

Physician 6301

Chapter 6301

.....

Meanwhile, the dark hall.

"Did you get the message from the instructor?"

In the dark hall base at the moment, Lu Lingfeng dials Jin Lengyan's mobile phone, and the two are discussing countermeasures with each other.

"The devil Tianshi escaped by him before. The instructor must have a purpose. We just play the whole trick and follow the clues of the Yinbei sea area!"

At the other end of the mobile phone, the voice of Jin Lengyan came.

After hanging up his mobile phone, Lu Lingfeng looks at the information in his hand

"There must be a change in the sea area of Yinbei. If you find any clues, call me back immediately. The strength of Yinmo Tianshi is unfathomable. Don't move rashly. Everything is waiting for my instructions!"

Lu Lingfeng frowned and said faintly, "is it to divert the tiger from the mountain? Or will it be done? "

Ye Chen's plan, he has guessed nine times out of ten, is worthy of the dark hall new helmsman.

In this way, just act according to the plan!

.....

That night, Haibei city.

Jiang Lengxi's Mercedes Benz takes Wei Zhiyao to a street on the edge of the city.

"Although it's far away from the city, this golden street is famous for its downtown area!" Jiang Lengxi says faintly to Wei Zhiyao.

They walked side by side in the street, with several drunk people laughing or kissing with poles.

Wei Zhiyao is a man of thousands of talents. For the first time, she came to this place where all kinds of life are shown. She looks like a curious baby, looking east and West.

"Follow me. I'll be right there." Jiang Lengxi holds Wei Zhiyao in her hand for fear that she will be abducted. Ye Chen frowns in the dark. What can we say about this place?

It's nothing more than underground casinos. Is it gambling boxing?

Ye Chen guesses in the heart, but secretly still continues to follow two women, in order to protect its comprehensive.

"Here it is!" After seven turns and eight turns, Jiang Lengxi takes Wei Zhiyao to the door of a tavern, where there are already two big men waiting!

"Here comes Miss Jiang!"

"Hello, Miss Jiang!"

After seeing Jiang Lengxi again, the two men who obviously had a hangover still staggered up and bowed.

"It's said that the senior members of the Qin family are recruiting disciples here tonight. What's the matter?"

Jiang Lengxi asked the two drunkards.

"This..." two big men, you look at me, I look at you, it's Yusai.

"To be honest, Miss Jiang, we are only looking at the gate. We have no right to know what the big people are like!"

One of them scratched his head and his face flushed.

Jiang Lengxi was a little disappointed when she heard the speech, but then she heard the big man whisper: "however, today there is a big man, even our boss is bowing down to meet him in person!"

As soon as this remark came out, Jiang Lengxi's eyes brightened, "is this remark serious?"

Wei Zhiyao on one side looks like a curious baby, looking at Jiang Lengxi talking with several people, confused.

"Of course, I can't fake it. I saw it with my own eyes!" The man frowned and flattered.

Jiang Lengxi threw a few big red bills to the big man and took Wei Zhiyao into the door of the tavern.

"Thank you very much, Miss Jiang!" Behind them came the voice of thanks.

Wei Zhiyao followed Jiang Lengxi into the tavern, looked up and down and left and right several times, how to see is just a better decorated bar.

"Leng Xi, are you sure it's here? Is there an expert Wei Zhiyao also began to doubt her eyes.

Jiang Lengxi pulls Wei Zhiyao to a corner, sits on the sofa, and faces them with an elevator, which is closed at the moment.

"The boss of the Two Drunkards just now is the backstage controller of the bar. He is a famous expert in the whole golden street. It's nothing to say that he is one against one hundred. The grandfather Wu you mentioned should be a level expert!"

Jiang Lengxi analyzes that after all, the Wei family is a new financial group in China. It's great to hire experts to protect Wei Zhiyao!

"Like grandfather Wu?" Wei Zhiyao's eyes are full of light when she hears the speech! But some don't believe it.

There are people in this bar who can compete with grandfather Wu?

Wei Zhiyao began to make up the picture.

Jiang Lengxi continued: "even if it is such a person, today it is to meet another great power, it seems that the rumor is true!"

"What rumors?" Wei Zhiyao didn't know what to say.

Jiang Lengxi gently smile, here, she is no longer that high cold goddess, just a Wu Chi!

"Of course, it's the master who wants to accept the apprentice!" Jiang Lengxi's eyes are already enchanted!

Wei Zhiyao was not interested in it. She just joined in the fun.

"If I can succeed in my apprenticeship, I will be able to go to the world!" Jiang Lengxi is now incarnated as a Wuchi.

.....

At the moment, ye Chen is sitting in the tavern, staring at Wei Zhiyao and other two women's positions, some helpless.

They were naturally heard by him.

The tavern does have some atmosphere of cultivation, but he doesn't believe that the people behind the tavern can be compared with Wu Yan.

"Handsome, is it a person?" A coquettish woman in hot clothes comes to Ye Chen and flatters her.

That not honest lotus root arm still don't forget to hook in leaf Chen's neck, chest that heave of Ao ran, a rub a rub leaf Chen's arm.

"I'm not here to drink!" Ye Chen's vision is looking directly at a woman, light mouth way.

The woman's face turned white with this remark.

These women who often roam here are very familiar with this pub.

Because this is their paradise, no one dares to make a mistake here!

These women, who often mingle in this tavern, naturally know some people who can't be provoked.

Just like Jiang Lengxi sitting in the corner, no one dares to provoke her, just because they are underground warriors!

Now see ye Chen strange, this just came forward to chat up.

Unexpectedly by Ye Chen that sharp eyes, dissuade!

"Don't blame me, my Lord. I have eyes and don't know Taishan. I'll leave now!" Looking at Ye Chen's dusty eyes and outstanding temperament, the woman has no doubt about the authenticity of what ye Chen said.

After all, it's a physiological signal!

Ye Chen looks at the back figure that the woman leaves in a hurry, murmur a way: "it seems that this place has a bit strange!"

When ye Chen doubts, he finds that Jiang Lengxi and Wei Zhiyao wait for nearly half an hour and leave the sofa.

.....

"Zhiyao, follow me and get on the elevator!" Jiang Lengxi saw the opposite elevator door slowly open. In front of the door, a bald man with sunglasses looked around.

As far as you can see, pedestrians are nodding.

The man took back his eyes with satisfaction.

Jiang Lengxi went straight ahead with Wei Zhiyao.

"Chen Kang!"

Jiang Lengxi whispered the man's name. Hearing the words, the man took off his sunglasses and said, "Jiang Lengxi?"

"I'm going down. I haven't started yet." Jiang Lengxi directly opened the door to the mountain road.

The great man, who was called Chen Kang, also laughed: "it seems that you can't hide anything. Don't worry, master Qin has just arrived and hasn't started yet!"

"But you have to be ready!"

Chapter 6302

Chen Kang opened his mouth to remind him.

"Ready? What? " Jiang Lengxi was a little surprised.

Chen Kang is old God in, way: "do you think the master accepts apprentice so easily? In addition to outstanding talent, this is also indispensable.... "

At the end of his speech, Chen Kang twisted his right fingers gently.

"Don't worry, there are plenty of these belongings!" Jiang Lengxi affirmed, "if it can be done, it will not be without your benefits!"

After that, Jiang Lengxi handed the man a black card: "more help, for tonight, I've been preparing for a long time!"

"Ha ha ha ha!" Seeing this, Chen Kang burst out laughing, "it's all his own, easy to say, easy to say!"

At this time, Chen Kang caught a glimpse of Jiang Lengxi. There was a beautiful woman standing beside her. Her eyes were fixed and she said, "what's the name of this beautiful woman?"

Jiang Lengxi looked cold: "this is my friend! I hope you respect yourself

When Chen Kang heard the speech, he flashed a trace of displeasure on his face. He immediately covered it up cleverly and said with a smile, "don't blame Miss Jiang. Miss Jiang's friend is my friend. If you have something to do, just open your mouth!"

