

Physician 781

Chapter 781

"Am I dreaming?"

Duan Huaian clenched his five fingers slightly, and the strength of his hands twined.

Suddenly, he fiercely toward the front of the body, a virtual palm directly formed!

"Boom!"

There was a loud noise, and the cave seemed to shake!

A huge palm print is formed directly! One meter deep!

At this moment, he can feel that this is not a dream!

Dantian was really restored!

Duan Huaian's excited eyes shot at Ye Chen fiercely, and his lips trembled: "disciple, you..."

He wanted to say countless words, but at this moment, he didn't know how to say it!

The apprentice gave him too many surprises!

Powerful martial arts, order fierce animals, alchemy, plus this anti heaven means to repair the elixir field!

At the beginning, he was injured by the Taoist patriarch, but he searched all the ancient books, and even ran all over the Kunlun to seek the solution!

However, the Taoist patriarch's counter heaven means that he can only struggle!

There is no way to crack it!

So many years down, he has long been disheartened, but at this moment, ye Chen gave him a new life!

A complete new life!

Ye Chen saw the master's appearance and showed a smile.

All my efforts have not been wasted.

Although he is cold and bloodthirsty, he is more murderous, but who is good to him, he is very clear.

If the master had not saved him in Dongqian Lake, the reincarnation cemetery would not have been opened, let alone his present day.

He stepped into the Kunlun void, from waste to self-protection ability. Duan Huai'an led him in.

Now that we have the ability, we should naturally restore Duan Huai'an's Dantian.

This is one of his wishes.

From this, ye Chen also felt the strength of Lin Qingxuan. At that time, the medical school crushed the martial Road, which was called a must.

If you want to be strong, it is undoubtedly the best way to learn from Lin Qingxuan's supreme medical Shenshu.

Duan Huaian suddenly thought of something. He sat cross legged and closed his eyes, as if feeling something.

After a while, Duan Huaian opened his eyes, and a touch of loss appeared in his eyes.

"I thought I could get back to the state where I had an accident. Now it seems that the state I am staying in is just a state of mind wandering. After all, I haven't practiced for decades, and the perception of cultivation in Dantian is too weak. However, it's enough for me to start practicing again."

"When I have been rebuilt for 20 years and stepped into the realm of virtual king again, there is no need to be afraid of the slayer in the killing land!"

Ye Chen naturally noticed Duan Huai'an's cultivation. He was really in a state of mind wandering. He was even weaker than himself.

If it really needs to be rebuilt, when will it be?

He quickly communicated with Lin Qingxuan of the samsara cemetery and asked, "master, I don't understand. Of course, the elixir field has been restored. Does the realm need to be cultivated again?"

I heard Lin Qingchen's doubt: "I see the doctor's voice! Since I can restore Duan Huai'an's Dantian, I can naturally restore him to his original peak cultivation! "

"Do you think that the cauldron and the medicinal materials are just decorations? Why don't you go and have a look at that Dan Ding again

With that, Lin Qingxuan resumed his silence again.

Ye Chen understood, step out, came to the top of the Dan Ding, instantly found that there was a red pill lying quietly in the Dan Ding.

The surface of the pill is smooth and has no fragrance, but it is extraordinary everywhere.

Is this pill able to restore Shifu to his peak state?

Ye Chen's five fingers open, gently grasp, the pill is appeared in his palm.

He even found that the pills had a burning feeling. If he had not been prepared, he would have scalded his palms.

Fortunately, the heat soon disappeared.

"Disciple, take this pill to Duan Huai'an as soon as possible. Once the effect is over, he will not be able to return to the peak state."

There was a sudden sound in my ear.

Ye Chen knew the seriousness of the matter, and immediately came to the master Duan Huai'an:
"master, take this pill quickly, he can help you recover your strength!"

Duan Huaian naturally had no doubt about ye Chen's words. He swallowed the pills fiercely. In an instant, a special feeling came from Dantian!

Endless aura seems to be generated and collided in the whole elixir field.

Duan Huai'an ran Jiutian xuanyang Jue, and ordered Ye Chen to say, "disciple, I understand the effect of this pill. I need to shut up for several hours. No one can destroy it. I will trouble you to protect the Dharma for me!"

"Good!"

Ye Chen step out, block in front of Duan Huaian, eyes cold, directly sit down.

Just now he used the art of healing God. His body and elixir field were almost exhausted. Now he recovers a little bit.

There is a crazy black tiger guarding outside. It should not be a big deal. If there is an accident, he will not be too late. Once the master recovers to the original peak state, whether it is to kill the master or other people, it will not be so easy to move them again!

.....

Just then, outside the cave, not far away.

An old woman on crutches and a girl suddenly appeared.

The old woman was wrinkled and dressed in cloth. She looked very simple, but her eyes did not feel like an old man. Instead, she had a trace of cold and cold blood that she should not have.

And the girl is more special, a head of flaxen hair tied into a horsetail, wearing a cap.

Although the cap is very low, it can make people feel her delicate facial features.

She was wearing a comfortable black sportswear, which set off her figure.

There are three characters on the jade pendant.

Qingluan sect.

The girl raised her cap slightly, revealing her eyes.

Eyes are very proud, but also has a trace of light disdain, as if everything can not enter her eyes.

"Master, the blue light has disappeared. It seems that it should be around here."

Granny Hua nodded her head and glanced around: "ruohuan, the blue light column has an extraordinary origin. There must be secrets here. We can't let go of any possible existence. Maybe there is a divine object coming into the world."

"Also, be careful about your surroundings. The light column is so clear that it is very likely that someone nearby has arrived first."

Hua ruohuan nodded: "master, you and I are here. Even if someone comes first, we will not take this thing by force! With the strength of the master, enough to crush the strong man of the hundred miles! What if the slayer of the land of slaughter comes? "

"The value of the word qingluan Zong is enough to make many people who don't know whether to die or not to be scared!"

Granny Hua took a look at Hua ruohuan and reminded her, "ruohuan, we didn't come out of qingluan sect this time. Don't forget that you will take part in the battle of Kunlun Xu's genius in a few days. I heard that Ji Siqing might not participate in this session. This is our best chance!"

Chapter 782

"If you win the top three, you will not only get the chance, but also become the object of cultivation of qingluan sect.

At that time, your cultivation will be indomitable, so before that thing starts, you can't have any mistakes. Be careful

If I don't think about it, master Ji is very careful! By the way, she is so powerful, why does this session suddenly not participate? No chance for nothing

Granny Hua clenched her crutches and explained, "I've just heard some anecdotes. Ji Siqing is arrogant and stable. She should be tired. Moreover, those people behind her seem to want her to be one of the judges of this talent war."

"A player's age has become a referee. I'm afraid Ji Siqing is the only one in Kunlun. Ji's family is really a family's ancestral tomb. He has given birth to such a beautiful girl."

Hua ruohuan has some loss in her eyes. She is also proud in her heart, but she can only look up to Ji Siqing's existence.

The gap is too obvious.

She didn't want to stay on this topic any more. She looked in one direction and went quickly: "master, there seems to be someone there!"

.....

At the moment, wenshishi and wentingting are wandering anxiously at the entrance of the cave.

They naturally know the vision inside, also know ye Chen and the old man are practicing inside.

You can't be disturbed by anyone.

The key is that this vision is so dynamic that it will disappear quickly, but if someone pays close attention to it, it will still be found here.

Wen Shishi glanced at the entrance of the cave and said to Wen Tingting, "sister, what do you think brother Ye is doing inside? Why did the moment when the green column appeared, I felt a sense of fear in my heart. "

Wen Tingting shook her head: "my father said that Mr. Ye is not an ordinary person and can't be seen with common sense. However, one thing can be sure that we can follow Mr. Ye, and it will be absolutely profitable without any harm. "

"It's a pity that Mr. Ye can't be moved by us that night. Otherwise, if we can have a fish and water affair with Mr. Ye, we will have some fate. That's what my father said before he left. "

Hearing this sentence, Wen Shishi blushed, and she thought of some things that happened to her and ye Chen that night after her sister fell asleep.

