Chapter 81

Xia Ruoxue was completely confused when he heard this sentence.

When did she become Ye Chen's woman?

What's more, although they had slept with each other for a night, they didn't do such a shameful thing. How could she have children?

If ordinary people insulted her like that, she would have slapped her in the face.

Xia Ruoxue raised his head and saw Ye Chen's firm and comforting eyes.

In a flash, she came across.

Ye Chen is helping her.

If he is pregnant, or if he is no longer a virgin, the man will not accept her at all.

Marriage will not exist at that time!

But why did ye Chen help himself? Did he think about the consequences of doing so?

This is equivalent to offending two top families!

Ye Chen is really helping Xia Ruoxue. He didn't want to interfere in the affairs of Xia family, but each other's tears fell on his hands, and his heart softened.

he could feel as like as two peas of Helen's snow.

It's not the most important thing.

Most importantly, she found that Xia Ruoxue's forehead had been covered with a trace of blood.

It's weak, but there's a trend.

He thought of the old man's account, at all costs to prevent Xia Ruoxue's accident.

This is also a big event for him to come to Jiangcheng.

Ye Chen affirms that if Xia Ruoxue returns to Jiangnan province today, the blood light will surely accelerate!

It may be really gone!

At present, he had to leave Xia Ruoxue in Jiangcheng at all costs, so he said that.

At the moment, not far away from the summer mother's whole face is black.

Wanbao's daughter had no relationship with her in Jiangcheng!

What's more, I'm pregnant!

What about the engagement!

That man's anger, their Xia family can't bear it at all!

They are the real martial arts family!

Xia mother clenched her fist and suppressed her anger in her heart. She could hardly control her emotions. Finally, her eyes fell on Ye Chen.

Hehe, a sportswear.

Ordinary and rubbish.

It's estimated that the children who can dress like this are the children of ordinary families.

However, she also noticed some bags in Ye Chen's hand.

Armani?

I guess it was a fake somewhere.

Even if this guy can afford Armani?

This brand may be a symbol of identity in the eyes of ordinary people, but in her eyes of Xia family, it is just a miscellaneous brand!

There are countless young talents in Jiangcheng. Even if the youth in front of her is the most top-notch existence in Jiangcheng, she can't get into her eyes!

My daughter has come to Jiangcheng for so many years, but her vision is so poor?

Even this kind of junk?

Xia's mother held her chest in both hands and turned her eyes to Xia Ruoxue. She asked, "if snow, is this boy's words true or false?"

Xia Ruoxue blushed, and ye Chen helped her. Naturally, she could not show her horse's feet and said, "Mom Ye Chen and I are sincere... "

Although summer mother has already had psychological preparation, but in hearing this sentence, or mentality explosion.

His daughter, who has been carefully protected, has been tarnished by an unworthy thing!

Damn it!

"First, Ruoxue, go back to Jiangnan province with me now, and I will arrange for the doctor to kill the child.

Second, you can't leave Xia's house for half a step! This is an order! As for the engagement, I'll try again.
"

Xia's mother looked at Ye Chen again, and her cold voice rang out again: "boy, your name is Ye Chen, right? I don't care what kind of identity you are in Jiangcheng, leave Ruoxue for me immediately. The rules of the world can't be touched by the garbage at the bottom.

My baby daughter is not something you can get your hands on.

You don't want to climb to my summer home through ruoshue! My Xia family will never admit your existence!

Also, if you insist on your own way, I promise, you will harm yourself and your parents! The strength of my Xia family is enough to make you never turn over! "

Threats.

Naked threat!

This is the strength of Xia family, despises all families in Jiangcheng! You can even despise all the families in Jiangnan province!

Ye Chen's eyes are slightly narrowed, and he hates the other party's speaking to him in such a lofty tone.

"You should be glad that you are ruoshue's mother, otherwise you are already a corpse."

The faint voice of Ye Chen falls, not murderous, but let summer mother feel a trace of cold.

Naturally, she would not think of the reason for ye Chen, but felt that the temperature of the shopping mall was too low.

Xia Mu snorted coldly and said, "boy, are you threatening me? Do you know who you're talking to? Do you know the origin of the Xia family you are facing? "I don't think you've even heard of Xia's family in Jiangnan province? May I ask you again, have you heard of Huaxia Tianyuan Group or Xia style consortium? "

Xia mother saw Ye Chen did not have the slightest reaction, disdain in the heart is particularly prosperous.

A person can understand the information determines the height of this person! Obviously, I don't touch the ceiling of Jiangcheng.

How can this kind of person match the gold of her Xia family!

She continued: "since you don't know all these things, I'll tell you in another way that you always know the Chu family, the first family in Jiangcheng. If the master of the Chu family sees that I will also kneel down!"

"Mom, don't say it." Xia Ruoxue really can't listen. She knows that Ye Chen is an ordinary person. Her mother's ridicule and suppression of Ye Chen will inevitably cause trauma to Ye Chen's heart.

This kind of blow will make Ye Chen depressed and even unable to raise his head all his life.

Her eyes some worried fell on Ye Chen's body.

Ye Chen smiles, eyes are not a bit dim, but full of confidence.

He took a step forward and faced Xia's mother. Then his temperament changed. It seemed that the whole person had the courage to surpass everything and overlook all living beings.

This spirit is what he has accumulated over the past five years.

Built on countless bodies.

"Auntie, you have no idea what kind of existence you are talking to."

Ye Chen's voice is very light and light.

I don't know why, Xia's mother subconsciously stepped back. She found her momentum completely broken in front of the boy.

This kid's breath is very familiar at the moment! It's like standing in front of her is the awe inspiring existence in Jiangnan province!

How could it be?

At this moment, she even felt that the boy in front of her was a little too hard to see.

"Auntie, in your eyes, I may be as small as dust now. But give me half a year, I Ye Chen will let you understand what is really unattainable

"If snow, let's go."

Haven't wait for summer mother reaction come over, ye Chen then pull summer if Snow's hand to leave.

After a long time, Xia's mother woke up.

Her back is completely wet!

Even for a moment, she almost fell on her knees.

"How could this boy..."

She quickly took out her mobile phone, broadcast a number, then said: "help me investigate a person, his name is Ye Chen, Jiangcheng people, recently and ruoshue frequent relations."

Chapter 82

Outside Wanda Plaza.

Xia Ruoxue finally reacts and quickly breaks free of Ye Chen's hand.

Her face flushed, if those entrepreneurs in Jiangcheng saw it, she would be shocked.

"Ye Chen You don't have to... "

Xia Ruoxue nibbles at the red lips and looks at Ye Chen with smart eyes. She finds that ye Chen is serious and looks pretty handsome.

In particular, the feeling of talking to her mother just now made her heart beat violently.

Ye Chen looked at Xia Ruoxue and said, "don't think about it. I didn't do it just for you."

Xia Ruoxue some doubts, not for her, but for others?

She Mou son a turn, guess is leaf Chen's self-esteem is at work.

"By the way, ye Chen, I apologize for what my mother said to you just now. She is just like this. She values interests very much, but her heart is not so bad."

"I see." Ye Chen quickly stopped a taxi, sat down, and the summer snow outside, "you should have a driver, I don't care about you, I still have something."

Finish saying, the car disappeared in summer if Snow's sight.

Xia Ruoxue is a little confused. Is this guy not willing to stay with a beautiful woman for another second?

She had also wanted to ask why Ye Chen and his mother said about the half year agreement, he is a common people, what ability to shake the Xia family?

But just in the moment inside, she was almost cheated by the momentum of Ye Chen.

But now looking back, what ye Chen said is just a big story.

Make Xia family in Jiangnan province unattainable?

How could it be!

If you can trace back the details of the Xia family for a hundred years.

How can it be achieved in half a year with the strength of one person?

Giving him a hundred years is the same result.

Even if ye Chen had the support of a great man, he was destined to look up to Xia family in Jiangnan province.

Think of here, Xia Ruoxue even worried about ye Chen's safety.

Offend Xia family, if that person knows again, can he bear to live?

No, I can't. I can't hurt him.

Xia Ruoxue's head flashed a light, and quickly called Sun Yi.

