

Physician 6591

Chapter 6591

Gu Tu and Su Xing introduced them.

Ye Chen asked, "what do you want to do when you bring me here?"

Gu Tu Su said, "master, I want to give you this magic weapon as a gift to worship the master."

Ye Chen was shocked when she heard this. The spirit of the rosefinch gate is quite strong, and the Qi mechanism vaguely fits Ji Siqing perfectly. If you can give the rosefinch gate to Ji Siqing for refining, it will greatly enhance Ji Siqing's strength.

However, ye Chen didn't expect that Gu Tusu would send it directly.

"Stop fooling around."

Ye Chen subconsciously refuses. Gu Tusu is still young and a teenager. He is not qualified to make a decision on the event of giving the rosefinch gate.

Gu Tusu looked very serious and said, "master, take it. Since he was founded by taking care of his family, no one has ever been in charge of the rosefinch gate. This magic weapon is too old. It is something from the old times. Master, you have a deep relationship with the old times. Only you can take charge of it."

Ye Chen is the martial nephew of Wutian, the evil ancestor. It has a deep cause and effect with the old times. Gu Tu Su naturally knows that if ye Chen makes a move, he may really be able to accept this magic weapon.

After all, this magic weapon originated from the famine, and the last inheritance was in the old days.

Ye Chen shook her head and was about to refuse. Suddenly, she heard a woman's exclamation from the door of the rosefinch.

"Is there anyone in there?"

Ye Chen was stunned and listened carefully to the woman's surprised voice. He had a very familiar feeling.

That seems to be Ji Siqing's voice!

Can it be said that Ji Siqing is in the rosefinch gate?

"Oh, what's going on? Is there anyone in the rosefinch world? "

Gu Tusu was also surprised to hear the voice. He didn't expect that there was an outsider in the rosefinch gate.

"Who is it?"

When Gutu Sutton was on guard, he went to the door and pushed open the rosefinch door to find out.

Boom!

However, when he just opened the door, an extremely terrible heat wave rushed out of the world behind the door and drowned him in an instant.

Without a sound, he was immediately engulfed by the raging heat wave and fell to the ground with a slap.

"Tu Su!"

Ye Chen was shocked and hurried to see that Gu Tusu had been burned into coke.

The magic weapon heat wave of the rosefinch gate is very fierce and terrible, but Gu Tu Su is not a teenager who can bear it.

Ye Chen has a quick eye and hands. He immediately protects Gu Tusu's heart pulse and uses the eight trigrams heaven pill technique to treat him.

Finally, he made a quick move and pulled Gu Tusu back from the gate of hell.

Gu Tusu's coke like body quickly recovered ruddy under Ye Chen's treatment, and the injury was no longer a big problem.

After ye Chen broke through to the ninth floor of the real world, not only martial arts increased, but also medical skills and methods. Fortunately, he was able to save Gu Tusu so quickly.

However, Gu Tusu has been impacted too much and is still in a coma.

Ye Chen settled him on a huge rock, looked up and saw that the world behind the rosefinch gate was an eternal lava like scorched earth, full of blazing flames, and the world was a hot red, shocking.

In the depths of the rosefinch world, ye Chen vaguely saw a familiar figure.

It's Ji Siqing!

"Siqing, why is she in there?"

Ye Chen was surprised and immediately put down Gu Tu Su and rushed into the rosefinch world alone.

Bang!

As soon as ye Chen entered the rosefinch world, the door behind him closed automatically.

In the rosefinch world, the temperature is hot enough to melt the steel stars. Bursts of heat waves come to our faces. The fog of flame roars and boils in the void and turns into a rosefinch. It is very fierce to kill and impact around.

"Tianxian Koi copy, open!"

Ye Chen immediately opened the Tianxian Koi copy. One by one, the Tianxian Koi circled around the body to isolate the surrounding heat waves.

Then ye Chen flew all the way to Ji Siqing.

"Ye Chen, it's you!"

Ji Siqing was surprised to see ye Chen and hurried to come.

Although Ye Chen was wearing a mask, Ji Siqing recognized it at a glance.

She mingled with Ye Chen's blood, and the cause and effect entangled deeply. Ye Chen's disguise could not hide her.

The two finally came together and hugged each other.

"Siqing, why are you here?"

Ye Chen took off her mask and thought she was in a dream. She didn't expect to meet Ji Siqing here.

Ji Siqing wanted to say something, but she was hurt, especially in her chest. She was badly burned. She snorted and couldn't speak.

"Don't worry, I'll treat you first."

Ye Chen offered a picture of the yellow spring, summoned a large number of holy water of the yellow spring, gathered into a holy river, dispersed the surrounding heat waves, and soaked in the water with Ji Siqing.

The rosefinch world is very closed. You don't have to worry about being discovered by the outside world by using the yellow spring map, reincarnation and so on.

Hiss, hiss, hiss!

As soon as Ji Siqing's hot body was soaked in water, a plume of white smoke immediately rose.

Ye Chen treated her wound. After a while, Ji Siqing's breath recovered.

"Ye Chen, long time no see."

Ji Siqing's eyes were like silk. As soon as he recovered, he took the initiative to hug Ye Chen's neck and kissed him deeply.

Ye Chen was moved and kissed Ji Siqing fiercely. She almost couldn't help but linger here, but she finally held back.

Ji Siqing slightly loosened Ye Chen and said, "I know the news of the rosefinch gate from Ji Lin's little girl, so I sneaked in to seize this magic weapon."

Chapter 6592

"The breath of this magic weapon is very consistent with our martial arts. If you can collect it, it will greatly benefit our martial arts."

Ye Chen said, "Ji Lin?"

Ji Siqing said, "yes, Ji Lin, the little girl, Yunding Tianshu and Xianfu Tianshu are integrated. She starts the chess board of Yunding chess. You can see the cause and effect of all heaven and all worlds. She calculated the whereabouts of the rosefinch gate. That's why I came here. I didn't expect to meet you."

Ye Chen said, "I see."

He did not expect that Ji Lin's deduction method had become so powerful that even the old cause and effect could be calculated, and even the whereabouts of the rosefinch gate could be found.

Ji Siqing said, "I've broken through the shackles now, and my cultivation is one layer of heaven in the hundred shackles realm. But in the depths of the rosefinch world, I met an old ghost in the four layers of heaven in the hundred shackles realm, which almost killed me. Fortunately, I escaped quickly."

Ye Chen carefully felt Ji Siqing's breath. Sure enough, he found that Ji Siqing had broken through the flail, and even the number of flail has reached an amazing 90!

"How many times did you cut the flail? There are 90?"

Ye Chen was surprised and cut 90 flail. This is a very powerful record.

There are only 100 martial arts shackles in total. It is the talent of the heavenly king to cut 90 shackles, and there is boundless potential of the heavenly king.

Generally speaking, cutting flail beyond 81 is the talent of the heavenly king, but it is only the qualification of the ordinary heavenly king.

If you want to reach the peak of martial arts and the legendary boundless immortal realm, you must cut your yoke at least 90 before you can step into it.

