

Physician 6561

Chapter 6561

Ye Chen's eyes coagulated, no longer hesitated, opened the flying sword to pass the book, and his expression was a little strange.

Ren Feifan explained in the biography that he did not intend to be contaminated with the cause and effect of the reincarnation map of martial arts.

It's impossible for him to come back here and pretend to be his master.

However, Ren Feifan left a human shaped jade pendant, and said that this jade combined with linger can solve today's situation.

Ye Chen can't see through this human jade pendant, so she can only communicate with ling'er again.

"Ling'er, do you know the function of this jade pendant?"

Before ye Chen finished speaking, ling'er exclaimed: "turn God Tianyu!!"

"There aren't many of them in the world. Ren Feifan gave you one at will?"

"It's too big."

Ye Chen seemed to feel the cause and effect of the jade and said, "with the help of the jade, can you pretend to be my master?"

Ling'er nodded: "this jade is not very useful for fighting, but it is good at camouflage. If you use it, you can hide it."

"You leave it to me!"

"I will turn this jade into your master now!"

In an instant, ye Chen found that the Huashen Tianyu in his hand was blooming with a bright light!
Dissipate completely!

I don't know when, originally lonely and lonely, the light rain patted the pine stone street. There was an old woman wearing a hat around Ye Chen!

It was ling'er who melted it with the help of Ren extraordinary God Tianyu!

"From now on, I will be your teacher!" The old woman's hoarse voice answered, which pulled Ye Chen back to reality. After all, at only one glance, ye Chen found that the old woman's breath transformed by linger was like the sea, and even had a feeling of extreme danger.

Sure enough, there will never be a problem with what Ren extraordinary gave himself.

Ye Chen's eyes were firm. He glanced at ling'er, who turned into an old woman in front of him, smiled and said, "master ling'er, go back to Jiang's house now!"

.....

At the same time, the atmosphere of the Jiang family was dignified.

"Have you ever known the conversation between Zheng Shanqing and ye Shitian?"

At this moment, Jiang Shen Yu paced back and forth in the pavilion. He sent out his eyeliner, and no doubt he just saw Ye Chen heading to the teahouse.

But more clues are never mastered.

While Jiang Shenyu was thinking, his subordinates suddenly reported:

"Young master, ye Shitian is back! He also brought a man! "

"Huh? Is it the master he has always said? " As soon as Jiang Shenyu looked tight, the void fluctuated, his body disappeared in place, and went to the gate of the mansion.

"Brother Jiang!"

Ye Chen opened his mouth when he saw the figure of Jiang Shenyu.

The expression on Jiang Shenyu's face has not been raised. When he is a few feet away from ye Chen and others, he can't move any more.

Looking back, I didn't know when my father and second uncle had appeared beside him. One stood beside him, and the other pointed his index finger on his forehead, indicating that Jiang Shenyu couldn't get any closer.

The picture is fixed at this moment, and the light rain is still roaring.

"Who is your excellency?"

The second master of the yuan family asked. He felt a trace of danger in the old woman turned into linger. There is no doubt that the old woman is much better than him, but it should not reach the boundless realm.

The master of the yuan family looked calm, but he also did not allow his baby son to come near the strange strong man. Immediately, his eyes began to look up and down at the old woman.

The intermittent light rain fell, and there was no water stain in the corners of the old woman's clothes, and there was no regular package around her body, and even the faint surrounding space had to be broken by the old woman at will.

Here is a lost time and space. Those who can control the rules of emptiness are by no means weak!

The two brothers of the Jiang family had two words in their minds at the same time, strong!

Moreover, since he is the master of Ye Yatian, I'm afraid he is also a Supreme Master of Dandao!

Dandao is supreme, and Wudao's strength is amazing, and it also master the extremely terrible space rules!

Such people must not be provoked!

At this time, the leader of the yuan family reacted and said, "dare you ask, are you the teacher of Ye Tianxiao's friend?"

"Exactly!" The old woman's hoarse voice opened with only two words and no more words.

Ye Chen's expression didn't change. She covered up her embarrassment with a smile and said to the three people in front of her: "I'm a teacher, sir. The old man doesn't like to talk very much. I'm nagging!"

The two brothers of the Jiang family looked at each other with a happy look on their faces: "welcome from afar, please!"

.....

After an awkward greeting, the atmosphere in the hall was slightly embarrassed.

"Elder, this is the netherworld holy flower that ye Yatian's little friend found a few days ago. Please take it!" The second master of the Jiang family took out a sandalwood gold silk treasure box. The lock had not been opened yet, and a faint fragrance came.

Yi Rong's spirit son's eyes flashed, the tip of his nose sniffed, and said faintly, "for more than 1200 years, the ghost holy flower of this year is rare!"

The master of the yuan family was a little surprised and immediately said, "Your Excellency, what a means! You can know the magic medicine like this! "

"The leader of the yuan family has been praised too much. He has more contacts and experience. I promise you a favor for today's affairs. If you need anything in the future, just open your mouth!"

The old woman gave the Jiang family a promise, which made the two brothers ecstatic.

Such a strong person, once contaminated with cause and effect, is absolutely possible to make the Jiang family rise in the ancient city of Tianyou!

But the happy eyebrows were more than half. I only heard the old woman Tell ye Chen, "disciple, it's over here. Let me leave now!"

Ye Chen held back her smile, not to mention that ling'er had been in China for many years. I'm afraid he could be rated as the Oscar winner for his acting skills. He coughed and whispered respectfully to the old woman:

"Yes, master!"

Immediately he turned his head and arched his hands at the two brothers of the Jiang family and said, "thank you for your hospitality these days!"

Seeing that ye Chen and ling'er were leaving, the second master of the yuan family quickly winked at his eldest brother!

The master of the yuan family thought over and over again, and his face showed a embarrassed look and said, "Sir, can you stay? Jiang Che wants to discuss something with you!"

"Huh?" The old woman's pace of leaving was suspended, and she looked back at the Jiang brothers.

The leader of the yuan family hesitated again and again, but he still said about the ruins and the reincarnation map of martial arts.

"It turned out that the reincarnation map of martial arts was born!"

The holy ancestor of the yuan family was also a forthright man. He told ye Chen and others all the information. He was not clumsy, and there was no difference from what ye Chen learned from Yuqing Yin.

"Can children go with their loved ones? We can offer all the things we get from the ancient relics!" The master of the yuan family pondered for a long time and said.

Hearing the speech, ye Chen was also surprised. What a big hand and spirit!

The second master of the Jiang family was also stunned.

The old woman smiled gently and said, "master Jiang is serious. Young generation, it doesn't hurt to experience. This reincarnation map of martial arts is suitable for martial arts practitioners..."

Chapter 6562

The old woman pondered for a long time and continued: "although it is the most precious, it is of no use to my teachers and disciples. If there is ancient spiritual material, it belongs to us!"

"Of course!" Hearing the speech, the leader of the yuan family was happy and quickly agreed, "so, I'll arrange a residence and wait for a few days. My son and ye Shitian will go together!"

The old woman nodded and took a look at Ye Chen, then put her hands behind her and went out.

Ye Chen naturally understood linger's meaning and followed him out.

The holy master of the yuan family looked at the back of Ye Chen and others who had left and murmured:

"There's nothing wrong with the old woman. I deliberately gave her the reincarnation map of martial arts, but she was not moved at all. There's no doubt that she is a giant of Dandao!"

"You can rest assured to cooperate. You can arrange it. Yu'er and ye Shitian will not go to the holy ancient ruins to compete for the reincarnation map of martial arts!"

.....

Soon, ye Chen and ling'er returned to the house.