"Let's go down first!" Jiang Lengxi spoke.

Chen Kang smell speech, make way for two female, elevator door slowly close, two female figure disappear in Ye Chen line of sight.

"Is it underground?" Ye Chen gently chants a, the figure slowly disappeared in place.

Across the distance, Chen Kang suddenly watched a living man disappear. His whole body began to sweat, and he quickly rubbed his eyes.

"Son of a bitch, is it me who is blinded?"

Chen Kang determined that there was no one in that position. After several times of confirmation, he was relieved.

At this time, there is a little brother running around to report: "Dad, master Qin is ready, who will be here tonight?"

When Chen Kang heard the evil spirit of the speech, he said with a smile, "I prepared one, but it turned out that it was good. I got a pair and told Lord Qin that I had a surprise for him!"

.....

In the dark, a strong black wind blew. An old man in the corner of the tavern got up slowly and said to himself, "I think you can protect her for a long time! Jie Jie

"Now, it's almost done. At that time, ye Chen, I'll collect some interest from the women around you first!"

The old man looked at Ye Chen's disappearing figure. He got up and left the tavern slowly on crutches.

On the golden street, the old man looked at the jade plate in his hand and gave a smile.

"You guys are quite efficient. You can find the clue I left you so quickly..."

"Jie Jie!"

"There is another place, I don't believe you don't move, ye Chen, let your men speed up the progress!"

The figure of the old man slowly disappeared in the street.

.....

Meanwhile, the dark hall.

"Jin Leng Yan, the trace of Yinmo Tianshi has been found in Yinbei sea area!" Lu Lingfeng took the lead in dialing Jin Lengyan's mobile phone and told the situation for the first time.

"Then, according to the instructor's instructions?" Jin Lengyan asked tentatively.

Lu Lingfeng pondered for a long time: "the Lord of the temple has his own intention. If what I expected is not bad, you can also find clues there. First decipher it!"

"Good!" The last voice of Jin Lengyan came from the mobile phone.

Lu Lingfeng looked at the information from the members of the dark hall in his hand and said in a soft voice: "the Lord of the hall really expected things like God. Maybe it's really feasible in this way!"

.....

Meanwhile, inside the pub, underground.

"Leng Xi, is there another cave in this place?" Wei Zhiyao really opened her eyes this time. After all, Wu Yan was always there. She decided that it was impossible for her to come to these places.

"What's this? I'll let you see it later. It's a real master duel!"

After getting off the elevator, Wei Zhiyao found that the underground people were more crowded than the tavern above.

"Let's go to the auditorium. I've got a good position. I can see the challenge arena clearly!"

Wei Zhiyao followed Jiang Lengxi all the way to the front row. The whole middle arena is dozens of meters long and wide.

This is an arena that can hold thousands of people!

"Sir, this is my seat. Are you in the wrong seat?" A middle-aged man patted the man on the shoulder and said with a smile.

Ye Chen turned back and looked at the middle-aged gentleman in front of him. His eyes flashed slightly. He said faintly: "Mr. Wang, look at your ticket. It should be a mistake!"

The middle-aged man's eyes were obviously stunned at the moment when he looked at Ye Chen's eyes.

"Sorry to disturb you!" He turned straight away.

Ye Chen looks back and looks to Wei Zhiyao.

Isn't it an underground ring?

This also makes the two women very excited?

"Cough..."

Not long after, a middle-aged man in a Chinese shirt stepped onto the challenge arena. Everyone looked at the first crab eater and was curious.

"Good evening, fellow comrades. Today I come to the challenge arena for nothing else but to seek Tao with all my heart."

"Over the years, I have been immersed in martial arts and devoted myself to martial arts. I have gradually come into contact with the ancient martial arts world. I have developed a set of mental skills with my own understanding. With this blessing, I can break mountains and rivers!"

"Today, I'm going to show my ugly face on the stage. I hope that the strong people in the orthodox Chinese ancient martial arts world can give some advice!"

The man's long hair was tied behind his head. He looked like a Taoist. As he closed his breath, he spoke the truth.

"Drink!"

I saw that thin body, in a few breath began to soar, originally thin body, the next second is like sumo players like swelling up!

Surprisingly, the explosive muscles of the whole body can be called perfect!

"This blow can break mountains and rivers!"

The middle-aged man in Huashan blows on the ground of the challenge arena. He sees cracks spreading on the surface of the pure cement challenge arena!

The strength is so terrible!

The audience screamed incessantly!

"Zhiyao, look, this is the real master!"

Jiang Lengxi looked excitedly at the middle-aged man in the challenge arena, just like a thousand ordinary people, and began to scream. At this moment, she changed her old image of iceberg goddess.

One side of Wei Zhiyao is lips open, want to say something, but see excited Jiang Lengxi, can't bear to interrupt.

I can only recite it in my heart. Is that it?

But she saw with her own eyes grandfather Wu breaking the mountains and rivers, ye Chen floating in the world's amazing spectacle.

"Good!"

On top of the challenge arena, another loud shout came. An old man jumped up, turned 360 degrees in the air for three and a half weeks, and landed on the challenge arena in the standard gymnastic posture.

The old man first threw his fist at the middle-aged man and said in a loud voice, "this Taoist friend is really a smart Chinese. He can develop such skills with his own ideas!"

"Young and promising, really can sing!"

The middle-aged people are happy when they hear the words and give them a hug.

"This elder, is he also enlightened and created his own martial arts?"

Middle aged people dare not trust big, after all, the way the old man appeared on the stage, has told everyone that he is an expert!

"I'm not so talented. I'm in my 70s, and I'm so ashamed that I've made this leap."

Chapter 6303

Seeing the old man's body flash, he disappeared from the original place. Just when people were confused, he appeared in the last row of the audience.

Nobody can see when the old man acted!

"Great, great!"

Under the stage is a crowd of shouts and screams!

Jiang Lengxi looked back at Wei Zhiyao excitedly: "look, it's amazing!"

"It's out of ordinary people's eyes at all!"

Then there are several people coming on the stage to show their unique skills. The people who come on the stage are of different ages, but the means are endless.

There are all kinds of people who spit fire and water.

"No, I can't do anything. What can I do?" Now it's Jiang Lengxi's turn to make some troubles. People come here with their skills. She has a facial paralysis to watch the fun!

Wei Zhiyao didn't know why and didn't respond to these miracles at all.

"No, I have to show it!" Jiang Lengxi's heart began to brew.

Ye Chen looks at the strange operations on the stage. He can't help but blush. Is this a warrior in ancient martial arts?

How does it feel like watching a big magic reality show?

Are the things that play the family martial arts?

At this moment, ye Chen is really speechless. He wanted to explore the reality of Chinese folk experts.

Ye Chen at the moment in the heart five flavors miscellaneous Chen, according to these people's mental cultivation go on, sooner or later can't go crazy?

See that river cold Xi full of eyes to put light of facial expression, leaf Chen determination, can't let this wench go wrong again.

"Well?" Trance between, a wisp of weak fluctuation spreads, familiar feeling rushes to the heart, but the leaf Chen some don't remember.

"It's a familiar breath. I'm sure I'm an ancient martial arts practitioner!"

At this moment, ye Chen is sure that the scene is really special.

It's supposed to be the strong man in ancient martial arts who is supposed to accept apprentices!

"Chen Kang, the two women you are talking about are..." in a secret room on the observation platform, a middle-aged man about 50 years old asked the bald man.

Chen Kang's remote control switches back and forth little by little on the big screen. The picture is finally fixed on the jubilant Jiang Lengxi and the disdainful Wei Zhiyao.

"These two? Good looks The middle-aged man nodded with satisfaction, "do you know what kind of person I'm looking for?"

The middle-aged man gave a cold snort, full of airs.

Chen Kang flattered and said, "don't worry, Mr. Qin. These two women are absolutely virgins. I can guarantee them with my head on the neck!"

"Well!" The middle-aged man just showed a strange smile, "don't worry, after it's done, you can't do without your benefits!"

