Chapter 641

Some people say that ye's realm of killing heaven is unfathomable. It looks very weak on the surface, but in fact it is a strong one like the holy King's realm or returning to the void realm!

When he was about 20 years old, he achieved this achievement. Only Ye Chen was on the surface of Kunlun Xuming!

Even the Kunlun Xuling Fu list ranked ye Shitian in the top ten!

The only thing to contend with is Ji Siqing, the first day of Kunlun Xu!

Even if the peak of all people preparing to curry favor today is No. 99 on the list of lingfu!

There is no doubt that the bottom of the existence!

No one talks about ye Chen any more. In their opinion, the topic of Ye Shitian is undoubtedly more interesting.

But in the deep, there is a person staring at Ye Chen's mask.

His body trembled, because ye Chen's eyes and temperament made him think of Ye Shitian.

And he happened to witness the destruction of Yibao Pavilion in Kunlun Mountain in China, and ye Shitian's strong rise!

"How could it be so like..."

.....

Ye Chen does not care about these eyes in the slightest, after tonight, he and these people will not have any intersection.

He only cares about the answers in those two populations.

At this time, a beautiful shadow swept towards Ye Chen.

She is elegant and refined. She has an ethereal breath. Her legs are long and her eyes are like tassels.

It is a buttock sitting beside Ye Chen.

Ye Chen glanced, without any fluctuation.

The woman seemed to be very interested in Ye Chen. She held out her hand and said, "Sir, it seems that you are not familiar. Is it the first time you come to Zuixian tower?"

"My name is Ding Yun'er, arranged by Yibao Pavilion, to witness the engagement of a new couple."

"I don't know what to call sir?"

Ding Yun'er is confident enough that her family is in charge of a branch Pavilion of Yibao, and she is also an upper class figure in Kunlun.

As soon as I stepped into Zuixian building, I felt flattered by many people.

These three words are enough to change people's views on her.

The reason why she approaches Ye Chen is that she is curious about ye Chen's temperament.

A strong eye, on the contrary, has a strong vision.

This kind of person, no matter what, is absolutely right to attract!

Ye Chen heard the other side from the Yibao Pavilion, sneered: "my name is not necessary, scattered repair a, you will not want to know me."

As soon as he had finished speaking, a cry of surprise came.

The next second, ye Chen is to stand up, staring at a girl wearing sexy!

The girl was dressed in a rose robe, tied into a big bow with purple ribbon around her waist, and her long hair poured down like a waterfall.

The body is enchanting, enough to use the devil to describe, twinkle and smile, charming.

Li Xin!

At the moment, Lixin Chin Yang, arrogant!

As if the whole world was around her!

But Li Xin's side is standing a tall and handsome man.

The man is about the top of the world, his left hand is holding Lixin's waist and nodding to many people.

The crowd marveled!

It's a beautiful woman!

Although Ye Chen wants to control the anger in his heart, he still can't stand it, and the cold killing machine is released.

Ding yun'er is stunned by this killing opportunity, and then her breath stops.

A pair of invisible hands seemed to hold her throat.

She took a look at Ye Chen's direction and couldn't think of it. Why did this cruel youth break out such a murderous opportunity!

Did Li Xin hurt this cold young man?

The killing machine soon converged.

Ye Chen asked the waiter for a glass of wine and drank it down.

Ding yun'er snapped a finger, asked for a glass of wine, gently shook the glass, and said, "Sir, if I'm not wrong, you should have suffered a lot in love. What can't be done in this world?"

"Besides That Lixin, is not a suitable role to be a wife, you can not be deceived by her gentle appearance

"Women like to cheat most."

Ye Chen this just dropped the attention in Ding yun'er's body: "it seems that you know Lixin very well?"

Ding yun'er heard Ye Chen finally talk to her, and came to a trace of interest, and continued: "although this is Lixin's engagement banquet, but I will not look at the face of the Li family, as far as I know, this Lixin is a very effective woman."

"This Zuixian building was originally the stuff of Yibao Pavilion, but Li Xin ate this place by means of means. I can't find one in a hundred miles."

"And more."

Ding yun'er's body is slightly close to Ye Chen, and her chest is white and open, straight and attractive.

But ye Chen did not have the slightest reaction.

Ding yun'er lost a little bit, approached Ye Chen's ear, and continued: "there are also rumors that Shi San, who is Li Xin's original fiancée, was forced to death by Lixin. Shi San once went to Li's house to look for Li Xin many times, but they were all rejected. Only once did Li Xin come forward. That time, she let shisan ignite hope, but she left shisan mercilessly in hell. That time, Li Xin humiliated Shi San in front of the public. It was very ugly. Even I couldn't see it anymore. "

Ding yun'er didn't notice Ye Chen's killing intention at all. She continued: "this is not the most important thing. After Shi San went back from the Li family, she was in a bad state. The vicious woman's revenge was just beginning. She tried to force Shi San to terminate the engagement. Shi San refused. The next day, Shi San's father seemed to have broken a leg."

"Later, I heard that Shi San of the medical God gate committed suicide for no reason. Although I don't know the reason, I'm afraid it's related to Li Xin!"

In Ding yun'er's eyes, this callous young man must be one of those who failed to pursue Lixin, otherwise he would not expose such a big killing opportunity.

In this case, she said some bad things about Li Xin, and maybe she could get more valuable things out of the young man.

Of course, these are all rumors in the market, so we don't know whether they are true or not.

However, some things are not groundless.

"Sir, I have told you so much information that I can't know your name yet?"

Ding yun'er a hand just want to put on Ye Chen's shoulder, suddenly, a startled voice burst open!

The whole Zuixian building seems to be in complete disorder!

Chapter 642

A black shadow flashed out of the crowd, holding a dagger in his hand, went towards Lixin!

Crazy and cold!

This short saber has blood essence flowing on it. It is obviously a powerful blow.

Lixin looks pale!

The knife fell on Lixin's long white neck.

Gaofeng Ping, beside him, sneered: "things that don't know how to live or die, even my women dare to move!"

The next second, Gao Feng Ping's true Qi condenses and hits out with a fist!

This blow, the air wave concussion! It's like tearing the air!

There were even bursts of thunder.

"Bang!"

With a solid fist, it hit the dagger like this!

The air is out of order.

The dagger broke on the spot!

But the black shadow of the assassin was shaken out by this force!

The crowd roared!

No one thought that someone would dare to assassinate Lixin on the day of their engagement to Gaofeng Ping!

This is the apple of the Li family!

So many masters at the moment, how possible to succeed!

Countless eyes looked at the figure that fell out.

He was an old man in his sixties, dressed in plain clothes, with a black cloth hanging over his arm.

Obviously, I just had a funeral recently.

Although the old man is injured, the cold eyes are staring at Lixin!

This look, like a beast!

When Li Xin and her father Li Hu saw the assassin, they were surprised, but reasonable.

Because the assassin is Shi's father, Shi Zhenhai!

Li Hu stepped out, looked at Shi Zhenhai from a commanding position, and said, "Shi Zhenhai, bastard! You know what you're doing! The stone family and the Li family have some friendship! Are you really going to destroy all this little friendship? "

Shi Zhenhai spits out a mouthful of blood, coldly looking at Lixin and Lihu.

Since he is here, he is not going back!

The only son died, he has no value to live!

"You Li family still know the friendship between our two families! If you really know why friendship is killing my son

This roar resounds through the whole Zuixian building!

This is the anger of a father!

He can not guard his son, at least to give the dead son a reply!

Lixin restore calm, that arrogant chin so Yang, looking at Shi Zhenhai's eyes are some disgust.

"Don't you have anything to do with me? I tell you, Shi San's death can only show that he is useless! "

"What's more, if you assassinate me today, you know the price! I don't want to read my old love

Li Xin's voice is extremely cold, the words are more aggressive!

This stone shock sea has destroyed her engagement banquet!

What's the value of a bad life!

Kill and kill!