.....

And in the taxi, ye Chen is lost in thought.

In fact, Xia Mu's words are not unreasonable. The power of force is far from enough.

He needs to build his own power.

And one force is far from enough!

There must be two forces!

The king of Nanjiang is in the dark, but the light needs another one.

Since Tianzheng Group is the painstaking efforts of his father, he should tremble the whole Chinese nation with his father's painstaking efforts.

"Master, go to longyuewan villa."

.....

Longyuewan villa area, Shenjia villa.

The taxi stopped slowly.

Ye Chen got out of the car and saw Shen Haihua's family waiting at the door.

Shen Haihua has just received a call from ye Chen. Although he is confused, he still comes downstairs to meet him.

"Mr. Ye, why are you here?" Shen Haihua said respectfully.

"Find a quiet place and I'll tell you more about it."

"Yes, Mr. Ye."

Shen Haihua takes Ye Chen to the reception room of the villa.

Several people take a seat, looking at Ye Chen with some doubts. They don't know what ye Chen is going to do.

Not long, ye Chen took out the document, along the table, pushed to Shen Haihua in front.

Shen Haihua was stunned. Of course, he knew what was on the document

But how long has this just passed, ye Chen actually finished?

He opened the document on the table in disbelief and found that Zheng Jingming's signature and fingerprints were all on it!

"How could it be!"

His eyes are full of horror!

He knows Zheng Jingming, how the old fox is willing to give up Qinghe group!

All of a sudden, the screen of his mobile phone lit up, and a news just came out.

"News flash: there was an unknown explosion on the top floor of Qinghe group, and the fire was under control. However, Zheng Jingming, the founder of the group, was buried in the fire at the age of 52. The cause of the explosion is being investigated by the police..."

Shen Haihua stares at Ye Chen, who is sitting not far away.

He is sure that ye Chen did all this!

Ye Chen killed Zheng Jingming?

It's too simple and violent.

He can't help shivering behind him. All along, his understanding of Ye Chen is just a top-level doctor, but he didn't expect that the other side is far more terrible than he thought.

According to his knowledge, the internal security of Qinghe group is extremely tight, and there are experts from Qingmen. It is impossible for ordinary people to step into the top floor.

But ye Chen did, not only killed Zheng Jingming, but also came out intact!Is this guy still human!

He suppressed his shock and said to Ye Chen, "Mr. Ye, the first problem is solved, but the second problem is more and more serious. Qingmen naturally knows this matter, and then..."

Before Shen Haihua finished speaking, ye Chen interrupted him and said, "I have solved the second problem! I just want to know, in three days, can you really win Qinghe and change its name to Tianzheng Group? "

What! The second problem is solved?

Shen Haihua is not calm. Zheng Jingming may be able to cope with some problems. After all, the other party is a businessman, but Qingmen is the underground force of Jiangcheng!

Even the police and the official forces can not control, how to deal with Ye Chen alone.

After a while, another voice came from the mobile phone. With a lesson from the past, Shen Haihua took a subconscious glance.

It doesn't matter if he doesn't aim at the news, his face is pale to the extreme!

Although this news is very obscure, but as a businessman's sense of smell, he certainly knows something!

Qingmen, as the biggest underground force in Jiangcheng, no longer exists!

And all this, come too coincidentally, let him have to suspect is not far away youth do!

One day's time has not arrived, ye Chen actually solved these two big problems!

Shen Haihua suddenly felt a little lucky. Fortunately, he made up his mind to stand on the same boat with Ye Chen from the beginning.

If he becomes an enemy accidentally, his life and even Beiming group will end up in the same way.

He calmed down and said cautiously, "Mr. Ye, give me three days. I will do this for you!"

"Good." Ye Chen is very satisfied with Shen Haihua's answer.

All of a sudden, he thought of Xia's mother's words and said, "Mr. Shen, do you know Huaxia Tianyuan Group and Xia's consortium?"

After hearing Ye Chen's words, Shen Haihua almost stopped his heart. Mr. ye would not swallow these two Chinese giants.

This is not the same level as Qinghe group.

Don't say that Qinghe group can't swallow it. There are few groups in China that can swallow it!

"Mr. Ye, you are..."

Ye Chen saw the astonishment of Shen Haihua's eyes and said with a smile: "I have a friend who mentioned it today. I'll ask casually."

Shen Haihua breathes a sigh of relief. He has been floating in the mall for so many years. He is still in a good mood. When he meets Ye Chen, he doesn't get up.

Chapter 83

"Mr. Ye, if I guess correctly, your friend is Xia Ruoxue, President of Huamei group. Her identity is not a secret, but from Xia family in Jiangnan province."

Ye Chen is still surprised that Shen Haihua knows Xia Ruoxue's identity.

It seems that the reason why Huamei group has grown so fast in recent years is still Xia Jia.

Only these two words are enough for Jiangcheng enterprises to fear.

"Mr. Ye. The status of Xia family in Jiangnan province is very terrible. I don't know much about it. But Tianyuan Group, as I've heard, is a giant. It controls almost one-third of the economic lifeline of Jiangnan province. As long as Tianyuan Group wants to, the whole economic lifeline of Jiangcheng may be controlled by them! "

"As for Xia's consortium, I have heard of it. They are controlled by the state group and its three kinds of assets behind the scenes. They are also controlled by the state group, which is more mysterious than that of the former group.

What's more, they seem to have a strong background above them, which is said to be even more terrible than the Xia family. "

Ye Chen heard the above background, the first time he thought it was the Wudao family.

According to the information he has learned recently, some families have some connections with martial arts strong men.

It is the same in Jiangcheng. The families in Jiangnan province will only rely more on the Wudao family.

At present, ye Chen's forces of martial arts and Taoism can be controlled by the king of Nanjiang, but the economic forces can only be operated by himself.

Ye Chen doesn't know business at all. Even if he does, he doesn't have time to build this empire.

His eyes fell on Shen Haihua in front of him.

This is his first patient in Jiangcheng. He is also an ally. He has saved his life and should be one of the people who will not betray him.

Moreover, the other party is a founder of the group, who is familiar with the rules of the market, and is undoubtedly the best candidate.

Ye Chen pondered for a few seconds and suddenly said seriously, "Shen Haihua, what is your dream?"

Shen Haihua was stunned. He even wanted to laugh. How could this tone be similar to the teacher in the good voice?

But when he saw Ye Chen's expression so serious, his smile instantly convergence.

He's 50 years old. What else can he dream of?

Even if there was, he couldn't have done it.

He once wanted to build Beiming group into the first group in the world, but the reality threw cold water on him. He could only guard Jiangcheng.

Finally, Shen Haihua shook his head and said to himself, "I'm over 40 years old. What else can I dream of? Dreams are your young people's things."

Ye Chen's fingers gently knocked on the table, and suddenly stopped. His eyes twinkled with a light way:

"I'll give you a sword, do you dare to take the whole China!"

Shen Haihua suddenly said with a smile, "Mr. Ye, you can't point to Tianzheng Group, do you? To tell you the truth, Beiming group is much better than it. "

Ye Chen shook his head and said seriously: "Shen Haihua, I ask you, if Tianzheng Group wants to have the power to swallow up Xiajia consortium within half a year, what things do you need?"

Hearing this, Shen Haihua's eyes are a little frightened. Ye Chen has such a big tone that he really wants to swallow up the Xia family consortium. How can it be possible?

The key is still half a year. Are you kidding!

He wanted to laugh at Ye Chen, but when he saw that the other side was so serious, he could only say: "first, it needs the greatest support of the government or the support of the state. Second, under the protection of a force similar to Qingmen, this force is more than 100 times stronger than that of Qingmen. At least the power covers the whole Jiangnan province! Third, super profitable products and diversification. "

Ye Chen is lost in thought.

Naturally, he has a way out of the government line. Bailibeng's father seems to be some kind of leader. Try to pull her in.

Nanjiang is not a problem! After all, the king of Nanjiang controls the whole underground world of Jiangnan province!

As for the third one, it is more simple. He has numerous prescriptions. Isn't medicine a super profitable one?

