengxi a face. He can follow him secretly.

He didn't believe that there was any place in the world that could stop him.

Jiang Lengxi, though cold, is kind-hearted, which ye Chen can feel.

As for why the girl so respected the ancient martial arts school, this makes Ye Chen is also puzzled.

"Well, when I get off work in the evening, I'll take you to feel the real charm of Chinese martial arts."

Jiang Lengxi only when facing Wei Zhiyao, there will be a trace of smile on her face.

After breakfast, Jiang Lengxi went to work in the group, leaving Wei Zhiyao and ye Chen idle in the villa.

"Zhiyao, I have a plan!"

Ye Chen finds Wei Zhiyao and opens the door to the mountain road.

"Plan?" Wei Zhiyao has some doubts, "it's about that guy..."

Ye Chen nodded gently: "yes, I need to communicate with you in advance this time. The thing is like this..."

After hearing this, Wei Zhiyao nodded and exclaimed: "it's worthy of elder brother Ye Chen. In this way, the devil tianshibao can't really take the bait!"

Ye Chen raises a smile from the corner of his mouth. From his brief contact, ye Chen's understanding of the demon Tianshi is reflected.

He will never let Wei Zhiyao go!
