

Physician 8061

Chapter 8061

"Damn, it's the Lord of reincarnation!"

"This boy, stepped on my head?"

The emperor of Duobao was furious, and his eyes flashed a fierce look.

"Chi Feixue, the chick, was saved by the boy. What if the secret of the God sealing tablet of the heavenly king was leaked?"

Duobao Tianjun's face was ferocious, and he gnashed his teeth. In his anger, he was covered with thunder and lightning, which startled the guards and maids in the cave, and knelt down in panic.

Duobao Tianjun imprisoned Chi Feixue to torture a secret.

That secret has something to do with the tablet of the emperor of heaven!

Chi Feixue knew the whereabouts of the God sealing tablet of Tianjun. Unfortunately, under the imprisonment and torture of Duobao Tianjun, she could not get the details of this secret.

Tianjun Fengshen tablet, this magic weapon, has an extremely huge increase in Qi. If Duobao Tianjun can get it, the evil sect he commands can suppress the righteous and completely take charge of the power of Zihuang fairy palace!

"Lord Xie, what should I do? Should I send someone to chase him?"

A guard perspired.

Duobao Tianjun looked gloomy and said, "how can it be so easy to fight against the Lord of reincarnation? That boy's life is very hard!"

After a pause, Duobao Tianjun said angrily, "send me the imperial edict, inform the wanxu temple, the ghost king world, and the Jianmen, and call them to discuss major issues. If you want to kill reincarnation, it is absolutely impossible to rely on our evil sect alone, and you must call helpers!"

The guard said, "yes!" Immediately sent a summons to the wanxu temple, the ghost king world, the sword gate and other forces.

.....

The next morning.

Purple fairy palace evil sect, the top of mountains.

Duobao Tianjun is wearing a golden Taoist robe embroidered with a thousand rounds of the sun and a thousand rounds of the moon, which looks very luxurious.

He looked at the sun in the distance, but the murderous spirit and essence in his eyes were more dazzling than the sun.

Hiss!

After a while, a black streamer came from the sky and fell in front of Duobao Tianjun.

This is a man in black heavy armor, with a skeleton totem engraved on his armor. The breath of cultivation emanates from his body, reaching the realm of three layers of immeasurable realm and flying immortals outside the sky.

"In the wild Temple of the ghost king world, the true disciple Nie Gukuang has seen Lord Duobao!"

The man bowed with a deep voice.

Duobao Tianjun looked at him up and down, and his tone was slightly disdainful:

Chapter 8062

The two people secretly guessed, but they didn't ask much. Anyway, as long as they can severely damage the Lord of reincarnation, it will be of great benefit.

"Go, the Lord of reincarnation is in the world outside Heaven. You can trace his Qi machine with this sword."

Duobao Tianjun offered the sword of judgment and threw it to Mo Caidie, saying:

"This sword of judgment can also help you fight against reincarnation."

The sword of judgment has been in contact with Ye Chen, so with this sword, it can be traced back to Ye Chen's position.

Mo Caidie accepted the sword of judgment and said with a smile, "Lord Duobao, let's go and wait for our good news."

After saying that, Mo Caidie took Fu Hongchen and Nie zhankuang, left the Zihuang fairy palace and went straight to the outer world.

.....

Tianwaitian world, a desolate and lonely land.

Chapter 8063

The second demon girl smiled and said, "I heard from my father... Well, I've heard that this ninth sword is probably the combination of the first eight swords."

Ye Chen said, "the combination of the first eight swords?"

The second demon girl said, "yes, as long as you combine the first eight swords perfectly, you can practice the ninth sword."

Hearing this, ye Chen was slightly surprised, took out the sword spectrum of the nine swords in the sky, and quickly looked through it.

Sure enough, when he flipped quickly, the sword movement picture of the first eight swords passed faintly like water, as if it was coherent.

As long as the first eight swords are continuously displayed, you can understand the essence of the ninth sword!

However, the first eight swords of the nine swords in the sky are different. It is extremely difficult to use them in a continuous manner without any hindrance.

Ye Chen leafed through the sword spectrum, feeling dizzy and swollen.

Just browsing, I thought about the coherent combination of the eight swords in my heart. My mind was dizzy, and even my heart shook. I can imagine how difficult it was to perform perfectly and coherently in actual combat..

"Thank you for your advice!"