Ye Chen arranged the array with the array formula to isolate everything.

"I almost showed my feet just now. This old guy tried me with the reincarnation map of martial arts? If I hadn't seen the world, I would have been manipulated by the old guy! "

At this time, in the room, the old woman's posture of ling'er sent out a childish voice, giving people a feeling of nondescript.

"The opportunity to enter is in hand. Next, it's time to take the opportunity to find Yu Qingyin and their whereabouts. It's reasonable that they should have been in the city for so many days!"

Ye Chenning said.

"In the next few days, it's inconvenient for me to move with you. As long as I'm here, no one in the yuan family will doubt you. My role is nothing more than to give the yuan family a reassurance and look at yourself!" Ling'er asked.

Ye Chen nodded slightly. Just as he was about to go out to inquire about Yu Qingyin, a servant knocked at the door:

"Master ye Yatian, outside the yuan family residence, someone asked for a meeting!"

Ye Chen looked at ling'er suspiciously. Ling'er also stared at him. What's the situation? Did Yu Qingyin come to the door himself?

"Go and see the situation first. I'll sit in the back of the town! I can't. I'll take you to tear the void and leave. " Ling'er whispered.

Ye Chen nodded gently and walked slowly towards the gate. Soon, a strong figure appeared in his sight.

"It's him!" Ye Chen's hanging heart was put down.

"What's up?" Ye Chen looked at the man in front of him and said faintly.

The visitor is Zheng Yi.

However, his godless eyes seemed to see hope at the moment of seeing ye Chen. There was a glimmer of light in the dark gray pupils.

"From today on, follow you!"

The eight foot man's eyes are full of enthusiasm. Compared with the ignorant slaves before, Zheng Yi at the moment has a calm color of collecting the vicissitudes of the world.

Ye Chen did not change her face or answer. She just stood indifferently and silently looked at the man like an iron tower in front of her.

"The dust kills the nine Swords" is just the beginning, which is to make me reborn. From today on, I'm willing to follow Mr. Ye and work hard! "

In Zheng Yi's eyes, the meaning of the sword is looming. A guy whose cultivation has been abandoned has understood the meaning of the sword!

And although the meaning of the sword is far less than that of the waterstop sword, it gives Ye Chen a feeling that he will be close to the waterstop sword in the future.

Seeing that ye Chen was still silent, Zheng Yi stood silently in the rain and immediately knelt on one knee and said in a loud voice: "Mr. Xie's help and the kindness of on-demand broadcasting, Zheng Yi will no longer nostalgia for the secular world from today on, wholeheartedly to the martial arts and vow to climb to the peak!"

Ye Chen finally said, "don't regret it?"

"If you have a heart of betrayal and regret, please kill Mr. Ye!" Zheng Yi's eyes are very firm and calm. There are no distractions in his clear eyes at the moment.

At this moment, ye Chen suddenly thought of Zhu Yuan.

Zhu Yuan is still robbing the magic tower. It's time to save him.

"You are free. Let's go."

When ye Chen finished, he left. At present, the most important thing is the reincarnation map of martial arts.

Zheng Yi looked at Ye Chen's back and remained silent. The guard next to him didn't say much. He just looked at the scene in front of the house!

.....

At the same time, the Zheng family.

"So, does this terrible master really exist?"

Zheng Shan's beautiful eyebrows frowned slightly and said.

"After he entered the yuan family residence, he was regarded as a guest of honor by the emperor of the yuan family. Ye killed heaven and his identity was basically solid!" Replied the shadow.

"Any other news?" Zheng Shangling didn't have too many accidents about this result. When she met Ye Chen, she had already expressed her goodwill. She never cared about how to make a choice.

It's just a few more ghosts under the knife.

"The demon temple and the Youtian Temple seem to be secretly arresting someone. They also asked the Zheng family to do it, but the owner declined!"

Zheng Shangling waved when she heard the speech. "I heard that the original marriage alliance of Youtian hall went wrong in the north of Youtian ancient city, and the dark Saint fled. It seems that he was saved by a guy who controls the power of destroying Daoyin and space rules!"

"Such a move should also be for the holy ancient relics. It has nothing to do with our planning. I hope we can do it. I really want to be beautiful!"

Zheng Shanqing seems reluctant to think more about this issue. Although she doesn't boast of being a holy and elegant person, she doesn't see the style of the demon family force of Youtian hall.

"The human demon is a group of intelligent beasts after all. We don't have to pay attention to the trouble!"

Zheng Shanqing just gave such an attitude, "as for ye killing heaven, it's a trouble..." she whispered softly and walked out.

Chapter 6563

.....

The picture turns around, Zheng family.

"Huh? The guy I abandoned will recognize Ye killing heaven as the Lord? "

Jiang Shenyu obviously also heard about Zheng Yi. This is the story between the top flow of Youtian ancient city.

Zheng Shanqing knows about killing people.

"How did ye Yatian reply?" This is what Jiang Shenyu is concerned about at the moment.

The report's subordinates learned something like a model. Jiang Shenyu couldn't help smiling. Looking at the guard in front of him, he was happy to see.

"Refused..." Jiang Shenyu smiled. "That waste, of course, will not enter the eyes of a Dandao and kendo genius, but there are other things to report?"

"Young Lord Hui, people from the Youtian temple and the demon Temple haunt the ancient city of Youtian frequently today. It seems that they are looking for someone. They also ask our yuan house for help and send more people!"

Guard zhengse road.

"It's not yet time for the ancient relics to open. Did their people find anything unusual?" Jiang Shenyu guessed.

"I've heard about the recent events in the Youtian temple. It seems that there's something fishy in it!" He thought again and again, "refuse the help of this group of demon clan, and then secretly send someone to follow up. As soon as there is a situation, report it to me immediately!"

.....

At night, the void in Ye Chen's house fluctuated and disappeared in situ. In a twinkling of an eye, ye Chen appeared on a mountain peak.

With the help of the spirit's power, some things are really very simple.

Unfortunately, linger's space control ability is not absolute, let alone directly take ye Chen to get the reincarnation map of martial arts.

There seems to be only one person on the mountain.

Ye Chen frowned. Although he refused on the surface, he secretly informed Zheng Yi. Has Zheng Yi changed his mind?

Seeing that Zheng Yi had not yet appeared, ye Chen thought of something, so he used the array formula to arrange an array, and then took out the snow to bury the Stardust and prepared to refine it.

The shape of snow buried Stardust is like a grain of dust, with the color of ice and snow, filled with wisps of cold. Looking at this grain of dust, people feel calm.

This magic weapon is a great gain to the cultivation of Tao mind.

"Refining the snow buried Stardust, my cultivation level should be able to break through? Perhaps for this reincarnation map of martial arts, you can also win a few points. "

Ye Chen had awakened the virtual spirit and divine pulse, practiced it into daqianchonglou palm, and then got a piece of holy soul fragment. In fact, the accumulation of martial arts was enough, but there was no breakthrough because the Taoist heart was not perfect enough.

Now, the snow buried Stardust has a great gain for the Taoist heart. If it can be absorbed, it will be enough for him to make a breakthrough in cultivation.

Ye Chen bent her fingers and shot the dust bullet into the mouth and swallowed it directly.

At the entrance of the snow buried Stardust, ye Chen felt that he swallowed a wisp of ice and snow, as if a line of ice water had been poured into his stomach, and his whole body was cold and cool.

Boom!

Then, the snow buried Stardust exploded in his body, but a small grain of dust erupted into a towering cold.

Ye Chen was suddenly cold. Fortunately, he was ready to sacrifice the burning monument, the Dragon burning God pulse was opened, and a trace of blazing flame energy reconciled the cold of the snow buried stardust.

