

Physician 791

Chapter 791

Hum

Everything creeps and the world changes color.

A powerful sword burst out, and the sword spirit was vertical and horizontal.

"This What a powerful sword

"This section of Huai'an is so terrible

Feeling the sword spirit, many people widened their eyes.

Some even started running around!

The Dharma protector felt something was wrong. He clapped his palm on the ground and was ready to leave with the secret method!

"If you want to go, have you asked me?"

"Die!"

Duan Huaian cried out.

Push the pedal

At the foot of the wind, Duan Huaian turned into a strong wind and fell from the sky.

"A hundred swords shake mountains and rivers!"

A long cry!

Tear and pull

The terror of the sword spread, and the powerful sword spread.

A burst of dull tearing sound came, this piece of heaven and earth, as if torn completely.

The blade is visible to the naked eye. The air is twisted and broken.

With the powerful sword power as the support, Duan Huai'an's sword technique now has the momentum of avoiding gods and ghosts!

"Be careful! This sword is very strong

"Everybody back off!"

"Stop it!"

Duan Huaian ran over the crowd with the momentum of thunder, giving them no chance to breathe.

Looking at such a scene, the people in the killing land suddenly got anxious.

Bursts of startling voices come and go!

Boom

Anyway, they have no right to resist at all!

A burst of roar burst open, the air waves roll, the sky sword!

Hum

However, in the midst of a burst of wailing, the Dharma protector who was ready to escape turned into a blood mist on the spot!

"Crash!"

The sword idea is towering. Duan Huai'an's old body is like carrying stars, crushing everything in the world! Duan Huaian at the moment, such as gods and Demons coming! People, completely suppressed!

One second!

Ten seconds!

Twenty seconds!

The world fell into silence and panic.

The thick bloody gas is constantly overflowing.

Duan Huaian's body fell down steadily, and his eyes were extremely cold.

And everything around him, hundreds of people all fell down!

The land under your feet is like a river of blood, shocking!

Who could have thought that the leader of the medical God sect who had been abandoned in the elixir field should have such power to crush everything!

After a few gasps, Duan Huai'an smiles.

Although the door of medical God is to serve the world, it does not mean that it can only be bullied!

Some people, can't stay, should kill!

He challenged good breath and looked at Ye Chen not far away: "disciple, how are you?"

Ye Chen is completely stunned!

From the mouth of the ancestor of qingxuanfeng, he knew that Duan Huai'an, the master of Kunlun, was extremely strong in martial arts.

If the elixir field is not abolished, I'm afraid it will be one of the top strong in Kunlun!

The door of medical God will not decline!

But he was completely shocked by the picture!

Is this the old man he knows?

That's too damn scary.

He believed in the bloodthirsty Lord!

Looking at the sea of blood around him, ye Chen swallowed his throat and answered, "master, what state are you in the end now?"

Duan Huai'an wiped the blood on the sword and said with pride: "apprentice, my teacher's present state is probably above the virtual King's realm, but the realm and the sword's meaning are not stable, and the body is not quite adapted to the several blows just performed."

"Although I have stepped into the realm of virtual king, my realm and strength are nothing in the eyes of some people in Kunlun. If we face the slayer and other strong people, we can only do not feel embarrassed, but it is not so easy to kill."

"I can feel a strong sense of killing now. If I guess correctly, one of them is the murderer"

"to be on the safe side, let's go back to qingxuanfeng first. I'll stay there with one thing. With that kind of thing, I can at least make my realm reach a higher level!"

"In recent years, because I can't use the elixir field and set foot in the martial arts, I've studied some things. If you give me time, what's the Xuwang realm? I can cross the Daoyuan realm! At that time, I will bring you back and wipe out the roots! "

Ye Chen Mou son is dignified, nod a head: "good!"

Then, the two people are in a direction quickly swept away.

Waiting for two people to leave for a minute, more than a dozen figures fell instantly.

One of the middle-aged men is the murderer.

Kill the Lord and behind the strong fall together, when see the picture of a river of blood, eyes shrink.

It's even unbelievable!

"Kill the Lord, this Our people are dead! Is ye zhinai going to be at odds with usAn old man said coldly.

The eyes of the murderer were slightly narrowed and his eyes were more serious than ever before.

He was furious, but so what!

He closed his eyes and felt everything around him. Suddenly, his eyes opened!

The violent breath spreads from the sole of the foot!

The ground is shaking!

"Not ye Shitian! It's someone else! And this person's strength is very strong! It is likely to be better than ye Xiaotian

Hearing this, the old man was stunned and his eyes widened: "is the rumor true? Is Ye Jingtian from a hermit family? Is it the man behind him

"Kill the Lord, shall we send someone to chase him?"

Kill the main fist clenched, dignified to the extreme!

"You don't have to chase. We don't know how many of them are. Even if we chase them, more people will fall down! At present, the most important thing is to find out the real origin of Ye Shitian! "

"The biggest breakthrough is that period of Huai'an. Ye Shitian rescued Duan Huai'an. Maybe it has something to do with the medical God gate, otherwise everything will not make sense."

"Zhou Yan, you send someone to daocong. It is said that daocong has been chasing after the medical God gate and ye Shitian. What we need now is allies."

The old man's expression was strange. After all, the murderer never looked for allies.

But this time it was for ye Shitian's matter to compromise?

"Yes, kill the Lord! I'm going to daocong now

What did the slayer think of, he changed his mouth and said, "forget it, this time, all the foundations I have built for many years have been destroyed, and there is no need to keep the killing land. I will go to daocong in person."

"Then these bodies..."

"A bunch of rubbish, dead! Go

The murderer's face is full of ferocity. He has never been so embarrassed by a person.

No matter what the price, he will take ye's life!

Soon, the crowd left, and the sea of blood returned to calm.

It's shocking.

Chapter 792

After killing the Lord and others disappeared, two beautiful images appeared quietly.

It was Ji Siqing and Ji He who came here.

Ji Siqing's face changed greatly when he saw this sea of blood! The body is a little shaking!

Because this is where she saw Ye Chen just now.

Such a sea of blood, without a trace of life, there is no possibility of life, is that guy also unfortunately hiding in the sea of blood?

It's not long after she left. Why did it happen?

Did ye Chen offend others?

Did granny Hua change her mind?

Or kill the owner?

"Sister Siqing, can the boy..."

"No!"

Ji Siqing suddenly cut off the railway.

Although what happened now is very bad for ye Chen, but in her eyes, ye Chen is not so easy to die.

Even if there was a very strong war here, ye Chen may not fall.

Her fingers pinched Jue, forcing out a drop of blood essence, blood essence suspended in the eyebrow, like a plum blossom in full bloom.

Suddenly, a vague picture appeared in my mind.

I can't see the possibility. After all, the strength of the strong people here is above her.

But one thing can be sure, ye Chen is not a big problem.

The stone in Ji Siqing's heart fell completely, but he didn't know who was the one who made the move.

Why did this person help Ye Chen?

Why kill all these people?

Is it this man who inspired the thunder robbery?

Ye Shitian?

No, although the picture is fuzzy, it seems that the hand is an old man.

It is said that ye Shitian's root bone is almost the same as her. Naturally, she can't be an old man.

It is estimated that the change of Ye Chen's strength should be related to the mysterious old man.

It seems that everything can only wait to see ye Chen.

The next time they meet, it won't be too long. After all, ye Chen has an agreement with her mother-in-law.

Ye Chen will definitely participate in the battle of Kunlun Xuna sect's genius.

This day is not many days from today.

She is a little curious. Where is the source of Ye Chen's confidence in granny Hua?

A man who is clearly superior to others, but has no fear of being strong enough to be several of his own great realms is either a madman or a genius!

He hopes Ye Chen is the latter.

I hope this guy can surprise himself in a few days.

No longer think about it, she looked at Ji He and said, "go back to Ji's home."