Shi Zhenhai Mou son is blood red, he supports the body to stand up, smile: "price? Since I'm here today, I don't intend to leave! If I fear death and turn into a fierce ghost, I will come to your Li family, and you will never be at peace! "

"Lixin, you'd better remember what you did! Remember the death of my son Shi San, it's about you! You use all means to destroy the engagement for your own selfish desire. Why do you want to do this! Even if you don't look up to my son, there's no need to be so cruel! Shi San is the only blood of my stone family! In his whole life, he stepped into the way of medical God, just to help more people! Why do you want to destroy such an ideal child! "

Shi Zhenhai is hoarse and miserable.

The next second, there is a red Rune in the hand.

When everyone saw the rune, their faces changed!

This is a soul destroying Rune! Once triggered, the spirit will burst, and the body will become a very strong force! Enough to compare with the most powerful attack of the holy kingdom!

Maybe the whole Zuixian building will collapse!

Madman!

A complete madman!

They want to take all the people to be buried with them!

Seeing that the power of the soul destroying talisman was about to break out, Gao Feng pingmou said coldly, "you don't think I will give you this opportunity!"

Li Xin also said: "Feng Ping, kill this old undead quickly! Don't let him succeed

Gaofeng Ping's momentum suddenly ascends, and has reached the holy land!

Then a red light was emitted from the fingertips towards the soul destroying Rune in the hands of Shi Zhenhai!

The red light burst out suddenly and turned into a bloody sword, tearing apart the soul destroying rune that had not yet condensed!

Shi Zhenhai was instantly bitten back and spit out a mouthful of blood!

Then, a shadow flashed by!

The peak moves! It appears in front of Shi Zhenhai. The sword is drawn out from his waist. The cold light overflows everywhere, and the sword spirit is sharp. With a sharp sword light, it goes towards Shi Zhenhai's neck!

Under a sword, Shi Zhenhai must be separated from him!

Even into a blood mist!

Gao Feng has a gloomy smile on his flat mouth. He enjoys the pleasure of killing people.

Crushing this kind of mole ant will only make his image in people's hearts even higher!

Looking at the sword, Shi Zhenhai gave a bitter smile and said to himself, "dad still didn't do anything for you, but it's OK. You must be very lonely below. I'll accompany you once."

He chose to close his eyes.

Life and death are calm.

People in the distance shook their heads helplessly. Ding yun'er also sighed deeply. She just wanted to say something to the youth around her, but she found that the youth around her was missing!

The whole body is full of wind!

Along the wind, he saw a shadow quickly swept away!

Shadow wrapped with blood evil spirit and anger, steadily fell in front of Shi Zhenhai!

And then!

Five fingers stretched out, holding Gaofeng Ping's sword directly!

Hold it!

The sword can't go any further!

This sudden change, so that all the guests and even the Li people's face changed!

No one would have thought that at this time, there would have been someone to save people!

It's not killing me!

Gao Feng Ping took a look at the masked youth who saved Shi Zhenhai, and said in a cold voice, "what the hell are you? I'll give you three seconds. Get out of here! Otherwise, even you will be killed today

Ye Chen eyes Sen cold, the anger in the heart has burned to the extreme!

He was almost sure that Shi San's death had something to do with the dogs and men!

He doesn't allow Shi San's father to have any mistakes!

No matter who is not qualified to hurt Shi Zhenhai!

Blood dragon roars inside!

The breath of endless blood dragon and killing winds around Ye Chen's arm!

"Today, no one has the right to move him. It's anyone."

"Those who disobey, behead!"

"Click A sound, incomparably clear and crisp!

The sword in Gao Feng's flat hand was directly broken by five fingers!

At the same time, ye Chen held the blade of the broken sword and roared wildly. The blade was like the roar of a dragon and the roar of thousands of beasts.

Directly came to Gaofeng ping!

Crazy sword sense fell!

Gaofeng Ping noticed something was wrong and quickly backed up!

But no matter how fast the reaction is! Blood is still getting worse!

Chapter 643

Gaofeng Ping finds his hand unconscious!

It hurts!

He glanced at his arm!

Empty!

It's just cut off!

This scene, let the expression of all present solidify!

Who did not expect, at this time will suddenly kill a person, with the posture of turning the tide, cut off the spirit Fu Bang Gaofeng Ping's arm!

What strength is needed!

Shi Zhenhai felt something wrong, opened his eyes, and saw a figure in front of him.

He felt familiar, but he couldn't say.

"Little brother, you don't have to take risks for me. I'm old and I can't live long, but you're still young!"

Shi Zhenhai has some regrets! Because he is a drag on others!

Ye Chen ignored, step by step toward the peak flat.

Soon came to Gaofeng Ping.

"I'll give you a choice. Kneel down. I'll give you a whole body."

"Otherwise, you will not be eligible for the whole body."

The voice was cold, like death's judgment.

At this moment, everyone is confused!

They have never seen such a conceited person!

There are so many strong people here. How can the masked youth have such a strong morale!

Self abandoning cultivation? The whole body?

Gaofeng Ping's Scarlet eyes were staring at Ye Chen, and his anger broke through his brain. He roared in one direction: "what are you still standing there doing! Take this little beast! I want this little animal to live and die

Words fall, the shadow of a few figures in an instant appeared at the side of Ye Chen!

Ten people!

The realm of ten people is no less than Holy Land!

And Li Hu also reacted and roared: "come on, take this troublemaker! Cut off his hands and feet

Li family deep master and zuixianlou strong all appear!

How can they be unprepared for such a big day today!

In an instant, dozens of people surrounded Ye Chen and Shi Zhenhai!

The long sword is shining, the cold light is dazzling!

Before the sword moves, the meaning of the sword becomes first.

the light of the sword expands thousands of feet, just like a dragon coming out and covering the sky and the earth!

The whole Zuixian building seems to be shrouded.

To the extreme!

Shi Zhenhai was completely confused. He didn't expect to see so many people suddenly!

He looked at Ye Chen, who was wearing a mask. He even said, "little brother, don't worry about me. I'll hold them down. You can try to run!"

Ye Chen smiles. He looks at Shi Zhenhai in a light voice and says in a soft voice: "Uncle Shi, the third brother of Shi treats me well. Although he is dead, I will treat you as a relative. Today, we will not have any accidents."

Shi Zhenhai just wanted to say something, suddenly, he found the voice very familiar!

Look at that eye again!

He's almost petrified!

This masked man is actually Xiaochen!

Although the voice and appearance have some changes, but can't be wrong!

They only met hours ago!

He just wanted to exclaim, but found Ye Chen winked at him, obviously to keep a secret.

There was a thump in his heart!

It's so critical. What's the secret!

But he knows Ye Chen's strength, and his son Shi San is much worse!

How to live in such a dangerous situation?

Lixin knew that the victory was in hand. She was a bit bold. She gazed at Ye Chen and stepped out. Then, a cold voice rang out: "boy, do you want to be a hero with a mask? Did you mean to ruin my engagement dinner? "

"Stupid trash, do you know how many strong men are hidden in the dark in our Li family and Gao family? Tell me, who is behind you

Ye Chen this just fell on Li Xin's body.

His eyes were full of anger!

This woman destroyed all of Shi San!

"I just want to ask you if Shi San's death has anything to do with you!"

Li Xin was stunned. He didn't expect that the masked youth came for shisan!

When did Shi San have such a strong man around him?

She stopped thinking about it, and said with a cold smile, "what if the death of Shi San's waste has something to do with me? What if it had nothing to do with me? He's just a toad who wants to eat a swan... "

Li Xin words have not finished, a cold wind suddenly rises!

And then!

"Pa!" A red palm print is directly printed on Lixin's cheek!

At the same time, Li Xin flew out!

Spit out a mouthful of red blood!

This slap is mixed with Ye Chen's anger!

If he didn't want to investigate the real cause of Shi San's death, this slap might have taken Lixin's head off! He won't let this woman die so easily!

He wants this woman to enjoy torture in front of Shi San's grave!