"This is the mental skill of the Qin family. Take it and have a look!" The middle-aged man threw an ancient book to Chen Kang. The man fell to the ground and kowtowed.

"Don't give me such a big gift. You are not my disciple!" There is a trace of impatience in the eyes of middle-aged people.

"Mr. Qin, after I have finished my study, can I use my skills like those in the challenge arena?" Chen Kang asked cautiously.

However, Mr. Qin snorted coldly, "what kind of goods are worth discussing with our Qin family? Although it's an outer door, it can be repaired to a great extent. It's better than the jugglers below

When Chen Kang heard the speech, his face was filled with ecstasy.

"Well, it's time for us to go out. Everything goes according to the plan. Those two women, I'll pass you one thing, but I can control her mind invisibly. I'll take the opportunity to accept her as an apprentice, and you can control her spirit!"

In Mr. Qin's hands, two silver needles as thin as hair appeared in Chen Kang's hands!

"Don't worry, Mr. Qin. Let's go down now."

Two figures, one before and one after, came out of the door of the secret room.

"Qin family, or this pair of dogs can't change the appearance of eating excrement..." Ye Chen takes back the spirit, shakes his head and sighs.

No wonder I feel familiar with that breath. It is the ancient Wu Qin family who was uprooted by Ye Chen for helping yuan Daofeng guard the spirit gathering array.

Now come here to cheat!

The real ancient Wumen system had a place before the Qin family.

Only after yuan Daofeng's death did he go into decline. However, the Orthodox practice system of the Qin family is enough to frighten these laymen!

Just as ye Chen sighs, Chen Kang has already taken Mr. Qin to the challenge arena.

For a moment, it attracted a lot of attention.

"You Taoist friends, the means you use today is to open your eyes. With your own understanding and perception, you can carry forward the martial arts to such a level. As an elder of the Qin family, I have never had it before!"

"Here, we still need to learn from you Taoist friends with an open mind."

Mr. Qin stepped on the stage in a humble manner, which was quite different from the frivolous appearance in the previous secret room. With a few words, he won the attention of thousands of people present!

"Did you hear that, the Qin family of guwu, which has inherited the orthodoxy of guwu for thousands of years, has existed since the first emperor's time. It's surnamed Qin. Shouldn't it be..."

"The elder of the Qin family is so modest and polite. It's really everyone's style."

There was a lot of discussion under the stage.

"Today, I come here to discuss martial arts with all the Taoists for one thing, and the other is to find a close disciple to inherit the mantle."

The whole audience was in an uproar!

The rumor is true. Master is here to accept apprentices!

A stone stirs a thousand waves!

"Mr. Qin, can you accept me as an apprentice?"

"Mr. Qin, I would like to follow Mr. Qin to the death."

.....

For a moment, the language of flattery filled the room. At this time, an untimely voice sounded:

"Well, Mr. Qin, can we have a look at your martial arts skills?"

For a moment, everyone was looking for the owner of the voice.

Looking around, everyone's eyes finally locked in the first row.

It's Wei Zhiyao!

"Er..." Jiang Lengxi looks at her best friend who has become the target of public criticism. She doesn't know what to do, but she still stands on Wei Zhiyao's side, after all, she brings her.

"My sister has no intention of contradicting the master. I'm also a martial arts man. I hope the master can convince us!"

Jiang Lengxi said.

People see this, but also reasonable.

Seeing that his two prey have been hooked, Mr. Qin is naturally willing to play with the two beauties.

Mr. Qin said with a smile, "well, I'll show you some real ancient martial arts. The most basic one is Wukong."

At the end of his speech, he slowly lifted his feet off the ground and began to float in the air!

Two women see, the eye dew essence light!

Thousands of people were staring at Mr. Qin, whose feet were off the ground and his feet were empty. All of them opened their mouths and no one spoke.

After a few breaths.

"My God, am I right?"

"People... Can fly?"

"Mr. Qin, I want to be a teacher. Please accept me as an apprentice."

There was a shout off the field, which led to the rhythm of the whole challenge arena. For a moment, there were many screams.

Jiang Lengxi saw this, but also full of fanatical color: "Mr. Qin, I want to worship you as a teacher!"

But the sound was drowned by the surging crowd.

Chapter 6304

At this time, Wei Zhiyao saw this, and there was a strange light in her eyes. She remembered the scene of crossing the Yinbei sea area with Ye Chen.

Mr. Qin on the challenge arena, with a look of immortality, is really envious of others.

"All of you, this is little Doyle!"

Mr. Qin's words made everyone present petrified on the spot.

"Sir? Can there really be a God in the world

This is a question that lingers in everyone's mind. When I see the master of Qin family in the ancient martial arts world today, how can I not be excited if I can jump into the void?

"The words of this Taoist friend are partly confidential." After pondering for a long time, Mr. Qin said, "I'm not the orthodox descendant of the ancient martial arts. I really have no comment on this secret. I'm sorry!"

Mr. Qin has a look of regret.

"No matter, master has his own difficulties, we dare not force it!" The man under the stage answered.

The coming and going brought the atmosphere of the scene to a climax, and even Mr. Qin's identity was real!

Living immortal!

All the people present looked at the master Qin on the stage with admiration. For a moment, everything was quiet, waiting for the master to speak.

"It's a small Dao to jump into the void. What's the main road, sir?" Jiang Lengxi thinks again and again, offends to open a way.

"Little girl, even if you can't do anything about it, how dare you talk about it?"

An old man snorted coldly. He felt that Jiang Lengxi, a yellow haired girl, was a little too impetuous!

Jiang Lengxi was scolded by her self reliant predecessors. She blushed and said nothing.

"How can you talk like that?"

Wei Zhiyao doesn't want to. She hates this kind of person. She used to be the father of the Wei family, but now she is the one who meets by chance.

"Well? Who's the girl who's here The old man looked up and down at Wei Zhiyao. He was an ordinary person, without any breath fluctuation. On the contrary, Jiang Lengxi had a little spiritual power all over her body.

"Psychic power, the law of psychic power..."

Ye Chen murmured to himself. It seems that the practitioners on the earth have a long way to go if they want to reach the peak.

Jiang Lengxi pulled Wei Zhiyao in a hurry. With a look in her eyes, she motioned her to shut up. She turned her head to the old man and said, "I'm really sorry, elder. My friend is a worldly lady. I'm spoiled. I hope Haihan is still alive!"

After all, the strong are the best in martial arts!

"Hum!" The old man didn't embarrass them either. He just snorted and turned his head.

"Good question from the girl!" Mr. Qin had been quietly looking at Zhang Lengxi under the stage. They argued with the old man and did not interfere.

It is to give the old man enough face.

At this time, standing up to praise Zhang Lengxi openly means that I am on this side!

This word made Zhang Lengxi look very happy. In a moment, the tall image of Mr. Qin suddenly raised several levels in the girl's heart!

The old man who had previously satirized Zhang Lengxi and Zhang Lengxi saw that the situation was not quite right, so he had to smile and act as an embarrassment.

Mr. Qin's action has already given him enough face. He didn't refute it on the spot. He has full demeanor. Everyone present knows it.

Then Mr. Qin continued: "speaking of the cultivation of martial arts, I agree with the little girl's question. The most important thing for those who practice martial arts is Tao Xin!"

Mr. Qin's eyes were fixed and he spoke slowly.

"Tao Xin?"

There was another murmur of discussion in the crowd. This time, Mr. Qin did not give you too much time to ask questions

"Every martial arts practitioner is going for the ultimate goal!"

"Dare to ask if there is a God in the world, I can say that God is in the heart!"

He answered the first question from the side.

"It's true that the most taboo thing in cultivating martial arts is to aim too high. At that time, the Taoist friend was right!"

Mr. Qin looked back at the old man who had previously denounced Wei Zhiyao and her two daughters, with a faint smile.

The old man also gave a fist in return.