Ji he was stunned and opened his eyes curiously and said, "sister Siqing, are we not looking for ye Shitian?"

Ji Siqing shook his head: "Ye Jingtian can't be here. We're wasting time looking for it. It's better to prepare for that in a few days. It seems that I'm destined to have nothing to do with that leaf killing heaven. "

Ji He nodded and thought of something. He joked, "sister Siqing, that ye Shitian is about the same age as us. Do you think he will take part in the competition for a few days?"

Ji Siqing slightly narrowed his eyes and said, "I would like him to participate, but on the surface of all kinds of signs, this person doesn't like to expose his identity. It should be impossible to show people with a mask. If he does, I'd like to stay with him to the end. "

.....

Half a day later.

Ye Chen and Duan Huaian return to qingxuanfeng.

The ancestor of qingxuanfeng was the first to welcome him.

"Mr. Ye, headmaster Duan." The ancestor of qingxuanfeng said respectfully.

Duan Huai'an is stunned. He knows the arrogance of the ancestor of qingxuanfeng. How could he have such an attitude?

Even if ye Chen is that ye Shitian, there is no need to be so!

He took a look at Ye Chen with a little deep meaning, also did not ask more.

Ye Chen can go to this point, more can repair his Dantian, there must be a secret in his body.

No one should touch more than one secret.

This is the principle.

"What's the matter with my parents these days?" Ye Chen asked.

The old ancestor of qingxuanfeng shook his head: "don't worry, Mr. Ye. They are both very safe. However, they are very interested in practice recently, and they have been constantly spreading the idea of breakthrough."

Ye Chen naturally knows why his parents are so. I'm afraid that his father and mother promoted their cultivation for the xuye family in Kunlun.

After all, both my grandfather and grandmother died at the hands of the xuye family owner in Kunlun.

No matter what, he and his parents must go to the xuye family in Kunlun!

Some, naturally!

But for now, they don't know where the xuye family is.

My grandfather left some information to find his old friend.

However, the only time we met was soon over, and some questions were too late to ask.

I don't know where the old man with the wine pot on his waist is now.

Only by finding this person can the dust laden things of the xuye family in Kunlun be completely opened. "What I left in qingxuanfeng before is still there?" Duan Huaian suddenly asked, his tone seemed a little urgent.

The ancestor of qingxuanfeng nodded: "headmaster Duan, please follow me."

"Apprentice, I'll come right away. You've got some injuries. You might as well have a rest first." Duan Huai'an road.

"Good."

Ye Chen hasn't taken a bath for several days. The only thing he wants to do now is to take a hot bath first.

Back to the room, ye Chen takes off his clothes directly and lies in the bathtub, closing his eyes, soothing a little bit.

This life is what he wants.

All of a sudden, he noticed something, his eyes suddenly opened, his right hand stretched out of the water, and said, "cut the dragon and ask the sky sword!"

The sword appears in the palm of the hand, and the water in the bathtub surges like a spray! It's overflowing.

Ye Chen's body turned, the blade pointed to a direction, killing the sky!

Because he found someone in the house!

At the moment, the direction pointed by the blade is standing a girl with interest!

The girl was dressed in a long red dress, and the pattern of Phoenix was embroidered on the wide hem. On her white arm, she had some smoke and purple light gauze.

Slender waist, a red belt around the waist.

There is also a red sword on the waist.

Black as spring's long hair fluttered slightly, a few silk hair fell on the arrow, the facial features of the extreme beauty, eyebrow heart is a bright pattern.

It's like an ancient rune.

Eyes like water, seems to be able to see through everything, take charge of the future.

And at the moment, the eye that takes a person soul is staring at Ye Chen in bathtub.

Very curious.

Ye Chen found that he did not realize the cultivation of this woman!

The other side quietly appears here, only one possibility, the other side's realm is far above her!

Is it a killer?

Who can hire a killer of this level?

In Ye Chen's serious eyes, the woman laughed.

Just like a fairy who doesn't eat fireworks among people, she brings up a smile, which is beautiful and gorgeous like fireworks, with a trace of Daoyun.

Red lips open: "are you the tomb owner of the samsara cemetery? Hehe, it's just so! "

Hearing this, ye Chen's scalp is numb!

He suddenly thought of something!

Ji Siqing gave her the nine Xuan stone in the reincarnation cemetery broken, should have attracted a great energy.

Later, because of Duan Huaian's exit, he never paid attention to the reincarnation cemetery.

Now it seems that the terrible woman in front of her eyes is the great power?

But in ancient times, can't they all live thousands of years old?

How can a beautiful woman come out this time?

Chapter 793

Ye Chen of this moment is too confused!

The point is he's lying in the bathtub with nothing on.

Once you stand up, you have to be seen by the woman in front of you.

Even if it's great power, you shouldn't just come out.

At least ask for his opinion!

"Who are you?" Ye Chen asked.

When the girl in red heard this sentence, her eyes with a trace of smile came towards Ye Chen step by step.

Finally, stop in front of the bathtub, lean forward slightly and sit directly on the edge of the bathtub.

A touch of snow white is exposed, long thighs straight, too hot.

"You draw me, but who am I?"

"It's a pity that there is a big gap between you and the reincarnation tomb owner I imagined. What is the qualification of a supernatural realm to be in charge of 100 great powers?"

Words fall, the girl in red waist of the thin sword directly drawn out, light flashing, real gas rippling.

It's a deterrent!

The sword did not move, but the strong sword spirit made the whole ground shake up!

The cold killing will be released.

"Lying trough!"

Ye Chen is satisfied.

Is the woman in red going to kill herself?

Ye Chen no longer hesitates. He asks the sky sword to cut directly!

"Ding!"

A clear sound rang out!

The water splashed like waves!

"Click!"

The bathtub just broke! Splash the water crazy!

The powerful anti shock force hit, and the sky sword was shaken out on the spot and directly inserted into the wall.

One wall is completely broken into stone!

At the same time, ye Chen flew out of the body and grabbed a bath towel, wrapped in the body.

At the moment of landing, he stepped back several steps to stabilize his body.

He can clearly feel that the internal organs have been subjected to a strong shock!

The key is that this is just a sword of the woman in red!

He would have died if he had.

The woman in red glanced at Ye Chen, put the sword into her waist, and said faintly, "it's not bad. Most people resist my sword. My arm has already burst, but you can be intact. At least it means that you are not so weak."

"But don't worry, I won't kill you. Dealing with a waste of time is a waste of time in my eyes."

when ye Chen's eyes were cold, he really couldn't figure out where the pride of the woman in red was!

If he doesn't break open the nine Xuan stone, how can this woman have the qualification to come out!

Ye Chen stepped out in a cold voice and said in a cold voice: "since you know that I am the curtain owner of the reincarnation cemetery, you should also know that I am the only one who has turned over. Duan leiren has gone to look for the clues behind the reincarnation cemetery. If you want to leave that place, you still have to rely on me! Do you understand? "

When the woman in red heard this, her eyes flashed a little surprise. In her eyes, such a small generation should have great respect for her, but the people in front of her were not afraid at all.

"Other people's recognition of you doesn't mean that Mo Ning'er also wants to recognize you. When I stepped into the supreme realm, your Ye family's ancestors were probably my servants."

Ye Chen coldly hummed: "you said it was that year, you first found out your current situation, and then, I controlled the reincarnation cemetery, it is too easy to destroy you!"

Ye Chen doesn't care about the origin of this great power!

He would not be used to such an attitude!

"You

Mo Ning'er's expression is completely cold, her slender fingers open, and the surrounding temperature suddenly drops.

The palm of the hand instantly forms an ice sword!

"Do you think I dare not kill you?"

The ice sword suddenly shot out, as fast as lightning!

Even pierced the air, with bursts of Mars.

When he was about to touch Ye Chen, the black stone in Ye Chen's pocket flew out!

A barrier suddenly formed!

