### Chapter 8081

Hearing his words, demon Xingtian angrily said, "the task I received from jimie palace has never been canceled! Ren Feifan, don't dream!"

Hearing Ren Feifan's request, xingmiexie's expression on his old face was still calm and said, "it's the leader of the righteous sect of Zihuang fairy palace. Immortal Chongyang asked you to come? Do you want to destroy the plan of Duobao Tianjun?"

Ren Feifan didn't answer, but said, "you don't care who called me, I just want you to say a word, give up the chase of these two people, and I'll leave."

"Ancestor!" Demon Xingtian became impatient.

The disciples around also drew out their weapons one after another. General Ren Feifan, ye Chen and Chi Feixue were three people. The atmosphere was tense, and there was even a buzz in the depths of the palace, even the guard formation was opened.

Ye Chen and his three men were completely shrouded in the guard array.

Ren Feifang's face did not change color, and his steps gently took a step forward. A morning sun like light diffused from him, and quickly covered the entire jimie palace, and even the world thousands of miles around.

WOW!

In this world, huge trees are springing up from the ground, quickly turning the whole world of jimiegong into a forest.

In this forest, the Qi advantage of Jimiegong was suppressed to the lowest, and the power of the guard array was suppressed by this forest before it broke out.

"Sleeping forest? A great divine thing born from the Golden Wheel of the emperor of heaven? Xiao Fan, why do you have to fight so much?"

When Xing miexie saw this forest, his expression finally changed and showed a trace of surprise on his old face.

This huge forest, called the sleeping forest, is actually a great deity born from the Golden Wheel of the emperor of heaven.

Killing people in this forest will not expose all the traces of cause and effect and heaven's secrets, and all traces will fall asleep.

Ren Feifan uses the energy of the Golden Wheel of the emperor of heaven to summon the sleeping forest, which is obviously ready to kill.

This sleepy forest can cover up the traces of his action and not be found by outsiders.

Star destroys evil, demon Xingtian, and many killers. Over the sleeping forest, they also saw a floating giant whale passing by.

That's the weather of the giant whale tree.

Obviously, Ren Feifan has also integrated his magic weapon, the giant whale tree, into this forest, with a magnificent atmosphere.

"Xing miexie, if you don't want to give up chasing and killing, then I have to offend. In those years, you once pointed out my martial arts, and I will give you a happy."

Ren Feifang's tone was cold and exposed.

Xing miexie laughed and said, "at least we are friends. Why are we so rude? You want me to give up chasing, that's OK, but I have one condition."

Ren Feifan said, "what conditions?"

Xingmie evil way: "let's fight a move with pure martial arts and try a move without relying on any weapons and magic weapons. I want to see how big the gap between me and you is now."

These words were sincere, but both ye Chen and Ren Feifan caught a trace of danger.

Only compete in martial arts, without weapons and magic weapons. Xing miexie occupies the advantage of geographical advantage and Qi luck. He is likely to have an extraordinary opportunity to fight against Ren!

Ye Chen thought, "this old man is really insidious. There is a knife in his smile."

He wanted to remind Ren Feifan, but Ren Feifan gently raised his hand and stopped him.

"Xing miexie, if you want to simply compete in martial arts, it's OK, but I'm afraid that your bones are too old and you will be broken up by my palm, which is very bad."

Ren Feifan nodded gently and agreed to compete in martial arts.

Xingmiexie hehe smiled, and that kind expression was also completely restrained at the moment. Wild white hair fluttered in the wind, and his eyes were full of beast like light, saying, "if you can really kill me with one blow, I really want it."

Ren Feifang, expressionless, put the sleeping forest away, and huge trees retreated to the ground again. The giant whales in the sky were also hidden in the clouds.

"Master Ren..."

Ye Chen saw that Ren Feifan really put away the magic weapon, and he was a little worried.

Ren Feifan was still calm and said to the evil way of star extinction, "do it."

Xingmie evil way: "good! Xiao Fan, let me see how powerful you are!"

The voice fell, and Xing miexie blew out with a fierce punch.

"Ancient Shinto, crazy Lion King Kong fist!"

With a roar of drinking, the fist of the star extinguished evil, burst into thousands of feet of golden light, and turned into a powerful crazy lion. The roar of the lion sounded startlingly, shaking the sky and the sky, and the violent air waves rushed to the sky.

This is actually a non stepless martial art, which is spread from the ancient gods. It is powerful, powerful, powerful, and Qi swallowing thousands of miles!

Xingmiexie is old and strong. This fist is not like the martial arts of a killer, but more like a soldier, a veteran soldier. With the most surging will, it bursts out the most ferocious killing move.

Ye Chen, who was behind Ren Feifan, even gave birth to an illusion, as if the whole heaven and earth would completely collapse under the fist of Xing miexie.

"The old ancestor is mighty!"

The people of jimie palace, such as demon Xingtian, felt the fierce martial momentum of xingmiexie, and their hearts were boiling with applause.

In the eyes of demon Xingtian, there was even deep salivation and desire.

He wanted to inherit the martial arts of xingmiexie, but it was a pity that xingmiexie never gave it.

After all, the killer is a dark path of sneak attack and assassination. The real martial art never disdains sneak attack and conspiracy, but is dignified and magnificent.

At this moment, the ancient divine martial arts displayed by Xing miexie, crazy Lion King Kong fist, is the real powerful and magnificent authentic martial arts.

As Xing miexie came with a blow, Ren Feifan's hair was also stirred up by the fist wind.

