

## Physician 661

### Chapter 661

Ye Chen is in the middle of the sky, deeply aware of the gap, and no longer hesitates to communicate directly with the reincarnation cemetery.

Three old figures emerge.

They naturally felt that ye Chen had an accident outside.

"Three masters and predecessors, who can help me?"

Duan leiren sighed: "there is something special about being a master. Without Taigu Xushi Dan, you can't leave the samsara cemetery. Disciple, don't blame the master."

But Lin Qingxuan said faintly: "the man outside, I don't care about it. Don't look at me. "

The words fell, and Lin Qingxuan disappeared!

How irresponsible!

The eyes of the Lord do not fall on the body.

He didn't know how powerful he was.

He just heard Duan leiren say that he was proficient in alchemy, refining utensils and so on. He was a genius in ancient times.

The immortal Lord felt Ye Chen's fiery eyes and sighed: "it seems that I'm the only one."

"However, the man outside is really high in realm and strength. You are too much."

"In this case, I'll teach you a move called undeniable kendo. I haven't been immersed in kendo much in my life, only the undead kendo."

"This is the only sword skill I can teach you."

"Borrow your body for ten seconds in order not to let me dissipate."

Language down, ye Chen is feeling an invisible force full of the whole body!

The next second, back to the outside world.

Looking at the circumference of the old with the towering power suddenly fell, ye Chen is laughing.

Even motionless, hands behind.

This scene made elder Zhou unable to respond.

However, he can vaguely feel the danger of Ye Chen.

So this time, the old sword of perimeter was sacrificed and wiped directly to Ye Chen's neck!

Seeing that the sword was about to fall, ye Chen's five fingers opened, and then, suddenly closed.

A common branch is in my hand.

"Today I will use this branch to teach you the immortal sword."

Ye Chen is a bit sad and funny. Does Da Neng like to use this instead of a sword?

Duan leiren is so, the immortal Lord is still so.

Naturally, elder Zhou also noticed this scene. He sneered: "little trash, if you don't learn, you have to learn bad. Can't you regard yourself as the leaf killing heaven? Ridiculous

"Ye Shitian, a plum blossom suppressing everything, is because he has this strength! And you, not even a hair of him

Between the words, the elder General of Zhou became more and more powerful.

But at the moment the leaf Chen actually closed the eye, the momentum is misty rises.

The figure of the immortal Lord kept ringing in his ears.

"Without destroying the sword, everything is immortal, and everything can be destroyed again..."

All of a sudden, the branches move, and the sword is formed!

For a moment, the whole world was solemn.

A sharp breath came down from the sky.

In a flash, elder Zhou hasn't met Ye Chen yet. A force of resistance from heaven and earth makes his sword hang in the air!

"This This breath is not a state of mind at all

Elder Zhou's face changed greatly, and the crisis covered his whole body. He did not dare to be careless and directly forced out a drop of blood essence!

At the same time, the finger pinches, the essence blood seems to have the life general, is condenses into a sword shadow, as if for the dragon to fall from the sky, toward Ye Chen!

This is his famous fighting skill!

Blood essence sacrifice to heaven!

At the moment when the Dragon wants to swallow Ye Chen, ye Chen opens his eyes.

This look, as if from ancient times!

"Don't destroy Kendo, get up!"

In a flash, the aura of ten li is all condensed towards the branches in Ye Chen's hand.

The whole world is repressed to the extreme.

Endless aura gradually condensed into millions of arrows!

Controlled by Ye Chen's branches!

"Do not extinguish Kendo, fall!"

With the word "down" slowly appeared, the dense arrows rushed to attack, facing the dragon.

This move, ye Chen is to kill the dragon!

Endless arrows collide in the air, bursts of gas explosion overflow in all directions!

At the moment, ye Chen is like the God of heaven and earth.

"Bang!"

Between heaven and earth, as if by a strong vibration!

Under the roar, the ground of the northern Xuanzong completely disintegrated!

Even the gate of the northern Xuanzong was smashed!

The collision of arrows, as if into an endless sea of fire, to destroy the heaven and earth!

The old man's eyes widened, his blood gushed up, and his body retreated fiercely.

He was forced to open!

"This power is beyond the realm of the holy king. Isn't this guy Fangen? How can such power break out?"

Gasping, wipe out the corner of the mouth a trace of blood, looking at Ye Chen, perimeter old shocked to the extreme. Just a move, he was crushed!

Crushed by a Wonderland!

The first time he guessed wrong, ye Chen's realm was hidden!

The other side must be in the realm of the holy king, otherwise it will not be explained at all.

But a fan root, a short period of five years, how possible to step into this situation!

Elder Zhou's face is getting more and more red!

If ye Chen is a fan root, then what is he!

"Kill!"

A roar, perimeter old like a madman general, toward Ye Chen rushed out!

He spat out a mouthful of blood on the sword.

Then a sword is displayed, the sword spirit tears Everything, and the world changes color for this sword!

Ye Chen shakes his head helplessly, the branch in the hand swings gently.

"Don't destroy Kendo, Jianmen will show up!"

When the words fell, the branches even sent out a golden light, which has the power of heaven and earth!

In that light, ye Chen seems to be inviolable.

A golden door suddenly appears!

The branch breaks away from ye Chen's arm, penetrates the golden gate directly, shoots at the circumference old!

"Bang!"

A voice resounds through the sky!

The branches collided with elder Zhou's sword, and the light of elder Zhou's sword suddenly disappeared!

The sword is broken! To powder!

The elder of Zhou Xuanfei was not able to bear the whole blood.

A wall collapsed!

Don't destroy Kendo, elder Zhou is not qualified to resist!

This is still the case of the immortal master!

At the end of ten seconds, ye Chen feels that the immortal Lord has left quietly.

"Boy, there are only three moves to keep the sword alive. When the sword rises, the sword falls, and the sword gate shows the world! The first two moves are condensation, and the third is killing. Can you remember? "

"Remember."

Ye Chen walked towards the circumference of the old step by step.

The steps are light, but like the steps of death.

Perimeter old mouth big mouth spit out blood, want to get up, but found a pair of big feet stepped on his face!

"Puff!"

His cheek was so close to the ground that it splashed with dust.

This is the foot of that trash!

"Now, between you and me, who is the trash?" Ye Chen's voice without temperature rings.

Hearing this, elder Zhou's face is ferocious to the extreme!

He not only felt shame, but also felt his life was passing away.

The whole world is grey!

He is still staring at Ye Chen!

He had no idea that five years ago, the Fangen disciples who were not accepted by the northern Xuanzong had become the top-level strong ones!

Just now, not only he can't stop the undeniable Kendo, even if the Lord comes, the result is the same!

Even if the boy has bad luck, he can't be like this!

Until this moment, the death came, the elder perimeter knew that the reality was so cruel!

"I'm not for myself, but for my master of medical God."

Ye Chen's words continue to ring.

"Although the door of the God of medicine is declining, it will surely step on the brilliance with me, ye Chen."

"And this Brilliance will be built on the bodies of countless Kunlun virtual strongmen."

"You are the first body."

Chapter 662

Elder Zhou's pupils dilated. He just wanted to say something. A chill covered his whole body. The next second, he found that a sword had fallen steadily on his neck.

As long as ye Chen starts, he will die.

He could feel that the breath of Ye Chen was quite different from that of now, just like a different person.

But of course, now seriously injured, he is not qualified to resist.

The disciples of the northern Xuanzong were quiet to the extreme.

Revolt? What are they fighting against!

Even elder Zhou is invincible. Who can resist!

The key patriarch and the rest of the elders have gone to the secret place of Kunlun Xu. At present, only the perimeter is sitting in the clan.

The northern Xuanzong did not expect that someone would do it in the sect!

How many years, no one!

Sanxiu and Xiaozong are not qualified to move the northern Xuanzong, and the large gate is disdainful to deal with the northern Xuanzong, so the northern Xuanzong has always been extremely safe.

But did not expect, today, this devil came.