If the number of flail cuts is less than 90, it is almost impossible to step into the boundless realm. If you want to become the boundless heavenly king, you need to make thousands of times more difficult than ordinary people.

Now, Ji Siqing can cut off the yoke for 90, which means that she is easier to reach the boundless realm than ordinary people. That is the ultimate realm of realistic martial arts.

Ji Siqing blushed and said, "it's all the gain of your reincarnation blood. I can't make this achievement alone."

She was able to cut off the yoke for 90. Behind this great achievement, it was naturally because of Ye Chen's help.

Ye Chen combines with her and gives her the strength of reincarnation blood. Moreover, she is a female martial god. She is deeply entangled with reincarnation past and present life. Therefore, her absorption of reincarnation blood is deeper and more gain than ordinary people.

"It's good that you can cut the yoke for 90. It's your own credit. Don't thank me."

Ye Chen smiled and said.

Ji Siqing said, "don't say so much. Let's go quickly. The old enemy is coming."

Her tone was full of worry. After all, the old wronged soul had reached four levels of the hundred yoke realm. In her eyes, it was an extremely strong existence and invincible.

She took Ye Chen's hand and wanted to leave. One was to escape, the other was to find a quiet place to get together and get close.

"Old ghost?"

Ye Chen's eyes moved slightly. The old enemy in Ji Siqing's mouth was Xing Gulie, a former traitor of tianwu immortal sect.

There are only four floors in the hundred flail territory, which is not a threat to Ye Chen at present.

"Don't run. It's just an old ghost. I can kill my fingers."

Ye Chen stood still and did not panic.

"What, can you challenge the strong one in the four layers of Baijia territory with your current strength? Also, that guy is even close to the fifth floor. "

Ji Siqing only felt strange and stared at Ye Chen carefully. She found that she couldn't see the details of Ye Chen.

Ye Chen smiled and didn't say much, waiting in place.

After a while, I saw an old breath in the distance, wrapped in rolling magma, flying through the air.

"Fresh flesh and blood, don't run away. Stay and use it as a container for me! Hey, hey... "

I saw a middle-aged man whose body had already fallen, leaving only a wisp of soul floating in the air. His eyes shot a fiery color of greed, glancing at Ye Chen and Ji Siqing, full of salivation.

"Elder, is this Xing Gulie?"

Ye Chen asked the reincarnation cemetery secretly.

Jiuyou evil king said in a deep voice, "he's right. It seems that he failed to refine the rosefinch door, and his flesh died, leaving only a wisp of God and soul. You can kill his God and soul and cut the grass and roots."

Jiuyou evil king's eyes were fierce. At a glance, he saw that Xing Gulie's soul had no air contact with the rosefinch gate. That is to say, after Xing Gulie stole the rosefinch gate, he failed to refine successfully, but failed.

Now Xing Gulie has only a wisp of divine soul left. It is obvious that the refining magic weapon failed and suffered evil consequences.

"I see. I'll clean up the door."

Ye Chen's mouth stirred up a cold smile and pulled out the disaster Heaven Sword in his hand.

"Is this... The supreme Heavenly Sword?"

When Xing Gulie saw the sword in Ye Chen's hand, his smile suddenly solidified. He only felt the fierce smell of disaster, mixed with the roar of the killing of the Heavenly Sword. The sword had not moved yet, and he had felt a great pressure.

"Wait, you are!"

Take a closer look, Xing Gulie's look changed more violently.

Because he caught a very familiar breath from ye Chen.

That is the breath of tianwu immortal sect, which has the same cause and effect as him.

"Yes, Xing Gulie, I'm the descendant of tianwu immortal sect. I'm here to end your destiny."

Ye Chen raised the disaster Heavenly Sword and stared at Xing Gulie like looking at an mole ant.

Xing Gulie was shocked. Looking at Ye Chen's eyes and the sword in his hand, he trembled violently, and bursts of inexplicable fear surged up.

He had vaguely caught the breath of the nine evil monarchs behind Ye Chen.

"Run!"

With almost no hesitation, Xing Gulie immediately turned and fled.

"This guy..."

Ji Siqing was surprised. Unexpectedly, Xing Gulie ran away when he saw Ye Chen. He didn't even have the courage to do it.

Can you say that ye Chen has been so strong?

"Can you run? Array word formula, disaster sword array! "

Ye Chen was not in a hurry. As soon as he stepped on his feet, he directly made the array word formula, a gray and black array, immediately fell from the sky and shrouded it.

Hiss!

The disaster Heavenly Sword in Ye Chen's hand also flew out in an instant and integrated with that array to form a disaster sword array.

With Ye Chen's attainments in the current array formula, you can almost do whatever you want and arrange the array at will without effort.

When the sword array is completed, the disaster Sky Sword is divided into light and shadow, and thousands of sword Qi burst out. Behind each sword Qi, there is the smell of God's punishment of natural disaster. All kinds of fire, thunder, Blizzard, wind, roar and roar are very spectacular.

Boom!

Tens of thousands of sword Qi, mixed with towering disaster and divine punishment, went to Xing Gulie.

Xing Gulie's look changed greatly. He was shrouded in sword Qi in all directions, but he could no longer escape.

"Shi Qingtian, don't deceive people too much!"

Xing Gulie bit his teeth, saw that he could not escape, took a deep breath, and the peak aura of the four layers of the hundred yoke territory completely burst out.

Chapter 6593

At the same time, the earth vein aura and Feng Shui fortune of the rosefinch world were also wildly mobilized by Xing Gulie.

Although he failed to refine the rosefinch gate, he has wandered in this world for more than ten thousand years and has been integrated with the earth vein. Relying on the authority of the earth vein, his comprehensive combat effectiveness is even comparable to the five layers of the hundred flail realm!

"Rosefinch earth vein, battle soul soldier armor, up!"

Xing Gulie drank violently, and the earth pulse aura gathered and clicked. Unexpectedly, he turned into a warrior in armor, formed an array, surrounded him and surrounded him.

Ye Chen's disaster sword Qi came from thousands of cuts, which were blocked by those armored soldiers.

These Armored Warriors are actually transformed by the veins of the rosefinch world. Relying on the general trend of the veins, they are very strong and difficult to deal with.

"No!"

Ji Siqing saw this scene, and suddenly his face sank, worried about ye Chen.

But ye Chen, still calm and relaxed, did not panic at all.

Looking at Ye Chen's calm look, Xing Gulie panicked and said in a trembling voice: "Shi Qingtian, you and I are the same door after all. Why hurt each other? If you want the rosefinch gate, I'll give it to you. "

Ye Chen sneered and said, "what I want will naturally be taken by myself. Do you still need to give it to me? Traitor, die! "

The voice fell, and ye Chen opened his mouth and sprayed a mass of ice and snow!

This mass of ice and snow, with star dust in the frost and snow, gushed out, as if to bury the whole world. The severe cold burst everywhere, and even the magma froze. Just now, the world was still hot, as if it had fallen into an ice cave.

This is the weather of snow buried Stardust!

Ye Chen refined the snow and buried the Stardust for a long time. Now he has completely integrated into it. Although it is only half, it is also powerful.