However, his expression was always indifferent and calm. Despite the storm in front of him, he was as stable as a mountain without any change.

"Emperor Ji Dao, Xi emperor thunder seal, broken!"

When the fist of Xing miexie was only three feet away from Ren Feifan, he finally shot.

A startling thunder shook the world, and the sun of heaven and earth was covered. Terror was like the end of the day, with thunder everywhere and lightning like the sea, surging.

Ren Feifan raised his palm and shook the world like thunder, firmly grasping the fist of Xing miexie.

This palm shows the perfection of the nine heavenly gods' skill, Xi Huang's thunder seal!

Even at this moment, Ren Feifan's Xihuang thunder seal has broken through the limits of the original Hongjun martial arts, and integrated his own perception, as well as the perception after taking charge of the Golden Wheel of the Heavenly Emperor. A simple palm has the majesty of the celestial emperor and the extreme way to kill.

The fist of Xing miexie was completely held by Ren Feifan and could not move a penny.

The furious Xihuang thunder light, with the terrible power of exploding the universe, severely bombarded the xingmiexie body.

Xing miexie's face changed wildly, and he felt a burst of paralysis and pain all over.

Chapter 8082

His fist turned out to be a wild lion, which was also subjected to extraordinary suppression and issued a unwilling roar.

He was completely shocked. He didn't expect that Ren Feifan's martial arts would be so strong.

In fact, in the heart of Xing miexie, he had already killed him. He called Ren Feifan to compete in martial arts. He wanted to kill him completely by relying on his own geographical advantage and Qi advantage.

But I didn't expect that Ren extraordinary martial arts was too strong.

Even if you don't use weapons and magic weapons, let extraordinary's own martial arts be enough to easily crush the stars and eliminate evil spirits. Even if the latter occupies the advantage of geographical advantage, it is useless.

Click click!

Under Ren extraordinary's palm, the fist of Xing miexie made a crushing sound.

He bit his teeth, trying to burn blood essence and fight to death.

"You lost."

However, at this time, Ren Feifan took a step back in air, stopped at a good time, was calm, and his voice was still indifferent and calm.

Xing miexie was stunned for a moment. Looking at Ren Feifan's leisurely posture, after a burst of absence, he laughed and said in a voice mixed with resentment and helpless admiration: "Xiao Fan, you won!"

Looking at Ren Feifan's relaxed posture, he obviously didn't use his full strength.

If xingmiexie still insists on fighting, it's just humiliating.

"Lao Zu..."

The disciples of demon Xingtian and many jimie palaces, seeing the result of this fight, were difficult to accept.

They didn't expect that in the territory of jimie palace, they couldn't beat Ren Feifan.

Ye Chen and Chi Feixue were delighted to see Ren Feifan win.

Ren Feifan said, "star destroys evil, can you agree to my request?"

Xing miexie severely clenched his teeth, nodded and said, "well, I'm willing to admit defeat. I promise you. From then on, I will kill the palace and will no longer pursue the Lord of reincarnation or Chi Feixue." His eyes looked at Ye Chen and Chi Feixue.

Demon Xingtian shouted, "don't! Even if my jimie palace is completely destroyed, I can't violate the task of the gold Lord! This is the rule you set!"

Jimie palace is extremely trustworthy. For millions of years, no matter what task it takes, it will complete it to the death. Unless the gold Lord voluntarily says to give up, jimie palace will never give up and never die!

It is precisely because of the credit of Jimie Palace and its will of immortality, such as tarsal maggots, that this organization is famous in the world, and no one wants to be targeted by Jimie Palace.

But now, Xing Miexie has to give up the entrustment of the Gold Lord and no longer chase Ye Chen and Chi Feixue, which makes the demon Xingtian completely unacceptable, and the Taoist heart has been affected.

Xing Miexie waved his hand faintly and said, "Xing Tian, needless to say, the rules are set by people. You can just implement them."

After a pause, Xing Miexie looked at Chi Feixue again, his eyes were a little complicated, and said, "Feixue, will you come back?"

Chi Fei's blood body trembled slightly and kept silent for a while, then she bowed her head and said, "Lao Zu, demon Xingtian plotted to harm me. My subordinates and confidants were killed and bribed, and I can't go back."

Xing Miexie looked at Chi Feixue and demon Xingtian, sighed and said, "Alas, it's all my deliberate connivance, thinking of fighting each other to determine the real strong, but Xingtian's means seem to be a little too much."

Hearing the tone of Xing Miexie, demon Xingtian's eyes suddenly sank, but he didn't dare to argue.

Xing Miexie said: "Xing Tian, return the dusk moon of imperial concubine's blood to her. From now on, you are the Lord of my extreme extinction palace, and I will pass on my martial arts mantle to you."

Hearing this, Mo Xingtian could hardly believe his ears and said in a trembling voice, "Grandpa, are you serious?"

He took great pains to inherit the martial arts of Xing Miexie and take charge of Jimie Palace, but he couldn't do it.

But at this moment, Xing miexie actually promised everything. This huge surprise completely stunned demon Xingtian.

Xing miexie nodded, and then hehe smiled and said, "I have secretly investigated and found the whereabouts of the Tianjun Fengshen tablet. After you inherit my martial arts, you will go to seize the Tianjun Fengshen tablet. Whoever dares to rob you, you will kill anyone."

When talking, Xing miexie's eyes looked at Ye Chen intentionally or unintentionally.