Almost, she and ye Chen may be able to completely ignite the flame.

"Sister, if father really finds us, does it mean that we will be separated from Mr. Ye?"

Wen Tingting sighed and patted her sister on the shoulder. She knew her sister better than anyone else.

From the beginning, ye Chen's appearance has pried the younger sister's heart.

It's a pity that ye Chen is not ordinary people, and their future achievements are not what they can imagine.

The younger sister will eventually and ye Chen more and more far away.

The younger sister's simplicity is unable to stop Ye Chen's progress.

"Poetry, some things look at fate, can not be forced. Mr. Ye does not belong to the killing place, he belongs to the whole Kunlun Xu.

It is an indisputable fact that we may not be worthy of Mr. Ye. "

Wen poetry heard this sentence, eyes empty a few minutes, then seriously nodded: "sister, I understand."

Just as the two sisters comforted each other, the old and the young suddenly appeared in front of them.

It was granny Hua and Hua ruohuan.

Flower if Huan Yang chin, eyes swept a sister flower on the body of the cultivation, cold hum.

The strength of these two people is just entering the holy land, which is too unbearable.

I don't know how to appear in this land of fierce beasts.

She stepped out of the room, and her cold voice rang out: "Why are you two here? Have you ever noticed that there is a blue light shining directly into the sky around you?"

Wenshishi and wentingting see the two people in front of them, and their hearts thump for a moment. She can feel the terrible strength of these two people!

Far above them!

At this crucial point, it is absolutely not easy for two people to appear here.

Wen Tingting is the most sober, and Yu Guang glances at the entrance of the cave. Because of the obstruction of weeds and branches and leaves, ordinary people will never find it if they don't pay attention to it.

She looked at the two people in front of her and shook her head: "my sister and I just passed by here for a short rest. As for the blue light column just now, we did see it. It seems that it is in the north."

Words fall, if Huan Huan cold hum, body shaking, directly came to Wen Tingting in front of, "pa!" Show hands.

Without warning, a slap directly on Wen Tingting's face.

Wen Tingting's face instantly appears a red palm print, the corner of the mouth is overflowing with blood, the body is also back dozens of steps!

"Sister!"

Wen Shishi quickly helped her sister, staring at Hua ruohuan!

She just pulled out the cold sword, but was pressed down by Wen Tingting.

A look.

Obviously, Wen Tingting told her not to do it! Because once you do it, you die!

She covered her face and was angry. She could only shout, "why did you hit me! We have no injustice or hatred! "

Hua ruohuan glanced at the sister flowers and said in a cold voice: "just a mole ant, I really think I Hua ruohuan is a fool. We just came from the north, and you even pointed out this direction to us. Shouldn't we fight?"

"You should be glad that you still have some use value, otherwise I can not be so simple as a slap, I will directly screw off the head of your mole ant!"

In Hua ruohuan's opinion, what is killing these two women!

So humble, should not have lived in the world!

Wen Tingting's face was pale. She could never have imagined that these two people could see through her lies at one glance. She could only bite her teeth and say, "my Lord, we really don't know what blue light column is. Just now, we were just afraid that you would hurt us! You can also see how we dare to deceive the adults with our accomplishments

Hua ruohuan pulled down the cap and held her chest in both hands: "two wastes, I don't want to listen to your nonsense. I'll ask again, where is the blue light column! If you don't, I will make you regret coming to this world. "

So the threat of cold came.

At this time, Hua ruohuan's mother-in-law noticed something behind her, and her eyes narrowed slightly: "ruohuan, there seems to be a hole in there. You might as well go and have a look! Absolutely weird

Hua ruohuan looks down her mother-in-law's sight and finds a hole in the cave. Just as she wants to step in, Wen Tingting and Wen Shishi offer two swords!

Block the hole!

Two people look at each other, each other's eyes have a trace of determination.

"Mr. Ye has helped us so many times. No matter what the cost is, we have to drag these two people along."

Hua ruohuan looked at her sister flower and even blocked her in front of her. She sneered at her and said, "I don't know how to live or die. With your garbage cultivation, you dare to block in front of me! Die

Chapter 783

The next second, if the flower happy body, such as thunder, erratic!

I can't tell the wind around me.

Wentingting has not yet responded, if Huan flower is already in front of her!

"Touch!"

Hua Ruo Huan Xiu clasps the sword in Wen Tingting's hand!

"Click!" With a sound, the sword breaks directly!

At the same time, a strong strong force vibrated away!

Wen Tingting was shocked to fly out on the spot and hit the hole heavily!

In a flash, Hua ruohuan came to Wen Shishi again. With a look of disdain and a step on the foot, the sword in Wen's hand flew out!

The latter is even more aware of the impact on the internal organs!

"Since your sisters don't know how to stop you, I'll spend your life happily!"

With the words falling, her fingers open, and the sword flying out of Wen's poems appears in the palm of her hand!

At the same time, a sword stabbed at Wen's neck!

Wentingting saw this scene and wanted to rush past, but found it impossible!

At this critical moment, a huge dark shadow directly rushed out of the hole!

With the roar of a tiger!

More toward the flowers if Huan to go!

Hua ruohuan is also aware of the danger, so he turns his body and stabs his sword towards the dark shadow!

"Touch!"

The tiger's paw like a rock collides with the sword!

The sword was smashed into powder!

Not only that, a fierce force is toward the flowers if Huan devour and go!

Hua ruohuan's body keeps retreating, and it takes ten steps to stabilize her figure.

She looked in the direction of Wen's poetry and found a huge black tiger in front of him.

Giant tiger is full of fierce evil spirit!

The eyes are extremely cold!

Ye Chen is the king of the black tiger!

The king of the black tiger is quite intelligent, and naturally knows the relationship between the two sisters and their master Ye Chen!

It certainly can't hurt them.

It stares at Hua ruohuan and her mother-in-law, and roars at the tiger again.

There was a rustle in the depths of the jungle.

Not long ago, more than a dozen crazy black tigers directly surrounded the two people!

Ferocious and bloodthirsty, but also issued a low roar!

Bloody fangs show!

"Master, how can these animals protect these two women? Moreover, the black tiger at the mouth of the cave has a strong breath, which is not inferior to some practitioners! "

Hua ruohuan is serious. For the first time, she didn't know the origin of the crazy black tiger!

Granny Hua glanced around and said, "I don't think these animals are protecting the two women, but they want to keep the secret of the cave. In this case, we have to go in! Even if the light beam is not there, it doesn't matter. If we harvest Zhibao, our trip will not be in vain! "

"Go

The next second, an old and a young will go toward the hole, for those ferocious crazy black tigers seem to care nothing at all!

The king of the black tiger saw this group of people provocative, the soles of his front feet severely stepped on the ground.

In an instant, the group of tigers toward two people!

It's big enough to bite anyone's head.

Granny Hua looked at these crazy black tigers and snorted coldly: "it's just a group of animals. I really think I can turn over to be the master! Since you want to die, I will help you

The language falls, the crutch in her hand fiercely falls to the ground!

The ground split like a spider's web!

An extremely terrifying air wave billows, with the old man's position as the center, rippling away!

Layer after layer!

When touching those crazy black tigers, all turned into blood fog!

It can be seen how terrible the strength of mother-in-law wind is!

Hua ruohuan showed a smile: "or master means to heaven, no one can rival."

The words have not finished, a huge shadow directly pours on!

It's the king of the black tiger!

The king of the black tiger was naturally angry, with a startling roar, and rushed directly to the two of them!

Strong wind, strong to the extreme!

Under the tiger's paw, the sharp claws are like sharp knives, which can tear everything.

"Master, give me the beast!"

Hua ruohuan was furious at the thought that he had been repulsed just now. He sacrificed a spirit sword in his hand!

Breath to the extreme!

Along with the sound of singing, her spirit sword in the light of refraction, frightening people.

"Just animals, dare to block my qingluan Zong's road, I huaruohuan personally send you on the road!"