But can you make sure that all of these things can be changed to me in half a year

Shen Haihua subconsciously feels that ye Chen is talking big. Only one of these three conditions is terrible. How can ye Chen give himself all of them?

But he thought of the collapse of Qingmen and the death of Zheng Jingming, as if there was a voice in his body telling him that ye Chen could really do it.

Before he could react, ye Chen took out another pill and put it on the table. He said, "if you want, this pill is a gift for meeting. It can prolong your life for 50 years."

Hearing those words, Shen Haihua was short of breath.

This is 50 years of life extension!

Countless people dream of existence!

Can ye Chen cheat him? Of course, it's impossible. He can even save his dying man! What's fifty years worth. Shen Haihua's eyes were red. Regardless of his image, he grabbed the pill on the table and took it directly. Then he said excitedly, "Mr. Ye, I will! As long as you give me those three things, I will certainly make Tianzheng Group an existence that no one shakes

Ye Chen nodded, then pushed the door toward the outside: "three days later, Tianzheng Group see, as for those three things, someone will contact you."

Ye Chen is gone.

Shen Haihua stares at Ye Chen's far away back. He knows that his fate of old death in Jiangcheng has been completely changed.

The young man took him on a huge ship.

The destination of the giant ship is not Jiangnan province or Huaxia, but the whole world!

.....

Leaving longyuewan villa area, ye Chen is in a good mood. He believes Shen Haihua can help him establish his first power.

When the time comes, what will the Xia family calculate in his eyes?

If the Xia family knew about the relationship between Nanjiang king and himself, his face would be more and more ugly.

Ye Chen originally planned to return to Dadu apartment, but just received a phone call. Sun Yi's younger brother had surgery today.

He went to the hospital and met Dr. Qiu again. With Dr. Qiu's arrangement, he naturally came to the operating room easily and had some acupuncture. Sun Yi's younger brother was hardly in any trouble.

He was just about to leave the hospital when he met Sun Yi, who was in a hurry.

To his surprise, in addition to Sun Yi, Xia Ruoxue also came?

What is this operation?

"Ye Chen, why are you here? Are you coming to see my brother Sun Yi was surprised.

Ye Chen can only explain: "I don't know Dr. Qiu. He told me to come. My brother-in-law has an operation. Naturally, I want to be a brother-in-law."

Sun Yiqiao blushed and quickly said to Xia Ruoxue, "Mr. Xia, don't get me wrong. Last time ye Chen pretended to be my boyfriend just to get angry with my relatives..."

Xia Ruoxue stares at Ye Chen with interest and says coldly: "of course I won't misunderstand him. Ye Chen pretends to be a good boy friend. Don't mention that this guy's peach blossom is very prosperous recently."

Chapter 84

Xia Ruoxue this is a typical saying, let Ye Chen quite helpless.

Xia Yi and her boyfriend are pretending to be in front of him.

Fortunately, there is a huge gap in the status of their parents, so there should be no possibility of cheating.

Ye Chen didn't intend to stay in the hospital, so he said to Sun Yi, "since I have seen your brother, I will not go in any more. Go back to the apartment directly. Xiaoyizi, remember to come back to cook. I haven't eaten your braised pork for a long time. "

As soon as he was about to leave, Sun Yi stopped him.

"Wait a minute."

Ye Chen footstep stops to live, turn head of doubt: "how?"

Sun Yi handed Xia Ruoxue a key in her pocket, and then told ye Chen, "since you want to go back, you can take Xia Ruoxue by the way."

Ye Chen even more doubts: "take her to do what? She has a villa of her own. What is she going to do in our house

Xia Ruoxue came to Ye Chen with long legs and explained: "the group has been taken over by Xia family for the time being. As for my villa, it is my mother's property, and I can't go back."

Ye Chen has a kind of ominous premonition: "you won't want to live in Dadu apartment. No, there are only two rooms. I won't squeeze a bed with you. You have money anyway, so it's the same to live in a hotel."

Sun Yibai glanced at Ye Chen and said, "Ye Chen! What dream do you have in the daytime? Do you want to squeeze a bed with Mr. Xia? These days, she and I sleep together! Besides, that's my family, not ours... "

Ye Chen helplessly shook his head: "OK, have seen the parents, what you say is what."

Sun Yi:

After explaining everything, Sun Yi went to the hospital in a hurry.

Only Ye Chen and Xia Ruoxue are left in place, and the atmosphere is somewhat quiet.

Xia Ruoxue took the lead in breaking the atmosphere and said to Ye Chen, "you don't have to look at me like this. I don't want to squeeze a bed with Sun Yi. Xia's patience is even more terrible than you think. They have taken control of everything I have

"The group's funds have been completely controlled, my bank card has been frozen, and I have no access to any source of funds.

Even I don't plan to go back to take the things in the villa. They are all from the Xia family.

However, the good news is that the Xia family will not take me away for the time being, but they are going to consume me in this way. Until I can't stand it, I will go back to Xia's home.

My personality is too cold, resulting in few friends these years, the only few people I know are threatened by the Xia family, and I can not have any financial exchanges. So, Sun Yi's apartment is the only place I can go. "

"What's more, I'm no longer the president of Huamei group. Do you want to take care of me?"

Ye Chen heard this sentence and sighed.

It's not always good to be born in a big family. They can give you a superior life, and they can completely destroy your life.

Even if she has a job in jiangxue, she will not even find a job with her.

But three days later, Tianzheng Group is employing people. Why not use Xia Ruoxue?

Others fear Xia family, does not mean that he Ye Chen will be afraid!

He looked at Xia Ruoxue's delicate and perfect face and laughed: "OK, from today on, I'll take care of you. Go back to Dadu apartment."

.....

The two took a taxi, but did not go directly back to Dadu apartment.

Xia ruoshue doesn't even have clothes and trousers to change, so she has to go to the shopping mall to buy some.

Ye Chen originally planned to take her to Wanda, but Xia Ruoxue obviously didn't like it, so she asked the taxi driver to go to an international department store called digking.

This department store should be the place where Xia Ruoxue usually buys clothes.

Ye Chen doesn't like shopping, and doesn't plan to carry a bag to Xia Ruoxue. She directly gives Xia ruoshue a bank card and password, so that she can buy it and come out again.

He found a chair at the door and sat down.

Although there is a lot of money in the card, ye Chen is not worried at all. This money is no different from drizzle in the eyes of Xia Ruoxue.

Bored, ye Chen smoked at the door, thinking about how to go next.

"It's you!"

After a while, a surprised voice sounded in his ear.

Ye Chen slightly frowned, raised his head, and saw Chu shuran, whom he had not seen for a long time.

Chu shuran is tall and tall. She is wearing sexy clothes. At the moment, she is looking down at Ye Chen who is smoking.

Since the last incident in Yuhao club, Chu shuran went to the club several times and even brought some experts to look for the waiter who insulted her at the beginning.

He never saw the waiter again.

Obviously, the waiter left early. In Chu's view, she was afraid of the threat.

But the anger in her heart was always there!

She is the daughter of the Chu family, why are you so arrogant as a waiter? What's the reason for this?

She could even see a red handprint on her buttocks when she took a bath.

It's not gone for days!

She thought she'd never find the asshole again, but she didn't expect him to show up again!

"You dare to stay in Jiangcheng. Now you don't have Yuhao club to support you. I think you have something to rely on!"

Ye Chen didn't pay attention to each other's plan, put out the smoke in the hand, but a trace of ash accidentally fell on Chu shuran's high-heeled shoes.

Chu shuran's cold and proud face is full of anger. What she hates most is that the guy in front of her looks indifferent!

This guy has been in Yuhao club for so long, don't you know what the Chu family means in Jiangcheng?

Chu shuran stretched out her hand, pointed to the ash on her shoes, and said in a cold voice, "get down, lick the ash on my feet, and then I broke my hand that day. My Chu family will give you a way to live."

Her voice was full of pride and coldness.

Words fall, Chu shuran behind then appeared two masters, two thin, eyes with a trace of cold kill.

Ye Chen takes a glance and finds that the two people's inner strength is at its peak, and even they haven't arrived at the half step realm.

Although the chuchen is better than the garbage.