Elder Zhou stares at Ye Chen and says: "Ye Chen, even if you kill me, this matter will still be attributed to the medical God gate. At that time, your master of the medical God gate will certainly bear the responsibility! Do you think about the consequences? "

Ye Chen sneered, the sword in his hand moved slightly, and his neck exuded a trace of blood instantly.

Once a few minutes closer, the great artery will break!

There is no doubt that he will die!

"Are you threatening me?" Ye Chen sneered, "I'm sorry, I'm not afraid of threats. Even if you're in trouble with Ye Chen, how about that? To tell you the truth, I really don't look up to you, you little northern Xuanzong. If you hadn't humiliated my master, I wouldn't have done this to you. "

"Now, it's time for me to see you on the road, too."

The words fall, ye Chen's true Qi condenses, just want to chop off with a sword, a figure from the North Xuanzong inside swept out.

"Stop it!"

It was a woman speaking.

The woman has a graceful figure and a red dress. She has a trace of breakthrough and looks pale.

Obviously, the other side just broke through.

Ye Chen subconsciously raised his head, he vaguely found each other and Baili ice some imagination, do not need to guess, knew each other's identity.

Bai Li Xiong's wife Mu Wanning of Kunlun Xu.

Mu Wanning's cold eyes stare at Ye Chen and say word by word: "Zhou Chang is always the elder of my northern Xuanzong. I have a special identity. Please be merciful to me."

Elder Zhou saw that Mu Wanning had broken through the pass, and his eyes lit up a glimmer of hope. He even said, "elder mu, this boy is going to kill the northern Xuanzong. Please hurry up and suppress it!"

Mu Wanning is the youngest elder of the northern Xuanzong, and his strength is much stronger than himself.

If the other side hands, maybe you can really win Ye Chen!

Mu Wanning nodded: "elder Zhou, don't worry, we North Xuanzong is not what cat and dog can bully."

The next second, her hands appeared in a cold long sword, the spirit of the holy kingdom was released.

Naturally, she did not find Bai Li Xiong in the distance, because ye Chen was afraid that Bai Li Xiong would be affected by the fighting atmosphere of the two men, so he moved Bai Li Xiong to 100 meters away in advance.

Ye Chen looked at Mu Wanning with interest and said, "if I didn't guess wrong, you should come from China. Don't you miss those people in China?"

Ye Chen's words have just fallen, but mu Wanning's face full of killing intention appears a trace of hesitation.

" There's so much bullshit when you're dying! Now that I'm out of the pass today, I'll let you feel the real strength of the northern Xuanzong! "

The next second, the strong wind, Mu Wanning is a step to disappear, with the sword toward Ye Chen.

Seeing that a sword is going to penetrate Ye Chen's body, Bai Li Xiong's voice suddenly rings out: "Wanning! Don't hit Mr. Ye! "

As soon as he said this, Mu Wanning's delicate body was stunned. His beautiful eyes were even bigger. His sword turned and stabilized his body. His eyes were still shooting in one direction!

She thought it was her own auditory hallucination, but she didn't expect that, as far as she could see, a figure haunted by dreams appeared.

"How could..."

Mu Wanning subconsciously covered his mouth, and his eyes were gradually flushed with bitterness and yearning!

She never thought that she would be able to see her husband!

I thought that Kunlun Xu and Huaxia were like a line of life and death, isolating everything!

"Wanning!"

Bailixiong is a man of iron and blood, and once was a general of a country. However, he is also flesh and blood. His depression breaks out completely. He even ignores his injury and comes to Mu Wanning's body in two steps, holding his hands tightly.

The touch of the skin, let two people make sure that everything is true!

At this moment, elder Zhou and all the people of North Xuanzong were confused.

Wood elder unexpectedly and a Chinese mole ant embrace?

Are you kidding? In their eyes, Mu Wanning is extremely cold and can kill people without blinking an eye. She has never seen her skin close to any man.

This moment is and a strange man tightly embrace.

The key is crying!

With a hug, Mu Wanning woke up and said excitedly, "how did you come to Kunlun Xu? What about bing'er, is bing'er also in Kunlun

Bai Lixiong shook his head: "I came alone. Bing'er is still in the capital. Why did you leave without saying goodbye?"

Mu Wanning hesitated for a few seconds, but noticed the injury of Bai Li Xiong's left hand. In a cold voice, "what's wrong with your hand? Who did it?"

Bailixiong smile: "it's nothing. Mr. Ye has cured me."

Of course, Mu Wanning's eyes were still directed at the living gatekeepers.

As an elder of beixuanzong, she naturally knew that this was the technique of beixuanzong, but the gatekeepers had a trace of fear in their eyes.

The truth is known.

She was suddenly cold: "no one is qualified to move my family, even the northern Xuanzong!"

The words fall, her hand's ice cold sword gently shakes, shoots out numerous cold ice sword meaning.

The sword tears Everything, cuts through the air, and directly targets the gatekeepers.

They subconsciously want to run, but found that there is no time at all. The sword penetrates their bodies and turns into a blood mist on the spot.

Seeing this scene, ye Chen's eyes shrink slightly.

He didn't expect that Bai Lixiong's wife was so powerful.

This is at least above the realm of the king! It may even be the peak of the kingdom!

This is a top-notch player in the small northern Xuanzong.

When Mu Wanning finished all this, her eyes fell on Ye Chen again and bowed slightly: "Mr. Ye, I have offended you so much just now. Please calm down. As for the elder of this week, you can do it. No one in the North Xuanzong will say no! If you don't do it, I'll erase it too! "

Elder Zhou almost burst out a mouthful of blood when he heard this sentence. Who could have thought that the talented elder of the northern Xuanzong colluded with outsiders to fight against the northern Xuanzong!

## Chapter 663

Ye Chen sneered, no longer hesitated, the sword in his hand slipped gently, and the blood sprayed, so the ferocious head of elder Zhou fell on the ground.

Mu Wanning nodded with satisfaction, and then looked at the group of living beixuanzong disciples: "now that Zhou Changlao is dead, you should understand how to do it. Everyone kneels down for me, starts with blood essence, and vows to guard today's secret. If you don't do so, don't blame me for ignoring my feelings and personally sending you on the road!"

Cold words fall, all people change color, forced by pressure, they can only kneel down, is to swear by the way of heaven, if there is any violation, the spirit will be destroyed! Never turn over!

This is almost the most poisonous oath for practitioners, and they dare not break it.

After all this, Mu Wanning looks at Ye Chen and Bai Lixiong and makes a gesture of invitation: "you come with me."

Ye Chen is shaking his head: "North Xuanzong, I don't go in to sit, I still have something to do."

" Besides, you two haven't seen each other for a long time. I don't want to be a light bulb. "

Hearing this, Mu Wanning blushed slightly. She could see her husband's respect and value for the young man.

She also knows the man's help to her husband.

The invitation was just to express her gratitude, but at the moment, what she wanted to do more was to make love with her husband and understand what happened after so many years of separation.

"Mr. Ye, Wanning knows more about Kunlun Xu. Maybe she can help you." Bai Lixiong said, and then explained to Mu Wanning, "Wanning, Mr. Ye is the God of war in China. Without Mr. Ye, bing'er and I would not know how many times we have died. No matter what, Mr. Ye is our own person, and we believe him completely."

Mu Wanning nodded and looked at Ye Chen and said curiously, "I don't know where Mr. Ye is in such a hurry to go?"

Ye Chen did not talk nonsense, said: "qingxuanfeng."

Hearing these three words, Mu Wanning was slightly surprised: "it is said that this qingxuanfeng is the place of Lin Qingxuan's descendants, who are the doctors and the gods. Countless powerful people go to qingxuanfeng to seek the way. Unfortunately, the mountain gate array is rarely opened. If Mr. Ye is looking for Lin Qingxuan's descendants, it will be a little troublesome."

"What's more, qingxuanfeng is not stable recently. There is a road that we must go through all the year round. It's said that there are a group of strong men waiting for rabbits there, hunting and killing the strong and seizing the treasures. Many forces have some complaints about that place."

"If Mr. Ye is willing to wait, I will arrange everything and go to qingxuanfeng with Mr. Ye."

