Chapter 631

The next second, the sword in Ye Chen's hand moves!

Move, startle the wind and cloud!

Second move, weeping ghosts and gods!

Wan Dao Jian Jue, Wushang sword technique, chop!

The sword of chopping the dragon and asking the sky seems to converge into a long sword, which directly cleaves towards the seriously injured Lei Jianyun!

This split, cut off life and death!

Lei Jianyun's eyes widened. Under the shadow of the sword, he found himself infinitely small.

God of war?

At this moment, the honor seems to be a disgrace!

You can't even kill a kid in China!

God of war fart!

He is very clear, this war, blood alliance is doomed to annihilate the whole army.

Hundreds of life nameplates were shattered.

The leader and Dharma protector were furious.

The whole Kunlun xuxue League is going to have an earthquake!

And the originator of all this is the youth, ye Chen!

"Tear

The sword fell suddenly.

The sun and the moon are dim, the mountains and rivers are shaking.

Lei Jianyun wants to stop it, but he finds it impossible!

He kept spitting blood out of his mouth and was in a state of confusion.

He can't bear it any longer. His blocked arm is directly split!

As if half of the body was cut off!

The strong sword Spirit sent him out!

"Puff!"

He flew more than ten meters, and his whole body hit the plane heavily.

Dust splashed all over the sky.

However, there is a deep sword mark on the airport of Jiangnan province.

Like a natural moat!

"Hiss!"

Seeing this, the onlookers on the rooftop took a breath.

Not only a hundred people were killed by Ye Chen!

The two men with terrible breath were lost fighting ability!

Ye Chen with the power of one person, to turn the tide!

"My God, Mr. Ye won! Mr. Ye is actually in the hands of hundreds of Kunlun virtual strong men, can kill with ease! After the war, ye Chen's name is expected to ring through the whole Kunlun void! "

"You think too much, everyone is dead, who will send the information to Kunlun Xu?"

"This secret must be rotten in our hearts, or there will be endless troubles."

All people thought that the battle was over, and ye Chen died in the hands of two powerful men mercilessly.

But did not expect, the result again lets the person be surprised!

Ye Chen actually crushed with a sword, full of energy!

A move!

How did ye Chen do it!

He's only in his twenties!

At the age of 20, it's only half a year from Jiangcheng to Huaxia!

Now is Ye Chen going to be the first person in Kunlun?

Will he be the first Kunlun virtual top player to come out of China?

Those onlookers, in addition to shock, or shock.

At this moment, ye Chen step by step toward Lei Jianyun and elder Zheng.

They can only lie on the ground and look up at Ye Chen.

Their eyes are full of anger, but helpless.

But their performance is even more different.

Elder Zheng supported himself and knelt down in front of Ye Chen: "Mr. Ye, I don't know Mount Tai because I have eyes. Please spare my life. My realm is not weak in Kunlun. I am willing to leave the blood League and become a servant of the Lord! Be a cow and a horse for adults

Lei Jianyun glared at elder Zheng fiercely and said angrily, "what the hell are you talking about! In order to live, you betrayed the blood League! If you're fuckin 'known by the leader, you may suffer the anger of the leader

Zheng elder silk ignores, continues to beg for mercy to Ye Chen.

If you don't beg for mercy, you will die now. Maybe you can live for a few days!

Ye Chen sword edge fell on elder Zheng's body, light way: "I just want to know one thing, my father ye Tianzheng can be locked in the blood League dungeon by you."

Elder Zheng looked at the dragon and asked the sky sword. His eyes shrank to the extreme and said, "Mr. Ye, I know that I know! I swear to you, I didn't touch a hair of his hair, he is well in the blood League dungeon

All of a sudden, he thought of something and offered a piece of blood alliance jade pendant.

It is engraved with the word "Tianbao".

"Mr. Ye, this jade pendant is the key to enter the blood League and the dungeon, which is a prison in ancient times. There is no other way to open the dungeon except for two keys of the blood League. There is another key at the alliance leader."

"What's more, there is a force in your father's body to protect him. The blood alliance can't break this power no matter what means it uses. This is also the reason why our investigation was interrupted."

Ye Chen grasped it with five fingers, and the jade pendant fell directly into the palm of his hand.

He can feel the mysterious power in the jade pendant, which must have something to do with an array.

He should not have been cheated.

Now that he has got the key, elder Zheng has no value. Ye Chen's killing intention is released.

"Mr. Ye, don't kill me. My strength is enough to be your servant! At least it can help you solve a lot of things! You are sure to enter kunxu, even the blood League. I can just be a guide

Feel Ye Chen's killing opportunity, Zheng Changlao Lian busy way.

The voice trembled even more.

Ye Chen sneered and a sword fell.

In this way, the head of elder Zheng fell to the ground.

His eyes are big and ferocious.

He had no idea that he would really die.

Blood gradually stained the earth, shocking.

Ye Chen has only indifference in his eyes.

No matter how valuable these people are, he will not stay.

Then, ye Chen's eyes fell on Lei Jianyun's body.

However, the sword of chopping the Dragon touches the neck of the opponent.

Very cold.

Lei Jianyun himself is straight without any fear.

He stares at Ye Chen and says angrily, "I won't ask you! If you want to kill, kill it! "

Ye Chen outlined a smile at the corner of his mouth and suddenly said, "did you ask me about ye Shitian just now?"

"If I guess correctly, this time, your army is pressing the border, which should be mainly used to deal with ye Shitian."

Lei Jianyun heard ye Shitian's name, her eyes shrunk and said in a cold voice: "how is it?"

"Then I will satisfy you. Since you want to know ye Shitian, I will let you see ye Shitian today."

The next second, ye Chen fingers pinched, palm exudes a light, is in front of a wipe.

In an instant, ye Shitian's face was revealed.

Rebellious Lei Jianyun's pupil widens!

Set off a thousand waves in my heart!

Countless doubts in this moment to solve!

Blood dragon!

Powerful fighting power!

Against the sky sword skill!

He held out his hand, pointed to Ye Chen and said, "you are ye Shitian! How could I I should have thought of it. "

Ye Chen mouth outline a smile: "since you know, then I can be at ease to send you on the road."

The sword rises and the sword falls.

Blood spray.

One of the heads landed like this.

Lei Jianyun, the God of war in the blood war hall, fell down on this!

A hundred people in the blood war hall are buried here and born in Huaxia!

But it was a young man who killed everything.

On the roof.

The shock of all was beyond measure.

Although they are excited, they are more afraid.

If ye Chen hands to them, they are afraid that even a finger can not resist it.

The old man also took back his eyes and looked at all the people present: "today's affairs are listed as top secrets of China. You have two choices. First, be completely controlled by Huaxia. Second, I will send someone to erase your memory."

The old man knew it was too shocking.

Once spread out, the consequence is incalculable!

He must strangle the source of all the news!

Just to protect Ye Chen!

Chapter 632

At the moment, ye Chen exhaled a long breath.

He seemed to be in a sea of blood.

To tell you the truth, although he took the road of killing.

But I have never killed so many Kunlun virtual strong men.

Without the help of the reincarnation graveyard, he might have died today.

All of a sudden, he found that in this sea of blood, there was a kind of blood evil spirit condensed, which was more crazy towards Ye Chen.

"Is this?"

Before ye Chen reacts, the blood dragon empty shadow in his body condenses again, and he is crazy to absorb those blood evil spirits.

The blood of a hundred people is a great tonic to Ye Chen's way of killing and the blood dragon's shadow in his body.

Vaguely, ye Chen finds that the blood dragon's shadow is shining with red light all over his body, and his body is growing bigger and bigger.

Not only that, those breath is to drill into Ye Chen's body, even let Ye Chen have a faint sense of breakthrough.

"Can killing make me stronger?"

Ye Chen frowned and said to herself.

At the beginning, killing Dao Jun said similar words, he didn't think so. Now it seems, it may be true.