When the voice falls, Hua ruohuan shakes his wrist, and the spirit sword is cut from top to bottom.

A ray of light cut through the air in front of him, like the birth of the Milky way.

With a cold sword, I want to swallow the king of the black tiger!The king of the black tiger roared and went to meet the sword!

In an instant, the palm of his hand showed a lot of blood!

It chooses to resist the next sword, at the same time, the fangs bite toward huaruohuan!

Obviously, she is not afraid of animal power!

Seeing that the fangs were about to penetrate, Granny Hua blocked her in front of her body and stabbed her with her crutches!

The king of the black tiger is naturally defeated by such a strong one!

Body flies out!

If you like to see the flower, you know this is the best chance. As soon as your eyes are cold, step out, the spirit sword will go directly to the body of the king of black tiger! The light covers the sky and the earth in an instant.

The shadow of the sword is divided into two and two into four. In a flash, it is overwhelming!

Under the light refraction, the dense sword shadow, like the rainstorm pouring down.

More like a beast devouring everything!

Among the innumerable sword shadows, one sword stabbed the king of black tiger on the spot!

In an instant, the blood was shooting!

Fortunately, the king of the black tiger is strong in flesh and blood, and has evaded the crucial point!

Even so, it has paid a great price.

Hua Ruo is glad to see that the animal is still alive. His intention to kill is released. The sword wind sweeps across the sky and the shadow of the sword is all over the sky. People are dazzled.

The most powerful sword of qingluan clan was directly sacrificed, and the sword meaning turned into a hundred Zhang, and the head of the black tiger king was cut off mercilessly!

This sword was like a volcanic eruption. She even saw that the animals in front of her were full of animal blood!

"Ding!" A cold sword suddenly shot from the cave!

Collide with Hua ruohuan's sword!

Accompanied by a sharp sound, light eruption, two air waves suddenly collide, like volcanic eruption, both collapse!

After the eyes of the five Huan, a trace of surprise appeared!

She stares at the direction of the hole, and soon sees a young man in casual clothes coming out.

The young man's face was pale, but there was a chill in his eyes.

He approached step by step.

It's Ye Chen!

Ye Chen did not want to intervene, after all, he has not fully recovered, but feel the king of the black tiger and Wen sisters are in danger, or resolutely!

He glanced around, looked at the Wen sisters and asked, "are you in a big way?"

Wen Tingting and Wen Shishi quickly shook their heads: "Mr. Ye, we are OK, but the breath is a little disordered."

Chapter 784

Suddenly, ye Chen Mou son shrinks, comes to Wen Tingting's front, squats down, stretches out his hand, touches Wen Tingting's cheek.

A touch of red palm print is very clear.

"Who did it?"

Ye Chen's voice has no temperature, but it makes people feel afraid.

Wen Tingting looked at a daze if Huan, did not speak.

"I see."

Ye Chen stood up, and his eyes fell on the black tiger king with blood flowing on his body.

The king of the black tiger wants to stand up, but he is obviously seriously injured. This injury mainly comes from granny Hua!

It looks at Ye Chen's eyes with a trace of guilt, as if to blame themselves for not dragging these people for the master.

Ye Chen touched the black tiger's head and laughed: "you have done great."

"Since I am your master, I will protect you."

"All over the world, only I can beat you, no one else can!"

The voice of indifference falls suddenly, ye chenmeng turns around, that cold eye son shoots to flower if Huan!

"I don't know who you are, but I don't like your behavior! Very unhappy! "

But at the moment, if Huan flower is dead staring at Ye Chen, a sense of familiarity hit!

She felt like she must have seen this guy somewhere!

Must have seen it!

It's just that it's a long time, and she can't remember it!

She no longer thought about it. She pointed to the spirit sword in her hand and said with a sneer: "I thought there was a cruel character, just a waste of extraordinary realm. Look at your breath. How many steps are there to enter the holy land? Who gives you the courage to speak to me in this tone?"

Hua ruohuan is at the top!

In her opinion, this kind of rubbish will die when it comes!

"Punk, do you know who I am? I might as well tell you that qingluan clan is the door behind me. If you kneel down now, I may give you a living -- "

before she finished her words, she found that the figure of the young man suddenly disappeared!

Too fast!

You should know that ye Chen's life talisman and blood dragon's power have a bonus to speed! Plus the anger in your heart!

This speed is far beyond the control of ordinary practitioners.

Until a gust of strong wind hit, Hua ruohuan just reacted. She just wanted to chop the spirit sword, "pa!"
A very clear voice suddenly sounded!

Ye Chen has come to her body!

It's a slap without scruple!

This slap did not stop any hand, on the spot if the flower Huan fan Meng!

She instinctively spit out a mouthful of blood, the body is flying out!

Who could have thought that the boy didn't say a word, even his identity was not bright, and gave her a slap!

This is too simple and rude!

Completely out of order!

Even after the flower mother-in-law also did not respond to come over!

Until Hua ruohuan fell to the ground, she was completely awake!

She clapped her hand on the ground with a trace of blood in her eyes, and the spirit sword in her hand swept away with the intention of the towering sword!

"I want you dead!"

There was a sharp burst of air.

The sword like a meteor cuts through the sky and tears the heaven and earth!

Very fast!

Violent breath, sweeping everything!

In a moment, I felt the whole body was frozen.

The woman in front of him was more terrible than he imagined!

Not only the Holy Land!

Ye Chen forcibly suppresses the inner fright, this person again strong how again!

She's very high up to the people around her. Even if it's Xuannu in the sky, he can't miss this slap!

Seeing the sword coming, ye Chen did not dodge, but went against the sword!

When the life talisman is sacrificed, the electric arc around the body is lingering, and the power of the blood dragon is condensed on the palm of the hand!

"Ten thousand swords! Break everything

"Immortal fire, come on!"

With a sound, the immortal fire is directly attached to the body of the sword, and ye Chen's ten thousand sword ideas are even more full of flames!

Extremely strong!

"Touch!"

If the two swords touch each other, Hua ruohuan will be injured and naturally defeated!

Her sword was picked on the spot!

A wave of domineering air is penetrating her internal organs!

Her eyes widened: "how possible! This boy is obviously in a state of transcendence. Does he use secret arts to lose his accomplishments and to hurt himself? "

She was shocked!

Regardless of everything, she forced out a drop of blood essence. She just wanted to shoot it on the eyebrow and start the secret arts. A cold voice sounded in her ear: "this slap is because of my little black!"

"Pa!"

A palm print comes, Hua ruohuan realizes what, wants to block, her arm is directly shaken open! At the same time, another slap in her face!

This slap will her cap fan fly, horsetail is also scattered, at the moment she is like a crazy woman!

Two slaps!

She's never been insulted like this since she was a child! At the moment, two people were slapped!

She might as well die!

Just then, a dark shadow rushed out, and a crutch came through the air!

Seeing that the situation is not right, Granny Hua finally makes a move!

Ye Chen Mou son tiny MI, his injury originally did not recover, plus just exerting all one's strength a blow, Dan Tian's true Qi is gone!

Now the flower mother-in-law and so on strong person to oneself, he naturally is cannot hide!

Can only carry it!

"Touch!"

The crutches with endless air waves hit Ye Chen's chest hard!

Ye Chen was also smashed to fly out, blood gushed up, the corner of the mouth spilled a touch of red blood.

Seeing that he was about to land, the injured king of the black tiger rushed fiercely and slowed down the injury of Ye Chen's landing with his body.

Ye Chen and the king of the black tiger landed one after another, and the king of the black tiger was a little weak.

"Thank you."

Ye Chen swallows the next pill, just want to stand up, a surge of supremacy came!

It's from granny Hua!

The realm of the other side is not the realm of the king! It's not a virtual kingdom! Not to return to the virtual realm! It's very likely to be close to the virtual kingdom!

The gap is too big!

The key is that ye Chen doesn't have too many cards now, and the silver needle of Lin Qingxuan has not been completely recovered!