He looked at Chu shuran with interest: "so many years, you haven't changed at all. God has given you a beautiful skin bag and a heart of a bitch

Chu shuran's eyes widened. She didn't expect that the garbage from the bottom of Jiangcheng city would dare to say she was a bitch!

Die!

Knowing that she was not ye Chen's opponent, she took a step back and looked at the two people around her and said, "take this eyeless thing to the car! Besides, he's a bit of a martial artist. You'll come together. "

"Yes, miss." The two spoke in the same voice.

The next second, two people step out, such as the tiger down the mountain momentum, respectively toward the key to Ye Chen a punch to go! Boxing style carries a trace of energy, speed to the extreme.

What they have to do is to knock the man in front of them and lose their fighting power.

At the moment when his fist was about to touch the man, an invisible force suddenly blocked him in front of him!

They were astonished to find that their strength of hundreds of Jin actually solidified!

Even their bodies seem to be controlled by a pair of big hands.

Then, the man slowly raised his head.

And then They saw a pair of eyes with endless killing and evil intention

Like the God of death with a sickle staring at the helpless prey in the dark

It's cold.

Fear.

It's on both of them.

Chapter 85

At this moment, the two Chu masters were really afraid.

They've never seen a look like this.

One look, they are bound to everything.

A look, as if to decide their life and death!

Chu shuran, who was behind her, felt something wrong and said angrily, "why don't you start! Don't you understand me! Get him for me

But only silence and indifference answered her.

Those two masters of the Chu family really have a hard time. Just trying to explain, a cold and piercing voice suddenly fell down!

"Kneel down!"

They stare at the man in front of them in horror!

I don't know what magic the other side's words have. They feel a terrible force as if it fell from the sky!

It hit them right on top of their bodies.

"Bang!"

Gradually, their knees twisted, their bones seemed to break, and they could no longer hold on, "plop!"
One, two people kneel directly in front of Ye Chen.

They can't even lift their heads!

Like submission!

What the hell is this!

Chu shuran was confused behind her.

Completely confused.

She clearly let these two Chu masters take the boy, how on the contrary they knelt down!

And kneeling toward this humble waiter?

Shame!

They are martial arts experts invited by the Chu family from Jiangnan province!

Although not martial arts master, but also not the existence of ordinary people can resist!

"What the hell are you doing? Get up!"

Chu shuran felt greatly humiliated in general, madly want to pull two people up, but found that their own strength is small and unbearable!

She thought of what, staring at Ye Chen.

Surprised.

Anger.

Of course, she doesn't think it's done by the other party. If the other party has the strength, what kind of club's waiter will he do?

"You two trash, get up! Why kneel at the bottom of the garbage! "

The next second, a big hand directly held Chu shuran's throat.

The feeling of cold suffocation directly attacked Chu shuran's heart.

She found that the man in the chair stood up, and her body was almost in the air.

Chu shuran is going crazy.

This guy How dare this guy do this to her!

And in front of so many people on the street!

She could feel a cold sense of death enveloping her.

"You Unexpectedly Dare to move me The Chu family... "

"Pa!"

Ye Chen slapped the past with a backhand!

Chu shuran's mouth directly appeared a blood! The red print is clearly visible.

Her whole brain was blank.

In this Jiangcheng land, how dare someone fan her Chu shuran?

She is the Pearl of the Chu family, the first family in Jiangcheng!

From small to large, her family background, her appearance, are enough for all people in Jiangcheng to look up to!

She has a high qualification!

She has the right to be a waste!

As long as it's what she wants, there's nothing she can't get!

But since she met this guy, she's found everything has collapsed.

The other party not only dares to start, but also dare to slap her in the face!

Doesn't this guy know how to write death?

Offended the Chu family, how can he get a foothold in Jiangcheng! Can he bear the fury of the Chu family!

She didn't have much oxygen to breathe. Her face turned red and even turned green.

As long as the other side wants, her life can end here!

At this moment, she was afraid.

I'm really afraid.

The other side is a devil!

All of a sudden, a cold word sounded in her ear:

"Chu shuran, let me hear you this bitch again. I don't mind letting you and the Chu family behind you disappear into this world!"

The words fell, Chu shuran was directly thrown out, heavily fell on the road three meters away.

It's a mess.

The sexy clothes on the body burst out in spring.

In Ye Chen's eyes, there is no pity and pity for her. She has only one choice -- death.

He didn't mind slapping Chu shuran to death just now, but this method of death was too easy for Chu shuran.

He wanted to look at Chu shuran's despair a little bit, like his own five years ago!

Chu shuran can feel the pain on her body, her big mouth breathing, for a moment, she even felt that she was going to die.

She finally stood up, she was staring at Ye Chen not far away, with hatred and anger in her eyes! She had a lot of swearing in her mouth, but at the thought of the threat, she counseled.

She can only angrily say: "you will pay for your behavior today, because you have completely offended the Chu family in Jiangcheng! It's extremely easy for the Chu family to destroy a person! "

"Pa!"

Words have not finished, but also a puzzling slap in her face!

This is not ye Chen at all!

Chu shuran was angry.

Now what kind of dog and cat dare to move themselves?

She bit her lips, and the rest of the light found that it was a girl. Just about to start, her body suddenly became stiff and her pupils enlarged.

She had already seen who was doing it.

A girl.

Beautiful girl.

The girl's skin is white, her eyebrows are willow leaves and her nose is high. Her eyes are still like a clear water. She has a kind of elegant and lofty temperament. Her eyes have a trace of coldness and aloofness. She looks like a fairy who looks down on the mortals in the world.

This is Xia Ruoxue of Huamei group?

How can Xia Ruoxue appear here, and why fan himself?

Chu shuran is totally confused!

Of course she dare not fight back!

This is the gold of Xia family in Jiangnan province! His status as a miss of Chu family is not even a fart in front of her!

As long as the Xia family thinks, the Chu family's century old foundation can be destroyed.

"Miss Xia, why are you..."

Xia Ruoxue's cold voice directly interrupted: "Chu shuran, you Chu family is very powerful? Try to destroy my family

"Miss Xia, it's not like this I didn't mean you... "

"Hum."

Xia Ruoxue snorted coldly, turned directly and came to Ye Chen's face. He stretched out his hand to hold Ye Chen's arm.

It's very close, just like a couple.

"Honey, shall we go home now?"

A crisp and gentle voice rings in Ye Chen's ear, which almost makes him unbearable.

Ye Chen looked at Xia Ruoxue, the other party's smart eyes are constantly flashing, obviously to help him.

But how can he need help? However, this is the other party's intention, and ye Chen doesn't want to refuse.

"Good. Let's go home. "

Ye Chen nods, soon, two people leave intimately, leaving Chu shuran, who is petrified in situ.

Xia Ruoxue of Xia family in Jiangnan province actually calls this guy husband?

How could it be!

How can Xia Ruoxue look at such people!

The other party is a waiter!

The status gap is too big.

Will summer agree to this marriage?

No way!

But how to explain everything in front of you!

Summer if Snow's sudden appearance, disrupts Chu shuran's all rhythm! Even her idea of revenge can only be temporarily shelved!

Xia family's status, she Jiangcheng Chu family is not qualified to shake!

Chu shuran clenched her fist, and her nails fell into the flesh. She looked at the back of Ye Chen and gnashed her teeth and said, "hum! Summer if snow is the reason why you are so unscrupulous! A man who depends on women's position will only make me look down upon more and more! "

Chapter 86

After two people left, Xia Ruoxue quickly released his hand, and on his beautiful face, he showed a sweet smile.

"Ye Chen, you helped me before, now I help you, we are even." Xia Ruoxue plucked her hair behind her ear and joked, "that girl just grew up well. Is that your ex girlfriend? Or the girl you love? I've never been so close to a boy before. You must be right to take care of me. "

Ye Chen Mou son tiny MI, smile way: "you an iceberg president, I really can't afford, however, you work for me how?"

Xia ruoshue heard this sentence, show eyebrow a pick.

According to her understanding, the only valuable thing on Ye Chen is the prescription. Is it hard to say that this guy has any industry?

No, the card this guy gave himself also had a lot of money.

Is this guy invisible?