All the people at the scene did not expect that there were so many strong men and swords surrounding them, and the masked youth would act recklessly!

Is this masked youth a psychopath?

Li Hu reacted and quickly helped her up. She said, "Lixin, do you have anything? Did you hurt anything? "

Lixin stood up, covered almost red and swollen face, staring at Ye Chen, angry voice: "Li family strong listen to orders, immediately start! The boy and the old undead will be killed directly

"Yes, miss!"

The next second, the strong man of the Li family carries the sword of heaven, intending to leave Ye Chen and Shi Zhenhai!

It's like turning into a sword light beast, trying to devour two people!

Gaofeng Ping also responded and told the Gao family's strongmen: "Gao people listen to the order, gather the sword array, and tear the bodies of these two short eyed animals!"

"Yes, young master!"

Sword array, powerful momentum seems to swallow everything!

Sword moves let all the furniture around tear on the spot!

Also into a giant animal shadow!

The whole Zuixian building seems to be unable to bear the power of these two killing beasts!

It's about to collapse!

The onlookers retreated one after another. Once they got close, maybe their bodies would be torn!

They looked at the two most powerful forces and were shocked.

No one would have thought that the Gao family and the Li family would be so crazy, with this kind of strength to deal with two people!

Such strength, not to mention those two people, even ten strong people into the holy land can not bear it!

In their opinion, masked youth and Shi Zhenhai will surely die!

Ding yun'er, with her beautiful eyes flowing, wants to stand up and say a few words for the masked youth, but think about it or forget it.

Although she is not afraid of the Li family.

But if Li family and Gao family together, also can be unnecessary trouble!

What's more, she is not familiar with the masked youth, and even doesn't know her name.

Why help a dead person who is not necessarily valuable?

The beast is furious, and the sword is in full swing.

People exclaim repeatedly, one after another frightening eyes toward Ye Chen condense and come out, all parties react differently.

But all this, can't shake Ye Chen's calm heart.

Looking at the sword power sweeping across the river, ye Chen smiles coldly.

Directly sacrifice a sword formula!

This sword formula can make all swordsmen obey!

What's the meaning of a sword beast!

Ye Chen step out, breath suddenly release!

Staring at Lixin and Gaofeng Ping, he roared: "go back to me!"

The mountains and rivers capsized.

The beast runs!

It seems that the sword idea is completely out of control!

A breath of ancient times envelops the whole Zuixian building. Under the violent collision, the overflowing sword Qi will turn into hell on earth in an instant.

The sword spirit flies, and those who hold the sword are directly shocked by the attack.

Blood spray!

"It's not enough. Break it again!"

This roar, ye Chen body, momentum again.

The long river is broken.

The wind roars! Everything is sweeping!

Chapter 644

Zuixian building.

Countless bodies hit the ground like this.

Li family is even Gao family. Many strong swordsmen are all smashed on the ground!

The sword in their hands is either broken or stuck on the ground, and the handle of the sword tilts towards the mask youth!

It's like submission.

Within ten meters, only one young man stood up with his hands down!

That is Ye Chen!

The howling of pain and blood flow like a river in zuixianlou.

It's shocking.

Ye Chen knows the power of WanChen sword formula, which is not the first time to use it. However, he did not expect that the WanChen sword formula would burst out with such a powerful power!

Far beyond the power of Jiangnan international airport?

Is it because of Kunlun Xu?

Kunlun is full of empty spirit, which is also the reason why WanChen jianjue becomes more powerful?

However, he is also very clear, fortunately, this group of strong men are using swords. If they are replaced by other weapons, he really has no chance of winning.

He glanced at all the people on the scene. As far as he could see, all of them subconsciously stepped back!

In addition to the eyes of horror is fear!

The whole Zuixian building is silent to the extreme!

Who could have thought that the mysterious youth who seemed to be in a state of ecstasy had such strength!

But dozens of strong men!

Most of them are the strength of transcendental realm or holy land!

Although the supernatural realm and entering the holy realm are only ordinary in Kunlun, in this drunken immortal building, all the forces are united, even the holy King's realm can not bear it!

What's more, they didn't see how the mysterious young man did it!

Just step on it!

One foot has the strength against the sky?

Hell, no!

Ding Yun Er subconsciously covered his mouth, a trace of slight exclamation or overflow.

Before that, the reason why she approached Ye Chen was to see that ye Chen had some different things.

She knew that ye Chen might have hidden her own strength, but she didn't expect to be so evil!

A single move is enough to break everything, no one on the scene will do it!

When did this mysterious strongman exist around here?

Surprised not only Ding yun'er, but also Shi Zhenhai!

In five years, ye Chen also went to Shi Zhenhai's home many times. Shi Zhenhai learned some things about ye Chen from his son Shi San.

He came from China. He didn't cultivate himself. His family was in the middle of the world.

Not even a spiritual root.

Only Van Gogh.

Every root can be cultivated, but there is no great achievement in life.

This may also be the reason why the master of medical God took Ye Chen in.

For five years, ye Chen spent almost two years in sarcasm. In the next few years, ye Chen did not go to the medical God gate. It seemed that he had gone to a secret place of Kunlun Xu. He only stayed in the impression of Ye Chen when he came out occasionally.

But did not expect, this moment that fan root youth unexpectedly to turn the tide!

Dozens of powerful people in the extraordinary realm and even in the holy land can't do anything about it!

It's too scary.

He even suspected that the young man in mask was really Xiaochen?

And at the moment with the mask of Ye Chen, but step by step toward the peak of peace and Lixin go.

He could feel some very dangerous breath in the deep.

If it wasn't for the sword rhyme that suppressed so many strong people, those breath might have been used long ago.

Before the group reacts, he has to make a quick decision.

Soon, ye Chen stopped, that cold eyes swept a glance at Lixin and Gaofeng Ping.

"Now, am I entitled to know the answer?"

Li Xin's beautiful face is now only beautiful!

She had no idea that such a strong man could speak for shisan!

And she is very clear, Shi San's death is because of her, once let this masked youth know the truth, she will surely die!

She is close to her father, the other hand is to hold Gaofeng Ping's hand, at the moment only these two people can make her feel at ease.

"Dad, what to do..."

Li Hu looks gloomy. He doesn't know the strength of this boy in front of him!

Although it's the breath of the Wonderland!

But just a move is enough to show that the other side is in the holy kingdom!

Obviously, the breath was obscured.

He could only say, "Sir, is it too much for you to do so. The Li family and the Zhou family are also big families nearby. They are not weak in Kunlun. You will be punished by heaven for destroying my daughter's big day like this!"

"Most of the people here represent all kinds of forces. If you don't stop today, the consequences will be unimaginable."

Ye Chen sneered: "what are you, did I ask you?"

Li Hu's face changed greatly, and he could not help it any more. He directly forced a drop of blood essence and shot at Ye Chen: "little beast, I'd like to propose a toast and not to eat or to punish wine!" "I thought I was afraid of you!"

Blood essence bloom, blood mist bursts!

At the same time, Li Hu's hand appeared a Guqin!

As soon as the Guqin comes out, a breath of yin and evil comes!

The crowd exclaimed: "Liyue's piano! This is actually the instrument of Li Yue, which has disappeared for many years in Kunlun

"The legend of a magic sound shaking Kunlun in those days was extremely frightening."

"The magic weapon was actually obtained by the Li family. Once the magic sound rings, the consequences will be unimaginable!"

Even the Ding yun'er in the crowd also shows eyebrows and frowns, and says, "old fox!"

If this masked youth was not killed, I'm afraid it would have been hidden by Li Hu!

And ye Chen's expression at the moment is really incomparably strange!

Because there is a voice from the samsara cemetery!

From the immortal Lord!

"Boy, the wood of Li Yue's zither is ancient Liyue wood. Your sword is short of a suitable scabbard. Do you understand my words?"

Ye Chen naturally understood!

When he turned the long sword in his hand, the edge of the sword trembled, and the sword spirit was vertical and horizontal. He went directly to Li Hu!

"I'll take your liyue piano!"