Ten minutes later.

Everything is absorbed clean.

Blood dragon also returned to Ye Chen's body.

Ye Chen puts the sword of cutting dragon and asking heaven into the tomb of samsara first, and takes out a jade pendant in his hand.

This is the key to the blood League dungeon.

Now that you have the key, it's time to go to the blood League.

Although there is a power in the father's body to guard, the blood alliance people will always have a way to deal with it.

I just don't know what it's like to enter Kunlun Xu this time.

Are things and people different?

Are the people we met five years ago still alive?

Ye Chen put away the key of the blood League dungeon and walked outside the international airport of Jiangnan province.

Before he went outside, he found countless figures standing outside waiting for him.

Not only Bao Peimin and bailixiong are here, but also the old man who controls the highest power in China.

Ye Chen pinches it with his fingers. The array disappears directly and has no effect.

"Mr. Ye!"

Bao Peimin took a step first, and his face was excited to the extreme!

"Mr. Ye, you are definitely the first person in China for thousands of years!"

"That scene just now, even let me understand a little bit! Peimin is here to thank Mr. Ye. "

Bao Peimin and the Chinese Guardian behind him are very respectful.

Although they are the strongest on the surface of China, they are also guarding China!

But compared with Ye Chen, the gap is too big!

For thousands of years, no Chinese can do it!

In fact, Kunlun Xu belongs to Huaxia, but the gap of aura is too big.

In order to prevent the aura of Kunlun emptiness from flowing into China, thousands of positions array can condense an ancient array to separate China from Kunlun void! Moreover, thousand talents signed an agreement with the Chinese authorities.

Kunlun virtual strong never use force in China, violators, they will punish!

Unfortunately, with the passage of time, this paper has no value.

The thousand powerful powers that set up the array at that time have long disappeared.

The aura of China is more and more thin, but the aura of Kunlun Xu is more and more rich.

The gap is huge, and Kunlun Xu naturally has no interest in China.

But who knows that there are ye Jingtian and ye Chen in Hengkong!

They tried to turn the tide back and crush everything, and they were the masters and strong men of Kunlun!

It's a monster.

Ye Chen nods to Bao Peimin and pats him on the shoulder.

He could feel the sense of breakthrough in Bao Peimin. It seems that the war had a great influence on him.

However, Bao Peimin is also one of his own, and ye Chen naturally hopes that the other side will become stronger.

Then, ye Chen's eyes fell on the old man.

All the people present could not compete with the old people.

The old man naturally noticed Ye Chen's eyes, and his voice rang out: "Ye Chen, you come with me. I need to tell you something."

"Good."

.....

At the same time, Kunlun Xu.

On a towering mountain top.

The seven old men looked at the sea of clouds and exchanged views on the situation of Kunlun Xu.

Any one of these seven old men can shake the whole Kunlun void!

They control the resources of Kunlun, they hold the supreme power! They are strong enough to destroy everything!

One of them is the blood alliance leader sword blood sedimentation!

An old man in a gold robe put his hands behind his back, touched his beard and said, "it is said that there is an interesting story in China during this period. A great war broke out near the entrance of Kunlun Mountain, which is also the entrance of Kunlun Xu. A young man named ye Shitian was born in the

sky!""It's said that ye killed the heaven, and its evil spirits were about 20. The realm was actually above the Holy Land and even the holy King's realm! If you look at Kunlun Xu, you don't have such a talent. "

"Not only that, this man has the supreme sword formula, but also controls the God thunder and the dragon. If he is allowed to grow up, Kunlun is afraid that he will never be at peace."

Another old man obviously heard about it. He looked at the sword and said, "although ye Shitian has only appeared once, it has made the whole Kunlun people panic, and my disciples have no intention to practice. What's more, the worst thing about that war was the Yibao Pavilion and the blood alliance. I heard that if one of the two forces did not stay, it would be called extermination. "

As soon as he said this, countless eyes fell on the bloody body of the sword.

The sword is bloody and his eyes are cold. He has asked the people in the blood war hall to take ye Shitian. It should not be long before there is a result.

Looking at all the people's eyes focused on themselves, Jian Xueshen gave a cold hum: "this is just dazzling. Ye Shitian is not so exaggerated. However, our blood League has lost several disciples, but these disciples do not exist in the stream, and even it is difficult to enter the blood war hall!"

"What's more, ye Shitian killed the people of the blood alliance. It's impossible to get away from it. I've sent the strong man of the blood war hall to take this son!"

"Maybe tomorrow, you will see ye Shitian."

The sword was bloody and the corner of his mouth revealed the joy of the winner.

When the others heard about the blood war hall, they all nodded: "Lei Jianyun, the God of war, I have heard that when I step into this strength at this age, it is even more important to kill so many powerful people. It should be possible for this person to take ye Shitian. It seems that ye Tianma is about to be exposed. "

"He shouldn't have offended you, but he shouldn't have offended you!"

There was a hearty laugh.

Jian Xueshen also smiles, but soon, his smile is stiff!

Because the connection in his mind was suddenly broken!

Elder Zheng and Lei Jianyun have fallen!

How could it be!

At the moment, he looks pale to the extreme!

Subconsciously, he thought he had made a mistake, but soon the spiritual object hanging around his waist rang.

Chapter 633

The shape of this object is somewhat like a mobile phone, but it is much more advanced. It is surrounded by aura.

"Master, it's not good! It's a big deal! Just now, hundreds of life nameplates are all broken! This is not the most terrible thing. The terrible thing is that Lord Lei and elder Zheng have all fallen down! "

"They went to China this time! Can something happen to Huaxia? "

There was a voice of panic on the other end of the phone!

Although the voice is very light, but the presence of a few people to cultivate a strong, want to hear is how simple!

Their faces changed slightly!

It's a cool breath!

It's Huaxia again! The key is that what the bloody war hall sent is not a weak force!

How could something happen for no reason!

At this moment, the sword was bloody and his face was livid!

If he remembers correctly, Huaxia will send out 100 people!

The team of 100 people is mainly to find ye Shitian!

Obviously, the killing of a hundred people must have something to do with ye Shitian!

He really didn't expect that such evil spirits could be born in China, a place lacking in Aura!

One leaf killing the sky is not enough!

The key moment, he really has nothing to do with his face!

The strong man of the blood League was bloodwashed by an unidentified guy from China!

It's a damn shame!

"Ye Shitian!"

The sword's blood sink is released, and the dark clouds on the top of the mountain surge!

The thunder thundered down!

The giant trees at the foot of the mountain smashed and even turned into a flame and started to start a prairie fire.

Seeing this scene, the old man in golden robe was shocked. The wind whirled and the flame was extinguished.

Then he clapped on the bloody shoulder of the sword: "old sword, can't a hundred people in the blood war hall kill one leaf from heaven? Is it possible that ye killed heaven in the holy kingdom

"Even if ye Shitian is Kunlun Xu's great ability, it can't be so rebellious. To a certain extent, ye Shitian has threatened us, even the whole Kunlun Xu. I suggest the whole Kunlun Xuhe and Huaxia want ye Shitian! We can even unite with most of the clans of kunlunxu to kill this man! "

"I don't believe that ye Shitian can be superior to Kunlun Xu!"

Jian Xueshen took a look at the old man in the golden robe, pondered for several seconds, and finally nodded fiercely: "well, there are still some cooperative sects in our blood alliance. We will act separately! The pattern and rules of Kunlun Xu have been set and no one is allowed to destroy it. Ye Shitian is not only the enemy of our blood League, but also the enemy of the whole Kunlun Xu! "

The six figures determine everything, step out, and directly dissipate in the clouds.

Like a fairy! Visible strength terror!

.....

On a tall building rising from the ground.

Top floor.

Security is high.

There were only three people in the room.

Ye Chen, the old man and Bai Li Xiong.

The strength of the three is enough to shake the whole of China, which is also an epic meeting.