Ye Chen naturally can't disturb them, shaking his head: "no, I'll go alone."

Mu Wanning was more and more surprised. Her strength was naturally felt by this young man.

There is a big gap between the two. If you have your own help, Mr. Ye will be extremely safe.

If it was not for the sake of the other party's saving bailihong, she would not have done so.

But the young man refused without hesitation?

Is this going to prepare for death?

Mu Wanning doesn't ask for anything. She goes directly to the North Xuanzong and leads a horse full of flames.

The steed is full of aura, which is obviously a domesticated animal mount.

"Mr. Ye, this horse is a mount given to me by the patriarch. It's useless for me to shut up all the year round. Then give it to Mr. Ye, so that I can get to qingxuanfeng faster. This is the only thing I can do for Mr. Ye."

Ye Chen didn't refuse this time. What he lacks is a fast mount.

If it wasn't for the blood dragon, he would have been flying in the sky. The distance between qingxuanfeng and qingxuanfeng was just a blink of an eye.

Ye Chen stepped on the horse, the flame burst, and went directly to the foot of the mountain.

Mu Wanning looked at the direction of Ye Chen's departure and said curiously to Bai Lixiong: "this man is really a strange man. What kind of Zhenguo war god is he? Can you become the God of war in China? By the way, how did the old man Zhou get hurt? Mr. Ye obviously has no such strength. "

Bailixiong looked serious and said: "Wanning, don't be deceived by Mr. Ye's breath. This week, the elder was hurt by Mr. Ye, and he didn't even have the power to fight back. A few days ago, dozens of strong men in Huaxia blood League attacked Mr. Ye, and Mr. Ye killed all of them with his own strength! That bloody scene, to me, is still a nightmare

"Mr. Ye can't be measured by his strength."

Mu Wanning heard Bai Li Xiong's words and took a cold breath. Her eyes were full of panic and accident.

Did she really look out of sight?

.....

At the foot of qingxuanfeng mountain.

The sun is scorching.

Ji Lin, with two strong members of the Ji family, was on his way all night and was finally about to arrive.

Anyway, it's up to her whether her father can live on or not.

She has made a good plan for the worst. Even if the descendants of Lin Qingxuan don't want to fight, she will also tie people.

Anyway, when the sky falls down, the Ji family is holding it.

I don't know how my sister's progress is. She has heard of Ye Jingtian, who was born in the sky several times. Her name is almost the nightmare of most xuzong clan in Kunlun. Extremely strong means! The sword technique can reach the sky! I don't know the depth of cultivation! God thunder! Yulong! The most mysterious!

This is ye Shitian's impression in Ji Lin's mind.

Ji Lin suddenly thought of Ye Chen, who was very embarrassed in China.

She shook her head helplessly: "Ye Chen, this boy is also surnamed ye, why is the gap so big? One was nearly killed in China by a strong man of Li He territory, and the other had already killed a strong one in Kunlun

"They're about the same age. It's really hard to tell."

"But ye Chen is a famous fan root in Kunlun. I shouldn't have such expectations for him. Anyway, he is definitely not worthy of my sister."

Just as Ji Lin murmured to himself, the two Ji Jiaqiang stopped.

"Miss, I feel something is wrong."

Ji Lin's small body stands upright in an instant, her eyes are slightly narrowed, and she stares at everything around her.

The breath on the body is released.

Her cultivation is in the holy land. She is a monster at her age. After all, she is not even 13 years old.

"Be careful. I heard from my sister that qingxuanfeng is not simple. We also found many skeletons along the way. It is estimated that someone is staring at us in the dark."

Ji Lin's spiritual consciousness was released, and he went to the front.

Before walking a few steps, three sounds of breaking the sky suddenly hit!

The next second, they seem to be locked in general!

There are three rapid red lights sweeping in front of me.

The two strong men of Ji family protect Ji Lin in front of him and offer weapons in their hands at the same time!

Ji Siqing has told us that even if they die, Ji Lin can't have any mistakes!

The red light is about to fall, and the weapons in their hands are fired directly!

The golden light is everywhere, and the sword spirit is soaring to the sky!

Chapter 664

"Tear A sound, a tearing sound suddenly sounded!

Then, the three red lights were cut off mercilessly!

They gasped, and it seemed that the red light had no power.

But soon, their faces changed!

That cut off the red light completely into a silk thread cover!

Almost instantaneously, it turned into a red net covering the sky and the sun!

"Not good!"

The two men rushed to the red net and tried to break it!

"Miss, get out of here. It's very strange here."

Two people no longer hesitated, forced blood essence, the momentum of the body climbed to the extreme.

The sword almost turns into a hundred Zhang long sword, which is about to touch the red net!

An invisible array is sweeping in!

They found that under the red net, all true Qi could not be displayed!

"How could it be!"

The expression on their faces was completely frozen.

I've been cheated!

These three red awns are traps at the beginning!

They wanted to evacuate, but found it was too late.

The Red Net continues to shrink, but it is the two people completely trapped in it.

Then their bodies hit the ground heavily.

Fortunately, Ji Lin noticed something wrong at the beginning and kept retreating towards the back!

With such a strong but hard to detect array, who can avoid it!

"Miss, let's go!"

The two men roared.

Ji Lin naturally will not take into account the two people's lives, at the foot of the real Qi flow, just ready to leave!

But the ground in all directions suddenly split.

Then, an invisible gas wall condenses and becomes!

"Get out of here

Ji Lin's eyes are cold to the extreme and split with a sword.

The sword is so fierce that it's killing!

But when the fierce sword Qi touches the air wall, it disappears completely and has no effect at all!

"This formation It's the lost ancient Fengshen array! Who the hell are these people? "

How can Ji Lin calm down!

Born in the Ji family, she knows more than anyone else.

Ancient Fengshen array is an array in ancient books. It was considered as chicken ribs in ancient times, because its only function was to block the breath and true Qi of practitioners.

At that time, the cloud will gradually break in the eyes of the strong.

But this ancient Fengshen array is useless for the top strong, but it has enough deterrent power for them!

At the moment, Ji Lin felt as if his true Qi had been pulled away!

This feeling of powerlessness made her feel terrible!

Regardless of everything, Ji Lin took out a rune in his hand!

This is Ji Siqing to her, the critical moment, at least can escape.

However, she has not yet fully attracted the rune, a black light is sweeping!

"Ding!" A sword pierced the rune in her hand and nailed the rune to a tree.

At the same time, the five figures came out of the darkness.

At the head was a young man who looked like a gentleman with a folding fan in his hand.

The young man's arm is even more tattooed with an ancient array character!

When he saw this young man, Ji Lin and two other strong men of Ji family turned pale!

This youth, they know!

It is Bai Zhanyuan, a master of genius array who has been wanted by all clans and forces in Kunlun for five years!

Bai Zhanyuan's six-year-old awakening array was accepted as a close disciple by the leader of Kunlun virtual array alliance!

You can kill people by array when you are ten years old!

At the age of 15, he cracked an ancient remnant array! Famous Kunlun Xu!

At the age of 20, he became the youngest elder in the history of the battle alliance.

The road to genius is unparalleled.

Even his sister Ji Siqing admired this man.

At least in the field of array, almost no one can shake Kunlun!

Originally, Bai Zhanyuan's way of becoming a strong man took place at the age of 25.

Bai Zhanyuan stole the treasure of Kunlun virtual array alliance, and killed thousands of people with the array!

Overnight, the top genius is the evil devil!

The fierce name of that year is very similar to ye Shitian today!

Ji Lin didn't expect that Bai Zhanyuan appeared here.

Naturally, they can't stop this array arranged by evil people!

Soon, the surrounding air wall of the array was constantly shrinking, and Ji Lin felt that the blood was coagulated and couldn't move.

"Damn it!"

Bai Zhanyuan and the other four people outline a smile.

One of the men with long hair shook his head: "today's quality is not so good, so only three of them have entered the holy land. Is it hard to say that qingxuanfeng is not attractive to those powerful people in kunlunxu?" "Boss, what are you going to do with these three people?"

