

Physician 8011

Chapter 8011

"Hey, hey, kid, do you deserve to stop me?"

Ye Linyuan sneered, turned his palm and hit Gu Fengyu's chest.

Gu Fengyu burst his ribs, vomited blood, fell to the ground and was seriously injured.

This is Ye Linyuan's hand.

Because, he still needs Gu Fengyu to live in order to untie the mark prohibition of Shura sword. Otherwise, under his palm, Gu Fengyu has no possibility of living.

Looking at Gu Fengyu who fell to the ground, ye Linyuan grabbed it with his palm and grabbed it into his own inner world, directly capturing it.

"Brother gu!"

Ye Chen was shocked when he saw that Gu Fengyu was beaten down by a palm and even captured by Ye Linyuan.

Moreover, he had not finished feeling the sword tablet, and he must not let Ye Linyuan take it away.

In danger, ye Chen gritted his teeth and was ready to burn his reincarnation blood, pulling out the emperor's holy knife and fighting to the death.

However, at this time, there is a tombstone in the reincarnation cemetery, which vibrates violently.

Then, a magnificent, majestic, invincible, old figure rose from the tombstone and appeared, emerging behind Ye Chen.

"Who dares to make trouble in our Xianhu sect?"

It was an extremely dignified old man, whose cultivation was unfathomable. He was connected with the earth pulse and Qi machine of Xianhu sect. As soon as he appeared, the whole heaven and earth of Xianhu sect was shocked.

Whew, whew, whew!

The sky, the earth, the endless eight barrens, countless sword Qi, roared, and rushed to Ye Linyuan.

Ye Linyuan was stunned and hurried away to fly high into the air. With a move of his hand, hundreds of thousands of demon gods flew over, forming a dark tide in front of him.

The overwhelming sword Qi came and killed all the hundreds of thousands of demon gods, and finally consumed the breath and turned into invisibility.

Ye Linyuan was in a cold sweat. Fortunately, hundreds of millions of demons under his command resisted it. Otherwise, he would have to face the old man's dignity, I'm afraid it was dangerous.

The old man behind Ye Chen, whose figure is illusory, is obviously in the state of divine soul, but his divine power does not diminish at all. His eyes show the posture of heavy pupils, blooming purple light, like heaven and earth, sun and moon.

Old man Xianhu, Gu Fengyu, and the strong men of Xianhu clan all shouted loudly when they saw the figure of the old man, and they all shouted, "grandmaster!"

This old man with purple eyes and heavy pupils is actually the ancestor of Xianhu sect, Zihuan emperor!

Ye Chen felt the breath of Zihuan emperor, and was also completely shocked.

He never thought that the newly awakened power of reincarnation cemetery was actually the ancestor of Xianhu sect, Zihuan emperor!

"Little guy, are you the Lord of reincarnation in this life? Sure enough, you are magnificent, outstanding, and you are immortal

Chapter 8012

Plop, plop, plop.

All the strong men of Xianhu sect, including the old man Xianhu, knelt down to Ye Chen.

Old man Xianhu trembled and said, "grandfather, Lord of reincarnation, please accept my worship!"

Ye Chen fell down, and the power of Zihuan emperor, like the tide, retreated from his meridians. He felt a burst of strength, and his head hummed. But he still managed to support his spirit, picked up the old man Xianhu, and said, "elder, please get up quickly, but don't break me."

The figure of Zihuan emperor appeared from behind Ye Chen, looked around at the disciples kneeling in all directions, snorted, and said, "you waste, it's really not a climate. You were killed by others, but you have no resistance."

Old man Xianhu was ashamed and said, "my disciples are incompetent. Please punish me!"

Zihuan said, "well, you are no longer qualified to be the patriarch. Since the Lord of reincarnation has come, he will be the patriarch of Xianhu sect in the future. Do you have any opinion?"

Old man Xianhu hurriedly said, "the Lord of reincarnation is in charge of my Xianhu sect. It's really no better. I'll follow master Zu's orders!"

Ye Chen wanted to say something, but he was too weak to say anything.

It can only be said that the power of Zihuan emperor is too majestic. Ye Chen borrowed his power at a huge cost, and his pressure is too great.

Ye Chen took out some elixir for nourishing qi and returning blood from the reincarnation cemetery, and took it, and then he recovered a little.

The old man Xianhu paused and said, "grandfather, Lord of reincarnation, although we defeated Ye Linyuan, the child Fengyu was kidnapped, so we have to find a way to rescue."

Ye Chen nodded and said, "we really need to find a way to save people, otherwise the consequences will be unimaginable."

Once Ye Linyuan uses the ancient wind feather to untie the prohibition of Shura sword, it will be troublesome.

Zihuan said, "you can find a way to save people by yourself. I can't appear for too long. My existence is likely to attract the attention of higher-level forces."

After a pause, he told ye Chen, "if it's not necessary, don't call me out."

Ye Chen said, "yes!"

Zihuan emperor nodded, and his figure hid in the tombstone of the reincarnation cemetery. He gathered all his breath and didn't mean to be exposed again.

Ye Chen looked at the old man Xianhu and asked, "elder, do you have a way to save people?"

Old man Xianhu smiled bitterly and said, "no, now ye Linyuan has inherited the power of the original demon lord, and his strength is not trivial. If he wants to save people under his hand, he is afraid that it is difficult to compare with heaven."

"Lord of reincarnation, it's better for you to invite Ren Feifan to fight. He is a reincarnation protector and has great powers. Maybe he has a plan, but it's not certain."

Ye Chen thought for a moment, then nodded slightly and said, "well, I'll discuss with elder Ren."

Old man Xianhu said, "Lord of reincarnation, please take my Xianhu sect with you. If you have any orders in the future, I'll wait."

Chapter 8013

Ren Feifan said, "well, my friend, whose name is Jiang Lidao, is a businessman of Qinglai chamber of Commerce."

Ye Chen said, "Qinglai chamber of Commerce?"

Ren Feifan said, "yes, the Qinglai chamber of commerce is a rather mysterious existence. It is said that it can trade anything in it. If my friend makes a move, he may bring out the ancient wind feather by means of trading."

Ye Chen was surprised and said, "by means of trading? How is this possible? Ye Linyuan will never let people go easily!"

Ren Feifan gently shook his head and calmly said, "it doesn't hurt to try. If it really doesn't work, use force again."