The old man looked at the direction of Jiangnan International Airport through the glass window. Soldiers in camouflage clothes were already doing the finishing work.

All flights to Huaxia have been resumed.

However, it is almost impossible to use Jiangnan international airport again in a short time.

The old man turned his head, and a long lost smile appeared on his old face: "Ye Chen, I've been optimistic about you from the beginning. Now it seems that I'm not wrong. Your current strength can shake a hundred people in the blood war hall and even kill the God of war who has been famous for a long time. This war is enough to be recorded in the history of Chinese martial arts. "

Ye Chen shakes his head: "it's just luck."

The old man turned and said, "do you know that luck is part of strength?"

"This time I came to you for two main things."

When the old man said this, he took a look at bailixiong. Naturally, bailixiong understood something. He took out a box engraved with the Chinese logo and put it in front of Ye Chen.

Extremely exquisite.

Made of dark iron.

Ye Chen looked at the box in front of him and frowned: "what is this thing?"

"It's your thing, and it's the biggest exercise of power I've ever had." The old man said.

When he was on the roof, he asked the people below to build it.

No matter what the result is, it belongs to Ye Chen.

Ye Chen opens the box and sees a certificate and a medal inside.

A cold and proud figure was engraved on the medal, and a blood dragon circled around the figure.

This does not let Ye Chen surprise, let him surprised is the above text - Zhenguo God of war!

These four words are just like some kind of magic, which can resist everything!

Domineering!

"Ye Chen, I know you don't like any bondage, and Huaxia is not qualified to bind you. I hope you can accept this honor."

"Zhenguo Zhanshen is beyond all the rights of the whole China. The Wudao Bureau or any department of Huaxia can not restrain you. Even if you take out this thing in front of bailixiong, he will listen to you." "This medal is more than anything."

"I know you don't care, but this is what Huaxia should give you. In addition, the Ye family in the capital city will also become the top family officially recognized by China and will be protected by the highest level in China. "

Ye Chen looked at the medal and the certificate in the box, nodded, or accepted.

Although it is of little practical use to him now, it represents the attitude of China.

"The second thing is to come to me. You have disappeared for five years, from an ordinary person to the Zhenguo God of war. If I am right, you should be in Kunlun for five years. "

The old man squinted.

"I don't mean to spy on your secret. I just want to remind you that this is far from over."

Ye Chen fingered the table top and admitted: "I did spend five years in Kunlun."

It's no secret.

Although the old man was prepared in his heart, he still shrunk his eyes and then said seriously:

"sure enough. Ye Chen, I know something about the blood League. His existence is above the rules, and the blood war hall is just a force in the blood League. Although it is important, there is still a gap between him and those strong in the blood League. "

"You come from Kunlun Xu. You should understand the rules of Kunlun Xu. The weak eat the strong, and the forces inside protect the weak to the extreme. If you kill so many people in the blood League, the leader of the blood alliance will not be able to sit still. I hope you can figure out how to go next.

But you can rest assured that I will send someone to erase the memory of all the onlookers today, and no one will reveal it. "

Ye Chen can feel the old man's intention, but he is not afraid of the Revenge of the blood League.

When the blood League took his father away, there was only one between him and the blood League.

When the time comes to kill him!

Let these people feel the rage.

At present, it is impossible for the blood alliance to retaliate. According to the intention of this group of people to enter China, it is estimated that the blood alliance will surely blame Ye Jingtian for all this.

But does Ye really kill heaven?

He Ye Chen said there was, there was.

He Ye Chen said no, who in the world can find ye Shitian?

Chapter 634

The old man felt a strong confidence burst out of Ye Chen and continued: "Ye Chen, where are you going next?"

Ye Chen stood up and looked at the direction of Kunlun Mountain: "I'm going to Kunlun Xu. I'm not sure how long it will be. Ye family and my friends will take care of you for the time being."

"I can come back any time."

He didn't want to bring his mother and Xia Ruoxue into it.

But this time, he went for the blood alliance, and no one knew the danger inside.

Taking your mother and them will only put them in danger.

Once his father is rescued, he will return to Huaxia. If they want to enter Kunlun Xu, ye Chen will also bring them in.

Naturally, the old man knew what ye Chen was going to do. He wanted to admonish him, but he still didn't say anything. He could only say, "Ye Chen, don't worry. I'm here one day. Anyone who wants to move Ye's family is impossible! Unless you step on my body

Hearing this oath, ye Chen was moved in his heart. The next second, he took out six bottles of pills from the samsara cemetery.

"This is a gift I gave you. Please accept it. If you don't accept it, I won't want the four characters of Zhenguo war god."

The old man hesitated for a few seconds, but nodded to accept it.

Later, ye Chen sacrificed a drop of blood essence, which was directly injected into the old man's consciousness sea.

"This blood essence can establish contact with me, even if it is thousands of miles away. At the same time, this blood essence also has my power. If you or Ye's family are in danger, you can sacrifice them!"

The old man felt the power of blood essence in the sea and said seriously, "good!"

.....

Ye Chen finally left the attic.

When leaving, he and Bai Lixiong talked a lot.

Bai Lixiong will enter Kunlun Xu in advance this evening.

Ye Chen let Bai Li Xiong enter with him, but was refused.

Bailixiong has already entrusted the relationship, and someone is leading the way.

Just tonight.

The guide of Kunlun Xu will not give him a second chance.

He gambled on everything and wanted an answer.

Maybe this is Bai Li Xiong's bloodiness and seriousness.

Baili ice has a Baili family in charge. Naturally, there is no danger.

In addition to the uncertainty of Kunlun, Huaxia can be regarded as an Anbang.

He's really going to do something for himself.

Mingcui villa.

Ye Chen returns to the villa and finds that Xia Ruoxue and Wei Ying are already counting the booty of Yintai's return today.

"Xiaochenzi, the weather in Jiangnan province is really not right today. Several roads have been blocked by traffic police. The sky is even bright and dark. At that time, Wei Ying and I felt the end of the world."

"What do you think of my suit?"

Summer if snow beautiful eyes blink, mood is still good.

But soon, Xia Ruoxue is aware of Ye Chen's abnormality.

She is not stupid, contact some things, is to understand what, directly grasped Ye Chen's hand, toward the second floor: "by the way, there is something upstairs I forgot to give you, you come with me, soon."

On the first floor, only Wei Ying was left sorting things out.

Her body is suffused with a trace of cold, the soul on the neck of the basaltic stone broken a few minutes.

This is what ye Chen just changed for her.

However, the vision of Jiangnan province today is that the dormant power in her body faintly awakens.

Even in my mind, there is a continuous sound, vaguely related to Kunlun.

The second floor of the villa. The door is closed.

Xia Ruoxue looked at Ye Chen and took a broken leaf from ye Chen's hair with her slender fingers: "are you going to Kunlun Xu?"

Xia Ruoxue's voice is extremely calm, without a trace of fluctuation.

Ye Chen heard this sentence stare big eyes, he can not say anything ah, if snow how can know.

Looking at Ye Chen's reaction, Xia Ruoxue smiles and laughs.

"I've heard about Kunlun Xu for a long time. In addition, my uncle should also be brought into Kunlun Xu. I don't know your temper yet. You come back with an expression of desire and silence. It's obvious that you are going there."

"Ye Chen, I want to say, would you like to take me with you?"

Xia Ruoxue has a trace of expectation in her eyes.

Ye Chen shook his head: "this time to Kunlun Xu, extremely dangerous, if you take you, only more dangerous."

"But when I'm finished, I'll take care of it."

"What's more, Kunlun Xu itself is in China. If I think of it, it's very easy."

Xia Ruoxue frowned and thought for a few seconds, then relieved: "I said, I will stand behind you to support you, but this time, I will give you a month, within a month, no matter whether there is a solution, you will come out to see me."

"If you don't come out, I'll go in with Sun Yi and them to look for you."