Ye Chen calmed down and thanked the second demon girl again.

Anyway, it's better to have a direction now than to be aimless.

The second demon girl nodded and said to Chi Feixue, "OK, Feixue, take him to the wild beast Xingli practice and protect him."

Chi Feixue respectfully said, "yes, miss!"

The second demon girl said, "be careful. These days, I'm here to cover up the mystery, and I haven't been found by Duobao Tianjun, but when I leave, you'll be in danger of exposure!"

Chi Feixue's eyes were cold and said, "that Duobao Tianjun, I'm bound to break him into pieces! If he hadn't sent someone to plot against me, I wouldn't have been caught by him."

The second demon girl's tone was cold and said, "as a killer, you have been secretly plotted. You should also reflect on yourself."

Chi Fei's blood covered her face with shame and said, "yes, miss."

The second demon girl "Hmm" said, "I'll go first. You protect this little guy until the supreme meritorious war begins. I'll contact you then."

Chi Fei's blood body trembled slightly, took a step forward and said, "Miss, the palace master of jimie palace..."

The second demon girl said, "hehe, I originally wanted you to compete for the throne of the palace master, but unfortunately, you have been imprisoned for so many years, and you have no chance." The voice was reprimanded.

Chi Feixue felt ashamed and said, "sorry, miss..."

The second demon girl said, "well, it's lucky that you were imprisoned and didn't reveal the secret of the God sealing tablet of the emperor of heaven. Finally, things didn't get to the worst."

Hearing this, ye Chen's eyes narrowed and said, "do you know where the tablet of the emperor of heaven is?"

The second demon girl saw Ye Chen's so solemn appearance and said with a smile, "why, little guy, do you also want to seal the God monument that day?"

Ye Chen didn't hide it, nodded fiercely and said, "yes!"

The tablet of the emperor of heaven, which is a magic weapon, brings great luck. If you can get it, the benefits can't be imagined.

Moreover, the last reincarnation xuanbei, named Tianbei, is extremely terrifying, and it is very difficult to accept it.

However, if we can accept the tablet of the emperor of heaven and worship God, it will be much simpler to refine it with this stone tablet as the foundation.

It can be said that if you want to refine the Tianbei, you must first accept the Tianjun Fengshen tablet!

Originally, the Danqing immortal sect knew the whereabouts of the Tianjun Fengshen tablet. Unfortunately, today's Tianjun Fengshen tablet has been contaminated by Wuwu evil spirit. Under the deterrence of Wuwu, the Danqing immortal sect cannot reveal the truth.

Therefore, ye Chen didn't know the whereabouts of the tablet of the God of heaven. Now hearing the second demon girl, he seemed to know the truth. Naturally, he was very excited.

The second demon girl covered her mouth with a smile, turned her eyes, and said, "if you want to know the whereabouts of the Tianjun Fengshen tablet, first win the first place in the merit war. Then, if you can get the first place, I'll tell you the whereabouts of the magic weapon."

Valley argon </ span> ; Chi Feixue looked stunned and said, "Miss..."

She never thought that the second demon girl was so good to Ye Chen that she even wanted to disclose the news of the God sealing tablet to him.

You know, the news of the Tianjun Fengshen tablet is extremely secret. She was tortured by people of the evil sect, and she never revealed anything.

But now, the second demon girl is very generous and wants to Tell ye Chen the whereabouts of the God sealing tablet.

"Fei Xue, you can protect this little guy until the merit war begins. You don't have to pay attention to other things."

The second demon girl said faintly.

Chi Fei said, "yes!"

The second demon girl nodded gently, and then Yufeng left.

Ye Chen looked at the back of the second demon girl leaving, and felt the mystery of this woman in her heart.

Such a mysterious woman actually wanted to be his concubine, which really made him feel a little dreamy.

"Lord of reincarnation, let's go."

Chi Feixue looked at Ye Chen, and her voice was slightly cold.

She is a top-level killer. She can remain humble in front of the second demon girl, but after the second demon girl left, her murderous intention and indifference in her bones reappeared.

Ye Chen nodded and said, "let's go."

This pool of imperial concubine blood, cultivation breath is extremely deep, ye Chen can't see through for a time, but it's sure that the other party is the strong one in the later stage of immeasurable realm!