Ye Chen's face sank, and he immediately caught the killing opportunity of Xing miexie.

This star destroys evil. Although on the surface, he gave up chasing him, he was always unwilling to lose to Ren Feifan.

In the future, I'm afraid that Jimie palace will be an extremely thorny enemy for the battle of the God tablet of the emperor of heaven!

Evil Xing Tian also heard the meaning of Xing miexie, and now giving up chasing Ye Chen doesn't mean you can't kill him.

If Ye Chen also wants to rob the tablet of the God of heaven, he can kill it, and it is not against the agreement.

"Yes, grandpa!"

Demon Xingtian responded respectfully, then took out a scroll and threw it to Chi Feixue, saying, "Chi Feixue, you are no longer the person of my Jimie palace, you go!"

Chi Fei's blood took the scroll and opened it. There was a dusk moon sealed in the scroll, which was her great deity.

The dusk moon was regained, and the blood of concubine Chi was mixed.

With a trace of gloom, the magic punishment Tianmu light looked at Ye Chen and said, "boy, you took my God, the dark star. Sooner or later, I will ask you to spit it out. It's not your thing!"

Hearing the threat of demon Xingtian, ye Chen shrugged his shoulders, but he didn't care about it, and said, "come if you can."

Chapter 8083

Seeing ye Chen's posture, demon Xingtian's eyes were angry, but Ren Feifan was on the side, and he didn't dare to attack, only snorted coldly.

"Come on, it's time to go back."

Ren Feifan whispered that the trouble had been solved, and jimie palace promised not to chase Ye Chen anymore. It was time to leave.

At present, ye Chen, Ren Feifan and Chi Feixue left the world under the gaze of jimie palace.

After leaving the jimie palace, Ren Feifan suddenly asked Chi Feixue, "are you from the scattered Protoss Chi family?"

When Chi Feixue heard Ren Feifan's question, her delicate body trembled and froze for a while, then nodded and said, "yes... I'm from the scattered Protoss Chi family. Our family fled in those days, and now I'm almost dead. The ancestor of the family passed the dusk moon to me. If it weren't for the protection of the dusk moon, I might have died."

Ren Feifan nodded gently and said, "I see, no wonder"

Chapter 8084

The relationship between the demon emperor and ye Chen is very important to the reincarnation camp. Naturally, he cannot be allowed to fall.

At present, Ren Feifan sacrificed the Golden Wheel of the emperor of heaven, and ye Chen also released the yellow spring diagram, and the reincarnation blood burned.

Hum!

The golden light of the Golden Wheel of the emperor of heaven and the light of Ye Chen's reincarnation Dharma converged into a torrent and rushed into the body of the demon emperor.

The demon emperor snorted stiffly, frowned tightly, and the evil spirit on his body was finally diluted under the joint suppression of Ye Chen and Ren Feifan, temporarily out of danger.

"Ye Chen, Ren..."

The demon emperor opened his eyes, his eyes became clear again, and when he saw Ye Chen and Ren Feifan, they were beside him, and his heart was immediately full of gratitude.

"Master devil, are you all right?"

Ye Chen hurriedly asked.

The demon emperor's face sank and felt a little, but he found that the soul was still deeply rooted in the body and did not melt at all.

"I can't die yet."

The devil didn't want Ye Chen to worry, detour.

Ren Feifan said, "his soul is always in danger."

Ye Chen's expression is also dignified, indeed, although previously in the world of sentient beings, with the help of the Buddha of truth, the crisis of the demon emperor's soul species has been greatly dissolved, making the soul species shrink.

However, that kind of soul just shrinks and does not completely disappear.

This residual soul seed has now become the fatal danger of the demon emperor!

If you want to solve the lost soul species, unless it is mo Zu Wutian himself.

However, devil Zu Wutian is trying to kill devil emperor, how can he be let go?

Everyone was worried and silent. Suddenly, in the void, a demon will burst out, bursting into a cold and dignified voice:

"Lord of reincarnation, if you want the demon emperor to live, come to our sword gate and we will talk face to face."

That's the voice of demon Zu Wutian!

Hearing the voice of demon Zu Wutian, it sounded in the star and moon world, shaking thousands of mountains and valleys, ye Chen and others were immediately surprised.

"Demon Zu Wutian, what on earth do you want to do?"

Ye Chen gritted his teeth and asked.

"If you come to Jianmen, you can talk about all the problems."

The demon ancestor had no balance and said quietly.

Ye Chen's face is slightly distorted. Jianmen is the territory of demon Zu Wutian. If he rashly steps into it, isn't it a sheep into a tiger's mouth?

"You want to negotiate, why don't you come to the star moon world in person?"

Ye chendao.

"The initiative lies with me. You are not qualified to bargain with me. Come or not. Hehe, the devil will not last long."

The demon ancestor's will was boundless, and suddenly burst out a strong demon gas. The demon emperor, who had just eased a little, snorted again at the moment, and there were signs of runes and corpses on his body. He was extremely painful, and almost fell to the ground.

"What do you want to talk about?"

Ye Chen's face sank and asked.

"You can talk about anything you want. As long as you come in person, I can swear with my heart that I won't hurt you. We're just negotiating. If the negotiation fails, I can let you go."

Mo zu Wutian was open-minded. It seemed that he really only wanted to negotiate, not to fight.

Ren Feifan laughed and said, "OK, Wutian, if you want to negotiate, I'll go with Ye Chen and talk to you."

The demon ancestor had no way of heaven: "no, you can't come. How domineering you are, I'm afraid I can't accommodate you because my Jianmen temple is small."