"The deep meaning of this sentence is that to cultivate martial arts is to cultivate the mind. If the mind is not quiet, it is difficult to be elegant."

"To have a firm goal and strive for it is called Dao Xin!"

"If the heart of Tao is not broken, the road ahead will not stop!"

Mr. Qin opened his mouth calmly, and immediately looked at Jiang Lengxi's second daughter: "as for the avenue that you little girl said..."

Based on this, Jiang Lengxi's eyes are more eager, and finally want to answer her question?

Mr. Qin didn't go on to talk about it in detail. Instead, he closed his eyes, but everyone could feel that the spiritual power in his body was flowing!

"This... This is spiritual power?"

"The spiritual power of substance?"

After all, what they are practicing at the moment is the little spiritual power that is nurtured between the heaven and the earth. The powerful spiritual power like Mr. Qin can never be cultivated by hovering and meditating overnight!

I saw him drink, the whole body of spiritual power spread, nearly a thousand people were all around him by the powerful wind.

"This..."

"Is this the pressure of martial arts practitioners?"

"The whole body breath is so strong?"

Looking at the crowd, Mr. Qin nodded with a smile and waited quietly.

Not surprisingly, nearly a thousand people, including Lengxi Wei Zhiyao of Tongjiang, have highly praised Mr. Qin's means to the extreme!

"Mr. Qin, I'd like to follow you to the death."

In the same sentence, the scene is quite like the rising sun of the East, the leader of the Oriental sect, who was invincible for thousands of years, unifying the river and lake.

Jiang Lengxi, regardless of the scattered hair that was blown by Mr. Qin's authority, quickly got up and couldn't take care of the dust on her body: "Mr. Qin, please accept me as an apprentice!"

Wei Zhiyao doesn't have much interest in the apprentice, and she looks at Jiang Lengxi pleading with the man surnamed Qin. She gets up there and slaps the dust on her clothes. She just fell a fart. It's really painful!

Mr. Qin saw things develop according to the script, and even prevented Chen Kang from controlling his spirit. These two little girls are on the pole to follow?

Isn't that beautiful?

He gently winked at Chen Kang and motioned to his subordinates not to move. He had his own ideas!

"You are a girl who is not good at means, but you are full of spirit and bone. Would you like to be my close disciple?"

Mr. Qin waved his sleeve and stared at Jiang Lengxi!

"Ah?" Jiang Lengxi was stunned on the spot for a moment. After all, happiness came too suddenly!

Wei Zhiyao is also a Leng, has not started, this is about to end?

But Mr. Qin stood up on the challenge arena and said with a smile, "why? Are you still happy? "

The smiling Mr. Qin is quite immortal!

"Miss Jiang?"

"Why are you in a daze? Come on, master!"

Chen Kang reminded him that Jiang Lengxi had recovered from her excitement and ignorance. She quickly took Wei Zhiyao to the challenge arena and knelt down!

Chapter 6305

Mr. Qin smiles frankly and feels at ease to receive the gift of the second daughter. However, the unexpected scene happened.

"Why should I worship him?"

Wei Zhiyao curled her lips, reluctantly, even a little disgusted!

"Grandfather Wu is very good. Besides, he doesn't want me to be a teacher at will." At this time, Wei Zhiyao was still standing on the challenge arena.

This move made Jiang Lengxi, who was full of joy, feel embarrassed. She quickly pulled Wei Zhiyao's sleeve: "Zhiyao, don't talk nonsense. This is the orthodoxy of the ancient martial arts world. She is a real master!"

"How happy your grandfather Wu is to know that you have worshipped the immortal as your teacher!"

Jiang Lengxi explained.

"But..." what else did Wei Zhiyao want to say, but she was dissuaded by Jiang Lengxi's "fierce" and resentful eyes.

Jiang Lengxi came forward and explained to Mr. Qin, "master, don't blame me. My sister is a secular miss of the Wei family. She's spoiled and spoiled. She hasn't seen such a scene. I'll let her pay for it!"

"Zhiyao, don't apologize yet!"

Jiang Lengxi turns her head and stares at Wei Zhiyao. However, Wei Zhiyao still wants to give Jiang Lengxi face, otherwise she really can't get off the stage!

"Mr. Qin, it's my fault. I'm sorry." With that, Wei Zhiyao bowed gently!

Unfortunately, the White Tiger Pendant given to Wei Zhiyao by Ye Chen is now from Wei Zhiyao who bows down and slips out of her collar!

Mr. Qin felt an inexplicable breath, immediately restrained his mind, gently laughed and shook his head: "no matter, who is not a little princess!"

This remark caused thousands of people to laugh.

"If Mr. Qin is really generous, he has a great family style!"

"It turns out that it's the gold of the Wei family. It's really gratifying that Mr. Qin has such a disciple, and he's even more powerful!"

"What do you say? What is the Wei family

"Don't you know? The new financial group of China, Wei family! That's the existence of a rich country! "

Although the spectators here had been immersed in martial arts for a long time, they were inevitably secular. Naturally, the Wei family was an unavoidable topic.

After all, it's not easy to say that the family of these monsters is rich!

The voices of all the people's comments naturally fell on Mr. Qin's ears. After several thoughts, a trick suddenly came to his mind.

"Two wenches, the teacher worship ceremony is free!" Mr. Qin said with a smile.

This is a pun, meaning is self-evident.

On the first floor, five bodies kneel down to worship, you don't have to do it!

On the second level, teachers should give gifts to their masters, which is also called "teachers' gifts". The implication is that I can not, but it's up to you whether to give them or not!

Jiang Lengxi, the vice president of Jiangshi group, who has been working in business for many years, naturally recognized this meaning and said:

"Master, etiquette can be avoided, but not abandoned!"

"The crowd is noisy. I didn't bring my gift. I'll send someone to pick it up later."

Jiang Lengxi bows and whispers.

But Mr. Qin pretended to hate iron but not steel: "you girl, you really can't help it!"

Then he shook his head helplessly and said with a smile.

Jiang Lengxi's words are really seamless. The pressure at the moment is on Wei Zhiyao. In full view of the public, you two apprentices have to express it, right?

Mr. Qin naturally felt the atmosphere of the scene, and Jiang Lengxi was a little flustered. The purpose of her coming here is to take Wei Zhiyao to see the world. What's the preparation?

What she said just now was just official.

At the moment, I suddenly remember that I left Wei Zhiyao behind!

The opening will explain, "is like this..." the words haven't export, but is stopped by Mr. Qin waving hand, interrupted.

"Zhiyao, right? I told you two girls that it's not necessary to worship teachers. Although I'm a member of the world of mortals, I've long been beyond the world of mortals. Today, I see your pendant... "

In the dark, ye Chen chuckles and dares to play for a long time. He has taken a fancy to the White Tiger Pendant. However, although he has never seen it before, he can feel the extraordinary of it. After all, the breath of the white tiger is not so easy to hide completely. Anyone who has a little way can see its extraordinary.

Wei Zhiyao quickly put the pendant back to her chest: "no, no, you can't give it to you as much as you want."

Once this remark was made, the audience was speechless for a while.

Mr. Qin was somewhat embarrassed. After all, so many people were present. Fortunately, his eyes turned: "what do you think of this girl?"

He tapped Wei Zhiyao's forehead with his fingers.

"You think I'm old enough to be disrespectful? It's just a pendant for you. It's a very dangerous thing. I'll put a seal on it for you to ensure your success and prosperity! "

Mr. Qin's analysis of the old God.

"It's true that I love you so much. Mr. Qin is really a mortal!"

"Good man!"

People all thumbed up to praise Mr. Qin.

"This white tiger is an ancient evil thing. It's very dangerous to kill it. If you are a girl carrying this thing, you will be in trouble. I can help you refine it!"

In the dark, ye Chen is unmoved. Can he refine?

The first half of the sentence is true, it's really a fierce thing, but ye Chen has already wiped out the disaster. The second half of the sentence is purely for the purpose of robbing the treasure!