"This month, I will help you to guard the Ye family, and then I will practice hard and try not to disgrace you." Language down, summer if snow stretched out a hand, pressed in the leaf Chen solid chest above.

"As for now, I just want to have you."

Ye Chen did not react to come over, is to feel a faint air flow package.

The next second, he was pushed to bed by Xia Ruoxue.

Xia Ruoxue sat on Ye Chen's body like this.

Even though separated from the clothes, the touch is particularly strong.

Xia Ruoxue sends the waterfall to one side, and her red lips are close to Ye Chen's soft lip,

the lips meet, and the tip of her tongue stirs Ye Chen's heartstrings.

Under a kiss, it's hard to extricate myself from love.

The neck, ears, chest and even abdomen are covered with red lips.

Ye Chen's clothes were also removed.

Two naked embrace, the last fire is also burning up.

Two almost perfect bodies are so tightly attached.

Xia Ruoxue's eyes were blurred and she said in a soft voice:

"you should give me the amount of this month, and I want the amount of the next month."

Wheezing sound gradually sounded, summer if snow hold what, hot, slowly put in.

The house full of spring is unforgettable.

.....

The next day, Beijing.

Ye Chen returned to Ye's home in Beijing.

Sun Yi has broken the barrier and successfully stepped into the clutch state under Ye Chen's powerful pills.

Zhu Ya came back in advance a few days ago, and his realm was stable at the fourth level of Lihe state.

Only her mother, Jiang Peirong, still did not pass the customs clearance.

Ye Chen looked at the waves of the training room and looked at Sun Yi: "my mother has not come out yet?"

He never thought that his mother would become a madman from a person who hated practice.

He also knew why his mother had changed so much.

For my father, but also for this family.

She does not want to share the burden of her mother.

This is a mother's most real idea.

You can give up everything for your child.

Sun Yi shook her head: "Auntie has never come out, practicing day and night. I don't know how many times the breath of breakthrough has been, and even several times there have been bursts of thunder robbery over the capital, which is very terrible. "

Chapter 635

"Xiaochenzi, do you think your aunt will be possessed by the devil?"

Ye Chengang wants to speak, a strong breath of breakthrough swept!

Not only that, but the rage of thunder on the sky!

Ye Chen looks at that thunder rob, the expression is ferocious!

Because he felt that his mother was now stepping into a Wonderland!

This is too terrible!

I have been practicing for five years, but I still have the existence of such adversity as reincarnation graveyard!

Although he provided his mother with countless pills, it was impossible to achieve such a breakthrough speed.

Even if the mother is the most talented person in China, it can not be so exaggerated!

For the first time, he found that he underestimated his mother.

Who has only been on the path of cultivation for less than a month can reach the present achievements?

When ye Chen doubts, the voice of Duan leiren in the reincarnation cemetery rings.

"It seems that your mother has awakened completely. Something should have hit your mother and made her wake up in despair

"The most strange, your mother's blood is not simple ah!"

"You are far from qualified to touch the secrets of your father ye Tianzheng and your mother. However, it is because of their talent and secret that they gave birth to you. The reincarnation cemetery has chosen you for no reason."

Ye Chen took a deep look at the training room, did not choose to disturb, but will leave the news told everyone.

Although Sun Yi and Zhu Ya wanted to follow Ye Chen into Kunlun Xu for the first time, they finally gave up under Xia Ruoxue's persuasion.

They know their own strength, now entering Kunlun Xu is just adding trouble to Ye Chen.

Besides, ye Chen promised them that they would come out in a month.

They can only regard it as a month for ye Chen to travel abroad.

Later, ye Chen stayed at Ye's house for another day.

On this day, he did nothing but accompany.

.....

The next day, Kunlun Mountain International Airport.

Three figures got off the plane and drove their SUVs to the depths of Kunlun mountain.

These three figures are Ye Chen, Xue Fenghua and Shen Shixi.

After all, he is a dead man to Xuemeng.

If you go back alive, many things are not clear.

Xue Fenghua understood the blood alliance and became Ye Chen's servant.

This time, it is crucial to deal with the blood alliance.

Shen Shixi's strength and his understanding of Kunlun Xu are enough to be his right-hand man.

It's safe to take two.

The car stopped quickly. Shen Shixi looked at Ye Chen and said in a soft voice, "Mr. Ye, do you need to go to wanjianzong first?"

Wanjianzong is also a major sect in Kunlun, and the blood alliance dare not move it. If all the members of wanjianzong unite to fight against Xuemeng, though it is impossible to defeat, it is still possible to be seriously injured. "

Ye Chen shook his head: "although the power of wanjianzong is strong, there are too many people, so there is no need to fight hard. After entering, the fewer people, the better. Naturally, the blood alliance will be destroyed, not now. The most important thing now is to save my father. "

Shen Shixi thought about it carefully, and it was really like this: "it's still Mr. Ye's idea of Zhou Dao."

Three people get out of the car, just ready to go towards a door in the distance, but blood Fenghua stops.

"Mr. Ye, come here quickly."

Blood Fenghua stares at a notice board and says.

Notice two portraits of Shenhe and Yiye!

It is Ye Shixi who killed heaven and changed face!

Shen Shixi's eyebrows are serious to the extreme, and his eyes burst out with cold light.

Because this is not a general wanted order!

It's a hundred hunting orders!

Hundreds of clans on Kunlun Mountain jointly pursue ye Shitian!

What's more ridiculous is that one of the hundreds of sects is wanjianzong!

Shen Shixi didn't know whether to cry or to laugh.

He didn't have time to bring the news back. As a result, wanjianzong wanted master!

This is the master!

Wan Dao Jian Zun's personal guardian!

If the master of wanjianzong knew the truth, he didn't know what his expression would be!

I'm afraid I'm shaking!

"Mr. Ye, wanjianzong doesn't know anything about it. Please forgive me. When I go back, I will let wanjianzong quit."

Ye Chen shook his head: "it's not necessary to quit. It will only make people suspect that they will come to wanjianzong."

Kunlun Xu issued a hundred hunting orders, which is obviously really afraid. "

"I've thought about returning to Kunlun Xu for countless times, but I didn't know what kind of expression those old friends would look like if they knew that they were ye Shitian!"

Five years!

Kunlun Xu!

Ye Chen has too much anger and hatred! He's the only fan Gen! Be despised and questioned by countless people!

The old man took him to seek the way of cultivation, but he didn't expect that hundreds of families refused him!

Even endless people humiliate themselves and the old man!

He deeply remembers the helpless eyes of the old man.

The old man pursued medicine and alchemy all his life! There are some deficiencies in martial arts!

He wanted to give ye Chen the best environment, but he didn't expect to be treated coldly!

He has not asked for people for hundreds of years, but in Ye Chen's body, I don't know how many people!

That lonely figure and encouragement to him, ye Chen still remember!

In Kunlun Xu, in addition to Ji Siqing and Ji Lin and other people to help him!

What ye Chen wants to thank most is the old man!

If there was no old man who saved him from Dongqian Lake in those years, he would not have been himself now!

Ye Chen broke out on the body of a very strong killing.

Before they knew it, they had arrived at the entrance of Kunlun.

It's a huge golden gate and a stone wall of ancient formations!

Suppress everything, anyone who wants to break in is impossible!

Not only that, there are four strong men standing at the door!

Look at the realm, at least above the Holy Land! It may even be the Holy Land!

They are holding spears and looking down at the three people coming face to face!

The spear fell on Ye Chen and Shen Shixi!

"What man! Show Kunlun Xu's identity token! "

Shen Shixi and Xue Fenghua have some doubts. When they remember coming out, they are obviously not these four people!

There is also a big gap in the realm.

What happened to the strong?

Shen Shixi and Xue Fenghua smile and hand out three pieces of identity token prepared in advance.