With Ye Chen's current inside information, magic weapons and treasures in the world, it is difficult to hurt him again. No matter what magic weapons, he can easily refine them.

This snow buried Stardust is no exception.

In just one day, the snow buried Stardust melted completely, turned into the purest energy and integrated into Ye Chen's blood.

Ye Chen's reincarnation soul body, Tao heart and so on get great gain in an instant. The whole person seems to be under the flying snow in winter, with a clear state of mind and pure soul.

With the progress of the Taoist heart, ye Chen's cultivation breath also soared violently, breaking through the realm of eight layers of heaven and nine layers of heaven in one fell swoop.

"Did you finally break through?"

Ye Chen opened his eyes, clenched his fist, felt his powerful aura, and felt a burst of joy in his heart.

Now his cultivation level has reached the Ninth Heaven of the true realm. He can step into the true realm only one step away.

"I'm afraid this step is not easy."

Ye chenpan thought that it was a breakthrough in the big realm from the nine layers of heaven in the real realm to the Taizhen realm. Naturally, it was much more difficult than the breakthrough in the small realm.

"Grave master, when the matter here is settled, let's go to the Forbidden City on earth."

In the reincarnation cemetery, Shi Qingtian, the evil king of Jiuyou, suggested.

Although the reincarnation martial arts map is important, the reincarnation soul body is also very real.

Ye Chen nodded and said, "I also have this intention, but I must get the reincarnation map of martial arts first."

With Ye Chen's current cultivation accomplishments, it's hard for him to make progress. In addition to the reincarnation map of martial arts, there is a holy soul fragment of human soul Tao in the Forbidden City. If you can get the fragment, it will be of great benefit to his cultivation accomplishments.

At this time, ye Chen perceived something and a figure came from a distance.

Naturally, it's Zheng Yi.

"Zheng Yi, you are willing to follow me. At present, there is something you need to do. Start your relationship with the Zheng family and investigate some things..." Ye Chen said here and pondered for a long time. "Once you find that they are looking for someone, inform me immediately!"

Zheng Yi doesn't know Yu Qingyin. He follows his steps to investigate the Youtian temple and the demon temple. Maybe he can find the traces of Yu's brother and sister. It's not much time for them to open the holy ancient ruins!

Zheng Yi nodded and disappeared in place.

"Although I changed my identity, those forces seem to have given up their pursuit of me. It has been calm these days and something is wrong. The demons and heavenly stones are willing to give up. Can we say that there is a greater secret in Yuqing yin? "

No more thinking, the virtual spirit and divine pulse worked, and soon Ye Chen returned to the house.

"There are only a few days left from the opening of the ancient relics. The girl you investigated has no news yet?"

Between the lines of ling'er, it is inevitable to worry about ye Chen.

According to Ye Chen, there may be another secret hidden in this Yuqing Yin. If the exposure leads to mistakes in the relic trip, it's hard for them to get away. At present, Linger's combat strength is far from the opponent of the strong!

Not to mention there are many strong people here.

"There is no news yet, and there is no way to trace the cause and effect here. That's what I'm worried about!" Ye Chen is sitting at the table now, looking dignified and wondering what he is thinking about.

"Can you use the power of the Yuan family to find it?" Ling'er turned into an old woman, but now she opened her mouth.

Ye Chen shook her head: "there is no reason to pay attention to Yuqing Yin. It will only provoke suspicion for nothing. Moreover, the old guy in the demon temple will certainly not let me go. Leaking any news will be bad for us!"

"Elder Ren asked me not to be too contaminated with cause and effect. There must be a reason."

Chapter 6564

In his mind, he remembered the back of the bloody robe and the eager eyes when he saw the demon Tianshi.

"Take it easy and wait for Zheng Yi's news. If you want to catch people in Youtian hall, you are bound to use a lot of manpower. These peripheral news can't be hidden!"

Ye Chen got up and thought no more.

.....

A few hours later, Ye Chen met Zheng Yi again.

"Mr. Ye, check it out. Youtian hall has indeed sent a lot of people recently. What are you looking for!"

Zheng Yi took out a stack of brochures, which marked the action route of the five teams of Youtian hall in recent days. It seems to confirm that the Yu brothers and sisters have nowhere to escape in the city.

"This route..." Ye Chen heard what Zheng Yi said and hurriedly took over the brochure. At this look, her eyebrows could not help but twist into the word "Chuan".

"It's estimated that they will be found soon..." Ye Chen looked at the road map in his hand and probably had a judgment in his mind. He also saw the topographic map for the first time. He was unfamiliar with the place of life. Yuqingyin and they must be the same.

Closing her eyes, ye Chen sensed something and murmured, "this route seems to deliberately force them to the south of the city!"

Ye Chen quickly looked through it again: "if so, only the south of the city has revealed a hidden way of life. With Yuqing Yin's ideas, they will break through here!"

"Zheng Yi, which side is the south of the city!" Ye Chen quickly looked up at Zheng Yi and pointed to an area on the booklet in his hand.

"South of the city... There's nothing there, just out of the door, there are 108 suspension bridges with sky chains, and then back, there's Jiuyou forest!"

Ye Chen's eyes brightened when he heard the speech. So, the south of the city was the boundary he passed when he came. Yuqingyin and others were pursued. If you want to escape from the city, you are bound to pass through the suspension bridge!

"No!" Ye Chen sighed a terrible sigh, and immediately turned to Zheng Yi, "these days, you can cultivate at ease and restore your realm. When I contact you, no matter what you hear, don't show up!"

"Yes, Mr. Ye!" Although Zheng Yi didn't know why, he saw the danger signal from ye Chen's eyes, but he nodded respectfully and bent down to greet him.

When he raised his head again, ye Chen's figure had disappeared!

.....

At the same time, Zheng's teahouse.

"Miss, the people in the Youtian Temple ordered that the dark saint was chased at the suspension bridge in the south of the city. Do we want to do it?"

At the moment, the shadow is consulting Zheng Shanqing in the teahouse of Youtian ancient city.

The beautiful shadow flashed and said, "no, let them go!"

At the same time, Jiang Shenyu also received the news at the Jiang family residence. He outlined a smile: "interesting. It seems that there are secrets hidden in this dark saint!"

"Let's go and see the excitement!"

He and Zheng Shanqing made very different reactions. If there was nothing to do, he would have the right to join the fun, but if there was something fishy in it, the Jiang family would certainly get involved!

.....

Meanwhile, to the south of the ancient city.

"Bitch, don't catch it!"

The leader in black waved a palm, and a strong wind blew. Yu Qingyin was careless and slapped on his back!

Then Yuqing Yin's figure flew upside down and hit the ground heavily.

"Hum!" The man in black, led by him, sneered and walked to Yuqing Yin not far away. Just as he was about to reach out to catch the girl in front of him, the fallen figure suddenly opened his eyes, fluctuated in the void, and spit out a small flying sword in his mouth!

"Whoosh!"

He saw a flash of cold light, and a touch of crimson shot out of the throat of the man in black. His widened pupils stared at the girl on the ground, and the panic before his death was clear at a glance.

Yu Qingyin struggled to get up, vomited a mouthful of blood, constantly patted the raindrops on his face, and soon melted the blood.

"Don't struggle. Today, you can't walk away!" Youming, the Holy Son of Youtian temple, has led a team to arrive!

"Hold your hand and catch it. I will try my best to protect your life and go back with me!" The nether world looked at Yu Qing Yin with a complicated look and said in a deep voice.

After all, if yuqingyin doesn't betray, she will become his wife.