"It doesn't take too long. It only takes three days to refine the evil substance. By the way, Zhiyao, where did you get it?"

Mr. Qin continues to induce, trying to abduct Wei Zhiyao and seize the White Tiger Pendant in full view of the public!

These treasures may help you to break through the realm!

But Wei Zhiyao was not moved: "no, no, this is Ye Chen... Elder brother Ye gave me something to protect my body. He told me that no one could touch it!"

Mr. Qin's face changed greatly with this remark!

"What do you say, ye Chen?"

"You mean the pendant Ye Chen gave you?" Mr. Qin's eyes are fierce and heavy.

Wei Zhiyao nodded: "what's the matter? Do you know brother ye?"

On one side, Jiang Lengxi heard the questioning attitude of the master's tone, and immediately said, "master, ye Chen has come with my sister Yao these days, so she's staying in my house for the time being!"

Mr. Qin inquired about ye Chen's appearance in detail. Listening to Jiang Lengxi's description, his face became more and more embarrassed!

"Did he come with you today?"

Mr. Qin asked what he was most concerned about.

Jiang Lengxi shook her head gently: "never! He wanted to come here, but he was declined by his apprentice! Only my sister and I are here today

Mr. Qin was relieved when he heard the speech, but he realized that he was in front of thousands of people. He pretended to ponder: "according to your description, it's really Ye Chen himself!"

Chapter 6306

"Oh? Master, ye Chen, he... "Jiang Lengxi has been curious about ye Chen for a long time. His unique cultivation idea has also instructed him to practice. Even master, as the orthodox of the ancient martial school, knows his name. It seems that ye Chen has another identity!

In this way, it makes sense!

After listening to Mr. Qin's silence for a long time, he said slowly, "don't contact this tusk again. This demon will kill you!"

"Ah?"

Hearing this, Jiang Lengxi and Wei Zhiyao are all staring at the pupil, eyes filled with incredible expression.

"Brother ye? The devil Wei Zhiyao's eyes widened. "Old man, did you make a mistake?"

Mr. Qin was slightly embarrassed when he heard that he was not a good-looking man, but he was also elegant. Although he was over 50 years old, how could he become an old man?

His expression was obviously displeased. Seeing this, Jiang Lengxi quickly came out and explained: "master, is there any misunderstanding? Although I don't know much about ye Chen, from the contact in recent days, although it's a little strange, it's said that it's a devil. Maybe..."

Jiang Lengxi is also a matter of fact, ye Chen is the devil?

It doesn't look like it.

"You are all hoodwinked by him. This pendant is used to suppress your evil things!" The essence of Mr. Qin's eyes flashed, "the white tiger is an ancient god. He used it to kill all the Qin family!"

The whole audience was shocked by this remark!

The Qin family in guwu was destroyed?

"Originally this is my secret of ancient martial arts, but I can't bear it when it comes to Ye Chen. I'm an old bone, and I'll take revenge on him sooner or later!"

It's true that the Qin family was destroyed. It was originally a false news released by yuan Daofeng for the purpose of gathering spirit array. Over time, it spread!

After all, it's true that the great guwu Qin family is in decline, and the family members are missing for no reason.

Later, after ye Chen suppressed the Qin family and killed the head of the Qin family, the remaining members of the Qin family had already been included in the state secrets. Of course, these are the real secrets.

Now this old guy, unexpectedly blame Ye Chen for these two things, and he is really ambitious.

"Master, this..." Jiang Lengxi is hard to accept. After all, she still has breakfast face to face with Ye Chen in the morning. If she is really a devil, her attitude towards Ye Chen is enough to kill her thousands of times!

However, what Mr. Qin said is full of tears and personal experience. In front of thousands of people, it's not like cheating!

"Well, I think you are the devil!" Wei Zhiyao understands that these guys are the real bad guys. She wants to frame Ye Chen. In her eyes, she already regards Mr. Qin as the devil of Tianshi!

"Eh, you little girl, how can you be so ungrateful? You are blinded by demons. Your master is trying to save you. Please hand over the pendant quickly!"

Someone yelled off the field.

After hearing someone speak, Mr. Qin has finally achieved the goal of public opinion!

As long as the wall is down and everyone pushes, it's safe!

"Zhiyao, listen to master's advice, give me the pendant and let me refine this tusk!"

Mr. Qin opened his mouth at the right time and exerted pressure.

Wei Zhiyao saw a thousand, I'm afraid it's too much to argue, she understood that she was trapped by the enemy!

Although Jiang Lengxi is suspicious, she still resolutely stands beside her best friend Wei Zhiyao in the general interest. It's too arbitrary to define Ye Chen as a demon just by imagination. There must be something strange about this matter!

"Master, Leng Xi, please be aware of it!" Jiang Lengxi also began to dissuade Mr. Qin.

Mr. Qin waved his sleeve: "you are really blinded by demons. Chen Kang, exorcism needle!"

"Ah Chen Kang looked at the scene in front of him, listening to the story he was still talking with relish, but did not want to be called the next second.

"Exorcism needle, what needle?" Chen Kang is a little dazed. When will he give me the exorcism needle? But looking at Mr. Qin's expression that he was about to blow his beard and stare, he realized that it was a Dementor needle!

In this way, you can use the gimmick to make a fair move!

What a deep calculation!

"I understand!" Chen Kang nodded gently, two silver needles appeared in his palm, and he pinched them at his fingertips. "I'm sorry, you two. Mr. Qin will get rid of the demons for you."

"Shua!" Two slender silver needles break through the air and go straight to Jiang Lengxi and Wei Zhiyao!

Just as the silver needle was about to touch them, a dark shadow flashed by.

And the silver needle seems to be controlled by some divine power!

So suspended in the world!

.....

"Well?"

Mr. Qin only felt a trance. In front of Jiang Lengxi and Wei Zhiyao, there was a shadow standing in front of them.

"Brother Ye!" Wei Zhiyao's surprise voice came. A second ago, she was almost anxious to cry, but now ye Chen is here. For her, it's full of security!

"You..."

Mr. Qin saw that two silver needles were stopped by Ye Chen, and this familiar face again. He was really flustered. The scene of Ye Chen's iron blood suppressing the strongest of the Qin family in Jiulong Mountain is still in sight!

"Why, I'm in front of you. Don't you want to explain something?" Ye Chen raises Mou son, soft voice asks a way.

The previous rumor smear, now I am here, come on, explain!

Seeing that the situation was not good, Chen Kang yelled: "you Taoist friends, this tusk is wild, and he is trying to kill the master of the Qin family. Thousands of people like us join forces to kill this Tusk and return the world to heaven and earth!"

Don't tell me, the people who don't know why are eating melons are really eating this set. Thousands of people are angry, and they want to fight against Ye Chen!

What explosion muscle, big change living person and so on of the side door left and right way pack together, one head ground throws toward Ye Chen!

"Alas! Public opinion is a terrible thing

Ye Chen sighs and points out that the challenge arena, which is made of pure concrete and steel bars several tens of meters in length and width, is cut by Ye Chen's waist!

"Bang!"

A loud noise, dust, smoke filled the entire venue!

"Come on, Qin, give me an explanation today!"

Ye Chen's negative hand stands on the void, overlooking the common people and opening his mouth gently.

.....

meanwhile.

In the monitoring room, a man with gold glasses got up and said to the strong man in suit and shoes behind him: "boss, someone is stirring up. This man named Ye Chen has some strength. Do you follow the original plan?"

The boss behind the man was still unmoved.

"Boss?"

The man tentatively asked again.

But the strong body was shaking wildly. When the man saw this, he also kept silent. Did he know that his boss was on fire, which was enough for him to drink? Like Ye Chen's means in monitoring, the boss could do it!

After a long time, the middle-aged man sighed: "the original plan can be cancelled, just wait and see what happens!"

Chapter 6307

"Cancel? Will the scum of the Qin family not be killed? " The man widened his pupils and looked at the burly man in front of him strangely.

"He has offended the Lord of the temple. He won't live long. Come with me!"