Ye Chen's face sank. If he used force in Tianqing League, the situation would be absolutely unfavorable. After all, it was Ye Linyuan's territory.

If we can really solve the problem by means of trading, it would be great.

Ren Feifan looked at Ye Chen up and down and said, "boy, you can rest at ease and take good care of yourself first. I will contact my friends."

Hearing Ren Feifan's words, ye Chen suddenly felt a burst of weakness. He had borrowed the power of Zihuan emperor before, and now his state has not completely recovered.

"OK..."

At that moment, ye Chen said goodbye to Ren Feifan and returned to a spiritual mountain in the depths of Xingyue deity to rest.

Wu Yao was also practicing on the mountain. Seeing ye Chen's weak appearance, he immediately felt a little worried and said, "brother Ye Chen, you look weak, are you okay?"

Ye Chen smiled and said, "sister Wu Yao, I'm fine. Don't worry too much."

Wu Yao came up, gently holding Ye Chen's hand, eyes with tenderness and nostalgia, and said, "brother Ye Chen, I'll take care of you."

A gentle aura came from Wu Yao's palm and passed to Ye Chen.

Ye Chen was suddenly in high spirits, with a trace of gratitude in his eyes, and said, "thank you."

Inside the Wuyao Dantian, there is the magnificent aura of the Immortal Emperor. After getting the old treasure, ye Chen gave her a lot of treasures to make her strength improve greatly, and she can already mobilize some of the power of the Immortal Emperor.

Relying on the nourishment of the power of the Immortal Emperor, ye Chen's weak meridians have also been greatly nourished.

Wu Yao smiled with a pure, sweet and gentle smile and said, "you're welcome, brother Ye Chen. I wish I could help you."

Ye Chen felt more warm in his heart. He smiled and touched Wu Yao's small head. Then he sat down cross legged and silently exercised his power to regulate his breath and recover his vitality.

Wu Yao is very clever and considerate. She sits behind Ye Chen, hugs Ye Chen from behind, and clings to Ye Chen with a soft body.

Ye Chen felt Wu Yao's temperature and tenderness, as well as the transmission of a trace of the power of the Immortal Emperor, and couldn't help but feel a surge of mind.

He borrowed the power of Zihuan emperor, and his meridians were heavily loaded and his weakness was quite serious. If he wanted to recover completely, it might take three to five days to regulate his breath.

However, under Wu Yao's concern, ye Chen only had a day, and then he completely recovered, full of energy and vitality.

"Brother Ye Chen, are you all right?"

Wu Yao is still holding Ye Chen on her back. Their skin is close to each other for a day. Her cheeks are slightly flushed, and there is a trace of sweet satisfaction.

"It's all right, sister Wu Yao, thank you."

Ye Chen smiled and stroked Wu Yao's hair. He vaguely saw the future. In countless concepts of the future, Wu Yao was mostly like a heavenly daughter and became his concubine.

However, the future has not come yet. Now ye Chen naturally will not have too close relationship with Wu Yao, because Wu Yao's immortal power has not been restored to perfection. If her body is broken now, it will have a very serious impact on her Taoist foundation and Taoist heart cultivation.

Brush, brush.

At this time, Ren Feifan came down with an old man.

Ye Chen hurriedly separated from Wu Yao, stood on both sides, saluted Ren Feifan, and said, "master Ren!"

His eyes looked at the old man quietly, thinking, "is this elder Ren's friend, the businessman of Qinglai chamber of Commerce, Jiang Li Dao?"

The old man was dressed in a golden robe, and his eyes and eyebrows were kind. He looked at Ye Chen and Wu Yao, saying:

"I've seen Miss Wu Yao, the Lord of reincarnation."

Ye Chen hurriedly said, "it's master Jiang. Don't be too polite."

Jiang Li said, "I've heard from my brother Ren that you want to rescue Gu Fengyu, the descendant of the alchemist clan. I also have trade relations with Tianqing alliance, which may help me."

Ye Chen was delighted and said, "master, do you really have a way?"

Jiang Li said with a smile, "I can't promise. I can only say I'll try my best, but if I want to exchange goals, I need to come up with enough chips."

Ye Chen frowned and said, "chips?"

After thinking for a while, he took out a jade slip, which was engraved with five words of the idea of star view.

"Master, can this fairy emperor method serve as a bargaining chip?"

Ye Chen handed the jade slips to Jiang Li Dao.

This idea of Starview was taught to Ye Chen by tiancanghai, and ye Chen has learned it.

Jiang Li Dao took the jade slip, looked carefully, and was immediately shocked, saying: "the idea of the star view, this is the legendary Immortal Emperor method! With the Immortal Emperor method as an exchange, it should be able to replace people."

Ye Chen was a little unconvinced and said, "although the Immortal Emperor's method is precious, how can it be so easy to let Ye Linyuan release people?"

Jiang Li said with a smile, "Lord of reincarnation, please rest assured, I will try my best."

Ye Chen was still a little uneasy and said, "OK..."

Ren Feifan said, "Ye Chen, take Wu Yao and meet brother Jiang outside Tianqing League."

Ye Chen said, "yes!"

Jiang Li frowned and said to Ren Feifan, "brother Ren, you don't need to meet me? I'm from the Qinglai chamber of Commerce. I expect Ye Linyuan didn't dare to hurt me."

Ren Feifan said, "brother Jiang, it's not to protect you, it's to protect the ancient wind feather."

Jiang Li Dao was stunned for a moment and sighed, "brother Ren is still thoughtful."

Ren Feifan nodded and said, "go and return early."

Hearing that she could go with Ye Chen, Wu Yao was overjoyed and said, "Uncle Ren, can I also go?"

Ren Feifan smiled and said, "yes, go ahead. You are a fairy emperor. With your protection, you can be safe."

Wu Yao pinched his fist, then held Ye Chen's hand and said, "Uncle Ren, don't worry, I will protect Ye Chen's brother!"

Looking at Wu Yao's serious and lovely appearance, ye Chen, Ren Feifan and Jiang Lidao were a little embarrassed.

At present, ye Chen said goodbye to Ren Feifan, which was to tear the void and rush to Tianqing domain.

Wu Yao was dressed in a sweeping Xia clothes, pure as a fairy, carrying a heavy giant sword. Against the backdrop of that giant sword, her petite body looked more delicate.

That heavy giant sword is the weapon used by Wu Zu in the past, and the Tianya divine sword inherited by tianwu Xianmen from generation to generation.