Yu Qing, who stumbled up, said nothing, and the cold blade in her hand flashed out again. She told the nether world with her practical actions and vowed not to drop!

"Yuqing Yin, you can really run!"

At this time, a demon voice sounded, and another saint of the demon Temple arrived. Behind him were the guards of the demon temple!

At the moment, Yuqing Yin is in a situation of death, and the dark clouds are crushing the city!

When Yu Qingyin saw people from the demon temple, she had a desperate smile on her face. It seems that it's really over!

But it's not just that! Another voice sounded!

"So much noise in the ancient city of Youtian?"

With a flash of the sword, it tore apart the distance of several waves of people, and a cold and shining long sword was directly inserted into the suspension bridge.

It's Jiang Shenyu!

"This is a good chess game. How can it be without me, Jiang Shenyu?"

Jiang Shenyu's figure also appeared on the suspension bridge at the moment. Ma Yunji from all parties, and ye Chen's face in the dark became gloomy.

Sure enough, Yuqing Yin has a big secret!

Otherwise, there will never be so many forces fighting for it! However, ye Chen guessed that Jiang Shenyu only knew that Yuqing Yin had a big secret, but he didn't know the details.

As early as Jiang Shenyu appeared, Youming, the son of Youtian temple, had a dark look in his eyes. It was originally planned that Youtian temple was only responsible for assisting the demon temple to catch people. In Youming's plan, he planned to take the lead in finding yuqingyin and persuade her to surrender. It's really not possible. It's OK to make another plan.

Chapter 6565

But it backfired. Unexpectedly, Yuqing Yin killed all his people. When he arrived, everyone else arrived!

"Damn it!"

The nether eyes kept looking at all the people present. The strong wind rolled the rainstorm and patted the clothes of the people. Jiang Shenyu looked indifferent and played with the scabbard around his waist. The frost sword stood in front of him and deeply inserted into the suspension bridge.

Originally, the nether world thought that it could not be done. He had planned to release Yuqing Yin without permission. For a saint, the demon temple could chase and kill her at the opening of the ancient relics!

It can be seen that his secret is unusual. He is likely to be arrested and die!

Although he didn't know much about his married wife, he was already in love, otherwise the marriage would not be their turn.

"Hahaha, Jiang Shenyu, do you also want to intervene in my demon temple?" While everyone was watching, another saint of the demon Temple opened her mouth!

"You are the demon saint of the demon temple!" Jiang Shenyu shrugged and asked softly.

When the woman heard the speech, she disdained to turn her lips and didn't answer Jiang Shenyu's words. Instead, she turned her head and looked at Yuqing, who had been blocked in the corner by the public, just like a lamb to be slaughtered. "Come back with me!"

This time, her tone was full of indifference, which meant that she would kill if she didn't agree with her words.

Yuqing clenched her teeth and said to the people in the demon temple, "dream!"

"In that case, you have no value of existence. Dead people won't tell the secret!" As soon as the demon Saint looks cold, she will start!

"Ding!"

However, when the blow failed, she turned her head and looked behind her. Another figure came slowly from the suspension bridge. The fatal blow that stopped the demon saint was also the man in front of her.

Jiang Shenyu has some doubts when he looks forward to the arrival of people, but now it is at the stage of the opening of ancient relics. It is better to solve the enemy than to tie the knot. At this point, it is unwise to make enemies with anyone!

"Ye Shitian? Why are you here! " Obviously, Jiang Shenyu was surprised by the sudden visit of his ally.

It was Ye Chen who came.

Ye Chen walked gently to Jiang Shenyu's eyes and whispered, "there is a big secret on this woman. It is likely that there are clues about the ancient relics!"

With this remark, Jiang Shenyu's eyes coagulated.

Ye Chen also didn't lie. Although he didn't know why Yuqing Yin led to the joint attack and killing of the demon temple and Youtian temple, as far as the current situation is concerned, the biggest possibility is the holy ancient relics that are about to be opened.

"The demon temple is making trouble!" Ye Chen said to Jiang Shenyu, "this girl can't die or let the other party take her away!"

"As for why, I'll explain later!"

Ye Chen gave Jiang Shenyu a "trust me!" In his eyes, Jiang Shenyu looked at Ye Chen, and then looked at the people and horses in the demon temple and Youtian temple. He also made a decision.

"In that case, you are my ally, I believe you!" Jiang Shenyu smiled, and the frost sword seemed to have an induction. It flew straight to the palm of Jiang Shenyu's right hand, and its edge was more powerful!

The evil spirit saint's eyes also showed a sense of killing. Since the man named Ye killer appeared, everything has become complicated and confusing. Even Jiang Shenyu now began to stand in line and prepare to take action!

"Jiang Shenyu, are you going to be the enemy of my demon temple and Youtian temple?" The nether world spoke now.

Jiang Shenyu nodded gently, "why, you are only allowed to join hands?"

At the next moment, the frost sword in my hand is a little cold! The sky shaking sword fell.

Although Jiang Shenyu is far away from shuistop's sword, I have to admit that Jiang Shenyu's Kendo is terrible and may not even lose the sword!

At the same time, Jiang Shenyu whispered to ye Shitian, "brother ye, you can only test it now. If you fight hard, the gain is not worth the loss!"

Ye Chen knew that Jiang Shenyu did it because he didn't want to destroy the current alliance environment. The Youtian temple and the demon temple had joined hands. If he didn't have an ally, the ancient relics would suffer.

Jiang Shenyu was coerced by Ye Chen and had to do it!

"I understand! Brother Jiang, you hold the people in Youtian hall. I'll retreat as soon as I catch them! " Ye Chen responded, and immediately he rushed forward with an arrow step, and was about to shoot Yuqing Yin!

One side of the demon charm Saint looked cold, "when I don't exist!"

With that, she waved her sleeve and flashed several clever killing awns. Ye Chen hurried to avoid. Sure enough, Yuqing Yin, who didn't know why, also attacked Ye Chen!

For a moment, ye Chen fought against the two saints of demon charm and darkness alone!

"It's me. You keep your state and continue to shoot me. I've set up an array at the bottom of the sea. I'll perform the bitter meat trick. Let's get out!" Ye Chen whispered to Yuqing Yin while fighting.

Sure enough, Yuqing Yin's action was obvious, and immediately several flashed back and stared at Ye Chen!

"Why, are you ready to catch it?" Ye Chen opens his mouth at the moment and faces Yuqing * *.

Yuqing Yin heard the speech and spat at Ye Chen, "Ye killer, right? You can't get any information from me! "

Pretending to be desperate, Yu Qing's Yin momentum forcibly climbed to the extreme and forced a blow to kill the shadow, but it was cracked by Ye Chen's array formula!

Ye Chen broke through the blockade with one hand, and the other palm had been firmly fastened between Yuqing Yin's neck. As long as she made a slight effort, she would die.

Seeing this, Jiang Shenyu pushed back the nether world with one blow, so he floated back and withdrew. He has succeeded. It's meaningless to fight again at the moment!

When the demon Saint saw that Yuqing Yin was captured, she pinched her fingers, shot with hatred, and offered her bottom card: "the demon emperor came to the world!"

In an instant, behind her, a huge bat demon's virtual shadow flashed and rushed to Ye Chen without covering his ears!

At the critical moment, in order to play, ye Chen only made a slight resistance and forcibly received the fatal blow of the demon saint, accompanied by Yuqing Yin. Their figure flew upside down and fell into the roaring waves in the strong wind. They never saw their figure again

In fact, ye Chen's strength now can crush everyone, but once his identity is exposed, it will not only lead to the existence behind him! It may even let the feather emperor find his existence!