He took out some spirit stones and handed them to him carefully: "four adults, we have just come back from the empty office of Kunlun. We have no respect at all."

It's the rule.

Unexpectedly, the four people directly pushed their hands away. Their cold eyes swept the three people and said in a cold voice, "take away your spirit stone. It's an extraordinary period! Anyone entering China should be strictly checked! Don't do that! "

One of the guards is a cold eye shot at Ye Chen, the spear fell on the ten centimeters of Ye Chen!

"Boy, why do I feel killing from you? Get down on your knees! Check it out! "

"If you dare to take the initiative, I will let you feel death!"

Chapter 636

As soon as this word comes out, four pairs of eyes shoot to Ye Chen together!

At the same time, the other three Reiki and Sha Qi condensed spears also fell in front of Ye Chen.

The sword is at war! World War I triggers!

Since the birth of Ye Shitian in China, the atmosphere of Kunlun Xu has obviously changed.

Even some people are panicked!

According to the principle, a person who enters the holy land or the holy land can not have such a great influence!

However, the Kunlun Mountains are really shrouded in a shadow.

Because the man named ye Shitian, no one knows what his cultivation is!

The only thing I know is that the man has the God thunder and the nine day dragon in his hand!

The last two alone are daunting enough.

Because of Ye's killing the sky, the people who originally guarded the boundary were directly stripped off and replaced by the people arranged by 100 families!

After all, ye Shitian appeared in China, and it is very likely that he would enter Kunlun Xu from China!

And the four of them are the strong ones selected from 100 schools!

Naturally will not collect Shen Shixi and blood Fenghua spirit stone!

All they have to do is stop all suspicious people!

And ye Chen is the most suspicious existence at present.

Seeing that the situation is not quite right, Shen Shixi immediately laughed: "don't misunderstand the four adults. He is a relative of mine in China. He is not sensible and has never seen the world. Please forgive me. This is our ID card. You can have a look at it."

Shen Shixi doesn't dare to be careless. After all, it's not easy for these four people to be arranged here!

What's more, once these four people have an accident, the strong in Kunlun void will surely find out!

Then they will not escape!

"Go away, I didn't ask you. If you talk nonsense again, I will be the first to kill you!"

The gatekeeper's words were extremely cold!

At a glance, the cultivation of these people was nothing to him!

If he wants to do it, it's easy!

Now he enjoys the feeling of power!

Even if Kunlun's dog is a guard!

Also better than most people in Kunlun and Huaxia!

Besides, just now, a few of his followers just passed by and belittled him!

This makes him extremely unhappy!

And now, is to send all the Qi in Ye Chen and Shen Shixi and other people's body!

Ye Chen's intention of killing converges and wakes up from the memory of Kunlun Xu.

He looked at the four people in front of him, his eyes were indifferent.

"My identity token is in his hand. Can't you read it yourself?"

Shen Shixi looks pale when he hears Ye Chen's attitude!

He knows Ye Chen's character, can't give a person a good look at!

The key person's attitude is so!

But people have to bow under the eaves!

"Boy, do you know who you're talking to again? I ask you to kneel, you must kneel! "

The next second, a supreme pressure towards Ye Chen!

That Wei pressure even makes xuefenghua and Shen Shixi look slightly changed!

Blood seems to coagulate!

We can see how terrible the power is!

The gatekeeper had a proud smile on his lips!

He can roughly see ye Chen's accomplishments!

There's a big gap with him!

This kind of person, to him, and mole ant no difference!

No matter what the killing is, who dares to disagree!

Ye Chen looked at the pressure swept by and sneered at the corner of his mouth: "let me kneel? Are you sure you have the qualification? "

Words fall.

The power of blood dragon roars!

This life talisman sacrifice!

Ye Chen's momentum rose!

Step out one step, the supremacy is gone!

Not only that, the expression on the gatekeeper's face solidified, but also stepped back several steps!

Blood is rising!

His eyes stare at Ye Chen.

For a moment, he felt the cold death!

It's like if he dares to do it again, he will die!

The other three gatekeepers naturally felt something wrong and the killing broke out!

"This son dares to resist. Let's fight together!"

Four people directly condense array, cold spear with bursts of cold light swept away!

The meaning of the four guns, gusts of wind, heaven and Earth Spirit all toward this side!

Countless red lights are blooming!

It's frightening!

Ye Chen glanced at the crowd, ready to sacrifice the dragon and ask the sky sword!

He doesn't care about the lives of the four!

Since I touched his brow, I'll kill him!

Kunlun Xu is chaotic enough, so it is covered in an invisible shadow!

And what he leaves Chen wants to do is to kill a way! At this time, he noticed that a jade pendant of Ye Jia in the Samsara cemetery was shining.

"Apprentice, it's better not to do anything here. I can feel a pair of cold eyes staring at you a hundred meters away. The other party is very dangerous. Once you do it, the person will do it, and the consequences will be unimaginable."

"If I guess correctly, this jade pendant is enough to solve the current dilemma."

"Good."

Ye Chen hums coldly, the next second, directly sacrifice the jade pendant in his hand.

The jade pendant was suspended in the air.

Naturally, he was seen by the four gatekeepers who were going to kill Ye Chen!

When you see the ancient characters on the jade pendant, their movements stop completely!

It's like petrified.

Hold your breath.

There is even a trace of panic in the eyes! It's like seeing something terrible!

"I don't mind stepping on your bodies if you're still going to do it!"

Ye Chen's cold words resound through!

All of a sudden the four guns were closed!

Four people are kneeling together!

They know the origin of the jade pendant!

One of the top families of Kunlun Xu!

is one of the ancient families!

Although with the passage of time, a lot of decline, but not a few of them have no identity can be provoked ah!

If the youth in front of them are angry, the clan behind them will not necessarily save them!

"My Lord! We don't know Mount Tai because of our eyes! Please be merciful

Their attitude is extremely sincere!

Even the voice was shaking!

They finally understood why the young man could break the pressure easily!

He even has no awe for them. He has a jade pendant on his body and stands such a huge thing behind him. What kind of awe does he need!

Shen Shixi and xuefenghua are confused.

Naturally, they don't know ye Chen still has this identity in it.

The jade pendant in Ye Chen's hand makes them have a trace of submission at the moment!

Ye Chen grasped it with five fingers, and the jade pendant flew back to his hand and disappeared.

"Now, are you going to kill me?"

Ye Chen's indifferent words fall.

"My Lord, I dare not!"

"Now, do you want to check my identity?"

"My Lord, we dare not! Please let us go

These four people are really going to cry!

Ye Chen snorted coldly, took a look at the depth and directly stepped into it.

These people, he really did not pay attention to.

How about entering the holy land?

"Let's go."

Ye Chen strides into Jinmen with Shen Shixi and xuefenghua, full of aura.

A full minute later, the four men stood up and were all wet.

Chapter 637

The four people glanced at the direction Ye Chen left and took a long breath.

The evil spirit finally left.

If they had stayed to investigate, they might have to abandon their accomplishments to stop their anger.

In fact, Kunlun Xu, just like Huaxia, can't play with power.

The jade pendant represents power.

"Kunlun xuye family, why has it been the news of the Ye family recently? Is it possible that the Ye family will return to its ancient status?"

"Come on, there are some things we can't speculate about."

"We'll leave as soon as we finish this post."

The others nodded.

At the same time, an old man with a gourd on his waist also appeared in front of the door.

The old man took down the gourd and took a sip of wine. His turbid eyes seemed confused.

It's like being drunk.

But under the turbid eyes, a trace of pure light was revealed inadvertently.

"Old man Ye's grandson has finally entered Kunlun void. It seems that old Ye's move is really right. If the layout behind him is correct, this boy may be the only one who can break through the eternal situation!

It's interesting to kill a hundred people in the blood war hall. I'm more and more interested in the boy's secret. "

"Kunlun Xu, ye Shitian, who you have been searching for, has come back! I'm afraid there will be no peace in the future. "

"Hua Xia was disturbed by this boy, and was miserable. Now I'm afraid Kunlun Xu will be worse. "

With that, the old man staggered to Kunlun.