After a pause, Mo Zu Wutian said again, "Lord of reincarnation, you can only bring Wu Yao alone at most."

"Miss Wu Yao, in terms of seniority, I can be regarded as your martial uncle. I held you when you were a baby."

Wu Yao heard the words of Mo Zu Wutian, but felt disgusted and afraid. She hid behind Ye Chen, pulled the corner of Ye Chen's clothes, and shouted at the sky, "no, you are a bad person, I don't like you."

Mo Zu Wutian smiled and said, "well, you've been bewitched by reincarnation, and you've become someone around him. I don't blame you for your obsession. Come on, come with reincarnation, Jianmen, and I also want to see you."

Ye Chen and Wu Yao looked at each other, and then looked at Ren Feifan.

Ren Feifan said, "since he swore with his heart that he wouldn't hurt you, you go. If this guy really doesn't keep his word, I'll come and help you."

Ye Chen nodded, and his heart was also very worried about the situation of the demon emperor. Now if he wants to solve the spiritual crisis of the demon emperor, he can only negotiate with the demon ancestor Wutian.

"Well, Mozu Wutian, let's talk. I'd like to hear what you want to talk about."

Ye Chen promised to come down.

Demon Zu Wutian said, "well, Lord of reincarnation, I have arranged a banquet in the sword gate. Come here now."

Ye Chen looked at Wu Yao, the demon emperor, Ren Feifan, ye Yishen, Xia Ruoxue and others, and his heart was always a little uneasy. He didn't know what the devil Zu Wutian wanted to do.

"Grandpa, master Ren, I'm going." Ye chendao.

"Go." Ren Feifan nodded gently, and he also wanted to know what the devil Zu Wutian wanted to talk about.

"Sister Wu Yao, let's go."

At that moment, ye Chen said goodbye to everyone, took Wu Yao, tore the void, and rushed directly to the world of Jianmen.

Hiss!

The void is broken, and ye Chen and Wu Yao's bodies appear over the world of Jianmen.

The whole world of Jianmen suddenly boils with the arrival of Ye Chen.

Ye Chen looked around and saw that there were flowers and rain everywhere in the world of Jianmen, in the sky and on the ground, with rainbow lights shining everywhere. One by one, there were welcoming Taoist children and Taoist women, and there were many guard of honor disciples, beating gongs and drums, celebrating.

Obviously, Mo Zu Wutian also prepared carefully for ye Chen's arrival. At least on the surface, the etiquette is very considerate.

Chapter 8085

People who didn't know the inside story thought that ye Chen and Mozu Wutian had a happy relationship between the host and the guest, but they didn't expect that they had a confused gratitude and resentment.

Ye Chen and Wu Yao, holding hands, walked to the gate of Jianmen mountain.

Along the way, pedestrians welcomed, scattered flowers and applauded:

"Welcome the Lord of reincarnation and the Lord of mercy!"

"Reincarnation for thousands of years, mercy for thousands of generations!"

Wu Yao saw the lively scenes around, and also showed a little girl's joy. In her heart, she didn't hate the demon ancestor Wutian so much.

Ye Chen and Wu Yao, surrounded by many welcoming disciples, finally came to the sword gate.

In order to welcome Ye Chen, the Jianmen is obviously carefully decorated, with lights and decorations, which is very festive and lively. The magic ancestor Wutian can be said to have given enough face.

"Lord of reincarnation, Lord of mercy, welcome you two!"

Zhang Qingyu, the leader of Jianmen sect, came out to meet him with many elders and elite disciples.

Ye Chen saw Fu Hongchen, the head of the seven sons of Jianmen, in the crowd.

However, Fu Hongchen has been avoiding Ye Chen's eyes and dare not look directly.

After all, he had chased Ye Chen with Mo Caidie and Nie Gukuang of the ghost king world before, and the contradiction between the two sides was still there, which was obviously not so easy to resolve.

Ye Chen nodded slightly and didn't say anything more. He followed Zhang Qingyu and stepped into the sword gate.

After entering the Jianmen, another team came out to meet Ye Chen. The first one was a handsome young man in black, who was Guichen.

"Brother ye..."

GUI Chen saw Ye Chen coming, and his expression was quite complicated.

Previously, in the wanxu temple, he had fought side by side with Ye Chen. Unfortunately, even so, the two sides could not resolve their grievances in the end.

Between Mo Zu Wutian and ye Chen, there can only be immortality. Today's negotiation cannot really usher in peace.

"Thank you for the matter of wanxu before."

Ye Chen looked at GUI Chen with some complicated eyes and thanked him.

GUI Chen was silent for a moment, but he also knew that there was no possibility of reconciliation between the reincarnation camp and the Wutian camp. His voice was slightly sad and said, "brother ye, you go in, and Lao Zu is waiting for you."

Ye Chen nodded and entered the inner hall of Jianmen hand in hand with Wu Yao.

In an ancient and magnificent hall, there are jade tables. On the jade table are all kinds of delicacies, wine and mash. Beside them, there are graceful singers dancing, and the sound of silk and bamboo is clear and sweet.

On the north side of the hall, there was a strange and terrifying man in black. His long hair was scattered, white bone lotus blossomed all over his body, and the magic runes flashed. He just broke his left arm, and a pair of beads no longer existed. His eyes were empty, which made people feel creepy at a glance.

This is Mozu Wutian!

Ye Chen was surprised when he saw the demon ancestor Wutian.