Hearing these words, the two strong men of the Ji family said angrily, "be bold! Do you know who is standing behind us! I advise you to release us as soon as possible, or you will bear the consequences! "

Words are cold.

The man with long hair laughed and went to the strong man of Ji family who was talking. He said faintly: "you talk a little bit. Although you don't know who is standing behind you, do you think I care?"

Language down, the long hair man suddenly stretched out his hand, a touch of air around!

The next second, a palm on the man's heavenly cover!

In an instant, the breath of death.

On the spot into blood fog, dead can not die again.

The long haired man looked at another strong Ji family under the Red Net: "do you have anything else to say?"

"No..." The remaining Ji Jiaqiang was completely flustered.

"If you don't, you can see me off."

The man with long hair once again shot out, blood mist bursts, his whole body is full of blood.

Blood made him ferocious.

The killing made him crazy.

Just two seconds, Ji family two strong all fall!

Only Ji Lin is left.

At the moment, Ji Lin looks pale to the extreme. She knows the means of these people.

They can see at a glance the particularity of their own identity, so they have no value.

After all this, the young man with long hair came to Bai Zhanyuan's side: "boss, what you asked me to do is already good."

Bai Zhanyuan nodded, the folding fan in his hand swayed gently, and then his eyes fell on the stiff little girl not far away.

"Say, where you come from and what you can give me, I can consider giving you a good way to die."

His voice was very flat, and he repeated a very common thing.

Chapter 665

Ji Lin knows that she has no choice. She calms down and thinks about all the plans to escape. However, she finds that she is powerless at the moment.

Who could have thought that the baizhanyuan fair in Kunlun was here!

"I know your identity, but I still want to warn you that I am a member of the Ji family. If you move me, my sister Ji Siqing will be angry. You can't bear her anger."

"What's more, as a big family of Kunlun Xu, Ji's family will be in trouble once it gets involved."

"Bai Zhanyuan, you should have a scale in your heart, which can be measured."

When Bai Zhanyuan heard about Ji Jia, his eyes shrunk slightly, and finally there was a trace of fluctuation on Gu Jing bubo's face.

He closed the folding fan in his hand: "now that you know your identity, take out what I'm interested in. The Ji family has a good position in Kunlun, and you always have some treasures."

Ji Lin holds her breath. The most valuable thing in her body is the golden elixir Ji Siqing gave her.

But Jindan is used to trade with qingxuanfeng. Once it is taken out, what will happen to his father's life?

She bit her teeth, shook her head and said, "I'm just a little girl. I passed by here by accident. What do you think Ji Jia will give me?"

Bai Zhanyuan smile, smile looks very genial: "little sister, lying is not a good habit."

Words fall, Bai Zhanyuan's slender fingers suddenly moved, fingers pinched, the air seems to condense a pair of hands!

Virtual hand to Ji Lin gently grasp, a golden light flashing!

Ji Siqing's golden elixir was suspended in front of Bai Zhanyuan.

Bai Zhanyuan held out his hand and held the pill in his palm: "it's not bad. It's an ancient pill. It's our biggest harvest this month. Little sister, it seems that you have a good status in the Ji family. "

"But unfortunately, you already know that I exist, I can't let you live."

Bai Zhanyuan took the pills and showed a cold smile.

At this moment, Ji Lin felt that the smile seemed to be the smile of death.

She was cold and her pink fists clenched tightly.

She even thought how angry her sister would be when she knew what had happened to her!

Maybe the whole Kunlun will have an earthquake!

Bai Zhanyuan pinches his fingers and just plans to use the array to solve Ji Lin, but he feels that a figure is coming towards this side quickly.

In about a minute, it's going to be through here.

"Here comes another guest. Take care of the bodies and the blood."

After Bai Zhanyuan's command, he even grabbed Ji Lin's neck with five fingers and plundered it into the darkness.

"You should be glad that the man saved your life. In this case, I'll show you how I kill prey

Everything is back to normal.

The six men brought Ji Lin into the dark.

Ji Lin found that in the dark, there were many arrays and several empty screens.

On the screen, every dead corner is monitored.

Ji Lin sighed. Such a precise plan is the first genius of Kunlun. One minute later, it is estimated that someone will fall.

A minute later, Ji Lin finally saw a figure on a screen.

He is a young man with short hair in casual clothes.

There is a flame horse under the youth's hip, galloping.

The figure of youth is getting closer and closer.

All of a sudden, Ji Lin's pupils dilated, just like a ghost!

Her body was even more unconsciously shaking.

Because she knows the young man in the picture!

Is incomparably familiar!

Isn't this guy the Ye Chen of China!

She is absolutely sure that the other party is Ye Chen!

When did ye Chen come to Kunlun? Why did he step into qingxuanfeng?

"Damn it! Why does this guy want to die? "

Her strength is not enough to compete, let alone Ye Chen!

She vaguely remembers that when she left China, ye Chen seemed to be still in the aerodynamic state!

The aerodynamic environment in Kunlun is not worth mentioning!

Even Bai Zhanyuan's casual array can't resist it!

But at the moment, Bai Zhanyuan is frowning. He has his formation in every ten li.

But somehow, he felt a threat from that young man.

The threat comes from the intuition of his many years of desperate life.

Seeing that the young man on the mount was about to touch the array mechanism, what everyone didn't expect was that the young man stopped!

the reason why Ye Chen stopped was that he found something wrong at the first time.

His master, Cang Haiping, used the spirit Rune to enter the road, and the aura was the originator of the array.

So he has a very strong sense of the formation.

Far more than anyone in Kunlun Xu!

He felt that the air of the array under his feet was getting stronger and stronger! He looked around him dead and cold eyes shot out!

With the hungry blood, this is like killing a wolf.

Bai Zhanyuan and the other five people were completely stunned!

The smile on his face solidified.

They were found?

How could it be!

However, there is a very strong shielding array here. Even if the strong ones in the holy kingdom come, they will not be aware of their existence!

But what's going on right now?

It's hard to be found by the other party!

At this moment, Bai Zhanyuan's face was a little ugly. He looked at the man with long hair and said in a cold voice, "don't ambush. Start the ancient Fengshen array by force!"

"Yes

The next second, far away is staring at the dark depth of Ye Chen is to find three red light swept.

When he saw the appearance of red light, ye Chen was surprised: "ancient Fengshen array? Interesting, isn't this array already disappeared in Kunlun

Others don't know this array, but he knows it!

Because Cang Haiping once taught Ye Chen all the arrays!

Therefore, ye Chen knows the array far more than anyone in Kunlun void!

His mouth outlined a smile, motionless, until three red lights were about to penetrate the body, his fingers open!

And swept away in a frenzy.

Seeing this scene, Bai Zhanyuan and the others sneered.

Once the young man destroys the three red lights and the Red Net suppresses it, the young man will be hard to fly!

Ji Lin also looks flustered, she wants to remind Ye Chen, but found it impossible!

Damn it! Ye Chen is such a fool! Why are you here!

At the time when everyone is convinced that ye Chen will be trapped, the direction of Ye Chen's five fingers suddenly changes!

Passing by the red light, five fingers are penetrating the air!

The next second, a red net was pulled out by him!

At the same time, ye Chen hands overflow countless thunder and lightning!

Red net is instantly penetrated by lightning, directly and mercilessly torn!

"Since you have prepared such a big gift for me, don't hide like a shrinking turtle!"

Ye Chen Mou son shoots into the dark depth, the cold voice is like thunder sound resounding through!

In the dark, the long haired man's face was pale, his blood was rising, and he spat out a mouthful of blood on the spot!

Ancient Fengshen array is broken!

He even got a bite back!

Who is this young man!

Chapter 666

At the moment, Ji Lin's expression is extremely rich.

She thought Ye Chen would be trapped in the red net and begged for mercy.

She even wanted to ask Bai Zhanyuan to let her and ye Chen meet again before she died.

It's a good way to go.

But she did not expect that ye Chen broke the array?

This is the ancient Fengshen array!

Don't mention Ye Chen's rubbish realm. Even if ye Chen has crossed into the holy land, he is not qualified to fight against him!

but what is the ghost in front of him!