The burly man wiped a drop of tears from the corner of his eye and turned to ask the man to follow quickly.

"Lord? What's the matter... "The man with gold glasses was also full of doubts, but he didn't dare disobey the boss's orders.

.....

At the moment, Mr. Qin was so scared that he sat down on the ground. His posture seemed to be scared out of his courage, and he was just about to purge the yellow and white things in that place!

Of course, they are all martial arts practitioners. No matter how frightened they are, they still can't reach that level.

"Mr. Ye, I..."

Surnamed Qin at the moment is really a hundred words, this is what those two wenches said, ye Chen not to?

That's good. I've just discredited others, and I'll be killed!

Thousands of people in the field were shocked by Ye Chen's crushing power. Who is not afraid of death?

At the moment, who dares to shout to catch Ye Chen again, that is really dying.

Even one side of Chen Kang see, is kneeling on the spot, bowed his head, dare not look directly at Ye Chen, for fear that this big man also give himself a finger!

I'm joking. Maybe the other person's thoughts are enough to make him disheartened. Who dares to provoke such characters at the moment?

"Give you a chance to explain it clearly!" Ye Chen shrugs his shoulders, looks indifferent and doesn't care.

"Brother Ye!" Wei Zhiyao gently pulled Ye Chen's sleeve behind him at the moment. At this time, ye Chen noticed that all the people in the field were looking into his eyes. What he didn't hide was the endless enthusiasm!

Even Jiang Lengxi, at the moment looking at Ye Chen's eyes are indescribable worship!

People who practice martial arts should respect their strength!

This sentence is an unchangeable iron law for thousands of years. In addition, the man in front of him looks ordinary, and there is no spiritual power around him. He is even so young, so he has such means!

Ye Chen takes back his eyes. At the moment when he starts, he knows that today's limelight is certain. It's better to accept it.

"This white tiger pendant will be coveted by others. Don't be seen by outsiders. Some people who are interested in it will take this opportunity to make a fuss!"

On the surface, ye Chen said this to Wei Zhiyao. In fact, he knew everything he knew!

"Well! I see, brother Ye! " Wei Zhiyao nodded cleverly.

"So some people, should they give me a reasonable explanation?" Ye Chen spoke again.

The middle-aged man of Qin's surname saw that ye Chen's spearhead pointed directly at himself, and he didn't intend to let him go. His fear spread to his heart.

The next second, he kneels, "Dong Dong Dong" to Ye Chen began to kowtow, the sound bursts into the heart.

"The Qin family is so rebellious that they deserve to die. They slander Mr. Ye. You have a lot of them. Please spare me a dog's life!"

All the people on the scene looked at Mr. Qin with disdainful eyes. Compared with the look before that, it was very different!

After all, in the world where martial arts are the most respected, the most despised is the grass on the wall, the soft bones.

"It seems that on the day when the Qin family was eradicated, you should be at the scene. You've seen me!" Ye Chen light mouth asks a way.

"Yes, I was there that day too!" Had it not been for the miserable situation of the Qin family leader that day, he would not have been frightened by Ye Chen's appearance!

"What's your name?"

"Qin Kun."

"That day, all the remaining evils of the Qin family should be taken away by the dark hall. How did you escape?" There was a chill in Ye Chen's eyes. I hope his judgment will not come true!

"This..." Ye Chen one by one simple questions induce Qin Kun to answer truthfully, but unexpectedly fell into a chain.

A bowl of sweat dripped from his forehead, struggling several times, but he didn't open his mouth!

"Say it The oppressive feeling from ye Chen makes Qin Kun's whole body sweat, but he just stands up and doesn't say a word.

"Dark hall?"

"It's said that this dark hall is a mysterious organization. It's carrying out top secret missions!"

"And there is such an organization?"

"There are all ancient martial arts circles, and the dark hall is the ancient martial arts force under the official control. Do you understand that?"

"So ye Chen is really a good man?"

"Nonsense, that's for sure! We've made a mistake. It's the Qin family that has a problem! "

.....

Most of the people under the stage have been in touch with the cultivation of martial arts. They have heard about the dark hall. Now ye Chen has confirmed that it really exists, but he has proved his innocence!

"I can't see that you dare to stand up like a wall grass. It seems that you have something in your hand..."

Ye Chen's words reveal the mystery. Qin Kun's eyes toward Ye Chen are full of complicated colors.

See ye Chen palm a wave, that Qin Kun's figure unexpectedly is in full view of the public, disappeared in the original place!

"Disappeared?"

"No, he should have been imprisoned by Mr. Ye in some way, and then waiting for the investigation!"

"This kind of means can be called a magic stroke!"

"This..." Jiang Lengxi, who has been standing on one side with Wei Zhiyao, is stunned. On this day, she has experienced too many incredible things.

First, the master of the Qin family revealed the inheritance of ancient martial arts. Later, ye Chen proved that he was a traitor who swaggered and cheated. Next, ye Chen, who he once despised, showed his outstanding demeanor

For a moment, she doesn't know how to face Ye Chen!

Above the auditorium, in a corner.

The man with gold glasses stands side by side with the burly middle-aged man. He also heard Ye Chen's interrogation before.

"Dark hall..." others don't know, but as a confidant, he knows that his boss, the real owner behind the whole venue, is from this organization.

"Met a colleague?" Men secretly doubt, but they dare not ask, because their boss is not very stable at present.

He carefully raised his eyes and glanced at the trembling middle-aged man!

.....

The screen turns.

"Let's go!"

Ye Chen turns his head to two women and says hello in a soft voice, even if he wants to leave.

"Wait a minute!"

Just then, in the corner on one side of the challenge arena, a genteel and easygoing looking man came out of the dark. He gently lifted his gold glasses with his right hand, a gentle look.

"Sir, this surname Qin is what our eldest brother wants. Can we return it?"

"In addition, you and my boss have cause and effect, so you don't need to pay for the damage here!"

"After handing over the person, you can leave by yourself!"

That man is to pour however a smile, have no nervous meaning at all, looking at that by a finger neat cut of challenge arena, seem to have some play flavor.

"Who is he?"

"Why so rampant?"

"Shh, you don't want to die. It's the first time you've come here. This man is the head of the whole meeting hall!"

"There is a mysterious master behind him, ye Chen's means, who can also do it!"

.....

Chapter 6308

The words and deeds of the audience, a lot of comments, in Ye Chen's ears, there is not too much effective information!

"I want to take Qin Kun away. I'm sorry. I can compensate for the damaged arena according to the price!"

"As for the cause and effect you said, I'm afraid you are mistaken!"

Ye Chen is also polite response way, but that tone, but there is no doubt that the meaning, he turned to signal two women, go together!

As for who is the owner of the meeting hall and who is the cause and effect in his words, it has no meaning to Ye Chen.

At this time, a burst of breath came!

Ye Chen's eyebrows wrinkled. First, there was a flash of light in his right palm. A soft wind wrapped Wei Zhiyao and Jiang Lengxi's two daughters, blowing them out, away from the ring.

The next second, a strong man wearing a mask pounced on Ye Chen with the speed of a cheetah!

In a flash, it seems that there is a feeling of wild beast!

This is the real warrior of the earth. Qin Kun and the strong man in front of him really want to fight. I'm afraid they will be ripped on the spot if they don't have three moves!

But unfortunately, he met Ye Chen!

See the figure that pounces and comes with a right fist to bombard with all one's strength, but ye Chen's figure doesn't move like a clock, a side body with delicate radian Qiang Qiang Qiang evades a blow, when that strong man is stupefied, it is to lightly clasp the wrist that has the arm thick, lightly throw, throw it out!

Real four two dial thousand jin!

The beast like man was thrown and flew more than ten meters. Qiang Qiang stood at the edge of the challenge arena, but he didn't get any substantial damage!

"Interesting

Ye Chen has a smile on his mouth. His explosive attack and his unique symbolic figure have already seen through the identity of a strong man!