He knew that the left arm and eyes of demon Zu Wutian had been transferred to Gui Chen, and the two merged.

However, he was still a little surprised to see that the shape of demon Zu Wutian really became so weird and terrifying.

On the surface, the physical body of demon Zu Wutian has been very decayed. In the previous war of flail cutting, he was severely defeated, and the physical wear and tear is even more serious.

Now, from the surface of the demon ancestor Wutian, you can no longer feel the slightest dignity, only the strange dark, twisted and grotesque atmosphere.

However, when ye Chen's divine consciousness touched the boundless divine consciousness of the demon ancestor, a surge of majesty like a mountain torrent, as high as heaven and earth, as big as the sun and moon, came overwhelming.

Although the demon ancestor Wutian's body is decayed, his divine consciousness is extremely strong. After many changes, his divine consciousness is even stronger than before!

This decaying body was almost unable to hold his divine consciousness and soul, so he decided to gradually integrate with Guichen.

As for the demon emperor, it is naturally a good container, but he has always stood on the side of the reincarnation camp, and he can't get it. He can only take risks and integrate with Guichen.

In the understanding of Wutian, it is naturally very dangerous to integrate with Guichen.

Once the Buddha and the devil blend, the Buddha's goodness prevails, and his consciousness is likely to be submerged!

"See my grandfather!"

GUI Chen, Zhang Qingyu, Fu Hongchen and many other Jianmen figures came to the hall and saluted the demon ancestor Wutian in unison.

Mo Zu Wutian nodded gently, and everyone sat down in different seats.

Ye Chen and Wu Yao are arranged to the first seat, which is closest to the magic ancestor Wutian.

"Lord of reincarnation, I'm all right. I haven't seen you for a period of time. Your cultivation has improved again."

Mo Zu Wutian's empty eyes scanned Ye Chen.

Then, he looked at Wu Yao again and said with a smile, "Miss Wu Yao, you are so old, and the heavenly daughter is not as beautiful as you."

Wu Yao didn't speak, and was close to Ye Chen, looking at Mo Zu Wutian with vigilance.

Ye Chen said, "demon Zu Wutian, don't mention polite words. What's the purpose of your negotiation with me? What do I need to give you before you are willing to let the demon emperor go?"

This remark was straight to the point, and ye Chen directly explained his intention.

The atmosphere in the hall was also tense and serious. All the singers stopped dancing and retreated silently.

Mo Zu Wutian listened to Ye Chen's words, only smiled, took a drink from his glass, and said, "you really value love and righteousness to the demon emperor. Alas, he always refuses to take refuge in me, so I can only use the killer."

Ye Chen's face was slightly distorted and said, "if you really want to move the killer, there is nothing to talk about between us!"

Mo Zu Wutian laughed and said, "Lord of reincarnation, don't be impulsive. You can talk if you want."

After a pause, Mo Zu Wutian changed his posture, leaned back on the chair, and said slowly:

"If you want me to let go of the demon emperor, you can hand over the soul devouring bead."

Ye Chen was stunned when he heard the condition of demon Zu Wutian.

The soul devouring bead is a non stepless artifact, and ye Chen has got two pieces, which is naturally impossible to hand over easily.

The more important reason is that soul devouring beads can restrain spirits!

Once demon Zu Wutian gets the soul devouring bead, ye Chen is in danger. Even if he has the protection of reincarnation holy soul day, he may not be able to stop it, because he is restrained!

"What do you want the Soul Eater for?"

Ye Chen asked in a deep voice, if the demon ancestor Wutian wanted general magic weapons, even the wish star, the boat of sin, the sword of judgment, and so on, he could trade.

However, soul devouring beads must not be traded, otherwise these sharp weapons will kill themselves in turn, and even the reincarnation holy soul day can't stop it, and the restraint effect is too fierce.

The demon ancestor Wu Tiandao said, "I need soul devouring beads to devour the self-consciousness of returning to dust, so that I can safely integrate with him."

As he spoke, the empty eyes of Mo Zu Wutian looked at Guichen again.

Guichen looked heavy, but there was a sad idea of determination. It was obvious that he had already known the plan of demon Zu Wutian.

Chapter 8086

Zhang Qingyu, Fu Hongchen and others around were also listening in silence. They all knew the news in advance.

Demon Zu Wutian wants to trade with Ye Chen and get the soul devouring bead.

Soul devouring beads have the effect of soul devouring and can devour human consciousness.

As long as the soul devouring bead is in hand, the demon ancestor Wutian can devour the will to return to dust, but retain the deep-seated good subconscious.

In this way, he will integrate with Guichen again, that is, the perfect integration of Buddha and devil, the unification of good and evil, and his will will not be affected.

Hearing this, ye Chen also felt that this was a perfect plan, but he had to sacrifice Guichen.

"Guichen, are you willing to devour your consciousness like this?"

Ye Chen looked at Guichen and asked.

"Brother ye, the Buddha said, cut meat and feed eagles. I was originally the incarnation of my ancestor. My consciousness does not belong to me. Now I return it to my ancestor. It is also a perfect virtue. I can rest in peace."

GUI Chen folded his hands and read a Buddha's name in his mouth. He was determined to sacrifice himself to perfect the devil ancestor Wutian.

"Demon Zu Wutian, you are so bad! How can you take others' lives to meet your wishes?"

Wu Yao, who had been silent, couldn't help scolding angrily when she heard the words of Mo Zu Wutian at this time, and was very angry.