Such a strong man, acting as his own bodyguard, even if Duobao Tianjun sends someone to hunt him down, ye Chen is not afraid, and can rest assured to experience.

At that moment, they flew up against the wind, and then Chi Fei's blood tore through the void, taking Ye Chen to the wild beast star.

Wild beast star, known as Tianwaitian world, is the most dangerous place.

Here, vast beasts are everywhere, birds of prey cover the sky, and there is a mysterious atmosphere hidden in the depths of the earth, which is a very dangerous world.

Ye Chen plans to practice here, will cut the sky nine swords, and cultivate to the peak.

Hoo

The void is broken, and the wind and cloud flow.

Ye Chen and Chi Fei's blood appeared above the wild beast star.

Overlooking the whole wild animal world, the mountains are continuous and boundless.

In those mountains, bursts of ferocious animal roars came, and occasionally a huge anti sky figure passed by.

In the sky, there is also a head of Raptor circling, suffocating.

Suddenly, a breath like a demon but not a demon, like a demon but not a demon, and so on, fell from the sky like a thundering sea, and rolled fiercely towards Ye Chen.

Ye Chen was surprised and looked up and saw a huge Kun Peng spreading its wings in the clouds.

This Kun Peng, surrounded by water clouds, is an ancient alien, with two pairs of golden wings on its back. On its golden feathers, there are circles of Rune totems flowing around, and every fan arouses a torrential storm.

This Kun Peng, who was extremely fierce, killed Ye Chen.

Ye Chen was waiting to fight back, but Chi Fei's blood shot.

The blood of concubine Chi congealed into a vigorous sword, and a sword was cut out like a ghost.

Chapter 8064

The huge Kun Peng, which was thousands of feet long, was killed by her sword, and was full of demon breath. In an instant, it collapsed, and its body was cut in two. The blood, like the river and sea, fell violently from the sky and turned into a heavy rain.

The fierce cry also rang out in the sky. The Kun Peng alien was killed on the spot, and two pieces of corpses fell down.

"Take the holy cup of human slaughter!"

Ye Chen's eyes were quick and his hands were quick. He immediately sacrificed the holy cup of human slaughter, and absorbed all the blood aura of the Kun Peng, but it was not refined by himself, but transferred to the blood dragon to devour it.

Hum!

The body of the blood dragon appeared on Ye Chen, devouring the blood of the Kun Peng xeno, and pieces of scales immediately flashed, and the breath advanced rapidly.

"Master, this place is full of prey, Daru!"

The blood dragon looked down at the wild animal world, couldn't help licking his tongue, and his eyes showed a burning look.

In this wild beast world, there are so many great beasts. Killing one at random and devouring refining are great tonics.

"Don't think too much. Keep a low profile. It's not certain who the prey is."

Chi Feixue made a cold voice and warned.

This wild beast world is extremely dangerous. There are many powerful beasts that can even borrow the breath of the world. Even she dare not make too much publicity, otherwise she will be besieged by giants, and there will be only a dead end.

Ye Chen nodded awkwardly, and then converged with the blood dragon and landed in the wild beast world.

Chi Feixue followed Ye Chen and acted as a bodyguard.

She won't do it easily unless ye Chen is in danger.

Ye Chen knew that someone was protecting him, so he had no worries about his future. Naturally, he let go of his hands and feet, and kept hunting fierce beasts with the blood dragon in the mountains and forests to improve his strength.

After hunting for a day like this, ye Chen and Chi Feixue found a cave to rest at night, and they barbecued an ancient giant cow to replenish their aura.

While resting, Chi Feixue suddenly moved her ears and flashed the killing machine in her eyes.

"What's the matter?"

Ye Chen felt the abnormality of Chi Fei's blood and asked.

"Someone is coming. It is estimated that it is the person sent by the emperor of Duobao."

Chi Feixue's voice was cold, and her eyes looked into the distance.

"Why didn't I feel it?"

Ye Chen was stunned for a moment. With his current cultivation, if someone approached, he couldn't be unaware.

"They cover their breath with dreams."

Chi Fei's blood path.

"Dream? The people of wanxu are coming?"

Ye Chen was immediately alert, and a trace of murderous spirit flashed in his eyes, instantly thinking of Mo Caidie.

Mo Caidie is the only one who can approach him silently by means of dreams.

This woman is really haunted.