The snow buried Stardust was integrated into his blood, and he could release it at any time. This burst, and suddenly the snow and Stardust rolled and annihilated everything.

Hoo Hoo!

The violent ice and snow Stardust, like a frost wave waterfall, crushed all the armored soldiers, turned into pure aura and returned to the earth.

Xing Gulie's eyes shook. Seeing the snow buried Stardust roaring, the spirit fled and wanted to drill into the ground.

However, ye Chen had already prepared. The ground was frozen by snow buried Stardust, and the surrounding space was completely blocked.

The frost and dust all over the sky wrapped Xing Gulie's body.

Xing Gulie screamed "ah". Under the attack of the snow buried Stardust, the spirit was pierced into a sieve, then disappeared and fell completely.

From ye Chen's action to Xing Gulie's destruction, everything happened between electro-optic flint.

The process of fighting was smoother than ye Chen imagined.

"It seems that my strength has indeed improved a lot."

Ye Chen nodded with satisfaction. It took no effort to solve Xing Gulie this time. There were no twists and turns. Even he was a little surprised.

Ji Siqing was stunned. In her eyes, the extremely powerful old enemy was killed by Ye Chen in an instant. It's incredible.

"Ye Chen, you... You..."

Ji Siqing was speechless. Ye Chenwu's progress and strength were much faster than she imagined.

"Siqing, let's go out."

Ye Chen smiled, returned to Ji Siqing, hugged her slender waist, bowed her head and kissed her lips.

His heart is also quite hot. Now Xing Gulie has been solved and has to rest temporarily. He also wants to make out with Ji Siqing.

Ji Siqing blushed and said, "this is the door of rosefinch..."

In her heart, she still longed for the rosefinch gate and wanted to take this magic weapon.

Ye Chen said, "I'll discuss with Gu Chengzhu to see if we can trade it."

Ye Chen has many kinds of natural materials and earth treasures on hand. If he can, he wants to make a deal with the city owner Gu Xi to replace the rosefinch gate.

Ji Si nods. She listens to Ye Chen now.

Then she followed Ye Chen, arm in arm, and went outside.

When he came to the gate exit, ye Chen heard the footsteps outside. It seemed that many people came.

"It seems that someone is coming. Siqing, hide first."

Ye Chen frowned and didn't want to make trouble, so he offered a picture of the yellow spring to let Ji Siqing enter the yellow spring world and avoid it for the time being.

Then, ye Chen put on the mask of Ye killing heaven again, hid his breath, opened the door and went out alone.

But outside the door, the city Lord Gu Xi brought many strong men to this place, and Leng MuQing was also there.

Gu Tusu just woke up, and people around him were circling around to check his injury.

"I'm fine. Don't worry."

Gu Tusu stood up and saw Ye Chen coming out. He was surprised and shouted, "master!"

After a pause and seeing so many people around him, he was silent and a little guilty of being a thief.

After all, the rosefinch gate is the inheritance magic weapon of the family, and it's not up to him to give it away.

"Gu Chengzhu, why are you here?"

Ye Chen asked Gu Xi quietly.

Gu Xi said, "I sensed the earth pulse change, so I brought someone to check. Lord Ye, why are you here?"

It turned out that Ji Siqing and ye Chen fought with Xing Gulie successively, which caused changes in the earth vein. Gu Xi sensed it, so he brought someone to investigate.

Ye Chen said, "I found that there is a smell of old wronged souls here. It seems to be bad for your family. I came here to find out."

Gu Xi looked slightly changed and said, "really?"

Gu Xi knew that there was indeed an old ghost in the rosefinch gate.

Chapter 6594

However, the strength of the old wronged soul was enough to reach the four levels of the hundred yoke realm. Gu Xi was also worthy of this realm. He didn't grasp the disadvantage of the earth vein and fought with the other party. Therefore, he kept forbearing and secretly tried to solve it.

Ye Chen smiled calmly and said, "the old wronged soul has been killed by me. Don't worry about the city Lord in the future."

"What!"

Hearing Ye Chen's words, Gu Xi and the strong people around him showed incredible expressions, which was hard to believe.

"Lord Ye, the old wronged soul is the strong one on the fourth floor of the hundred yoke territory!"

"I know, I've killed."

Ye Chen nodded and said quietly.

Gu Xi and others were even more frightened. After careful induction, they found that the breath of the rosefinch gate was calm. Sure enough, there was no old resentment around.

"Lord Ye is really amazing."

Gu Xi admires him and bows his hands to thank him.

Gu Tusu said excitedly, "Dad, of course. It's said that master, he understands the sword of water stop. Even the old demon of Montenegro can kill second. It's nothing if he's just an old ghost."

Gu Xi said, "Tu Su, have you already worshipped the master?"

Gu Tu Su said, "er... Not yet, master. Master, he hasn't officially accepted me as an apprentice."

Ye Chen said calmly, "don't say this first. Take care of the city Lord. Let's leave here first."

Whether to take Tu Su as an apprentice or not, in fact, ye Chen doesn't care. From Gu Tu Su, he vaguely sees the shadow of Xiao shuihan, and he also has a good feeling in his heart.

However, to really accept students, we need to carefully discuss it. We can't be so casual.

The party went out and returned to the outside again.

Ye Chen thinks of the rosefinch gate. This magic weapon is very suitable for Ji Siqing. He wants to trade with Gu Xi.

But if you say it right now, it seems a little abrupt.

Ye Chen endured and planned to discuss it tomorrow.

Then they said goodbye to each other and went back to their rooms to rest.

Ye Chen and Ji Siqing had a very pleasant night.

The next morning, ye Chen was awakened by a severe cold.

Ye Chen opened his eyes and looked out of the window, but he saw the wind and snow all over the window. There was a strong breath hovering in the sky. It seemed that the people of the old alliance had come.

"It's the Dharma protector of the old alliance. The jade toad fairy is coming."

Ye Chen looked carefully, but found a beautiful woman hanging quietly in the wind and snow in the sky.

The woman's skin turned out to be translucent, like crystal, very strange, surrounded by snow and ice.

Ye Chen met her. She was one of the sixteen Dharma protectors of the old League, the jade toad fairy.

The jade toad fairy came to the Forbidden City on earth. There must be a major cause and effect behind it.

"Is something going to happen?"

Ji Siqing was naked, sleeping by Ye Chen's pillow. He was also secretly surprised to see the snow and ice all over the sky outside the window.

But behind the jade toad fairy, powerful figures emerged. There were tens of thousands of people, all soldiers in the old League.

The jade toad fairy came with an army of ten thousand people. It was obvious that she had a bad intention.

"Siqing, go back and have a rest. I'll deal with it."

Ye Chen asked Ji Siqing to go back to the world of the yellow spring. Then he put on his clothes, put on his mask and strode out of the door.

Leng MuQing also came out.

The city leader Gu Xi, Gu Tu Su, and many martial artists who took care of their families all came out to meet them with surprise.

The cultivation of the jade toad fairy is four layers of heaven in the hundred yoke realm. In Ye Chen's eyes, it is naturally a weak existence, and he can destroy it with his fingers.