"Hehe, I gave him his life. Now I want to take it back. What's wrong?"

Mo Zu Wutian smiled, and didn't care about Guichen's life at all. He only cared about himself.

Guichen heard the indifferent words of demon Zu Wutian, and a burst of sadness, bowed his head and said nothing.

Ye Chen said in a deep voice, "as long as you are willing to let go of the demon emperor, I can give you any magic weapons, even the Iron Throne and the holy cup of human slaughter, but not the soul devouring beads!"

Mo Zu Wu Tian's expression froze. He didn't ask why, because he knew the reason.

The magic weapon of soul devouring bead is too special. It can restrain the spirit and is unique in the world.

Other magic weapons can't hurt Ye Chen's spirit, but this soul eater can.

Because of this, ye Chen refused to trade.

Mo Zu Wutian was silent for a moment, and then said in a cold voice, "Lord of reincarnation, I know your scruples, but I don't want other magic weapons, I just want to devour soul beads!"

"You give me the Soul Eater, and I will immediately dissolve the soul seed of the demon emperor. From now on, we will not owe each other, and we will fight again in the future. The winner depends on everyone's ability."

Ye Chen's voice was also cold and said, "what if I don't give it?"

This sentence fell, and outside the hall, a guard rushed into the hall, all armed and murderous, blocking the exit.

"Do you want to break your promise and kill me here?"

Ye Chen looked at the strong guards around, and his face immediately changed.

Mo Zu Wu Tian said in a deep voice, "no, since I swore that I wouldn't hurt you today, I wouldn't hurt you. But if you don't take out the Soul Eater, you can't leave easily."

The voice fell, and Mo Zu Wutian suddenly bent his fingers, and a wisp of black energy shot out like a sword, but it did not point to Ye Chen, but to Wu Yao.

PA!

The black energy hit Wu Yao's left shoulder.

Wu Yao uttered a cry, and her aura poured out like a burst of the dike. She couldn't stop. She soon turned pale and her body was cold. She fell into Ye Chen's arms and shouted, "brother Ye Chen..."

His voice trembled, like a person frozen in winter.

"Sister Wu Yao!"

Ye Chen exclaimed and hugged Wu Yao tightly. She felt that her body was cold, her aura and essence were constantly passing, and even her life was passing.

"Demon Zu Wutian, what have you done!"

Ye Chen was so angry that he stared at demon Zu Wutian.

The demon ancestor was calm and said, "I have clicked her death cave. My elder martial brother said that his future martial arts magic power, passed on to Wu Yao, is probably not perfect, and there will be a death cave."

"This dead hole is the shoulder well hole on her left shoulder. As soon as she is hit, her aura will disperse, and even her life will disappear and fall completely."

Ye Chen hugged Wu Yao and felt her body getting colder and colder. Her life was irretrievably moving towards the passage, and her heart suddenly thrilled and angry.

He didn't expect Wu Yao to have a death hole on her, and he didn't expect Mo Zu Wutian to break his promise.

"You said not to do it, you dare to hurt Wu Yao, then we have nothing to talk about, fight to the death!"

Ye Chen was so angry that he took out the emperor's holy knife directly, and his reincarnation will explode. In his heart, he called Ren Feifan and ye evil god, ready to fight to the death with the demon ancestor Wutian.

Seeing ye Chen's furious posture, the guards and the disciples of Jianmen were shocked, and all drew out their weapons, only Guichen or empty handed.

"Brother ye, Lao Zu, calm down, calm down!"

GUI Chen came out, stood between Ye Chen and Mo Zu Wutian, looking anxious, and said, "Lao Zu, didn't you say that you and brother ye are only negotiating today, and won't do anything?"

Mo Zu Wutian said lightly, "I said not to hurt the Lord of reincarnation, but I didn't say not to hurt others."

At this moment, ye Chen was indeed not attacked by demon Zu Wutian. The person attacked was Wu Yao.

"Lord of reincarnation, if you don't want Wu Yao to die, then hand over the soul devouring beads obediently. We still have room for negotiation." Demon ancestor has no way of heaven.

"Are you threatening me?" Ye Chen was furious, holding Wu Yao in one hand and the emperor's holy knife in the other, and his eyes were colder and resentful than ever before.

Chapter 8087

"Lao Zu, what's the meaning of playing this kind of word trick? How can you break your promise?"

GUI Chen's voice was pathetic, and he suddenly came to Ye Chen's side. His left palm patted out and hit Wu Yao on the shoulder with a slap.

Wu Yao's death cave was immediately untied, and the spirit of a thousand miles stopped flowing.

Ye Chen was in a hurry, and it was too late to think more. He bowed his head and kissed Wu Yao's lips, crossing his reincarnation Qi.

Wu Yao woke up faintly, his face ruddy again, staring at Ye Chen blankly.

GUI Chen's left arm was originally passed on from the body of demon Zu Wutian, so he knew the way to solve the acupoint and saved Wu Yao.

As soon as Wu Yao woke up, ye Chen was afraid that she would be plotted again and pulled her behind him.

"Guichen, what are you doing!"

Seeing that Gui Chen dared to destroy his plan, Mo Zu Wutian was furious and could no longer keep calm.

"Laozu, I don't want to resolve your gratitude and resentment with reincarnation. However, even if you attack reincarnation, you should be honest and upright. What's the meaning of playing this kind of literal trick and using indiscriminate sneak attack methods? If it's spread, isn't it ridiculed?"