Li Hu's face is ferocious at the moment, he has no choice!

If you don't kill this boy today, they won't be able to leave!

No longer hesitant, Li Hu will Liyue piano suspended in front of the body, fingers gently dial!

A clear sound resounds through the whole Zuixian building!

The sound of a string of soft water seems to turn into a long cold sword and sweep towards Ye Chen crazily!

"Boy, I don't care who you are. Since you must fight against my Li family today, you will stay forever!"

"Broken!"

Roaring sound, that innumerable sword virtual shadow swept away!

Only in the middle, ye Chen can feel the pressure brought by the sound of the piano.

Like a huge mountain crazy down!

Not only that, it seems that there is some magic in the sound of Qin, which makes him unable to gather his true Qi!

Feeling the influence of the sound of the piano, ye Chen took a deep breath and offered his life talisman!

In a flash, ye Chen was wrapped by countless thunder and lightning!

Lightning seems to break everything!

And the sword in Ye Chen's hand is turned into a sword to cut sky thunder!

"Just the magic sound, I really think I'm sleepy!"

Ye Chen carries Wanjun thunder and lightning to stride several steps directly, and then splits down with a sword!

The air makes a violent spark!

Chapter 645

Li Hu's mouth showed a disdainful smile.

A burst of high pitched music burst out.

With the sharp sound falling, a substantial sound wave swept towards Ye Chen!

In the moment of touching Ye Chen, it seems to be a huge wave!

Once you hit Ye Chen, you will die!

Ye Chen felt the crisis, no longer hesitated, the sword in his hand disappeared directly!

The next second, a cold light broke through the sky.

It's the sword of heaven!

As soon as the sword comes out, the aura of heaven and earth seems to be absorbed!

Don't even need Ye Chen to do it!

"Boom!"

The sword was cut horizontally and exploded in the next moment with a roar.

The roof of Zuixian building is lifted up directly!

We can see how terrible the power is!

"Pedaling, pedaling, pedaling!"

Ye Chen back a few steps, and Li Hu is also!

He spits out a mouthful of blood!

Li Yue's piano is full of blood, shocking!

"No way! There is a sword that can break my lyyue piano

He was staring at the sword which was suspended in the air. He just wanted to talk!

The sword is moving again!

With bursts of blood light, sweeping!

If you want to kill the dragon, you can kill the dragon!

No reason!

Li Hu's eye saw that the strange sword came again. He steadied himself and swallowed a pill!

Then, five fingers pull the strings!

Like a bow and arrow!

Bow string release!

The wind and the wind are changing.

A hundred Zhang arrows like a direct shot, toward the Dragon asked Sky Sword and go!

This blow is enough to destroy all the magic soldiers!

Ye Chen naturally feels something is wrong. It's not necessarily enough to fight by cutting Dragon Sword alone!

He stopped hesitating and roared, "sword

Cut dragon asked Sky Sword in the air, then suddenly came to Ye Chen's body!

Five fingers.

The power between heaven and earth seems to be in the hands!

At this moment, ye Chen feels in control of the whole world!

The other one patted the dragon and asked the sky sword, "today, you and I fight together, it's the first step to split the supreme rule of Kunlun."

"Ten thousand swordsmanship, love it!"

A roar!

Wan Dao sword meaning with the innumerable thunder and lightning in Ye Chen's body!

Into Kendo into a thunderbolt!

Now ye Chen's strength, coupled with the sky sword, how terrible it is!

For a moment, on the sky and night, the clouds surged!

There are many visions!

Visible to the naked eye, the aura of a hundred miles is pouring into the mysterious youth and strange swords!

The rainbow runs through the sun as if it turns into a river of heaven. It roars down from the sky and goes straight to Li Hu's powerful arrow.

This sword is Ye Chen's best strike!

This sword is also the first sword that the sword of chopping the dragon and asking the sky is really used!

No matter what, we should leave an indelible scar in Kunlun!

He wants to tell the world that he is back!

The killing God ye Shitian swept in!

All over the sky, the sword Qi sweeps all directions, and ye Chen's momentum reaches an extremely terrible level.

Just a sword, let the guests look shocked!

"Who is this mysterious youth! So young and so powerful, I'm afraid they are the young talents in the list of lingfu! "

"Nonsense, lingfu list is the talent of Kunlun empty talents! This mysterious young man has more than 20 bones. He is definitely qualified to enter the list of spiritual Fu. Maybe this boy can be ranked in the top 50! "

Feel Ye Chen blooming out of the startling momentum, many strong people quite moved.

This sword is too strong.

"Is it not enough for Kunlun to kill the sky? Will there be a masked youth

Someone murmured.

"Do you think this boy is ye Shitian?"

"You think too much. If it's really that ye Shitian, the masked youth may have already attracted the divine thunder and the dragon, and the Li Hu is still qualified to stand!"

"What's more, it is said that ye Shitian doesn't like to use sword, but he likes to kill people with plum blossom. The other side should not."

In the crowd discussion, Li Hu felt the crisis, no longer hesitated, the power of the string suddenly increased to the extreme!

This time, the sound of the piano broke out more thoroughly, such as thunder burst, echoing between the sky.

A wave of air suddenly spread out, it seems that the air wave into thousands of beasts, from hell out! Toward Ye Chen mercilessly bite and go!

"I said, your guqin, I'll take it!"

Ye Chen's words fall, and the meaning of the startling sword sweeps down!

Two forces collide directly! The sound of thunder burst through the sky.

Countless monsters and beheading dragons collide with the sky sword!

Rippling out of a layer of substantial waves, swept towards the surrounding.

The array of Zuixian tower is broken directly!

The whole building seems to collapse at any time!

"Damn it! Everybody, back off

"Zuixian building is going to fall down!"

Looking at the violent air waves and the crumbling wall, all the guests and even Gao Ping and Li Xin all retreat to the safe place!

Even Shi San's father is so!

When everyone left, a loud noise came!

There's smoke and dust!

Zuixian building collapsed directly!

It's splashing dust!

All eyes are covered!

I don't know why, everyone subconsciously thought of Ye Shitian!

Only Ye Shi genius dare to be so crazy!

The masked youth is not really ye Shitian!

The sound of the vibration became lighter and lighter.

The dust also slowly returned to calm.

The crowd breathed a long breath.

I don't know who won the attack of the mysterious youth and Li Hu.

Until the smoke completely disappeared, they saw a figure in the ruins.

The figure is proud in the world, holding a Guqin in his hand.

"My dad won! The little animal is dead

Lixin saw Guqin exclaimed, she was excited to the extreme.

But did not expect, ear a cold not Ding sound ring.

From Gaofeng Ping.

"Take a closer look."

Lixin a Zheng, and then look at the figure, but found that the other hand is still holding a sword!

The key person's face is wearing a mask!

The mysterious youth is still alive!

Still alive!

Then, she saw a headless corpse, and a blood sparkling head!

Li is her father's head!

At this moment, time seems to be still.

At this moment, the light of the whole challenge arena only left that figure.

The whole world fell into a dead silence.

This strange silence, as if after thousands of years, this just broke out.

Li Hu is dead!

The Li family is destroyed!

Kunlun Xu was born a strong man against the sky!

Ding yun'er's delicate body trembled and regretted!

If she had been more active just now, does it mean that Yibao Pavilion can attract a genius!

The mysterious youth has such a magic sword. If you add the lyyue's piano, it's absolutely terrible!

Ye Chen ignores all people's eyes and goes to Lixin.

When he came to her, he stopped: "I'll ask again for the last time how Shi San died."

Lixin scared a buttock to sit on the ground, at the moment of Ye Chen in her eyes is from the devil of hell.

Li family and father can not stop, who can stop ah.

Chapter 646

"Master, Shi San's death really has nothing to do with me. I'm..."

Words have not finished, ye Chen a slap directly in the past.

This slap is incomparably crisp, and a blood red mark is revealed.

Li Xin's whole face was swollen this time.

Blood is constantly overflowing from the corners of the mouth.