However, jade toad fairy is the Dharma protector of the old alliance. Her status is not trivial. Naturally, she can't be described as a martial arts brute force.

Ye Chen and Leng MuQing look at each other. Leng MuQing's eyes are confused. Obviously, she doesn't know that the jade toad fairy will come.

The jade toad fairy put away her magical powers. The wind and snow around her gradually stopped, and the sun broke through the clouds and shone on her, making her show a noble and glorious charm.

"When the jade toad fairy comes, Gu is far from welcome. I hope you will forgive me."

Gu Xi stepped forward, bowed his head and bowed his hands and saluted the jade toad fairy.

Looking at the army of ten thousand people behind the jade toad fairy, Gu Xi was very heavy and thought about each other's intentions.

The jade toad fairy reached her head gently, fell down from the sky, looked around and saw Ye Chen, too. She was surprised and said, "younger martial brother ye, are you here?"

Ye Shitian is the martial nephew of the evil ancestor Wutian. In terms of seniority, he is the younger martial brother of the jade toad fairy.

"I've seen the jade toad fairy."

Ye Chen bows.

The jade toad fairy looked at Leng MuQing again. When she saw that they were very close and understood something in her heart, she smiled and said, "younger martial brother ye, I'm really sorry if I disturb you to get together with the beauty."

Ye Chen said, "it doesn't hurt. The fairy is laughing."

Leng MuQing said, "jade toad fairy, what do you want to do with so many people? Lord Gu treated me very well. There is no danger here. "

The jade toad fairy said, "Mu Qing, your flying sword letter yesterday has been received by my grandfather. Because it is very important, my grandfather ordered me to come in person, face my family and give them an accurate answer."

With that, the jade toad fairy's eyes fell on Gu Xi and Gu Tu su.

Gu Xi and Gu Tu Su felt a chill inexplicably.

In Gu Tusu's body, there is a holy soul fragment of the human soul Tao. The old alliance wanted to seize this fragment, but if it was forcibly seized, Gu Tusu must die on the spot. There is no way to achieve both ends.

The jade toad fairy said slowly, "I must get the holy soul fragments in the body of Duke Tu su. I hope you can understand this."

Gu Xi was sweating coldly and said, "I don't know what a perfect way to take out the fragments of the holy soul without hurting my son's life?"

The jade toad fairy shook her head and said, "there is no way to achieve both ends, unless we can find a rare treasure called 'life renewal Linggen', but it is said that the rare treasure grew up in the xuanhai sea, and there is no way at home and abroad, so even the old ancestor can do nothing."

Gu Xi's eyes were terrified and said, "the father without heaven means..."

The jade toad fairy said, "I'm sorry, Lord Gu, your son must die."

As soon as this was said, there was an uproar.

Gu Tu Su hurried to Ye Chen and said, "master, save me!"

Ye Chen's face sank. He didn't want to see Gu Tu Su die. Not to mention the holy soul fragment of the human soul path, it must not fall into the hands of demon Zu Wutian.

"Jade toad fairy, is there no other way?" Ye Chen asked.

The jade toad fairy said, "there's no other way to save the life of Tu Su unless you can find a life extending spirit root. But how can you find such a rare treasure growing in xuanhai?"

Xuanhai is the most mysterious place in the dark forbidden sea. Even the demon ancestor Wutian doesn't know the entrance.

And ye Chen, naturally, doesn't know the way to enter the xuanhai.

Chapter 6595

The jade toad fairy said, "the holy soul fragment of the human soul path can't be lost. It can only be the sacrifice of Childe Tu su. I'm very sorry to take care of the city Lord."

Gu Xi, with a heavy and suffering face, said, "fairy, I have only such a son. Please be kind."

The jade toad fairy hesitated and said, "it's impossible to be kind. The fragments of the holy soul can't be lost, but I can accommodate and give me your family treasure, the door of the rosefinch. I can delay for ten days and take away child Tu su."

Hearing the speech, Gu Xi's face was even more ugly. The rosefinch gate was the treasure of Gu's family. Offering these magic weapons could only be delayed for ten days, which would be too bad.

The jade toad fairy smiled and said, "take care of the city master. Don't forget that the rosefinch gate was originally the magic weapon of tianwu immortal gate. It was stolen by a traitor and accidentally fell to your family's earth vein. Now you present this treasure and just return it to the original owner."

Gu Xi's eyes sank. He looked at the jade toad fairy and behind the jade toad fairy, there were tens of thousands of old alliance soldiers. He knew that resistance was futile. If there was any resistance, he was afraid that the whole family and even the Forbidden City on earth would be slaughtered by the old Alliance.

"OK, jade toad fairy, I'll give you the rosefinch gate."

Gu Xi bit his teeth, waved his big hand, and was urged by his aura.

Boom!

At the next moment, the earth pulse vibrated, and a huge red door slowly lifted up from the ground. It was the door of the rosefinch.

Driven by Gu Xi's aura, the rosefinch door kept shrinking and finally narrowed to the size of a palm and shot at the jade toad fairy.

The jade toad fairy copied her hand and put it into the body directly. She smiled and said, "very good, very good. I hope you can find a life extending spirit root in these ten days, and maybe you can save the life of Duke Tu su."

Then he turned and left and returned to the military base camp of the old alliance.

In the old days, the ten thousand people of the League surrounded the Gu family residence and were on strict alert.

After only ten days, they will take Gu Tusu and return to life.

At home, there was a gloomy scene like the end of the day, and people were terrified.

Gu Tusu is the future blood of Gu's family. His life is related to Gu's luck. If Gu Tusu is killed, Gu's luck will decline completely.

"Master, can you save me?"

Gu Tusu felt the threat of death, and his eyes were not only afraid, but also looked resentful and angry. It was obvious that he hated the evil ancestor Wutian.

But he didn't hate Ye Chen at all, only worship and admiration.

Even though ye Chen is the martial nephew of Mo Zu Wutian, out of intuition, Gu Tusu feels that ye Chen is different from Mo Zu Wutian, and ye Chen may even save him.

"I'll find a way."

Ye Chen didn't agree easily and went back to the room alone.

At this time, the voice of Huang Lao came from ye Chen's ear.

Lao Huang said, "boy, do you need my help?"

Ye Chen said, "what can you help? It's not easy to solve this matter with brute force. Do you still want to face the devil without heaven? "

The old man smiled and said, "I'm just a wisp of remnant soul. How can I compete with the devil ancestor Wutian? You think highly of me too much."

Ye Chen said, "what can you do?"

The old man said, "I know the whereabouts of the life extending spirit root."

Ye Chen's eyes lit up and said, "Oh?"

According to the jade toad fairy, this life extending spirit root is a very special treasure, which can deprive Gu Tusu of the fragments while still keeping him alive.

However, this kind of treasure grows in xuanhai, but it is difficult to find in ordinary places.

Lao Huang said: "in addition to the xuanhai sea, I know that there is a special place at the bottom of the dark forbidden sea, and there are also life extending spiritual roots. Although the number is small, it is more than enough to solve the dilemma in front of you."

Ye Chen said, "really?"

Lao Huang said: "it's true, but there is a dark ancient dragon guarding that place. It's not easy to step in. You can take a chance."