Chi Fei's blood beautiful eyes twinkled a few times, made a quick decision, held a long sword, and said, "Lord of reincarnation, you don't need to panic, when they come, I will kill them all."

Ye Chen smiled and said, "I'm not in a panic."

After a pause, ye Chen said again, "Miss Chi, you hide first. The people sent by Duobao Tianjun must have their own means to protect their lives. I'm afraid it's not so easy for you to kill them face-to-face. Hide in the dark first, wait for the opportunity, and then take action, which is safe."

Chi Feixue heard Ye Chen's words, thought about it, then nodded, and secretly admired Ye Chen's mind.

At that moment, she hid in the nearby trees, like a ghost, integrated with the shadow of the night, and even ye Chen on the side did not catch her breath.

"This woman is worthy of being a top killer."

Ye Chen thought secretly in her heart, I don't know

Chapter 8065

Mo Caidie, Nie Gukuang and Fu Hongchen looked at each other. They only saw Ye Chen and didn't see Chi Feixue. They were a little strange in their hearts.

"What about the sinner?"

Fu Hongchen's uneasy feeling became more intense.

"Maybe it was left in the cave."

Mo Caidie's eyes were cold, but he didn't want to think too much. He said, "my dream secret can't be hidden for long. I'll kill that guy immediately!"

After that, Mo Caidie suddenly offered the sword of judgment and stabbed Ye Chen with a sword.

The energy breath of the sword of judgment burned violently, bursting out with incomparably bright white light, like the judgment of the end of the day, wrapped in a majestic momentum, and flew down in the air.

"Cut the sky nine swords, Daxia Longque!"

Fu Hongchen didn't want to think much, and he scolded in his heart. He showed the nine swords of cutting the sky, and the red dragon and sparrow sword Qi, followed Mo Caidie's sword of judgment, and cut fiercely towards Ye Chen.

"Demon Xinghai, suppress it!"

Nie Gukuang didn't talk nonsense. He slashed his long knife in the air, burning his blood and communicating with the demon star sea in the dark.

His blood is very special. He can communicate with everything and steal a trace of the energy breath of the demon star sea.

This trace of demon star sea breath gathered on his knife body, and the long knife cut violently. A dark knife gas, even with rolling magic power, also killed Ye Chen.

Space warps, laws collapse, clouds tear apart.

Ye Chen looked up and saw a magnificent scene.

The sword of judgment, beheading the sky Longque, and the demon crazy knife, these three fierce breath, with the great power of breaking the universe, are simply devastating, and want to frustrate him.

The night sky was completely illuminated by the holy white light, the red light of Longque, and the dawn of demons.

Ye Chen can clearly see the figures of Mo Caidie, Nie Gukuang and Fu Hongchen.

The cultivation of these three people is very strong, reaching the early stage of immeasurable territory.

Together, it was earth shattering.

Fortunately, ye Chen was ready, and immediately stepped out and shouted, "Lingxiao martial intention, Hongmeng starry sky, open!"

Ye Chen urged Lingxiao's martial intention, and then bloomed into a vast starry sky. His aura exploded, and he was ready to meet the sword that fell from the sky.

After absorbing Hongjun's fighting spirit, his own Lingxiao martial spirit and momentum are more terrifying. With the words of blood dragon, he is confident to block the joint attack of Mo Caidie and the three.

"Roar!"

The blood dragon roared and shook, burst out, and waved its claws, prompting the aura of the iron throne to lay layers of steel walls out of thin air, to resist the enemy's attack with Ye Chen.

Ye Chen alone, it must not be able to stop the attack of the three immeasurable strong.

However, with the blood dragon and the iron throne, it's enough!

Bang! Bang! Bang!

Mo Caidie's sword of judgment, Fu Hongchen's Longque sword Qi, and Nie Gukuang's demon crazy knife took the lead in impacting on that layer of steel giant wall.

The huge steel wall cracked, and ye Chen immediately gathered the power of the starry sky to resist with the blood dragon.

However, at this time, ye Chen caught a familiar breath.

That's the smell of the demon star sea!

Nie Gukuang's knife contained the evil spirit of the demon Xinghai.

Ye Chen felt this wisp of evil spirit, and secretly, he glimpsed a familiar picture of the secret of heaven.

In the picture, he saw a woman crouching in the corner of the demon star sea alone.

That woman is Sun Yi!