Is this the fan Gen Ye Chen he knows? Ye Chen, who has been ridiculed by numerous clans in Kunlun for five years?

Is this guy who broke the array strangely at the moment, and even hurt the young man with long hair?

Nima, how can this kid understand the formation?

Isn't the medical God sect respected by medical ethics? The leader of the medical God sect only knows a little about the array. It's impossible to teach Ye Chen how to crack the ancient array!

Or is it all about the kid's hypocrisy?

Ji Lin feels like the head should be big, but according to her understanding of Ye Chen, it must be luck!

Yes, luck is the best explanation.

When Bai Zhanyuan saw that his men were injured, he quickly took out a pill and let the young man with long hair take it.

"Yun Gong, stick to Dantian!"

Young people with long hair are no nonsense. The effects of pills are constantly colliding in the body!

It took a few seconds for him to recover.

The young man with long hair stood up fiercely, and his eyes were full of killing: "boss, that little beast is just a person. What array should we use! Go straight out and crack down! Damn it, if I don't abolish him today, I'll be a damn beast

Bai Zhanyuan nodded and his eyes fell on the young man on the screen. He had a trace of interest in Ye Chen.

In less than ten seconds, we found that the existence of the ancient Fengshen array was broken. Is it luck or strength?

"Let's go. Don't kill the boy. I have some questions to ask him."

"Good!"

Soon, a group of people is to take Ji Lin to the outside.

When they came outside, they found that the young man had got off the horse. They didn't know where to move a stool and sat down with interest.

In his mouth is a cigarette in his mouth.

It's very leisurely.

The appearance of Bai Zhanyuan and others did not make ye Chen have any fluctuation, even he did not have the desire to turn his head.

As if to the extreme.

Young people with long hair are not angry at this scene.

They stayed at qingxuanfeng for almost three years!

When have you been insulted like this!

"Boy, you are still in the mood to smoke here! Damn it, you can't die! "

Ye Chen still ignored.

Suddenly, a crisp voice suddenly sounded: "Ye Chen..."

Hearing this sound, ye Chen is stunned, fiercely turns around, the vision shoots toward a little girl's figure!

Ji Lin!

He never expected that Ji Lin would appear here!

At the moment, Ji Lin is obviously bound by the array and can't move.

Ye Chen pinched out the smoke in his hand, frowned and said, "how can you be with this group of people? They kidnap you?"

Ji Lin white one eye Ye Chen: "so obvious thing, don't you see? By the way, aren't you in China? Why did you come to Kunlun Xu? "

The young man with long hair was surprised to see that they were talking to each other. He had no idea that the boy should know the little girl!

The key is that these two guys seem to be when they don't exist!

He looked at Bai Zhanyuan, and the latter nodded to him.

The young man with long hair got permission and snorted: "little beast, there is still some nonsense in my heart. Although I don't know how you can break the ancient Fengshen array, it doesn't matter. Kneel down for me!"

A roar was heard all over the sky.

Later, the young man with long hair rushed to Ye Chen with strong wind and rainstorm!

He pinched his fingers quickly, and the ground around him vibrated!

He used his array to mobilize the power of heaven and earth!

Strength is constantly climbing!

Cold killing machine, enough to let anyone fall into the ice cave!

But this chill is to let Ye Chen not have the slightest reaction, he step out, such as across mountains and rivers.

At the same time, the snuff out in the palm of the hand seems to condense a force.

Countless genuine gas packages!

"Whoosh!" Let's go straight!

With the moment of cigarette butts shooting out, the earth severely shakes up.

Like a sharp arrow through the sky.

But ye Chen's figure is arrogant between heaven and earth, hands negative behind him, as if the end has been set.

"Little brute, I still want to..."

The young man with long hair felt blood clotting before he finished speaking. He completely destroyed the cigarette end!

But a strange scene appeared!

A golden net suddenly appears!

This This array seems to be familiar with each other. It's an ancient Fengshen array!

The other side can also use this ancient array!

It's also given back to him!

The key opponent's array seems to blend between heaven and earth, more powerful than the long hair youth!

The golden net covers everything. The young people with long hair feel wrong and subconsciously want to dodge.

But found that the gold net can't please at all, not close, is to wrap him up.

Almost instantly, the young man with long hair is trapped in the golden net.

It's the ultimate search for the youth!

A trail was shocking, and even blood kept pouring out.

"Don't you want to know how I can break your ancient god worship array? Because your formation is too rubbish

Ye Chen's indifferent voice falls.

Then five fingers a grip, the edge will be long hair youth sucked over.

He pinched the neck of the other side.

If you do it a little, you will die.

Several people around Bai Zhanyuan saw that the young man with long hair was trapped. One of them held a long sword and stabbed at Ye Chen.

The momentum is enormous.

The other party obviously wants to kill Ye Chen!

No hands left.

Ye Chen looked cold and roared:

"get out of here!"

The next second, ye Chen pinches and decides, and a sword rhyme forms directly!

The sword light shoots out madly!

Boom!

Sword light burst, cold light soared!

The momentum is like a fashion, smashing the dust, tearing the air, bursts of Mars!

"Bang!"

Sword light and the hand of the man collided together.

The fire erupted.

In the boundless air wave, the man's body was born a meal, and the sword in his hand was directly broken.

His body is toward the rear smashed out!

His pupils are full of horror. Except Bai Zhanyuan, he has never seen anyone who can break everything with an array!

"Puff

He can't help it any more. The air waves in the light of Ye Chen's sword seem to penetrate his internal organs. He spits out a mouthful of blood directly!

"The native chicken and the earthen dog are vulnerable to a single blow!"

Then, ye Chen looks at Bai Zhanyuan.

Although I don't know Bai Zhanyuan, the momentum of the other party is obvious. It is the head of this group of people.

"How about I trade this man and woman for that little girl? If not, I can only let him enjoy the taste of torture

Trapped long hair youth just want to say what, when see ye Chen that cold eyes or cowardly.

"Good."

Bai Zhanyuan's voice is extremely calm, but it is with a trace of anger.

The next second, Ji Lin was mercilessly thrown out by him!

Chapter 667

Ye Chen hums coldly, the true Qi condenses, one palm pats to the long hair youth!

The young man spat out a mouthful of blood and smashed it on the ground.

And ye Chen is the first time to embrace Ji Lin!

Once Ji Lin and Ji Siqing helped him countless times!

Naturally, he won't let Jilin get hurt.

Ji Lin stares at big eyes. He never expected that he would be saved by Ye Chen in this life!

What's more, he found that ye Chen's cultivation was no longer a dynamic state, but a real Yuan state!

What kind of medicine did the boy take? How long has he not seen it? He has crossed so many realms!

What's more, how can the boy array!

"Ye Chen, I really doubt if you are pretended by others."

"What's more, put aunt Ben down quickly. Do you want to eat my tofu, even the little girl's tofu? You're too shameless. Believe me or not

Ye Chen smiles. This is the Ji Lin He knows.

He carefully placed Ji Lin on the chair, and then took out some snacks from the samsara Cemetery:  
"next, give it to me. You can just watch it. A few months ago, you helped me once in Jiangnan province. Today, let me help you."

Ji Lin stare big eyes, looking at the hand is full of snacks, her brain is almost empty.

Did this guy think that instead of running away, he wanted her to watch a play?

Is this guy going to deal with Bai Zhanyuan?

The long hair youth and Bai Zhanyuan's array strength are not the same at all!

Ye Chen is crazy. Do you still want to challenge Kunlun virtual first genius array mage?

What did she just explain? Bai Zhanyuan stood up, staring at Ye Chen, and said, "he is my man. Why do you still have such a hand?"

Voice cold, no temperature, like winter frost.

Ye Chen quietly took out a cigarette, originally wanted to light, but finally put back.

Because every time he smoked, Ji Lin would scold him for not smoking.

He looked at Bai Zhanyuan and said, "Ji Lin is my friend. I'm very unhappy if you move her. If you kneel down to apologize to my friend now, I can consider giving you a chance to live."

When he said this, not only did Ji Lin take a breath, but Bai Zhanyuan and the people around him laughed!