Chapter 8014

After ye Chen got the old treasure, he has given the Tianya divine sword to Wu Yao, as well as the martial god Scripture, 72 true dragon immortal runes, dragon tripod, nine cold condensation ice sting and other treasures.

When the three came to the Tianqing region, Wu Yao released a faint Fairy Light, covered his breath, kept hidden, and did not expose any cause and effect.

She is the Immortal Emperor. Even if she can't exert all her strength, she can still do it with a little concealment. If she wants to hide her breath, it is absolutely impossible for outsiders to find her existence.

Jiang Li Dao looked at the landscape environment of Tianqing region, and the temple hall of Tianqing League in the distance was faintly visible.

"Lord of reincarnation, Miss Wu Yao, I'm going to Tianqing League to trade now. Wait for me."

Jiang Li Dao arched his hand at Ye Chen and Wu Yao.

Ye Chen said, "OK, elder, I'm waiting for your news."

After the negotiation, Jiang Lidao rose against the wind and flew to the tianqingmeng temple.

Ye Chen and Wu Yao, holding hands, waited in place.

Ye Chen's mood was quite anxious, and he didn't know the result.

Wu Yao is gentle and satisfied. No matter what the result is, she feels extremely happy to be with Ye Chen at the moment.

.....

Tianqingmeng Temple underground, in the dungeon.

A young man, bound by countless iron chains, was locked on a big iron post that was burning red. His body was covered with torture scars, and he was no longer human.

He is exactly Gu Fengyu.

In front of Gu Fengyu, there was a man who was surrounded by demonic Qi and whose body was like the outline of ink. It was Ye Linyuan.

Ye Linyuan held the Shura sword in his hand, stared at Gu Fengyu with great anger, and said, "how to break the prohibition of this sword? As long as you say it, I can let you go."

With Ye Linyuan's current cultivation, the sword soul in Shura sword has not gained much for him.

However, the soul of Shura sword is of great significance to him!

As long as he devours the soul of Shura sword, ye Chen's reincarnation Heavenly Sword can no longer be restored to its integrity.

On the contrary, once Ye Chen got the soul of Shura sword and the Heavenly Sword recovered, the consequences would be unimaginable for him.

Gu Fengyu listened to Ye Linyuan's words, he laughed, suddenly Pooh, spit out, and said, "you want me to break this sword prohibition, unless you kill me!"

He was deeply aware of the importance of Shura sword soul and must not let Ye Linyuan destroy it.

Ye Linyuan looked angry, and a wisp of magic gas burst out, turning into a dozen nameless twisted monsters, like tarsal maggots, climbed up Gu Fengyu's body, and tore it up like poisonous snakes and beasts.

Gu Fengyu only felt a sharp pain that pierced his heart, but he tried not to let himself cry.

Ye Linyuan's face was cold and said, "I want to see how long your heart can last under my torture."

Gu Fengyu was sulky in his heart, but he also felt a trace of sadness.

Because he knows that his heart of Tao will not last long.

Ye Linyuan is the master of the demon God. The wuwuwu monsters he controls have seriously eroded people's spiritual will and Tao heart.

Gu Fengyu estimated that he could only support for another threeorfour days at most. At that time, he would completely lose consciousness, become a twisted monster, and become a slave of Ye Linyuan.

"Brother Ye Chen, master, and the elders of the clan, I'm sorry..."

Gu Fengyu's heart is gloomy.

"Report!"

At this time, a disciple of Tianqing League suddenly walked into the dungeon from the outside and knelt down in front of Ye Linyuan.

Ye Linyuan frowned and asked, "what's the matter?"

The disciple said, "the leader of the alliance, the merchant of Qinglai chamber of Commerce, Jiang Lidao is here."

Ye Linyuan said, "Qinglai chamber of Commerce, Jiang Li Road? What is he doing here? Isn't it the day of resource trade?"

In the Taishang world, many sectarian forces maintain trade contacts with the Qinglai chamber of Commerce, and Tianqing League is no exception.

But ye Linyuan remembers that it seems that it is not time for trade.

The disciple said, "Na Jiang Li said that he had an important deal and wanted to talk to the alliance leader in person."

Ye Linyuan frowned deeper, but he didn't want to offend the Qinglai chamber of Commerce, so he nodded and said, "ask him to wait for me in the Qingtian hall."

The disciple said, "yes!" Turn around and go out.

Ye Linyuan sneered, and his eyes fell on Gu Fengyu again, saying, "you are stubborn, and there is only a dead end. I advise you to surrender to me as soon as possible."

Gu Fengyu snorted and said, "if you want to kill, why say more?" Then he stopped talking and refused to surrender despite Ye Linyuan's torture.

Ye Linyuan waved his hand, called around and said, "come on, continue to serve him."

The left and right guards came forward and said, "yes!" He continued to torture Gu Fengyu with all kinds of torture.

Ye Linyuan adjusted his clothes, strode out of the dungeon and returned to the Qingtian hall.

Qingtian hall is the main hall of the temple of Tianqing League, and it is also the place for daily reception of guests.

Ye Linyuan returned to the Qingtian hall and saw an old man sitting on the guest seat. It was Jiang Li Dao.

Seeing ye Linyuan coming, Jiang Li Dao hurriedly got up and saluted, saying, "I, Jiang Li Dao, have seen the leader of Linyuan alliance."

Ye Linyuan laughed and said, "don't be polite. Boss Jiang, what's the important business of your coming this time?"

Jiang Li said, "I do have a deal. I want to talk to the leader." Then he took out the cultivation jade slips with the idea of star view.

When ye Linyuan saw the jade slip, his eyes lit up and said, "this is... The Immortal Emperor method?"

Jiang Li said, "exactly! Is the leader of Linyuan willing to trade?"

Chapter 8015

Ye Linyuan thought, the Immortal Emperor method is not trivial. If you can get it, it will greatly enhance your strength, but if you want to get a Immortal Emperor method, the price must be expensive.

He frowned slightly and asked, "what do I need to pay?"

Jiang Li said, "Linyuan alliance leader, you don't need to pay anything. I just want to ask you to be alone."

Ye Linyuan's mind moved, and he immediately guessed what, with a look of vigilance in his eyes. He said angrily, "is it Ren Feifan and ye Chen who sent you here? Do you want to exchange for Gu Fengyu?"

Jiang Li Dao didn't change his face and said with a smile, "the leader of Linyuan alliance laughed. I came here at the entrustment of the refining God clan."