"Sun Yi..."

Ye Chen saw Sun Yi again, and couldn't help but be in a trance, completely stunned.

Boom!

At this time, Mo Caidie, Nie Gukuang, and Fu Hongchen's sword attack exploded in the air.

Without Ye Chen's help, the blood dragon couldn't resist completely, and all the huge steel walls were smashed.

"Master!"

The blood dragon shouted loudly. Under the fierce sword attack, the huge dragon body was also shocked and flew out.

The sword of judgment destroys the withered and decayed, and with the Longque sword Qi and the demon sword awn, it fiercely kills Ye Chen.

Ye Chen was still confused and trance, because he saw Sun Yi in the demon star sea again, and he completely fell into a dull state.

At this critical moment, a dark shadow flashed.

Ye Chen felt a soft body and hugged herself tightly.

That's Chi Fei's blood.

Bang!

Mo Caidie and other people's knife light and sword Qi, mercilessly cut on Chi Fei's blood back.

Chi Fei's blood trembled, her throat was sweet, and she vomited blood.

The blood stained Ye Chen's cheek.

Ye Chen instantly woke up.

"Damn, what are you doing?"

Chi Feixue gnashed her teeth and stared at Ye Chen with beautiful eyes.

She was still thinking that when ye Chen fought against Mo Caidie, she was waiting for an opportunity to make a move. Unexpectedly, ye Chen was at a critical juncture of life and death, and unexpectedly fell into a stagnation.

In a hurry, she rushed out to protect, and the Reiki defense did not fully unfold, which was equivalent to being hard hit by Mo Caidie and the three of them.

Even with her cultivation, she was seriously injured at this time.

The top killers usually attack and kill fiercely, but their physical strength is insufficient, and Chi Fei's blood is no exception.

"Miss Chi!"

Ye Chen regained consciousness. Seeing that Chi Fei's blood was injured, she felt guilty and hurried to use the eight trigrams heaven elixir, pouring a wisp of warm spiritual light into her body.

Chi Fei's blood breath recovered slightly, stood up, held the long sword in her hand, took a light breath, and proudly fluctuated slightly. Her clear and cold eyes looked at Mo Caidie and others in the sky, and her fingers gently passed over the sword.

"Chi Feixue, you sinner, your injury has been cured?"

Mo Caidie's beautiful eyes showed a trace of shock. According to the information of the wanxu temple, Chi Feixue was imprisoned and tortured by Duobao Tianjun, and was seriously injured. It is absolutely impossible to recover completely in a few days.

Even with Ye Chen's treatment, it is impossible.

There must be another expert hiding behind this!

Mo Caidie's hair was creepy. Naturally, she didn't expect that there was another one behind Chi Fei's blood

Chapter 8066

However, Chi Fei's blood ghost sword was too swift, and his defensive water curtain was quickly deployed, which could not stop Chi Fei's blood's sword.

Hiss!

Ghost swords were murderous and pierced the water curtain, cutting Nie Gukuang's massive body scarred and splashed with blood. He also fell from the air and fell heavily to the ground, causing smoke and dust all over the sky.

When Fu Hongchen saw that Chi Fei's blood ghost sword was killed, he also felt irresistible and hurriedly called out the gate of eternal life.

Hum!

A splendid and noble door, suspended in front of him, is the gate of eternal life.

Zheng Zheng!

Chi Fei's blood chopped on the gate of eternal life, making a sound like gold and iron fighting.

The gate of eternal life appeared one after another, but it was not destroyed.

This door, after all, is the magic weapon of Mo Zu Wutian, which is very powerful.

However, Fu Hongchen was seriously impacted, spitting out blood on the spot, hurriedly opened the door of eternal life, and ran away in great confusion.

Mo Caidie was the first to escape. Her situation was much better, but she was also attacked by more than a dozen ghost swords. In the crisis, she urged the Soul Eater to stop it, and ran away in a panic.

The sword of judgment was also thrown to the ground, and its body energy was exhausted and became extremely dim.

When Ye Chen saw Chi Fei's blood, he defeated Mo Caidie and his face shook slightly.

This woman is worthy of being a top killer!

You know, Mo Caidie, Fu Hongchen and Nie Gukuang are all the leaders of the younger generation, but they were defeated by Chi Feixue as soon as they met, which shows the strength of the latter.