This kind of pressure is enough to make him collapse!

Who would have thought that such a strong man would come here!

"Boy, no matter who you are, you shouldn't hurt my apprentice. She is the one who wants to participate in the war of genius on behalf of qingluan Zong. If you hurt her, it will take me a lot of time. In this case, I can only obliterate you! "

The old voice of Granny Hua is resounding!

"Now, kneel down on my knees and accept my trial!"

In an instant, endless pressure towards Ye Chen, ye Chen feels like a huge mountain pressing down, which is too damn hard!

His knees seem to bend!

Even the sound of bone bending!

He really seems to be on his knees!

"Grass!"

Ye Chen roared, and his veins burst out!

He asked Lin Qingxuan to make a move, but there was no reply for a long time!

He wanted to activate the evil object in the eyebrow, but found that the power of the eyebrow was also in silence.

Damn it!

Chapter 785

Even if he didn't kneel down for a long time, even if he didn't kneel down for a long time, even if he didn't kneel down for a long time, even if he didn't have a moment of curiosity, I couldn't stand it

"In that case, I will let you feel what death is!"

At this time, Hua ruohuan stood up and said to her mother-in-law: "master, this man asked me to do it! He slapped me two times, I want him to bear endless pain! I will make him regret coming to this world. "

Granny Hua takes a look at her apprentice and nods. If she kills this boy easily, it will be easy, but Hua ruohuan's heart will be affected.

Anyway, he bound the boy with coercion, and the other party could not resist.

By her apprentice, this is the best ending.

Hua ruohuan holds the spirit sword and walks towards Ye Chen step by step.

"Brother Ye!" Wen Shishi wanted to rush through, but found that there was a barrier in front of her that she could not break.

Hua ruohuan's eyes slightly narrowed: "brother ye? This little beast is named Ye. "

Suddenly, a light flashed by, and she finally understood why she thought the young man was familiar with him!

He's the root of the medical God!

That Kunlun Xu joke, ye Chen!

Five years ago, the battle of virtual genius in Kunlun was kicked by everyone before entering the arena!

At this moment, Hua Ruo burst into laughter: "Ye Chen, I didn't expect that you, a waste of all roots, have got some chance to step into such a situation! It's incredible! But even so, it can't change the fact that you are a waste. Your blood is extremely humble. If it wasn't for secret arts and conspiracy, you really think you hurt me? "

Ye Chen can't imagine that the other party actually knows himself. Is the other party from China? He raised his head difficultly, swept a glance if Huan: "who are you after all?"

Flower if laugh: "you do not know me, I can know you! Five years ago, I witnessed your feat. You participated in the battle of virtual genius in Kunlun, and you were kicked out of the arena with one foot. It was really ridiculous that you were in such a mess. "

Ye Chen hears this sentence, anger burns, the black gas of eyebrow heart some overflow.

His body is even more straight, like a proud bone pine!

I didn't expect that this person was one of them five years ago!

Hua ruohuan didn't notice Ye Chen's abnormality at all, and continued to laugh: "there is another thing I forgot to tell you. The man who kicked you off the challenge arena was from qingluan clan, and even more my younger martial brother! Ha ha

"Five years ago, you were as humble as a mole ant. A disciple of the medical school dared to compete. After five years, you fell into my hands. I will kill you easily!"

"You'll never be able to change your humble blood of rubbish!"

At the moment, Hua ruohuan's face is somewhat ferocious.

Although she is a woman, she is naturally arrogant and likes to torture this kind of trash!

In her eyes, this feeling of being in charge of everything is so wonderful!

A word, as if to uncover the dust covered scars of Ye Chen, his eyes red, as if to be possessed.

He was ferocious, and an evil force seemed to devour him.

It's the power he craves.

Flower mother-in-law felt something wrong, hastily urged: "if Huan, directly start to kill him, go to the cave is the key."

Yes, master

Hua ruohuan no longer hesitates, the spirit sword in his hand is full of momentum!

Towards Ye Chen's head!

In her eyes, kill this kind of mole ant, calculate what!

Does that humble medical God dare to find trouble with qingluan sect?

"Five years ago, you had Ji Siqing to protect you. Now Ji Siqing is not here. I see who can protect you!
Die

Seeing that a sword is about to fall on Ye Chen's neck, a breeze is rolling.

Light fragrance overflows the whole space.

A figure in the distance came quickly.

Too fast!

I can't see clearly!

The figure is ethereal and flexible, which is a unique momentum of its own.

The whole world is quiet because of that figure.

"Ding!" A peerless sword came from the sky!

When you touch Hua ruohuan's sword, countless sword shadows are formed.

Hua ruohuan's sword is broken on the spot!

Vulnerable!

At the same time, an extremely strong breath swept over.

This breath broke the authority of the flower mother-in-law!

At the same time, the body of Hua ruohuan flies out!

Incomparable strength is terrible!

"This sword..."

Hua ruohuan looks at the fine sword in front of Ye Chen's body, and her eyes shrink!

At this time, a beautiful shadow slowly fell from the sky.

This beautiful image, absolutely independent!

It's amazing.

All dressed in white, she is as beautiful as a fairy. His eyes are still like a pool of clear water. When I look at it, I have a cool temperament, which makes people feel ashamed and dare not blaspheme. That cold and arrogant smart like an iceberg.

A look can determine the life and death of others!

Qianying held the sword hanging in the air, protecting Ye Chen's body, and sweeping her cold eyes: "I want to protect him Ji Siqing. Do you have any opinions?"

This sentence, no doubt, is chilling.

Hua ruohuan stepped back several steps and couldn't react at all.

How did Ji Siqing appear here?

How can this beautiful girl of Kunlun Xu appear here!

Is it hard to understand that you have to guard this waste all your life?

By what!

The gap between the two is like a natural moat, why protect it like this!

Ye Chen also froze.

He thought about countless scenes of meeting Ji Siqing.

It could be the battle of genius, or a few months later!

But definitely not now!

Looking at the girl in front of him, he found that Ji Siqing's cultivation was much stronger than when he left five years ago.

I don't even know it!

Is this the gap.

Ji Siqing turns around and glances at Ye Chen. When he sees the wound on Ye Chen's body, his eyes obviously have a trace of anger.

In those five years, she was used to Ye Chen's existence.

They are more used to protecting this common root.

I don't know why, her blood has a strange feeling to this man.

Even her premonition can feel that this man will do something extraordinary in the future.

Sometimes she doesn't believe it herself.

This habit was broken when ye Chen left China and went to Kunlun.

She always felt something was missing and her heart was empty.

Until now, see ye Chen again.

She does not allow anyone to bully Ye Chen.

Anyone.

She turned and looked at Hua ruohuan: "you shouldn't be like this."

Language down, figure floating, Ji Siqing directly appeared in front of the flower if Huan!

"Pa!"

A slap of indifference, carrying the power of Wanjun.

Flower if Huan eyes stare big, spit out a mouthful of blood, teeth are knocked down, fly out!

Hua ruohuan has no idea that Ji Siqing dare to start in front of her master!

Why!

This slap made her internal organs vibrate!

Even more, several layers of cultivation have been wasted!

Ji Siqing, however, is like a person who has nothing to do. After all this, he quietly comes to Ye Chen with a smile:

"have you had a good year?"

Chapter 786

This smile, let Ye Chen such as Mu spring breeze.

There was even a moment when people were distracted.

And just started fan if Huan cold, completely different.

It is a sharp contrast.

Ye Chen calmed down, and his wound recovered a little bit, but the real Qi of Dantian was not much. He looked at Ji Siqing, but there was a touch of indifference in his eyes.

Once he, in the face of Ji Siqing, may have some inferiority complex.

Now, he controls the samsara cemetery, which will one day shorten the gap between the two.

It may even make Ji Siqing look up to him.

This is the reason why he is calm and calm.