Jiang Shenyu and Youming looked at this scene with silly eyes. With a man eating expression, they looked at the demon saint. The fatal blow given behind them in a hurry. In their eyes, ye Shitian couldn't resist!

"Chase!"

.....

An hour later, a safe place.

Ye Chen looked at Yuqing and said, "where's your brother?"

Yu Qingyin was the only one who was besieged and intercepted on the Tongtian suspension bridge. As for Yu Jue, she never appeared from beginning to end.

Yuqing Yin nibbled her thin lips and didn't answer.

Chapter 6566

Ye Chen seems to be able to think of some reasons and doesn't ask more about it. He's sure that Yuqing Yin has a big secret!

It will certainly affect the next cooperative relationship between the two sides.

"You know what I want to ask!" Ye Chen didn't look at the woman in front of her with the eyes of examination. On the contrary, she put her hands behind her and waited for something.

"The old guy of the demon temple, knowing that I have the demon Tianshi, still chose to let me go and capture you alive at all costs. Should it be related to the holy ancient relics that will be opened soon?"

Seeing Yu Qingyin's dilemma, ye Chen opened his mouth.

"I....." looking at the indifferent man not far away, it seems that ye Chen has never had any compassion for her since the first meeting.

The general manager said that he is the most suitable partner at present!

At this moment, Yuqing Yin completely removed her defense against Ye Chen.

"You guessed right. It's really about ancient relics!" Yuqing Yin finally determined her mind. A bright color appeared in her beautiful eyes. She looked at Ye Chen with her hands behind her and said, "the reincarnation map of martial arts is not so easy to take!"

Ye Chen heard the speech and smiled gently. As the Lord of reincarnation, he naturally knew that the reincarnation map of martial arts was never easy to obtain.

I'm afraid the key point is Yu Qingyin's words.

Yuqing Yin also walked slowly to Ye Chen and stood side by side with him. At this moment, she no longer hid herself.

"In the ancient relics, there is a once supreme power. There are many relics like this. In fact, there are many places in the lost sea, which are once the most powerful ancient existence!"

"But somehow, many families in the ancient city of Youtian evaporated overnight!"

Speaking of this, Yu Qingyin also said, "these are some anecdotal talks spread in ancient times, but I understand that what I said is true!"

"Because the ancient relics that will be opened in a few days are related to my family!"

Hearing the speech, ye Chen was also stunned. It was really a heavy bomb!

Is Yuqing Yin related to the reincarnation map of martial arts?

"You..." for a moment, even he was stunned. Yu Qingyin continued: "to be exact, it is the hometown of our family and the place where our ancestors once lived!"

"It's too old. I haven't set foot in it, and I don't know why ancient families as powerful as my family have fallen into the long river of history!"

"This trip to ancient relics, I want to take back the most precious treasure of my family and shake my jade family!"

When Yu Qingyin said this, she was obviously a little excited.

It's no wonder, after all, it's my ancestral land. Now it's coveted by people from all over the world. If you want to get back what belongs to you, you're so embarrassed that you almost lose your life.

"What treasure?" Ye Chen asked softly.

Yuqing Yin shook her head, "I only know that it is a sword No weaker than the eight heavenly swords and a secret script. After cultivation, you can climb Jue Dian and reproduce the brilliance of our family!"

Even she herself has never seen the inheritance treasures of the family, but there are some written records on the ancient books.

"You help me, I'll help you get the reincarnation map of martial arts!" Yuqing Yin said, "there is a true reincarnation map of martial arts in the ancient relics, but it must be our lineal blood to open it. Outsiders can't bring it out! The reincarnation map of martial arts is also an unexpected gain of my ancestors. "

Ye Chen suddenly realized: "I see!"

"In other words, when the demon Temple pursues you, it is necessary to survive and catch you. It is for the key of the reincarnation map of martial arts?"

Yu Qingyin nodded gently: "my parents were killed by the demon temple. Even myself was banned and sealed off my memory!"

"This part of the memory should contain the clues of the reincarnation map of martial arts. That's why they know that they asked me to marry Youtian hall before!"

"At first, the demon temple was just to use the Youtian temple. I didn't know that I had the clue of the reincarnation map of martial arts, but somehow, they seemed to have reached some agreement and even began to chase me!"

Yuqing stared and thought, but ye Chen interrupted her, "it should be my appearance that disrupted the deployment of the evil Lord. He needs both the evil Tianshi and the reincarnation map of martial arts, so he may have used some means..."

All these variables are ye Chen himself.

"Where's your brother?"

"He is very safe. My goal is too obvious compared with him. Only then can I act separately, so that there is no hope of inheritance..."

.....

meanwhile.

"Well, did anyone find it?"

The faces of the demon saint in the demon temple, the ghost saint in the Youtian temple, and Jiang Shenyu of the yuan family are full of sadness.

They searched along the sea of loss for several times, but they still found nothing!

In contrast, although Jiang Shenyu was anxious, he was also well aware of the stakes. After leaving several servants to keep an eye on him, he hurried to Jiang's house. He must inform his elders about it!

"Go back and report to the temple Lord!" The nether world and the demon saint are full of forest cold. Yuqing Yin escapes. They should take full responsibility!

.....

Zheng family teahouse.

"Huh? And this happened? That ye Shitian is not down at the moment? "

It was still the teahouse. The shadow informed Zheng Shanqing of the latest situation.

The shadow in the dark disappeared, but the voice came: "Jiang Shenyu has rushed back to Jiang's house!"

"It seems that there are hidden secrets between the demon temple and the Youtian temple!"

"Check!"

Zheng Shanqing looks a little unnatural. Originally, she didn't care about small things. Unexpectedly, it will develop like this.

It seems that this matter is deeply involved

Chapter 6567

.....

Screen rotation.

"Now all parties must be searching for our whereabouts." Ye Chen, who has roughly understood all the situation, began to deploy his plan in his heart.

Yuqing clenched her teeth, frowned and said, "let's find a chance to mix with the ruins?"

It's easy to say this, but it's as difficult as heaven to do it.

Especially now they are still surrounded by people from all sides. Can they enter the ancient city of Youtian again, let alone mix with the ancient relics!

Ye Chen's eyes coagulated and patted the dust on his body, "I have a way..."

"Oh? Tell me! " Yu Qing's Yin was also a happy face.

.....

At the moment, in the meeting hall of the yuan family, Jiang Shenyu explained the cause and effect of the matter one by one, waiting for the leader of the yuan family.

"So, the little girl has a secret. It's really unusual."

The master of the yuan family, the second master of the yuan family, and that ling'er turned into an old woman were present. After hearing what Jiang Shenyu said, they all looked at ling'er involuntarily.

The meaning is very simple. All this was instigated by your apprentice who appeared at the scene, and then the person disappeared

Why do you have to give an explanation?

Although people think, as a strong man, his dignity is far from easy to offend before making a decision.

The atmosphere fell into an awkward position for a moment.

In such a large conference hall, only a few people breathed evenly. As for that ling'er turning into an old woman, he frowned and said nothing!

As time passed by, the second master of the yuan family couldn't hold his breath any longer and looked eagerly at the old woman, "Sir, how should ye kill Tian Xiaoyou?"

Before the words fell, the old woman's frown stretched out. Immediately, her fingertips crossed in place, the void fluctuated, and a flash of streamer flashed. After reading it, the old woman whispered to the people of the yuan family: "I'm not hiding from you. The incident happened suddenly, and I was a little surprised. Just now, the bad man sent a letter, which has been all right!"

All the members of the yuan family were relieved when they heard the speech. The leader of the yuan family hurriedly said, "where is Ye killer now?"