It seems that the ice sword is restricted by an invisible force and is directly reduced to pieces.

Mo Ning'er sees this scene, Mo son shrinks, even some are frightened!

She realized what, just ready to disappear, the black stone is flying to her body, a line of ancient words formed!

Suppress it!

When the ancient words fall on Mo Ning'er's eyebrows, Mo Ning'er's face has a trace of pain!

The breath on the body seems to have been completely suppressed.

"Disciple, come in."

The next second, ye Chen and Mo Ning'er disappear in the same place, and even appear in the samsara cemetery.

"Touch!"

Because of being limited by the black stone, Mo Ning'er seems unable to use her strength, smashing on the ground, appears to be a bit embarrassed.

She just wanted to stand up, but found that ye Chen has appeared in front of her body.

From above.

"Now do you admit that I am the owner of the samsara cemetery?"Ye Chen light way.

The appearance of black stone is obviously to protect himself, and this behavior of Mo Ning'er is against the original intention of reincarnation cemetery.

This is the end of repression.

Mo Ning'er looked at the black stone with a bit of fear, turned his head and did not speak.

Now, if she's killed by the stone, it's possible that she'll be killed by the black force.

Ye Chen squatted down, holding Mo Ning'er's chin with his fingers: "I just asked you a question, but you haven't answered me."

What about the ancient power!

Even if you don't know your origin, in this samsara cemetery, he is respected!

Mo Ning Er glared at Ye Chen viciously and said directly: "admit it!"

"Good."

Ye Chen stands up and no longer cares about Mo Ning'er, but walks towards Lin Qingxuan.

"Master, is this girl like you? Why can't I feel the same breath in her as you

Lin Qingxuan took a look at Mo Ning'er who had already stood up and explained: "this girl's entering the reincarnation cemetery is actually an accident."

"Accident?" Ye Chen is a little confused.

"Yes." Lin Qingxuan nodded, "at that time, she was only involved in the incident by accident, and then was involved in it. With her strength, she was not qualified to enter the samsara cemetery."

"Of course, this is not qualified. For the samsara cemetery, the energy of jiuxuan stone can only open her up. However, with her strength, it can help you solve many problems, but it can be used several times.

"As for what you want to learn from this woman, don't count on it. Her origin is an ancient female sect of Kunlun Xu. No matter what skills or training methods are, they are born for women. What you practice is Zhiyang skill. If you practice it blindly, it will only conflict. They will even be possessed by demons, and the consequences will be unimaginable. "

"Her nature is not bad. Before she enters the samsara cemetery, she is not much older than you. Naturally, she looks down on you."

"If you are in danger in the future, as long as it is not Kunlun's top talent, she is qualified to help you out."

"Of course, since you want to participate in the battle of Kunlun Xu's genius on behalf of the medical God sect, you can't rely on others blindly. You should also begin to practice the way of medical God. In the remaining days, you will naturally understand how to respect medical ethics."

Chapter 794

Hearing this, ye Chen breathed a little bit quickly and nodded: "thank you, master!"

Lin Qingxuan looked at Mo Ning'er without expression and turned to a direction.

Ye Chen also followed up.

When Lin Qingxuan took a few steps, he suddenly thought of something. He stopped and said, "no matter how special your origin is, since you have become a part of the samsara cemetery, you should also assist the owner of the tomb. Can you do it honestly?"

Obviously, this sentence is for Mo Ning'er.

"If you refuse, of course you can, but I will erase the power remaining in you, and the only consciousness will dissipate. As for your experience in the future, it has nothing to do with us."

Kindness becomes a threat in an instant!

Mo Ning'er eyes stare big, she is very clear, own strength and Lin Qingxuan compared, or a few points.

If the other party obliterates her by means of means, it is possible to do the same.

There was no choice in front of her.

After hesitating for a long time, Mo Ning'er finally said, "master Lin, I understand that what happened just now will not happen again. I have no malice."

She compromised.

Lin Qingxuan nodded: "well, just remember that the existence of the tomb owner is the only possibility for us to turn over. You have to let him survive at all costs, or be stronger. This is only good for you, not bad for you."

"Yes, master Lin."

.....

Lin Qingxuan took Ye Chen to an open space with his hands behind him: "disciple, you have mastered some of my things. Do you know where the real powerful existence of medical ethics lies?"

Ye Chen took out the silver needle: "master, now I can break out the strongest medical treatment, which is the silver needle."

"I think the silver needle is addictive to human beings, and it is the strongest existence of medical skills!"

Lin Qingxuan shook his head and gently waved his arm. The whole samsara cemetery was in a violent wind!

It's like tornadoes.

All of a sudden, he pinched his fingers and stepped out in a very strange way.

Every step has a trace of rhyme.

If the toe touches any part of the ground, it will be broken.

When ten steps stopped, Lin Qingxuan suddenly raised his head and pinched his fingers.

The violent power of the whole body even makes the space vibrate!

There seems to be a void between them!

But in the mouth, actually appeared innumerable silver needle!

"The most powerful way of medical treatment is Tao! The core of Tao is to borrow power! By the power of heaven and earth! Take advantage of others! You are stronger than the enemy! Today I will teach you the supreme meaning of medical ethics, and take advantage of the gods to break it

Only the last five words, ye Chen is feeling the whole samsara cemetery has a sense of desolation!

The power of the ground seems to be completely absorbed, and the aura in the air is also crazily condensed into a blow!

That's too much!

"Boom

Take advantage of the power of the gods to break and cast a spell at a certain moment. The sky over the reincarnation graveyard looks like the end of the day!

On the ground, there are a series of startling traces, with Lin Qingxuan as the center.

It's as if someone killed from the sky with one sword after another! Trying to destroy the samsara cemetery.

The dust is vast, and the violent power devours everything.

Ye Chen feels that countless silver needles are coming towards him and wants to stop him. The power of the blood dragon and his life talisman erupt at the same time!

His body is out of a thunder and lightning wrapped blood dragon virtual shadow, desperately hit and go!

But of course it was powerful, and it disappeared on the spot under the help of the gods of Lin Qingxuan.

"Touch!"

Ye Chen's body flies out without any sign and spits out a mouthful of blood!

Who could have thought that this blow could have such devastating power. The key to fighting Ye Chen is just the aftereffect.

When he was ready to stand up in the dust, he saw a hand, which was Lin Qingxuan.

"Disciple, can you feel the power of the way of medicine?"

Ye Chen nodded and wiped the blood stains on the corner of his mouth: "master, this move is certainly very strong, but it is based on your cultivation. I may not be able to display it."

Lin Qingxuan touched his beard and said with a smile, "disciple, you have misunderstood me. If I said that the realm I had just performed was just entering the holy land, would you believe it?"

"The most powerful place for the gods to break through is to take advantage of the situation. The worse the environment is, the stronger the enemy will be. If you are only facing the ordinary king, you may not even be able to use it."

"I taught you this in advance, considering that you are facing some threats from the enemy."

"Now, you can't use other means to defeat me

Lin Qingxuan's words fall, a point out, a stream of information surging in Ye Chen's eyebrows.

Although obscure and difficult to understand, but ye Chen roughly understand. Before he could react to it, Lin Qingxuan shot it with one hand, driving the momentum of heaven and earth, as if he could destroy everything.

This power is not only the holy Kingdom, it is very likely to return to the virtual realm!

Seeing that the virtual palm was about to fall on his body, ye Chen subconsciously wanted to draw out the dragon and ask the sky sword, but he found that the virtual palm suddenly accelerated and fell directly.

His body was blown away on the spot, and his bones seemed to be broken.

"I said, you can't use any strength, neither sword nor blood dragon. If there's another time, I won't stop!"

Ye Chen's body has been smashed and flying again and again. He has long been used to the power of the blood dragon and the talisman of his life. Now he can't use it. It's impossible for him to rely on the gods to break it alone!