"Don't challenge my bottom line, I'll kill you easily!"

At this moment, Lixin was really flustered. Her eyes dodged, and then she thought of something. She fiercely looked at Gao Fengping. She even said, "master, this matter has nothing to do with me. It's Gaofeng Ping's meaning. The existence of Shi San completely hinders everything between him and me. He threatened Shi Sanhai with his life. If Shi San doesn't die, it's not only Shi Zhenhai that will have an accident All the people around Shi San will die! "

Gaofeng Pingyi Zheng, when hearing Lixin's words, almost spit out a mouthful of blood!

"Bitch, you dare say you didn't intervene in this? How dare you say it's what I mean? Don't you feel ashamed to say that! "

Gaofeng Ping is also angry!

Then his eyes fell on Ye Chen's body, pointing to Li Xin and saying, "my Lord, I admit that this matter has something to do with me, but everything is dominated by Lixin. If I have half a lie, heaven will strike thunder!"

Ye Chen is so cold eyed to see two people push back and forth.

After a few seconds, ye Chen interrupts their argument.

"You don't have to push back."

"Today, you two will go with me to shisan's grave."

"Knock a hundred heads! Then I'll take you on the road myself

At the moment, everyone takes a breath!

Every head has to knock blood, a hundred must die!

The key is that this method of death is extremely insulting!

Gao Feng Ping's expression is ferocious. He will not kowtow in front of that rubbish grave even if he is afraid of death!

What he has is the supreme blood of Gao family!

Not only that, he has stepped into the spirit Fu list, and no one dares to move him!

"You can't kill me! Once you kill me, you offend the Gao family! The details of my Gao family are not comparable to the Li family you killed! Also, I am the one selected by the lingfu list, which means that I have a gold medal to avoid death! If you..."

Peak Pinghua has not finished, ye Chen moved.

The sword in the hand rises and then falls.

In this way, the cold light penetrated everything.

Tear the night apart.

Then, Gao Feng Ping's ferocious head fell down quietly.

"If you talk too much, I'll send you on the road first."

No one at the scene thought that the mysterious youth would really kill Gaofeng Ping, and their eyes almost glared out.

Is this guy not afraid of the endless Revenge of Gao family!

Ye Chen seized Lixin's clothes and said faintly, "what I said just now is very clear. Would you like to go to the grave of stone three?"

"I will! "

Lixin has no choice at all. If she doesn't go, her head will land in the next second!

This evil spirit dares to do anything!

"Good." Ye Chen looked at the stone Zhenhai again, "you are also together."

Shi Zhenhai finally reacted from the shock. His lips trembled and he wanted to say something. Finally, he did not open his mouth and followed him silently.

When ye Chen and others are ready to leave, an old figure comes out of the crowd and blocks Ye Chen's body.

The old man was dressed in blue and his breath was misty.

This is one of the people who ye Chen felt dangerous just now.

It's very likely to be the holy kingdom.

If this person blocks, it's going to be a lot of trouble.

Ye Chen is still light, indifferent voice down: "you also want to stop me? My sword will not

The old man shook his head: "although I am an invited guest, I have nothing to do with the Li family. Now that the Li family is dead, I will not stand up for them."

"What do you mean now?"

"I want the lyyue zither in your hand. It's very important to me. I've been looking for this kind of magic weapon all my life. If you want to, I can give you everything you want."

"Also, I forgot to introduce myself. My name is Qiu Dao. Some of Kunlun Xu's friends think highly of me and call me Qin crazy. "

When the old man showed his identity, Ding yun'er and everyone almost suffocated.

"It's Qin Chi Chiu! When Qiu Dao was still in the holy land, he killed ten strong people in the holy land with a magic sound! I didn't expect to step into the holy King's realm now. If he got Li Yue's piano, his strength would definitely be doubled several times! "

"It seems that Qiu Dao must win Li Yue's piano this time!"

"However, the masked youth is a swordsman, and Li Yue's zither is of no use to him. If he takes out this thing and establishes some relationship with Qiu Dao, it will not harm him in the future." Ding yun'er knew Qiu Dao's strength. Naturally, she didn't want Qiu Dao to attack Ye Chen. She stood up and said to Ye Chen, "Sir, this business can be done, but I heard that old Qiu got a spirit sword in a secret place of Kunlun."

"Mr. Qiu, if you trade the spirit sword, you should be more sincere."

Obviously, Ding yun'er is speaking for ye Chen.

Qiu Dao didn't expect that Ding yun'er knew everything about the secret place. He looked up at each other and then looked at Ye Chen: "I've given you the spirit sword, but little brother, I can promise you that as long as you give me Li Yue's piano, I owe you a favor! What's more, if I get the magic weapon of spirit sword next time, I will give it to you as soon as possible! "

Obviously, Qiu Dao doesn't intend to trade anything at all!

It's a white wolf with empty hands!

Between the king's words and the Holy Land!

Aggressive!

Ding yun'er's face was a little angry, and even said, "old Qiu, it's not good for you to rely on your cultivation to deal with a younger generation. If you spread it out, your reputation in Kunlun will not sound good."

Qiu Daosi ignored Ding yun'er, but looked at Ye Chen: "boy, I know you are a sword Xiu. This Li Yue Qin is useless to you. You can do it as you see fit."

"If you don't hand it in, I won't like it. You don't have the life to eat some things!"

Facing Qiu Dao's aggressiveness, ye Chen smiles.

Smile incomparably gentle.

Chapter 647

Then, a word on such a slow fall: "who said this Li Yue Qin is useless to me?"

Language down, cut dragon asked Sky Sword directly from the reincarnation goal to fly out!

The next second, towards the piano of Li Yue!

At the same time, ye Chen's fingers pinched, and the immortal Lord's skill of refining scabbard constantly sounded in his ear!

There was a flame all over him!

Fire spread to the piano of Li Yue!

At the same time, cut the dragon and ask the sky sword to insert into it!

Direct destruction!

No one thought Ye Chen would do this!

Even if the instrument of Li Yue is useless to you, there is no need to spoil it so much!

This is an ancient treasure!

Although a lot of damage, but also the existence of priceless ah!

All the people present have seen a lot of dandies, but they have never seen Ye Chen like this!

Qiu Dao's smile suddenly solidified, an invisible anger swept over.

"Boy, you dare to destroy my lyyue piano! Look for death

A roar of hysteria!

For Qiu Dao, the music of Li Yue is a great chance!

He is sure to get it!

But he had no idea that the mysterious young man would destroy him directly in front of him!

No longer hesitating, his five fingers open, into Eagle claws, aura around the five fingers!

Crazy toward Ye Chen's head!

This catch, under the holy King's territory, will certainly die!

But before touching Ye Chen, the piano of burning Li Yue bursts out!

The flame suddenly burst into a hundred feet!

It's like a fire dragon heading for Qiu road!

Qiu Daoyi Zheng, with the power of the holy King's realm, fiercely pats!

In a flash, he felt a crushing force coming!

The flame disappears, and what remains is a spirit sword!

But the spirit sword is no longer exposed, it seems to be wearing a supreme spirit clothes!

Scabbard in!

The spirited scabbard seems to be made for the magic sword!

Qiu Dao's body retreats fiercely, stabilizes his figure, and stares at the sword suspended in the air.

But ye Chen is five fingers a grip, cut dragon ask Sky Sword already fly back to his hand.

Looking at the moment the complete chopping dragon asked the sky sword, ye Chen mouth outlined a smile.

The immortal Lord did not deceive him!

With his five fingers turning, the scabbard made of the wood of Li Yue and the sword of chopping the dragon and asking the sky were carried behind him.

He glanced at Qiu and said, "Li Yue's Qin is the scabbard of my sword behind my back. Are you satisfied?"

Qiu Dao's eyes are red and ferocious!

Take Li Yue's piano as scabbard! It's totally outrageous!

It's better to destroy such a treasure as a scabbard!

"Little beast, look for death!"

The cold wind rises suddenly, and the sword Qi overflows everywhere!