"Just now he sent a letter to me, saying that he had the information. Come back at night and don't read it!" The old woman whispered.

The leader of the yuan family wanted to ask something carefully, but Jiang Shenyu stopped his father with his eyes. After all, he was also a party to the scene. Some things could not be explained clearly in a word or two. It was unwise to increase misunderstandings and gaps.

"There are three days left before the ancient relics are opened. When ye Shitian returns, Haosheng will discuss the next action plan!"

.....

That night, ye Chen took advantage of the night. He and Yuqing Yin set foot in the ancient city of Youtian again and went to Jiang's house.

In the meeting hall of the yuan family, Yu Qingyin told all the information in detail.

This is also part of Ye Chen's plan.

"The key to the reincarnation map of Wudao!" The insiders, including the master of the yuan family, were surprised when they heard the speech. The information brought back by Ye Chen was too shocking. If so, what strength would the reincarnation map of martial arts be fighting for?

Jiang Shenyu stood up at the moment, looked at the beautiful Yuqing Yin in front of him, and asked, "why should we trust you?"

At the moment, Yu Qing looked at Ye Chen with helpless eyes. He had not yet opened his mouth, but heard Jiang Shenyu continue: "you don't have to look at brother Ye. He is kind and likes good luck. I naturally believed it, but what you said..."

By implication, he questioned Yu Qingyin's words.

The rest of the yuan family also agreed with what Jiang Shenyu said, but ye Chen seemed to have expected such an end.

Ye Chen then said, "brother Jiang, I don't completely believe what this girl says!"

"Huh? Brother Ye has other plans? " Jiang Shenyu wondered.

Ye Chen nodded gently and said, "the demon temple and Youtian temple will be captured alive at all costs. This girl is bound to hide secrets. That's for sure."

"But what she said may not be true!" Ye Chen said to himself. Jiang Shenyu nodded again and again, "I also have this intention!"

"But have you ever thought, brother Jiang, that you'd rather believe it or not? Now that we have this girl, we can't raise any waves. You can bring her into the ruins at that time!"

Jiang Shenyu glanced at Yuqing * * *: "it's a small thing, but what do you do? The Jiang family can only take one person. "

"You say, what will happen if the Zheng family knows the news?" Ye Chen smiled mysteriously " You want to use the Zheng family? "

Jiang Shenyu thought, "I see. Since she said so, we'll take the plan. If the girl's words are true, she can't lift any waves in our hands!"

"If she is fishy, the Zheng family will thunder for us in the ruins?" Jiang Shenyu is worthy of being the leader of the younger generation of the Jiang family. Ye Chen just made a few suggestions, and he already understood.

"Those who know me, brother Jiang!" The corner of Ye Chen's mouth drew a radian and looked at the people present.

The Lord of the yuan family and the second master of the yuan family are also bright in front of us. This is the most appropriate way anyway!

"How do you get Zheng Shanqing to take the bait? She's not stupid!" Jiang Shenyu frowned. As an old opponent, he naturally knew the root and bottom.

"That's why I turned back secretly at night." Ye Chen smiled.

"Smart people have one characteristic!"

"Smart is mistaken by smart!" Ye Chen smiled softly. Jiang Shenyu also realized it. They looked at each other and smiled, "brother ye, please!"

"Brother Jiang, you have to cover for me!"

Chapter 6568

In the next two days, all the major forces in Youtian ancient city learned a news that the yuan family was the guest of honor. Ye killed Tiancheng in the South war, and fell into the river with the dark Saint Yuqing Yin of the demon temple. So far, there is no trace.

Since then, the Jiang family has closed the door to thank the guests and refused to answer or recognize all the voices of the outside world.

.....

Zheng family teahouse.

At the ancient gate thickened with black and gold texture, a girl who looks about 20 years old stands with her hands behind her.

She looked around and could not see her inner monologue on her uncontested face at the moment. Only her cold eyes in the perfect beauty were announcing something.

The girl picked up the tea cup in her hand and said faintly, "this wind recently, but she is very interested in the Jiang family!"

The shadow in the dark was silent. Zheng Shanqing immediately continued, "it's just a little means. Guide and act by yourself!"

"Miss, the recent rumors about ye killing heaven are also constant. If something goes wrong, there must be a demon!" Replied the shadow.

Zheng Shanqing pondered for a long time, "how's the matter you asked to investigate?"

"There is no exact news, but it is certain that what is behind the disappearance of Ye killing heaven and the dark saint is the ancient relics!"

Zheng Shanqing gave a meal to the teacup in her hand and said, "there are three days left before the holy ancient ruins are opened..."

"Since you can't find it, it means there's a secret!"

The smarter a person is, he will never question his judgment.

"There's some news. Zheng Yi seems to have had contact with ye Shitian!" The shadow answered softly.

"Huh? Is he still alive? " In Zheng Shanqing's tone, there was a trace of senhan, which was her dissatisfaction with the shadow's incompetence.

The shadow in the dark said, "madam, calm down. I killed Zheng Yi that day, but it seems that I was saved by Ye Shitian later. I didn't stop it because you told me not to be an enemy."

"Not a few days ago, Zheng Yi once went to Jiang's house to find ye Shitian. Maybe he can find something along this line." The intention of the shadow is obvious. Ye Shitian is not familiar with this place. As long as he doesn't die, he will certainly take action.

Abandoned son Zheng Yi is obviously the most likely object to be used.

"Check!" Zheng Shanqing said no more, just a word, but full of expectation and hope!

.....

At the same time, above a mountain.

Two figures stand. One of them is indifferent and mysterious. It is Ye Chen!

"It is estimated that the matter you met with me will soon be known, and you will be in danger. Are you afraid?"

Ye Chen spoke to Zheng Yi. When he first met, he was just a slave. Now things have changed. Zheng Yi has become a dust killing sword!

"The Zheng family has no grudges against me. Mr. Ye ordered me to do it!"

Zheng Yi's character has changed a lot since he experienced the Zheng family event. I don't know whether it's the state of mind or the method of cultivation. In short, it's like a different person!

"Just do what I say. Don't put yourself in danger. Push something off me as much as possible!"

Ye Chen told him, but Zheng Yi didn't speak. His bright eyes flashed and asked Ye Chen, "is it dangerous for Mr. Ye to go to the ancient relics this time?"

Ye Chen is silent. Zheng Yi, as the Zheng family, knows a little about the ancient relics.

"Will there be..." for a long time, ye Chen looked at the full moon in the sky, cold and cold.

Zheng Yi nodded and said, "in that case, I'll go too!"

"You?" Ye Chen looked at the strong man in front of him and waved his hand, "your cultivation can't help me..."

The implication is that Zheng Yixiu has just been abandoned. Such a dangerous situation is tantamount to looking for a dead end, but before the voice falls, ye Chen finds a restrained and unparalleled sword meaning!

"This is!" Ye Chen was shocked. He only felt this feeling on the serious Jiang Shenyu.

And more terrible than Jiang Shenyu!

You know, Jiang Shenyu's accomplishments are not weak!

Not only that, ye Chen seemed to feel a sense of approaching the water stop sword.

Even if there is only a trace, it is extremely terrible!

"The first move of dust killing sword: forget the river!"

Ye Chen clearly perceived that Zheng Yi's Dantian was abandoned without any accomplishments. He was just an ordinary person, but he had no doubt that Zheng Yi at the moment could easily cut off Jiang Shenyu's head!

This is the ultimate sword!

Sword instead of cultivation! Sword replaces rule!

Even ye Chen doesn't necessarily do this without cultivation.

It can only show that the body of chenmie sword is much more terrible than what ling'er said!