Ye Chen said, "can it be solved in ten days?"

Lao Huang said: "how is this possible? The time has passed for too long. I have blurred a lot of the memory of that place, which needs to be redefined. In addition, there is the latent dark ancient dragon behind it. It takes at least a month to really collect the life extension spirit root."

Ye Chen said, "a month? The jade toad fairy is only willing to delay for ten days. Where is the time? "

Lao Huang said, "fool! What others say is what they say? Do you still want to find the life extension spirit root and let the holy soul fragment out? "

Ye Chen was shocked and said, "what do you mean..."

Huang Lao rolled his eyes and said, "do you want to ask me? Can't you even decide such a small thing? "

Listening to Huang Lao's slightly contemptuous words, ye Chen quickly calmed down.

Indeed, he must not let the holy soul fragment of the human soul road fall into the hands of Wutian, otherwise the reincarnation holy soul day will be missing, and there will be endless hidden dangers in the future.

In other words, Gu Tu Su should be saved and the holy soul fragments should be seized. Neither of them is indispensable.

"I see."

Ye Chen has a decision in her heart. She immediately enters the world of the yellow spring and finds Ji Siqing.

"Ye Chen, the door of rosefinch!"

Ji Siqing saw Ye Chen come in and his tone was a little anxious. Now the door of rosefinch has fallen into the hand of the jade toad fairy. I'm afraid it's not easy to seize it.

This magic weapon fits with her martial spirit. She doesn't want to lose it.

Ye Chen said, "I know. Don't panic. I'll discuss with her tonight to see if she is willing to give me the rosefinch door."

Ji Siqing said, "that's good."

Ye Chen said, "Siqing, I want to ask you one thing now."

Chapter 6596

Ji Siqing said, "what's up?"

Ye Chen said, "help me take Gu Tusu and take him to beimangzu land."

Ji Siqing was surprised and said, "what?"

Ye Chen's eyes coagulated and said, "there are holy soul fragments of the human soul Tao in Gu Tu Su's body. We must not fall into the hands of the evil ancestor Wutian. I'm going to take him away, but I can't do it myself. You take people away for me."

Ji Siqing looked out of the window. Outside Gu's residence, there were a lot of old alliance strongmen guarding, and in the sky, there were also old alliance strongmen patrolling.

It can be said that heaven and earth are monitored by the old alliance, and there is no escape at all.

Ji Siqing said, "there are so many people outside. Where can I go?"

Ye Chen said, "it doesn't hurt. I can use the virtual spirit pulse to open up a void door and send you out."

Ji Siqing said, "you... Don't you want to offend Wutian? In case he finds out... "

Ye Chen said, "there is no heaven between me and the demon ancestor. We are destined to break up in the future. At present, the struggle is inevitable. This holy soul fragment must not fall into his hands!"

Ji Siqing bit her teeth, but felt the danger of the future. The strong outside were like clouds and guarded heavily. Even if there was Ye Chen's empty door, it was likely to scare the snake. She wanted to take people away, but it was by no means easy.

However, in any case, she will help Ye Chen to capture the holy soul fragment.

"OK, ye Chen, I listen to you!" Ji Siqing promised to come down.

"Thank you."

Ye Chen smiled and gently stroked Ji Siqing's cheek. She was very grateful.

They looked at each other with four eyes. They were all moved by emotion. They hugged and kissed together and separated for a long time.

Ji Siqing returned to the picture of the yellow spring and waited for ye Chen's instructions.

Next, ye Chen is ready to discuss the escape with Gu's father and son.

In the afternoon, ye Chen went out to have a look, but he saw Gu Xi, Gu Tu Su and his son, under house arrest in a courtyard. There were many strong guards outside the courtyard, and outsiders could not enter.

The Gu family members are busy. They want to find the legendary life extension spirit root in ten days to save Gu Tu Su's life, but it is obviously in vain.

When ye Chen came to the courtyard, two guards immediately stopped him and said, "Lord Ye, I'm sorry, you can't get close to here."

Ye Chen said, "can't I?"

The watchman said, "no, unless you have the instructions of the jade toad fairy, Lord Ye, please don't make it difficult for us."

Ye Chen's face sank. Unexpectedly, the jade toad fairy was so strict that no one was allowed to come near.

"Oh, it's younger martial brother Ye."

At this time, a charming voice came from the side.

Ye Chen looked sideways, but he saw that it was the jade toad fairy coming.

The watchmen present saluted hurriedly.

"Fairy." Ye Chen said hello lightly.

The jade toad fairy smiled and took Ye Chen's arm. She looked very close and said, "younger martial brother ye, come to my camp."

Ye Chen nodded and followed the jade toad fairy to her camp.

In the old days, the army of ten thousand people of the League set up many camps outside the Gu family residence, and the jade toad fairy lived in the main camp.

As soon as they entered the camp, the jade toad fairy stood back and took off her coat in front of Ye Chen, revealing her snow-white and transparent skin, as well as the extremely tight lining, which looked very charming and enchanting.

Ye Chen was in a daze, but he didn't expect the jade toad fairy to take the initiative.

The jade toad fairy's delicate body came together. The jade arm hooked Ye Chen's neck and said with a sweet smile: "younger martial brother, I'm really sorry. Do you want to see Gu's father and son?"

Ye Chen said quietly, "yes."

The jade toad fairy said, "Oh, younger martial brother, I know that Gu Tu Su is your apprentice. It's understandable that you care about his safety, but the holy soul fragments in his body are called by my grandfather. You can't offend my will."

Ye Chen said, "fairy, please rest assured. I naturally know. I just want to talk to them."

The jade toad fairy smiled and said, "there's nothing to talk about. Gu Tu Su is doomed to die."

After a pause, the jade toad fairy sighed again and said, "Alas, younger martial brother, I'm very sorry for killing your apprentice. I don't want to. I'm just following orders."

Ye Chen said, "fairy, I don't blame you."

The jade toad fairy smiled charmingly. Her soft body stuck to Ye Chen and said, "younger martial brother, I'll compensate you. I'm your person in these ten days. You can do whatever you want."

Then he raised his hand and stroked Ye Chen's mask. Without trace, he wanted to take off Ye Chen's mask.

Ye Chen was shocked and trembled. He immediately pushed the jade toad fairy away and was full of vigilance.

The jade toad Fairy "ouch" exclaimed. She almost fell to the ground and stabilized her body. Seeing Ye Chen's anger, she immediately apologized and said, "I'm sorry, younger martial brother, I'm abrupt."

Ye Chen looked slowly and said, "it's all right, fairy. I just want you to accommodate me. I want to see my apprentice."

The jade toad fairy complained: "younger martial brother, this can't be accommodating. You can do anything else you want me to do. Even if you want me to be your tripod stove for you to collect and supplement."

"But if you want to see Gu Tu Su, you must not."

"My grandfather gave me strict orders and told me to bring people back within ten days, otherwise he would be severely punished. Elder martial sister, I dare not take risks."

The jade toad fairy was very cautious, but she refused to let Ye Chen meet Gu Tusu.

Ye Chen's face sank. Unexpectedly, the jade toad fairy was so vigilant.