The whole time and space becomes disordered!

Qiu Dao's breath broke out completely because of his anger!

It's suffocating.

A black sword appeared in his hand!

Qin Jian!

"Qin Jian Shan He!"

Qiu Dao roared, this is his proud sword skill! The destruction is very strong! ,

a sword falls, mountains and rivers are destroyed!

The sun and the moon will not shine when the sword moves! Heaven and earth avoid, as if the mountains and rivers into the dead.

Only this sword, as if the heaven and earth into two!

The wind suddenly swept, and the wind was like crying and Howling!

It's like the music of the piano again!

The cold breath makes people creepy. Everyone just felt that their throat was choked and it was hard to breathe.

Even the naked eye can not see the shadow of Qiu Dao!

Only sword shadow!

Ye Chen has a dignified look. It's hard for him to stop him now!

But since the other side has made a move, he is going to be brave enough to go on!

Cut the dragon and ask the sky sword to sacrifice directly!

The talisman of my life flashed out, and thunder and lightning surged in the body of the sword!

"Blood dragon, come out!"

The sound of the dragon's voice directly through the whole day!

Then, a blood dragon virtual shadow directly drilled out of Ye Chen's body!

Block out the sun!

The power of dragon is silent!

Thunder and lightning from the sky hit the sword of chopping dragon!

Wandao sword means to tear everything, just like a black hole, rolling toward Qiu Dao wildly!

This is almost one of Ye Chen's most powerful moves!

This sword, he has no reservation!

The powerful sword Qi, with the power of thunder and blood dragon, is pounding!

Boom!

The sword is intended to explode in stillness.

Everything seems to be frozen, in that raging sword, countless trees cut into tens of millions of pieces. Qiu Dao's qinjianshan River collapses directly!

Flying stones, clouds surging.

Suddenly, the young man was surprised to see the animal's mask!

"Ye Yan Tian!"

"He is Ye Yitian!"

Dragon, thunder and lightning, powerful sword skill!

There's no mistake!

These three words are like thunder in the crowd!

At this moment, everything about the masked youth seems to coincide with those of the hundred hunting orders!

Countless people open their mouths and can't say what they want to say!

And at the moment of Ye Chen, the strong force of the shock hit, his blood gushing up, is very uncomfortable!

At the same time, the mask on his face broke into pieces!

That easy to face of the Ye Yan Tian appearance exposed!

"Puff!"

Qiu Dao also flies out like a broken kite!

It's not easy to see the petrification of his body, but it's not easy to see his shape!

If you look closely, you will find that his pupils are shrinking.

Fear filled his eyes.

He didn't think that this young man was a frightening leaf!

If this is the case, the attack just now is definitely not the strongest one of Ye Yantian!

It is said that a plum blossom can break out in the holy kingdom!

Can also trigger God thunder! Terrible!

At this moment, the whole world is quiet.

The person who originally planned to move is not moving!

Even back off!

Not only that, some weak men knelt down directly!

They are completely eroded by the fear of Ye Yantian!

This man is mysterious!

This man is beyond Ji Siqing's existence!

This man can crush all living beings with a plum blossom!

This man controls thunder and dragon! Under a sword, destroy mountains and rivers!

This man is the top ten in the list of spiritual Fu! If you give him ten years, he will be able to dominate Kunlun Xu!

How to fight!

One kneel, a hundred kneel!

It's as if all the people were in submission!

Ye Chen is a little confused. He knows Kunlun Xu's fear of Ye Yantian. After all, the power of Ye phage Tian comes from the reincarnation cemetery's Da Neng Duan Lei Ren!

In ancient times, the strength of great power is not Kunlun Xu and these people can resist.

But it's not necessary.

However, ye Chen will not reveal his current strength, but slowly put the sword scabbard behind the sword.

Then, both hands bear behind, let the blood dragon around the body.

This scene is a great shock.

Qiu Ben's eyes are not ordinary, but I don't want to be ordinary

"Qiu Dao, do you want the lyyue zither now?"

"I wonder if there are plum trees around here?"

In the words, there is a trace of cold meaning.

Chapter 648

Hearing the plum tree, most of the body trembled!

Wet through!

And Qiu Dao is the same!

I don't know why, in front of him, the appearance of the youth and that kind of horror legend completely engulfed him, and the fear in his heart continued to spread!

If this Ye Yan naively breaks out with all his strength, he even has no qualification to stop him!

Now ye phage Tian's display is just the sky thunder, not the God thunder!

If God thunder comes, he will surely die!

Think about it all, "plop!" One, Qiu Dao also knelt down!

"Master ye, I dare not! I don't know that master ye came here, or I will never have the heart of prying! "

"I would like to apologize with one arm!"

Words just finished, Qiu Dao clapped on his left arm!

Left arm turned into a blood mist on the spot!

Seeing this scene, all of us took a breath together!

Let the holy King's realm be cut off by itself. Only Ye Yantian's reappearance in the river and lake can do it!

Everyone thought Ye phage Tian was in China, but he didn't expect that ye had already arrived in Kunlun Xu!

They are sure that before long, the whole Kunlun will have an earthquake!

Although hundreds of sects have issued a hunting order, it is just a formality!

If there is no hundred strong people to surround Ye phage Tian, who dares to be the enemy of Ye phage Tian!

It's not death!

Ye Chen is very satisfied with the effect in front of him, but he didn't expect that the name of Ye phage Tian can bring him so many benefits.

This may be what it means to subdue people without fighting.

Of course, he can not continue to pursue, or the dog will jump the wall in a hurry.

"Let's go."

Ye Chen looked at Li Xin with dull eyes, and said faintly.

Lixin's whole body is almost soft, but still follow Ye Chen to the deep.

She knew she had no choice.

Because the youth in front of me is Ye Yan Tian!

When ye Chen steps away from a few steps, he suddenly thinks of something and looks at a beautiful shadow.

Ding yun'er.

He knew that Ding Yuner was from Yibao Pavilion.

If you really want to die.

But he didn't feel Ding yun'er's eyes had any killing heart.

"Do you want to know my name now?"

Ding yun'er's eyes shrunk and did not speak. Her expression was extremely complicated. She did not dare to look at Ye Chen's eyes.

Cowardly low head.

She is very clear, Ye Yan Tian's powerful, no one can obstruct.

More than ten days ago, ye Yantian came to Yibao Pavilion and directly destroyed the Huaxia branch Pavilion, killing Zhuang Bufan and the strong blood alliance.

Today, ye Xiatian comes to Kunlun Xu, destroys Zuixian building and destroys Gao family and Li family.

With just one stroke, the evil name will ring through the whole Kunlun void.

This time, it's not a warning.

It's a threat to the whole Kunlun void!

He came back.

.....

Grave mound, Tomb of stone three.

Ye Chen looked at the words on the tombstone, clenched his fist, and an invisible anger swept over his body.

"Kneel down."

Ye Chen's voice sounded like this.

Five years ago, he stepped into Kunlun void.

The old man led in the door, but the practice was not personal, but the help of shisan.

Shi San taught Ye Chen the cruelty of Kunlun Xu with his actions.

He owes Shi San his life. He thought he could repay him after he got the reincarnation cemetery.

But did not expect, see again, is Yin and Yang separated.

The kindness cannot be returned.

The only thing we can do is to pay blood debts.

Li Xin kneels down directly, tears continue to drop, just want to kowtow, ye Chen points out.

It fell on Li Xin's eyebrows.

The memory of Shi San swept in.

Shi San secretly falls in love with Lixin, summon up courage, went to Li's home to see this fiancée.

But he was rejected by Li family for various reasons.

The sarcasm of Li's servants did not make shisan lose hope.

He believed that the fiancée was as gentle and generous as her face.

He finally met Lixin, but did not expect, Lixin with vicious words to force.

It's hard to hear.

The toad also wanted to eat swan meat, and completely let shisan fall to the bottom.

After Shi San left, he was depressed for a month.