"Only when you have experienced pain can you know the pain of all sentient beings. If you have been concerned, you will have nothing to worry about! To fix the sword, first fix the heart. One sword, wind and snow, one sword soldier! " Ye Chen murmured. Looking at Zheng Yi's eyes, he was also full of affirmation and said, "forget the river!"

"I hope I can appreciate the power of this sword among the ancient relics!"

This sentence represents that ye Chen agreed to Zheng Yi's request.

"Thank you, Mr. Ye!" Zheng Yi bowed and said excitedly.

Suddenly, ye Chen sensed something, smiled and said, "the people of the Zheng family finally started. It's estimated that they came at me. It's good. It's estimated that they will find a way to take me away. This just saves some trouble. Zheng Yi, no matter what the other party says, you should cooperate."

Zheng Yi was stunned. When he looked up again, the figure that stood side by side with him had disappeared.

Zheng Yi stood in place, carefully recalled what ye Chen had just said, and murmured, "if you have concerns, you will have no concerns!"

His eyes were full of determination.

Ye Chen personally recognized and promised to go to the ancient relics. At this time, Zheng Yi couldn't help feeling comfortable. This is the first time he has realized the feeling of being needed in so many years. He is no longer a slave, but a partner!

But where is the Zheng family that Mr. Ye said?

"Where have you been!"

At this time, a cold question sounded in Zheng Yi's ear like thunder. He suddenly looked back, but there was no one around.

Just as Zheng Yi looked back on the slow God, his feet had stepped heavily on his chest in the dark, "poof!" A mouthful of blood spewed out, and Zheng Yi's breath quickly faded.

"He's still a waste. It seems that ye Shitian just saved your life. Let's just let you live in a muddle!"

"Such a curfew, do you still have the face to help him?" The shadow in the dark came out slowly. Facing Zheng Yi in front of him, the only eyes exposed under his mask were full of disdain.

Zheng Yi struggled to get up, with no God in his eyes.

"Miss, I have spoken. For your sake, you can return to the family, and we will find a way to help you recover your strength!"

Sure enough, Zheng Yi smelled the speech, a bright color appeared in his eyes, and muttered to himself, "Miss, miss!"

The shadow was full of disdain and said, "fool, take me to find ye Yatian. The three of us will go back to Zheng's house together!"

Chapter 6569

Zheng Yi's look of joy climbed up on his face and nodded quickly!

The moment the shadow turned back, what he didn't see was the essence and introverted killing intention in Zheng Yi's eyes.

"According to intelligence analysis, ye Shitian was seriously injured in the previous war, but is it serious?" The shadow inquired. His own strength was only in the middle of Baijia territory. In the face of the heyday of Ye killing heaven, he had no bottom to catch alive.

Zheng Yi still nodded fiercely, pointed in a direction and signaled the shadow to go forward. He also coughed while laughing. Another pool of thick blood spat on the ground.

Looking at Zheng Yi, who was not successful enough to defeat, a trace of disgust flashed at the bottom of his shadow and threw out a rune. In a cold voice, "I'm waiting here. It's estimated that ye Shitian won't be vigilant against you. You should be able to make ye Shitian unconscious by using this Rune!"

Zheng Yi took the Fu Zhao, took a look, nodded, and then went to the broken temple.

After a few breaths, Zheng Yi came out and nodded to the shadow.

It was an accident that Zheng Yi succeeded so quickly, but without much thought, he immediately walked towards a dilapidated little temple.

Zheng Yi's footsteps did not move half a step from beginning to end. He waited quietly outside the temple, but his eyes became cold.

There was no earth shaking battle in the imagination. After a few breaths, the shadow wearing a mask walked out slowly with a unconscious figure.

The man on his shoulder is Ye Chen who disappeared for several days.

"Why is he alone? What about the girl in the demon temple? " Asked the shadow.

Zheng Yi shook his head in a hurry when he heard the speech.

"Well, just find the main target. Come back to the house with me!" The shadow sniffed and ordered.

.....

An hour later, the Zheng family's residence was in a secret room.

Ye Chen felt that the performance was almost done, so he woke up quietly. The iron wall of the four array blessings was not full of wind. Zheng Shanqing, shadow and Zheng Yi stared at Ye Chen together.

"Mr. Ye Yatian, you finally wake up!" At the moment, Zheng Shanqing is no longer as elegant and charming as she was in the teahouse. She looks into Ye Chen's eyes and doesn't hide her killing intention at all.

Its meaning is self-evident. If you play tricks, you will die directly!

"Miss Zheng, if you are really thoughtful, you are the leader of the younger generation!" Ye Chen's eyes did not forget to glance at Zheng Yi around him.

"Your Excellency praised me. Now you can say that there are some secrets on the dark saint of the demon temple?"

Zheng Shanqing obviously doesn't want to waste time on Ye Chen, but also goes straight to the theme.

"What if I say, I don't know?" Ye Chen smiled and replied.

Zheng Shanqing was not angry, but calmly said, "Oh? It seems that Mr. Ye Shitian is not going to cooperate well? "

"You don't seem to see the situation clearly?" The shadow spoke now.

Ye Chen just looked at the shadow, and a dog barking. He was not entitled to let him answer, but he heard him say, "Miss Zheng, I have agreed to your previous conditions. How are we going to cooperate?"

Zheng Shanqing smiled and said, "Mr. Ye Shitian, it was before, this moment and that moment. What is the value of your current state?"

The implication is that you, who are injured, are not qualified to speak.

"What do you want?" Ye Chen pretends to be flustered.

"Tell the secret and leave a whole corpse for you. Otherwise, you will understand why people in Youtian ancient city like to call me a witch secretly." Zheng Shanqing covered her mouth and smiled gently, strange and cold.

"You're not afraid of my master's revenge for your style?"

"You're still missing from the outside world, and I'm blessed with an ancient array. I'm afraid your master can't perceive your cause and effect. Therefore, what's the matter with my Zheng family?"

When you die, we will personally give your body to your master, that is, it was done by the demon temple. Maybe your master will thank me, Zheng family, not necessarily! "

Zheng Shanqing stared at Ye Chen firmly, with a posture of planning strategies and looking at the world.

"In that case, it seems that we really don't need to cooperate!" Ye Chen saw Zheng Shanqing's appearance, but it was also reasonable.

"Do you really think you will eat me?" Ye Chen smiled gently, confident and calm.

"Smart people always have a weakness, that is, smart is mistaken by smart!" As soon as the voice fell, Ye Chen's momentum climbed to the extreme in an instant!

"You're not hurt!" Zheng Shanqing dodged and retreated to the edge of the secret room. The shadow firmly protected him behind him.

"Even so, you can't turn the sky. You can't defeat Jiang Shenyu. How can you be my opponent!"

Zheng Shanqing's eyes were frozen, and her fierce momentum was gradually rising. She was also a strong man in Baijia territory.

"Go to hell!" Zheng Shanqing gushed out the meaning of countless laws, "I don't know the height of the earth!"

Ye Chen, who broke free from the shackles, shook his head gently, and a sense of killing surged into his heart. The void fluctuated!

"Since the ancient array here is blessed, it's time for you to see my real strength."

In an instant, it seems that something happened, but nothing happened!

The shadow frowned. When he was thinking about his next action, he saw the dust scattered and Zheng Shanqing's body had fallen to the ground.

Yes, it's the body.

This talented girl who is as famous as Yuan family Shenyu in Youtian ancient city can't even resist Ye Chen's move!

All this is between lightning and flint. The shadow wants to escape in horror, but it is blocked by Zheng Yi, "you..."