Xia Ruoxue's starry eyes blinked and said, "Ye Chen, are you sure you want to use me? Once you use me, you have to be prepared psychologically. Your enterprise will be mercilessly suppressed by Xia's financial group. At that time, the enterprise, let alone whether it can make profits, will even be difficult to survive! It is estimated that no one in China dares to use me, even a front desk post. "

Ye Chen is not afraid of Xia family naturally, way: "I dare to use you, do you dare to help me?"

"Are you sure?"

"Sure." Ye Chen vowed.

"Good." Xia Ruoxue recovered a trace of the female president's ability and said seriously, "where is your company? How much is the registered capital? What kind of industry? What are the policy supports? "

Ye Chen was stunned, scratched his head and explained, "er The company hasn't been established yet. It should be fast. No industry has been determined... "

Summer if snow white one eye Ye Chen, guess to Ye Chen is for the mother that half a year's appointment just plan to do so.

She can't help but sigh. She is really fearless. Ye Chen doesn't know how terrible the Xia family is.

Even if Ma Yun gave him Alibaba in Hangzhou, it was impossible for him to surpass Xia family economically.

The rich on the surface of China look terrible, but only a small number of people know that the real terror is those families and consortia that have not been revealed.

Ye Chen is so small in front of these consortia that no one can look on him.

His so-called half a year's appointment will only be a mantis when the car, beyond their capacity!

"Let's go back to the apartment."

Xia Ruoxue's voice is somewhat tired and disappointed.

She thanks Ye Chen for all she has done, but people have to face the reality.

The reality is that before long, she will still return to Xia's home, and ye Chen will only become a passer-by in her life.

.....

At the same time, a magnificent villa area.

Summer mother leaning on the sofa, plump, years in her body without any trace.

She has a glass of red wine in her right hand, savoring it.

But red wine can't calm the anger in her heart. When she thinks of her baby daughter being with that man, she feels that Xia's noble blood is mixed with impurities! Make her feel sick!

"Pa!"

The goblet on the hand was directly hit by her on the ground!

Seconds later, a middle-aged man in a decent suit came in with a document in his hand.

He took a look at the debris on the ground, carefully came to Xia Mu's face, handed the document to his hands: "madam, this is the information you want."

Xia's mother didn't take over the document and directly asked, "I just want to know two questions: first, if snow is pregnant! Second, what is the origin of that poor boy? "

The middle-aged man's body trembled. Obviously, he didn't expect his wife to be so angry and didn't think much about it. He said:

"madam, according to the time line of my investigation and the report of Miss's regular physical examination, she should not be pregnant, but..."

When Xia's mother heard the first half of the sentence, she was still a little happy. She changed her face when she heard "but": "speak clearly!"

"However, the young lady left the villa for a drink that day, and was later picked up by a lady named Sun Yi. There is another boy living in Sun Yi's family. It is the one you asked me to investigate. According to the monitoring and content, it is not ruled out that there is a possibility of having a relationship. As for whether there is pregnancy, we need to observe it."

"Pa!" Xia Mu directly threw the whole bottle of red wine in front of her on the ground, and her fist was very tight: "if this boy really defiled ruoshue, I want him to die! Tell me the story of this boy

The middle-aged man nodded: "the boy's origin is a little strange, I can't find any information by my means, as if he appeared out of thin air."

Summer mother beautiful eyes revealed a trace of surprise: "how possible, you control the network, even if the military can also find it, how can there be no information?"

The middle-aged man explained: "this man's information should have been deliberately hidden, but according to my guess, this ye Chen is probably the young master of the Ye family who was destroyed five years ago in Yunhu mountain villa. This son has disappeared for five years. In these five years, there is no monitoring screen to capture it. It seems that the world is evaporating. I just don't know why he suddenly came back five years later. "

Xia's mother fell into deep thought. Although the event happened in Jiangcheng five years ago, it shocked the whole circle of Jiangnan province.

After all, it was the big man who offended the capital.

She has also learned that a defeated family in a small place has no strength at all. Even martial arts experts do not have it. There is only one enterprise called Tianzheng Group.

Even if ye Chen really comes from this ye family? Without his parents, he didn't even have the only support.

It is estimated that this son tries to climb up the Xia family and revenge his parents with the help of Xia family!

Ridiculous idea!

"Well, what an abacus

Xia's mother came to the French window and looked at the scenery of Jiangcheng outside the window and said with a sneer: "a despotic trash dare to say that kind of heroic words in front of me, which makes my Xia family unattainable for half a year? Ignorance! I want to see what waves you can make in half a year

.....

In the evening, most apartments.

Ye Chen feels that the apartment is a little crowded now. Although it is accompanied by two beauties, there is always some trouble.

Several times I forgot to lock the door when I went to the toilet. As soon as I took off my pants, Xia Ruoxue rushed in and ran out with a scream.

However, it's not bad to live with a beautiful woman. Sun Yi's figure is so sexy that she explodes. Xia Ruoxue's appearance and temperament are so good that she feels happy every day.

After dinner, the two women went to the supermarket downstairs to buy vegetables. As for ye Chen, she came to the balcony and made a phone call to ye Lingtian. She told him about Zhengtian group and asked him to send someone to contact Shen Haihua these days.

Later, I wanted to contact Bai Li Bing, but I found that I didn't have her phone number at all.

"Do you want to stop asking if there is anyone in the Nanjiang King's government?"

After all, he and bailibeng are not very familiar, the other party may not agree to this.

Ye Chen no longer think about it, just ready to turn around to leave the balcony, suddenly, he felt something, eyes shrink, that cold eyes directly on the roof of a building opposite!

Someone was watching him secretly!

Ye Chen turns around, turns off the light and goes straight into the darkness.

"Play the game of hunter and prey with me? Hum! I Ye Chen wants to see who is the real hunter

Chapter 87

The roof of Jiangdu building.

A big man put down his glasses.

The man's head is short, the skin is very black, that pair of bright eyes twinkle like eagle's sharp light.

He is the dragon soul commando's Ying Qing, underground organizations and international forces are afraid of the Dragon Spirit warwolf!

Today, Yingqing just got off the plane this afternoon. Baili bingben was going to invite him to have dinner, but he refused directly. He wanted to see what way ye Chen was.

According to the two videos of bailibeng, he is extremely dangerous and should be a martial arts practitioner.

But after observing for a long time, he couldn't see any bright spots in this boy.

As a result, I watched Ye Chen steal food at the table all night!

Nima, can a martial arts practitioner not do this!

If ye Chen is put into the crowd, no one will recognize it.

"Did I look out of sight?"

Yingqing muttered, picked up the box on the ground, just ready to leave, a killing opportunity suddenly appeared.

In the sight, a pair of hands appeared on the railing of the rooftop!

The railing was deformed in an instant, and a figure jumped up directly!

Obviously, the figure climbed up from the nearly 80 meters high building!

Master!

The next second, the shadow formed a shadow in situ, and then the air flow around him surged. The man actually appeared in front of him, and a terrible momentum swept over him!

The surrounding magnetic field seems to have changed!

Ying Qing felt a cold sense of killing, and rushed up with a fist!

"Bang!"

When Ying Qing smashed a blow, he regretted, because the strength of the other side was too overbearing! Almost a kilogram!

Nima! What a monster this is!

It was as if his arm was crushed by an extremely terrible force. The whole arm was numb and his viscera were impacted by an air wave!

How strong!

Can not help but he hesitated, that figure in the air, a whip leg directly hit down!

If you hit this leg, you will die!

Ying Qing's face was pale, and he stepped on it in a hurry, and the whole man jumped up, three meters high! Dodged the attack.

"Bang Dang!"

The whip leg fell mercilessly, only to see a huge depression in the concrete floor of the rooftop. A big hole was smashed under the other party's leg!

Master Wudao!

And it's not a general martial arts master!

Should hold Mou son to stare big, when did Jiangcheng appear this kind of expert!

His body steadily fell on the ground, instantly saw the figure!

Ye Chen!

It's Ye Chen!

Isn't he in metropolis apartment? How can he be here.

It's only 30 seconds since he put down his telescope. Can this guy fly!