GUI Chen stood up and said in a loud voice, with a touch of sadness in his voice.

Mo Zu Wutian was furious. With a bang of his right palm, he broke the jade case in front of him, and said gnashing his teeth, "why do I need your advice when I do things? You get back!"

Guichen looked determined, and still stood between the demon ancestor Wutian and ye Chen, vaguely maintaining Ye Chen, saying:

"Lao Zu, if you insist on fighting, you have to kill me first."

"You!" The demon ancestor has no weather and is full of smoke.

In the hall, a group of Jianmen figures, looking at GUI Chen's argument, were also completely silent.

To tell the truth, today's incident, sneaking attack on Wu Yao and coercing Ye Chen, is indeed the wrong thing for Mo Zu Wutian, but no one dares to say except Guichen.

"Good, good!"

Mo Zu Wutian was angry for a moment, and recovered a little calm, saying:

"You said that attack reincarnation should be aboveboard. If I fight aboveboard, will you do your best?"

GUI Chen's body shook and became silent.

Mo Zu Wutiandao: "you are still indecisive and dare not take action? Then you are not qualified to stop me!"

GUI Chen took a deep breath, and seemed to have finally made a decision, saying, "Lao Zu, if you are willing to fight a decisive battle in a dignified manner, I will naturally stand on your side, and I will reincarnate for you with my own hands, but I must be fair, just as the heavenly daughter treats Ye Chen."

At last, GUI Chen glanced back at Ye Chen.

His eyes are those passed on by demon Zu Wutian.

At this moment, ye Chen felt an unprecedented sense of war from Gui Chen's eyes. It was an inevitable sense of war, forced by fate.

After all, he couldn't help himself.

Hearing the word "hand blade reincarnation", Mo Zu Wutian looked very happy and said, "well, well, this is what you said. I'm old. If I want to deal with the Lord of reincarnation, I can only play conspiracy. You're still young and undamaged. If you want to defeat the Lord of reincarnation, I'll answer you."

After a pause, the demon ancestor Wu Tian looked at Ye Chen and said, "Lord of reincarnation, you can go. Within a month, I will send someone to commit suicide to the star moon world. Since the

negotiation fails, I will see you on the battlefield, and I will kill you myself and seize the soul devouring bead. I don't need your gift."

These words are tantamount to a declaration of war.

GUI Chen has made it clear that as long as it is a decisive battle, he will do his best with all his heart.

Demon Zu Wutian also immediately changed his strategy. He wanted to kill Ye Chen openly. He would do what wanxu couldn't do, because he had the sharp blade of Guichen.

Under the integration of Buddha and devil, Guichen can communicate with the demon star sea in the dark.

Once one of the four highest artifacts, the majesty of the demon Xinghai comes, it will be the end of reincarnation!

Ye Chen heard the declaration of war by demon Zu Wutian, his face sank, and asked, "what about the demon emperor?"

Mo Zu Wutian laughed and said, "our negotiation broke down today. Do you want the result? Go back and prepare for him!"

Hearing this, ye Chen's expression suddenly stiffened.

"Come and see off!"

Mo Zu Wutian decided to wave his hand. Since he decided to start the war, there was no need to talk about it again.

People in the hall looked at each other and were worried.

Once the public showdown, it is difficult to say who will win.

Reincarnation is too terrible. Think of wanxu, the ancient emperor Yu Huang is on his own territory. Even the ancient sword of sin has been sent out, and ye Chen can't be killed.

How can it be so easy to crush reincarnation?

Behind the reincarnation, Ren Feifan, Wu Yao and ye Yishen are all good people.

Thinking of the war, death and injury are inevitable, and everyone is panic.

"Brother ye, let me send you."

GUI Chen was gloomy. Finally, he personally sent Ye Chen and Wu Yao out of the sword gate.

The three men walked around the Jianmen mountain, each with his own thoughts, and were silent.

Ye Chen knows that the next time he meets GUI Chen, it will be the real battle of life and death.

After walking for a long time, GUI Chen finally opened his mouth and broke the silence, saying, "brother ye, there are other ways for you to dissolve the remaining souls of your lord the devil."

Hearing this, ye Chen perked up and said, "what else can I do?"

Guichen said, "pure heart snow lotus, with pure heart snow lotus, you can dissolve all evil Qi and evil Qi."

Ye Chen asked, "pure heart snow lotus?"

Guichen said, "well, it's a kind of natural treasure in the flood and famine era, which is extremely precious. Now only Zihuang fairy palace can be planted, and it often takes several centuries to mature. The moral God uses the aura of pure heart snow lotus to dissolve the anger of the fire."

Ye Chen said, "do you have pure heart snow lotus?"

GUI Chen reluctantly said, "of course I don't have it. The medicine is too precious. I've only heard the legend that even the moral God is reluctant to take out the pure heart snow lotus and give it to outsiders."

"Since the past dynasties, the prizes of the supreme meritorious war have been extremely rich, even without artifact, but there is no pure heart snow lotus."

Ye Chen frowned after hearing GUI Chen's words.

If GUI Chen didn't cheat him, this pure heart snow lotus is really rare.

Even in the supreme meritorious war, this kind of thing has never appeared in the prizes of all dynasties, and it is obviously regarded as a treasure by the moral God.

"I heard that Ren extraordinary Immortal Emperor has great powers. He may know how to get pure heart snow lotus. You can go back and ask him." Return to dust again.

"OK, thanks a lot."

Ye Chen nodded and said goodbye to Gui Chen. At the moment of parting, both of them were a little sad.