In a hurry, before it was exported, a sword flashed, and there was a blood hole in the throat of the shadow.

"Sir, people are dead. What should I do now?" Zheng Yi asked.

Ye Chen waved his hand, "it doesn't hurt. I have plans. The next action depends on it!"

The next second, an ancient Rune appeared in Ye Chen's palm.

That is the power of reincarnation soul body.

Although there is only one fragment in the reincarnation holy soul day, you can still control a dead body that has lost its spirit.

This is the power of reincarnation soul!

"The Zheng family is also invited to this ancient relic. In that case, Zheng Shanqing is our ticket!"

The light flashed away and the rune disappeared. Zheng Shanqing, who had just been killed by Ye Chen, opened her eyes again

Zheng Shanqing, who got up again, nodded slightly to Ye Chen and immediately took several people out of the main door of the secret room.

"I imprisoned her spirit. I'll make plans when it's over!" Ye Chen whispered that his words were addressed to Zheng Yi.

Zheng Yi smelled the speech, looked at Ye Chen with surprised eyes and said, "Mr. Ye, you mean..."

He looked at Zheng Shanqing, who was leading the way in front. He had just seen Ye Chen's means. He clearly lost his vitality.

"There's something called the demon Tianshi. I didn't kill her completely. Zheng Shanqing's spirit is trapped by me!" Ye Chen whispered.

Chapter 6570

Although Zheng Shanqing is evil, it is only because of interests that everyone holds one side.

"Ancient relics, you go and convince your father that the three of us are going together!" Ye Chen orders Zheng Shanqing, who leads the way ahead.

The "Zheng Shanqing" in front turned back and stared at them, nodded gently and said nothing.

Zheng Yi was also silent. The three quietly walked on the path of Zheng's residence at night, and the moonlight sprinkled a touch of cold.

"Zheng Yi, have you decided?"

Ye Chen's eyes coagulated and confirmed again.

This trip to ancient relics must be full of dangers. If you are careless, you will be doomed.

Zheng Yi smelled the speech, and a little smile appeared on his cold face. Although it was a little stiff, he sincerely said, "I am willing to follow Mr. Ye!"

Ye Chen stopped talking and motioned Zheng Yi to hide and pretend to be a shadow.

Zheng Shanqing knocked on his father's door. It was late at night, but he could vaguely see the courtyard with bright lights.

After a while, the owner of the Zheng family opened the door, and when he saw that he was his favorite daughter, he couldn't help wondering:

"Qing'er, but something?"

Seeing that Zheng Shanqing followed a strange man on one side, Zheng family leader began to look up and down at Ye Chen.

"Father, this is ye Shitian!" Zheng Shanqing just said one word, which attracted the gaze of the Zheng family leader. Obviously, the name ye Shitian and the master behind him should not be underestimated.

Although I don't know what medicine my baby daughter sells in the gourd, I still listened patiently.

"So you're going to take ye Shitian into the ancient ruins?" The Zheng family leader frowned. It was originally planned that the Zheng family would send Zheng Shanqing and shadow to the holy ancient ruins. Now there are more leaves killing heaven. It's true that it's a little troublesome.

"I'm afraid the ruins will open at that time. It's not easy to explain!"

"Father, that's why I came to you today. Can you operate it and let me take ye kill heaven into the ruins!"

Zheng Shanqing's tone was indisputable, as if the dialogue with her father was a notice, not a discussion.

Indeed, over the years, Zheng Shanqing has made indelible achievements for the Zheng family, which also leads to her great voice in the Zheng family.

After all, a genius who knows how to judge the situation is the foundation of a family.

"I see!" Although the Zheng family leader was suspicious, he still chose to believe his daughter's decision. After all, Zheng Shanqing never went wrong in major events.

.....

In the next few days, the major forces invited chose to hibernate and quietly wait for the opening of the ancient relics.

During this period, ye Chen also met with Jiang Shenyu secretly. As for the business, it was unknown.

Three days later, there was a sea of people on the central square of Youtian ancient city.

"What's the matter? Doesn't it say that the ruins are top secret? Why are so many people gathered here?"

Ye Chen and Zheng Yi mingled in the Zheng family team, followed Zheng Shanqing, and looked at the crowd.

"Have you heard? There are ancient relics in our ancient city. I heard that there are a lot of treasures in them. If you get them, you can fly to the world! "

"Cut, you have to have your life to accept this blessing. All families are eyeing it and eating it. It's too long!"

"Yes, I'll wait and see!"

.....

"Here comes the Lord of Youtian temple!"

Above the void, a pair of golden wings covered the sky and roared. Above them were the son of the nether temple and two demon clan saints with terrible breath!

"The Lord of the demon temple is here!"

Sure enough, in the crowd, Ye Chen's eyes narrowed, and it was the young figure in the bloody robe. Under the shriveled red lips, the demons were all obvious.

Those breathtaking eyes crossed the crowd, stayed on Ye Chen for a few seconds, and then left slowly.

"Hoo..." behind Ye Chen, sweat soaked his clothes. Just a quick glance, he felt so oppressive!

Fortunately, with the help of reincarnation blood and the magic of Jiuyou evil king in the old times, otherwise it will be found.

"The Lord of the yuan family is here!"

"The Lord of the Zheng family is here!"

The two strong Terrans frowned after seeing the young figure in the bloody robe. There is no doubt that the guy in the demon Temple gave everyone an insurmountable sense of oppression.

"Wanjin chamber of Commerce has arrived!"

He is also a middle-aged man with outstanding temperament. Ye Chen has never been in contact with him before. He just heard that more than half of the industries in the ancient city of Youtian belong to him. At the same time, he also controls the underground organization of the whole ancient city of Youtian.

"Unexpectedly, boss Wan will come in person today! I heard that you seemed to go to the lost time and space to look for the sky dragon soul not long ago. Has the sky dragon soul ever been found? "

In the middle of the square, the tightly closed bloody robe boy suddenly opened his eyes and said hoarsely.

The middle-aged man called boss Wan smiled faintly and said, "it's so easy to find the sky dragon soul, but today's battle was made by me. I don't show up. How can it be justified!"

At this moment, a commotion broke out among the crowd.

"I say, the original top secret remains are now well known!" The evil spirit of the evil Lord smiled and didn't mean to punish.

Several other owners were quite unhappy with boss Wan's style, and their anger was expressed on their faces one after another.

"It seems that I have to explain to you today." Boss Wan had to smile bitterly and walked slowly up the central square.

"Next, it's time to reveal today's final puzzle!" Boss Wan's voice was several decibels higher than usual.

Shenggu relic opportunity!

The eyes of the people in the field gradually became hot.

"There are several keepsakes today. I believe you will be interested and are willing to spend a lot of money on it!"

The whole audience was stunned. What do you mean?

Live auction?

"Maybe you are confused about what I said, but the next piece of information is given to everyone present for free!"

Boss Wan bowed gracefully. He deliberately made such a move. No one knows the purpose behind it.

"In ancient times, in the area of lost time and space, all ethnic groups flourished, and a large number of talented people emerged. In that era of blood and fire, they chose to be their own kings!"

"Among the martial arts practitioners, there are extreme martial arts practitioners. Regardless of their martial arts and skills, it is an extremely prosperous era, even surpassing today's nine heavenly gods!"

"However, the incomparably prosperous world has encountered unknown changes. The gods in the eyes of many people have fallen, the blood is scattered all over the land of the lost sea, and the blood light covers the day for a whole era."

"It is also said that the huge waves surging all year round in the lost sea are coagulated by the blood of the gods!"

Boss Wan began to tell the lamentable song of the sea of blood in the past with a heavy voice.