Ye Chen didn't expect that the other side could escape. I don't know why. He felt that he was more dangerous than any strong man he met in Jiangcheng.

No matter who the other party is and for what purpose he is watching, he must die.

Ye Chen in situ into a shadow, one hand waving, as if tearing the air, came bursts of air explosion.

Before it falls, the strength around you will be scraping, and you will feel the pain.

Ying Qing knows what kind of consequences will be if this fist hits him. He steps on the balustrade of the balcony, a somersault, and sweeps away towards Ye Chen's fist with bursts of strength in both feet!

"Bang!"

The two forces collided in an instant! A faint vibration came from the roof! Rolling smoke and dust, blurred two people's line of sight!

Ying Qing only felt a strong impact, and his body suddenly flew out and fell directly into Jiangdu building.

Fortunately, at the moment of falling, he grabbed the fence fiercely and unloaded his strength. He spun himself in the air and came to the back of Ye Chen.

Such an opportunity, he naturally will not miss, a yell, fists contain a strong momentum, directly jump out!

Air blast!

He hasn't met this kind of master for a long time. Naturally, he wants to play happily!

"Bang!"

But the double fists have not yet hit Ye Chen's body, he was shocked to find a hidden barrier behind Ye Chen!

The supreme internal force smashed on the barrier, and a strong anti shock force hit him. His body could not help falling back three steps!

This is

Should be full of shock!

He found a big secret!

Ye Chen is not an ancient warrior at all, but a practitioner!

Suddenly, he found Ye Chen missing!

After a while, his body side, there is a fierce and strong attack.

The air around them vibrated and thunder was hidden.

What a quick body!

He can't get away from it!"Touch!"

Yingqing only felt a strong force running through his whole body, and the ground he stepped on was directly broken!

At the same time, the whole blood flew out on the wall!

You can't beat it!

In a trance, Ying Qing saw a dark shadow appeared in front of him.

Oppressive and majestic, like the God of the earth, such as the reincarnation of overlord!

"Bang!"

A big foot stepped on his chest, which made him suffer to the extreme.

"Who are you, why are you spying on me, who is standing behind you! Chu family or Xia family? Say it

Ye Chen's voice is extremely cold, resounding all over the roof.

At the moment, Yingqing felt that most of his body was unconscious, and his heart was more and more frightened.

Where has Ye Chen gone for five years!

Why did they step into the path of cultivation.

Clearly missed the best training time, why can we still have such strength!

If this person works for the dragon soul commando team, then their team's damage can definitely be reduced to the minimum!

According to the strength of Ye Chen's outbreak today, he alone is worth more than a dozen m seals!

Should be raised in the heart of the storm, such a strong, absolutely can enter the Chinese martial road list!

The key is that the talent of this son has not been fully exploited. If it is obtained by any Chinese family, it will certainly change the situation in China!

Just half way through his mind, there was a violent explosion!

See a white wind blade shot out, straight to his vital point!

"Stab!"

Lying trough, this guy really kills people!

I'm just coming to see you. Do you need to play really!

On the side of Ying Ying's body, the blade of the wind fell an inch in his ear, penetrating the ground and forming a deep groove mark.

He couldn't care about anything, so he took out a small green certificate from his pocket and threw it out directly!

"Brother, I don't want to play like this. I don't mean anything. I really don't. You can see the certificate."

Yingqing is completely soft.

If those military regions and international killer organizations know that the famous leader of the dragon soul commando team is soft in front of a young man, he will be scared out of words.

Key Ying Qing has no choice. Even if his master comes here, the result is the same, because this is not a heavyweight at all!

Ye Chen opened the certificate and glanced at it and read, "captain of the dragon soul commando, should you hold it?"

"Yes, yes, you can always let me go now." You should take a long breath.

Ye Chen hums coldly, throw away that certificate casually, in the hand true Qi condenses, kills the opportunity to break out, under a point.

"Sorry, I haven't heard of it."

Seeing that the murderer has locked himself, he should be shocked. How can this guy not even hear of the dragon soul commando team!

Sleeping trough!

He didn't pay attention to anything and directly called out, "Baili ice, I know Baili ice!"

"Ding."

Suddenly, his strong brow stopped, and the blood overflowed from his brow.

Should hold breath, the whole person is relieved.

Damn it, these days, the younger martial sister's name is more effective than the dragon soul commando team. What a hell!

Chapter 88

Ye Chen still took back his hand and looked at Ying Qing in front of him and asked, "do you know Baili ice? She asked you to come? "

If bailibeng sends this guy to monitor himself, not only the people in front of him will die, but also bailibeng will pay the price.

Ying Qing shakes his head and fiercely supports himself to sit up.

He clearly felt his rib was broken.

Damn it, this boy's hand is so heavy!

It's a pity not to go to the dragon soul commando!

He looked at Ye Chen and explained, "this matter has nothing to do with bailibeng. She once sent me two videos, one at a banquet and the other at an abandoned factory. I saw your value from the video, so I came to see you."

"The value in me?" "Ye Chen snorted coldly," is that why you spy on me? In my dictionary, hidden in the dark are my enemies Ye Chen

Seeing ye Chen plan to start again, Ying Qing really wants to get mad!

"So! Don't be in a hurry. I'm not the first to monitor you. " Yingqing can still how, can only be soft, "I take the honor of the Chinese dragon soul commando team as guarantee, owe you a favor! In the future, if you have something that you can't handle, I can use the national strength to help you solve it. "

At present, Meiye group needs the strength of Tianzi group.

Baili ice is the first choice, but at present this guy delivers to the door, naturally is the best.

Dragon soul commando?

From the other side's martial arts strength, it must not be underestimated.

It can even be said that it is a mysterious power in China. Maybe the power it controls is a bit greater than what you think.

It's a good deal.

Ye Chen looked down at Ying Qing and said curiously, "what is the status of the dragon soul commando in China?"

Ying Qing's face shows a trace of joy. Does the other party want to join the dragon soul commando?

This is a great good thing!

The dragon soul commando team is now in need of fresh blood. If ye Chen joins in, he is even willing to give up the position of captain.

No longer hesitating, Yingqing is quite proud of the way: "dragon soul commando is the third unit of China against the world's mysterious forces, but also a team to carry out special operations on land, sea and air. If we talk about the status, we don't need to listen to anyone except the prime minister and the superior!"

Ye Chen didn't expect the dragon soul commando team to be so powerful, but since it is the third team, it is obvious that there is still a more powerful presence.

But now, the dragon soul commando team is enough for Tianzheng Group.

"You don't have to owe me any favor. As long as your dragon soul commando team is willing to establish contact with an enterprise in Jiangcheng, we will be clear." Ye Chen light way.

Hearing this sentence, you should certainly understand the meaning of the other side.

But there was something strange about his expression.

What's this kid thinking? Do you want to use the dragon soul commando as the protector of a Jiangcheng enterprise?

Would it be too overkill?

The key is that there has been no such precedent since the founding of the dragon soul commando team!

Such a mysterious power doesn't need to be used in other aspects. Actually, it only gives a broken enterprise a protective umbrella. I don't know how many people will laugh.

"Are you sure?"

"Sure."

Ying Qing pondered for a moment and then said, "if I guess correctly, the enterprise you are talking about should be your father's Tianzheng Group."

According to the information on hand, the death of Zheng Jingming of Qinghe group and the extinction of Qingmen are sufficient proof that ye Chen wants to take back his father's enterprise.

"Yes." Ye Chen is not surprised that the other party knows about it, and the other party monitors himself. Some news must have been obtained by him.

National strength cannot be underestimated.

"I can't make the decision on this matter. After all, we are somewhat special in nature, but I am willing to help you contact my superior. If the superior doesn't agree, I'll think of other ways to help you solve it. "

This is the attitude of Ying Qing, no matter what, we must first maintain a certain relationship with Ye Chen.

Perhaps driven by sufficient interests, the other side will be willing to join the dragon soul commando.

"Good."

Ye Chen nodded, and then took out a pill that looked a little crooked from his pocket. This is the healing pill he refined these days.

Zhu Rende's auction should start soon. He is really eager to get a Dan Ding.