New in despair, he thought of Kunlun Xu that group of children in need of treatment, recalled the promise made in front of Ye Chen.

What is a woman.

Only by carrying up the doctrines of medicine and communicating with gods and offering sacrifices to the world with medicine, can the cold world of Kunlun Xu have some temperature.

He was just about to leave the land of right and wrong, but he didn't expect to see a couple of dogs and men. The vicious faces of the dog man and woman are deeply impressed.

They wounded Shi San.

Like a dead dog.

They let Shi San destroy the engagement unilaterally, and Shi San agrees.

But unexpectedly, this pair of dog men and women changed their minds.

Shi San didn't commit suicide, he killed him!

Die by Li Xin's hand!

Ye Chen loosened his fingers, Lixin did not notice the difference of Ye Chen.

A fierce kowtow.

The forehead was bloody and shocking.

When you hit the 60th, the ground is full of blood!

She can't hold on!

Li Xin was extremely distressed and looked at Ye Chen with eyes like water:

"master, please give me a good time, I I can't hold on

"Happy?"

Ye Chen smiles.

"Yes, although Shi San's death has something to do with me, I admit that it is my selfishness, but the main reason is not me!"

Ye Chen Mou son a Ning: "good, I promise you, give you a death."

Li Xin breathed out a breath and thought to please.

But did not expect, ye Chen hand suddenly shot a dozen silver needles!

As soon as the silver needle came out, her body was like thousands of ants biting wildly!

It's hard!

This feeling is more painful than death!

Her whole body is rotten! Even the spirit has been mercilessly torn!

Like a fire burning her whole body!

"Master, you didn't promise Promise me Ah

Li Xin screamed in horror, she rolled on the ground crazily!

The body is full of holes!

Ye Chen pinches his fingers to form a closed array, in order to prevent the woman's blood from touching the clean grave of shisan.

The sound of endless pain resounds like ghosts crying and Howling!

Ye Chen is indifferent.

More than ten minutes later, Li Xinhua became a blood mist.

The spirit is destroyed in pain.

Ye Chen took off the appearance of his easy appearance and revealed it in a real way.

He looked at Shi Zhenhai: "Uncle Shi, what are your future plans? Although brother Shi is dead, he certainly hopes you can continue to live and live well. "

Shi Zhenhai took a deep look at the tombstone, and suddenly, "plop!" A kneeling in front of Ye Chen!

"Thank you for everything you've done for my son, Mr. Ye!"

Ye Chen quickly helped Shi Zhenhai up: "I and Shi Sanben are brothers in the same school. Never kneel down to me!"

"Also, you call me Xiaochen, or I will be angry."

Shi Zhenhai eased a few minutes, can only silently record Ye Chen's gratitude.

"Ye Xian Xiaochen, I plan to go to XuXi of Kunlun. Shi San once said that he would go there and have a look, just as I, a father, fulfill his child's wish. "

Ye Chen respects Shi Zhenhai's plan, and takes out some spirit stones and several runes and gives them to Shi Zhenhai: "Uncle Shi, you can take these things, at least you can protect yourself in case of danger."

Chapter 649

Shi Zhenhai took a look at Ye Chen's hand. Although he wanted to refuse, he finally accepted it.

From some of the things that Shi San said before he was born, he can still understand Xiaochen's conduct.

If not, Xiaochen will try to make him accept it.

Suddenly, Shi Zhenhai thought of something, and quickly took out a silk wrapped thing from his pocket.

When the silk was opened, there was a gold plate.

"Xiaochen, this thing was left by your master and his disciples before leaving the door of the medical God. At first, he gave it to Shi San. After Shi San's accident, I sorted it out from Shi San. I don't know what it is. You can look at it and maybe study it."

"It's the only thing left by your master."

"What's more, I heard from Shi San that an old man who was seriously injured once appeared in the door of medical God before they left. Your master took the old man into the temple of medical God, and he didn't leave for three days."

"Three days later, the old man disappeared. He didn't know whether he was alive or dead, but your master's temperament changed greatly. One day later, he left with all the disciples of the medical God sect and left in a very hurry."

"All I know is that, Xiaochen, although you have strength now, it's not a good thing to expose yourself to many forces today. At any time, there is nothing wrong with convergence."

After Shi Zhenhai explained, he disappeared in the sight of Ye Chen.

Some things, only let Ye Chen a person to think.

Ye Chen looks at Shi San's tombstone and falls into deep meditation.

Why did the old man leave in a hurry with the door of medical God?

He knew the character of the old man, and he didn't like to argue, didn't pursue fame and wealth, and even could not see joy and sorrow in the old man.

But from Uncle Shi's words, it is obvious that there was an accident in the medical God gate.

The fuse of this incident was the injured old man.

Ye Chen tries to recognize the LORD by dripping blood on the golden array plate, or the spirit consciousness can penetrate into it.

It's no use at all.

Although this object is an array disk, it seems to be blocked by some force.

It can't be opened at all.

All of a sudden, ye Chen thought of something and walked quickly towards the former site of the door of the God of medicine.

If you want to find the answer, there is another way.

Find the way, restore everything!

It's just that the old man taught him a powerful skill, and he naturally had a method to deal with it.

I don't know if the old man erased everything before he left.

If you erase it, you can't find any technique.

.....

The door of medical God.

Ye Chen sits down in front of a stone chair in the central garden.

Take out the gold plate.

The next second, ye Chen pinched his finger, then gently danced in the air, and drew a rune directly!

A strange Rune suddenly appeared in the air in front of him.

He released his hand, and the golden plate floated, clinging to the rune.

Ye Chen's mouth is constantly chanting what: "down to the end of the stream, and the birth of all things. Qing is the source of turbidity, and movement is the foundation of stillness... "

Can break the vitality, thousands of miles to find people!

With Ye Chen's speaking speed getting faster and faster, the rune and gold array disk in front of him even floated up!

Next second, direct combustion!

The flame is blue! It even forms a strange shape.

"Now!"

Ye Chen bites his finger and shoots out a blood essence! When the blood essence hits the flame, the fire lights up!

Suddenly, the strong idea of counterattack came!

As soon as ye Chen's face changed, he knew it would not be so easy!

"Poof!"

Ye Chen suddenly vomited out a mouthful of blood, pale face!

He doesn't care about everything. He has to know the truth anyway.

Blood dragon gushes out of the body, at the same time, the life talisman is sacrificed!

The true Qi of Dantian is also continuously converging into the golden array plate and fire.

An invisible force seems to tear Ye Chen's body apart!

It's impossible to be successful at all!

"Do you want to give up?"

Ye Chen just intends to take back his hand. The black stone in his pocket is suspended in front of Ye Chen!

At the same time, a sense of desolation covers!

"Boy, I'll help you once. No more. "

The voice of the immortal Lord suddenly rings.

Later, the fire was more and more prosperous, and the golden array plate was shaking violently.

This time, there was a picture in the air!

In the picture, ye Chen sees two old men!

One of them is the leader of the medical God sect, the old man who saved Ye Chen in Dongqian Lake.

But another old man is weak breath, obviously, is the key person in Shi Zhen Haikou.

The old man held the golden array plate in his hand and sighed to the old man, "how much time is left in the door of medical God?"The injured old man pinched an exponential second and said, "less than a year."

"The door of medical God can't escape the catastrophe. Those guys in the dark have already started to fight. If I were you, take your disciples and leave, at least for a while."

The old man snorted coldly, and his hand gripping the array plate burst out: "it's impossible for me to leave here! If those people want to really destroy the door of the God of medicine, they should first step on my body! In ancient times, medicine was the main road. Lin Qingxuan, the Taixu medical God, stood on top of countless powerful people with the help of the road of medical God! It's a great shock to Kunlun! "

"Why do you give up when you come to me? Being a deserter is not my style! "

The old man was very excited.

The wounded old man sighed: "you are not afraid of life and death, but do you think about the group of apprentices?"

"They are still young and will be buried in this catastrophe?"

Hearing this, the old man calmed down.

"Is there really no way out?"