Ye Linyuan said, "refining gods?"

He carefully sensed the cause and effect and captured the mystery, but he could not calculate anything.

Jiang Lidao is a member of the Qinglai chamber of Commerce. The Qinglai chamber of commerce is very mysterious. The secret of nature is extremely obscure. No one knows its origin. Even ye Linyuan didn't find anything unusual when he examined it carefully.

Jiang Li then said, "exactly! That ancient wind feather is a member of the refining Protoss. Unfortunately, it is involved in the struggle between you and reincarnation. It is really innocent. I am entrusted by the refining Protoss and want to redeem that ancient wind feather. Please make it convenient for the leader of Linyuan Alliance."

Ye Linyuan's eyes turned. He also wanted to rely on Gu Fengyu to break the prohibition of Shura sword. How could he hand over people so easily?

Moreover, Jiang Li Dao's words are not true or false.

In case Jiang Li Dao was sent by Ye Chen, wouldn't it be bad to deliberately deceive him?

Seeing ye Linyuan hesitated, Jiang Li said, "alliance leader Linyuan, I can swear with my heart that I have nothing to do with the Lord of reincarnation this time. If I deceive you, I will be punished by five thunders, and I will not die!"

These words were very solemn and eloquent, and ye Linyuan couldn't help believing them.

Ye Linyuan was surprised and swore with Daoxin, which was a very formal commitment. He nodded at the moment and believed that Jiang Li Dao had nothing to do with reincarnation.

However, the existence of Gu Fengyu is very critical, but he also refused to let people go easily, saying:

"Boss Jiang, I believe you have nothing to do with reincarnation, but that ancient Fengyu is extremely important to me. Even if you take out the Immortal Emperor method, I can't give people to you."

Jiang Li Dao seemed to have been prepared. Hearing Ye Linyuan's words, he just smiled, and then took out several invitations, saying, "this is the invitation of Zihuang fairy palace, the supreme meritorious war. As long as the leader of Linyuan alliance is willing to release people, I can give these invitations to you."

Ye Linyuan looked at the invitations. His eyes burst into a burning look, his voice trembled slightly, and said, "this is really the invitation of Zihuang fairy palace?"

On the covers of those invitation cards, the words "Zihuang Huiwu" were printed, which was obviously the invitation of the supreme meritorious war.

The battle of supreme merits and virtues is extremely important. Once you win the ranking in the battle, you can obtain the great Qi and virtue.

Ye Linyuan always regretted that no one in Tianqing League received invitation.

Now Jiang Lidao has brought out several invitations, which undoubtedly has great attraction to Ye Linyuan!

A fairy emperor method, plus a few invitations, this chip is huge enough, and ye Linyuan is also very excited.

After pondering and weighing, ye Linyuan gritted his teeth and said, "boss Jiang, I can promise you to trade and release people, but you must ensure that after you take people away, you must send them back to the refining Protoss, and never contact reincarnation again."

Without any hesitation, Jiang Li Dao said bluntly, "no problem! I swear with my heart that I will never do anything that will harm the interests of the alliance leader. If I violate it, curse me for falling into the sea of demons and stars, and I will never be born again!"

Tianmo Xinghai, one of the four highest artifacts of wuwuwuspacetime, is an artifact belonging to the demon God family.

This artifact is the source of the demonic Qi of the heavens and the convergence of hundreds of millions of demonic thoughts and evil Qi. A drop of water in the sea of demonic stars can pollute a universe and turn the vast starry sky into a distorted and bloody death quagmire, which is very terrifying.

Falling into the demon star sea can be said to be the most cruel and terrifying punishment in the world.

Jiang Lidao made such a poisonous oath that even ye Linyuan was shocked and believed his words, saying:

"Boss Jiang, don't make such a poisonous oath. I believe you are."

After a pause, ye Linyuan said, "come on, bring out the ancient wind feather."

The left and right bodyguards said, "yes!" He turned and walked out of the hall. It didn't take long to bring Gu Fengyu out of the dungeon.

Gu Fengyu looked at Ye Linyuan and Jiang Li Dao. He didn't know what had happened.

Jiang Li looked at him and said, "master Gu, I was entrusted by your family to take you away."

Gu Fengyu was shocked in his heart, and some couldn't believe it.

Although the refining Protoss is not low in the Taishang world, how can it be so easy to trade with Ye Linyuan?

Jiang Li Dao arched his hand at Ye Linyuan and said, "Lord Linyuan, then I'll take people away."

Ye Linyuan said, "please."

At present, the two sides completed the transaction. Ye Linyuan received the invitation letter of the idea of XingKong temple and the battle of supreme merit. Jiang Lidao took Gu Fengyu away.

Seeing the two men leave, in the main hall, a Tianqing League elder looked dignified and said to Ye Linyuan, "ally Lord, is this really how to let people go?"

Ye Linyuan laughed, weighing the jade slips of the Immortal Emperor's method and the invitation letter in his hand, and glanced at a killing opportunity in his eyes, saying, "that Gu Fengyu is alive, after all, is a

hidden danger. You take some people out secretly, kill him halfway, and keep your hands and feet clean. Be careful not to expose your identity, so as not to offend the Qinglai chamber of Commerce."

Ye Linyuan was always uneasy in his heart. Although Jiang Li Dao spoke clearly, no matter what, only the dead can make him absolutely at ease!

That day, the young league leader said, "yes!" Immediately took a few masters, put on a black masked disguise, and quietly chased out.

.....

But Jiang Lidao left with Gu Fengyu, and soon left the Tianqing League temple and flew to the boundary of Tianqing region.

Jiang Lidao took out some healing pills and let Gu Fengyu take them. The latter's vitality recovered slightly.

"Elder, who are you and why do you want to save me?"

Gu Fengyu asked curiously.

"I am sent by the Lord of reincarnation..."

Jiang Li Dao's will came out, and his tone was extremely dignified.

Gu Fengyu felt the will of the other party, and immediately shocked and said, "yes... Brother Ye Chen sent you?"

Jiang Li said, "don't talk so much, let's go."

Gu Fengyu didn't dare to ask more, and quickly flew to the border with Jiang Li.

Ye Chen and Wu Yao were already at the border, waiting for them.

Under the cover of Wu Yao, ye Chen and she are like transparent, like a wisp of wind, a wisp of smoke and mist, which outsiders can't find at all. Even if there are Tianqing League warriors passing by on patrol, they don't see them.