He threw the pill to Ying Qing: "eat him, you will be better."

Yingqing naturally guessed what was in his hand.

Pills?

He has taken some so-called pills, although it has some help to the wound, but it is not as miraculous as the legend.

As for the things that are not even like pills, he is holding a skeptical attitude.

Can this be eaten? Will you eat the dead?

He looked at Ye Chen, but he could only open his mouth and take it. Just deal with the kid in front of you.

"I finished eating, didn't I..."

The sound stopped suddenly!

He suddenly felt a strong smell of medicine from his body.

Then a warm current poured into his body, and he was shocked to find that his injured body was recovering bit by bit.

How could it be!

Although Ying Qing practiced ancient martial arts since childhood, he believed in the existence of science!

But what is in front of us can't be explained by science!

He can clearly feel that his bones are slowly correcting their position!

A hand that was almost unconscious could move!

He glared at Ye Chen who was standing not far away. He had a strange idea in his heart:

the thing he took was really a pill!

The legendary pill!

What's the origin of this boy!

Not only practitioners, but also control this magic pill!

The key just now this guy seems to take it out of his pocket casually!

It's hard. There's more on this guy!

Should Qing really not calm down, if the country mass production of this thing, then the Chinese army is enough to be invincible!

His breath is more and more rapid, a pair of blazing eyes staring at Ye Chen.

Ye Chen naturally felt something. He condensed a blade in his hand and said in a cold voice, "I only like women. If you look at me with this kind of eyes again, I don't mind making you hurt more seriously."

Hearing this sentence, Ying Qing coughed awkwardly: "misunderstanding, it's all misunderstanding. So what is there anything else you gave me just now? "

Ye Chen Mou son some surprised, took out a crooked Xuan Yuan Dan from the pocket, way: "you say is this thing?"

When Ying Qing saw that pill, his body was almost stiff. He thought the other party would take out one. Who the hell would think it was!

A whole bunch!

The shock to his sight was so strong!

Subconsciously, he wanted to reach out and grab, but as soon as he saw Ye Chen, his hand shrank back.

No one dares to rob him in front of him.

He knows what the pill means!

It's priceless!

Chapter 89

Ye Chen saw the blazing heat of Ying Qing's eyes and said: "you seem to be very interested in this thing?"

"Ye Chen, how many pills do you have? If you give this pill to the country, the Chinese military is willing to..."

Ye Chen snorted coldly and directly interrupted the other party's words: "hand in? This is my thing, not a cultural relic. Why hand it in! If the forces behind you really want to do what you promised me first! Then let the person who has the right to speak behind you come to me in person! "

With that, ye Chen went to the gate on the roof.

Looking at the back of Ye Chen, you should hold some helplessness in your heart.

Let the people behind the dragon soul commando talk to you in person?

What a big breath!

That big man can control the situation in China by waving his hand.

What qualifications do you have for him to come to see you on his own initiative?

Ye Chen is extremely arrogant.

When he got to the gate, ye Chen thought of something again. Suddenly he stopped and his cold eyes shot out: "remember, I don't want to be monitored for the second time. If I find out again next time, I

don't care if you are the dragon soul commando team, or how important you are to China, you will be obliterated by the law!"

Threat!

A naked threat!

If it's normal, it should have been in the morning.

But now, he can only smile in situ.

"How could the Ye family in Jiangcheng give birth to such an evil spirit?"

.....

Ye Chen returns to Dadu apartment and finds that Xia Ruoxue and Sun Yi have already returned and bought a lot of snacks and ingredients.

He looked at the second girl with a smile and was surprised: "you girls don't eat snacks, aren't you afraid of being fat?"

Xia Ruoxue glanced at Ye Chen, holding Sun Yi's hand intimately and saying, "Sun Yi and I are the type of people who can't get fat no matter how much they eat Are you convinced? "

Ye Chen has found that the second daughter seems to have formed some kind of boudoir camp.

It should be the so-called friend in need.

But it's also good. Xia Ruoxue used to be both the president and the daughter of Xia family. She is used to staying with Sun Yi more, and her character will get better.

But he is a little curious, two peerless beauty sleep together will happen.

At eight o'clock in the evening, the whole bathroom is occupied by Xia Ruoxue and Sun Yi. However, ye Chen can only return to his room to practice.

These days, when he is free, he will go to the top floor of Tangchen Yipin to soak in a medicine bath. He absorbs the medicine Qi, and along with the cultivation, his strength has increased a lot.

I just don't know if it's enough to move the things in the stone.

Ye Chen again took out the black stone that his father had given him.

Holding it in the palm of his hand, this miracle happened without any sense of rejection. He could even clearly feel the desolation of the 100 tombstones.

"Is it because of the recent increase in strength?"

Ye Chen also noticed that in the so-called samsara cemetery, a line of text has been revealed on a tombstone.

"Sha Quan zongluo Yuntian!"

According to the original meaning of the voice, as long as their strength reaches the threshold, they can arouse a strong obsession.

Unfortunately, it can only be activated once.

After one time, the tombstone turned into pieces, and the strong man stepped into the path of reincarnation, and had nothing to do with himself.

Ye Chen doesn't know how to induce him. After several attempts, he can only put the black stone away and continue to practice.

Not long after, the door was knocked.

"Ye Chen, it's your turn to wash it. Hurry up, or there will be no hot water. Why don't you open the door yet? You won't do anything bad in it?"

Xia Ruoxue's voice came.

Ye Chen gets up to open the door. When the door opens, he sees Xia Ruoxue standing at the door wearing black lace pajamas.

At the moment, Xia Ruoxue's hair is wet, like a beauty out of the bath.

Pajamas cover well at three points, but the hollowing out of the abdomen and thigh root makes people imagine.

The peaks of the chest are towering and impressive.

Key summer if Snow's skin is very white, after taking a hot bath, the red feeling in the white makes people itch. Even give people a thrilling visual impact.

Xia Ruoxue did not have any taboo to Ye Chen looking at it, and even changed her cold color. Her tongue was hovering gently on her red lips. Her ambiguous beautiful eyes blinked and her hand was on her thigh. She whispered, "now do you think it's good for me to live in?"

Ye Chen naturally won't be defeated by the other party's molestation. She takes a look at Sun Yi, who is cutting fruit in the kitchen, and says in a soft voice, "I've slept all over the place. In fact, they're all the same."

"You --" Xia Ruoxue thought of the day's events again, and just wanted to scold Ye Chen, Sun Yi had already brought the fruit plate out, "ruoshue, come and eat the fruit."

"Here it is." Xia Ruoxue gnaws her teeth.

.....

The following days, the basic is like this, two beautiful accompany, pour also good. Ye Chen occasionally calls to ask Shen Haihua about the progress. Shen Haihua has completely controlled Qinghe group, and all the employees there have changed blood.

He even transferred some of the elite members of the northern Ming clique, apparently ready to play a big game.

At present, he is changing the name of the commercial operation group, and the ribbon cutting ceremony will be held in the morning of the day after tomorrow.

At that time, the whole Jiangcheng people will know that Tianzheng Group is back!

Ye Chen is very satisfied with Shen Haihua's efficiency. He even has some expectations in his heart.

However, there are two things that make ye Chen quite dissatisfied.

First of all, Ying Qing has not contacted himself since he said he wanted to report to the superior last time. Can't the leader of the dragon soul commando team run away?

As for the second thing, the auction time should be almost the same. Why hasn't Zhu Rende informed himself? After all, his training speed is still too slow, so he needs Dan Ding urgently.

Just thinking of this, ye Chen finds that the doorbell rings. When he opens it, he finds that Zhu Rende is sweating.

"Mr. Ye, I finally found you." Zhu Rende said excitedly, "I have been waiting for you for a long time in Tangchen Yipin this morning, but I can only find here by some means."

Ye Chen suddenly realized that he didn't have a mobile phone at that time, so he asked them to go to Tangchen Yipin to find him before the auction. As a result, they all live in Dadu apartment, and the other party can't find him.

"Mr. Zhu, I'm really sorry to give you any trouble. Please come in and have a seat." Ye Chen Dao.