Suddenly, ye Chen's eyes burst out with strong self-confidence, and said: "not bad, at least not as embarrassed as five years ago. By the way, what's your uncle's condition? Ji Lin and Lin Ruhai should be at Ji's home. "

Seeing ye Chen's confidence in his eyes, Ji Siqing's eyes slightly narrowed, some doubts and surprise.

But I didn't think much about it.

This kind of self-confidence is quite different from that of the youth five years ago.

This is a kind of freedom without fear of everything.

During this period of time, she learned something about ye Chen's return from Ji Lin's mouth. She knew that ye Chen should have got some chances, otherwise, she could not have saved Ji Lin under the array alliance genius.

She was very pleased with the change of this guy.

Perhaps this is the reason why her premonition exists.

Unfortunately, ye Chen grew up too late.

I began to practice when I was a teenager. Even now, I only stay in the transcendental realm.

Others have practiced for decades, but he has only five or six years.

The time gap is a hard injury.

Ye Chen's transcendence is just ordinary in Kunlun, but it's much worse than that of those masters.

Generally not.

Not to mention Hua ruohuan, a strong person of this level.

Naturally, she knew Hua ruohuan and knew that the other party was from qingluan sect.

But how can that, let her not like, she will still do it.

Just because the clan behind her is far stronger than qingluan clan!

When ye Chen and Ji Siqing look at each other in their eyes, Hua ruohuan gets up and the blood in the corner of his mouth is flowing continuously.

It's a mess.

Her face swelled and her beautiful facial features were even deformed.

She came to the flower mother-in-law's side, tears whirling, word by word: "master, you must make decisions for me!"

Although mother-in-law Hua knows Ji Siqing's special identity, she can't sit back and ignore her disciples' humiliation.

The crutches in her hand gently knocked on the ground, then looked at Ji Siqing, and said, "Ji Siqing, you are my apprentice in the face, isn't it too much! Or you don't pay attention to qingluan clan! "

Ji Siqing heard the voice, turned around, smile no longer.

The chill spread out.

"After? Oh, I'm sorry, but I didn't feel it. "

"It's you, Granny Hua. You're also the elder of qingluan sect. You are powerful. You and your disciples are making trouble for an extraordinary young man. If you don't feel ashamed, I'll be ashamed of you!"

"It's hard to say. You two have lost the face of qingluan clan."

The cold voice resounds!

Mother in law Hua and Hua ruohuan have no idea that Ji Siqing dare to speak like this!

No face at all.

It's a blatant insult!

Granny Hua's face was very ugly, and her killing intention was released: "Ji Siqing! bold! You don't think you are the beautiful girl of Kunlun Xutian, I dare not move you! There is no outsider here. If I kill you, who can know. "

Threat!

The threat of the strong!

Ye Chen naturally feels the killing intention of mother-in-law Hua, and is full of anger. The evil things in his eyebrows are more and more abnormal.

If Ji Siqing didn't show up just now, he might be possessed.

At that time, the dead may be the mother-in-law and Hua ruohuan.

Ji Siqing seems to have saved himself, but in fact he has saved these two people!

At the moment, Ji Siqing turned a deaf ear to the threat of mother-in-law Hua. The thin sword in his hand pointed directly at granny Hua and said faintly, "Granny Hua, are you sure you can kill me? Although you are more powerful than me, don't forget that my master's blood essence can be found in my eyebrows. "

"If I sacrifice this drop of blood essence, do you think you can still stand well?"

"In my eyes, if I want to kill you, how about the master of qingluan clan here?"

"It's a pity that Ji Siqing doesn't look up to you, and I don't want to use the power of my master to kill you!"

Cheap life! Disdain! These two words were spit out at will by Ji Siqing.

Touched the bottom line!

Hua ruohuan is very angry!

She knows Ji Siqing is strong, but she doesn't know how crazy he is! She spat out a mouthful of blood and said in a cold voice, "Ji Siqing, you really think you can control everything!"

"Otherwise." Ji Si is light and light.

"Master, do you really want to see it? Ji Siqing insults us so much! "

Hua Ruo is glad to see her mother-in-law for a long time, even busy way.

But at the moment, the flower mother-in-law is tightly staring at Ji Siqing's eyebrows, a touch of fear spread.

Ji Siqing is deeply loved by that master. It's very possible that the teacher will give her a drop of blood essence!

If Ji Siqing does, they will die!

"Let's go!"

Granny Hua decided her mind.

Hua ruohuan opened her eyes and just wanted to say something, but found that the master glared at her fiercely.

"Don't talk nonsense, listen to the teacher!"

Hua ruohuan stomped her feet and left sullen.

Today's insult is destined to be her shadow.

Ji Siqing saw the two men leave, but did not stop him.

If the real strength, she is not the flower mother-in-law's opponent, forced back these two people, this is the best choice.

When they left more than ten meters, a cold voice sounded from behind Ji Siqing: "did I let you go?"

Ji Siqing is stunned and turns around in surprise. However, he finds that ye Chen's red and bloodthirsty eyes are staring at the two people who leave.

Granny Hua and Hua ruohuan stop.

"Boy, don't think Ji Siqing is behind you, I dare not move you!"

The flower mother-in-law says coldly.

She guessed that ye Chen was just a hubris.

I don't know what to do!

Without Ji Siqing, he might have died long ago!

Ji Siqing looked at Ye Chen and said, "Ye Chen, don't make trouble."

Ye Chen smiles and passes Ji Siqing. After a few steps, he stops: "today's business is not over. If I guess correctly, you should participate in the Kunlun virtual genius ratio."

Mother in law Hua doesn't know ye Chen's intention, but she still says, "I'm destined to win the first three places. Stinky boy, what do you mean! Do you want to challenge us

Ye Chen smiles and pinches the formula with his fingers. A rune condenses and becomes!

When the rune was suspended in the air, ye Chen forced a drop of blood essence and shot it on the rune: "since you want to participate, you can swear with my blood essence. In the battle of genius, another arena will be set up, the battle of life and death will solve the gratitude and resentment between you and me!"

Ji Si, with a beautiful eyebrow, said to Ye Chen, "Ye Chen, are you sure? That Hua ruohuan is higher than you. "

Ye Chen gives Ji Siqing a confident look, and Ji Siqing stops talking.

Hua ruohuan hears Ye Chen's ridiculous and suicidal request, she laughs!

If the battle of life and death, in full view of the public, Ji Siqing can not stop it!

At that time, she can torture Ye Chen as much as she wants!

She stepped out and said, "Ye Chen, since you want to die, I have accepted this battle!"

After that, Hua ruohuan is ready to force blood essence on the rune.

At this time, ye Chen was unexpectedly stopped by all people: "wait a minute!"

Flower if Huan eyebrows a frown: "Ye Chen, do you want to regret?"

Ye Chen shook his head, stretched out a finger, suddenly pointed to the flower mother-in-law!

A cold word, like nine days of Xuan Lei, exploded in people's minds: "sorry, I want to challenge not you, but the old woman behind you!"

Chapter 787

At this moment, all of us can't wait for God.

It was quiet to the extreme.

Even Ji Siqing's mouth is slightly open, and his beautiful eyes without a trace of emotion are full of confusion and surprise.

She did not believe that this sentence was said from ye Chen's mouth.

Challenge granny Hua?

What kind of strength does granny Hua have? Even she has to be afraid. Otherwise, she can't let them go.

But now ye Chen does not know how to challenge each other?

Isn't this the end of your future?

At that critical time, it was impossible for her to help.

She wants to see through Ye Chen, but she finds that ye Chen doesn't look like a joke.

On the contrary, they are extremely serious.

"Ye Chen, mother-in-law Hua's strength, may be able to kill you with one finger. Take back the words. With me, they dare not investigate."

"If you challenge Hua ruohuan, I may agree with you."

Ji Siqing thought for a few seconds, but still advised.

Ye Chen shakes his head, his eyes are firm and incomparable, he stares at the flower mother-in-law, continues: "old woman, are you willing to accept the challenge? If I'm afraid, when I don't say it

Although he wants to leave them now, he knows that he has damaged too much because of repairing Duan Huai'an Dantian.