Injured again and again, even on the verge of life and death, Lin Qingxuan will revive Ye Chen and feel it again.

Gradually, ye Chen mastered a bit of the use of the gods to break, at least not as embarrassed as before.

The more we understand the situation, the more we understand it.

It's like the way of heaven can't do it! It shouldn't exist, but it has been mastered by Lin Qingxuan!

He finally understood why Lin Qingxuan suppressed numerous wudaozong sects in Kunlun!

It is absolutely the key to take advantage of the power of the gods to break!

.....

At the same time, Kunlun Xu, daocong.

The gate is closed.

The killing Lord and others came here, and the bell outside the door was sounded by them, but no one came out to receive the guests.

It's too unreasonable to kill the master's brow. Daozong is also a large part of Kunlun Xu. How can no one notice the bell?

Has daozong changed its place?

"Kill the Lord, what's going on?" Some people wonder, "can something happen to daozong?"

The master shakes his head and comes to the gate. His palm touches the gate and closes his eyes.

All of a sudden, a strong force of anti shock hit, killing the main spit out a mouthful of blood, the body is more than ten steps backward.

"Creak!" A sound, the originally closed door suddenly opened.

An old man came out. He was a Taoist elder!

The elder of daozong glanced at the visitor, and his face was full of hostility: "who is coming? My Taoist sect has been closed for ten days. No matter what, please come back in ten days!"

Chapter 795

The slayer didn't dare to ask for a big one. He stepped out and arched his hands and said, "this elder, I come from the place of killing. I have something important to discuss with the master of daozong."

Hearing the killing place, the elder of daozong shrunk: "the Lord is in seclusion. If you have anything, just tell me."

The master nodded, but spit out three words: "ye Shitian."

"Who are you?" The elder daocong will be released! Once there is a change in the slayer, he will kill him!

No mercy!

The murderer quickly explained: "this elder, to be honest, I am the slayer of the killing place. I originally controlled the killing place, but I didn't expect ye Shitian to suddenly come to my territory, destroy my foundation and kill my subordinates. Now I have some things in my hands. I know that the enemy of the enemy is a friend. I come to seek daocong as an ally!"

He also took out a jade pendant of identity.

The patriarch confirmed the identity of the slayer and said coldly, "in this case, you come with me!"

After a while, the slayer was led to a large hall.

There is only one black robed old man in the main hall, who is the leader of daocong.

But at the moment, because ye Chen broke the ancient magic, he was seriously injured!

"Lord, someone is willing to provide some information about ye Shitian. He comes from the killing place."

With that, the Taoist elder and the rest of them all stepped down, leaving only one Slayer.

The murderer raised his head, and when he saw the Taoist patriarch, his expression was a little frozen.

He never thought that the leader of daocong was injured?

And it seems that the injury was formed not long ago.

"Come on, I want to know everything about ye Shitian in the killing place. If you have any concealment, I will suppress you personally. As for the ally, you are not qualified yet!"

An old and cold voice sounded.

The murderer was stunned, and his expression was a little ugly, but he knew the difference between them, so he told everything that happened during this period of time.

Even the visions around the cave and the army's cover were not lost.

It is obvious that the master of daocong has caught something, and the original doubts in his mind are completely clear.

He fiercely stood up, step out, directly came to the murderer, five fingers clasped the neck of the slayer, and the furious waves rolled!

"You're sure you're not mistaken! More than ten hours ago, there was a breakthrough in the vicinity of Ye Shitian? Can you be sure? "

"Sure My Lord, the only clue now is Duan Huai'an of the medical God gate. Ye Shitian rescued this man for a reason! To find Duan Huai'an is to know the whereabouts of Ye Shitian and the strong man! "

Killing the Lord, I can't imagine why the Lord of daocong would react like this! I can only tell you the truth.

"Touch!"

Before he finished his words, he was mercilessly thrown out by the Taoist patriarch!

At this moment, the Taoist patriarch is engulfed by endless anger!

Killing the sky!

Eyes are red!

He clenched his fist and said coldly, "the one who is strong in the virtual kingdom is Duan Huaian! My wounds are due to their two beasts

"What!" The murderer is completely confused!

"My Lord, are you sure you are not mistaken, Duan Huaian's strength..."

"Touch!"

The body of the slayer fell back a few steps. When he saw the cold eyes of the master of daocong, he was completely frightened!

All this is true!

Duan Huaian has recovered his strength!

How could it be!

"I hear you're here to seek allies, right?"

All of a sudden, the leader of daocong said.

The slayer felt a little wrong, but he still said, "my Lord, it is!"

"Good." The Taoist patriarch came to the murderer with his hands on his back. "It's very simple to be an ally of daocong. If you are loyal enough, ye Shitian and Duan Huaian will die."

"I would like to ask you, regardless of Ye Shitian, you and Duan Huaian have some confidence."

"Seven points."

After a few seconds of hesitation, Duan Huai'an was so shocking in martial arts that he should not be despised even if he had not practiced for decades.

"Seven is not enough. I want ten!" The leader of daocong said coldly.

"My Lord, even if I can win Duan Huai'an, what should ye Shitian do? The power of Ye Shitian may be even more threatening... "

The murderer still expressed his worries.

The master of daocong sneered and clapped his hands. In an instant, three youths came out of the darkness!

The appearance of the three men was almost silent.

Youth's eyes are empty and cold.

But the murderer can feel a terrible breath from these three people.

Suddenly, he found something!

These three people are all strong in the virtual kingdom!

What's more, the breath attribute of these three people is quite different! One person spilled countless electric arcs.

There were chills all over him.

The last person's palm is wrapped with a flame!

Ice! thunder! Fire!

These three people make him feel like a person, but they have mastered the power of three different attributes!

If these three people attack him and combine with the array, he may die under the three moves!

Is this the secret of daocong?

Transform the genius cultivator?

The three men came to the Taoist patriarch and knelt down directly: "see the master!"

The leader of daocong nodded and looked at the murderer with interesting eyes: "if you add these three people, these three people are one of the bottom cards of daocong. Do you have a chance to win?"

Kill Lord fierce nod: "adult, have!"

The master of daocong was very satisfied and even sat back on the spiritual chair on the stage: "since you have a chance to win, let me see your loyalty and sacrifice your blood essence to me as my servant."

The murderer's face changed greatly when he heard the last word!

Sacrifice blood essence for his servant?

How can the king of his killing land be controlled by others!

"My Lord, are you going to pass this way! I am here to seek allies, not to be your servant! If so, I can only say goodbye

The murderer just wanted to leave, but found that the three young people had blocked his way, and the cold pressure was released.

Almost suffocating him!

A sudden surge of fear from within.

"What do you mean, my lord?" The murderer turned around and said coldly.

The master of daocong stood up and said interestingly, "anyone who knows the secret of daocong has no choice, so do you."

"Of course, if you want to resist, you can also see whether the three men agree or not!"

The murderer's face is pale!

He really has no choice at the moment!

You shouldn't have come to daocong at that time!

In front of these three puppet like strong men, he had to submit!

The next second, he can only force out a drop of blood essence. The five fingers of the Taoist patriarch closed and instantly inhaled into the palm of his hand.

"Well, since everything is certain, you should take these three people to a place in person, and it's time to get rid of some garbage."

"My Lord, where are ye Shitian and Duan Huai'an..."

The Taoist patriarch's eyes narrowed slightly and said, "these two people are shrinking in qingxuanfeng. Do they really think the dead Lin Qingxuan can protect them? Ridiculous

Chapter 796

"Before you came, I had already learned Duan Huai'an's whereabouts with my skills. Even if ye Shitian broke my ancient magic in Duan Huai'an's Dantian, how about it?"

"He didn't know that the ancient magic was broken, and there was a force that could remain for a day! It's enough to destroy them all! "

The Taoist patriarch laughed coldly.

He did not want to use the power hidden in the dark, but the existence of Ye Yantian and Duan Huai'an has threatened the fate of daocong!