"Unfortunately..."

Chi Feixue was very dissatisfied. Her timing was not good, so she only defeated the enemy and did not kill him in the end.

Even Fu Hongchen and Mo Caidie ran away, and only Nie Gukuang was shot down to the ground.

Ye Chen felt the blood of Nie Gukuang and faintly could communicate with the demon Xinghai. With Sun Yi in mind, he hurried over and turned Nie Gukuang's body over, trying to force him to ask something.

However, Nie Gukuang showed a bleak and resolute smile, cut off his meridians on the spot, killed himself and didn't give ye Chen any chance to torture.

Seeing this, ye Chen shivered and fell to his knees. Thinking of how Sun Yi was trapped in the sea of demons and stars, he didn't know what kind of suffering he would suffer. His hands couldn't help covering his cheeks. There were thousands of bitterness in his heart, and he couldn't vent it.

"Hey, what's the matter with you?"

Chi Feixue saw that ye Chen reacted abnormally, and Liu Mei frowned slightly and asked.

Ye Chen gritted his teeth, took a deep breath, reluctantly recovered his spirit, and said, "it's all right."

Chi Feixue was silent. She knew that ye Chen must have something to do, but she didn't ask much. "Our whereabouts have been exposed. Let's practice in another place."

Ye Chen shook his head and said, "no, I'm not in the mood. I'm going back."

Chi Feixue held the long sword and said, "where are you going back? I promised miss to protect you until the supreme meritorious war begins!"

Ye Chen originally wanted to return to the star moon world, but seeing Chi Feixue's resolute appearance, taking her back to the star moon world may expose the coordinates of the star moon world.

"Go to the realm of life and death."

Ye Chen thought for a while, then changed his mind and planned to return to the death field, which is the place where the hall of life and death is stationed.

"No matter where you go, I will protect you during this period."

Chi Fei's blood path.

Ye Chen nodded gently, and then left with blood dragon and Chi Fei's blood. The sword of judgment was also collected into the reincarnation cemetery.

.....

The void tears, and ye Chen returns to the realm of life and death.

Lord of the hall of life and death

Chapter 8067

.....

While ye Chen was thinking hard, the news of Mo Caidie and others' failure also spread back to the place of the evil sect of Zihuang fairy palace.

After hearing the news, Duobao Tianjun felt unimaginable.

"This is impossible!"

"Chi Feixue, the bitch, was tortured by our evil sect. Her injury will never recover without three or five years!"

"How can she recover? Even with the Lord of reincarnation treatment, it is impossible to recover so quickly!"

Duobao Tianjun couldn't believe it. Somehow, he felt that there must be someone else lying dormant behind it.

It's just that he never thought that that person was

Chapter 8068

"Your majesty!"

Mo Caidie was so shocked that she felt that her Qi was blocked and she couldn't move.

"The container of soul eating beads?"

Mo Xingtian looked at Mo Caidie and saw through her details with only one eye.

In Mo Caidie's body, there is a bead, which is the fragment of the legendary Wuwuwuwu artifact, a soul eating bead!

In this world, most of them have no artifact. They are in a fragmented state, and few of them are complete.

However, soul eating beads are very special.

Although this magic weapon is also in fragment state, there are only four fragments in total.

As long as you collect four pieces, you can get a complete artifact, which is even comparable to the treasure of the three emperors!

The biggest fragment is in Mo Caidie's body.

The feather emperor laughed and said, "yes, this girl is the container of the Soul Eater. If you kill her, you can dig out the Soul Eater. I don't know this reward. Can you please do it?"

Mo Caidie broke out in a cold sweat and shouted, "Your Majesty..."

However, the ancient emperor Yu Huang only regarded her as air.

Mo Xingtian's eyes were cold, completely regardless of her life or death, nodded to the Emperor:

"This reward is really enough, as long as it's not to kill the Lord of reincarnation."

The feather emperor laughed and said, "I just want to kill the Lord of reincarnation."

The demon torture god suddenly froze and said, "Lord of reincarnation, it's not easy to kill..."

The feather emperor said, "don't worry, I've been shaken by the Lord of reincarnation recently, and it seems to have been eroded by the demon star sea. Unfortunately, I've lost too much energy, otherwise I would have done it myself, and I don't need to ask you to do it."