Only return to the peak state, the silver needle should cool down.

If we can get all the inheritance of Lin Qingxuan, master the road of medical God, break through the shackles of realm, and want to kill mother-in-law Hua, it is not too difficult.

At the moment, Hua ruohuan feels that he has been insulted inexplicably!

Isn't this little beast supposed to challenge her? Challenge the master instead?

This is to look down on her!

Did the boy forget the scene when he was kicked off the challenge arena by the disciples of qingluan sect?

She stepped out and said to granny Hua, "master, this little beast is beyond his capacity. Give it to me!"

Later, he turned to Ye Chen and said, "Ye Chen, five years ago, my disciples of qingluan sect could humiliate you in front of all the people. After five years, I could still be happy with flowers! Don't think you can challenge my master by stepping into the extraordinary realm. In my eyes, you are a mole ant. I will let you kill you with one hand! If you have the ability, challenge me! "

Ye Chen replied: "you are not worthy to start with me, but if you show up that day, I will personally send you on the road."

"You

Flower if Huan eyes stare big, Ji Siqing insult her, she recognized! Because the other party has this qualification!

But she did not think that the trash would dare to speak out!

Not worthy?

Ridiculous!

When she was about to speak, her mother-in-law behind her said, "well, since you insist on this, I will help you, but I don't want to get the reputation of bullying the small. That day, I only gave three moves. If you can stand within the three moves, it means I lose."

Words fall, flower mother-in-law shoots out a drop of blood essence!

Blood essence falls on the rune and the rune burns completely!

From then on, once one party disobeyed, his heart would be damaged, and he would never be able to take another step in the cultivation realm.

In the view of mother-in-law Hua, ye Chen is just a young man who doesn't know whether to die or not.

If you want to kill him, one move is enough.

However, in order to prevent the occurrence of accidents, she said three measures.

"Ruohuan, let's go."

The flower mother-in-law goes in one direction.

"Master, how can you promise him? What is your status? Elder of qingluan sect? He is a waste of extraordinary realm. What qualification can you challenge?"

Hua ruohuan is obviously a little excited. She doesn't understand why the master should agree to Ye Chen's challenge!

"Since you have decided to be a teacher, you don't need to talk nonsense. If I hear you say one more word, I will drive you out of qingluan sect."

The flower mother-in-law says coldly.

Hearing this sentence, Hua ruohuan no longer talks, fiercely sweeps a leaf Chen, followed up directly!

Anyway, this trash is dead!

But master hands, let him die more valuable!

When they left, Ji Siqing sighed: "Ye Chen, why do you need it?"

It's a foregone conclusion, and she can't stop it.

She was a little disappointed with Ye Chen.

Even a little angry!

Although Ye Chen gave her a little surprise, but the mood is still so, paranoid, arrogant.

Strength is not equal to his arrogance, such a person, she saved once, but can not save the second time.

"It's too short for you to enter the cultivation world. You don't know a lot of things. Even if you grow up fast, don't forget what strength you have now. The gap between you and granny Hua is too big. You will lose this battle. "

"You are an adult. Adults have the right to make their own decisions. I can't help you. You have to bear the consequences. "This is the most spoken time of Ji Siqing.

Mourn for his misfortune, and be angry.

Ye Chen naturally understood the meaning of Ji Siqing's words, which would be the case for anyone.

He was just about to explain something when a girl in the distance came in a hurry.

"Sister Siqing, I finally found you. You run too fast! I asked a few people just now, and I can roughly find out the whereabouts of the man! It's very likely to be in the land of killing! "

It's Ji ho who's coming!

Ji he saw Ji Siqing and ye Chen and others, slightly stunned, I don't know why, her eyes subconsciously fell on Ye Chen.

For a moment, she felt that the temperament of this man was very similar to ye Shitian in Yibao Pavilion!

But the change of thought is a reaction, this man is Ji Siqing has been protecting Ye Chen.

I didn't expect to see it here.

Jisi counted and nodded: "in this case, let's go to the killing place. Anyway, the vision has disappeared. I'm afraid those powers have left."

"OK, sister Siqing, let's go"

they don't pay attention to Ye Chen, and immediately they go in the opposite direction.

Ji Siqing took a few steps and thought of something. He stopped and took out a jade pendant from his waist! Shoot to think of Ye Chen directly!

Ye Chen holds the jade pendant in his hand.

At the same time, a calm voice sounded: "Ye Chen, you don't have much time. This jade pendant contains rich aura and chance. You can try to practice it in the past few days. Maybe you can bear the three moves of Granny Hua. Do what you want

Although the voice was cold, all the people present could feel a trace of concern.

Ji He looked at the jade pendant, but his eyes widened. The jade pendant is the intimate thing of Siqing sister!

Accompany Siqing sister to practice for many years!

The key is that the master gave her this jade!

But sister Siqing gave such an important thing to Ye Chen?

Just as she was about to say something, Ji Siqing glanced at Ji He and said, "we don't have much time left. Go quickly!"

"Yes, sister Siqing..."

Ye Chen looks at Ji Siqing and shakes his head helplessly.

Chapter 788

Ji Siqing has always been like an iceberg, which makes people dare not get close to it.

It's cold on the surface, but it's kind.

He took a look at the jade pendant in his hand, and with a gentle grip, he felt the endless aura pouring into the elixir field.

Almost compared to a small dragon vein!

"This is..."

Ye Chen thought it was a general spirit stone, but he didn't think it was so precious!

"Disciple, this stone is named jiuxuan stone. Looking at Kunlun void, it is also valuable. In ancient times, as far as I know, there are only ten stones. Unfortunately, your jiuxuan stone is incomplete. If it is complete, it may lead to several tombstones in the samsara cemetery."

Lin Qingxuan's voice suddenly came.

Ye Chen was stunned and said curiously, "master, do you mean that the nine Xuan stone can trigger the great power of the reincarnation cemetery?"

Lin Qingxuan nodded: "yes, that woman is willing. Generally, this kind of treasure can't be easily given to others. As for arousing power, the damaged jiuxuan stone in your hand should be able to arouse a not too strong ancient great power!"

Not too strong?

Ye Chen didn't care too much about these four words!

It may not be strong for Lin Qingxuan, but for many practitioners and sects of Kunlun void, it is definitely fear!

No longer hesitating, ye Chen will Ji Siqing to the things.

More is to take out some medicinal materials, thoroughly crushed, and then came to the king of the black tiger, the medicinal materials on the black tiger wound above.

"Xiao Hei, please bear with it. It may hurt a lot."

The king of the black tiger nodded and let out a gentle roar.

When the medicine touched the moment, the king of the black tiger was ferocious and his body was shaking!

Fortunately, ye Chen's action is also very fast, and soon will be small black wound coated with medicinal materials.

At the same time, take out a bottle of pills, a brain to small black feed down.

This is the pill taken by practitioners. It needs a larger dose to act on the fierce beast.

This bottle should make Xiaohei recover a little bit.

Strong breath rippling, small black quietly came to the corner, body smashed to the mountain, should be in the release of the body's drug effect.

Finish all this, ye Chen gave two sisters treatment again.

It should be OK.

What we need to do now is to wait for the master to swallow up the pill completely and recover the strength.

I just don't know how long.

Suddenly, a vision came from the cave!

A strong breath of breakthrough directly formed!

At the same time, the dark clouds rolled over the cave, and the terrible thunder fell down!

Ye Chen Mou son shrinks, the surprise arrived acme!

As long as the master can bear these thunder robberies, he will be able to recover to his former peak!

However, the thunder robbery was extremely frightening, and there was a sense of depression in the air!

Can master really bear it?

Ye Chen is worried.

"Boom!"

Almost ten thousand thunder and lightning penetrated the mountain and went towards the cave.

The ferocious beasts of ten miles around are also rampant.

The king of the black tiger is also obviously afraid, hurriedly came to Ye Chen's side, huge body tightly next to.

Wen's sister flower is also subconsciously close to Ye Chen.

For them, being close to Ye Chen means safety.