The four gatekeepers just want to stop each other. When they see the old man's appearance, their eyes shrink together, and they are more afraid.

They quickly and respectfully said, "my Lord, you Why are you here? "

They know the identity of the old man!

The legend of the old man is spreading in Kunlun!

Not only that, there is a portrait of the old man in their family!

Ye Chen can't offend, this old man can't offend even more!

The old man ignored the four, took a sip of wine again, laughed, and disappeared into the sight of the four.

.....

Kunlun deficiency.

When Shen Shixi left the boundary gate for a kilometer, he stopped and said to Ye Chen, "Mr. Ye, shall we go to the blood league now, or where?"

Ye Chen looked at the map in his hand, and his eyes narrowed slightly: "the blood alliance is not urgent, I want to go to an old place to have a look! This is also the place where I have to go to the blood League. It is also the place where I grew up in Kunlun. In other words, he is the door behind me. "

Hearing the word "zongmen" behind him, Shen Shixi is short of breath!

He's curious!

What kind of clan can breed such a strong man!

Ye Chen's adversity was witnessed by his own eyes!

Although Wan Dao Jian Zun is Ye Chen's master, it is obvious that there must be a strong force behind Ye Chen!

Otherwise, it is impossible to be so unscrupulous!

"Mr. Ye, where is the place you are talking about?"

Ye Chen Mou son sees to the west a direction, open a way: "medical God door."

Hearing these three words, Shen Shixi and Xue Fenghua changed their expressions slightly.

The false reputation of the medical God gate in Kunlun is not too loud.

After all, Kunlun Xuwu road is respected.

Medical ethics has declined to some extent.

What's the use of developing medical ethics without the support of martial arts!

Although practitioners will be injured, don't forget that there are pills, refining medicines, arrays and various auxiliary means in Kunlun deficiency!

Many injuries, a pill is enough to dissolve everything!

This is also one of the reasons for the gradual decline of medical ethics!

Another important reason is the leader of the medical God sect!

There is no pursuit at all. Only a few disciples have been accepted in a hundred years!

There are no more than ten disciples of the medical God sect!

Shen Shixi never thought of the so-called strong background behind Ye Chen is actually this!

"Mr. Ye, are you kidding..." Shen Shixi determined the way.

Ye Chen didn't pay attention, and went straight to the direction of the door of medical God!

Although the old man was harsh to him, he was extremely excited at the moment!

I don't know what happened to the old man, Shi San, Xiao Bi, Lao Xue and other people in the medical God gate.

It is estimated that their accomplishments will surprise these people out of their chin.

In those five years, it was not too much to get along with these people, but these people have been quietly helping him.

He remembered it in his mind!

These senior brothers and younger brothers are also one of Ye Chen's few friends in Kunlun.

As for Ji Siqing.

He didn't know how to define the relationship.

I have friends, but I never said a few words.

He is well aware of the gap with Ji Siqing. Even if Ji Siqing helps him because of his inferiority complex or is ready to revenge his parents, he does not have much communication with Ji Siqing. Seeing the distance from the door of medical god getting closer and closer, ye Chen's excitement is getting stronger and stronger!

Half an hour later, ye Chen finally got to a zongmen hall!

Although shabby and silent, this is Ye Chen's first home in Kunlun.

But when he came to the door of the door of medical God, ye Chen was stunned.

The smile on his face solidified completely.

Because at the moment, the door of medical God has the vitality before leaving!

The door is crawling all over the spider web!

It's like I haven't cleaned it for a long time!

"How could..."

Ye Chen stares at the plaque, making sure there is no mistake. He pushes the door open without hesitation.

An air of dust swept in.

Ye Chen's spiritual consciousness is released!

But found no one in the door of the God of medicine!

The old man is gone!

Stone three is missing!

Once the laughter completely disappeared!

Between heaven and earth, there is only Ye Chen!

Ye Chen's murder is released. Shen Shixi realizes something. He quickly comes forward and says curiously, "Mr. Ye, do you think the door of the medical God will be changed? The aura here seems to have dried up. It is very likely that the door of medical God has moved. We wanjianzong will change places almost every 100 years, maybe the same is true of the medical God gate. "

Ye Chen nods, which is also a possibility.

He had to be calm before he could be sure what was going on at the door of the God of medicine.

He went deep into the hall and glanced at all the places. It really meant moving away.

It's empty.

But the old man didn't take away some important things.

What happened to Kunlun Xu in less than a year?

Why did they not come to China to inform themselves?

When ye Chen is puzzled, an old man with a bent body in cloth clothes comes from the outside.

When looking at the three strangers inside, they were surprised, and then said, "are you three wrong?"

In the eyes of the old man, there was no doctor for a long time.

The only explanation is that they went wrong.

Ye Chen heard the familiar voice, body a Zheng, fierce turn around!

This voice he is very clear, Shi three's father Shi Zhenhai!

Shi Zhenhai obviously knows Ye Chen too. His eyes are wide and his fingers are trembling: "Xiaochen, you Are you back? "

Ye Chen one step and two steps to Shi Zhenhai, just want to talk, but see Shi Zhenhai right arm hanging a piece of black cloth!

The custom of black cloth is the same as that of China.

The death of a close relative.

But Shi Zhenhai has only one relative.

That's Shi San!

Chapter 638

Ye Chen's eyes are somehow moist.

He tried to wake up and looked at Shi Zhenhai in front of him and laughed: "Uncle Shi, I'm Xiaochen. Where is Shi San? Take me to meet him. I owe him several drinks. "

Before getting the exact answer, ye Chen dare not guess what.

Shi Zhenhai heard Ye Chen's words, her eyes darkened, her eyes flushed, and her old hands trembled slightly.

"Xiao Chen, Shi Sanhe He's gone. "

"He left peacefully, so don't disturb him. This time I came to the medical God gate to get back some of his things and burn them down to the bottom."

This time, the body leaves.

An invisible breath overflows!

How could Shi San go!

No way!

Shi San is Shi Zhenhai's third son.

The first two sons both fell in the void of Kunlun.

Shi Zhenhai in order not to let stone three into the afterworld, then let stone three choose the door of medical God.

The way of medicine is always safer than the peak of martial arts.

In the five years when Ye Chen entered Kunlun Xu, Shi San and he went from death to life many times.

Ye Chen at that time could not survive because he had not yet fully entered the cultivation. Without shisan, he might have died in the mouth of the beast.

What impresses Ye Chen most is that Shi San breaks an arm in order to block Ye Chen's sword!

Although the old man restored Shi San's arm by operation, it was a permanent sequela.

This is what medical ethics can never erase.

Ye Chen has secretly vowed that once one day strong return, he will return Shi San's supreme kindness!

In my mind, I constantly recall the days in the door of medical God, and Shi San's simple and honest smile seems to be still yesterday!

"Xiaochen, I have no ambition in my life, I just want to marry a wife, hot Kang."

"Kunlun Xu is very big, so big that Shi San thinks he is very small. I went into the door of medical God only to set foot on the supreme medical principle. At that time, it would be a great event to save the dying and heal the wounded in Kunlun Xu."

"There are a group of homeless children in xubei of Kunlun. They do not have much talent. They are abandoned by the world. They are affected by the battle of the strong all the year round. Some of them have lost their eyes, some have lost their arms and legs. I think one day, with my medical skills, I can give them a second life. I want them to know that in Kunlun, Xu is also human and warm, and the pursuit of ice in Wudao is not the only one. "

"Xiaochen, have you met my fiancée? At that time, my grandfather had made an engagement for me. No matter what the other party looked like, I recognized it. But I found out a few days ago that my fiancée was just like a fairy! For a moment, I didn't feel worthy of her

"Xiaochen, on my wedding day, I'll treat some strong people of Kunlun Xu to sit down and marry her home. You must come to be my best man, but you can't be more handsome than me that day, and you'll rob me of the limelight."