Either way, they must die!

But now his only doubt is how ye Shitian and Duan Huai'an of the medical God gate are together.

Duan Huai'an has no children under his knee, and their surnames are not the same, so they should not be related by blood.

As for masters and apprentices, it is even more impossible!

It is impossible to cultivate ye Shitian as a genius.

Of course, it doesn't matter. The relationship between the two dying people doesn't matter at all.

"When will you do it, my lord?" Asked the slayer.

"Qingxuanfeng is not simple. In addition to Duan Huai'an, there is also an ancestor of qingxuanfeng, which should not be underestimated.

In order to prevent the occurrence of some special circumstances, I will use some means to support the ancestor of qingxuanfeng, and then it will be the time to attack! "

Kill Lord Mou son shot out a wibe of determination: "adult, I must be lucky not to disgrace my life!"

Words fall, four figures disappear completely!

.....

One day, ye Chen spent in the samsara cemetery.

The door is closed.

He didn't know how many times he had been injured or how many times he had been rescued by Lin Qingxuan.

Only between life and death can we completely control something.

He was in control of the gods.

I thought that it didn't need too much power, but I didn't expect that the gods would destroy the elixir field.

Without Lin Qingxuan's technique, he could only perform it once.

Although the gods have great demands on the body, it is enough to become a card for ye Chen.

At least it can be used to fight against the strong in the virtual state!

Even with that flower mother-in-law's life and death war also has some assurance!

It was not until the door was knocked that ye Chen came out of the tomb of samsara. His spiritual consciousness covered him and naturally knew who it was.

With a flick of a finger, the door opens.

"Xiaochenzi, you are back at last! Do you miss me

Sun Yi, with a smile and excitement in her eyes, stood at the door and said with interest.

Ye Chen stands up, the next second, is to find Sun Yi at the door has appeared in front of him.

Obviously, the cultivation of the body method that he had given to Sun Yi has been greatly accomplished.

Sun Yi's current speed, in Kunlun Xu, the strong under the holy land, can not meet Sun Yi's clothes.

As long as Sun Yi is promoted, it will not be difficult for him to improve.

This is also the reason why he asked Sun Yi to practice the body method.

Sun Yi lightly jumps, the arm is around Ye Chen's neck, slender legs are coiled around Ye Chen's waist.

It's ambiguous.

Four lips blend, moist and flexible.

"Xiaochenzi, have you missed me for so many days?" Sun Yi's eyes were like a waterway. "But the qingxuanfeng is really boring. It's not as interesting as coming from China. The key is that I can only stay in the array range of qingxuanfeng. It's too boring. I plan to go down the mountain several times and have been stopped by others. When will you take me out to have a look?"

Ye Chen nodded and hugged Sun Yi in his arms: "OK, I'll take you out to have a look when I finish my work."

Sun Yi was very satisfied. She kept asking for it from ye Chen. But soon she stopped and said curiously, "by the way, why don't you see Wei Ying come back with you?"

"Wei Ying?" Ye Chen eyes Mou a shrink, surprised way, "she is not with you together in green Xuan peak?"

Sun Yi suddenly stood up and her eyes were puzzled: "not long after you left qingxuanfeng, she showed you a jade pendant and left qingxuanfeng, saying that she received your message and sent something down the mountain to you."

"If you don't believe it, you can find the ancestor of qingxuanfeng. The jade pendant is still on him."

Hearing these words, ye Chen's heart pounded!

Wei Ying's character is naturally impossible to do this kind of thing, the only possibility is the evil blood cold body in her body!

Is it possible that after entering the Kunlun void, the Earth Spirit Xuan stone has been unable to suppress the evil blood cold body?

The evil blood cold body itself is one of the ten major organs of Kunlun deficiency.

The ferocious body is born for aura.

Originally in China, the strength of the evil blood cold body can not be reflected, but in Kunlun Xu, it will break out completely!

He thought that in a few days, the evil blood cold body would not happen to Wei Ying.

But now it seems that he underestimated the evil blood cold body!And it is very likely that after Wei Ying entered Kunlun Xu, the evil blood cold body has already occupied the dominant position!

Even the spirit of the dark stone can not be suppressed!

Damn it!

"Sun Yi, did you feel anything different before Wei Ying left?"

Ye Chen frowned.

Wei Ying pondered for a few seconds and replied, "it seems that there is no strange thing. However, at that time, I asked for a safety charm for you and asked her to give it to you. When I touched her hand, I found it was very cold, like ice. At that time, I asked her if she was ill. She just smiles and says nothing

Ye Chen's heart has been completely determined.

No longer hesitating, he quickly got up and went to the room before Wei Ying.

Take out one of Wei Ying's personal belongings.

Wei Ying's accomplishments are much lower than that of him, and some information should be found in the book.

The next second, ye Chen pinched his finger, then gently danced in the air, and drew a rune directly!

A strange Rune suddenly appeared in the air in front of him.

He released his hand, and his belongings floated up, clinging to the rune.

Ye Chen's mouth is constantly chanting what: "down to the end of the stream, and the birth of all things. Qing is the source of turbidity, and movement is the foundation of stillness... "

Can break the vitality, thousands of miles to find people!

With the speed of Ye Chen's speech getting faster and faster, the runes and thoughts in front of him even floated up!

Next second, direct combustion!

The flame is blue! It even forms a strange shape.

"Now!"

Ye Chen bites his finger and shoots out a blood essence! When the blood essence hits the flame, the fire lights up!

There is a picture in the air!

It's like a projector!

Wei Ying is standing in the middle of a hall. The hall is very strange because everything around is made of ice!

Extremely cold!

Everything around is like a masterpiece that the creator is most satisfied with.

Even ye Chen has to admit that the existence of this ice palace is very suitable for Wei Ying's evil blood cold body!

In the ice palace, Wei Ying is not the only one, but there are more than a dozen old people around her!

At the moment, a dozen old people even kneel down to Wei Ying!

Very respectful!

And Wei Ying Bing Han's eyes are directed at the top of the ice palace a woman with curled hair.

Very cold.

Chapter 797

The woman sat on an ice chair, just like a throne, with a serious expression and no anger.

"Wei Ying, your evil blood cold body is born for me. As long as you nod your head, I can give you superior resources."

The woman is in a high position.

Wei Ying's eyes didn't fluctuate at all. She walked towards the woman step by step, and stopped completely after ten steps. She raised her head and said, "I don't want resources. I just want your seat."

The woman's expression was stifled. Ordinary people peeped at her position. She was bound to be furious. But at the moment, she got up with a trace of interest. She stood up and said, "if you want this position, I'm willing to give it to you. I have only one request. You represent us Jue Han Zong to participate in the battle of talents of xuzong sect in Kunlun. I don't know whether Ji Siqing will participate in this battle, but it doesn't matter I want you to take the first place whether she takes part or not

"Before that, I will give you all the resources! Help you break through! "

With a sneer, Wei Ying stepped on the throne carved with ice stone step by step. Regardless of the woman's reaction, she sat down directly.

Her eyes a cold, swept a glance at the crowd, light way: "although do not know who Ji Siqing is, but any block in front of me, I will clear, that first, I want, this seat, I also want."

The picture disappears completely.

It is impossible for ye Chen to check again.

He had no idea that Wei Ying would go to Jue Han sect! And looking at the other side's appearance, it's not like Wei Ying was controlled by the evil blood and cold body.

This feeling is more like Wei Ying's initiative!

Why did Wei Ying get involved in Kunlun Xu's war of genius?

Why do we have to control Juehan sect?

When Ye Chen frowned, a cold voice sounded: "the evil blood cold body should not have been bound, she was born for the meaning of cold, but also for cultivation. Since ancient times, any evil blood cold body has experienced everything in front of her. Now it seems that the noumenon and the evil blood cold body formed some kind of contract.