At the moment, Ji Siqing and Ji He, who came to the killing place, obviously noticed the vision of the rear.

Ji Siqing frowned: "this breakthrough breath, at least in the virtual kingdom! Is it granny Hua

"Forget it, I have nothing to do with other people's breakthrough. I must find Ye Jingtian immediately."

When they enter the gate, they find that there is no one guarding the gate of the city of killing!

It was like a dead city.

Ji Siqing's expression became more and more suspicious: "I heard that the killing place is under the control of the slayer. Why does it look like an abandoned city to me?"

"Ji He, are you sure ye Shitian is here?"

Ji He nodded: "I met a man who just came out of the killing place before. The man said that ye Shitian returned to the killing place in front of the murderer. He made the killing place restless and angry, and ordered the whole city to search!"

Ji Siqing some doubts, but still said: "no matter how, first ask a few people, this dead city is not so simple."

At this time, a man with a beard on his back rushed to the outside, passing by Ji Siqing and others.

"Stop!"

The bearded man was stunned and stopped. In a moment, he found a sword pointing at his back.

At the same time, an invisible pressure fell on him.

He even busy way: "two I but with you have no injustice, do not need to be like this."

"Where is ye Shitian?" Ji Si said coldly.

People in the killing place are not good people. Besides, this man is so bloody that he must have killed many people. Such people, Ji Siqing will not have the slightest pity.

The man with whiskers trembled a little when he heard ye Shitian. Then he said, "two aunts, how can I know where ye Shitian is! However, ye Shitian couldn't be found in the whole city yesterday. Not long ago, the murderer left with everyone in a hurry. If I didn't guess wrong, I would go after ye Shitian! "

Ji Siqing's eyes are slightly narrowed. Naturally, the other party can't lie.

Ji he suddenly thought of something and asked: "according to his opinion, ye Shitian should be outside. Sister Siqing, do you think that the breath of breakthrough just now is ye Shitian. Is it possible for ye Shitian to step into the realm of virtual King..."

Hear this sentence, Ji Siqing suddenly a few minutes! According to ye Shitian's strength, it is possible!

If so, it may be dangerous to kill the sky!

"Let's go!! To the direction of the thunder robbery

The two figures disappeared in an instant.

.....

At the moment, ye Chen at the entrance of the mountain is serious.

His psychic sense felt the darkness around him.

Someone's coming.

If he's right, it's the guys in the killing place.

First, the blue light column, then the breakthrough of the vision, if this group of people no longer notice here, it will be ridiculous.

He wanted to leave, but unfortunately, there was no chance.

Master is not over yet.

Once disturbed, it will definitely be backfired!

All the previous achievements of cultivation are wasted! Even life-threatening!

Fortunately, Ji Siqing has left, otherwise this matter may also drag her down.

What did ye Chen think of, he looked at Wen Shishi and Wen Tingting and said directly, "the situation has changed. You should leave immediately. Xiao Hei will take you out of here and maybe meet your father

Wen Shishi saw Ye Chen want to drive them away. Naturally, she knew what was going on. She shook her head: "Mr. Ye, I won't go! Anyway, I am willing to die with Mr. Ye! "

Ye Chen laughed: "have you this sentence is enough, but you think too much, I am not so easy to die, but your existence will certainly affect my play, and even let those guys threaten me, just that old woman is the best example."

Chapter 789

"Hei, take them away!"

Under the orders of Ye Chen, Xiao Hei rushes over in an instant and lies on her stomach, apparently letting the two sisters come up.

Of course, it wants to help Ye Chen, but also knows that it is useless to stay in its current state, which will drag down the master.

Wen Shishi also hesitated, just wanted to say something, Wen Tingting hit a knife on Wen's neck, the latter instantly fainted.

Wentingting put her sister on Xiao Hei's body, and then climbed up!

She is more sober than anyone else. Her sister's character is too simple. But at present, it is the most important not to give Mr. Ye any trouble about life and death.

"Mr. Ye, our two sisters will thank you all our lives for our love these days. When we see our father and settle down, we will come to see Mr. Ye again!"

Ye Chen nodded and took a look at Xiaohei. Xiaohei understood that the huge body moved up and turned into a gust of wind and left in a direction.

At this time, only Ye Chen is left to guard the cave.

With a cold smile, he took out ye Shitian's mask from the samsara cemetery.

The sword is inserted in front of the body to kill the sky.

At the same time, the blood dragon of the body gushed out and coiled around the body.

It's very deterrent.

What he has to do is to delay time. Once the master Duan Huai'an recovers to the peak, it is absolutely not a problem for them to fight their way out!

Not only that, he took a chair from the samsara cemetery and sat down directly.

Light a cigarette and wait slowly.

It's very leisurely.

Naturally, he is not afraid. If he is really defeated, he will use the jixuan stone given to him by Ji Siqing just now to arouse a great power!

More than ten seconds later, the army came down.

A dense crowd appeared.

The breath is extremely terrible, and the blood light is spreading on everyone's body.

The first two are the two one eyed Dharma protectors around the slayer!

When all the people at the scene saw ye Shitian, her eyes shrank and her feet stopped together!

Don't dare to get closer!

After all, ye Shitian's nightmare still exists in everyone's heart!

What's more important is that ye Shitian is sitting like this at the moment, and he is still smoking calmly!

It's like being fearless!

After more than ten seconds of silence, one of the one eyed Dharma protectors stepped out and said in a cold voice, "ye Shitian, the slayer will arrive soon! I advise you to stop at once

Originally, the slayer came with them, but not long ago, the slayer suddenly felt the strong breath nearby!

The murderer suspected it was Ye Jingtian, so he took people after him.

The strong breath is naturally the flower mother-in-law of qingluan clan.

And they surrounded the land of thunder robbery!

Never let go of any possibility!

One of the Dharma protectors used the secret method to inform the slayer. It is estimated that the slayer will come in person before long!

"Ye Shitian, who is the breakthrough in the cave?"

One eye Dharma protector cold voice.

It's a breakthrough, absolutely terrifying!

What he originally broke through was Ye Jingtian, but he didn't expect another person!

He will not associate with Duan Huaian!

After all, Duan Huai'an is a man without elixir field. How can he trigger thunder robbery!

Ye Chen cocked his legs, put out the smoke in his hands, and stood up.

Only this one stop, let everyone back several steps!

Even the one eye Dharma protector's hand trembled and was afraid.

Ye Chen is to this effect, he laughed: "you are so afraid of what I do, I am not what heinous people."

Hearing this, everyone can't help but spit out a mouthful of old blood!

If you don't commit heinous crimes, I'm afraid the whole Kunlun Xu is a good person.

Can I have a face!

But this sentence, they only dare to think in their hearts, naturally can not say it!

"Ye Shitian, I advise you to be captured. No matter how strong you are, it is not easy to break through the most powerful attack of hundreds of strong men!"

"And the killing master's strength is enormous. Once it appears, he is absolutely qualified to crush you!"

Ye Chen opens his five fingers and asks the sky sword to be held by him directly. The blood dragon of his body is flying to the sky!

The sound of dragon chant brings a few awe!

The two one eyed Dharma protectors and the public stepped back again!

No one dares to get close!

This is the deterrent of Ye Shitian!

"Let's start together and surround ye Shitian! Take ye to kill heaven before the arrival of the slayer, and you will have a chance to kill heaven! "

One of them is one eyed Dharma protector!

But of course, no one moved!

One eye Dharma protector saw that his words were useless, and he could not hold his face! Draw out a sword, directly cut in the side of several strong. Instant into blood fog!

"If anyone doesn't move, he has to die! Ye Jingtian is only one person. We have hundreds of strong people. What should we be afraid of! Do it

Perhaps because of the sudden attack of Dharma protectors, those people still slowly moved towards Ye Chen.

Ye Chen Mou son tiny MI, cold hum a: "who dares to move a step again, chop!"

"Ten thousand swords belong to the clan!"