"Xiaochen, although I was not born in a top family, I am also satisfied with my life. A lovely wife, several intimate friends, wine and stories are really wonderful."

"I heard that you are going to China. There is no big difference between kunlunxu and Huaxia, but there is less aura. Next time you come back, you should bring me a beautiful sister-in-law. Although I hope Ji Siqing is your woman, it is impossible to think about it. Who let you enter Kunlun Xu now..."

The words that Shi San once said were heard.

As if it were yesterday.

The justice of shisan he knew was awe inspiring!

Shi San, who he knows, has an optimistic life!

Even if the medical technique is close to the Tongshen, how can you die?

All people in the world may die, but they can't be the disciples of the medical God sect!

Ye Chen suddenly converges on his killing machine, and his cold eyes suppress him. He grabs Shi Zhenhai's hand: "Uncle Shi, are you kidding? I don't know Shi Sange? Come on, where the hell has he gone

Shi Zhenhai shook his head and put out a hand to pat Ye Chen's shoulder: "Xiaochen, I didn't cheat you, he really left. After five days, I can't understand something more than you, but it happened

Shi Zhenhai's voice choked, and a line of tears came from the corner of his eyes.

"From then on, my stone family really has no queen. I thought that he could escape the disaster if he entered the medical God gate and had nothing to do with Kunlun Xu's wudaozong sect. Now it seems that if heaven wants to destroy our stone family, how can we do it?"

Between the words, Shi Zhenhai seems to collapse, these days trying to suppress the feelings, at this moment the mood completely exploded.

The body also falls back powerlessly.

Ye Chen's appearance is the last straw that crushed the camel!

Ye Chen sees the shape, hastens the true Qi to condense, will Shi Zhenhai to help up.

"Uncle Shi, what happened during my absence? Where did the doctor's gate go? Where did the master go? How could brother Shi have an accident?"

At the moment, he is extremely calm, no matter what, he must investigate everything. Fortunately, the blood League is eager to find ye Shitian's whereabouts, and there is a force in his father's body to protect him. The blood league can't move his father at all. His father is safe for a long time.

As long as the blood alliance does not find ye Shitian, he is himself.

Shi Zhenhai eased up a few minutes, then looked at Ye Chen, what he wanted to say, or did not say: "Xiaochen, Shi San, he committed suicide, and has nothing to do with anyone. As for the door of medical God, the second month after you left, you moved away. It was very urgent when you left. I don't know why."

"Shi Sanben wanted to leave together, but because of me, he still stayed. He even said that if one day you come back, he might still be able to give you a few words.

There must be someone in the door of the God of medicine. "

"The secluded stone came here every few months, but he didn't even come to clean it for a few days. He didn't even come here for cleaning."

Shi Zhenhai's voice became lighter and lighter, and finally turned into a deep lament.

Suicide?

Ye Chen sneers, does Kunlun Xu still commit suicide?

What's more, even if people all over the world commit suicide, shisan can't commit suicide!

Ye Chen looks colder and colder, but the more he asks, Shi Zhenhai dodges more and more, as if there is something difficult to say, so ye Chen is not embarrassed.

It's too easy for him to know something.

"Uncle Shi, my friend and I have something to do. I'll take some things to see you later."

I don't think I'll go to see you at the bottom of the grave. I'm sure you'll go to see him at the bottom of the grave. I'll take you to see the stone at the bottom of the tomb

"OK, Shen Shixi, xuefenghua, let's go."

Ye Chen's eyes were gloomy and walked toward the door of the God of medicine.

Shen Shixi and xuefenghua also followed.

When the three left completely, Shi Zhenhai let out a long sigh.

It means a lot.

Chapter 639

"Xiaochen, it's not that I don't want to say that there are some things that we really can't contend with.

The rule of Kunlun void is to respect martial arts. If you don't have strength, you can't protect your dignity.

Shi San has left. Uncle Shi, I don't want you to be implicated. "

"Let's call it a day and let it be as silent as this dust. Shi San may also mean that below. He always treats you as a younger brother, and he hopes you live well than anyone else

.....

Outside the door of the God of medicine.

Shen Shixi looked at Ye Chen and said respectfully, "Mr. Ye, this matter should not be so simple."

"I know."

Ye Chen Mou son is suffused with a trace of cold, cold to make people palpitating.

"The disappearance of the door of medical God and even the accident of shisan are not simple!"

"No matter who is behind him, I will find him out and ask him to kneel down in front of shisan's grave to apologize!"

Because it was getting late, the three had to find a hotel to stay in.

The hotel is magnificent.

There are different levels of people who come and go. The lowest level is also the state of mind wandering. As for the strongest, it is impossible to estimate.

A couple of clear eyes can be seen in the hotel for three hours.

Without too much staying, it is obvious that they are not afraid of threats.

The cultivation of the other side is at least above the realm of the holy king.

The three ordered some food on the sixth floor of the hotel. Before long, the voices of discussion came from several tables around.

"In a few days, Miss Li will be married with Kunlun Xu, who has entered the peak of lingfu list. This is a great event."

"What? In a few days, at eight o'clock this evening, the engagement ceremony will be held. It is said that all the strong people in the neighborhood come here in admiration."

"Not to mention, Lixin's beauty and figure are really unbearable. It's a pity that most people can't eat this beauty. She has a devil in her heart."

"What do you mean, brother?" An extraordinary man asked the fat man around him curiously.

The fat man ate a few peanuts, looked around him, and said in a low voice: "brother, you don't know that Lixin had a engagement before, and her fiancé just killed himself five days ago. Don't you think it's strange?"

"If I remember correctly, the sad guy is Shi San of the medical God gate. He has a little skill and strength, but unfortunately, he can't get into Li Xin's eye. The toad just wants to eat swan meat, and does not weigh his own strength

Next to a table is eating Ye Chen, chopsticks hanging in the air.

A cold red light flashed through my eyes.

Bloodthirsty.

Killing.

Cruelty.

He knew that Lixin was a woman. For five years, Shi San often talked about this beautiful fiancée.

"Xiaochen, you must remember that your future sister-in-law is Lixin, the daughter of Li family! When you come back from China, I'll show you what a fairy is

"Not to mention, I have always thought that the Shi family can only be regarded as the smallest family in Kunlun, but I didn't expect that the ancestors of the Shi family had been brilliant, which left me with this retreat. I just don't know what Lixin feels about me."

"I'm afraid that a casual and romantic person like me will make this woman crazy. Xiaochen, you have to refuel. Haha, don't wait for my children. You don't have a partner yet."

Ye Chen's ear rings these words, are all the drunken words that Shi San said when he was drinking.

For him, the only thought of a better life in the future is Lixin.

Ye Chen at that time a smile, and at this moment, Lixin these two names just like a knife edge, dead inserted in his body!

If Shi San's death is really Li Xin's, then he wants the whole Li family to be buried with him!

At the moment when ye Chen's anger swept over, the fat man at the next table continued: "but there's something wrong with the death of the toad. There's no need for Lixin to use such cruel hand. I think this matter may have something to do with that Gaofeng Ping."

"Gao Feng Ping is one of the 100 talented people in Kunlun. As long as he doesn't die young in the future, his future is limitless. It's normal for Li Xin to choose Gaofeng Ping. A waste and a genius, who would you choose? "

The extraordinary man took a sip of wine: "what the hell do you choose? The death of waste is the elimination of advantages and disadvantages, in other words, it is deserved."

Seeing ye Chen on the edge of the outbreak, Shen Shixi quickly stood up and went to the two men and said in a low voice: "two, it's not good to consume a dead person like this. I advise you to eat honestly."