Chapter 8016

Ye Chen felt Jiang Lidao's will from afar and knew that the rescue was successful, but also knew that Jiang Lidao had made a poisonous oath, so he couldn't help but feel secretly frightened.

Soon, ye Chen saw the figure of Jiang Lidao and Gu Fengyu flying quickly, and he was happy in his heart.

"Elder Jiang, brother gu!"

Ye Chen said hello.

Jiang Li Dao fell down with Gu Fengyu and was saying something, but he suddenly coughed violently, his face was pale, and his whole body showed a dead breath of exhaustion.

Even the scarred ancient wind feather, compared with Jiang Li Dao at the moment, is vigorous.

Jiang Lidao's breath collapsed horribly, and his skin showed layers of strange purple body spots at the speed visible to the naked eye. He soon turned into a zombie like horror, gasping:

"Lord of reincarnation, fortunately, I have brought people out..."

With that, he handed Gu Fengyu to Ye Chen.

Ye Chen looked at Jiang Li Dao's terrible appearance and said, "elder, what's the matter with you?"

Jiang Li Dao shook his head gently and said, "I made a poisonous oath in front of Ye Linyuan. I said that if I deceived him, I would be thunderstruck and die hard. Even my soul would fall into the sea of demons and stars, and I would never be born again. My punishment is coming."

Ye Chen was extremely shocked and said in a trembling voice, "senior, why do you want to be like this?"

Jiang Li said, "brother Ren saved my life that year. It's time for me to repay. My fate is coming. Lord of reincarnation, you go!"

While talking, Jiang Li Dao tried his last strength to push Ye Chen and others away.

Ye Chen and others retreated repeatedly, and then saw the extremely terrible thing happened.

I saw a series of thunder, with the dignity of doom, like an invincible fate, fiercely fell from the sky and hit Jiang Lidao.

Bang!

Jiang Lidao's body was split into powder in an instant, and his soul floated out into the sky.

In the sky, there is a crack, which shows an extremely terrible scene.

It's a sea.

A sea of demonic Qi.

The sea of demonic Qi is like gathering all the sins, filth and evil in the world. There are countless rotten meat pieces rolling, countless gray bones floating, and a large piece of demon ghosts roaring.

That is one of the four highest artifacts of wuwu spacetime, the artifact of the demon God family, the heavenly demon Xinghai!

When ye Chen saw the image of the demon star sea that day, he seemed to suddenly fall into the most terrible nightmare, and his whole body trembled.

"What a terrible evil spirit!"

Ye Chen was shocked, and hurried to run the idea of XingKong view, thinking about XingKong, and using reincarnation blood, Yun Yang Tao heart, before waking up from the nightmare.

However, the soul of Jiang Li Dao has been absorbed by the demon Xinghai, and sent out a very sad scream.

Ye Chen had never heard such a terrible cry, which made her hair stand on end.

That day, the magic star sea is the extreme of evil Qi and evil. Once it falls into it, it will fall into the boundless sea of suffering. Life is better than death.

Even, in the dark, ye Chen caught the breath of the heavenly demon and the mysterious demon.

"The two predecessors of the sky demon and the Xuan demon once fell into the sky demon star sea, and then they struggled out?"

Ye Chen felt the secret of heaven in the dark, and his heart shook. He seemed to feel the pain that the demon of heaven and the demon of Xuan had suffered in the past, and he trembled all over.

Jiang Lidao's soul was sucked into the sea of demons, but there was no chance to struggle out. He could only sink forever and suffer endless torture.

This is the price he paid for deceiving Ye Linyuan, and the price he swore!

Boom——

The crack in the sky closed, and all the weather dissipated.

Ye Chen, Wu Yao and Gu Fengyu all stood in place.

Just after the demon Xinghai appeared, Wu Yao and Gu Fengyu didn't dare to look again after a quick glance, otherwise, their Taoist heart would definitely be greatly affected.

That day, the magic star sea was really terrible. It was worthy of being the highest artifact. Even if it was just a glance, it was in danger of being destroyed.

"Brother Ye Chen, I'm afraid..."

Wu Yao gently held Ye Chen's hand, and her eyes were full of panic. Even though she was the Lord of mercy, the strength of her blood at the moment was not enough to resist the breath of the demon Xinghai.

"It's okay, let's go."

Ye Chen hugged Wu Yao with one hand and Gu Fengyu with the other, and immediately left Tianqing region and flew to the outside world.

Jiang Li Dao fell this time, and his soul fell into the sea of demons and stars. The weather is too big, which will inevitably disturb Tianqing League. I'm afraid there will be an unexpected disaster if he stays any longer.

In that fleeting glance, ye Chen glimpsed the story of the demon star sea.

That day, a long time ago, the magic star sea was refined by a supreme power of the demon God family. Later, the strong man retired. The magic star sea was among the demon God family, inherited from generation to generation, and guarded the luck of the demon God family.

But now, there is no demon God who can control the demon star sea alone, not even Shen Tu Wan'er, who can only borrow some power.

Ye Chen estimated that if he wanted to fish out Jiang Lidao, it was almost impossible, at least not now. He was grateful and guilty, thinking that if he had no time and space in the future, he must find a way to save people.

After ye Chen left, several people in black appeared at the place where Jiangli road fell.

They looked at Jiang Lidao's ashes and looked at each other with a trace of shock in their eyes. Obviously, they also saw the picture of the demon star sea just that day.

They also saw Ye Chen and Wu Yao's arrival.

Chapter 8017

"Jiang Li Dao, this old man, is indeed in collusion with the Lord of reincarnation."

"Hey! This old man is really brave. He would rather die so miserably than serve the Lord of reincarnation."

The first man in black was the elder of Tianqing League, and his voice was quite old.

His eyes turned, and immediately a snap, a wisp of fine light, with the causal intelligence here, shot to the Tianqing alliance temple.

"Since we are the Lord of reincarnation and play tricks behind our backs, there is no need for us to disguise."

The elder took off his black clothes and restored his original appearance.

The left and right Tianqing League strongmen also took off their black clothes and no longer had any camouflage.

Then, they quickly chased Ye Chen and others.

When ye Chen, Wu Yao and Gu Fengyu left the Tianqing region, they were ready to tear the void and return to the star moon world.

However, at this time, there were ripples in the void, and the strong players of the Tianqing League came, and attacked Gu Fengyu like lightning.