The contract will not affect each other's life, but will enable the body and the evil blood cold body to achieve their own goals. "

Ye Chen turns around and naturally finds that the girl in red from the Samsara cemetery appears again.

Why can the key opponent enter and exit at will?

The girl in red is lying on Wei Ying's bed, holding her head in her hands and beating her legs. She sniffed at the tip of her nose and continued: "the evil blood cold body is not a disease, nor a disaster. On the contrary, she is a great opportunity for practitioners. The evil blood cold body in every era has enough discourse power."

"I can see from the picture that this girl named Wei Ying is struggling and yearning for something. She needs strength, and Juehan is the opportunity. Besides, this girl is the best one I've ever seen

Ye Chen looked at the girl in red and asked, "why do you know so clearly?"

The woman in red sat up from the bed and stretched out her waist. Her chest was full and touched with heartstrings: "because she and I are the same kind of people. In ancient times, I was also tortured by the same perplexity. I know her experience.

Oh, by the way, I'm one of the top ten. Although both of us are cold, we are quite different. I have to suffer more than her

Ye Chen didn't expect that the other side was a thousand Jue cold body!

Thousands of people with cold body can't compare with Wei Ying's evil blood and cold body, but they can integrate some of the strength of others!

Ye Chen just want to ask what, the girl in red came to Ye Chen's side, light way: "I come out this time, not with you to discuss this matter, but another matter."

"What?"

The girl in red came to the window and looked at a mountain not far away from Qingxuan peak. She said: "some people observe here through secret method in the distance. These people carry cold killing opportunities. Obviously, you are their prey."

"What's more, there are only four people, each of them is above the virtual King realm. The strength of three of them is strange. I can't say, but it's absolutely hard to deal with it. You can do it yourself."

"There are some problems with the formation outside qingxuanfeng. If those four people want to, they may have some means to break it. Then, the consequences will be unimaginable."

With that, the girl in red disappeared completely.

She has completely accepted that ye Chen is the result of reincarnation.

Since Lin Qingxuan is sure that ye Chen is alive, it is crucial to the secret.

Maybe it's a turn over for a hundred of them.

Ye Chen's eyes shot out of the window, separated by a peak, he naturally did not notice the crisis in the distance.

Only the great power of reincarnation cemetery is qualified.

How could anyone know that he was in qingxuanfeng?

What's more, it seems that the other party is determined by himself?

Four virtual kings are strong!

What a big hand, the general clan absolutely does not have this qualification!

The key is that three of them are afraid of girls in red.

No matter what, ye Chen will never let such a threat exist. Qingxuanfeng is his base camp now. Sun Yi, his parents and his master are all here.

If these four people want to target the whole qingxuanfeng, the people around him will be caught in the water fire.

No longer think about it, ye Chen goes directly in that direction.

The four virtual King States, of course, he is not able to defeat, but to explore the origin of each other or to do.

After all, know yourself and know your enemy, and you are invincible!

The night was deep.

A bonfire burning, incomparably dazzling.

Four figures sat cross legged, and the flames reflected their faces.

One of them is the killer!

And there was a black fog floating over their heads!

This black fog is an ancient magic left by the master of daocong.

At least you can observe everything at the entrance and exit of qingxuanfeng mountain from thousands of miles away.

Suddenly, a Taoist youth's eyes opened, a touch of cold flashed, he was staring at the black fog, opened his mouth: "someone came out, seems to be a young man, the cultivation is not high."

The murderer opened his eyes and scanned the black fog. Naturally, he couldn't see anything famous. He said: "it's normal for some people to come out of the qingxuanfeng peak. Just now, a few disciples of qingxuanfeng went down the mountain. It's a pity that those disciples are so secretive that they would rather blow themselves up than disclose the information inside."

"Don't be surprised. Have a good rest. It's not too late to start again when the patriarch takes away the ancestor of qingxuanfeng. Our goal is ye Shitian and Duan Huai'an!"

Kill Lord said a few words, and then closed his eyes, ready to continue to practice.

But he just closed his eyes, this time, the three people around him suddenly stood up.

The cold breath of the body is constantly emitting.

"What happened to you?" The murderer was convinced by these three people. He didn't know what the Taoist patriarch had done to them. He always felt that the three men were extremely sensitive to everything outside, and they were shocked.

Three people do not pay attention to kill the Lord, behind the sword directly draw out, the eye son is toward a direction to shoot!

Bloodthirsty, violent.

"The young man is coming to us! The ancient magic of the Lord has been discovered

Such a sentence makes the air solidify!

Because, at present, only one person can break the ancient magic of the Taoist patriarch!

Ye Shitian!

Chapter 798

The killers and the other three Taoists thought ye Shitian and Duan Huai'an had become their prey.

Let them enjoy it.

Once the ancestor of qingxuanfeng was set up by the patriarch, it would be a feast for their slaughter.

But now the accident is to break their feet!

Ye Jingtian actually found them!

now they have become prey!

The murderer looked at the other three daostrongmen who had broken out and said, "are you sure Ye killed heaven alone? Since he found us, Duan Huai'an and the ancestor of qingxuanfeng may appear!"

"He is alone. What's more, his breath is completely gone, I can't feel it. Be careful

At this moment, everyone looked serious to the extreme.

At this time ye Chen is standing on a giant tree, hundreds of meters away from the slayer.

Numerous branches and leaves blocked his view, while the surface of his body swam with a golden light.

Completely covered the breath.

Naturally, he noticed the four men. He knew the killers, but the other three did not know their origins.

Compared with the killers, the existence of the three seems to be more threatening.

Even there was a change in his life talisman.

"Are these three people also stepping into the way of spiritual talisman?" Ye Chen murmured.

"You guessed it right. Do you really think that you are the only one in Kunlun who owns the talisman?"

A cold voice sounded around him.

It's the girl in red, Mo Ning'er!

At the moment, Mo Ning'er sits on a higher branch, and her slender legs sway slightly.

"However, at such a distance, I found something amazing. The three people's original life talismans were not realized by themselves, but Be forced to add it! "

Ye Chen hears this sentence, Mou son shrinks: "add forcibly? How can it be! "

Mo Ning'er reached Ye Chen's side and held her chest in both hands: "the attributes of these three people's talismans are ice, thunder and fire respectively! This is not strange in Kunlun, but these three people's talismans are too pure, abnormal must be demons! Don't you see that their breath is too obvious? "

"The general state of the life talisman is hidden, so I guess so. It seems that the people behind them have the means to the sky. Tomb owner, you should be careful."

Ye Chen listens to Mou son tiny MI, curiously way: "my strength now confronts these four people, how many points to win?"

Mo Ning'er, hearing this sentence, glanced blankly at Ye Chen: "your tone is not small. If you really talk about winning, there is not even one Chengdu."

"however, it is not impossible for you to win these four people. I am willing to help you."

When ye Chen heard Mo Ning'er's words, he showed a glimmer of joy: "Mo Ning'er is an ancient power level. Although it is not comparable with Duan Huai'an and Lin Qingxuan, he is also a strong man in ancient times! These four people are enough to sweep in front of us! "

Mo Ning'er saw Ye Chen's joy and said, "Tomb master, if I help you, I will lose a lot of my strength, and the cost is very high. I hope you can promise me a condition. This condition has something to do with me personally. Of course, you are the reincarnated tomb owner. You control everything. It's ok if you don't agree. "

Ye Chen glanced at Mo Ning'er and saw the expectation of the other party's eyes, or nodded: "what conditions? I'll think about it. "

Mo Ning'er's beautiful eyes blinked slightly and showed a smile: "when these four people are solved, it's not too late to say anything else. Let's go, tomb owner."

"OK, but you don't have to do it for the time being. I'm just trying to take advantage of the new knowledge to break through the gods! My way is to kill. Only by fighting can I break through! "

Ye Chen said, no longer hesitating, jump, in the rapid fall at the same time, put on ye Shitian's mask.