Speaking of this, the ancient emperor Yu Huang gave Mo Caidie a loving look: "I love this girl very much. Now I sold it to you, and I'm dying of heartache."

Demon Xingtian just smiled and didn't answer, thinking, "in the world, who doesn't know you are the emperor, mean and ungrateful, who will you remember?"

Mo Caidie almost cried and said, "Your Majesty, don't leave me, you... You want to kill the Lord of reincarnation, I can work!"

The ancient emperor Yu Huang smiled silently, and did not care about Mo Caidie's cry, and said to demon Xingtian, "how about it? Demon Xingtian, can you take the Commission and kill the Lord of reincarnation for me?"

Mo Xingtian glanced at Mo Caidie, meditated for a moment, finally nodded and said, "I can do my best to kill the palace, but I can't guarantee success. After all, reincarnation is too terrible. You have chased the ruins for so long, and you haven't succeeded, let alone I kill the palace."

The feather emperor said, "as long as you try your best, this soul devouring pearl is yours."

With another push, Mo Caidie was pushed to Mo Xingtian, and said:

"The heart of reincarnation is shaken and eroded by the sea of demons and stars. This is a rare opportunity. You must grasp it!"

Demon Xingtian's eyes are slightly bright. If the reincarnation Taoist heart really shakes, he extremely destroys the palace and has a chance to kill.

Once reincarnation is exterminated, the great merit and good fortune of this day is enough to shine through the ages.

Thinking of this, the body of demon Xingtian also couldn't help shivering slightly and said, "don't worry, if the reincarnation Tao heart has really shaken, I will call him doomsday if I extremely destroy the palace!"

The feather emperor said, "well, in addition, you should be careful about the sin of Chi Feixue. After all, she is the vice leader of the jimie palace, just like you. Her cultivation is not trivial. If you don't eradicate her, it's impossible for you to kill reincarnation."

Evil Xing Tian hehe smiled and said, "it doesn't matter, I have a way to deal with that bitch."

.....

The realm of life and death, the palace of life and death.

Ye Chen took a rest and recuperated. Naturally, he didn't know the plot of the ancient emperor Yu Huang and Jimie palace.

Whether it's the ancient emperor Yu Huang or the Jimie palace, the murderous Qi of heaven is hidden very well, and outsiders can't find it at all.

Ye Chen was in the hall of life and death. After a few days' rest, his mood gradually recovered.

Although he still couldn't figure out why Sun Yi was trapped in the demon star sea, he had put down his obsession. After all, anxiety was useless. The truth of the matter would always be solved one day.

The most important thing now is to improve our strength and prepare for the supreme meritorious war.

As long as you win the first place of merit and virtue war, you can get the merit and virtue of atmospheric transportation, and you can also get the red flame nature pill to revive the goddess.

Even if you win the first place, you may not be qualified to see the moral God.

The moral deity is mysterious. In the era when Hongjun lived, he was the leader of Zihuang fairy palace. He has deep qualifications and rich foundation, which is unimaginable.

If you can see the moral God, many questions in Ye Chen's heart may be solved.

On this day, Ye Chen is still resting, the Lord of the hall of life and death

Chapter 8069

"Is there a soul devouring bead fragment?"

Ye Chen was surprised. There were only four pieces of soul devouring beads.

One is in the hands of the wanxu temple, one is in his hands, one is in the hands of the wild temple, and the last one is missing.

At this moment, in the sky, there is a weather of soul eating beads.

Can we say that the last fragment was born today?

Ye Chen's heart can't help but accelerate. The magic weapon of soul devouring bead is very strange. It has a strong restraining effect on the soul, and can even restrain his reincarnation holy soul heaven!

If you want to solve the problem of restraint, the best way is to completely grasp the soul devouring bead in your own hands!

At present, ye Chen has only one fragment in his hand.

Now, there are new fragments in the world, how can he not be moved?

"Brother ye, are you going to seize it?"

Chapter 8070

Ye Chen said, "it's a pity that you were caught by Duobao Tianjun. Even if you know the whereabouts of Tianjun Fengshen tablet, you can't find it."

Chi Feixue said, "yes... But I see what the young lady means now, it seems that she has given up fighting for the position of the palace master and wants to give you the tablet of the emperor of heaven..."

Ye Chen said with a smile, "if so, thank you, miss."

Tianjun Fengshen tablet, he also wants,