Their goal is very clear, that is, against Gu Fengyu, they are ready to kill people with the potential of thunder and leave.

As for ye Chen and Wu Yao, they naturally have no confidence to deal with.

Ye Chen and others' minds were still addicted to the weather of the demon Xinghai, and they didn't expect a sneak attack at all.

Gu Fengyu is still seriously injured. As long as he gets a little more damage, he may die at any time.

"Not good!"

Ye Chen was shocked. If Gu Fengyu died, even if he took back the Shura sword, it would be difficult to break the prohibition mark on it.

But now, the enemy sneaked too fast, and he didn't react.

Seeing Gu Fengyu, he was about to be completely killed, but at this time, Wu Yao angrily said:

"Don't move!"

Those Tianqing League strongmen were supposed to succeed in the sneak attack, but they suddenly heard Wu Yao's cry, saw Wu Yao's pure eyes, and felt a great power of compassion. They were stunned.

It was such a short moment that ye Chen had reacted.

"Cut the sky nine swords, the holy king!"

Ye Chen pulled out the reincarnation Heavenly Sword, and with a fierce sword, he cut it out like a king.

Those Tianqing League strongmen immediately lost their heads, splashed with blood, and died on the spot.

Ye Chen's strength now is too terrible. Cutting Xianjun horizontally is like cutting grass with a Heavenly Sword.

Those sneakers, the strongest elder, were no better than Xianjun Daquan and could not defeat Ye Chen's sword.

After killing the raider, ye Chen breathed a sigh of relief, looked at Gu Fengyu and said, "brother Gu, are you all right?"

Gu Fengyu was also afraid for a while and said, "it's all right."

Their eyes finally fell on Wu Yao, with a trace of shock and admiration.

Wu Yao is worthy of being the Lord of mercy. Her eyes can shake the heart of the enemy.

If Wu Yao hadn't been here, I'm afraid even ye Chen would have no time to save Gu Fengyu.

"Sister Wu Yao, thank you so much this time. You're really great."

Ye Chen smiled and touched Wu Yao's hair, saying.

Wu Yao saw those sneakers die, but he was a little gloomy. He looked up at Ye Chen and said, "brother Ye Chen, those people may not need to be killed, and I can influence them."

Ye Chen sighed and said, "sorry, the situation is urgent. I don't have time to think more. I will pay attention next time."

In fact, in Ye Chen's heart, killing the enemy is simpler and more direct than persuasion, and there is no worry behind it. After all, dead people are the safest.

But in front of Wu Yao, he naturally had to take care of her mood.

Wu Yao smiled and said, "well, OK."

"Go back."

Ye Chen, with Wu Yao and Gu Fengyu, tears the void and returns to the star moon realm.

.....

Tianqing League, in the holy palace.

Ye Linyuan knew all the causes and effects, and his face was gloomy and changeable.

He never thought that Jiang Lidao, a businessman, had such courage and courage to pay such a great sacrifice, and would also serve ye Chen.

Now Gu Fengyu has been saved by Ye Chen. It is difficult for him to extract the soul of Shura sword and refine it.

Dang

While worrying, suddenly an ancient bell rang from the distant void to Ye Linyuan's ear.

Ye Linyuan shivered all over, his face twisted for a while, and said, "it's you, the ancient emperor of feather!"

In the void, the will of the Emperor Yu was shaking, and the voice of the Emperor Yu came out:

"Ye Linyuan, hehe, I thought you were dead, but I didn't expect you to have a ghost, and you were lucky to inherit the will of the original Demon Lord."

Ye Linyuan said in a deep voice, "feather emperor, what do you want to do? If you want to kill me, I won't let you live. This is my territory!"

If in the outside world, ye Linyuan has no possibility to hurt the emperor.

However, this is Tianqing region, which is his absolute territory. He occupies absolute luck and geographical advantage.

If the ancient emperor feather dares to come down and act as a strong killer, he is sure to make the other party take off a layer of skin.

The feather emperor laughed and said, "now my enemy is the Lord of reincarnation and Ren Feifan. You are just a little mole ant, and I don't care about you."

This remark was very mean, and ye Linyuan heard it in his ear, very angry: "what did you say!"

The feather emperor smiled and said, "don't be angry. I just want to make a deal with you. Give me the Shura sword and I can give you a year of freedom. In the next year, no matter where you go, I won't stop and chase you in wanxu. I can promise."

Hearing the words of the feather emperor, ye Linyuan's heart suddenly moved.

If he has a free activity period of one year, he can do a lot of things without worrying about wanxu hunting all the time.

"What are you doing with Shura sword?" Ye Linyuan said.

The feather emperor laughed and said, "it's very simple. I need a bait. As long as the Shura sword is in my hand, ye Chen, that boy, will certainly come to my feather emperor heaven to die at all costs. He can't give up the soul of the Shura sword."

"In the outside world, I'm not sure to kill that boy, but in my empire, even if Ren Feifan and Ren tiannv come, it's a dead end!"

In the outside world, ye Chen has any special guard, and the ancient emperor Yu Huang is not sure of killing.

Because, Ren Feifan has been in charge of the Golden Wheel of the emperor of heaven, and his strength is too terrible.

If you really fight, even the ancient emperor Yu Huang is not sure that you can defeat Ren Feifan again.

But in his empire, with the help of geographical advantages and good fortune, he is the absolute master. No matter who comes, he is sure to kill.

Ye Linyuan turned his eyes and thought for a while. He mentioned the Shura sword and said, "if you want the Shura sword, it doesn't matter if I give it to you, but you must promise me that if you really can kill reincarnation, I will share half of reincarnation."

The feather emperor laughed and said, "half of you? Why? What qualifications do you have? I can give you 10% at most."

Chapter 8018

Ye Linyuan said indifferently, "half a person, you don't want to forget it."

The feather emperor was silent for a while. At last, he laughed and said, "well, half is half. I swear with my heart that if I repent, I will fall into the demon star sea and never turn over."

Hearing this oath and commitment, ye Linyuan nodded, waved his palm, shot out the Shura sword and said, "take it, I'm afraid that ye Chen's boy won't be so stupid and will step into your trap."

The feather emperor got the Shura sword. He sneered and said, "he will. How can he be willing to give up the soul of the Shura sword?"

.....

At this time, ye Chen did not know ye Linyuan's trading conspiracy with the ancient emperor Yu Huang.