The jade toad fairy thought for a while, turned her palm and offered a magic weapon, which is the door of rosefinch.

"Younger martial brother, I'm sorry. This magic weapon is just a gift I gave you. Please don't blame elder martial sister."

Then the jade toad fairy presented the door of rosefinch directly to Ye Chen.

Everyone knows that ye Shitian is the nephew of Wutian, the evil ancestor, and the descendant of tianwuxian sect. He will inherit the old alliance orthodoxy in the future, and even revive tianwuxian sect to restore its old glory.

Therefore, even the jade toad fairy didn't dare to offend Ye Chen. She would rather be ye Chen's cauldron than offend him.

This time, the contradiction between Gu and Su couldn't be handled. The jade toad fairy offered the door of rosefinch, hoping to calm Ye Chen's anger.

Ye Chen sighed, knowing that he could not Approach Gu Tu Su by easy means, and said, "OK, fairy, I don't blame you." Took the rosefinch gate.

Although I didn't get accommodation, it was worthwhile to get the door of rosefinch.

The jade toad fairy breathed a sigh of relief and said with a sweet smile, "younger martial brother, you can call me elder martial sister. You don't have to call the fairy so outsiders." "

"Yes, elder martial sister, I'll leave first."

Ye Chen arched his hand and left some holy stones, pills, natural materials and earth treasures. It should be a transaction to take away the rosefinch gate.

As soon as she left Yuchan fairy's camp, ye Chen heard Ji Siqing's voice in the picture of the yellow spring:

"You are so lucky. Women want to post it when they see you."

Ye Chen smiled bitterly and said, "Siqing, this is not the time to say this. Take this magic weapon."

Then, he gave the rosefinch gate to Ji Siqing.

Ji Siqing's face relaxed and said, "what's next? I can't get close to your apprentice. How can I take him away? "

Ye Chen's eyes flickered and said, "I have my own way."

With that, ye Chen went to the secluded place of Gu's back mountain and carefully captured the atmosphere of the surrounding space.

Then he locked the courtyard where Gu Xi, Gu Tu Su and his son were under house arrest.

"Empty spirit divine pulse, open!"

Chapter 6597

Ye Chen drank lightly, immediately opened the virtual spirit pulse, quietly crushed the void, moved in an instant, and shuttled directly towards the courtyard.

Outside the courtyard, there are many strong guards. In order to prevent Gu Tu Su and his son from escaping, they also blocked the surrounding void.

But this void blockade naturally can't stop Ye Chen's footsteps.

With the help of the instantaneous movement of the virtual spirit pulse and the virtual tablet, ye Chen tore the void like a ghost and landed in the courtyard.

The watchmen outside the courtyard only felt a gust of wind, and they didn't notice anything strange.

"Fortunately, it didn't disturb outsiders."

Ye Chen secretly breathed a sigh of relief. It wasn't long before the virtual spirit pulse woke up. He didn't work well. He wasn't sure how strong it was.

As soon as ye Chen came down, he saw Gu Xi and Gu Tu Su's father and son walking around in the open space of the courtyard. Both father and son were worried and didn't know what to do.

The sudden arrival of Ye Chen surprised the two father and son.

"Master..."

Gu Tu Su was overjoyed and almost screamed.

"Shh."

Ye Chen made a silent gesture, and Gu Tu Su immediately shut up.

"Be careful, don't disturb outsiders."

Ye Chen's empty spirit pulse works to create an independent space and isolate the outside world.

"Master, are you here to save me?"

Gu Tusu lowered his voice and asked excitedly.

Ye Chen nodded and said, "well, I'm going to save you."

Gu Xi was stunned and said, "Lord Ye, does Wu Tianlao Zu know this?"

Ye Chen said, "my martial uncle wants to kill your son and take away the holy soul fragments. I want to save people. How can he know? I'm hiding it from him. "

Gu Xi was shocked and kept silent for a while. He said, "Lord Ye, this is... Treason..."

When the word "mutiny" was said, Gu Xi's voice was trembling.

Ye Chen is the martial nephew of devil Zu Wutian. He dares to release Gu Tu Su against the will of his elders, which is tantamount to treason.

Ye Chen said, "do you want to save your son?"

Gu Xi said, "yes! Naturally! I just didn't expect you, Lord Ye, you would..... "

Ye Chen waved his hand and said, "don't say so much. I have many secrets that you can't know."

Gu Xi felt a chill in his heart and vaguely guessed that the relationship between Ye Chen and the demon ancestor was not as simple as it seemed.

However, he naturally did not dare to ask in detail and said, "Lord Ye, there are many guards outside, and even the space is blocked. How can we leave?"

"It's just a blockade. You can't stop me."

Ye Chen moves the virtual spirit pulse and creates a door of space on the spot.

The door of space is dark and deep. Under the sunshine, it reveals a trace of the vastness of the universe, as if it could connect the heavens.

Later, ye Chen called Ji Siqing out of the Yellow Spring picture.

"Siqing, you take them away and take them to beimangzu."

Ye Chen ordered.

Knowing the importance of the matter, Ji Siqing nodded and said, "OK!"

Gu Xi and Gu Tu Su's father and son looked at each other and wanted to say something.

Ye Chen waved his hand and said, "you don't have to say anything. Just listen to my arrangement. Think clearly. After two incense burning hours, you'll take them away."

"Remember, it's time to leave after two incense sticks, not now."

Ji Siqing didn't understand, but she didn't ask much. She absolutely believed ye Chen and said, "OK, I know."

Ye Chen nodded. He needed two incense sticks to prepare. Now he can't send it away immediately.

Because the gate of the void is a long-distance transmission, which fluctuates greatly to the laws of space, and it is easy to arouse the vigilance of the jade toad fairy, resulting in the waste of previous efforts.

Therefore, ye Chen needs some time to prepare. She must find a way to hide from the eyes and ears of the jade toad fairy.

At that moment, ye Chen moved silently and left the courtyard.

Ji Siqing, Gu Xi and Gu Tu Su waited in place, waiting only for two incense sticks to be sent away as soon as the time came.

After leaving the courtyard, ye Chen went straight to the camp of the jade toad fairy as if nothing had happened.

When I came to the jade toad fairy camp, I saw the jade toad fairy lying obliquely on a soft chair covered with fox skin. The crisp peak was half exposed, and the white slender jade legs also appeared, resting leisurely.

"Younger martial brother, why are you back?"

The jade toad fairy was surprised to see ye Chen go and return.

Ye Chen smiled, went directly to the jade toad fairy and sat down. He looked at her with blazing eyes and said, "elder martial sister, you said you wanted to be my tripod stove and let me do whatever I want, isn't it true?"

The jade toad fairy stayed for a while. Looking at Ye Chen's hot eyes, she immediately smiled and said, "nature is true, as long as you don't dislike it, younger martial brother."

Ye Chen said with a smile, "who doesn't want to kiss Fangze, such a great beauty as senior sister, how can I dislike it?"

The jade toad fairy giggled. She vaguely felt something was wrong, but she didn't think much. She took off her clothes and said, "younger martial brother, it's my great honor to be with you."