"Go on!" Ye Chen said softly.

Now ye Chen just thought, just now that man said the cause and effect is what meaning.

The dangerous beast at the edge of the challenge arena leaped up, leaped to the top of Ye Chen, and with the help of inertia and impact, hit Ye Chen head hard with one foot!

The foot containing endless spiritual power, step down hard!

Ye Chen does not dodge, but gently raises his right arm to block!

"Bad, this ye Chen is too big, this blow, will have an accident!"

"It's over!"

At this time, they all closed their eyes and did not dare to see the next scene. What they expected was that ye Chen would be a pool of meat mud under this foot.

Even Jiang Lengxi couldn't help exclaiming. Her pretty face turned white and her hands covered her mouth tightly!

Wei Zhiyao is the only one with a calm face. After all, she has experienced and seen Ye Chen's more terrible battle. If it wasn't for the atomic bomb, she would never believe Ye Chen would lose.

Even if it's a weapon of that level, it won't hurt him!

This is Wei Zhiyao's confidence in Ye Chen!

"Boom!"

The huge roar shook the whole venue, and nearly a thousand people were overturned by the afterwave of this foot.

In the tavern on the ground, a group of young men and women for entertainment rushed one after another, shouting: "earthquake, help

The dangling crystal chandelier fell heavily and knocked seven or eight drunken people unconscious. For a time, everyone within a few hundred meters felt a strong earthquake!

And now in the underground meeting hall, looking back at the large challenge arena more than ten meters deep, under this blow, it has been shocked to pieces!

You know, it's a real arena of reinforced concrete pouring. It's the aftershock of a foot, not the crack!

Small pieces of gravel splashed up and shot in all directions, and the people under the stage suffered. Although most of them had their own skills, the stones still beat the people black and blue!

"Is this the strength of my Chinese martial arts practitioners?"

"This man is the real owner of this club. He is the founder of this place!"

"So terrible

Regardless of the injury, even if the head is broken and bleeding, the people under the stage are still shouting excitedly, but the fanatical color on their faces is increasing instead of decreasing!

"Zhiyao, did you protect us with this pendant?" Jiang Lengxi looks at Wei Zhiyao, who is in full bloom in the white awn on her chest. She remembers that she has the White Tiger Pendant given by Ye Chen to protect her body. It is because of the white awn that the surging stones didn't hurt them.

Otherwise, by virtue of the two women's bodies, the stones splashed randomly can put a blood hole on them!

"Ye Chen, even if he could resist this blow, he would die soon!"

"No one can stop such a blow!"

The crowd cried out and looked at the central battlefield in the deep of the challenge arena. Although they had guesses, they were waiting for confirmation!

The smoke slowly dispersed with people's expectations. In the depth of the challenge arena, two figures stood, maintaining the posture of the final battle.

Ye Chen's right arm block in front of the strong man's body floating in the void, right foot on Ye Chen's arm!

Time seems to freeze at this moment!

"My God, ye Chen didn't get hurt!"

"Who is he in the end? With such a blow, even an elephant would be kicked into a puddle of meat!"

.....

The next second, ye Chen opened his mouth: "yes, explosive power is perfect among the earth practitioners!"

"It seems that you haven't lost any martial arts in these years!"

At the end of the speech, ye Chen pushes his right arm hard and blocks the strong man's body. The man just stands still and wants to fight back.

But in the blink of an eye, ye Chen, who was firmly locked by his eyes, disappeared from his eyes!

Not that fast to the extreme flash, but, suddenly disappear!

At this moment, the strong man only felt two slender fingers flash in front of him

"What?" The strong man just felt a flash in front of his eyes. He just wanted to make a gesture of resistance. He just had a flash of consciousness in his brain. The next second, he found that his body had gone out and hit the ground heavily.

The pain of tearing heart and splitting lung came from the chest!

"Roar!"

Even the burst of him, at the moment are unspeakable pain, if the moment of Lu Lingfeng and Jin Lengyan here, must be empathy!

In the eyes of outsiders, ye Chen just two fingers gently in the chest of the strong man, light floating two fingers did not even force.

But it has such power!

"His breath, the spirit power is broken up by Ye Chen's two fingers!"

"What?"

"There are ancient martial arts practitioners who have just seen the way. They can feel that the breath of a strong man is falling sharply. The two fingers stab and disperse his spiritual power!"

"Unfortunately, it was abandoned by Ye Chen!"

.....

Even the man under the stage, who is always gentle and easy-going, can't stand when he hears the news that the boss has been abandoned!

You have to rush to the challenge arena to get revenge!

Chapter 6309

"Don't come up!" The strong man struggled to get up, made a stop gesture, turned his head and yelled at the man!

The man was stunned, but he stopped, clenched his fists and kept shaking.

But Ye Chen's face was light and cloudless, and he walked to the man: "feel the scattered spirit power carefully, don't be guided by pain!"

"You need to guide this scattered spiritual power to impact the eight channels of the whole body and run the great Zhou Tian!"

Ye Chen face dew dignified color, always observe the change of the strong man.

The man nodded gently, faltered and fell to the ground again, but he got up with one arm and sat cross knee!

"It's not right. Ye Chen didn't abandon him. He was guiding him to practice."

"Spiritual power is the only way to break through the realm?"

"Look, his condition is gradually stabilizing!"

.....

The man under the stage, who was about to crack his eyes, was a little confused when he saw this scene.

"Hoo..." as time goes by, with a comfortable roar from the strong man, he suddenly opens his eyes, and his eyes radiate a light, which is actually the essence of spiritual power!

"The spirit power is released!"

Someone exclaimed: "the records in ancient books are true!"

The strong man got up, went to Ye Chen and knelt down respectfully: "I'll see the Lord of the hall. Thank you for your guidance!"

This move, surprised the audience can not speak!

"What's going on? Temple master? Just heard Ye Chen mention the dark hall, do you think ye Chen is the master of the dark hall? "

"My God? This body cultivates for! It's the best in the world

.....

"Zhong Li, I haven't seen you for a long time. I didn't expect to meet you here. Your accomplishments today are as good as Lu Lingfeng!"

Ye Chen laughs to open a mouth way, he pulls up the strong man in front of, heavily gave a hug!

I'm so excited to meet you again!

"Lu Lingfeng!" Zhong Li hears Ye Chen mention this person, but there is a cold flash in his eyes.

"Oh? It seems that you have information here! " Ye Chen sees this look in the eyes, then knows some stories among them.

"To tell you the truth, I came to kill Qin Kun today!" Zhong Li slowly said, "the Lord of the hall asked before, who would take him out of the dark hall. According to the clues I have, it was Lu Lingfeng who let Qin Kun leave!"

Ye Chen did not speak to refute, quietly listening to the explanation from the clock.

It turns out that after ye Chen's rise in the past, a group of old subordinates who originally followed Ye Chen, like Liu Qi, chose to retire one after another.

There is no other reason. They all followed ye Lingtian. After ye Lingtian left, although Lu Lingfeng took the post of the temple leader temporarily, everyone entered the dark hall in the same batch. The robe and the feeling are still there. But after the relationship between the superior and the subordinate, there will inevitably be friction.

In order to make it easy for the brothers, they all chose to go back to seclusion. The fact is that during the period when ye Chen left, China was calm and the country was peaceful, so there was no need to perform any top secret tasks.

Lu Lingfeng, the temporary master of the dark hall, also took advantage of this to train a group of new people!

"Oh? Has Lu Lingfeng ever been here? " Ye Chen asked.

Zhong Li nodded: "yes, and I've dealt with him!"

The clock left and pondered for a while: "he is very strong, I am not an opponent!"

"But that breath can't be wrong, it's absolutely him!"

If ye Chen is thoughtful, he looks down at Wei Zhiyao: "it seems that someone did it intentionally when I came here!"

He thought of the demon Tianshi, which can change the appearance and simulate the breath at will!

"You have been cheated, even I have been cheated!" Ye Chen murmured softly.