Although these four people must die, he is not sure what kind of skills they have!

He won't reveal his identity until he can identify the person behind him.

Mo Ning'er's figure is also completely disappeared, apparently into the reincarnation cemetery.

.....

At the moment, the slayer and the other three strong taozong hold their breath.

As if waiting for something.

"Here he is."

A daostrong man covered with thunder arc suddenly said.

The next second, the four weapons are directly sacrificed, and everyone's eyes are directed in one direction.

Step sound closer and closer!

Ten seconds later, a young man with a mask appeared in everyone's sight!

It's Ye Chen!

"Oh? What a coincidence, the four of you are playing mahjong here?" Ye Chen light way.

Kill the Lord to see wearing a mask of Ye Chen appear, eyes instantly congested!

Extremely bloodthirsty!

He was king in the land of killing, and it was ye Shitian who destroyed his foundation!

It's so hateful that we can't stand together!

"Ye Shitian! How dare you show up! How dare youThe slayer cried angrily.

Ye Chen didn't pay attention to kill the Lord, but his eyes fell on the other three people's bodies. He said faintly, "I'm very curious. Who are you standing behind?"

The three men did not intend to answer, but the murderer said: "ye Shitian, who have you offended yourself, don't you know? Since you deliver it to the door, we don't have to wait for the patriarch to support the ancestor of qingxuanfeng. Today, this is the place where you and Duan Huaian are buried! "

"Three, please use the ancient magic left by the Lord! Don't let this boy run away

At the same time, the blood essence of the three men was bent on the sky.

Rolling black fog, like a devil's face, overlooking everything.

Ye Chen has discovered the black border around him! The smell of

as like as two peas in the field of Huai An, the ancient ancient magic of the Dan Tian.

Daozong!

Make clear of everything, ye Chen's eyes instantly cold, it seems that he broke the master's Dantian technique, but also exposed everything.

Although the master of daocong was hurt, he completely ignited his desire to kill himself.

And these four people are his dependence to strangle everything in the cradle.

For a moment, the boundary has become, like a cage, ye Chen is like a trapped animal!

The murderer's mouth was covered with a gloomy smile: "ye Shitian, now no one can help you. I heard that your strength is extremely against the sky. Today, let me see how unbearable you are!"

"Do you want me to kill you, or do you kneel down and abolish your accomplishments?"

Kill the Lord to the extreme self-confidence, even if ye Shitian is strong, it can not be their four opponents!

This inevitable trap, but he did not hesitate to step in!

It's ridiculous!

Ye Chen stepped out, cut the dragon and asked the sky sword to sacrifice directly. He raised his state to the peak. Then the sword pointed at the murderer and said, "what if I don't want to die?"

The murderer said with a cold smile: "I don't want to die! I can't help you! Don't worry, I won't let you die so happily, I will pinch every finger of you, destroy your elixir field, let your blood dries up drop by drop! "

Chapter 799

"I'll show you what real killing is!"

"It's a bad pen." Ye Chen only spits out two words, but these two words are to make the killing master angry to the extreme.

The boy is too arrogant. We must give him some color to see. Kill the Lord no longer hesitated, the body instantly disappeared in place, the whole body swept with a strong blood gas!

In a twinkling of an eye is in front of Ye Chen!

The blood sword fell from the sky without hesitation!

Suppress everything!

Ye Chen saw the form and roared: "blood dragon, come out!" , the blood dragon in the body directly flushes out of the body!

His sharp claws and teeth directly entangled the bloody sword!

The speed slows down suddenly!

Ye Chen's body flash, just step out of a step, to avoid the sword.

At the same time, carry around the aura of a sword to display!

"Xuanyi sword technique!"

This sword technique was taught by Lin Qingxuan not long ago!

The sword technique is one of them!

The speed of Xuanyi sword is fast, just like a silver needle free of palm!

If you cooperate with the gods, you will have an unexpected effect!

the whole body is full of vigor, the breath of Ye Chen is ethereal, and the casual clothes are dancing, which is full of mystery.

"Brush!" At the sound of the sword light, everything in front of him was torn, just like a trace of heaven, devouring all things.

The sound of a crisp explosion suddenly sounded.

The fierce collision between the Blood Sword and the Dragon chopping sword!

Mars around!

The bloodthirsty sword intention of killing the Lord is blocked by force!

But of course blocked a few minutes, ye Chen was still shaken back several steps!

The gap of strength is too big!

In the surprise of killing the Lord, ye Chen shakes his wrist and goes away with a sword again!

The spirit of heaven and earth gathered together in the sword of cutting dragon and asking heaven.

A sword can avoid ghosts and gods.

The powerful sword power erupts, kills the Lord Mou son to shrink, dare not despise!

Between heaven and earth, there is a strong smell of blood.

"Little beast, I see how you can stop this blow!"

With a roar, the slayer directly cuts off with a sword, and the powerful air waves roll!

All the trees around were cut off by the air wave!

Ye Chen quickly blocks the sword of chopping dragon and asking heaven in front of him. The powerful anti shock force spreads from the palm of his hand to the viscera.

His blood was rising.

The feet are a few feet into the ground, the body was hard to smash back!

The owner of the kill smiles with pride. Ye Shitian is not as powerful as it is said. After the victory, he let go of his sword holding hand, and his sword was pierced with one hand!

Blood color Xu palm mercilessly toward Ye Chen!

At the same time, the body of the sword was broken and turned into countless sharp objects, which were attached to the bloody virtual palm and stabbed Ye Chen fiercely!

This blow, he has enough confidence!

Don't say ye killed heaven. Even Duan Huai'an in his heyday was not qualified to stop him!

"Touch!"

Ye Chen's face changed!

A sharp step back.

The finger pinches to decide, force out a drop of blood essence, in front of the moment formed a barrier!

At the same time, the blood dragon comes down from the sky and blocks everything!

The sound of the dragon is resounding!

The blood color virtual palm is strong to the extreme, and ye Chen's barrier is broken on the spot.

Even the blood dragon can't stop it!

Several pieces of Blood Sword fragments penetrate, ye Chen barely dodges, but there are bloodstains on his arms and legs.

It's shocking.

Blood color virtual palm also without hesitation clapped on Ye Chen's body, a mouthful of blood vomited out, his body smashed to break five or six giant trees before barely stopping.

Seeing this scene, she was angry and said to the three powerful daocong masters behind him: "it seems that the patriarch thinks too much. I can kill ye Shitian alone!"

"I thought that ye Shitian was so powerful that it was just so! No matter how strong the evil spirit is, it is also a waste in front of me

Finish saying, kill Lord step by step toward Ye Chen and go.

With his right hand toward the top, he held a long gun directly in his hand.

"Ye Shitian, have you ever felt despair! You are the nightmare of many clans in Kunlun. Today, I am your nightmare! Ha ha ha

No longer hesitating, the owner of the kill grasped the spear, and the evil spirit burst out!

His body seemed to form a bloody giant ape shadow!

The long gun he is holding now is his life weapon, refined by the blood of a virtual monster of Kunlun!

Powerful!

He wants ye Shitian to be completely silent in his fear and shadow!

He wants ye Shitian to understand what is the gap!

The shadow of the bloody ape roars! With a gun to tear everything apart!

Even all around turned into blood mist!

Seeing this scene, ye Chen's eyes shrink! The sense of pressure of the blood color giant ape's shadow makes people's breath become extravagant!

"This is the real strength of the virtual kingdom?"

There was a moment when he was afraid!

All of a sudden, a cold voice sounded in the samsara Cemetery: "do you need my hand?"

Ye Chen shakes his head, but is resolute: "do not need!"

Then, instead of dodging, he stepped out step by step!

The pace is strange!

When the distance is less than 10 meters, the pace suddenly stops!

Close your eyes!

The killing master was stunned. He didn't understand why ye Shitian did this?

Give up?

Want to die early?