Even someone dare to make Bai Zhanyuan kneel down to apologize!

You're kidding!

Bai Zhanyuan opened the folding fan in his hand and said, "don't you know me?"

Ye Chen snorted: "what are you? Why should I know you? You have five seconds left. "

Hearing this, Bai Zhanyuan looks cold. The next second, he pinches his finger. It seems that the wind and cloud change color between the sky and the city!

Countless true Qi went to Bai Zhanyuan's slender fingers.

"I didn't want to fight, but it seems that you know a little bit of array. Today I will let you understand what crushing is!"

An invisible array is formed!

And ye Chen's foot seems to turn into a thousand feet of magma, blazing hot constantly swept.

Magma surging!

Suddenly, a huge red magma snake came towards Ye Chen.

Spit out the flame, not close to a step, the surrounding trees burned directly!

"Dragon burning snake array! I want the boy's head broken

Bai Zhanyuan smiles darkly.

Kunlun empty the first array of talent power, people palpitation.

Ji Lin sitting on one side is worried about ye Chen.

It's not that she doesn't look down on Ye Chen, but the young talents of the whole Kunlun void. In the field of array, she is not qualified to be compared with Bai Zhanyuan!

"Ye Chen, I'll help you!"

Ji Lin put down the snacks, just want to start, ye Chen is to shake his head: "you girl, these five years always in front of me pretend to force, today is also to give me the opportunity to show my skills?"

"But He is Bai Zhanyuan Gillin road.

Ye Chen frowned: "tube he is what white exhibition ape, or white cut chicken, in front of me, all useless!"

Almost heard the word "white chicken" spit out blood!

Anger makes the lava in the array set off a huge wave!

The giant magma snake seems to be standing between heaven and earth, devouring Ye Chen!

Ye Chen stretched out a stretch, light way: "this array is not bad, just right, I will be!"

"But my higher level, the Dragon flame and the divine dragon array!"

The Dragon flaming snake array is evolved from the Dragon burning and divine dragon array!

They are all ancient arrays, but they can't be compared with each other!

Ye Chen's fingers are getting faster and faster!

Just at the moment of roaring down, Bai Zhanyuan and the people behind him also appeared a huge magma!

And magma rolling, dragon chanting!

The next second, the sound of explosion!

This time, it's not a giant magma snake, but a red dragon coming out!The appearance of fire dragon, the temperature of the whole world seems to rise!

The door of hell opens!

And the giant magma snake saw the red dragon!

Subconsciously, pull back!

The original strength is not at all!

Sink into the magma!

At this moment, Bai Zhanyuan's face was hard to see the extreme!

Who would have thought that this boy would have the same array!

The key is that his accomplishments in the array are severely suppressed by the other side!

How could it be!

Such a thing has never happened in decades!

For the first time, his heart, which had never been frustrated, was loosened!

"Puff

A mouthful of blood spurted out directly!

It is obviously Bai Zhanyuan's heart attack!

"I'm in a good mood today. I'm willing to play with you."

Ye Chen said with interest.

His life talisman has not yet been sacrificed. He is really not afraid of this existence!

In terms of strength, he is not necessarily Bai Zhanyuan's opponent without the help of samsara cemetery.

But in terms of array, even the leader of array alliance should give way to him!

This is the supreme road of the sea!

He is the only one in the world!

At the moment, ye Chen is strong to the extreme, and his momentum is like a god standing between heaven and earth.

Ji Lin's big eyes almost burst out.

This is Ye Chen, who was ridiculed by Kunlun Xu people five years ago?

Even Bai Zhanyuan, the genius of Kunlun Xu's first array, was defeated in the battle of array?

Is it hard to make Bai Zhanyuan spit out a mouthful of blood?

At this moment, she found Ye Chen mysterious to the extreme!

This boy went to China for half a year, and he absolutely had a big problem!

Bai Zhanyuan wiped off the blood from the corner of his mouth and laughed darkly.

"Boy, I admit that your array attainments are quite good. Unfortunately, you shouldn't regard me as an enemy. I once slaughtered people, but I was chased by countless strong men in Kunlun! Do you know why I survived? "

"Because I live by killing battle! Anyone will be devoured by the killing battle, including you

With a roar, the folding fan in Bai Zhanyuan's hand unfolded and the golden awn flickered.

Ye Chen looked at the dazzling light, without any fear. He took out the cigarette and said faintly, "do you believe that the cigarette in my hand can break the fan magic weapon in your hand?"

Chapter 668

what!

A cigarette wants to fight against Bai Zhanyuan's magic weapon?

Bai Zhanyuan and even his subordinates behind him were confused.

It's even ridiculous.

Of course, they know that the smoke in Ye Chen's hands has no aura at all.

Even from a certain point of view, no lethality!

How can this kind of thing break the magic weapon?

Bai Zhanyuan has a ferocious face.

For five years, no one had ever dared to despise him, or even more so arrogant.

In those years, he robbed the supreme treasure of array alliance, which was the fan in his hand!

This fan, named as the ancient array fan, is made of ancient array stone.

It contains the supreme array road.

It's worth a lot.

Regardless of the value, if you use the ancient fan to condense the array, the array strength will increase by 10 times or 100 times.

Even if we gather together to kill the array, it will kill people in the invisible.

Over the years, he never met the existence of the ancient fan that could block the formation!

What's more, there are countless killing lines in his mind!

As the first genius of Kunlun, no one can compete with him among the younger generation.

Plus this ancient fan, who is qualified to block it!

Ji Lin is also feeling the arrogance of Ye Chen, she almost spit out a mouthful of old blood.

Although Ye Chen doesn't know where to learn the array, he is not qualified to be arrogant in front of Bai Zhanyuan!

I'm afraid that ye Chen is the only one who dares to do so.

But the result of doing so is obvious, it is looking for death!

"Ye Chen, the fan in Bai Zhanyuan's hand is a little strange. Be careful! At that time, Bai Zhanyuan was wanted by various major departments for this reason! "

"It's said that he killed nearly a thousand people with it!"

"By the way, ye Chen, you must have heard of Ye Shitian's reputation in Kunlun Xu. To some extent, this guy is as dangerous as ye Shitian!"

Ji Lin is afraid Ye Chen can't understand, so he uses ye Shitian as an example.

Ye Chen heard ye Shitian's three words, but his mouth showed a smile and said curiously, "then who will win if the white chopped chicken fights with ye Shitian in your mouth?"

Ji Lin was stunned and his face became strange.

How can this be compared!

The two have never met at all, let alone fight!

However, she still pondered for a few seconds and said seriously: "if the white chop chicken and ye Shitian fight, I personally prefer ye Shitian. After all, ye Shitian does not know its origin, and its means are connected with heaven."

"In the past five years, baizhanji has been hiding from all major sects, but ye Shitian has not only avoided but also appeared unscrupulously in the face of hundreds of pursuit orders. This existence must be relied on."

Unknowingly, Ji Lin also called Bai Zhanyuan a chicken.

Because it's so smooth!

Bai Zhanyuan was furious when he heard the conversation between them!

He couldn't bear it any longer. Today, he must break them into pieces!

No longer hesitating, the fingers quickly pinched, the hand of the ancient fan gently moved, an invisible air wave toward the four sides swept away!

At this moment, the whole world seems to be controlled by Bai Zhanyuan.

"I'm still in the mood to chat when I'm dying. Today, I'll let you feel what it's like to kill against the sky!"

"Ten thousand sword blood array! Get up

Bai Zhanyuan roared and stepped out. His body was incomparably light.

It's all his array fields in a kilometer radius!

In this, he is the master.

A few steps down, his figure bursts, the naked eye can only see the shadow.

His smile with a trace of cold, blink of an eye is in front of Ye Chen.

He grasped it with five fingers, and the folding fan in his hand turned into a big sword of array.

The sword rises and the sword falls.

Strong wind gusts, the air of the formation around suddenly swept towards Ye Chen.

The sword even broke the air and could not be stopped.

Like a bloodthirsty beast!

Bai Zhanyuan has absolute confidence. No one is qualified to surpass him in the array!

No one!