The fat man took a look at Shen Shixi and frowned: "what are you? What's the relationship between me and my friends? If you mind your own business, believe me or not, I will let you stay here forever! "

After that, the fat man suddenly laughed and said:

"I understand. Does it mean that you have something to do with that trash

Language down, ye Chen can no longer help, raised his head, cold eyes shot out."Shisan is my friend. I don't allow you to insult him like this behind his back. If you want to live, kneel down and discard your accomplishments, otherwise you will have to die."

Ye Chen's indifferent voice falls like this, incomparably calm.

It seems to dominate life and death.

The fat man was stunned and looked at Ye Chen. When he felt the realm of Ye Chen, his mouth was filled with disdain.

"Little waste, I'm -"

before I finish my words, ye Chen's eyes are cold, and his palm claps on the table, and his strong anti shock force directly shakes the peanuts in front of him!

Ye Chen two fingers a grasp, a peanut is between the two fingers.

At the same time, the arm gently swings, the invisible killing intention and the air current wrap the peanuts and shoot out directly!

Very fast!

That little peanuts like a meteor hit the earth, tearing everything!

At this moment, the fat man naturally felt the crisis, and the meaning of death seemed to erode his everything.

He just wanted to take out his sword to resist, but found that he was not qualified at all!

"Chi!" The peanuts with a cold light penetrated the fat man's throat.

With a touch of blood, dead embedded in the walls of the hotel.

Chapter 640

The fat man didn't even have the right to speak, and fell directly on the table.

This time, the delicacies are destroyed, and even the extraordinary companion feels numb.

A peanut can be a murder weapon?

The key is that at the moment of peanuts shooting, he felt the strong self-confidence and killing opportunity in that young man.

As if between heaven and earth, the other is the king of life and death!

Terrible!

After all this, ye Chen's cold eyes fell on the only one: "what I just said, you should have heard it."

The man's face was pale, and he took a look at his palm, no longer hesitated, and clapped on the elixir field.

A mouthful of blood essence is directly ejected.

The elixir field is broken, and the cultivation is destroyed!

Just for a moment, the man understood a truth.

If we don't abolish the elixir field today, it will be a dead end for him.

"Xuefenghua, I'll leave it to you."

"Shen Shixi, let's go. If Lixin and Gaofeng Ping are really the killers of shisan, then today's engagement dinner will be controlled by me, ye Chen."

Shen Shixi's expression changed. Unexpectedly, ye Chen came here and started to make trouble.

Although Shi San's death may have something to do with Li Xin, this is not Huaxia. This is Kunlun Xu!

Kunlun virtual strong like clouds, once people are staring at the consequences are unimaginable.

"Mr. Ye, I don't think you are too impulsive. The wedding banquet is bound to be grand. If you smash the stage and others find out your identity, you will be in trouble!"

"Although the blood League will not attack us for a short time, they will certainly send someone to pay attention to it. If it is not good, we will explain it here."

Shen Shixi knows Ye Chen's strength is very strong, but no matter how strong he is, he doesn't dare to be arrogant in Kunlun.

Even if this place is not the deepest part of Kunlun, there are not many strong ones.

But for them, it's dangerous enough.

"Mr. Ye, do you think this is OK? I will go to wanjianzong now and ask the leader and all the elders of wanjianzong to do something. Their strength is enough to crush the Li family, and they are not afraid that they can not find out the truth."

This is the only best plan that Shen Shixi can think of.

Ye Chen took a look at Shen Shixi and shook his head helplessly: "since you want to go to wanjianzong, you can go. I am enough alone."

Shen Shixi could feel the displeasure of Ye Chen's words and knelt down in front of Ye Chen: "Mr. Ye, no, master, I'm not looking down on you, but everything is based on the overall situation. Now we don't have any power. We'll only be limited to death if we expose and act rashly."

As soon as ye Chen's eyes congealed, he said, "Shen Shixi, I order you to go to wanjianzong immediately. You can't disobey it. However, you can rest assured that I know something in my mind and I won't poke out any moths. Moreover, I didn't say that I would go to this party with my present face."

When Shen Shixi heard this sentence, he sighed: "master, do you want to change your appearance?"

Ye Chen nodded: "that is nature."

"I've come to Kunlun Xu anyway. It's time to give a big gift to each major sect of Kunlun Xu."

The next second, ye Chen pinched his finger, and his face suddenly changed.

Shen Shixi didn't feel anything when he heard Ye Chen's words, but when he found Ye Chen's face now, his eyes almost glared out.

Because ye Chen now is ye Shitian, who is terrified by the numerous forces in Kunlun!

Is master crazy? Ye Shitian's identity is exposed, but he is extremely dangerous.

He just wanted to persuade what, ye Chen put on half a mask again.

The mask covered half of his face, and there was no concrete appearance at all.

"Mr. Ye, if you do, who will guarantee your safety?"

Shen Shixi can't limit his master to danger!

Ye Chen, with both hands behind him, looked at a restaurant in the distance and said, "I am responsible for my safety. If you don't leave here again, I will not step into wanjianzong from now on."

"As you said, my power is too weak now, so I need the strong man of wanjianzong to take charge."

Hearing this, Shen Shixi looked at Ye Chen with a worried look, and disappeared completely in his sight.

It's time for the wanjianzong to issue a hunting order to his master.

Moreover, judging from the first battle of the airport in Jiangnan Province in China, the master's strength was far superior to him.

He was just a little elder in wanjianzong. Now it is impossible for him to help Ye Chen. Only by going to wanjianzong to find a stronger master can he have a chance.

Otherwise, with the speed of Ye Chen causing trouble, Kunlun Xu will be pierced by this guy before long!

Soon, peace returned to the world.

Wearing a mask, ye Chen's mouth outlines a touch of cold, and walks towards the restaurant with bright lights in the dark.

That is where Li Xin and Gaofeng Ping hold the engagement banquet.

It was a happy event. He didn't want to ruin it. However, someone destroyed a pure land in his heart.

.....

Kunlun Xu, zuixianlou.

This building was built by Yibao Pavilion, which was later handed over to the Li family.

Li's family is a large family with a radius of 100 li.

At this time, there was an endless stream of guests.

It was a celebration.

Ye Chen with a mask appears directly in the restaurant.

Although you can only enter with the invitation card, there is a good array here, but it is nothing to Ye Chen.

He accepted the supreme inheritance, so that in Kunlun Xu, his understanding of the array is far beyond everything.

How could a mere array bind him.

The engagement has not yet begun.

Ye Chen finds a quiet place to sit down.

It's surrounded by powerful people and celebrities of the nearby generation.

Fortunately, ye Chen glanced around and found that most of them were the strong ones such as the transcendental realm, the holy realm and the holy King realm.

As for the wonderland, there were only three people in the audience.

Two of them are waiters.

Although Ye Chen is in a state of mind wandering, he really wants to talk about strength, at least in the transcendental state.

In addition, it is not difficult to cut into the holy land.

However, in order to deal with such strong people as the holy King's realm, we can only rely on the two great powers of the reincarnation cemetery.

Ye Chen sat there, countless doubts and bad eyes, attracted everyone's attention.

"Who is the boy in the mask? Is it true that shenyoujing is also the person invited to this banquet? "

"How do I feel that this boy is familiar, and I always feel that I have seen it somewhere?"

"Let's not forget that Kunlun has some confusing techniques that can cover the breath of cultivation. Ye Shitian is the best example. It is said that his first breath exposed in the battle of Yibao Pavilion in Kunlun Mountain in China was zhenyuanjing. Do you think zhenyuanjing can kill Zhuang Bufan? And only one plum blossom?

Can Zhenyuan state summon dragon and thunder? The analysis of the misty breath of Ye is based on my analysis

Hearing the name of Ye Shitian in the crowd, his eyes were completely afraid.

During this period of time, it seems that the whole Kunlun Xu is spreading the battle of Ye Shitian!

After all, people who can fight against Yibao Pavilion and blood League hardly exist!