Some words are helpless.

The injured old man's fingers moved as if he were counting something.

All of a sudden, the sky changed color and a vision arose.

The injured old man spat out a mouthful of blood on the spot. At the same time, he grabbed the old man's hand and said excitedly, "do you remember a boy you rescued in China?"

"Ye Chen?" The old man's face changed slightly, as if thinking of something.

"Yes! I used to make a divination for this son. His fate is so strange that he can't even investigate the way of heaven! He is the rare person who breaks the game in the world. In this dead end, this son is the only one alive! If he is around, maybe there is a chance! No, I don't seem to see this boy in the door of medical God today

The injured old man frowned.

The old man raised his head and murmured, "I can break the mystery with my skills. There is a star in China that is extremely shining. It is the emperor's star. I guess the boy has a bad chance in China, so he let him go back to China. Now I don't know how."

On hearing this, the wounded old man sighed: "maybe this is the fate. Since he has gone to China, we can't count on it. Now, you should take your disciples to qingxuanfeng. The descendants of the Taixu medical God Lin Qingxuan are there. The medical God sect is also a heritage of Lin Qingxuan. If Lin Qingxuan's descendants are willing to fight, the catastrophe can be eased a little bit!"

"Good."

The old man hesitated for a few seconds and took a look at the array plate in his hand.

The screen breaks down.

"Qingxuanfeng? Lin Qingxuan, the doctor of Taixu

Ye Chen frowns tightly and says.

All of a sudden, his face changed, because he found that the words had just fallen, and the samsara cemetery was shaking!

This vibration comes from the third tombstone that hasn't been touched yet!

Chapter 650

Ye Chen had not thought much, but the vibration of the reincarnation cemetery is getting stronger and stronger.

Is it possible that the third tombstone has something to do with the Taixu medical God Lin Qingxuan?

It's not him, is it?

Ye Chen was the first to step into the door of medical God, the old man said the history of the door of medical God.

The door of medical God existed in ancient times, which was created by a divine idea of Lin Qingxuan, the medical God of Taixu.

Because it is only a divine idea, it only retains part of the medical skills of Taixu medical God.

Even if it is part of the medical skills, but also let the door of medical God brilliant for a whole thousand years.

Kunlun Xu was totally different from now!

Now the martial road is respected, and in those days, the medical way was even more crushing the martial road!

Medical Shenmen is one of the three top sects in Kunlun!

Unfortunately, later, the essence of medical ethics gradually disappeared.

Even lost a large part in the years!

This is also the reason why the door of medical God has been reduced to the present situation.

The old man lamented countless times that the decline of the medical God gate had something to do with him, but ye Chen knew that the real decline began thousands of years ago.

Lin Qingxuan's magic skill almost disappeared in Kunlun!

Even the descendants of qingxuanfeng are the same!

"Disciple, come in quickly!"

The voice of Duan leiren came from the samsara cemetery.

Ye Chen no longer hesitates, consciousness directly into the samsara cemetery.

When he comes inside, ye Chen finds that Duan leiren and the immortal Lord are looking at a tombstone with great interest.

This is the last tombstone that ye Chen can move now.

At the moment, the tombstone is constantly shaking, surrounded by a strong aura of gold.

The aura is constantly gathering, and an invisible pressure makes Ye Chen breathless.

"Master, this one is..."

Ye Chen asked Duan leiren.

Duan leiren touched his beard and said, "I don't know who it is before the words on the tombstone are revealed."

"However, judging from the breath, some of your words and actions just now outside have something to do with the power, otherwise the other party would not have such a big fluctuation."

But the immortal Lord on one side frowned: "if I didn't guess wrong, this tombstone shouldn't have come out so far in front. Judging from the breath on the tombstone, among the hundred great powers, he was extremely backward."

"Even if it's me, if I want to do it, it's not necessarily the opponent."

"What's more strange, his breath is not like martial arts and cultivation, but more like the power of heaven and earth. Aura is generally colorless and tasteless, but when it comes to him, it turns into gold, which is the best state of aura of heaven and earth. "

"Boy, if you want to know the identity of the other person, it's easy to put your palm on the tombstone."

Ye Chen nodded and stepped out to the black tombstone.

He reached out and touched the tombstone directly.

The next second, the golden aura seems to be aware of something, towards Ye Chen!

"Bang!"

Before ye Chen reacts, the golden breath penetrates Ye Chen's body like a sharp arrow!

Too fast!

Fast to the immortal Lord and Duan leiren also did not respond!

They didn't expect that!

The reincarnation tomb owner is the master of the samsara cemetery!

The fate of their hundred people is in the hands of Ye Chen. How can anyone hurt Ye Chen!

"Poof!"

Ye Chen spits out a mouthful of blood in his mouth, and is shocked to find that he has a big hole in his chest.

He widens his eyes, can clearly feel the vitality in the crazy passage!

"Did I end up in the hands of the samsara cemetery?"

When ye Chen is frightened, the golden aura is much milder and covers Ye Chen's whole body!

The next second, countless vitality rushed into Ye Chen's body.

"This..."

The startling wound gradually disappeared!

White bone fusion.

Flesh and blood recovery.

It's like a miracle.

Not only that, ye Chen also found that the golden aura surrounded the blood dragon in his body.

At the moment of touching the blood dragon, the Dragon scales formed suddenly.

The original blood dragon virtual shadow is actually a few points!

The immortal Lord and Duan leiren sighed at this scene.

It seems that the golden aura is not to hurt Ye Chen, but to give ye Chen an opportunity.

Ye Chen feels the changes in his body. He always feels that there is something more in his body, but he can't say it.

At this time, an old voice sounded: "why do you have nine days xuanyang Jue?"

From that tombstone!

Ye Chen looked at the tombstone and arched his hand and said, "master, the disciple is from the medical God gate. The nine days of xuanyang must have been taught to me by my Kunlun Xu master." "The door of medicine?" The old voice had a trace of doubt.

Obviously, the other party has not heard of the door of the God of medicine.

"Your nine day xuanyang resolution is just a remnant. It can even be said that it is not a real nine day xuanyang resolution. Once you practice it, you will be possessed by demons.

Fortunately, you don't have a deep understanding of the nine day xuanyang decision, otherwise your future achievements will stop here.

For the sake of you are the reincarnation tomb owner, I will give you a complete nine days xuanyang Jue

Language, tombstone seems to stretch out a pair of hands!

That thin hand is point in Ye Chen's eyebrow heart.

Twinkling, twinkling!

Ye Chen is surprised to find a stream of information in his mind!

The content of information flow is similar to the nine days xuanyang he has been practicing, but it is more complicated.

Even the content behind the nine day xuanyang resolution is quite different!

At this moment, ye Chen almost determined the identity of each other!

It's really Lin Qingxuan, the doctor of Taixu!

Because the old man said that the nine days xuanyang Jue was created by the Taixu medical God Lin Qingxuan!

"Master Lin, to be honest, the door of medical God I just mentioned was created by one of your gods."

Ye Chen hastily opens a way.

That tombstone can hear ye Chen say his surname and deity unexpectedly, a bit surprised.

At that time, in order to carry on the inheritance, he not only left some inheritance in qingxuanfeng to later generations, but also left a divinity in the world.

If later generations can't carry forward his inheritance, the spirit may still be able to do it.

At present, it seems that his mind created the medical God gate, but the owner of the reincarnation cemetery is the disciple of the medical God gate.

He had no idea that he and the reincarnation tomb owner should have such a fate.

The next second, the golden light flashes.

The tombstone cracked.

A figure came out directly.

That's an old man with good manners.

The old man was dressed in a robe of eight trigrams, with a box engraved with simple patterns on his back.

Nothing else.

The simple can't be simpler.

Of course, the old man's breath is a sense of distance.

That eye single sweep, ye Chen feels as if oneself pierce through.

Who can bear this strong posture!

One side of the immortal Lord and Duan leiren were surprised to see the old man. They were more surprised and said, "it's him. How did he come out in advance?"