When he doubts, ye Chen's eyes suddenly open!

The cold light is coming from my eyes!

Fear and submission!

At the same time, a sense of desolation emanated from him!

The power of the ground seems to be completely absorbed, and the aura in the air is also crazily condensed!

What's more strange is that the slayer found his power as if he had been madly absorbed!

It's like being moved mercilessly by others!

"This is..."

He felt something wrong and wanted to take back the gun, but he didn't expect it. He burst into a roar in his ear!

"Take advantage of the power of the gods to break!"

"Boom

Take advantage of the power of the gods to break out in a moment, the whole sky is like the end of the day!

On the ground, there are many shocking traces, with Ye Chen as the center.

The shadow of the incomparably powerful blood color giant ape suddenly dissipated! It's the body of Ye Chen.

The murderer was completely confused.

His best shot was easily broken?

How could it be!

With this move, he didn't know how many strong men he had killed!

No one can stop it!

But this leaf eats the day not to have any hands, just spit out a few words, can be so strong?

He looked at the youth not far away, as if to see the ghost.

The other party even showed a bloody smile, let his heart a tight!

He sensed the crisis, and hastened to the three people behind him: "don't hurry up!"

Words have not finished, an extremely frightening force from ye Chen body burst!

The boundless air waves are rippling away!

"Touch!"

Before he pushed away, the air wave penetrated his body, spitting out a mouthful of blood on the spot, and the body flew out without any sign. He was in a mess to the extreme!

Who would have thought that such a devastating blow could have been.

He also found that the power of this blow was almost the same as his power!

It's as if the other side reflected back through some kind of magic!

How can there be such a means in the world!

Chapter 800

His body severely hit at the foot of the three strong daocong, and his bones seemed to be broken.

There's more pain!

His mouth was full of blood.

And ye Chen at the moment is not good, this is his first time in the outside world to display this move of Lin Qingxuan!

Although powerful, but the real spirit of Dantian almost disappeared!

Not only that, but also a crackling sound came from his body, and his arms were almost paralyzed.

This blow almost exceeded the maximum load of his body!

Of course, he went to kill the Lord step by step.

With a majestic momentum, giving people invisible pressure.

This makes the eyes of the slayer full of fear!

"Who are the ants now?" Ye Chen light way.

As soon as the words fell, the three strong Taoists stood in front of the slayer.

The murderer seemed to see the hope, and his fear was completely dissipated. He said: "ye Shitian, if I'm not wrong, this blow just now should have consumed all the real Qi of your physical strength! How do you do it now? I might as well tell you that any one of the three people in this sect may be better than me! ha-ha! It's impossible for me to kill the Lord today. It's you who will die! "

Ye Chen suddenly laughed.

The eyes fell on the three strong Taoists.

"Kneel down in front of you, all of you, give me a chance."

The eyes of the killing Lord and daocong changed completely when they heard the inexplicable words.

Looking at Ye Chen is like looking at a fool.

The owner even couldn't help laughing: "ye Shitian, you've got a problem with your mother's brain!"

"Can't you see the situation in front of you?"

"In that case, please take down this little beast, please! Don't take it lightly! "

"Boom The sound of the sound of the three people of the Taoist sect completely released!

The ground is like ice, as if frozen for thousands of miles!

The temperature in the junction suddenly drops by dozens of degrees!

Snowflakes even fall.

When the meaning of ice cold extends to Ye Chen, countless ice cones rise from the ground!

Shuttle around Ye Chen, just like a cage to imprison Ye Chen's death!

At the same time, the other two strong Taoists were born suddenly!

The whole body of one person swept the flames, and a sword broke through the air!

Toward Ye Chen's heart stab!

But another person's sword fiercely pointed to the sky, the endless thunder and lightning fell down crazily.

Carry this fierce thunder and lightning, a sword from the sky!

Ice, thunder, fire! The power of three different attributes is like three giant beasts, which cut off all the vitality of Ye Chen.

"You should never have offended daocong! Since ancient times, daocong has had the discourse power of Kunlun Xu! "

"Anyone who offends is dead!"

Sound like thunder in Ye Chen's ear!

The killing master also swallowed the next pill and stood up. Looking at Ye Chen's embarrassed appearance, he laughed darkly: "ye Shitian, don't you want to kill me? Do you think you are qualified now? "

He does not believe that all three forces can not kill ye Shitian!

Key ye Shitian has no right to live now!

As soon as ye Shitian dies, they will break qingxuanfeng's array and wash qingxuanfeng's blood!

To cut the grass, we must remove the roots!

Ye Chen looks at the three people in front of him, without the slightest temperature, as if not afraid of life and death!

All of a sudden, his eyes shot at the direction of the main killer, and said: "of course I have this qualification! But don't you wonder why I dare to come alone

"Since you are going to die, I might as well tell you a secret."

"I'm not alone at all."

"Mo Ning'er, I will give it to you next! Kill these three people, your condition, I will agree! "

Words fall, all silence.

Kill the main pupil as if to enlarge, looking around empty!

He didn't believe Ye Chen's words at all!

Under the ancient magic array, how can anyone be mixed into it!

Even if mixed in, they will be the first time to detect!

Seeing that the three forces of ice, thunder and fire will devour Ye Chen, a fiery red figure actually appears out of thin air!

That is a beautiful girl.

The girl is floating, as if falling from the sky!

The tip of one's feet is suspended on a sword, and the cold eyes glance at everyone, without a trace of emotion!

Her whole body is suffused with a golden light, just like a nine day Xuannu landing on earth.

This scene, let everybody be stunned!

In the empty eyes of the three daocong people, horror appeared for the first time!

The expression of the slayer is more like solidification!

Actually someone came in!

Although she was a woman, all the people present could feel the horror of the woman in red. Daocong three people wake up, well aware of the crisis of women in red, and do not hesitate, countless ice cones suddenly formed under the ground!

Turn into bursts of meteors towards Mo Ning'er!

At the same time, the flame, like an ancient fierce beast, opens its mouth and devours Mo Ning'er!

The thunder and lightning in the sky is so strong that it hits Mo Ning'er!

These three people do not have any pity! In their opinion, this girl is far more dangerous than ye Shitian!

Mo Ning'er glanced at the three forces coming from the storm, and gave a cold smile: "do you dare to disgrace yourself in front of me? Now that you are here, I will let you feel what the power from ancient times is

Mo Ning'er's cold voice is like thunder!

With a little wave of her hand, the ice covered power of thousands of miles has completely melted!

Ye Chen's bondage turns into dust!

At the same time, the whole earth trembled violently, as if it would collapse at any time!

That towards Mo Ning'er, countless ice cones, thunder and lightning, and even flames, seem to be completely solidified!

The whole world seems to be still!

Kill the Lord and the other three daocong completely stunned!

What means is this!

Never heard of it!

"Are you surprised?"

Mo Ning'er is indifferent.

"What's more surprising is still behind! Ice cold sword sea

When Mo Ning'er's words fall completely, the silent world seems to be broken!

The sky is dark and dark!

The four thought it was a vision. When they saw the source of darkness, their breath seemed to stagnate!

I saw countless ice swords falling down from the sky!

There are too many ice swords. They are so dense!

Block out the sun!

The extremely cold temperature seems to cover the three of daocong! They are not even qualified to move!

"Crash!"

As the intensity is getting closer and closer, the three daocong people are very clear that if they can't stop the sea of icy sword, they will surely die!

"Force out the essence and blood, burn for resistance

The strong one with thunder and lightning suddenly said!

The remaining two people inspired, Qi Qi out of a drop of blood essence!

Three kinds of blood essence collide in the air, and the cultivation is completely burned!

They look pale!

At the same time, a blood color barrier suddenly formed!

There is an ancient Rune of daocong above the barrier.

Mo Ning'er looked at the scene in front of her and said with disdain: "hum! This kind of rubbish means to stop me? Give it to me