"Brother ye, when we meet next time, I will try my best to fight you. I plan to bury you with the demon Xinghai. Be careful."

GUI Chen was very honest, and even said his future means to deal with Ye Chen in advance.

## Chapter 8088

Ye Chen smiled bitterly and said, "OK, I know, I'm going."

Guichen said, "Hmm!"

At that moment, ye Chen left with Wu Yao and returned to the star moon circle.

GUI Chen looked very complicated and watched them leave.

.....

Soon, ye Chen and Wu Yao returned to the star moon circle safely.

Ren Feifan, ye Yishen, the demon emperor and others had already sensed the change of heaven, and they were relieved to see ye Chen returning safely.

"The negotiation broke down?"

The demon emperor asked in a deep voice. He was the center of the vortex and was most concerned about the outcome of the negotiation.

But looking at Ye Chen's expression, it seems that it is not going well.

Ye Chen nodded silently and said, "Mo Zu Wutian doesn't want to negotiate again. He wants to attack me directly..." he simply said what happened in Jianmen.

It was inconceivable that everyone heard that demon Zu Wutian was going to attack the star moon realm within a month.

"No one dares to come. There is only one way out."

Ren Feifan snorted, showing his domineering posture in his words. He really has the qualification of arrogance.

In the star moon realm, the reincarnation camp takes full advantage. Even if the ancient emperor feather comes, it is impossible to destroy reincarnation. How can the demon ancestor Wutian do it?

Ye Chen did not dare to relax and carelessly said, "that Guichen can borrow the power of the demon Xinghai, but it can't be underestimated."

After a pause, ye Chen said again, "Guichen told me that if you want to solve the remaining soul species of the demon emperor, you can also rely on a kind of medicine called pure heart snow lotus."

Hearing the name of pure heart snow lotus, Ren Feifan frowned and said, "pure heart snow lotus, it's not easy to do. It's something that the moral God regards as the lifeblood, and it's a necessary thing to dissolve the anger of fire. He can't take it out."

The demon emperor smiled and said, "it doesn't matter. Life and death are destiny. If I can't survive this disaster, it's fate."

Ren Feifan pondered for a moment and said, "you are an important existence of the reincarnation camp. I can't watch you die. Just let me talk to the moral God and ask him to put the pure heart snow lotus into the supreme meritorious war as

Chapter 8090

But now, ye Chen saw Sun Yi's figure, and his heart was burning. Regardless of the consequences, he rushed directly into the sea of demons.

WOW!

Under the gaze of countless eyes, ye Chen broke into the demon star sea, opposite Guichen.

"Where is Sunyi?"

Ye Chen's face twisted and shouted.

"Brother ye, I don't know that woman. I only know that she is the one you cherish."

"I don't know why she was trapped in the demon star sea. It has nothing to do with me, and I don't have that much ability."

"I'm just lucky to use the power of the demon Xinghai to see everything behind."

GUI Chen took a step back, shook his head and explained in a slow voice.

"As long as I kill you, I can spy on the demon star sea at any time and see Sun Yi?"

Ye chendao.

"Yes, if you can kill me and devour my orthodoxy, you can get the power of the demon star sea, peep into all secrets, and even your spirit can break through the limitations of reality, go to the demon star sea, and hug and communicate with the girl named... Sun Yi."

GUI Chen didn't hide anything. He said he would fight ye Chen openly, so he wouldn't cheat and hide.

After hearing GUI Chen's words, ye Chen's heart was surging and turbulent. He only remembered Sun Yi in his heart, and he wanted to mobilize his aura to kill GUI Chen.

However, the next moment, ye Chen was surprised to find that his aura was very difficult to operate, as if it had been sealed and suppressed.

Ye Chen calmed down and immediately found that his situation was very dangerous.

At this time, he has gone deep into the demon star sea, which is equivalent to the territory of Guichen.

The advantage of favorable weather, location and Qi of the star moon circle cannot play a role here.

Ye Chen looked down and saw Ren Feifan, ye Yishen, Wu Yao and others were extremely nervous and wanted to come to the rescue, but they were blocked by the seal of the demon Xinghai.

With any extraordinary strength, it is natural to break the seal by force, but the problem is that ye Chen is in the demon star sea. Once the seal is broken by force, ye Chen will also be backfired and dangerous.

This demon star sea is like an independent arena, completely isolated from the outside world.

Ye Chen is alone in this arena, facing GUI Chen and others.

"Brother ye, your reincarnation blood and Qi are very strong. I need to use the demon Xinghai as the challenge arena to ensure the fairness of the fight. I hope you don't mind."

GUI Chen's sincere words didn't hide the killing behind this sincere words.

Ye Chen felt that the nature of returning to dust was getting colder and colder than before, and couldn't help laughing:

"Very good. It seems that the integration of you and Mozu Wutian is getting smoother and smoother."

He looked at Guichen carefully and found that Guichen's height was a little higher than before, and his breath was particularly strong.

Obviously, in addition to his eyes and left arm, his integration with the demon ancestor Wutian went further.

Devil Zu's boundless legs have been transferred to him, integrated with his fresh and young body, bursting out with more powerful power and indomitable.

Now the cultivation atmosphere of Guichen can at least be comparable to that of tianwaifeixian. Coupled with the sea of demons and stars, the real combat effectiveness can only be described as strong.

Under normal conditions, ye Chen can defeat Luo Jinxian on the second floor of immeasurable realm, but facing