Ye Chen looked at the sword and the beast and frowned.

However, he underestimated the opponent. The formation was extremely powerful, and even the power of breaking out exceeded the peak of entering the holy land.

The general strong man will die when he meets Bai Zhanyuan.

If he doesn't understand the way of array, he will suffer.

Kunlun virtual first day array mage is not a wave of false fame.

Bai Zhanyuan saw the solemnity of Ye Chen's eyes and sneered: "boy, it's not a shame to die under my array!"

"When you die, I'll send the little girl on the road with me!"

Seeing that his strike will touch Ye Chen, ye Chen raises his head and turns his cigarette gently. "I said, one cigarette is enough for you. Why don't you believe it?"

The language falls, the true Qi of Ye Chen's whole body is mobilized and comes out, wrap directly on the cigarette in the hand.

At the same time, this life talisman directly sacrifice!

Endless thunder and lightning surround the cigarette.

That cigarette with bursts of streamer, toward a direction!

Bai Zhanyuan felt the strong wind and lightning around him, and suddenly his face changed!

Because the direction of the cigarette is the eye of the sword blood array!

This array was developed by him for many years, and its eyes are very hidden!

Why can the other party just glance at it!

"Boy, dare you!"

Can not help but Zhan yuan hesitated, his heart rending voice resounded!

Then, fiercely will the folding fan in the hand a turn, even will own the entire strength of a blow!

He has confirmed that ye Chen knows the array! It is even possible that the array attainments are still above him!

Folding fan out of the blue light, towards the cigarette!

However, it is still late!

The cigarette directly penetrated the eye of the blood array!

The surrounding array is completely broken! Countless cracks, shocking!

Not only that, Bai Zhanyuan spits out a mouthful of blood.

As soon as the sword blood array broke, he was also bitten back!

"Smoke

Ye Chen's five fingers grip, the broken array of cigarettes fly back to Ye Chen's hands in an instant.

He turned slightly and looked at Bai Zhanyuan with interest: "you are still a little tender to play with me. You can see that the array is just a low-level toy for me."

Bai Zhanyuan steadied himself and took out a golden pill.

He was hurt, only the golden pill could help him.

Ji Lin saw that Bai Zhanyuan wanted to take the pills Ji Siqing gave her. He even said, "Ye Chen, that pill was given to me by my sister!"

"Good."

Ye Chen Mou son shrinks, a step strides out, almost ten meters!

Holding the zhenhun sword, ye Chen chopped Bai Zhanyuan's arm!

Although his realm is a state of mind wandering, but combined with the power of his life talisman, this sword almost surpasses the transcendental realm, and even more strides into the holy realm!

"Hum!"

The air vibrates violently!

As soon as Bai Zhanyuan's face changed, he quickly took back the golden elixir, and at the same time, the array fan in his hand flashed away!

"Bang!"

The sword body and the fan collide violently, and the air wave overflows everywhere!

Endless thunder and lightning madly gush out from the town soul sword, and even climb up the array of ancient fans!

Chapter 669

Bai Zhanyuan's eyes widened. He felt the violent vibration of his arm, almost paralyzed!

Not only that, but all his clothes were torn apart! Powerful sword Qi and thunder and lightning even penetrated his body and wanted to enter his internal organs!

"Puff!"

If Bai Zhanyuan doesn't display his array, how can he fight ye Chen!

A flower like a greenhouse, put aside the array, nothing!

Ye Chen not only knows the array, but also has a hard way to kill along the way!

How can ordinary people stop it!

"Puff!"

Bai Zhanyuan spat out a mouthful of blood again. His body flew out like a broken kite and smashed it on a huge stone!

The huge stone is broken, Bai Zhanyuan feels the whole body bone wants to break!

At the same time, the golden elixir also flew out, leaf Chen five fingers a suction, the gold elixir then fell into his hand.

Although already had psychological preparation, ye Chen gets this golden elixir, still surprised a few minutes.

Ancient pills, high grade! The key is perfect!

At least not in a short time!

What's more, although the pill has an ancient meaning, it has been refined again in ten years!

Does Kunlun Xu still have the ability to refine this pill?

Ye Chen even thought of the half of Taigu Xushi Dan in the reincarnation cemetery.

Since the immortal Lord has appeared, and it is also regarded as his own approval, we should seek the refining method of Taigu Xushi Dan from the immortal Lord.

Otherwise Duan leiren can not be materialized in a short time.

"Jilin, go on."

Ye Chen throws the golden elixir back to Ji Lin.

At the same time, the zhenhun sword in the hand trembles and is directly sacrificed!

Thunder and lightning cover, powerful sword like streamer across the sky!

Anyway, we must take advantage of Bai Zhanyuan's weakest time to kill him!

Bai Zhanyuan just stood firm. When he saw the streamer coming, he looked scared to the extreme.

"Damn it!"

He can feel the blood rolling in his internal organs!

After a few moves, he was injured all over!

If he is pierced by this light, he will surely die!

"I can't die!"

Bai Zhanyuan's eyes shot out a fine light, biting his teeth, sacrificing a drop of blood essence!

Blood essence was photographed by him on the ancient fan.

"Want to kill me, dream!"

In an instant, the array of ancient fans issued a dazzling red light!

Red light, silent mountains and rivers!

Endless wind, like a giant beast, burst out suddenly!

Chen Gu fan broke away from Bai Zhanyuan's hand directly! Towards the soul sword!

"Bang!"

Zhenhun sword was shocked on the spot!

The aura on the sword disappeared completely.

Some even fear the ancient fan.

Bai Zhanyuan vomited out a mouthful of blood and forced a drop of blood essence again!

Instantly, a blood mist covered a hundred meters! Cover Ye Chen thoroughly.

The air is repressed to the extreme.

"Little beast, I admit you have a good array, so what! Do you know that the ancient fan of array is the best treasure of array alliance! Kill in the invisible! Today, I will kill you with my blood essence! "

At the moment, Bai Zhanyuan's eyes are about to crack.

He has long been used to being superior to others in the field of array!

But at the moment, he is in Ye Chen body to feel small!

He is not willing to! The anger in his heart had long since gone to his head!

He does not allow Kunlun to exist more evil than him!

Never allow it!

Today, even if he pays the price of cultivation and burning blood essence, he will tear Ye Chen into pieces!

"The ancient fan of array, in order to kill, please master, kill this son!"

Bai Zhanyuan got down on his knees with a roar! The utmost respect!

As if waiting for something to come!

In an instant, the ancient fan was filled with smoke and dust.

The next second, a virtual shadow appeared on the ancient fan.

Empty shadow hands behind, the breath is ethereal, just like a fairy.

To Ye Chen's surprise, there is still a spirit in the ancient fan!

The breath of the key spirit is terrible!

Suddenly, the spirit of the ancient fan opened his eyes, and the cold light shot at Ye Chen!

"I'm just a little kid. I'm still trying to move the people I choose! Look for death

At this moment, ye Chen feels stiff all over.

as like as two peas in the graveyard of the reincarnation!

He had no idea that there was a great power in it!

The spirit of the ancient fan suddenly put out his hand and waved his arm gently!

The shadow of a fist is condensed directly! At the same time, ye Chen's whole body is an invisible array magic method!

This array is an ancient array! Strong to the extreme!

He didn't even have the possibility to communicate with the reincarnation cemetery!

Damn it!

"Boom!"

When the fist blows, the spirit is just like a scarlet beast, falling from the sky and crashing madly towards Ye Chen's chest!

"How strong!"

This is the only reaction in Ye Chen's heart!

He wanted to sacrifice a talisman and a bleeding dragon, but he found that the connection was completely cut off!

A sense of crisis swept by, ye Chen's pale face to the extreme!

Locked by the powerful momentum, ye Chen's whole person is like deep mire, hard to extricate themselves.

He has no choice.

Can only carry down this punch!

"Touch!"

A blow hit Ye Chen's chest, the air waves spread, the sound of earth shaking explosion sounded.

Ye Chen spits out a mouthful of blood, pupil enlarges, body mercilessly toward rear smash!

In the face of this ancient strongman, how can he stop it?