Zhu Rende shook his head like a rattle drum: "Mr. Ye, there is something wrong with my family recently, and I need to sit down. This is the invitation letter of the auction. You can go there with it. It has the address and time. The auction will start at 2 p.m. I may not go at that time, because I can't walk away, but Zixuan will accompany you

Ye Chen nodded and just wanted to express his thanks, Zhu Rende left in a hurry. Obviously, something happened to Zhu family.

He had wanted to ask what was wrong with Zhu's family. Maybe he could help, but Zhu Rende walked so fast that he could only give up.

Ye Chen looks at the invitation letter on the hand, the corner of the mouth outlines a radian.

"I hope I can get the Dan Ding I want today."

Chapter 90

2 p.m.

Jiangcheng Millennium hotel gate, a taxi slowly stopped.

The door opened, a suit of Ye Chen walked down.

He would not be stupid enough to wear those old clothes to the auction, otherwise he would be provoked everywhere.

"I don't think anything will happen if I wear it today."

Ye Chen walks to the gate and soon sees Zhu Zixuan standing in a daze at the door.

Today, Zhu Zixuan was dressed casually, with heavy black eyes and a haggard look.

He went over and said directly, "what a fool, let's go."

Zhu Zixuan woke up and said respectfully, "Mr. Ye, you are here..."

This time, she did not dare to disrespect Ye Chen any more. After all, the master and grandfather told her many times that ye Chen was terrible. She learned from their tone that ye Chen was terrible. Moreover, she gradually learned to be restrained after so many family incidents recently.

Zhu Zichen and Zhu Zichen pass in the invitation letter.

The Millennium Hotel is different from other high-end hotels. It is more like a private club. The overall environment is Chinese architecture. There are flowers and water, but it has a different artistic conception.

They found a sofa and sat down.

"Mr. Ye, it's the time to enter the market, which is also known as the circle exchange time. The real auction will be held upstairs in two hours. Let's sit here for a while and have some snacks." Zhu Zixuan said seriously.

Ye Chen glanced at the whole banquet hall. Most of them were gathered together to drink red wine and chat. The men's suits and the women's dresses were decent. They were quite sexy.

This kind of upper class banquet, ye Chen did not catch cold since childhood, which also caused his unique personality.

Seeing the embarrassment, Zhu Zixuan said, "Mr. Ye, do you know anyone here? If you do, you can go and talk to them."

Ye Chen shook his head: "no, if you have friends, go to them."

With that, he closed his eyes and seemed ready to rest.

As soon as Zhu Zixuan was about to say something, several young men and girls with goblets came over. One girl took Zhu Zixuan's hand and said in surprise, "Zixuan, you're here!"

When Zhu Zixuan saw the girl, she gave a reluctant smile because she was the famous "social flower" Lv Siyu in Jiangcheng.

LV Siyu is recognized as a beautiful woman in the circle. Her family is not bad. She is familiar with people and has strong communication skills. When she is there, there will be boys around her.

Today, LV Siyu dressed up carefully, apparently preparing to meet more young talents at the auction.

"Well, why are you alone in the Zhu family? Yes, you Zhu's family can't protect themselves now. " All of a sudden, an untimely voice rang out.

Zhu Zixuan turned her head and noticed the man who was talking.

Liu Weicheng, the only son of the Liu family, has a high status and strong economic strength in Jiangcheng. If a martial arts master takes charge, he will become one of the top families in Jiangcheng.

Compared with the Liu family, there is a big gap between the Zhu family and the Liu family. Because the two families often collide in business, there is no good thing to say when they meet.

There are also a few young men and girls, whose family status in Jiangcheng is not low.

Because of the same age, these people gathered in a circle at this auction.

Zhu Zixuan glared at Liu Weicheng, did not speak, and drank a drink of his own.

Naturally, LV Siyu noticed Ye Chen with her eyes closed for the first time and asked curiously, "Zixuan, this is..."

Knowing that ye Chen didn't like to be disturbed, Zhu Zixuan could only explain: "he is a guest of Zhu's family. He is interested in the auction today, so come and have a look. He is resting. Don't disturb him."

Lu Siyu looked at Ye Chen with interest. He didn't know why he always felt familiar. He said, "Zixuan, since you are your guest, it's also a member of the circle."

"Well Handsome boy, don't you really introduce yourself? "

The latter sentence is obviously for ye Chen.

LV Siyu's voice is very sweet and soft. Ordinary boys have no resistance under her voice attack.

Sure enough, ye Chen opened his eyes, his eyes swept at the people, extremely indifferent.

"I'm not in a circle with you, so there's no need to introduce myself."

When the words fell, not only Lu Siyu, but all the people present were stunned.

They have been in Jiangcheng for so long, and they have never seen such a snob.

Lu Siyu's appearance and figure can rank in the top ten in Jiangcheng. Such a beautiful woman's invitation has not hesitated to refuse?

This is too crazy!

Would it take you a lot of time to introduce?

The key person's tone is as if they are not worthy of his name.

Liu Weicheng blocked LV Siyu in front of him with one hand. He grasped LV Siyu's white arm with one hand and said, "Siyu, what do you do with this kind of guy? It's obvious that people give something shameless to their faces." Lu Siyu smiles and pretends to go to get the red wine and breaks away from Liu Weicheng's hand.

Liu Weicheng was not happy in his heart. His eyes fell directly on Ye Chen's body and said in a cold voice, "boy, what the hell are you? Install it in front of us! You make it clear to me that we know you for your face

Ye Chen shook his head helplessly. He really didn't want to scold this kind of childish brother. He simply lowered his value. He stood up directly, put his hands in his pockets, and went outside.

In Liu Weicheng's opinion, it was obviously the other party's recognition. He noticed that LV Siyu was looking at this side, and his desire to express himself became more and more intense.

He stretched out his hand and grabbed Ye Chen, who wanted to leave, and ordered: "do you want to go? Did I let you go! If you want to leave, please apologize to Siyu first! "

At this moment, Liu Weicheng felt that he was so handsome that he even felt that Lu Siyu was already in love. Maybe a room at night would make him happy.

Zhu Zixuan's face changed greatly when she saw this scene. She knew Ye Chen's character! Even his grandfather must be careful to serve, he Liu Weicheng is nothing!

But the Zhu family is now in a dangerous situation. At this juncture, she absolutely can't make enemies for Zhu's family. She can only persuade them: "Liu Weicheng, let go! You can't offend Mr. Ye! "

Mr. Ye?

Where does Jiangcheng have the surname ye?

The only family surnamed Ye died five years ago!

What are you afraid of?

Liu Weicheng sneered: "Mr. Ye's mother..."

Words have not finished, ye Chen really can not help.

He didn't want to cause trouble, so he chose not to be part of the circle.

He didn't want to cause trouble, so he chose to leave at the first time.

But some people are born to die, and he doesn't have to be patient.

The next second, ye Chen's right hand turned, the backhand clasped Liu Weicheng's arm, and then, fiercely pressed!

All the people heard was "click!" A sound, Liu Weicheng's arm was actually directly crushed!

Almost 360 degrees twisted!

Liu Wei's hand is so strong that he doesn't want to break it!

LV Siyu and others covered their mouths and were obviously scared.

But all this is far from over, ye Chen's right foot fiercely raises, directly a kick in Liu Weicheng's body!

"Bang!" Liu Weicheng's body hit the ground, dizzy brain, face full of blood!

"You boy unexpectedly --"

Liu Weicheng roared angrily, but ye Chen would not give him the right to speak.

"Your mouth is too dirty. Don't talk again."

The cold voice fell like death.

Ye Chen grabbed Liu Weicheng's neck and directly hit the toughened glass table!

Strong pressure hit, Liu Weicheng's mouth and glass table directly hit together!

All the teeth are broken!

Mouth is a big mouth spit out blood!

Zhu Zixuan's face was pale, and he quickly took Ye Chen's hand and advised him, "Mr. Ye, don't..."

Ye Chen glanced at Zhu Zixuan, but her eyes did not fluctuate.

The king of hell can't stop what he wants to do!

Liu Weicheng was lifted again and smashed at the cracked glass table!

"Bang Dang!" With a loud noise, the toughened glass table is broken directly!