Then he hugged Ye Chen. His soft lips and body were going to stick close to the past.

Ye Chen knew that this was part of the layout. He could only hug the jade toad fairy, breathe close, and even roll onto the blanket on the ground. The atmosphere in the camp was very beautiful.

But ye Chen kept the last bottom line and naturally didn't want to give the jade toad fairy the slightest blood power.

The jade toad fairy only thought that ye Chen was preparing for the last step, but she didn't think so.

In fact, ye Chen wants to confuse her, let her indulge in the joy of sound and color, and ignore the changes of the outside world.

After two incense sticks, the jade toad fairy is still obsessed with Ye Chen.

But suddenly, the eyes of the jade toad fairy opened. The original charming and intoxicating eyes suddenly became severe, cold and murderous.

If it wasn't for what he saw with his own eyes, ye Chen couldn't believe that a person's instantaneous eye change would be so huge.

"Something has changed outside!"

The jade toad fairy got up and caught the abnormal fluctuation of space law in the void.

"Ah, elder martial sister, it's all an illusion. Why don't we..."

Ye Chen took the jade toad fairy's arm and wanted to pull her back.

"Hum!"

However, the jade toad fairy, who was just as tender as water, was extremely cold, full of killing opportunities, and shook off Ye Chen's hand.

Then, without saying a word or even wearing clothes, she dodged and rushed out.

At this time, Ji Siqing is taking Gu Tu Su and his son to the gate of emptiness, ready to send them away.

"Who dares to make trouble in the territory of my old League?"

The jade toad fairy's eyes were angry, and the cold air in her palm gathered into a sword, which fiercely cut into the void ahead.

Click!

The rules of space burst into pieces. In the void, three figures fell out.

It was Ji Siqing, Gu Xi and Gu Tu Su!

Before they left the Forbidden City on earth, they were detected by the jade toad fairy. With a sword, they cut through the void and let them fall out.

Chapter 6598

The whole field vibrated due to the sudden change of protrusion.

The army of ten thousand people of the old alliance immediately roared from heaven and earth, and surrounded Ji Siqing like an iron bucket.

The faces of Ji Siqing, Gu Xi and Gu Tu Su suddenly became very ugly.

"The maidservant of the Lord of reincarnation! How dare you ruin my old League? Did the Lord of reincarnation send you? "

The jade toad fairy stared at Ji Siqing, cut clouds into clothes, put them on her body, and burst out all over. She was like a fairy in the sky, overlooking Ji Siqing.

Many of the intelligence of the Lord of reincarnation was included in the old League. Therefore, just looking at Ji Siqing, the jade toad fairy recognized it immediately. She was the ancient female martial god, the close attendant around the Lord of reincarnation, Qu Chenyan!

The old Japanese Alliance strongmen around raised long halberds and swords one after another, trapping Ji Siqing like a jungle.

Ye Chen came out of the camp and saw that Ji Siqing was shot down. His heart sank deeply.

Leng MuQing also came from nearby and was surprised to see someone trying to save Gu Tu Su and his son.

"Gu Tu Su stayed, and the two next to him killed him!"

The jade toad fairy ordered categorically without hesitation.

"Yes!"

The strong members of the old Japanese Alliance shouted and killed Ji Siqing and Gu Xi.

"Wushen Tianzhu, rosefinch sword array!"

Ji Siqing roared up to the sky, knowing that he was in a dead end, but he didn't want to wait to die.

Her martial god's blood burst in an instant, and her whole body was covered with a layer of bright armor. The whole person was heroic and incomparably cool.

Buzz!

The brilliant God of martial arts heavenly beads emerged from her head, and the majestic energy was released, and her cultivation breath soared rapidly.

Oh!

Then, a rosefinch chirped, looking up to the sky.

Ji Siqing offered the rosefinch flying sword and turned it into a sword array. The Taoist sword Qi burst out with the majesty of the martial god.

Hiss, hiss, hiss!

The rosefinch waved his sword and cut off the strong men of the old League nearby. Ji Siqing killed them on the spot.

However, there are enough people around. Compared with the total number, the people killed by Ji Siqing are insignificant.

In an instant, many strong men surrounded her again and trapped her.

Ten thousand people were connected to the machine, which was very powerful and almost suffocated Ji Siqing.

"Siqing..."

Ye Chen secretly shouted that it was not good.

"Hehe, reincarnation bitch, what's the use of your futile struggle? I will personally cut off your head from your neck! "

With a sneer, the jade toad fairy directly waved her sword, rolled up a thousand piles of snow and cut off Ji Siqing's neck.

Ji Siqing was surprised. The cultivation of the jade toad fairy was far more than her own level. There was a small gap in the Baijia realm, but the gap between heaven and earth. This blow came from killing in the air and matched with the power of thousands of people around, but she could not resist it.

"Siqing!"

Seeing that Ji Siqing was about to be killed by a sword, ye Chen couldn't help it any more and took a fierce slap.

He was anxious and worried, but this palm directly used the palm of a thousand buildings.

In fact, to block the jade toad fairy, you don't need to use such a powerful magic power, but ye Chen was too worried about Ji Siquing. In a hurry, he didn't have time to think more. Naturally, he broke out his strongest martial arts.

Boom!

As soon as daqianchonglou's palm came out, the universe seemed to be blasted. With indescribable fierce palm power, it roared forward like a tsunami.

"What!"

The jade toad fairy was shocked and noticed that ye Chen's palm was beating. She only felt that the palm was heavier than hundreds of millions of stars. Her breath suffocated on the spot and her blood stagnated.

Bang!

Ye Chen slapped hard and printed it on the chest of the jade toad fairy.

"Puff!"

The jade toad fairy vomited blood on the spot. Her body was like a broken kite. She flew out in confusion. Finally, she fell to the ground and hit a huge pit.

She is the strong one in the four layers of the hundred flail territory, but under the power of Ye Chen, she is weaker than mole ants.

The surrounding army of 10000 people was crushed by Ye Chen's palm. Everyone vomited blood and was seriously injured. The person in front was beaten to pieces on the spot, and the spirit collapsed, leaving no residue.

Ji Siqing, Gu Xi and Gu Tu Su were stunned to see ye Chen's fierce power.

Ye Chenwu's way was round and smooth. This palm didn't hurt them.

"Younger martial brother ye, so... So you are..."

The jade toad fairy got up from the pit, looked pale and stunned at Ye Chen.

Daqianchonglou palm, this is the martial art of the Lord of reincarnation!

When ye Chen understood the palm of a thousand towers, the majestic weather had already spread all over the world.

Now, as soon as ye Chen's palm technique came out, the jade toad fairy understood everything.

The seriously injured army of 10000 people was also shocked and shocked.

Can it be said that Lord Ye Shitian, whom they have always admired, is actually the legendary Lord of reincarnation and the sworn enemy of the old alliance?

Leng MuQing covered her mouth and was stunned. She never thought that ye Shitian was Ye Chen, the legendary Lord of reincarnation!

"Sorry, it's me."

Ye Chen slowly took off his mask and revealed his original appearance. The power of reincarnation blood also broke out completely.

silent.