It's not a level at all!

He broke two locust trees before he stopped.

Just stand still.

The internal organs are very uncomfortable.

I'm afraid that the opponent's attack is a close call.

In the face of absolute strength and breath, he is not qualified!

This moment Ye Chen, fist clenched, that unyielding eyes like a wounded lone wolf!

This blow almost killed him!

This is the ancient strong!

Seeing this, Bai Zhanyuan laughed.

"Boy, aren't you crazy just now? Why aren't you crazy?"

"Do you really think that I left the alliance to steal treasure? With such a master there, what's the old beast of the battle alliance? "

"Master, I want this boy to cut off his hands, and I can't coagulate all my life! I want him to live rather than die! "

The shadow on the ancient fan nodded and looked at Ye Chen's eyes with incomparable disdain.

"Being a teacher naturally satisfies you."

Hearing this sentence, Ji Lin, who watched the war, suddenly thought of something!

At the beginning, Bai Zhanyuan gave up everything and made a terrible thing. It was the ancient fan that stole the array alliance. Everyone in Kunlun didn't understand it!

If Bai Zhanyuan is willing to wait, with his talent, he must be the next leader of the array alliance, and this ancient fan will also belong to Bai Zhanyuan!

Now, when Ji Lin heard the words of the spirit, he suddenly realized it!

It's the spirit who made the first move!

As for the purpose, it is no longer important for the fair to listen to it!

Ye Chen is in danger!

The ancient fan's spirit killing machine is released, and it's shot out with a big hand!

This blow is more than entering the holy land, even reaching the most powerful one of the king's territory!

Chapter 670

Ji Lin from just Ye Chen's hand, is to understand that ye Chen's strength is probably in the state of mind wandering.

With the help of array, you can enter the holy land.

But the spirit of the weapon was too fast, and ye Chen had no chance to condense the array at all!

Ji Lin put down the snacks in his hand and went directly to the spirit of the instrument!

Since ye Chen can't stop it, she's the only one! Anyway, ye Chen is very important to her sister. She doesn't want Ye Chen to have an accident!

"Ye Chen, I won't hurt you!"

Ye Chen's face is pale. He knows that Ji Lin's power can't resist the power of the spirit!

He just wanted to talk, but it was too late!

Ji Lin has come to the spirit of the body, is a sword to cut!

The spirit can sneer: "I can't do what I can do."

With a wave of his arm, the sword in Ji Lin's hand is directly reduced to pieces!

At the same time, Ji Lin's body seems to solidify and fly out in an instant!

Hit a huge tree.

Faint on the spot!

See this scene, ye Chen thoroughly angry!

"Cut the dragon and ask the sky sword, come out!"

After roaring, a long sword with the light of the supreme sword broke through everything and shuttled back and forth!

Ye Chen's five fingers hold the sword and turn it into a shadow. It's coming towards the spirit!

"Whatever you are, die for me!"

Endless anger, into a sword!

At this moment, ye Chen's thunder and lightning are rolling around!

A blood dragon directly out of the body!

Anger even let his body's skill array directly break open!

At the same time, the life talisman will be sacrificed!

The Dragon chant resounds from heaven and earth, and the blood mist around is completely dissipated!

See the blood dragon empty shadow rushed up the sky, and dive down, coiled around Ye Chen body.

The spirit was obviously surprised!

"Well? What on earth did this boy come from? "

But Bai Zhanyuan's subordinates behind him saw this scene, but it was like hell!

Thunder point! Control the dragon! And the sword!

They suddenly thought of something and exclaimed, "boss, this guy This guy is Ye Jingtian

Hearing these three words, Bai Zhanyuan's eyes suddenly shrunk, and then he stares at Ye Chen.

He vetoed it the first time!

It's said that ye Shitian's strength is in the holy King's realm, or even in the virtual realm. But this boy is in the wonderland. The gap is too big.

But the scene in front of him had to make him suspect that the other side was ye Shitian!

Because no one in Kunlun can control these three things at the same time!

He didn't dare to think about it, and even said, "master, cut this boy off quickly! This boy is extremely strange, and his nightmare is spreading in Kunlun Xu! "

The spirit is also aware of something wrong with Ye Chen, nods his head, grabs five fingers in the void, and holds the palm of an array sword.

The next second, the sword of the array will be shot out!

Ye Chen will not be waiting for death at this moment!

The power of the blood dragon and the divine dragon covers the whole body. The strongest chopping dragon asks the sky sword to cut out directly!

This split, as if to create a new world! With the momentum to rush away!

The sword of the array was broken on the spot!

Endless sword Qi tore the hands of Bai Zhanyuan who were still watching!

Blood mist!

Even Bai Zhanyuan was shocked by the sword Qi and spat out a mouthful of blood.

"Bang!"

Although he blocked the sword, ye Chen still stepped back ten steps!

When he reacts, the spirit has already appeared in Ye Chen's body!

"Boy, I admit you are beyond my expectation. If you don't die, you will threaten my apprentice's status within ten years. So! You must not live! "

The next second, the spirit carries the terror of heaven and earth and the power of heaven. The palm wants to penetrate Ye Chen's body!

Once touched, you will die!

This is his self-confidence as a strong man who survived in ancient times!

Now most of the strong people in Kunlun can't stop it!

He thought Ye Chen would kneel down and beg for mercy, but he did not expect Ye Chen to raise his head and stretch out a hand!

A middle finger to him!

The smile on the corner of the mouth is full of mystery!

Suddenly, ye Chen opened his mouth.

"Ancient power? Think you are the ancient great power! Do you know, behind me stand a hundred ancient great powers! You're a fart

Language down, the sky and earth between the clouds!

Countless thunder and lightning are dormant in the clouds!

Once it falls, it will be the end of the world!

At the same time, a sense of antiquity spread in all directions with Ye Chen as the center!

The ancient fan's weapon array was broken on the spot!

The expression of tool spirit changed completely! For some reason, a trace of fear came into his mind. A hundred talents?

His eyes shrink, the first time negative!

How could it be!

For practitioners of Kunlun void, a great power has no chance to stand on the earth!

How about the hundred great powers?

It is absolutely impossible for the world to have such an adverse existence!

He no longer hesitates, increases strength, wants to penetrate Ye Chen's body.

But at this time, a sudden change suddenly appeared!

A shadow appeared directly before his eyes.

The other party is dressed in a robe, white hair floating, eyes slightly narrowed, but the look is suddenly cold.

The breath of the key opponent is far more than him!

"This --"

before the spirit could react to it, the old man suddenly appeared and grabbed the other person's wrist.

The next second, he felt that all his strength was gone!

Even a supreme pressure to swallow up!

"Do you dare to touch the people of my immortal Lord?"

The next second, the supreme divine power fell down!

The spirit was badly hurt in an instant. His face was pale, and he was flying backwards!

What a terrible sight!

His haughty face was nothing but fear!

Because he heard the four words of the immortal Lord!

In ancient times, there was only one immortal master in Kunlun!

At that time, he could only look up to this great power!

But now it appears!

How could it be!

Feel the breath of the whole body is bound by pressure, he is powerless and frightened!

The next second, kneeling directly in front of the immortal Lord: "adult, I don't know that the adult landed here, and I don't know that the youth is your person. Please calm down!"

He's scared! I'm really scared!

He and the immortal Lord are not of the same rank at all!

The injured Bai Zhanyuan's eyes almost burst out!

He always thought that Kunlun Xu's most invincible master actually knelt down!

He had never seen the master in such a mess that they didn't even fight!

"Master, you are..."

Bai Zhanyuan's words just came out, and the spirit pointed out that it directly penetrated Bai Zhanyuan's body!

Bai Zhanyuan's heart turned into a big hole in an instant!

Death wrapped his whole body.

He never dreamed that he would be killed by his master!

So merciless to kill!

The spirit kept kowtowing and said in fear: "my Lord, everything is instigated by that boy. I killed this boy today, and please punish him lightly!"

Between life and death, there is no so-called friendship!

No means is the survival law of Kunlun void!

Bai Zhanyuan's body finally fell to the ground.