It seems that he has something to do with this demon Tianshi when he comes here!

"When did you meet Lu Lingfeng?" Ye Chen raises an eye to ask a way.

Zhong Li pondered a little: "a few days ago, I secretly followed Qin Kun, but I found out that the person I met with him was Lu Lingfeng!"

"I was found by him, fighting, I lost the enemy, ran away, so today I designed to kill Qin Kun!"

Zhong Li answered.

"It looks like it's really him!" Ye Chen thought deeply and said softly.

"Why, is there something strange in it?" Clock leaves eyebrow a wrinkly, ask a way, to leaf Chen, he is still convinced in every way.

"The purpose of my coming here is to chase and kill a guy. The Lu Lingfeng you saw before is probably his fantasy!" Ye Chen's words startled Zhong Li.

Is there anyone else fighting with the temple master?

"First of all, Lu Lingfeng has been helping me to investigate this guy these days. He has never been here!"

"Second, as the old part of my dark hall, I absolutely believe in Lu Lingfeng's character!"

"Third, he fought with you... It's hard to say whether you won or lost. You said you were not against that man..."

Ye Chen's analysis is quite reasonable. Zhong Li also sighs that he is reckless. How can Lu Lingfeng do such betrayal?

"I..." clock from some embarrassed, but ye Chen is waved, "don't blame you, you also care about chaos!"

"I'll take Qin Kun away!" Ye Chen whispers to Zhong Li.

It's natural for Zhong Li to nod.

"Well, that's the end of tonight's farce. It's time for us to go back!" Ye Chen smiles. It's worthwhile to see his old friend.

"What is the reason for the return of the temple master this time?" Zhong Li naturally knows some Chinese secrets, but due to the large number of people present, he is afraid of causing riots!

Ye Chen nodded: "time is pressing, I have to work hard!"

He chuckled.

"I will follow the Lord of the temple!"

Zhong Li says at the moment that he is also a Wu Chi. Now that ye Chen is back again, he won't miss this opportunity anyway.

Ye Chen hears speech, but gently shakes his head: "with your current state, follow me, there will be danger at any time!"

Zhong Li heard what ye Chen said and clenched his fists: "is it still too weak?"

"Don't be sad. You have a long way to go to cultivate martial arts. Now you just have some strength and don't know how to mobilize it!"

"Shut up and practice hard. Huaxia needs you!"

Ye Chen left a number to Zhong Li, which is the contact information of Master Wu Yan.

"He is the guardian of Zhiyao, and he can be in front of the world today!"

"You can go to him for advice. When you can surpass this old man is your day of success!"

When Zhong Li hears the words, his eyes are full of fanaticism. Today, ye Chen helps him break through the bottleneck that has plagued him for many years. After all, without the guidance of a master, it's easy for him to fall into the devil just by his own insight and feeling the stones.

This is also why Wu Chi Jiang Lengxi has to come here to worship her teacher!

"Elder Wu of guwu, Wu Yan!"

Ye Chen left a taboo, turned to greet Wei Zhiyao two girls to leave.

All people look at Ye Chen and others to leave the back, eyes full of envy!

Chapter 6310

Zhong Li looks at the contact information that ye Chen handed him. There is a little ruddy color in his eyes. The real version of the fierce man tears.

"Xiaotian, in the future, you will be in charge of the meeting." Zhong Li whispered to the man with gold glasses under the platform.

"And you, boss!" The man already had a premonition that Zhong Li was about to leave. The reason why he asked was because he didn't give up.

Zhong Li said with a smile: "pursuit of the ultimate martial arts!"

.....

meanwhile.

Sitting on the elevator, ye Chen and others go back to the tavern hall. Looking at the mess, they can't help shaking their heads with emotion.

Now the tavern, in addition to a few bartenders cleaning, is no one!

Several people saw that ye Chen and others came up from below. Naturally, they didn't dare to neglect them. After all, they were in martial arts.

"A few guests, there was an earthquake just now, so the pub is closed tonight!" The bartender scratched his head. He was not embarrassed. "Because of the obvious shock, the damage in the museum is serious. It's going to be closed in recent days. I hope the guests will forgive me!"

Ye Chen and others are laughing to show understanding. After all, they know why there was such a strong earthquake!

"Oh, yes!"

Suddenly, ye Chen seems to think of something, and quickly dial a number: "Uncle Wu, I'm sorry to disturb you so late!"

"Ha ha ha, I've got a great disciple for you. I'll meet you in a few days... As far as I know, I may come to see you tomorrow!"

Ye Chen obviously dialed the number of the old man Wu Yan. Judging from the old man's performance on the deck that day, his understanding of martial arts surpasses many people.

Maybe the other side is too weak for him, but for many Chinese martial artists, Wu Yan is a good master.

Over time, it's possible to break through and soar.

It's more than enough for him to guide the practice as Zhong Li's master!

"I'll do my best!" The old man readily agreed.

One side of Wei Zhiyao obviously heard the phone, blinking big eyes, said: "brother ye, grandfather Wu is really as powerful as you said?"

"Well, it's still that sentence, a well deserved Chinese warrior!"

"And you?"

"I don't belong to this world..."

Ye Chen's words are sincere and long-term. As long as he has solved the root of the variation of Chinese aura, after all this dust has settled, should he leave?

Wei Zhiyao heard the speech, thin lips nibble, no longer speak.

"Ye Chen, I want to apologize to you. I'm sorry, I was rude before. I thought you were..." Jiang Lengxi changed her usual image of iceberg beauty at the moment. She hesitated and twisted.

"You think I'm a charlatan, don't you?" Ye Chen smiles, as if he didn't care about it at all!

"Well... I'm so sorry!" Jiang Lengxi is sincere this time and bows deeply to Ye Chen.

"You don't have to apologize. It's just the same with martial arts. Ordinary people will be suspicious when they see it. It's good for you!" Ye Chen smiles, some things, see through don't say through. Do you always say that you can go to heaven and earth, and others can't treat you as a fool?

"That... Ye Chen, i... can I worship you as my teacher?" Jiang Lengxi summons up courage and hopes to look at Ye Chen.

She didn't have any hope for this. She thought Ye Chen was a charlatan before. She also thought that Wei Zhiyao had been cheated and even threatened to "broaden her horizons..."

Think of here, Jiang Lengxi's base is a little insufficient, look to Ye Chen's vision also begins to dodge.

Ye Chen can be said to see through the girl's mind, but he still patiently explained: "you don't need to learn from a teacher now, just lay a solid foundation first!"

This is a refusal.

Jiang Lengxi has a dejected posture, but then ye Chen continues: "I can point out some of your shortcomings in cultivation, and give you some simple mental skills."

"Otherwise, if you go on practicing like this, you'll be possessed!"

When ye Chen said the last sentence, he said it very hard, which shows how much he cared about it.

"Ah? Really? " Jiang Lengxi did not hold any hope face, but suddenly raised a smile.

"Well, do you remember what I told you earlier in the morning, gathering elixirs together?"

"You should start with the most basic, spiritual power, Tao, rules, step by step, don't aim too high!"

Jiang Lengxi carefully listen to Ye Chen's words and deeds, this time especially serious!

In her eyes, ye Chen at the moment, just like a god!

"Yes Jiang Lengxi nodded solemnly, and her eyes were full of firmness.

.....

When several people returned to Jiang Lengxi's residence, it was already daybreak. Ye Chen and Jiang Lengxi didn't have much feeling. Although Jiang Lengxi was just a beginner, she was also half a warrior.

Only Wei Zhiyao, yawning, got out of the car and went straight to the bedroom.

Ye Chen in charged Jiang Lengxi some cultivation matters needing attention, then in the yard looking at the girl's figure.

Looking at the rising sun that self-improvement figure, bursts of emotion, once their own is not like this?

At that time, Duan Huaian, the Kunlun virtual master, continued to guide himself. Every day's sunrise and sunset is the signal, and that's what makes him who he is today.

Maybe it's time to see the master and his parents.