With Ye Chen's roar, the nine days in his body suddenly burst open. Ye Chen only feels that the whole body's true Qi is no longer under control, like a runaway wild horse galloping out.

Just for a moment, ye Chen seems to turn into a devil.

Cut it out with one sword!

Wanjian Guizong cooperates with chopping dragon to ask sky sword, which is enough to frighten people!

The fire in the center of eyebrow is completely released!

The air waves rolled, the roar exploded, and the fire swept the whole world in an instant.

Wow

In the heat wave tumbling, under the roar, more than ten people near Ye Chen were engulfed on the spot!

Among the sword spirit and the fire, there are painful groans!

Such a strike, almost consumed all the strength Ye Chen can exert!

Because he felt that master's breakthrough was coming to an end!

As long as these people are held back, it is an opportunity!

This time, no one dares to move!

Two one eyed Dharma protectors looked at each other, and they felt a trace of Ye Chen's weakness.

No longer hesitating, the body into the shadow, swept away.

Two icy murders wrapped Ye Chen in an instant!

"Ye Shitian, I want to see what means you have

Ye Chen Mou son tiny MI, feel the crisis, swallow the next bottle of Ju Qi Dan, cut the Dragon asked Sky Sword fierce shot out!

The power of terror is rampant!

Chapter 790

"Kill!"

With a long cry, ye Chen's body suddenly disappeared in place.

Boom

The powerful air waves rolled.

Nine days inside the body xuanyang Jue operation, Dan field energy such as volcanic eruption, ye Chen instant, momentum soared to a shocking point.

Ye Chen's potential is like lightning.

"Death, broken sword!"

At the moment of Ye Chen's peak sweeping down, the one eyed dharmapala's wrist trembled and the sword went to the sky!

Hum

A flash of blue light burst into the sky.

Ding

Before ye Chen's peak falls, the sword edge of one eye Dharma protector resists Ye Chen's swift and violent attack!

Boom

The impact was deafening.

A real wave of air swept out in all directions.

With Ye Chen and one eye Dharma protector as the heart, within a radius of more than ten meters, the mountains and rivers are changing color, the grass and trees are flying, and the sword spirit is vertical and horizontal!

"Get out of here!"

The two swords froze for a moment, and the one eyed Dharma protector suddenly yelled!

There's another burst of energy in the body.

Push the pedal

Under this energy shock, ye Chen and one eye Dharma protector retreat backward at the same time.

"It's really strong!"

Fully withdraw six or seven steps, stabilize the body shape, ye Chen pupil faint contraction.

The power of the blood dragon and the strike of the sword of cutting the dragon are blocked by Shengsheng.

Only with this move, you can see the extraordinary one eye Dharma protector.

Key two people's realm gap is too big! Plus your own injury!

"Ye Shitian, I wonder why your strength is always high or low? Is it possible that you have some secret skill in you? "

"With your present strength, I seem to be able to kill you easily. The gap is like the moon and the sand! "

One eye Dharma protector cold voice.

"You want to kill me? Not enough! Between you and me, the gap is like bright moon and yellow sand? I'd like to see how wide that natural moat is! Today, I will step over that natural moat and cut you down to earth! "

Take a deep breath, ye Chen looks serious.

The cold light in his eyes flashed, he exclaimed.

A drop of blood essence forced out of the breath in an instant!

The body overflows with countless thunder and lightning, and a sword cuts out. The blood dragon is also integrated into the sword's mind and flows out directly, as if it can devour everything.

The one eyed Dharma protector did not dare to be careless. He pinched the formula with his fingers and used a secret method!

The sword in his hand broke away from his arm and went to Ye Chen in an instant!

Two swords collide! The sound of ground shaking resounds!

Ye Chen is obviously invincible!

The hand that clenched the dragon and asked the sky sword was shaking. Once he let go, the consequences would be unimaginable!

All of a sudden, ye Chen found a violent killing opportunity swept by behind him!

Too fast!

Another Dharma protector!

Not only that, but also the hundreds of strong men felt ye Shitian's fatigue and knew that this was their best chance to kill ye Shitian!

Everybody's moving!

Ye Chen at the moment, the strength of one person to face hundreds of strong!

Any one is above the Holy Land!

How to fight!

Ye Chen Mou son is full of madness, break nine Xuan stone directly!

The reincarnation graveyard suddenly vibrated.

At the same time, he found that the thunder robbery on the sky had disappeared!

The mountain behind me seems to collapse!

Master Duan Huai'an is out!

Seeing that everyone was about to get close, countless swords were like beasts swallowing Ye Chen, and the cave exploded in an instant!

In the dead and dreary atmosphere, bursts of crazy roar continued to bloom.

A whirlwind, as if connected to heaven and earth, such as the devil roar.

All of a sudden, a layer of air waves like substance erupted from the inside out, like volcanic eruption! This burst of energy, directly let the faltering mountain collapse.

In that terrible whirlwind, the rays of light flowed around and finally turned into particles and disappeared between heaven and earth.

"Poo Hoo..."

Faintly, I saw a figure in the whirlwind, with a mouthful of blood gushing from the mouth, which was directly shaken out by the air wave.

It is a one eyed Dharma protector who wants to plot against Ye Chen!

Looking at the figure that flies upside down and comes out, the Dharma protector who is in a stalemate with Ye Chen changes his concentration.

How could it be!

How could there be such a strong man!

Is this the virtual kingdom?

There is really someone behind ye Shitian!

When he was puzzled, a hearty laugh suddenly resounded: "disciple, next, give it to the master!"

"It's just that I'm back to my peak. I haven't stepped into martial arts for a long time. I should kill some people to try. Otherwise, I'm afraid the whole Kunlun void will forget the awe I Duan Huai'an used to do on martial arts!"It's Duan Huaian!

Duan Huaian glanced at all the people with his cold eyes. His breath was floating, just like the immortal statue coming into the world!

The Dharma protector who is in a deadlock with Ye Chen is stunned!

The expression is even more frightening!

And the hundreds of strong people behind him are still!

That unbeatable strong man who suffered thunder robbery can be anyone, but it should not be Duan Huai'an!

Isn't this guy's Dantian abandoned?

If you have such strength, how can you be so manipulated by Hong Tao?

At this time, Duan Huaian has come to Ye Chen's side.

Ye Chen naturally understood that the strength was released, and the Dharma protector was shaken back, and his body steadily fell on the ground.

He has done what he can, and has won enough time for the master!

Although I don't know what the master has recovered to now, from the breath just now, everything in front of me is enough to frighten!

Don't even face it!

The Dharma protector finally responded, and even said, "let's start together. Kill Duan Huai'an first, and then kill Ye Tian!"

The words have not finished, a figure, suddenly shot out.

It's so fast, it's hard to see!

With the appearance of Duan Huai'an, a powerful momentum erupted!

then, a dazzling golden light burst out, and the palm print condensed from a symbol in the void suddenly exploded.

Seeing this scene, the Dharma protector was a little frightened, but he didn't care about everything, so he went towards the palm print with his sword!

A fight!

It was just a fight. The seemingly invincible Dharma protector was blown out directly, and one arm was completely exploded.

Then, the powerful air waves rolled, and the strong people close to the Dharma protector flew out in unison!

This is the posture of the strong!

Duan Huai'an, who was strong in martial arts several decades ago, is back!

Until the body hit the ground heavily, the Dharma protector didn't react!

He had no idea that Duan Huaian was like a changed person!

The pain of arm tear, let him more and more sober!

Then combined with everything in front of him, suddenly suddenly, he exclaimed: "you You've got your strength back

Duan Huaian sneered: "yes, but you know it's too late!"

Words fall, Duan Huaian's momentum suddenly soared.

Terror to the extreme!

Hum

The whole body's true Qi erupts, and the whole body's genuine Qi pours into the long sword in the hand. The sword body vibrates and the sword sounds harsh.

"Today I'll show you what Duan Huai'an is!"

However, between the electric light and flint, the sword edge swung across the heaven and earth, and with the endless flame turned into a giant beast, it thundered down fiercely!