Dead silence.

Everyone in the audience fell into absolute silence and stared at Ye Chen's face.

Gu Tu Su and his son were even more surprised.

"So master is..."

Gu Tusu's face was stunned. Unexpectedly, his incomparably adored master had another identity, that is, the legendary Lord of reincarnation!

They take care of their families and guard the fragments of the reincarnation holy soul day for generations. In fact, they are also waiting for the coming of reincarnation.

Chapter 6599

As long as the Lord of reincarnation takes away the fragments of the holy soul and takes care of his family, his mission will be completed and a peaceful life can be restored.

Now ye Chen is the Lord of reincarnation, which makes Gu's father and son excited. However, when they think of the gratitude and resentment between the Lord of reincarnation and the old alliance, their hearts are heavy again.

Boom!

But at this time, the sky thundered and flashed, the black clouds pressed the top, and the violent wind roared.

Black lotus blossoms all over the sky. There are many skeletons and white bones. They are released from the blooming lotus, showing a sadness of death.

A vast, ancient and majestic figure filled with evil and Buddha Qi gradually emerged from the sky.

That's the figure of demon Zu Wutian!

"Lao Zu..."

The jade toad fairy and Leng MuQing were shocked when they saw that the demon ancestor was coming.

"See my grandfather!"

Then they knelt down and saluted.

All the strong people around, who can still move, kneel down and salute.

After Wutian, the space was broken, and many figures emerged.

Zha Tianmo emperor, Hong Xuan, Yuhuang Yafei, Xia Xuansheng, Liu Qiming, Baqi big snake, Shengyuan Tiangui, Beifeng wolf, etc. even ye Chen saw Hong Xin!

Hong Xin's body is surrounded by layers of black butterflies.

Her flesh recovered.

The magic ancestor wudian sacrificed his magic weapon qiandie Tianzhu to reshape Hong Xin's flesh.

Ye Chen was shocked when she saw Hong Xin's recovery. There were thousands of words to tell her, but now, it's obviously not the time to speak.

The devil ancestor came unexpectedly. His body was hazy and unreal. It was obviously a separate body.

But even if it is a separate body, the majestic momentum of rolling the world still suffocates Ye Chen.

Obviously, ye Chen's use of daqianchonglou palm exposed the identity of reincarnation and directly attracted the attention of Wutian, the demon ancestor.

"Ye Shitian, so... So you are the Lord of reincarnation."

Mo Zu looked down at Ye Chen with anger, hatred, sadness, anger, grievance and disappointment in his eyes.

In fact, ye Shitian's identity has always been suspected, but he never dared to think about it.

He was afraid that his heart would collapse when he knew the truth.

He needs ye Shitian's existence. Even if he deceives, as long as he can deceive his heart, his Taoist heart can be perfect and reach the peak of immeasurable realm, that is, the realm of the ancient emperor Yu Huang.

However, this deceptive lie has now been directly exposed. It has been exposed too quickly. His heart was violently shaken, distorted and extremely painful.

"Master Wutian."

Ye Chen arched his hand to the demon ancestor Wutian, and his heart was very dignified, thinking about the way to get out.

The demon ancestor came from nowhere. Even if he was separated, it was easy to kill him. If he couldn't escape, he would die here today. Even Huang Lao couldn't save him. And Ren Fanfan was refining snow and burying Stardust, which was a critical juncture of Taoist heart's perception, and it was impossible to save him.

"Ye Shitian, you deceived me. What else do you want to say?"

The devil ancestor was very lonely, with a very bleak depression. Behind the depression was a very strict killing opportunity.

"I have nothing to say but war one."

Ye Chen shook her head, pulled out the disaster sky sword, and calculated the secret of the road of water stop and waterfall.

Now this crisis can only be broken by using the ultimate sword of water.

"You want to fight me? The sword is very still. Your sword is enough to reverse heaven and earth and ignore all the laws of reality. It is indeed possible to defeat this separated me, but I won't give you a chance to use the sword. "

As soon as Wutian waved his hand, an indescribable threat came down like hell. The world suddenly fell into darkness, and the aura became extremely disordered.

Under the disordered spirit of heaven and earth, ye Chen felt that all the rules around him had become extremely violent and had no stability at all. He snorted and felt it difficult to breathe. His sword almost fell to the ground, but he couldn't show the water stop sword at all.

Seeing ye Chen's dangerous appearance, the devil emperor was extremely worried. He clenched his fist and let go, and his bones clicked. He wanted to sneak into Wutian, but he had no chance of winning.

What's more, what's in front of him now is only the separation of demon Zu Wutian. Even if he succeeds in killing, he can't really kill demon Zu Wutian.

"Demon emperor, ye Shitian is your friend, but he deceived me. Do you think I should kill him?"

The demon ancestor looked at the demon emperor who covered the sky and asked.

The deception was actually a conspiracy of the demon emperor.

However, the devil Zu wudian was not angry, because he wanted to take away the devil emperor. All the resistance of the other party was deserved, and it was impossible to sit and wait to die.

However, he had high hopes for ye Shitian, and even pinned his hope of revitalizing tianwu immortal Sect on ye Shitian. This hope was dashed and hit him too hard. He even wanted to kill Ye Chen and immediately take away the devil emperor.

"Lao Zu, we can only say that our camp is different and it is difficult to distinguish right from wrong."

The demon emperor sighed and said.

This fight, right and wrong, really can not distinguish.

Mo Zu wudian laughed and said, "you're right. We just have different camps, so there have been many fights. The most root cause is that I want to lose you. Speaking of it, I'm wrong."

The demon emperor said, "no, you're right. I begged you at the beginning. If I finally become a container, it's also the price I have to pay."

The devil Zu wudian still laughed. There were many complex emotions in the laughter and said, "very good, very good, everyone is right. Who lives and who dies depends on who's good at martial arts."

"I'm sorry, my martial arts cultivation is a little higher than you. It seems that I'm going to win."

The voice fell, and the evil ancestor stared at Ye Chen and killed him with a palm in the air.

"Old martial arts, Jiuyou devil heaven palm!"

A palm with rolling magic Qi, white bones and lotus, wrapped in the old dignity, rushed directly to Ye Chen's body from the fierce killing of the sky.

This blow, the devil Zu Wutian showed no mercy and just wanted to kill Ye Chen.

He knows that ye Chen's great thousand towers palm and waterstop sword are all different in heaven and earth, and are likely to overturn. He suppresses it temporarily, not necessarily for long, so he must make a quick decision.

Moreover, his separation can not stay for a long time. If it is delayed, it is likely to damage the vitality of his real body.

Ye Chen looked at the nine yous magic heaven palm of the magic ancestor and killed it in the air. He only felt the overwhelming pressure. He had smelled the breath of death in his nose. He had never felt that he was so close to death.

Zhetian devil emperor, Hong Xin, Leng MuQing and others were shocked when they saw Ye Chen was dying, but no one could stop the tianless power of the devil ancestor.

"A knife without thinking, without thinking!"

But at this time, a figure pulled out a knife and cut out behind Wutian.

Xia Xuansheng is the one who made the sword!