With Wu Yao and Gu Fengyu, he returned to the star moon realm.

In the star moon circle, Ren Feifan was waiting as early as possible. He saw Ye Chen and others, who came back smoothly, with no sign of joy.

Because the weather of the demon Xinghai is too big. It's earth shattering. He also caught the mystery and knew everything.

Although Gu Fengyu was successfully rescued this time, the price was too high.

"Master Ren, we are back, but master Jiang..."

Ye Chen saluted Ren Feifan, with a slight hesitation in his voice.

Ren Feifan nodded gently and said, "I know it all. I didn't expect that his temper would be so strong."

Ye Chen said, "just, ashamed, I haven't got the Shura sword back."

Shura sword can't be taken back. The soul of reincarnation sky sword can't recover completely, which makes Ye Chen quite anxious.

Ren Feifan nodded and pinched his fingers slightly. His calm face suddenly became shaking at this time.

"Elder Ren, what's the matter?"

Seeing Ren Feifan's appearance, ye Chen immediately felt bad and asked.

Ren Feifan said in a deep voice, "it's a bad thing. The Shura sword has fallen into the hands of the ancient emperor Yu Huang!"

Ye Chen exclaimed, "what did you say?"

Ren Feifan's face was rather ugly: "Ye Linyuan has given the Shura sword to the ancient emperor Yu Huang. The ancient emperor Yu Huang used the sword as a bait to lure you to the wanxu temple to die."

Hearing the words, ye Chen was shocked in his heart. Under the capture of the secret, he found that Ren Feifan was right.

"This is troublesome."

If the Shura sword was in Ye Linyuan's hand, ye Chen could still recapture it, but if it fell into the hands of the ancient emperor Yu Huang, he wanted to recapture it again, it was simply impossible to ascend to heaven.

The wanxu temple is located in the center of the realm of the feather emperor, which is the absolute territory of the feather emperor. I am not sure if I will be re elected. I will defeat the feather emperor in the wanxu temple.

Ren Feifan looked at Ye Chen and said, "boy, in a short time, you don't want to capture the soul of Shura sword. It's impossible."

Ye Chen turned his eyes and said in a deep voice, "master Ren, I know, but... Without the soul of Shura sword, my reincarnation Heavenly Sword cannot be restored."

Reincarnation Heavenly Sword is not only a weapon, but also related to Ye Chen's reincarnation blood.

This sword is made of the Heavenly Emperor bone of the reincarnation Lord of the previous life. As long as the sword soul is restored, ye Chen can completely inherit the Dao bone of the previous life, which has great benefits.

If the Dao bone is incomplete, the reincarnation blood cannot exert its absolute power, which has a great impact on Ye Chen.

Therefore, the soul of Shura sword is very important to Ye Chen, and there should be no loss!

Ren Feifan naturally knew the importance of Shura sword soul, but he also knew the difficulty of capturing it. He pondered for a moment and said, "Shura sword soul naturally wants to be recaptured,

but not now. You may be able to find the rainbow free sword first. If you can find the other half of the Rainbow free sword, it will be of great benefit!"

Ye Chen said, "no rainbow sword..."

Ren Feifan said, "yes, that rainbow free sword is very important to your grandfather."

Ye Chen said in astonishment, "my grandpa?"

While talking, a burst of hearty laughter rang out, and ye evil god came down. His old eyes narrowed slightly, and he replied to Ye Chen, "grandson, that rainbow free sword is made of the bones of the original demon lord, and contains the mystery of lawlessness. If I can get it, I can peep into nothingness, even integrate with the future body, and borrow the power of the future body."

Hearing grandpa's words, ye Chen was greatly surprised.

You know, Grandpa's future body, but the outer God, is very strong.

The feather emperor stole the power of the future body and directly surpassed the Immortal Emperor.

If grandpa can also integrate with the future body, it is definitely rapid progress and infinite luck.

Ye Chen hurriedly offered up his half rainbow sword and said, "Grandpa, I have half a sword. Can I give you insight into the law of Wu Wu?"

Ye evil god gently shook his head and sighed, "only half of it, the law is incomplete, and the effect is not great. We must find the other half of it, but unfortunately, brother Ren and I deduced the other half of the sword for a long time, and we never divined at all."

Ye Chen's mind moved slightly, pulled out the lid of the gourd of heaven and earth, and with a move of thought, released the sword tablet, saying, "master Ren, Grandpa, I have a clue here, which may enable you to find out the whereabouts of the other half of the sword."

Ren Feifan and ye Yishen, looking at the sword tablet, their eyes showed a strange light, and they stared carefully.

That sword tablet contains thousands of ideas of divine sword, in which there is the breath of rainbow divine sword.

This breath is a clue, which can reverse the cause and effect of the mystery, but it is very difficult.

Even ye Chen can hardly pry into the mystery behind it.

Ren Feifan and ye Yishen stared at each other for a long time. Then, they looked at each other, nodded tacitly, and performed the deduction method at the same time.

Chapter 8019

A layer of mist like aura emerged in front of the two people, and quickly showed a picture. In the picture, you can vaguely see a sharp sword with blood, which is the rainbow free sword.

Ren Feifan and ye Yishen looked at the shadow of the rainbow free sword, and their faces were covered with dignified colors.

Ye Chen hurriedly asked, "elder Ren, Grandpa, how is it?"

Ye evil god showed a wry smile, gently pinched his fingers and said, "the other half of the sword, I roughly calculated, is in a place called broken virtual domain."

"However, I have never seen where the broken void is."

"Brother Ren, do you have eyes and eyebrows?"

Ren Feifan shook his head and said, "I don't know, the broken virtual domain is very hidden, which may be related to nothing. It may be the settlement of some scattered Protoss."

After a pause, Ren Feifan held his chin and said, "when I was young, it seemed that I saw an ancient book in the wanxu Tianjing Pavilion, which recorded the coordinates and clues of breaking the virtual domain. Unfortunately, I didn't notice it at that time, and it was too old, and I have forgotten it."

Ye Xie said, "if you want to know the whereabouts of the broken virtual domain, you can only go to the Tianjing Pavilion of the wanxu temple?"

Tianjing Pavilion is the place where the ten thousand ruins Temple collects the secret scripts of martial arts. The guard is very strict. It is difficult to find an ancient book in it.

Ren Feifan pinched his fingers and said with deep anxiety, "it seems that this is the only way. The broken virtual domain is the land boundary hundreds of centuries ago. Now I think it has turned into ruins and death, and cause and effect do not exist. There is only the Tianjing Pavilion of the wanxu temple, which contains the secrets recorded in ancient books."

Under Ren Feifan's deduction, the age of breaking the virtual domain can be determined. It is at least a hundred centuries away from today. The universe has collapsed and restarted a hundred times. The age is really too old, and the traces of cause and effect do not exist. If there is no exact coordinates, it cannot be reached at all.

The only possible coordinate record is in the Tianjing Pavilion of the wanxu temple!

Ye Chen also smiled bitterly and said, "it seems that I am really an old enemy with wanxu."

The Shura sword is in the hands of wanxu, and the ancient books recording the coordinates of breaking the virtual domain are also in wanxu, which really makes Ye Chen very sad.

Ye evil God turned his eyes and then said in a deep voice, "since the ancient book is in the wanxu Tianjing Pavilion, we have to take risks."

Ye Chen was surprised and said, "Grandpa, are you going to wanxu?"

Ye evil god laughed and said, "yes, the rainbow free sword is very important to me. If I get it, I can understand the mystery of Wu Wu, and make the present body and the future body become one, sweeping the world, and no one can be enemy!"

"Grandson, let's go to wanxu together, seize the ancient books of coordinates, and grab your Shura sword soul together!"

These words were heroic and dry, but ye Chen heard it in his ears, but he felt too risky. He shook his head and said, "Grandpa, how can it be so easy to grab food in the hands of wanxu?"

Ye evil God smiled and said, "I know it's not easy, so I'm going to take you with me, and then Miss Wu Yao. With the luck of the three of us, even if the robbery fails, at least I can ensure my whole body to retreat."

Ye evil god is the person who has the future body, Wu Yao is the inheritor of tianwu immortal gate, ye Chen is the Lord of reincarnation, and the combination of the three is indeed a powerful and invincible world. Even if it is a temple of ruins, you can go and break through it.

Wu Yao, who was next to him, immediately beamed, clapped her hands and shouted, "OK, Grandpa, brother Ye Chen, let's go together!"

She had an adventure with Ye Chen, and she really liked the exciting feeling.

Ye Chen was dignified and knew the danger of breaking into the ruins. Once he fell, the consequences would be unimaginable.

Ye evil god laughed and said, "grandson, don't worry. Even if the emperor is strong, can he kill all three of us?"

Hearing grandpa's words, ye Chen's mind also calmed down, and his eyes flashed a sharp light, nodded and said, "OK, Grandpa, let's go and make a break!"

Grandpa was right. With the luck of the three of them, even if something really happened, they might not die.

The ancient books recording the coordinates of breaking the virtual domain, as well as the soul of Shura sword, are all in the wanxu temple, which is worth taking a risk.

Besides, the ancient emperor Yu Huang just got the Shura sword. It's estimated that he didn't expect that ye Chen would rush to the door so soon, and the defense must be negligent. This is a great opportunity!

After the agreement, ye Chen, Wu Yao and ye evil God rested for a night, and carefully calculated the good and bad luck, and got it

Chapter 8020

Ye evil God smiled and looked at Wu Yao kindly.

Wu Yao was excited, flushed, and shouted, "Grandpa, are you serious?"

Ye Chen couldn't laugh or cry and said, "Grandpa, don't be kidding."

Ye evil god laughed, stopped talking, and flew forward with the wind, leaving Ye Chen and Wu Yao behind.

Wu Yao's cheeks are red, her beautiful eyes are tender and nostalgic, and the girl's shyness and worship, looking up at Ye Chen, without concealing her feelings at all.

From the moment Ye Chen woke her up, she liked Ye Chen, not to mention the special attraction of reincarnation blood.

Ye Chen coughed and couldn't bear to refuse Wu Yao. He gently touched her head and said, "let's go too." Then he led Wu Yao and chased the evil god.

The three walked all the way against the wind, getting closer and closer to the wanxu temple.

On the way, Ye Chen and the three also met many patrol guards. Fortunately, under the cover of Wu Yao, the three did not expose themselves.

Even, Ye Chen met a familiar face, which was once the master of the epic world, the epic emperor!

"The epic emperor also took refuge in wanxu?"

Ye Chen was secretly surprised that the epic emperor was the spirit of the epic mirror, and had once established a huge epic Empire, with great strength.

Today's epic emperor, wearing the special elder robe of the wanxu temple, obviously took refuge in wanxu.

Think about it carefully. The ancient emperor Yu Huang is the present body of the ancient god Tuo, and the epic emperor is the Lord who believes in the ancient god, so it is natural to take refuge in wanxu.

Fortunately, under the cover of Wu Yao, the epic emperor did not see through Ye Chen's disguise, but looked at him curiously.

"Epic elder, what's the matter?"

Beside the epic emperor, a beautiful and flirtatious woman opened her mouth. Her voice was fragile and enchanting. When people heard her voice, they felt a kind of bone soft.

The epic emperor looked calm and said, "nothing, just thinking of old friends."

Ye Chen heard the dialogue between the two, looked back, looked at the coquettish woman, and his heart immediately shook.

Just now, his attention was completely attracted by the epic emperor, but he didn't pay attention to the people around the latter.

Now when you look carefully, ye Chen finds that the woman standing beside the epic emperor is much stronger than the epic emperor in cultivation, which is simply unfathomable.

Moreover, the woman's appearance is very charming and flirtatious. Ye Chen has never seen such a flirtatious woman.

The coquettish woman, without makeup and makeup, but with cherry red lips, enchanting soul, white and tender skin, such as shelled eggs, and eyes like autumn water, makes people reluctant to look away after a glance.

And her figure is also very popular. She is wearing a tight black skirt with exquisite and convex curves, which makes people imaginative.

Aware of Ye Chen's eyes, the woman giggled and squeezed her eyes at Ye Chen, looking very playful.

Ye Chen suddenly shivered all over, with an inexplicable pleasure and joy, and a strange fire rose in his heart.

"This woman is a monster!"

Ye Chen was secretly surprised, and quickly stabilized his mind, meditated on the starry sky and reincarnation, and dissolved the evil fire in his heart.

However, ye Chen felt very familiar with the breath of that coquettish woman.

From the seductive woman, he caught a trace of the cause and effect of the ghost Kingdom, which is related to the sky and the sea.

"She is tiancanghai's junior sister,
